THURSDAY AND SUNDAY

VOLUME XXVIII LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JANUARY 24, 1952 No. 95

**BUY 4 ACRES
WEST OF TOWN
ON HIGHWAY 84
Warehouse And
Shop Are To
Be Constructed**

State Highway Department of Texas, will build a new, greatly enlarged storage and road maintenance warehouse with construction slated to start early this summer, if steel and other needed materials can be secured, H. C. Edmonds, chief engineer of the Lamb County branch of the State Highway Department was authorized to announce this week.

The newly acquired tract, and site of the new Highway Department home, will be completely landscaped, and a big new warehouse and shop, 40x100, or containing 4000 feet of floor space, of steel construction will be erected. Black-topped roads will inter-lace the grounds, to care for the heavy duty equipment which the department maintains here.

The present warehouse, located on Highway 51, and E. 9th street, has been completely outgrown. The tract of land on which the warehouse is located is only 120x275 feet in size, and the warehouse now serving, and located on the prop-

Boy Scouts To Assist In March Of Dimes Drive

The close of the Lamb County March of Dimes campaign is just around the corner, scheduled to close on the night of January 31, at which time it is hoped by the campaign committee, that the goal will have been reached.

George White, county chairman

for the drive stated yesterday that approximately \$1,000 had been given in Littlefield; Olton had reported Tuesday night that between \$400 and \$500 had been raised there with a benefit show Tuesday night expected to increase the amount; Sudan, through Joe Salem reported their drive as progressing satisfactorily. All communities had not reported, but drives are underway in all towns and sections of the county.

5000 envelopes were handed out to school children Monday to take home and be given to parents with a request for a contribution, and these envelopes were to be returned to the schools this week. Mr. White stated that they hoped to raise \$500 in Littlefield from this source, and at about the same average in relation to enrollment, at all of the schools of the county. In Littlefield, a booster meeting for the school envelope campaign was held in the High School Monday and Tuesday.

The two Littlefield Boy Scout Troops will enter into the March of Dimes campaign on the closing night of the campaign, Thursday, Jan. 31. All persons who wish to make a contribution to the March of Dimes through the Scouts, are asked to light their porch lights between the hours of 6 and 9, and Scouts will call at these no lighted homes, to pick up the contributions.

Two Arrests In Connection With Station Robbery

Sheriff Sid Hopping stated Wednesday that his office was filing charges against two transients in connection with the robbery of the Goforth Conoco service station at Springlake, January 7, when a considerable monetary loss was reported.

The two men, said to be near Brownwood, are in custody of the Hockley county sheriff's office, charged with a similar offense in that county.

The filing of charge here will probably result in their appearance before Lamb county grand jury for indictment or dismissal in February.

The sheriff's office here also reports picking up an alleged drunk driver at Earth, who was assessed a \$18 fine in local court.

BIRTHDAY PRESENT FOR RAYBURN—H. R. Van Zandt of Bonham explains the workings of an over-and-under double-barreled shotgun to Speaker of the House Sam Rayburn in his Bonham home as he celebrated his 70th birthday. Twenty friends of the speaker surprised him with the gift. Rayburn is an enthusiastic hunter. The family spent a quiet day together before Rayburn left for Washington for the second session of the 82nd congress. —AP Photo

MAY BE SAFE

LT. VERNON L. (SUNSHINE) WRIGHT—son of Mrs. Alta Mae Wright of Odessa, formerly of Littlefield, who was reported as Missing in Action January 15, may be safe. The flyer's mother is reported to have phoned her brother, C. C. Hall, here to the effect that she had received a letter from the War Department stating that Lt. Wright's plane had been shot down in Korea, and that the other flyers who saw the plane brought down thought they seen Lt. Wright bale out before his plane went out of sight.

Curtis Wilkinson Seeks Re-election To County Office

Curtis R. Wilkinson, Lamb County Attorney has authorized the Lamb County Leader to announce his candidacy for re-election, subject to the action of the Democratic Primary in July.

Wilkinson served only five months of his term when he was recalled to active duty and is now serving somewhere in North Korea with the United States Marines. He appointed Matt Browne to serve as his assistant while he was away.

Wilkinson says he will mail in his formal statement just as soon as he can find time to write it.

4119 Poll Tax Receipts Issued

A total of 4,119 poll tax receipts had been issued by the Lamb County Tax Collectors offices as of noon Wednesday, more than doubling the amount that had been issued at the turn of the year.

Deadline for securing Poll tax receipts by State Law, is midnight of January 31.

An intensive drive is being waged in Lamb county, as well as throughout the state, which it is hoped will equip the largest amount of voters with a voting franchise in the history of the state this year.

Tax Collector announced this week that special Poll tax offices had been set up in both Olton and Sudan, at the City Hall in each city, where poll taxes can be paid, prior to the deadline date.

Double Header Basketball Game Here Tonight

A double header boys basketball game is scheduled to get underway this afternoon, (Thursday) in the Littlefield Junior High school gym, between the local 8th and 9th grades and the 8th and 9th grades of J. C. Hutchinson Junior High school of Lubbock.

The public is invited. There will be a small admission charge, it was announced.

Vocational Ag. Boys Cleans Up Grounds

W. W. Hall, senior Vocational Agricultural teacher announced that the class members have really been busy the past week, and the new Ford Pickup has been put to good use, in that the boys have been hauling rocks and trash off the school campus to the Bull Lake dumping grounds.

Youth Center Ping Pong Tournament Proves To Be Popular Event

Travis Hampton won first place award in the senior boys' division of the Ping Pong tournament sponsored by the Lamb County Youth Center, held at the Center from Thursday through Saturday night. He was awarded a casting reel, given by Nelson Hardware. Bill Jones won second place and Bill Phillips, consolation. A merchandise certificate was given from Little's Department store to Jones and Phillips received a Swank tie-clasp from Farr's Jewelry.

In the girls' division, Diane Hall won first place, and was presented with a string of Lady Ellen pearls from Jones' Jewelry, while Janna Lqu Hollingsworth won second

County Officials Will Attend Austin Meeting

Lamb County Judge Otha F. Dent, and County Commissioner George Brown of Olton plan to leave here Saturday for Austin to attend the observance of Highway Appreciation Week, which begins Sunday, January 27 and continues to February 2.

The purpose of the meeting is to inform citizens of problems confronting the Texas highway department.

Thirty-Five FFA Members To Leave Today For Fort Worth

Littlefield FFA Chapter, third largest in the state, will be represented at the Fat Stock Show in Ft. Worth this week, by a delegation of 55, including 50 chapter members, two instructor-leaders, plowgirl, sweetheart and their escort.

The Littlefield Chapter will have no special entries on exhibition at the Stock Show, but are shooting at the possibly honor of bringing the largest FFA delegation to the

show, and traveling the greatest number of miles.

A special chartered bus, the FFA owned truck, and one or two private cars will transport the Littlefield junior delegation to the show.

The group riding in the Chapter Pickup will leave Littlefield immediately after the conclusion of classes Thursday afternoon, and expect to reach Ft. Worth at or near mid-

St. Louis Juniors Pick Winner

YOUNG FAVORITES—Some like 'em slim, some like 'em flared. Opinion is divided among the young crowd on the subject of skirt widths, so St. Louis designers, who specialize in youthful styles, are making them both ways this spring. Typical styles above are (l. to r.): the princess line in a dress of rayon linen with embroidered bolero; shirt-waist dress with a two-piece look and trim, slim lines, in black rayon lines, saw-tooth band, all spring fashions, design by Louis.

Extension

(Continued from Page 1) erty, contains less than 2000 square feet of floor space. Both ground and warehouse have been found inadequate, as the maintenance job of the local Highway branch has almost quadrupled in the last 12-year period.

The present Highway department branch was established in Littlefield, in March of 1940, and has been in continuous operation since. It was not, however, the first State Highway department branch in the county, as a small station was established and operated at Sudan, prior to 1940, with D. E. Butts, in charge, but was later abandoned.

When the present station was established, approximately 75 miles of hard surfaced roads were in operation in the county. The number of miles has now been increased more than three times that mileage, to a present total of more than 225 miles.

The personnel of the local Highway department station has also been steadily increased, and an average of 10 men are now employed by the State Highway Department here.

There has been no official report, but we have been reliably informed that the warehouse and ground now owned and operated as the Highway Station on Highway 51, will be sold to the highest bidder. The value of the property has sharply increased since it was acquired by the State in 1940.

H. C. Edmonds in charge of the Department here, came to Littlefield from Farwell, when the department established their warehouse here. He had served the Highway Department at Farwell for two years before coming to Littlefield. He previously had lived at Sudan.

The new station will be fenced with stub chain links, and the grounds are sufficiently large not only to accommodate much additional equipment, as well as provide ample storage space for gravel and other road building material.
