LAMB COUNTY LEADER

VOLUME XXVI.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, FEBRUARY 2, 1950.

NUMBER 51.

C. of C. Hold First Dinner Meeting Monday

To Attend Convention Of State Musical Educators

The local band leader has a special place on the convention program in that he is organizer and leader of the all-state clinic band, made up of 110 students from high schools in class A and B throughout the state.

Deep Test To Go Down 2 Miles East Of Lum's Chapel

The Humble Oil & Refining Company are to start operations at once on a deep test well about two miles east of Lum's Chapel and six miles west of Anton.

The deep prospector is scheduled to go down 11,000 feet, and will be Humble No. 1, J. J. Hobgood and others. The drillsite is 660 feet from south and west lines of labor 10, league 693, State Capitol Lands Survey.

Water Meeting At Austin, Feb. 10-11

The Texas Water Code Committee, created by the 51st Legislature to study the Water problems of Texas, and to make recommendations for legislation designed to produce a more adequate supply and more equitable distribution of water, will hold a state wide meeting in senate chambers in Austin Friday and Saturday, February 10 and 11. The meeting will open at 9 A. M. Friday.

It is the desire of the Committee to hear all of those who have constructive ideas about remedial legislation in this field. Inasmuch as it would be impossible to hear everyone in a two day session, the Committee is asking all those who have common problems, and who are in agreement as to a plan of water conservation, to select a spokesman to present their views in order that all may be heard.

In an interview with Arthur Duggan, Jr., local attorney, who has been taking a very active part in the Water Conservation program, he stated he was not sure whether or not he would attend the meeting. It is expected, however, that this area will be represented at the Austin meeting.

District Court Will Convene Here Monday Morning

District Court will convene Monday morning, February 6, with Judge E. A. Bills presiding. Grand Jury will be in session at that time.

LAMB COUNTY FARMERS HUNT DOZEN NORTH FOR CARIBOU

Gray and Frankie Carvis, Lamb county farmers of near Littlefield, the former being at the former Jack Smiley farm, returned last Monday from northern Ontario, adjacent to Saskatchewan Province, where they had an expedition which may never have been

similarly enjoyed by any other resident of the county. They went hunting for caribou, and each got his antlered buck.

The meat of the animals, along with the hides, is being prepared for shipment in a Canadian settlement, near the hunting ground, and will be shipped to Littlefield, but that is only incidental to the story of the hunt.

The two men left here two weeks earlier by private plane, and flew to the Canadian border. Here they were joined by a party of ten other hunters, and the trip northward to the wilds began after they had mounted the plane on skis. Guides, with full equipment also joined the

Important Matters Discussed; Change Voted In By-Laws

To Cooperate With Soil Conservation In Field Day

Officers, and members of Board of Directors of Littlefield Chamber of Commerce, received a boost last Monday night, at a special called meeting, which also was featured by a dinner at the Dyer Cafeteria, but the boost was not in salary, but in length of service each now holding office will serve.

Change in By-Laws
The Chamber voted a change in by-laws, and one of these changes mandates the election of officers and directors on January 1, each year, instead of in June as in the past. Those elected in June, have been, in the past inducted into office at the first September meeting. As a result of the by-laws change, those who took office in the Chamber last September, will serve until January 1, 1951, which will give them an extended term of one year and four months. New officers will be elected next December, and installed at the first January meeting.

Public Invited To Party To Aid March of Dimes

A March of Dimes bingo party will be staged at 8 p. m. Friday at the VFW hall under the direction of the Littlefield Lions club. The public is cordially invited and urged to attend. The proceeds will be turned over to the Lamb county March of Dimes fund. Admission will be \$1 and will entitle the purchaser of a ticket to a full night of bing. There will be no other charge. Tickets may be purchased from any member of the Lions club. There will be attractive door prize.

Installed President Olton C. of C.

Harold Wilson was installed president of Olton Chamber of Commerce at a dinner-meeting held Monday night, at Olton high school. Other officers installed were: Truitt Sides, first vice-president; G. H. Bley, second vice-president; Earl Smith, secretary; Louis Hair, and J. C. Scruggs, parliamentarian. Directors include Amundsen, Paul Nafziger, Frank Cornelius, and Lewis Schrier.

Waggoner Carr, Lubbock county attorney, was principal speaker at the gathering. He used as his subject, "Building a Better Community."

OBSERVE NATIONAL YOUTH WEEK

In celebration of National Youth week of the First Church of God, the young peoples' group attended a banquet at Clovis, N. M., Tuesday night. Rev. T. N. Minix of Littlefield was speaker for the evening. Musical numbers were presented by the local group which had fifteen present.

Burglarize Roller Rink; Donation Money Stolen

Bob's Roller Rink, operated by Mr. and Mrs. L. L. Henricks, was broken into Tuesday night of last week, and the March of Dimes receptacle containing about \$10.00, as well as a quantity of candy and cold drinks, were taken.

It is believed to have been the work of some local boys. Police were notified and are investigating.

Bob's Roller Rink will continue their effort to assist the March of Dimes, and all proceeds of the rink Tuesday night are scheduled to be given to the project.

MRS. XIE M. COLLINS NAMED ACTING H. D. AGENT FOR COUNTY

Commissioners court of Lamb county has approved the appointment of Mrs. Xie M. Collins of Littlefield as acting county home demonstration agent, Lamb county, according to information from Miss Kate Adele Hill, district agent, extension service, A. & M. college.

Mrs. Collins will assume her duties February 10. This appointment of Mrs. Collins has been made to fill the vacancy created by the transfer of Miss Dudley Hambright to Pecos county last December.

Miss Hill will meet with Mrs. Collins and together will meet with the Lamb County Home Demonstration council on February 15 to discuss plans for the work in the county. Mrs. Collins will resume the scheduled meetings planned, as soon as arrangements are made for this purpose.

A graduate in home economics of University of Oklahoma, Mrs. Collins has had experience in teaching and in Farm Security administration supervisory work. The position as filled by Mrs. Collins carries the title of acting county home demonstration agent, because technically, she is a local person. She and her husband, Tom R. Collins, moved to Littlefield, October, 1949. Mr. Collins is employed with the Jones Motor company, Littlefield, as salesman. The Collins have a three-year-old son. Their residence is 509 East Seventh street.

Sister-in-Law of Mrs. Chas. Hauk Passes Away

Mrs. Lee Hauk of Sweetwater, sister-in-law of Mrs. Charles Hauk of this city, passed away Monday night on learning of her death, and Mr. and Mrs. Elton Hauk and daughter, Monya, and Mr. Williams also attended the funeral services Tuesday.

Funeral services were conducted Tuesday, January 24, at 3 p. m. at the First Methodist church in Anson, Texas, with burial in Anson cemetery.

Mrs. Charles Hauk and Mrs. Harry Williams left here Monday night on learning of her death, and Mr. and Mrs. Elton Hauk and daughter, Monya, and Mr. Williams also attended the funeral services Tuesday. The Littlefield relatives returned here Tuesday night. Mrs. Hauk left surviving, her husband, and a daughter, Mrs. Frank Davis of Sweetwater.

Mrs. Treva Quigley Seeks Re-Election

Mrs. Treva Quigley instructed the Lamb County Leader Tuesday to announce her candidacy for re-election as District Court Clerk.

Mrs. Quigley is serving her first term in this office, and has very capably filled the office extending courtesy and service in her ever pleasing manner.

Mrs. Quigley stated to a Leader representative that her formal statement would be published later.

Buy New Automobiles

A number of sales of Lincoln and Mercury automobiles have been made in the past week by Banks-Packwood Motors, Lincoln and Mercury dealers.

Joe Bitner, farmer of about five miles south of Littlefield, has purchased a new Lincoln Cosmopolitan.

J. W. Olds, farmer of near Sudan, has purchased a 1950 Mercury sport sedan.

Receipts Up To Tuesday Night Total \$92,000

Represents More Than 90 Percent Of Assessment

Both on a cash receipts and percentage basis, Littlefield Independent School District tax collections up to January 31, which is deadline date for payment without interest and penalty added, were the best in the entire history of the Secretary's office, with a total of slightly more than \$92,000 paid up to a few hours before the closing hour Tuesday night.

This figure represents more than 90 per cent of the assessment figure, which this year totaled \$101,900 for the district.

The larger total assessment figure is partially accounted for through a higher rate or valuation in effect for the first time this year. New construction and population increase, however, was a substantial item in raising the total district assessment above the \$100,000 mark this year.

Parents Entertain Wildcat Band

The Band Parents Association, headed by Mrs. T. A. Yeager, president, entertained with a party honoring members of Littlefield Wildcat Band, and leader Don Hayes, Monday night at the American Legion Hut. The party was given in appreciation of the fine performance of the band at the football games during the fall months.

The band members planned their own entertainment for the evening, which included a series of games, followed by square dancing.

At the close of the entertainment the hostesses served refreshments of cold drinks, cookies, and cakes to approximately 120 band members and guests.

Adults in attendance included Mrs. Yeager, Mrs. Raymond Erwin, Mr. and Mrs. R. V. Armstrong, Mr. and Mrs. Buck Ross, and Mr. and Mrs. Don Hayes.

Telephone Strike To Affect Long Distance Calls

Bell Telephone company's strike scheduled for next week will not affect the local telephone company service, except in long distance calls, when they have to be routed through Bell Telephone, said Mrs. Clyde Hudson, chief operator, Tuesday. However, she stated that it is hardly possible to call any distance without connecting with the Bell system.

Big Success Is Seen For Local Girl

Ever go into a book store along about holiday time, or if perhaps you are a fond parent, when one of the children's birthdays was about to roll around, and a present is in order—yes more than that is an expected certainty? If the one for whom you seek the gift, hasn't even yet arrived at the 'teen age, yet is too big for toys—the bookstore is a good place to go, especially, if that book store has a section devoted to children's books. Because those childish books are (Continued on Back Page)

On Three Weeks' Aerial Tour

Wesley, mayor of Littlefield, Fowler, prominent local cottoner, will be two members of a party of 25 Texans, leaving New Orleans on February 10, for a three-week aerial tour of a dozen countries in South America, with the tour scheduled in Chile.

The tour, which will touch twelve major cities in each country, to include a visitation to stock farms in each country, offering an opportunity for the view and study livestock raising methods, and ranching of those countries. Interlopers will accompany the party.

Littlefield men will leave New Orleans next week, and schedule calls for departure at 5:00 p. m., and arrival in Chile the following morning. The group will have their breakfast on foreign soil. They are scheduled to return after the first of March.

Ordinance Passed For Sewer Service

A meeting of Littlefield commissioners was held Friday, January 27th, at the city office, with Mayor Art presiding.

The group passed an ordinance which will be no sewer extension until property owners agree to contracts for sewer service whereby the city will get a connection for at least 100 feet on the proposed extension.

The commissioners instructed the city to prepare a list of all taxes showing that property in name of the

Plant Surplus Land Engineer Ralph Douglas was called to see that all surplus land in the Air port and also land for disposal plant be put in 1950, planting as much cotton government allotment will be 42 acre City disposal located near Peyton Packwood, east of Littlefield, while approximately 190 acres at

HOGS SHOW SHARPEST ADVANCE IN STEADY TO STRONG MARKETS

Hogs showed the sharpest advance in the generally steady to strong markets for southwest farm products last week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Mild weather and prolonged grazing of small grains and stubble were factors making for slow demand in midwest and southwest hay trading last week. U. S. No. 2 prairie hay brought \$18.50 to \$20 a ton at Fort Worth. Meanwhile, most feeds sagged to lower price levels in North Texas trade in the face of liberal offerings.

Staple and 12-months French wools sold in good volume in Texas at an estimated price of \$1.65 per pound, clean basis, delivered in Boston. Adult mohair was contracted for at 65 cents and kid mohair for 85 cents per pound.

Shelled peanuts remained firm under improved demand at mostly 17½ cents per pound on U. S. No. 1 Spanish in southwest trading last week. Farmers, meanwhile, held their supplies for spring planting. Dullness dominated rough and milled rice markets in the Gulf Coast area last week. Farmers seemed unwilling to sell remaining rough rice at milled prices.

The general trend on cattle at major southwest and midwest markets last week was steady to strong. Price fluctuations were frequent but net gains or losses were small. San Antonio reported moderate net losses on steers and yearlings as Fort Worth slaughter classes sagged even though supplies were meager some days. In contrast, Oklahoma City saw bulls, cows, canners and cutters 25 to 50 cents higher.

Slaughter lambs ranged from steady to \$1 higher at all terminals covered by USDA market news reporters. Replacement lambs and slaughter ewes held firm.

Hogs showed consistent daily upturns at most reporting markets for a net 50 cents to \$1 gain over the previous week's close. Monday's top prices hit \$17.25 at San Antonio, \$17.50 at Fort Worth and at Oklahoma City, and \$17.75 at Kansas City.

In the lower Rio Grande Valley vegetable trading last week, carrots, lettuce and beets held steady as broccoli lost slightly in the face of slow to fair demand. In the Eagle Pass-Winter Garden district, spinach faced fair demand and steady prices. Southern Louisiana reported sweet potatoes in mostly slow demand with some shippers holding for higher prices.

North Texas and Little Rock poultry markets saw fryers remain steady last week. Monday's reports, however, note an advance of two cents per pound with fryers selling at 25 cents at both points. Eggs were mostly unchanged in the southwest. However, Monday's reports reflect a one to two cent advance in North Texas and in Arkansas.

Yellow corn and wheat advanced a fraction of a cent this past week as white corn and barley took slight losses from Monday to Monday. Other grains held unchanged. Chief influences in the grain market were smaller offerings, good domestic demand and some export sales of corn.

Cotton advanced 75 cents to \$1 a bale last week to reach the highest point since mid-August.

Greece expects to spend \$35,000,000 in 1949-50 to rehabilitate its refugees.

The new 1950 Servel Gas Refrigerators are now being shown for the first time in Littlefield at Ray's Butane on Phelps avenue.

A. W. Ray, owner and operator, invites all the residents of Littlefield and area to visit their showrooms, and inspect the six beautiful new Servel BN models, which were first shown to distributors in Chicago early in January.

There is a full line of these refrigerators now on display at Ray's Butane, some of which are equipped with home freezers.

The Servels are being offered at their biggest price reductions in SERVEL history and are as low as \$199.50.

Special features of the Servel are that there are no moving parts to wear out; they are economical to operate; and stay silent and last longer.

The 1950 Servel was designed by Walter Dorwin Teague, one of the country's leading industrial designers. Mr. Teague and his staff gave particular attention to the new long life design of the refrigerator, both inside and out.

First, the exterior follows classic lines that will be as attractive through the years as it is today. The second feature is a quick-change interior to manage any food storage requirement.

The theory on which the Servel design is based is a refrigerator adaptable to any food storage need, but maintaining a quick, convenient flexibility that would assure its being put to use.

The deluxe Servel BN-800 and BN-600 models accomplish this with five special features that make the interior adaptable to individual demands in a matter of seconds. These special features include a cut-out section in one of the shelves for tall beverage bottles. There is a swing-down partial shelf, a lift out half shelf, and one shelf section is interchangeable. The third shelf is adjustable to eight different levels.

In the two deluxe models, the frozen food storage compartment is placed horizontally across the top of the roomy interior. It is separated from the rest of the compartment by a blue glass door. Two glass-covered food fresheners provide moist cold for storing fresh foods and vegetables.

The Servel BN-600 has a shelf also adjustable to three different positions, and shelves are removable. One full-width glass-covered food freshener is provided for storing fresh fruits and vegetables.

The interiors of both the BN-800A and the compact apartment-size BN-400 are arranged to meet normal storage requirements. A tray under the frozen food compartment in each of these models is provided for convenient meat storage.

Walther League To Meet Sunday

Folk games, food and basketball were the highlights of a Walther League convocation in Sparenburg held last Sunday afternoon and evening, January 29th.

The basketball tournament was a battle staged by boys and girls teams from Sparenburg and Wilson and a men's team from Plainview. The Littlefield Leaguers had planned on entering a team, but circumstances cancelled this entry. Following a delicious lunch of sandwiches, pie and coffee, some folk games were played and enjoyed by the participants and onlookers. Representing Littlefield was four Leaguers and two future members of the League.

This Walther League get-together is held whenever a month has five Sundays, the fifth one being set aside for this gathering. The participating Leagues—Sparenburg, Wilson, Lubbock, Plainview, and Littlefield—serve as hosts to this group whenever their particular turn comes.

Littlefield's League meets this Sunday night, February 5th, at 7:30 p. m., in the basement of the school—417 West Third street.

THE TELEPHONE GIRL

If the telephone girl told all that she knows, She'd turn all her friends into bitterest foes. She'd start a small wind that would soon be a gale. She'd engulf some in trouble and others in jail.

She'd let go a story that, gaining in force, Would cause half the wives to sue for divorce. She'd get all the churches mixed up in a fight, And turn many days into sorrow night.

In fact, she would keep the whole town in a stew. If she told but a tenth of things that she knew.

Say, Reader, doesn't it make your head whirl, When you think what you owe to the telephone girl?

The telephone girl sits in her chair, And listens to voices from everywhere.

She hears all the gossip, she knows all the news; She knows who is happy and who has the blues.

She knows all the sorrows, she knows all the joys; She knows every girl who is chasing the boys.

She knows all the troubles, she knows all the strife; She knows every man who quarrels with his wife.

She knows every time one is out with the boys; She knows the excuses each fellow employs.

She knows every woman who has a dark past; She knows every fellow who is inclined to be fast.

In fact, there is a secret beneath each cute little curl Of that quiet, demure-looking telephone girl.

RUSSIAN BALLERINA BORN TO DANCE

A star in silver slippers is Svetlana, at the pinnacle which some strive a lifetime to reach. The 16-year-old ballerina and Frank Schaufuss perform "Lao des Cygnes" with other members of the Metropolitan Ballet.

A FAMOUS PRIMA BALLERINA

was once asked how long it takes to become a silver-slipped star. She replied "a little longer than a lifetime." Svetlana Berisova, apparently never heard the quotation, or if she did, she was undismayed. For Svetlana is a prima ballerina of London Metropolitan Ballet—at 16.

The talented dancer, born of Russian parents, was brought to the United States soon after her birth, where her family became naturalized American citizens. Svetlana was born into the ballet. Her mother and father both belonged to the profession. Before the youngster was firmly entrenched on two chubby feet, she began the rudiments of dancing. When she was old enough, Svetlana was sent to a professional children's school on Broadway, where she studied the ballet.

The ballerina's first American appearance was with the Ballet Russe de Monte Carlo. Two years ago she went to Europe with the Nouveau Ballet and shortly afterwards joined the Metropolitan Ballet to become their prima ballerina.

Other Sessions Planned For Over Lamb County

Good Attendance Reported at Anton Monday Night

In the interest of rural telephones a meeting was held at Anton Monday night, at which farmers of Spade and the Anton area gathered, and committees were appointed. J. H. Carl, manager of Lamb County Electric Cooperative, attended from Littlefield. A good attendance is reported.

Applications for membership will be mailed out as soon as the organization is formed.

Meeting At Amherst

Farmers of the Amherst area have called a meeting for Thursday, February 9, at 7:30 P. M., at the Legion Hall, and it is urged that all farmers interested in rural telephones attend.

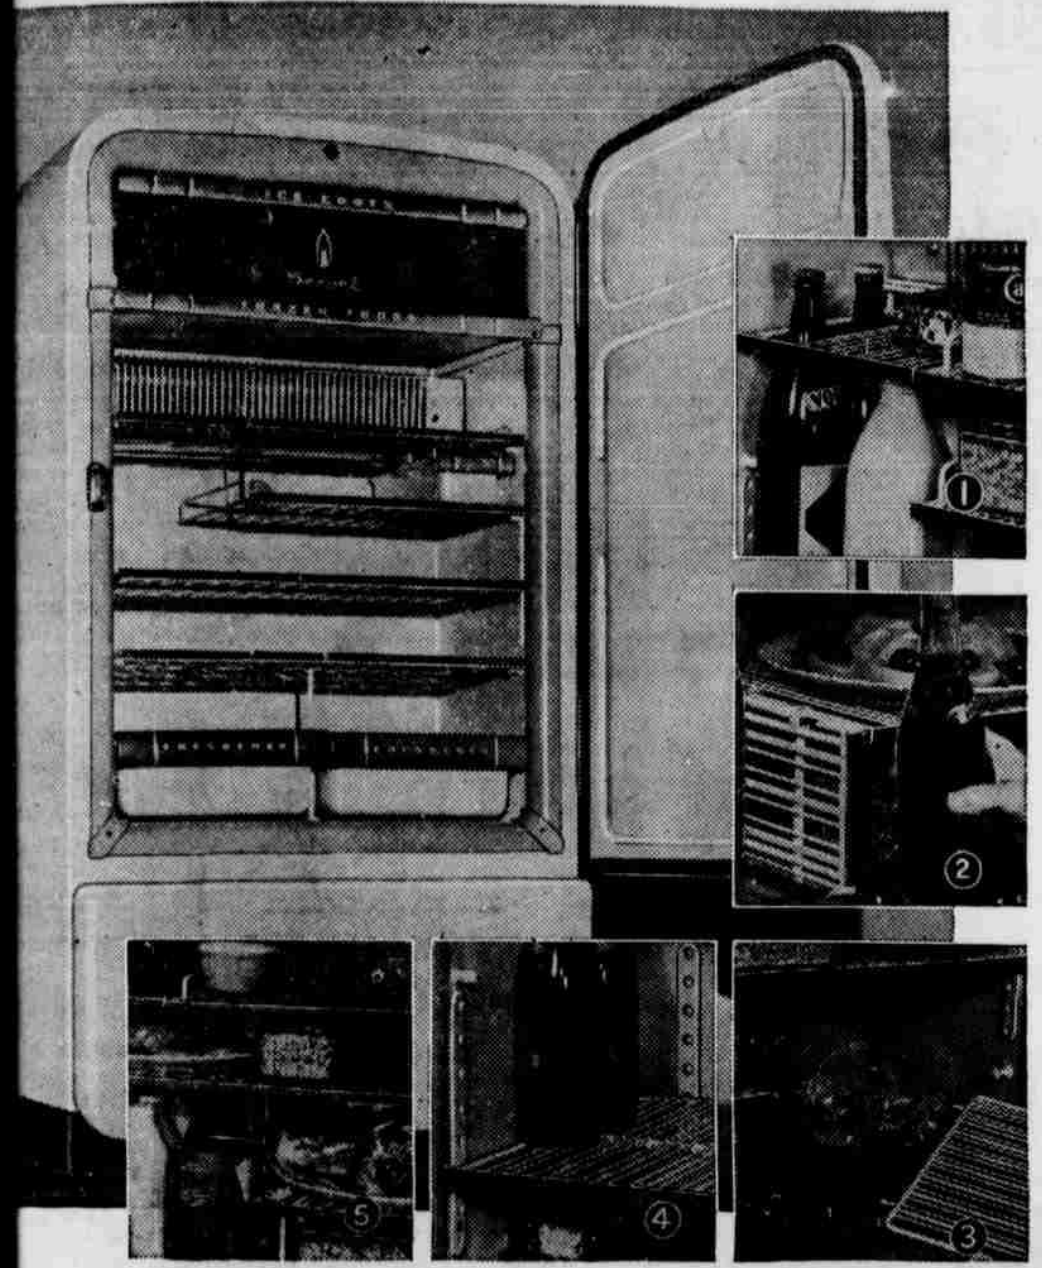

Several Meetings Scheduled

Plans are underway for meetings to be called at Littlefield and Sudan, as well as at Whitharral and Pep.

The plan is for each community to select a committee, who in turn will elect a Board of Directors, and one organization will be formed for the purpose of securing a government loan to finance the building of the telephone lines. Such an organization will function much the same as the Lamb County Electric Cooperative, it is reported.

A Bill was passed during last year's session of congress authorizing loans for purpose of construction of rural telephone lines.

NEW REFRIGERATOR IS QUICK-CHANGE ARTIST

Recently introduced Servel Gas Refrigerator has certain quick-change features which will be of every housewife. With five special-design shelves the interior of this new refrigerator may be changed to meet the food storage requirements of the individual user. No. 1. A cut-out area in the top left makes allowance for the tops of those extra tall beverage bottles which are stored upright. Not only does this make a storage place for tall beverage bottles, but leaves more shelf area when tall bottles are not being stored in the refrigerator. No. 2. In the bottom of the refrigerator right above the vegetable freshener there is a small swing shelf that drops down and allows for the storage of additional tall items such as milk bottles, baby's formula, or other tall containers. No. 3. There is a lift-out half shelf also in the bottom of the refrigerator which can be removed to give adequate storage for bulky but rarely used items such as watermelon or a large pumpkin. No. 4. The third shelf down in the new Servel refrigerator can easily be adjusted to eight different positions. Quick changing it gives different between-shelf heights to adapt this flexible interior to the individual housewife's needs. No. 5. The even temperature that is maintained in the gas refrigerator from top to bottom allows for the storage of any type of food any place in the refrigerator. When added short space is needed in the top of the refrigerator the dual-use shelf can be removed from the bottom and put in place. Tall bulkier items can then be switched to the bottom of the refrigerator.

The 8th Grade Class of the Pep school met in a called meeting Wednesday afternoon with Supt. H. H. Deck to discuss plans for their graduation exercises.

This class was complimented with the privileges of wearing caps and gowns at Grammar school graduation in the spring. This is the first class to have this privilege in the history of the Pep school.

The attire will be maroon and white, corresponding with their class color and flower.

This class, under the direction of their classroom teacher, Mrs. Pearson, will write their own speeches for the program and deliver them at the exercises in the spring. Father Kaminsky will give the invocation.

The group includes: Mary Ann Diersing, class president; Marvin Kuhlre, vice-president; Gwendolyn Kuehler, secretary-treasurer; Mary Greener, recreational leader; Billy Vick, Monica Albus, Odus Hawkins, Denis John Hoelscher, Dennis Kuehler, Royce Bednary and Larry Demel.

FRESHMAN CLASS GOES TO CARLSBAD

Mr. and Mrs. W. M. Lowery accompanied the Freshman class

PLAY WRITTEN BY MRS. BRANDON PRESENTED AT MULESHOE TUESDAY

SUCCESS STORY . . . Miss Elizabeth Taylor, who joined the company as a stenographer, has been appointed assistant secretary of the American Telephone and Telegraph Co.

Big Success—

(Continued from Page One)

almost certain to be a surefire present or gift. You are surprised, if the department is a large one at the countless numbers of children's books that have been written and published.

But, even in children's books, a few of the authors are outstanding, and their writings are sought out, bought by the thousands, and the countless thousands. Providing, if it does nothing else, that there is a great field, and a great demand for children's books and literature.

A young Littlefield girl, now in the 7th grade, may one of these days be writing and having books of that category published. At least, according to her teachers and instructor, and especially to O. R. Jelks Jr., teacher of sciences, and a graduate of the College of Arts and Sciences at University of Texas, Little Miss Faith Helen Faust, shows an exceptional aptitude (at least for her age) in the creation and writing of children's literature, and as her tutor, he is seeking to develop to maturity, what he believes to be a natural talent.

A sample of her aptitude, proof of it, is to be found in this issue of the Leader, in which is reproduced her little story about the mouse, titled: "Squeaky's Birthday." Along with it is a reproduction of the drawing which she made to go along with the story, just as is a must, and demand for all children's stories and story books. There can be little question of a lurking, still undeveloped talent, and not only her instructors, but her parents, Dr. and Mrs. F. B. Faust, he a member of Payne-Shotwell Hospital Foundation staff, are doing, and want to do everything in their power to further her desire and the unquestioned talent which she displays, even at the age of 13 years.

Actually, she has been doing something of this kind of writing since early childhood, and other teachers in other schools which she attended before coming to Littlefield, about two years ago, from Philadelphia, have noticed and remarked upon and about it.

Included in these schools, is Friends Select School in Philadelphia, and of course she also attended the public schools, both in Philadelphia, and for a period in Seattle, Washington.

She is now a third year student in music, and shows considerable talent here as well—usually an adjunct to children's creative writing. Her younger brother, Bruce, dotes on her stories, when he isn't teasing, or pulling her hair or untying a hair ribbon.

The young lady expresses a partiality to stories about dogs. She is especially interested in the subjects of science and history, and is enrolled in the 7th grade class of Mrs. L. M. McClain.

She has one other story published prior to now, one titled "The First Christmas Tree." But dozens of other little stories, with accompanying caricatures, have been written by her just for fun.

Her parents have provided her with a desk to work upon, an unusual and rare piece of furniture, which has been in the family for years, and was brought here from Philadelphia. It is rather a rarity as well, a Betsy Ross type desk, coming from the City of Brotherly Love, and home of the Liberty Bell.

Prof. O. R. Jelks, tutoring her, mentioned earlier in this story, who is teacher of General Science in the High School, is outspoken in his praise of his young pupil. "To be associated with a student of such unusual ability, is a rare privilege and pleasure," he stated. "Her intense interest in the field of literature is certainly noteworthy in one so young."

"The Old Maids," an original play, written by Mrs. Lyle Brandon, with the cast made up of local Rebekah Lodge members, was presented at a meeting of the Muleshoe Rebekah lodge, Tuesday night, following their regular meeting.

The cast is composed of Mesdames Lyle Brandon, Dorothy McGar, Martha Ann Stewart, Daisy Stewart, Tula Taylor, Alma Yohner, Stella Edwards, Estelle Lackey, and Newell Howton.

Several others, representing Littlefield Rebekahs, attended the meeting.

party, which penetrated the great outdoors, probably at its greatest, at any point on the North American hemisphere.

It was cold, even before they arrived at their destination, so cold in fact that ice and frost were removed from the plane windows by generous applications of alcohol. But thus far temperatures no colder than 20 below were encountered.

But later they found that the country known as the "Frozen North" had been rightly named, and not underestimated. 56 degrees below zero was the thermometer reading on at least one morning, and a reading of only zero, would have seemed like a balmy summer day.

It was a never-to-be-forgotten trip for both men, with not only their families, but numerous friends eagerly awaiting the arrival of the trophies and the caribou meat—proof that the trip was not in vain, and profitable.

BROTHER-IN-LAW OF MRS. ETHEL GIDDENS VERY ILL

Mrs. Ethel Giddens, mother of Willis Giddens of this City, left Monday for Paris, Texas, in response to a message that her brother-in-law, Gene Bailey, was not expected to live.

Mr. Bailey, who had been in poor health for some time, was stricken with Pneumonia about two weeks ago.

Mr. Bailey, manager of a Paris Wholesale Grocery, is a patient in the Paris Hospital.

Mrs. Giddens has been making her home with her son and daughter-in-law, Mr. and Mrs. Giddens here.

time he had. Squeaky's birthday was Thanksgiving day. Thanksgiving Day was three days away. Squeaky wanted a birthday party. His mama had said unless Farmer Jones had a party on Thanksgiving he couldn't have one. Usually the mice would eat the crumbs after Farmer Jones' party.

Squeaky hoped and hoped that Farmer Jones would have a party. Thanksgiving Day came and Farmer Jones didn't have a party. Squeaky was sad. He thought he would never have a party like all the other mice did on their birthday. The next morning Squeaky woke up to hear laughing and voices. He looked out of the bedroom door. What a surprise. There were tidbits of all kinds, and there was a cheese cake! Squeaky's favorite.

After the party Mamma Mouse told Squeaky that Farmer Jones DID have a party, but Squeaky had been asleep. She had saved the crumbs. The farmer's wife had dropped a giant size piece of cheese and Mamma Mouse had made the cake out of it.

Squeaky's first birthday party was the best birthday party Squeaky ever had.

HAVE VISITORS

Visitors in the W. P. Kirk home over the weekend were Rev. and Mrs. Davis Edens and daughter of Anson, Texas. Mrs. Edens is the granddaughter of the W. P. Kirks. Mr. and Mrs. Wayland Fuqua, nephew of W. P. Kirks, and daughter of Hamlin, Texas, also were visitors. A family reunion was held Sunday at the home of Mr. and Mrs. Obren Kirk. Those present were Mr. and Mrs. W. P. Kirk, Rev. and Mrs. Davis Edens and daughter, Mr. and Mrs. Wayland Fuqua and daughter, and Mr. and Mrs. George Kirk and children.

Littlefield High Cagers Will Play Sundown Friday Night; County Girls Tournament To Open Tuesday Night

The boys and girls basketball teams of the Littlefield high school will go to Sundown Friday night to play the high school teams of that city.

Tuesday night, Littlefield boys, first and second string teams, will play Sudan at Sudan.

Tuesday night the county girls basketball tournament will open and will continue all week. There will be six teams playing in round-robin competition. Teams entered are Littlefield, Amherst, Sudan, Olton, Springlake and Spade.

Sudan and Littlefield boys and girls teams played last night. Playing Friday at Littlefield, the Littlefield boys defeated Olton, 37-15, and the Olton girls defeated Littlefield, 25-21.

The Muleshoe boys and girls teams came to Littlefield Tuesday night. The Littlefield boys defeated the Muleshoe boys, 25-21, and the Muleshoe girls won over the Littlefield girls, 29-19.

The eighth and ninth grades of Littlefield schools played Springlake Monday night. Littlefield won both the boys and the girls games.

Woman's Study Club To Meet February 17

The Woman's Study club met Wednesday afternoon at the Methodist church at 3:30 o'clock.

Miss Amelia Anthony, who was scheduled to make an address at the meeting, was unable to be present as she was leaving for New York to appear on the radio program, "We, The People" Friday night at 7:30 o'clock.

A called business meeting of the Woman's club is scheduled Friday, Feb. 17, to discuss the prospective club house.

The program, directed by Mrs. L. B. McClain, included a chorus by eight grade pupils who were, Naomi Murdock, Trudy McGee, Clarabeth Theford, Sue McCown, Erna Jane Jones, Nancy Garrett, Etoy Pierce, and Esta Mae Bitner. They sang "The Rosary" and "A Song of Home."

Supt. Joe Hutchinson talked on "Your Community and Your School."

About fifty attended the meeting.

Business - Getting Courses Are Sponsored By Chamber of Commerce

The Merchants Division of the Littlefield Chamber of Commerce will sponsor any one or all of a series of business-getting courses during the coming year. Instructors with practical KNOW HOW are supplied by the Industrial and Business Training Bureau, division of the extension, University of Texas—the courses are made possible through the Distributive Education Division, State Board of Vocational Education, Elmer H. McKinney is local coordinator.

During the past year the Merchants Division of the Littlefield Chamber of Commerce, under the director of Mr. McKinney have sponsored courses in Selling Today; Selling Hardlines, How To Train an Employee; How to Supervise an Employee; Show Card Lettering; and Merchandise Display.

Various Courses Offered
Other courses being offered include, Variety Store Selling; Selling Drug Store Merchandise; Training in Fountain and Luncheonette Service; Waitress Training; Retail Credit Procedures; Selling Grocery Merchandise; Show Card Lettering, and Tourist Courtesy Clinic.

Merchants are asked to fill in the form they have received, indicating the course they are most

interested in, or telephone the Chamber of Commerce office. If sufficient interest is shown in a particular course the Distributive Educational Instructor, Elmer McKinney will make arrangements for the course to be taught.

Nominal Fee Charged
A nominal enrollment fee of \$1.50 to \$3.00 is charged each student, the fee varying with the length of course, cost of supplies etc. Many employers find it a good investment to pay the fee for all their employees enrolling, who complete the course and receive a certificate awarded by the University of Texas. However, this is optional with the employer.

Instructor To Be Guest Speaker At Amherst Today

Elmer McKinney, high school demonstrative education instructor, will be guest speaker at Amherst this afternoon, Thursday, when he will speak to students of Mrs. David Eaton's high school english class. He will use as his subject, "Opportunities in Retailing."

Give to March of Dimes and Hospital At Wichita Falls

A contribution to the March of Dimes and to the state hospital for women at Wichita Falls, was made by the Lum's Chapel Home Demonstration club the past week. The motion was made at a meeting held last Thursday, January 26th at 2 o'clock, at the home of Mrs. Hub Sprayberry.

Mrs. Jack Brooke of the Amherst Perry H. D. club gave a demonstration on knitting at the meeting.

Refreshments were served to 11 members and three visitors. Two new members, Mrs. Fred Newsom and Mrs. Fred Owens, were received into the club.

The next meeting will be held at the home of Mrs. Charlie Landers, Thursday afternoon, February 9.

MOVE TO FARM

Mr. and Mrs. Tommy Fulbright are moving to their farm in the Fieldton community this week. Mrs. Fulbright has been employed as teller at the First National bank for the past few years, and has resigned her position effective yesterday. Mr. Fulbright has been engaged in farming since he returned from the army, at the close of the war. She is the former Miss Olga Henson.

Furche Riley and C. O. Burt Acquire Ferguson Tractor, Equipment Dealership

Furche Riley of Springlake and C. O. Burt of Nazareth, Texas, have acquired the dealership for the Ferguson Tractors and equipment from L. E. and Vernon Sullins, and are now in possession at their temporary location, 309 West Fourth street.

The new dealers expect to have constructed in the near future, a new and larger building, to which they will move their farm machinery and equipment.

Has Long Experience
Mr. Burt has been connected with the implement business for many years, and was manager of the Parts and Service department for Wm. K. Holt Machinery Co., at San Antonio, for twelve years. This concern was Caterpillar distributors. He was also connected with the Caterpillar Tractor company at Peoria, Illinois.

Move To Littlefield
Mr. and Mrs. Burt have moved to Littlefield, and are living on East Fifteenth street.

Mr. and Mrs. Riley have four children, Marylyn, Louise, Robert Furche, Elaine and Eleanor.

Mr. Burt and Mr. Riley are operating their business under the firm name of Riley & Burt Implement

\$413,500 To Be
Spent In 16 South
Plains Counties

A total of \$413,500 will be spent on "wrinkle-smoothing" by the Texas highway department on highway repairs in 16 South Plains counties, S. C. McCarty, district highway department engineer was informed today.

The program is part of state-wide resurfacing project in 169 counties for which the Texas highway commission in Austin has allotted \$6,000,000.

Thirty-four separate segments of the area highway system in 16 counties are earmarked for seal coating or patchwork this summer, McCarty was advised. Not included for repairs were roads in Andrews, Bailey, Briscoe and Yoakum counties.

Farmer leads the South Plains counties in amounts to be spent with a total of \$67,100. Dawson county, where the highway department expects to spend \$66,500 for repairs, follows closely.

Lamb county repairs will call for expenditure of \$4,600, and in Hale county \$3,100 will be spent.

Nearly 3,000 miles of Texas highways are included in the resurfacing program, Fred A. Wemple of Midland, chairman of the highway commission, announced Saturday. No new construction is involved.

Most of the South Plains work will consist of applying another coating of asphalt to existing highways, although in some cases the edges of highways will be patched.

To Present Legion's Stand On Hoover Commission Report

WHERE WERE THE CLOWNS? . . . The faces of Princess Beatrix (left) and Princess Irene, daughters of Queen Juliana and Prince Bernhard of the Netherlands, were sober as they viewed the Mills circus in the royal box at London's Olympia. They were flown from the Netherlands, in a plane piloted by their father, especially to see the circus.

First of a series of five regional rehabilitation conferences and rallies to present the American Legion's stand on phases of the Hoover Commission report adversely affecting veterans will be held at Lubbock Wednesday and Thursday, February 1 and 2 at the American Legion home in downtown Lubbock, Joe Spurlock, state commander has announced.

The rally for a general discussion of the Hoover Report as related to veterans will be held Wednesday evening, Feb. 1 at the American Legion home. G. Ward Moody, department adjutant, has notified every American Legion post in the fifth division, composed of the 16th, 17th, 18th, 19th and 21st congressional districts to have representatives at the meeting. Chester Hubbard, Lubbock, a member of the state rehabilitation committee, will be one of the officials in charge of the conference and the rally.

Presiding will be W. J. Sohl of Alpine, fifth division commander. Other department officials who will participate will be John F. Crooks, Odessa, commander, and Wesley Cox, Anthony, vice commander, 16th district; Louis F. Jordan, Abilene, commander and Clinton Cox, Stephenville, vice commander, 17th district; Charles C. Gibson, Amarillo, commander and Victor Kern, Nazareth, vice commander, 18th district; W. T. Bridges, Levelland, commander and Samuel R. Heard, Petersburg, 19th district, and John W. Robinson, San Angelo, commander and Wallace W. Brown, Bandera, vice commander, 21st district.

George Berry, Lubbock, past department commander and Sid A. Lowery, Lubbock, department service officer will aid in arrangements with Lubbock Post Commander Wayne D. Groce.

Discussing various phases of the American Legion's rehabilitation program at the rally and on the program will be James McKay, Jr., San Antonio, chairman of the department employment committee who will show how the Hoover Report if adopted will affect civil rights of veterans; Albert Brown, department service officer, San Antonio, who will discuss insurance phases of the report; A. R. Tyner, Dallas, department service officer, medical phases of the proposed plan and Fred Brookman, Waco, department service officer who will show how the Hoover Report will affect the present hospitaliza-

TWO-WAY STRETCH that's strictly inside stuff!

Look! Whop-around rear window and top-side styling in the Riviera manner

HERE'S THE NEW 1950 BUICK SUPER 126, companion body-type to the equally new ROADMASTER 130. Both are shorter than last year's 4-door Sedans—yet 4 inches longer in wheelbase. In both, the difference is used to give you real stretch-out room in the rear seat.

What the boys did here really calls for some medals. We gave them the job of coming up with something that was bigger inside—for room and comfort—longer in wheelbase—always important to good riding qualities—yet unbulky and easy-handling in over-all dimensions. Just look how well this tidy number meets these "impossible" specifications!

Item one—rear-seat cushions are a full foot wider than last year's SUPERS and ROADMASTERS.

Item two—in every dimension—leg-room, head-room, hip-room, shoulder-room—this rear-seat compartment is bigger than previous models—and nearly four inches longer, fore and aft, than other 1950 Buick interiors.

Item three—wheelbases are the longest of our 1950 line. On the SUPER, it is 125 1/2" instead of 121 1/2"—on the ROADMASTER 130 it's 126 1/2" instead of 126 1/4".

Yet—and here's where the magic comes in—the whole car is shorter over-all. Actually less from bumper to bumper than previous Buicks in these series.

That means easier parking, easier tucking away in family garages, easier maneuvering in crowded traffic.

There are some other things too. An extra rear-quarter window not found in standard 4-door Sedans. A different upperstructure styling that makes this body-type stand out as something pretty special.

Even special names that let you say, "I drive a SUPER 126" or "Mine's a ROADMASTER 130," just by way of being different.

Yes, we think we hit on a happy idea in the "Longfellows," as they're coming to be known. They are not longer, on the outside, but there's a two-way stretch—in width and length—in the rear compartment.

You're going to like that—as you'll see by calling on your own Buick dealer. If he doesn't have one hand, he can get it pretty pronto—and at a price and on a deal you have trouble matching, much beating, anywhere else. See him now, will you—about placing an order?

Features like these make **BUICK'S THE BUY**

- HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New engine in SUPER models.)
- NEW-PATTERN STYLING, with bumper-guard taper-through fenders, "double bubble" roof, and wide-angle visibility, close-up road view forward and back.
- TRAFFIC-HANDY SIZE, less over-all length for parking and garaging, short turning radius.
- EXTRA-WIDE SEATS cradled between the wheels.
- SOFT BUICK RIDE, from all-coil springing, Ride rims, low-pressure tires, ride-steadying tube.
- DYNAFLOW DRIVE standard on all ROADMASTER optional at extra cost on SUPER and SPECIAL.
- NINETEEN MODELS with Body by Fisher.
- WIDE CHOICE OF EQUIPMENT adding beauty to prices that bracket every price range and lowest.

Rev. Lee Hemphill To Observe Anniversary

Sunday, February 5th, Rev. Lee Hemphill, pastor of the First Baptist church, Littlefield, will observe his seventh anniversary. He preached his first sermon as pastor of the church the first Sunday in February, 1943. On that Sunday there were present in Sunday School 190, which was about an average attendance then. Last Sunday 572 were present in Sunday School which indicates that the church has had a marvelous growth along with the growth of our town.

REV. LEE HEMPHILL

Goal of 700 Set
Mr. Henry Banks who has been the Sunday school superintendent throughout the ministry of Rev. Hemphill, has set a goal of 700 in Sunday School for the seventh anniversary of the pastor. Efforts are being made to make this a great anniversary day for the pastor.

1358 Additions
Mr. Banks further states that the records reveal the following facts regarding the ministry of Rev. Hemphill. There have been a total of 1358 additions to the church with 410 of these coming for baptism. A total of \$276,549.77 has been raised with \$43,050.62 going to missions. There are over 1600 members in the church with a resident membership of over 1100.

Sunday will also be building fund day for the church. Ninety percent of the money for the new building has already been paid in, and a good offering is expected Sunday. Some are thinking in terms of \$7,000.00 as a goal for the building fund on this Sunday. The church now has on hand \$135,217.90.

Sunday afternoon from 2:00 until 5:00 a religious census will be taken of Littlefield. The workers will, go out, two by two, to cover the entire town.

New Building Completed April 1
Mr. Banks reports that the magnificent new educational building will be ready for use by April 1st, and will accommodate 1,000 in Sunday school. "We are providing for our children and all our people the very best in equipment, accommodations, and teaching staff, and extend to all a cordial invitation to share this new building with us," states Mr. Banks.

LAMB COUNTY LEADER, THURSDAY, FEBRUARY 2, 1950.

SUCCESSFUL PARENTHOOD

By Mrs. CATHERINE CONRAD EDWARDS
Associate Editor, Parents' Magazine

FOR THE FIRST TIME IN ITS history, the United States will have 50,000,000 children in 1950. Yet legislation for their welfare is very little farther along than it was 10 years ago when there were 5,000,000 fewer children in the country.

Realizing that these millions of new citizens would need a spokesman, Mr. George J. Hecht, publisher of Parents' Magazine, organized the American parents' committee three years ago, and still serves as its chairman. This non-profit, public service association is frankly a lobby for children, who can't speak for themselves in legislative circles, and whose vital interests have to compete for attention with powerful lobbies representing other segments of the population.

The vice-chairman of the American parents' committee are influential persons who have distinguished themselves in many fields, but particularly in their work for children and young people. They are: Dr. Henry Noble MacCracken, former president, Vassar college; Mrs. Dorothy Canfield Fisher, novelist (as Dorothy Canfield) and educational authority; Walt Disney, motion picture producer; and Robert L. Johnson, president, Temple university and chairman, citizens committee for the Hoover report.

With the 81st congress back in session, the American parents' committee earnestly seeks your support for its legislative program for the welfare of children. You can express this support individually through letters to your congressmen, or you can work through mothers' clubs, parent-teacher associations and other local groups.

We haven't space in which to present adequately the committee's carefully worked-out program of legislative bills for improving the conditions in which these 50,000,000 children will spend their formative years. It is a modest, sane, practical program which will appeal to all.

There is, for example, the national school health services bill, which calls for an appropriation of

\$35,000,000 annually for grants in aid to the states in furnishing school health examinations and treatment for all school children. This bill, initiated by the American parents' committee, passed the senate (S. 1411) during the first session without a dissenting vote, is now before the house of representatives.

If you knew of the many instances of children's lives being saved by the early discovery of disease during school health examinations, you would realize the importance of this bill to the individual child, as well as to the public health of your community.

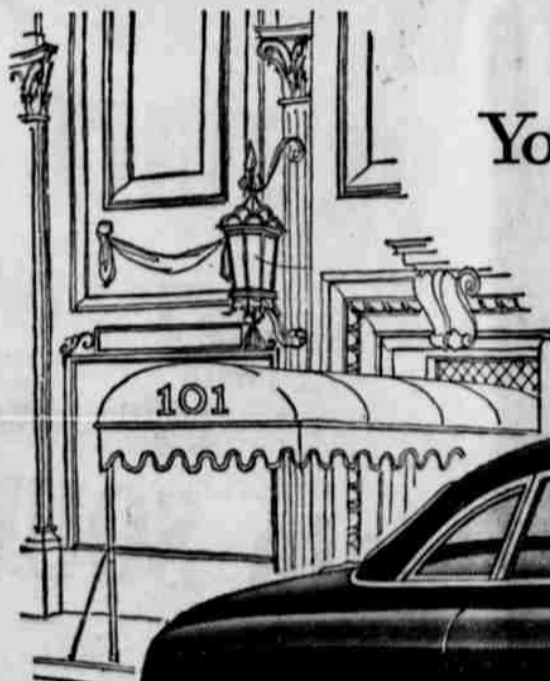

Then there is the public school construction bill which asks \$5,000,000 in federal funds on a matching state basis for a survey of the needs for school buildings, and additional sums for emergency construction.

Research in child development, social security revisions to increase benefits for needy children, the national school lunch program, and the establishment of a department of welfare along the lines suggested by the Hoover commission report — all these are being promoted by the APC on a daily basis of watchful shepherding of the bills. The committee also backs the public health units bill sponsored by the national congress of parents and teachers. This calls for safer drinking water, better sanitation and milk inspection, at the local level of safeguarding our children.

Miss Barbara McCauley of Anton underwent an appendectomy at Payne-Shotwell foundation Tuesday of last week. She is reported to be doing nicely.

Ellis Foust is reported under the weather with a bad cold.

THE PEOPLE SPEAK — When Governor Allan Shivers invited the people of Texas to express their views on his program to improve the State Hospitals (termed by one survey group the worst in the nation), his mail picked up sharply. In this picture he is shown reading some of the letters, seeking ideas for the message he delivered to the Special Session of the Legislature this week. Virtually all the letters urged immediate action to improve these rundown institutions, the Governor reported.

Notice of Change in Billing Procedure

To keep pace with the rapid growth of the area, West Texas Gas Company has installed the newest, modern IBM (International Business Machines) accounting and billing machines. Shown above is a sample of the future gas service bills.

The installation of this system has made it necessary to change the mailing date of many gas service bills. The mailing date of your bill may be one of those changed. You may receive your gas service bill either earlier or later than usual.

This in no way affects the amount you pay. The due date on the bill is ten days from the date rendered.

We will appreciate your cooperation in making this change possible.
