Policeman Barton Is Wounded In Accident

Scouts Finish Round-up

Littlefield Scout troops Tuesday round-up of discarded Christmas trees.

As a project in cooperation with the Lamb County Soil Conservation District, the local troops divided into five teams and canvassed the town for all discarded trees.

As the trees were collected, they were transported to farms of three district cooperators including W. D. Hall, Moreland Payne and Winston Rochelle.

Wildlife shelters were set up on the Payne and Hall farms two miles west of Littlefield and trees were placed in a gully on the Rochelle farm, seven miles north of Littlefield.

The scout project was intended as a service to the community by disposing of the trees in a useful manner, not only helping conserve soil but also to make possible a build-up of quail population. Conservation of natural resources, one of the things that Scouting teaches, was aptly demonstrated in the project.

The scouts expressed their thanks to the persons who placed their trees out for them to pick up, and also to L. E. Sullins, who furnished most of the transportation used for picking up the trees.

Funeral services for Mrs. Ethel D. Freeman, 57, of Spade, were held Tuesday at 2 p.m. in the First Baptist Church of Spade with the pastor, Rev. Thomas Marvin Bennett, officiating.

Mrs. Freeman died Sunday at 7:45 p.m. of injuries she had received in the collision of her car and a farm tractor that happened Saturday at 7:25 p.m. 2.9 miles east of Littlefield on the Spade Highway.

THE WEATHER

Today's forecast - Partly cloudy. Temperatures - Sunday high 44, low 38; Monday high 56, low 27; Tuesday high 54, low 24; Wednesday high at 10:30 a.m. 40, low 23. Moisture - 1.59 inches for the month, 18.60 inches for the year and 17.82 inches for this time last year.

Bullet Pierces Seat Of Car, Enters Back

Littlefield Police officer Robert Barton was seriously wounded by a bullet from a fellow officer's revolver Saturday at 5:10 p.m.

Barton is in Methodist Hospital in Lubbock where doctors are awaiting further development of his condition before operating.

However, his condition has slightly improved and danger to his life was thought to have passed. The doctors were still fearful, however, that some degree of paralysis might result from the wound.

The shooting was called purely accidental here by Littlefield Police Chief F. A. Fitzgerald.

His physician said Wednesday morning that his condition was still serious, and had not changed since coming under care of the Lubbock hospital.

The incident was described as follows:

Officers Robert Barton and Don Berry drove by the home of officer Charles Tue at 708 W. 8th about 5:10 p.m. This is the time that Tue takes a night shift. Barton and Berry were in the front seat of the patrol car. Tue came to the car and got in the left back seat, and began loading his .38 Colt revolver. When he had loaded the cylinder and clicked it shut, the weapon fired.

Barton shouted with pain when the bullet hit him and jammed his foot on the accelerator of the car, speeding it up. Berry, who was sitting in the right front man aged to get Barton's foot off the accelerator and stop the car, after which Tue took the wheel of the car and drove to the Littlefield Hospital.

Hospital officials said the bullet entered Barton's back about an inch from the center at the small of the back. They said X-ray pictures showed the bullet traveled through the spine and into the left back stopping near the left kidney.

However, no kidney damage was done. Paralysis from his (Continued On Page Six)

First Baby Due Prizes

Lamb County's first baby will be showered with gifts from Littlefield merchants.

Nineteen firms will take part in the annual contest to crown the county's first baby of the new year.

Rules of the contest require that the first baby must be born in Lamb County, that parents must be residents of Lamb County, and that reports must be received in this newspaper office by 5 p.m. January 1.

The attending physician must furnish the following information: 1. Name and address. 2. Place and time of birth. 3. Weight and sex of baby.

In the event of tie, awards will be distributed at the discretion of the judges committee. Merchants and the gifts they will present in the contest are: 15 dozen eggs from the Plains Egg Producers.

Eight Workers Named To C-C Committees

Eight Littlefield men have been named to head committees of the Littlefield Chamber of Commerce for the coming year.

The eight will serve as chairman of their committees to achieve goals that are to be announced later. They included the following:

Ross Lumsden, agriculture; Arthur Duggan, civic improvement; Charles Duval, good will and conventions; Paul McCormick, highway and tourist development; Joe Fenn, retail council; Howard Horne, membership and finance; Rev. Rufus Young, safety council, and Pat Boone Sr., governmental affairs.

HOWARD HORNE Membership, Finance

The plan of work for the Chamber of Commerce has yet to be worked out, and in about two weeks a method will be chosen to develop the goals of the Littlefield Chamber of Commerce for 1960, according to Don Page, Chamber manager.

Page said, "The Chamber of Commerce will again go to the people for directions on what to do for activities next year."

He said that in about two weeks the program of work committees would decide how and when the people should get together to let the Chamber know their desires.

CHARLES DUVAL Good Will, Conventions

"It is the people's Chamber of Commerce, so they should decide what we will and what we won't do," Page said.

Other members of the special committees of the Chamber of Commerce have yet to be named.

Lumsden, who will head the agriculture committee, takes the post with a close knowledge of the job he has before him, having been a winner for the past 12 years. Lumsden served on the agriculture committee last year.

REV. RUFUS YOUNG Safety Council

Charles Duval, who served Lamb County this year as chairman of the United Fund, will take the job in the Chamber as chairman of the good will and conventions committee. Duval is manager of Pioneer Natural Gas Co. in Littlefield.

Paul McCormick will be taking his first major job with the organization, and is keenly interested in doing his best for the town, as head of the highways and tourist committee. McCormick is owner (Continued on Page Six)

Woman Dies In Wreck Of Car And Tractor

Funeral services for Mrs. Ethel D. Freeman, 57, of Spade, were held Tuesday at 2 p.m. in the First Baptist Church of Spade with the pastor, Rev. Thomas Marvin Bennett, officiating.

Mrs. Freeman died Sunday at 7:45 p.m. of injuries she had received in the collision of her car and a farm tractor that happened Saturday at 7:25 p.m. 2.9 miles east of Littlefield on the Spade Highway.

Burial was in Littlefield Memorial Cemetery under direction of Hammons Funeral Home.

Mrs. Freeman had been living with one of her three sons, Carl, of Spade for the past year. Prior to living at Spade, she had lived in California. However, she was a native of Texas.

Mrs. Freeman received fatal head injuries when her car crashed into a farm tractor. Driver of the tractor was Bobby Glenn Brock, 15, son of Mr. and Mrs. Ruben Brock. The tractor driver was thrown from the tractor's seat by the impact. He escaped injury, except for a minor blow to his back. The tractor was nearly demolished and turned over about 25 feet from the impact.

Three Remain In Hospital After Wrecks

Mr. and Mrs. H. C. Kesey of Anton, who were hospitalized last week with injuries from a auto accident, are still in Littlefield Hospital but their condition is satisfactory.

Their car and a car driven by Orville Schoor of Abernathy collided three miles east of Anton.

Another patient in Littlefield Hospital with wreck injuries, Raul Cruz, is still in a critical condition. Cruz, who suffered a broken pelvic bone, is being kept in traction, and must lie without moving. Cruz was involved in an accident at the intersection of two unpaved farm roads Wednesday a week ago.

The accident victims were taken to Littlefield Hospital, where Mrs. Freeman was found to be suffering from the severe brain injury. Mrs. Freeman had been an employee of Perry Brothers 5 & 10-cent store in Littlefield and was going home from work when the accident happened. She worked in the store's toy department.

Survivors besides her son, Carl, include two other sons, Earl Freeman of Knott and Herman Freeman of Grand Prairie; two sisters, Mrs. Francis Morrison of California and Mrs. Montie Brown of San Angelo, one brother, D. D. McDaniel of Talpa, and four grand children.

1959 Fruitful Year in Littlefield

(Editor's note: The following is the first of a two-part story on the activities of Littlefield and Lamb County during 1959. The following is taken from files of the Lamb County Leader and County Wide News, the most complete record that we know of telling the story of the city and county area. The story could rightly be called a progress report except for some things being included in the story which could be taken as activity other than progress.)

MRS. FRANK GAGE
(Former Miss June Marshall)

Home Ceremony Unites Miss Marshall-Gage

Keith Marshall of Moore, Okla., read the wedding vows Saturday at 5 p.m. for his sister, June Marshall and Frank Gage, at the home of the groom's parents, Mr. and Mrs. L. C. Gage Sr. of Littlefield.

Parents of the bride are Mr. and Mrs. C. N. Marshall of Levelland.

The bride, given in marriage by her father, was attired in a street length white satin gown overlaid with Chantilly lace. The gown was accented with a scalloped neckline and petal pointed sleeves. Her white tapered tulle veil fell from a white pearl covered tiara. She carried a bridal bouquet of pink carnations atop a white Bible.

Mrs. Claude W. Odum of Decatur, sister of the bride, served as matron of honor.

She wore a dress of blue silk organza over taffeta with puffed sleeves.

L. C. Gage Jr. of Lubbock served his brother as best man.

A reception followed at the home. The table was overlaid with white lace and centered with pink carnations.

Members of the houseparty were Misses Dwight Mann and

about as many times as I thought I'd fall in love. The trouble with predictions is they aren't. They hedge. They go on to be good or to be an upturn, a downturn. Mine are most examples, I prefer coming to an end. I don't really go on. I'm going ahead and but you've got to be right. I'll go down. As for the coming in the next twelve months, I don't predict most people but at the end of the scene is fraught with uncertainty.

On the national dict the United won't hold together. This is a funny United States. It's as some people being, nor half as people suspect. Around here, a little more man gets to home. He is, if he's mind predicting, happen around twelve months, and some day, just as out what happened twelve.

Street Home Is Scene Of Coffee

Mrs. Bill Street was hostess Thursday morning at 10 to a coffee honoring Mrs. D. E. Berger of Bartlesville, Okla., and Miss Myrtle Marion Shaw of Jacksonville, Fla. The affair was held in the Street's new home at 511 East 13th.

The lace covered serving table was centered in a green and gold arrangement. Appointments of silver were used.

Attending were Meses. Ray Keeling, Jack Sheldon of Kansas, Wayne Bennett of Brownsville, Jess Self of Denton, Ivan Fowler, Bob Rogers, Don Chak, Oscar Wilmon, Harold Clements, Gus Shaw, Gerald Jones, Ralph Maurer, P. W. Walker, Gola Street, Dan Hemphill of Odessa and Miss Virginia Walker.

Other guests included Mrs. Ruth Marks of San Bernardino, Calif., the hostess' mother, and her daughter, Miss Diana Steffen, of Cherry Point, N.C.

chrysanthemums and green foliage completed the altar decorations.

Traditional music was presented by Miss Ann Crenshaw, vocalist, accompanied by Miss Mina Franke, organist.

Clark Chapman of Tallima, Okla., presented his niece for marriage. The bride was attired in a formal length gown of white chiffon over pearl taffeta designed and made by her mother. The sleeves were fingertip length, and the torso lines of the bodice were emphasized by an apron of lace extending from the dome skirt, terminating in an aisle wide sweep. The shoulder length veil was attached to a small hat of seed pearls and beads. She carried a white Bible topped with a bouquet of white carnations.

Attending the bride as maid of honor, was Miss Kay Maner of Abilene. She wore a red velvet sheath dress with v-neckline. Her hat was of white fur, and she carried a white muff adorned with red rosebuds. The bridesmaid, Miss Patsy Lou Davis of Wichita Falls, wore an ensemble identical to that of the maid of honor.

The bride was preceded by Sally Scaling of Henrietta as flower girl and Danny West of Littlefield as ring bearer.

Serving the groom as best man was Kenny Harlen of Littlefield. Groomsman was Dewey Hukill of Littlefield. Ricky West of Littlefield and Butch Spikes of Henrietta served as candlelighters. Ushers were Bill Spikes and Gene Harrell, both of Henrietta and James Hukill of Littlefield.

The bride's mother was attired in a navy suit, white gloves and blue accessories. Her corsage was of peppermint carnations.

The groom's mother was attired in a navy suit, white gloves and hat and blue accessories. Her corsage was the same as the bride's mother.

The bride's parents were hosts for a reception immediately following the wedding ceremony in Reception Hall of the church.

The bride's table was covered with red net over white satin caught at intervals with white satin bows and floral bouquets. The table was centered with a lovely arrangement of white and red carnations. Alternating at the crystal punch service were Mrs. Albert Harrell and Mrs. John Bragg. Mrs. Harry Scaling and Mrs. Vic Marchman alternated at the serving of the wedding cake. Assisting with hostess duties were Misses Ann Scaling, Dorothy Davis, Marion Hill, Ruth Reed, and Peggy Seigler. Others in the house party were Meses. L. B. Spikes, Hubert Crisp, J. W. Martin, Jake Goettman and M. S. Williams.

Misses Ann Scaling and Mary Ann Chapman presided at the bride's book.

For the wedding trip, Mrs. Qualls chose a suit of grey wool with black accessories.

Mr. and Mrs. Marvin Qualls, parents of the groom, were hosts at the rehearsal supper at the home of the bride's parents, the preceding night.

The bride is a graduate of Henrietta High School and is currently attending Hardin - Simmons as a sophomore. She is a member of the Baptist Student Union, Greater Council, and is pianist for the Lawn Baptist Church at Abilene. She also serves as pianist of the Life Service Band.

The groom completed his high school education in Littlefield and is now a Sophomore student at Hardin - Simmons University. He is a member of the Baptist Student Union and Greater Council. He is the musical director of the Life Service Band, and serves the Lawn Baptist Church of Abilene as Educational Director.

The couple will make their home in Abilene where they will complete their education at H-SU.

New Year breakfast will be served after the band finishes.

About Your Health

A brand new decade makes its debut Friday. If you're short of resolutions, here's a list designed especially to keep you around to see the 60's end.

Promise yourself you'll give your body at least as good care as you give your car. Let your family physician look you over thoroughly once a year whether you feel bad or not. Make it twice yearly if you're middle-aged. Periodic checkups are the best way yet devised to detect bodily disorders while they can still be treated successfully.

Check in with your dentist once yearly, too. Dental trouble won't kill you but sometimes it can make you wish you were dead. And the dentist can help push

back the time when you'll need dentures, which is a major accomplishment in itself.

If you're 40 and fat, resolve to start passing up the candied yams, boiled potatoes and the cream-filled toothsome tidbits which spell extra weight and an early grave. Too much weight contributes to high blood pressure, and maybe associated with hardening of the arteries and various forms of heart disease. It means impaired vigor, greater surgical risk, greater danger from otherwise minor illnesses.

Teenagers should be especially aware of the statistics linking smoking to cancer and heart disease which is piling up so fast it's getting tougher and tougher to rationalize the habit.

Resolve to drive as though every other car on the road is being manned by a maniac. And when you're afoot trust motorists only as far as you can see them. Motor vehicle deaths stand far above accidental deaths of all other types.

Make it a point to take full advantage of every advancement in medical science aimed at benefiting you and your family, but always on competent medical advice. Start by having the youngsters immunized against polio.

Promise to adhere to local and state laws pertaining to health protection. Example: If your town has a dog leash law, obey it. It's a public protective device, and you are the public.

Last and most important, give an occasional thought to such awesome problems as juvenile de-

Methodist Enlistment Revival Begins Sunday

The Total Enlistment Revival begins at the First Methodist Church in Littlefield Sunday. The Rev. Alby Cockrell will preach, during the five day observance and Hubert Carson, educational and choir director of the Means Methodist Church in Andrews will lead the singing.

Chairman of the revival, Marshall Howard, reports that every inactive Methodist in Littlefield will be visited as well as potential new members during the revival.

Other area Methodist churches will hold similar total enlistment revivals at the same time, in cooperation with Bishop William C. Martin's Texas Evangelistic Mission.

Services will begin each evening at 7 except on Sunday when they will begin at the regular time at 7:30 p.m.

A covered dish supper is planned on Sunday and Wednesday evening at 6 o'clock in the basement of the church, and group visitation will follow.

Mr. and Mrs. Harry Woody will

Mickey Davis Shot By BB

Mickey Davis, eight-year-old son of Mr. and Mrs. J. C. Davis of 715 E. 5th St. suffered a BB wound under his left eye Sunday afternoon as he and a friend played with a BB gun.

Howard reports that the general public is invited to the revival, as well as all Methodists. He also invites everyone to participate in the visitation Sunday afternoon from 2 to 5 p.m.

Howard reports that doctors said the boy would not lose his eyesight after being treated in Lubbock, but would be required to "take it easy" for the next few days.

Town & Country

(Continued From Page 1)

Littlefield will continue to see more industry. Yes, I can very well remember the depression years, but I can't see any depression years ahead because I am basically an optimist (once a member of the Optimist Club in Plainview). Having been reared on the farm I learned that the best way to lay off good straight rows is not to look back, but look straight ahead.

Littlefield's young people are out all over the United States making a name for themselves in all walks of life. Although they were reared in a little farming town in West Texas they are holding some of the top positions in government, big business and other facilitating jobs.

The proof of the pie is in the pudding, and it is very evident that Littlefield young folks have as much or more brains, horse sense, education and initiative at the big city young folk.

Too often we sell our young people short. We say they're wild, they'll never amount to anything, we say they don't know the value of money, we say they won't work, yet they are taking their places in making good sound homes and taking their places in communities everywhere.

Many of them return from college to begin a life of their own right here in Lamb County, some enter business or farming here right out of High School, they're all an asset to the community and the nation and we're proud of them.

I think of two such youngsters now out in California. One is James Renfro, son of Mr. and Mrs. Raymond Renfro. He received his electrical engineering degree from Tech, then went to work for a big company in California working on missiles. He's doing a good job. He's a good representative of Littlefield.

Another is Jan Simmons, a former DE student and receptionist for our newspaper. She is employed with a mortgage company in California. Jan found out what all Texans learn as soon as they order a hamburger out of state. Cafe folk just don't know how to make a good hamburger. She says even if you offer to pay them extra to fix it like it should be, they still don't make it right. She's bought her one of these little "furrin'" cars, and of course she's learning about those California freeways.

There's Pat Ligon, daughter of Mr. and Mrs. George Ligon near Wintharal, she's with Central Airlines in Missouri.

Ray Rochelle, son of Mrs. Alta Rochelle in Littlefield will be an outstanding Methodist preacher. Well, we could go on and on.

Being a Texas I like to brag about in Lamb County I like to commend our own too.

The annual "First Baby Contest" appears in today's Lamb County Leader, and it looks like the first baby will receive a wonderful array of gifts. This is a Lamb County Contest, so we'll be checking for that first baby at all county hospitals. In Sunday's County Wide News we'll have a picture of the winning parents and baby, so watch for the announcement.

Chamber of Commerce Manager Dan Page tells me that his birthday will be 2 minutes after 12 on New Year's Eve. In fact he was the first baby born in the state of Texas in 1933.

Looking through the advertisements in today's paper we note that W. E. Bass, cotton buyer, is giving 100 Frontier stamps with each bale of "A" cotton he handles. Penney's breaks with its annual white goods event. Orsted Furniture announces the opening of the "Maple Shop" former location of Hawk & Holbeck. Staggs Drug wants to develop all that Christmas film. Bill Smith Electric features the new 1960 GE refrigerators.

And in conclusion... The biggest trouble with modern - day marriage is that too many of the people who say "I do," don't.

Tue told Fitzgerald that the .38 had a "hair trigger" but the weapon fired to unexpectedly that he didn't know exactly how to explain the accident.

The .38 Colt, however, can be cocked when the cylinder is out which is different to most revolvers, Fitzgerald said. Tue has sold the .38 since the accident and got another gun.

Barton and Tue had been on the Littlefield Police Department for about seven or eight months. They had started to work for the department within a short period.

Barton is father of two girls, eight and 11 years old.

Tue reported that he had gotten the habit of unloading his gun whenever he was at home to keep his children from being in danger if they were to play with the weapon.

Youthpower Week In Texas Aimed By Gov. Daniel

Gov. Price Daniel, Jan. 3-9, 1960, as "Youthpower Week" in Texas, is a week dedicated to the nutritional needs of the young family.

The Youthpower Committee of Texas is contributing effectively to the goal of youth development for future leadership by awakening an interest among our teenagers in the importance of good nutrition, proper diet, and better eating habits. This program will be of lasting benefit to all citizens of our State.

"Therefore, I, as Governor of Texas, do hereby designate the week of January 3-9, 1960, as YOUTHPOWER WEEK in Texas, and urge that this week be dedicated to a stock-taking of the nutritional needs of every family, and further urge that our physicians, nutritionists, educators, youth and civic organizations make special efforts to call public attention to the importance of an adequate diet to the greater well-being of the people of our State.

"In official recognition whereof, I hereby affix my signature this 10th day of Dec. 1959. (Signed) Price Daniel, Governor of Texas."

heartening to see someone defend the thousands of people who will be assessed penalties based on just minor driving offenses for which they have already paid, West said.

The Farm Bureau leader too, in exception to the Senator's statement to the effect that all insurance companies will get rich under the Texas Safe Driving Plan. He explained that regardless of whether or not the plan remains the same, is changed, or is abolished, it will prove costly to the Farm Bureau insurance company, and as a result, to the members of the organization. He said the company has already spent many thousands of dollars in preparation for the Plan.

"Let us hasten to add," West told the Senator, "that we are not opposing the principles of merit rating as we believe they are fundamentally sound, and in our opinion individual companies have proved in other states, that given freedom to act on their own, they can decide on a workable plan."

Sudan Takes Water Bid

SUDAN —The low bid of \$4,390 of the Stockton Construction Company of Amarillo was recently accepted by the city commission for the city water in the \$60,000 water bond election.

According to Mayor Joe Rone, the construction company has been awarded a contract and work on the project is to get underway Jan. 15th. It is expected to be completed by April 15.

The project includes the building of a reservoir, the installing of pumps in the city wall north of town and the piping of the water into the city pipelines.

The first elevated railroad in the United States began operation in New York City in 1868.

Wichita Man Has Spent 40 Years Seeking Gold

WICHITA FALLS, Tex. (AP) — If a Wichita Falls man, John R. Shown, is right, millions of dollars in gold and silver lie buried in the hills of Wise County.

How this fortune in gold and silver ever found its way to the rough, oak covered hills of Wise County is somewhat shadowed, however, it is supposed to be Spanish treasure that belonged to the Roman Catholic Church.

Shown says he has spent 40 years searching for the treasure on a part-time basis, and has tunneled close enough to it to activate his metal detector.

He says he stumbled onto signs of a gold and silver horde about 1919 when he found what he calls the "EX Arrow" carved on a rock in Wise County.

The carving showed an "E" followed by a crude "X" which could also resemble a cross, and then the carving of an arrow with a broken point.

On finding the "EX Arrow," Shown recalled a story of lost treasure he had heard around the domino tables in Bridgeport years before. It concerned a man known as "Brother Fernandez" who apparently had once been a Spanish priest.

He came to Bridgeport asking about several signs, including the "EX Arrow," which were supposed to be carved on rocks somewhere in that area. He'd told the townspeople that if they could show him the "EX Arrow" and the signs he was searching for, he could show them "more gold and silver than 30 families could spend in a lifetime."

He said that during the early days of the area, the Indians, along with a white churchman and several Spaniards who had befriended the tribes, had come upon the large horde of gold and silver.

For some reason, apparently to escape the harassment of white men, they buried all of the silver and gold in a tunnel.

One Indian chief is said to have ridden up to the crews as they were sealing up the tunnel and tossed a figurine made of the metal and containing two ruby eyes into the diggings, saying "here, bury this, too."

According to Fernandez's story, the "EX Arrow," along with other symbols would lead to the lost tunnel full of gold and silver. In the years that followed, Shown set out to look for the symbol and the tunnel, which, he says he found.

By following lines from the "EX Arrow," he found other symbols, all exactly 10 feet away which let to still more and eventually to the opening of the sealed tunnel.

During this time, Shown had enlisted the help of many people in trying to find out the meaning of other symbols he had found with several legs missing, which an old Mexican told him meant death and he should not attempt to enter the tunnel.

Later when he started excavations he found a huge rock bailed to fall on and kill anyone opening the tunnel.

"It was only an accident," he said, "that the rock did not fall on me — I was digging out only a part of the tunnel, which saved my life."

Finally, Shown came to a very hard substance, resembling cement. At this point, his metal detector picked up the signal of the horde of gold and silver, he said.

The digging became almost impossible in this hard rock and shortly Shown, when was in the Air Force, was transferred to another station. To protect the

Onstead's Maple Shop Now Open

Onstead's Furniture has announced the opening of The Maple Shop, a furniture store to deal mainly in maple lines of furniture.

The business is located first floor north of the Onstead Furniture in the building formerly occupied by Hawk and Hoffackett. The building has been redecorated and the stock of maple furniture moved in.

Besides the maple furniture, the tunnel, he filled it up again before leaving.

When he was able to return, he realized it would take capital to finance the digging through the hard rock.

Believing that about 10 other smaller treasures, such as the chiefs, lie buried in the same area as the tunnel, Shown started a search for them, with which he expected to finance the digging of the main tunnel.

In one location, he found a huge turtle, about nine feet tall, made out of the same type of hard material.

At the time, he says, he thought that one of these smaller treasures might be hidden inside of the turtle. "I tried to break it open, but it was just too hard," he says, "and, later I used blasting material to break it open." It didn't contain a treasure.

Shown also blasted the rock that carried the carving of the "EX Arrow."

He expects to find more "Booby traps" in the tunnel.

"The old Mexican told me that the treasure was well guarded with such traps and that no man would ever be able to recover it," he said.

store will handle accessories for maple furniture, lamps, and gift items.

The business will be an extension of Onstead's Furniture but the businesses will be separate, according to I. D. Onstead, owner of the furniture store.

Matador Ranch Quail Hunting Is Authorized

Quail hunters will be the first to benefit from the recent purchase by the Game and Fish Commission of part of the old Matador Land and Cattle Company property in Cottle County. A limited quail season on the property was announced by the assistant executive secretary late last week. Within 24 hours all available reservations for the hunt were taken.

The area is located 11 miles northwest of Paducah. Although a management program is being developed it was decided to permit hunters to harvest some of the quail now on the property.

Hunting will be permitted on Jan. 2, 3, 4, 9, 10 and 16.

The reservations provide that persons should hunt in pairs, and that not more than 10 pairs of hunters per day can be accommodated.

The bag limit on the area is 15 birds per day. Both blues and boots are available on the Matador ranch. Hunters can go in and out of the area.

Citizens of Ardmore, Okla., who have a principal in the Paducah Mountains between Paducah, Spain, pay no taxes.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Matthew	2	7-10
Monday	Matthew	2	11
Tuesday	John	1	15-17
Wednesday	John	1	27-28
Thursday	I Peter	1	22-25
Friday	Psalms	106	4-5
Saturday	Isaiah	32	1-4

Wise Men travelled a desert to lay their gifts before a King. But the King was a mere babe. His court was a cattle shed; His princely garb swaddling bands. Could they be certain when they knelt by the manger that this was the end of the quest? Their certainty came not of proof but of faith. They had marvelled at the heavens . . . followed a gleaming star . . . listened to prophecy. For Wise Men this was enough! And through the centuries others have sought the King. Eagerly, earnestly they have come into the reverent beauty of the Church. And there, as ageless Words cast their light in man's darkness, they have known the end of their quest.
