# WILDCATS WILL TANGLE WITH DENVER CITY HERE DECEMBER 7

## Do You Know Your City?

Do you know your Mayor?  
Do you know your two City  
Commissioners?  
Mayor A. C. Chesher came to  
Littlefield in February, 1924; Com-  
missioner Ellis Foust in 1924; Lon  
Campbell in 1913.  
These three gentlemen are old-  
timers, in fact, are pioneers, and  
have seen Littlefield grow from a  
crossroads town to a city of 6000  
people.  
These three men are in charge of  
our city affairs. Last week they  
called a special mass meeting of  
the citizens of Littlefield, with  
from 75 to 100 businessmen and  
farmers present.  
Our Mayor and Commissioners  
said the financial status of our city  
before the meeting and asked the  
opinion of the citizens on all mat-  
ters pertaining to their future  
plans.

## Victory Clothing Campaign Jan. 7-31

More than 2900 men and women  
thus far have agreed to serve as local  
chairmen in their communities for  
the Victory Clothing Collection for  
overseas relief scheduled for Janu-  
ary 7-31, Henry J. Kaiser, national  
chairman for the drive has an-  
nounced.  
Wisconsin leads the states with 237  
acceptances, topping New York's 178.  
Texas is third with 163, Pennsylvania  
has 132, Illinois 131, and Nebraska  
127 chairmen.  
Lamb County will again conduct a  
drive for much needed clothing for  
overseas relief.  
With G. M. Shaw as county chair-  
man, the same committees who were  
in charge in the last campaign, will  
again serve.  
The goal of the January drive is  
100,000,000 garments, in addition to  
shoes and bedding, for the needy and  
destitute in war-devastated lands.  
The collection is conducted on behalf  
of UNRRA.

**DUE TO ARRIVE**  
Due to arrive from overseas at  
Boston on the SS Felipe November  
22 was Pfc. Wm. G. Ray of Little-  
field.  
This one over, but it is going to take  
a lot of work."  
He urges all to do their best.  
Local committees were out Mon-  
day making a canvass of the Little-

## Buy Victory Bonds, Best Investment, Says Garlington

Lamb County 68%  
Behind Quota In  
'E' Bond Sales  
O. Garlington, chairman of the  
War Loan Drive for the Littlefield  
District, is reminding the resi-  
dents of this city and area that ac-  
cording to the last report on the sale  
of Bonds from the Federal Reserve  
on November 23, this county  
is 68 per cent behind on the sale  
of 'E' bonds in arriving at their  
quota, and that the campaign is  
scheduled to close December 8, leav-  
ing very short time in which to ar-  
rive at the amount allotted this area.  
Mr. Garlington asked the Leader to  
advise everyone that these bonds are  
the best investment in the world;  
they are cashable anytime after  
they are any bank; that it is an ex-  
cellent way in which to save money  
in some less prosperous times; and  
that these victory bonds pay interest  
on the investment.  
"I believe, too," adds Mr. Garlington,  
"that boys doing their best overseas;  
and those coming home wounded;  
and those not at all, and we folks at home  
who fail them, we must supply  
them with the care of these men and  
their families."  
We have put over all previous  
plans, and I believe we will put

day that the J. C. Penney Co. had  
taken a 10-year lease on the building

east side of Phelps avenue and be-  
tween the building of the Eubank  
Tire & Supply and the new location  
of the Firestone store.

It has been understood for some  
time that the Penney company was  
taking a lease on the building, but  
it was not until Wednesday that an-  
nouncement was made of the comple-  
tion of the transaction.  
The building is being built by Doc-

Joe Wells is the contractor.  
The new building will be 50 by

and will conform in every way to  
typical Penney design used in the  
1,600 stores throughout the United  
States.  
The front of the building will be  
partly of yellow and black tile, with  
the upper portion of the front con-  
structed of white brick. There will be  
double front doors.  
Heavy steel construction will sup-  
port the roof, eliminating all supports  
throughout the floor space of the  
building. There will be a merchand-  
ising balcony at the rear of the  
store.  
The building will be finished and  
occupied early in 1946.

## Mustangs Out to Avenge Defeat By Locals Last Season

They Have Fast and  
Shifty Team With  
Strong Passing Offense

At a meeting of the school officials  
of both schools in Littlefield Monday  
night the district football champion-  
ship game with Denver City was set  
for December 7 in Littlefield. The  
battle of champions will get under-  
way in Seely Stadium at 2:00 p. m.  
All details including officials were  
worked out and agreed at the meet-  
ing. Denver City was represented by  
Superintendent Jones, Principal Tate,  
and Coach Wilson Head. Coach J. S.  
Fikes, Superintendent Fred Miller,  
board members G. G. Wilson, Buster  
Owens, and Dr. William Orr were  
present.

The Denver City Mustangs are  
bringing an enviable record and a

out to avenge the stinging defeat by  
the Wildcats when the two teams  
met last season. They have a fast  
and shifty team with strong passing  
offense.  
The Wildcats are really at work in  
earnest this week in an attempt to

the bruising Sudan game. Some ill-  
ness continues to cast its shadow over  
the team but it is believed that all on

# Defeat Sudan Win 5-A Crown

The 20-yard line for a goal. Littlefield Wildcats, one of the scoring grid machines in the Interscholastic competition rule at Sudan afternoon to cart home a title they were favored to win.

The game was 20-20 but the invader went to Sudan favored by 10-0. Sudan held a 4-3 edge in the first half and a 16 to 10 advantage in the second half, clinching the victory in the final quarter.

Littlefield claimed two quick touchdowns in the first and second periods. Sudan scored in the third stanza. Sudan's home team grabbed one in the second and two in the third for their scores.

Sudan's heady quarterback, Bill, was the main claw of the game. He carried the ball on passing and running and that unruffled calm that is a winner.

Littlefield players and fans of the year behind the arm of Jimmy Eddins and the runs of Leland Bouldin. Sudan lacked in size and ability, and drew first blood by taking the ball on their own 40-yard line for their first tally.

Osborne went over from the one nine-play drive. After the goal he fumbled but it was recovered by end Gene McCann. The conversion was successful.

In the second period Littlefield scored over half the distance. Sudan, this time 55 yards, to the goal, whose ball-bearing was dangerous all day, and in the arms of McCann.

McCann calmly kicked the goal. The referee signalled a foul. The referee signalled a foul. The referee signalled a foul.

to the nine and then crashed over. He fumbled in the end-zone but a pile of Sudan players made it a certainty by smothering the ball. The kick was wide and the final score was set.

Littlefield made one more definite threat in the final quarter and made the penetration that won the game. Dal Brandon, who was consistently there when he was needed all during the game, blocked a Sudan punt and McCannles ran it down to the 33. Lyman heaved to McCannles on the next play to move the ball to the 18. Three more passes failed and Owens dropped the fourth one in the end zone. The ball game ended two plays later with Sudan in possession on their own 25.

The scrappy home team got 78 yards in the air and 79 rushing. Littlefield got 229 aground and 58 in the air. Each completed six passes with the winners tossing 14 and the losers 10. Littlefield was set back 35 yards for penalties against 5 for Sudan. The winners' game was hurt by five fumbles, four of them recovered by Sudan and the latter lost the ball on 2 occasions during their 4 fumbles. Both teams showed poor defensive play on the dusty gridiron.

Littlefield will play the District 6-A champions, Denver City, in the bi-district game. Date and site are not yet set.

### Swing of Southwest Farm Markets

Demand continued good for most southwest farm products during the third week of November and prices generally maintained a steady to strong trend, according to USDA's production and marketing administration.

Texas vegetable shipments included the season's first cars of broccoli, spinach, and cabbage while movement of string beans, tomatoes and peppers increased. Tomatoes brought the ceiling under a good demand, but peppers declined slightly with California wonders bringing mostly around \$2 a bushel basket at the end of the week. Louisiana continued to ship moderate quantities of cucumbers, beans and oranges. Sweet potato haulings continued heavy, although some dealers were holding supplies for the higher callings that will become effective on November 17. Dwindling shipments of onions and potatoes from Colorado producing areas brought steady prices with movement still curtailed by shortage of cars.

Turkey movement increased with the approach of the Thanksgiving holiday season. Demand was fair and prices steady, ranging from 28 to 33 1/2 cents a pound in Denver, 30 to 32 in Dallas, and 28 to 31 in Fort Worth. Light offerings of eggs continued in active request at firm prices. Current receipts sold from 42 1/2 to 45 cents a dozen in Denver, while large grade A offerings brought 50 cents in Dallas, 50 to 53 in Fort Worth, and 55 to 56 in New Orleans.

Grain prices continued very strong influenced by government buying of wheat and flour, a good export demand and the holding attitude of farmers. Sorghum grain movement from the light west Texas crop was about at the peak but yields were disappointing. Scarcity of box cars curtailed movement of both corn and oats. At the end of the week Fort Worth and Galveston quoted No. 1 hard ordinary wheat at \$1.81 to \$1.82 per bushel, bulk, in carlots; sorghum grains \$2.42 to \$2.48 per hundred pounds.

Cotton continued to climb influenced by a strong demand for medium and better qualities in the face

of this year's light crop. On November 16, middling 15/16 inch was quoted in Dallas and Little Rock at 24.10 cents a pound, Galveston 23.96, Houston 23.95, New Orleans 23.85. Sales in the ten designated markets during the past week totaled 227,000 bales.

Southwest peanuts, rice and hogs continued at the ceiling. Hog marketings have begun their seasonal increase but are still considerably below receipts a year ago and in most markets are still below trade needs.

Cattle receipts at most markets failed to equal the previous week's heavy run. Demand continued good and prices generally maintained a steady to strong trend with gains of 25 to 50 cents per hundred pounds reported throughout the Southwest. Fort Worth, however, offset strength on top quality offerings by weak close on cows and medium and low grade calves and stockers.

Ceiling prices were paid for top grade cattle at several markets, while cutter cows sold in Fort Worth for \$7 to \$7.50, Houston \$6.75 to \$7.50, San Antonio \$7 to \$9 canners and cutters in Oklahoma City and Wichita \$6 to \$8.50 per hundred pounds.

Markets received fewer sheep and lambs and prices held steady throughout Texas and Oklahoma, with Denver's trend still unusually strong.

Choice lambs at that market sold as high as \$14.50 during the week. Some sales of feeder lambs and lower grade ewes advanced a quarter at Fort Worth, where aged ewes and wethers brought \$6, feeder lambs \$13. Some woolled ewes sold around \$5 at San Antonio.

**THE WORLD NEEDS MORE COTTONSEED & COTTON PRODUCTS**

People in war-devastated or isolated countries are in desperate need of Cotton and Cottonseed Products for Food, Clothing and Shelter. Add to this America's own pent-up demand for essential Cotton or Cottonseed goods, and they total up to a vast demand and market for the South's Cotton and Cottonseed.

It will take more cotton production in 1946 to supply the demand and hold this world market.

Plan increased cotton production in 1946, NOW!

### Garland Rose Leaves On Chicago Trip

Garland Rose, Olton, who was named a state winner in the Santa Fe Meat Animal contest this year will leave Littlefield November 29 to go to Dallas.

He will arrive there November 30 and assemble with R. E. Callendar, game management specialist, who will be the boys' sponsor throughout the trip to Chicago, and the other boys who were selected state winners of the contest, at the Jefferson hotel.

The most outstanding event of the trip will be attending the National 4-H Club congress.

The group will return to Dallas December 8 and Garland will return

home the 9th.

The public relations man from the Santa Fe Railway made a public presentation of Garland's award to him at a school assembly at Olton Wednesday, November 21.

### SIDELIGHTS FROM WASHINGTON

By CONG. GEO. MAHON

Hearings by the joint House and Senate committee on the Pearl Harbor disaster are in full swing. It is doubtful that the whole truth of this tragedy will ever be known. The effectiveness of the hearing is being jeopardized by the partisan wrangling of certain members of the committee.

The people are entitled to know all the facts about Pearl Harbor, but they will not have time and opportunity to read the voluminous testimony now being taken. Yet, the press and radio are doing their best to cover the hearings and make pertinent information available to the public.

I dropped in on the hearings to listen briefly to some of the testimony of Admiral Richardson. There were one hundred newspaper and radio reporters in attendance, and three motion picture cameras were in operation.

The banner cotton crop year for the 25 counties of the 19th Congressional District was 1937, when we produced more than one million bales. As of November 1 of this year, our district had harvested 77,000 bales, which is 10,000 bales less than we harvested by the same date in the poor crop year of 1934.

Texas has been unusually honored in the nomination by the President of General Dwight D. Eisenhower for the top position in the Army and Admiral Chester W. Nimitz for the top position in the Navy. Both are Texas born; General Eisenhower was born in Denison, and Admiral Nimitz in Fredericksburg.

General Eisenhower, the new Chief of Staff of the Army, is perhaps the most popular military leader in the

world. He has accepted his honors with modesty and good taste. His experiences as Supreme Commander of Allied forces in Europe should be of great value to him as the chief military officer of the War Department.

The appointment of Admiral Nimitz is also an excellent choice. The Admiral is a warm-hearted, friendly Texan, whose experience, ability and personality fit him for the job of admiral of the U. S. fleet and chief of naval operations.

The appointment of Admiral Nimitz may not promote the cause of unification of the armed forces. He has declared himself in opposition to the plan, and some of his statements in regard to the victory in the Pacific have rankled Army officials who are sponsoring the proposal.

### LT. RAMEY WILSON IS DISCHARGED FROM ARMY SERVICE

WDPC-CAMP CHAFFEE — First Lt. Ramey E. Wilson of Hammon, Okla., and veteran of 15 months overseas, was separated from the service by the Army at the War Department personnel center here on Monday, November 19, according to Colonel Benjamin O. Murphy, commanding.

Lt. Wilson served with the 772d Field Artillery Battalion overseas as liaison officer.

He holds the following awards: Bronze Star with one oak leaf cluster; Croix de Guerre; European-African-Middle Eastern Theater of Operations ribbon with four campaign stars.

He returns to his wife, Mrs. Iris E. Wilson, who resides in Hammon.

### WHITHARRAL WINS OVER WHITEFACE

WHITEFACE — The District 6-B six man football race was thrown into a tie here Wednesday, Nov. 21 as the Whitharral Panthers won over the Whiteface Antelopes, 25 to 15.

Whiteface won over Whitharral in the first game of the season, 12-0, and the recent game put the Panthers back into the running. The playoff will be held Nov. 30 at Levelland, and the winner will play Union Dawson county) on Dec. 7 for the bi-district championship.

Powder on the coat-sleeve has caused some mighty big explosions.

## It's Big-It's Beautiful-It's BUICK

... we reasoned, is no time to offer folks a car that stops with artful face-lifting.

... has been nearly four years since our last new Buick was built — it wouldn't be shooting square now to give you less than our honor-bright best.

... we overhauled our whole factory to advantage it with the latest in war-developed machines and processes.

... we scoured the country for the finest metals anyone can buy today.

... we set ourselves precisions

... that in some cases exceed those of aircraft engine production.

And we eagle-eyed every one of this Buick's 12,000 parts to see if it could be bettered in any way, big or little.

The result is that through every stunning inch of this bright new honey runs solid, dependable Buick character, honest and uncompromised.

It's in swift clean lines. In seats that are three-persons wide. In stout, time-defying frames and underpinning. Above all — in the lift and life of a Fireball

straight-eight that's even livelier than in 1942.

The cars your Buick dealer will have are big. They're beautiful. They're Buicks.

In fact — the best Buicks yet!

### Firestone Store to Move to Own Building; J. E. Chisholm to Occupy Former Location

Birdwell Brothers Firestone Tire Store are planning on moving this week to their own building a few doors south of their present location, which was formerly occupied by the Southern Auto Store.

This building which will allow them much additional space, is undergoing a remodeling program throughout, and being redecorated.

The building Birdwell Brothers are vacating is owned by J. E. Chisholm,

who is moving Chisholm's Studio, now located on East Fifth Street, to this building on Phelps Ave., sometime in December, after it has been remodelled to fit the studio business.

Mr. Chisholm stated Tuesday that he planned to have a new front put on the building, and do considerable work on it before moving into the structure. He also said that a jewelry concern would occupy space in the building.

### Received Letter Of Sympathy

Mrs. M. P. Reid recently received the following letter of sympathy from General Douglas MacArthur, in connection with the death of her son, Melvin L. (Lloyd) Reid in a Jap prison camp:—

"My deepest sympathy goes to you the death of your son, Private Melvin L. Reid, while a prisoner of war of the enemy.

"You may have some consolation in the memory that he, along with

his comrades-in-arms who died on Bataan and Corregidor and in prison camps, gave his life for his country. It was largely their magnificent courage and sacrifices which stopped the enemy in the Philippines and gave us the time to arm ourselves for our return to the Philippines and the final defeat of Japan. Their names will be enshrined in our country's glory forever.

"In your son's death I have lost a gallant comrade and mourn with you. Very faithfully,

DOUGLAS MacARTHUR  
Reid entered the service from Hobbs, N. M., in the spring of 1941, and went overseas in September, 1941, with the 200th Anti-Aircraft Coast Artillery from New Mexico. He was stationed at Fort Stotsenberg, Philippines, to defend Clark's Field, in the fall of 1941, and was taken prisoner when Bataan fell in April, 1942. He took part in the "death march," and was taken to Cabanatuan Prison Camp.

Mr. and Mrs. Reid received a letter from their son in March, 1942, from Fort Stotsenberg, and that was the last they ever heard from him.

Over a year later they received a message from the military headquarters to the effect that their son had passed away at the Cabanatuan Prison Camp on June 30, 1943.

About a month ago Mr. and Mrs. Reid received notification from the government that since the Americans had taken back the Philippines they had official report that he died October 26, 1942, at Cabanatuan Prison Camp.

On November 14, they received the above letter of sympathy from General MacArthur.

### How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

In Lamb County, Mr. Clayton said,

approximately 3000 farmers are eligible to vote on committeemen this year. "Eligible" farmers are those who participate in the 1945 agricultural conservation or crop insurance program.

The county AAA chairman, in reminding Lamb County farmers of the forthcoming ballot, appealed for full participation.

"Solution of the postwar problems ahead of us is the vital concern of every farmer. Consequently, it is to his own best interest to vote in the

coming elections, to make sure the men administering AAA programs in the county are the ones he wants to represent him."
