

War Bond Sales Effort Is Outstanding Co-operative Affair

 cross roads, every com- and city have their "Pats,"

and all the others, and their "Marys," and all the rest. Some of them stand out prominently as leaders, others work diligently, co-operatively with those who direct various war activities.
 In the war bond sales program, Lamb county has many able leaders and the enthusiastic support which they are receiving can best be expressed in the fact that each month this county exceeds its

quota in the sale of bonds.
Able Leaders Commended
 But at this time we wish to give special recognition to Pat Boone, county chairman; to Mrs. J. D. Armistead, who has arranged and directed the Littlefield Victory concerts, and to Joe Wells, Littlefield contractor, who recently came conspicuously into the local and national limelight through the staging of a one-man bond sale

drive totaling \$14,175.
 Mr. Boone has performed for his county, for his country, and for Victory a service that will be remembered long after success has been achieved by the United Nations. He has given unstintingly of his time and his money in advancing the sale of bonds in this county. Pat Boone can always be depended on to do the right thing at the right time and to do it

happily and willingly.
 Mrs. Armistead, music director in the Littlefield schools, in arranging the Victory concerts, has performed an outstanding service in advancing the sale of war bonds in Lamb county. She accepted a responsibility for which she was particularly equipped in talent, ability and training, and she has done an admirable job.
One-Man Bond Sale

Joe Wells' one-man bond sale made a clean sweep for Victory. In fact, it moved so fast that Joe almost got bewildered. Everybody wanted to buy bonds. A modest affair that started out with a few names jotted down on one of Clyde Hilburn's "memorandum pads" turned into a city-wide affair and in a few days Joe had picked up checks totaling \$14,175.

Littlefield Receives National Publicity War Bond Drive

Littlefield was tuned Tuesday by WHO, Des Moines, Iowa, Bob Burlingame broadcast the results of Joe Wells' one-man bond sales drive which sold 147 bonds with an aggregate maturity of \$14,175.
 broadcast, given in connection with the WHO War Bond club, devoted exclusively to Littlefield is believed to be the most national publicity which has received.
 Burlingame, as only Bob Burlingame can do it, gave the details of the drive, the list of the bond buyers, and made special mention of those buyers who had sons in close family connections in the armed forces.
Red Letter Achievement
 Radio announcer, in a pre-broadcast had referred to the drive as a "red letter" achievement in the WHO bond sales program. Tuesday night he enthusiastically gave the details of the drive and appealed to Texans to purchase more bonds through

Is Commissioned 2nd Lieutenant

George Olen Ross, son of Mr. and Mrs. George W. Ross, Route 2, Littlefield, Texas, was commissioned a Second Lieutenant in the U. S. Marine Corps Reserve at the Naval Air Training Center, Corpus Christi, Texas, Wednesday, March 10.

The graduation ceremonies, at which he and other members of his

LIEUT. GEORGE O. ROSS

class received their commissions and Navy wings from Rear Adm. A. E. Montgomery, USN, commandant of the NATC, marked the completion of a long, intensive training course qualifying them to take their places with the fleet.

At the Corpus Christi Naval Air Training Center, the largest Naval Air Training center in the world, Ross first passed the rigid requirements of the basic and instrument courses and then went on to receive specialized instruction in flying the Navy's patrol planes.

In addition to his flying activities, he has mastered in ground school the technical subjects required of a 20th century pilot and has prepared himself to serve as an officer in the United States Navy.

Lieut. Ross, former student of Texas Tech College, volunteered for flight training last January, 1942, and received preliminary flight instruction at the Dallas, Texas, Reserve Aviation Base.

School Election Saturday, April 3

At a recent meeting of the members of the local school board, an election was ordered for Saturday, April 3, when members will be elected to fill two vacancies due to the expiration of the terms of Dr. Wm. N. Orr and Frank Lehman.

Both Dr. Orr and Mr. Lehman have intimated that they will again make the race for election to the School Board.

Jess Elms has been named Judge of the election.

High School Band and Chorus Present Program

War Bond Will Be Awarded At Victory Concert Here Tonight

presentation of the program Sudan High School Band and Chorus, in charge of W. F. Findley, in charge, will be a special feature at the monthly Victory Concert open here at 8:30 o'clock to be held in the Littlefield High School gymnasium.

Findley is recognized as having superior talent in his line of endeavor, and the fact that he and the Sudan School Band and Chorus, he directs, will put on the concert, assures a splendid evening of enjoyment.

War Bond donated by the County Chairman of War Stamps Bonds, Pat Boone, will be awarded at the concert.

The purpose of the monthly program presented here is to boost the sale of war bonds and stamps, assist in the securing of the quota for the county.

The quota for Lamb County for the month of March is \$47,400.

A very special feature of the program Mr. Findley will sing one (Continued on Back Page)

Delicate Vases Unharmed When Home Is Wrecked

A cyclone which struck San Augustine, Texas, last week completely demolished the home of Mr. and Mrs. J. C. Wade, daughter and son-in-law of Mr. and Mrs. John Wade of northeast of town.

Mr. Wade is a member of the Augustus school faculty, and teaching at the time, while her husband, who is a salesman for the Milling Company, was also at home.

The storm, which swept through blocks, killed three people. Reports indicate that the building sustained a large wholesale grocery store of that city, in the path of the storm, having a \$500,000 stock, had the roof and walls blown away, leaving the merchandise clear in the open. A large force was obliged to guard the buildings after the storm.

A rather extraordinary incident in connection with the destruction of the Wade residence has been re-

ported. After the cyclone had blown away the roof and walls of the Wade residence, two expensive delicate china vases, which had been in the Porcher family for years, presented to Mr. and Mrs. Wade as a wedding gift by Mr. and Mrs. Porcher, and much prized by them, were found to be standing on the mantel undamaged in any way. It was believed by the owners to be nothing short of a miracle that the very delicate vases should not be harmed in any way when the roof had blown off, and the brick chimney fell down.

These rare and costly vases were a wedding gift to Mr. and Mrs. John Porcher, Sr., when they were married.

The loss of life was considered very small compared with the great damage done to the city, and in Thanksgiving, a special service was held in San Augustine following the storm.

MEAT RATIONING TO GET UNDERWAY MARCH 29

Will Include Wide Variety Of Foods, Including Cheese

Each Person To Have Total Of 80 Points For Month Of April

Simplicity is the keynote of the new meats and fats rationing program just announced by the Office of Price Administration.

Housewives will have no difficulty at all in shopping with their red ration stamps in War Ration Book Two when the new program goes into effect on March 29.

Although the ration list includes a wide variety of foods, including all meats and many cheeses, as well as shortenings and salad oil, butter and margarine, canned fish, and many other items, from the point of view of the housewife who does the shopping, it will really be a simple matter.

All these foods will be rationed with a single set of stamps and the busy housewife will have to consult only one table of point values to find out how many ration points any of these foods will cost.

This latest program requires no registration of any kind. War ration books are already distributed. Consumers will not be asked to report any stocks of food they may have on hand.

One of the few differences between the use of blue and the red stamps in War Ration Book Two is the order in which stamps will be declared valid.

When rationing begins on March 29, the first set of stamps, marked A, worth 16 points, will be valid. Beginning April 14, and then on each succeeding Sunday throughout April, an additional set of stamps will be validated. All these stamps, from A through E inclusive, will remain in all month, making a total of 80 points per person for April.

Another difference in the use of (Continued on Back Page)

Two Tots Give "All" To Red Cross

The true spirit of American giving was demonstrated here Saturday afternoon at the Red Cross booth in the local post office. Two small children, about 7 and 8 years of age, who were enroute to a store to buy a penny's worth of candy each, noticing the Red Cross advertisements, went into the post office and to the booth in charge of Mrs. C. O. Stone and Mrs. W. D. T. Storey, and in a low bashful tone of voice asked if they could give as little as a penny to the Red Cross.

On being told they might give as small an amount as a penny, they each donated a penny, and went on their way much pleased that they were able to do this much for the Red Cross.

Amherst Section Roads To Be Topped

The application for asphalt to top uncompleted roads in the Amherst section, filed by the Commissioners Court, has been approved by the Public Roads Administration, according to a wire received Tuesday from Congressman George Mahon by Judge I. B. Holt.

Announcement of the good news for the Amherst district and Lamb county was made by Jack Yarbrough, commissioner of Precinct 4, in which the Amherst area is located.

Roads to be topped are four miles of the Amherst-Earth road north from Amherst; the road east from Amherst to Highway 51; and a road extending four miles south from Amherst.

Elliott Taylor of Lubbock is the contractor for the Amherst district roads, and work of reshaping and topping these highways will get underway as early as possible.

Reshaping of the East-West road through Lamb County will start March 29, according to Judge Holt. Topping of the highway will follow as rapidly as reshaping advances sufficiently. Hunter Strain of San Angelo is the contractor.

The Joe Ward Engineering Co. are the engineers for the Amherst projects and the East-West road. Ed Pillely has returned to Littlefield as resident engineer for the completion of the roads.

City Donates \$3072; Other Towns In Co. Exceed Quotas

Drive Will Continue Through This Month; More Donations Expected

The Red Cross war fund campaign over the entire county has been an outstanding success. All communities and cities in the county, with a small percentage not reported up to Tuesday noon, had oversubscribed their quota.

A large measure of the success is due to H. C. Arnold, County Chairman, and C. O. Stone, Chairman of the Littlefield Drive, who gave considerable effort and time to the organization and carrying out of the Red Cross drive.

Following the kick-off breakfast served by the Methodist ladies in the basement of the Methodist Church Friday morning, the local drive got going in a big way.

With Mr. Stone in charge, Littlefield Captains in the drive were: L. C. Hewitt, A. R. Hendricks, Lowell Short, J. M. Stokes, Dr. Wm. N. Orr, W. D. Watkins, and Lester Walters. Assisting the Captains were: J. T. Elms, R. T. Badger, W. H. Madden, J. O. Garlington, J. H. Ware, Jimmie Brittain, Hardy Shelby, I. D. Onstead, Bill Chesher, J. V. Eagan, Charles Signor, R. W. Lewis, O. K. Woodall, Dennis Jones, Viggo Peterson, H. C. (Clay) Pumphrey, Ben Lyman, Buster Owens, Paul Pharris, Dr. Ira Woods, and Lloyd Sewell.

By Tuesday noon, a total of \$3,072.17 had been subscribed in the Littlefield drive. The quota for this city was \$2,400.

In an interview with Mr. Stone, he said: "Littlefield should certainly be proud. Although all captains had (Continued on Back Page)

Winning By Bombing

After ten days of the most extensive air bombardment the world has yet seen the exact role of British-American raids on the Continent is becoming clearer. There is reason to question the assumption that they are the prelude to immediate invasion somewhere between Norway and Spain. Equally to be doubted is the belief that bombing alone can crack the Axis. But they should be recognized as constituting a factor of major, possibly of paramount, importance in military calculations.

Some aviation enthusiasts believe that combined with the land actions in Africa and Russia the air offensive will smash morale and cause the Axis to disintegrate and sue for peace. Possibly if the hammering can be continued for long at the recent pace the Nazis may find it psychologically impossible to control Europe and physically impossible to make and transport adequate war supplies. Certainly if the devastation already wrought in many German cities could be spread at the rate which fullest use of rapidly increasing British-American air power makes possible, an invasion would need only to break a shell.

If new American bombers should be added to the night-raiding forces the RAF is now operating, almost any German industrial or railway center could be knocked out of the war in two hours. The raids on Berlin and St. Nazaire illustrate the vastly increased hitting power of bombers in the last two years. While comparisons of the weight of bombs dropped are estimates, they are based on numbers of planes involved and their known bomb load and should be fairly near the mark. In the famous Coventry raid the Luftwaffe dumped 200 tons during one night; over Berlin the RAF on March 1 dropped 900 tons in a half hour. About 1,000 tons fell on St. Nazaire in

30 minutes.

In something like eighty weeks before July, 1941, it is estimated that London took 7,500 tons of bombs, which is less than British-American day-and-night raids have rained on Nazi bases in the last ten days. In his book, "The Air Offensive Against Germany," Allan A. Michie declares that in one six-month period of 1942 the RAF destroyed 300,000 dwellings in Germany that can be counted on reconnaissance pictures. He reports that 600 acres were left devastated by the 1,000-plane smash at Cologne, and that 700 German war factories have been blasted beyond repair.

Those who went through the air blitz on England know how desperate the situation would have become had the Nazis kept on much longer. The RAF is convinced that by steady pounding at a far higher rate of destruction, it can wreck and demoralize Germany's key industrial cities. The daylight raids of American planes are less effective and require fighter escorts, which limits their range. But one last week penetrated to Hamm, the great rail center, and they do help to keep the defense guessing right around the clock.

General Eaker has just said that in the next few months American bomber strength will be built up to equal the British. The prospect is that the intensified air offensive will be continued in every bit of good weather and even greatly increased. It is performing at least three important tasks: 1. Weakening the U-boat threat by blasting factories and base installations; 2. Smashing war factories, supplies and communications and upsetting workers; 3. Harrassing and wearing down the Luftwaffe.

We need not be concerned that the bombing pattern does not indicate an immediate land invasion. We may well press for more effective American bombing and any effort to increase the pace of this "softening up."

Salvation Army Needs Clothing

The Salvation Army is making a special appeal for clothing for needy families, Mrs. Major Florence Faulkner, who is in charge of the local unit, said this week.

Major Faulkner stressed the need for children's clothing, as the supply is low at the armory, and children living in Littlefield need these clothes, she said, and transients were always in need of clothing.

People having clothes that are not being worn are urged to take them to the Salvation Army as soon as possible. Mrs. Faulkner stated that inasmuch as she did not have a

conveyance with which to collect the clothes, she is asking that they be brought to the Hall.

Annual School Census Enumeration Being Made During Month Of March

As announced by Supt. F. A. Hemphill Wednesday, the annual school census enumeration is being made during this month and began on Friday, March 12.

Local public school teachers are assisting in the enumeration of the scholastics, and it is important, according to Supt. Hemphill, that all children residing within the school district, who will be between the ages of 5 and 18 on next September 1, be enumerated.

Supt. Hemphill stated that it is the parents' and guardians' responsibility to see that their children are listed on the census rolls during this month, saying that if for any reason the census takers fail to enumerate

the children in any home the parents should report it to the local school authorities or Board of Education.

Supt. Hemphill pointed out that to be legally qualified for State support in public schools, a child must be enumerated, and it is very important that every child be listed, so that Littlefield schools may qualify for the maximum amount of State support for next year.

Mrs. O. D. Yeager, Jr., and daughter, Connie Sue, returned to Littlefield Monday after visiting Cadet Yeager, who is stationed at Pine Bluff, Ark.

Earth-Spring Lake News

Mrs. Bill Clayton and little son, Donny, of Olney, Texas, visited her father, W. D. Chitwood, last week.

Mrs. Lena Hite was honored with a surprise birthday dinner and several nice presents at her home on Friday, March 5.

Dinner was served from a table laid with a lovely lace cloth, and flowers.

Those present were: Mesdames Barlow, S. E. Hite, C. T. Bradford, C. W. Terry, L. H. Cupp, E. L. Bock, Geo. Wallace, Henry Doughty, M. E. Kelly, N. Ray Kelly, Charles Webb, R. L. Drake, Miss Beatrice McCurdy and the honoree.

Those attending the Lamb County P.T.A. Council at Amherst Tuesday afternoon of last week from Spring Lake were: Mesdames J. L. Hinson, W. C. White, M. E. Kelly, N. Ray Kelly, C. L. Roberts, and R. L. Drake.

Pvt. Stanley Brock, who is with the parachute troop and stationed at Lawson Field, Fort Benning, Ga., is here visiting relatives and friends. His mother, Mrs. Lula Brock, who is living in California now, met him here.

Mrs. Annie McCool of Mountain Park, Okla., is visiting in the home of her daughter and family, Mr. and Mrs. A. C. Barton.

Brothers meet—at home!
Cpl. Ray Timian of the U. S. Army who is stationed at Drew Field, Fla., arrived in Littlefield Sunday for a visit with relatives and friends.

Pvt. Julie Timian, who is in the army, stationed at Fort Snelling, Minnesota, had been wishing he could have notified his brother to meet him at home, but he could not contact him, enroute here. He arrived in Littlefield Monday morning and was pleasantly surprised to find Ray here.

Mrs. Ray Timian, who has been at Coleman the past few months, accompanied Cpl. Timian here.

Lee Beckner, son of Mr. and Mrs. Ab Beckner, of the U. S. Air Corps, who has been taking cadet training at Scott Field, Ill., completed his basic training this week.

Clayton Beckner, brother of Lee, is a Seaman Third Class, U. S. Navy, and had been stationed at Miami, Fla., until March 8, when he was sent to New York.

Roy Beckner, third son of Mr. and Mrs. Ab Beckner, in the Armed Forces, with Uncle Sam's Navy, is training to be a gunner's mate on the Almondite.

Mrs. Beckner said Roy had stated in a letter that they were real busy, and only docked once a month.

Lieut. Bill Street, who is in the Army Postoffice at Yuma, Ariz., talked to his parents here by phone Saturday morning.

In his conversation Lieut. Street said he was highly pleased with his work; that he was working harder than he ever had, but liked his work. He and another lieutenant have charge of that area of mail.

Lieut. Street was connected with the medical corps until September last when he was transferred to the Adjutant-General's Department.

Mr. and Mrs. Pryor Hammons returned Thursday from a two weeks' trip to San Diego, Calif., where they visited their sons, Pryor, Jr., and Robert W. (Babe), both of whom are in the Marines.

Pfc. Pryor Hammons, 20, has been in the Marines seven months, and is connected with a Paratroop Division. He is stationed at Camp Elliott.

He was graduated from the Littlefield High School about three years ago; attended Tech, and was employed with the Douglass Aircraft

at Long Beach, prior to enlisting in the Marines.

Pvt. Robert W. Hammons known as "Babe" to his many friends here, was only 18 years of age in January. He enlisted in the Marines, and left here February 13 for San Diego. He is now in Boot Camp.

Mr. Hammons reports that "Babe" sure does like his work; he thinks there is no branch of the service like the Marines, and likes his job so well that he "wouldn't trade jobs with the President."

Both boys were able to spend Sunday, March 7, with their parents in San Diego.

Mr. and Mrs. Hammons have just reason to be proud of their two sons, who represent the very finest of young manhood.

Mr. and Mrs. Hammons also visited a niece, Mrs. Roy Sanders, formerly of Phoenix, but now employed by the Ryan Aircraft, San Diego.

They also report meeting and visiting with several Littlefield residents, including Kenneth Houk, who is expecting to come home on furlough soon, and Mrs. Houk, who is employed by Consolidated Aircraft; George White, who is a First Lieutenant in the same Marine Division as Pfc. Pryor Hammons, Jr.; Joe Nichols; and Mrs. J. W. Keithley and Miss Alma Walraven.

Mr. and Mrs. Hammons accompanied Mrs. Ed Hewitt to San Diego, and returned home by train. Mrs. Hewitt is now employed by the Consolidated Aircraft Corporation.

Kenneth D. Beckham reports his third rating since he has been in the Navy. He is now Petty Officer Third Class. He enlisted in the U. S. Navy February 8 at San Diego, Calif. He says he likes it well and hopes all his friends will join up with him.

Mr. and Mrs. R. L. Byers received a letter from their son, Roy, Jr., from Kodiak, Alaska, this week saying he was learning to cook. He also said he was receiving the Leader and sure enjoyed it.

Roy, Jr., is a Seaman, Second Class, in the Navy.

Pfc. Gerald C. Jacques, 19, of Earth, of the Army Air Corps stationed at Sheppard Field, received his first stripe this week, and in a letter to his folks at Earth, said: "I feel like a Big Shot now."

Cpl. Leo Clark of the U. S. Army

**Open Letter From
Mrs. Lyle Brandon**

Dear Friends:
Mrs. L. C. Hewitt, who is working up our time cards brought in some figures I thought would be interesting to you.

The total hours for the 15-day period for ladies from this district not including Amherst during the month of January—1,449 hours and 20 minutes. Amherst ladies contributed 475 working hours during the 15 day period. This was approximately 131 working hours average daily for Lamb County women.

Supervisors who worked more than 25 hours in that period of time were: Mrs. J. H. Barnett 26:30; Mrs. Brotherton 42:50; Mrs. Frank York 32; Mrs. J. D. Hagler 32; Mrs. W. G. Street, 41:05; Mrs. E. A. Bills 29; Mrs. Gus Shaw 39:15; Mrs. W. D. T. Storey 36; Mrs. Ina Harlan 30; Mrs. H. R. Bilderback 32:20; Mrs. Brantly Weiburn 34:45.

Other outstanding workers who were not supervisors were: Mrs. Dee Chapman 34:05; Mrs. C. F. McCormick 59:45; and Mrs. Bessie Lakey 39:15. This is not only Littlefield women but all women from surrounding communities all over the county.

That sounds like a lot of work, doesn't it? But it wasn't a bit too much. We reached our quota and we must keep at it so we will be able to meet them right on through. I would like to call your attention, especially country women, to come to work Saturdays. This is a nice place to visit with your friends as well as to do some real good. The ladies from Oklahoma Avenue Club have been coming Saturdays as well as several others.

If some of you ladies who do your own laundry would come by and get our smocks and aprons that we have here to work in and wash and iron them for us we would appreciate it very much.

"Hi Darling:
"So another little lady has come to live with Frankie J. Duddy and Mother. I would love very much to see you but I guess as they have told you why I'm away. May richest of life come your way and happiness forever.

"Yes, I know you are a very sweet little lady and a gift from God to brighten the world. We soldiers all think of little ones like you. I have Donnie and Buddy that I think are the only boys in the world. I hope and pray to be back with them soon to see them grow up to be Free men.

"I'll be looking for a letter real soon.

"Lots of Love from
"UNCLE JIM."

Mr. and Mrs. J. E. Norman received a letter Tuesday from their son, Jack Norman, who is in the U. S. Marines, and was in the invasion of Guadalcanal. He has been promoted to sergeant, and he wrote that he was well and safe. The letter was written February 28, and his parents believe that he is now on a ship, since his address has been changed.

Corporal Ralph W. Turner, son of Mr. and Mrs. Paul Turner of nine miles south of Littlefield, has returned to Camp Claiborne, La., after an eight-day leave spent at the home of his parents. He entered the service in July, was made a corporal in January, and is now preparing himself for additional advancement.

According to a report from Lieut. David Wade, commandant of Army Air Forces Bombardier School at Big Spring, Texas, Pfc. R. Hill, son of Mr. and Mrs. R. Hill, a member of the 816th Bombardier Squadron, has been promoted to the grade of Corporal. He is one of the boys who keep 'em up night and day out at Big Spring, one of the world's largest schools for bombardiers.

Bill Eudy, who was recently drafted into the armed forces, is stationed at Fort Knox, Kentucky. Mrs. Eudy reported last week that her brother, Lieut. Frank

Eudy, is stationed at Louisville, Ky. They are sons of Ott Eudy of Littlefield.

Mrs. Bill Eudy and son plan to join her husband in about two weeks.

Pvt. Bruce Wren, Jr., son of Mr. and Mrs. Bruce Wren of the Whiteharral community, is now stationed at Sheppard Field, near Wichita Falls. He attended Texas Technological College in Lubbock and was a reserve in the air forces. He was called for service in February.

Pfc. Jesse Ray White recently received several medals for good marksmanship in rifle range at Camp Howze, near Gainesville. He was reported to have "hit the bull's eye" 298 times out of 900 shots. His father, J. E. White, returned Wednesday of last week, after a few days' visit with his son.

Pvt. Edwin Coffman left Saturday for Avon, Fla., after an eight-day visit with his parents, Mr. and Mrs. Floyd Coffman. He is in the Army Air Forces, stationed at the Avon Park Bombing Range.

Staff Sgt. Robert J. Boren, son of Mr. and Mrs. J. R. Boren, recently underwent appendectomy at Hondo, Texas. He is stationed at the Navigation school, near Hondo. He is reported to be getting along nicely, and expects to have a furlough in a few weeks.

Mr. and Mrs. A. M. Dunagin and son, Melvin, returned Thursday night from attending graduation exercises at the Midland Bombardier Triangle School, and witnessing the awarding of Silver Bombardier Wings Thursday to their son and brother, Marion O. Dunagin. They were also accompanied by Mrs. J. H. Roles.

Lieut. Dunagin left Midland Friday for Orlando, Fla., to attend the school of Applied Tactics, where he expects to be stationed about three months.

Mrs. Dunagin, the flyer's wife, returned to Lubbock Friday where she will make her home for the present. She has been living at Odessa, ten miles from the Midland Army Flying Field.

Mrs. Warren DeMarcus accompanied Mrs. Dunagin to Lubbock Friday, and will spend two weeks there before joining her husband, who has been transferred to San Marcos for a course in navigation.

Pvt. William P. Neinast, 20, son of Mr. and Mrs. W. P. Neinast of Hart Camp, who left here about a month ago for military service, was kept at Fort Sill a week, following which he was sent to Camp McCain, Miss., where he is now stationed. He is in the infantry branch of the service.

Announcing Change of Ownership —Of The— Hamburger King

We have sold our interest in the Graham Bakery to Edgar Graham and have acquired the Hamburger King from L. L. Thornton and "Fly" Thornton, and are now operating the cafe.

We have had many years experience in the operation of a cafe, and we invite our friends to visit us in our new location. We also want to make new friends and patrons. We Specialize in Hamburger Sandwiches and Short Orders.

Mr. and Mrs. O. B. Graham

at Phoenix, Ariz., since Dec. 1 last, is expected home about April 1 for an extended visit with her parents, Mr. and Mrs. L. C. Grissom. Cadet Jones has been stationed at Thunderbird Field, Phoenix, Ariz.

Mr. and Mrs. R. E. Dennis of Olton received the message recently that their son, David D. Dennis, was missing in action. No details of the encounter in which Dennis was lost were given, but it is assumed that his ship was the victim of a German submarine somewhere in the Atlantic.

David D. Dennis, 37, was the youngest son of Mayor and Mrs.

R. E. Dennis and was reared in Olton, graduating from the Olton High School in 1926. He later attended Texas Technological College for one year. He majored in architectural engineering. He was married to Miss Mona Mae Ragland of Olton in 1930. They moved to California where they lived until Mr. Dennis offered his services to his country. Mrs. Dennis spent the past several months in New York with her husband. Following the completion of his naval training she returned to their home in Altadena, Calif., where they formerly operated a service station.

Mr. Dennis enlisted in the Navy

on September 4, 1942, and was stationed at Long Beach, N. Y., where he received his initial training and was given the rating of First Class Petty Officer. He embarked on his maiden voyage from New York January 23, and it is possible that it was on that voyage that his ship met with disaster.

Gilmer "Cotton" Eagan, second class storekeeper of the U. S. Navy, who has been aboard ship on the Pacific the past two and one-half years, came through Littlefield Saturday afternoon aboard train, en route to Lubbock and Olney. He is

week for a visit with his brother and sister-in-law, Mr. and Mrs. Vernon Eagan, and his sister, Mrs. Lynn Dobbs. He is visiting his brother, J. R. Eagan, in Lubbock, and his parents at Olney.

Gilmer was accompanied home by Miss Dorothy Graves of San Francisco, Calif. Miss Graves is a sister to Mrs. Bob Mitsch, the former Miss Martella Graves.

A large number of Gilmer's friends greeted him at the train Saturday afternoon. He is reported to have been in several major battles in the Pacific area.

day afternoon, by ministers from neighboring cities. Sunday night, Rev. Homer Duncan, pastor of a Baptist church in Utica, N. Y., opened a week's series of services, which are being held daily.

Rev. and Mrs. A. B. Haynes returned Friday from a trip to Dallas, where Rev. Haynes attended a church meeting, and Mrs. Haynes visited her mother.

NOW OPEN— —FOR BUSINESS

We have leased the building formerly occupied by Jack Henry's Tailor Shop, next door to the Hamburger King, and will sell all kinds of newspapers and magazines.

Girl Scouts Enjoy Program Tuesday At Amherst Hotel

Tuesday night was Girl Scout Night at the meeting of the Amherst Study Club at the Amherst Hotel. Mrs. E. H. Acker, leader of the Intermediate Scouts, and Miss Elouise Clarke, leader of the Senior Scouts, presented the girls' program.

Yvonne Harmon announced the numbers; they were:

History of the Amherst Scouts—Mrs. E. H. Acker.

Salute to the Flag and the Girl Scout Pledge—Mary Ann Jones.

The Girl Scout Laws—The Intermediate Scouts.

The Ten Program Fields of Girl Scouting—Mary Lenore LaGrange.

The Life of Juliette Low, the founder of Scouts—Virginia Ray Jones.

Girl Scouting in America—Geraldine Nicholson.

Group singing by all present—The Intermediate Scouts had a hobby display that was enjoyed.

Mary Lenore LaGrange was awarded five proficiency badges for work she had recently completed.

The hostesses for the evening were: Mesdames R. H. Campbell, B. P. Harrison, C. M. McFall, who served delicious refreshments in St. Patrick's Day motif to about 35 present.

The Senior Scouts meet at the Legion Hall Friday night at 8:30 o'clock.

Miss Gladys Tapley Honored Recently

Bouncer White and James Ferguson were hosts at a farewell party at the home of Mr. and Mrs. Allan White, Amherst, honoring Miss Gladys Tapley, who has moved to Amarillo.

Many interesting games were played, and a most enjoyable time was had by all.

Refreshments were served to 15 guests, after which they all wished Gladys much happiness in her new home.

Needlecraft Sewing Club Meets

The Amherst Needlecraft Sewing Club met with Mrs. W. H. Crosby Tuesday, March 16.

Delicious refreshments were served to the following ladies: Mesdames A. O. Dickson, Marion Wagner, E. E. Gee, George Harmon, Joe Porter, L. C. Rhodes, Sam Harmon, and the hostess, Mrs. W. H. Crosby.

Next meeting will be with Mrs. A. O. Dickson—Tuesday, March 30.

Amherst Seniors To Present Play Mar. 26

The Senior class of Amherst High School is busy this week. They are trying to get ready for the Senior play which will be presented March 26 at the Amherst school auditorium. Admission will be 15c for grade school children and 25c for high school students and adults.

The seniors and their sponsor, Miss Clark, have worked very hard on the play, and Mr. Sullivan is also helping to make it a success.

The play, which begins at 8:30 o'clock Friday night, March 26, is a mystery-comedy in three acts.

Plenty of entertainment is promised those who attend.

Amherst H. D. Club Meets Thursday

FIRST METHODIST CHURCH

Amherst, Texas
R. H. Campbell, Pastor

We have now come over into that season of the year in which we remember those last few tragic weeks of the life of our Master. That period of His life in which He endeavored to bring His disciples into that close relationship with Himself, and to give them that faith and knowledge which would guide them through the years of their ministry after He was taken away from them.

It is a time of year, I think, that the church can if it will draw even closer to our Christ than at Christmas time. A time in which the full meaning of His gospel should be revealed to us.

So during these weeks let us place ourselves as never before in the hands of our Master that He may reveal to us the things that He would teach us concerning our own lives.

During this season, at every Sunday morning service we want to dwell upon some message that comes out of this period of the life and teaching of Jesus.

Church School, 10:15 a. m.
Morning worship, 11:30 a. m.
Theme: "Going to Jerusalem."
Youth Fellowship, 8 p. m.
Evening services (Evangelistic), 8:30 p. m.

Remember the church with a place and a welcome for everyone.

Rev. and Mrs. A. B. Haynes returned Friday from a trip to Dallas, where Rev. Haynes attended a church meeting, and Mrs. Haynes visited her mother.

"Lucky because I just stopped one in the leg. But Smith and Weinberg and Farley... they're dead. Dead because we didn't have one more grenade to throw!" That's an American soldier speaking. Speaking your language. He's asking for more guns to fight with. More tanks, more planes, more grenades to crack down on the enemy. Well, let's give them to him! Let's put more money in WAR BONDS. Let's lend Uncle Sam the money to make more tools of war. It's a loan, because the money you put into WAR BONDS now comes back to you in 10 years with a healthy bonus of good interest! For every \$3 you lay aside for War Bonds pays back \$4. LET'S ALL DO OUR BEST!

Ration Calendar

Meat, fats, cheese—New program starts March 29 with red stamps in Book No. 2 to be used.
 Sugar—Coupon No. 12 (5 lbs.) valid March 16. Must last through end of May, or 11 weeks.
 Coffee—Stamp No. 25 (1 lb.) expires March 21.
 Tires—Class A. First inspection deadline March 31.

New Rationing Announced

Meats, edible fats and oils, including butter, cheese and canned fish were added by OPA to the list of rationed foods, with rationing to start Monday morning, March 29. In the first month, each holder of War Ration Book 2, regardless of age, will have 16 points a week to spend. The red stamps in Book 2 will be used. Included in the new program are all fresh, frozen, smoked, cured, dried and canned beef, veal, lamb and pork, and variety meats and sausage; all canned fish; butter, margarine, lard, shortening and cooking salad oils; and cheeses.

Point Values Cut

Effective Saturday, March 13, point values of dried and dehydrated prunes and raisins, and of all

edible dry beans, peas and lentils was reduced from eight to four points per pound. In addition, dates and figs not hermetically sealed were removed from the current list of rationed foods and the basis for computing point values for other dried fruits adjusted to place these fruits on the same basis as dried prunes and raisins.

With a warning that it is up to the individual to take the best possible care of his ration books, OPA issued uniform regulations governing replacement of lost, stolen or mutilated War Ration Books 1 and 2. Anyone desiring to replace a ration book or coupon sheet must apply to his local ration board on Form No. R-194. Ten days after submitting his application, the book owner may report to the ration board, which will examine the facts and, if satisfied, may issue the replacement. Where ration books are lost or stolen, the board may require the applicant to report his case to the police.

"The prison terms of up to seven months in jail with accompanying fines ranging to \$5,800 meted out to 13 individual violators of OPA price ceilings on beef at the wholesale level today is only the start of

1. Wipe top burners with damp cloth after meals.
2. Use mild cleaner only for enamel, aluminum and chromium burners. Rinse with clear water, dry thoroughly. (Removable top sections, when so equipped, should be screwed or bolted back firmly in place.)
3. Should burner ports ever need cleaning, use stiff wire brush or gently insert small wire to remove food particles.
4. Gas range burners last for years. Star shaped burners of even the oldest ranges can generally be kept working like new by occasionally boiling in solution of one tablespoon of sal soda to each three quarts of water. This should be followed by a rinse in hot soapsuds and cleaned with water. Burner rods can be removed and cleaned at same time. Replace in exact original positions.

our broadened campaign to wipe out the black market in meat in this country." Price Administrator Prentis M. Brown said on March 9 in commenting on the sentences and fines handed out by Federal Judge Goggard in United States District Court in New York City.

Prices of Fresh Vegetables

Regional OPA offices may adjust the maximum price of any seller of fresh lettuce, spinach, carrots, green peas, snap beans, tomatoes, and cabbage when the ceiling price is likely to disrupt normal distribution, the OPA has ruled. The Dallas regional office already has started a series of open hearings on the vegetable price situation.

Seeds Not Rationed

Peas, beans and lentils when labeled as such and bought exclusively for use as seed are exempt from the processed foods rationing program and do not require the surrender of either point stamps or ration certificates, according to OPA.

Stocking Prices Reduced

Reductions of from 5 to 40 cents per pair for rayon stockings have been announced by the OPA. New

prices, which will be put into effect by mid-April at all sales levels will represent price cuts averaging 15 per cent.

Production of War Material

January production of certain types of war material: 70,000 aircraft bombs of 1,000-pound size or larger—enough to bomb the enemy for 30 days at the rate of 2,300 bombs a day; approximately 5,000 airplanes, more than 65 per cent of them of the combat type; equipment for ground and air forces—3 1/4 times the rate of January, 1942; 58,000 carbines; 80,000 garand rifles; 27,000 .50 calibre aircraft machine guns; 7,000 20mm. aircraft cannon, and 68,000 sub-machine guns.

Gas for School Bus

If school authorities do not promptly return applications for revised Certificates of War Necessity, there may be insufficient gasoline for school bus operation in the second quarter of 1943, the Office of Defense Transportation warns. The minimum necessary mileage for each school bus will be determined on the basis of information contained

in these applications.

Gardening Materials Sufficient

Supplies of essential garden tools, seed, and insecticides are reported to be sufficient to meet the needs of the expanded Victory Garden program, but there are none to waste, the USDA has announced. Wasting seeds, tools, fertilizers, or insecticides is never desirable and in wartime is to be condemned.

Increase Cotton Acreage

Farmers will be permitted to exceed their 1943 cotton acreage allotments by 10 per cent, but cotton marketing quotas will be retained. Farmers may plant this 10 per cent excess acreage without lots of agricultural conservation program payments, without being liable for cotton marketing quota penalties, and without forfeiture of cotton loan privileges. They will receive no pay-

ments for acreage planted in excess of the allotment, and the 10 per cent increase in no way relaxes provision pertaining to achievement of war crop goals.

To Control Oils

Peanut, soybean, cottonseed, corn oils going into common channels will be controlled on monthly allocation basis after March 16, Secretary of Agriculture Harold I. Holt directed under Food Distribution Order 29.

Elton Carrell Honored at Dinner Party Saturday Night

J. I. Carrell entertained with a party Saturday night, honoring son, Sgt. Elton Carrell of S. Army, who had been home for a while.

A patriotic motif was used in the decorations, with toy soldiers and a map adding to the attractiveness of the table, which was centered with a large cake, beautifully decorated in red, white and blue. The top of the cake was written, "Elton Carrell, Fort Lewis."

After the dinner, the group enjoyed several hours visiting.

Attending were: the honoree, Sgt. Carrell; Mrs. Elton Carrell; Mrs. Estelle Slaton of Lubbock; Mr. and Mrs. R. L. Gattis; Mrs. E. J. Foust, Bobby Foust, Bill Aldridge, Mrs. Cloise and son, Jerry Mack; Miss Elton Carrell, and the host and hostess, Mr. and Mrs. J. I. Carrell. Carrell left Amarillo Sunday to return to Fort Lewis. He was accompanied by his mother, and Mrs. Slaton, returned to Littlefield after he had the train.

A. B. Haynes Hostess Business Monday Night

A. B. Haynes was the guest hostess to members of the Business Woman's Group of the Lubbock Auxiliary Monday evening at a dinner at the Haynes home on West First Street.

A patriotic and colorful suggestive program, following the dinner, was in charge of Mrs. J. S. Haynes.

Present were: Mesdames Woods, J. S. Hilliard, G. M. Arbie Joplin, Ben Porcher, Laverne Hayhurst, and Rev. J. S. Haynes.

The marriage of Miss Naomi Harper of Anton and Staff Sgt. Billie Joe Stephens of Pampa Army Flying School and Greenville, took place Thursday, March 4, at 8:30 p. m., at the home of Mrs. J. A. Lindsey, 1908 Fourteenth Street, Lubbock, with Dr. C. E. Hereford of First Baptist Church of that city reading a single ring ceremony.

MRS. BILLIE JOE STEPHENS

Only immediate family members were present.

The bride wore a powder blue tailored suit and a corsage of white roses.

Miss Ruby Thomas and Ronald Cox were attendants.

There was a reception after the service and a wedding cake, flanked with flags of the United States was served with coffee.

The bridegroom formerly was stationed at Lubbock Army Flying School. The couple is at home at 535 Fourth Summerville in Pampa.

Miss Doris Hopping And John Pomeroy Are Wed March 6

Miss Doris Hopping, daughter of Mr. and Mrs. R. C. Hopping of Lubbock, and John S. Pomeroy of Magdalena, N. M., were united in marriage Saturday, March 6, at the First Baptist Church in Albuquerque, N. M. Rev. McGay officiated with the single ring ceremony.

The bride was attired in a turquoise blue dress with black accessories. Her corsage was of pink carnations.

The couple were attended by Mr. and Mrs. Sid Hopping of Littlefield, brother and sister-in-law of the bride.

Others who attended the wedding were the bride's parents, and Billie Marie and Clifford Coke Hopping, son and daughter of Mr. and Mrs. Sid Hopping.

Mrs. Pomeroy, who formerly resided in Littlefield, is a graduate of Texas Technological College, Lubbock, and she received her master's degree last June. She has been teaching in the school at Magdalena, N. M., since last September.

Mr. Pomeroy has been a forest ranger for several years, and they will make their home in Magdalena, where Mrs. Pomeroy will continue to teach until the end of the school year.

Mr. And Mrs. Thurmon Complimented By Friends Friday Night

Mr. and Mrs. T. M. Thurmon, who left Monday for Canyon, to make their home, were honored Friday evening when a group of friends gathered at the Thurmon home in a surprise party.

The main diversion for the evening was "42."

Those present were: Mr. and Mrs. Fred Weatherford and young son, "Micks"; Mr. and Mrs. Charles Faust and son, Mike; Mr. and Mrs. Clark Peak; and Mr. and Mrs. Thurmon.

Mr. Thurmon was formerly employed by the West Texas Gas Company here, but has been transferred to Canyon.

Mrs. T. P. Wright And Son Arrive Thursday For Visit Here

Mrs. Tilden P. Wright and son, T. P. III, of Blytheville, Ark., arrived last Thursday night for a visit with her mother-in-law, Mrs. Vernie V. Wright. She will probably be here several weeks. This is the first time Mrs. Wright had seen her grandson, whose father, Major T. P. Wright, is with the Army Air Force in England.

Accompanying Mrs. Wright and son to Littlefield from Lubbock were her brother-in-law and sister-in-law, Mr. and Mrs. Alph Wright and son, Yantis, who visited here Thursday night.

Other visitors in the home of Mrs. Vernie V. Wright Sunday were another son and daughter-in-law, Mr. and Mrs. Leonard Wright and children of Abernathy.

Primary PTA To Meet At High School Next Wednesday

The Parent Teachers Association of the Primary school will meet next Wednesday afternoon at 4:30 o'clock in the high school auditorium.

The program will include several patriotic musical numbers by Mrs. Homer Sewell and Mrs. Roy Wade and their accordians, and a play by members of the second grade. Mrs. J. H. Carl, Mrs. Dewey Hulse, Miss Margaret Teel, and Miss Olene Robbins are second grade teachers.

Officers for the coming year will be announced by the nominating committee at this meeting.

All parents who have children in the primary school are urged to attend the meeting next Wednesday at the high school.

Mrs. Maude Street was ill with the flu last week end.

Miss Dorothy Graves And Gilmer Eagan Wed At Lubbock Tuesday

Miss Dorothy Lee Graves, daughter of Mr. and Mrs. C. R. Graves of Stockton, Calif., became the bride of Gilmer I. (Cotton) Eagan, Storekeeper Second Class of the U. S. Navy, in a quiet ceremony Tuesday morning at Lubbock.

The only attendants were: Mr. and Mrs. J. R. Eagan, brother and sister-in-law of the groom.

The groom is the son of Mr. and Mrs. J. J. Eagan of Olney, Texas; and the brother of J. V. Eagan and Mrs. Lynn Dobbs of this city, and J. R. Eagan of Lubbock.

The bride is a sister of Miss Martella Graves, former member of the Littlefield School Faculty. She formerly lived in Lockney and Hereford, and later in Fort Worth, where she was graduated from a Fort Worth high school. She has been living in San Francisco for the past two years, and is employed in civil service in that city.

The groom has been a resident of Littlefield since 1925, was graduated from the local high school in 1935; and was employed by the

MRS. J. T. ELLIS

Local Women Complete Their Basic Training

Auxiliary Elsie B. Lair and Auxiliary Josephine F. Weaver, both of Littlefield, have completed their basic training at the First Women's Army Auxiliary Corps Training Center at Fort Des Moines, Iowa. Miss Weaver has been selected for specialist training in Bakers and Cooks school, while Miss Lair will take specialist training at Midland Radio School, Kansas City, Mo.

They will each receive additional training in a specialized field preparatory to taking over an important behind-the-lines Army job, releasing a soldier for combat duty. There are now more than 100 jobs listed by the Army replacing soldier with WAACs. Among them are: Aircraft Warning personnel, baker and cooks, camera Technicians, chauffeurs, classification specialists, clerks, draftmen, librarians, machine record operators, radio technicians, stenographers, telephone operators, truck drivers, typists, bombsight repairmen, weather observers, and link trainer and glider instructors.

Miss Alice Jeanne Engleman, daughter of Mr. and Mrs. J. S. Engleman of Fort Worth, became the bride of Pfc. John Thomas Ellis, son of Mr. and Mrs. K. W. Ellis of Littlefield, at the Court House, Lubbock, Tuesday, March 2, at 4 p. m., with Justice of the Peace J. T. Inmon officiating.

Mrs. J. T. Inmon was the only attendant.

The bride was a former resident of Tulia, Texas, her father publishing the Tulia Herald for about 20 years.

Mrs. Ellis attended Tulia High School until she withdrew to enter Paschal High at Fort Worth, from which she graduated at mid-term of this year.

Pfc. Ellis has been in the Army Air Corps for the past six months, stationed at the South Plains Flying School, Lubbock, connected with the ground crew. He attended Littlefield High School until February of last year, when he left here to attend the Fryers Aircraft School at St. Louis, Mo., from which he graduated, and volunteered in September last.

Pfc. Ellis returned to his duties at the South Plains Flying School, Lubbock, Wednesday, after a 15 day furlough, accompanied by Mrs. Ellis, where they will both make their home.

**Are you a SABOTEUR
to your own eyes?**

The willful neglect of precious eyesight these days is akin to sabotage of the war program. Every pair of eyes must be keen. Every pair of eyes is being called upon to do extra duty. That's why you should make certain that they are properly cared for.

Don't injure your eyesight by reading or working under inadequate light. Be sure to have lamp bulbs of sufficient intensity, and properly shaded. Keep lamp bulbs and shades clean so that they will provide maximum light. You need strong eyes as you've never needed them before.

Why should I buy War Bonds?

Some answers to a question every one of us should ask

1. The Government has figured out that, to pay for the planes, tanks, ships, and other tools of victory we need, you and everybody else should put at least 10 percent of his pay into War Bonds.

That's the main reason for putting at least a dime from every dollar into War Bonds. But here are some others:

4. Suppose you lose the Bonds. Suppose they're stolen, or burned. You do NOT lose your money. Every bond you buy is registered in your name at the Treasury Department. NOTHING can prevent you getting your money back—with interest.

5. Your War Bond money will help keep prices down! There are already fewer things to buy. And, as the President said, "If people with plenty of cash start bidding against each other for scarce goods, the price goes UP!" Put your money in War Bonds—and help keep prices down!

2. Every \$3 you invest in War Bonds will return you \$4 in 10 years. Simply from a cold-blooded financial viewpoint, no more surely profitable investment was ever offered to anybody, anywhere.

3. The United States Treasury is the world's safest place to put your money. War Bonds are just like money in the bank. They earn more money for you. A War Bond is a "promise to pay" backed by the world's strongest Government.

6. Some day this war will be over! Then—there will be plenty of the things you want to buy. Your money will go farther. And if you've bought War Bonds, you'll have the money to get more of all the things you can't buy today!

7. The best way to buy Bonds? Through the Payroll Savings Plan! It's a safe, sure, automatic way to make you save regularly—to help you accumulate the money for a comfortable, independent old age, for putting a child through college, for traveling, for buying a home or a farm.

8. If you are already putting 10 percent of your pay into War Bonds, through the Payroll Savings Plan, boost that 10 percent if you possibly can. If you're working in a place where the Plan is installed, but haven't signed up yet, do so tomorrow!

9. If you're working in a plant where the Plan has not been installed, talk to your employer and see if it can't be installed right away. The local bank will help. If, for any reason, you're unable to get on a Payroll Savings Plan, the bank will help you start one of your own.

10. The time is NOW! The President has said: "Lost ground can always be regained. Lost time—never!" Your Government needs the money for ships and planes and guns—now! See your employer today and tell him you want 10 percent or more put into War Bonds every pay day.

5 REASONS WHY

1. By investing in War Bonds you help provide the planes, the tanks, the guns, and the ships we must have to survive and conquer.
2. You prove that you are a patriotic American.
3. You aid the morale of our fighting men, by showing them that the entire Nation is behind them.
4. You prove to our enemies that we are a United People.
5. You protect your own financial future, as every \$18.75 you invest in a War Bond brings you back \$25 in 10 years. You make the world's safest investment, by buying a share in the world's most powerful country.

"WE WENT THROUGH PEARL HARBOR!"

That's why Mrs. Greco invests the major portion of her income in War Bonds.

"I KNOW THIS WAR!" explodes Mrs. Geraldine Greco. "I have been in it! My husband is still in it!"

"We were in Pearl Harbor. We stood by while the Japs bombed our home. No, we weren't hurt, but some of our friends weren't so lucky."

After that Mrs. Greco returned to the States and got a job. Her husband, Capt. Joseph Greco, Army Air Corps, is flying in the South Pacific.

"The little things I have to do without are pretty small potatoes compared to the sacrifices Joe is making," continues Mrs. Greco. "And don't forget he's buying War Bonds, too!"

Perhaps, like Mrs. Greco, you too are fighting on the Bond front. But are you making it the best fight you can? Boost your War Bond buying through the Payroll Savings Plan, right now . . . today!

You've done your bit—now do your best!

FIFTY PER CENT OF HIS INCOME FOR WAR BONDS!

"Only doing his share toward winning the war," says Bridges

COLIN P. BRIDGES and his wife are both employed by the same textile mill in Shelby, N. C.

Of their combined salaries, they regularly invest more than 50 percent in United States War Bonds! Mr. Bridges says that he and his wife are savers by nature and they agree that War Bonds offer the best and safest opportunity for return on their savings.

"And, of course," says Bridges, "the purchase of War Bonds gives us a chance to share in winning this war."

Fifty percent is a record that not all of us can equal. But if, like Colin Bridges, you too are fighting on the Bond front, make it a good fight—make it the best fight you can. Boost your Bond buying through the Payroll Savings Plan, right now . . . today!

You've done your bit—now do your best!

Read what one man has done to help America win

L. C. KEENER, JR., is fighting Uncle Sam's war on two fronts. Here's how:

1. After Pearl Harbor he bought a \$1,000 War Bond and began investing 7 percent of his salary in War Bonds. When his employer started the Pay-Roll Savings Plan, Keener pledged another 13 percent of his pay—a total of 20 percent.

2. Keener recently left his job for active duty in the Army, where he planned to have at least 10 percent of his pay deducted for War Bonds.

Monday morning he called at the Leader office urging us to kill the ad, stating he sold the 75 pigs soon after the paper was distributed Thursday, and that he could have sold as many more; that he had a dozen or more prospects call after he had sold his pigs, and that he wanted the ad killed so that "customers would stop coming."

Earth Club Women Organize Unique Tire Saving Plan

Complimenting the birthday of Mrs. Lena Hite a group of Earth Club women served a surprise covered dish luncheon at her home at Earth Friday, March 5, with Mrs. E. L. Bock and Mrs. J. M. Barlow as hostesses.

The afternoon program consisted of group singing with Miss Beatrice McCurdy at the piano. She also sang "There'll be Blue Birds Over the White Cliffs of Dover." Mrs. Charlie Webb of Amherst read "Solique Over An Innocent Bee." Mrs. R. L. Drake presented the gifts, and Mrs. George Wallace gave the tribute below.

Mrs. Hite offered her home to the group as a club house for future use since it stands in the center of the Spring Lake-Earth community on the highway and near town.

Women whose birthdates come in each month will be hostesses at a covered dish luncheon the first Wednesday in each month. Mrs. Emmitt Vaughn and Mrs. L. Z. Anglin will be hostesses the first Wednesday in April to the women of the entire community, who each will bring a dish.

Guests besides those mentioned above were: Mesdames C. T. Bradford, Edna Doughty, Marshall Kelley, C. W. Terry, Lloyd Cupp, Ray Kelley, R. L. Drake, Emmett Vaughn, J. M. Barlow, S. E. Hite, E. L. Bock, J. L. Hinson, Arthur Barton, and Charlie Webb, and Miss Beatrice McCurdy of Amherst.

To The Mother of A Hero
Fearless, unafraid, you face the future
Daring the "powers that be" to find you weak,
Chain up, you carry on, building, believing,
Sharing the things in life that we all seek.

No battlefield asks greater courage
Or Motherhood a higher purpose yet attained,
We mortals stand by in awe
Only to admire and love you.

"Tis God rewards the strength you've

gained
Those silver wings upon your shoulder
And encircling your heart
For us to be a part.

But down through the Tomorrows
Whate'er the future brings,
We will each face life more bravely
Remembering Lena's Wings.

Nationally Known Educator To Visit Littlefield Schools

Thursday afternoon, April 1, Dr. W. A. Sutton, Superintendent of Schools at Atlanta, Ga., and nationally known educator and speaker, will address faculties of Littlefield Public Schools and surrounding communities at 3 o'clock at the Littlefield High School Auditorium. Dr. Sutton has been superintendent of Schools at Atlanta, Ga., for

Numerous Bicycle Thefts Reported

Bicycle thefts in Littlefield have been numerous, according to police. Some of them have been difficult to solve, others have been easy... a boy "borrows" a bicycle, rides it a short time and abandons it a few blocks from where he found it. Jimmie Brotherton lost his bicycle and later found it abandoned in City Park. The most recent thefts are of bicycles owned by Bobbie Coen, son of Dr. and Mrs. J. R. Coen, and Eugene Johnson, who is employed in Littlefield as a printer. Three Littlefield boys were in jail at Lubbock Wednesday. They were picked up by Lubbock police at the request of City Marshal Ab Anderson and Deputy Sheriff Sid Hopping. The boys are reported to have been in possession of two bicycles when taken into custody. Two or three boys are reported by truckers and others to have been seen making their way toward Lubbock on bicycles. Forty miles would be a long way on a bicycle. Youth sees only new thrills over the next hill; advancing years stops to consider the distance.

Two Tots—

(Continued From Page 1)

The children were Virginia and Jo Ann Barber.

C. O. Stone, chairman of the Littlefield Red Cross Drive, said that in reality these children were the biggest contributors in the whole Red Cross Drive, as they had given their "All."

The loyal spirit of American giving was in evidence Friday and Saturday when women of Littlefield canvassed the residential section for contributions to the Red Cross.

Here is an example: A woman on whom Mrs. W. G. Street and Mrs. J. M. Shaw called contributed 22 cents, stating that the amount was all the money she had at that time. An additional 3 cents was added to the 22 cents making the woman's donation 25 cents.

War Bond Sales—

in bonds. He admits that he did get a little help from Pat Boone, but about the time of Joe's bond sale, Pat was very busy on other matters.

And here is something else: Joe is a better salesman and collector than he is a bookkeeper. When Joe commenced to get handfulls of checks he "inducted" C. O. Stone, manager of the Littlefield National Farm Loan Association. Joe believed that C. O., a former banker, was exceedingly well qualified to make out his report, which was accomplished with dispatch and efficiency.

Broadcast by WHO

All the foregoing leads up to the fact that Joe had been listening to Bob Burlingame of WHO, Des Moines, tell about folks who were buying war bonds through that station. The Littlefield man conceived the idea of boosting bond sales and of getting some publicity for Littlefield and Texas. And the one-man bond sale was born.

Saturday night, and again Sunday night, Mr. Burlingame gave Joe and Littlefield a "plug," meaning a few kind words, and Tuesday night he told all about the one-man bond drive and gave the names of all the bond purchasers.

Thank you, Mr. Burlingame! Thank you, WHO!

Littlefield Receives—

(Continued from Page One)

Ready For Another Drive

Mr. and Mrs. Wells heard the broadcast at their home, with a group of friends, and immediately following the broadcast, Joe handed the editor of the Leader, who was one of the group at his home, the following statement:

"In the broadcast over WHO Tuesday night by Bob Burlingame, giving the names of all the citizens of Littlefield and Lamb county who purchased war bonds from me through the WHO War Bond club, Littlefield was saluted with high honors. This very fine salute to Littlefield and citizens who participated in the war bond drive, which made this program possible, repay me many times over for the time which I devoted to the project.

"I want to take this opportunity to thank all those who cooperated with me in this effort, as well as those who contributed to the buying of bonds."

As Joe handed the statement to the editor of the Leader, he said: "If the public wants another drive, I will put it on, but let's wait a little while; I want time to draw my breath."

But Joe's breathing is very normal; he is carrying around in his wallet a \$75 check given him in Pampa a few days ago and earmarked for the next bond stampede. It will probably be a great affair with Joe as master of ceremonies.

Red Cross Drive—

not reported at that time, but by 3 o'clock Friday afternoon—approximately five hours after the drive started—we had assurance that our quota would be reached.

"It certainly has been a privilege for me to work in a drive with such a well organized and efficient set-up. With H. C. Arnold, County Chairman, cooperating so splendidly, and the Captains and their assistants, as well as the women of the city, carrying out the work so efficiently, we had the best organization we ever had, and it was a job well done.

"I especially wish to pay tribute to the women of the city, who did a very creditable part of the work in collecting \$1000 in the drive."

Mr. Stone asked the Leader to thank all the workers who had cooperated so splendidly, and also the contributors who so generously donated to this worthy cause.

With Mrs. C. O. Stone as chairman, women assisting in the drive were: Mesdames J. H. Barnett, M. M. Brittain, V. S. Cassel, W. J. Chesher, J. R. Coen, Floyd Coffman, C. E. Cooper, Jack Farr, L. C. Grissom, Lefty Hamilton, A. R. Hendricks, Jack Henry, L. C. Hewitt, J. S. Hilliard, Sid Hopping, O. E. Key, R. W. Lewis, E. B. Luce, Ben Lyman, Wm. N. Orr, Bill Pass, C. E. Payne, Ben Porcher, T. Wade Potter, E. S. Rowe, Wm. Rumback, G. M. Shaw, H. R. Shelby, Charles Signor, J. G. Singer, W. D. T. Storey, W. G. Street, P. W. Walker and W. D. Watkins.

In announcing that there is still some work to be done, and a number who have not had the opportunity to contribute to the Red Cross drive, Mr. Stone suggested that all those who have not donated still have the opportunity to leave their contributions at the office of C. O. Stone in the Littlefield National Farm Loan Assn., H. C. Arnold office, First National Bank, or REA office here. The drive will continue throughout the month.

Reports from over the county are as follows:

Oilton, with L. E. Silcott in charge, raised their quota of \$1088;

Hart-Camp, with Mrs. Turner, Superintendent of Schools, in charge, assisted by H. N. Bennett and Grace Ruth Pennington, have turned in \$140.27, or \$10.27 more than their quota of \$130.

Lum's Chapel, with J. W. James as Chairman, with a quota of \$64, has turned in \$141.54, or over twice as much as their quota. Mr. James was assisted by Mrs. Percy Carter, Glenn Young and Doss Maner.

Sunnydale Community, with Mrs. L. M. Brandon as Chairman, assisted by W. O. Hampton, Carl Pullion and Mrs. R. N. Carpenter, have turned in their quota of \$64, but estimate when they complete their work this amount will be doubled.

Amherst, with C. A. Duffy as Chairman, assisted by R. L. May and Lester Rogers, have subscribed \$850, or \$146 more than their quota of \$704.

Earth and Spring Lake with Marshall Kelly as Chairman, assisted by W. C. Stout and N. F. Cleavinger, have over-subscribed their quota of \$640 but the figures were not available.

Sudan, with W. H. Lyle as Chairman, had not reported to County Chairman H. C. Arnold. This city's quota is \$960.

Spade community, with Mrs. Roy McQuatters as Chairman; Bainer, with Mrs. H. B. Hutson in charge; and North Pep, with Victor H. Diering as Chairman, had not reported.

Mr. Arnold stated Tuesday, however, that he expected all communities not yet reported had over-subscribed their quotas.

Meat Rationing—

the red stamps is that it permits retailers to make "change" in ration stamps when making a purchase. Only one-point red stamps of any series currently valid may be used for this purpose.

During the week of April 4 to 10, for example, storekeepers may give their customers red 1-point stamps marked A or B in change. Customers are reminded, in this connection, that they must use stamps they received in change just as they must use the stamps in their own books.

As red stamps are declared valid, they may be used with complete freedom of choice by the housewife to buy any one, or any combination of the foods for which they must be surrendered. There is no distinction made at all in the use of the red stamps as between meat and cheese, or any of the other foods for which these stamps will be spent.

A housewife who comes into the store with 40 points to spend from the ration books of her family, may spend all of them for meat, or all of them for butter or cheese, or any of the other foods for which these stamps will be spent. Or if she wishes, divide up her points, and buy butter and cheese—or margarine and meat, or any other combination of food she chooses.

Point values for the entire list of foods rationed in April will be the same as in every retail store in the country—just as they are for
