500 STUDENTS

Title I Training Begins Here

Specialized training for about 500 students began this week in Littlefield schools, it was announced by Paul W. Manning, superintendent.

The program and finances were made possible through the Elementary and Secondary Education Act of 1965 Title I and are approved by the Federal Office of Education and handled through the Texas Education Agency.

Ten reading specialists and ten teacher aides have been employed to carry out the program. This group, known as the Instructional Improvement Team, was selected by administrative and supervisory staffs of the schools on the basis of being best qualified to meet the specific needs of students involved.

"Since reading improvement is basic to improvement in other curricular areas, and since the extent and severity of retardation in reading exceeds other areas needing improvement, priority was given the reading program," Manning said. He went on to say that study would be made of other fields in the Title I program, and that if justification for more specialized training was found, then application would be made to the agency for further improvements.

Four teaching specialists are being used in Primary school, and two each in Elementary I and II, and Junior High school.

All but a few counties of the vast Panhandle and South Plains have joined to form "The Panhandle Educational Services Organization," known as PESO, to implement intelligently the provisions of the Elementary and Secondary Education Act of 1965 Title I. PESO is an agency to perform central services for participating schools.

PESO is broken up into eight intermediate units, of which Littlefield Independent School District is a part of Intermediate Unit VI with headquarters in Levelland.

David Cole, formerly Principal of Elementary schools in Brownfield, is coordinator of Unit VI and was assigned to the central staff in PESO for direct supervision. It is Cole's job to assist and coordinate various Instructional Teams units of study and instruction in order to better teach the children involved.

Each individual school district is responsible for reporting its needs, and requisitions and dispenses the funds allotted the district. The money assigned the district from Federal funds can be used only for Title I salaries and equipment and supplies. Strict accounting is made to the Federal Office of Education through the Texas Education Agency. Manning, as superintendent of schools, and a member of the Intermediate Unit Board of Control, is responsible to the agency for the accounting of the funds and training and instructional programs.

Specialized teachers attended a three day training session in Levelland last week in preparation for initial instruction to be used in the early days of Title I teaching. These teachers are employed for a period of eleven months; and, in addition to teaching practices and work in their schools, will be required to take part in a six weeks summer seminar. This summer program will consist of a study of research findings, promising practices, and new materials related to the education of those they instruct.

"The program is very new," Manning said, "and we hesitate to forecast or give a lot of information pertaining to what we will accomplish."

Ninety Per-Cent Of Taxes Paid

Clyde Glenn, city tax assessor/collector announced Wednesday that almost 90 percent of the current taxes had been paid as of the January 31 deadline.

Through Tuesday noon the office had received \$154,331.22 in current taxes out of a tax roll of \$174,454.50. In addition Glenn said that another two to three thousand dollars had been received in the mails Tuesday from persons who had mailed their taxes Monday before the deadline.

As of Tuesday a penalty of ten percent is added to the 1965 taxes with an additional interest rate so added if the taxes are not paid prior to March 1 of this year.

PRESENT PROGRAM ON HEART DISEASE -- Pictured above, left to right, are Dr. W.C. Nowlin, Littlefield physician, Bill Renfro of Lubbock, regional director of the Texas Heart Association, and Dr. Malcom Thomas of Lubbock, thoracic and cardiovascular surgeon. The three presented the program Monday afternoon for the Friendship Day meeting sponsored by the home demonstration clubs in the county. They showed slides and films and discussed various facts pertaining to heart disease. Approximately 40 persons attended the meeting.

RECOGNIZED AT FRIENDSHIP DAY -- Mrs. J.R. McKinney, left, and Mrs. W.B. Jones, right, look over the qualifications for receiving Texas Home Demonstration Association pins with Mrs. Leonard McNeese. Mrs. McKinney, THDA chairman of the county, and Mrs. Jones, county council chairman, were presented THDA pins Monday by Mrs. McNeese during the program at the Friendship Day held at the Community Center.

Clubs Have Friendship Day, Program On Heart Disease

Guest speakers at the Friendship Day meeting of the county home demonstration clubs Monday at the Community Center were Bill Renfro, Jr., regional director of the Texas Heart Association; Dr. Malcom Thomas, thoracic and cardiovascular surgeon of Lubbock; and Dr. W.C. Nowlin, local physician.

Mr. Renfro stated heart disease is the number one killer in the nation, more than doubling the next six causes of death, which includes accidents. He said more has been accomplished in the past ten years than in the previous century. February is national Heart Month with February 20 being designated as Heart Sunday. He showed a film entitled "The Heart--How It Works".

Dr. Nowlin discussed the importance of diet in preventing heart trouble, and pointed out most physicians agree that average persons should not undertake "fad" diets but eat balanced meals, just smaller servings, in order to keep their weight down. He pointed out the difference in heart failure and heart attacks, and told some warning signs.

Dr. Thomas, introduced by Dr. Nowlin, showed slides illustrating recent advances in heart surgery, including metal valves used to replace valves in the heart, pace makers (electrical devices to speed up the heart rate of patients having a heart block, heart-lung machines used in heart surgery, and showed how arteries are replaced by dacron or teflon grafts.

Approximately 40 persons attended the meeting, which included a program in the morning with each of the six clubs presenting some type of recreation.

Mrs. W.B. Jones, member of the Yellowhouse Home Demonstration Club, and chairman of the County Council, and Mrs. J.R. McKinney, member of the Oklahoma Avenue Home Dem-

onstration Club and THDA chairman, were presented THDA pins. The presentation was made by Mrs. Leonard McNeese of Rocky Ford Club. In order to be awarded these pins, members must meet 14 qualifications set by the council. A salad luncheon was served at noon.

Still more new cars and diesels, too for Santa Fe.

Our \$145-million improvement program for 1966 includes 60 high-horsepower diesels and 5,000 freight cars. That brings our investment--in just 4 years--to more than \$360-million for 18,000 modern cars and diesels. All to serve still better our busy Santa Fe Country.

Soon more than 20 per cent of Santa Fe's huge fleet will be less than four years old. But this does not tell the whole story. Many new cars are longer; others have capacities multiplied 2 1/2 times; many haul double the tonnage of cars they replace.

Our fleet of giant 100-ton covered hopper cars for grain, and other bulk commodities is being expanded. Soon 5,600 of them will be in service--with the carrying capacity of 11,000 conventional box cars! Half of Santa Fe's diesel freight

power is in new high-horsepower units and more keep coming to move our trains on fast, dependable schedules. How can we help you? Just call your local Santa Fe Agent.

ORGANIZATIONS ASSIST WITH LIBRARY PROJECT -- Three members of the Tau Chi Omega of the Beta Sigma Phi and their children are pictured above with a member of the Eastern Star as they try out the Children's Reading Center established at the County Library. Pictured left to right are Mrs. Reed, Mrs. Ann Pullig, Mrs. James Walker, Mrs. W.M. Davis, and Mrs. W.M. Davis, member of the Eastern Star. Children left

to right around the table are Kevin Walker, Robin Loflin, Monte and Lisa Pullig, Karla and Kyle Walker. The sorority donated a record player, children's records and a dozen chairs for the children's center. Members of the Eastern Star have donated 62 books to the library, a number of these being children's books, and plan to donate more. Residents are invited to Open House at the library Sunday sponsored by the Woman's Club.

Woman's Club To Host Open House At Library Sunday

The \$8000 county library improvement project, sponsored by the Woman's Club has come to a close and Open House will be held Sunday Feb. 6 from 2 to 5 p.m. to acquaint the public with the improvement. The members of the Woman's Club, who will be hostesses for the Open House, invite the public to attend. The library is located in the basement of the County Court House.

The project was begun October 1, 1965 when an adjoining room was made available for library use, by the Commissioner's court. This new room doubled the floor space and relieved the crowded condition that existed.

The library has been completely redecorated and new modern equipment installed throughout. Nine-hundred fifty-four feet of new metal shelving, a new librarian's desk and chair, a metal filing cabinet, a magazine rack, two book caddies, two adult reading tables with chairs, a kindergarten table with kindergarten chairs, a record player and children's records have been installed.

Club Meets In O.L. Martin Home

WHITHARRAL -- Mmes. J.M. Mixon, John Waters and O.L. Martin opened the meeting of the Whitharral Home Demonstration Club at the latter's home north of Whitharral Tuesday afternoon with a comic skit. Roll call was answered with "What my wedding dress looked like."

Mrs. L.C. Lewis presided and introduced Melvin C. Kunkel of the Southwestern Public Service Company of Levelland and Lloyd Thompson of the Electric Company of Lubbock who gave a demonstration on electric lighting. They demonstrated different types of lights, showed a film strip in color and distributed pamphlets on "Light for Living -- Outdoors and In the Home."

Recommendations made by the Hockley County Home Demonstration Council on recreation, Rally Day, education and expansion, yearbook and finance were read and accepted with amendments.

Members of the club will meet Friday at 1:30 at the homes of Mrs. John Waters and Mrs. J.M. Mixon and go to Anton to visit Mr. and Mrs. C.E. Pendergrass who are confined to their home because of illness and recent surgery.

Mrs. D.C. Thetford and Mrs. John Waters were appointed as a committee to go to Levelland, February 25 for a demonstration on Italian Cookery at the Reddy Room.

Mrs. Thetford was chosen as a nominee for a delegate to the district meeting at Seminole in March.

The next meeting will be in the home of Mrs. Frankie Dusek, 1021 W. 5th St. in Littlefield, on Tuesday, February 15.

Mrs. Martin served punch, cake, party bread, coffee, sandwiches, chips, nuts and mints to Kunkel, Thompsonson and Mmes. A.D. Hutson, B.L. Hicks, E.G. Wade Sr., H.J. Dobson, Ella Hewitt, C.G. Cunninghams Return From Visit In California

Mr. and Mrs. J.C. Cunningham returned home last week from a business and pleasure

Social Security Representative To Be Here

"May I keep my own family doctor if I sign up for the new Medicare plan," is one of the questions most frequently raised by older people, according to Mr. John G. Hutton, district manager, Social Security Administration at Lubbock. "The answer is 'yes,'" Mr. Hutton stated Friday. "The Medicare program will help pay the hospital and doctor bills, but it won't tell an individual what doctor or hospital to go to. He will be free to choose his own doctor just as he always has done. It will be up to the doctor to decide if the patient should go to the hospital, what tests are to be made, which drugs and treatments may be needed, and the length of the hospital stay. No 'government doctors' are involved."

The doctor and patient will also have a choice as to how the bill is to be paid. The doctor can bill the patient, the patient pay the doctor, and then the patient can submit his bill to the medicare plan.

All persons over 65 who have not already enrolled in this new plan should get in touch with the Social Security Administration in Lubbock. The address is 3428 Ave. H, Lubbock.

A representative of the Lubbock Social Security Office will be in Littlefield on Tuesday, February 1, 8, and 15 in the County Courtroom at 9:00 a.m.

16 and Goodpasture and Reed with 11 each while Sheppard got 7 all in the fourth quarter and overtimes.

The winners got 29 from the field and made good on 8 of 12 free throws.

The Junior Varsity also went down to defeat as the Lobos "B" team won a 53 to 45 decision.

The Wildcat cagers dropped a 77 to 56 decision to the Sweetwater Mustangs Tuesday evening as the winners came back strong in the second half for their win.

Led by Phillip Pace and Fred Koontz the Cats enjoyed a 31 to 26 lead at half time but the winners scored 30 points in the

third quarter to win going away. Randall Caussey who scored most of his points on outside shooting led the winners with 29 points while Pace had 20 to lead the Wildcats.

After being behind by a 14 to 13 count at the end of the first eight minutes the losers outscored their opponents by a 18 to 12 margin during the second quarter for the half time lead.

The Mustangs built their lead to 56 to 40 at the end of the third quarter to remove all doubts about the outcome. Caussey hit 11 points during the quarter.

Steve Lewis added 14 and Koontz had 13 for the Cats who got 20 from the field and made good on 16 out of 27 from the free throw line.

What happened to the irrigation company you've been doing business with? It's still there—with a new name! Now it's Southwest Irrigation.

And that's not all that's new. Southwest Irrigation now stands for new reliability and new know-how in the irrigation business. Meet Bob Gressett, the new president of Southwest Irrigation. Bob has fifteen years experience in the irrigation business. Many farmers have known Bob a long time. And, they're calling him every day to help with their new irrigation installations.

BOB GRESSETT

nothing new here...

This irrigation pipe is still available right where you've always bought it in Muleshoe. And Darrell Kennemer is still the man to see. Just the name is new - Southwest Irrigation - a new company with a new name and the pipe you know.

Six horse-sense reasons for buying a 6-cylinder Mustang

1. Low initial cost... if you can buy any new car, you can buy it!
2. Gas economy... the first week, you'll swear the gauge is broken!
3. High resale value... value it for years, get value back at trade-in!
4. Hot performance... just try this Six that thinks it's an Eight!
5. Mustang style... includes buckets, stick shift, all standard!
6. Fast delivery... probably drive right home in the one you want!

HART CAMP NEWS by MRS. EDWIN OLIVER

Bridal Shower To Honor Miss Carolyn Osthus Friday

There will be a bridal shower for Miss Carolyn Osthus, bride elect of Fred Bordon of Portales, in the home of Mrs. Wesley Neinast here Friday afternoon, Feb. 4 at 2 p.m. Everyone is invited to attend.

Jim Hill, son-in-law of Mr. and Mrs. L.A. Presaley, had heart surgery recently in a Houston Hospital. He is at home now with the Pressley's where he and his wife have lived since the serious illness

of Mrs. Hill the past year. Mr. and Mr. Harvey Jones and children are in the process of moving to their farm in Hereford. Danny, Ronnie and Sheri started to school there at mid-term. The oldest son,

Bobby, who is a senior at Spade High School, will remain here until school is out so he can graduate with his class.

Mr. and Mrs. J.C. Muller were Sunday dinner guests of Mr. and Mrs. Bob Worley in Olton. In the afternoon they all attended funeral services at the Baptist Church for Roy Hooper. Kerwin Oliver accompanied Mr. and Mrs. Jack Stubblefield and Evone, of Spade, to Lubbock Saturday where they attended the Texas Tech-S.M.U. basketball game.

Mr. and Mrs. Wesley Neinast attended funeral services Sunday for John Ganzer at St. Martin Lutheran Church in Littlefield.

Mr. and Mrs. Joe Gibson and young son have moved to California where he will be employed. They decided to move there after losing all of their household possessions in a fire recently. Mr. Gibson's

parents live in California.

Mr. and Mrs. L.A. Smith and Mary Bess took Helen Smith to Canyon last week where she spent Friday to Sunday afternoon with a friend, Miss Jackie Ziegler. Mr. and Mrs. Smith went for her Sunday afternoon. Mr. and Mrs. Paul Hukill accompanied Mr. and Mrs. Vernon Qualls to Hale Center recently where they were at the bedside of the Quall's daughter, Mrs. Laverne Balko, who had surgery in the Hale Center hospital.

Rev. and Mrs. John Nelson and daughter Lesa were in Wichita Falls last Saturday to visit relatives and to investigate a break-in of a house where they had some of their possessions stored. They found nothing missing however. Baptist Layman's Day was observed last Sunday at the Baptist Church with the men of the church doing all of the teaching

and bringing the message. Fieldton Baptist Church and Hart Camp Baptist Church did some exchanging and George Harlan of Fieldton brought the Sunday morning message while Blanton Martin of Hart Camp brought the message at Fieldton. The two churches also exchanged song leaders and pianists. Kerwin Oliver and Shirley Leonard went to Fieldton and Mrs. Royce Goyne and Truman McCain came to Hart Camp.

These men attended evening services at their home churches and brought the same messages.

Hart Camp students on the mid-semester honor roll at Olton were Mark Neinast, Shirley Leonard, Wanice Neeley, David Neinast, Steve Burleson, Gary Parkey, Pam Foster, Helen Smith, Brenda Leonard, La Juana Burleson, Sharron Hendrick, Don Parkey, Kay Johnson and Teresa Neeley.

A Training Union Study Course was conducted last week at the Baptist Church with classes each evening Monday through Friday. Members of the Fieldton Baptist Church attended and assisted with the teaching. Rev. Raymond Quick, pastor of the First Baptist Church, Amherst, taught the Book of St. John to the Adult Class. Mrs. Paul Hukill taught "Letters of Christian Living" to the Young People and Intermediates. Dewey Parkey and Ray Muller taught "This Is My Bible" for the Junior Class. Primary teachers were Mrs. Elma Burleson and Mrs. Gene Joplin was the teacher of the Beginner Class. Enrollment was over 70.

Mr. and Mrs. Joe Caddell and Kathy spent Thursday through Monday in Sundown with their parents Mr. and Mrs. H.C. James and Mr. and Mrs. Preston Caddell. Upon returning home Monday night about 9 p.m. they found a burglar in their house, but he escaped into the darkness before they could get a look at him. He had entered the house through a bedroom window and had apparently just entered when the Caddells arrived home because they have found nothing missing.

Mrs. R.S. Moore has a new great-grandson, born to Mr. and Mrs. George Ragle in Plainview last week. He has been named George Eric. This makes twelve great-grandchildren for Mrs. Moore.

Enochs Postmaster Retires After 37 Years

Mrs. Zed Robinson, who retired after serving as postmaster at Enoch for 37 years, was recently honored with a party at the Enoch Methodist Church. Decorations appropriately depicted the progress of mail service with miniature figures of a man on horseback, a stage coach, train and modern jet.

Refreshments of punch and cookies were served to guests attending including approximately 50 from out of town.

Mrs. Robinson well remembers that one apple box held the mail for the 20 families served when she was appointed to the office in 1929. Three-fourths of the people in the Enoch community lived in one-room half-dugouts and used oil lamps in 1929.

Mail had to be picked up in Littlefield twice a week and there were no graded roads to either Muleshoe or Littlefield.

"From the one apple box to the present 110 boxes with general delivery plus Star Route now delivering mail to Bula School, the 37 years have been wonderful because of the friendly little visits with each person coming in to mail and receive letters," related Mrs. Robinson.

It is not seeing these people each day that Mrs. Robinson will miss most of all. She

Children's Clinic Slated Saturday

The quarterly Crippled Children's Clinic for South Plains children will be conducted this Saturday, Feb. 5, from 1 to 5 p.m. at St. John's Methodist Church, 15th and College Avenue, Lubbock.

The clinic session is free for crippled children of Lubbock and the surrounding area through cooperation of doctors and the sponsor, Fellowship class of St. John's Church. Four orthopedists will be present to examine children Saturday, and nurses from Lubbock City-County Health Unit will help in filling in patients information forms. Clinic personnel will arrange for braces and further care when necessary. Children being taken to the clinic for the first time are to be accompanied by a parent or guardian.

does plan to spend more on hobbies she enjoys including china painting, kiln, raising and exhibiting (and perhaps collecting) more ribbons to add to her ready large collection of quilting. At present she and her husband are visiting her daughter, Mrs. Nelouise Robinson, in California. Mrs. Robinson said she plans to visit her house by the side of the river and be a friend to many.

Peace Corps Test

Littlefield area residents interested in putting their skills to use in developing nations of the world are invited to the Peace Corps placement test at 9 a.m., on Saturday, February 12 at the Post Office, Littlefield.

The Peace Corps uses the placement test to determine how well an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not to learn a language, not to learn a language, not to learn a language. (If scores indicated a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country.) The placement test is non-competitive and is non-competitive. An applicant can neither pass nor fail.

The application form, not the placement test, is the most important factor in the selection of Volunteers. Persons interested in serving in the Peace Corps must fill out an application if they have not already done so, and present it to the local post offices or from the Peace Corps, Washington, D.C. 20525.

The placement test takes about an hour and a half. An oral achievement test for applicants who have studied Spanish or French requires an hour.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: MRS. E.C. WOOD, the husband and former husbands of MRS. E.C. WOOD, E.C. WOOD, THE UNKNOWN STOCKHOLDERS OF LITTLEFIELD COLLEGE, a defunct corporation, and UNKNOWN CLAIMANTS. Defendants, if living, whose residence are unknown to Plaintiff, and if dead, the legal representatives of each of said named Defendants, and the unknown heirs of each of said named Defendants; the legal representatives of each of said named Defendants, and the unknown heirs of each of said named Defendants, if the unknown heirs of said named Defendants are dead, and the unknown heirs of

the unknown heirs of each of said named Defendants, if the unknown heirs of said named Defendants are dead whose places of residence are unknown to Plaintiff, all of said parties being Defendants in this cause, and hereinafter called Defendants: GREETINGS:

You and each of you, are hereby commanded to appear before the Honorable District Court, for the 154th Judicial District of Lamb County, Texas, to be held at the Court House of the said County, in the City of Littlefield, Texas, at or before 10:00 o'clock A.M. of the first Monday after the expiration of forty two (42) days from the date of issuance hereof; that is to say, at or before, 10:00 o'clock A.M. of Monday the 21st day of March A.D. 1966, and answer the petition of Plaintiff in Cause Number 5923, in which C.H. (DICK) EDWARDS is Plaintiff, and each of the above stated Defendants are Defendants, filed in said Court on the 1st day of February, A.D. 1966, and the nature of which said suit is as follows:

Being an action and prayer for judgment in favor of Plaintiff and against Defendants for title to and possession of the following described lands and premises lying and being situated in Lamb County, Texas, to-wit:

Acres Tracts Nos. Sixty-Six (66) and Ninety-Five (95), College Heights Addition to the City of Littlefield, Lamb County, Texas, according to the map or plat of said Addition recorded in the Deed Records of Lamb County, Texas.

Plaintiff alleges that on January 1, 1966, he was, and still is, the owner in fee of the above described lands and premises, and was in peaceful possession of said land on said day, and that afterward, on the 2nd day of January A.D. 1966, the Defendants unlawfully entered upon and dispossessed Plaintiff of such lands and premises, and withheld from Plaintiff the possession thereof; Plaintiff further alleges that Plaintiff has title to said lands and premises under and by virtue of the five (5) and/or ten (10) year Statutes of Limitations as is more fully shown in Plaintiff's original petition on file in this suit; and Plaintiff further prays for relief, general and special;

All of which more fully appears from Plaintiff's original petition on file in this office.

and to which reference is here made for all intents and purposes: If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.

WITNESS, the undersigned, Clerk of the 154th District Court of Lamb County, Texas, Issued and given under my hand and the seal of said Court, at office in the City of Littlefield, Texas, this 1st day of

February, A.D. 1966, /s/ ERNEST L. ERNEST, Clerk of the 154th District Court of Lamb County, Texas (SEAL)

What's the best 5-letter word for fertilizer?

And for wheat — NIPAK 45.

Get better wheat crops and earn bigger profits. Topdress your wheat with Nipak 45 right now — for greater yield and higher protein. Nipak 45 — 45% nitrogen fertilizer from Urea — gives you one-third more nitrogen per pound than any other form of solid nitrogen fertilizer — which enables you to handle less fertilizer and cover

more ground in less time. Nipak 45 is uniformly prilled, too. It flows easily, won't clog — or corrode your equipment. Nipak 45 dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power, ask your local Nipak dealer about Nipak 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

JOIN THE DODGE BOYS REBELLION

Polara

Kick the dull driving habit in a car that's really going places. Polara is loaded with looks, luxury and performance. It's big and solid, with wide sweeping lines. And Polara gives you a lot of standard extras (like a 383 cubic inch V8).

Monaco

Take a look at Dodge's top gun. For luxury performance this is the one. Combines performance, comfort and glamour at a reasonable price. By far the most dazzling car in the '66 Dodge lineup of dazzlers. Monaco! Hardtop, wagon or sedan.

Coronet

Here's a car that fills the bill for Rebels who want a brand new thrill. The Coronet is sharp, smart and zippy — and it goes like no other car in its class. Coronet is also loaded with luxury the higher-priced cars haven't caught onto yet. Lots of power in a spunky Six — and a fistful of brawny V8's.

Dart

This is a rebel in the compact class — bigger than any, with a lot more sass. Big on the inside. Big on the outside. Beautiful any way you look at it. (About the only way it resembles an ordinary compact is in the way it saves you money). Your choice of two quick Sixes and two great Eights.
