JUDGES, COMMISSIONERS OF THREE COUNTIES COFC GUESTS

MAYOR CROCKETT DISCUSSES WATER PROJECT AT MEET

Inventory of Relief Projects Needed Also Sought

County Judges and Commissioners of Hockley, Cochran and Bailey counties were guests of the Lamb County officials at the weekly luncheon meeting of the Littlefield Chamber of Commerce Tuesday noon, when about fifty members of the booster group and visitors were in attendance, J. S. Hilliard, Vice-President, presiding over the meeting.

Terracing Meeting Called
Mr. Hilliard announced a regional meeting of the Great Plains Farm Pond and Terracing Association to be held in the Crystal Ball room of the Herring Hotel, Amarillo, February 8, at which time several prominent speakers would be present and discuss terracing and contouring of farm lands. Mr. Hilliard urged a good representation from this section attend the meeting.

Visitors Introduced
Judge J. E. Adams, County Judge of Bailey County was called on by Mr. Hilliard to introduce his commissioners. He made a short talk introducing Commissioners A. E. Schuster, John Williams, W. E. Renfro and J. W. Alford, all of Muleshoe.

Judge G. A. Graham, County Judge of Cochran County, also introduced.

Grand Drug Store Looted; Arrest Made Tuesday

The Grand Drug Store of this city was burglarized Monday evening, and \$30.00 in cash and a quantity of cigars, cigarettes, candy, knives, purses, five or six watches, and a number of other articles taken, to the value of \$200.00. The premises were entered by prying a back window open.

The theft was discovered by Scott Webster when he opened for business Tuesday morning.

Acting on a tip, City Marshall Ab Anderson and Constable Sam Hutson arrested a young man transient in a box car in the Santa Fe yards, who gave his name as Wolf and his age as 19, about 2:30 P. M. Tuesday afternoon, when merchandise alleged to have been taken from the Grand Drug was discovered in the boxcar.

The man was lodged in the local jail to await preliminary hearing before Judge Sikes Wednesday evening.

Farm Association To Name Other Officers At Meet Here Feb. 8

Election of Alternates to act on the cotton committee and an address from a district representative of the Rehabilitation program will be two leading features of the regular monthly meeting of the Littlefield Community Farm association to be held at the First Methodist church here Friday, Feb. 8.

The Rehabilitation man, whose name has not yet been announced, will co-operate with W. H. Rutledge, Frank Lehman and John J. Bowling, Rehabilitation committee, in informing farmers how the plan works. Everyone is invited to come and bring his family, urged Chairman W. H. Cunningham.

After the luncheon session, the University Interscholastic League of

MERCHANTS OFFER DOLLAR DAY VALUES

What promises to be the greatest Dollar Day in Littlefield's Dollar Day history is scheduled for next Monday, with three of the city's leading merchants advertising exceptional values for the event.

Other than Dollar items, some of the stores are offering other leading values that are expected to attract shoppers for many miles around the city for the day.

New Spring merchandise is also arriving and many numbers are now being displayed and advertised by the local merchants.

Best Bets In Littlefield for Dollar Day

Below are a few of the values offered by Littlefield merchants Dollar Day, Monday, February 4. Many other items of equal value are listed in the advertisements appearing in this week's issue of The Leader.

- WARE'S DEPARTMENT STORE — 16 Men's Curlee Suits to Close-out for, each **\$14.95**
- REPLIN'S DEPT. STORE — Ladies' kid oxfords in arch support styles, PAIR **\$1**
- CUENOD'S DRY GOODS CO. — Men's Tie and Shirt Set (Regular \$1 Shirt) Both for **\$1**

Good Attendance At President's Ball Ball Wednesday

A good attendance is reported at the President's Ball here last night, according to Chairman of the local committee, T. Wade Potter. George Francis and his orchestra of Lubbock furnished excellent music for the dancing, and an enjoyable evening is reported.

Seventy percent of the returns will be retained in this district to be spent in treatment of local infantile Para-

Man Who Paved South Plains Buried Monday

The body of Guy Robert Johnston, Sr., engineer of Division 5, Lubbock, was laid to rest in Memorial Park Cemetery in the hub city Monday afternoon. Hundreds came to mourn the passing of the man who, as state engineer, laid every foot of paving over the South Plains. No one has yet been picked to replace Johnston.

Lamb County Teachers Hold Session at Amherst

The regular Lamb County Teachers Association meeting was well attended at Amherst Saturday. President J. I. Warren had arranged an entertainment program for the teachers. After the program the teachers were served a good lunch before they were to begin the serious work of the meeting. The Amherst P. T. A. was in charge of the delicious luncheon.

After the luncheon session, the University Interscholastic League of

officials for Lamb County called various meetings for the discussion and planning of League activities for this spring.

The association went on record as disfavoring so many tournaments in this section. It further went on record as favoring the elimination in the County in boys basketball by a round robin play which will require every team to play every other team in the county and at the end of the play the team with the highest per-

centage will be the champion. This should cause more basketball and spread the league games over a longer period of time, thus giving the schools a better chance to make basketball pay its way than at present, the association believes.

At a meeting of the U. I. L. Executive Committee called by H. P. Webb of Olton, it was decided to apportion the expense of the league

CITY SEEKING PUMP TO USE ON NEW WELL

Officials Expect To Make Test By End Of Week.

While the search for a suitable pump for a full test on the new city well continues, Deputy PWA Administrator Mayo is giving Littlefield water works plans a final inspection at Fort Worth, according to W. G. Street, city secretary here.

Fred Foust, driller, had reached a depth of 41 feet Monday in reaching out the well located on W. B. Davis property in labor 14, league 665. Reaming, which increases the six-hole to a width of 18 inches, is a preparatory move to getting the full flow on the test.

While 1,000 gallons a minute water flow is expected, 500 gallons would be enough to make the pool worthy of use. The 24-hour test will be conducted as quickly as a suitable pump is found, which city officials hope will be by the end of the week.

Cash Award to be Given Student By Rotary Club

A prize of ten dollars is being offered by the local Rotary Club to the Littlefield High School Student who submits the best essay on "Mexico As It Is Today."

A second prize of five dollars is offered to the runner-up contestant.

Any student is eligible to enter the contest. The award will be made March 14, and essays should be submitted by March 7.

BILL WOULD AID IN PROTECTING LOCAL STORES

Would Require New Merchants to Deposit Fee With State

Sen. A. P. Duggan will introduce in the state senate Monday morning a bill intended to protect the home merchant from the ravages of unfair competition by putting a crimp into the activities of the "itinerant merchant," the Littlefield senator announced in a recent letter to Chairman Gus Shaw of the chamber of commerce "floating stores" committee.

An outline of the bill, drawn up by Sen. Duggan and now in the senate committee room, includes "protection of the legitimate home merchant against 'itinerant vendors', definition of 'itinerant vendors,' provision for truthful advertising of goods they offer for sale, provision for their deposit of a fee with the secretary of State, issuance of a vendor's license by the Secretary of State, proper exhibition, filing and recording of same, provision for enforcement of this, making deposits subject to attachment and execution, and making a penalty and declaring an emergency."

Under this act, the "itinerant merchant" would be forced to deposit \$500 with the Secretary of State and pay a state license fee of \$25 per month for the first six months in business as a pledge of non-evasion of taxes after Jan. 1. In Littlefield, City, County, state and school taxes total \$3.95 per \$100 worth of merchandise on shelves after an inventory.

The \$500 deposit, under the act, would be subject to attachment by business creditors of the "itinerant merchant", and to attachment to satisfy penalties and fines in case of

JOHN W. PURSER IS FOUND DEAD HERE MONDAY

Succumbs to Heart Attack After Retiring Saturday Night

Believed to have passed away Saturday night, John W. Purser, 74, resident of this city for the past ten years, was found dead in bed Monday evening about 6 o'clock, by Mrs. W. W. Matthews, wife of the proprietor of the Day & Night tourist quarters.

The little son of Mrs. H. W. Bradley, who had been doing Mr. Purser's laundry, made his weekly trip Sunday after the man's laundry, but believing him not to be at home, returned to his home. Monday, on making a second trip, on receiving no response to his knock, he looked in the window, and then reported to Mrs. Matthews, who discovered the body.

Mr. Purser was seen and talked to by a number of Littlefield residents Saturday, who report that he complained of not feeling well.

An inquest was held before Judge J. B. Sikes, who pronounced death due from natural causes. Dr. Thos. R. Duke, who examined the body, stated that he had suffered from Heart Disease and High Blood Pressure, and that he believed Heart disease had caused his death. From every indication he had passed away when asleep.

Although Mr. Purser lived alone, not making many close friends, he was a friend of everyone, who had a kindly greeting for all, for whom the highest respect was held by the entire citizenship of this city.

TEACHERS SEE SHORT COMINGS IN CURRICULUM

Two Trustees On Program; Need For Changes Discussed

A seven-point outline of the shortages in apparent in the state's present curriculum, pointed out by the State Education department, was emphasized at the monthly meeting of Grammar School teachers, early this week.

Dr. J. D. Simpson and J. M. Blessing, school board members, took an active part in tracing down the shortcomings of the present system.

Mrs. Audie Collins reported briefly on benefits derived from the recent curriculum course. Miss Mary Belle Montgomery led a discussion of changes in the system.

The seven shortages, agreed by all present as hampering the system, were lack of attention to principles of handling money, investments, etc. Insufficient emphasis on current political and economic issues, lack of interest in most topics of the day, over-emphasis on formal drill, too much emphasis on mere facts and the exclusion of use of facts in reasoning, lack of attention to social and industrial problems, and lack of provision for actual participation by pupils in community activities.

"We would like every school patron to realize the present predicament of our system insofar as what is taught our children is concerned, and we seek their assistance in proper solution of this problem," declared Supt. A. B. Sanders following the meeting.

SCHOOL JUDGING TEAMS COMPETE IN TULIA EVENTS

Littlefield Fourth In Grain Judging Saturday; Sudan Third

Coached by R. L. Burdette, Littlefield's vocational agriculture grain judging team piled up 2,167 points to place fourth against 18 other Parhandle-Plains schools in judging contests sponsored by the Future Farmers Chapter at Tulia Saturday.

Plainview with 2,288 points and Post with 2,286 were first and second in grain judging. Sudan's 2,170 barely nosed out the Littlefield boys. First, second and third in poultry judging were Claude with 1,304 points, McLean with 1,295 and Tahoka with 1,177.

Olen Ross of Littlefield was high man in seed identification division of grain judging. Chas Taylor, Littlefield, was high man in head grain judging. Taylor was also high in individual grain judging. Littlefield was second in commercial grading division of grain judging.

Littlefield's grain team included R. Lee Gibson, Taylor and Ross; alternates were Raymond Wilson, Wesley Reznick and Weldon Walker.

Littlefield high's poultry team was composed of John D. Smith, Doyle Glazener and Jimmie Wedell.

The young son of Mr. and Mrs. Ring of four miles northeast of town was unfortunate enough to break his collarbone Wednesday and brought to a local doctor for treatment.

THE SHELTER BELT PROJECT

While awaiting definite word about whether Lamb County will be one of the counties to benefit from the government's gigantic Shelter Belt project, let's look some 15 or 20 years into the future and try to visualize what good this tree planting plan will hold for the county.

If federal plans work out, there will be a 100-mile strip of trees running from the Canadian border to the Red River. This will provide a windbreak intended to have a many-fold effect on agriculture. It will combat drought by conserving the moisture. It will make possible cultivation of orchards and vineyards. It will combat wind erosion, thus conserving the soil.

The government plans to secure title to the land because it wishes to have control of the trees, believing naturally that they would not receive the care under private ownership they would get under federal supervision. Any land owner who expects to hold out for a fancy price for his land will likely be disappointed. Every plot under consideration will have been fairly valued before any effort to get control is made by government representatives.

If any property owner does not accept this offer, the government will just check this property off its list and say "Forget it." The project is far too big to be held up by any petty troubles, and far too important to be held back by the desires of mere individuals.

While the intended effects mentioned above are merely expectations, the government is certain they will work out, otherwise it would not undertake the project with its present assurance. Land owners who fall in line early in making suitable land available for planting will be the first to benefit. Thus, should Lamb County be designated as one of the lucky areas, land owners would do well to co-operate from the start, and glean the benefits of the project in the not too distant future.

PAY YOUR POLL TAX

Every citizen, when he thinks it over, can find something wrong with the administration of present day public policies. A large part of this resentment can be traced to the fact that a great number of us failed to pay our poll taxes.

The issues that will probably come up in 1935 may be of more lasting importance than the election of a governor or congressman. Remember 1933, when so many people wished with all their might that they had paid their poll taxes, then go pay your own. Let's not have another 1933 in poll tax payments!

County Clerk's Office Pays Profit In Excess Fees

Stanley Doss, County Clerk, recently returned to the County Treasurer of Lamb County in excess fees the sum of \$1,808.85. This amount represents the profit to the county that the County Clerk's office has paid during the year 1934, and in view of conditions is an indication of the thrifty administration of affairs in that office.

In speaking of the remittance of the excess fees to the county, Mr. Doss said that this is the first time since the county was established that this office has "paid a profit."

Mr. Doss has so conducted the office that he not only has been able to pay his own salary and that of his deputies together with his share of excess fees allowed under the statutes, but to declare a dividend of no mean proportions in favor of the county—which in its final analysis is to the tax payers who elected him to that office.

Select Marinello Celebrate First Anniversary Here

The Select Marinello Beauty Shop celebrated their first Anniversary in Littlefield Sunday, January 27.

The shop is operated jointly by Mrs. B. F. Nanny, who is a graduate of the Marinello Beauty Shop of Dallas, and Miss Fannie Belle Graham, who has been engaged in beauty culture in this city for the past four years.

At the time of opening their shop at 423 Phelps Avenue last year, all new and modern equipment was purchased, and has been added to since.

The Select Marinello carries a line of Adele Miller cosmetics, and specializes in children's permanents; though they do all kinds of beauty culture.

T. J. Watson to Construct New 4-Room Residence

Considerable improvement is taking place at the Watson Produce establishment, of which T. J. Watson is proprietor.

Mr. and Mrs. Watson have moved from the building, and are now living in the Latimer residence. The space formerly used as living quarters are being utilized in the produce business, the waiting room and cream rooms being enlarged and extended back, making much more comfortable accommodations to their customers, and more convenient service.

Mr. Watson is also planning on building a residence on West Fourth Street, one block west of the produce establishment, which will be of frame construction and consist of four rooms and bath.

Levelland Child Instantly Killed In Truck Accident

J. D. Cunningham, 8 years old Levelland schoolboy was crushed to death beneath a school bus near his home eight miles southwest of Levelland, late Thursday.

Funeral services were conducted at Fairview community church at 2 p. m. Friday.

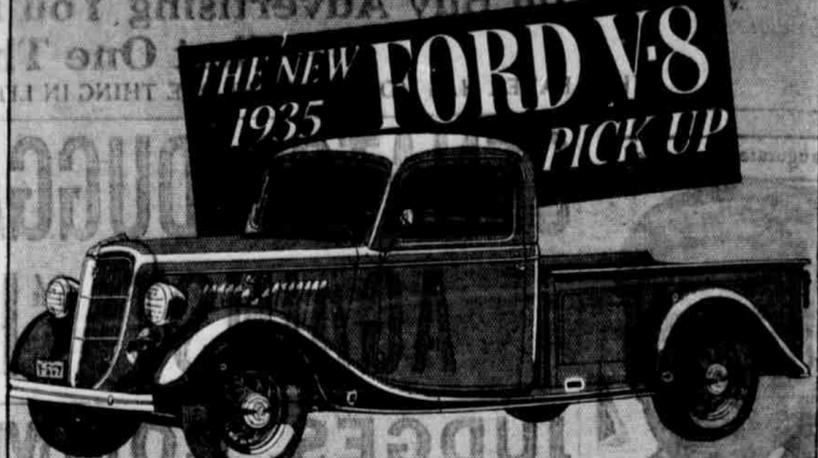

The mishap is said to have occurred when, after a child's cap had dropped or was tossed out, the bus was stopped. The driver was reported to have not known that the child was behind the truck, and the machine is said to have backed across the child's body, causing almost instant death.

The accident happened about 150 yards from the residence of Mr. and Mrs. W. H. Cunningham, parents of the child.

Flames Destroy Ford Coupe, None Injured

PICKUP \$480
F. O. B. DETROIT

THE Ford V-8 Pickup has always been a car that could take punishment. This year, improvements have been added that enable you to use the Ford V-8 Pickup harder than ever—and do it at less cost.

Even the proved V-8 engine has been made more economical, more dependable. It has new crankcase ventilation that rid the engine of water vapor, minimizes sludge, reduces oil dilution and corrosion. It has copper-lead connecting rod bearings that resist burning and pounding out. It has cast alloy camshaft and crankshaft that outwear forged steel.

The front axle is stronger—20%. The frame has been strengthened—with a new X-member, double reinforced side rails, new cross members at front, center and rear. The chassis is mounted on the Ford Full-floating Springbase—giving more uniform tire wear, longer brake life, better brake action, improved over-all operation, easier riding and handling.

But the way to find out what this new Ford V-8 Pickup will do for you—and save for you—is to put it through a tough trial on your own job. Your Ford dealer will let you have one any time you say.

THESE PICTURES SHOW Modern Three-Minute Way to Ease Sore Throat

Ease Pain, Rawness, Soreness Almost Instantly

Here's a safe, modern and effective way to relieve sore throat. A way that eases the pain, rawness and irritation in as little as two or three minutes. Many doctors advise it and millions are following this way. Try it.

All you do is crush and stir 3 BAYER Aspirin Tablets in 1/2 glass of water and gargle with it twice—as pictured here. (If you have signs of a cold, take BAYER Aspirin and drink plenty of water.)

Get real BAYER Aspirin Tablets for this purpose. They disintegrate quickly and completely, making a gargle without irritating particles.

BAYER Aspirin prices have been decisively reduced, so there's no point now in accepting other than the real Bayer article you want.

NOW 15¢

1. Crush and stir 3 BAYER Aspirin Tablets in 1/2 glass of water.

2. Gargle Thoroughly—throw your head way back, allowing a little to trickle down your throat. Do this twice. Do not rinse mouth.

3. If you have a cold, take 3 BAYER Aspirin Tablets. Drink 1/2 glass of water. Repeat if necessary, following directions in package.

NEWS OF LAMB COUNTY CITIES, COMMUNITIES

RUBY NEWS

Mr. and Mrs. G. Clark returned to their home this week after an extended visit with Mrs. Clark's parents Mr. and Mrs. C. E. Toney.

Mr. and Mrs. A. B. Jordan had as their guests last Sunday, Mr. and Mrs. G. W. Jordan of Levelland, also a sister of Mrs. C. W. Jordan, Mrs. J. T. Robb of Columbus, Ohio, and J. M. Booker and daughter of Whitharral.

E. G. Henderson, son of Mr. and Mrs. C. L. Henderson has returned to school after a ten days illness.

Mrs. Tom Spangler of San Antonio was the guest of W. H. Pepper and family, last Tuesday night. She was enroute to Sudan for a three weeks visit with her parents, Mr. and Mrs. O. Thornton.

Miss Faye Pepper has been confined to her bed the past five days with a serious case of tonsillitis. But is much improved at this writing.

Mr. and Mrs. E. T. Cain and baby, Mrs. J. M. Cain and Mr. Dee Pepper were Sunday dinner guests of Mr. and Mrs. O. Thornton of Sudan.

RUBYDALE CLUB

The Ruby Dale club met with Mrs. C. E. Toney last Thursday. Miss Westbrook met with us and gave a lesson on canning chicken. She cut up a chicken to show us how to cut the light and dark meat in separate pieces. The meat was then put in the pressure cooker and cooked according to the age of the fowl. When removed from the cooker, the white meat was cubed and put into cans for salads. The dark meat was run through a food chopper and into cans for sandwiches. After the meat was in the cans, they were placed in the cooker unsealed and cooked for 17 minutes at 15 pounds pressure. They were then taken from the cooker and sealed, returned to cooker and processed at 45 minutes at 10 pounds pressure.

After the lesson, several games were played. Refreshments of delicious white and malvany cake and hot cocoa were served to the following members. Mesdames A. B. Jordan, C. L. Henderson, P. H. Nall, G. Clark, R. N. Carpenter, J. D. Nall, J. R. Melton, Misses Faye Pepper and Bernice Westbrook.

Our next meeting will be with Mrs. A. B. Jordan on Feb. 14. Come and be with us.

Morton News

The lumber for the Cochran county Work Center at Morton will be donated by Federal Reserve in New Mexico. The County Agent has been notified to have executive committee meet him in Captain, N. M. to help mark the 300 logs which will eventually be transported to the Work Center.

The committeemen of every organization in the county for the year 1934 met for a buffet supper in the gym last Thursday night. Judge Graham was principal speaker. They

plan on making this supper a quarterly affair.

A representative of the national Re-Employment Service, with headquarters at Amarillo, notified the Administration to have every thing ready for beginning of the Water Works Project. This project will give work for about 20 men over a period of 3 months and is not confined to strictly relief labor.

The Highway Department has 85 men and 18 teams on the Western Section of Highway 24.

The Government has resumed cattle buying in Cochran County, as a result of the continued drought and scarcity of feed.

ROCKY FORD

After a two weeks absence we are again speaking out for Rocky Ford, lots of things have happened, pleasant and otherwise, since our last report, but since our motto is "think on the best thing" we will only mention the pleasant. Sunday school was well attended Sunday. After which Bro. Booth brought us a fine sermon on "God's Plan."

Raymond Edwards and wife are visiting relatives in Oklahoma. Miss Alta Kidd of Amarillo is spending several days in the Bussanmas home.

L. E. L. Dunn and family made a flying trip to Turkey last week.

Farming is the order of the day now. Teams and tractors may be seen in all directions turning up the finest alluvial soil to be found most anywhere.

Claud Rogers and wife with Bro. Booth and wife spent Sunday in the Williamson home.

The Craig family have moved to the Raymond Edwards farm for this year.

Miss Isabell Dunlap went to Littlefield Tuesday and had her tonsils removed by Dr. Papne. She is doing nicely.

S. Yandell and wife were business visitors to Plainview Saturday. Several of our people were made happy last week by receiving parity and cattle checks, which again reminds us that most all of us are getting "relief" from our Uncle Sam.

Luther McClung and family left last week for Dallas where they will make their home.

Ed Parker and family are on an extended trip to Hot Springs, Ark. for the lady's health. We wish them success in finding what they seek.

Elsie Teagley has moved back to his farm here after several years spent at Earth. Glad to have them back.

FIFTH INSTALLMENT

SYNOPSIS . . . Ellen Church, 17 years old, finds herself alone in the world with her artist mother's last warning ringing in her ears, to "love lightly". Of the world she knew little. All her life she had lived alone with her mother in an old brown house in a small rural community. All her life, as a new baby, then a bubbling child, then a charming young girl . . . she had posed for her talented mother who sold her magazine cover painting through an art agent in the city . . . Mrs. Church's broken life . . . the unfaithful husband, his disappearance . . . and after seventeen years of silence announcement of his death was at last disclosed to Ellen. The news of the husband's death killed Mrs. Church. . . . Ellen, alone, turned to the only contact she knew, the art agent in New York. . . . years of posing, was her only talent, so she was introduced to two leading artists, Dick Alven and Sandy McIntosh. Both used her as a model and both fell in love with her . . . Ellen, trying to follow the warped philosophy of her mother to "love lightly", resists the thought of love. Her circle of friends is small, artists and two or three girl models. Ellen attends a ball with Sandy. While dancing a tall young man claimed her and romance is born. NOW GO ON WITH THE STORY.

When she was opposite a wide door, Ellen gave up the idea she could longer resist. Slipping from the arms that held her, she thrust one slender hand into a large strong hand and clutched at it, eagerly. "Let's go!" she said jauntily. At least she tried to say it jauntily. As she got her cloak from the room in which it was checked, as she powdered her straight little nose, as she carefully reddened her lips, Ellen told herself that this strange

technically, called "nice"? How do you know, in view of my profession that trifling isn't best for the two of us?"

"How do I know?" he queried huskily. How does anyone know anything at a time like this? I've heard before, about love at first sight. I've kidded about it. But I didn't know what it meant. I didn't know that it hit you like a disease." He paused, and then—

"Personally, I don't care right now, whether you're nice," he told Ellen, tensely, "or not nice. I don't even care if you wear your velvet pants on Fifth Avenue, in the middle of the afternoon. I don't care about anything, except that I'm mad for you! I," the boy gulped suddenly to make the words come clear, "I don't actually know whether or not I can trust one short day to you," he said with a sort of desperation, "but I'd take a chance on trusting you with my soul!"

As he spoke his head was bent low over the hands that he was holding, and his lips were pressed hotly against the palms of those hands. And Ellen, looking down through the darkness at his head, bent above her hands — hearing, as through a dream, the whir of the car's motor—[was feeling the same madness, too. Why, the boy was right. He was right! It was love.

But, in the gray darkness, Ellen was going back to her mother. Strange how close her mother was tonight! Closer than she'd been even in those first early moments of grief, three years ago. "I met him at a costume dance your father . . ." So had run her mother's story. "We weren't even introduced . . . He just came up . . . We waited away . . . And he kissed me . . ."

So the story had gone—running almost parallel to the events of this very evening. Perhaps, if she let her own story go along as it had started, it would continue to run parallel with her mother's. But—

And yet Ellen herself wanted to be swept away—she, herself, wanted to be a complete conquest. She'd have to fight that desire. To fight it as her mother had told her she must. As her mother hadn't!

With the boy's lips burning against her palms she made the resolve with her head bent above his bowed head. Ellen heard herself saying sharply, and aloud—

"It won't get me. It won't spoil my life!"

The bowed head was raised. Blue eyes—deeper blue, because they were wet—sought across the shadows for her own.

"What won't get you?" the boy asked. Ellen answered. "You!" she said fiercely. "I won't let you get me. I'm not going to fall in love with you. I never fall in love; I can't. Because I have nothing to give, not a thing! I'm sort of—a spiritual gold-digger, at heart. Oh I'm nice enough!" she didn't want to make the admission, but she had to!

"I've kept away from it all because I don't want to live close enough to any folks so that I'll get to care for them. Because when you care for anyone, that person can hurt you. I won't," he voice had sunk to an odd hysterical, shrill whisper, "I won't be hurt."

The gray in the sky had lightened. The taxi driver with a shrug, had started his fourth circuit of the park. But the boy in the taxi was staring into Ellen's eyes.

to sell her your own special brand of marriage, when she doesn't know your name. I'm — my name's Brander. Tony Brander. Anthony Brander and you know what he stood for, was my father. I am a millionaire, you see . . . I got that way because my father cornered sugar once!"

Ellen's eyes grew wider. Her mind was a confusion of words. At first the boy's halting speech didn't register. It was still just a glice of unreality. But when the confusion began to clear, she experienced a direct sense of something that was almost agony. What right had he to think that dollars mattered? What earthly right? She wanted to say, "What difference does money ever make in you. We belong together. Take me in your arms." She wanted to say, "This is real. Money isn't. It's only gold and silver and engraved paper. It's just something you use in shops. You can't use it to buy love." She wanted to cry, "This is the answer to all the half-baked things I've been telling myself for three years." She wanted to say, foolishly, "So that's the reason you're so sunburned. Palm Beach, instead of building roads and digging ditches." She wanted to say, "I love you." Just that—"I love you."

But she said instead, very flippantly. "And you want to be my sugar daddy? That's it!"

All at once the boy's voice was a crescendo of feeling. Almost the taxi driver could have heard what he was saying through the closed shatter-proof front window. But the taxi driver wasn't extraordinarily interested in this tall Pierrot, in this slim, small page. He was yawning, and wishing for coffee and wheat cakes and fried eggs.

reach the depth that Ellen had reached!

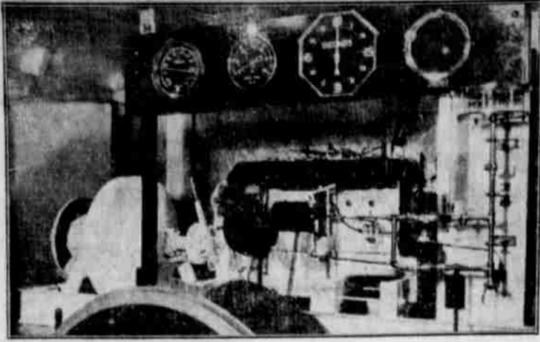

It was perhaps the very breathless agony of those depths that made Ellen realize how necessary it was for her to talk. To say something—something brittle, if she must—that would fill this awful aching gap.

She made what was probably the hardest effort of her life to speak calmly. "Better take me home, Tony," she said. And, yes, her voice was completely steady. "And then go home, yourself. And think this thing out. You've got to think it out, you know. For if it all seems mad and impossible tonight, it will seem more mad, and more impossible tomorrow. I'm not denying the way you feel, or that it's real to you. But it may be just the way you're feeling now. I know you're not just having fun. I didn't ever mean that. You probably feel just as you do, this minute. I'm sure

that you're not giving me a—a buggy ride! If we should happen to see a chapel right now, and a minister in the doorway, I don't doubt you'd take me into the place, and marry me. And, I'm," she drew away from his swift movement toward her, "I'm afraid I'd let you get away with it. Continued Next Week

PHILLIPS 66 TEST ENGINE TO BE DEMONSTRATED HERE MONDAY

Pictured above is the "New Phillips 66 Volatility Test Engine", an improvement over the traveling laboratory which proved to be such a sensation in the marketing centers of the middle west last year.

The apparatus includes a series of weather maps which illustrate the Phillips principle of Controlled Volatility. The test engine is a late model 6 cylinder motor taken directly from stock. Various instruments have been added to duplicate actual driving conditions and a system of dial registers developed by Phillips Petroleum Company research engineers record the performance of various gasolines scientifically.

Samples of Butane, Propane and Pentane are demonstrated to show the difference characteristics of hydro-carbon compounds which constitute gasoline.

The demonstration and accompanying lecture by a competent research engineer is used in Phillips Sales Meetings to educate personnel about the value of Volatility in gasoline. Advantages of Volatility as claimed by engineers and demonstrated by Phillips Volatility test engine are snappier acceleration, easier starting, greater economy and less crank case dilution.

The above unit is coming to Littlefield on Monday, February 4, at 7 P. M. for a demonstration before Phillips salesmen from Littlefield, Muleshoe and Sudan. The public is cordially invited to attend this demonstration.

According to Jesse Seale, local Phillips 66 wholesale representative, the demonstration will take place in B. D. Garland building, former location of Ford Agency, Littlefield.

Ford Agency Deliver This Week 2 New and 3 Used Cars

The Griffin-Pass Motor Company report the delivery of two new Ford cars and three used cars this week. Those purchasing new 1935 Fords were Mrs. Ima Lewis of Whittharral and W. W. King of Portales, N. M., both standard coupes.

Those purchasing used cars were Burse Cavanar, W. M. Daniels and Lee Bruce all of Littlefield.

RITEs HELD FOR HERMAN HENSEL IN CITY MONDAY

Yellow House Switch Man Passes Away In Lubbock

Last rites were held Monday afternoon for Herman Hensel, 56, of Yellow House Switch community who died of heart and liver complications in the Lubbock hospital at 5:30 Friday afternoon, one hour after being taken to Lubbock in a Littlefield funeral home ambulance.

Services were held in the Lutheran Church here with Rev. Walter Luecke officiating. Hammons Funeral Home had charge of the burial which was made in the Littlefield cemetery. Hensel had been ill since early in December.

Hensel, a native of Germany had lived in this country for 22 years. Born in the Kameng Saxony province he came to the United States with his family in 1913 and settled in Central Texas, moving from South Boston to a farm two miles northeast of Yellow House Switch in the fall of 1927. He had farmed since that time and was well known in this territory.

Surviving Hensel were his widow two sons, Ernest of Philadelphia, Penna., and Arno of near Anton, and five daughters. Mrs. Elizabeth Abney of New Boston, Tex., Mrs. C. W. Bolton of near Levelland, Mrs. J. M. Young of Wynona, Okla. and Margaret and Lena Hensel who lived at the family home. All children except Ernest Hensel were present for the funeral.

4-H Club Members Will Compete In Judging Contest

The County vocational agriculture judging contest will be held at Littlefield high school Saturday morning. Competition is open to all county 4-H club members and vocational agriculture students. Spring Lake Olton, Sudan and Littlefield will compete.

The contests, which are to start at 9 o'clock, are sponsored by the Future Farmer chapter in the local high school. Acting President R. Lee Gibson will be in charge. The day's program includes contests in grain, poultry, livestock and dairy judging, according to Instructor R. L. Burdette.

Additional Parity Checks Are Received

Receipt of 79 additional parity checks representing \$2,161.38 early this week boosted the total vouchers handled through the county agent's office to date to 1,852 aggregating some \$72,980, County Agent D. A. Adam announced late Tuesday.

Total cattle checks received to Wednesday of last week were 915 totaling \$25,538. These are now being distributed. Farmers who have these checks coming should get them from his office within the next seven days, Adam urged.

The county agent urges that Littlefield farmers who want their cattle tested for traces of contagious abortion should see Albert Neuen-schwander, chairman of the abortion investigating committee of the Littlefield Association.

Cotton Reduction Program For 1935 Being Worked Out

"With the appointment of the new State Review and Allotment Board and the reorganization of the Cotton Control Association in the various counties, the cotton reduction program for 1935 has begun," A. L. Smith, chairman of the State Review and Allotment Board, said.

"Articles of Association for the cotton production control association have been sent to the farm demonstration agent in each county, and the reorganization of the associations is proceeding rapidly. One important change from last year's plan is to be noted. Cotton producing communities which consisted of not less than 300 producer units last year must consist of not less than 500 producer units this year," Mr. Smith said.

"These communities will be designated by the farm demonstration agent on the basis of the number of producer units on which cotton production was reported in the applications for allotment and tax exemption certificates in 1934. There shall be one community committee consisting of three members for each community designated. A county having less than 500 producer units will have one community committee.

"Any producer is eligible to sign a 1935 contract who is an owner, cash tenant, standing or fixed-rent tenant, or managing-share tenant jointly with the landlord, and who operates or controls a farm on which cotton was planted in 1933 or 1934 and on which cotton will be planted in 1935 and which was not covered by a 1934-1935 reduction contract.

"Any producer is also eligible who is operating a farm on which cotton was not planted in 1933 or 1934 because such farm was then planted to perennial crops in a regular rotation or because such farm was covered by an agreement with the Government to eradicate pink boll worm, but on which cotton was planted during the period 1928 to 1932 and on which cotton will be planted in 1935."

SPADE P. T. A. MEETS

The P. T. A. of Spade met Thursday, January 17, at 2:30 p. m. A short business meeting was held. The program consists of a talk on "Parliamentary Law" which was very interesting as well as enlightening. The last part of the program was given over to practicing the laws discussed by Mrs. McQuatters in her talk.

The fourth grade won the bird this month for having the most mothers at P. T. A. and the fifth grade won the lecture.

There are in the United States 168 banks that have been in continuous existence for more than one hundred years. There are 2,472 banks over fifty years old, while 64 percent of all the banks in this country, or 10,391, are twenty-five years old or older.

WORLD BRIDGE OLYMPIC TO BE HELD HERE FEB. 1

Mrs. C.E. Cooper Local Game Captain

The fourth World Bridge Olympic will be held Friday February 1. At 8.01 P. M. all over the globe. Bridge players will gather about tables to test their knowledge and skill in reaching the par result for each of the sixteen prepared hands. None of the sixteen is a trick hand and contains no intricate problems nor freak distributions. Selected by the great master players of the country, each hand is of the type dealt in the ordinary course of an evening of bridge.

Fifty different countries, represented by more than 200,000 players will start the contest simultaneously. To the winners will be awarded the custody of the two platinum World Championship trophies valued at \$10,000 each and costly replicas for permanent possession. Other beautiful silver trophies—360 in all—will be given the champions of every country, state and province.

This competition is not against individuals but against fixed pairs, decided and designated by such master exponents of the game as Ely Culbertson, Theodore Lightner, Edward C. Wolfe, Walter Malowan, Louis H. Watson, Richard L. Frey, Edward Hymes, Jr., Josephine Culbertson, Harold S. Vanderbilt, Albert H. Morehead and others. This year it is the final result that counts, the bidding is incidental.

None of the winners of the past years has been a widely publicized expert. On the contrary, the titlists have come from the rank and file of average players supporting the theory that "full many a flower is born to blush unseen."

The local game captain of this colossal contest is Mrs. C. E. Cooper. The game for Littlefield players will be held at the Legion Hut. Proceeds to go to the Littlefield Public Library for the purchase of new books.

It is hoped that every player of contract bridge in the city will participate in the Olympic. Players wishing to make reservations will please call Mrs. Cooper or Miss J. M. Stokes as early as possible.

Whiteface—John Moss, Chairman; Arthur White, Vice-Chairman; C. N. Stephenson, Secretary.

Lehman—Earl Caddenhead, Chairman; H. C. Welty, Vice-Chairman; W. E. Angley, Secretary.

Bills of Interest To 19th District Being Introduced

WASHINGTON, Jan. 23 (Special to Leader).—The Congress of the United States has been in session for three weeks and 4133 bills have been introduced. These bills have been referred to Committees and will be considered there before given a chance to be brought before the House itself.

The first bill to be introduced into the House was one providing for the payment of the soldiers' bonus. It is still being considered by the Committee. The only one to pass the House of Representatives was an appropriation measure known as the independent Officers Bill.

Some bills that have been introduced which involve the interests of the 19th District particularly might be briefly outlined as follows:

- 1. A bill providing for the re-establishment of the HOLC.
2. A bill providing for a continuation of farm feed and seed loans.
3. A bill that would give the Western part of the State of Texas a supply Federal District judge.

Two Ford Branches Closed in 1933 Are Reopened

Resumption within a few weeks of assembly operations at Ford Motor Company branches in Memphis, Tennessee, and St. Paul, Minnesota, have been announced at the company's home offices at Dearborn, Mich.

The two branches were closed down so far as assembly operations are concerned at the end of 1932 and have operated since as sales branches.

Exact dates for resumption of assembly operations at the two plants have not yet been determined. At the St. Paul branch approximately 2,400 men will be employed to conduct assembly operations. At the Memphis branch about 1,600 men will be employed. The company stated that the first consideration will be given to local men.

The Memphis sales branch serves parts of Arkansas, Tennessee and Mississippi. The St. Paul sales branch serves Minnesota and a part of Wisconsin and South Dakota. When assembly operations are resumed at these plants, they will supply cars to a wide market area in the region of each branch.

Announcement of these two assembly plants follows the recent reopening of assembly plants at St. Louis, Missouri, and Long Beach, California.

In addition, Ford recently has reopened the sales branch at Charlotte, North Carolina, serving North and South Carolina, and has opened a new sales branch at Green Island, New York, to serve northeastern New York, Vermont and Western Massachusetts.

PEP PARAGRAPHS

Sunday afternoon while Messrs. J. E. Stengel and G. C. Keith were driving over the Silver Lake country they jumped a coyote. They gave him a hearty chase of some 10 or 15 miles over prairie, cow trails, and listed furrows, in and around the Pep country. Some 2 or 3 miles East of Pep the coyote taken refuge and hid under some large weeds, where the hunters ended his carrier. They also killed one fur badger, both of the animals were brought to the local taxidermist.

Mr. L. C. Handley spent last week in Pep. The man taking up the farm census was in the Pep community Monday.

Don't forget club meeting Friday evening at the School house auditorium. The program committee report a 45 minute program. Entertainment for old and young. The Special committee report that refreshments will be served after the meeting, and surely the young peoples committee will have some thing planned by Friday evening. Lets get started by 7:30, p. m.

Among those being ill the past week were little Ella Katherine and George Crawford Keith children of Mr. and Mrs. G. C. Keith. Mr. A. G. Jungman.

The County finished terracing A. G. Jungman's farm Friday evening. They layed off seven terraces.

CHURCHES

METHODIST CHURCH
JOHN WITT HENDRIX, Pastor

Here is a brief outline of those things which are on the schedule for next Sunday in this church.

In the forenoon two periods worth our while will come on. At 9:45 a. m. we have a study period, Church school — and to this we urgently invite your presence. Then at 11 o'clock the morning worship comes on. It will feature a large choir with carefully selected hymns, and a sermon by the pastor, using as the same "PERSONALITY PLUS."

In the evening coming on at 6:45 p. m. the Leagues. They open with a stirring song service and devotion period, all assembled in the main auditorium. After which they each go to their League room. For their separate programs. A large number of young people enjoyed this service last Sunday and a larger attendance is expected this coming Sunday.

At the end of this devotional period the adults, of which there are usually a goodly number, will remain in the auditorium and begin the study of the study book, "MISSIONS IN JAPAN," by our own Dr. S. H. Wainwright. This is an excellent time to study Japan when she is doing so many odd things, odd to us, and that by one of our most brilliant men — thirty years in Japan.

At 7:30 p. m. the service comes on featuring a large young people's choir under the direction of Dr. Hazel Adams. Last Sunday evening was their first program. The subject of the sermon will be, "IS SIN HAZARDOUS?" Before when we announced this subject the crowd was blown away by the blizzard. The service will be over by 8:30. Do you retire before that time Sundays? Do you?

FIRST BAPTIST CHURCH
Joe F. Grizzle, Pastor

9:45—Sunday School—Our school had been granted the Standard for the year 1934, it is now our task to keep the pennant on the wall. Be on time. Bring your Bible and use it in class.

10:45—General Assembly. Announcements.

11:00—Song and Prayer service, 11:30—Sermon.

6:30—B. T. S. Adults remember we have a good B. A. U. You will enjoy the program. Come Sunday evening at six-thirty and see.

7:30—Evening Worship.

We are happy to meet the fine congregations that are gathering both morning and evening. We rejoice also in the steady growth of the church. Our new year has given us thirty-one new members, but there is much to be done, and we need the help of every member of the church. Come bring your friends.

BLACK-DRAUGHT

"Such a Good Laxative," Says Nurse

Writing from her home in Fresno, Mo., Mrs. Anna LaPiente says: "I am a practical nurse and I recommend to some of my patients that they take Black-Draught, for it is such a good laxative. I took it for constipation, headache and a full feeling that I had so much. A few doses of Black-Draught—and I felt just fine."

Because so many people know from having used it that Theodor's Black-Draught is a pure vegetable laxative, millions of packages of it are sold every year.

PREACHING AT BULA
METHODIST CHURCH

A cordial invitation is extended to everyone to come to church Sunday. The Church School meets at 10 o'clock with superintendent Mr. Cecil Cox in charge. At 11:00 o'clock will be the morning worship and preaching by the pastor, the subject being "Stewardship of Faith." The young people have their service of the Epworth League at 6:45 o'clock Sunday night. The pastor will preach Sunday night on "Preparedness for the Greater Life."

Construction of
Assembly of God
Church Is Rapid

The Assembly of God congregation held its first meeting in the new church Jan. 13. Work on the structure, going ahead by degrees, will be completed before Dec. 31, according to Rev. L. Fortenberry, pastor.

The building, 35 feet by 58 feet, has two prayer rooms, a roster and a spacious room which seats about 600 persons. It is built of adobe material.

"IMITATION OF LIFE" MAGNIFICENT PRODUCTION TO BE SHOWN AT PALACE

"MAGNIFICENT" may be a much abused word, even in Hollywood, but nothing else will adequately describe "Imitation of Life", the Fannie Hurst novel which John M. Stahl made into a picture for Universal, starring Claudette Colbert and Warren William, which will be featured at the Palace Theatre Saturday midnight, Sunday afternoon, Sunday night and Monday.

It is a magnificent production. Some notion of the scale on which this film has been produced can be

gained from the fact that one single setting cost \$10,000. Nothing about this set was extraordinary. The cost came about merely to make the set perfect and authentic.

tion of Life". One of these was a complete town house in New York City, containing 15 rooms, a real kitchen and a garden behind it. This garden was soddied with actual grass and flowers were planted there. From the garden a view of the East River was seen in the distance. Model vessels capable of operating under their own power were made for this scene and a small scale replica of the Fifty-ninth Street Bridge was created in the background. A system of tiny moving electric lights in procession across the bridge indicating traffic in the night scene shot in the garden was effective.

An apartment furnished in modernistic style was built for Warren William's home and the New York town house which was Miss Colbert's home was furnished in every room in Adam style from fireplace to picture mouldings. A deep sea fishing expedition was outfitted to bring in a collection of rare fish to stock nine small aquariums in the setting representing Warren William's study. William is a marine scientist in the picture. This expedition was out of sight of land for five weeks. A fishing ship had to be chartered for this voyage. Tank trucks were hired and filled with sea water to bring the fish to the studio in their own element. The setting itself beyond all this initial expense, cost upward of \$10,000 to outfit, with its plate glass tanks and sheet iron reservoirs from which they were refilled.

LITTLEFIELD HATCHERY OPENS FOR SEASON; FIRST EGGS TAKEN FEB. 9

The Littlefield Hatchery, owned and operated by Frank Lehman, are now open for the season.

According to Mr. Lehman, they will take their first eggs for hatching Saturday, February 9, and will start the machines Monday, February 11. Thereafter, he said they would set eggs every Monday and Thursday.

The Littlefield Hatchery, which is one of the most modern in the country, has been operated since 1927, by Mr. Lehman, who lives from June until January on his farm 4 1/2 miles northwest of Littlefield, moving to Littlefield each year in January to carry on his hatchery business.

The hatchery has an egg capacity of approximately 90,000 eggs.

In 1934 Mr. Lehman said they hatched 48,046 chicks and young turkeys for farmers who brought their own eggs—they bought eggs and hatched 53,660 chicks, which they disposed of; and also sold 18 brooder stoves.

In commenting on their volume of business last year, Mr. Lehman said they hatched more chicks other years, but that taking into consideration the depression and drought, that he was well satisfied with his year's work.

CAR DAMAGED IN COLLISION

Dr. L. C. Hodges, Government Veterinarian, who is stationed in Littlefield for a time, when returning to this city from Clovis Monday night of last week, the car he was driving a new 1935 Chevrolet—collided with the rear of another car, resulting in considerable damage to his automobile.

With the exception of a few scratches the couple were not injured. It was necessary to leave the car at Muleshoe for repairs.

Methodist Men Are Guests of Sorosis Friendship Classes

Members of the Sorosis and Friendship classes of the First Methodist Church were hostesses to the men's class at the church at 7:30 Monday evening.

Following the welcome address by Mrs. Mallory Etter, Rev. Hendrix led in prayer. Zed Robinson and children, Geraldine and Jimmie Zed were presented in a vocal trio, and Dr. Nelms sang a solo. Following a reading by Miss Dorothy Wales Etter, the Upside Down Fish quartet including Mr. Robinson, Mallory Etter, Mr. Marshall and W. G. Street, rendered soulful harmony.

Messrs. Marshall and Robinson sang one duet number and little Geraldine Robinson gave a reading. The men's class took part in an automobile stunt and Rev. Hendrix told a humorous dialect story. The program closed with a wedding stunt which everyone present took part in and refreshments were enjoyed.

Father-Son Banquet Here February 22

Plans are in the making for the father and son banquet to be held in connection with the Court of Honor on Friday night, February 22. Tickets will be on sale in a few days.

Father's with boys of scout age will be asked to bring their own boy and his pal for the evening, while men who do not have boys of Scout age will be expected to find some boy and bring him to the banquet.

After the banquet the court of honor will be held and awards given to the Scouts. Remember the date, find the boy and be his pal for the night.

Thrift Program Enjoyed at Local P. T. A. Meeting

A thrift program was enjoyed at the meeting of the Littlefield P. T. A. Wednesday afternoon of last week.

A contest was participated in by the children of the Primary grades to see who could write the best poem on Thrift and Juanda Wynn, daughter of Mr. and Mrs. Floyd Wynn won first place, and was awarded a pencil box and pencils.

The winning poem by Gene Wynn was as follows:

"THRIFT"
One little boy saved his pennies,
One little boy spent all his dimes,
So he did not have any money saved up,
For hard, hard times.
A contest was also entered into by the Intermediate grades and John Lippard won first place as the one who wrote the best song on Thrift—"Thrift Billie." Four different songs composed by the children, were sung under the direction of Morgan Layfield.

The winning song by Johnnie Lippard was as follows:

"THRIFTY BILLIE"
Oh, where have you been, Thrifty, Thrifty Boy?
Oh, where have you been, Thrifty Billy?
I have been to seek a job, which I got from Mr. Hobbs.
It's a good one, and I can make some money.
Oh, what will you do, Thrifty Boy, Thrifty Boy?
Oh, what will you do, Thrifty Billy?
I will put it in a bank, get enough to fill a tank,
Then I'll give it to all my friends who need it.

Pat Boone, Jr. gave an impersonation of Benjamin Franklin, rendering the same message which was delivered before the National Congress of Parents and Teachers at Washington at their annual banquet, when the Fifth-Vice President, Dr. Randall J. Condon, delivered the message.

The program also included a piano solo by Miss Laura Virginia Bills. Miss Margaret Teel's class won the prize for the largest attendance of mothers.

The Ways & Means Committee reported they were going to have a negro minstrel in the near future.

TODAY'S FASHION HINTS VERY LATEST By PATRICIA DOW

Designed in sizes 14, 16, 18, 20; 22, 24, 26, 28, 30 and 32. Size 18 requires 3 1/2 yards of 35 inch material for full length, and 2 1/2 yards for shorter length, and 1/4 yard contrasting.

TUNIC OR BLOUSE Pattern 8391—There's chic in contrasts this season.

As clothes grow simpler, fabrics grow more luxurious. Two of this year's smartest and most popular styles are the tunic and the overblouse, each of them entirely simple in design, but rich and glittering in fabric. The dark tunic sketched shot with metal thread and trimmed with metallic belt and cuffs has a slightly cowl neckline, draped to one side and accentuated with a diamond or metal clip. The effect is very rich and smart and can be worn over a skirt of plain material.

The overblouse might deceive you at first into thinking it is something entirely different, but no, it is the same pattern cut off along the dotted line (in the pattern) with a bow added and cuffs omitted.

For PATTERN, send 15 cents in coin (for each pattern desired), your NAME, ADDRESS style number and size to Lamb County Leader, Pattern Dept., 115 Fifth Avenue, Brooklyn, N. Y.

COUNTY TOURNEY TO BE HELD AT SUDAN FEB. 8,

SPORT WORLD

By BILL NORRIS

We open the pot this week by announcing, in case you haven't already heard, the Whitharral cage tourney Friday and Saturday, an annual affair which brings out a wealth of the South Plains' saltiest court brilliance to bedazzle the eyes of you and yours. The Littlefield Wildcats and Kitties will toss their lot with a host of other aspiring quintets and sextets.

Incidentally, this tourney will break the ice for the recently completed Whitharral school and gymnasium, a building project which has resulted in one of the finest playing floors on the South Plains. Superb playing conditions should bring out some of the best basketball seen in these parts this season. Are you going down?

Brack Barksdale, the Littlefield manager, early this week grimly voiced a resolve that the long-heralded county basketball tourney at Sudan, next week will find his lately dormant Wildcats definitely out of the slough and back at competitive tempo. Strengthened by recent League play, the Cats have taken up the chant and Monday workouts saw them racing snappily through their floor plays with surprising pertness.

While we must admit, with reluctance, that the Cats have been well down the list in South Plains prestige of late, Monday's rehearsals and the general attitude of the lads are making this old heart pump a little faster with hope as each day draws the Cats closer to the county meet. Because no matter how thin you slice it, it's never too late to syndicate past performance by one clean sweep. To Brack and his boys, a world of luck!

Emphasizing all three defensive styles, Brack is giving his boys fits in his victory-bent training program. The man-to-man defense, shifting zone style and a combination of both are coming in for a major share of daily rehearsals.

The combination defensive, favored by Barksdale and used effectively against the doughty Firemen in a recent game finds two guards covering two of the enemy's offense, man-to-man, while the center and two forwards shift around below the backboard. It's good to watch when it clicks, but a mess when it doesn't.

It worked against the Firemen, but the lads who pour cold city water on hot city homes say that it won't happen again. Place your bets, then go watch the Firemen-Wildcat game at high school next Wednesday.

Dunlap, new Cat center, will be eligible for Whitharral tourney play. Dunlap came here from Bula about a month ago, and his eligibility for district competition will be established today. This six-foot two player has shown plenty of stuff on the ball in League games and will start at Whitharral. Hall, strapping utility man who has jumped most of recent games, will be used largely at forward from here on out.

The free throw trophy, to go to the Wildcat who stands highest in charity tosses, at the season's close, is here and will be on display in the Leader office window either Saturday or Monday. Watch for it.

To Coach Fred Rich's Anton basketballers, the old warm grip for their fine sportsmanship in the Meadow tourney last week. While placing third in the tournament, these lads

CATS, KITTIES WILL FACE TWO LEVELLAND TEAMS IN OPENING WHITHARRAL PLAY FRIDAY EVE

Taut and in the pink from heavy workouts, Littlefield's doughty Wildcats and Kitties will take the floor at 7:40 and 7 p. m., respectively against the Levelland lads and lassies in first round matches of the invitation tourney at Whitharral Friday night.

Dunlap, six-foot two center, became eligible Thursday and will enhance Wildcat chances. Other starters will probably be McGavock at one forward post and either Hall or Yantis at the other. McKnight and Pierce will start at guards, says Mentor Brack Barksdale.

Coach Naomi Robnette will take 10 girls to Whitharral. The sisters Carpenter and Genave Mason will open fire at forward slots. Regulars McCurry, Edwards and Kimmell will uphold the Kitty defensive department at the opening whistle. Other forwards who will see action are Hays and Willis, while other guards will be Gillette and Wharton.

Flyer Floor Show Ends in 21-16 Win For Cats Tuesday

Roughness was the order of the evening when Dunn's Flyers entertained League galleryites with another floor show at the local high school gym Tuesday night. Wildcat plays were too regular to be brilliant in the fast contest which ended 21-16 for the school boys.

Yantis, little forward, out-performed his mates in piling up 10 points during the evening. McGavock's six points, Hall's three, and a free shot apiece by Taylor and McKnight comprised Wildcat effort's at the netting. Foust, only Cat sub, was defensively heady.

H. Walker, rangy Flyer tip-off, was held in check all evening, but managed one field goal and a free toss. R. Gill, jumpshot artist, made two baskets effective and dropped in a couple of premium tries. The other Walker, forward, led his partners with five points. O. Porterfield fired a field shot. Other Flyers were Henderson, G. Porterfield, Kimmel and Bennett.

Shallowater Is First, Hosts Are Second at Meadow Court Games

A 29-20 victory over Meadow gave Shallowater high school eagles the Meadow invitation basketball trophy late Saturday. Anton finished in third place after beating New Home 38 to 18.

The all-tournament team selected after the final game included Hawkins, of Meadow and Reese of Shallowater, forwards; Stevens of Anton, center; Middlebrook of Shallowater and Chesser of Meadow, guards.

Reese of Shallowater won two trophies, one for the most free pitches and one for the least number of personal fouls.

The Newspaper that Better Serves the Farmer and Communities — The Lamb County Leader.

won an honor which in our lowly opinion, goes hand in hand with the top award. This was the sportsmanship trophy. Nice going, Mentor Rich.

Rested from the surprise beating handed them Friday by Shallowater, the Kitties are all set for Whitharral play on the weekend. "It won't happen again", declares Coach Naomi Robnette. Meanwhile her crew of lassies toils stoically each day at forging a faster offensive against a possible meeting with Shallowater at Whitharral.

Sudan Lassies Drop 45-29 Muleshoe Tilt

Sudan girl basketballers bowed to the Muleshoe lassies in the first of a boy-girl twin bill on the Sudan high school floor Friday evening. Final count was 45 to 29.

Muleshoe, while leading all the way had no easy going. A Muleshoe spurt in the last half brought the comfortable edge.

Dunn's Boys Go Cage Crazy In 39-29 Upset Of Fire Five Monday

Every man hotter than the hinges, Dunn's ordinarily erratic Flyers went temporarily cage crazy Monday evening at the high school and broke out of the zero column with an amazing 39-29 victory over Bob Cox's ordinarily steady Firemen.

Tipoff Walker's long tries and R. Gill's peculiar distance shot, both feet off the floor, were repeatedly effective when the Flyers, taking the floor only one point ahead at the half way post went berserk early in the final stanza and piled up their 10-point edge.

For the Flyers, Walker was successful nine times at the hoop while R. Gill amassed 13 points. O. Porterfield picked up five units, the other Walker two, and L. Gill one. Other players were Kimmell, Dunn and Henderson. Seventeen personals were called.

Aldridge led the city hall five with ten points. Woody followed with nine, Payne Wood and Troy Howton tied with four points, and Smith tossed a goal. Other Firemen were Alguire and Scott. Five personals were called.

Sudan Boys Overcome Muleshoe Friday Eve

Sudan's high school boys were easy winners over the lads from Muleshoe in the second half of Friday night's cage entertainment on the Sudan floor. The final score, while not definitely known, was lopsidedly in favor of the Lamb County boys.

Dalers Add Fisher Brothers to Beat Faculty 36 to 23

Addition of the three Fisher brothers to its lineup molded a powerhouse unit for Sunnydale and they swept over the Faculty team, 36 to 23, in their cage tilt Monday night on the high school court.

A smooth passing attack, formed around Jack Fisher, rangy pivot man worked havoc with the Teachers whose play was irrigular. After a slow start, Sunnydale sank three successive shots to begin a fast and entertaining game. Half time score was 15 to 8 for the Dalers.

Jack Fisher led the Sunnydale scoring with 10 points, Blue countered seven. Cape was good for six, N. Pepper made four, Claunch three, Joe Fisher and D. Pepper made two points each, and Dickson and Jordan each made a free throw. Barksdale paced the Faculty scoring with nine points, Thaxton made seven, Hanes offered up three, Lyman was good for two, and Jeffries and Layfield each sank a charity toss.

Sunnydale Is Too Much For Exes In Slow 34-16 Game

Combined power of N. Pepper, Blue, Claunch and the Fishers three gave Sunnydale its second League win of the week when the Duffey-managed Ex-Students went down, 34-16, in Tuesday night's first association match.

Trailing 16-4 at the half, the Exes picked up 12 points in late stages, but nine Sunnydale baskets entirely eclipsed the rally. Duffey and B. Howton each annexed six points, leaving a basket and two charity throws for Dorman to capture. McCurry was the other forward. Jones started at center and Tremain played guard the entire game. Only Ex sub was Howton.

N. Pepper's four baskets, three each by Blue and Jack Fisher, two each by D. Pepper and Joe Fisher, and one apiece by Cape, Claunch and Dickson constituted the 34 well-scattered Dale points. L. Fisher, playing a smooth defensive game, was the only Sunnydale man who didn't score.

Back Tax Measure Is Effective Soon; Chief Names Dates

The following letter was received Jan. 23 in the County Tax Assessor-Collector's office:

TO THE ASSESSOR-COLLECTOR OF TAXES:

A concurrent resolution has been passed by the Legislature and approved by the Governor which puts House Bill No. 7 passed by the fourth called session of the 43rd Legislature, into effect immediately.

You are, therefore, authorized to collect delinquent taxes for 1933 and prior years without penalty or interest until and including March 15th, 1935. After that date the penalty will be as follows:

March 16th to March 31st 2 percent; April 3 percent; May 4 percent; June 5 percent. After June 30, 1935 the penalty will be 8 percent, together with 6 percent annual interest.

Penalties on 1934 taxes beginning February 1, 1935, except in cases where one-half of the taxes were paid prior to November 30, 1934, will be as follows:

February 1 percent; March 2 percent; April 3 percent; May 4 percent; June 5 percent. After June 30, 1935, the penalty will be 8 percent, together with 6 percent annual interest. Where one-half of the taxes were paid prior to November 30, 1934, the last half taxes may be paid prior to June 30, 1935 without penalty or interest. (House Bill No. 6 passed by the fourth called Session of the 43rd Legislature, governing the penalties on 1934 taxes.)

Yours very truly,
GEO. H. SHEPPARD
Comptroller of Public Accounts

Lamb County's annual basketball tournament, open to eight teams will be held on the spacious Meadow Court Friday and Saturday, Feb. 8 and 9, it was announced following a meeting of county coaches and team representatives at Amberst Thursday.

First round pairings, conducted by County Athletic Director E. J. Moore, follow: Fieldton vs. Spring Lake, Friday 4:30 p. m. Olton vs. Sudan, Friday 8:00 p. m. Littlefield vs. Hart County, Friday 8:00 p. m. Amberst vs. Spade, Friday 9:00 p. m.

Winners of the first two rounds above will play off a semi-final game at 8 p. m. Saturday. Winners of two other games will play the semi-final match at 9 p. m. Saturday. Winners of these two semifinal games will play a two-out-of-three series one game on the home court of a finalist team.

Should a third match be necessary to decide the championship, game will be played on a neutral floor to be decided during the day, unless the finalists can agree one of their own courts. The game will definitely be played Saturday night.

Mr. Matthews of Anton will officiate all tournament games. Tourney proceeds are to go toward defraying expenses of the Lamb County Interscholastic League meet to be held Olton, March 29 and 30.

Admission to the games will be 20 cents.

Moore Forecasts Hot Tourney Competition

By E. J. MOORE
County Athletic Director

The teams of this county will be more evenly matched than ever before. There will probably be no feints or easy games.

Hart Camp and Fieldton have played close games. Fieldton and Spring Lake played a good game at Olton with Spring Lake winning. Spring Lake defeated Amberst at Olton. Olton and Spring Lake tied and in the third extra period Olton barely won. Sudan, Spade and Littlefield have played several good games with Spade and Littlefield having a slight edge.

In the recent Sudan tournament all Lamb County teams were eliminated before the finals. Comparative scores would give Spade, Littlefield, Sudan and Olton the edge.

Fisher Medicine Is Fatal To Fireboys On Sudan Hi-Floor

An overdose of the terrible Fisher brother's cage medicine proved fatal to Bob Cox's Littlefield Fire department five on the Sudan high school floor Friday evening. A post mortem revealed that death came as result of a 46-17 score.

Too much Phillips, whose long suite was goal shooting, hastened the end for the Fire boys who played the entire game without substitutions. Phillips tossed 14 points through the netting. His brother picked up two points. Fisher, tipoff, and his forward playing brother each countered thrice from the floor. Nichols, guard, gathered eight points, Nixon four, and Tui six.

Gussie Smith led the Firemen with six points. Aldridge and Troy Howton each shot two goals, while Alguire scored three points, his first this season. A second half rush by the Firemen, coupled with loss of speed on Sudan's part in final periods, brought the Littlefield lads a better showing than in the first half.

ENROLLMENT REACHES HIGH MARK

High School Enrollment reached a high peak last week when twenty-six students from Grammar School entered the freshmen class. They are students who completed the seventh grade at mid-term, and are a most promising group of pupils.

With the addition of these students the school is very crowded but every pupil is being co-operative and on the whole things are moving smoothly in L. H. S.

PERSONALS

Bera Wayne Cowley withdrew from school and moved to Hobbs, N. Mexico.

Ruth and Joyce Griffin enrolled in the Littlefield High School Monday. They were formerly from Olton.

Edna Drager withdrew from high school. She will enter the Lutheran Parochial school.

Earl Dow visited school Friday.

Mr. J. M. Blessing and Dr. J. D. Simpson visited school Thursday. They also attended the Grammar school faculty meeting.

The wedding of Miss Emma Ruth Jones and Mr. Quinton Bellomy which took place at Coleman, Texas, Sunday is of much interest to the faculty and student body. Miss Jones was a member of the primary faculty several years.

MORE PRACTICE FOR BASKETBALL GIRLS

The L. H. S. basketball girls were given permission to use the fifth period for practice.

Our basketball team is a very strong one, but as there is always a chance of being better, the girls were given permission to use the gym the fifth period everyday. We settled upon the saying that, practice makes perfect, and we are following this motto. The girls are working very hard to improve the team. Since they can play at noon and the fifth period too, and with their talent, there is bound to be a great improvement. We are encouraged with the team, and at the close of the season, we hope to say that this has been one of the most successful seasons we have ever had.

KITTIES PLACE SECOND IN INVITATION TOURNAMENT

On Friday of last week the Littlefield High School Kitties journeyed to Sudan to play their first game at an invitation tournament. At five o'clock in the afternoon, on the Sudan gymnasium they met one of the strongest teams in the southwest, a team which has the reputation of being a well organized, well-trained and undefeated squad, representing Ropes. The Ropes team took the lead and kept it until the first half, when the score read 26-26. After a well-fought quarter the score was 36-36. However, at the close of the battle, the hats and the voices of the Littlefield team and fans were raised, for the score was 45-54, the Kitties being victorious.

The Kitties played only two games the following day which gave them a place in the final game of the tournament. The first being with spade at ten in the morning and the second with Laxbuddy at two in the afternoon. In both games the kitties were overwhelmingly victorious.

Saturday night at seven-thirty they played Muleshoe for first place. They were in a week condition because of the previous games they had played thereby making a handicap in the Muleshoe game. Muleshoe defeated them by a score of 57-60. Thus giving the kitties second place in the tournament. They were happy to accept an attractive trophy for second place with their hats off to the first place winners, Muleshoe.

F. F. A. HISTORY GIVEN IN CLUB

A short history of the Future Farmers of America was given at last meeting of the local organization by Mitchell Sisson.

The F. F. A. is a national organization of farm boys studying vocational agriculture in public high schools throughout the United States. The organization was founded in Kansas City in 1917. Within six years between 1917 - 1923 forty-seven states the territory of Hawaii and Porto Rico had joined the organization. Club colors are gold and national blue, and the motto is: Learning to do, Doing to learn; Earning to live, and living to serve.

ROTARY CLUB SPONSORS ESSAY CONTEST

A prize of ten dollars is offered by the local Rotary Club to the L. H. S. student who submits the best essay on "Mexico As It Is Today". A second prize of five dollars is offered to the runner-up contestant. Any student is eligible to enter the contest. The award will be made March 14 and essays should be submitted by March 7.

HIGH SCHOOL BAND TO TAKE PART IN NATIONAL CONTEST

At the last meeting of the Littlefield High School Band, Mr. Taylor, the band director, announced that the band would participate in the National High School Band Contest at Lubbock in the early part of May.

Mr. Taylor says, "We can win the contest because we have the ambition and grit to do it."

There will be bands from all parts of the Panhandle who will put up some pretty stiff competition and assure a lively time for all.

COMMERCIAL CLUB PRESENT PROGRAM

The Commercial Club presented a very interesting program in assembly Thursday, consisting of the following numbers:

OFFICIALS OF 4 COUNTIES MEET HERE

County Lines, Relief Problems and Finances Discussed

A goodwill meeting of the County Officials of Lamb, Bailey, Hockley and Cochran Counties was held at the City Hall Tuesday afternoon, when matters pertaining to County Lines, relief problems and County Finances were discussed.

A round table discussion took place when various county problems were gone into.

Simon D. Hay, County Judge of Lamb County, in an interview following the meeting said:

"We discussed county lines, the relief situation as a whole, and county finances — as to how we might meet by another year.

"There had been some question raised as to the right location of county line between Hockley and Lamb County, which had been re-conveyed a year ago, and the purpose of this meeting was to try to reach a friendly agreement. It was just a goodwill gathering—to get better acquainted with the neighboring commissioners. We tried to find out how they handled some of their county problems, and swapped ideas."

Judge Hay also reported that auto tags were discussed.

Joe Hale Attends Brownfield C. of C. Banquet Thursday

The largest gatherings of the kind in Brownfield is reported last Thursday evening, when the Chamber of Commerce held their annual banquet, which was combined with a joint meeting of the Rotary and Lions clubs.

Following an interesting program, President Tom Shaw of the Chamber of Commerce, on behalf of that organization and the city, extended greetings to out of town visitors, and short talks were made by Paul F. Lawlis for the Lions club; Jim Miller for the Rotary club; Roy B. Davis Plainview and former Terry county agent; J. W. Hale, Littlefield chamber of commerce secretary and W. R. McDuffie, chairman of the Terry county president's ball committee.

Purser Death—

calm, Texas, about ten years ago he owned and operated the Littlefield Tourist Camp, filling station and a small grocery store for about three years, following which he operated a furniture store near the end of Phelps Avenue until about a year ago, when he sold out on account of his health to L. E. Key. At that time his physician had advised him to move to a lower climate. He, however, rented a small cottage in the Day & Night Camp, which he occupied until his death.

Deceased was born in Arkansas and married Mrs. Annie Pace at Simms, Texas, when a young man. Following her death some ten years later he moved from place to place. He operated a gin at Hubbard City, Montcalm, and near Mineral Wells. He was a detective for a number of years, travelling the entire State of Texas, was also in charge of the State Farm at Rusk, La. He also lived in El Paso for sometime.

Funeral services were conducted at the grave in the Littlefield Cemetery Tuesday afternoon at 2:30 by G. A. Dunn, Jr., Pastor of the Church of Christ, L. F. D. Drive, Littlefield. Interment was in charge of Hammons Funeral Home.

Deceased was survived by his sister, Mrs. Winnie Durham of Simms, Texas, a half sister, Mrs. Wilson Thompson of New Boston, Texas; and two half brothers, Henry and David Carbow of Garrison, Texas.

violation of provisions of the deposit. Business creditors would have priority over penalty assessments and fines.

Under the act, the "itinerant merchant", before advertising his goods for special sale would have to give under oath before the Secretary of State, a list of names of persons from whom he obtained the goods, and would have to declare the nature of the sale and the reasons for it, as well as dates of his receipt of the goods and when and where the sale would be held. Violation of this statement would be a misdemeanor and would carry a fine of not over \$1,000 not less than \$200, or imprisonment for not more than six months, or both.

"I well know the need for protection of the home merchant and I am glad to introduce the bill or do anything else in my power to give help that is needed," declared Sen. Duggan in the letter to Chairman Shaw.

Dr. Little Appointed Health Officer for County of Andrews

Dr. J. C. Little, who has been practicing medicine here for the past two years, has been appointed County Health Officer for Andrews County, and left Monday for Andrews to take over his new duties.

He was accompanied by Mrs. Little and by Miss Louise Culp who will continue as his office assistant.

Dr. and Mrs. Little have a large number of friends here, who will regret to learn of their leaving Littlefield.

The Little home has been rented by Dr. C. E. Payne.

duced commissioners J. R. Ward and G. W. Hargrove.

Judge Alvin R. Allison of Leveland expressed his pleasure at being present, introducing the commissioners of Hockley County, D. L. Tucker, Lon Gann, J. F. Steele and J. P. Shoffner, and ex-commissioner, Joe McLean.

Hilliard Welcomes Visitors

Mr. Hilliard gave an address of welcome to the guests, followed by a talk by Judge Simon D. Hay, County Judge of Lamb County, who expressed on behalf of himself and the other members of the commission their appreciation and thanks at the privilege of using the City Hall for their goodwill meeting following the luncheon. He introduced the members of Lamb County Commission present, Ellis Foust, Don Bryant, and Roy Gattis.

Mayor L. R. Crockett extended on behalf of the City a hearty welcome to the visitors.

Progress in Water System

He also reported satisfactory progress being made in the construction of the new water system, stating the well was about down, and that within the next few days they expected to install a Rotary pump, and make a test, and hoped to develop a one thousand gallon a minute well, which he stated they might possibly accomplish by the end of this week. He also said that the bonds had been received and were ready for signatures.

Relief Projects

Mayor Crockett also reported that recently he had received a blank inventory with the request that the City fill in the blank relief projects desired by it, which would be financed by emergency federal funds. Mr. Crockett stated that such projects as would improve the city and help unemployment would receive consideration. He asked that the Chamber of Commerce appoint a committee to work with the City in an endeavor to secure a share of these civic projects.

Trucks Discussed

Amounts charged trucks for license and weight capacity they are allowed to haul were also discussed by Mayor Crockett.

Mr. Crockett also stated that he believed if the ends projecting from the cement culverts could be done away with, it might eliminate accidents on Highway 7, and suggested that the matter be taken up with the State Highway Department in an effort to accomplish this end.

Floating Store Bill Drawn

Gus Shaw announced that Senator Arthur Duggan had drafted a bill to be presented to the Senate, the purpose of which is to seek legislation to place special taxation on merchants who establish a business for a short time, particularly in the fall of the year, and then discontinue just prior to paying time, January 1.

T. S. Sales explained the purpose of the bill to the meeting asking that all interested wire their representatives at Austin urging the passage of such legislation.

Secretary-Manager J. W. Hale announced a meeting of the officials of Lamb, Cochran, Hockley and Bailey in the City Hall following the luncheon.
