

LITTLEFIELD, LAMB CO., TEX. THURSDAY, JUNE 30, 1955.

NUMBER 5.

Board Rejects Bids To Demolish Old Central

In a surprise move Monday night, members of the Littlefield Independent School District board of trustees rejected all bids for the demolition of Central school building, in order to study the project further. The board received four bids, three of which asked the board to pay the contractor for tearing the building down. The board had hoped to receive some money for the building.

Bids were received from Purvell Construction Co., of Lamesa, offering to pay \$30 for the old building if they were allowed to remove it and salvage the materials. Harry Miller Co. asked for the materials and \$200. Davis Construction Co. offered to tear the building down to the grade level for \$300, and to tear it down and fill in the basement area for \$1585.

In other action, the board voted to purchase 89 new aluminum window screens for the primary school building at a cost of \$843.58.

Mr. Byers was relieved as janitor in the same position he held prior to his resignation a few weeks ago.

Four primary grade teachers were elected by the board. They include Miss Estelle Preston, Mrs. Sherman Taylor, Mrs. Jerry Lunsden, all of whom will teach second grade and Miss Lou Ann Ber Neir, for the third grade.

Two Men Shot Saturday Nite In Flats Affray

Al Thornton was jailed early Sunday morning by county sheriffs officers, following the shooting of Perry Lee White and Iris White, his son, in a Flats shooting affray late Saturday night.

Sheriff Dick Dyer said Thornton shot Perry White through the hand and Iris White through the leg. Iris White was hospitalized in Medical Arts Clinic-Hospital.

No charges had been filed Monday against Thornton. Dyer also reported the arrest of Willie Jones and Pete Hernandez, on liquor law violations.

A & M Scholarships Won by Max Barnett and Johnny Fields

Max Don Barnett, son of Mr. and Mrs. Wayne Barnett, of Rt. 2, and Johnny Field, son of Mr. and Mrs. Vergil Fields of Amherst, have been awarded \$1,000 four year scholarships to Texas A&M College. It was announced this week.

The Opportunity Awards give each of the two boys the sum of \$250 each year of their four year course at A&M, and are based on scholastic ability, leadership, character, and the scoring of an aptitude test the boys recently took at College Station.

Both boys plan to study Veterinary Medicine at A&M. They are presently working in the county measuring cotton acreage.

Max and Johnny were outstanding members of this year's Littlefield FFA chapter. The scholarship tests taken at A&M were made possible by contributions from local A&M students.

Dollar Day Is July 5, Retail Group Decide

Tuesday, July 5 has been set as July Dollar Day by members of the Retail Merchants committee of the Littlefield Chamber of Commerce.

The committee had previously decided to set July 11, the second Monday in the month as Dollar Day. But, as a meeting held Tuesday afternoon of this week, they voted 13 in favor of July 5. Monday, July 4 will be observed as a legal holiday.

KENNETH HILL

Baptists Call Kenneth Hill As Educational Director

The Littlefield First Baptist Church has called C. Kenneth Hill, Jr., as music and education director, according to the minister, Rev. Lee Hemphill.

Hill is a native of Tennessee, and a graduate of Hardin Simmons University in Abilene, with a major in voice and music theory. He has been associated with the University for seven years as executive secretary of the executive association and director of recruitment and student employment.

He comes to Littlefield from Abilene where he has been director of music for nearly three years.

Hill is married and the father of two daughters, Sarah Elizabeth, age 7, and Susan Evelyn, age three.

Mrs. Hill is also a graduate of HSBU, with a major in math and French.

The Hills will move to Littlefield as soon as their new home being built here is finished.

City Issues Permits For Two Oil Wells

The Littlefield City Commission approved two oil well drilling permits within the city limits at a special meeting Tuesday morning.

The applications were filed by the Texas Co. and are to be drilled in drilling block 90, in the industrial tract off highway 51, and in block 99, on the Compress yard.

The application for block 90 had been approved previously but had expired.

Bill Boone, legal representative for Texas Co. presented checks for \$500 each on the two applications to Mayor Ray Keeling, following the signing of the permits by members of the Commission.

In addition, the city will receive two per cent of the gross production from the wells, should they prove producers.

Flying Farmers Elect Mrs. Homer Garrison Queen At Sunday Morning Breakfast

Mrs. Homer Garrison of Littlefield and Plainview was elected queen of the Flying Farmers of District Two, at a fly-in breakfast held in the Littlefield Community Center Sunday morning.

Mrs. Garrison will represent the district at the state Flying Farmers convention in Corpus Christi, July 8-10.

Approximately 100 members of the group and local business men and Jaycees attended the Sunday morning breakfast here.

They were met at Duggan field by representatives of the Jaycees, members of the Chamber of Commerce public relations committee, and civic officials.

Mayor Ray Keeling welcomed the Flying Farmers to Littlefield, prior to their being driven to the

Community Center in cars furnished by local business. Members of the Road Racers car club chauffeured the cars.

John Clayton and the Littlefield Four provided musical entertainment following the breakfast and business meeting.

Bob Hooper of Plainview conducted the queen contest in which Mrs. Garrison was selected.

The Littlefield Jaycees prepared and served breakfast to the group.

Harold Clements and Doug Howell are on the public relations committee of the CoFC, and they, with president Troy Armes and vice president Carl Keeling welcomed the Flying Farmers at the airport.

L. D. Singley of Rotan, and Homer Garrison are directors from District Two.

Tickets For Farm Dinner On Sale Now

Tickets for the second summer farm dinner sponsored by the agricultural committee of the Littlefield Chamber of Commerce, are on sale now, according to Jess Everett, CoC manager.

The farm dinner is to be held in the Spade school cafeteria, July 7, at 8:30.

Alvin Webb, Littlefield accountant will be master of ceremonies for the dinner, introducing Littlefield business men and Spade area farmers.

The tickets for the dinner are \$2.50 each, and entitle one business man and one farmer to attend the dinner.

The dinners are designed to better acquaint businessmen and farmers with each other.

Sunday Night Fire At 806 West Sixth Confined To Roof

Littlefield city firemen answered a fire call at 8 p. m., Sunday at 806 West Sixth street, according to the fire marshal's report.

The fire was caused by faulty electric wiring, and damage was confined to the roof of the two room residence.

The building is owned by Mrs. Jessie Campbell and occupied by Mrs. Myrtle Dickerson.

No estimate of the cost of the damage was given.

Howard Wins Championship At LFD C.C.

Dan Howard nabbed the Littlefield Country Club golf tournament championship crown Sunday afternoon, downing Rhenard McCary 5 and 4 before a gallery of about 100 who braved the burning sun to follow the match.

Howard and McCary were even up until Dan smoothed in a 25-foot putt on No. six and sank a 20-footer for a birdie four on no. 8.

Nick Nichols of Sudan trimmed C. A. Duffy of Amherst 6 and 5 to win the first flight, while Bill Lyman took the third with a 3 and 2 over Arthur Duggan.

Awards of golf merchandise from the pro shop will be awarded the champion and flight winners of the tournament.

County Wheat Farmers Favor Continued Federal Controls In Light Voting Held Saturday

Lamb county farmers voted 19 to 10 to continue rigid controls on wheat for another year in the annual wheat referendum held Saturday.

Only 29 out of a possible 110 eligible farmers voted in the referendum, according to Charlie Hill of the county ASC office which held the election.

Hill said the pattern followed closely the voting percentage nationally, which gave a 77.5 per cent majority to continue federal controls on wheat.

The voting came as a surprise in most agricultural circles, where it was expected that a closer vote would be taken, and some even predicted that the farmers would vote the controls down.

Secretary of Agriculture Ezra Taft Benson had announced recently that should the referendum fail, he had an alternate plan ready to put into action. Most observers feel that it was the fear of a new unknown plan that caused the voting to carry despite the lack of enthusiasm most farmers feel for the controls.

In approving the controls for another year, wheat farmers who have 15 or more acres allotted to wheat, accepted government price supports for the 1956 crop at 76 per cent of parity, or a national average price of \$1.81 per bushel. This compares with 82.5 per cent of parity or \$2.06 for this year's crop.

Had the referendum failed, the support price would have dropped to 50 per cent of parity or about \$1.19 per bushel.

Parity is an arbitrary figure set by law to pay farmers a fair price in relation to prices they must pay to produce wheat.

Howard Wins Championship At LFD C.C.

Tuesday Night Rains Flood Highway; Cause Some Crop and Property Damage

A model car belonging to the Le Howell of 721 W. Littlefield, was considered damaged last Wednesday morning when it was washed out of a ditch.

The car had been driven into a ditch in the road during heavy rains Tuesday night. It was washed out of the ditch and the sheriff's department and other Howell left it in the ditch.

The car was washed off the embankment, and the current of rushing water battered in the top of the car and filled it with driftwood.

Accompanying the late afternoon storms did some crop damage, although a price estimate had not been made early Wednesday.

Lightning accompanied the rain and hail, which followed by high winds.

Lubbock highway was closed for most of the night and was blocked to heavy traffic. Most through traffic was detoured around the Spade and back onto the highway.

Monday Will Be A Holiday; Stores Close

Monday, July 4, is a holiday for Littlefield merchants cooperating with the Chamber of Commerce, according to J. E. Chisholm, chairman of the retail trades committee.

Most all business houses will be closed, as will the banks, federal, county and city offices.

The Weather

More raging weather hit part of the county again this week, bringing hail, high wind and up to eight inches of rainfall in some spots. Rain gaged at the oil mill Tuesday night was 82 of an inch, while rauges on the Springlake highways showed 1.60 inches. Five miles east of Littlefield, an estimated eight inches of rain fell, flooding the Anton - Lubbock highway near Bainer. One car was a total loss from water damage when high water swept it off the highway against an embankment Tuesday night. Some hail fell Tuesday evening, but no estimate of damage was available early Wednesday.

MR. and MRS. JERRY T. HAIRE
(John Nail Photo)

Miss Myrna Jo Teague Bride of Jerry T. Haire

Miss Myrna Jo Teague, daughter of Mr. and Mrs. Vergil Teague of Littlefield, became the bride of Jerry Travis Haire, son of Mr. and Mrs. J. B. Haire, also of Littlefield, in a candlelight ceremony held at nine o'clock Saturday morning in the home of Mr. and Mrs. J. N. Teague, cousins of the bride.

The double ring ceremony was performed by Dr. Lee Hemphill, pastor of the First Baptist church as the couple stood before a mirrored mantle decorated with pink gladioli, greenery and pink tapers.

Traditional wedding music was furnished by Sandra Vick of Littlefield who played "On Promise Me," "I Love You Truly" and "The Lord's Prayer."

The bride, given in marriage by her father, wore an original gown of imported chintz lace and nylon tulle over net and satin. The fitted bodice was decorated with a queen's collar and long sleeves ending in points over the hands and terminated with a drop point at the center front waistline. The full, waist length skirt was enhanced with alternate bands of tulle ruffles and satin. Her finger tip veil of illusion was joined to a coronet of lace embroidered with seed pearls and rhinestones. She carried a bouquet of pink roses and white stephanotis and white satin streamers tied in lovers knots atop a white Bible. The bride's jewelry was a string of pearls and a pin which belongs to her great grandmother.

Attending her sister as maid of honor was Miss Mildred Teague. She wore a waist length dress of pink nylon tulle over taffeta and carried a nosegay of white roses. Candellighter was Miss Constance McLarty of Abilene, who also wore a pink waist length dress of tulle over taffeta.

Kenneth Haire served his brother as best man.

Guests were registered by Mrs. Ronald Tullis of Cotton Center. A reception was given in honor of the couple immediately following the ceremony. The bridal table was laid with white lace over pink linen and featured a four-tiered cake topped by a miniature bride and groom. The bride and groom's bouquets complete the table decoration.

Assisting with hospitalities were Miss McLarty, Mrs. Ronald Tullis, and Mrs. J. N. Teague. For a wedding trip through the northwestern states the bride wore a navy linen sheath dress topped with a navy and white jacket. Her accessories were white.

The bride is graduating this summer from Whitworth high school. The groom is a graduate of Littlefield high school and attended Park's Air College at St. Louis University and Embury-Riddle School of Aviation, Miami, Florida. At present he is manager of the Littlefield airport.

The couple will be at home in Littlefield after July 15. Out of town guests who attended the wedding were Mr. and Mrs.

HARDINS IN ARKANSAS
Mr. and Mrs. Jack Hardin left Saturday to spend a 10 day vacation visiting relatives and friends in Arkansas. The Hardins plan to return July 8.

Florine Lueck Weds In San Antonio Ceremony

Mr. and Mrs. F. W. Lueck of Littlefield announce the marriage of their daughter, Florine, to Kenneth S. Kollen son of Mr. and Mrs. Kollen of Minneapolis, Minn.

The double ring ceremony, officiated by Rev. John E. Meyer, was solemnized in St. John's Lutheran church at San Antonio.

Nuptial music was by Herman Herbsleb, accompanied at the organ by Miss Cross, who sang "At Dawning" and "The Lord's Prayer."

The bride's chapel length gown was of white nylon net lace over satin adorned with tiny buttons the full length of the back and long sleeves which came to a point over the hands. Her finger length veil fell from a head band of seed pearls. She carried a bouquet of roses centered with an orchid, showered with lovers knots of white satin ribbon. For something new, the bride wore a necklace which was a gift of the groom. Something old and borrowed was a handkerchief with tatted lace from her grandmother. Her blue garter was something blue.

The matron of honor was Mrs. Levi Coble Jr., sister of the bride, whose dress was of orchid ruffled nylon net over taffeta. Miss Gladys Hill was bridesmaid and wore a dress identical to the matron of honor. Their bouquets were of white carnations.

Linda Ann Coble, niece of the bride, was flower girl. Her dress was white organdy with a scalloped tunic of embroidered organdy, trimmed with tiny white forget-me-nots.

Levi Coble Jr. was best man and William George was groomsmen. Ushers were Chester Eyster and Harvey Voges. The groom's attendants all wore formal attire and white boutonnières.

The church was decorated with white gladioli and fern and candelabra. Candles were lighted at the altar preceding the ceremony. Immediately following the wedding a reception was held in the parish center of St. John's church. Mrs. Mabel Keithley presided at the guest register. The table was covered with a ruffled tulle cloth over white and centered with a

tiered wedding cake topped with a wedding veil.

The bride is a graduate of Littlefield high school and attended Draughn's Business college in Lubbock. She was employed at the First National Bank.

The groom is a graduate of Minneapolis high school and received his BS degree from the University of Minnesota. He is now employed at Carswell air base.

Friendship HD Club Barbecue

The Friendship Home Demonstration club met June 23 in the home of Mrs. Floyd Seymore for a chicken barbecue.

The program was on picnic meals and planning. Mrs. Floyd Seymore and Mrs. Tommie Seymore gave an inspiring demonstration on preparation of potato salad and baked beans, which were served with barbecue, ice cream and cake.

Four guests attended the meeting: Mrs. Bill Bradley, Mrs. A. O. Dickson, Mrs. Zexie Parmer and Mrs. L. G. Fox.

Members present for Thursday's meeting were Mesdames B. A. Beauchamp, Jr., Emory Blume, Richard Black, Raymond Maxwell, Marvin Bowling, Raymond Harper, Billy Parmer, Leonard Pierce and Tommie Seymore.

The next meeting will be held July 14th in the home of Mrs. Loyd Seymore.

Former Pastor's Condition Better

Rev. Joe Grizzle, former pastor of the First Baptist church in Littlefield, is reported to be able to walk with a cane after having received a serious fall several months ago.

Rev. Grizzle is retired and lives in San Benito, Texas. Last September he fell on a wet tile patio and broke his right hip and injured the ligaments in his right knee and ankle.

Church Rites Unite Patsy Farrell-Chas. Byrd

...candlelight ceremony at the Littlefield Missionary Baptist church Friday evening. Miss Patsy Ruth Farrell, daughter of Mrs. Iva Farrell, became the bride of Charles E. Byrd, son of Mrs. H. L. Byrd.

Lord" as the bride and groom knelt on a white satin kneeling bench after the minister said "I now pronounce you man and wife. What therefore God hath joined together, let no man put asunder."

The bride was given in marriage by Mr. J. D. Evins of Littlefield, lifetime friend Miss Farrell wore a full length bridal gown of white net over satin, designed with fitted bodice and jacket of rosepoint lace, which was repeated in a tunic that covered the flared, graceful skirt. Her lace tiara was studded with rhinestones and caught with a shoulder length illusion veil, complemented with lace mitts. The bride's only jewelry was an antique cameo from Italy which was a gift from her sister. She carried a bouquet of pink sweetheart roses in net atop a white satin-covered Bible which was borrowed from her cousin, Mrs. Maude Street. Her bouquet was showered with white satin streamers tied with lovers knots and rosebuds. For something old, she wore an Indianhead penny in her shoe, for something new, her dress, and for something blue, a garter.

Mrs. Carrol Jones of Farwell, sister of the bride, served as matron of honor. She wore an imported swiss organza ballerina length dress fashioned after the bride's. Bridesmaids were Miss Oma Barriek and Miss Barbara Jackson whose dresses were of pink swiss organza. All the bride's attendants carried colonial bouquets of white shasta daisies, caught with white ribbon streamers.

Miss Jeannette Tucker of Slide Texas registered the guests in a beautiful white bride's book as they entered the vestibule of the church.

Mr. Martin Click served as best man. Earl Ray Turville and Jimmie Jackson were ushers and also lighted the candles as the music of "Savior Like A Shepherd Lead Me" was softly played.

Mrs. Farrell, mother of the bride, wore a beige nylon dress with white accessories and a pink carnation corsage. The groom's mother wore a pink faille dress with white accessories and a pink corsage.

Following the ceremony, a reception was held in the Littlefield Missionary Baptist church parsonage at 617 East 15th street. The bride's table was laid with lace over pink. The three tiered wedding cake, beautifully decorated with pale pink roses topped by a miniature bride and groom under a wedding bell, centered the table. Mrs. Joe Hebel poured frosted raspberry punch from a crystal punch bowl. White napkin designed with a bride and groom bore the inscription "Charles and Patsy" and carried out the color

scheme of pink and white. The bride and her attendants bouquets completed the table decorations.

After the wedding, the couple left for a trip to Carlsbad Cavern and other points in New Mexico. The bride's traveling attire was a light grey suit with pink accessories and a corsage of pink sweetheart roses.

On their return they will be at home at 1919 Fourteenth street in Lubbock. The bride and groom both attended Littlefield high school. The groom served four years in the United States Marine. In September he will enter Draughon's Business school in Lubbock.

Out of town guests who attended the wedding were Mr. and Mrs. W. S. Clair and daughter, Mary Estell, of Lawton, Okla.; Mr. and Mrs. James W. Taylor, and daughters, Kay and Sarah,

of Lubbock; Mr. and Mrs. E. P. Hutchins of Spade; Mr. and Mrs. Carroll L. Jones, of Farwell; Mrs. James Knox of El Paso, and Mr. and Mrs. Jim Roles of Amherst.

Local Club Women Join Crusade For Prevention of July Fourth Accidents

Events of the Week

Mrs. T. L. Dunlap, president of the Women's Club which is affiliated with the Texas Federation and General Federation of Women's Clubs, has announced that members of the club will join the 11,000,000 members of the national organization in a series of chain telephone calls to appeal to Fourth of July holiday travelers to exercise care and courtesy in driving as a measure to prevent the disastrous toll of death from highway traffic.

Mrs. Paul Carmack, Club Safety Chairman and special committees have worked with other organizations and groups for 100 percent contact of every licensed driver in Littlefield, Texas. Committee chairman for these contacts are Mrs. Olan Pressley, civic; Mrs. G. A. White, educational; Mrs. D. C. Lindley, religious; Mrs. B. D. Garland Jr., veterans; and Mrs. S. E. Ayres, youth.

In 1954 there were 348 deaths during the same holiday period with ten times that many injured. Your local call may be the means of preventing the dread long distance call reporting tragedy and heartbreak.

Birthday Party For Ann Yarbrough

TOM MEERS

DON SHOFF

Tom Meers and Don Shoff will conduct an evangelistic crusade in the Littlefield Missionary Baptist church, XII Drive and 8th streets July 4-10, at 8:00 p. m.

Tom and Don are both senior ministerial students in Bob Jones University, Greenville, S. C.

They have just completed a meeting in the Central Baptist church, Amarillo, and are now engaged in a meeting at Graham, Texas. They are scheduled for evangelistic services throughout

the summer in Ft. Worth, Palmer Denver, Chickasha, and Stamford.

Special childrens classes will be held each night at 7:30 conducted by Tom Meers, Don Shoff and Mrs. Weldon B. Meers, which will consist of flannelgraph lessons, flash card lessons, contests, prizes and songs.

Tom Meers is the son of Dr. and Mrs. Weldon B. Meers of Littlefield. Don Shoff is the son of Rev. and Mrs. George Shoff of Clovis, N. M.

Mrs. Joe Salem Is Hostess To WSCS

SUDAN (Special) — Mrs. Joe Salem was hostess Monday morning to members of the Women's Society of Christian Service of the First Methodist church for a coffee and the first business meeting of the new year.

The coffee was held in the "Little Shack" in Salem's backyard. During the coffee hour birthday greetings were extended to Mrs. A. W. Ormand. After the serving of coffee and coffee cakes the group went to the living room for a program and the business meeting.

Mrs. Tom Wood gave the devotional from the twelfth chapter of Romans. Mrs. Walter White sang "O Master, Let Me Walk With Thee." She was accompan-

ied at the piano by Mrs. Robert Masten. The opening prayer was given by Mrs. T. B. Adair and the closing prayer by Miss Esther Jones.

In the business meeting presided over by Mrs. Salem, president, plans were made to entertain members of the Sudan School Faculty and their families with an ice cream supper in the Salem's backyard, August 20.

Present for the coffee and program were Mesdames Robert Masten, Walter White, Jack Van Ness, Tom Wood, T. B. Adair, A. W. Ormand, A. A. Pinkerton, J. E. Dryden, Tray Gaston, F. W. Newman, Doyle Torrell, F. C. Broyles, Rodney Nichols, Gilbert Masten, H. E. Rogers, C. W. Ross, Jo Burt Mackham and Miss Esther James.

Sudan Rotary To Install New Slate Tonight

SUDAN (Special) — The annual Rotary barbeque and installation will be held Thursday (tonight) in the back yard of the Simon Hay home at 8 p. m.

Providing entertainment for the evening will be The Crowder family, TV and radio entertainers of Lubbock and Amarillo. The family is composed of five members, one of whom is the well known "Little Joe".

Serving on the program committee for the event are Drew Watkins, Edgar Chance and Phil Raught.

James F. Arnold, outgoing president, will act as installing officer.

New officers to be installed are Marvin Tolch, president; Herb Porter, vice president; Edgar Chance, secretary.

New directors are Phil Raught, E. E. Chance, Herb Porter, Wayne Brovnd and Drew Watkins.

The barbeque is an annual event of the Rotarians when the Rotary Ann and other guests are entertained by the club.

Sub-District WSCS Meeting In Littlefield Tuesday

BILLY LITTLE, new insurance claims adjuster for the area Farm Bureau offices took over his new duties Monday. He will make his headquarters in Littlefield, and will serve an eight-county area on the South Plains.

W. S. C. S. of Sub-District 1, Brownfield district, met at the First Methodist church in Littlefield Tuesday at 9:30 a. m.

Mrs. John Crowder of Morton, sub-district president, presided during the meeting. A meditation "Study To Show Thyself Approved," was given by Mrs. J. C. Keith of Whiteface, followed by quadrennial goal evaluation presented by Mrs. Willard Henry of Morton.

The Littlefield WSCS conducted a skit, "Committees of Programs at Work." Members participating were Mesdames Vanderpool, Albert Miller, John Wood, H. J. Allen, George Ligon, Ross Lumsden, and Huston Hoover.

Mrs. Charles Hinds of Amherst gave the devotional "Inasmuch." Mrs. Harry Vanderpool and Mrs. Albert Miller sang a vocal duet, accompanied by Mrs. Bluhm.

Announcement was made of the next sub-district meeting which will be held in Morton in February.

Mrs. Jed Clark and Mrs. Paul Pharris brought a meditation or prayer.

The Littlefield church served drinks and ice cream with the sack lunch which was served in the church basement.

During the afternoon session a clinic was conducted for all officers with the district officers presiding.

Fifty-eight ladies were present for the meeting with bi-district representatives from Amherst, Eula, Enochs, Morton Spade, Anton and Littlefield.

Official Proclamation

The General Federation of Women's Clubs and the Texas Federation of Women's Clubs, as an integral part of the national organization, have achieved outstanding results in recent years by supporting the movement for traffic safety; and specifically have cooperated with the Texas Department of Public Safety, and the Texas Safety Association.

This year, these women are placing special emphasis on traffic safety by conducting "A Telephone Crusade for Safe Driving Over the Fourth of July" among the people of Texas.

THEREFORE, I, As Mayor of Littlefield, do hereby designate the week of July 3rd, 1955 as Traffic Safety Week in Littlefield, Texas, and call upon all our citizens to join in these worthwhile endeavors sponsored by the Texas Federation of Women's Clubs.

RAY KEELING, Mayor.

(SEAL)

In official recognition whereof, I hereby affix my signature this 29th day of June, 1955.

Little Leaguers Will Play Earth All-Stars There Friday

Lions & WOW Join Together To Play Team At Earth, Friday

Two of Littlefield's Little League teams will pool their players together and journey to Earth Friday for a game there with the Earth All-Stars at 8:00 p.m. The Earth team will be picked from their three Little League teams, Fire Department, Barton Bros. Butane, and Earth Sun, and Leonard Stevens will be manager of the team.

Jaycees Take WOW Nine In Shutout, 7-0

The Jaycees pulled a surprise out of the bag Monday night as they defeated the top-ranking WOW nine 7 to 0 in a shutout ballgame.

The Jaycees were the visiting team and went to bat first. Tony Estrada was walked in the first and Allen Dunn got on base by being hit by pitcher Pete Estrada. Pete Estrada drove his brother in for the only score in the first. The other two runners were left on base. In the 2nd, Max Blessing, Billy Halstrom and Pando Symons got on base but failed to score. Three runs came across for the Jaycees in the third as Pete Estrada and Blessing got one base hit; Bennett Hutchinson and Mike Stoffel were left by the pitcher and Halstrom walked. Estrada Hutchinson, and Stoffel crossed the plate for the three runs. In the fourth the Jaycees were on and down to order. How come in the fifth, Pete Stoffel scored on an error. Hutchinson scored on a fielder's choice and Stoffel was driven home by the hit. Max Blessing also got on the cycle with a single but was out at home. Albin Dunn and Pando Estrada got on bases in the fourth and fifth but had a chance to score for the Jaycees.

MANAGERS GET TOGETHER ON RULES: Pictured above is the group that met Sunday afternoon in the Security State Bank for a reading of the Little League rules and a better understanding between teams. The rules were read and each member would stop the reading and ask questions when there was a rule that he did not fully understand. There will be another meeting of the same sort this Sunday afternoon at 4:00 at The Security State Bank building and all managers and interested parents and individuals are urged to be present. Pictured left to right: Elmer Koder and Fritz Diering, umpires; Earl Dow, Charlie Duval, President Jess Ford, Jimmie Chapman, Nig Whitson, L. V. Pierce and Bob Manly.

The WOW and the Lions bring to the ball game three starting pitchers and three relievers. Max Ball and Jerry Koller will be the Lions pitchers while the WOW will have three pitchers and three relievers. It is not known at which of the pitchers will start.

Members of the two teams made for the trip will leave by bus at the Security State Bank at 6:30 p.m. Parents and fans are invited to go to Earth and root for the boys.

There is a possibility that the two teams will play a game at the Security State Bank on Friday, July 1, if the weather is favorable. The game will be at 8:00 p.m. and will be a doubleheader. The WOW team will be De Plessis, Jerry Koller, Max Ball, Tom Morgan, Keith King, Roster Morris, Kenneth Moore and Craig Brester.

This game will be returned to Littlefield later on in the season, probably on a Saturday night or Sunday afternoon.

HOME FROM OREGON

Mr. and Mrs. Ralph Nelson and children have returned from a two weeks stay in Portland, Oregon. They were accompanied by Mr. Nelson's mother, Mrs. J. O. Nelson.

Ken Moore also got on base by singling, but two were tagged out at third to retire the side. In the fifth Morris got on base on an error, but was tagged out at second. In the sixth the batters were three up, three down to end the ball game.

The winning pitcher—Pete Estrada. The losing pitcher—Tom Morrison.

The final score:
Jaycees 7
WOW 0

Swimming Meet to End Recreation Park Program

The final day of the summer recreation program will be Friday, tomorrow, according to Gene Mayfield, summer program director.

Mayfield said the program which usually lasts four weeks will end Friday morning with a swimming meet and other last day activity.

Ribbons will be awarded winners in the swimming competition.

Mayfield said good attendance has been recorded throughout the program, with swimming, outdoor and indoor games receiving equal emphasis and interest.

Dozelle green-often are fed to silkworms when mulberry leaves are scarce.

LITTLE LEAGUERS ENJOY ICE CREAM SUPPER: These kids are a portion of the group of Little Leaguers and their parents that gathered at the Youth Center Saturday afternoon for an ice cream supper. The unexpected rains kept the crowd down but a good crowd turned out to listen to plans for the Little League Park which will be built by next season if the funds are raised. Members from all six teams got together and talked over the situation and downed a lot of ice cream.

Church Group Will Attend Camp July 4

Rev. William H. Anderson, pastor of First Church of the Nazarene and a group of young people in the 8-14 year age group

Enjoy the long Fourth of July weekend, and . . . PLEASE DRIVE SAFELY!

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long—stop when you're tired.
- Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

"Don't Forget the Service"

Come in and let us tell you about it—

CHEVROLET'S GOT MORE OF WHAT MOST PEOPLE GO FOR!

If we could just sit down for a few minutes and talk about cars and about the many different ways we can be of service to you, we're sure you'd find it time very well spent.

Mainly, of course, we want to tell you about our Motoramic Chevrolet and show you all the different new models. Actually, it's got us so excited we can't stop talking about it. It has plenty of power—162 h.p., for example, in the brand-new "Turbo-Fire V8." And it has so many really fine-car features—Powerglide, Overdrive, Air Conditioning, and all kinds of power assists (these are a little extra), tubeless tires on all models.

We'll make you a promise: We'll put it right on the line and show you, without wasting words, why you'll get more for your money in a Motoramic Chevrolet.

Then, if you'd care to walk around a little bit, we'll show you our Parts and Service setup. You know how important it is to have your car checked periodically. Well, why not get the best service when the time comes? Chevrolet parts installed by Chevrolet-trained mechanics—that's what we mean by the best.

Stop by anytime. Any one of our men will be glad to talk to you and show you around.

LAND VALUES INCREASED!!

We have been granted a substantial increase in land values for Federal Land Bank loans, and are now in position to accept loan applications on increased value basis. This increase will enable us to make many loans that we have been unable to reach in the past.

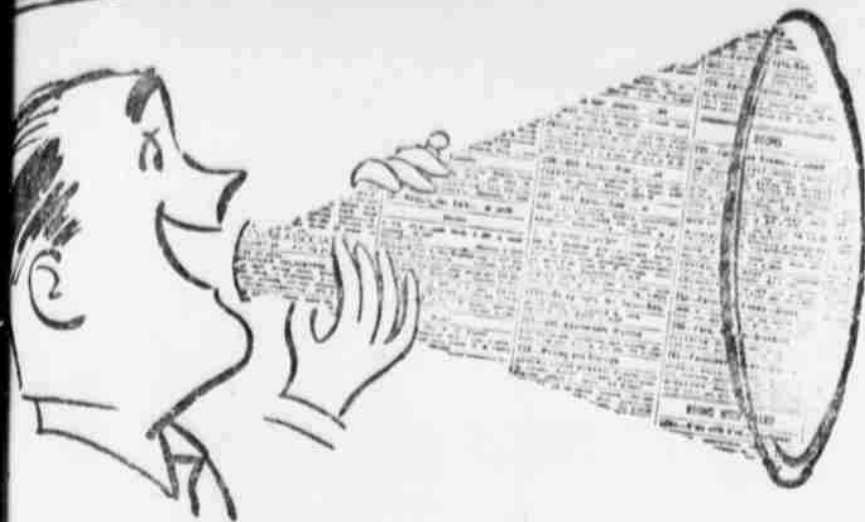

These loans can be made to refinance liens, all kinds of building, irrigation wells and equipment, irrigation tile, etc. If no homestead is involved, the loan can be made for any agricultural purpose.

Our loans are made over a period of from 20 to 34½ years, at 4% interest, and all or any part of the loan may be paid at any time without penalty. After deducting our present rate of 10% dividend paid on Association stock, the average actual cost of money to our members is approximately 3½%.

If you are in need of a farm loan, or to increase your present loan, we would be glad if you would call at our office or write us at your earliest convenience.

NATIONAL FARM LOAN ASSOCIATION OF LITTLEFIELD

P.S.—Littlefield Leads The State For May! During the month of May the National Farm Loan Association of Littlefield closed more loans than any other association in the State of Texas. Littlefield serves Lamb County. We want each of you to know that we are here to serve YOU, and any time we can help you come in and see us.

Legal Notices

NOTICE TO BIDDERS

Sealed proposals addressed to the Mayor and City Commission of Littlefield, Texas, will be received at the office of the Mayor until Monday, July 11, 1955, at 10:00 o'clock A. M. for furnishing all necessary materials, machinery, equipment superintendence and labor for concrete curb and gutter, concrete sidewalks, concrete retaining wall, excavation and shaping for drives and asphaltic surface treatment for the City Hall grounds at Littlefield, Texas.

Bidders must submit cashiers or certified check issued by a bank satisfactory to the OWNER, payable without recourse to the order of the Mayor of Littlefield, Texas, in an amount not less than five (5) percent of the largest possible bid submitted as a guaranty that Bidder will enter into contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required check will not be considered.

The successful Bidder must furnish performance bond in the amount of one hundred (100) percent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety or other Surety or Sureties acceptable to the OWNER.

All lump sum and unit prices must be stated in both script and figures. The OWNER reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the OWNER reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the OWNER to reject the bid.

Bidders are expected to inspect the site of the work and to inform

Through A Glass Darkly

By CARROLL POUNCEY

All right, so I made a boo-boo about the parade. Have no excuse to offer, although I have had a week to try to think of one. It can only be blamed on sheer stupidity, which I am taking in a correspondence course by mail and one of the lessons got lost last week.

We do seriously apologize to the Jaycees, and hope they will believe that it was an error and completely unintentional.

How much do you know about the Road Pacers Car Club? Well, we don't know too much either, but we are finding out a lot of things, which we think you will be interested in learning.

For instance this car club is commonly known as a hot rod club. It is not, strictly speaking, a hot rod club at all. It is a club for automobile enthusiasts, and it is ruled by as tough a constitution as we have seen outside a co-op dairy.

Most of the young fellows who belong to the Road Pacers are mechanically inclined and have been through more machines than a Las Vegas quarter. They like to modify their stock cars, and find out how much, if any improvement they have made. So, naturally they like to hold "drag races" to pit their souped up engines against others in the club.

And that is one of the troubles the club is having. They don't have any suitable place where they can race their cars without endangering other, slower traffic.

They are willing, even anxious, to hold their drags under adult supervision, and in fact comply with the letter of the law, at the risk of being expelled from the club if they violate the traffic laws.

It's not the kids in the Road Pacers who squeal the tires and make the jack-rabbit starts on Phelps avenue. The Road Pacers are not driving stripped down accidents looking for a place to happen. They are interested in cars, and in bettering their ability to handle the machines that in careless hands cause hundreds of thousands of needless deaths each year.

When the boys who are in the club now, grow to manhood, they will be better drivers than 90 per cent of the kids who are burning the rubber off pop's family car Sunday afternoon in the senseless bumper-to-bumper parade down Phelps.

Official reports show that less complaints are heard about Road Pacer members than any other group of teen age drivers, and there are an awful lot of the latter.

If a Road Pacer gets called down twice by the law, he is kicked out of the club, and to a club member this means a lot more than just taking the club name plate off his bumper.

Well, the kids are getting some help from adults who do understand what they are trying to do, but they are also getting the blame for a lot of things they are not responsible for doing. They need the sanction and active support of more adults who can see what the kids are aiming for.

We would like to see this happen. It couldn't happen to a nicer bunch.

Governor to serve on the Texas Employment Commission.

Should Shivers resign, Ramsey would become governor automatically. He then would have the inside track in the 1956 campaign.

Wagoner Carr of Lubbock, third-term member of the House, emerged as the uncontested prospect for Speaker of the 55th Legislature. When the 54th session adjourned, Representative Carr held signed pledges of support from more than 100 members of the present legislature. No opponent had announced.

Sen. Neveille Colson of Navasota, only woman in the Texas Senate, was elected President Pro Tem of the upper chamber for the period between sessions. This means that she will have an opportunity, under precedent, to sit in as acting Governor for a day. When this happens, she will become the second woman in Texas history to serve as chief executive.

Texas' first and only elected woman Governor, Miriam A. Ferguson, was honored with a birthday party by a statewide gathering of dignitaries.

Renominated and confirmed for new terms during the closing hours of the 1955 legislature were Adjutant General K. L. Berry, for a third term, and Mark Wentz, fire insurance commissioner, for his first full six-year term.

Session adjournment meant that the new tax law and hundreds of other statutes will go into effect on Sept. 6 or 90 days after adjournment.

Completed as one of the session's final acts was a law bringing 30,000 state employ-

ees under Federal Social Security as well as the state retirement system.

Another bill permitted college faculty members to enter Federal Social Security coverage.

Legislation correcting and tightening up state regulation of insurance, increasing capital and surplus requirements of insurance companies, and subjecting insurance companies to state regulation, were termed probably the session's top achievements.

And the legislature left behind issues which promise to figure in state politics.

It projected investigations into the future on the scandal-ridden veterans' land program.

It failed to pass the key measure of the administration's water program—the \$100,000,000 state aid to local projects.

It left untouched the issue of school desegregation.

The water bond measure was killed by the clock at sine die adjournment, in a bitter House squabble over the tax method to finance it.

But Governor Shivers said the legislature achieved 85 percent of its task—"a good batting average."

It made notable progress, he said, in such fields as insurance reforms, hospital improvements, public welfare and health, safety, and necessary financing for highways, old age pensions, education and general operations.

Both the House and the Senate set up committees to continue the Veterans Land in-

vestigations. Investigating committees filed reports. The senate committee said that Governor Shivers and Attorney General Shepperd, members of the Veterans Land Board, hadn't been too punctual in attending board meetings. But it said evidence showed they had no part in the mishandling of the program.

BEATEN-UP CAR
GREENVILLE, S. C.—When a customer brought a well-battered car to a dealer and asked for a price on it in exchange for a new one, the dealer looked, winced and named a rock-bottom price.

To the dealer's amazement, the customer replied "I'll take it." Seems he had become angry at the running eccentricities of the car and had beaten the windows out of it with a baseball bat.

New Gulf No-Nox gives you not just the highest octane but... full working octane

because it's super-refined to burn clean

No gasoline, no matter how high the octane, can keep on giving you full power from your engine unless it burns clean.

That's why New Gulf NO-NOX is your best gasoline buy. In making new NO-NOX, Gulf refines out the "dirty-burning tail-end" of gasoline, the No. 1 troublemaker in today's high-compression engines.

As a result, you get a clean-burning gasoline that gives you:

- More complete engine protection than you get with so-called "miracle-additive" gasolines
- Extra gasoline mileage in the kind of short-trip, stop-and-go driving motorists do most
- Freedom from vapor lock, stalling and stumbling in hot-weather driving
- No knock, no surface pre-ignition—even in today's high-compression engines

Remember this picture? This is Gulf's famous burner demonstration—proof of what a difference Gulf super-refining makes. Notice that Gulf refines out the "dirty-burning tail-end" of gasoline... instead of fighting it, inside your engine, with so-called "miracle additives." That's why new, clean-burning Gulf NO-NOX can promise you not just highest octane, but full working octane.

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team... New Gulf NoNox Gasoline and **New Gulfpride H.D. Select Motor Oil**

The only motor oil in the world that's super-refined by the Alchior Process for modern high-compression engines.

- Controls carbon—cause of knock, pre-ignition, valve failure.
- Combats corrosive acids, rust and deposits on engine parts.
- Assures lower oil consumption than "all-season" oils.
- Provides the toughest protective film ever developed.

Available in 3 grades—SAE 10W, SAE 20, SAE 30—for each season.

Easy With Short Cuts

DOROTHY ROE
The Press Women's Editor has come a long way from the days when she was a girl. She has packaged mixes and ready-made collars, so even the best cooks, so busy with their own affairs, are taking advantage of new short-cuts to save time. The new pre-cut fabric is the pre-cut fabric in the market. It offers ready-to-sew fashion fabric and trimmings that are ready to stitch. Women find that they save more time on shopping for buttons, buttons and linings in adjustment and cutting the pattern than they do in actual stitching of a garment. Now the new ready-to-sew fabric eliminates many of these details. The new shorts and shirt ensemble can be made with a pre-cut fabric in which the pieces of fabric are packaged with every button, button facings, and trimmings.

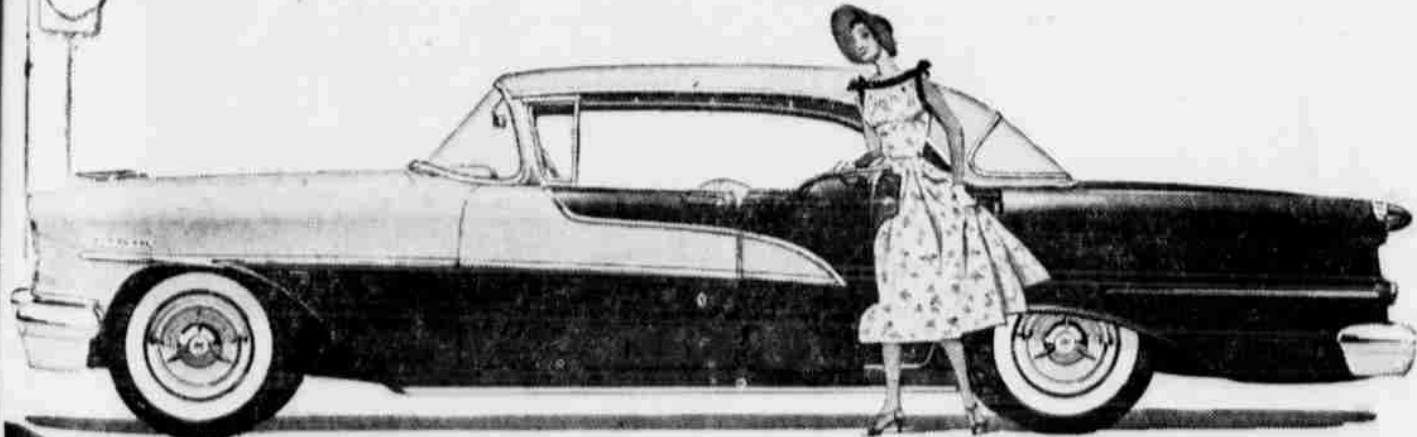

size 14 and the shirt in a size 12, if yours requires different sizes. The new pre-cut patterns are available in a wide selection of styles, colors, fabrics and sizes, including children's and junior sizes as well as misses'.

Local sewing center experts remind you to follow the same rules in short-cut sewing as you would when you start from scratch. Be sure your thread and needle are correct for the fabric

and be sure to check tensions and stitch length before sewing. Take care of pattern adjustment before doing machine sewing, so you won't have to spend valuable time ripping seams. Press seams as you go, for a finished look, and make full use of sewing machine attachments for special jobs. Sewing things right the first time is a great time-saver, and sloppy, hasty work is poor economy.

The white covered dinner table was centered with a yellow flower arrangement. Place cards bore pictures depicting the hobby or vocation of each attending. Suzanne Hartsell of Lubbock did the art work for the place cards.

Present for the occasion were Mr. and Mrs. E. C. Minyar, Mrs. Glen Gatewood, Mrs. Ray Wood, Don Wood, Carol Ann Watkins, Doyle Watkins and Suzanne Hartsell of Lubbock.

ATTEND ART COURSES

Mrs. Joe Foster and Mrs. Milton Wiseman were in Clovis Thursday evening to attend the opening class of the art course being sponsored there by the Clovis Art League. The course will be conducted each Thursday evening for five weeks and Emilio Caballero of WSTC in Canyon is the instructor. Accompanying Mrs. Foster and Mrs. Wiseman is Mrs. Avery Fix of Lubbock.

Mr. and Mrs. Dale Fields of

Littlefield visited Friday in the home of Mr. and Mrs. Lewis Fields.

Mrs. Doyle Watkins was honored with a family birthday dinner Saturday evening at the El Monterey in Clovis. Present for the occasion were Mr. and Mrs. Drew Watkins, Doyle and Carol Ann.

Marilyn Beth Wiseman, daughter of Mr. and Mrs. Weldon Wiseman was confined to the Littlefield hospital last week. She returned home the latter part of the week.

Mrs. Toke Verzen of Lovington, N. M. and Mrs. T. A. Henson of Littlefield visited Tuesday in the home of Mr. and Mrs. Hershel Olds.

Mrs. Laura Martin was a Lubbock and Shallowater visitor Thursday. In Shallowater she visited in the home of Mr. and Mrs. W. C. Ewing.

Mr. and Mrs. J. B. Bottoms and daughters, Sharon and Bev-

erly, visited Sunday afternoon in the Hereford home of Mr. and Mrs. Jim Bell. They were accompanied by Carol Ann Watkins and Linda Parrish.

West Wins Cup At Toastmasters

"The Modern Automobile" was the topic of Melvin West's five minute speech, which won the cup at Toastmasters' club Monday night.

Other five minute talks were given by Dr. William Orr, Ralph Douglas, Vernon Hofackett, and Allen Hodges. Toastmaster of the evening was Bill Street.

Dr. Glen Bark, topic-master, called on each member present for a one-minute speech beginning with the last word of the previous speaker. General critic for Monday's meeting was Bob Manley.

DEDICATION

By TOMMY WILLIAMS, Minister

With the time at hand when as a nation of people will celebrate our Independence, our minds contemplate a new time-honored instrument, the Declaration of Independence. We are impressed with the fact that the signers of that document pledged in its defense their "lives," their "fortunes" and their "sacred honor." That meant complete dedication to that worthy cause. With passing years, many others have supported that cause with heavy sacrifices, even to the "last full measure of devotion."

This all reminds us that MEN and CAUSES stand and fall together. Without dedicated men to champion them, worthy causes perish. Without worthy principles to live for, men perish. The story of progress of worthy causes is the story of worthy men. The story of good men is the

story of the principles to which they have given themselves.

God calls upon men and nations to dedicate themselves to him and to his truth. He supplies principles and truth, and calls for men to champion them.

Let us never lose sight of the truth that "The Most High rules in the kingdoms of men." The destiny of a nation is inseparably linked to the question of whether it remembers God or forgets him in its ways. "Righteousness exalteth a nation, but sin is a reproach to any people" (Proverbs 14:34). Here is a solemn warning: "The wicked shall be turned back unto Sheel, even all the nations that forget God" (Psalms 9:17).

Under God and his truth we shall stand; otherwise we shall fall. Let us, above all, dedicate ourselves wholly to God and his truth. Church of Christ West Ninth Street Littlefield, Texas

SUMMER-INTO-FALL. . . Here are two versions of the new transitional cotton fashions, planned for late summer and early fall wear. Left, long-torso overblouse in black, gray and tangerine-striped cotton, with slim plain skirt. Right, separates with a costume look—dark, brightly striped sanforized cotton overblouse and full skirt which can go to office or school next fall with a blouse beneath.

Museum In Honor of Immigrants Is Planned at Statue of Liberty

NEW YORK (AP)—What have they got that we haven't got?

That's what 35 million Europeans, from Scandinavia to the boot and toe of Italy, asked themselves as they looked longingly across the Atlantic toward the new Americans in the United States.

In the course of a century, from 1815 to 1914, from the end of the Napoleonic wars to the start of World War I, those 35 millions sailed for this land.

What they found, what they did with it, and what they added to it are going to be the material for a new museum to be built around the foot of the Statue of Liberty, lode-star of those millions.

The statue rises from within the walls of old Fort Wood erected there on Bedloe's Island in New York Harbor in 1811. It's an 11-pointed fort, and the museum will be fitted into the ancient wall, and point to all the corners of the globe from which the immigrants came.

When Bartholdi, the French sculptor, visited this country to discuss his proposed Liberty Enlightening the World, he called, among other places, at the White House and was received by President Grant. Today Grant's grandson, U. S. Grant III, major general

own museum department, and several of its own museums, and has named a historian for this work, Dr. Thomas M. Pitkin.

The emphasis, Dr. Pitkin says, will be on the contributions of different national and racial groups to our national development.

"All who came and stayed, beginning with the Indians, will be considered immigrants. The basic story will be told in a series of chronological exhibits, grouped around the base of the Statue of Liberty. The largest space will be devoted to the period 1815-1914."

Since planning is in an early stage, the museum with its probable 50,000 feet of floor space may not be ready for more than two years—no specific subjects for exhibitions have been approved. The sort of thing possible, Dr. Pitkin suggests as an example, would be the imported technical skills which helped found the textile industry in New England, and gave a cut to the iron and steel business. Some of the technicians, he says, had to be smuggled in or smuggled out of their native countries which wanted to hold onto them. The shows would consist of diagrams, texts, black and white

USA (retired), is president of the Board of Trustees of the museum. There are historical societies, There have been temporary exhibits extolling the immigrant in the city, Cleveland and in other places. But this is planned to be the first institution of its kind to catch the immigrants when they dock, so to speak, and for that matter where they departed, since from 1865 on it is estimated that more than two-thirds of them went through this city.

Pierre S. du Pont III is chairman of the executive committee, and the vice presidents are Charles W. Engelhard, Spyros P. Skouras and Edward G. Cress. President Eisenhower and Secretary of the Interior Douglas McKay have endorsed the project. Half a million dollars financing is pledged already and in January there will be a drive for five million.

The National Park Service will administer the project. It has its

Attractive Home Lawns Are Result of Care and Culture

Attractive home lawns don't just happen—they are the result of considerable time and effort.

Establishing a new lawn requires the use of adapted grasses, proper watering, mowing, fertilization and drainage. E. M. Trew, extension pasture specialist says.

Texas home owners have a choice of two popular lawn grasses. Bermudagrass is most widely adapted to growing conditions of the state. The other specie, broad-leaved St. Augustine grass, is recommended in the eastern and southern areas of the state. Buffalo, perennial ryegrass and Kentucky Bluegrass are varieties of lesser importance.

A sandy loam type soil high in organic matter forms an ideal foundation for lawns. Most soils need more organic matter. Its addition in the form of peat, compost or well decomposed gin trash sawdust or leaf mold is suggested.

To insure proper drainage and smoothness, most lawns will require some grading or leveling.

If the lawn is seeded, use high quality seed of a single grass, not a lawn mixture. Spread seed evenly. Seeding, laying grass in solid strips, is expensive and time-consuming but gives the desired grass cover quickly. If you spray, the grass runners should be packed firmly into the soil.

Sprinkle lightly and frequently until the new grasses become established. As they take a foothold, water less often and increase the amount.

Mowing at a height of one and one-half to two inches will encourage spreading and will control invading weeds.

And don't overlook fertilizers in the establishment of your new lawn. A soil test will determine which plant nutrients and in what quantities are needed. County agents can furnish complete information on sampling the soil, the specialist adds.

Cop Makes Good As Dressmaker

Newsfeature
MEMPHIS—Marvin D. Walker is downright efficient with a .38 pistol—and a sewing machine.
 A crack shot, State Highway Patrolman Walker is just as capable when he turns to making dresses for his attractive wife and 6-year-old daughter, Barbara Jo.
 The 6-2, 210-pound trooper has just completed a mother and daughter outfit—a very professional looking job complete with lace trim.
 How did he get started?
 Well, explains 30-year-old Walker, as a youngster in Philadelphia, Miss., he watched his mother sew.
 Three years ago he bought a sewing machine for his wife. While showing Mrs. Walker what he had learned by watching his mother, Walker became fascinated and decided to try his hand at making a dress.
 He's been turning them out ever since—about a dozen a year.
 "It's simple," says Walker. "All you've got to do is follow the pattern."

Competitive Cropping Can Control Bindweed Patches

Bindweed can be controlled on large acreages of cropland thru competitive cropping, intensive cultivation and the use of 2-4-D.
 These practices are recommended as a result of experiments conducted in Texas Panhandle since 1949 by A. F. Weise, agronomist for the Amarillo Experiment Station and H. E. Rea, agronomist for the Main Station at College Station.
 Wheat was the best competitive crop used. Sorghum was not easily established during the summer when the weeds were growing vigorously.
 A fallow-wheat system, using intensive cultivation during the fallow periods, eliminated 92 per cent of the weeds in three years.
 The 2-4-D was applied in the fall before the wheat was planted or in the spring when the wheat was fully tillered.
 Patches of bindweed up to half an acre in size were eradicated with applications of soil sterilants such as sodium chlorate, Concentrated Borax, Atlacide, Polychlorate and Karmex W at rates of 5, 16, 7, 12 and three-eighths pounds, respectively, per square rod. One application of a soil sterilant seldom completely eliminated bindweed retreatments

The biggest sore point in German-American relations is the thousands of houses still requisitioned by the Army. New housing is being built for Army personnel but it will be months before there's real relief.
 There is another problem that stumps Pickhardt: "I would guess that half of the illegitimate children in this area are fathered by Americans," he says.
 Another problem he can't do much about is the chlorine which U.S. occupation officials insist must be used in every municipal water system.
 The deputy mayor of Giessen, Albert Oswald, says this is one of the biggest irritations.
 "Why do you insist on it?" he asks. "We never had it before, and we never had an epidemic either. It makes the tea and coffee taste terrible."

U.S. Army Turns Human To Ease German Friction

By RHEINHOLD G. ENSZ

AP Newsfeatures

GEISEN, Germany — A middle-aged German couple was strolling through a park when an American GI accosted the woman. The husband was severely beaten trying to defend his wife.

A German mayor was invited to an open house at a U.S. Army post. He couldn't speak English, and no one met him at the gate. The guard chased him away at gunpoint.

The first incident was individual waywardness, the second Army bungling.

The civil affairs office of the local U.S. Army detachment took over.

There are many such offices in the American zone. Giessen's is among the best.

Maj. Isaac Pickhardt, civil affairs officer, finds that violent misbehavior is increasingly rare. Goodwill and friendship are spreading.

A German-American advisory council of German officials and U.S. troop commanders deals with complaints such as these:

From the Germans: "The soldiers are wrecking the furniture in the railroad station waiting room. What can you do about it?"

From the Army: "A wartime bomb was found in a housing development. The German police warned all of the German families but said nothing to the American families. Why?"

There is International Men's club and a German-American Ladies Club.

The good neighbor policy has also taken a practical turn. Army bulldozers frequently fill bomb craters, level athletic fields, dig excavations for churches, community halls and refugees housing. A bombed-out building was razed by an Army dynamite.

A village ran out of water. Army tank trucks brought relief. The event was heralded by the town crier.

Soldiers in the area voluntarily donate about \$100 a month to help buy clothes and toys for orphans.

The Army supplied tents to make a farmer's convention possible.

"None of those things made us any enemies," says Pickhardt.
