

Roping Calves Arrive In Good Shape and Rarin' to Go

Matched roping will take place at the rodeo arena, Littlefield, Sunday, April 27, between Troy Fort of Arlington, N. M., and Red Whatley of Crosbyton, opening at 2 o'clock in the afternoon.

Roping Calves Arrive
According to T. G. Shaw, secretary of the Littlefield Roping Club, sponsor of the affair, the calves to be roped arrived Friday morning.

Brahmas Brought 800 Miles
Mr. Shaw stated that Gene Williams and Cecil Martin, using Cecil Lett's truck, brought the "25" Brahmas, off the salt flats of the Gulf of Mexico, where the best Brahmas cattle in the world are raised, adding that they were in good shape and rarin' to go.

A meeting of the roping club was held last night (Wednesday) at the house to discuss further plans in connection with working out details of the roping.

City Defers Sale of Bonds

As announced by Mayor A. C. Chesher, members of the city commission met Monday afternoon in the office of City Secretary W. G. Street and decided on deferring the sale of the bonds for the paving of the streets and the improvement of the park until Friday, April 25, when bids will be received on the paving work.

Bids were asked for the sale of bonds in both matters for Monday afternoon. However, Mayor Chesher stated they deferred this matter until April 25, when they will know what the paving and park improvements would cost the city.

UNCLE DAN PROVES HARD TO PLEASE IN MATTER OF SELECTING HIS FIRST WIFE

The marital pressure is on Uncle Dan Young, of South Bend, Ind., but nary a one of some forty would-be brides meets his rigid first requirement—that she be 103 years old.

The hard-to-please bachelor celebrated his own 103rd birthday anniversary two weeks ago. It was an occasion for talking with news reporters; he discussed matrimony, among other things. He remarked casually that he would consider marriage if a woman his own age came along.

He Forgets About It
The statement was published. Uncle Dan had forgotten about it, when letters started pouring in from would-be brides ranging in age from 42 to 100.

The varied responses listed qualifications and, sometimes, conditions for acceptance.

A Manhattan, Kans., woman wrote: "I am 99 and earning my own living doing art work."

From a Boston woman: "I am just 100 and as spry as a spring

Salvation Army Serves Food To 1,500 Daily at Higgins

Envoy H. C. Seago of the local Salvation Army returned to Littlefield Sunday night after spending since Thursday at Higgins, in the storm-stricken area of the Panhandle.

Army Feeds 1500
Envoy Seago reports that the Salvation Army has been administering to the unfortunate storm-stricken people since the cyclone which took the lives of so many and injured others, besides wrecking so many homes and business houses. He says they are feeding all the people; that whatever foodstuffs they are short of they are buying; that on Friday last they fed 1500 people at Higgins, including workers on rebuilding of the wrecked homes and business buildings.

Stand in Water Serving Food
Envoy Seago reports that they are operating three kitchens; that the man who operated the Higgins cafeteria had turned over the building which lost its roof in the storm, to the Salvation Army, and where the

Army was serving food; also that they were serving food in the bank, which was the driest place in town, but which also lost part of its roof in the storm; and also, food was being served in the school cafeteria, where women were working in the water.

Pullman Project Delayed
Envoy Seago reported that the Santa Fe had planned to run in some Pullman cars for the people to sleep in, but that the recent train wreck, just west of Higgins, had held up this project.

Need For Rubber Coats, Boots
He also stated that there was a great need in Higgins for rubber coats, boots or hats to keep those exposed to the weather dry, including workers who were endeavoring to build shelter for the unfortunate residents of that city.

Salvation Army units from Beaumont, Lubbock, Littlefield, Wichita Falls, Dallas, Pampa and Amarillo were among those working in the storm-stricken area.

Rodeo Boosters Leave Saturday On Two Weeks Advertising Trip

Photo by Taylor
BOOSTERS... Littlefield Saturday wished bon voyage to a party of this city's residents who will advertise the annual JayCee rodeo in a journey through several states. In the picture are the members of the booster party and citizens who participated in well wishes for the trip. In the picture are (left to right): Nelson Taylor, Wayne Brown, J. H. Lee, Mrs. Van Clark, G. M. Shaw, Miss Nell Wayne Carlisle and Mr. Clark.

With the weather anything but inviting for a long trip—sleet and rain and the wind blowing—G. M. Shaw, Mr. and Mrs. Van Clark and Miss Nell Wayne Carlisle, dressed in formal attire, set out about 3 p.m. Saturday on a two weeks' trip to advertise Littlefield's second annual rodeo, scheduled for August 1, 2 and 3, which is being sponsored by the JayCees.

The boosters, making the trip in Shaw's new Kaiser De Luxe sedan as their destination Florida, planned to visit cities in Texas, Louisiana, Mississippi, Alabama, Georgia and Florida.

Visit Local and Sudan Rotarians
Shaw and Mr. Clark, representing the Littlefield and Sudan Rotary clubs, will visit Rotary clubs in Meridian, Miss., Birmingham, Ala., Mobile, Ala., New Orleans, La., and Jacksonville, Fla., and carry greetings to the Littlefield and Sudan clubs, at the same time advertising the rodeo scheduled for this summer.

They will go by the northern route to Florida by the southern route. In Florida the group will tour the state, and will be accompanied by Mrs. Shaw and Miss Myrtle Shaw, who is on a 60-day leave of absence from her secretarial duties due to an appendicitis operation.

Visit Number of Cities
Among the points of interest the group planned to visit was Mountain in Georgia. They had to go as far south as Miami, and come back up the west coast under the capable direction of Mr. Shaw on their return to Littlefield, concluding that with this splendid advertising trip, the rodeo scheduled for the early part of August, will be a success. Building of New First Baptist Parsonage To Start Soon; Material Being Purchased

Construction on the new First Baptist Church parsonage, to be built at Eighth Street and Farwell Avenue, two blocks north of the church, will be started at an early date.

This structure will be one story and will have six rooms and two baths.

The new parsonage will be of brick veneer construction.

Building materials are being purchased.

Area Gets Nearly Inch of Moisture

Cloudy weather has been prevalent over Littlefield and the South Plains the past week.

Moisture, which fell slowly and was soaking in and which measured 79/100ths of an inch, was especially beneficial to this area.

During the past week rain, sleet and even snow—fell at intervals.

Temperatures ranged from 32 degrees to 79 during the past week. As reported by the West Texas Gas Company, thermometer readings were as follows: Thursday, low 49 and high 67; Friday, low 44, and high 79; Saturday, low 37, and high 52; Sunday, low 37, and high 45; Monday, low 37, and high 45; Tuesday, low 44, and high 57; Wednesday, low 32.

Cotton Under Loan Will Be Pooled

The Department of Agriculture has announced that all 1946 crop cotton (including American Egyptian) still under loan August 1, 1947, will be pooled by the Commodity Credit Corporation. These loans mature on July 31, 1947.

Producers having cotton under this loan should give serious consideration to marketing the cotton prior to the above date if they do not desire to have the cotton pooled.

Masons Entertain Eastern Stars

Littlefield Lodge, A. F. and A. M., 1161, will entertain the ladies of the Eastern Star and the wives of Masons at a dinner and program at the lodge hall at 7:30 p.m. this Friday.

All ladies of the Eastern Star are urged and invited to attend, and Masons are invited to bring their wives.

Work to Start This Week On Road Construction

According to Commissioner E. C. (Buck) Ross, the contractors' road machinery is now on the ground for the paving of the 41 miles of roads in District 1-A, and work will get started at once.

Two Men In Hospitals After Shooting Affray

Harvey Nix, about 40, was admitted to the Payne-Shotwell hospital at noon Friday in a critical condition, suffering from gunshot wounds in his stomach and intestines. A .38 calibre bullet is said to have passed through his body.

He has been given two blood transfusions.

Nix has been employed on road construction in the Amherst and Earth area.

His condition was reported about

Chips Off the Old Block...

"Those are two fine boys you've got," a friend commented to Alvin Mueller Sunday morning.

"Yes," replied Mueller, "and they are both going to be ball players."

Returns to God's County...

S. D. Stephens, wife and family, have returned to Littlefield after a short residence in East Texas and Western Louisiana, and are living on West Seventh St.

"What's the street number?" we inquired.

"I don't know; it's so far out we don't have city mail delivery," Stephens replied.

A former employee of Henry's Pontiac, the young man has returned to that organization as service manager.

Steve, we extend you and yours a hearty welcome back to God's county!

Bow Ties... and Spring Fever...

"Arsenic and Old Lace," presented by an eastern New Mexico college cast recently before a large audience, was a decided hit among students, faculty, and Portales townspeople.

The production staff included Bobby Foust of Littlefield, who was in charge of lights.

Yes, and Bobby was home over the weekend wearing a Truman tie. His tie blended perfectly with a nice selection in a gray suit; in fact, Bobby was all dolled-up.

It's not so long ago when we, too, like to wear a bow tie.

It's Spring and we've got Spring fever... fever to lop off the years and strut a little—in a little tricky bow tie.

SON BORN TO MR. AND MRS. J. H. CARL WEDNESDAY

A son was born to Mr. and Mrs. J. H. Carl at the Payne-Shotwell hospital at 4:30 o'clock Wednesday afternoon. He weighed seven pounds, and has been named John Dick.

Mother and son were doing nicely at last report.

City Fights Passage of Tax Exemption Measure

Copies of Document Sent House, Senate Committee Members
Bill Proposes To Exempt Homesteads From Taxation

At a meeting of the City Commission Monday afternoon in the office of City Secretary W. G. Street, the body passed a resolution protesting a bill now before the Legislature, known as HJR 40, under the terms of which it is proposed to submit to the voters a constitutional amendment, which would exempt all homesteads of value of \$3,000 or less from city, school and county taxes.

Copies of this resolution are being mailed to each member of the House and Senate committees on Constitutional Amendments, as well as to Representative I. B. Holt and Senator Parrish.

The resolution so passed by the city is as follows:

Whereas, there has been introduced and is pending before the 50th Legislature of the State of Texas, now in session, a bill known as HJR 40, under the terms of which it is proposed to submit to the voters a constitutional amendment which would exempt all homesteads of value of \$3,000 or less from city, school and county taxes; and

Whereas, the adopting of such an amendment would work a very great hardship on hundreds of the smaller counties, schools and cities in Texas, in view of the fact that a large portion of their revenue is derived from taxes on homesteads of value of \$3,000 or less; and

Whereas, the removal of all taxes from the homesteads of this class (Continued on Back Page—Sec. 1)

Last Rites Held For Brother Of Mrs. W. D. T. Storey

Mr. and Mrs. W. D. T. Storey returned Sunday from attending funeral services for Mrs. Storey's brother, J. O. Fowler, 66, of Vernon, who passed away Thursday night. Mr. and Mrs. Storey went to Vernon Friday afternoon.

Funeral services were conducted Saturday afternoon at 4 o'clock at the Christian church, Vernon, and burial took place in the Vernon cemetery.

Mr. Fowler is survived by his wife and two daughters; and four sisters and a brother. The sisters are: Mrs. Storey of Littlefield, Mrs. E. L. Bowers and Mrs. Earl Anthony of Brownfield, and Mrs. Carl Muller of Texhoma, Okla. The brother is H. W. Fowler of Arkansas City, Kans.

All of the above relatives attended the last rites.

Sponsor Campaign For Tornado-Swept Area Victims

4,000 Pounds Food, Clothing, Bedding Taken to Canadian

John Standifer, owner and operator of Standifer's Grocery & Market, last week sponsored a campaign for the collection of food, clothing and bedding for the people of the tornado-swept area.

Advertised Over KSEL
This movement was publicized over Radio Station KSEL, Lubbock, and merchandise was sent from far and near, including points in New Mexico and in South Texas.

4,000 Pounds Collected
Four thousand pounds of canned foods, bedding and clothing were assembled and loaded on Alfred Dunagin's truck from the Standifer Grocery, where it was assembled, and (Continued on Back Page—Sec. 1)

Irish Linen Blouses Featured For Spring

Fashion forecasts for spring indicate a suit year with an assortment of interesting blouses and gay Irish linen print handkerchiefs to spice up your wardrobe. Designer Hattie Carnegie placed emphasis in her new collection on the importance of the correct suit blouse. Strictly tailored blouses were shown by Carnegie, and others were soft with hand finishing.

Fine Irish linen is being used in many of the crisp white spring blouses. White is one of the leading colors for spring and summer and a white Irish linen one collects a handsome dividend for it tubs beautifully. The lovely sheen of Irish linen is a permanent finish and frequent tubbings won't take away that fresh band-box look.

One long-sleeved weskit blouse of white Irish linen is fashioned in the high style trend of Maurice Renner's Ging George collection. The weskit front is snugly fastened by gold-rimmed pearl buttons and the cuffs button at the wrist, showing a bit below the suit sleeve.

Delicate hand-made laces form insets in collars, cuffs and yokes on softer and dressier blouses. In this group are some collarless blouses with lace forming a yoke. On the finer handkerchief linens, hand embroidery is used along with ruffled lace for the most feminine type.

A more sophisticated style in white Irish linen is the tuxedo-like blouse with a knife-pleated front and long sleeves. The square neckline is perfect for wearing clips, pins or gold chokers.

Miss Hall and James Kennedy Married April 8

Miss Elsie Jean Hall and James Kennedy, both of Olton, were married April 8 at the home of Bro. M. F. Manchester, who officiated in the single-ring ceremony.

The bride is the daughter of Mr. and Mrs. Grady Hall. The groom is a son of Mr. and Mrs. Lee Kennedy.

The bride wore a pink crepe dress with white accessories. Her corsage was of white carnations.

Miss Tia Juana Measles served as maid of honor.

Jim Wayne Glasscock served the bridegroom as best man.

Mr. and Mrs. I. D. Onstead returned Wednesday of last week from Galveston, Texas, where they attended the Southwest Furniture Convention, which convened Sunday, Monday and Tuesday, April 6, 7, 8 and 9.

Sunday, May 11 Proclaimed As Mother's Day

President Truman Saturday proclaimed Sunday, May 11, as Mother's Day.

He called on Americans "to manifest through private and public expressions the reverent esteem in which we hold the mothers of our country."

Mr. Truman proclaimed May 22 as National Maritime Day.

"The future peace of the world so earnestly sought by all, will be immeasurably advanced," he said, "by the cooperation of the several nations in removing excessive restrictions upon international trade."

Mr. Truman said the welfare of the American merchant marine is of "utmost importance to the national economy, national defense, and friendly intercourse with other nations."

National Maritime Day commemorates the date in 1819 when the steamship Savannah put out from the Georgia coast for the first successful transoceanic voyage under steam propulsion.

Cotton Research Congress Set For July 16-17-18

Subjects to be discussed and leaders to develop details of the program for the eighth annual Cotton Research Congress of the Statewide Cotton Committee of Texas have been selected by members of the program committee, Burris C. Jackson, Hillsboro, general chairman, has announced.

Five half-day sessions, and a special night session arranged by the National Cotton Council, are scheduled for the Congress, which will be held July 16, 17 and 18, at the Baker hotel in Dallas.

General topics for the half-day sessions and leaders selected to develop details of the discussions for these sessions are:

Production and preparation of cotton products—C. B. Spencer, agricultural director, Texas Cottonseed Crushers' Association, Dallas.

Information For Veterans

QUESTIONS AND ANSWERS

Q. Can the beneficiary or the family of a veteran make premium payments on his National Service Life Insurance if the veteran doesn't care to do so?

A. Yes, but the insured veteran has the right to change his beneficiary or beneficiaries at any time without consulting with or receiving the approval of anyone. He may also surrender his permanent NSLI policy for cash at anytime.

Q. I am drawing retirement pay at present. Can I receive subsistence allowance while going to school under the Servicemen's Readjustment Act?

A. You are entitled to draw retirement pay and still receive the full amount of subsistence allowance while in school or training. Retirement pay is not considered income from productive labor and therefore is not to be included by the veteran in his estimate of earnings filed with Veterans Administration.

Q. I obtained a GI home loan in June, 1945, and now would like to know if I may obtain a further loan under the amended GI Bill?

A. Yes. Evidently your guaranty under the original Servicemen's Readjustment Act was \$2,000; therefore, under the act as amended in December, 1945, you are eligible for a further guarantee of \$2,000 on a real estate loan, or \$1,000 on a business or non-real estate loan.

Q. Will my 10 per cent World War II disability of \$13.80 be increased in event I marry?

A. No. Your compensation is based on the degree of disability and not on the number of dependents.

Q. I am an ex-WAC with an honorable discharge. I am contemplating marriage to a non-veteran and would like to know if I lose any of my rights under the GI Bill?

A. No. Q. I was discharged from the U. S. Army because my mother was dependent on me. Am I eligible to enter a course of education or training?

A. Yes. The fact that you were discharged from the service because of dependency of your mother would not be material if you are otherwise qualified.

Q. What benefits, other than subsistence, is a veteran entitled to while pursuing a course of education under the GI Bill?

A. Veterans Administration will pay for the veteran's tuition, books, supplies, fees and other authorized expenses within certain limitations.

Q. I have a service-connected disability and am to be rehabilitated under the Vocational Rehabilitation Act. Will my compensation payments be increased while I am pursuing a course of vocational rehabilitation?

A. No, your compensation will not be increased; but during the time you are being rehabilitated, you will receive your disability compensation plus subsistence allowance to bring you up to \$105 a month if you do not have a dependent. Additional amounts will be added for each dependent.

Q. I am being rehabilitated under the Vocational Rehabilitation Act (Public Law 16). Am I entitled to receive subsistence allowance during the vacation?

A. Yes. You will be entitled to leave of absence not to exceed 30 days in any consecutive 12 months, and you will receive compensation and subsistence allowance during vacation periods.

B. E. Needles Is Returned Home

B. E. Needles, 57, Lubbock tire distributor who was returned to his home Monday, evidently had recovered Monday night from an apparent loss of memory that had taken him on a tour of several states since his disappearance in Wichita Falls last March 22.

Needles was recognized early Monday afternoon by Lloyd Nollner, Amarillo service station operator, who telephoned Amarillo police and Needles' son, Belverd Needles, that the missing man was in a 1942 Ford car he had serviced. Police detained the driver of the car, who was alone, just as he was about to leave the station.

Nollner, who was acquainted with Needles, had once traveled to the West Coast with him. He filed claim late Monday with Sheriff Grady Harrist for the \$5,000 reward which had been authorized several days ago for information leading to Needles' whereabouts.

Sheriff Harrist said action on the claim is pending filing of other claims.

Needles had disappeared from his tourist camp room at Wichita Falls, leaving his 1941 Buick automobile, all the clothing he had taken on a business trip there, his keys and two empty billfolds.

From the sale papers of the Ford automobile, Needles evidently had bought it in Cheyenne, Wyo., and he told his son of having been there. The papers listed the name of W. W. Hall as the purchaser, and it was believed Needles had traveled under that name since leaving Wichita Falls. A hotel receipt in his possession indicated he had been in Cheyenne.

After his son met him in the Amarillo police station, Needles gradually regained his memory, recognizing Belverd Needles almost instantly, and Kenneth Hicks, an employe of his store, a few minutes later.

Although apparently in good physical condition, Belverd Needles said his father suffered from severe headaches which had plagued him for several months prior to his disappearance. The elder Needles was to be placed in the care of a physician in Lubbock for a complete examination and necessary treatment.

Needles, who did not remember having left Wichita Falls, said his apparent amnesia must have started when "I felt something snap in the back of my neck."

Unable to give a complete account of the time between his disappearance and his appearance in Amarillo, he mentioned having been in Wyoming and several other states. He talked to his son about the wheat crop in Kansas, the forest fires in Arkansas, and damage done by a hurricane in Louisiana. A service record in the automobile indicated he had had the car serviced in Shreveport, La., April 8.

While he was traveling, Needles did not know where his home was, and he did not know how he came to choose the assumed name during the time when he did not know his real name. Persons with whom he had talked in Amarillo said he told them he intended to go to Lamesa from there, though he later was unable to account for his intentions of going to that city.

He told his son he had traveled alone all of the time. From all evidences, the motivation for his travel was that he was looking for his grandson, four-year-old Belverd Earl Needles, Jr., though at the time he didn't know the boy's name. He was said to have stopped at various towns, going about showing the boy's picture and asking people if they had seen him. His affection for his grandson was well known among his friends.

In attempting to piece together the last several weeks of Needles' life, his family was unable to account for several things, including an almost completely new wardrobe which he

where he got the new clothes.

Belverd Needles said his father evidently paid cash for the automobile which he bought in Cheyenne, and that he would have had enough money to pay for it. Although he left his wallet in Wichita Falls, the son pointed out, he left none of his money.

Needles' wife had said only Sunday that she didn't "see how I can stand it another day—without hearing from my husband."

Needles was owner of 10 tire stores at outbreak of the war. He now is owner of stores at Stamford, Lubbock, Abilene, Lamesa, and was associated in a store at San Angelo. He came to the Lubbock section in 1915, farmed at Shallowater until 1921, when he built a garage there. In 1926, he sold the garage and went to Lubbock. Thereafter he began establishing other stores over West Texas. He consigned tires to approximately 250 places west of Fort Worth and, before the war, was reputed to be one of the nation's highest 20 tire distributors from standpoint of annual business.

I H Announces Details of \$20,000,000 Price Reductions

PRODUCT	NO. OF MODELS	\$ REDUCTION	% REDUCTION
FARM TRACTORS	12	\$10 TO \$134	UP TO 10.6%
MOTOR TRUCKS	12	\$50 TO \$300	1.9% TO 3.6%
2-ROW MOUNTED CORN PICKER	1	\$52	6.4%
MILKER UNITS	2	\$12 TO \$17	14.4% TO 18.4%
PLOWS	52	\$9 TO \$20	3.0% TO 10.7%
CULTIVATORS	13	\$5 TO \$10	4.5% TO 7.4%

This is a partial list of price reductions. Others listed at right.

Details of the International Harvester policy of making price reductions to save customers approximately \$20,000,000 a year have now been worked out.

Prices have been reduced on 163 models. These cover 12 basic models of farm tractors, 123 basic models of farm machines, 16 basic models of industrial tractors and engines, and 12 models of motor trucks, as well as certain motor truck attachments. The new lower prices are effective as of March 10, 1947.

These reductions were made not because of any decline in demand, but because the company believes nothing is more important than to lower the prices of the goods people buy.

While prices have not been changed on all products, reductions have been made wherever possible, in the amounts possible. Prices of many of the most popular products have been substantially lowered.

Altogether, more than half of the company's customers will be benefited by the reductions, which range from 1% to 23.8% and from \$2.50 to \$300 per item, based on the company's list prices.

The ability to maintain these lower prices will depend on the supply and price of materials the company buys from others and on uninterrupted production at reasonable wage levels.

The prices listed here carry out the announced policy that "Any price is too high if it can be reduced." As dealers in this territory, we will do our part!

Veterans Still Have Time to Reinstate Their GI Insurance

Charles F. Dvoracek, Veterans Administration Itinerant Contact representative, serving Littlefield, said this week that veterans in the Littlefield area are responding to the advise, "Hold on to your GI Insurance," as evidenced by the great number who are flocking to the VA Contact headquarters, located in the county service office, Yellowhouse Land building in Littlefield, to reinstate or convert their GI insurance.

To veterans in this area who have missed payments on their GI insurance, Charles F. Dvoracek said: "It's not too late to reinstate. Under conditions made possible by a recent act of Congress, a veteran who has allowed his insurance to lapse, may reinstate it by paying only two monthly premiums and signing a statement that his health is as good as it was at the time of lapse."

It was pointed out that some veterans have been confused over the matter of converting GI insurance. Due to his information, a few veterans have been led to believe that "converting" means dropping government life insurance and buying a policy in a private company. This, of course, is not only a mistake but an injustice to the veteran.

By converting, the veteran retains his National Service Life Insurance and simply changes it from term insurance, the kind issued in the military service, to a permanent plan of National Service Life Insurance, Mr. Dvoracek said.

The Veterans administration has six types of permanent plan NSLI. They are: Ordinary, life, twenty payment life, thirty payment life, twenty-year endowment, endowment at age 60, and endowment at age 65.

GI Insurance is a special privilege available only to veterans. Some of the important provisions are: low premium rates, lump sum settlement, no restrictions on beneficiary, income while totally disabled, premium waiver during total disability, dividends, guaranteed values and loan provisions.

Terminal leave bonds may be used to pay advance premiums. In this case the veteran can take advantage of the saving at the rate of 3 per cent per year, which is allowed on premiums paid on other than a monthly basis.

Miss Meeks and Pfc. Burlin G. Murdock Wed At Farwell

Miss Tommie Meeks of Farwell and Pfc. Burlin G. Murdock of Muleshoe, were married Monday, April 7, at Farwell.

The groom is a son of Rev. and Mrs. B. F. Murdock of Muleshoe.

The couple will spend a few days with the groom's parents, after which they will make their home at Albuquerque, N. M., where Pfc. Murdock is stationed at the Sandria base.

Miss Ozment and Curtis Coleman Wed

Miss Bernice Ozment and Curtis Coleman, son of Mr. and Mrs. Floyd Coleman, were married at the Baptist parsonage Olton, April 5, at 7 p.m., in a double-ring ceremony.

The bride is a daughter of Mr. and Mrs. J. W. Henderson, also of Olton.

Mrs. Owen Norfleet was matron of honor, and Mr. Owen Norfleet served as best man. Others attending were: Mr. and Mrs. J. W. Henderson, Richard, Mr. and Mrs. Floyd Coleman, F. B. Coleman, Jack Coleman, Miss Betty Walthall, Mr. and Mrs. Ivin Wopencraft.

The bride was beautifully attired in a light blue dress suit with black accessories.

The old traditional "Something old, something new, something borrowed, something blue," was carried out. She had a lovely corsage of pink rosebuds.

The bride graduated from Olton High school in the class of '42, and has been employed at the Olton State Bank for the past two years.

Curtis is a graduate of the Olton High school; served three years in the Coast Guard, and is now farming near Olton.

After the ceremony a small reception was held at the home of Mr. and Mrs. Owen Norfleet.

The couple left for a trip to Carlsbad and, upon returning, they will make their home in Olton. Curtis will resume his farming and Bernice will take up her duties at the bank.

Miss Eloine Mitchell of Hart Camp was admitted to the Amherst hospital recently for treatment. She was released Thursday last, after being a patient for ten days.

Mr. and Mrs. R. L. Murdock and son, Bobby, accompanied by Mr. and Mrs. B. L. Sublett and daughter, Nell, spent Easter Sunday at Blanco Canyon.

County-Wide Musical Festival Is to Be Held In Littlefield Tuesday Night, April 22

With Don R. Hays, musical director of the Littlefield schools, in charge, a county-wide musical will be staged in the high school auditorium Tuesday night, April 22.

County School to Take Part

All school in the county have been invited to take part in the program, and nearly 100 per cent are expected to participate in musical chorus, band or small ensembles in the form of piano or solos.

This musical attraction will open at 7:30 o'clock, and will be free and open to the public.

Event Non-Competitive

This event will be non-competitive, and will be held to stimulate music interest in the various towns in Lamb County, and also tend to inform the public what is being done in the music line in the county.

Mrs. Lee Hemphill Hostess to Blanche Groves Circle

The Blanche Groves Circle of the W. M. U. of the First Baptist Church met with Mrs. Lee Hemphill Monday, April 14, with nine members present.

An interesting program was given on the subject "The Field at Our Door." Different discussions were given by Mrs. Parrack, Mrs. Hemphill and Mrs. Packwood. Mrs. Joiner had charge of the program and gave the devotional. Mrs. Hampton, Circle chairman, presided during the business session.

Refreshments of ice cream and cookies were served at the close of the meeting.

Those present were Mesdames Norman Renfro, O. C. Fox, Eugene Johnson, Henry Ellis, A. S. Parrack, E. E. Joiner, E. J. Packwood, Lee Hemphill, and W. O. Hampton.

Attend Meeting At Slaton Honoring Grand Officers

A group from the local chapter of the Order of Eastern Star attended a meeting at Slaton Tuesday night of last week, honoring the grand officers of District 2.

Making the trip were grand officers: Pat Boone, who is associate grand patron, and Mrs. Boone, who is a member of the jurisprudence committee of the Grand chapter; and Mrs. H. C. Edmunds, Mrs. J. A. F. Lee and Mrs. W. N. Frey.

Fire Damages Some Tools, Auto Parts

The Littlefield fire department answered a call to the Duncan & Dow garage at 812 East Ninth Street, Thursday about 1 p.m., where a blaze caused from gasoline destroyed a table and caused damage to some tool boxes and a few automobile parts.

Some Tools, Parts Damaged

According to W. A. Duncan who, with Earl Dow own and operate the garage, he was testing a motor on the table, on which also was a can of gasoline and a light globe. The vibration from the motor upset the table, spilling the gasoline and at the same time breaking the electric light globe. The electricity from the globe set the gasoline afire.

The fact that there is a cement floor in the garage, and that it is practically fireproof, lessened the damage considerably.

The fire department had the fire under control at once.

Polo Games At Levelland Sunday

Cecil Smith, former Llano cowboy and one of the three 10-goal polo players in the world, will be a featured player in an indoor match which has been scheduled for the Levelland rodeo arena at 2:30 p.m. on Sunday, April 20, according to W. J. Robertson, president of the Levelland Rodeo Association.

Smith has participated in polo matches throughout the world and has been awarded special prizes and cups from Old Mexico, California, New York and England. He was a member of the Texas Ranger polo unit which made a world tour.

Smith recently completed a session in Delroy Beach, Florida.

Another outstanding player to take part in the game will be George Oliver, an 8-goal player from Salmon, Idaho, who was recently manager of the famous Gulf Stream Polo Club of Florida—a unit which beat all comers in Orange Bowl competition in Miami.

Junior-Senior Banquet Friday

Everything is in readiness for the Junior-Senior banquet, which will be held Friday evening next, opening at 8 o'clock, at the First Methodist Church.

Seniors, high school faculty and members of the board of trustees and their wives will be the guests of the Juniors.

Mrs. Roy Allen Hutson and Mrs. Dick Edwards, sponsors, and the Juniors have been working hard to make this banquet an outstanding success.

Rodeo Boosters ...

(Continued from Page 1) well advertised, and that Littlefield and Lamb County should really reap a great benefit from this booster trip. J. H. Lee, president of the First National Bank; Wayne Brown, of Brown Tire Company; and Nelson Naylor, of Nelson Hardware, were on the farewell committee to speed the western goodwill trippers on their way.

Dressed in Typical Western Style
The group were dressed in typical roded fashion.

Mr. Shaw, with his red shirt, blue jeans, large gray cowboy hat, and cowboy boots, was really "going places."

Mr. Clark wore a blue shirt, blue jeans, and gray cowboy hat and cowboy boots, and is certain to play his part in a very complimentary manner in the boosting of Littlefield's and Lamb County's rodeo.

Mrs. Clark wore a black cowboy suit and gray cowboy hat.

Miss Nell Wayne Carlisle looked like a real "cowgirl" in her hobby suit, including a plaid shirt and blue jeans, and wearing a Texas Rancho belt, and a Texas Miller Company western gray hat.

All the trippers wore Olsen-Stelzer cowboy boots.

PVT. LEE STANTON WITH EIGHTH ARMY IN TOKYO

Pvt. Lee A. Stanton of Littlefield is serving with the famed First Cavalry Division (Eighth Army), which is on occupation duty in the ten prefectures of the okyo-Yokohama area. The First Cavalry Division fought all the way from Australia in the Pacific campaign, and was first in Manila and first in Tokyo.

Overseas since June, 1946, Private

Stanton is serving with Headquarters Troop, First Cavalry Division, in the fire department.

Private Stanton, a student in civilian life, graduated from McLean High school. He entered the Army in November, 1940, and received basic training at Fort Bliss, Texas.

His mother, Mrs. Lena Stanton, lives in Littlefield.

Mail, express, baggage, newspapers and milk in cans, usually transported in cars nearest the locomotive, are known to railroad men as "head-end traffic."

Sponsor Campaign ...

(Continued from Page 1) left here Tuesday morning for Canadian, Texas, where it was unloaded at the city hall of that city. Accompanying Mr. Dunnagin were Mr. Standifer and Pete Edwards.

Citizens of Canadian had volunteered to distribute the food, clothing and bedding to the needy people of Higgins and Glazier.

Canadian People Assist

Mr. Standifer stated that it was raining and snowing at Canadian Tuesday, but that citizens of that city were working hard out in the weather assisting in every way possible to bring relief to the tornado victims.

Still Need Bedding

Mr. Standifer stated they were continuing to take contributions at the store, but that it was principally linens, blankets and quilts now needed, and that he would appreciate anyone having any of these to bring them to his store. As soon as another quantity of this stuff is assembled, they will make another trip to Canadian.

City Fights ...

(Continued from Page 1) would force the taxing agencies, counties, schools and cities, to make up this loss by increasing the tax valuation on other property, thereby causing an injustice to owners of other classes of property;

Therefore, be it, Resolved, by the City Commission of the City of Littlefield, Texas, in regular called meeting, this 14th day of April, 1947:

1. That the adoption of the constitutional amendment as proposed in HJR 40 would work a hardship upon, and be a hardship to, the smaller counties, schools and cities of the state, and should not be accepted.

2. That the House Committee on Constitutional Amendments of the 50th Legislature of the State of Texas be urged to render the unfavorable report on HJR 40, and if possible prevent its reaching the floor of the House.

3. That should the bill reach the floor of the Legislature, all members be urged to oppose its passage.

A. C. CHESHER, Mayor, City of Littlefield, Texas.
Attest: W. G. STREET, City Secretary.

Eighth Grade Banquet Is Outstanding Success

The eighth grade annual banquet, Friday evening in the basement of the First Methodist Church, was an outstanding success.

The Sorosis class of the church prepared the meal, with Mrs. J. T. Mrs. Claude Thaxton and Mrs. Clark in charge of general arrangements.

The mothers of the eighth grade prepared the tables and served the people present.

Henry and Miss Sanderson, members of the school faculty, were in charge of the program.

Tables were laid in white crepe with streamers of green. Candle holders bearing green and white further featured the class of green and white. Bowls of radiant roses, the class flower, the finishing touch to the fully laid tables.

David Dunnam acted as toastmaster.

An invocation was offered by Joe Hutchinson, which was followed by the class song, "Blue Skies," Mrs. Pearl McClain.

Mrs. McClain gave a reading, "Lucky Philosophy," and a play, "Quit the Professor," directed by

Mrs. Pearl McClain, was presented by Patsy Gregg, Lehman Pace, Jackie Farr and Robert Rutledge.

Two songs, "Anniversary Song" and "The Whole World Is Singing My Song" were sung by the eighth grade chorus, followed by the "Prophecy of Students," by Miss Bernice Sanderson.

Supt. Joe Hutchinson and Principal Irwin Bussanmus both gave talks.

The singing of "Auld Lang Syne" climaxed the program for the evening.

The menu for the dinner was as follows:

Fruit Cup	Whole Potato
Creole Chicken	Buttered Peas
Combination Salad	Hot Rolls
Strawberry Shortcake	Coke

Following the program, the eighth grade students attended the show at the Palace theater.

Thomas Case to Be Submitted to Court of Appeals May 28

The case of Jim Thomas has been set for submission by the Court of Criminal Appeals at Austin on May 28, District Attorney Harold M. LaFont of Plainview has been notified.

Thomas was convicted at Sweetwater of the murder of Dr. Roy Hunt of Littlefield, and given a life sentence in the penitentiary.

This is the second time Thomas has been in the criminal appeals court. He was first convicted in Hale county and assessed the death penalty. Judge C. D. Russell of 64th District Court granted a new trial and the case was transferred to Dawson county. There he was again assessed death, but appeal and the case was reversed and remanded, being transferred to Nolan county on a change of venue. Life sentence was given there, and it is from this verdict that he is appealing now.

Chaplains in Veterans Administration hospitals and homes conducted nearly 9,000 worship services during January.

THERE ARE 4 SOURCES OF POWER IN LITTLEFIELD

Yes, Southwestern Public Service Company is providing growing Littlefield with four sources of electric power.

Four lines can bring power into Littlefield, assuring folks here that even if one line is put out of commission through accident or storm, another automatically takes its place, assuring you an even flow of dependable electric service.

As Littlefield grows, more and more power will be brought in over these lines. No matter what industry, large or small, seeks a location in Littlefield, we will have enough low-cost electric power to meet its needs, as well as the needs of the homeowners of Littlefield.

WHY THE DIFFERENCE?

WINTROATH VERTICAL TURBINE PUMPS

Why the difference? Fred and Howard started out with the same number of acres and the same amount of money.

Fred often admires Howard's prosperous farm, but seems to have forgotten that he "waited another year" even though Howard bought his Wintroath pump right off. He hasn't forgotten how much money he lost, though, as a result of that bad first year with the long dry spell. Every year he fell farther behind.

Don't take a chance like Fred did and "wait another year!" Be sure of enough water THIS YEAR! Check into the many

economical features of Wintroath pumps! Now on display.

YOU'RE practically that, of course, the minute you take over any new 1947 Buick. Never before has any automobile so completely won the country by its beauty — so clearly defined the shape of cars to come.

But really to take the stage and hold it — to cut a dashing figure in the smartest of smart company —

Mister, just picture yourself in this bold beauty here.

It is without question the most wanted version of America's most wanted car.

It's wanted for the freedom that's yours when its handy control swings back the top — and the sky becomes your roof and the birds your travel mates.

It's wanted for the lift and surge of its satiny straight-eight Fireball power plant, master of

every grade and hill, monarch of the farthest horizon.

It's wanted for bigness, and the deep comfort of low-set, cushiony seats — wanted for the floating ease of soft all-coil springing, and the sure-footed stride of a car that's big enough and brawny enough for its job.

It's wanted for styling that already has set the pattern for years to come — it's wanted for fun, for adventure, and for year-round, all-round full family use.

The demand for it? Great, of course. The supply? Mounting as fast as

Buick's beaver-busy production staff can free up the supply of the fine materials that go into it.

So with patience, one can be yours. With patience, that is — and the foresight to get your order in now.

A FINGER TOUCH — and the door window runs up or down automatically. Other handy controls raise or lower the top and adjust the front seat.

Save Sugar For Canning

Easy on sugar!
There will be no sugar stamp issued for canning this year.

As consumers start using the sugar made available by a new 10-pound stamp April 1, the Texas A. and M. College Extension Service cautions that the sugar bought with the new stamp will have to take care of both home and canning needs. No stamps labeled specifically for home canning will be issued this summer.

Miss Gwendolyn Jones, extension food preservation specialist, explains that this situation does not mean that each consumer will get less sugar this year. Actually, each person will get 30 or 35 pounds this year in comparison with only 25 pounds last year. In the past, the OPA issued stamps at regular intervals for regular table use and, at

canning time, issued canning sugar stamps. Under the board's new system, each stamp is worth ten pounds instead of four or five, but no canning stamps are available. Therefore, homemakers will have to save from this last 10-pound stamp if they plan to do any home canning.

The stamp issued April 1 will be good until October 1.

'TILL' THE CLOUDS ROLL BY' TO BE SHOWN AT PALACE THEATER APRIL 20-21

A prodigiously lavish entertainment is afforded on the Palace theater screen in "Till the Clouds Roll By," M-G-M's super-spectacular filmization of the life of the late composer, Jerome Kern, filmed in a series of dazzling technicolor sequences employing the services of more than a score of topflight stars and featured players and utilizing as large a number of Kern's melodic and memorable song hits. This will be featured at the Palace theater on Sunday and Monday, April 20 and 21.

When you consider that this star-studded production makes room for such talented luminaries as June Allyson, Lucille Bremer, Judy Garland, Kathryn Grayson, Van Heflin, Lena Horne, Van Johnson, Virginia O'Brien, Dinah Shore, Frank Sinatra and Robert Walker, the latter in the role of Kern, and that there are in addition specialty numbers by Cyd Charisse, Gower Champion and the Wilde Twins—you will have an idea of the wealth of entertainment that passes in review as the story of Jerome Kern's colorful career is unfolded.

Walker, Van Heflin, Lucille Bremer, Judy Garland and Dorothy Patrick are the personalities directly concerned in the drama of the composer's life, with Van Heflin cast as James Hessler, the brilliant musical arranger who encouraged Kern when he first arrived in New York with ambition to conquer the world of musical composition. Miss Bremer is Sally, Hessler's daughter, who looks upon Kern as a foster father and who eventually tries for a singing spot in one of his shows. It is when her number is turned over to Judy Garland, playing the vivacious Marilyn Miller, that an estrangement results which drives Sally to running away from home. Eventually she reaches the top the hard way and a happy reconciliation is effected. To Miss Patrick falls the role of the

pretty miss whom Kern encounters during a romantic episode in England and whom he subsequently makes Mrs. Kern.

So plentiful are the lovely Kern songs, many of them chosen from the composer's hits of an earlier day, that this review can list but a handful. Sufficient to say that you will want to hear over and over again such memorable tunes as "Who," "Sunny," "Look for the Silver Lining," "Why Was I Born," "Smoke Gets in Your Eyes," "All the Things You Are," "Make Believe," "They Didn't Believe Me," "Can't Help Lovin' That Man" and the unforgettable "O! Man River," the last sung by Frank Sinatra.

The production numbers are incomparably beautiful, among the outstanding being the "Show Boat"

sequence in which Tony Martin, Kathryn Grayson, Virginia O'Brien, Lena Horne and Kaleb Petersen participate; the nimble dancing of Van Johnson and Miss Bremer in the "I Won't Dance" number; the "Till the Clouds Roll By" episode in which June Allyson and Ray McDonald do a wonderful tap dance in the midst of a shower; and the finale, in which Miss Grayson, Miss Bremer, Sinatra, Virginia O'Brien, Lena Horne and Tony Martin are perched atop a series of classic columns from which each sings one of Kern's immortal melodies accompanied by a mixed choir and a symphony orchestra of a hundred pieces.

"Till the Clouds Roll By" is a great tribute to a great American composer. It is also great entertainment.

Farmers Advised to Line Brooder Houses With Tar Paper

Farmers may help prevent respiratory diseases in baby chickens by lining brooder house walls up about 3 inches from the floor with heavy tar paper, according to Delbert Devin, assistant professor of animal husbandry at Texas Technological College. Paper will not only keep out drafts, but will also prevent chicks from piling up in corners if it is rounded there instead of being tacked tightly.

A chick guard of 12-inch hardware cloth, commonly known as hail screen, should be kept around the hover for 36 hours after baby chicks arrive to keep them in. The guard may gradually be moved back for about four days, when it should be no longer needed.

Temperature under the hover should be 95 to 100 degrees during the first week, 90 to 95 degrees the second, and gradually decreased until the end of the eighth week. Two or three inches of litter should be kept over the floor at all times, to be changed weekly for two or three weeks and twice weekly thereafter. Ground bundles or shredded corn stover are recommended for litters, but farmers should make sure no grain remains on the stalks before they are ground.

When chicks are 24 to 36 hours old they should be fed a good chick starter, containing about 20 per cent protein and fortified with cod liver oil for vitamin D.

Cleanliness is of utmost importance to disease prevention. Brooder house floors and walls up about 12 inches should be scrubbed with a stiff broom dipped in lye water, and the rest of the house sprayed with a good disinfectant before the chicks arrive. All movable equipment should be soaked in lye water, using one can of concentrated lye to 10 gallons of water.

Cotton and Feed Prices Lose Ground During Past Week

Cotton and feed prices lost ground last week, and spots of lower prices appeared among cattle, sheep and vegetables, according to the Production and Marketing Administration, U. S. Department of Agriculture. Other southwest farm products were mostly firm to stronger. Cattle prices reversed their recent downward trend and started climbing. Wheat registered a net gain of 1 cent per bushel and sorghum 14 cents per hundred pounds. Grains advanced by lesser amounts. Friday's price was \$2.88 per bushel at Fort Worth and Galveston and \$3.20 on No. 2 yellow. Cotton prices held firm last week. Wheat mill feeds dropped as much as \$10 per ton, and oil seed weakened. Hay demand held firm, but buying centered on immediate needs. Peanut markets showed few offerings and light demand. Wool dealers, top makers, and manufacturers began to consider the advantage of buying 1947 wool from the grower. Mohair accepted off. Green beans moved quickly

at \$5 per bushel hamper at Denver last week, but sold weaker at \$3 in sweet potatoes brought \$7.25 to \$7.50 per 24-pint crate. Southern Louisiana sweet potatoes held about steady at shipping points at \$2.35 to \$2.40 for 60 pounds. Most vegetables moved slowly in dull to weaker markets in the Lower Rio Grande Valley. In straight cars of 50-pound sacks, cabbage loaded at 60 to 75 cents; yellow onions, \$1.75; and potatoes, \$2.20 to \$2.25. Spot cotton prices declined about \$3.75 per bale last week. Higher grades sold readily, but other classes found fewer inquiries, and trade remained on reduced scale. Eggs and poultry met mostly firm to slightly stronger prices last week. Eggs sold for 39 to 40 cents per dozen at Dallas and Fort Worth, and 38 to 39 at Denver. Corpus Christi averaged 35 cents for the week; Amarillo and Fort Worth, 47; Austin,

Fort Worth, where first Louisiana San Antonio and Oklahoma City, 38; New Orleans, 38 1/2; El Paso, 40; and Houston, 41 cents.

Cattle ruled steady to strong at most southwest markets last week, but some classes lower at San Antonio and Oklahoma City. Medium to good steers and yearlings turned at \$18 to \$23 at Fort Worth, while medium and good steers cashed at \$18.50 to \$22 at Oklahoma City; and \$18.50 to \$23.25 at Denver.

Hogs scored substantial gains at most terminals, but lost some at Oklahoma City and Wichita. Closing bulk prices on good and choice medium weight butcher hogs averaged \$25.50 at Fort Worth; \$25.75 to \$26.10 at Wichita; and \$27 to \$27.25 at Denver. At San Antonio the closing top was \$25.50; and at Oklahoma City, \$26.25.

Sheep and lambs held their own at San Antonio and Oklahoma City, but weakened sharply at other southwest points. Bulk of good and choice spring lambs brought \$22 to \$22.90 at San Antonio; and \$20 to \$22 at Fort Worth. Oklahoma City paid a top of \$24 on spring lambs, while Wichita quoted up to \$23. Denver saw few sales last week.

Dr. Grand to Speak At Baccalaureate Services June 1

Dr. J. Ralph Grant, pastor of the First Baptist Church of Lubbock, will speak at the 21st annual baccalaureate services at Texas Technological College. Services will be held at 8 p. m., June 1, in the college stadium.

United States Attorney General Tom C. Clark will deliver the commencement address the following day and will receive an honorary doctor of laws degree from the college.

Dr. Grant, who held pastorates in Beaumont and San Angelo before coming to Lubbock last September, has written numerous articles for church publications and is well known as a speaker throughout the state.

Interscholastic League Meet to Be Held April 18-19

Plans for the Region I Interscholastic League meet to be held at Texas Technological College, Lubbock, April 18 and 19, have been announced by Dr. Ernest Wallace, director general. Around 800 contestants drawn from approximately 130 West Texas towns are expected to compete. Winners will represent Region I in the state meet in Austin, May 2 and 3.

All contests will be held Saturday, April 19, except tennis. In accordance with Interscholastic League rules, it is not possible to complete tennis play in one day. All tennis contestants are to report at the Tech gymnasium to draw for places at 1:30 p. m. Friday. Preliminary play will begin immediately, with the semifinals slated Saturday morning, and the finals Saturday afternoon.

Schools are directed to certify eligibility of contestants qualifying for regional competition immediately following the district or area meet. One-act play entries should be sent to Miss Annah Jo Pendleton at Tech on the day the winner of the district or area meet is announced. All casts should be at the college by 8:30 a. m. Saturday unless otherwise notified.

Those entering debate, declamation, typewriting and slide rule contests are to report at 10 a. m. Saturday. Track and field preliminaries are also scheduled at that time on the college athletic field, and golf

will begin then at the Lubbock Country club.

Shorthand and number sense contests are scheduled at 11 a. m. Ready writing contest will start at 1 p. m., extemporaneous speech at 1:30, and Spanish at 4 p. m.

Delegates from towns near Lubbock are urged not to plan spending the night there unless they arrange for their own lodging, because of the critical housing situation. The Lubbock and Hilton hotels are reserving a few rooms for contestants

in which they will place several contestants and charge one dollar each.

League officials are making an effort to secure a number of rooms in private homes for contestants and sponsors who do not wish to stay at a hotel. Those desiring officials to arrange lodging in private residences should notify Dr. Wallace at the college as soon as possible.

Region I extends to Oklahoma on the north, New Mexico on the west, includes Lamesa on the south, and Spur and Paducah on the east.

**Miss Josephine Hawkins Bride
Of Floyd Ervin Sadler Easter**

Miss Josephine Hawkins became the Bride of Floyd Ervin Sadler in an impressive double ring ceremony performed at three thirty Easter Sunday afternoon in the Hawkins' home in Pep community. Rev. C. J. L. Bolinger, Baptist pastor of Lubbock officiated. Miss Janie Hokit of Amherst was bridesmaid, and J. C. (Jake) Moreland of Amherst was best man.

The bride wore a lovely light blue suit with black accessories and a shoulder corsage of white gardenias. For something old she wore her necklace of screws belonging to the bridesmaid.

The bridesmaid wore a powder pink suit with black accessories and a shoulder corsage of white gardenias.

Mrs. Sadler graduated from the Sudan high school in 1945, trained at Lubbock Memorial Hospital and for the past year has been a nurse at the South Plains Cooperative Hospital, Amherst.

Mr. Sadler graduated from the Witharral high school in 1941, after which he farmed one year before going into the armed services. He spent three and one half years in the Army with the Signal Corps, having been both in the ETO and Japan.

The bride is the daughter of Mr.

and Mrs. J. I. Hawkins of near Amherst, and the groom is the son of S. H. Sadler, a pioneer resident of south of Littlefield, but now of Harlingen.

The close relatives and friends that attended the ceremony and who were served cake and punch immediately after the service were: Mr. and Mrs. J. I. Hawkins, parents of the bride; her sister, Miss Fern Hawkins, Amherst; and Linda and Joan Hawkins, at home; her brothers, Rex, Odus and Wayne, at home; her grandparents, Mr. and Mrs. Joe Hardecastle, her aunts, Misses Velma and Zelta Hardecastle, all of Sudan; Rev. and Mrs. C. J. L. Bolinger, Lubbock; and the groom's sisters and their families, Mr. and Mrs. Lester Couch, Nylah Gayle and Beena of Anton; Mr. and Mrs. Floyd Price of Lubbock; Misses Florence and Wanda Sadler and Walton Downs of Littlefield; and Mr. and Mrs. B. M. Anderson, Witharral.

After a honeymoon to Carlsbad Caverns and other points, the happy couple will make their home on the Sadler farm nine miles southwest of Littlefield.

Baptist Gleaners Have Impressive Installation

The Gleaners Class of the First Baptist Church met Tuesday evening, April 8, for an installation service and business meeting. The group gathered at the church and drove en masse to the home of Mrs. Troy Armes where a very impressive installation service was conducted by Mrs. E. E. Joiner. She reminded the group of the great commission Christ gave his apostles and commissioned the incoming officers to discharge their duties for the coming year to the best of their ability. She used the clock and the calendar to symbolize the amount of time each had to spend and the map of the world to show how others had fulfilled their commission.

The class teacher, Mrs. O. L. Walker, presented corsages of yellow gladiolas tied in the class colors, red and gold, to the new officers: Mrs. Cecil Martin, president; Mrs. Bill Fisher, 1st vice president; Mrs. L. E. Sullins, 2nd vice president and Mrs. Eva Ratliff, secretary.

Mrs. Martin then presided over the business meeting during which group captains were appointed and a class reporter were elected. Several items of business were discussed and the meeting was adjourned to the dining room for delightful refreshments which carried out the class colors. Each member present received a miniature corsage of sweet peas, to which was tied a tiny booklet giving the names of the new officers.

Informality reigned and no doubt the group's laughter could be heard for a county mile. Those attending were:

Mesdames E. E. Joiner, O. L. Walker, Leo Duffey, R. C. Lloyd, Cecil Martin, Bob Spense, Troy Armes, Mickey Ratliff, Jack Alexander, Bill Fisher, L. E. Sullins, R. C. Fields, and C. H. Crow.

Mrs. Guy Hufstедler Honored at Pink and Blue Shower

The home of Mr. and Mrs. H. H. Knox of Amherst was the scene of a lovely pink and blue shower honoring Mrs. Guy Hufstедler of that city.

Hostesses were: Mesdames George Tooley, Floy Brake, Vernon Woods, Charlie Webb, Claude Stine, Dillard Bryant, Alfred Schroeder, Vera McKay, Bud Thomas, Manry Brantley, R. L. Brown, Lula Gainer, H. H. Knox and Miss Willie White.

Refreshments consisted of cookies and punch, and very clever plate favors were used.

In addition to above, those present were: Mesdames L. A. Caraway, Eli Young, Claude Emmons, H. L. Phelps, C. A. Thomas, Bob Simmons, J. S. Harmon, V. V. Watson, W. N. Humphreys, Verble Baker, Tyone Hufstедler, Alma Holland, Alton Seagler, Floy Brake, Odus Moore, Harriet White, T. M. Dugan, and Miss V. O. White, all of Amherst; Mrs. E. T. Miller of Spade; Mrs. Eulala Pricer of Sudan; Mrs. E. O. Miller and Mrs. Gene Miller and Miss Sue Warren of Lubbock.

Those sending gifts, but unable to attend were: Mesdames N. A. Vaughter, J. P. Brantley, Walter Brantley, Jack Yarbrough, Jim Templeton, Earl Abbott, Abbott, Hall, Bob Crawford, Pete Crawford, Marvin Wagner, Earnest Black, G. D. Lair, Homer Campbell, Elizabeth Stanley, Howard Campbell, Allen White, Eulion Franks, Neal Duffey, Roger Willett, Faye Bas Foy Davis, Ninnie Autrey, E. E. Gee, Walling, Couslan, J. L. Crosby, T. M. Slemmons, John Norwood, Marie Payne, John Moreland, Lester LaGrange, Velma Melton, W. F. Birdsong, C. R. Stevens, Green Carpenter, H. W. Woodard, Odessa Stine, Charlene Phelps, J. O. Miller, Jack Reynolds, Mrs. Pat Miller of Lubbock, Mrs. Verna Decker of Meadlow, Mrs. Edd Martin of Leveland, Mesdames Roy Houchin, and A. C. Houchin of Pampa, Mrs. Lois Easley and Mrs. Gene Aters of Littlefield.

Forbes Tatum of Hobbs, N. M., has moved to Littlefield and will bring his family here as soon as he can get a house. He will do heavy duty hauling.

Mrs. Lyle Brandon Is Hostess to Methodist Ladies Monday

Mrs. Lyle Brandon was hostess to the Woman's Society of Christian Service Monday evening, April 6, at 7:30 o'clock in the Brandon home.

Opening hymn was sung by the group—"Onward Christian Soldiers." Mrs. J. H. Lippard was devotional leader, choosing scripture from Samuel, Isaiah, and subject of meditation - "Highway and Road Signs," and closed with an expressive prayer.

Mrs. S. M. Dunham and Mrs. W. P. Kirk, who attended the annual conference of Woman's Society of Christian Service, March 24, 25 and 26 at Big Spring, gave very interesting reports in a playlet.

After the program and reports were given, refreshments were served to one new member, Mrs. J. E. McGee, and the following regular members: Mesdames Bertha Smythe, Paul Pharris, Lyle Brandon, W. P. Kirk, Houston Hoover, S. M. Dunham, Van Clark, M. P. Reed, W. S. Glenn, J. H. Lippard, Wm. Orr and Buster Owens.

BUILD NEW AWNING

Hattie's Shop is having a new awning built on their building at the corner of Phelps and 4th St. This awning will be most modern, and add to the comfort of the building.

U. S. civilians have been allotted 1,740,000 short tons of sugar for the period April through June.

Fertilizing fruit trees is an early spring orchard job. Recommended application is one pound of 5-10-5 or 4-12-4 fertilizer for each inch of the tree trunk diameter.

Complete eradication of mescaline from rangeland, no matter what method is used, depends upon killing the sprout buds on the underground stem of the tree.

A Great Bunch — Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting

CRISP SPRING SALAD

... and Naturally

Admiration coffee

It's as pretty as a picture . . . and twice as good to eat when, naturally, that inviting coffee is "Cup-Tested" ADMIRATION! All the sparkling freshness of a crisp garden salad is more than equaled by the tangy freshness of ADMIRATION, the coffee with the extra abundance of full, rich flavor, luxurious richness, and stimulating, exciting aroma.

You can always depend on ADMIRATION for the same superb qualities because it's "Cup-Tested" to maintain its uniformity. The personally "Cup-Tested" ADMIRATION way is the only way you can be sure of the same excellent coffee—package after package.

SPRAYING HINTS FROM COUNTY AGENT'S OFFICE

The biggest apple pest in Texas is the codling moth, the insect that lays eggs on the blossom end of the fruit, and when the worms hatch, they bore into the center of the apples and live around the core area. The horticulturists say that it's very important for the grower to carry on a complete spray throughout the growing season; keep that fruit covered with a spray mixture to prevent worm damage.

About what mixture to use: a spray composed of four pounds of 50 per cent DDT in 100 gallons of water every two weeks during the growing season will get the job done. The first application is made as soon as the petals begin to shed. DDT is likely to harm a lot of bees and other useful insects if applied while the tree is blooming.

Most common apple disease is black rot, which shows up as small black decayed spots over the surface of the fruit. Control measure here calls for bordeaux mixture, which is a preparation familiar to many of us, composed of copper sulfate and lime. Just mix eight pounds of bordeaux in with your DDT and water, and apply both of these materials at the same time. And, by the way, sometimes the spray material doesn't stick to the fruit like it should. The trick here is to add a half gallon of skimmed milk to each 100 gallons of spray to increase sticking quality. A couple of pounds of calcium caseinate will also do the trick.

On pears, exactly the same spraying schedule can be followed as for apples. At least six to eight spray applications through the growing season will give you high quality pears. Schedule For Home Demonstration Clubs April 17—Bluebonnet Home Demonstration Club, with Mrs. Ray Woods. April 18—Sodhouse Home Demonstration Club, with Mrs. K. E. Gregson.

ELECTION HELD

In the Olton school board election held recently, Brent Burrow and I. D. Grimsley were elected to fill the vacancies. Eighty ballot were cast in the election. Brent Burrow received 44 votes; I. D. Grimsley, 41; Tom McGill, 39; and Ernest E. Jones, 33.

National Service Life Insurance provides a type of policy to fit almost every insurance need, according to Veterans Administration.

World War II compensation and pension cases account for more than 68 per cent of the active cases on Veterans Administration rolls.
