There will be a pep rally in the high school auditorium at 10:30 o'clock, to which the public is cordially invited to attend. At this time cheer leaders will lead in yells, pep talks will be made by members of the student body and faculty members, and fans will be called on to say a few words. The Wildcat band will also play.

Community Chest Drive Underway

Littlefield Community Chest Drive for \$14,000, got underway here Tuesday, to a slow start. A total of \$1,676.50 was turned in to the secretary at the close of the first day of the drive. It compared with \$6,049.38 turned in at the close of the first day of the drive last year, which was two-thirds of the quota. The board of directors have set no official date for the closing of the drive, but they hope to have the quota met by this Saturday night. Several of the workers failed to make their calls on opening day. The board of directors met Monday night, to complete final plans, and the kickoff breakfast was held at Hays coffee shop Tuesday morning, when 40 of the 47 workers were present. However, several of the workers, unable to attend the breakfast, reported for work later. Bill Postma, scout executive of the South Plains Council of Boy Scouts, was present and gave a short inspirational talk. The Littlefield Community Chest is strictly a local organization, and is not in any way affiliated with the national Community Chest. There are no dues, workers are volunteers, and receive no salary, and all the money is used in sponsoring and aiding local organizations. The money is divided among the following: Salvation Army, Boy Scouts, Youth Recreation, Cemetery Fund, Girl Scouts, and City Park fund.

Good Fisherman

BOBBY ORR
Bobby Orr, aged 11, son of Dr. Wm. N. Orr is shown above holding a sheephead caught in Galveston Bay, while he and his parents and brother, Bill, were on a vacation trip this summer fishing and visiting Mrs. Orr's parents, Mr. and Mrs. R. G. Brashear at Houston. Bobby, who is a sixth grader of the Littlefield schools, knows how to catch salt water fish along with the best. The day Bobby caught the above Sheephead he and his uncle, Edwin Brashear, went fishing to Freeport, 30 miles from Houston, on the Galveston Bay. Garbed in a bathing suit, in water almost to his shoulders, Bobby was fishing with a casting rod. He also caught seven other fish the same day, including a Hammerhead Shark fish, and a number of Sea Trout. The above fish weighed 8 1/2 pounds and was sufficient to serve 12 people at dinner at the home of Mr. and Mrs. Brashear at Houston, Texas.

Farmers Vote On Marketing Controls And Quotas Dec. 15

Lamb county's 1950 cotton acreage quota has been set at 189,930 acres, or approximately 85 percent of the acreage of 221,000 acres of cotton planted in this county in 1947-48. This information was conveyed to the local offices of Producers Marketing Association (PMA) in a telegram received from College Station last Sunday. Those offices immediately started work on the breakdown of individual quotas within the county, which must be mailed to farmers prior to December 1, with the vote on acceptance or rejection of the quotas set for approximately two weeks later or on December 15. Last Allotments in 1941 The year 1941 was the last year when acreage allotments were employed, having been suspended during the war years, and have not since been resumed until voted by Congress this year. D. F. Vance, state Producers Marketing Association (PMA) director, announced Monday that the Lubbock quota had been set at 250,605 acres, and that the allotment for Terry county had been set at 119,644 acres. The Lubbock county allotted acreage in 1940 was 173,877, and in 1941, 174,044, an average for the two years of 176,960. The allotment for 1950 has just been announced as being 250,605 acres for next year, or an increase in round figures of approximately 41.5 percent. Lamb County Acreage Higher The Lamb county acreage for 1950 of 189,930 acres can be arrived at by adding approximately 40% to the Lamb allotment of 135,651 acres in 1940, and 136,965 in 1941, thus arriving at the two-year average figure of 135,858 acres. The increase for this county is approximately 54,072 acres. Employing the 41.5 percent increase figure used above in figuring the Lubbock county quotas, gives the following results for Bailey, Cochran and Hockley counties: Bailey county acreage quota, 1940, 67,367 acres; 1941, 71,392 acres; average two-year period, 69,384. Estimated quota for 1950, using above 41.5 percent increase, would be 98,178 acres, for an increase of 28,794 acres. Hockley county acreage quota, 1940, 122,733; 1941, 123,392; average two-year period, 123,062. Estimated quota for 1950, using same 41.5 percent increase, would be 174,132 acres, for an increase of 51,070 acres. Cochran county acreage quota, (Continued on Back Page)

Number From Local District Elected To Grand Eastern Star Offices

Mrs. J. L. Dalton, Jr. Honored at Bridal Shower Thursday

Mrs. Odell Matthews and Mrs. Wayne Duffey were joint hostesses at a miscellaneous shower Thursday evening at the Matthews home, 123 East 14th St., honoring Mrs. J. L. Dalton Jr., formerly Miss Florie Shelby of Mount Pleasant, Tex., who is now making her home here. Mrs. Loy Dalton registered the guests. The refreshments table was laid with white linen cloth, with a beautiful centerpiece arrangement of white mums and silver wedding bells. Cake and coffee were served by Mrs. Wayne Duffey. The honoree received a lovely array of much appreciated gifts. Guests numbering about 40 attended or sent gifts.

Mr. and Mrs. Pat Boone To Spend Ten Days in South Texas

Mr. and Mrs. Pat H. Boone plan to leave this weekend for South Texas where they will spend approximately ten days. Monday they will attend a reception at Port Arthur for Mrs. Mabel Harle, Worthy Grand Matron of the Grand Chapter of Texas Order of the Eastern Star, and a school of instruction to be held in that city that day. They will spend Thanksgiving day with their son Pat Boone Jr., student at Texas university, and they will all attend the football game at Bryan between Texas A. & M. and Texas university. Mr. and Mrs. Boone will go to Houston on Friday, to attend the constituting of a new chapter, and on Saturday they will attend a school of instruction at Houston. Mrs. Boone, who is Conductress of Grand Chapter, will be honored with a luncheon by the "Flora Best Boone Girls", of the section there. On the following Monday Mr. and Mrs. Boone will go to San Antonio where they will attend a reception for Mrs. Lucille Dufner, associate grand matron of Texas Grand Chapter.

Mrs. Jack Yarbrough Hostess H. D. Women

The Women's Missionary Society of the First Baptist church held the monthly business and royal circle program at the home of Mrs. Jack Yarbrough Monday at 2:30 p. m. with the Blanche Groves circle in charge of the program. A very interesting program was rendered on "Christ, the Answer for Moslem Lands." Delicious date-nut pie and coffee was served to Mrs. M. S. Franks, Nichols, Qel McLarty, J. J. Renfro, E. B. Luce, E. M. Davis, Paul Vane, Acrey Barton, V. E. Kelly, Lee Hemphill, Sherman Taylor, Lewy Parker, J. W. Malone, Beattie Daesch, Fred Lichte, Joe Bitner, Pryor Hammons, Cecil Bartlett, G. H. Miller, A. F. Hale, Delman Elms, Viggo Peterson, Jack Yarbrough, Chas. Hawk, G. L. Walden, D. Gee.

The 67th annual session of the Grand Chapter of Texas Order of the Eastern Star, was held in Dallas at Fair Park auditorium, last week. The installation ceremony of the grand officers for 1949 and 1950 was held in the auditorium Thursday night.

Those who were installed, of interest here, were: Mrs. Flora Best Boone, Grand Conductress. Mrs. Gladys Lang of Earth was installed deputy from this district. Mrs. Pauline Smith of Lubbock, Grand Adah. Mrs. Pauline Baker, Amarillo, district deputy grand matron. Mrs. Elsie Fabens, Grand Examiner, of district two. Mrs. Aunle Daniel of Idalou, deputy grand matron of the Lubbock section. Mrs. Ada Cocconougher, Lubbock, grand representative from West Virginia to Texas. Mrs. Helen Patterson, Floydada, was appointed a member of a committee of grand chapter.

Line officers installed were Mrs. Mable Harle, Port Arthur, Worthy Grand Matron Mrs. Lucille Dufner, San Antonio, associate grand matron. Mrs. Flora Best Boone, Littlefield, Conductress and Mrs. Mildred Garlitz, Fort Worth, Associate Conductress. Dr. H. C. Sloop, Houston, associate grand patron. Mrs. Rebecca Miles, Arlington, re-elected grand secretary, and Mrs. Jettie Hinton, Bayton, grand treasurer.

Highlights of Convention
The session was called the Queen Esther Session of Grand Chapter. The motto, "Faith," taken from the eleventh chapter, first verse, of Hebrew, "Now Faith is the substance of things hoped for, the evidence of things not seen."

The session opened with a reception given by grand officers, for delegates, followed by evening worship at the First Baptist church in Dallas, with Dr. W. A. Criswell, pastor, bringing the message.

The Monday night program was a pageant honoring the Worthy grand matron, Mrs. Esther Baldwin, Wichita Falls. Miss Mary Jane Truman, of Grandview, Mo., sister of the president, responded to the welcome address. Among the many participants were Mrs. Abbie Hanson of Hammond, Ind., most worthy grand matron, and Franklin L. Miles of Boston, Mass., most worthy grand matron.

Mrs. Boone was honoree at a luncheon last Wednesday, given in the Texas Room of the Baker Hotel by the "Flora Best Boone" girls. Table decorations and appointments were of pink and silver, with a centerpiece of huge pink chrysanthemums. The group sang, "We'll be Loving You Always," and "Let Me Call You Sweetheart". Mrs. Boone made a short talk.

The district two banquet, held Thursday night, honoring Mrs. Boone and Mrs. Baldwin, was held in the Adolphus Hotel. Mrs. Blanche Dodgen, retiring deputy grand matron was co-hostess. Mrs. Grace Findley of Littlefield rendered a vocal number.

One of the outstanding programs of the grand chapter session was given by the welfare committee, of which Mrs. Pauline Smith of Lubbock was chairman. \$17,000 was given by subordinate chapters of Texas, and from several individuals the past year. The money is being used for cancer research, rural school aid, European children, and layettes.

Mrs. Emma Ruth Bellomy, worthy matron of Littlefield chapter, served as page to Mrs. Boone during the sessions, and also took part in a drill given by all the worthy matrons over the state.

Woman's Club Plantation Dinner Outstanding, Successful Event

More than 200 attended the Plantation Dinner sponsored by the Literary department of the Woman's club, held at the First Methodist church Tuesday night.

As the guests assembled they were greeted by a hospitality committee composed of Mesdames Pat Boone, W. D. T. Storey, W. G. Street, S. E. Ayres and Audie Collins. Each lady was given a corsage made from a ball of cotton arranged on melle, and the men were presented with miniature bales of cotton. Guests were directed to the reception room of the church, where they viewed the fine arrangements of exhibits made from cotton.

Banquet tables were arranged in the dining room of the church, laid with white linen cloths and decorated with vases of cotton burrs, on stems, painted in three colors, red and silver, yellow and silver and blue and silver. An old fashioned plantation dinner was served. The menu was baked ham, boiled turnips and greens, blackeye peas, corn bread, salads, and pumpkin pie topped with whipped cream.

Mrs. Archie Brown, president of the department, was toastmistress, and she presented Mrs. Roy McQuatters Jr., general chairman of the dinner, who made one of the most interesting and educational talks on cotton that has ever been given in this city. Mrs. R. W. Badger directed a "make believe" radio quiz, and selected several from the audience to answer questions dealing with cotton. A Cinderella staley show was presented, when approximately 25 frocks were modeled by local young ladies, which

Jayceettes Plan Holiday Parties

Members of Jayceettes met at Dyer's cafeteria Tuesday night for a regular monthly business meeting.

Mrs. Jean Dunagin, president, presided over the business session. Plans were made for the Thanksgiving dinner, to be held next Wednesday night, Nov. 23rd, when the husbands will be guests. Plans were also made for the Christmas Day dance to be held December 16th, at the American Legion Hut, which is an annual affair of the club. Members will be granted admission to the dance by each bringing a gift—the men will bring toys for little boys and the ladies, toys for little girls. Those will later be given to needy children for Christmas gifts.

The next regular business meeting and Christmas party of the club will be held at the home of Mrs. Mary Crump, Tuesday night, December 19th, when gifts will be exchanged and "Pollyanna" pals will be revealed.

were made of cotton feed sacks. Karlyn Hulse gave a reading dealing with cotton.

Out of town guests were from Lubbock, Sudan, Amherst, Spade and Greenville.

Eighty percent of the proceeds from the dinner will go toward building a new club house, and the remaining will be used in buying books for the colored school library and other club projects.

Miss Norma Dean Kelly And Wm. M. Lewis Wed

Miss Norma Dean Kelly of 2606 Ave. K, Lubbock, daughter of Mr. and Mrs. D. R. Kelly of Memphis became the bride of Mr. William Madison Lewis, son of Mr. and Mrs. Jim H. Lewis of 2102 Fourteenth, Lubbock, in a service read Nov. 3 at the Calvary Baptist church. Rev. J. T. Clinton performed the double ring ceremony. Mr. Lewis is a brother of Mrs. Frank George of this city.

The bride, given in marriage by Durwood Howard, formerly of Littlefield, wore a white slipper satin gown fashioned with a full skirt extending from the bodice and accentuated by appliques of lace, round neckline complemented with Chantilly lace, and long fitted sleeves that came to points at the wrists. The short veil of silk illusion fell from a tiara of beaded orange blossoms. The bridal bouquet was of white roses and carnations tied with white satin illusion and net and showered with candy tuft and white satin ribbon.

In Wedding Party
The bridegroom's brother, Dan T. Lewis, of Tahoka, was best man and Miss Doris Stanley, was maid of honor. Her dress was of pink satin, fashioned with an off-shoulder neckline and full pink net skirt. She carried pink chrysanthemums encircled with white carnations tied with white satin ribbon. Carolyn Ann Howard, flower

MRS. W. M. LEWIS

girl, was dressed in pink taffeta trimmed in blue ribbon. She carried a silver basket with petals of assorted flowers.

Following the ceremony a reception was held in the home of the maid of honor, 2223 Twenty-fourth, Lubbock. The table was laid with a cream colored lace cloth. White carnations surrounded the four-tiered wedding cake. Mrs. Frank George of Littlefield, sister of the bridegroom, cut the cake. Miss Eula Denton poured, and Miss Willeta Dawson presided at the bride's book.

For a wedding trip to San Antonio the bride wore a navy blue gabardine suit with pink hat, blouse and gloves and other accessories of navy.

The bride is employed as a stenographer at the Southwestern Associated Telephone company. She is a graduate of Memphis High school and Eugene Business college in Eugene, Oregon. The bridegroom, a Baptist minister, is a graduate of Clovis High school and Baylor university.

The couple is at home at 2220 Fifteenth, Lubbock. The wedding guests were from Plainview, Littlefield, Tahoka, and Big Spring.

P. W. Walkers Attend Lubbock Wedding

Mr. and Mrs. P. W. Walker were among the out of town guests who attended the wedding ceremony of Miss Mary Sylvia Jarrott, to Gene Anderson, both of Lubbock, which took place Saturday morning at 9:30 o'clock at the home of the bride's parents, Mr. and Mrs. John Wylie Jarrott, 2016 Twenty-first street. A reception was given at Lubbock Country club after the ceremony.

Mr. And Mrs. Birkleback Ob Thirty-Fifth Wedding Anniversary

PHOTO BY TAYLOR

Mr. and Mrs. B. D. Birkleback, prominent rural couple, celebrated their 35th wedding anniversary, Sunday, November 13, with a big barbecue dinner at the Legion hut, at noon, followed by a church service at the St. Martin's Lutheran church at three o'clock—returning to the Legion hut, for group pictures, unwrapping of gifts, and supper. There were more than 150 relatives, friends and neighbors in attendance, to help the happy couple celebrate the event.

Mr. and Mrs. Birkleback were married 35 years ago at Temple. They moved to Lamb county about 25 years ago, and bought a farm located four miles west of Littlefield, where they have made their home these many years. They have six sons and one daughter. They are George of Burnett; Werner of Littlefield; Ruben and Clarence of Muleshoe; and Walter and Emil Lee, both at home; and the daughter, Mrs. Ingard Luecke of Burnett. All were present at the celebration, as were the children.

Mrs. Birkleback is the daughter of Miss Lilla Sells. She is the primary department school, who was the honoree at the ceremony 35 years ago at the celebration Sunday.

The Birkleback family, known in this section of the county, has an outstanding farm. Mrs. Birkleback has won many prizes for outstanding exhibits, one of the most modern in the entire area. The bountiful dinner from a long table, laid with white linens, centered with arrangements of roses, chrysanthemums, and carnations, was a fitting anniversary, a collection of green was carried in wrappings, and decorated with white and red.

Miss Emma Sell presented a lovely guest book, which she signed and made, and more than 150 guests signed it. At three o'clock the church service was held at St. Martin's Lutheran church. A song, "Jesus Way," in German, at the ceremony, was sung in the service Sunday. When the group returned to the Legion hut, the honor couple presented with many lovely gifts were made by local photographers, of which also a family group was made. The remainder of the day was spent informally.

Mrs. J. W. Rice Hostess At Birthday Party

Mrs. J. W. Rice was the hostess at a birthday party honoring Mrs. Jean Mitchell at the Rice home, 1110 West Eighth street, Monday evening.

Games were enjoyed, and the honoree was the recipient of a number of much appreciated gifts. Refreshments were served to the following: Tommy Dempsey and uncle, Marion Townsend, Charlie Clark, Bill Lynskey, Freddie Packwood, Don Waxler, Misses Janette Fried, Bobby Stewart and Sue Hicks.

Miss Lois Will And John Vrubel Wed Saturday Morning

Mrs. Ellen Will is announcing the marriage of her daughter, Miss Lois Will to John Vrubel, son of Mr. and Mrs. Frank Vrubel of Spade, which took place in Littlefield Saturday evening at 7 o'clock.

The bride chose a pretty brown sharkskin suit, with brown accessories for her wedding. She wore a broze morn corsage, tied with a green ribbon.

Miss LaFurne Hutto was bridesmaid and she wore a grey suit with black accessories and a yellow morn corsage. J. Harris was best man.

Others attending the wedding

were the bride's mother, and sister, Miss Laverne Will. Mrs. Will wore a black crepe dress with black accessories.

After the ceremony the couple left for a weekend trip to New Mexico.

The bride is attending Littlefield High school, and will complete her course at midterm, and will be a member of the graduating class next spring. She is employed part time in the sales and office department of W. W. Electric Co.

Mr. Vrubel is engaged in farming in the Spade community where the couple will make their home.

Dimmitt Player Goes On Scoring Spree In Dust Storm To Defeat Spade Longhorns

Everett Wilkerson, Dimmitt's sophomore halfback, went on a scoring spree in a dust storm at Dimmitt Friday afternoon as the Dimmitt Bobcats clawed the Spade Longhorns, 27-0.

Wilkerson scored three touchdowns and ran for one extra point. Wilkerson got the Bobcats away on the right foot early in the game when he ran 15 yards to pay dirt. Billy Hodges ran the ball over for the extra point.

Wilkerson scored again just before the end of the quarter, this time making 25 yards on the same play which scored the opening touchdown.

The second and third periods were scoreless, but in the last quarter Wilkerson ran 20 yards to

score and Dale Maxwell broke into the scoring bracket with a 30-yard end-around jaunt. Wilkerson and Hodges ran for the extra points.

Miss Bobbie Wooten was crowned football queen during the half-time ceremonies.

Spade failed to penetrate inside the Dimmitt 30-yard line although Ernest Truell and Don Prentice played strong football.

ARRESTED AT SUDAN

Bill Harlan, Littlefield, was arrested in Sudan Friday night by Deputy Sheriff Chester on a charge of driving an automobile while intoxicated. In county court Saturday morning he pled guilty and paid a fine of \$50 and costs.

In 1950 For South Plains Districts Is Announced

of several South Plains school athletic districts met in 1950 as a re-organized 4-A executive committee.

Farwell Is Downed By Springlake

In a puntless game, the Springlake Wolverines drubbed the center of the Farwell line for three touchdowns in a 20-0 victory over the Steers at Springlake, Friday afternoon. A high wind over the field prevented any punting.

Quarterback J. K. Barlow brought in the first marker with an 18-yard plunge through center in the first period.

Farwell came back and was on the four-yard line when the half ended.

The game teetered until the last period when Tailback Junior Smith of Springlake, went through center for two yards and a touchdown. Duaine Barrett carried over the extra point on a pass from Barlow.

Barlow set up another touchdown when Springlake took over on the Farwell 40. Barlow made two end runs good for 25 yards. Smith plunged for the marker from the one-yard line.

Fullback Dale Underwood ran over the extra point.

Friona Is 12-0 Victor Over Anton

The deceptiveness of Quarterback Tommy Laceywell enabled the Friona Chiefs to snatch a 12-0 win from the Anton Bulldogs in a District 3-B football game at Chieftain field at Friona, Friday afternoon.

After three scoreless quarters, Laceywell uncorked two quarterback sneaks that spelled the margin of victory. The first one, good for three yards, climaxed a 92-yard march in which he alternated with Dale Houlette and Roy Lee Jones. The try for extra point, by place kick, was wide of the mark.

The second sneak score, on a two-yard plunge, culminated a 30-yard drive after Anton had kicked from behind the Bulldogs' own goal line.

KAISER - FRAZER CORP. ANNOUNCES \$200,000 NATIONWIDE CONTEST

Batson Motor Company of Littlefield today announced receipt of entry blanks in a \$200,000 nationwide contest to name the new low-priced automobile to be introduced by Kaiser-Frazer Corp. in 1950.

First prize is \$10,000, with 1,023 additional cash prizes. Kaiser-Frazer will match the "Name-the-Car" prize money dollar-for-dollar in a contribution to the Damon Runyon Memorial Cancer Fund in honor of each individual winner, according to T. I. Batson, head of the local dealership.

An additional feature of the contest is the fact that the prize money for each winner will be doubled if he has his present car appraised when he obtains his entry blank. Contestants need only write their name suggestion on the entry blank and explain in 25 words or less the reason for the selection.

"I want the American people to name this new car," Henry J. Kaiser, chairman of the board of K-F said in announcing the contest. "It is a car for all America. It will be a companion to the other Kaiser and Frazer cars we are now producing, completing the full line in every price range."

It will be a standard-size model seating five passengers and will give its owner the lowest maintenance and operating costs of any standard automobile on the road, Mr. Kaiser said.

Contest judges, in addition to Mr. Kaiser, include Walter Winchell, columnist and radio commentator who is treasurer of the Runyon Cancer Fund, and Columnists Leonard Lyons and Dan Parker, officers of the fund.

What Do You Want In A Pump?

Abundant water? Low cost? Dependability?
These things are important... But what about the personal factor? Your Johnston Dealer operates an independent locally owned business... He understands local problems... He takes a personal interest in your Johnston pump... He is equipped to give you on-the-spot service... He is your friend and neighbor... HE IS THE PERSONAL FACTOR.

When you want pump "know-how" for irrigation, industry, or municipalities, go to your local dealer at the sign of the Johnston "J".

Your Johnston Dealer is a specialist in turbine pumps...

Announcing . . .

That I have just completed and announce the opening of another four-room, 2-bath, modern furnished cottage—these rooms for rent to responsible men only.

These bedrooms are beautifully furnished, equipped with innerspring mattresses, and have connecting bath and shower. They all have private entrances opening onto a nice lawn.

I have named this project Duke's Cottages.

St. Martin's Church To Observe Loyalty Sunday

St. Martin Lutheran church will observe Loyalty Sunday next Sunday, November 20th, according to Rev. Carl Schulte, pastor.

This occasion will be observed throughout all of the 2,000 American Lutheran churches of the U. S. and Canada. The purpose aims to spearhead the "Go To Church" movement which has as its goal 100 percent attendance on that day. It aims to stimulate the church by a demonstration of its unity by asking every congregation to do the same thing on the same day.

Church Loyalty Sunday will serve as a focal point for the emphases which are being observed in the American Lutheran church this year: Parish Education—promotion of the family altar; Stewardship—proportionate giving to the Lord; Evangelism—inviting the unchurched to share the blessings of the church.

A special ceremony of re-dedication of self to Christ and His Church will be held, in which each member will answer his own "Yes" Special recordings, containing the voices of Dr. E. Poppen, president of the American Lutheran church, and Dr. H. Schuh, director of stewardship and finance, will be heard in the service. An offering for the expenses of the local congregation will be received.

Attendances for both church and Sunday school will be noted and telephoned in to key men in the locality who in turn will compile them and wire them in to headquarters in Columbus, Ohio.

This is the first experiment in church-wide co-operation of this nature, and results will be observed with great interest.

RETURN HOME

Mrs. E. J. Packwood returned Tuesday from a trip to Galt, Calif., where she went to visit a sick brother. She was accompanied to and from California by a sister Mrs. Leroy McGruder, and two brothers of Wayne, Mo., who are visiting in the Packwood home.

County Cotton—

[continued from page one]
1940, 45,051 acres; 1941, 44,156; average two-year period, 45,103. Estimated quota for 1950 using same 41.5 percent increase would be 63,920 acres, for an increase of 18,717 acres.

It must be borne in mind, however, that the same percentage figure of 41.5 (approximate), was not used in figuring the announced quota in Terry county. For the year 1940, Terry quota was 91,383, and for 1941, 96,958, a two-year average of 94,170. Their announced quota is 119,464 acres, an increase of 25,294 acres, or a 27 (approximate) increase. Using the Terry county figured increase of 27 percent, Lamb county's allotment would be 172,539 bales, an increase of only 36,681 acres. By the same method of figures, Lubbock's increase would be 47,679 more than in 1940-41, for a total of 224,639 acres. This is 25,966 less than their announced quota, showing that the same measuring stick was not used for both counties, which in turn makes it certain that some other factors, (probably number of increased farms and farmers in a given county since 1940-41) may also be given consideration in the figuring of 1950 quotas. Using either the 41.5 percent or the increase figure in Lubbock county, or the 27 percent increase allotted to Terry county, or even a percentage increase figure between the two would in either event give Lamb county a substantial increase over the 1940-41 permitted acreage.

There is also every reason to believe that the cotton production figures of 1947-48 are being utilized in figuring the 1950 quotas, 86 percent of the 47-48 production is the figure we have employed in figuring the Lubbock and Lamb quotas, and have probably been considered or used, in setting other county quotas.

In the absence of actual figures of the total cotton production for the years 1948-49, and not having same at hand, our computation of the acreage for the counties of Bailey, Cochran and Hockley, are based on their allotment in 1940-41. Actually when figured on the basis of 1947-48 planted cotton acreage, the allotted acreage for those counties will be substantially higher.

In any event in each of the counties mentioned, the comparison of quotas for 1940-41, and the new 1950 quotas, will be a subject of keen interest to all cotton farmers, and may in turn be the basis used for filing protests or asking revision. In past years, quotas were frequently changed from year to year.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 17, 1949.

NUMBER 35.

Camera Tells Story Of 4-H Activities In County

Improved Room As Demonstrator

The above shows a picture of Catherine Foltyn enjoying the room that she and her sister Dorothy completed as a 4-H demonstration. This room was formerly a storage loft. The room was boxed up, new floors added, papered, and storage space was provided and furniture was built. Their father did the carpentry work.

The girls helped their mother finish the floors, paper the room and arrange the storage space.

This was on the demonstration listed in the record which helped Catherine to win the Santa Fe trip.

Catherine Foltyn of the Littlefield school won the Santa Fe award for her record book. This is an all expense paid trip to the National 4-H congress.

4-H Recreation Group

Above is a part of the Lamb County 4-H Recreational Group which was organized in August when Miss Dorothy Brightwell was in the county.

Catherine Foltyn, Littlefield; Charles Clark, Littlefield; Dorothy Foltyn, Sudan; Donald Foltyn, Sudan; Leonard Gilmore, Springlake; Sherry Pace, Littlefield; J. G. Simmons, assistant county agent; Dee Dahl Jones, Littlefield; Leroy Barlow, Springlake.

Other members of this group are: Verlie Gregson, Eugene Young, Dorothy Foltyn, Pat Blessing, Mildred Gregson, Vernel Pugh, Carrie Ivie, LaQuida Thompson, Veneta Stewart, Dee Dahl Jones, John Ed Blessing, J. A. Sanders, Leonard Gilmore, Donald Foltyn, Catherine Foltyn, Billy Gee and Kenneth Rhodes.

Adult leaders are Mr. and Mrs. J. B. Davis, Amherst; Doc Leonard, Spade; and Mrs. C. E. Jones, Littlefield; J. G. Simmons, assistant county agricultural agent, David F. Eaton, agricultural agent, and Miss Dudley Hambricht, act as advisors to the group.

Awards Given For Outstanding Club Progress Made

Clothing, Food Supply Major Demonstration

Three hundred and fifty-three 4-H Club Girls are enrolled in Lamb county.

In 1949 clothing and family food supply was taken as the major demonstration. However, most of the girls took home improvement, poultry, food preservation, gardens, and better methods along with their other demonstration. Every girl in the county was entitled to enter the recreational group. These girls have done very outstandingly.

Verlie Gregson won the \$60 cash award for Better Methods in Electricity given by the Southwestern Public Service Company.

To Jo Ann Nix of Amherst, and Mildred Gregson of Sudan, went the awards given by the Danforth Foundation, each a book, "I Dare You". These were for merit in leadership.

Five silver medals of honor were awarded by the Simplicity Pattern Co. to Lamb county girls who made the highest score. To win an award the score was 90 or above in the Dress Revue. They were Catherine Foltyn, formerly of Sudan, now of Littlefield school, county winner, Verlie Gregson, Spade, Charlotte Garner, Olton, Yvonne Fox, Sudan, and Melba Sue Cowan, Fieldton.

To Anita Stewart, the International Harvester Company awarded a gold filled medal for best work done in frozen food.

To Carrie Ivey and Dee Dahl Jones, both of Littlefield, Allis-Chalmers Co. awarded gold filled medals of honor for good gardens production and records.

To Dee Dahl Jones, Dearborn Motors Corporation, awarded a sterling silver medal for her poultry flock.

Naydene Allen, Olton, Dee Dahl Jones, Littlefield, Mildred Gregson, Sudan, were state recreational leaders at Roundup, each receiving a free trip.

Catherine Foltyn, Dee Dahl Jones, Mildred Gregson, and Jo Ann Nix were recreational leaders at District camp.

MAKE PHILOSOPHER HAS TO DOUBLE BUSINESS IN U. S., CAN'T MAKE HEADWAY WITH IT

The philosopher on the grass farm on Bull Creek has a preposterous idea if you ask me, but it's his time.

The country is getting what the experts call prosperity and things are normal, some of them to an article I read in the paper.

I don't know what they do about getting the country as rich as it can be, but I do know that the fundamentals of the economy during wartime were to put all sorts of effect, but the war made no difference apparently. It had things should be allowed to normal, where it isn't more bar-

FIRST ALL-STEEL HOME COMPLETED

Another "first" was added to the many others, of which Littlefield can acclaim, is a new all-steel home, completed last week by the Lustron Company, fabricators of all-steel homes. The 5-room all-steel residence was brought to Littlefield on Lustron company special conveyors, and with it came company trained workmen, to erect the pre-fabricated house which also includes complete heating air-conditioning, and many other features, all ready-built-in.

It is the new home of Mr. and Mrs. L. S. Wilson, located on East Eleventh street, and now occupied by them.

Mr. Wilson is associated with his father-in-law, P. W. Walker, at his grain elevators. Pending completion of their new home, they have been temporarily living with the Walkers.

GRANDMOTHER OF MRS. PAT MANN DIES

Mr. and Mrs. Pat Mann were called to Arlington recently to attend funeral services for her grandmother, Mrs. L. B. Johns, who died at her home Wednesday, Nov. 2.

Services were held in Arlington, the next day.

Mr. and Mrs. Mann have returned home. He is secretary of the local Chamber of commerce.

Funds Made Available To Farmers For Home Building, Other Purposes

South Plains farmers who want to construct homes or other farm buildings or make improvements to their properties may now borrow from funds just made available to the Farmers Home Administration, John Barbee, county supervisor of the FHA, announced.

Congress recently appropriated money for an extensive improvement program, of which Texas is scheduled to receive \$17,737,000.

It is not yet definite how much of the Texas fund will be available to West Texas farmers, but of the Amarillo district, one of 10 in the state, receives one-tenth of the sum then \$173,740 would be available to farmers of the area.

Must Own Farm

These loans are made by the FHA to finance new construction and to improve, alter, repair, or replace a dwelling or other buildings essential to farm operation. To be eligible for a loan, an individual must be a farm owner, unable to get a loan elsewhere and lack the necessary capital to make the needed improvements. One must be able to repay the loan from farm and other income, on a five, ten, fifteen, twenty or thirty-year basis.

Farm laborers and tenants are not eligible for the loans, but an owner may borrow money to build or repair houses and other buildings for his tenants.

The loans are payable at four percent on the unpaid principal balance.

Certification Necessary

All applicants and farms must be certified by a local committee before the state field representative approves the loan. Oris R. Bruner is the state field representative for this district, which includes the Panhandle of Texas extended to the south line of King county and west to the New Mexico line. The Lamb county committeemen are

Mr. and Mrs. Pryor Hammons attended funeral services recently for W. L. Davis, 74, of Post, who died at his home Sunday, Nov. 6. Services were conducted from the First Baptist church, Monday, Nov. 7, with the pastor, Rev. T. H. Gil-

Ham, officiating.

Mr. Davis was well known in this section of Texas, and was a pioneer resident of Post. He was engaged in the furniture and funeral business in Post for many years. Ill health forced him to retire from business about six years ago.

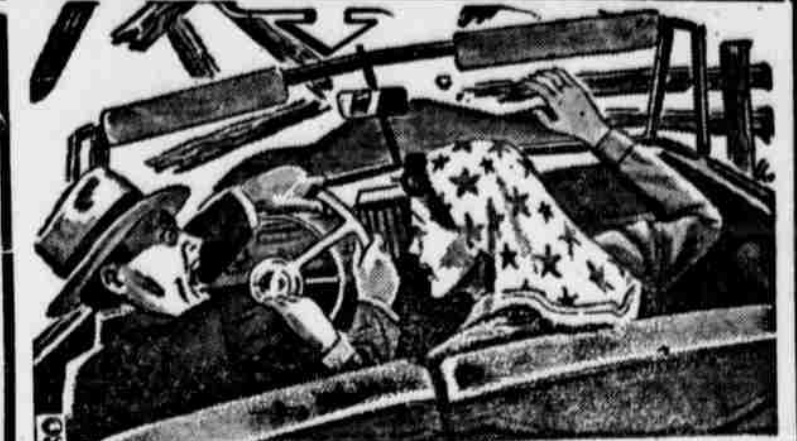

Surviving are his widow and a son, Bill J. Davis of Austin.

New Scale Voted For Cotton Pickers

A mass meeting of farmers of the Shallowater community held last week, it is reported, voted overwhelmingly to reduce the price paid to cotton pickers from the prevailing \$2.25 and \$2.50 rate, to \$1.75 in the field and \$2.00 delivered at the gin, the new scale to become effective Monday morning of this week. Similar action is said to have been taken at various points in Lamb county.

The Shallowater meeting voiced the general opinion that the recent freeze had sharply reduced the grade of cotton still in the field to such an extent that much of it would not bring much more than \$75.00 a bale or 15 cents a pound, under government loan, and that under such circumstances it was impossible to continue to pay an average of approximately \$40 per bale for picking.

The prevailing rate of pay for pickers here, according to TEC is \$2.00 in the field and \$2.25 at the gin.

What's YOUR price tag on happiness?

The comfort that's found in all-coil springs, a husky, steady-traveling understructure, cushions that are deep and soft and wide enough to let you spread yourself a bit.

Even that extra swelling of the chest that comes from owning a car you know everyone respects and admires.

In a word — your happiness. It's never out of our mind in planning this car — nor in making very sure each dollar of cost gives you the greatest possible benefit.

That's why we rather proudly ask you to go see — and try — this Buick SPECIAL. It's priced like a six, in spite of the fact that like all Buicks, it's a big-powered Fireball valve-in-head straight-eight.

And we honestly believe that it puts a lower price tag on your motoring happiness than any other car you can buy today! See your Buick dealer and find out about that.

JUST what do you see in this handsome, tidy-sized Buick SPECIAL pictured here?

The smartest bit of automobile styling on the road today? The standout beauty of tapering fenders — the sturdy protection of a wholly new front-end design?

The prestige that's in the Buick name — the solid, road-wise steadiness Buick has always stood for?

Your chance to get in on the perfect smoothness of Dynaflow Drive* — this being the lowest-priced car on which that sensational new transmission is available?

*Optional at extra cost.

They're all there, every one of those things. And for a good reason that may go a bit beyond the usual idea in designing an automobile.

For, a long while ago, we graduated from the idea that a motorcar is merely a means of getting about.

The way you travel is pretty important too. The lift that's yours in knowing there's no prettier picture anywhere on the highways. The "kick" there is in a power plant that's lively and eager and always ready to get in on the fun.

When better automobiles are built BUICK will build them

Dallas Man Guest Speaker Here At Church Meeting

Ivy Boggs, vice-president of the Texas Baptist Brotherhood, of Dallas, was guest speaker at the regular meeting of the Men's Brotherhood, held Monday night at Dyer's cafeteria.

Mr. Boggs used as his subject, "Man and Boy Movement." He flew between 40,000 and 50,000 miles last year in 18 southern states and the District of Colum-

bia, in the interest of this movement to help boys, their community, and our country.

F. Ivy Boggs is a layman with a story. A story and an idea which is affecting the thinking of men and boys over the South. As he told the story to the Brotherhood Conference in Ridgecrest, N. C., in 1947, he was searching for an activity that men COULD and WOULD undertake, and one related to evangelism. It is easy, he said, to talk about enlisting men in personal soul winning, but the men of his church who actually participated, were few. He had prayed about it for weeks and the answer to his prayer came suddenly and in an unusual way.

On his way to his office he came upon two little boys on their way to school. When asked by Mr. Boggs if they went to Sunday school, one boy smiling said, "Yes, Sir, I do". The other boy said, "Naw! we don't go to Sunday school at our house". Mr. Boggs told the boy he could go through the school he was attending, high school, and college, but if he did not learn about Jesus and His church, that he would go through life like a three-legged dog. The boy was invited to Sunday school and began attending.

Thus was born the "Man and Boy Movement". A man finds a boy, takes him to Sunday school for four Sundays.

It works because men are inter-

ested in boys. Except the boy be converted, it will do the men who takes him as much good as it will do the boy, for it is good for a man to practice Christianity.

The above is a story that has been carried in leading newspapers about F. Ivy Boggs, of Dallas, Tex., founder of the "Man and Boy Movement."

Mr. Boggs was well received here by the local Brotherhood Monday night.

ATTEND DISTRICT CHURCH MEETING

Several ladies of the Woman's Missionary Union of the First Baptist church, attended the annual District Nine W.M.U. meeting held at Levelland Tuesday. A number of the young people attended the evening service, when a concert was given by the International Choir from Wayland College, Plainview.

District Nine is composed of eight associations. Annual meetings have heretofore been held in February.

Mrs. R. E. L. Patillo of Lubbock is president of the organization, and presided at the sessions. Reports of various committees, and plans for the year's work was discussed.

Mrs. John Bryan, returned missionary from China gave the inspirational devotional. Mrs. J. O. Williams of Nashville, Tenn., brought the message.

The day program was concluded by a special dedication service for Mr. and Mrs. Herman Sanford, who are leaving in January for Nigeria, as appointees of foreign mission board. Dr. J. W. Marshall was in charge of the service.

Rev., Mrs. Hemphill Attend Revival At Lubbock Friday

Rev. and Mrs. Lee Hemphill attended the Friday morning service of the revival meeting at the First Baptist church at Lubbock and had the pleasure of hearing Dr. R. G. Lee, president of Southern Baptist convention of Memphis, Tenn., who is holding the services.

They were also luncheon guests at the home of her aunt and uncle, Rev. and Mrs. J. F. Nix at noon Friday, when Dr. Lee was honor guest. Others attending the luncheon were Dr. J. Ralph Grant, pastor of the First Baptist church, Lubbock, and Euell Porter, Abilene who is in charge of the song service. Joe Nix, son of Rev. and Mrs. Nix, was also in attendance.

ATTEND WAYLAND PROGRAM THURSDAY

School Supt. Joe Hutchinson and Rev. Lee Hemphill, pastor of the First Baptist church, attended a specially-called chapel program of the Wayland College student body and faculty members, at Plainview last Thursday morning, at 8 o'clock, when Dr. R. G. Lee, president of the Southern Baptist Convention, and pastor of the Bellevue Baptist church, Memphis, Tenn., brought a challenging message.

This is the first time in the history of Wayland College that it has had as a guest speaker the president of the Southern Baptist Convention.

Dr. Lee told the congregation how they should yield the six main organs of the human body, which include the eyes, ears, hands, feet, mouth, and heart, to the work of Christ in their everyday living.

Henderson-Olivas 10-Rounder At Tech Today

South Plains boxing fans will get a chance to see a good scrap and help found a scholarship at Texas Tech, Lubbock, when Billy Henderson takes on Tony Olivas in the main event at Sled Allen's arena Thursday at 8 p. m.

The Henderson-Olivas 10-rounder and four other bouts are scheduled for the program, which is sponsored by the Future Farmers of America chapter at Tech. An FFA scholarship fund will be boosted with proceeds from the bouts. Henderson, Tech aggie major, and Gene James, former Tech student, have joined Leonard Duncan, Hale Center, in donating their purses for the evening's work. Tickets for the bouts are priced

at \$1.25, \$2.25 and \$3.25. Tickets are on sale at hotel, Lubbock; Tally shop, Levelland; and FFA members.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Legionnaires Attend Day Breakfast Friday

Legionnaires attended breakfast Friday at the Legion. Wayne Butler of the food preparatory committee, toast, jelly, were served. A good time is reported.

Services Held For Accident Victims

Graveside rites were conducted at Anton at 2 p. m., Friday for Juan Herrera, Jr., 8, and his nine-month-old brother, Ricardo, who were injured fatally at 3:15 p. m. Wednesday previous, when the cotton truck in which they were riding was demolished when it was in collision with a Santa Fe freight train.

Meanwhile, three other members of the Herrera family injured in the wreck at a grade crossing three-fourths of a mile east of Anton, remained in Littlefield Hospital and Clinic.

Attendants reported all three were "out of danger." However, x-ray examination showed that the father, Juan Herrera, sr., 50, received four fractured ribs, fractures in both feet and an ankle, and a fractured hand.

Funeral arrangements were carried out by Hammons Funeral Home of Littlefield. Services were conducted at the grave in the Anton cemetery Friday afternoon at 2 o'clock by Rev. Father Higgins, Catholic pastor of Sacred Heart church of this city.

County Man Is Manufacturing, Selling, Cotton Picking Machines

which this year's chance of being the largest cotton producing in the entire nation, and the first place only to the county of Lubbock, a crucial shortage of men, even more acute than in the past, this year has multiplied the purchases of mechanical equipment.

It is pointed out that at up to a hundred, demanded by transient and local men with boll pullers sell for \$1,000 and less, that a mechanical picker will not only pay for itself this year, but leave a profit, or surplus.

There are numerous machines on the market, and machines bearing trade marks, will be sold in Lamb county cotton fields as defoliation is completed.

Among them will be a new picker patented by a Lamb county man and being built on a modest scale by the Lamb county citizens, Fred Beisel, at Yellowhouse Switch, where he operates a machine and blacksmithing shop, and also builds this new all-steel boll puller. The only part of the entire machine which is not of steel construction, according to the maker, is the rubber tires on which the machine travels.

For many years, Mr. Beisel lived in Littlefield, as did his two brothers, Dick and Bill, who operated a machine shop on XIT Drive, but he left here about 15 years ago.

Three years ago, he moved to Lamesa, when he secured the patents on this new boll puller, and

Lamb County Owes State \$3500

Lamb county is one of ten counties in the state that owes a debt to the state since 1918 and 1919, in the amount of \$3,500.00.

State Auditor C. H. Cavness in an official audit of the state treasury department, said the legislature should clear the debts off the state's records—either by taking action to collect or by charging them off by law if the latter method is legal.

Cavness said the legislature loaned \$905,200 to various counties for drought relief in 1918 and 1919. Most of the counties repaid the advances in full within the following few years.

Unpaid balances of the other eight counties were listed as, Brown, \$10,670; Fisher, \$1,675; Kent, \$12,400; Kerr, \$153; Lamb, \$3,500; San Patricio, \$453; Scurry, \$4,481; and Stonewall, \$950.

Cavness noted that he had called attention to the debts in earlier audit reports. He said that in 1943 letters were sent to each of the counties requesting confirmation of the indebtedness and attitudes toward payment.

In an interview with County Judge Otha Dent, Tuesday, he states that he was of the opinion that Lamb county should not have to pay the 30 year old debt.

Texas Yield Is Estimated At 5,600,000 Bales

The Agricultural Department Tuesday issued its monthly forecast of cotton production, and revised their October estimate upwards by 78,000 bales for the nation as a whole. The Texas estimated increase was 100,000 more bales, Oklahoma, 60,000 bales, Arizona, 15,000, 20,000 in Missouri and Tennessee and 10,000 in Mississippi.

North Carolina, Georgia, Alabama, Arkansas, New Mexico, and Louisiana prospects were sharply decreased in the report, but not enough to offset the gains in the other states.

Texas is expected to produce 5,600,000 bales.

The forecast lists 15,525,000 probable this year. Average for the 10-year, 1937-47 period was 11,308,000 bales.

Only twice in Texas history has this year's crop been exceeded, 1937 and 1926.

Farmers in the cotton belt will vote on quotas for the 1950 acreage on December 15. The Agriculture Department seeks to limit production to around 12,000,000 bales.

Steel Strike Affects Lamb Cotton Growers

on the entire cotton industry on the South Plains.

The effect is a critical shortage of steel ties or straps used in the baling of cotton, now anticipated.

A prominent cotton official, who did not want his name quoted, made the statement this week, that not more than two weeks supply was on hand on the South Plains, and that in his opinion, a sharp curtailment of operations if not shutdown of many gins was inevitable in the near future, until steel mills can get into production.

Even after production resumes, it will probably take several weeks before the steel can be processed into usable form for use by the ginners.

One local ginner, however, yesterday was optimistic that he and most other ginners had sufficient supplies to carry through until steel was available.

The steel strike, which as of today appears to be almost settled, is likely to have a serious effect

Verlie Gregson Places First In Electric Contest

Verlie Gregson, 4-H Club girl of Spade, and daughter of Mr. and Mrs. J. S. Gregson of Spade, was first winner in the 1949 Texas 4-H electric contest. She received \$60 cash award from the contest. This contest was sponsored by the following Texas electric service companies: Central Power and Light, Community Public Service, Dallas Power and Light, El Paso Electric, Gulf States Utilities, the Houston Lighting and Power, Southwestern Electric Service, Southwestern Gas and Electric, Southwestern Public Service, Texas Electric Service, Texas Power and Light, and West Texas Utilities company.

County extension service agents handled the program in the counties and it had as its objective the finding of a better way to do jobs on the farm and in the home through the use of electricity.

The award will be made by the Southwestern Electric Service, the sponsor in this area.

Verlie made a study of time, energy, and motion saved in using the electric sweeper. She kept the record on the time, analyzed the job, broke down the job and then made a plan to improve the time used.

Other 4-H boys and girls receiving these awards are: Steve Edwin Davidson, Channing, Moore county; Verlie Gregson, Anton, Lamb county; Jimmy Bounds, Memphis, Hall county; John D. Alcorn, Karnack, Harrison county; Roland Ray Davidson, Big Spring, Howard county; Hubert Frerich, Rowens, Runnels county; Ward Rentz, Waco, McLennan county; James Waldrop, Beckville, Panels county; Merle Rother, McDade, Bastrop county; Edward Rachunek, East Bernard, Wharton county; James Baytes, Brownsville, Cameron county, and Christine Elliott, Loving, Young county.

John Barbee Named Land Appraiser

John Barbee who has been with Farmer's Home Administration for a number of years, and Lamb county supervisor for the past three years, has been appointed district land appraiser for Farmers Home Administrators with head-

quarters in Amarillo. Mr. Barbee is on the new field now, and Mrs. Barbee will join him in Amarillo, as soon as they dispose of property here. They reside in the Duggan Addition on 13th street. They have one son, Bill Barbee who is a student at Texas Tech, Lubbock.

Fred N. Warren of Lubbock has been appointed acting county supervisor, until the position is filled permanently.

Awarded Silver Medal Leader at 4-H Club Camp

Ruth Stansell, 4-H Club girl and clothing demonstrator of Olton, daughter of Mr. and Mrs. A. F. Garner and age 11, has for two consecutive years been awarded a silver medal by the Simplicity Pattern Co. for making and modeling a dress. She is the youngest girl in the county to twice receive this award.

She was clothing demonstrator for the Olton 4-H Club.

The dress she modeled at the Dress Revue in the spring was of floral pique. The cost included: 3 yards material at 59 1/2 cents per yard, \$1.87; 2 zippers, 45c; 2 spools thread, 10c; McCall's patterns, 50c—Total \$2.95.

Mr. and Mrs. Wm. Brune had as their weekend guests, Mr. and Mrs. Otto Henville of Amarillo. Mr. Brune is supervisor of the Littlefield schools.

Dee Dahl Jones With Her Poultry Flock

In the picture above Dee Dahl Jones, 4-H Club girl, aged 14, daughter of Mr. and Mrs. C. E. Jones is seen with her poultry flock.

Dee Dahl is the Gold Star Girl for 1949. This award is given each year to one 4-H club girl in the county by A. and M. College. To receive this award a girl must have completed three years in 4-H club work, must have a good established demonstration and must have leadership ability as well as achievement.

Dee has carried demonstration in home improvement, garden, clothing and poultry.

She helped lead recreation in the county and in the district and at the state meeting.

Dee also has her own cotton. Her father planted it and she hoed it. This year Dee was awarded the garden medal by Dearborn Motors Corporation. She stored or processed 223 containers of vegetables and planted, harvested and sold \$83.95 worth of vegetables.

She has kept record on her flock of 155 white Yeghorns. The following shows her record from February through July.

Mo.	Doz.	Eggs Sold or Eaten
Feb.	77	\$38.85
March	169	86.63
April	128	78.80
May	133	76.99
June	76	37.25
July	5	2.35
Total	588	\$319.72

Total expense was \$241.35. She made a profit of \$78.37 for six months. The money she made on this project was used to help pay her way through summer band at Tech.

Dee has been a 4-H Club girl for six years.

Mr. and Mrs. Bennett Buy George's Bakery

A deal has been consummated where Mr. and Mrs. Bennett Phillips have purchased George's Bakery, and took possession last week.

Mr. and Mrs. Phillips have been residents of Littlefield for many years, and Mr. Bennett has been employed by the bakery since 1946.

Mr. Phillips have announced that they will continue to handle Freshie bread, and make a large selection of pies, cakes, cookies, doughnuts, rolls, etc.

They will appreciate a continuance of the business formerly enjoyed by Mr. and Mrs. George and invite new people in the area to visit them for their bakery needs.

1950 FORD IT'S HERE FRIDAY AND 50 WAYS NEW!

WITH THE EXCLUSIVE NEW 100 H.P. FORD

ITS QUIET WHISPERS QUALITY

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

NEW SOUND CONDITIONING

New "sound conditioning" in floor, doors and body panels insulates Ford's "Lifeguard" Body against road noises. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

There's a Ford in your future...with a future built in

NEW "HUSHED" RIDE

Ford's famous "Mid Ship" Ride is now so quiet you can talk in whispers while traveling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

NEW QUALITY FEATURES

New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a feather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

NEW DRIVING COMFORT

Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.
