Annual Jaycee Turkey Shoot Starts Sunday

The annual pre-Thanksgiving Jaycee Turkey Shoot will begin Sunday afternoon, November 2, and continue until the Sunday before Thanksgiving, Cecil Harp, president of Littlefield Jaycees announced.

The "shoot" will begin about 1:30 and will be held on vacant grounds a half mile due north of Littlefield, on Highway 51.

Proceeds go toward providing Christmas dinners for needy families. Last year the Jaycees organization here furnished baskets for 35 families. Price of each basket ranged from \$12 to \$15.

Colorful Parade To Open Big P-TA Carnival Here

Lamb County Teachers Association To Hold Important Meeting Tuesday

The first of three meetings of the Lamb County Teacher's Association headquarters at Austin, is scheduled for Tuesday night, November 4, at Littlefield School Cafeteria, announced president, W. D. Kay, Superintendent of Amherst Schools, Tuesday.

John Lovelady from the executive office of Texas State Teachers Association headquarters at Austin, will be principal speaker at the meeting, and he will outline the general provisions of legislation as related to schools, teaching programs, and personnel for next year.

Greetings will be brought by Walker Bailey, president of T.S.T.A. District four, which comprises 26 counties. Jesse Osbourne of Muleshoe, State Representative, and Andy Rogers of Childress, state senator, will also be present at the meeting.

Musical numbers will be presented by students from Olton, Amherst and Littlefield schools. Other officers include Odell Wilks, principal Sudan High school, vice chairman, and Fred Gordon, Olton grade school principal, secretary.

EIGHT PRIZES TO BE AWARDED TOP JUDGED ENTRIES

Coronation Will Take Place At 8:30 O'clock

The annual PTA Halloween Carnival always the highlight and holding the spotlight in Littlefield as the climax of Halloween activities and festivities, is planned, arranged, and ready for unfolding and presentation this Thursday evening with the activities and program to be staged both in and out-of-doors weather permitting. Committee members numbering almost a hundred are planning and staging the annual PTA fund raising festivities and are predicting that even last year's Carnival receipts of \$1600.00, will be surpassed this year, when the reports are finally completed.

Earth Youth Enters Plainview Polio Center

J. W. (Dub) Wise age 15, son of Mr. and Mrs. J. A. Wise of Earth was admitted to Plainview Polio Center Sunday afternoon, said to be suffering from polio.

WEATHER

High temperature for the week was 94 degrees recorded Sunday afternoon. Low for the same period was 41 degrees on both Tuesday and Wednesday. Other temperatures for the same period as recorded at the West Texas Gas Co., are as follows:

Table with 3 columns: Day, Low, High. Thursday 48-84, Friday 44-85, Saturday 52-90, Sunday 54-94, Monday 56-84, Tuesday 41-71, Wednesday 41-76

"Beat Levelland" Week In City Promote Friday's Football Game

This is "Beat Levelland" week in Littlefield, and students and school organizations of all and every kind have been out in force, selling tickets, pennants, maroon and white buttons, not only to boost attendance at the Lobo-Wildcat game at Levelland Friday night, but also to boost treasury funds to finance the annual banquet later to be staged for the Wildcat football squad and coaches.

An allotment of 800 reserve tickets which were placed for sale in Littlefield, was quickly and eagerly snapped up, Monday morning. General admission tickets will be on sale at the gate.

One thing is certain. It will be one of the biggest Levelland-Littlefield games, in the football history of the two highly competitive schools.

Band leader Don Hays, who will lead his 96-piece band to Levelland with the Wildcats announced this week, that a special between halves activity Friday night, would jointly feature both the Littlefield and Levelland bands. In keeping with (Continued on back Page)

Plains-Caprock Singing At Ralls November 8, 9; Local Event Postponed

Due to the big Plains-Caprock Singing Convention to be held at Ralls, November 8-9, Lamb County Singing will not be held at the regular date, Sunday afternoon, November 9, but is being postponed to a later date.

Everyone is cordially invited to attend the two day convention of singers at Ralls.

Lamb County Singing will be held the second Sunday in December (December 14), at First Baptist Church at Amherst, at 2 o'clock. The time has been stepped up a half hour.

About 200 Bales Of Cotton Burn

Approximately 200 bales of cotton were destroyed in a fire which was discovered shortly before 10 p. m. Wednesday in the cotton storage yard on Highway 51, just north of the Dalmont residence.

Firemen had the blaze under control within 15 or 20 minutes, and took steps to protect other cotton. A wind blew up some time after the fire started and increased the hazard to other cotton on the yard.

The yard is under lease by the Union Compress & Warehouse Co.

Absentee Voting Heavy in County

One hundred and forty-three ballots have been voted absentee in Lamb County up to Wednesday noon, according to Joel Thomson, County Clerk.

Deadline or final date, for voting absentee is October 31.

Loss Estimated At \$75,000 In Gray Oil Company Fire At Earth

King and Queen of Spade Schools Crowned During Half Time Activities

Miss Laverne Gregson, popular member of the Senior Class of Spade High school, was crowned queen of the football team, during half time activities of the Spade-Pettit game played at Spade last Friday night. Neal Trull a senior boy, was crowned king.

Miss Gregson, who was voted queen by the girl student body, was escorted on the field by "King" Trull, who was elected by the boys of Spade school. She was presented with a lovely bouquet of mums in behalf of the school, and was also (Continued on Back Page)

The Gene Gray Oil Company at Earth, suffered loss estimated at \$75,000, in a spectacular fire which occurred there about 4:30 Friday afternoon, a fire which at times threatened the entire town, and which, after telephoned appeals for help brought fire fighters and equipment from Littlefield, Olton, Sudan, Amherst, Levelland, Clovis and the Clovis Air Force base. The out-of-town equipment arrived almost too late to be of service (Continued on Back Page)

Wrestling Matches Scheduled Opening Of Sports Arena

Wrestling matches scheduled for Saturday at the new Littlefield Sports Arena.

Formal Opening of Garland Motor Co. New Building Is Outstanding Success

The formal opening of the Garland Motor Company's new building at 712 East 3rd St. was an outstanding success. Over 750 visitors called during Thursday to view the new building, and the new 1953 Dodge automobiles on display.

A large number of baskets of flowers were also received and on display, extending congratulations and well wishes to the Garland Motor Company.

Four new Dodge automobiles were on display, including, two Dodge Coronet Diplomats, commonly known as Hard Top Convertibles, Ivory top with Sea Mist green bodies, one Dodge Coronet Four Door light blue Sedan; and a Meadow Brook Four Door light green sedan.

Receiving the visitors during the day were: B. D. Garland, Jr., General Manager, and other members of the personnel, Mrs. Lucille Wright, Troy Davis, Bill Church, Frank Barnard, Robert Klotter, H. A. McCelvey, Ralph Foust, A. J. Standifer, Harvey Bishop, and Joe Ancinec.

Highway Matters To Be Talked At Lubock Meeting

West Texas Chamber of Commerce along with the Lubock Chamber of Commerce are sponsoring a discussion and education meeting on highway matters to be held in Lubock Chamber of Commerce meeting room next Wednesday, November 5, beginning at 2 p.m.

What can be done to keep our highways up-to-date and capable of handling the tremendous increase in usage by millions of automobiles each year, will be discussed. This meeting next Wednesday is the first of a series of eight to be held in West Texas in November. Several members of the local chamber are planning to attend.

Political Campaign In Home Stretch; Big Vote Expected

The National political campaign of 1952 is in the home stretch—or maybe it would be more interpretive to phrase it—fourth quarter, 3rd down and goal to go. At any rate, the millions of American voters will flock to the polls, throughout the nation next Tuesday, and with their ballots, quarterback the final play of the 1952 campaign—and, just as in football—one or the other—Mules or Elephants are going to win.

Radio commentators, big city newspapers, magazines, movie stars and television artists, along with thousands of politicians in office, and equally as many other politicians out of office who would like to be in, have for the past two months been telling Mr. and Mrs. Voter not only how to vote, but why they should vote that way—their way.

But each and everyone of them will be whittled down to size next Tuesday—each will be no bigger than are you and I—each will have exactly one vote, and no more.

This paper could make a prediction of the outcome of next Tuesday's election—it would probably be just as good or just as bad and no better, than the prediction of any of the others. Certainly we don't know the outcome, and we don't think any other knows it either with any degree of certainty. Our own surmise, which is not a prediction is that the National presidential race is going to be very close, and it therefore is up to our own voters in Lamb county to do their part by voting next Tuesday—voting their best and most honest convictions. Your one vote could be decisive.

Texas has the heaviest poll tax payment in history. It may or may not prestage the heaviest state vote. The same holds true in our own county. The indications here are

for a heavy vote, but possibly not the largest in history.

As far as the local campaign has been concerned, it has been quiet. There has been little or no public activity for the Stevenson-Sparkman ticket. On the other hand there has been considerably more for Eisenhower-Nixon.

Here and there you observe an individual wearing a campaign button, but on the whole, hereabouts, they are few and far between.

It looks to us like the average Lamb county citizen this year, has refused to be swayed or stampeded by propaganda—is calmly, and in quiet fashion making his or her own decision. That's the surface indication—if its true, it is all to the good.

More than 130 absentee ballots have already been issued at the Court House—and deadline for absentee voting is October 31. This would indicate that many of our

boys in uniform are voting this year.

Judges and clerks have been named for each of the 16 voting precincts of the county, and supplies are being issued this weekend.

We don't urge you to vote—but we hope that you will.

It is important to you—maybe far more important than you think or can know.

LYMAN'S
RECIPE OF THE WEEK
By Mary Lee Taylor
Cabbage Meat Rolls
Broadcast: October 25, 1952

8 large cabbage leaves
1 lb. ground lean beef
1/2 cup finely chopped onion
2 cups cooked, drained rice
1/2 cup Fat Milk
1/2 teaspoon poultry seasoning
1 teaspoon salt
1/2 teaspoon pepper
1 can condensed tomato soup
1/2 cup water

Cook cabbage leaves 5 minutes in boiling water. Drain and cool. Brown beef and onion slowly in a skillet. Stir in rice, milk, poultry seasoning, salt and pepper. Remove from heat. Shape meat mixture into 8 balls with a spoon. Put a meat ball in middle of each cabbage leaf. Wrap tightly by folding over edges of leaf and pinning with toothpick. Put into skillet. Cover with mixture of soup and water. Cook, covered, over low heat 30 minutes. Serve hot. Makes 4 servings.

to Have Television Service 1953, Says Lubbock Executive

That Littlefield television service by early 1953 is the opinion of Lubbock radio and television executive. President of Bryant Television, Inc., which has a TV grant from the Federal Communications Commission, is working on his company station, KCBD-TV. Completion of

such a station usually requires five to six months, which means that KCBD-TV may be able to begin operations by April of 1953. According to station engineers, KCBD-TV should provide excellent coverage in the Littlefield area. The station will have a radiated power of approximately 100 kilowatts, which means that it will be more than three times as powerful as TV stations now in operation at Fort Worth and Dallas. Engineers say that KCBD-TV will

as Governor Shivers Told The Truth?

AS ATTORNEY GENERAL PRICE DANIEL OF TEXAS TOLD THE TRUTH—ALL OF THE TRUTH ABOUT THE TEXAS TIDELANDS

DON'T TAKE THEIR WORD FOR IT—READ WHAT GROVER SELLERS and WILLIAM McCRAW, of Texas say—

TWO FORMER ATTORNEY GENERALS TELL "TRUTH" ABOUT THE TIDELANDS

The truth is—On June 8, 1953, Allan Shivers, the Texas Governor, came out in support of a compromise of the tidelands issue. Governor Shivers said, "I was reared to respect authority, and living up to the system of government that I do, I recognize that historically the Supreme Court of the United States is the final arbiter in disputes over legal rights." "Practically all of the geologists who have seismic information on the 10 1/2 zone and the area between the Continental Shelf and the tidelands tell you that about 80 per cent of the profitable oil is 25 feet or more from shore." "The trade could be made to settle the lawsuit whereby Texas would exchange a percentage of the revenue realized in the 10 1/2 zone for an equal percentage of the revenue obtained out of that zone." "Texas would gain in revenue from this change in interest. To me this is more important to the school

children and the school fund of Texas than being adamant in our position with the statement that we would prefer to lose all that we have than to make any type of trade, exchange or compromise." Having lost before the U.S. Supreme Court, the last chance for Texas is by legislative action of the Congress. If we abandon the Democratic Party, Texas will have to depend upon a divided Republican minority. There would be no hope of passing a "Texas Tidelands" bill. Staying with the Democratic Party, we can again hope to win in the Congress. Governor Stevenson has not closed the door on a legislative settlement. Respectfully, **William McCraw** Former Texas Attorney General **Grover Sellers** Former Texas Attorney General

Construction Will Start Monday On New Amherst Methodist Church

Building Plans for the Amherst Methodist Church are moving according to schedule. The actual construction will begin on Monday, November 3. A. A. Blair of Amherst, will be the contractor in charge. Materials have been ordered and will be on hand in time for the date of construction. A. W. Messamore and the pastor, Rev. Darris L. Egger are the purchasers of material. The Building Fund Campaign is also in full swing starting this week. Davis C. May is the General Chairman. Working with him as a steering committee are A. R. Jones, Chairman of the Official Board, and J. S. Harmon, Chairman of the Building Committee, and the pastor Rev. Darris L. Egger. A total of forty-four people are working on the Roy Farrow Financial plan to raise approximately forty thousand dollars in addition to what is already on hand. This will be the amount necessary to construct the educational building and the fellowship hall. There will be a four weeks education program, which started yesterday (Sunday) morning. "Minute man" speakers will appear in the adult Sunday School classes and in the pulpit for four Sundays speaking on the "Needs," "Plans," "Responsibilities," and "Our Pledges" of the new building. A four weeks letter campaign on the above theme will also stress the importance of the new building. Concluding the program will be two dinner meetings at the church. The first dinner meeting will be a kick off dinner when the solicitors will begin the collecting of the building fund. The second dinner will be a Victory Dinner completing the campaign.

Rev. Vendyl Jones Will Assist Dr. Meers This Fall

The Littlefield Missionary Baptist Church voted in the evening services to extend a call to Rev. Vendyl Jones, Fort Worth, Texas to become a full-time assistant to the pastor during November, December and January. Rev. Jones has completed three years work at the Bible Baptist Seminary in Fort Worth and has had special training in Sunday School work, soul-winning, as well as a thorough Bible training. He plans to enter Bob Jones University, Greenville, South Carolina at mid-term. The call was extended by long distance telephone by Dr. Weldon B. Meers, pastor of the Church, on Monday. A definite acceptance has not yet been received.

Establish Cafe In Former Santa Fe Cafe Building

Mr. and Mrs. Lester Hollabaugh, brother and sister-in-law of Mrs. Bill Valles, have leased from Mrs. Valles the former Santa Fe Cafe building, recently occupied by Hudson's Cafe, and opened for business Monday last, operating under the name of the Littlefield Cafe. Mr. and Mrs. Hollabaugh moved here Wednesday of last week from Vernon, Texas, where they have made their home for the past 27 years. Previous to that time they lived in Littlefield two years. They are now making their home at 504 West 6th St. in this city. Many industrial plants are now utilizing mirrors to warn firemen in boiler rooms of unnecessary smoke coming from chimneys.

Mrs. Valles Returns Home From Hospital

Mrs. V. A. Valles, who has been a patient at the Littlefield Hospital for about a month, has returned home, and is getting along fairly well. Mrs. Valles had only recovered from an eye operation for removal

of a cataract from one of her eyes, when on September 25 she fell at her home and sprained her right ankle and fractured the left ankle, and since that time has had both her limbs in casts. She has been confined to the wheel chair. She hopes to have the casts removed this week.

County School Administrators To Meet Monday

There will be a County-Wide school administrator's meeting at Springlake, Monday night, November 3, beginning at 7:30 o'clock, when school officials in the county will meet for a dinner and general get-together.

The meeting is held at various schools six times during the school year.

Wm. Bruce co-ordinator of Littlefield schools is chairman of the organization. Other officers include Fred Gordon, Olton, vice chairman, and J. Ernest Jones, Lamb County School Superintendent, secretary.

School officials will discuss problems common to local schools, and a brief report will be given by J. Ernest Jones.

Members of the Springlake Homemaking class under the direction of Mrs. Bill Thorna, instructor, will serve a chicken dinner.

The next meeting will be held at Fieldton, January 19.

Dalbert Brandon Is Commissioned 2nd Lieutenant

Dalbert C. Brandon, son of Mr. and Mrs. Lyle M. Brandon of Littlefield, who has completed a year of intensive training as an aviation cadet, was commissioned a second lieutenant in the Air Force Reserve during graduation ceremonies held Saturday morning for members of Class 52-G of the USAF Basic Pilot School (MB). He was presented silver pilot wings and a diploma by Col. C. P. West, wing commander.

Lieutenant Brandon attended Texas Technological college in Lubbock, majoring in chemistry.

Congratulations To ...

To the following parents whose babies were born at Littlefield Hospital:

Debra Elaine was born October 22, to Mr. and Mrs. Alfred F. Garrett, weighing 8 pounds. She is the former Donna Estelle McAllister.

Steven George was born October 23, weighing 6 pounds and 13 ounces to Mr. and Mrs. James F. Collins.

Mr. and Mrs. Raul Perez of Anton are the parents of a daughter Yolanda born October 24, weighing 5 pounds and 15 ounces.

Barbara Anne was born October 24, to Mr. and Mrs. William Clinton Brewer Jr., weighing 6 pounds and 6 ounces.

Mr. and Mrs. Kenneth Lee Berg are parents of a daughter Vicki Sue born October 24, 8 pounds, 6 ounces.

Mr. and Mrs. Ramiro Garza born October 25, weighing 6 pounds and 7 ounces.

Adelito Montez was born October 27, weighing 6 pounds and 12 ounces to Mr. and Mrs. Montez Philiberto of Odessa.

Mr. and Mrs. George F. Jackson of Anton are parents of a daughter Fern October 28. She weighed 6 pounds and 3 ounces.

Carbon black, a widely used industrial material, is soot, 18, 1863.

Church Organizations Honor J. W. Giddens And Family Tuesday

Mr. and Mrs. J. W. Giddens and their two sons, Willis Jr., and Jody, who are leaving Littlefield in the very near future to make their home in Brownfield, were honored Tuesday night, by two organizations of the First Methodist Church.

At the close of a meeting of the Board of Christian Education, Mr.

and Mrs. Giddens were presented with a piece of their pattern of china, in behalf of the members of the Board.

Willis Jr., and Jody were honored by members of the Youth Department of the church at a social held in Fellowship Hall in the church. Games were enjoyed, and both Willis Jr., and Jody were presented with gifts in behalf of the members. The social was concluded by group singing, and refreshments were served. Approximately 20 young people attended.

TEXAS' BEST—Ann Rosborough of Tyler and Ralph Person of Karnes City have been named by a five-member faculty committee as the best all-around girl and boy of the school year at the University of Texas. Miss Rosborough is national vice president of the student branch of YWCA

and state president of the Campus League of Women Voters. Person, a Presbyterian ministerial student, is vice president of the student government, national AAU champion in the 200 meter low hurdles and Southwest Conference record-holder in the 220 yard low hurdles. —AP Photo

Southern Baptist Church Organized At Cheyenne

According to Carl Timmins, formerly of Lamb County, but now in the service and stationed at Cheyenne, Wyo., plans are underway to organize a Southern Baptist church in that city. A mission of the First Southern Baptist Church of Casper, Wyo., since January, 1952, has nearly outgrown its mission status.

A tentative organization date has been set as of November 23, 1952. There are now fourteen members in the group. People from Texas, Oklahoma, South Carolina, Arkansas, Arizona and Ohio are included. The new church will become a part of the Wyoming, Colorado and Montana association.

C. of C. Directors Meet Tuesday Morning

A regular meeting of Board of Directors of Littlefield Chamber of Commerce was held in Fisher's Cafe Tuesday morning, with president Nelson Naylor presiding.

The group discussed vegetable growing in Lamb County, and the possibility of enlarging shipping facilities.

The safety committee reported a traffic light had been installed at the intersection of East 3rd and Duggan Avenue, by Garland Motor Company.

C. O. Griffin and Bob Crowell delegates to the annual W. T. C. C. meeting held in Wichita Falls last week, made brief talks giving the highlights of the convention.

Attending the meeting were Nelson Naylor, M. M. Brittain, Harry Kline, C. A. Miller, Stanley Doss, J. D. Smith, Cecil Harp, C. O. Griffin, Charley Duvall, Marshall Howard, J. D. McShan, and Bob Crowell.

Evetta Haley, writer and historian from Canyon, autograph the first copy of the limited edition of Haley's new book, "Ft. Concho and the Texas Frontier." The autograph party was held in the Ft. Concho Museum, the headquarters building at the former

fort. Haley used a desk which was used in the first Tom Green County courthouse at Ben Flicklin. Over it is a portrait of Mrs. W. W. Carson, the founder and president of the Ft. Concho Museum. The San Angelo Standard-Times sponsored the historical project. Harold Bugbee, Texas artist, is the book illustrator.

Lt. Del Wells With Field Artillery Is Stationed in Korea

Mr. and Mrs. K. W. Wells of Anton are in receipt of a letter from their son, Lt. Del Wells, who has recently arrived in Korea.

Lt. Wells flew from the West Coast, Friday, October 10, to Tokio. The rest of the trip was made by boat.

Accompanying him to San Francisco were his wife, the former Chloe Herrin of Anton, and also his parents.

Lt. Wells is with the Field Artillery, and is a graduate of Officer Candidate School at Fort Sill, Oklahoma. He has been in the service since January, 1951.

Mrs. Wells plans to work in Lub-

Thanksgiving Day To Be Observed By Littlefield Schools

Littlefield Public Schools will dismiss Wednesday afternoon, November 26, for annual two day Thanksgiving holidays. School will resume as usual on Monday morning, December 1.

Grade schools will hold classroom programs, in observance of Thanksgiving, while special assembly programs will be presented in the Junior and Senior high school auditoriums on Wednesday.

back, while her husband is serving overseas.

Our Formal Opening Of Our New Building

AND

THE FIRST SHOWING OF THE 1953 DODGE CARS WAS AN OUTSTANDING SUCCESS—AND

WE THANK YOU—

Our Friends and Customers for your splendid response to our invitation to attend our open house Thursday last. . . . Your presence was indeed appreciated, and encourages us to strive for greater and better service in the future.

We are also very appreciative of the friendship and good wishes as expressed in the many beautiful baskets of flowers sent us on our formal opening, and say THANKS A MILLION. We shall never forget your thoughtfulness, friendship and cooperation.

The following personell join in Saying THANKS FOR EVERYTHING;

Chrysler 1953 Cars To Be on Display Today At Ideal Motor Co.

Chryslers for 1953 will be on display at the Ideal Motor Company today (Thursday) Friday and Saturday. These new cars feature entirely new and beautiful body styling with long, low lines which emphasize the length and width of the cars.

"These cars, we know, will set the new highway fashion for 1953," reports J. A. O'Malley, vice president and general sales manager, Chrysler Division, Chrysler Corporation.

"The new, sleek bodies in combination with proven engineering advances such as the revolutionary 180-horsepower V-8 Chrysler FirePower engine, full-time power steering, Fluid Torque Drive, power brakes and Oriflow shock absorbers make these the finest, most luxurious cars Chrysler has ever produced.

"In addition, this year Chrysler introduces a 12-volt electrical system designed to meet the higher electrical loads imposed by the increasing use of new electrically operated equipment."

Wide Choice Of Body Styles And Models Offered

The 1953 Chrysler will be offered in six models with a total of twenty body styles. The lines this year are the Windsor, Windsor DeLuxe, New Yorker, New Yorker DeLuxe, all on an 125 1/2 inch wheelbase; Custom Imperial with a wheelbase of 133 1/2 inches and the Crown Imperial line with a wheelbase of 145 1/2 inches.

The Windsor is available in six passenger sedan, club coupe, Town and Country wagon and 8-passenger sedan models; the Windsor DeLuxe in a choice of six-passenger sedan, special Newport club coupe and convertible coupe models. New Yorker models are available in six-passenger sedan, club coupe, special Newport club coupe, Town and Country wagon and 8-passenger sedan; and New Yorker DeLuxe models are available in six-passenger sedan, special Newport club coupe and convertible coupes.

The Custom Imperial is available in six-passenger sedan and four-door Town limousine models. The Crown Imperial is available in either the 8-passenger sedan or the limousine model.

New for 1953 are 60-spoke, chrome-plated wire wheels which will be available as optional equipment throughout the line at extra cost.

ornaments and new parking light styling. On the sides of the cars long, low lines are achieved by carrying the front fender top line back through the doors and blending it with the rear fender top lines.

Driver and passenger visibility has been considerably improved and a feeling of lightness in the top design in the new Chrysler is achieved by the more extensive use of glass. The total glass area has been increased from 23.3 to 25.0 square feet, and includes a new one-piece wrap-around curved windshield.

The new Chryslers are one inch lower than the previous models, measuring 62 1/2 inches in height. Despite the lower over-all heights, head room has been slightly increased.

An increase in car width from 75 1/2 to 76 1/2 inches results in a 1/2 inch additional seating room in the front seat and a rear seat 1/2 of an inch wider. An increase of 11 cubic feet in the body volume has resulted in a much larger trunk compartment with a capacity increase of 26.8 to 38.7 cubic feet—an increase of 44.4 percent.

The gasoline filler pipe has been relocated below the lower left-hand corner of the rear deck opening, permitting a cleaner rear fender appearance and easier fueling of the car.

New Chrysler Features Beautiful Interiors

The interiors of the new Chryslers are completely new with beautiful styling to match the new exterior design. The ledge between the top of the dash and the windshield is now covered with a non-reflecting vinyl material which cuts down glare and reflection. All instruments are grouped above the speedometer and directly in front of the wheel to provide visibility and permit safer driving.

The upholstery treatment in all Chrysler models for 1953 is rich and luxurious. Four upholstery options are provided for Custom Imperial models, in dark green, dark blue, tan and gray. Matching wheel, garnish molding, and carpet colors are provided. Other models are available in a similar variety of colors.

Color for 1953 is offered in fifteen solid colors and in seven two-tone color combinations. New upholstery materials are available in thirty-five different fabrics and leathers.

An important contribution to

1953 CUSTOM IMPERIAL IS CHRYSLER LUXURY CAR

The luxurious 1953 Chrysler Custom Imperial 6-passenger sedan features rich interiors to match the beautiful exterior lines. The Custom Imperial has a wheelbase of 133 1/2 inches and is powered by the high-compression 180-horsepower V-8 FirePower engine. It is also available in a 4-door town limousine model.

1953 CHRYSLERS FEATURE NEW BEAUTY

Shown is the new 1953 Chrysler Windsor DeLuxe 6-passenger sedan which features entirely new and beautiful body styling with long, low lines. Powered by the Chrysler 119-horsepower 6-cylinder "Spitfire" engine, Windsor DeLuxe models have a wheelbase of 125 1/2 inches. The 1953 Chryslers are offered in a wide choice of twenty body styles in fifteen solid colors and seven two-tone color combinations.

One-Piece Windshields

The front end styling for the 1953 Chrysler models is designed to retain the established identification. The grilles have been redesigned and refined and the new front end treatment includes new hood top night-time safety on the highway is made by the new combination of lighting switch and circuit breaker. Failures of the lighting circuit due to a "short" affect only a part of the entire lighting system, and the car is not plunged into total darkness. As some lights continue to burn, protection is afforded against the inability of another driver to see the car on the highway.

FirePower Engine

All 1953 Chrysler models, except the Windsor and Windsor DeLuxe, are powered by the 180-horsepower V-8 high-compression FirePower engine, a lighter, more compact, more economical and more efficient unit than any previous engine of comparable piston displacement. It is exceptionally smooth and quiet and develops its full, rated horsepower on ordinary grades of gasoline due to its hemispherical combustion chamber. It has a bore of 3 13/16 inches, stroke of 3 1/2 inches and a piston displacement of 331.1 cubic inches with a compression ratio of 7.5 to 1.

Rev. Hudner Is Attending Church Conference

Rev. Leslie Hudner, pastor of St. Martin's American Lutheran Church left Monday afternoon for Haskill where he is attending a pastor's conference, at the Lutheran church there.

The conference held semi-annually was scheduled to open Monday night with a dinner.

The purpose of the meeting is to have fellowship one with another, where church plans are made and discussed. The meeting will continue through Friday.

Approximately sixteen pastors from the district are in attendance.

Wood products are the second largest industry of North Carolina.

WHAT TO DO:

- At the top of the Democratic Party column, strike out the names of Adlai E. Stevenson and John J. Sparkman.
- Leave the rest of the Democratic Party column as it is.
- At the top of the Republican Party column, leave the names of Dwight D. Eisenhower and Richard M. Nixon.
- Strike out the rest of the Republican Party column.
- Strike out all other columns on the ballot.

DEMOS FOR IKE BALLOT — A resolution of the State Democratic Convention recommended "every Democrat in Texas vote and work for" the election of Eisenhower and Nixon. The sample reproduced above shows the easiest way a Texas Democrat can vote for Eisenhower. Another way is the write-in plan recently approved by Attorney General Price Daniel. Voters may scratch Stevenson and Sparkman and write in Eisenhower and Nixon under the Democratic column, crossing out Republican and other slates.

Lamb Quota Is Ten Bales of Cotton For C R O P

Citizens of Lamb County are again being presented with the opportunity to let their actions bear witness to the convictions of their heart. CROP which stands for Christian Rural Overseas Program, with its same noble purposes of last year and under the same state director, Walter Parr, is asking Lamb County citizens to bring together ten bales of cotton as their part in the South Plain's effort to gather two hundred bales of cotton for South Korea's cold and shivering children and adults, who in some cases lost their all as they fled before a merciless, anti-God, anti-Christian foe, the Communists.

Each church in the community will be contacted for support, or as many as possible with the number of workers available. Cotton is the main thing desired. However, any gift in any form in any amount will be gratefully received.

For those whose concern is for the world's less fortunate, CROP is the answer. The material when it is finally received for distribution among Korea's needy will be given out by church representatives in that particular area.

For more details and information see your own pastor, or your community chairman, or Harold Heckman of Littlefield (Phone 57-J) CROP's county chairman for this year.

George W. Hines, WOW Manager, Visits Littlefield

George W. Hines, WOW Manager, arrived Wednesday and will spend the night at the home of Mr. and Mrs. W. D. Chapman Thursday afternoon.

Mr. Hines and son, W. D. Chapman attended a lodge meeting at Haskill Wednesday night, and Mr. Hines will spend the night at home in Littlefield.

Missionary Baptist Church Enters Contest With Dumas Church Sunday

The Littlefield Missionary Baptist Church, XIT Drive and 8th Sts., took a city-wide Sunday School census on Sunday. An ink-blotter, with an invitation to attend Sunday School and help us "Conquer Littlefield for Christ" was left at each home.

The census was taken in preparation for a Sunday School contest between the Littlefield Missionary Baptist Church and the Bible Baptist Church, Dumas, Texas. The Sunday School contest begins Sunday.

The Dumas Church has set a Sunday School goal for this Sunday at 300.

The Missionary Baptist Church Sunday School goal for this Sunday is 301.

A special invitation is extended to everyone who is not in regular attendance in some other Sunday School to come and help us reach our 301 and "Beat Dumas" and "Conquer Littlefield for Christ."

County Ginning —

(Continued from Page 1)

production at around 152,000 bales. Mr. Jordan also reported that damage from the early freeze in Castro county was much heavier than in Lamb. Castro ginnings to date total only 9,201 bales.

The hundreds of cotton stripping machines owned in the county really went into action last week, and are replacing hundreds of hand pickers. Strippers will probably pick 80 per cent of the now unpicked cotton hereabouts.

Some farmers are reporting some cotton still too green for the strippers and are delaying operations for a few days.

The market has been steadily slipping for some time past, and as the price now closely approaches loan price support figure, more cotton is going into the loan.

The influx of Mexican and other outside laborers here this year has been terrific, due partly to the fact that there was little work for the pickers below the cap rock, as compared with normal years.

Mr. Jordan stated that his office, alone has placed more than 6,868 laborers on farms for the period between Sept. 25 and October 25. He also stated that many of these transient laborers are already leaving, or have left. Fifteen truckloads of laborers left for Arizona early Tuesday morning. The peak of the "picker influx" is in the past for 1952.

In addition to the several thousand laborers placed on farms, the Employment office also made 52 placements of workers with local business concerns—all of it adding up to the best and busiest season the local Employment office has ever experienced.

Loss Estimated —

(Continued from Page 1)

ice, only in preventing spread of the blaze.

This is the second disastrous fire, this company has suffered in this year of 1952. Early this year, another fire did nearly \$10,000 at the same plant.

The owner, Gene Gray was confined in an Amarillo Hospital at the time of the fire. When he received word of the same, despite his condition, he hurriedly left his hospital bed and returned home.

Reports are in conflict as to the amount of insurance carried by the oil company.

According to Fire Chief Lester Hammonds stated that his best information was to the effect that the fire started when a gasoline motor used in pumping liquid fuel from tanks back-fired, resulted in ignition of a nearby gasoline tank and truck. Moments later two nearby storage tanks exploded, and the blaze instantly spread to and enveloped the service station, which was badly damaged.

The service station is located on the highway in downtown Earth. James Layman a tank truck driver was engaged in preparations for unloading a transport truck filled with kerosene. He had started the small gasoline motor, and when it back-fired, flames followed, and he attempted, without success to smother the flames. He used some rags for the attempted smothering, and both the rags and he jacket which he wore immediately caught fire.

Besides the service station building, several adjoining shacks, an undetermined amount of equipment, the transport, two tractors and an undetermined amount of gasoline and kerosene were destroyed.

Included in the losses were three 5,000-gallon storage tanks full of gasoline. Attempts by firemen to save several remaining tanks proved successful. Holes were reported shot in the tanks to prevent their exploding.

Wrestling —

(Continued from Page 1)

only, or 20 minutes, with Herb Parks of Canada opposing Tommy Martindale of Amarillo.

The opening event will be one fall or twenty minutes, with Buck Weaver of Indiana opposed by Gust Johnson of Seattle, Washington.

Reserved seats go on sale Friday morning, and every Friday morning or weekly sporting events, at Roden-Smith Drug Store in Littlefield. Reserved seats are \$1.50, and ringside \$2.00.

General Admission tickets are \$1.00 and children's tickets are 50 cents.

Lubbock Cotton Classing Office Answers 'Charges'

J. B. Russ spoke in answer to charges made last week by a committee from the Lubbock County Farm Bureau, headed by E. C. Hatton, charging the Lubbock Classing Office with "inefficient," inconsistent cotton classing.

"We class cotton on official government standards. Our men have all passed rigid government examinations so as to grade and staple all qualities of American Upland cotton, regardless of origin," J. B. Russ, chief of the Lubbock Board of Cotton Examiners in the absence of L. O. Buchanan, who was injured in an Army helicopter crash last summer, said Saturday.

"It is definitely known by all concerned that drought conditions, even with irrigation, have caused most of the staple grown on the South Plains this year to be much shorter in 1952 than on last year's crop. "Samples are selected at random by recorders with classers having no knowledge of which sample will be taken, and these are re-classed by supervisors. These are re-submitted to the board of cotton examiners in Memphis, who further class the cotton, putting down their opinion as to grade and staple. To date, our Board of Cotton Supervisors has lowered, on staple length, 197 bales, and raised as too short, 101 bales.

"On grade, the Lubbock office was too high on 123 bales, and too low on 105."

King and Queen —

(Continued from Page 1)

presented with the traditional kiss, from her escort.

The "king" and "queen" were driven on the field in a white Oldsmobile, courtesy of Jones Motor Company, by James Ball, also a senior class member.

The score at the end of the game was Pettit 68—Spade 31. Friday night, Spade will play Three-way at Three-way.

Beat Levelland —

(Continued from Page 1)

election times, it will be a "political musical burlesque." One band will portray the Democratic donkeys—the other the Republican elephants in a riot of color, and fun, and music, carrying out a "get out and vote" theme.

Parade —

(Continued from Page 1)

activities will take place in the crowning of the two Carnival queens—one to reign over the subjects from Grade schools, the other over the student subjects, of Junior High School. Senior High School students will be on hand, but will not be participants.

The identity of the two chosen queens will remain unknown until 1:00 p.m. today, when the voting now in progress closes—a balloting that creates furious interest, and adds hundreds of dollars to the carnival's net cash intake. And this year the interest is high and keen, with candidates from each grade of the school.

Here is the list of potential Queens who are being voted upon, with two to be elected and be crowned.

1st grade—Glenda Fay Ward. Escort Chas. Robinson
2nd grade—LaJean Richardson. Escort Paul Keelling
3rd grade—Pamela Roden. Escort Thad. Minyard

9th grade—Joyce McCain. Escort, Bobby Weaver.

All will appear in the coronation ceremony, as well as room candidates previously eliminated. The coronation will be a blaze and beauty staged in the Senior High School auditorium, and has been fittingly titled "Moonlight and Roses." Special music will be featured, with the opening number a beautiful butterfly dance by 1st grade students.

The coronation ceremonies will actually be staged in two distinct parts, with the second part being devoted to a negro minstrel performance by Littlefield Lions Club, who staged a minstrel performance early this year.

Admission to the carnival grounds is 5 cents for students, and 10 cents for adults. Admission to the coronation has been set at 10 cents for students, and 50 cents for adults.

All receipts from all purposes goes into the PTA treasury, and is used exclusively in the furtherance of school activities and purchase of equipment for same.
