

Public Safety To Run "Operation Motorcide"

Col. Homer Garrison, director of the Texas Department of Public Safety, reported this week that DPS estimates indicate that 31 persons will die in traffic accidents in Texas during the three-day Fourth of July holiday.

Garrison said the estimate was compiled by the DPS Statistical Services on the basis of past experience and the present trend of traffic deaths. Last year, 33 persons were killed during the Independence Day holiday.

He said "Operation Motorcide" would be placed into effect from 12:01 a.m. July 2, through 11:59 p.m. July 4, in order to focus attention on the added dangers of holiday travel. During this statewide emphasis program, fatalities will be tabulated by the Department and the totals will be announced officially three times daily as a means of trying to keep safety uppermost in the minds of the

traveling public. "Over one-third of the deaths during the last Fourth of July holiday were the result of one car accidents," Garrison said.

"In this type of accident there is no 'other guy' to blame. It indicates that the most effective work in the drive to cut down on deaths, injuries and economic loss can be done only by the drivers themselves."

As a part of the DPS' operation, which calls for maximum enforcement and public support, additional personnel from other uniformed services of the DPS will augment the regular Highway Patrol force.

Garrison added that numerous agencies, organizations and individuals will help in the coordinated attack on traffic accidents by taking part in "Operation Motorcide." He pointed out that the Texas Council of Safety Supervisors and the Texas Motor Transportation Association will conduct a "Holiday Road Patrol" in which a fleet of 35 to 40 cars will be used over the state to assist stranded motorists and thus help relieve highway patrolmen for enforcement work. The Texas Highway Department will conduct an information and education program instructing drivers on freeway driving and stressing the need for a three-dimensional focus of attention (to the front, rear and sides) in operating a motor vehicle.

Fire Damages Oldham Home

A fire at 9 a.m. Wednesday morning caused hundreds of dollars damage to the home and furniture of Mrs. M.G. Oldham, 410 E. 15th Street.

The fire was discovered by painters who are re-decorating Mrs. Oldham's house while she is on vacation out of the city. The painters who were at work in the front part of the house saw the smoke coming from the rear bedroom where a majority of the furniture had been placed while the remainder of the house was being repainted. They ran across the street to call the firemen and by the time they returned could not enter the house because of dense smoke.

The Littlefield fire department confined the fire to the bedroom where it destroyed a mattress and bed and severely damaged other furnishings including a dresser, tables and chairs. The interior of the walls and ceiling in the room were also damaged.

The entire interior also suffered much smoke damage from the fire whose cause has not yet been determined.

vehicles is in the street, not on the sidewalks, this applies to the parking of the bikes as well as the riding of them.

We know many of you will take advantage of the long weekend, just around the corner. We know, too, that many others will be doing likewise, so it is with all sincerity that we caution you to be on your very best driving behavior. The Texas Department of Public Safety estimates near record numbers will be killed on Texas roads and highways, over the three-day weekend, and in addition to these, countless more will be injured. We encourage each of you to drive like your family were in the other car. Littlefield cannot afford to give up even one of its fine citizens.

Mrs. Hutson Third Week Contest Winner

Mrs. Thelma L. Hutson, 294 Wicker Ave., Littlefield has won the third week's contest of the ten week "Weekend in the Rockies" contest sponsored by the County Wide News and participating Littlefield merchants.

Mrs. Hutson, who with her son Nathan operate the Highway 84 Wrecking Yard, was a preliminary winner at both the Dairy Mart and also at E.C. Rodgers.

She has lived here for over eleven years and is the mother of two other sons in addition to Nathan, Jimmy age 14, and Tommy, age 8. Her husband died in May resulting from a car accident over a year ago.

In addition to the many vacation resorts in the Rockies from which to choose, a winner may now elect to choose a weekend at one of the Ramada Inns at such places as Houston, San Antonio, Carlsbad, Albuquerque, Dallas, Fort Worth or Colorado Springs, instead of up in the Rockies.

The fourth week of the contest is now underway and the preliminary winners' names will be drawn tomorrow at each of the eleven participating merchants and will appear in their advertisements in the Sunday County Wide News.

NUMBER 8

\$515,000 FOR JUNE

Building Permits Near \$1 Million

BUILDINGS GOING UP --- Three good reasons for the 1965 building permits in Littlefield being nearly at the million dollar mark are pictured above. The Hospitality House in the southwest part of the city and the new Lamb County Electric Co-operative building now under construction at the south end of Phelps Ave. have been issued the two largest single permits, while permits for residences similar to the one above have accounted for much of the remainder of the \$965,000 total.

Building permits for June issued by Ben Weeks, city building inspector totaled \$515,700 which brought the total for the year to nearly a million dollars.

By far the largest permit was issued to Hammons Electric Co-operative when a permit for \$462,000 was issued for the construction of their all brick and steel structure on a ten acre site at the south end of Phelps Ave. which is scheduled to be completed in March, 1966.

The other large building permit was issued to Hammons Funeral Home for \$25,000 for construction of additional facilities and remodeling of their funeral home.

Other permits for the month included a \$20,000 residence and two for additions to residences at a total cost of \$3,700.

Also issued during June was a permit for the construction of a storage and shop at a cost of \$4,000 and a permit for \$1,000 for the building of a garage.

The June permits brought the year's total to \$965,415 which is a slight decrease from the total for the first half of 1964 when the permits totaled \$1,012,390 for the six months period.

Weeks stated "The permits for the Electric Co-operative and Hammons has brought our 1965 total for business permits well ahead of a year ago. In addition to the one for the 462 thousand we also had the \$135,000 permit issued back in April for the building of the new rest home now under construction in the southwest part of the city."

"The one area where our building permits are down is in the construction of new homes. The one permit issued this month brought the 1965 total to only 21 which is less than half the new permits issued a year ago when 47 were issued during the first six months.

"With the merchants also doing remodeling and in some instances additions to property being contemplated there is a good chance that the building permits for 1965 will exceed last year's total figure," concluded Weeks.

Most Businesses To Close July 5

With the Fourth of July falling on Sunday, most of the Littlefield business establishments will be closed Monday, July 5.

All Federal offices will close, and there will be no deliveries Monday. In addition, the state, county, and city offices will also give their employees a holiday Monday.

The banks and utility companies will be closed for business July 5.

The closing of business firms is left up to the individual merchant, but most firms have indicated that they will also be closed Monday.

Due to the closing, Dollar Day sales for July will be featured by Littlefield merchants on Monday, July 12, instead of the customary first Monday.

West Side To Be Covered Next In Clean-up Campaign

J.P. Ray, Superintendent of Public Works for the city, announced yesterday that the third week of the city-wide clean-up campaign would be conducted in the area from XIT west to Sunset Ave. from Highway 84 south to Tenth Street.

"So far the campaign has been a success, a large majority of the residents of the areas we have covered the past two weeks have cooperated in the clean-up project. Many have cleaned up their alleys and weeds have been cut and trash put in piles for our trucks," stated Ray.

If the campaign continues on

schedule the complete city residential area will be completed within the next two weeks.

Carl Pillion, chairman of the clean-up campaign for the Board of City Development stated that the BCD feels the clean-up campaign is obtaining good results. "In certain areas where the truck picked up all the trash that was put out, it has made such a difference in appearance, a number of residents that did not participate prior to the truck being in their area have since cleaned up their property."

Rotary Club To Hold Installation

The Littlefield Rotary Club will hold their installation of Officers for the coming year tonight at 7:30 in the Community Center building.

Allen "Pop" Hodges will be installed as the new president succeeding Huston Hoover who will be installed as a member of the Board of Directors of the club.

Other officers to be installed at ceremonies tonight include Kenneth Rotan as vice-president; Jim Holt as secretary-treasurer and Ray Keeling, Joe Montgomery, and Jack Barton in addition to Hoover as directors.

A featured speaker will give the main address at the dinner and installation meeting which has been designated as ladies night.

EDITORIAL

Last week, our community suffered a great loss in the death of Mrs. L. Gattis . . . known to her legion of friends as Tommie Mae . . . I knew Mrs. Gattis as the mother of a very dear friend of mine, Bernice . . . however, many residents of this area knew her as a grand lady who had been the source of inspiration to many in this area for a long, long time.

I personally shall remember Mrs. Gattis for her participation in two memorable incidents in the history of Littlefield . . .

What a great pride she took in the recent celebration of Littlefield's Golden Anniversary . . . and well she could because she was indeed of the sturdy pioneer stock that made this country great . . . though advanced in age, the sparkle in her eye was that of a young mother seeing her child grow into something fine and good . . . perhaps the greatest contribution she made to Littlefield was the untiring effort she put forth in behalf of the bond issue that made a permanent water supply possible for Littlefield . . . During the drive to pass the bond issue, you could see Mrs. Gattis every hour of the day or night talking to many friends, urging them not only to vote for passage of the issue but to get out and work in its behalf . . .

TWO UNCOMMON PEOPLE

and the thing that shall make her live in my memory was the fact that she knew that she would not be around to enjoy the fruits of her labor for many more years . . . She was doing her labor of love for many people she would never know . . . the future citizens of Littlefield . . . This is the stuff of which true statesmanship is made . . . May God bless you, Mrs. Gattis, for your wonderful service to others here on earth and as you look down on Littlefield from your heavenly home . . . May you feel a surge of joy in your heart when you see wonderful things accomplished because folks like you laid the groundwork to make it all possible.

A great giant has fallen . . . shortly after three p.m. Sunday afternoon, my good friend I.T. Shotwell, Sr. went to his eternal reward. Though physically he resembled the average man, his heart and soul were those of a giant . . .

I.T. Shotwell brought a dream and a desire born of vision to West Texas many years ago . . . He implemented this dream with zeal, energy and just plain hard work . . . only the future will tell us completely, the role he played in the growth and development of our area . . .

Today, Littlefield is known as the finest medical center for a community this size that you will find any-

where in the country . . . A great portion of the credit for the medical stature of Littlefield must go to I.T. Shotwell, Sr.

When a great man such as this passes on one looks to the heritage he left. For just a moment, I would like to recount some personal observations . . .

Many years ago, a small Methodist junior college in the East Texas town of Jacksonville was floundering in despair and on the brink of economic ruin . . . and just when the hour was the darkest for Lon Morris College . . . I.T. Shotwell rode forth like a knight in shining armor and led a crusade that saw its fruition in the conservation of this fine college and its further development into a truly great institution . . .

Rotary and its ideals meant a great deal to Mr. Shotwell . . . He preached its principles wherever he went and even though in failing health, he was never too busy to make up a missed attendance . . . and only recently did he assume the role of a senior active member because his love for Rotary and his local club dictated that his absences because of health should not count against his club's attendance record . . .

But perhaps the greatest force in I.T. Shotwell's life was his faith in his God and his beloved Methodist Church

. . . He never passed up an opportunity when receiving the many Rotary attendance awards earned by him to admonish his Rotary brethren to be as faithful in their church attendance as they were in their Rotary attendance . . . A church attendance make-up was about the only thing he could think of that was more important than making up Rotary attendance . . .

I shall never forget my early visits with Mr. Shotwell on first coming to Littlefield . . . His words of interest, concern and encouragement meant much to me in the beginning of my business career here . . . both being native East Texans, we had a certain camaraderie in the very beginning . . . But no matter how dark the picture might look . . . a visit with I.T. Shotwell was a wonderful tonic for my outlook on life . . . His calm yet forceful words will always remain in my memory as a great source of inspiration . . .

Mr. Shotwell took great pride in watching the recent progress of our community and justly he should because he helped lay the cornerstones many years ago that made our present day progress possible . . . Littlefield can ill afford to lose a man of the stature of I.T. Shotwell . . . Yet, the great giant has fallen and where he once stood there is a vast vacuum . . . it may never be filled . . .

Miss Clawson Honored With Kitchen Shower

BULA--Miss Beverley Clawson, bride-elect of Dickie Montgomery was honored with a kitchen shower Saturday afternoon from 2:30 until 5:00 in the home of Mrs. Loraine Cox.

Blue and green, the chosen colors of the bride, were carried out in the decor. The serving table was laid with white lace over green and was centered with a floral arrangement of blue. Greenery offset the green burning tapers, and blue satin streamers extended from the centerpiece bearing the names Dickie and Beverley in blue glitter.

Linda Robertson, Lana Aduddell and Diana Cox alternated at the serving table. White cake squares with blue icing, and lime bowl punch with fruit rings were served the guests. Instructions for finding the hidden gift were placed inside balloons which Miss Clawson had to burst before finding her

gift. Hostess' gift was a set of cooking ware. Hostesses for the occasion were Diana Cox, Lana Aduddell, Jo Linda Robertson, Nelda Seagler, Sandra Stroud, and Linda Grusendorf. Guests were Barbara Autry, Sheryl Medlin, Joyce Sowder, Marilyn McCall, Brenda, Barbara and Iva Clawson, and Juana Young. Diana Teaff and Betty Salyer sent gifts but were unable to attend.

Mrs. Black, Mrs. Brock Enjoy Decorative Arts

Ever think you weren't creative? That's what Mrs. Sedell Black, 705 E. 14th thought until her neighbor, Mrs. Bill Brock of 601 E. 14th, introduced her to a correspondence study course from the Decorative Arts Institute in Wichita, Kansas.

Although Jeanne Brock had previously painted, she feels that the DAI course has certainly helped her to improve. Carol Brock, who "never had a brush in her hand" took the hobby course offered by DAI, and paints almost every day now.

Jeanne and Carol really enjoy their work. In fact, Jeanne said, "One of the hardest things to do is charge for something that is really such pleasure!" Mrs. Brock is so enthusiastic about her work and the DAI course that she is planning on starting a course in her home sometime during July.

Both women have decorated many things. An old iron was decorated and now forms a most interesting door stop for the Black's home. By decorating old shortening cans with fruit and flower designs, Carol made a lovely canister set for her kitchen. Jeanne, who was in the process of antiquesing her

front door when this interview began, has an antique phone, antique lamp, and hand-painted trays as a few of her many products. She also has a potato jar which was made from a big crock churn.

Both Carol and Jeanne mount wedding or birth announcements on hand-painted trays. "The idea," stated Mrs. Brock, "is to try to do personalized things that one cannot buy in a store." Gifts for birthdays, Christmas, or any such time is personally painted by each. Mrs. Black concluded, "We try to make treasures from trash by using out-of-the-ordinary things in the line of old or odd and unusual pieces of furniture, tin cans, or even pieces of wood."

Mr. and Mrs. Black have lived here for several years, where Black is a barber. They have two children, Connie 7, and Stacy 3.

The Brocks have also lived here for several years and have two children, Chris 13, and Kelly 7. Brock is engaged in farming.

MRS. SEDELL BLACK not only displays a beautifully hand-decorated chair, but also several wall plaques and serving trays. She stated, "The DAI course is as simple as following a recipe. I never had a brush in my hand before taking the course."

MRS. BILL BROCK is shown above with a few of her many lovely products which include a potato jar, decorated from a big crock churn; an antique phone; and hand-decorated plaques. "The potato jar", said Mrs. Brock, "will hold ten pounds of potatoes very nicely, and air circulates easily, keeping the potatoes fresh."

Jehovah's Witnesses To Be Represented

The Littlefield Congregation of Jehovah's Witnesses will be represented in Lubbock, Texas July 22-25 when the group convenes for their "Word of Truth" District Assembly, according to Lloyd Lowery, who has been associated here for a number of years.

"As has always been the case with Jehovah's Witnesses," observed Lowery, "this convention is designed to satisfy the spiritual needs of everyone, adults and children alike. Our main appeal is the Bible and this assembly will largely have its program from the Bible directed to youths as well as parents."

"Since Bible reading isn't the easiest program to stimulate among youths of the day,

it is encouraging to see hundreds of youths sitting quietly and listening attentively to Bible instruction," said Lowery. "The results are favorable since children are impressionable and it leads to more successful training in the home."

Lowery said he was especially interested in this feature of the convention program since her is a family man himself and the father of two children. Lowery explained he has instituted a personal program of his own with the family to tighten the family arrangement. "It involves doing things together such as Bible discussion at breakfast table, personal study during the day and attendance at congregational meetings three nights a week."

Lowery felt that if more families could see the impact that large Christian conventions have for their youth as well as themselves, most family situations would not mushroom into bigger problems and disrupt the family circle.

Rainbow Girls Tour Historical Wax Museum

Eight members of the Littlefield Assembly No. 63, Order of Rainbow for Girls, who are in Dallas attending the Rainbow Grand Assembly, toured the Southwestern Historical Wax Museum in Dallas' State Fair Park Monday (June 28).

The girls saw thirty scenes of stirring events in the history of Texas and the Southwest, ranging from days of the Texas Revolution to a scene of the arrival of President and Mrs. John F. Kennedy at Dallas on Nov. 22, 1963, accompanied by Governor and Mrs. John Connally.

Mrs. Mary Jo Weige, Rainbow mother advisor, and Mrs. Maxine Spencer accompanied the group.

The Grand Assembly was formally opened Monday night at Dallas Memorial Auditorium where other convention sessions will be held through Wednesday (June 30).

CITY BITS

Crescent Park was the setting of a homemade ice cream supper served Monday night at 8:00 by Beta Sigma Phi. A variety of cake and ice cream was served to Mr. and Mrs. Harry Miller, Mr. and Mrs. Ernie Davis, Mr. and Mrs. Cecil Johnson, Mr. and Mrs. Finas Branham, Mr. and Mrs. Jay Bridwell, Mr. and Mrs. Butch Gurber, Mr. and Mrs. Reed Lofflin, Mr. and Mrs. Tommy Moss, Mr. and Mrs. Bob Martin, Mr. and Mrs. Tommy Thrash, Mr. and Mrs. James Walker, Mr. and Mrs. Neal West, Mrs. Ann Pullig, and Mrs. Willene Stanislaw.

Visiting with Mrs. Lela Henson this week are Donna Stone, a granddaughter of Lubbock, and Cynthia Raught, a niece of Earth.

Mrs. Lela Henson spent the weekend in Lubbock visiting her son and family, the Clin-ton Stones.

NO EXTRA COST

WHAT DO YOU GET WHEN YOU BUY A 1965 FORD? PLENTY. YOU GET A CAR THAT RIDES QUIETER THAN A ROLLS-ROYCE. (AND QUIET MEANS QUALITY... DEEP-DOWN QUALITY.) BUT THAT'S ONLY THE BEGINNING. NOW CHECK THE MANY SPECIAL COMFORTS AND CONVENIENCES THAT ARE STANDARD EQUIPMENT ON EACH FORD MODEL...

With any '65 Ford you get—the strongest Ford body ever... a new frame that "tunes out" vibrations... new coil spring suspension. And every Ford gives you extra knee room... extra foot room... and a trunk that holds four 2-suiters upright. And there's more...

FORD GALAXIE 500 LTD
EXTRAS AT NO EXTRA COST:
LTD's are the most luxurious Fords ever built—with styling that was cited by the American Institute of Interior Designers. You get: Big, new 289 V-8. Cruise-O-Matic transmission with three speeds. Decorator-styled interior. Thick nylon

carpeting. Rear-seat pull-down arm rest, padded dash. Choice of six nylon quilted seat upholstery fabrics. Walnut-like vinyl inserts on doors and dash. Silent-Flo ventilation (in 4-door hardtops) for fresh air with windows up. Full wheel covers. Much more.

FORD GALAXIE 500/XL
EXTRAS AT NO EXTRA COST:
The ultimate in bucket-seat luxury. You get: Big, new 289 V-8 (200 hp). 3-speed Cruise-O-Matic with T-bar "stick." Full-length console. Individually adjustable front bucket seats. Bucket-styled, foam-cushioned rear seats. Automatic courtesy and safety lights on door panels. Full-chrome dash controls. All-vinyl upholstery trim. Loop-pile carpeting. Full wheel covers.

FORD GALAXIE 500
EXTRAS AT NO EXTRA COST:
A great family car, the Galaxie 500 has the same solid construction and spaciousness as XL's and LTD's. You get: A thrifty new 240 cu. in. Big Six (150 hp). Fully synchro-

nized manual transmission. As in all '65 Fords—you get more luggage space than in major competitors' cars.

The Galaxie 500 also shares these standard features with the LTD and XL:

- Electric clock... backup lights. Illuminated glove box and ash tray. Constant-speed electric windshield wipers. Fully aluminized muffler and galvanized underbody members. Handy reversible keys. Keyless door locking. Minimum routine maintenance schedule. Self-adjusting brakes. Long-life battery. Safety-Yoke door latches. Heater-defroster. Front seat belts. And more.

There's no extra charge for any of these features—and no obligation for test-driving any of the hot-selling 17 full-size Fords for '65. Visit your Ford Dealer soon.

Leading acoustical consultants conducted tests in which 1965 Fords (Galaxie 500 Sedan, XL and LTD Hardtops) with 289-cu. in. V-8 engines and automatic transmissions rode quieter than a new Rolls-Royce. These tests were certified by the U. S. Auto Club.

EXTRA SAVINGS

Top all of Ford's extras with even more savings. Right now most Ford Dealers are holding special Summer Sales with excellent buys on a wide range of models. Another saving—the new excise tax cut. Save at your Ford Dealer's soon.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON SEPTEMBER 7, 1965.

SENATE JOINT RESOLUTION NO. 44 proposing an Amendment to Sections 2 and 25 of Article III of the Constitution of the State of Texas so as to provide for an increase in the membership of the State Senate from 31 to 39 members; to fix the membership in the House of Representatives at 150 members; to require apportionment of the Senate according to population; and to delete the limitation that no single county is entitled to more than one Senator.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 25 of Article III of the Constitution of the State of Texas be amended to read respectively as follows:

"Section 2. The Senate shall consist of 39 members. The House of Representatives shall consist of 150 members.

"Section 25. The state shall be divided into Senatorial Districts of contiguous territory according to population, as nearly as possible.

"Should the Legislature enact any enabling legislation in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall be-

come effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the 7th day of September, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

"AGAINST the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Ralph Jumper, a member of the Lubbock club; and Mr. and Mrs. Neal Conkin. Mrs. Sid Landers introduced her guest, her son Tom, and Mr. and Mrs. J.D. Webb had as their guest, Mrs. Erlene Webb.

Teague gave a report of activities for the past year. The club has spent between \$900 and \$1,000 on local projects, including the purchase of glasses for several children, and many other things.

Lion Jay Fowler, club secretary, was introduced and received a standing ovation from other Lions. Teague presented him with a plaque on behalf of the club, which represents his 19 years as Lions Club Secretary. Lions receiving 100% attendance plus for the past year were: A.E. Greer, Carig Darden, Jay Fowler, J.J. Hobgood, Boyd Goen, Jack Grace, Brad Gilbert, Glen Jones and Sid Landers. Boyd Goen was given honor for the job of program planning for the past year. His wife accepted the Sweetheart award for their daughter, Charlotte, who is in Canyon attending college and was unable to attend. Lion Leon Wooten was given a pin for recruiting a new member the past year. Mrs. Sid Landers

accepted the honor for her husband for his job as past tail-twister. Rev. Darvey Lavender was presented a pin for acting as Chaplain and reporter.

Lionesses Francis McCarty, Betty Newton, Jo Lynn Johnson, Alleen Rendleman, Joyce Hodges, Nadine Goen, and Susie Shockley were recognized as the decorating committee. Each table was covered with a white tablecloth centered with an artificial floral arrangement.

Rev. Darvey Lavender made the presentation of Lions Club Man-of-the-Year to Aubrey Webb, who was killed in a recent automobile accident. His widow, Mrs. Erlene Webb, accepted the plaque in his behalf. This honor was picked by three past presidents. It was presented to Webb in appreciation of the work with the Lions Club and other civic organization.

Past President and Mrs. Douglas Teague and Secretary and Mrs. Jay Fowler exchanged places at the table with President and Mrs. D.C. Roberts and Secretary and Mrs. Orval Williams.

After a short business session, the meeting was adjourned.

Kafka Named To Holly Sugar

Francis L. Kafka, 38, has been named Director of Public Relations for Holly Sugar Corporation of Colorado Springs, Colorado. He replaces Don F. Martin, who resigned in February.

Kafka, a native of Great Neck, N.Y., comes to Holly after six years as public relations director for Eastern Montana College in Billings. He had previously been associated with the public relations staff of Stanford Research Institute, Menlo Park, California, and with the New York Journal of Commerce.

A graduate of Harvard University, Kafka holds graduate degrees from Stanford Business School and from Trinity University. From 1963 to 1964 he was on sabbatical leave to study mass communications research at the University of Wisconsin.

In 1964 Kafka received a national award from the "Public Relations News" for the public relations program at Eastern Montana College. The award was shared with Columbia University and the University of Pittsburgh.

Women's Society Of Christian Service Meets

Mrs. L.H. Medlin presided when the Women's Society of Christian Service met in Fellowship Hall of the Methodist Church Wednesday afternoon at 2 p.m.

The seventh chapter of the current study on "Understanding the Methodist Church" was given. This chapter was on "Worship and Sacrament". The program opened with the group singing, "Near to the Heart of God" followed by Mrs. Whittenburg giving the opening prayer. Mrs. Medlin brought the first part of the study on order of worship and Mrs. Landers brought the second part, the Lords Supper, and Holy Communion. Mrs. Simmons brought the last part on Baptism. Study closed with Mrs. Kirk giving the benediction.

Present were Meses. Paul Young, Tommie Kirk, George Bahlman, B.L. Blackman, F.L. Simmons, Charlie Landers, L.H. Medlin and Harvey Whittenburg.

Betty Salyer and Jwana Young with their advisor, Mrs. Owen Young, were among the more than 1,000 girls who were enrolled for the annual FHA Officers Workshop at Texas Tech June 15 and 16.

Officers were placed in classification according to the size of the school. Each officer at-

tended the small group sessions to get new ideas to use in their own local chapters. Group sessions were held and area and state officers gave reports.

The girls attended the luncheon Wednesday at Hulen Hall where they were staying.

Betty and Jwana enjoyed the meeting and feel like they have gained many profitable ideas for the Bula chapter.

Mrs. L.L. Walden accompanied by her daughter, Mrs. Marie Aaron of Carlsbad, N.M., visited Wednesday through Sunday with Mrs. Walden's sister, Mrs. M.C. Bawcom of Ringland, Okla.

Don Macon has been hired by the local school board as the high school math teacher. Mrs. Macon will be tax collector and secretary for the school superintendent.

Mrs. D.H. McGinley has been hired as third and fourth grade teacher. Both the Macons and Mr. and Mrs. McGinley are moving here from Slaton.

At present, only one position is to be secured and that is a teacher for the first and second grades.

Mrs. Arnold Archer and Mrs. Loraine Cox spent Wednesday through Thursday night helping to care for their uncle, J.D. Kyle, a patient in the Medical Arts Hospital at Lamesa.

Among the visitors at the Me-

thodist Church Sunday were Houston Hoover of Littlefield, layman in the Methodist Church. He spoke at the Methodist Church Sunday morning in absence of their pastor. He was accompanied by his daughter, Mrs. Linda Cattie of Rotan. Mrs. Nell Taylor of Littlefield was also a visitor. She was a guest of her sister and brother-in-law, Mr. and Mrs. Jim Claunch.

Rev. and Mrs. Harvey Whittenburg have recently moved into the Methodist parsonage coming here from Whiteface.

Mr. Whittenburg will pastor the local Methodist Church. At present he is attending school for four weeks at Perkins School of Theology at Southern Methodist University, Dallas. He plans to be home on July 9th.

Mr. and Mrs. R.E. Jones and Mr. and Mrs. Cecil Jones attended the funeral Friday at 3 p.m. in the Church of Christ, Hereford, for an uncle, Willard H. Blevins. Blevins was killed in a car - pickup accident Tuesday 20 miles southeast of Amarillo.

Kenneth Black, Lubbock, visited Sunday with his parents, Mr. and Mrs. E.W. Black.

Pep Scout Troop At Post Camp

G & C Ties Lfd. Publishing For Loop Lead; Amherst, WOW Increase Leads With Wins

IN THIRD PLACE -- With eight wins against four defeats for the season the Security State team is in third place in the Minor League only one game behind the league leaders. The team has won six of its last eight games to move into contention for the loop crown. Front Row (L-R) Benny Lovato, Billy Adams,

G and C Auto moving into a first place tie in the minor league and Amherst's defeat of Ware-Richey for the top spot in the Pony League featured play this week.

MINOR LEAGUE
G & C Auto moved into first place tie with Littlefield Publishing Tuesday night by downing Newton Insurance 14-2 behind the pitching of Terry Robertson as the winners jumped off to an early lead by scoring nine runs in the first to run their season record to nine and three.

In the meantime Littlefield Publishing dropped their third game of the season as Ward Pump beat them by a 24 to 4 score Monday night to throw the minor league into a tie with the two top teams still to play each other twice. Ward Pump by their victory retained a chance to tie for the league lead.

Security State also remained in contention, one game behind the leaders as they defeated VFW by a 26 to 9 count. VFW also won a game during the week as they downed Newton Insurance 10 to 9 Saturday evening.

MAJOR LEAGUE
WOW clinched a tie for first place in the major league as they ran their undefeated streak to 12 with victories over Optimists and the Lions Club during the week.

On Saturday WOW downed the Optimists 8 to 2 behind the pitching of Norman Jackson as the winners collected seven hits off the pitching of Danny Estrada

including a homer by Mike Donnelly.

Tuesday evening the only unbeaten team left in the baseball program racked up their twelfth straight victory as Randy Trotter handcuffed the Lions on only two hits in pitching a 8 to 0 shutout.

In the other major league game the JC's dropped their fourth straight one run decision as Rotary eked out a 4 to 3 win over the last place JC's. The losers held a one run lead going into the late innings but could not hold it.

PONY LEAGUE
Amherst won two games during the week to stretch their lead to a game and a half over runner-up Sudan as Ware-Richey dropped to third place, two games off the pace.

Amherst downed KZZN 13 to 1 Saturday night to run their season's record to 11 and 2 and then defeated Ware-Richey 13 to 5 Tuesday night in the battle for first place.

In Tuesday's encounter the losers got off to an early one run lead, but five walks, three hits and two errors in the fourth inning accounted for eight runs by the winners to sew up the game. They stretched their lead to 13 to 2 before the losers scored three times in the bottom of the seventh. Duffy went all the way for the win while Monte Ward was charged with the loss.

Sudan moved into second place with two 10 to 0 victo-

ries. They downed Radio-TV Lab by the score on Saturday night, then Green Underwood threw a no-hitter Tuesday night as Sudan beat Dairy Queen by the same score.

In the other Pony League encounter KZZN got their third win of the season by downing Roden Drug 11 to 2 behind the hurling of Steve Webb and Mike Kimball. Bufus Lee led the winners at the plate with 3 for 3.

COLT LEAGUE
Security State and Roden Drug, the two leaders stayed only percentage points apart as both picked up wins.

Security State made their season's record five wins against two losses with a 14 to 6 victory over REA as Vernon Jackson and Larry Reese split the pitching chores. Reese also collected three hits for the winners.

Roden kept pace with a narrow 4 to 2 decision over Amherst as the losers left the tying runs on base in the last half of the seventh.

Texas Drownings Reach 110 Total

Texas drownings, besides the upwards of twenty in the Sanderson flash flood, totaled twenty for the last two weeks, as reported to the Texas Parks and Wildlife Department.

This raised the total for the outdoor season to 110, mainly from water recreational causes.

J.B. Phillips, law enforcement coordinator, whose warden staffers are commonly called upon when tragedy strikes, said several of the victims in boating accidents could have been saved had they been wearing life belts.

He said a conspicuous example was the death of a New Caney father who perished when his motor boat exploded. He lacked a life preserver while his two young sons wore theirs in a successful bid for safety on the shore.

Phillips said life belts also were not worn by two men who drowned when a raft capsized in a flood-filled lake near Hereford, as well as a fisherman whose boat upset.

Fireworks Cause Of Eye Damage

Public apathy over enforcement of fireworks laws is breeding needless blindness and eye damage among our nation's children, the Texas Society for the Prevention of Blindness warned in a pre-Fourth of July eye safety message.

The Texas Society reported that a survey of 24 cases of blindness and eye damage in the U.S. during 1964 showed that 19 of them occurred within states with legislation banning fireworks except in licensed public displays. The survey was made by the National Society for the Prevention of Blindness.

Senator Criss Cole, General Chairman of the Texas Society, also cited newspaper accounts of 1964 July Fourth holiday incidents noted by the NSPB; "FIREWORKS LAW OPENLY FLOUTED" and "POLICEMAN FACES CHARGES OVER FIREWORKS", both from major cities in states with anti-fireworks statutes.

"If this type of indifference to fireworks laws continues, we can anticipate a return to the wholesale casualties of the early 1900's," Senator Cole said. "It took nearly 500 deaths in 1903 to make Americans realize the need for fireworks controls. Let's hope it doesn't take another such disaster to prove the need for strict enforcement."

Pre-teenage boys were the most frequent victims of 1964 eye accidents from firecrackers, according to the National Society survey. Seven of the 24 persons hurt were boys between ten and twelve years of age. Five victims were girls, one of them a four-year-old whose right eye was seriously injured by a firecracker thrown by her father.

"Fireworks still blind and maim because most people, though they talk strict enforcement, won't follow through," Senator Cole said. "The black market in fireworks flourishes in most states because parents decline to see to it that bootleggers are prosecuted," he declared.

"If your child buys some contraband firecrackers and you confiscate them, don't count your job done unless you help authorities locate the bootlegger. Fire prevention and police officials must take the lead in enforcing firework laws, but they require every assistance," the Texas Society official said.

Check closely on the activities of your youngsters during the Fourth of July holiday, cautioned Senator Cole, especially if they have shown an interest in matches, ammunition, powder or rockets. Take the family to a public display where they can enjoy fireworks in safety.

Peace Corp Tests Set Here July 10

An opportunity for Lamb County residents to offer their abilities to the Peace Corps will come at 9 a.m., Saturday, July 10, at the Littlefield Post Office.

The Opportunity is the Peace Corps Placement Test, which is not passed or failed and you can't study for it. It measures general aptitude and the ability to learn a language. If, for example, test scores indicate limited language acquiring ability, the Peace Corps tries to place the applicant in an English-speaking area. The test is used by the Peace Corps only as a tool in the matching of Volunteers and jobs. The Peace Corps application is the most important indicator of suitability for Peace Corps service. It must be filled out and brought to the exam unless previously submitted.

Applicants should plan on about one and a half hours at the testing centers, unless they wish to take the Spanish or French language achievement test, which requires an additional hour.

TAX MAN SAM SEZ:

Most of us are well convinced that the tax laws are complex. Most of us feel that we lack the necessary knowledge to prepare a correct tax return. Each year thousands of people call on the Internal Revenue Service offices for help. Internal Revenue offers help both by telephone and at their offices. However, millions of taxpayers needing help don't find it convenient to go see Internal Revenue. These folks must select a qualified tax practitioner to help them solve their tax difficulty or prepare their returns. Internal Revenue Service says there are many qualified tax practitioners. They do caution taxpayers to be sure that the tax practitioner is well qualified and that he will be in business in the community to help the taxpayer in case there is a question about the return later. This is pretty good advice, because a ditch digger doesn't become a tax expert during the filing period.

Total atmospheric pressure on your body is between 30 and 40 thousand pounds.

THE FAMILY LAWYER

"Harry Shot Me!"

Watchers of TV westerns know the scene by heart. Old Ed, the victim of a shooting, lies near death. The sheriff bends over to catch his last words. Ed gasps: "Harry shot me!"

On TV, that usually settles the identity of the killer. But in real life, if Harry were charged with murder, would a statement like Ed's be valid in court?

There are arguments both ways. The main problem is that Ed's accusation, when repeated later by the sheriff, is mere hearsay—that is, secondhand evidence. And the law has good reasons to be wary of hearsay.

For one thing, Ed's charge was not made under oath. For another, he is no longer available for cross-examination by the person he has accused. For another, a man in his

death throes might not be calm enough or rational enough to make a dependable declaration on any subject.

Yet there are also good reasons for accepting the evidence. As a practical matter, it may offer the best possible chance of bringing a killer to justice. Furthermore, the very nearness of death is likely to induce the victim to be truthful. In the words of a dying Shakespearean character:

"What in the world should make me now deceive, Since I must lose the use of all deceit?"

Balancing these conflicting considerations, the law generally does accept a deathbed accusation as evidence—but only under careful safeguards.

For example, it is necessary that the victim not only be near death but be aware of it. If he still has hope of surviving, he might not be sufficiently motivated to tell the truth.

But if all hope has fled, his words may be heard in court. In fact, if he is too far gone to speak, even gestures alone may serve. In one case, a dying woman's squeeze of the hand, in response to a question, helped to send her slayer to jail. In another case, a nod of the head was held enough.

Of course, the principle works both ways. A victim's dying words may be used in court not only to prove that the defendant is the killer but also to prove that he is not. As with all rules of law, what may convict the guilty may also free the innocent.
