

INTEREST INTENSE IN COUNTY SEAT ELECTION TO BE HELD SATURDAY

About \$7,000 Raised in Red Cross Drive

Short Over \$2,000 in Reaching Quota of \$9,290.00

Campaign Chairman Urges Everyone Help Until Amount Raised

As announced by Joe Salem, Red Cross Fund Campaign Chairman, about \$7,000 has been raised up to Wednesday morning towards Lamb County's quota of \$9,290.00 in the drive.

Mr. Salem reported that Earth and Spring Lake Communities reached their quotas first and went "over the top" in a half day.

Sudan has reached its quota by Tuesday night. Olton is nearly over with its quota of \$1,230.92. Amherst is said to be about half over with its quota, but is progressing nicely, and expects to be through this week. Littlefield has raised \$2,500 of its \$3,112.18 quota, but expects to reach its goal by the end of this week.

Mr. Salem states that some of the communities have not made their reports, but that considerable work is yet to be done in some of the communities, so that Lamb County may report its quota reached.

In this connection Mr. Salem stated that he felt sure all communities could continue their efforts until Lamb County had reached its goal. Mr. Salem also asked the Leader to publish the following message of appreciation from the Red Cross Organization:

"We wish to express our appreciation to all Red Cross workers, including local committee chairmen and members of their committees, Presidents of Lions and Rotary Clubs, Pastors of the different churches, Superintendents of the different schools, Presidents and members of the H. D. and other ladies clubs over Lamb County. We sincerely thank you for your interest and untiring efforts in this worthy service. You have been loyal and have given generously of your time, money, influence, and assistance in this 1946 Red Cross Annual Fund Campaign. "The war is over, but Red Cross work goes on. It is true the Red Cross makes mistakes—they admit it, but with the great world job it has, its organization as big as the Red Cross can be perfect. On the other hand, look at the great humanitarian work it has rendered—a job of unselfish service and money to people in need. Also that of giving aid and cheer to our service men and women. That would we and other peoples have done without the aid of the Red Cross. Let's go over the top in Lamb County in our 1946 Fund Campaign."

Late figures showing amounts contributed by the various cities and communities reaching the Leader from Mrs. L. M. Brandon, Executive Secretary, are as follows:

Littlefield, \$2,500; Olton, \$1,060; Spring Lake, \$832.00; Spade, \$275.15; Hart's Camp, \$69.86; Sudan, \$1,606.44; Amherst, \$457.00; and Fieldton, \$83.58. Pleasant Valley has not reported as yet.

Supt. Fred Miller and Coach Fikes Re-Elected

At the regular monthly meeting of the school board of the Littlefield Public Schools, Fred Miller was re-elected to head the schools for the 1946-1947 term. Miller will be serving his third year as superintendent of the Littlefield Schools, after coming here from Ballinger in 1944.

Mr. J. S. Fikes was re-elected Coach and principal of the High School. Fikes was also elected to serve his third year.

Mrs. A. B. Brown and Miss Margaret Teel were re-elected principals of Central Elementary and Teel Primary respectively.

Junior C. of C. Meet Friday

Littlefield Junior Chamber of Commerce officers and directors met last Friday night at the City Hall to set up a civic program for the organization.

Five committees were named, one of which will study the needs of the city, and make a report at the next regular session of the Jaycees Tuesday night, March 12.

Among other things this group will investigate the possibilities of a county fair in Littlefield. They will operate as a project committee, composed of T. G. Shaw, Jr., Chairman, Billy Hall, Henry Banks, Woodson Lindsey, E. E. Wesley and Billy Squires, who were scheduled to meet Monday night.

Paving Program to Get Underway

At a meeting of the City Commission held recently, plans were discussed for paving of city streets, and a plan was decided upon whereby the City would pave in front of property, where owners desired same. All property owners who are interested in having paving put down in front of their premises are urged to contact the City Secretary's office.

Pavement assessments will be levied against property for paving, and all those interested should get in touch with the above office as soon as possible.

Baseball Players to Meet Tonight

A meeting has been called for Thursday night at 8 o'clock at the High School Auditorium of all baseball and soft ball players, for the purpose of organizing a baseball club. A manager will be named. All players are urged to be present.

Court Convenes Monday March 11

The District Court convenes at Olton Monday, March 11, to March 14, when a number of divorce cases will be tried, and the Bigamy case of V. B. Humphrey will be decided.

Stewart Title Co. to Issue Guarantee Titles in Lamb

Arthur Duggan Local Lawyer; Rowe Abst. Co. Issuing Agent

Lamb County is growing up! Strong evidence of substantial growth and of confidence in the future is the extension to Littlefield and to Lamb County of a service that heretofore has been available only in Texas' largest cities at a comparable cost.

The Stewart Title Guaranty Company will now issue Owners and Mortgagees title policies in Lamb County.

Announcement of this new service for Lamb County was made by Mr. V. C. McNamee of the Ft. Worth office of the company. This new service means that when an individual buys a house or tract of land he can obtain a guarantee that his title is good. No abstract is necessary. If the insured buyer should lose any money due to his not having acquired a good title, the Guaranty company has to pay the loss.

In the past no title insurance company has had an issuing agent in Lamb county, so to obtain the service it was necessary to pay for a complete abstract in addition to the title insurance fee—and then send the abstract out of the county to be examined before a policy would be issued.

Now, through the local issuing agent, the Rowe Abstract Company, an application can be made for the policy in Littlefield and the policy can be issued here with no loss of time and without having an abstract.

Premiums for the issuance of title policies to owners or mortgagees are set by the Insurance Board of the State of Texas. The premium includes the charge for insurance, title examination (by a local lawyer), and closing of the deal.

The local lawyer for the Stewart Title Guaranty Company is Arthur P. Duggan, Jr.

The Stewart Title Guaranty Company is the oldest, largest and strongest title company in the South. It was incorporated in 1908, and has capital and surplus over \$1,750,000.00. The Company operates under the supervision of the Board of Insurance Commissioners of the State of Texas, and maintains a \$100,000.00 Guaranty Fund with State Depository, as required by law.

Mr. and Mrs. David Gracy and son, Bergen, and Mrs. Arthur Duggan, Sr. left Tuesday on a few days vacation trip to Tucson, Arizona.

New Sunday School Class Organized At First Baptist

On Thursday evening February 28, the home of Mr. and Mrs. Ralph Nelson, 715 Levelland Road, was the scene of an organization meeting for a new Sunday School class for young married couples of the First Baptist Church. The class was named the "Fifty-Fifty" class and meets at the Baptist parsonage each Sunday morning at ten o'clock.

Mrs. Nelson is the teacher for the class, and the following officers were elected: President, Mrs. Othel Dunnagin; vice-president, Kenton King; Secretary, Ralph Nelson; Treasurer, Merlin Yarbrough; Pianist, Helen Heathman; and chorister, Mrs. Gene Pratt. The social committee is Othel Dunnagin and Mesdames Merlin, Yarbrough and Kenton King. It is hoped that the class will provide not only spiritual guidance to its members but worthwhile social recreation as well. Plans are being made for an Easter breakfast.

Charter members of the class are: Messrs and Mesdames Gene Pratt, Othel Dunnagin, Norris Onstead, Darwin Pierce, Kenton King, Merlin Yarbrough, Ralph Nelson, and Mrs. Doyle Dean. All who are eligible are urged to attend.

Central P. T. A. to Meet Wednesday

Central P. T. A. will meet Wednesday, March 13, at the Littlefield High School at 3 o'clock.
 The program will consist of a talk by County Health Officer, Dr. F. R. Janes, his subject being "Community Child's Health." There will also be a 30 minute discussion on Girl Scouting, arranged by Mrs. A. B. Haynes, Chairman of Girls Scout Committee.

Lamb County Leader, Littlefield, Texas:

Gentlemen:

Under the date of February 14th a statement was made in newspapers of Lamb County to the effect that the City Hall of Littlefield had been leased to Lamb County for Court House purposes. At that time the undersigned was of the opinion that an error had been made and thought surely the statement should have been that the City was offering the City Hall to the County and looked in the newspapers for a correction since that time.

Later, on the 19th day of February, a duly executed lease signed by the City Officials of Littlefield, and which lease proposes to lease the City Hall to Lamb County for a period of ten years at a rental of \$1.00 per annum was filed in the County Clerk's office. The Commissioners Court has taken no action on this instrument as yet, consequently no lease has been consummated between the County and the City of Littlefield.

I make this statement in justice to the Commissioners Court.

Sincerely,

I. B. Holt,
 County Judge.

Lamb County Tax Payers

Take Notice

THE PURPORTED LEASE on the part of the City of Littlefield, PURPORTING TO LEASE the City Hall to Lamb County, was filed with the County Clerk last week; however, said purported lease was not presented to the Commissioner's Court of the County, who at the time was in session, nor was the Commissioner's Court even approached or consulted about the matter.

Every one knows that it takes two parties to make a LEASE CONTRACT, the LESSEE and the LESSOR. Any one can write out an instrument reciting that it is a lease contract but it constitutes no part of a lease contract unless the LESSEE signs it. WHY THEN, has the progressive Mayor and City Secretary of the City of Littlefield, had dawn up, and executed before the City Attorney, an instrument which they call, and yes even advertise, as a LEASE CONTRACT with Lamb County for Court House Use? ? , IT IS SIMPLE PROPAGANDA, made for one purpose only and that is to DECEIVE THE VOTERS of the County in the coming county seat election and lead them to believe that the City Hall of Littlefield, has been leased to the County to be used as a Court House — and that there will be no necessity to vote a large Bond Issue of possibly \$500,000.00 or more to build another Court House in the event of the removal of the County Seat to Littlefield.

VOTERS — BEWARE OF SUCH PROPAGANDA and think twice and then THINK again before swallowing such STUFF. The true facts of the matter are:—

—FIRST: There has been no LEASE CONTRACT on the City Hall.

SECOND: There will not be any such LEASE CONTRACT, for the very fact that neither the Mayor, the CITY SECRETARY, THE CITY COMMISSIONERS, nor THE CITY ATTORNEY, acting individually or as a collective body, could make such a lease contract, for they would have ABSOLUTELY NO POWER or AUTHORITY to make such a lease.

THIRD: The City Hall of Littlefield was built by the Tax Payers of the City of Littlefield, for the sole use and benefit of the people of Littlefield, and by no LEGAL RIGHT, POWER or AUTHORITY, could the PRESENT CITY ADMINISTRATION or any other, LEASE the City Hall to the County or any one else for any purpose whatsoever.

NO—there HAS NOT BEEN nor will there be any LEASE CONTRACT for the Littlefield City Hall to be used as a Court House. IT IS SIMPLE PROPAGANDA.

If in the coming County Seat election Littlefield should prevail and the County Seat be moved, without any doubt, the next step would be the calling of a Bond Election for \$500,000.00 or more for the construction of another Court House, and the debt would most certainly have to be paid by an enormous increase in YOUR TAXES AND MINE, NOT IN ONE YEAR but for Years to come.

KEEP THE COUNTY SEAT AT OLTON, AND SAVE A BIG INCREASE IN YOUR TAXES.

Olton Civic Committee

Miss Elnora Harms, Ruben Birkelbach Wed Here Sunday

Miss Elnora Harms of Anton became the bride of Ruben Birkelbach of Littlefield in a candlelighted service Sunday evening, March 3, at 5:30 o'clock in Saint Martin's Lutheran Church.

The double ring ceremony was performed by Rev. F. T. Sager of Stanton. The Lohengrin Bridal March by Wagner, and the music for the recessional "What a Friend We have in Jesus," which was the Pastor's theme, was played by Miss Emmag Sell.

Following the ceremony a reception was held in the home of the groom's parents, Mr. and Mrs. B. D. Birkelbach, which consisted of a chicken dinner, and later the three tiered wedding cake, which was decorated by Mrs. Werner Birkelbach, was cut by the bride and presided over by Mrs. Ernest Sell.

The bride wore a street dress of aqua blue. Her corsage was of pink carnations.

"For something old" she carried

a 20 year old handkerchief, which belonged to her mother. "For something borrowed" she wore a string of beads.

Attendants were: Edgar Schalz and Miss Lillie Harms. Miss Harms wore a rose crepe street dress with corsage of white carnations. The groom wore a dark suit with a white carnation.

The mothers of the bride and groom wore black with corsages of white carnations.

The bride finished school in Anton, where she lived up to this time. She is the daughter of Mr. and Mrs. George Harms.

The groom is the son of Mr. and Mrs. B. D. Birkelbach.

He attended school here. In October, 1942, he volunteered for the Army, and was a sergeant. He served in Europe two years, and was discharged December, 1945.

Wedding guests were: Mr. and Mrs. B. D. Birkelbach and family; Mr. and Mrs. Werner Birkelbach, Mr. and Mrs. Walter Tieman and daughter, Mr. and Mrs. Joe Macha and family; Mr. and Mrs. George Harms and daughter, Lillie; Mr. and Mrs. F. C. Bevers; Mr. and Mrs. Bruno Ganzer and family; Miss

Emma Sell, Miss Mary Frances Servatius, Mr. and Mrs. Herb Funk, F. K. Kraushaar and Rev. and Mrs. F. T. Sager.

Electrified Farms in Texas

Plans to nearly double the number of electrified farms in Texas are virtually complete, but operation of the program is being delayed by material shortages, the Rural Electrification Administration declares.

Already allocated by REA to the state is \$14,169,181, sufficient to bring electricity to 25,000 persons immediately as soon as lines can be built, while 30,000 new consumers have applied through co-operatives for loans to construct rural distribution power lines. Another 50,000 consumers will be included in new applications expected as the result of surveys now being conducted in the field by the 96 borrowers of REA funds.

The REA, started in 1935, has to date furnished funds for electric power lines to more than 112,000 Texans.

Of the 96 REA borrowers in Texas, most of which are farmer-owned co-operatives, 71 are now operating distribution systems. Though several additional projects are under way to serve large rural areas in the state not previously reached with electric power, most of the pending loan applications

are based on extensions of existing systems. Eventually this program is designed to bring electrification to every rural community as well as more densely populated areas. Official estimates show that on July 1, 1945, there were 273,102 unelectrified farms in the state.

Of the \$200,000,000 available nationally in REA funds during the fiscal year ending next June 30, \$16,774,286 is available to Texas borrowers, the largest amount available to any state.

Allotments from 1946 funds brought to \$52,291,074 the total of REA loan funds allotted to borrowers since the REA was established. Already more than \$38,000,000 has been advanced for the construction of distribution lines and generating and transmission facilities and to provide loans for individual wiring and plumbing installations.

Latest estimates show that 34.7 per cent of all the farms in Texas now have electric service. Before the start of REA service in 1935, only 2.3 per cent of the state's farms were receiving electric service. Rural consumers served by REA-financed systems in the state total 112,171.

Sudan Girl Scouts Buy Building

Girl Scouts have purchased a small house on the Fife farm, five miles south of Sudan, and are making arrangements to have it moved on city property, the site of the future recreation hall, Scout Leader Mrs. Doyle Baccus announces.

Doyle, Baccus, Buddy Whitmire and Milton Wiseman have agreed to perform the moving job with tractors.

The house, which consists of one room, 16 x 20 feet, cost \$300. Girl Scouts paid \$123 of this amount from their troop treasury, and the remainder was loaned to them by the 1945 Study Club. Sudan Scouts will endeavor to raise sufficient funds to repay this loan in the coming months.

Purchase of the house, to be used as a meeting place for Girl Scouts, was supervised by Mr. and Mrs. U. H. M'Beur, Mrs. Glen Roark and Reed Markham.

A prominent Mexico City attorney praised the increasing study of Spanish in Texas schools.

Yellow House H. D. Club Meets

The Yellow House Home Demonstration Club met Tuesday, February 26, at the home of Mrs. Bill Jones.

Mrs. Tom Ham read a poem entitled, "Showing Off." The songs, "Comin' Thru the Rye," "My Bonnie," and "Onward Christian Soldiers," were sung by the entire group. Instructions on how the club is to help in the Red Cross drive were given by Mr. C. D. Elder.

The club voted to make a quilt to be auctioned off to help raise funds for the club.

Members present were: Mesdames C. D. Elder, H. A. Vick, J. B. Hairo, Tom Ham, Henry Ham, W. O. Jones, J. D. Lee, and the hostess Mrs. Bill Jones.

The next meeting will be March 12, at the home of Mrs. Roy Jones. Each member is urged to be present and visitors are welcome.

The University of Texas has authorized construction of a \$35,000 atom splitting machine, as the first move into atomic research.

Altar Society Meets Recently

The ladies of the Sacred Heart Altar Society held an all day meeting in the home of Mrs. Rudolph Bronek, January 26th. The president called the meeting to order, the minutes were read and approved.

The day was spent in quilting. A delicious buffet dinner was served at noon. Members answering the roll call were: Mesdames Dee Myers, Joe Foltyn, O. L. Schlottman, W. Rizinsk, Joe Machs, Joe Rietman, Ruth Zoth, H. Miller, W. Servatins, Frank Vanek Ann McClanahan, and Rudolph Bronek and one visitor, Mrs. Edith Chandler.

The next meeting will be held Mar. 30th in the home of Mrs. Ruth Zoth. All members are urged to be present.

Sudan Has Investigated the County Seat Question

And Has Found the Following FACTS:

In the last county seat election more than two-thirds of the voters voted to move the County Seat from Olton. The votes that Amherst received prevented Littlefield from getting the County Seat. So this year when the petition to move the County Seat to Littlefield was presented the Olton people presented a petition to place the name of Amherst on the ballot. This petition for Amherst was signed by over 300 Olton people. Their only purpose was to split the vote between Littlefield and Amherst and try to prevent the County Seat from being moved and to try to prevent again a free expression of the will of the people to move the County Seat. Olton does not want the County Seat moved to Amherst or any where and, in our opinion, not one of the Olton people who signed the Amherst petition will vote to move it to Amherst. A vote for Amherst is a vote for Olton and Olton knows this. Therefore, Olton is asking you to vote for Amherst. Vote for Littlefield and carry out the will of the people. Olton says that Littlefield wants it moved for the benefit of a few, but the vote shows that more than two-thirds of the people of the county have voted to move it at every election and Littlefield has always received more than a clear majority.

The Facts Are—

For ten years Lamb County has used the jail at Littlefield as the County Jail free of charge because the jail at Olton is not useable and has been condemned. Littlefield has offered to the County in writing the City Hall for ten years. This City Hall new, cost \$50,000.00, has more floor space than the court house at Olton, and there is not one penny of indebtedness against the City Hall building. Furthermore, no bonded indebtedness of the City of Littlefield could by any possible means be saddled on the County, and Olton knows this, in spite of her insinuations to the contrary.

More Facts—

If a new Court House is built, it will have to be done by vote of the property owners of the entire county. We will be in greater need a new court house if the County Seat remains at Olton, and we would not be wrong if we were to make the positive statement that citizens of Olton anticipate trying to get the County to build a new Court House at Olton if the County Seat remains there. Olton has advertised that it will take the exaggerated amount of \$500,000.00 to \$1,000,000.00 to build a new Court House if the County Seat is moved. We have never heard any one but Olton people claim that this will have to be done, and we wonder if those figures do not represent the amount of bonded indebtedness that Olton anticipates asking for to build a new Court House at Olton. These exaggerated figures coming only from Olton and not from Littlefield have caused Sudan and community to be suspicious about leaving the County Seat at Olton, and we do not think it will be necessary to vote any bond issue if the County Seat is moved to Littlefield.

WE ARE GOING TO VOTE FOR THE REMOVAL OF THE COUNTY SEAT TO LITTLEFIELD NEXT SATURDAY AND SETTLE THE ISSUE ONCE AND FOR ALL.

Miss Deardorff Honored at Bridal Shower Monday

Miss Maxine Deardorff, bride-elect of Capt. Olen Ross, was honored at a bridal shower at the First Christian Church, Lubbock, Monday afternoon at 4 o'clock, with the ladies of the church as hostesses.

Attending from Littlefield were: Mrs. George Ross, mother of Capt. Olen Ross, and Mrs. E. C. Ross, his aunt.

The church rooms were lovely with

varied cut flowers, including Carnations, and pot plants.

The table was centered with beautiful white Snapdragons.

Punch and cookies were served to about 100 guests attending.

The bride-to-be was the recipient of a lovely array of gifts, including a full set of Sterling silver, set of crystalware, Wedgewood China, Fiesta pottery, etc.

Miss Lila Lea Morgan and Amos T. Shockley Wed

In the First Baptist Church of Galup, N. M., Thursday, Feb. 21, Miss Lila Lea Morgan, daughter of Mr. and Mrs. C. C. Morgan of Anton, became the bride of Amos T. Shockley, also of Anton. Pastor of the church officiated.

The bride wore a blue suit with black accessories. For something old, she wore a ring belonging to her mother; something new, a necklace; something borrowed, a handkerchief, belonging to Mrs. Payne Wood, an aunt of the bridegroom of Lubbock; and she wore a penny in her shoe.

Mrs. Wood, a matron of honor, wore a black suit. Jarred Shockley attended his brother as best man.

The bride is a graduate of An ton High School and was a cadet nurse in West Texas Hospital. At the time of her marriage, she was employed at the Clovis Memorial Hospital, Clovis, N. M. The bridegroom served in the Army for three years.

The couple is at home in Anton.

Betrothal of Miss Maxine Deardorff, Olen Ross Announced

The engagement and approaching marriage of Miss Maxine Deardorff and Capt. Olen Ross was announced at a Friday afternoon tea given by the bride-elect's mother, Mrs. George Deardorff, in their home at 1906 Fourteenth, Lubbock.

Mrs. J. H. Hackfield and Mrs. G. P. Kuykendall presided at the candlelighted tea table which was covered with a lace cloth and centered with pink and white snapdragons. The wide white satin ribbon which tied the bouquet was lettered with "Maxine and Olen, March 6."

In the living room, baskets of pink and white gladioli flanked the fireplace and white snapdragons were arranged on the mantel.

Misses Nora McMurry and Peggy Johnson presided at the guest register. Others in the house party were Mesdames Clifton Barrier, J. A. Lindsey, Jeff P. Watson and Frank Blake.

More than 100 guests called.

Moribund refers to a person who is dying.

Recent Bride

Mrs. Kenneth Manuel, who previous to her marriage recently was Miss Louise Sparks, of Santa Monica, Cal., is a daughter of Mr. and Mrs. J. L. Manuel of two miles west of town.

Sgt. Manuel was home recently on a 3-day pass, accompanied by Mrs. Manuel. The couple left last week for San Antonio, where Sgt. Manuel is a patient in Brooks Convalescent Hospital. He expects a discharge soon.

Miss Luzina Shipley and Sgt. G. W. Parrott Wed February 23

The marriage of Miss Luzina Shipley of Littlefield to Master Sgt. Glenn W. Parrott of Sudan is announced by his mother, Mrs. Clara Parrott. The bride is the daughter of Mr. and Mrs. A. B. Shipley of Littlefield, and was united in marriage to Sgt. Parrott Saturday evening, Feb. 23.

The newlyweds are living at Tucumcari, New Mex., where he is station at the U. S. Army Recruiting office. Sgt. Parrott re-enlisted in the Army a short time ago.

Friends Honor Mr. and Mrs. Harkey

On Tuesday evening February 19th Mr. and Mrs. Newt Harkey were pleasantly surprised when a number of their friends came in for a house warming.

Hostesses for the occasion were: Mesdames V. S. Cassel, Floyd Coffman, C. O. Griffin, William Rumback and O. K. Woodall.

Mrs. Hugh McKinley read "Old Friends," and in very charming manner presented them with a beautiful white wool blanket, she also read the following poem that was attached to the gift:

"Honor Blessing"
Bless the four corners of this house,
And be the lintel blest;
And bless the hearth, and bless the board,
And bless each place of rest;
And bless the door that opens wide
To stranger, as to kin;
And bless each crystal windowpane
That lets the starlight in;
And bless the roof-tree overhead,
And every sturdy wall;
The peace of God, the peace of Man,
The peace to love, on all.

Following the program cake and coffee were served to the following guests:

Mesdames Bill Fields, Doss Maner, H. C. Edmonds, Higgins Vernon Eagan, Ivan Fowler, Jess Elms, Sam Hutson, Dewey Walker, S. G. Underwood, Porcher, Woods, W. G. Street, Clyde Hilbun, Don Dennis, W. J. Aldridge, Ida Damont, Wm. L. Aldrige, Martin, Paul Hyatt, Kinkler, and Misses Margaret Coffman and Ruth Griffin.

Out of town guests were: Mrs. Joe T. Salem and Mrs. Vada Belle Oldham of Sudan.

Miss Blanche Wales and Edwin Hannes Wed at San Antonio

Miss Blanche Wales, formerly of this city, became the bride of Edwin Hannes of San Antonio at that city Friday, February 15. The ceremony took place in the study of the Rev. C. J. Diethloff, Pastor of the First Methodist Church of San Antonio.

The bride is the daughter of the late Mr. and Mrs. J. R. Wales of Littlefield. The groom is the son of Mrs. Louise Hannes of San Antonio.

Capt. and Mrs. Ralph W. Montgomery, cousins of the bride attended the couple.

Following the ceremony a reception was given at the home of Mr. and Mrs. Edward Spacek, sister and brother-in-law of the groom, honoring the couple.

Mr. and Mrs. Hannes are at home at 1635 Hearne Ave., San Antonio.

Miss Maxine Deardorff is Bride of Capt. Olen Ross

Mr. and Mrs. George Deardorff of 1906 14th St., Lubbock, announce the marriage of their daughter, Miss Maxine Deardorff, to Capt. Olen Ross, USMCR, of Littlefield.

The beautiful ring ceremony took place Wednesday evening at 7 o'clock in the First Christian Church, Lubbock, with Rev. H. G. Gantz officiating.

The altar of the candlelighted church was decorated with flowers of pastel colors.

The bride, who was given in marriage by her father, wore a wedding dress of white organdy and lace, and

carried an arm bouquet of Gardenias.

The bridesmaids and maid of honor wore gowns of soft pastel shades, and carried bouquets of Sweetpeas.

Following the ceremony there was a reception held in the church parlor.

The couple left Wednesday night for Quantico, Va., where Capt. Ross will be temporarily stationed.

The groom is a son of Mr. and Mrs. George W. Ross of this city. He attended Littlefield High School, and was graduated from Texas Tech College in 1942. Mrs. Ross will receive her degree from Texas Tech in June of this year.

CORRECTION

In a list of those attending a recent wedding at Lubbock, Mrs. Jess Elms and Mrs. S. J. Farquhar were

inadvertently mentioned. The Leader is glad to make this correction.

Mrs. Marie Manning Gasch wrote as Beatrice Fairfax.

Overton Phillips Honored on His 21st Birthday

Mr. and Mrs. Millard Phillips entertained at a birthday luncheon Wednesday, February 21, honoring their son, Overton, on his 21st birthday.

A delicious lunch was served at 1 o'clock, when a lovely three tiered birthday cake was cut by the honoror.

After lunch the group participated in games.

Those attending were: Mr. and Mrs. Overton Phillips, Guy and Duaine Phillips, Darrell Odell, Mr. and Mrs. M. A. Bales and son, Kenneth, all of Littlefield, Jackie Pinkerton of Long Beach, Calif., Leroy Bales of Baxter Springs, Kan., Mr. and Mrs. Douglas Bales, of Levelland, Mr. and Mrs. Malcolm Bales and daughter, Karen, of Shallowater.

A farewell party was enjoyed by the same group, including Durwood Yantis, Miss June Oxford and Mr. and Mrs. Lilburn Bales, at the home of Mr. and Mrs. M. A. Bales. The party was in honor of Leroy Bales and Jackie Pinkerton. After a variety of games refreshments were served.

Mr. and Mrs. M. A. Bales have had their family together the past week for the first time in two years.

"To the Voters of State Representative District 120.

"We the friends of Tom W. Deen are announcing him for the office of State Representative District 120.

"We want to say that his platform is as follows: He is for re-districting the State for State Senators and Representatives, for a liberal program for the old people, the blind and needy children, a liberal program for the public schools, he is in favor of the State passing Legislation where by all returning service men who hold an honorable discharge will receive from the State mustering out pay in the amount of \$300.00; he is for Legislation that will control the Lower Traffic. Mr. Deen has been tried and found true and we his friends want to see him re-elected for another term.

"This announcement was paid for by friends of Mr. Deen."

W. O. W. Lodge to Meet Tonight

Texas-New Mexico Log Rollers Association of the W. O. W. will meet at Littlefield tonight (Thursday) at 8 o'clock at the Legion Hall.

Out of town officers are expected and several candidates will be initiated.

The local lodge visited Hale Center Monday night, and put on the work. They will go to Slaton Friday night, where they will assist in putting on the work there.

Win, Lose, or Draw In the County Seat Election

Littlefield will continue to exercise toward the other towns and communities of our County that spirit of cooperation and friendship that we have heretofore attempted to show to all alike, to the end that our county as a whole may grow and prosper along with other sections of the South Plains.

We believe the County Seat ought to be moved, and without any reflection on any other town or community in the County, all of which are progressive places, full of good people, we ask you to vote for LITTLEFIELD, which we think is the proper place for the County Seat.

Slight Changes Will Be Made in Regulations

Final Approved Yields to be Received Within Few Days

As announced by Ernest L. Black, Secretary of Agricultural Adjustment Administration:

The protection offered by the Federal Crop Insurance Corporation in 1945 will be offered to farmers again in 1946 with a few slight changes in the regulations.

Final approved yields for Lamb County farms will be received in the county AAA office within a few days and as soon as they are received the office will be ready to start signing applications for insurance. All producers interested in having

the protection offered by the 1946 Insurance Program explained to them should call at the Triple A office prior to April 25th, which is the closing date for accepting applications for 1946 Cotton Crop Insurance in Lamb County.

Move to Farm Home

Mr. and Mrs. E. O. Feagley moved Saturday to their farm home nine miles north of Littlefield, where Mr. Feagley will engage in farming. Mrs. Feagley is the former Miss Mary Helen Hayhurst.

Feagley was discharged from the Navy February 9, after two years service, 18 months of which he spent overseas in Pearl Harbor and area. He was stationed for the past four months at San Francisco, and arrived home Feb. 15.

Mr. and Mrs. Feagley moved to a farm owned by his uncle, J. W. Feagley.

Crop Insurance Advantages Outlined

Crop insurance offers the cotton farmer protection of his investment in a crop and encourages insured farmers to put every effort into making a crop, Donald L. Cothran, state crop insurance director, declares.

In Cothran's opinion, insurance, by providing security is an added incentive for the farmer to do his best to make a crop by properly preparing the land, planting good seed, taking proper precautions to control cotton disease, weevils and other insects, cultivating the crops and harvesting the cotton because he knows that the farmer who produces good crops makes the profits.

Here's the way Cothran sees it: Any farmer should prefer making a good crop to a losing one, even though he does have insurance, since the insurance covers only part of the total production he would make if he produced a full crop.

Crop insurance records show that farmers on weevil-infested farms who control the insects are getting insurance cheaper than those who do not, since the average yields are higher while the uniform premium rates remain the same for all farms in the county, except for those determined to be especially hazardous. So the best thing for the insured farmer to do is to try his best to

make a crop, take every possible means of protecting his interest, feeling secure in the fact that he has insurance to protect his investment and to help him through in case of an unavoidable loss. Cothran concluded.

A typewriter small enough to fit into a waistcoat pocket has just recently been patented.

LET'S TAKE STOCK NOW

Everybody wants goods.

Manufacturers want to make them for you.

Yet months after the war's end, you still find it difficult to get many of the things you want and should have.

So, isn't this the time for all of us to take stock . . . to learn a lesson . . . to find out, if we can, what will cure the troubles we are having and prevent their recurrence?

Let's look ahead and agree on a program that will insure the full production everybody agrees is the real answer to most of our problems.

Suppose we begin by taking a good look at three roadblocks to prosperity...

STRIKES

Whatever their justice or injustice, strikes paralyze production, force people to use up their savings, and result in losses that can never be made up.

PRICE CEILINGS

Full production isn't possible when industry suffers losses because of rising costs and frozen prices. Price

ceilings limit production — goods just don't get made.

GOVERNMENT SPENDING

Continued huge government spending means continued high taxes. High taxes discourage production, hinder the creation of jobs, and leave you less to spend.

ISN'T THIS THE WAY?

The people, through Congress, can remove these roadblocks in the long-range interests of all...

By establishing a labor policy that will treat labor and management exactly alike, and above all be fair to the public;

By removing the shackles of price control on manufactured goods;

By cutting down on government spending now and balancing the Federal budget by the 1947 fiscal year at a level of income and outgo that taxpayers can stand.

Do you believe this program is in the public interest?

Your Representatives in Congress are the only ones that can put it into effect. Tell them how you feel about it.

Howdy Folks: A customer gave us a shock, the other day. She asked why we never advertised. Imagine our surprise, as our ads have run more or less regularly.

When we told her we did advertise and showed her an ad to prove it, she said, "Yes, but they look so much like all the rest, why don't you doll them up a bit so they'll be easier to catch?"

That set us to thinking. Maybe she was right. We thought of a lot of ways to make the ads sensational, but decided that columnists get more readers than most writers, so we decided to try our hand as a columnist.

Now, we don't expect to be a Bugs or a Winchell, but we'll try to give you a few smiles now and then, and yes, you're right, we'll talk a little bit about the radio business.

So wait for our literary efforts in the columns of the Lamb County Leader.

German Artillery Weapons Arrive

Three of Germany's best artillery weapons, two 231-ton guns and a 123-ton mortar, have arrived at the Aberdeen Proving Ground, Maryland, after a long and difficult trip from Leipzig, Germany, according to a bulletin received from Lt. Col. Robert L. Hardy, Commanding officer of the West Texas U. S. Recruiting District, Lubbock, Texas.

Ordnance technicians will submit all three pieces to close scrutiny, and the weapons will then be placed upon exhibition at the Ordnance museum at the Proving Ground.

The two guns are a 28-centimeter K5-E and a 31-centimeter G-5 Glatt (smooth bore), both of Krupp manufacture. They are cousins of "Anzio Annie," the German super-range railway gun which threw 350 lb. pre-ripped projectiles into the Italian beachhead from a distance of from 38 to 50 miles.

These monsters, measuring 76 ft. 6 inches in length and weighing 492,000 pounds each, were discovered at the Nazi Railway artillery shops

near Leipzig by a First Army Ordnance team. They have been uncrated, and Ordnance experts at Aberdeen are now carefully scrutinizing them for details of manufacture and performance.

The guns started on their way June, 1943, but Nazi railways and bridges were in such bad shape that it required several weeks to get them to a port. Bridges had to be shored up all the way. Each gun with its accompanying equipment weighs as much as 300 American automobiles.

The rest of the time, between June and January, was spent in getting the huge artillery pieces from a port in Germany to Staten Island, New York, where they were unloaded, ferried across New York Harbor to the Greenville yards of the Pennsylvania Railroad and there assembled, repaired and adapted to operation on American railroad tracks.

The guns are accompanied by a special turntable, narrow gauge track that makes a complete circle 100 yd. in diameter and weighs 110 tons; a car with an ammunition hoist; an-

other which maintains the powder charges at a constant temperature and two cars with projectiles and special equipment. The 28-centimeter weapon fires a pre-ripped shell over 38 miles; and a rocket-assisted projectile over 50 miles with a muzzle velocity of 3,000 feet per second.

The third weapon is a monster mortar known as "Thor". This 54-centimeter giant weighs 123 tons and hurls projectiles weighing 3,750 lbs. approximately 5,000 yards. Known as Karigerat and mounted on a self-propelled carriage, it was useful for the assault against the Russians at Sevastopol and Stalingrad. Special railway cars were designed to ship this enormous carriage by rail over the long distance to the Red Army Front.

"Thor" is 96 feet overall in length and has a 24-foot barrel.

The father of eight children, Sgt. Schiavoni said: "I like Army life and I think I can do best for my family by staying in the service."

The 34-year-old aerial gunner flew 14 combat missions over Formosa, the Philippines and Indo-China.

His income includes \$96 a month base pay, \$200 for family allotments, 25 per cent additional pay for over-

seas service and 50 per cent more for flying time. His wife gave her approval of her husband's decision to remain in the service.

LOCATE the COURT HOUSE in the HEART of LAMB COUNTY, TEXAS, at AMHERST...

Here's your chance to place your County Seat in Amherst, center of Lamb County. Just a majority of us gets the job done.

VOTE For Removal to Amherst

YOUR ONLY CHANCE TO MOVE OUR COURT HOUSE and settle this question once and for all in fairness to all the people of the county.

Amherst has been solicited by voters from all parts of the county to enter this contest, as they feel there is only one place for something that belongs to all the Citizens of the county.

Let's all vote from an unselfish standpoint; get your neighbors to vote and this fight is over for good.

The people of Amherst will favor less expensive quarters than any other point in the county.

Your County Agent's Office is located here, A Good Bank, A Good Hospital, Good Hotel, Roads, and All Necessary Facilities Are Here, and we all know with just a little help it will be easier to secure a majority than 66 2-3% of the votes, to move your County Seat from one corner of the county to another corner.

If we do not settle this question now by our vote to move the Court House to the center of the county, it will be settled forever by remaining at Olton.

We all know that sooner or later, we will have to build a new Court House for our County Offices, so let's consider all the facts and the question from an unselfish standpoint; and vote to move the County Seat to a point where it will serve all of us more efficiently.

RESPECTFULLY,

COURT HOUSE LOCATION COMMITTEE

Secret Device Spots Objects Around World

NEW YORK—The Navy has revealed another of its secret wartime devices—"Huff Duff," an electrical "finger" which can spot a plane half-way around the globe.

The Navy, telling how the device aboard ships, planes and in a network of shore stations led to the breaking up of U-Boat packs before they could assemble, said the electronic long-distance detection device played a top role in winning the battle of the Atlantic.

"Huff Duff"—which got its slang name from the initials He DE, was used as a teammate of radar and sound devices which are able to spot objectives only at much shorter distance, the Navy said.

The Gintz Workshop, Nacogdoches, Texas, supplies the nation with children's wooden toys, made from mill ends and wood wastes.

Airmad Hosiery, made in Texas, sold in 27 states, will put 150,000 pairs of nylons on the market in February.

In 1945, there were 103,239 producing oil wells in Texas.

Tax Quiz

Q. Who has to file a Federal income tax return? A. Everyone (including minors) who had \$500 or more income last year. Approximately 50,000,000 Americans are required to file—in fact nearly every civilian worker or businessman.

Q. Do servicemen and veterans have to file? A. Some do, most do not. It depends partly on rank and partly on whether they had any civilian income. All enlisted pay and the first \$1,500 of officers pay are exempt. All civilians income and officers' pay over \$1,500 counts toward the \$500 filing requirement.

Q. If my tax is withheld from my wages by my employer, do I have to file, A. Yes. Withholding is only approximate and you must file a return so that any additional tax due may be collected or any overpayment may be refunded.

Q. Didn't Congress recently exempt a lot of people from filing? A. No. Congress reduced taxes on 1946 income (remember our March 15 returns are on 1945 income) but did not change either for last year or this year the requirements that returns must be filed by everyone having \$500 or more income.

Q. Suppose my income was less than \$500 but tax was withheld from my pay. Should I file? A. Yes. If you are single, file a return to get a refund of the tax withheld. If you are married, you should file a joint return with your wife (or husband) so that she (or he) can get the benefit of any of your exemptions which you do not need to offset your income; in which case your refund

will be applied against any tax she (or he owes, or you will get a joint refund.

Q. What form is used for filing income tax returns? A. Most wage-earners can choose between filling out their Withholding Receipts or filling out Form 1040.

Q. Who can fill out a Withholding Receipt as an income tax return? A. This form of return is designed for taxpayers who get all or virtually all of their income from wages from which income tax is withheld. Form 1040, instead of the Receipt, must be used by anyone whose total income was \$5,000 or more; by anyone who had more than \$100 in dividends, interest and wages not subject to withholding; and by anyone who had any income at all from other sources such as rents, annuities, sale of securities, profit from business and trust funds.

Q. Who can use Form 1040? A. Anyone.

Q. Where can I get these forms? A. You get your Withholding Receipt from your employer. You can get Form 1040 from any collector's office and most banks and postoffices.

Q. Some Withholding Receipts are different than others. Which can be used as a return? A. The form of Withholding Receipt was changed late last year to improve its wording and arrangement. However, both the old and new forms produce the same results and either one is officially acceptable.

Q. I understand there is a "short form" and a "long form." Where do I get them? A. Both names refer to Form 1040. This form is called a "short form" if the tax is determined from the table on Page 4. It is called a "long form" if the tax is figured from the computation schedule on Page 3.

Q. My Withholding Receipt has no

place to list deductions. Why not? A. If you use your Withholding Receipt as a return you get an automatic allowance equal to about 10 percent of your income. If you are entitled to a larger amount of deductions, you should file on Form 1040.

Q. On the old form of Withholding Receipt, there was a space for listing exemptions for myself and my wife, as well as our dependents. Why does the new form of Receipt have only space for listing dependents? A. To simplify the new form, provision was made so that exemptions for yourself and wife (unless she had income not shown on your return) are counted automatically.

Q. My wife and I both worked last year. Is it cheaper for us to file separate returns or a combined return on a Withholding Receipt? A. If your combined income is less than \$5,000 you can file a combined return on your Withholding Receipt, and the Collector will figure your tax on either the separate or combined basis, whichever method would give you the smallest tax or largest refund.

Q. I worked several different places last year and have a different Receipt from each employer. How do I use them in filing a return? A. Add up your wages from all the jobs and fill out the last receipt you received. Do not fill out the other receipts, but be sure to attach them securely to the receipt you did fill out.

Q. Are there any special points to watch in filling out a Withholding Receipt? A. Write clearly, answer every question that applies to you, and be sure to sign your name in the signature space. Also be sure your correct address is shown on the face of your return.

New Plymouth Makes Bow

FIFTY NEW improvements, 34 mechanical and 16 appearance, distinguish the new line of Plymouth cars.

Ten different body types comprise the line: a four-door sedan, two-door sedan, five-passenger club coupe and a business coupe are available in either DeLuxe or Special DeLuxe types. A flashing convertible coupe and a station wagon complete the Special DeLuxe line.

Complete redesigning of front end, fenders, moldings and bumpers, coupled with smooth-flowing body lines, have given the new Plymouths massiveness, length and low appearance found formerly only in higher-priced cars. Interior trim is entirely new, achieving a rich, restful beauty of particular appeal to women.

Engineering advancements have stressed both performance and safety. A host of engineering improvements have given the new 95 horsepower Floating Power engine brilliant performance characteristics.

In a car engineered throughout for greatest safety, several features exclusive to Chrysler-built cars mark the new Plymouth for particular attention. Foremost is the new exclusive safety hydraulic brake increasing braking effectiveness from 33 to 40 per cent.

Emphasis on safety engineering is evident again in the exclusive safety-rim wheel which so grips the tire that it is practically impossible, should a blowout occur, for it to come off the rim or slip crossways to the wheel, greatest hazard with ordinary rims.

2 MILLION
JUST LIKE ME!**

Every year from the ranches of the Panhandle-Plains and Pecos Valley, come more than two million head of the finest beef in the world. There's plenty of good feed, an abundance of crystal clear water, healthful climate, and men who know how to take care of cattle.

This entire area is ace-high for beef production. Everything is in its favor for raising the finest beef in the U.S.A.

We have everything in the Panhandle-Plains and Pecos Valley including an abundance of cheap, dependable electric power. Electric power helps the cattleman, too, in grinding feed, pumping water, irrigating, filling silos and a score of other tedious chores.

Lubbock C of C. Writes Leader

The Leader appreciates very much a letter received this week from the Lubbock Chamber of Commerce, written by A. B. Davis, manager, when enclosing a check for \$2.50 to cover the Chamber's renewal of its subscription to the Leader, and which will be of interest to the citizenship of Littlefield. The letter follows:

"Dear Mr. Drake:
Attached hereto is our check, No. 4841 in the amount of \$2.50 to cover our subscription for your newspaper for one year.

"Your newspaper keeps us well informed as to activities in your community—information that is helpful to us in our activities to promote the whole South Plains area. You know that the Lubbock Chamber of Commerce feels its responsibilities to this area keenly, and is constantly working for the whole section and not Lubbock alone.

"You have given freely of your time and efforts for development in this area and I am sure the next few years will bring greater rewards than ever before.

"Please know that it is our desire to be as helpful to you and your community as is possible at all times, and we will appreciate very, very much the opportunity of rendering every assistance.

Sincerely yours,
Lubbock Chamber of Commerce
A. B. Davis, Manager."

Social Security Representative to Be Here March 15

John Palmer, Social Security Board Representative will be in Littlefield at the U. S. Post Office at 2:00 P. M. on Wednesday, March 15, 1946. He is in Littlefield one day each month for the purpose of answering any questions people may have on Social Security; discussing possible benefits and taking claims from persons who may be entitled to benefits, and of taking applications for Social Security Account number cards.

The Social Security Board is offering its full co-operation to workers and former workers who have reached the age of 65 in an effort to help them avoid any loss of benefits thru delay in filing claims.

Reappears After 3 Years
The Texas Tech Band expects to wear uniforms it has had in moth balls for three years for the first time in May. The white outfits were purchased from the Army—with Army buttons on them. No appropriate buttons have been available during the war but Director D. O. Wiley has announced a supply has been located and the band will appear in the new whites for concerts in about two months.

First 1946 De Soto Goes on Display Today at the Littlefield Truck & Tractor

Featuring many engineering advances, new performance and a host of other improvements, the first 1946 De Soto, a pearl gray de luxe four-door sedan, will be placed on display today by the Littlefield Motor Company in the showroom of the Littlefield Truck and Tractor Co.

Among the features of the new De Soto is the gyrol fluid drive, with the new transmission "tip-toe" shift which permits the autoist to drive all day without touching gear-shift lever or clutch. This transmission shifts gears hydraulically.

The car's striking beauty is highlighted by an entirely new front end. Long, wide-shouldered front fenders flow back into the body, accentuating the long, low lines. The engine is of the L-head type engine with a return to aluminum alloy pistons, unavailable during the war.

Emphasis is given to safety. The new hydraulic brakes, according to the Littlefield Motor Company, reveal even greater efficiency in both stopping effectiveness and extended brake life. Another protective factor is in the safety-rim wheels. The car's interior combines rich smartness with great comfort.

The new De Soto models include two lines: the de luxe three-passenger coupe, club coupe, two-door and four-door sedan, and the custom club coupe, convertible coupe, brougham, four-door sedan, seven-passenger sedan and seven-passenger limousine.

Ten colors and four two-tone combinations are available.

The Littlefield Motor Company expects to be in its new building in thirty days, according to Morrow Mayo. The company's first Plymouth, a marine blue special deluxe four-door sedan, was delivered Saturday night to Joe Walters, returned veteran and popular Littlefield druggist. The new De Soto, will be on display until next Tuesday.

Is Discharged

Sgt. Gerald Lakey, son of Mr. and Mrs. L. B. Lakey, who had been in the service 40 months and overseas 10 months, received his discharge February 16, and arrived home the next day. Sgt. Lakey had spent considerable time in the Philippine Islands, and saw service on Leyte and Luzon. He has started to work for the Southwestern Associated Telephone Company at Lubbock in the storeroom.

Another son of Mr. and Mrs. Lakey, Lt. James Lakey, is stationed at Sacramento, Cal., as an instructor in the Air Corps. He has been in the service since March, 1941, and formerly was stationed at Merced, Cal.

Lt. Lakey recently spent a night at home when he and a group of fliers flew 30 planes from Sacramento and stored them at Lubbock.

HOME DEMONSTRATION WORK IN TEXAS COVERS WIDE SCOPE OF ACTIVITIES

More than one and one-third million farm and ranch families in Texas received assistance from home demonstration work in 1945, according to Miss Maurine Hearn, vice director for women and state home demonstration agent, of the Texas A. and M. College Extension Service.

Better plans and better methods brought tangible results in all phases of homemaking, reports Miss Hearn. Victory gardens reached a million in number. Seventy-five thousand families purchased \$250,000 worth of food in poled orders, either preserving it or eating it fresh. Nearly 500,000,000 pounds of food was preserved during the year.

A greater number of farm and ranch families produced an abundant home supply of high quality milk, butter, and cheese than in 1944. Meal planning, food preparation,

and cookery was improved by 140,000 families.

Texts families also became better eaters. The percentage complying with the Texas food standard goes for better nutrition increased in every type of food.

Clothing work on new or remodeled clothes was valued at about one and a half million dollars in 4-H and home demonstration clubs.

Better sanitary conditions, improved household and conveniences, better organized kitchens, more attractive interiors and well placed exteriors resulted from work in home improvement.

The intangible results cannot be tabulated easily, says Miss Hearn. But a definite part of the county home demonstration agent's work home demonstration agent's work is ranging from prenatal care to old age.

veterans out of proportion to the availability of surplus property. It has been impossible for a veteran or anyone else to get accurate and complete information, but there has been an abundance of misinformation which has caused many people to make long and expensive trips, only to be disappointed.

I talked personally with General Gregory yesterday, telling him of the dissatisfaction of the people with the way the program has been administered and urging him to do something about it. I based my complaint upon facts which I learned from veterans and others when I was in Texas in January and the letters which I am presently receiving about the surplus program.

A check-up on the disposition of surplus consumer goods in the four-state area which includes Texas reveals total sales to date of fifty million dollars. In this same region last month there were 1,396 sales to veterans who held certificates of preference. But there are many additional thousands of these certificates outstanding.

The over-all job of disposing of surplus government property is only one-tenth completed. I hope the strong and insistent demand for better services will get results in the future handling of the program.

Book Is Published on Servicing of Farm Equipment

COLLEGE STATION—Farm Equipment dealers and servicemen, as well as farmers themselves, no doubt will be pleased to learn that the book "Farm Equipment Service", written by Prof. Fred R. Jones, head of the department of agricultural engineering at Texas A. and M. College, has been released by the publishers, W. R. C. Smith and Publishing Co., Atlanta, Ga.

For the past several years Prof. Jones has been writing a series of articles for trade publication, "Southern Hardware", and the book is a compilation of some of his past writings.

He says that the book is designed primarily to supply farm equipment dealers and their servicemen with the information concerning the fundamentals of construction, operation and servicing all types of mechanical farm equipment and was published in response to the demand for such information in a more permanent form than in magazine articles.

In addition, he has written articles on revolution in haymaking, changes in farm practices, new developments

in farm refrigeration, mechanized cotton harvester, modern engine timing, and Diesel engine construction, operating and servicing. He was unable to say as to the publication date of the book containing these later articles, but all have appeared or are soon to appear in the magazine mentioned.

Urge Ex-GI's As Members of Church Governing Boards

Church leaders throughout the county are urging that young men, now released from the armed forces, be placed upon the governing boards of local churches and of their missionary and service agencies—and many churches are doing this. Dr. John Sutherland Bonnell, of New York's fashionable Fifth Avenue Presbyterian Church, in urging appointment of ex-GI's to church posts, says, "A new and loftier crusade awaits them; a warfare against ignorance, poverty, racial antagonisms, and international jealousies and misunderstandings."

SIDELIGHTS FROM WASHINGTON

By CONG. GEO. MAHON

REA loans are being repaid to the Government; people in rural areas are getting the benefits of electricity; industry is being afforded a new market for electrical gadgets and equipment; and more work is provided for the laboring people in industrial areas. I joined with others in pointing out these facts during the House debate on the measure, the chairman having given me the privilege of closing the debate.

Awarded Scholarship

Miss Norma Lucille Cleavinger, daughter of Mr. and Mrs. N. F. Cleavinger, of Hart, has been awarded the Borden Company Foundation scholarship in Home Economics at Texas Technological College.

The scholarship, awarded for the first time this year at Tech, is a gift of the Borden Company Foundation, Inc., and is to be presented annually for five years to the senior Home Economics student who has the highest grade in all college work, and who has taken two or more courses in foods and nutrition.

The conclusion seems inevitable that the job of disposing of surplus Government property has been bungled this far. The top responsibility has been booted from one agency to another.

First the sales were under an agency of the Treasury Department, then the responsibility was shifted to the Commerce Department under Secretary Henry Wallace. From there the job was transferred to the RFC. Today the War Assets Corporation an agency of the RFC, is in the driver's seat, but next month the War Assets Corporation becomes the War Assets Administration and will no longer be associated with the RFC. This, undoubtedly, will be the last shift in responsibility.

While all this tossing around has been in process, the confusion has been terrific. Lt. General Edmund B. Gregory has never assumed the top job as Surplus Property Administrator. That fact offers hope. The general was formerly Quartermaster General of the Army, and he has the reputation for being a man of efficiency and action.

The businessman has become disappointed with the administration of the surplus property program; the veteran has not only become disappointed, but disgusted, over the run-around that he has received—and he has received the run-around.

CHURCHES WILL UNITE IN PROGRAM TO EXTEND THEIR MISSIONARY ACTIVITIES IN ASIA

According to Dr. John W. Decker, secretary of International Missionary Council, many of the Christian Churches planning to reorganize or extend their missionary activities in the war-torn areas of Asia are going to do so interdenominationally and by united action rather than by separate communions as in the past. In India, he says, a commission has made plans for theological education in a unified system of seminaries; China's National Christian Council has published a study on "The Church and China's future;" the Associated Boards for Christian Col-

County Plateau Singing Convention, March 17

Special Singers Expected to be in Attendance

Semi-annual Affair to be Held at High School Auditorium

The Semi Annual Meeting of the Lamb County Plateau Singing Convention will meet at the High School Auditorium, Littlefield, Friday, Mar. 17, opening at 10:30 a. m., and continuing throughout the day.

A picnic dinner will be enjoyed on the grounds. All singers are invited to attend and bring a lunch basket, sufficient to help take care of the visiting singers.

Special singers from all parts of the Country are expected; and according to the Committee Chairman L. W. Reed, there will be plenty of new songs, and everyone is invited to come and take part in this great day of song fellowship.

Among the quartets expected are Stamps quartet of Dallas and Sims Quartet of Clovis. Many more are also expected.

John F. Taylor, Canyon, President of the organization, and L. W. Reed, Field manager, are among those who will be present.

Sudan to Vote on Paving Issue

Success of the proposed street paving program for Sudan apparently was assured last week, with announcement that city officials will call a bond election early in April to finance the project.

"Since the cost in estimated costs, we are meeting with hardly any opposition," Mayor Hugh Vincent said. "Everyone wants paving."

At a special meeting of the City Commission recently, Mayor Vincent and Commissioners Drew Watkins and U. H. Milner conferred with Chamber of Commerce members who originally sponsored the effort, and with members of a recently appointed paving committee, including A. Stuart, chairman; L. E. Slate, secretary; E. E. Crow, Joe T. Slem and J. R. Dean.

It was voted unanimously to call an election for the purpose of voting a \$30,000 bond issue as early in April as possible, probably within the first week. This amount allows for all streets, without curbs.

State vs. William J. Justice Set For Trial March 28

According to an announcement from Lovelland by Hockley County authorities, the case of State of Texas vs. William V. Justice, which was set for trial for 10 A. M. March 7, due to conflict with another case in which defendant's attorney was involved, has been reset for 10 A. M. Thursday, March 28.

Justice is charged with negligence homicide in connection with the death of Granville Clark of Littlefield. Clark was killed on January 16 in an automobile wreck near Anton.

L. S. Keen, Corsicana (left), president of the Texas Frozen Food Locker Association, has announced the awarding of a fellowship by the Association to O. D. Butler (right), graduate student at the Agricultural and Mechanical College of Texas from Orange. Butler will do research at Texas A. & M. on problems affecting the handling of meats in frozen food locker plants under the fellowship. The grant was made through the Texas A. & M. College Development Fund.

Former Resident Comments on Great Growth of City

Mr. and Mrs. Gus Davis and children, Mary Louise, Betha Ann and Roland, Jr., of Oklahoma City, formerly of Littlefield, spent Saturday and part of Sunday here visiting friends, and left Sunday for Brownfield to spend a short time with Mrs. Davis' brother and sister-in-law, Mr. and Mrs. P. M. Figley. While here they visited in the homes of Mr. and Mrs. J. W. Forcher and Mr. and Mrs. S. J. Farquhar.

Mr. Davis was book-keeper for Cameron Lumber Company for several years, and Mrs. Davis was a member of the Littlefield School faculty. They left here in 1934, and Mr. Davis is now connected with the Kerr-McGee Oil Company, owned by Governor Kerr of Oklahoma.

Mr. Davis was very enthusiastic of his praise for Littlefield and the exceeding progress made by this city since he was a resident. In an interview with a Leader reporter he said: "I have traveled from the west coast to the east coast, and in the northwest and in the South, and it not only pleases me but amazes me to come back and find Littlefield has made such rapid growth. It is the most aggressive place I have ever visited. Some places I have visited have seemed to shrink, but Littlefield continues to expand and grow and the citizenship seems to prosper."

The first Allied troops to land on Continental Europe in World War II was the all Texas 38th Division.

Penney Building About Completed

The Penney building under construction on Phelps Ave., by Drs. Ira Woods and Wm. N. Orr, is expected to be completed in about two or three weeks.

This structure, which is a very attractive building, has a balcony of 40 feet at the rear, which is expected to be used to store merchandise, and a balcony in the front over the windows, which will be used as an office.

It is expected that the store will open around April 1.

Practically All Houses Numbered

In order to secure mail delivery it has become necessary that the City see that all houses have been numbered and street signs installed. Reports indicate that the houses have practically all been numbered, but the street signs are not up yet.

When this work has all been done, it is expected the Postal Department, on being satisfied of this, will permit the delivery of mail in Littlefield.

Undergoes Operation

E. P. Hutchins of Spade underwent a major operation at the General Hospital, Lubbock, Friday, Feb. 22.

All his children gathered at the hospital for the operation, including Mr. and Mrs. Albert Sheffield of Tucson, Ariz., Ted Hutchins of Waco, Mr. and Mrs. A. A. Webb of Lubbock. Mr. Hutchins is reported to be getting along nicely.

Progress Being Made on Swimming Pool Project

Plans are gradually being worked out in connection with the building of a swimming pool in Littlefield.

The Committee in charge, Charles Signor, Supt. Fred Miller, Arthur Duggan, and Darwood Howell have retained H. N. Roberts Engineering Company, Lubbock, to prepare plans, specifications and cost estimate and to attempt to secure a contractor to build the swimming pool.

According to the Committee this work is necessary before an effort is made to get additional money for the project.

Plans include the building of a 25 x 75 pool with separate wading pool for small children, to be located in the northwest corner of Laguna Park. It is expected that the plans will be ready in the near future.

Son Born to Mr. and Mrs. Kimball

Mr. and Mrs. R. N. Carpenter of Littlefield received a telegram Tuesday of last week announcing the birth of a son to Capt. and Mrs. Elmer L. Kimball at Washington, D. C. They formerly lived in Littlefield. This is their second child, having a son three years old.

Mrs. Kimball, before her marriage, was Miss Christine Carpenter.

Garland Mortor Co. Deliver Two Cars Last Week End

The Garland Mortor Company, dealers for Dodge and Plymouth automobiles, had on its floor for display Friday and Saturday a Four door De Luxe maroon colored Dodge sedan and a gray four door Plymouth sedan, both of which have been delivered to the purchasers.

E. C. (Buck) Ross bought the Dodge and Jesse Watts of six miles south of Fieldton purchased the Plymouth.

Swing of Southwest Farm Markets

Advance in cotton prices, the strength on livestock and steady trend on eggs, poultry and vegetables accounted for strong markets for most Southwest farm products this week, according to USDA's Production and Marketing Administration. Cotton prices reached the highest peak in 20 years this week with gains of \$2 to \$3 a bale Friday. Middling 15-16 inch was quoted at 26.20 cents per pound Dallas, Houston and Little Rock; 26.16 cents at New Orleans and 26.10 at Galveston. The level of cotton prices has been rising steadily for about the past year, although the value of certain low grades has not increased proportionately. Spot markets were somewhat more active this week than usual for this time of the year. Short supplies and excessive demand kept grain prices at ceiling where they have been for weeks. No. 1 hard ordinary wheat was quoted at \$1.80 to \$1.82 per bushel, bulk, in carlots at Fort Worth and Galveston; No. 3 white oats at 87 to 90 cts. per bushel in Fort Worth and 89 to 92 cents in Galveston; and sorghums at \$2.61 per hundred including all permissible markups. South Texas vegetables were in fair demand at steady prices most of the week. Cabbage picked up strong daily with 50-pound sacks in mixed cars quoted at \$1.40 to \$1.65 Friday. Prices of beets and carrots saw little change from last week end. Latest reports show too few spinach sales to quote, probably because of rain-damaged offerings. Lighter poultry offerings almost

balanced with the fair demand this week at most Southwest markets. Prices remained about unchanged from last week end with heavy hens quoted at 27 cents to 28 cents per pound, New Orleans; 21 to 23 cents, Dallas, 21 to 22 cents, Fort Worth, 22 to 24 cents, Denver. Fryers were quoted at most markets around 30 cents per pound. Southwest cattle markets neared the close of the week with prices 25 to 50 cents higher on some classes than last Friday. Receipts were the lightest in seven years at Houston and smaller than last week's at other Southwest terminals, except Denver. Canner and cutter cows were still in good demand at \$6 to \$8 per hundred pounds, Houston; \$6 to \$8.50, San Antonio \$6.50 to \$8.75, Fort Worth; \$6 to \$8.50, Oklahoma City; and \$6.50 to \$8.50, Wichita, and \$ 7.50 to \$9.50 Denver. Hogs continued active and seteady despite increasing receipts at most Southwest markets this week, and lambs were strong to 25 cents higher with other classes firm compared to last week's close. Domestic wool sales were very slow in Boston this week. Twelve-month Texas wools were purchased at grease prices of 38 to 40 cents and fall wools at 34 to 36 cents. The demand for sorted fine mohair continued at ceiling prices. Mr. and Mrs. Doyle Dean and Mrs. R. L. Byers, accompanied by Troy Davis made a trip to McAllen, Texas, recently to visit Miss Alma Byers. They returned Thursday. Though inactivated, the Texas 36th Division still belongs to the War Department.

Lee Payne and I. T. Batson Have Kaiser Frazer Dealership

Lee Payne and I. T. Batson of Amherst have been appointed dealers for the Kaiser-Frazier Automobiles and Trucks, and plan on opening show rooms in both Amherst and Littlefield soon. These cars are being manufactured in various models and colorings. They hope to have a demonstrator within three or four weeks, and to have cars for sale in between six and eight weeks. These cars are manufactured at the former Ford Bomber Plant. Mr. Batson and Mr. Payne will each spend a portion of their time in Littlefield.

Dorman Shockley Is Brought Home

Dorman Shockley, 18, of Anton, a Merchant Marine and nephew of Mr. and Mrs. Otto Jones, who was injured in a bus-automobile crash near Gallup, N. M., recently and a patient since at the Gallup hospital, was brought home Sunday. Shockley was enroute to Anton, where he makes his home with his sister, Mrs. Jack Grace, and Mr. Grace. He was a passenger in a travel bureau car when the automobile and a bus were in collision near Gallup. The young man suffered a rib fracture, and cracked pelvis bone and one of his lungs are said to have collapsed. His body has been put in a cante, where it will be necessary to remain for eight weeks. Relatives here report that he is getting along nicely.

To Attend School Meeting 100 Percent

According to Supt. Fred Miller, the local school faculty plan to attend 100 percent the West Texas Teachers association meeting scheduled for March 15 at the Lubbock Senior High School, when representatives from 25 counties in District 4 will be in attendance.

The meeting will be divided into three general sessions, with the first beginning at 9 a. m. in the high school auditorium. Teachers will be welcomed by Dr. J. M. Gordon, dean emeritus of the Texas Tech college, and Dr. Robert E. Goodrich, pastor of the Trinity Methodist church of El Paso, will discuss "Education for the Home of Tomorrow."

Mrs. Evelyn Duval of the national conference of family relations, Chicago, will be guest speaker for the second general session at 2:30 p. m. Officers for 1946 will be elected in sectional meetings, 4:30 p. m.

Dr. Robert L. Sutherland of the Hogg foundation, Austin, and Mrs. Duval will be principal speakers for the third general session, to begin at 7:30 p. m. New officers will be introduced by R. W. Matthews, president of WTTA.

District 4 is comprised of the following counties: Andrews, Bailey, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Ector, Floyd, Gaines, Hale, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Midland, Mitchell, Motley, Stonewall, Terry, Yoakum, Glasscock and Garza.

Mills near Austin, Texas, are producing cedar oil and other chemical by-products from the common cedar.
