NUMBER 30.

Johnny Fields, Royce Turner Top Cotton Producers Among County 4-H'ers

Both To Compete For District Honors

Fields Gets Award For Dryland, Turner Has 2.25 Bales On Wet

By BOB HANEY, Asst. County Agents

Johnny Fields of Littlefield and Royce Turner of Pleasant Valley are the top cotton producers among 4-H boys in Lamb county and theirs is a story of hard-fought battles against drought and insect invasion.

The boys were among 12 youngsters who submitted their cotton production records to the County Agent. As top producers in the county they will vie against 38 boys from 20 other counties in the South Plains district for the district cotton-growing championship, which will include a \$125 award and plaque furnished by the Plains Co-op Oil Mill of Lubbock in cooperation with the Extension service.

263 POUNDS OF LENT

Fields, a member of the Littlefield Senior 4-H club, captured first place honors in the county dryland cotton production with 263 pounds of lint cotton per acre. Turner, a member of Pleasant Valley 4-H club, won the irrigated production record with a whopping 2.25 bales per acre on a five acre plot.

Johnny started his operation in late February by cutting cotton stalks of the previous year. After preparing his land, Johnny planted on May 12 and again on May 25 due to the blowout of his first planting.

The cotton was hoed July 4 and cultivated twice after the hoeing. Harvesting started Oct. 8.

Poll Favors Four-Lane Highway Three To One

Two-Thirds Of Votes From Lfd With 78% In Favor

Road Opposed On Grounds It Would Make Taxes Higher

More than seven out of ten persons who marked ballots in the newspaper poll say they favor a bond issue to buy right-of-way through Lamb county for widening Highway 81 to four lanes. The others opposed it on grounds of making taxes too high—except one who said it would hurt business in Littlefield.

About two-thirds of the ballots received were from Littlefield residents. They ran 78 percent in favor of the project.

Voters east and west of Littlefield split 50-50 on the matter. One said, "Our present roads should have gone with the Model T." Another said, "It would increase our tax too much for what benefits would be derived."

Only two ballots were received from north of the sand hills. One in the northeast corner, which is farthest away from the proposed road was for it. One in the northwest corner, closer but still some distance away, was against it.

All the ballots from south of Littlefield favored the improvement.

The county judge has estimated that it would take a \$350,000 issue to buy all the right-of-way needed in the 32 mile line across the south side of the county. County officials estimated it would take a levy of about 5 cents per \$100 to service such a bond issue.

All other counties between Lubbock and Littlefield favored the improvement.

A four-year-old Olton youngster stole the fanfare from the victory party celebrating the successful membership drive of the Lamb County Farm Bureau here Monday at the Community Center.

Home Canvas for Directory Started Tues.

Pressing Lamb county homes for information to go into the Lamb County Directory, was Tuesday by W. J. Winter, director of Amarillo.

Winter said a canvass of business establishments in the county was almost complete and that directory would probably be ready by early Spring. It will be given to county residents free of charge and will be self-supporting by advertisements.

Section Called for Incorporation Springlake

County Judge Robert Kirk announced Wednesday that he has set a hearing for Friday, Feb. 11, in a petition requesting that the town of Springlake be incorporated.

The hearing will be held at the home of V. P. Turner in Springlake. State law allows areas with a population of 100 or more to incorporate. If incorporation is made, it should carry the town with all municipal officials and offer more municipal services to residents.

Evening Courses Start At Center

The opening of Lubbock is being held at Littlefield and commencing Saturday will give half-hour evening lessons to adults students.

Registration and first lessons will begin at 4 p.m. Saturday in the Community Center. There will be classes for adults, senior citizens, junior high students and children under junior high.

The course of instruction will include six modern dances including the Mambo. Chennault taught dance here last fall under the auspices of the Arthur Danes Dance Studio.

\$400 RECEIVED IN OLTON LOANS SALE

The sheriff's sale of 88 Olton lots on Tuesday at the Lamb county courthouse resulted in \$5,482. Mayor F. Hollingsworth of Olton reported the average was \$62 per lot. It was the third sale of Olton lots in three months and payment of delinquent

Nearly News

Thanks are in order to the Jaycoes for making it easy for Lamb County folks to pay their poll taxes.

You've probably noticed that anytime there's a job that needs doing for the town or county which takes a lot of work but not too much money, the Jaycoes will usually end up taking care of it.

Am expecting to see them out repainting our street markers one of these days.

Over coffee one morning a trio of local yokels were talking about how the highway patrol ought to grade our highways for safe speeds. They contended that 60 mph is too fast on many of the hilly roads and slow on four lanes. They thought the legal speeds should be varied according to the road and the speeds posted.

THE LONG AWAITED DAY FINALLY arrived Monday for county officials when the new \$900,000 Lamb county courthouse was turned over to the commissioner's court as "constructively complete" by the architects and contractors. Participating in the "opening-the-door" ceremony are from the left: Atmar Atkinson of Lubbock, the architect; Chris Severin, building supervisor for the architect; Commissioner Hubert Dykes, Commissioner Don Bryan, Commissioner Bill Jeffries, Commissioner Sam Coarley and County Judge Robert Kirk. Not shown is the contractor B. P. Horn of Abilene. Judge Kirk said it would probably be two weeks before the shift of files and personnel to the building is made. (Staff Photo)

Sudan Groups To Form Health Council Tuesday

SUDAN—School Superintendent C. O. Gresser and School Nurse Mrs. Halbert Harvey are sponsoring a meeting of representatives of all Sudan organizations Tuesday, Feb. 8 at 3 o'clock in the high school auditorium to organize a Health Council to study community health needs.

Among the proposed duties, if a council is organized, is to create a revolving fund to make loans for health needs or to be used as a rift for persons who are unable to pay for health care. The fund would also provide a community agency close with various hospital items needed for home care of the sick.

Frank Bartley Buys Franklin Variety Store

Frank Bartley of Levelland, former Littlefield businessman, and brother of Gene Bartley, operator of Bartley's Western Store, has purchased the Ben Franklin Variety Store on Phelps avenue from Roy Ater of Albuquerque, N. M.

Bartley, a graduate of Texas University, lived here for several years when he was associated with Cal Harvey in the Frigidaire agency. He will continue to reside in Levelland. Harry Level will remain as manager of the store.

Dimes Drive Ends Saturday, Goal Not In Sight, Talent Show Tonight

Lamb county's March of Dimes drive will officially close Saturday but Chairman Howard Horne said this week the \$100,000 goal is far from in sight.

He reported Monday that \$2440 had been turned into him so far. Horne said the Mothers' March on Polio Saturday night, conducted by Jaycee-Ettes and members of the PTA, resulted in \$134.16.

An auction sale Friday afternoon resulted in only a slight attendance and about \$65. The sale

was continued Saturday afternoon in front of the First National bank and total proceeds from the auction were \$204.11.

TALENT SHOW

Another fundraising project for the Dimes drive is set for tonight at 8 p.m. in the Littlefield high school auditorium. It will be the March of Dimes Talent Show and all proceeds will go to the polio fund. Admission will be 50 cents for adults and 25 cents for children.

PEP DANCE

Tomorrow night at 9 p.m. PEP community will sponsor a benefit dance for the polio drive. Music will be by Jack Huddle and His Circle 13 Duke Ranch-Boys.

Popular KDU-B-TV entertainers at Lubbock. Admission will be \$1.25 per person.

Horne reported that about eight acts have been booked so far for the talent show and more are expected. List known of the persons who have volunteered to appear is TV Star Hope GRIT, but the others are well known to the community.

Among them are the radio quartet, Littlefield Four, dancer Sue Carpenter, performers Williams and the Silent Five, Wayland Jennings and his band, Barbara Massengale, singer and Alice Ann Brock, singer and guitarist.

Other entertainers who are willing to help out in this benefit have been asked to contact Horne at telephone 95.

Sunnyvale HD Club will hold a benefit "42" party at the Legion But Friday at 7:30 p.m. Admission is 50 cent per person, with all proceeds going to the March of Dimes. Pie and coffee will be served to every person with a ticket.

Heavy Turnout Seen Saturday For Springlake School Vote

A heavy turnout of voters—possibly as many as 1,000—is expected Saturday at Earth when residents vote on the question of whether or not to abolish the Springlake Independent School district.

Polling place will be the Earth Community Building and hours will be from 8 a.m. to 7 p.m., according to L. T. Smith, who has been appointed to preside over the election.

County Judge Robert Kirk ordered the election last week as mandatory under state law when a petition, containing 91 signatures, was presented to him. Purpose of the election is to make it possible to set up a new school district which would build schools in Earth.

Only qualified voters of Lamb and Castro counties, who have lived in the state at least one year and the school district at least six months, may vote. They do not have to be property owners.

The election climaxes a struggle which has been going on for nearly a year to get \$400,000 in new school buildings erected in Earth instead of at the present site approximately midway between Earth and Springlake.

Last fall in an unofficial election, the present site won in a 292-247 count, but proponents of moving to Earth claim that a

number of unqualified persons cast ballots at that time.

Persons in favor of abolishing the school district say that if the election is successful they will ask the county school board to operate the schools until a new school district can be formed.

The ballot will carry two questions:

"For abolishment of the Springlake Independent School District," and "Against the Abolishment of the Springlake Independent School District." Voters will strike out the proposition they are against, leaving the proposition they favor.

First Baptists To Observe Two Anniversaries Sunday

Two celebrations will be in store for First Church Baptists Sunday. One will be the first anniversary in the church's new sanctuary and the other will be the twelfth anniversary of Dr. Lee Hemphill taking over the pastorate.

A \$5,000 goal has been set for the building fund offering Sunday and Rev. Franklin E. Swanner of Plainview, district missionary, will bring the morning message.

At the evening church service,

Eight Deputies Hired To Make Property Survey

Announcement of the appointment of eight deputy tax assessors to carry out a reevaluation of county property, was made Tuesday by County Tax Assessor-Collector Herbert Dunn.

Several weeks ago the Commissioner's Court ordered a reevaluation of property, the first in about 20 years. Dunn said the survey would probably be finished by May 1. Some 7,500 property taxpayers are affected by the reevaluation survey.

The deputy assessors are Ernest Gaston, Sudan; C. L. Cox, Sudan; C. B. Juques, Littlefield; Zenoil T. Young, Littlefield; Bob Gilbert, Amherst; Bob Ball, Olton; Alvin Hysinger, Olton; and Robert Dysart, Amherst.

Fish Fry Set For Country Club Monday Evening

Plans for a proposed swimming pool of the Littlefield Country club will be discussed at a free fish fry Monday night at the club. The dinner will begin at 7 p.m.

Chairman Jim Mangum of the swimming pool committee said members and their families have been invited to attend and take part in the swimming pool discussion.

Musical Variety Show Set For Monday Night At LHHS

What promises to be a different kind of stage production for Littlefield, will be in the offering Monday at 8 p.m. in the Littlefield high school auditorium when "Musical Varieties of '55" is presented under the direction of Richard Daughtry.

Some 30 different acts, with 100 students participating, will present different styles and types of musical numbers ranging all the way from Romber's "Will You Remember," to "Dry Bones." There will be a skelton dance and the song "Dixie" will be featured with luminous gloves in darkness.

Climax of the show will be the coronation of Beva Jean Ray as "A Capella Choir Sweetheart." The coronation will be presented with special waltz music in a setting of shades of purple.

Featured also among the vocal solos, quartettes, sextettes, and entire cast numbers will be several piano, clarinet and cornet arrangements.

Numbers to be sung include "Lonesome Polecat," "Mr. Sandman," "Manhattan," "Cry," "The Naughty Lady of Shady Lane," "Smoke Gets in Your Eyes," "There's No Business Like Show Business," plus 21 others.

BOB WILSON, 2nd Comdr., was one of more than 75 persons who rushed to Tax Collector Herbert Dunn's office Tuesday to buy 1955 motor vehicle license plates during the first day of sale. In case you're forgotten, those 1955 plates expire March 31. Handling Wilson's plates is Angela Cook, first man to secure 1955 plates in the county was Archie Tiller, 613 W. 7th who was at the office when it opened. (Staff Photo)

Cub Scout News . . .

DEN I
Cub Scouts gave the pledge of allegiance to the flag and then discussed the new theme for February, which is to be "Let Freedom Ring" at their meeting on Monday at the Caviness home on E. Ninth St.

Plans were also made for the Blue and Gold Banquet which will be held on the fourth Tuesday in February. The boys made invitations for their parents.

A vote was taken between going to the Muleshoe Scout Circus or attending the Scout Circus to be held in Lubbock on the 12th. The boys decided since this would include a train ride they would rather go to Lubbock.

The meeting closed with the cubs repeating the Law of the Pack.

Mrs. L. E. Sullins was welcomed into the den as the new assistant to Mrs. E. C. Caviness, Den Mother.

Paul Keeling served ice cream bars and cookies to J. E. Brown, E. L. Leathers, Terry Jones, Dickie Montgomery, Jim Nelson, Frank Sinton and Phil Sullins.

DEN II
Scouts of Den II met Monday in the home of their Den Mother, Mrs. Bacon Jones.

The new theme for February was discussed and plans made for the Blue and Gold Banquet to be held in February. The meeting was opened with a pledge of allegiance to the flag and closed by giving the Law of the Pack.

The boys also discussed the Boy Scout Circus to be held at Muleshoe on the 18th of Feb.

Attending were Spike Jones, Tim Chambers, Robert Bolton, Alton Ray Harper, Robert Earl Williamson and Bob Smith.

DEN III
A new Den Mother, Mrs. Martin Farmer and seven new Cub Scouts held their first meeting at Community Center on Jan. 27 at 4:00 p.m.

The boys started out in cubbing are David Trimble, Gerald Weathers, Ricky Miller, Charles Miller, Jimmy Farmer, Paul Hood and Ronnie Cox. Mrs. Homer Howard, Den Mother of Den III, assisted Mrs. Farmer in this meeting.

The boys sang a song and played a relay game called "Hitch On." They gave the Pledge to the Flag and formed a Living Circle while they gave the Cub Scout Promise.

DEN MOTHERS MEET
Den Mothers of Cub Scout Pack No. 41 with their assistants met Saturday afternoon in the home of Mrs. Homer Howard to make plans for their weekly Den Meetings and the Blue and Gold Banquet which will be held at Community Center Feb. 22. Cub and their parents are to be guest at the banquet.

Theme for Cub Scouting this month will be "Let Freedom Ring." The Cub Scouts will also be celebrating the 49th anniversary of Boy Scouting during Scout Week, February 6 to February 12.

Each of the six dens in the pack will represent different characters as their part in the Muleshoe Scout Circus, as follows: "Adventures in History," "The Crusades," "Cowboys," "Daniel Boone" and "Robinson Crusoe." In a pantomime entitled "Cubbing in the Land of Make-Believe."

Coffee and cookies were served to Mrs. Bill Cape, Mrs. Maglin Farmer, Mrs. Doyle Dean, Mrs. Charles Heathman, Mrs. Delbert Ross, Mrs. Merlin Yarrrough, Mrs. E. C. Caviness and Mrs. Bacon Jones by the hostess.

Cubs And Fathers Of Den III Take Train Trip

Cub Scouts of Den III took a train trip to Clovis, N. M. on Saturday, Jan. 29.

Neel Fairbairn, assistant Cubmaster, and Don Chief Ken Wilmon, rode on the train with the boys. While going to Clovis they were shown through the entire length of the train from caboose to engine.

Raymond Melton and Earl Robinson drove over in their cars and met the train. Oscar Cantwell, Clovis Scout Executive, took the boys through the roundhouse. Cub Scouts from Lubbock, Hereford and Plainview were also visiting in Clovis the same day.

The boys were shown through the engine and given a short ride. Next came a tour of Campbell's Milk and Ice Cream Co., where all the cubs received an ice cream bar. They rode in the Campbell's Train to the Park and it brought them back to town.

Reservations at the Silver Grill had been made by Cantwell for the boys where they ate lunch and were entertained by baton twirling acts by Judy and Sandy Bell.

Cantwell led the group in singing "Star Spangled Banner" and "The Mountain" and "Old McDonald Had a Farm."

After purchasing gifts for the mothers or supervisors of the train, the group returned to Littlefield.

The Cubs said of their trip that they "hadn't had so much fun in years" and the Dads commented they feel younger for having made the trip.

Mrs. Howard Don Mother feels she was fortunate in having such interested parents to assist in carrying out her plans for the Den.

Cubs making the trip were Lonnie Cane, Butch Howard, Jimmy Melton, Neel Fairbairn, Jr., Pat Gibson, Charles Robinson, Joe Paul Sheppard, and Billy Halton, and their Den Chief, Ken Wilmon.

Wildcat District Hopes Dimmed By 76-56 Loss To Seminole Tuesday

By JIMMIE HINE

The Littlefield Wildcats were in all possibilities knocked out of the ranks for District 6-AA championship honors Tuesday night in losing to the high scoring Indians of Seminole who were cheered on to victory by some 150 boosters who chanted a continuous war-whoop throughout the contest played before the largest crowd ever assembled in the Wildcat gym.

The double loss started with the Wildcat Bees losing the curtain raiser by five points, 37-42. The Indian varsity overcame a Wildcat lead in the initial quarter in the closing minutes of the second quarter to go on and win by a twenty point margin, 76-56.

Once again team captain Joe Giddens took high honors for the Wildcats as he collected seven field goals and five free shots for 21 points. Keith Davis, who turned in his best performance of the season was second high for Coach Gene Mayfield's quintet with 10.

Edwin Young, 6' 3 1/2" postman for the visiting Indians, who scored only four points in the first eight minutes went on to lead his pack to victory by scoring top honors of the night with 25 points. The tall Indian scored 11 field goals and three free throws.

COME FROM BEHIND

The Indians came from behind a 10 point deficit in the first quarter to lead by one point at the end of the half. Seminole had trouble in getting its offense started but when the Indians went on the warpath they managed to toss in 22 points in the second frame and 30 in the fourth.

The game was close in every respect except the field goals. Seminole scored 27 field goals compared to only 16 for the Cats. The difference here of 22 points was the difference in the score. Both teams were guilty of 27 personal and the Wildcats lost the services of Dan Howard early in the third quarter. Davis was fouled off in the fourth together with Vaughn and Joe Giddens. Seminole lost two of their three via the five foot law.

21 PER CENT AVERAGE

Littlefield had an average of 21 per cent completions in field goals attempted. The Wildcats completed 18 in 46 tries. Seminole had a greater percentage in completing 27 of 60 Seminole

completely dominated the rebound category with excessive height.

Bob Orr who usually plays attempts in the free throw route. Free shots were quite extensively offered by the officials who were Souter and Belcher.

Seminole 8 22 16 30 76

ORR PACES "B" TEAM

Bob Orr who usually plays double action in both the "B" games and the varsity affairs led the Wildcats with 17 points to capture high scoring honors in the first game. Johnny Burleson came in second for the Bees with 11. Orr scored seven of the Wildcats' 15 field goals by tossing in his favorite crisp shots.

High scorer for the visiting subs was Williamson who racked up 14. The game got off to a very unusually low scoring contest as the first quarter ended in a four-four tie. Seminole Paposes led at the end of the half by five points and held that margin to the end in defeating the Wildcats 42-37. Paul Yarbrough was the most surprised of all of Coach William's B-Cats as he shot a 30 footer field goal that dropped in the basket just the first quarter buzzer sounded.

The Seminole subs had a total of 11 fouls; made 15 field goals and 12 free throws in winning over the B-Cats who scored 15 field goals and seven free shots while being charged with 15 fouls.

The Wildcats will visit the Olton Mustangs for a return match tonight and host the Hereford Whitefaces Saturday in a twin bill that gets underway at 6:30.

Muleshoe Takes Two Games From Olton

MULESHOE - Visiting Olton dropped two games in District 2-AA to Muleshoe here Tuesday night, the boys falling 49-44 and the girls going down to a 59-44 loss.

Area Road Paving Set

The State Highway Commission this week announced it would receive sealed proposals from Littlefield, John L. Walford constructing 306.009 miles of seal coat on area roads. Bids will be received at the Highway Department, Austin, until 3 a.m., Feb. 15, according to H. B. Bryan, resident engineer at Lubbock.

Roads to be repaired in this area are: From Bailey county line to SH 51 at Springlake; from 3 miles west of Olton to Hale county line; from Lamb county line to 16.1 miles south; from FM304 at Spade to Hale county line; and from FM304 at Hart Camp to Hale county line.

Graveside Rites Held Monday For Mrs. John Blair

Graveside funeral services for Mrs. John Blair, 64, of Littlefield, were held Monday at 2 p.m. in Littlefield cemetery under direction of Hammons Funeral home.

Mrs. Blair, resident of Littlefield since 1923, died at 9:30 a.m. Saturday in Medical Arts Clinic-Hospital shortly after her admission for a chronic heart ailment she had suffered for two years.

She and her husband owned and operated a Littlefield laundry for several years. She was born at Stillwater, Okla. Conducting the service was Tommy Williams, minister of the Ninth Street Church of Christ, who was assisted by Jack McCormick, church layman. Survivors include the husband; a daughter, Mrs. Cieta G. Goodwin, Littlefield; a grandson, Blair Goodwin of San Antonio; two great grandchildren and a sister residing in California. Pallbearers were F. E. Yohner, Sam Hutson, Nig Anderson, Peyton Reese, Ben Lyman, Sr. and M. B. Welborn Sr.

"Smile away 'Washday Blues'
with an ELECTRIC Clothes Dryer!"

"I really had the washday blues when I had to hang clothes on the line. Besides the long walk out to the line, and lifting that heavy clothes basket, there was always the uncertainty about whether the clothes would be dried right."
"That's all gone now with an electric clothes dryer, and I have a smile — and time for a coffee break — on washday. What's most important, I know the clothes will be dried perfectly and I've ended the lugging and lifting."

says
Mrs. Bill Bates
3603 37th St.
Lubbock,
Texas

Ladies, the lugging out to the clothesline adds up to one-third of a mile every washday, and the lifting, by the end of a year, is the same as picking up a two-ton load.

Be like Mrs. Bates, instead of lifting on washday, get a lift with an electric clothes dryer.

THE BIBLE SPEAKS
 BY DR. KENNETH J. FOREMAN
The Closest Bond
 Lesson for February 13, 1955

WHAT do you mean by a "bond"? It is a connection, a tie, a link. It is a bond of love, a bond of friendship, a bond of sympathy. It is a bond that binds men together, that makes them one.

Dr. Foreman defines a bond as a connection, a tie, a link. It is a bond of love, a bond of friendship, a bond of sympathy. It is a bond that binds men together, that makes them one.

Again, a bond is a connection, a tie, a link. It is a bond of love, a bond of friendship, a bond of sympathy. It is a bond that binds men together, that makes them one.

It is a bond that binds men together, that makes them one. It is a bond of love, a bond of friendship, a bond of sympathy.

thing New
 of the world, there is nothing so vital and different about it. Let us come down to brass tacks. What is there that ought to be? What is new in a Christian? Certainly the center of his life will be different. What Paul the "old man" asks inwardly about anything he does, he asks in it for me? How will this give me to get ahead of other people? But the "new man in Christ" asks to ask, "Is this what Christ would do?" The learning comes, comes hard, but it brings the secret happiness known to man, the joy of a Christian's life.

News from Amherst ...

By Mrs. Lester LaGrange

The Annie Armstrong circle of

the Baptist W.M.U. met Wednesday afternoon with Mrs. Maurice Brantley, hostess for Royal Service program.

The hymn, "Let Others See Jesus in You" was sung and Mrs. C. C. Craig offered prayer. Mrs. Paul D. Bennett presided at meeting. The group vote to meet in homes twice each month in-

stead of three times.

Mrs. J. P. Brantley had the program "Pointing the Chosen People to the Way." Several assisted her. Mrs. James Holland had the devotional "The Master Witnessing to the Jews." A recording of "The Love of God" was played by the hostess.

Prayer was offered for Israel. Refreshments of pineapple and cottage cheese salad, angel food cake and coffee were served to Mesdames Paul D. Bennett, Bill Bradley, J. P. Brantley, C. C. Craig, Randall Crawford, Jim Edwards, James Holland, Eugene Priddy, Bill Tadlock and Maurice Brantley.

Mrs. Rogers Willett returned to Panora after a visit with her sister, Mrs. Neil Duffy and family and her daughter, Mrs. John McCroory and family in Levelland.

Mr. and Mrs. Jim D. Nix and son Jimmy spent the week end with their daughter and sister.

A CONSTANT TRUST

By Tommy Williams, Minister

It has been related that a preacher asked a child this question: "Do you say your prayers every night?" The answer was prompt, "Yes, sir." The preacher continued, "And do you say them every morning?" "Oh, no, sir," replied the boy, "I am not scared in the day light."

Children are not the only ones who may sometimes think of God and their need for him only when they are in trouble or are anxious. (And, happily, not nearly all children feel that way.) Children are, however, sometimes less reluctant to speak plainly.

One of the greatest consolations the child of God has is the fact that he knows God is a mighty refuge and a rock in times of distress. He is, indeed, a "Very present help in trouble," but he calls for our constant trust

and service at all times.

Prosperity and a sense of security in earthly things often lead men to forget God. God warned Israel about the dangers of such a condition and admonished them that when they should go into the land of Canaan and enjoy its bountiful fruit, they should not forget him. "When thou shalt have eaten and be full; then beware lest thou forget the Lord..." (Deuteronomy 6:10-12).

In the words of the prophet, Micah, God warned those who had refused his ways and had turned him down, that trouble would come. "Then shall they cry unto the Lord, but he will not hear them; he will even hide his face from them at that time, as they have behaved themselves in their doings" (Micah 3:4).

DEAD TIRES

You may be dangerously taxing your entire system with fatigue, nervousness—poor appetite and sleepless nights down BECAUSE YOUR BODY IS VITAMIN AND IRON STARVED.

These symptoms may have other causes or be due to functional disorders.

When you lack strong, red blood—when your system is vitamin-starved you must feel listless—nervous—irritable. This is because weak blood is circulating through your system, taxing your heart—putting a burden on every vein—capillary and artery in your body!

Start building rich red blood FAST with Bexel Special Formula

Each high-potency BEXEL Special Formula capsule gives you 5 times the daily minimum requirements of iron, more than the daily minimum requirements of all the B-vitamins that doctors will tell you are essential for proper nutrition; plus Vitamin B12 and trace minerals. These wonderfully strengthening capsules are recommended for both—to-be, when a sufficiency of iron and vitamins is vitally important to their health. Also especially important if you are over 40. Take 2 capsules daily for double potency.

Makes Sense

A few politicians, looking for anything to criticize, are railing loudly about the commander-in-chief's decision to increase the standing army slightly, increase the reserves, and save on more air power and guided missiles. The most unbiased military men this makes sense. Only nations bound by irresponsible politics wait until they are in a war to start adjusting their defense forces, to change in weapons and transportation. We will still have a much larger standing army than we ever before had in peace time. In addition, through this we can keep nearly all of our fighting men ready for action on short notice. But until they are needed for actual fighting, they can and should be at home producing the things it takes to keep our nation strong during the daytime, keeping up their military knowledge in the evenings. Most of a standing army's energies are spent on householding duties. Our young men's time will be much better used far as defense is concerned, if they are in a factory or an office or guard or policing the company area.

Under the new act, the cost of medicines and drugs must first be reduced by 1 per cent of adjusted gross income. In prior years the exclusion was 5 per cent. If the taxpayer or his spouse is 65 or over, the 3 per cent exclusion does not apply. Under the new act, the cost of medicines and drugs must first be reduced by 1 per cent of adjusted gross income. The maximum medical expense that can be deducted is \$2,500 for each exemption (other than for old age or blindness), and limited to \$5,000 on a single return and \$10,000 on a joint return. The working wife has long lamented that she should be able to deduct against her earnings the cost of caring for her children while she is working. Now, child care expenses are deductible if paid by a woman, a widow, or a divorced man. The deduction shall not exceed \$600 and may not be paid to a dependent of the person claiming the deduction. The child must be under 12 or physically or mentally incapable of caring for himself. If the adjusted gross income shown on the tax return is more than \$4,500, a reduction of the child care deduction must be made. One of the most drastic changes concerning deductions is that of depreciation. Two new methods of computing depreciation have been added that provide for a much faster write-off of depreciation in the early years. One method is known as the "double declining balance" method. Under this system, the normal life of the item is determined as in all other cases. This is converted into a percentage figure, and then doubled. This increased percentage is then applied in the

AUSTIN, Tex.—Veterans' land scandals got the silent treatment last week. Four witnesses refused to testify. The senate investigating committee took other testimony behind closed doors, silent so far as the public was concerned. And the House veterans' affairs committee stymied its own public investigation in a tangle of technicalities.

A House committee member, Rep. Bill Elliott of Pasadena, charged "organized pressure" to block further investigation of the issue.

Ex-Land Commissioner Bascom Giles, head of the Veterans' Land Board until Jan. 1, invoked the Constitution and refused to testify as to his business dealings with several persons named in testimony about block deals.

C. O. Hagan and C. P. Ervinsters, principals in much of the land-sale testimony, followed L. V. Ruffin in refusing to testify.

INSURANCE HEARINGS
 Hearings started on both houses of the Legislature on a long list of bills to "clean up the insurance mess."

Sen. Searcy Bracewell told a Senate committee his bill to firm up capital requirement was "tough." The committee put it in a tenderizing sub-committee for three weeks.

It would raise minimum reserve life companies to \$25,000 capital and \$125,000 surplus, all in cash or bonds. Smaller existing companies would continue, but would be limited in size of policies and re-insurance, until they reached the minimum. Those with investments of minimum capital and surplus in first year against the cost of the item to be depreciated. The second year, the same percentage is applied against the remaining cost, and so on indefinitely until the item is disposed of.

The second method is called the "sum of the digits" method. The sum of the years of useful life is determined. In the case of an automobile with a five-year life: 1, plus 2, plus 3, plus 4, plus 5, equals 15. The first year, 5-15ths of the cost is deducted as depreciation. The second year, 4-15ths; the third year, 3-15ths; the fourth year, 2-15ths; and the last year, 1-15th.

Both of these methods provide for greatly accelerated depreciation deductions. However, they can be applied only to new tangible property with a useful life of three years or more that was acquired after 1953. Different methods can be applied to different items as desired.

Approved by the House of Representatives, was a bill to increase the pay of state officials. If acceptable to the senate, the pay scale will go to \$25,000 for the governor; \$20,000 for the attorney general; secretary of state, \$15,000; and the land commissioner, treasurer and comptroller \$17,500.

Sen. A. M. Alken, Jr., of Paris Dallas are sponsoring a plan to provide \$45 million for new school building construction. It would let school district vote higher bond issues, up to 10 per cent of the assessed property values.

Two representatives, John T. Cox of Temple and Jack Welch of Marlin, have submitted a bill seeking the death penalty for se-

vice buildings or real estate mortgages would have three years to convert to cash.

The House Insurance committee heard the three state insurance commissioners and others propose corrective measures, including state regulation of the sale of insurance securities.

Sheppard Wants 13 Laws
 Attorney General John Ben Sheppard asked for legislation "to prevent another Duval County."

Speaking to 200 publishers at a Texas Press Association convention in Austin, Sheppard revealed that his legal skirmishes with Boss George Parr disclosed many shortcomings in Texas laws.

He recommended 13 bills, and asked the editors to help effect passage.

Most of the bills would tighten control over county funds and call for annual published reports of expenditures.

SUGGESTED TAXES
 Tax proposals continue on the penny busk set by Gov. Allen Shivers' program. His two-penny gasoline tax hike, good for \$60 million a year, was introduced earlier by Rep. Charles Murphy of Houston.

Rep. W. G. "Cotton" Kirklin of Odessa introduced the other Shivers' bill, the one-cent cigarette levy, good for \$15 a year.

Rep. Curtis Ford of Corpus Christi offered the familiar penny-a-thousand-foot natural gas deduction tax bill. He figured it would bring in \$33 million a year.

All faced an ultra-conservative revenue and taxation committee of Marlin, have submitted a bill three per cent gross receipts tax on establishments engaged in storing or parking motor vehicles.

BILLS IN THE HOPPER

While the veterans' land probe rolled on, newly appointed State Land Commissioner and Veterans' Land Board Chairman J. Earl Rudder borrowed Ray Clark Diebel from the State Auditor's Department and named him executive secretary of the board.

Lawrence Jackson quit this post soon after Rudder replaced Bascom Giles.

Gov. Shivers will have a new Secretary of State early in February. He appointed Al Muldrow Brownfield farmer-rancher-justice man to succeed C. E. Fulgham, who resigned to return to Lubbock. Like Rudder, Muldrow is a World War II veteran.

Texans In Washington

By TEX KASLEY

WASHINGTON, AP.—As the 84th Congress convened, the national spotlight focused on two familiar Texans—Speaker Sam Rayburn in the House, and Senate Majority Leader Lyndon Johnson.

The eyes of a lot of folks from widely scattered sections of Texas, however, turned primarily on the state's five newcomers: Bruce Alger of Dallas, the lone Republican in the ranks of the 24-man Lone Star state delegation; John Bell of Cuero, Joe Kilgore of McAllen, J. T. Rutherford of Odessa and Jim Wright of Weatherford.

In the crowded House galleries, the wives of all but Rutherford proudly watched their husbands take the oath of office as congressmen. Mrs. Rutherford wasn't able to make it because she was too busy getting furniture and arranging housing here.

BROTHER PRESENT
 Army Capt Sam A. Rutherford, however, was on hand to see his smaller, 6-foot, 3 inch brother sworn in. He flew up from his base at Camp Gordon, Ga., to see the opening. The caparison: Navy Commander William is 6 foot 5. Another of the newcomers had a military brother on hand in the spectator's gallery. Kilgore sat with his sister-in-law to see the new Rio Grande Valley legislator take the oath. He came up from Norfolk.

Also among those in the galleries were Mr. and Mrs. Clerley of Chamford, uncle and aunt of Jim Wright, the Fort Worth district congressman. Seats were at a premium, but they managed to get in with the help of Allene district congressman Omar Burleson.

On the House floor during the opening session, with Democrats taking the right side of the chamber and Republicans the left, Alger was separated from his fellow Texans.

His initial activities around Capitol Hill, however, indicate that he will be in step with the rest of the Texas delegation on most matters.

ELECT SPEAKER

The first order of business of the new session, after a roll call, was the election of a Speaker. Although Rayburn's election was a foregone conclusion, the balloting was done formally under supervision of four "tellers" headed by West Texas Congressman Burleson. He was picked as head teller because of his chairmanship of the House Administration committee he holds as well as membership on the House Foreign Affairs Committee.

While Texans led the Democratic organization in both the House and Senate, they do not hold the chairmanship of any major congressional committee.

Ranking in overall position, as well as chairman of the major House committees are those: Texas: George Agriculture; Mahon Appropriations; Burton Banking and Currency.

On the Senate side of the Capitol during opening session ceremonies, Sen. Lyndon Johnson, had to take the oath of office again for a new six-year term. He was escorted to the well of the Senate chamber by his junior colleague from Texas, Senator Price Daniel, to be sworn.

DALLAS, TEX., (AP)—A Dallas department store hit a bonanza in burros. The sad-eyed, lop-eared Mexican donkey turned out to be a publicity-getter and moneymaker to boot.

Store officials, totaling up Christmas sales records, talk of the run on burros.

Raymond Dresslar (cgo), merchandise manager, said he'll break into a big sale of an even 50 head—rucksacks—at \$85 apiece.

"I tell you we could sell 200 to 300 more if we really got into it commencing last fall," Dresslar went to President Henry X. Salzer.

"You want to hear a crazy story?" he said. "It wasn't long before one of those shaggy little grayish-brown fellows—nicknamed 'Cisco'—set up in the toy department.

"Cisco" calmanched hay while drawing for crowds daily. The store ("Sanger's") first thought of the burro as a promotion—something to draw kids and parents. Just in case somebody wanted to buy one, it ordered 20 burros from J. W. Crandall of Corsicana, who imports them.

Those burros sold like tucos in Arizona. "After the first 20 were gone, we were still getting orders, so we ordered a special trip to Mexico for 30 more," Dresslar says.

Christmas came on Saturday, and we got the last bunch in the Wednesday before Christmas. They had all been bought in advance, so we just made it.

Since Christmas, the store has sold three more. "Cisco" the show burro, got plenty of publicity before he, too, was sold. He was taken all over the city to orphanages, hospitals, hotels and other children's institutions.

Burros were shipped to several Texas cities, plus Oklahoma City, Atlanta, Indianapolis, and Louisville. Dresslar knows of no other department store selling burros for Christmas presents.

"Sure we made money on them," Dresslar says. He declines to cite the specific profit but adds, "We got our ordinary toy profit on them."

There were a few headaches. "When they hit the border at Arado there was a 10-day quarantine—and the customers that ordered them were getting anxious. The burros had to be given a blood test, which had to be flown to Washington for approval. They had to be dipped, injected for foot-mouth disease and given shots.

"We carried 'Cisco' until we couldn't carry any more, but he didn't look any less shaggy."

The store delivered the burros to Dallas buyers in trailers, complete with halter and red ribbon. Buyers included a bank, a prominent and prominent resident.

How the 1955 Mercury makes sense out of high horsepower

NEW 1955 MERCURY PUTS HIGH HORSEPOWER TO WORK AT NORMAL DRIVING SPEEDS WITH NEW SUPER-TORQUE V-8 ENGINE, DUAL EXHAUST, 4-BARREL CARBURETOR

Mercury gives you high horsepower you can use in all performance ranges—not just brag about.

More important than high horsepower alone is pickup, passing, hill-climbing power—more power for your everyday driving.

Everything about Mercury's new and advanced SUPER-TORQUE V-8 engine is designed to give you more usable power with super pickup in every speed range.

It's a short-stroke, low-friction design, with high-turbulence combustion chambers, full-vacuum automatic spark control—all specially engineered to squeeze more power out of every drop of gas.

And there are Mercury exclusives like:

1. A 4-barrel vacuum-operated carburetor for instant response. Only Mercury in its field offers it as standard equipment on every model.
2. A dual-exhaust system on all Montclair and Monterey to cut power loss, and add

more efficiency and economy. Only Mercury in its price class has it as standard equipment.

3. High-compression spark plugs—a revolutionary new design—for peak performance at all speeds without overheating or fouling. Only Mercury has them in its field.

They all add up to a new kind of high-horsepower performance by Mercury—the car that's always used V-8 engines—built over 2,000,000 of them. We invite you to try the new 1955 Mercury Montclair, the 188-hp Monterey and Custom. Just stop in at our showroom.

PLANTATION SUPPER
There's always a table laden with tasty dishes in the dining room of Southern plantation homes, for cooks of the deep South have a special way with food. Their "plantation supper" is a fine example of an old-fashioned Dixieland treat. (Six Servings)

- 1 1/2 cups sifted flour
- 3/4 cup yellow corn meal
- 2 tablespoons sugar
- 1 1/2 teaspoons baking powder
- 1 teaspoon salt
- 1 egg
- 3/4 cup milk
- 1/2 cup melted margarine
- 1 pound pork sausage
- 2 1/2 pounds fresh asparagus OR 1 pkg. frozen asparagus spears
- 2 1/2 cups medium white sauce
- 6 pimienta strips, if desired

Make corn bread as follows: Into mixing bowl sift together flour, corn meal, sugar, baking powder, and salt. Beat egg, add milk and melted margarine. Mix well and pour all at one time into dry ingredients. Stir only until flour and meal are well-moistened. Batter will still be a bit lumpy. Spread into well-margarined 8x8-inch pan. Bake in moderately hot oven (425° F.) 25 to 30 minutes, or until golden brown.

While corn bread bakes, prepare other parts of dish.

Fry sausage in skillet over low heat, stirring with fork to break up larger pieces. Cook over low heat until done, seasoning with salt and pepper as desired. Cook asparagus in boiling salted water until just tender. Make cream sauce as follows: In saucepan melt 5 tablespoons margarine. Stir in 5 tablespoons flour, mixing until smooth. Gradually add 2 1/2 cups milk, stirring constantly until sauce boils and is thickened. Season to taste with salt and pepper.

When corn bread is done, cut it into squares. Split each square and place lower half on hot plate. Cover with cooked sausage, then with top of corn bread square. Arrange 3 or 4 stalks of asparagus on top of corn bread, and pour cream sauce over. If desired, garnish each serving with a strip of pimienta or a dash of paprika. Serve hot.

For other tasty and nutritious kitchen-tested recipes, write the National Cotton Council, P. O. Box 76, Memphis, Tenn., for your free copy of "Make It With Margarine," an attractive new booklet in two colors.

Not A Better Mouse Trap But Better Shrimp Net

FREEPORT, TEX., (AP)—Two Freeport men figured to "build a better shrimp net" and they may have.

Two shrimp boat captains, at any rate, say the newly-designed net of C. R. Rhodes and J. L. Harris drags better, won't tear as easy.

Harris and Rhodes claim the first change in shrimp net design in decades.

Biggest change, they say, is in the jib section (the topside corner). They claim to have corrected any weakness in that section.

Capt. E. O. Williams and Capt. Hollis Forrester have tested the net on their boats.

And the U. S. Fish and Wildlife Service office at Rockport is going to use one in next season's research fishing.

The two inventors say they hope their net will become the new standard of the shrimp fleet, as much as part of a boat as shrimp and catsup.

Look under the hood!

How to tell if it's a modern short-stroke engine: check the specifications of bore and stroke. In a short-stroke engine the "stroke" is as short as, or shorter than the "bore."

Make sure you get Money-Saving short-stroke power. Only FORD has it in every truck!

THIS YEAR, the truck industry is beginning to follow Ford's lead to modern short-stroke V-8 engines. Shorter stroke prolongs piston ring life up to 53%. Engines last longer! You can save up to one gallon of gas in seven!

But only FORD gives you a short-stroke engine in every size truck—available now! Ford, most experienced builder of V-8's in the business, has four short-stroke V-8's and the industry's most modern short-stroke Six.

So, before you buy any new truck—look under the hood! Go modern! Go short-stroke! Go Ford Truck—the Money Maker!

New Ford Trucks for '55 give you modern short-stroke power in every one of over 190 models! Shown: new F-400, GVW 16,000 lbs., with choice of three short-stroke engines!

Farm Tips

External and internal parasites claim one farm animal out of each 20 and cost livestock producers about one million dollars annually. Much of this loss could be stopped if producers would follow recommended parasite control practices.

Research results show that the winter season is the ideal time for using chemical treatment for controlling undesirable hardwood. Either 2, 4, 5-T or ammate, both stock are the recommended chemicals. Local county agents have detailed information on their use.

A recent estimate shows that 14 per cent of Texas cropland is irrigated and from it come 35 percent of the state's income from crops. Some 5,439,603 acres on 33,937 farms located in 225 Texas counties are now under irrigation.

Texas farm population is now

lower than at anytime since 1870's. Only 13.7 percent state's total population lives on farms and ranches. Number of farms has declined the last four years from 1,100,000 in 1950 to 281,000. These findings of a recent study by the USDA and Texas A. & M. College System personnel.

Research workers at Tech Field Laboratory have released their latest findings on wheat pasture poisoning. Complete report is available from the Agricultural Information Service, College Station, Texas. For Progress Report 1738 Pasture Poisoning in Cattle.

THRIFTY ANTHONY PRICED

HOTTEST BUICK IN HISTORY
No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever in history—topping the popularity that has already made Buick one of the "Big Three."

In Price, too, it is one of the "Big Three"

THE 1955 BUICK SPECIAL delivers locally for less than some models of the so-called "low-price three." COME IN AND CHECK!

MOST PEOPLE still don't believe it. But it is true.

And when you look into the facts, you'll find these two solid truths:

Buick is one of the "Big Three" in sales volume—and hotter this year than ever before. And Buick is one of the "Big Three" when it comes to prices which make such popularity possible. The price tag we'll show you proves it.

So why not get what a Buick has to offer, if you are in the market for a new car?

You find that the dollars you pay for Buick buy you a lot more automobile—and the sheer satisfaction that comes with bossing a brawny traveler of this caliber.

You find it in the record-high V8 power that

gives life to this spirited performer. You find it in the soft and level and cruiser-steady ride that comes of all-coil springing and torque-tube stability. You find it in the extra roominess, the extra frame strength, the extra tread width, the extra silencing—all part and parcel of every Buick.

We could tell you about the little things, too. Things usually charged for as "extras" in other cars, but yours as standard equipment at no extra cost in every Buick. Things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in glove and trunk compartments—and so on.

But—you get the idea. This is a buy, this '55 Buick—a great buy—and a thriller from the instant you press its gas pedal. Come in this week and check things for yourself, won't you?

Thrill of the year is Buick
