a regular meeting of Littlefield Board held Monday night, October 13, in the School Secretary's Office, several matters of importance were brought before the group.

The board approved plans for improving the beating system in the Primary and Central School buildings, as presented by a committee composed of W. C. Cannon and W. O. Hampton. The committee recommended the installing of new burners and other necessary repair work to provide adequate heating for both buildings. The board will ask for bids on the work and equipment

BEST GAME OF SEASON IN SIGHT FOR FRIDAY NIGHT

Wildcats Are Set For Rugged **8AA Invaders**

One of the top football games fra Class AA will be unreeled right here at Seely Stadium Friday night. Coming to town to furnished the opposition for our Wildcats will be he awsome Seminole Indians from District 8-AA.

The Indians have a season rec ord of five wins and no losses Their victims include Denver City. Crane, Levelland and Brownfield With the exception of the Brownfield game, all were decisive via tories. Brownfield's fine defensive line last week held the Indians to a 6-0 score.

The once-beaten Cats have been working hard all this week and will be out to avenge Seminole's twopoint victory of last year. Incidentally the Cats made a very favorable impression on the fans in the Dumas-Amarillo area last Friday night. They proved a stubborn loser to the Dumas Demons. and Littlefield's R. L. Rhoten greatly impressed Demon fans with his fine running.

Back to help Rhoten in this Friday's tilt will be M. C. Northam and back in the Wildcat line will go Cam Jordan. This will bring the Cats up to full strength for the first time since September 19.

Dad's Night has been proclaimed-

root the Wildeats to a victory. Also the half-time show promise to be very colorful with the crowning of the Littlefield band sweetheart and a colored light den-

onstration by the Wildcat bands Following are the probable line ups for the teams. Notice that Seminole uses the two-platoon systems

Parkview Baptist Church NEWS

Baptismal Service BAPTISMAL SERVICE was held in the Church auditorium last Sunday night following Training Un-

Miss Kathie Askew and Gerald Littlefield were baptized by the Pastor.

The Parkview Baptismal service is very different from the usual type of service. They use a combination of scripture reading and music with the testimony of each candidates' conversion told before the person is baptized. Then lights go out in the auditorium and the curtains to the baptistry are opened. The curtains close and choir lights come on after each candidate is baptized.

Revival Closes

REVIVAL CLOSED last Sunday night. Rev. Lewis Cass, pastor of the First Baptist Church in Ropesville was the Evangelist, Woodson Campbell of Levelland was the song

The Revival was in progress for ten days. The Pastor, Rev. John C. Taylor, said, "this was truly a Revival of Christians in the Church. Now we can have a steady Evangelist Crusade through the Sunday School and Sunday services continuing every week."

Training Union

retaries in converting to the modern system.

The secretaries of each Union meet after Prayer Meeting Wednesday night to get familiar with the new system. Mrs. Askew had them practice several times as she introduced the details of the work. Prayer Meeting

PRAYER MEETING Wednesday night included a song service and a short talk by the Pastor asking the Church members to fully realize the importance of the smallest job in the Church organizational work.

Twenty-five minutes of prayer by the members was held. The congregation prayed for the leaders and workers of each organization for the new fiscal year.

W.M.U.

Church in the educational building at 9:30 o'clock.

The regular Stewardship Program will be lead by the chairman of Stewardship, Mrs. Pete Hendrick. All ladies who are members of the Parkview Church and visitors are urged to attend.

Sunbeams

The Sunbeams, a missionary organization of the W.M.U. for little children, will meet at the same time next Monday as the W.M.U. Mrs. H. F. Wood, Jr. is the in-

structor of the Parkview Sunbeams. 13 present. G.A.'s and R.A.'s will meet at the

The Parkview Baptist Church voted in a called conference to send the Pastor, Rev. John C. Taylor, to the Texas Baptist Convention

convening at Fort Worth next week. They also voted to send the Brotherhood President and W.M.U. President to their respective State Conventions meeting in conjunction with the State Convention. The Brotherhood President is Pete Hendrick and the W.M.U. President in Mrs. A. B. Askew.

At the present there are several car loads of people from Parkview planning to drive to Fort Worth for some part of the three conven-

Rev. Taylor plans to leave early Mond o morning and return to Littlefield on Saturday afternoon. The Pastor's wife will have charge of the regular prayer meeting service next Wednesday night.

Tax Advance 's Shown On **'52 Statements**

Taxpayers of Littlefield Independent School District this week are receiving tax statements for the year, and this year, the statements reflect an increase of twenty-five per cent over last year's assess-

Tax Collector Sid Hopping explained the increase in the school tax as representing a raise of the tav rate from \$1.00 on the \$100 valuation to \$1.25. Valuations were not

He stated that the action by the School Board in raising the tax rate has taken several weeks ago, and was necessitated by additional school expenses. Included in these new expenses were improvements to the Dunbar school, as well as repairs and addition paving in front of the new High School building, and the recently approved "Cost of Living" salary increase for teachers.

The next meeting will be held in the home of Mrs. C. D. Elder, Tuesday, October 21, at 2 p.m.

Whitharral FHA Chapter Installs Officers Recently

The Whitharral Chapter of the Future Homemakers of America held their installation of new officers for the coming year recently in the high school gym, in a candlelight ceremony.

Out-going president Dorothy Crank installed the officers as follows: president, Elsle Mae Wade; vice-president, Tweetsie Grant; treasurer, Juanita Raines; secretary, Anita Seagler; reporter, Dorothy Crank; parliamentarian, Kathryn Hulse; historian, Elaine Watson; and song leader, Shirley Mitchell.

Initiation or "Fish Day" was concluded by a talent show given by the Freshman girls. Club mothers J. L. Woods, house guest of Mrs. Mmes. Elva Crank, J. M. Mixon, Graham Seagler, and Jack Bennett were recognized.

Nita Jo Burrus, Peggy Shedd, Gearge Ann McDougal and Helen Gravitt presided at the punch bowl and served sandwiches and punch to a number of mothers and some 50 or 60 high school girls.

Mrs. J. B. Harbin is home economics teacher and sponsor of this

Pierson Adams and Mrs. Bill Zahn Is the week end in Reelected Sunnydale

New officers for the Sunnydale H.D. Club were elected at the club's meeting Oct. 10 in the home of Mrs. Claude Russell, with Mrs. C. K. Pillion as co-hostess.

Mrs. Bill Zahn was re-elected president, Mrs. Edd Mote, vice-president, Mrs. J. F. Minyard, sec- Mr., Mrs. W. O. Hampton tres., Mrs. Lee Holtcamp, council delegate, Mrs. W. O. Work Progressing Rapidly on Building To House New Lane's Department Store

Almost overnight, so it seemed, the Garland Building at the corner of Phelps Avenue and 2nd street, which has been leased and will become the home of a modern new Department store, Lane's of Dallas, on or about November 1, has been outwardly transformed into one of Salvation Army Home and Hosthe most beautiful buildings in Littlefield. A crew of workmen this week completed installation of glazed tile over the entire area of the entire south wall of the build- at Fisher's Cafe at 5:30 o'clock, to ing, and also the front on Phelps be followed by a service at 8:30

Jack Lazar, who has been named sesident manager of the new store, clude skits, has just returned from Dallas, and tated that the interior would now be rushed to completion. During Bond Issue his stay in Dallas, he purchased some \$3500 worth of additional display fixtures and mannequins for the display of merchandise,

He announced that the flood lights are being installed for the windows and window display purposes, and this item alone represents an expenditure of about \$2,-

Work will be underway this week, on installation of the acoustic ceiling, plastering of walls, and installation of tile in the lobby.

The new manager also stated that a carload of merchandise has already been received, and more is under order and enroute here.

After surveying the area, and sales potential here, Mr. Lazar stated that he had decided that considerably more personnel would be required to operate the new store, than originally planned. He had formerly announced that he was seeking to employ about 30 local persons for employment in the store, but that he has now raised his estimate, and that the store will employ about fifty persons.

wither and die, if prosperity does not go hand in hand, with it.

Want Breeds Communism We hear much these days, from present administration opponents, about Communism, and the infiltrations and inroads it has made into our government. Yet in actuality, there undoubtedly is less Communism in these United States today, than in any other nation on the face of the earth-why-

Because Communism feeds, takes hold and grows, not on Prosperity, but on Want and Poverty. We may have Communism in Washington today-but we had fifty times, yes several hundreds of times as many, turned, or ready to turn to Communism or any other ism when poverty, want and hunger and unemployment stalked the country in the Depression years-after we voted "for a change," back in 1932. We didn't read that nor hear it on the radio-we saw it with our own eyes.

We're not especially calling your attention to those things, but, like a great many others of millions of our people, who went through the Depression wringer-we do find it hard to forget, when today, some politicians suggest that we should vote for a change."

If the above, be true, and we believe that it is substantially so, Continued Prosperity is one of, if not THE major issue in this cam-

Some Issues Not So Vital

Tidelands, civil rights, some scandals in government, United Nations, loans and gifts to foreign governments, personal campaign issues, and a dozen other things stand out as issues in this campaign-but if we fall to have a continued prosperity in these United States after election, next year and in the years to comeall of those things will fade into almost complete insignificance.

Here in the South in our own county, we can see with our own eyes that we have a comparitively new and wonderful prosperity. We've just voted a half million dollars for a new school, more than half a million for a Court House. We have many, many miles of new paving, hundreds of new homes, prosperous farms and farmers, more debt-free than at any time in history. And despite all of the money we have spent for all of these things, six banks are bulging with strong and growing deposits. We are a prosperous people-we have prosperity. Is it time for a Change? Do we want to even take a chance on a Change?

Those are the things we are pondering as we make up our own mind just how to mark our ballot on that first Tuesday in November.

Maybe before you vote-you, too, should ponder them-and ponder,

During the several weeks since the National conventions, we have talked with quite a number of Lamb county farmers. The majority of them are not satisfied with everything, would like to see some changes, alright-but when it comes to Major Change-well, they simply are not ready for that. Something tells us that we could do worse than string along with those Lamb county farmers-after all, their prosperity is our prosper-
