

# MANY TO TAKE PART IN JUNE FROLICS TUESDAY

## LITTLEFIELD'S TRADES DAY IS GREAT SUCCESS

### CASH PRIZES, SILVER CUPS TO BE GIVEN

Parade to Start At 2:30; Coronation of King and Queen At 4:00 P. M.

Tuesday, June 14th is the day of the big June Frolics. Preparations are being made to make it the biggest day Lamb county has ever known. A large number of children have been entered in the baby parade and it is hoped by the committee that many more will be entered yet this week. Every child in Lamb county under six years of age is entitled to entry in the events, and has a chance at one of the many prizes to be given.

The prizes for the most beautiful float and the most unique float are each five dollars in cash. The prizes for Little Miss Lamb County and the king of the Frolics are each silver loving cups, and the prizes for the most beautiful girl baby in Littlefield, and in Lamb county outside of Littlefield, are each silver cups.

The parade of babies and floats starts promptly at two-thirty in the afternoon. The coronation of the king and the queen will take place at four o'clock. The cotton show at the different stores in town will continue all afternoon. There will be a band concert. There will be dancing. There will be a number of clowns to entertain the public throughout the afternoon. Don't miss it, folks. It's the first time Lamb county has ever had a festival of this kind. Let's put it over "in a big way." Remember the date; June the 14th. If it rains on this day we will have the Frolics on the following day, Wednesday, the 15th.

This event is being put on by the Little Theatre, assisted by the merchants of Littlefield. Mrs. C. E. Cooper is acting as director, Mrs. T. S. Sales and Mrs. F. G. Sadler as assistants, and Mrs. John Arnett, Mrs. T. Wade Potter and Mrs. Clyde Hilburn as registration committee.

Don't delay! Enter your baby with the registration committee now!

The voting for Little Miss Lamb County and King of the Frolics will continue until noon Friday. Voting booths in Littlefield, are located in all the drug stores and the Palace confectionery. In other towns of

## GOVERNMENT COST IS TOO GREAT, SAYS GOODMAN

### CANDIDATE FOR STATE SENATOR GIVES PLATFORM

James H. Goodman of Lubbock, candidate for state senator from the 30th senatorial district, was in Littlefield Monday.

Mr. Goodman officially announced some time ago in the Lamb County Leader as a candidate for senator, but at that time did not furnish the Leader with a statement of his qualifications for the office which he seeks, and his platform.

The Leader takes pleasure at this time in presenting Mr. Goodman's statement:

"The Primary elections are for the purpose of allowing the voters to select a candidate who is qualified and who stands for something constructive, which he, the voter, stands for. "I was born of native Texans, Confederate parentage, at Bagtrop, forty-three years ago. At an early age I moved to Austin, where I received my education in the public schools of that city. After graduating from the Austin High school I entered the University of Texas, where I worked my way through college. "On a visit to West Texas and the Plains in the summer of 1932, I saw the possibilities, future, and the type

## GRADUATION EXERCISES HELD THURSDAY

### 44 STUDENTS GIVEN DIPLOMAS OF GRADUATION

#### 73 Grammar School Pupils Receive Certificates of Promotion

The high school auditorium was crowded to full capacity Thursday evening, June 2, when commencement exercises of the high school graduating class was held.

Prof. W. P. Clement, an instructor in education at Texas Technological College, Lubbock, gave a most interesting address to the largest class in the history of the Littlefield schools.

Forty-four students, twenty-two boys and twenty-two girls, received diplomas, including Mavis Jones, who finished her work at mid term, and Irene Hobbs, who completed her studies in August.

Carson Glass, who made an average grade of 93.87, during the four years of high school work, won the honor of valedictorian of the class, while Wilma Botsford, with an average of 93.37 is salutatorian.

The program for the evening was as follows:

- Processional.
- Invocation—Rev. J. F. Grizzle.
- Salutatory—Wilma Botsford.
- High School song—Class.
- Valedictory—Carson Glass.
- "Spring"—Senior Girls and Glee

## FAMOUS GIRLS BASEBALL CLUB TO MEET LOCALS HERE JUNE 16

That the famous Southern Kansas Stage Lines Girls baseball club of Wichita, Kansas, would definitely appear here in a contest with the Littlefield Cats on June 16th was made known recently by Carl Tremain when he received a confirmation from Irvin Van Blarcom, girls manager.

Van Blarcom's letter stated that the 10,000 mile tour which the girls will take this summer will go through Littlefield and that the great feminine club would be in top condition for their game here.

This announcement means that the local fans would get to watch one of the greatest attractions ever to tour the West. The girls are all star athletes from the Middlewestern states and are experienced and skilled in playing baseball.

The S. K. S. L. team toured the West last year playing in 13 states against only the strongest men's clubs and their record was unusual all the way.

Stars such as Corene Jaax, nationally known basketball and baseball player, Myrtle Brockert, All-American in basketball and one of the fastest fielding second basemen ever to don a girl uniform, Lavonn Harrod, who toured with the club last year, Ellen Champlain, outfielder of last year's team and Mary Harris, new player and versatile in all sports, will be with the club.

The Wichita team never has had any competition from girls' clubs over

the country so they will encounter no nines but semi-pro masculine teams. They have won numerous games over men teams and lost some by narrow margins, but they have yet to receive a bad beating from any club.

A shining light of the entire team is the S. K. S. L. girl pitcher, Lefty Langford, of Dallas. Lefty was an individual star in several sports before she joined the feminine girls club two years ago. She was a member of a strong Dallas semi-pro nine for part of a season and her pitching in a city league in that city was a sensation against men batters. Due to the fact that her skill was so widely known she was included in the personnel of the Wichita Girls club, by Mr. Van Blarcom before they made their first tour through the Western states. Lefty's success last year in the many games that she pitched has given her foremost place in the corps of twirlers of the girls' nine. It is highly probable that she will get the starting assignment in Littlefield as last reports received here made known the fact that she is just now reaching the peak of her baffling delivery and won her last game last Thursday by a shutout margin.

These outstanding girls form only a part of one of the biggest gate attractions which has ever taken a tour in the United States, displaying their skill. The girls are already predicting a five-run victory over the home team on June 16th, at 3:30 p. m.

## BIDS ASKED FOR GRADING AND DRAINAGE

### Action Delayed On North and South Highway; To Start No. 7

Highway No. 7 will be paved from the Lubbock county line to the New Mexico line, according to Arthur P. Duggan.

Mr. Duggan stated that bids had been asked for the grading and drainage work in connection with the carrying out of the project. He also said that the portion of No. 7 Highway through Scurry county will be resurfaced.

Mr. Duggan was advised of the State Highway commission's program for Highway No. 7 when he attended a meeting of the commission, at which the matter of a north and south highway from Big Spring to Channing

(Continued on Last Page)

## BOOSTER GROUP HAS INTERESTING MEET TUESDAY

### PRESIDENT DUGGAN APPOINTS NOMINATING BODY TUESDAY

In accordance with their established custom, the Littlefield Chamber of Commerce met Tuesday noon in the basement of the First Presbyterian church for their regular weekly luncheon.

President Arthur P. Duggan opened a discussion, summarizing his report of last week on the road meeting at Austin, at which time a delegation appeared before the State Highway commission, and asked to have a North and South highway designated from Big Spring to Channing. He said that the commission had deferred action, but urged that the counties obtain the right-of-way. Mr. Duggan also said that Highway No. 7 will be paved to the New Mexico line.

County Agent D. A. Adam was then introduced, and gave a very interesting and instructive talk in which he predicted a much better price for cotton next fall, and also that the yield would fall to the 12,000,000-bale mark. He stated that his activities in the past few months had been taken up, in a large measure, with 4-H club work, which has resulted in every district of the county having an active Boys' 4-H club, comprising in

(Continued on Last Page)

## HIGHWAY NO. 7 IS TO BE PAVED SOON

## C. OF C. ANNUAL BANQUET TO BE HELD TUESDAY

### Henry Ansley of Amarillo Chief Speaker; Varied Program Is Booked

The annual banquet of the Littlefield Chamber of Commerce will be held next Tuesday night.

The chief speaker will be Henry Ansley, of the Amarillo Globe-News. Mr. Ansley has gained wide publicity recently through an article, "I Like the Depression," of which he is the author. The speaker will be introduced by E. A. Bills.

Arthur P. Duggan, president of the Chamber, will preside, and a special committee of the local booster group has arranged a very interesting program. Music will be furnished by the Littlefield orchestra, and L. W. (Hay) Jordan, will be song leader. Little Miss Maurine Igo will give a

reading, and Carson Glass, who represented Littlefield in "My Home Town" speech contest at the West Texas Chamber of Commerce annual meeting, will give the talk which he gave on that occasion.

Brief addresses are to be made by D. A. Adam, county agent, Miss Ruby Mashburn, home demonstration agent, Rev. Joe F. Grizzle, and visiting chamber of commerce officials. J. W. Hale, secretary of the Chamber, will give his annual report. The invocation will be offered by the Rev. Joe Boyd.

Officers are to be elected for the coming year.

## TWO BUILDINGS ON PHELPS AVE. CHANGE HANDS

### JUDGE R. C. HOPPING EXCHANGES FOR FARM LAND

A contract was executed Thursday last whereby Mid Seale and J. H. Alfred agreed to exchange with Judge

R. C. Hopping of Lubbock 354 acres of farm land two miles north of Littlefield for property on Phelps avenue, which consists of the building in which the Club Cafe occupies the downstairs, and the upstairs has until recently been used as a hotel, and the building next door, in which the Marzelle Shop and Chisholm's Studio are now located.

The farm property involved in the deal has been and now is occupied by J. H. Alfred.

It is expected that the transaction will be closed this week.

According to Mr. Seale, E. S. Rowe and Hopping Bros. will continue their offices in the upper story of the building over the Club Cafe, and the balance of that floor, with the exception of a few rooms that are rented as sleeping rooms, will be occupied by Mr. and Mrs. Seale as their home. Mr. and Mrs. Seale moved Monday to their new location.

### VISIT RELATIVES HERE

Mrs. I. M. Dawson and William Beard of Sulphur Springs arrived Tuesday to spend the summer with their daughter and sister, Mrs. F. E. Beard and Mr. Beard.

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses.

Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, it matters not by whom nor for what purpose, if the object is to raise money by subscription fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

## THE BROOM CORN INDUSTRY

Activity is increasing in the Littlefield section in the growing and marketing of broom corn.

Anything that may be said or written concerning the broom corn industry is therefore of special interest to the people of this section.

G. B. Alguire, of the Federal Department of Agriculture, recently addressed a gathering at Levelland, at which the growing of broom corn was discussed.

An interesting report of the meeting was given by the Hockley County Herald, published at Levelland. We are reproducing the article in order that readers of the Lamb County Leader may have the information which was given at the Levelland meeting. The Hockley County Herald said:

"G. B. Alguire, of the Federal Department of Agriculture, addressed a gathering of those interested in the growing of broom corn at the Court House Saturday afternoon.

"While the production of broom corn in Hockley County has not yet reached a large volume, the experiments made here by the farmers in recent years indicate that conditions are favorable for it is becoming a profitable industry. Mr. Alguire stated that the better quality has been grown in the Lindsey District in Oklahoma, where its scientific culture and the grading of the product for the market has perhaps had its greatest development. Lindsey broom corn sold for \$125-per ton during the past season on account of its high uniform quality. The planting of good seed is the first requirement, and its cultivation, curing and subsequent handling affects its market value. There are many farmers here from that section of Oklahoma and who are already experienced in the growing of broom corn, and it has been the success of these growers that have brought the matter to the attention of the Agricultural Department.

"Mr. Alguire's lecture was illustrated by some twenty-five or thirty frames of corn straw, showing its various qualities, lengths and manner of curing. It was a complete demonstration of the United standards of the product in relation to the manufacture of brooms. The purpose being to trade demands. Also, what to avoid in the matter of establishing grades, so that they may be sold on a basis of quality. It is thought probably when the production has reached greater volume that an organization will be perfected among the growers looking to its marketing feature.

"Mr. Alguire stated that he had inspected broom corn from this county of the very highest quality, and stated that a quality product could be grown here.

"One of the remarkable facts of our present age is that with so much experimentation and so many inventions, nothing has been found that would prove a satisfactory substitute for broom corn. He stated that under a microscope, the penacles which inclose the seed are shown to contain little spires which slope downward, therefore dust works out of the broom instead of into it. This is one of the provisions of nature which has not yet been equaled, much less improved upon.

"Broom corn originated in Italy in the Middle ages and is thought to have been developed from a specie of sorghum. It was first grown in 1785 by a Shakers community, and from there spread to the Mohawk Valley in Ohio and later in Illinois. This drift clearly shows that it thrives best in a new country. During the past fifty years the Southwest has produced the bulk of the crop. Mr. Alguire is authority for the statement that now 95 per cent of the production is in an oval which includes Northeast and Eastern Colorado, Western Kansas, Western Oklahoma and the Panhandle of Texas.

"Prices have been low during the past season on account of poor demand, only for the best quality which sold as high as \$125 per ton in Oklahoma where the most minute care has been developed in its growth and handling.

It is harvested when the straw is yet green and seed immature. About one-third of a ton per acre is the average production on average land.

"Harvest comes on in August and should it prove profitable here, it would fill in a period of activity at a time when there is comparatively little to do in other crops, and also provide an income in an otherwise dull month."

Here is a city child's definition of a cow: A cow gives milk. It is made of tin, is round, flat on top and bottom, and has a paper pasted around the sides with reading on it, saying to keep it in a cool dry place.

If you would have folks quit doing certain things quit condemning those things.

When we become topsy-turvy we think the world is too.

## EIGHT YEARS AGO IN LITTLEFIELD

(Exerpts from Lamb Co. Leader)

Little Pauline Parker, the four-year old daughter of Mr. and Mrs. I. M. Parker died Tuesday morning. The little one was taken sick Monday morning, but not seriously until shortly after midnight, when it quickly grew worse, and passed away about five o'clock Tuesday morning. At the time of its death the mother was in Lubbock with another and younger child for treatment. Acute indigestion is supposed to have been the cause of death.

Funeral services were held Tuesday afternoon, and interment made in the Littlefield cemetery.

Sunday noon J. C. Baker received a telegram announcing the death of Mrs. M. F. Merrell.

Two days before Mr. Baker received a letter from Prof. Merrell stating his wife was in serious condition from erysipelas, and with little hope of recovery. She expired at the Baylor Sanitarium in Dallas, the funeral services being held Sunday afternoon.

Prof. and Mrs. Merrell have lived in Littlefield the major portion of two years, where Mr. Merrell has been principal of the public schools.

Lamb County took a decided step forward last Monday when her commissioners voted unanimously to employ a home demonstrator for this county.

It is understood that an agent will be appointed and be on the grounds ready for duty not later than July 1. Clifford Herring of Glenrose has moved to Morton and is opening up an abstract office at the new county seat. Mr. Herring is also an attorney.

Mr. and Mrs. W. H. Collins of Amherst this week moved onto the farm with Mr. Collins' father, J. H. Collins. J. W. Keithley of Wellington is here this week looking after recently purchased land in the Yellow House pasture.

W. H. Bucy, tax assessor of Bailey county, while crossing the Santa Fe railroad track in a Ford car Tuesday afternoon, was run over and killed by an east-bound freight train. Bucy was about 35 years of age, and is survived by his wife and three children.

## Texas Utilities Company

Phone 161

**PEP PARAGRAPHS**

Another splendid rain fell in this community Friday evening, and on Saturday evening about 6:00 o'clock there came a regular downpour of rain and hail. For several minutes it seemed as though the end might have come. After pouring rain for several minutes it set in hailing pieces of ice of enormous sizes, quite a number of them being as large as ordinary door knobs, and similar, and some were as large as baseballs. However, not so much damage was done by this hail, as there wasn't any wind or hardly any breeze during this hail storm, and the ground was covered under several inches of water. Quite a number of these monster pieces of hail, however, went through the roofs of the houses, and considerable damage was done to the roof of the new school building. However, the cotton and feed suffered little from the hail, as the rows were filled with water above the plants. Due to the downpour of this rain, however, practically everything that was planted last week will have to be replanted.

On Thursday evening Miss Mary Bell Burt returned from San Antonio where she had been attending Our Lady of the Lake college, to spend her summer vacation with home folks.

Born to Mr. and Mrs. B. D. Gentry on May 29th, an eight-and-one-half pound baby girl, and to Mr. and Mrs. C. M. Sanders on June 2 also a fine baby girl, the weight of which hasn't been learned, so you see, the population of Pep is still increasing.

Mr. and Mrs. Edd Wotrka are visiting in New Mexico with Mrs. Wotrka's father, near Portales.

Miss Alice Frerich, who has been attending college in Denton, returned home Sunday evening to spend her summer vacation with homefolks.

On Thursday, June 9 at 9:00 a. m., Doctor D. D. Shropshire, county health physician, will be at the Pep school to administer the second shot of diphtheria vaccine to the children of this community. The county is furnishing this service and necessary drugs, and every child should avail themselves of this opportunity to become immune for life from this dreaded disease. There has been no diphtheria here for several years. This is only a means of prevention.

**Tech Summer School Opens This Week**

The summer school at Texas Technological college opened June 7, on which day registration took place. Classes began June 8, and June 11 has been set as the last day on which students may enroll for the first term. Registration for the second term is July 18.

### LITTLEFIELD DISTRICT OF TELEPHONE CO. WINS LOVING CUP FOR TAKING FIRST PLACE IN SALES CAMPAIGN

## CHURCHES

**FIRST BAPTIST CHURCH**  
Sunday, June 12.

The Sunday school will meet promptly at 9:45 for their regular program of work and at the close of the class period will leave for the Yellow House ranch headquarters, where the noonday lunch will be spread. We will not have the regular morning sermon in the church, but will have a sermon out in the open just after the noon meal is served. You are invited to enjoy the day with us and to assist in the services of the day.

7:30—B. T. S. We are still calling for help in this department. Some interested workers can find a great field for service in this branch of our work.

8:30—Evening worship. The third of a series of sermons on the subject, "Are We Prepared for the Return of Prosperity?" Who is responsible for the depression? Who will assist in bringing back better times. We invite your suggestions. Come, let's study this important question together.

Joe F. Grizzle, Pastor.

### METHODIST LADIES TO HAVE SPECIAL PROGRAM MONDAY

The Women's Missionary Society of the Methodist church have arranged a special program for their meeting Monday afternoon, June 13, at 3:30, as follows:

Piano Prelude—Dorothy Harrison. Song, "We've a Story to Tell the Nation."

Leader—Mrs. W. H. Gardner. Devotional and Prayer—Leader. Solo, "Just a Whispered Prayer"—Eva Gertrude Chisholm.

One Act Play, "Modernizing the Young"—Mrs. Patton. Reading, "Open Mine Eyes That I May See"—Mrs. B. L. Cogdill.

Our Missionary Society—Mrs. W. W. Gillette. What the Chimes Did—Mrs. Joe E. Boyd.

Social hour.

A beautiful silver loving cup was recently won by J. G. Singer, district manager of the Littlefield district of the Southwestern Associated Telephone Co., and his force of employees, for special work in behalf of the telephone concern.

The cup was awarded Mr. Singer and his force for having effected the highest percentage in service sales for the month of April, in an active campaign launched on April 1 with a duration for the remainder of the year.

Mr. Singer's territory includes Littlefield, Amherst, Anton, Bovina, Friona, Happy, Levelland, Muleshoe, Sudan and Shallowater.

Particular significance lends itself to the accomplishment of Mr. Singer and his associates, when the fact is taken into consideration that this small group of people were in direct competition with several other groups engaged in similar activity within 13 states west of the Mississippi river. These states cover an area from the Mississippi river to the Pacific and from the Canadian border to Mexico.

The Lubbock district, of which the Littlefield district is a part, took first and second place in the April division of the competition, and also achieved five of the first eight positions.

The cup was brought to Littlefield by C. R. Hurnence, commercial superintendent of the Lubbock division. It was taken to the Littlefield Rotary club, of which Mr. Singer is a member, and the members advised of Jimmy's accomplishment by Morley B. Drake, publisher of the Lamb County Leader. Mr. Hurnence, who was a guest at the luncheon, made a very interesting and pleasing talk.

### 13 Will Seek District Offices

Thirteen aspirants for district offices filed applications with County Chairman Guy Willis to have their names appear on the ballot for the Democratic primary, July 23.

County candidates have until June 18 to file, and two days later the committee will meet to prepare the ballot and assess expenses.

District candidates who filed before the deadline Monday, are:

For congress, Marvin Jones; for associate justice of the court of civil appeals at Amarillo, A. B. Martin, Plainview, and Perry S. Pearson, Amarillo; for representative, 120th district, A. B. Tarwater, Hale county, M. R. Avery, Castro county, and J. N. Johnston, Floyd county; for state senator, Arthur P. Duggan, Littlefield, Jess C. Levens, Lubbock, G. E. Lockhart, Lubbock, James H. Goodman, Lubbock, Clyde E. Thomas, Big Spring; for district attorney, 64th judicial district, Meade F. Griffin, Plainview, Charles H. Dean, Castro county.

### SUMMER SCHOOL

A few students have asked me whether or not there would be a summer school in Littlefield. I would like to ask all those interested in summer school work to confer with me and if there is a sufficient number of students, a summer school will be arranged for.

B. M. Harrison, Supt. Telephone 178.

Office supplies at the Leader office.

### Prizes Awarded in County Wide Quilt Exhibit Monday Last

Prizes in the County-Wide Quilt show being held at the Cuenod's Dry Goods store, were awarded Monday, but the exhibit will continue until Saturday, June 11, according to Mrs. T. S. Sales, who is personally directing the event. \$30.00 in prizes were given away as follows:

Mrs. A. T. Parker of Littlefield was awarded the grand prize for the best quilt in the entire showing, which was a ten-dollar pair of woolen blankets, and she also received \$2.00 for the best pieced quilt. This quilt was made one hundred and ten years ago, by Mrs. Harbert, a native Tennessean, and a first cousin of General David Crockett, who was killed in the battle of the Alamo in the war between Texas and Old Mexico. This quilt, which was quilted with homespun cotton thread, was judged entirely on its merits, on the pattern, workmanship of quilting, piecing, finishing and color combination.

Mrs. J. M. Tunnell of Littlefield was awarded the prize of \$4.00 for the oldest quilt. This quilt was 112 years old, and is owned by Mrs. Tunnell.

Mrs. Ira Holland of Amherst received the prize of \$2.00 for the best appliqued quilt. The quilt entered by her was made in 1860 before the Civil War.

Little Miss Hila Jean Mercer, 11 years old, was awarded the \$2.00 prize on the best child's quilt. She designed and made the quilt herself.

Mrs. Ray Redleing received the prize of \$2.00 for entering the quilt with the most pieces. This quilt was made by Mrs. Redleing, and contained 4849 pieces.

The prize of \$2.00 for the best embroidered quilt went to Mrs. Jim Blessing.

Mrs. P. C. Tumlinson of Amherst received the \$2.00 prize for the best quilt made by a lady over 70 years of age. Mrs. Tumlinson is 76.

Eugene Latimer of Littlefield entered a quilt made by him when a boy 6 years of age, and received the \$2.00 prize for the boy's quilt.

The prize for the best combination painted and embroidered quilt was awarded to Mrs. S. C. Lloyd.

Among the patterns displayed in the 65 quilts entered in the show were Irish Chain, Log Cabin, Flower Garden, Poppy Flower, Lone Star, Round the World, Sun Flower, Double T, Double Wedding Ring, Dresden Plate, Farm Life, Bird Life, Pineapple, Butterfly, Dutch Doll, Overall Boy, Posey, Duck's Foot, Conventional Tulip, "Catch as Catch Can," Grandmother's Fan, Sunshine and Shadow, Airplane, State Flower, Map of Texas.

Two of the quilts were 110 years old, one made 100 years ago, one 112 years old, and a large number fifty years old and over. Mrs. Bessie Busch exhibited a homespun woolen spread that was over 100 years old, and in a perfect condition.

The judges in the quilt show were Miss Ruby Mashburn, Home Demonstration agent for Lamb county; Mrs. R. T. Badger, and Mrs. J. C. Whicker.

This quilt show created great interest and much enthusiasm over the entire county, as has been demonstrated by the large attendance since the show started. People have come far and near to see the beautiful, unique and historical quilts exhibited at the Cuenod's Dry Goods store, and Mrs. Sales is to be commended on the bringing about of such an interesting and educational program as the quilt show has proved to be.

Mrs. Sales said that the project had been such a great success, that she would plan another exhibit of this kind for next year.

### JUDGE M. R. AVERY VISITS LITTLEFIELD

Judge M. R. Avery of Dimmit, candidate for representative from the 120th legislative district, spent Wednesday in Littlefield in behalf of his candidacy. Judge Avery included the Leader office in his calls.

If in the market for a typewriter, either portable or upright, we will appreciate your business. Leader office.

### Is Made District Manager for West Texas Gas Company

Jack Wayland, formerly of Littlefield, has returned to this city as district manager for the West Texas Gas Co., succeeding Herbert S. Brown. As district manager Mr. Wayland has charge of the company's business in five cities—Littlefield, Sudan, Muleshoe, Amherst, Anton and Levelland.

Since leaving Littlefield Mr. Wayland has been connected with the company's office in Plainview. A large number of friends are welcoming Mr. Wayland back to this city.

Mr. Brown has not been in good health, and has returned to his home in Pennsylvania for a vacation. He is expected to become connected with the Lubbock office of the West Texas Gas Co. on his return to the South Plains.

### Clovis Concern Purchases Local Produce Business

Bell & Walker, independent produce dealers of Clovis, have purchased the produce department of the Farmers Produce & Grocery, according to R. E. Biles, who has owned the business for the past three years.

Mr. Biles continues as the owner of the grocery and ice business, and will manage the produce department for the new owners.

Bell & Walker are prominent independent produce dealers. They operate several branch houses.

### Rains Assure Excellent Crops

Heavy rains fell in Littlefield and vicinity Friday night, and again Saturday, which with the moisture already in the ground, is ample assurance of a splendid crop for this section.

Some damage was done by the heavy rains, making it necessary to replant cotton in a few locations. Some hail also fell.

The total loss was not considerable, however.

R. T. Badger of the Yellow House Land company, who is well posted on crop conditions throughout this county and adjacent territory, said:

"I don't know that we have ever had such favorable conditions for a good crop at this time of the year as we have now. Everything all over this territory is looking mighty nice. When we get a season in the ground like we have this year we are bound to have a good crop. I believe we are as far advanced as we were last year. Out in the Pep, Levelland, and Whithurral sections they have also had plenty of moisture, the lakes are filled with water, and the prospects are fine for a good crop."

### Equalization Board Is In Session

The Board of Equalization for Littlefield is meeting at the City Hall. The sessions of the board opened Tuesday morning and it is expected that the board will be in session throughout today.

Mayor Sales said Wednesday that if the total valuation will justify such a step, the City Commission hopes to reduce the tax rate.

### Littlefield to Play Shallowater Team

The Littlefield baseball team will play Shallowater here this Sunday afternoon. This game was originally scheduled for last Sunday.

### I. O. O. F. TO MEET

The initiatory degree will be conferred next Tuesday night by the local lodge of the I. O. O. F. A large attendance of members is urged.

Dr. and Mrs. D. H. Jerrell of Hale Center, were guests Sunday of Dr. and Mrs. M. V. Cobb.

### ARE CHARGED WITH POSSESSION OF STILL

F. and J. C. Norwood, H. M. Hart and W. W. Anderson, who reside south of Earth, have been charged with possession of a still and with theft, according to Deputy Sheriff Bob Miller.

Deputy Sheriff Miller, who made the arrests, said that the theft charge is a development of the finding of four calf hides by the officer.

The quartet received a preliminary hearing Monday before Justice of the Peace Sikes.

### LITTLEFIELD H. D. CLUB TO HOLD DRESS CONTEST

The Littlefield Home Demonstration club, which meets every second and third Fridays, is sponsoring a dress contest, to be held June 28th. The contests is divided into three classes: Sheer and wash dresses, least expensive dress, and dresses for girls in the teen age.

Let's every one who can make a dress, do so and enter it. By doing so, and attending club meetings, you will help make a go of it.

### CARD OF THANKS

We wish to express our heartfelt thanks for the comforting words and many kindnesses shown us during the illness and death of our husband and father.

Mrs. Valentine Zuber, Mr. Otto Zuber, Mrs. S. Christian and Mrs. Ray Lawson.

### LUM'S CHAPEL

By Inez Nance, Correspondent. The people of this community are enjoying the good rains that we are having lately.

We gave Bro. Booth a supply shower Sunday night.

There will be an ice cream supper on the lawn at the Lum's Chapel church Saturday night. The candidates are urged to be there. The money that is made will go to help the club ladies in their work.

Lois Hodges has returned home from Electra, Texas, where she has been visiting her brother.

Mr. and Mrs. Otis Kilcrease spent Sunday with Mr. and Mrs. George Mealar.

Little Misses Ethel and Mary Nance of Lubbock visited Mozelle Nance Thursday, and were accompanied to Lubbock by Mozelle.

Dorothy Morris and Miss Meadows spent Sunday with Ozell and Irene Walker.

Some of Mr. Bert Lentz' friends gave him a birthday dinner Sunday.

## Bridge Luncheon Complimenting Mrs. Lucille Jones of Amarillo

Miss Alyana Ar-  
Lester Stoen were  
Thursday afternoon at  
luncheon given at  
ranch home on  
complimenting their  
Mrs. Lucille Jones, of

rendered, including a reading by Mrs. J. M. Stokes, and a song by Mrs. Walraven, which were much enjoyed.

A unique method was used in presenting the gifts to the honoree, in that an attractive well had been fashioned in the center of the dining room, from which Mrs. Gilliland during the musical program received many beautiful and useful things.

Among those enjoying the occasion were: The honoree, Mrs. Gilliland, Mesdames L. W. Jordan, C. W. Hill, Smith, M. B. Welborn, R. E. McCaskill, J. M. Stokes, Acree Barton, Ed. Timian, Ted Rosak, Walraven, McCarty, J. L. Pate, F. O. Boles, T. A. Henson, H. W. Sewell, J. H. Lucas, Pryor Hammons, Miss Georgia Lucas, and the hostesses.

## Mrs. C. C. Clements Honors House Guest At Bridge Friday

Complimenting her house guest, Mrs. Lonnie Clements of McGregor, Mrs. C. C. Clements entertained at bridge Friday afternoon at her home, 908 W. 10th street.

Two tables of bridge were in play. After the games the honor guest was presented with a beautiful pair of silk chiffon hose, as was also Mrs. J. A. Howard, who won high score at bridge.

Those enjoying this social affair were the honoree, Mrs. Clements, Mrs. Howard, Mesdames John Porcher, M. V. Cobb, Dick Johnson, T. Wade Potter, Sid Hopping, Otha Key, P. W. Walker and Miss Margaret Teal.

## Bridge Club Is Entertained By Mrs. Jim Etter

Mrs. Jim Etter was the charming hostess Wednesday afternoon of last week, when she entertained members of the 1930 Bridge club.

Contract bridge was played. During the games Mrs. Sid Hopping was awarded the high score prize—a deck of bridge cards, after which a delicious salad course was served to the following: Mesdames Mallory Etter, M. M. Brittain, Bill Pass, Pat Boone, Ray Jones, Miss Dahlia Hemphill, Mrs. Hopping and the hostess.

## MANY FROM SUDAN WILL ENLIST BABIES IN JUNE FROLICS

Mrs. T. S. Sales, her mother, Mrs. O. B. Gardner, and Mrs. J. A. Dodgson spent Monday in Sudan enlisting babies for the June Frolics.

Mrs. Sales says they received great enthusiasm, and much interest is being shown in Sudan and other towns outside Littlefield, over the county wide June Frolics, which will be conducted in Littlefield June 14, under the direction of the Little Theatre.

If in the market for a typewriter, either portable or upright, we will appreciate your business. Leader office.

Subscribe for the Leader.

## Mr. and Mrs. Duggan Entertain Visitors From Roswell, N. M.

Mr. and Mrs. A. P. Duggan, at their spacious and beautiful home on East Ninth street Saturday evening, entertained in honor of their house guest, Mrs. George French of Roswell, N. M., with a delightful chicken barbecue.

Their guests for the occasion, besides the honoree, Mrs. French, were Mr. and Mrs. Pat Boone and their guests, Mrs. D. M. Pope and Mrs. W. A. Allison of Roswell, sisters of Mr. Boone; Mr. and Mrs. C. E. Cooper, and Mr. and Mrs. P. W. Walker.

## Mr. and Mrs. Cooper Entertain with Chop Suey Supper Monday

Mr. and Mrs. C. E. Cooper charmingly entertained a number of guests at their apartment on East Fifth street Monday evening, with a chop suey supper, which was followed by a number of games of contract bridge.

Those who enjoyed Mr. and Mrs. Cooper's hospitality were: Mr. and Mrs. Pat Boone and their guests, Mrs. W. A. Allison and Mrs. D. M. Pope of Roswell, sisters of Mr. Boone; Mr. and Mrs. A. P. Duggan and their house guest, Mrs. George French of Roswell; Mr. and Mrs. P. W. Walker, and Dr. and Mrs. M. V. Cobb.

## Mrs. A. H. McGavock Installed Worthy Matron of O. E. S.

In a beautiful and impressive ceremony Mrs. A. H. McGavock was installed Worthy Matron of the Littlefield chapter of Order of Eastern Star, for the coming year.

The program opened with a welcome address by Rev. Joe F. Grizzle, after which Mrs. G. M. Shaw sang. The flag was presented and the chapter and friends joined in singing the "Star Spangled Banner."

Mesdames H. W. Wiseman, B. L. Cogsdill, T. Wade Potter, R. A. Davis, Vernie Wright, W. G. Street and Rev. Grizzle presented Mrs. G. M. Stokes with a beautiful Past Matron's pin, as a gift from the chapter, after which Mrs. Stokes thanked the chapter and gave her farewell message to them. The officers were installed in their several places. Mrs. Stokes presented Mrs. McGavock with a lovely bouquet of roses. Mrs. McGavock then made a talk to the chapter. Mack, Jr., after a beautiful little reading, then presented her with a

lovely bouquet of roses.  
Punch and cake were served to members and friends.

## H. D. Club Training School Held Tuesday All Day At Amherst

One of the best ways of spreading information is by correct writing of club reports, says our Home Demonstration agent, Miss Ruby Mashburn, at the training school June 7, 1932, at the home of Miss Virginia Pointer, with six reporters present, and three visitors.

All of the editors of the four papers were invited to be present, but only one was present, who was Mr. E. F. Huntsucker, the editor of the Amherst Argus, who gave information on how to send in club reports.

Miss Virginia pointer served lunch to the following guests: Miss Willie White, Sodhouse club; Mrs. R. W. Mitchell, Hart's Camp club; Mrs. Hazel Fowler and Miss Mildred Fowler, Friendship club; T. G. George, D. H. Fuller, Sand Hill club; H. A. Sheffield, Spade club; Theo Tide, Amherst club, Geneva Huntsucker, club girl of Amherst, and Miss Ruby Mashburn.

Vote for Linda Beth Stokes for Queen of the June Frolics.

## Junior Study Club Honors Miss Lucille Killough At Shower

The members of the Junior Study club were hostesses Tuesday night, May 31, at a miscellaneous shower at the home of Mrs. Gertrude Williams, honoring the bride-elect, Miss Lucille Killough.

The spacious rooms were beautifully decorated with cut flowers. Miss Lydia Crockett sang, "Sweet Mystery of Life," and was accompanied in the piano by Miss Ellen Crockett. Numerous stories of "First Dates," "First Kisses," "Love Letters," and "Ideal Marriages" were related. Miss Killough was then blind-folded and asked to take a collection from those present. She made her way to the dining table which was laden with many beautiful and useful gifts, and the blind-fold was removed from her eyes.

Refreshments were served to a large number of guests.

**PERSONALS**

Mr. and Mrs. C. C. Hammons moved  
Saturday into the Enloe Smith resi-  
dence in Southmoor.  
Mr. and Mrs. Bill Yeary purchased  
the house previously occupied by C.  
C. Hammons and family, and moved  
to their new location Saturday.  
Julian Joplin, who has been visiting  
his brother, Arbie and Mrs. Joplin,  
for the past two weeks, left Monday  
for Dallas for a brief visit with his  
sisters, Mrs. L. E. Smith, and Mrs.  
C. W. Olive.  
Mr. and Mrs. J. E. Brannen re-  
turned Sunday from accompanying  
their daughters, Misses Grace and  
Blanche Brannen to Las Vegas, N.  
M., where they will attend summer  
school.  
M. S. Wilf of Lovington, N. M.,  
spent the week-end visiting friends  
here.

J. E. Chisholm, Miss Louise and  
J. E. Jr., accompanied Mrs. Chish-  
olm's mother, Mrs. B. R. Newman,  
to her home in Nocona, Texas, Sat-  
urday. Mrs. Newman had been visit-  
ing in the Chisholm home a week.  
Miss Louise and J. E. Jr., will visit  
in Nocona, and Mr. Chisholm will  
drive on to Apache, Okla., where he  
will visit a sister, Mrs. Rosa L. Day,  
who is very ill. They expect to be  
gone about ten days.  
Misses Addie Mae and Dahlia  
Hemphill left Tuesday for Dallas,  
where they will visit a week with  
their aunt and grandmother.

Miss Lightsey, teacher in Circle-  
back school, was brought to the Will  
Taylor home a few days ago suffer-  
ing from a nervous breakdown. Ac-  
cording to her physician, Dr. T. B.  
Duke, she is much improved, and re-  
turned home Sunday.

Mrs. A. L. Legg, who has been ill  
for the past ten days, is improving,  
according to reports.  
Mrs. Lonnie Clements returned to  
her home in McGregor Friday evening  
after spending a few days the guest  
of Dr. and Mrs. C. C. Clements.  
S. L. Adams and family moved to  
Lubbock Monday.  
Mr. and Mrs. W. C. Thaxton and  
daughter, Betty Alyce, left Sunday  
for Clyde, Texas, where Mrs. Thax-  
ton and daughter will visit her moth-  
er, Mrs. Estes, for two weeks.

### CLUB WILL HAVE RELATIVES AT MEETING OF INTERNATIONAL, JUNE 20-24

Littlefield, and who is now connected with the Union Compress & Warehouse Co., will take charge of the home compress at Athens on July 1, according to information received here. Since becoming connected with the company about a year ago Mr. Payne has served as manager at Paducah and at Commerce. Mr. Payne has considerable experience in compress work. He had worked for the Union Compress & Warehouse Co. on several occasions previous to rejoining the company a year ago.

### Methodists Will Hold Series of Special Meetings

A series of special meetings will be held by Methodist congregations of this section, according to Rev. J. S. Johnson of Bula, who will conduct the services. Rev. Mr. Johnson is pastor of the congregations under whose auspices the meetings will be held. Each meeting will be in progress for two weeks.

The meetings will be held as follows: At Morton, commencing the first Sunday in July; at Pettit, commencing the third Sunday in July; at Bula, commencing the fifth Sunday in July; at Janes Tabernacle, commencing the second Sunday in August, and at Enochs, commencing the fourth Sunday in August.

### BUILDING DEDICATED AS STUDENT CENTER

An attractive two-story brick building near the Texas Technological college campus has just been dedicated as a student center of the Protestant Episcopal church. The Rt. Rev. E. Cecil Seaman of Amarillo, bishop of the Northwest Texas diocese, officiated at the dedication services. Baptist students have already raised considerable funds toward a similar project for spring dedication.

### BIRTHS

Born to Mr. and Mrs. C. H. Manus of the Spade community Tuesday night, May 10, a daughter.  
 Born to Mr. and Mrs. L. M. Johnson, of southeast of Littlefield on Wednesday, May 11, a fine baby girl.  
 Born to Mr. and Mrs. John McNutt of Lum's Chapel community, Friday, May 13, a daughter.  
 Born to Mr. and Mrs. Wm. F. Dunn of Littlefield, Monday, May 16, a daughter.  
 Born to Mr. and Mrs. W. D. Armstrong of northeast of Whitharral on Friday, May 13, a son.  
 Born to Mr. and Mrs. Rube Smith of Oklahoma avenue, Littlefield Wednesday, May 18, a daughter.  
 Born to Mr. and Mrs. R. F. Pierce of 3 miles south of town, on Thursday, May 19, a son.  
 Born to Mr. and Mrs. P. C. Whitlock of the Spade community, on Friday, May 20, twin daughters, "Leota" and "Oleta" weighing six and six and one-half pounds, respectively.  
 Born to Mr. and Mrs. Fred E. Lichte of four miles northeast of town, Sunday night, May 22, a daughter, weighing 7 1/2 pounds. The little miss has been named "Verna Ella."  
 Born to Mr. and Mrs. Grady L. Freeman of Littlefield Monday, May 23, a daughter.  
 Born to Mr. and Mrs. Emzy Hobbs of Lum's Chapel Wednesday night, May 25, a daughter named "Bettie Joe."  
 Born to Mr. and Mrs. J. H. Dillingham on Thursday morning, May 26, a daughter named "LaQuita Joy."  
 Born to Mr. and Mrs. Fred L. Mayfield of three miles north of Littlefield Friday, May 27, a son.  
 Born to Mr. and Mrs. P. S. Cowan of Fieldton Tuesday, May 31, a son.  
 Born to Mr. and Mrs. Hubert Taylor of Fieldton Tuesday, May 24, a daughter.

### ANTON

The Anton Cemetery association is staging a carnival Saturday night, June 11, for the benefit of the fund

EVERY FUNERAL CONDUCTED BY HAMMONS' Is Characterized by Good Taste and a True Sense of Fitness

WHITE SUPPLY

to keep up the cemetery grounds. Prof. E. E. Hancock is having a residence erected in the north part of town. W. F. Chance is doing the building.

A. L. Atkinson and family, Narl Allen and Vance Onstott enjoyed a fishing trip below San Angelo last week. Jack Anders is announcing as candidate for constable of Precinct No. 4 of Hockley county.

### AMHERST

The city commissioners have had several of the streets worked over, which has put them in good condition. Mrs. Joe Melton was hostess to the members of the Thursday club Wednesday, May 25, at the home of Mrs. H. S. Melton, when contract bridge was enjoyed.

### SUDAN

Funeral services were held Friday afternoon, May 27, for Henry McCarty, aged 62, who died Thursday previous at the home of his brother, H. J. McCarty, following an illness of six months.

Services were conducted by Bro. Farrington at the residence, and interment immediately thereafter in the Sudan cemetery.

Myrtle McLarty, who has been in the Lubbock sanitarium for the past several days, is getting along nicely.

Funeral services were conducted Sunday afternoon, May 22, at the Friendship church by Rev. McMicken of Sudan for Charles Harrison Ivey, aged 56, who died May 20, at his home, 5 1/2 miles south of Sudan. The body was laid to rest in Sudan cemetery.

He was working in the field, and not coming in for dinner as usual, his wife went to where he was working, and found him cold in death.

### OLTON

Unknown persons entered the R. P. Hair Grocery at Olton recently and took about \$10 in change from the store. No groceries were taken.

Gaston Patterson and A. H. McGavock have installed a new windmill, built a well house, and installed a 50 barrel water tank at their homes here. The water is then piped into their houses.

Elvin Smith, who underwent an operation at the Plainview sanitarium recently, is reported to be doing nicely.

Rev. and Mrs. Dallas D. Dennison

HIGGINBOTHAM BARTLETT CO.

"Good Lumber" LITTLEFIELD

Northwest Texas Methodist Conference, McMurray College, Abilene, last week.

The graduation exercises of the Olton high school were held Monday evening, June 6, at 8 o'clock, with Dr. J. A. Hill, Canyon, delivering the address.

Pat B. Campbell, president of the school board, presented the diplomas.

Baccalaureate services were held Sunday, June 5, at 8 p. m. at the high school auditorium, and Rev. E. E. White, Plainview, presiding elder of the Methodist church, delivered the sermon.

The following were graduated this year: William Britton, Earl Bryant, Clark Cates, Frank Clark, Harold Dill, Duane Eby, Elbert Hooper, John D. McSwain, R. L. Richards, Edwin Sluder, Billy Thurman, Jesse Walling, Anna Clark Finney, Lillie Belle Tucker, Ivin Wozencraft, Juanita Bryant, Nellie Ruth Copeland, Lyda Daugherty, Marie Floyd, Gladys Galloway, Marie Hammonds, Evelyn Jones, Gladys Miller, Mildred Shattuck, Lonnie Stewart, Thelma Thommarson, Arvella Bostick.

L. L. Boren, now a student in Texas Tech, Lubbock, has been elected principal of the Olton high school, succeeding George Terry, who resigned to accept the principalship of the Canyon school. He has had seven years experience as a teacher and as principal.

Resignation of J. T. Carter, who has been on the Olton school faculty for six years, has been announced, and the school board has elected E. J. Moore, high school mathematics teacher, to coach athletic teams of Olton high.

Virgil Gore, Canyon, was elected to succeed Mr. Carter and will teach history and Spanish in the high school.

Election of Miss Maude Keese,

attended the annual assembly of the Seagraves, to succeed Mrs. Carter as teacher of the first and second grades also was announced.

### How One Woman Lost 20 Pounds of Fat

Lost Her Prominent Hips—Double Chin—Sluggishness

Gained Physical Vigor—A Shapely Figure.

If you're fat—first remove the cause!

Take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning. To hasten results go light on fatty meats, potatoes, cream and pastries—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give any fat person a joyous surprise.

But be sure it's Kruschen—your health comes first—and SAFETY first is the Kruschen promise.

Get a bottle of Kruschen Salts from any leading druggist anywhere in America (lasts 4 weeks) and the cost is but a trifle.

### PLANT CROPS TO AID IN BUILDING CHURCHES

Two Methodist congregations of this section are actively engaged in a program to raise funds for the building of churches. Both have rented land and put in crops. The Bula Methodists have planted 75 acres of cotton and 25 acres in feed. The Janes Tabernacle district Methodists have planted 50 acres in cotton. Rev. J. S. Johnson of Bula, is pastor of both congregations.

### Often Suffered From Pains In Side and Back

"Night after night I could not sleep," writes Mrs. Mary J. Roberts, of Raleigh, N. C. "I would lie awake half the night. I was dizzy and weak; suffered frequently from pains in my side and small part of my back. When I was a girl, mother gave me Cardui, and it did me so much good I thought I would try it again. I took five bottles, and I feel like a new person. I would advise women who are weak to try Cardui, for it has certainly put me on my feet." Cardui is sold at drug stores.

Trades Day—

(Continued from Page One)

had many valuable assistants including Col. J. W. Horn, who was auctioneer, and generally assisted in carrying out the events of the day; City Marshal John Blair who, in addition to carrying out his duties as city marshal, also helped in many other ways; Albert A. Anderson, E. G. Courtney, and Morley B. Drake, who assisted in various ways. A. M. Dunagin kindly loaned the use of a truck for one of the events.

Special mention is due the Littlefield band, of which Monte Bowron is the director, for the excellent musical program rendered throughout the day. The members of the band and Mr. Bowron gave unstintedly of their talents and time in making last Monday's Trades Day an outstanding success.

A distinctly western atmosphere was given the activities of the band in that in marching through the streets the musical organization was headed by Joe Stanley Lambert on a prancing pony, and carrying the Stars and Stripes. This feature went over big and it has been suggested that Joe Stanley and his horse become a permanent part of the Littlefield band.

Many Sports Events.

The large crowd which gathered here for Trades Day entered enthusiastically into all the events and a spirit of good fellowship reigned everywhere. There were foot races, a slow car race, a fast car race, and auctions conducted in front of all stores, the merchants donating the articles which were auctioned. The money obtained in the sale of articles by auction went into the Trades Day fund.

Thomas J. Vaughn won the slow car race.

The chief prize for last Monday's Trades Day was won by Donald Holley, who lives six miles south of Littlefield.

There were a great many special prizes, including one of \$2 in cash for the family coming the greatest distance to Littlefield for Trades Day.

Next Trades Day will offer an even more interesting program than that presented last Monday. Plan to be in Littlefield. A good time is guaranteed.

Graduation Exercises—

(Continued from Page One)

Club.

Class address—Prof. W. P. Clement.

Violin solo—Miss Evelyn Phelps.

Presentation of Diplomas—A. P. Duggan.

Awarding of Scholarships—Prof. B. M. Harrison.

Recessional.

The following were presented with diplomas:

Nina Anderson, Clara Nell Baldwin, Wilma Botsford, Willie Mae Burton, Jewel Byrd, Margaret Cobb, Prudence Courtney, Aletha Fae Davis, Fleeta Eagen, Bernell Green, Maurine Harvey, Eleanor Hodges, Nadine Huling, Mavis Jones, Mary Nell Keithley, Mildred King, Inez Nance, Hazel Roddy, Vaneta Seely, Mary Helen Smith, Virginia Stagers, Irene Hobbs, Dick Barber, J. G. Berryman, J. L. Carpenter, J. E. Chisholm, Jr., O'dell Crow, Carson Glass, Joe Worth Hale, C. L. Harless, Ben Harrison, Darrell Hemphill, Cloyce Knowles, Joe Stanley Lambert, Sidney Lucas, Tolbert Moody, Gordon Roberts, La Vonne Stevens, Horace Strawn, Bill Street, Pierce Teeters, Dean Thornton, Leo White, and Glenn Woody.

Seventy-one students of the Grammar school were presented with certificates of graduation at the commencement exercises held Wednesday night, June 1, at the high school auditorium, when Prof. F. O. Boles delivered the address.

The following program was rendered:

Processional—Ernestine Cundiff. Invocation—Rev. E. H. Garner. Class song. Salutatory—Blanton Cogburn. Piano duet—Joyce Griffin and

Olene Robbins.

Class Oration—Dorothy Stripe.

Vocal duet—Blanche Crockett and Jack Norman.

Valedictory—Joyce Griffin.

Piano trio—Ann Marie Harless, Ernestine Cundiff and Alice Lynn Street.

Class Address—F. O. Boles.

Presentation of diplomas—J. E. Chisholm.

Benediction.

The following grammar school students graduated:

Orville Alexander, Neva Anderson, Marie Anderson, Otis Baker, Aleene Baugh, Malcolm Beebe, Florence Botsford, Lucille Bradstreet, Kathleen Brewer, Willie J. Bryant, Sibyl Mae Byers, Oma Carpenter, Opal Carpenter, Paul Chisholm, Blanton Cogburn, Ernest Connell, Blanche Crockett, Irby W. Davis, Earl Dow, Wanda Adel Dunn, Almata Edwards, Mike Eudy, Delbert W. Falls, E. J. Foust, Jr., James E. Lee Gibson.

Highway—

(Continued from Page One)

was considered by the roads body.

Action has been delayed by the highway commission on the matter of the proposed north and south highway, according to Mr. Duggan.

The delegation which interviewed the roads body relative to the north and south highway was advised that it is expected that the next legislature will remove the one cent tax on gasoline, and that the present policy of the highway commission is to complete only projects which they now have underway or arranged for.

Should Obtain Right-of-Way.

The delegation was advised to obtain the right-of-way for the proposed north and south highway as one step in the carrying out of the project.

Mr. Duggan said that it was hoped to have the proposed north and south artery of travel designated as a state highway within the next two or three years.

Mr. Duggan made a report on highway matters at last Thursday's luncheon of the Littlefield Rotary club.

The program for the luncheon was in charge of Mayor T. S. Sales.

Dr. J. R. Coen, city health officer, gave a report on a convention which he attended at Waco recently. He said that Littlefield ranked high among other cities in the matter of health precautions and regulations.

Miss Ruth Courtney, who is the pianist for the club, gave a report on the postal workers' meeting, which was held at Lamesa recently.

C. of C.—

(Continued from Page One)

all 300 members, each member carrying three demonstrations. Mr. Adam also called attention to the Boys' 4-H club encampment, a two-day affair to be held some time in August, and urged that the Chamber attend in a body on one of the days, thereby giving the 4-H boys their encouragement.

Secretary Joe Hale then made a report on last Trades Day, bringing out the fact that the cost is a small item compared with the returns, and stating that he was highly gratified with the hearty co-operation given by all concerned. Mr. Hale also made a comprehensive talk on tax reduction, making the point that expenses would have to be reduced before the taxes would come down, and urged every

citizen to read the Uniform Budget Law and House Bill No. 575, recently passed in Austin, in order that they might better inform themselves on this important subject. He also stated that a 40 per cent reduction in the expenses of Lamb county had recently been effected, which would tend to materially aid in bringing about tax reduction locally.

A nominating committee was then appointed, consisting of J. S. Hilliard, chairman; Joe F. Grizzle, and C. C. Clements, to nominate candidates for the election of directors, to be held next Tuesday at the annual meeting.

Government Cost—

(Continued from Page One)

of citizenship offered in this section, and I determined to locate in this part of the State. I opened a law office in Lubbock the following September.

Government Costing Too Much

"Economy in government is the crying need of the hour.

"Our present government is so burdened with commissioners, boards, bureaus, and sinecure offices, that our expense of government is one thousand per cent more than it was 20 years ago, while our population has only doubled, by eliminating the unnecessary parasitic appendages, commissions, boards and sinecure jobs, and consolidating many of duplicate functions in necessary departments, millions of dollars can be saved the tax payers of this State. This also applies to our local government. I advocated the consolidation of local offices of tax assessor, tax collector and county treasurer. This consolidation alone will save a million dollars. We need more business in government, and less government in business. The purpose of a commission, is usually to pass the buck on to somebody else. I favor the placing of one man in charge of each department and making him responsible for its functioning, so that he will know that he must handle it effectively and economically. Let us get away from the Central American system of government of having more generals than privates.

"I believe that our antiquated tax system should be readjusted, taking most of the burden of taxes off the real property, and placing it on intangible assets, inheritance, estates, large incomes, both personal and corporate, natural resources, and luxuries. The exemption of homesteads from the ad valorem tax by the State, will save the small home owners many thousands of dollars. I favor the remitting of penalty and costs on delinquent taxes, if paid within one year of date of delinquency. I favor the rendering of vendor's lien notes for taxation in the county where the property is, and to make them uncollectible until so rendered. This will equalize assessments and will shift the burden of taxation and give the home owner and business men a chance to carry on. During times like these, we must adopt measures that will enable us to live and let live.

"The development of citizenship depends on the education of the boy and girl, the citizens of tomorrow. The Public School system, including the institutions of higher learning, should be well supported by the State and thus relieve the local districts of as much of their tax burdens as possible. Sixty per cent of our direct taxes go to the support of our schools. The State through apportionment and rural aid is taking care of most of the maintenance of the small independent and rural schools, but this is not enough. The taxes on real property in school districts are so burdensome that real estate is a liability rather than an asset. To relieve this situation, I advocate that the local districts raise sufficient taxes to take care of the cost of permanent improvements. The maintenance cost, including the teachers salaries, should be paid by the State, thus assuring full school term each year. The State must educate its children today and not tomorrow. We must not cheat our children. You ask how this can be done? One-third of the automobile taxes and one-third of the gasoline taxes should be allotted to the schools. The remainder of the school funds should be collected from inheritance taxes, income taxes, luxuries sales taxes, natural resources taxes, and intangible assets, all of which can be collected by the State, and the State only, thus relieving the local real property owners of part of this burden.

"The position of the farmer and stockman in this Democratic State is of paramount importance. I favor his return to that position. Your Senator should make every effort to assist the farmer and stockman to create better markets for their products, including better credits, and cheaper transportation costs, as this section of the State is now being discriminated against. Actual damage should be paid the farmer and stock-

man for their losses by government regulations, through no fault of their own.

I believe in the enforcement of all laws. Special attention should be given to Juvenile Delinquency as the majority of the crime is now committed by the youth of the land.

"Highways should be taken care of out of the money raised from the gasoline tax, which amounts to \$40,000,000 per year. Part of the funds should be used in retiring outstanding local highway bonds as they become due; part to complete unpaved gaps; and part for the maintenance of said highways. This would again relieve the local real property owner of this burden, and place it on those who use the roads.

"As to automobile taxes, two-thirds should be given to counties for maintenance of lateral roads.

"Highway transportation is more extensively used in this section than in the rest of Texas, due to the lack of railway facilities. While regulation of automobile and trucks on the highways are necessary, such regulation should not amount to restriction of their use on lateral roads, where no common carrier serves that particular route satisfactorily.

"Utilities should be subject to regulation for the protection of the public interest. I think these utilities should make reasonable return on their fair values of their investment, but not to take care of watered stock and bonds."

Many to Take Part—

(Continued from Page One)

Lamb county voting boxes are placed in all the drug stores.

One of the outstanding features of the parade will be a cotton float, which will be entered by the merchants of Littlefield. The float is being prepared by Bob Cobb, C. W. Smith, and Joe Replin. It will present the multiplicity of uses for cotton. It will be drawn through the streets by colored children of the city. A great many of the merchants are also arranging cotton exhibits.

The baby parade will form at 2:00 o'clock on East 4th Street by the side entrance of Rumback's Bakery and Hotel.

We Think—

(Continued from Page One)

of Texas people would it give employment, if used within our bounds?

Every time we send a thousand dollars to Detroit for an automobile, all but about two hundred never comes back. The same is true of electric refrigerators, tires, machinery, radios, musical instruments, woolen clothing, and much more. This we can't help. We must have this kind of merchandise, and there is little chance of producing it in Texas.

Then, in the name of common sense, and just plain fair play, why not buy everything we possibly can "made in Texas"? It is reported that if everything which could be bought "made in Texas" was bought in Texas, there would be employment for a million more Texas people.

All right, then, let's everybody in Texas buy Texas-made products whenever possible, and let's merchants push the sales of Texas-made products, price and value being equal.

WE HAVE PREACHED THE GOSPEL OF BUYING TEXAS-MADE GOODS, AND WE ARE GOING TO KEEP RIGHT ON IN SUCH A PROGRAM.

If you think that we should all buy Texas-made goods whenever possible, then the next time you are making a purchase remember that buying "Texas made" merchandise helps all Texans.

"PRESIDENT HOOVER ADVOCATES SALES TAX," SAYS HEADLINE IN DAILY NEWS-PAPER—

Comment of Littlefield citizen in offering a cure for the Government's economic problems—Fire a whole lot of Government employees who haven't so much as put pencil to paper in months.

Comment of another Littlefield citizen—

And stop creating bureaus and commissions.

What's Your Idea? WHY SHOULD TEXANS SPEND \$50,000,000 IN PURCHASING CANNED AND FRESH FRUITS AND VEGETABLES FROM OTHER STATES?

Texas commercial canning products in 1931 totaled \$45,000 as compared with \$6,497,000 for California, \$4,656,000 for New York, \$4,445,000 for Wisconsin, \$3,011,000 for Maryland and more than \$1,000,000 each for five other States, none of which produces as much or as many vegetables as Texas does. Of the \$45,000 Texas total 75 per cent was in cucumbers pickled. Texas is estimated to be buying annually \$50,000,000 worth of canned and fresh fruit and vegetables from other States.

WE THINK—

That \$50,000,000 is too much to go out of Texas in the purchasing of canned and fresh fruit and vegetables from other states.

That Texas should take some steps to remedy such a situation.

That with the abundance of fruits and vegetables produced in Texas that it is not necessary to spend \$50,000,000 outside of Texas for such products.

That it is very evident that Texas should have more canning factories in order to supply this state's demand for fruits and vegetables.

That canning factories are important in increasing the prosperity of a community.

What Do You Think?

Funeral Services

Held for Valentine Zuber Saturday

Funeral services were held Saturday morning at 10:30 from the Lutheran church on West Third street, for Zuber Valentine, aged 78, who died Friday at 10:15 a. m. at his home in the Cole addition. Rev. Walter J. Luecke, pastor, officiated, and the remains were laid to rest in the Littlefield cemetery under the direction of the Hammons Undertaking. Deceased moved to this section from Pecos, Texas, in 1926.

Deceased suffered ill health for some time. He leaves surviving him his wife, one son, Otto, of Littlefield, two daughters, Mrs. Selma Christian also of this city, and Mrs. Ray Lawson of Abilene.

PERSONALS

Jim Harless, who hurt his back Thursday of last week, has been confined to the house since, but reports are to the effect that he is improving.

Lloyd Springer, son of Mr. and Mrs. T. M. Springer, who reside east of Littlefield, sailed last Saturday from Los Angeles for Honolulu. Mr. Springer was a resident of Los Angeles for several years. He contemplates living in Honolulu.

Mr. and Mrs. Pat Boone left Wednesday for their ranch near Elida, N. M., where they will spend the next two weeks.

Mr. and Mrs. Arbie Joplin left Tuesday afternoon on a vacation trip into New Mexico to be gone a week or ten days.

Julian Joplin, who has been visit-

ATTENTION... FARMERS

We have installed a new grist and are now in a position to grind all grain, giving you the best service possible at prices.

We sell ground heads and bundles of Coal.
