Large Number Attend Banquet At Lum's Chapel Friday Night

Approximately 120 guests attended the monthly informal banquet for farmers and businessmen, held last Friday evening on the Burks and Swope Ginning Co. property at Lum's Chapel. Prior to dinner an interesting tour was made of the Lum's Chapel Baptist church, recently erected through volunteer labor by the men and women of Lum's Chapel. Brother Crow, pastor of the imposing new church, in a later address to the gathering, quoted \$13,500, as the actual cost of construction and \$25,000, as the present estimated value. He extended an open invitation to join the community in attendance of services there. Talks Given

Jay Fikes, Littlefield athletic coach, acted as Master of Ceremonies introducing Dr. B. W. Armstrong, President of the Chamber of Commerce, as the first speaker of the evening. A short talk was then given by Roy Hudson, former football champ of Littlefield. Gus Shaw then introduced and welcomed Albert Miller, Marshall Howard, Perry Carlton, T. L. Dunlap, Furman Grant and Don Joiner. Bob Crowell, Secretary of the Chamber of Commerce addressed the group briefly followed by Wolfe Shaw, John Burks, Doss Manner, Sr., Brother Crow, H. B. Barker, Joe Hutchinson, Judge Dent, and Junior Chamber of Commerce (Continued on Back Page)

New Recognition Is Given Local High School Band

The Littlefield High School Band has been elected to represent Region 1, which includes all the Panhandle and South Plains, at the State Fair of Texas at Dallas. Accompanied by its Director, Don Hayes, and a number of others as champions, the Band will visit Dallas and the Fair Wednesday, October 18.

Play at Dallas Fair The Littlefield Band will play a concert at the Fair, and will also take part in a large band formation at the Cotton Bowl in Dallas, in which 20 bands will participate.

To Take part in Formation Besides the Littlefield band, the Plainview group will also attend from this region. Nine other regions will each send two bands, making the total of 20 bands to take part in the formation at the Mid Century music festival at the Cotton Bowl, which is a special music show commemorating the middle of the 20th Century. Mr. Hayes is subjecting the band members to an extensive program of practice to ready them for the school fall activities.

Three Arrested On Liquor Charges

R. Q. Holmes, L. T. Thornton and John Jordan were arrested Thursday by Liquor Control officers and Lamb County Sheriff's office on charges of violation of the liquor laws.

The trio appeared before Judge Otha Dent the same day. Jordan made bond in the sum of \$500 each on 3 charges; and Thornton (colored) made bond in the sum of \$1000.

Holmes pled guilty before Judge Dent Thursday, and in lieu of bond is confined in the Littlefield Jail.

Why Shouldn't Old Maids Be Honored By An Old Maids' Day

"Every dog has his day. Why shouldn't we old maids have ours," pleads Miss Dorothy Bunn of the North Texas State College faculty, Denton.

And, the likeable instructor proposed to have such a day set aside each year.

Of course, Miss Bunn has her own opinion as to when the day should be. "August 15," she says, "right between Labor Day and the Dog Days of summer." Also, she has her own idea as to how the old maids should be honored. "With gifts," she explains, "so that we may be repaid in part for the many presents we've given in our lifetimes."

Miss Bunn admits it's fun, and she loves to send gifts, but she estimates that in the past 25 years she has given at least \$1500 in gifts for special days. She sends gifts each year for Mother's Day, Father's Day, graduation day, and for friends' birthdays, bridal showers, baby showers and weddings and wedding anniversaries. She even honors the dogs on their day.

Yet, as an old maid, she doesn't receive many gifts. She certainly wouldn't receive any gifts on the above mentioned day, and Miss

Bunn claims there are few old maids who get birthday gifts, as "we seldom mention our ages," she laughs.

"And think of it," she moans, "Christmas comes only once a year."

Postal Service Cuts May Be Lifted Soon

Two-day home mail delivery, reduced to once-a-day service several months ago, may be restored, if Rep. John Walsh, (D-Ind.) returns in time to Washington and calls up the bill to extend the service.

Walsh was in Green Bay, Wis., August 14, and hoped to be able to return to Washington in time to back up the bill which he and other representatives have prepared for presentation to Congress.

Business Leader With Great Record Tells How Hadacol Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B₁, B₂, Iron and

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B₁, B₂, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B₁, B₂, Iron, and Calcium, Phosphorus, Manganese — elements to help maintain good physical fitness.

If you are a victim of pains, certain stomach and nervous disturbances, insomnia or a weak condition due to such deficiencies, HADACOL will get you on the road to feeling often within a few days. Thousands of grateful men, women and children proved this to be true.

Many Doctors Recommend HADACOL

HADACOL is recommended by many doctors not only to their patients but to members of their own families who have deficiencies. Before giving you HADACOL, a doctor will give HADACOL a check-up. Why keep dragging yourself around feeling "off" when it's so easy to feel wonderful HADACOL? Everyone is talking about it. Size bottle, only \$1.25. Large or hospital size, \$2.50. Substitutes.

Need Examination Before School, Says Health Officer

If your child had a dental examination this month he will be starting school with a happy, healthy smile. It's up to you to have a healthy child. The health officer, Dr. George W. Smith, says that a dental examination is important. A child who needs glasses, if taken to an eye physician now, will have time to get used to them before school starts.

Healthy teeth add attractiveness to appearance and personality. Help your child to grow up with good teeth. See that he has a dental examination twice a year. Sometimes children need glasses and their parents don't realize it. An examination by an eye specialist is important. A child who needs glasses, if taken to an eye physician now, will have time to get used to them before school starts.

When children are grouped together in a classroom, they expose each other to communicable diseases. Has your child been immunized against diphtheria and smallpox? Does he know he should use only his own drinking glass? Does he know he should avoid boys and girls who are victims of colds? Do you keep your child at home when he shows signs of a cold?

Plenty of exercise and recreation, the right kinds of foods daily, and 12 hours of sleep a night, are necessary for a child of elementary school age.

Get your child an appointment for a check-up today... the first day of school is not far away!

Schools To Be On Higher Level During School Year 1950-51

Texas' already vastly improved public school system will be on an even higher level during the 1950-51 school year it was predicted here today.

More classroom facilities and more and better trained teachers will be available. It was pointed out by L. P. Sturgeon, state associate commissioner of education.

Under the Gilmer-Aikin laws which went into effect last fall the teaching staff was increased by 2,000 and more than half of the school districts of the state added to their classroom facilities.

An additional 1,500 teachers will be hired for the next school year, Sturgeon said. A survey disclosed many more schools will increase their facilities, Sturgeon also said.

Increase in pay for teachers has added to their morale and made the profession far more attractive to young people, Sturgeon pointed out. More young people are preparing for careers as teachers and these better trained instructors will be available in larger numbers next year to replace retiring instructors and those less adequately trained, according to Sturgeon.

School districts which met the requirements of state law in order to receive additional financial aid from the state had a teacher for every twenty-five pupils in average daily attendance during the last school year, but many districts were forced to put pupils on a half-time basis.

Q — I owe some money that I haven't been able to repay. The person I borrowed it from wants to garnishee my wages. Because I'm an on-the-job trainee under the GI Bill, I claim he can't do it. Am I right?

A — He can garnishee the training wages you receive from your employer-trainer, but he can't garnishee the subsistence allowance you receive from VA.

Q — I've been in an Army hospital ever since the end of the war, and I'm scheduled to get out in 1951. At that time, too, I understand I will receive my discharge from the Army. What will be my deadline for starting GI Bill education or training?

A — Four years from your date of discharge. But you will have to finish training by July 25, 1956.

Q — I am married and attending college under the GI Bill. Recently we had a child. How may I get a copy of his birth record, to submit to VA for increased subsistence allowances?

A — Ordinarily, copies of birth records may be obtained by writing the Registrar, State Bureau of Vital Statistics, at the capital of the State in which the child was born.

Q — I read somewhere that National Guardsmen injured on active or training duty may be eligible for disability benefits administered by VA, regardless of how long ago they suffered injury. What about those of us in the Reserves?

A — The same provisions apply to Reservists. In all cases, however, benefit payments may not be made retroactive prior to August 15, 1945.

Eduat'on Head At Texas Tech Named

John S. Carroll, 34, will become
head of the department of educa-
tion at Texas Technological Col-
lege on Sept. 1. Pres. D. M. Wig-
gins said today.

Dr. Carroll is now county super-
intendent of schools in San Diego
county, Calif. He received the
B. A. degree at San Diego State,
the M. A. at USC, and the Ph. D.
degree at Yale University.

In addition to serving as an in-
structor at Yale, Dr. Carroll has
taught at San Diego State, the
New Haven (Conn.) Junior Col-
lege, USC and the Claremont Col-
lege Graduate School.

He is the author of numerous
monographs and research publica-
tions on educational topics. Dr.
Carroll is a Rotarian, a member
of the national advisory council
of the Girl Scouts, and has been
active in the YMCA and PTA
movements in California.

In announcing Dr. Carroll's ap-
pointment, Dr. Wiggins said "two
major goals have been kept con-

the education post." These were
the expansion of the program on
the Tech campus to include all de-
partments which can contribute to
the education of teachers, and to
mold these departments into a
closely knit, cooperative organiza-
tion.

"The department of education
will continue to be at the center
of the program but more emphasis
on other departments now partici-
pating, and the inclusion of still
others will characterize the re-
vised pattern," he said.

The second goal will be the im-
provement of service to the Pub-
lic Schools of the "rapidly de-
veloping and expanding West Tex-
as empire," Dr. Wiggins added.

Sudan's Fifth Annual Fall Festival To Be Staged September 1 and 2

Plans are underway by the Sudan Chamber of Commerce for the fifth annual fall festival to be held there Friday and Saturday, Sept. 1 and 2.

Harold Close, secretary of the local organization was re-named general manager for the occasion. He will work with all committees in helping to make the celebration a big success.

The 5th annual celebration will open Friday afternoon, September 1st with a girls softball tournament slated to start at 3 p. m. Two out of town clubs will be invited to participate. Team parings will be drawn and the winner of Friday's game will play the third club Saturday afternoon at 3 p. m. Winner will be awarded \$25.00, second \$15.00 and third \$10.00.

Following the girls game, there will be a regular tourney with two out-of-town clubs invited to participate. The same system will be used and the winner of Friday's game will meet the third club Saturday afternoon for like prizes.

Elmer Kimbell and Purdy Braker are chairmen of the girls softball part of the program and Edd Beljar and Red Davidson will have charge of the baseball tourney.

A big Rodeo will be held Friday and Saturday nights with the Sudan Roping Club sponsoring the show. Shelby Morris and his Sudan Scout Troop will present Indian dances at the Rodeo grounds. Dude Harrigan and C. E. Cotton Harris are the committee in charge of the Rodeo.

The big street parade scheduled for 11 a. m. Saturday morning will be the highlight of the celebration. Dozens of floats are expected to be entered with a \$100 prize being offered for the best float. Second prize will be \$75.00.

third \$50.00 and a fourth prize of \$25.00. This is the largest sum ever offered in a float contest in Sudan and anyone may enter a float.

Several organizations from neighboring cities have expressed their intention of entering a float this year.

The parade committee is headed by Raymond Nix as Chairman. Wayne Brown, Tobe Vereen, Wesley Chatwell, Joe Foster and Elvin Crow as members.

One of the most popular features of last year's Fall Festival was the kiddies games which included everything from catching a greased pig to sack races. The general committee has allowed the kiddies committee \$100.00 to be distributed in prizes to the kiddies.

This part of the celebration will start at 12:00 noon and continue until all contests have been decided.

This committee is composed of Red Roark, Ernest Minyard, Glen Gatewood, Joe Smith, Rodney Nichols and coach Francis Smith.

The finance committee for the affair is Joe Salem, Sarge Lyle, Hugh Vinson, O. L. Shannon and Homer Morris.

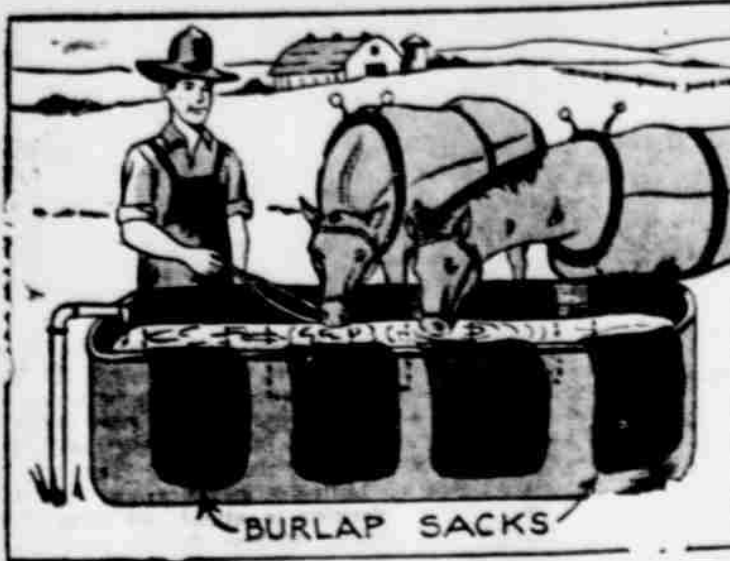

The advertising committee will be headed by Simon Hay, with Preston Hawks, Jiggs Nichols, J. W. Miller, and W. A. Turner serving as members.

The town is expected to be fully dressed for the celebration and by Frank White will start their decorations committee headed work immediately. Members of committee include Arnold Reed, Earl Minter, Hugh Preston, M. M. Shearer, Max Houk, Snake Wright and Shelby Morris.

Prizes will be offered this year to the business firm which has the most attractive window decorations and a committee of ladies has been appointed to supervise and assist the merchants with their plans to decorate their businesses. This committee is composed of Mrs. Eva Harris, Mrs. Doyle Watkins, Mrs. Joe Foster, Mrs. Louise Gatewood, Mrs. Louise Gatewood, Mrs. Louise Parrish, and Mrs. Milton Wiseman.

Members voted that there would be no charge to any civic, religious, or educational organization which desired to operate a concession stand on the down-town streets.

Every organization which plans to operate a concession is requested to abide strictly to the rules set-up by the Chamber. First, the organization should notify manager Harold Close that they des-

ire a location, and have their name listed. When all requests have been received, the names will be placed in a hat and numbers drawn for locations which will be designated by the Chamber. Organizations are then expected to operate from the location they draw.

There will be a charge for out-of-town operators who want to operate during the two-day celebration.

The Concessions Committee is composed of Earl Chester, Reed Markham, Drew Watkins, and Harold Close.

The Sudan Chamber plans to spare no time or expense to make this 5th Annual Fall Festival the biggest and best ever held here.

A mens chorus from Lubbock proved so popular last year that invitations are being sent to them to return this year. Other Quartets will be invited to participate and \$200 has been set aside to be contributed to the participating Quartets sponsored charity. These do not accept money for their entertainment, but do accept contributions for their sponsored organizations.

The Quartet Committee is composed of Son Lyle, Sib Stone, Noel Lumpkin, and Doyl Watkins.

Awards of \$500 To Be Given In South Plains Fair Queen Contest

Two young ladies and the companions of their choice will win an expense paid trip to Havana, Cuba, awards amounting to over \$500.00 each, when the judges choose Miss Lubbock County and Miss South Plains during the Queen Contest to be held in the "Panorama of the Plains", a colossal spectacle which will be held nightly in front of the grandstands during the 33rd annual Panhandle South Plains Fair, in Lubbock, October 2 through October 7, according to W. O. (Bill) Kenney, Queen Contest Chairman.

One queen will be chosen from Lubbock County, and another queen will be chosen to represent one of the following counties: Bailey, Cochran, Yoakum, Gaines, Lamb, Hockley, Terry, Hale, Floyd, Motley, Dickens, Lynn, Garza and Dawson, as Miss South Plains.

Officials of the contest have announced that the contestants will be judged according to popularity and not just beauty. Each contestant who receives the highest number of votes in her county will act as a princess on the Queens Court during the spectacle. Each of the 14 princesses will re-

ceive an award for her participation in the production. The Queens and their court will appear each night of the Spectacle.

"Panorama of the Plains" will be one of the greatest spectacles to ever be produced in West Texas Fair officials said. It will cover the colorful history of the South Plains area from early civilization to present times. There will be a cast of over 1,000 persons in the production plus all of the lights, sound effects, scenery that goes to make such a huge spectacle. The stage will be some 300 feet wide. The John B. Rogers Producing Company, of Fostoria, Ohio, will direct the production.

Contestants in the Queen Contest must be over 16 years old and must reside in one of the counties mentioned. To enter the contest the young ladies will use a special nominating coupon. Those will be published in weekly issue 21, at which time the contest and daily newspapers until August 22. A coupon is good for 1,000 votes, and only one coupon per individual is allowed by the rules.

Young ladies who wish to enter the contest should have their applications in to the Queens Contest Office prior to noon August 22. Letters should be addressed to W. O. Kenney, Contest Chairman, in care of Lubbock Junior Chamber of Commerce, 997 Texas Avenue, Box 561.

Mr. and Mrs. Wilks and baby are expected to arrive in Sudan shortly to establish a home. They are from Happy, Texas.

Mr. Rayne had suffered a stroke about a year ago, and had been in here four weeks, following he went to a convalescent home at Claude, Texas, passed away at 4:22 P. M. Sunday, August 14. Claude about a month died.

Mr. Rayne was a well standing, being a member of the Littlefield, Texas, lodge. He was an uncle of Gibson of this city.

According to reports never married.

Mr. Link Robinson, secretary, is the most contented man in Newport. He says there isn't a world that can irritate him now that he has an ACOL hand wagon. It was a man who thought COL is the most wonderful in the world, it is Link since he learned that he lacked Vitamins B, B₁₂ and Niacin.

Here is what Mr. Robinson has to say about HADACOL now supplying liberal quantities of these essential vitamins have been a steel worker for twenty years. When you steel worker, you need plenty of good, hard food. But when a man has had a shape as mine I couldn't eat, I had stomach bloating and distress; well, I just couldn't proper foods I needed. I told me about HADACOL started taking it immediately the second bottle I a definite improvement can eat the foods I need to really be on the job. I can eat anything I am not nervous anymore. Best of all, I haven't a terrific gas pains and stomach bloating. HADACOL is the best ever. I recommend ACOL to everyone.

HADACOL is different. Countless thousands of fitting from HADACOL. Hundreds of doctors are mending HADACOL to patients whose systems lack vitamins B, B₁₂, Iron, and HADACOL is so wonderful cause HADACOL helps the hemoglobin content of blood (when Iron is carried these precious and Minerals to every part of your body—heart, liver, kidneys, and even to the eyes, hair, etc.)

Give remarkable HADACOL chance and if you don't take with the first few bottles—you get your money back. Only \$1.25 for Trial Size Family or Hospital Size.

Fort Worth Contractor Is Low Bidder On South Plains Road Projects

Low bids on 29 highway projects, including bids totaling \$422,709 on projects in three South Plains and area counties, were tabulated by the State Highway Commission in Austin last week. Cochran, Lamb and Kent counties have work scheduled.

Work Is Listed

Work scheduled in Cochran county includes construction on Farm highways 1169, 595, 1178 and 301. In Lamb county, work is scheduled on project of 16.1 miles with a bid of \$128,075. The projects include grading, structures, base and surfacing from State highway 290, 15 miles west of Morton, north 2.6 miles to road intersection; from 9.5 miles south of Whiteface west 2.5 miles; from Farm highway 769, 6.6 miles west of Lehman, 4.7 miles north.

In Lamb county 24.56 miles of paving is slated on Farm highways 304, 1315, 37 and 1072 including grading, structures, flexible base and one-course surface treatment. Paving is from Olton south to 5.1 miles; from Hart Camp east to Hale county line; from Fieldton south to end of present paved highway and from 5.1 miles south of Olton to Hart Camp. Ernest Loyd of Fort Worth was low bidder with a bid of \$224,040.

In Kent county Harry Newton, Inc., of Graham was low bidder with a \$71,594 bid on the construction of a bridge superstructure at the Salt Fork of the Brazos river on U. S. highway 380.

Kerr and Middleton of Lubbock also submitted the low bid on 7.3 miles on Farm highway 1259 in Deaf Smith county. Their bid was \$60,527.

Tabulating of a low bid by the commission does not include the letting of the contract. Contractors are awarded when the commission authorizes the money for the projects.

Wheat Allotments for 1951 Received by PM

Marketing Quotas Will Not Be In Effect In County Must Appeal Allotment Within Fifteen Days

The Lamb County FMA Office announced this week that they had received the county wheat acreage allotment for 1951. The county allotment is 30,125 acres. Regulations concerning wheat allotments for 1951 are approximately the same as those for 1950. Allotments will be in effect to the Marketing Quotas for wheat will not be in effect but acreage allotment will be in effect to the extent that any producer seeking within his allotment will be eligible for price support on the wheat. Producers seeking without an allotment or seeking in excess of their allotments will not be

eligible for price support. Any mixture containing wheat will be classified as wheat and the wheat allotted acreage must be on the farm receiving the allotment if the wheat is to be eligible for price support. A producer having two or more farms and receiving allotments on part of all of the farms cannot seed the total wheat allotted acreage on one farm and be eligible for price support.

Wheat allotment notices should be in the hands of the producers at this time and all producers receiving allotment notices are again reminded to appeal the wheat allotments to the Lamb County FMA Committee within the 15-day appeal date period specified on the allotment notice if they are not satisfied with the wheat allotment they receive. The appeals must be made in writing and the necessary forms are available in the county office.

Thanks were given to members of the Lum's Chapel Home Demonstration Club, their President Mrs. Landers and to Mrs. Hub Spreyberry, Chairman of T. H. D. H. for the fine chicken dinner prepared by them. Appreciation was also expressed to the Burks and Swope Ginning Co. for furnishing the meeting place, lights and other equipment used during the evening.

Special musical entertainment enjoyed before and after dinner and during intermissions was furnished by Hubert Sprayberry, Calvin Bryant and Stanley Ancine, members of The Rythm Band.

Returns To Play Football At Abilene

ABILENE. — Billy Sisson of Littlefield is among the McMurry College Indians returning to play football this fall. McMurry, smallest school in the Texas Conference, will be seeking its fourth straight championship. Coach Wilford Moore's Indians face their toughest schedule in history.

Besides their traditional Texas Conference rivals, the Indians meet Tulsa University, Midwestern University, West Texas State and Mississippi Southern.

Last year, McMurry enjoyed its best success to date. After finishing the season with a 7-2-1 record, the Indians went on to Galveston's Oleander Bowl to down Missouri Valley 19 to 13. They trailed 13 to 0 with less than four minutes to play in the first half but tied it up before the intermission.

McMurry's running attack led the state and was fifth in the nation.

Sisson, a guard, broke into the lineup as a starter in his third game as freshman last fall. Against Tulsa University, McMurry's opening opponent, Sisson played 10 minutes. He also plays basketball.

Coach Moore himself is also a former Littlefield resident. Other Littlefield men are expected to join the squad.

Tech Directors Award Contracts

An Agricultural Engineering Building and Greenhouse for the Texas Technological College campus have been approved by the Board of Directors and contracts totaling over \$400,000 have been awarded. Chairman Charles C. Thompson, Colorado City, said today.

The Agricultural Engineering building contract went to the R. F. Ball Construction Company of Houston, and totaled \$354,436. Contract for the Greenhouse, not to exceed \$54,000, went to the Lord and Durham Company of Irvington, New York.

Thompson said the board also approved the architect's preliminary sketches of the Student Union building, which is expected to cost over \$500,000. However, no date was set for the awarding of the Union Building construction contract.

Awarding of the contracts brought the total of Tech's construction program now in progress or contracted for to well over \$4,000,000. The Ball company is now building the Science and Engineering buildings and the Home Economics addition and Music hall. Other work in progress includes additions to the Administration building and Petroleum Engineering building.

The next board meeting will be held here on Sept. 23 as a joint meeting with the Texas Tech Foundation board of directors.

Fred Feagley and Shirley Kesner Lease Starr Drive-Inn Cafe

Fred Feagley of Amherst and Shirley Kesner of Farwell have leased the Starr Drive-Inn Cafe, and are now in possession.

Mr. Kesner has been in the cafe business in Farwell for many years, and therefore has considerable experience in the preparation and serving of food. They are specializing in home cooked meals and personalized service. Mr. Feagley and Mr. Kesner invite all their friends over the area to visit them in their new location.

Education Cost Less Back In Twenties

Students who registered at Texas Tech back in 1925 when the college was opened paid \$8 for their registration fee and could get their board and room for \$25 a month.

The 514 students who matriculated during the first term in September 1925, also paid a health fee of \$1.75 and a library fee of \$1. Tickets to the athletic contests and the artist course series cost another \$5.50, but this was optional.

Today the students pay a \$25 registration fee, and another \$15 for health and activity fees. Board and room in college dormitories costs \$60 a month.

On the other hand, the Tech faculty has increased from 35 members to a staff of over 350.

Reservists Of Rank Of Sergeant And Below To Be Called

The Department of the Army has ordered its army commanders to dip into the pool of approximately 185,000 male enlisted reservists who are not members of the Organized Reserve Corps units and to call 62,000 of them for active duty during September and October for a period of 21 months. According to information reaching T-Sgt Gerald F. Cutshall, in charge of the U. S. Army, U. S. Air Force Recruiting station here in Littlefield.

"It is intended that the first 32,000 called will be in camp by September 15, 1950, and the remaining 30,000 in mid-October," Sgt. Cutshall said.

"It is specified that the Reservists would be called with or without their consent from both the volunteer and inactive reserve," Sgt. Cutshall went on to relate.

"Selection will be made initially from those between the ages of 19 and 25. Priority will be determined by the number of dependents of the individual reservists. Those with no dependents will be called up first, those with one dependent will be called up second, and those with more than one, last."

Sgt. Cutshall says there are approximately fifty enlisted Reservists within the Lamb County area who may be affected.

The Reservists will be used primarily to bring to full strength National Guard and Organized Reserve units being ordered to active duty and to perform other duties essential to current Army expansion. The latter group would include key specialists for the most part.

FORMS NOW AVAILABLE TO COTTON BUYERS IN LAMB COUNTY

All cotton buyers in Lamb County, including ginners, are urged to submit their name and address to the Lamb County P. M. A. office in Amherst. It is important that we have these addresses so that we can furnish the buyers with the necessary forms and regulations governing the sale and purchase of cotton under the Marketing Quota Program.

LAMB COUNTY LEADER

STAGE IN PERSON! THE MAN WHO CALLS A SPARK - A SPARK

IT'S TIME for BROOKS! Because...

Something must be done now about the runaway cost of our state government — a cost which has increased more than 500 percent in the period between 1925 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

Track Record Smashed Again In "Junkers" Race

Another thrilling race was run by the "Junkers" last Thursday night at the Littlefield track. Again the record was broken when the "Flying Red Horse" car owned by Pat Jennings and driven by Ross Nixon clipped a second and nine tenths off the former time by covering the quarter mile in 39 seconds flat.

Nearly every race of the evening saw "The Flying Red Horse" taking top money in prizes and winning the Trophy Race with almost half a lap to spare.

Cars from Lubbock, Levelland, and Littlefield competed for honors on the city track located three miles north of Littlefield on the Spade highway. Plans call for a race next Thursday, beginning at 8 p. m., when cars from Morton, Slaton, Levelland, Plainview and Hereford will drive against Littlefield entries.

PRICE DANIEL In the recent Democratic primary Attorney General Price Daniel for the second time polled the highest vote in the state races. Daniel received 1,113,823 votes, 8,350 more than the nearest other unopposed candidate, according to the official returns released in Austin. In the first primary in 1948, in which more votes were cast, Daniel polled 1,231,881 votes, the largest number ever given a candidate in a Democratic primary in Texas.
