Mother of Mrs. Lee Payne Passes Away

Mrs. Ursula Hood, 63, wife of Fred W. Hood, of Morton, Texas, and mother of Mrs. Lee Payne of Amherst, passed away about 4:15 a.m. Wednesday at the Amherst Hospital, after an extended illness of about four years. She was a patient at the hospital for the past three weeks.

Funeral services are scheduled to take place this (Thursday) afternoon at 3 o'clock at the grave in the Amherst cemetery, with Rev. Father N. Wagner, pastor of St. Philip's Church, officiating. Payne Funeral Home are in charge of arrangements.

Mrs. Hood is survived by her husband; her daughter, Mrs. Payne; a son, George Hood, of Pampa; her mother, Mrs. M. B. Chapelle, of Joplin, Mo.; and a sister, Miss Mayme Chapelle, also of Joplin.

Mrs. Hood was born and reared at Joplin, Mo., and had been a resident of Texas for about 30 years. Mr. and Mrs. Hood have lived at Morton for the past two years.

Anton Child Is Drowning Victim

Neil Stephenson, 19-months-old daughter of Mr. and Mrs. Ray Stephenson, of four miles southwest of Anton, was drowned in a stock tank at the farm home of her parents Monday afternoon.

The child was playing near the tank and fell in. She was taken to Littlefield hospital, but was dead on arrival.

Funeral services were held Tuesday afternoon at 4 o'clock at the High School auditorium, Anton, with Rev. W. M. Draper, pastor of the First Baptist Church, Anton, officiating. Interment took place in the Anton cemetery.

The child is survived by her parents, and a sister, Dolores, aged 6.

Last Rites Held For A. R. Weaver

Funeral services were conducted for A. R. Weaver, 71, of Littlefield, Friday afternoon at 2:30 o'clock, at the First Baptist Church, Kellar, Texas, and interment, in charge of the Payne Funeral Home, Fort Worth, took place in the Bourland cemetery at Kellar.

Rev. May, Baptist pastor, officiated, assisted by Bro. Albert Blevins, pastor of Christ pastor of Dallas, a friend of the family.

Mr. Weaver passed away at his home here on West Third Street, Wednesday, Sept. 25, at 12:30 noon, following a lengthy illness. The remains were accompanied by train to Kellar by two sons, Jack Weaver of Littlefield, and J. E. Weaver of Lubbock.

Surviving deceased are his widow, and eight children, three sons and five daughters.

The daughters are: Mrs. Gene Johnson of Dallas, Mrs. Van Underwood of Petersburg, Texas; Mrs. J. J. Jeffries of Littlefield; Mrs. Pat Jeffries of Odell, Texas; and Miss Anna Lee Weaver of Littlefield.

The sons are: Bill Weaver of Amherst, Jack Weaver of Littlefield, and J. E. Weaver of Lubbock.

Mr. Weaver is also survived by three sisters, Mrs. Maggie Hill, Mrs. Mary Slave, and Mrs. Frank West, all of Fort Worth.

Is Baptist Radio Evangelist

Rev. J. C. Moody, 21, Baptist radio evangelist, son of Mr. and Mrs. H. F. Moody, former Littlefield residents, but now of Waco, has conducted 11 revivals this summer, with 2300 decisions. He is six feet three inches tall, and weighs 215 pounds. He will graduate from Baylor University this year, and in June of 1947 will go to Europe, where he will conduct revival meetings in England, Scotland, Wales and France, to be gone six months.

On his return to the States, Rev. Moody plans to enter the seminary at Fort Worth.

Rev. Moody has been preaching since he was 17 years of age. His father, H. F. Moody, operated a cafe here for several years, and the family left here about ten years ago. The people here remember Rev. Moody as a small boy.

His father is operating the Moody Broom and Mop Company at Waco.

R. R. Morgan Dies Tuesday Night

R. R. Morgan, 66, of seven miles north of Amherst, passed away at 10:30 o'clock Tuesday night at the West Texas Hospital, Lubbock, after a lengthy illness.

Mr. Morgan suffered from diabetes, and had been ill for some time.

Funeral services will be conducted Friday afternoon at 3 o'clock at the First Baptist Church, Amherst, with Rev. B. P. Harrison, formerly pastor of the Amherst church but now of Tatum, N.M., officiating. Interment, in charge of Payne Funeral Home, will take place in the Amherst cemetery.

Mr. Morgan is survived by his wife, several sons and a daughter.

Communion Service At First Methodist Church Sunday

In cooperation with world-wide Communion Day in all churches Sunday, there will be a special communion service at the First Methodist Church at 11 o'clock a.m., and all members are urged to be in attendance.

The pastor, Rev. Orbin Turner, will occupy the pulpit, as usual.

MAYOR'S PROCLAMATION

WHEREAS, Victory in World War II cost us more than 2,000,000 casualties; and,

WHEREAS, There are many millions of handicapped persons in the United States, many of whom by their efforts were of great aid in manufacturing munitions or providing essential service for the war effort; and,

WHEREAS, All of those persons, including veterans of World Wars I and II, deserve self-supporting, self-respecting jobs in which they can make useful contributions to our community, State and Nation.

NOW, THEREFORE, I, A. C. Chesher, Mayor of the City of Littlefield, Texas, do hereby set aside the week of October 6th to October 12th as EMPLOY THE PHYSICALLY HANDICAPPED WEEK, and I call upon all local officials, all local employers, all local civic organizations and all citizens to assist in every way possible, to the end that it shall be brought to the attention of all members of our community that disabled veterans and other handicapped civilians are fully capable and are performing efficiently, safely and reliably in thousands of different occupations.

AND I FURTHER URGE ALL EMPLOYERS to place all their job orders with the United States Employment Service so that disabled veterans and other handicapped workers may be given an opportunity to prove their value in productive and self-respecting jobs,

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Littlefield to be affixed.

(Seal) A. C. CHESHER, Mayor
Attest: W. G. STREET, City Secretary.

BAPTIST CHURCH NOW HAS \$30,000 FOR NEW BUILDING

Vernon Hofacket Returns to City

Vernon Hofacket has returned to Littlefield, and to his duties as manager of Birdwell Bros. Firestone Store, after 18 months in the service, with 11½ months overseas, in the Southwest Pacific. He spent about 11 months in Japan, stationed at Kyoto, and arrived at San Francisco, Calif., August 29.

While her husband was gone, Mrs. Hofacket and two daughters, Vernadell and Lyriene, made their home with her parents, Mr. and Mrs. T. H. Jackson, but have been in Littlefield since July.

Mr. Hofacket is on terminal leave until October 10, when he expects to receive his discharge.

Nath Griffin, who has been manager of the Firestone Store in Mr. Hofacket's absence, will assist Mr. Hofacket in the operation of same.

The building fund for the construction of the First Baptist Church auditorium now stands at over \$30,000, which is a distinct credit to the building fund committee and the membership of the church, which has contributed so loyally to this worthy fund.

Each first Sunday in the month for some time, the church contribution has been set aside towards the auditorium building fund, with the goals \$1,000, and many times it has run over \$1,000.

Plans are underway, also, to construct a new parsonage on the property at the corner of East 8th Street and Farwell Avenue, recently purchased by the church. Commencing Sunday and continuing until a sufficient amount of money has been obtained, the church contributions each first Sunday will go toward a building fund for the parsonage. It is the plan of the church to start building the parsonage as soon as a federal permit, now pending, is granted.

Dr. Newton's Third Trial Underway

Trial of Dr. W. R. Newton of Cameron, charged with assault with intent to murder Dr. Roy Hunt of Littlefield, is under way in 64th District Court at Tulia.

This is the third trial on the charge naming Newton, and the second this year. The first trial resulted in a conviction which was reversed and remanded by the Court of Criminal Appeals. Earlier this year, Judge C. D. Russell declared a mistrial at Plainview, when a jury was unable to reach a verdict.

The case was brought to Tulia on a change of venue.

Judge Russell is presiding. The state is represented by District Attorney Harold M. LaFont of Plainview, assisted by E. A. Bills of Littlefield.

Dr. Newton is represented by Dennis Zimmerman of Tulia, E. T. (Dusty) Miller of Amarillo, Camp and Camp of Cameron, Robert M. Lyles of Angleton, T. Wade Potter of Littlefield and Frank Day of Plainview. With the exception of Zimmerman, the defense attorneys are the same ones who defended Dr. Newton at the earlier Plainview trial.

P-TA School Of Instruction Held

The Parent-Teacher Association Lamb County Council met with the Spring Lake unit Tuesday, Oct. 1, for an all-day meeting. Mrs. Henson of Spring Lake presided in the absence of the president, Mrs. George Harmon, of Amherst.

During the morning session, the superintendent of the Spring Lake schools, Mr. Bearden, gave a very interesting talk on teacher shortage and salary scales.

Dinner was served by the Spring Lake P-TA.

In the afternoon session, the projects committee presented for adoption two projects, "To complete our achievement chart for 100 per cent from Lamb County", and "To carry out our legislative movement toward the increase in teachers' salaries."

Three songs were given by the Spring Lake chorus.

The district vice president, Mrs. L. L. Hendricks, gave a school of instruction for the group.

Visitors Bringing Experienced Squad To Play Wildcats

Locals' Position In 5-A Marathon Is Very Satisfactory

By MORLEY B. DRAKE

The Olton Mustangs, with a squad including many carry-over first-string players from last year, will meet Coach J. S. Fikes' Littlefield Wildcats at Seely Field Friday night. The game will start at 8:15.

This will be the third game this year for the Mustangs, and will be the second conference game for both the Mustangs and the Cats.

The Mustangs won over the Lubbock Cowhands at Olton, 20 to 0, but went down to defeat in a conference game with Muleshoe last week.

Friday night's tilt will be the third game this season for the Cats. The locals won over the Lubbock Westerner "B" team, 36 to 6, and in their first conference game Friday night against Morton won over the Indians, 38 to 0. This record gives the Cats a very satisfactory position in the 5-A race.

Gene McCanlis, who sustained a fractured wrist in the game with the Lubbock Westerners, played most of the game with Morton, and is in the starting lineup for Friday night's game.

The starting lineups for Friday night's game will be as follows:

Olton Mustangs: Coleman, 165 pounds, left end; Henderson, 160 pounds, left tackle; Spain, 153 pounds, left guard; Owens, 140 pounds, center; Gullett, 150 pounds, right guard; Poteet, 178 pounds, right tackle; Pearson, 153 pounds, right end; D. Kenyon, 176 pounds, quarterback; Estes, 172 pounds, left half; J. Kenyon, 178 pounds, fullback; Cannon, 160 pounds, right half.

Littlefield Wildcats: Gene McCanlis, 158 pounds, left end; Jiggs Walker, 160 pounds, and Warren Rutledge, 148 pounds, left tackle; Bobbie Coen, 140 pounds, left guard; Royce Jennings, 155 pounds, center; Billy Wayne Sission, 140 pounds, right guard; R. L. Brewster, 159 pounds, right tackle; Jack Davis, 168 pounds, right end; Travis Price, 174 pounds, quarterback; Jackie Shelby, 150 pounds, blocking back; Gene Carter, 140 pounds, tailback; Sabin Hendrickson, 185 pounds, fullback.

Officials: Barrett, referee; Winberley, head linesman; Judd, umpire.

Last Rites Held For J. R. Montgomery

J. R. Montgomery, 57, of five miles west of Littlefield, passed away at Frederick, Okla., suddenly, as a result of a heart attack Saturday morning, at 8 o'clock.

Mr. and Mrs. Montgomery had been visiting Mrs. Montgomery's parents at Frederick for a couple of days. Mr. Montgomery is reported to have been dressing preparatory to returning home when he fell over dead.

He was presumed by his family to be in good health, and was not known to have any heart ailment.

Funeral services were conducted Tuesday afternoon at 2:30 o'clock at the First Baptist Church, Amherst, with Rev. H. T. Cole, pastor of Sudan, officiating.

Burial, in charge of Payne Funeral Home, took place in the Amherst cemetery.

Wagner D. White Injured in Wreck

Wagner D. White, 19, a member of the Marines and stationed at McAllister, Okla., and a son of Mr. and Mrs. J. E. White of Littlefield, is in an Ardmore, Okla., hospital, as a result of injuries sustained in an automobile accident in the latter city Sunday.

The young man's parents and sister, Miss Flossie White, went to Ardmore to be with their son and brother.

A sister, Mrs. Frances Watson, received a telegram from Ardmore that her brother had been operated on for a ruptured kidney and that his condition was satisfactory.

Muleshoe Downs Olton Friday; Score Is 13-12

An extra point after a touchdown on a blocked punt allowed Muleshoe to overcome a lead Olton had enjoyed since the first half, and Muleshoe won on home ground Friday afternoon, 13 to 12.

Featuring the play of the Kenyon twins, the Mustangs built up a 12-0 lead at halftime. Orlo Farrell gave the Muleshoe boys life with a touchdown in the third period, and Glen Tibbets, Muleshoe end, blocked an Olton punt and fell on the ball in the end zone. St. Clair converted for the winning margin.

The game, a District 5-A affair, was played in intense heat.

Red Raiders To Invade Cotton Bowl

The Texas Tech Red Raiders invade the Cotton Bowl for the second time Oct. 5, hoping for better results than in their 1939 previous visit.

This year the Raiders take on the SMU Mustangs in a feature of the opening day—West Texas Day—of the State Fair of Texas. In 1939 Tech lost a 20-13 game to St. Mary's in the New Year's Day classic.

Tech is expected to carry three full teams to Dallas for the SMU encounter, and at least 75 per cent of the travelers will be war veterans. Coach **Don Morgan** anticipates a bitter struggle with the Mustangs, but feels his charges can win the game if they play the brand of ball of which they are capable.

The defense this year is centered around a group of driving backs and a couple of passers who are not sensational, but are better than those of the past few years. Tech also has several good pass receivers this year, and improvement has been shown in this department daily.

Tech and SMU have met four times in the past and each has two victories. The Mustangs marked up a 14-0 win in 1933 and a 7-6 victory in 1944. Tech has 6-0 wins in 1932 and 7-6 in 1943.

Tech is expected to present a strong line against SMU, a line averaging slightly more than 200 pounds and that showed rare form

in early season games. The backfield averages around 180 pounds. Accompanying the Raiders will be the Matador band and hundreds of rooters, all of whom will travel by special train to Dallas. A parade through the Dallas business district is also planned.

Lubbock Cowhands Lose to Plainview Pups Friday Last

The Plainview Bulldog Pups turned the tables on the Lubbock Cowhands' Black Friday night at Chapman Field, striking from behind in the second half to wrest a 12 to 6 victory from the charges of Coach Bennie McWilliams.

The first half was all in favor of the Lubbock eleven, Bo Harvey crashing over for the lone Lubbock touchdown with a dash around end for five yards.

Lubbock was a constant threat in the first half, and appeared to be headed for an easy victory. But the Pups came back strong in the last half, and dominated the final chapter as much as the Cowhands had the first, and struck pay twice in the last stanza.

Bill Taylor, a swivel-hipped ball carrier, provided the scoring punch for the winners, scoring first from the five, and the winning marker from 55 yards away, both on sweeps around the ends.

Denver City Mustangs Beat Slaton Tigers

A flying set of cleats, shown off by little Dennis Harrison, sent the Denver City Mustangs off to a great start in defense of their District 6-A crown at Slaton Friday night, beating the Slaton Tigers, 33 to 6.

Gene Streety sent the Mustangs off to an early start in the ball game, crashing pay dirt in the first quarter from 25 yards out.

From that point on, Harrison took over, traveling 70 yards on a punt return, taking off for 65 yards on a pass interception, and then capping off the performance with an 85-yard return of a kickoff for three touchdowns.

Help Handicapped Persons, Says USES Manager

"It's not what is done but what is left that counts when an employer considers a handicapped veteran for permanent employment," E. R. Williams, manager of the local USES office said this week, outlining the objectives of National Employ the Physically Handicapped Week, October 6-12.

Mayor A. C. Chesher has issued a proclamation setting aside this week for observance by Littlefield residents. In his proclamation the mayor cited the excellent record of handicapped persons during the war while the able-bodied were on the fighting fronts.

Pointing out that many veterans and war workers acquired some form of handicap as a result of the war, USES Manager Williams said it is the obligation of everyone to help handicapped persons to obtain employment for which they are qualified.

"Few persons," he said, "will accept work which they are not qualified to perform. Some are qualified for certain types of work but are not aware of their abilities. It is the job of the USES to advise and counsel such workers and, when the skill or ability is found, to refer the worker to an employer who is in need of the particular skill or ability."

Many employees so far have been most cooperative in hiring these workers, but more jobs for the handicapped are needed to aid applicants at the USES office, Williams said.

Spring Lake Downs Dimmitt Friday

Spring Lake Wolverines downed the Dimmitt eleven in a football contest played at Spring Lake Friday afternoon. The Spring Lake team won the game by a score of 28-14.

Jim Bottger traveled ten yards for the last Denver City touchdown, hitting payoff territory from ten yards out.

Slaton scored in the second quarter, a screen pass working for 70 yards at the score, with Wendell Fowler tossing to Roy German for the score.

Loan Fund Available To Needy Students

A loan fund totaling \$1,000 to be made available to needy students enrolled in agriculture at Texas Technological College has been established by Robert K. Allen, a 1932 agriculture graduate, President W. M. Whyburn announces.

Individual loans from the fund may not exceed \$50 nor extend longer than one year, according to terms set forth by Allen. Interest is to accrue at the rate of 5 per cent, and if the loan is not repaid at maturity, the rate is to double.

The committee to administer loan funds will include Dean W. L. Stangel of agriculture, Prof. K. M. Renner, head of the department of dairy manufacturers, and a third person to be selected from former agriculture students, President Whyburn stated. Applications for loans are to be made to the dean of agriculture.

"This gift by a former student at Texas Technological College has a double significance," the president said. "Through its actual monetary value it will help many needy agriculture students meet financial problems that arise during their period of study on the campus. Through the continuing interest and support which it reflects on the part of a former student it assumes great help for the institution in its development program for the future," he pointed out. "We are grateful indeed to Mr. Allen for his thoughtful and generous gift," he concluded.

Dean Stangel also expressed gratification over the new loan fund, pointing out that it would mean much to worthy, needy students.

Allen, who received his degree in animal husbandry, is at present engaged in ranching at Leander. He was formerly dairy cattle herdsman at the Texas Tubercular Sanatorium, where he contributed much to herd improvement and in the production of clean milk.

JODYE JONES IN BAYLOR U. BAND

Jodye Jones who enrolled in Baylor University about two weeks ago, has passed the tests and is now playing a trumpet in the Baylor University band.

In a letter written his parents last week, Jodye, after stating he had "made the band," added that they were getting ready for the TCU and Baylor football game.

Jones is a son of Mr. and Mrs. Otto Jones.

MR. AND MRS. CHARLES M. WEST OBSERVE GOLDEN WEDDING ANNIVERSARY SUNDAY

Mr. and Mrs. Charles M. West, of near Muleshoe, celebrated the fiftieth anniversary of their wedding Sunday, when open house was held at the home of their daughter, Mrs. C. D. Gupton, of Muleshoe.

Mr. and Mrs. West are long-time residents of Bailey County.

The couple was married September 29, 1896, in Lincoln County, Kansas. They first came to Muleshoe in 1918, residing on a farm in West Camp community. For a few years they lived in New Mexico, and now reside on a farm one mile north of

Muleshoe.

A gratifying fact in connection with the celebration Sunday was that all their children were present for a family reunion, first in about 15 years. Their sons and daughters are:

J. H. West, El Monte, Calif.; H. A. West, Pasadena, Calif.; L. C. West, Gallup, N.M.; Mrs. Robert Sone, Corpus Christi; Mrs. Cecil McLaury, Corpus Christi; and Mrs. C. D. Gupton, Muleshoe.

Friends of the family called between the hours of 3 and 5 Sunday afternoon.

Miss Vilas Zeigler And Joe Hysinger Wed Recently

Miss Vilas Anne Zeigler, daughter of Mr. and Mrs. H. Zeigler of Plainview, became the bride of Joe Ray Hysinger, son of Mr. and Mrs. H. A. Hysinger, of Olton, Sunday, Sept. 22, at 5 p.m. The ceremony was held in the home of the bride's parents.

Rev. E. R. Gilbreath performed the double-ring ceremony before the windows which were decorated with roses.

Given in marriage by her father, the bride wore a blue wool gaberdine suit with brown accessories and a corsage of pink roses.

Mrs. Stan Murcheski, sister of the bride, was matron of honor, and she wore a navy blue dress with black accessories and a corsage of pink carnations.

Jim Hysinger, brother of the groom, served as best man.

The bride's mother wore a black dress with black accessories and corsage of white carnations. The groom's mother also wore a black dress with accessories, and a white carnation corsage.

Immediately following the ceremony a reception was held. Mrs. John Zeigler and Mrs. Dell Sanders presided at the serving table which was covered with a white lace cloth and centered with roses, on either end of which was the wedding cake and punch bowl. The buffet was decorated with candies and roses.

The bride is a graduate of Plainview High School and Watson's Business College. She is employed at the Southwestern Public Service.

Mr. Hysinger is a graduate of Olton High School and attended Tech. At the present he is farming.

Following a wedding trip to Lubbock, the couple are at home at Olton.

Miss Lucy Pearl Nix and Ross J. Brock Are Wed

A double wedding ceremony performed by Dr. H. I. Robinson in First Methodist Church, Lubbock, Friday, Sept. 30, united in marriage Miss Lucy Pearl Nix and Ross J. Brock, Jr., and Miss Bette Ruth Wyatt and Morris Gregg Bell.

Mrs. Brock is the daughter of Mr. and Mrs. Jim Nix of Earth, and Mr. Brock is the son of Mr. and Mrs. R. J. Brock, 2110 Pierce, Lubbock.

For her wedding, the bride wore a powder blue suit with black accessories and a gardenia corsage. Robert Brock, brother of the bridegroom and Miss Colleen Wendborn attended the couple.

After a wedding trip to Dallas, Mr. and Mrs. Brock will be at home at 2205 Twenty-sixth, Lubbock.

Mrs. Bell is the daughter of Mr. and Mrs. N. M. Wyatt of Tahoka, and Mr. Bell is the son of Mrs. L. G. Bell of Lubbock. Their attendants were Berry C. Lofland and Mrs. Leta Young. Mrs. Bell was dressed in a slate gray suit with black and pink accessories and a pink gardenia corsage.

The couple will be at home in Lubbock following a wedding trip to Dallas.

Wedding music was furnished by Mrs. Douglas Green and altar decorations were baskets of white gladioli, palms and white tapers burning in candelabra. Ushers were Lee Turner and Tom Lokey.

Mrs. Thomas B. Duke returned Sunday of last week after spending a few days with her parents and brother at Brownwood, Texas.

Mrs. E. C. Candiff spent a recent weekend in Odessa, Texas, visiting her daughter and son-in-law, Mr. and Mrs. Dan Hemphill.

Miss Lois Mae Turkett and Mr. Kennedy Wed

Miss Lois Mae Turkett, charming daughter of Mrs. Mattie Turkett of Anton, and Mr. Kennerly of Lubbock were united in marriage Sunday, Sept. 22, at 8:30 p.m., in the pastor's home of the First Baptist Church of Lubbock, with the pastor, Dr. Grant, officiating.

Miss Turkett graduated from the Anton High School with the class of 1945. She was one of the most popular girls to graduate from the Anton school.

They will make their home at 1921 Avenue N, Lubbock.

Local Pupils Enroll in WTSTC

Mr. and Mrs. Arthur Foley and Mr. and Mrs. Nick Toews accompanied their daughters, Miss Jo Nell Foley and Miss Frances Toews to Canyon Monday, where they have enrolled in West Texas State Teachers College.

Both young ladies are graduates of the Littlefield High School with the class of 1946. Miss Foley was salutatorian of her class, and Miss Toews was also an honor graduate.

There are four pupils entering WTSTC from Littlefield this fall. Besides Misses Foley and Toews, Misses Nadene Field and Georgia Beckner have also enrolled.

BOBBY KING RETURNS FROM OVERSEAS

Bobby King, son of Mr. and Mrs. Dock King, who has been overseas for the past year, and stationed in Japan as guard with Gen. MacArthur's MP squad, is expected to arrive in San Diego this week, and to come home soon. He has been in service two years.

South Plains Fair Opens Monday Next

The 29th Annual Panhandle South Plains Fair opens Monday, October 7, in Lubbock, with a bang-up "Welcome Home" day celebration for veterans of World War II. Beauford Jester will speak the night of the seventh. On the same platform with him will be Col. T. G. Lanphier, deputy administrator of Veterans Administration, Branch Office No. 10, in Dallas, who will talk on the benefits veterans can gain from the various VA offices. Jester's speech will deal with the veteran's role in state government.

Throughout the opening day of the 1946 "Show Window of the South Plains" veterans of World War II in uniform or wearing discharge buttons will be admitted to the fairgrounds free upon payment of the 10 cents tax which the federal government requires be collected from each fair visitor. Admission to the grandstand for the addresses by Jester and Lanphier will also be free.

Capping the day's program, fair officials have scheduled a gigantic free fireworks display to follow the addresses.

Other outstanding attractions lined up for the fair include six days and nights of one of the biggest carnivals in the country, the Bill Hames Shows. There will also be five nights of rodeo presented by Buck Steiner of Austin, Texas, six afternoons of midget auto racing, and daily showings of the Army's Technical Services Mobile exhibit.

This exhibit will show residents of the South Plains many weapons and much equipment formerly classified as "Top Secret." The Army will have display barrage balloons, the "Snooper-scope," the bazooka, flame-thrower, smoke generators, "Goon Gun," and many others. Also combat moving pictures, taken in actual battle zones and demonstrating these weapons and equipment in action, will be shown.

Fair officials reported this week that a record breaking number of counties had entered exhibits in competition for the more than \$600 in

cash premiums which will be awarded in that division. Counties included so far are: Crosby, Hockley, Swisher, Briscoe, Lamb, Hale, Farmer, Castro, Howard, Floyd, Garza, Lynn, Scurry and Armstrong. Lubbock County is not permitted enter an exhibit. Other exhibits have also been pouring in. The Fair Association expects to award nearly \$7,000 in livestock, agriculture and homemaking premiums.

Homer D. Grant, president of the Fair Association, said he wished to extend a last invitation to the school children of the South Plains to attend the fair. Wednesday and Thursday have been set aside as school days at the 1946 fair.

PLANS EDUCATION BY FM

Forty-three frequency modulation stations will broadcast educational radio programs in Texas if the State Department of Education wins legislative approval of its plans.

Y. & S. FOOD TO OPEN STORE IN FORMER LOCATION OF HEARD GROCERY

The Y&S Food Store, of which R. M. Yarbrough, Sr., and son, R. M. Yarbrough, Jr., are owners and operators, are establishing Y&S Food Store No. 2 in the building in Southmoor on West 10th Street in which Heard Grocery was formerly operated. This new store will be open for business Friday.

The pumps, which were used in connection with the operation of a service station at this location, have been removed as this food store will only carry groceries, meats, fruits and vegetables, or produce usually handled by a modern grocery.

L. M. Osborn, who has been connected with the Y&S Food Store for some time, will be in charge of the new store, which will open for business Friday.

Mr. and Mrs. L. M. Osborn are moving to a house in Southmoor Addition close to the former Heard Grocery.

Amherst, Earth 4-H Boys Place At Sears Hog Show

Club boys of ten counties showed the county winners at the Sears hog show. The ten gilts were the winners of each county show. Jimmy Burgess of Earth, placed fifth, and was awarded a \$25 purchase certificate. Celton Farley of Amherst placed second with his registered male, and received a \$30 purchase certificate. These clubs are to purchase anything that will further their

hog program. These boys have done well with the pig they received last June. Due to a change in plans for competition in the pig project, being tried this year for the first time, a follow-up program permits further competition in both gilt and boar divisions for a total of \$170 additional in prizes. On this basis, lower place winners in the show yesterday could place first in the follow-up. Prizes are posted on productivity of gilts, based on the heaviest litter farrowed at or near the sixth week from birth, and on several phases of management of the boars. These prizes are to be awarded next March or April.

Mr. and Mrs. J. M. Nixon of Littlefield are the parents of a son, born Wednesday, Sept. 25, at the Amherst Hospital. At birth he weighed seven pounds, three ounces, and has been named Melvin Eugene.

Series of Farm Meetings to be Held During October

Session Will Be Held at Lubbock Hotel, October 9

W. R. Tilson, State Director, to Preside At Lubbock Session

A series of 13 district farm bureau meetings will be conducted throughout the State of Texas during the month of October, it has been announced by J. Walter Hammond, State Farm Bureau president.

One of the meetings will be held at the Lubbock Hotel at Lubbock on Wednesday, October 9. W. R. Tilson, State director, will preside. The meeting, which will begin at 10 a. m., will be attended by Hammond and State Organization Director Marvin Carter. A meeting will also be held at the Herring Hotel, Amarillo, Tuesday, Oct. 8.

The chief job of organized agriculture is to maintain farm prices at a fair exchange level," Hammond said. This was not done following World War I and the result was a depression. After the other war farm prices dropped 53 per cent. By 1935 one million farmers were foreclosed. Industrial goods dropped only 14 per cent, which brought about a disparity between agriculture and other groups.

Principal topic for discussion at the forthcoming farm meeting will be the proposals of officials of government and other groups with reference to the future of agriculture. "A careful study of agriculture's program as proposed by these people," Hammond said, "will reveal that they are the same plans offered and adopted following the first World War which wrecked the nation into depression that only wrecked agriculture but brought ruin to business, finance, and industry. The present-day trend toward cheaper prices for farm products."

"If the right plans are not adopted now," Hammond continued, "we must not hope for anything but a recurrence of the disaster following

World War I. An agricultural program must be maintained that will stabilize the prices of farm products, which will in turn stabilize business and industry. It is the responsibility of the farmers of Texas to attend these district meetings and discuss feasible plans for agriculture.

At the forthcoming meetings plans will also be discussed for a state-wide membership drive which will be conducted simultaneously in all counties of the state during the week of October 24-30.

Sudan Elevators Ship First Carload of Maize

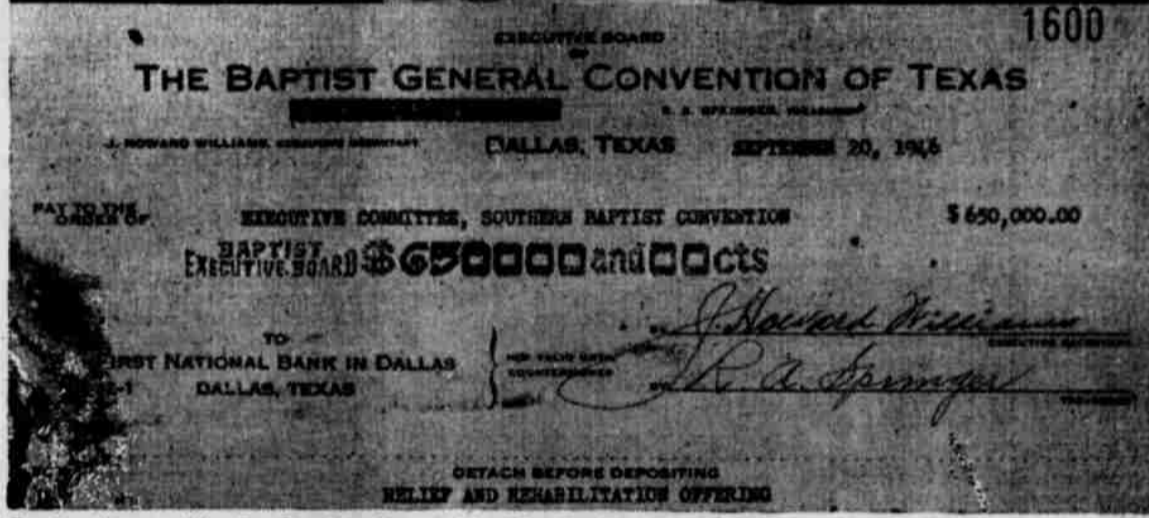

The first carload of maize, which weighed out at 87,000 pounds, was shipped by the Sudan Elevators Tuesday, Sept. 24, to the Forth Worth market. About \$2.50 per hundred pounds was paid by the elevator for the maize, most of which was irrigated grain raised in the Earth area. Some of it, however, was dry land maize from around Sudan.

Due to the enormous acreage of grain in the Sudan area, the crop is not expected to begin moving until the first of November. It will probably average an estimated 1,000 pounds to the acre.

Due to abnormal acreage, a larger grain crop is expected to be produced in the Sudan area this year, and general movement of grain to local elevators is expected to get under way around Nov. 1.

GRANTS PRICE INCREASE
OPA has increased the price of most work shirts by 10 per cent. The increase was granted under provisions of the new price control law, which requires higher costs of raw cotton to be passed on to consumers.

\$650,000 From Texas Baptists

FOR WORLD EMERGENCY RELIEF

Pictured above are Dr. J. Howard Williams, executive secretary of the Baptist General Convention of Texas, receiving, and Mr. R. A. Springer, Baptist state treasurer, presenting, a check for \$650,000 which represents the contribution of Texas Baptists to world emergency relief and rehabilitation since July 1.

The Southern Baptist Convention, meeting in Florida during May of this year, launched a campaign to raise \$3,500,000 to be used in rehabilitating their mission work and in relieving the suffering in war-torn and famine-ravished countries in Europe and Asia. The 920,952 members of Texas Baptist churches were asked to accept a goal of \$458,200 toward

this amount. To date \$650,000 or 120 per cent of the goal has been received and offerings continue to come in to the state office.

Dr. Williams, who served as director of the campaign in Texas, expects to report an even larger response to the annual meeting of the convention at Mineral Wells, November 11-15. It is anticipated that 7,500 messengers from the 3,301 churches affiliated with the convention will attend this annual meeting.

A striking fact about this offering is that none of the gifts will be used to administer the distribution of assistance. This aid will be dispensed by the missionaries and other employees of the Baptist Foreign

Mission Board who are already in residence in the needy areas. Whenever aid is extended to countries in which Baptists do not operate missions, such aid will be proffered through already existing relief agencies. Some aid has already been sent through the Friends Society.

Dr. James Cauthen, a native Texan and Baptist Mission secretary to the Orient, will supervise the distribution of aid for China and Japan through the over 200 Baptist missionaries in these areas, which includes churches in this area. The West Plains Association gave \$2,414.63.

SUDAN BAPTIST PREACHER GIVEN SURPRISE SHOWER

Rev. and Mrs. W. L. Brian of Sudan were greatly surprised recently when Sudan Baptist church members held a surprising for them in the basement of the church. Rev. Brian had just returned the day before from a 10-day revival he was conducting in the Whiteface Baptist church, and Mrs. Brian had spent the week with him. The shower came as a complete surprise to both. "We received almost everything, and it was all very nice," Mrs. Brian said. "We want to thank each and every one of them from the depths of our hearts," she concluded.

Amherst-Earth Road Is Being Hard-Surfaced

Project Expected To Be Completed In Few Days

Considerable hard-surfacing of roads and street improvement are underway in and around Earth. The road from Amherst to Earth is being "hot-topped," and at Earth the main street is being widened, and it is being hard-surfaced from curb to curb, and at the west and north and south from the main street. This project is declared to be the biggest improvement this community has had in a long time. This hard-surfacing of Earth streets and the Amherst road is expected to be completed in a few days.

Last Rites Held For C. R. Guinn, 69

Funeral services were conducted Thursday afternoon at 4 o'clock at the Spring Lake Church of Christ for Captain Raght Guinn, 68, of Spring Lake, who died suddenly Tuesday afternoon, September 24, as the result of a heart attack. Rev. C. T. Jordan, pastor of the First Baptist Church, Earth, officiated at the services and burial, in charge of a Plainview funeral home, took place in the old Spring Lake cemetery.

Mr. Guinn, a carpenter, had worked on a building at Spring Lake and, as he was gathering up his tools at the end of his day's work, about 5:30, he was stricken with a heart attack and died.

Mr. Guinn is survived by two daughters and two sons. Mrs. Clarence Hite of Earth is a daughter.

Olton Gins First Bale 1946 Cotton

The first bale of cotton of the 1946 crop season was ginned at the Olton Co-Op Gin Tuesday afternoon of last week.

The cotton was grown by H. C. Richardson on the C. E. Bley farm, adjoining the northwest corner of the Olton section.

This bale of cotton weighed 518 pounds, and was ginned from 1640 pounds of seed cotton. The cotton graded middling 3/8 and was sold to the Olton Co-Op Gin for 35 cents per pound.

Mr. Richardson watered the land before the crop was planted, but it had not been irrigated since.

Opportunity would have to knock the door down before some people would become interested.

It is definitely true that women live longer than men, if you're speaking of widows.

Navy Secretary To Speak At Victory Meeting

JAMES FORRESTAL

Navy Secretary James Forrestal will address the state's petroleum operators at the Victory meeting of the Texas Mid-Continent Oil and Gas Association, Oct. 17 and 18, in Houston, Andrew M. Howsley, general counsel, has announced.

Mr. Forrestal, secretary of the navy since 1944 and under-secretary four years prior, will speak Oct. 18 on "Oil and Victory." The theme of the meeting is petroleum's part in helping win the war, for which Texas alone supplied nearly three-fourths of all the nation's increased oil needs.

In accepting, the cabinet member wrote: "In reply to your recent invitation, I shall be most happy to address the members of the Texas petroleum industry at their Victory meeting on Oct. 18. The story of oil in relation to our final victory is an amazing one, and I shall do my best to do it justice."

Secretary Forrestal will be welcomed by a committee of Texas friends and former class-mates at Princeton University, headed by George A. Hill, Jr., of Houston. Mr. Forrestal is one of several outstanding speakers for the meeting, first general gathering of the state's oil and gas operators since 1943, Mr. Howsley said.

The session will mark the association's twenty-seventh anniversary as research and service organization for the Texas petroleum industry.

Marker Presented By Woodmen Of World At Lincoln

LINCOLN, Nebr., Oct. 1. — "The world of 1946 could utilize with profit the spirit and personality of a William Jennings Bryan, for too much of that world has never known, still more has abandoned or forgotten the democracy he cherished," said Federal Judge John W. Delehant in an address here Sunday dedicating a bronze plaque marking Bryan's former home, now a part of the Bryan Memorial Hospital.

The marker was presented by the local Woodmen of the World camps of Greater Lincoln. It was unveiled by Kent Weber Owen, young great-grandson of Bryan, and accepted for the Nebraska State Historical society by its president, J. E. Lawrence, editor of the Lincoln Star.

"Bryan's public career, which began when he was 30 years old and elected to Congress, was most noteworthy by his contribution to the evolution of democracy in American political life," Judge Delehant said in tracing his career as a statesman, three times candidate for the Presidency, and secretary of state.

"His unsuccessful campaign for election to the presidency deserves to be numbered among the glorious failures of history," Judge Delehant said. "His most striking achievement was at the Democratic convention in

Bert Childers and the Melon Patch

Bert Childers put an ad in the Clarion the other day. Here's what it said:

"Planted more melons than I can eat this year. Stop by and pick as many as you want. All free."

As you can guess, plenty of folks sent their kids over and plenty of the parents came too. Stripped Bert's melon patch in no time. And as they went away, Bert treated the kids to lemonade, and offered the grownups a glass of ice-cold sparkling beer.

Naturally it puzzled some folks ... but Bert explains: "It gives me a kick to share things when I can afford to—whether it's the melons, or the lemonade, or beer. I guess I just like to indulge my whims."

From where I sit, if we had more "self-indulgent" people like Bert—who believe in share and share alike, live and let live, this tired world would be a whole lot better off!

1912, when his eloquence and influence compelled the nomination of Woodrow Wilson for president.

As a statesman, Judge Delehant said, Bryan believed in the intelligence and integrity of his fellow citizens and the political and moral reforms he advocated were calculated to elevate the individual and society and cast upon every citizen an increasingly large measure of the burden of government.

In introducing Judge Delehant, President Farrar Newberry of the Woodmen of the World Life Insurance Society, explained that the placing of this marker was a project in the society's nation-wide "Fraternity in Action" program that emphasizes a wide variety of community and patriotic services by local Woodmen camps.

Install Revolving Chandelier At Starr Cafe

The Starr Cafe had installed at their eating establishment on Highway 84 Thursday a revolving chandelier, which is an attachment to the jukebox. It is a chandelier of many mirrors, and as the jukebox plays, the chandelier revolves, flashing varied-colored lights throughout the dining-room, the speaker inside the chandelier distributing the music throughout the room.

This is an added attraction to the Starr Cafe.

Announce Kindling Wood Available

South Plains Army Air Field has announced that several truckloads of kindling wood are available to civilians at \$1 per load.

There are approximately 30 truckloads of wood available and no limit is placed on the number of loads purchased by each customer. Interested buyers may come to the field at any date on Mondays through Fridays, between the hours of 8:30 a.m. to 4:30 p.m.

On arriving at the field, prospective buyers must contact Mr. W. G. Price of the salvage office, who will accompany them to the location of the kindling wood. This sale will continue until the supply of available wood is exhausted.

It is well to remember that the man of few words has just that many less to take back.

1,080,000 POUNDS OF BLACKEYED PEAS ARE NEEDED FROM WEST TEXAS EACH DAY BY GILBERT C. WILSON, Laboratories AT Pittsburg, Texas

We will need 1,800,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

MR. R. W. BADGER, Box 1146, Phone 78, Littlefield, Texas, will handle buying for us in the Levelland and Littlefield territories, setting up receiving points at convenient loading places throughout the territory, to be designated later. He will take care of receiving and will pay for the peas at the time they are received.

We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton. The demand for canned blackeyes appears to be far in excess of what canners can supply this year. We will also buy dried blackeyed peas this year.

Hereford spuds are getting around! The First National Bank of Amarillo recently shipped 90 sacks of choice Deaf Smith County potatoes by railway express to friends all over the country as an advertising and goodwill gesture. A similar shipment of onions is being planned. Twenty additional sacks were ship-

ped by express by private individuals to friends and business acquaintances over the country. Sank Ramey, Railway Express agent, picked out 14 choice spuds with a total weight of 23 pounds to send to L. O. Head, president of the Railway Express Company, in New York City. 17,320 pounds of spuds

were shipped from Hereford by Railway Express during the past month, Ramey reports.

Forecast Farm Income In 1947 Below This Year

The Agriculture Department Thursday forecast a farm income in 1947 somewhat below this year's indicated record twenty-three billion. The report said, however, that agriculture receipts are expected to remain at a high level next year. "In 1947, both cash receipts and income may decline about 5 per cent," the department said. "With production costs expected to show a further rise in 1947, the net income realized by farm operators may decline by 10 or 15 per cent." The department said government payments to farmers next year may be down by as much as 60 per cent. These payments are expected to total about \$850,000,000 this year.

Markets Report Higher Prices For Cotton

Southwest markets reported higher prices for cotton, grain, poultry and eggs last week, stronger trends for livestock, and a weak undertone for most vegetables, according to USDA's Production and Marketing Administration.

Southwest fruits and vegetables picked up strength near the close of last week at central markets because

of the Jewish holiday. Louisiana and Texas sweet potatoes moved in light volume at steady prices. Kansas honeydew melons were slightly weaker but apples held steady. New Mexico moved apples and carrots at about steady prices, but onions remained dull and weak. Oklahoma apples and turnip greens found fair demand at firm prices. Colorado out-ranked most states in heavy shipments of onions, potatoes, cabbage, cauliflower, tomatoes, peaches and pears. Shipping point prices ranged from steady on cabbage to dull and weak on onions.

Prices of most grain moved high-

er last week as supplies began to tighten. Wheat gained one to two cents a bushel, oats and corn three, and barley, two cents. Sorghums lost gains made early in the week, but closed higher. Feed was unsettled.

Cotton jumped about \$4.50 a bale this past week to reach a new 26-year high. Farmers sold freely and received prices unusually high in relation to central market prices. Sales in the 10 spot markets totaled 172,500 bales last week compared with 129,500 bales a week earlier and 142,200 bales for the same week last year.

Domestic wools were active in Boston and producing areas due to rumor of a price increase. Rush of buying took 10 million pounds of Texas wool. Adult mohair sold at 61 cents.

Spring lambs and aged sheep were generally up 25 to 50 cents a cwt. last week over the previous week's close. Southwest markets reported active trading for light supplies. Good and choice springers realized \$17.75 to \$18.25, Wichita; \$17.75 to \$18, Denver; \$17.50 to \$18, Oklahoma City; and \$17, Fort Worth. Mostly ewes showed up at San Antonio where common and medium kinds sold at \$6.50 to \$7.

Meager supplies of hogs brought ceiling prices at all markets.

Most southwest cattle markets reported light receipts last week with heavy run of stockers. Active trading cleared most offerings at steady to stronger prices. Houston quoted stocker steers \$13.50 and canner and cutter cows 50 cents higher at \$6.50 to \$8.50 a cwt. Medium and good cows brought \$10.50 and stocker calves \$14 to \$15.65 at San Antonio. Medium and good slaughter steers and yearlings realized \$15 to \$18, Fort Worth, and \$15.25 to \$17.25, Oklahoma City. Denver sold common and good stocker and feeder steers at \$10 to \$16. Wichita Moved medium

Will Be Visitor At Lubbock Fair

THOMAS G. LANPHIER

Thomas G. Lanphier, deputy administrator of the Veterans Administration Branch 10 area, comprising Texas, Louisiana and Mississippi, will be among the distinguished visitors at the South Plains Fair in Lubbock on Veterans Day, October 7.

He will bring a special address to veterans and their families. All are urged to hear this timely discussion

of veterans' problems and the progress and objectives of the Veterans Administration.

Lanphier was appointed deputy administrator by General Bradley early in 1946, and subsequently assumed his duties as head of VA Branch 10 area.

This occasion will mark his first visit to the Lubbock VA region.

He is a veteran of World Wars I and II. During World War I he fought in the Second Battle of the Marne as captain of a machinegun company in the Third Division. Later he learned to fly and commanded the Army's largest flying training center at Issoudun, France.

Following World War I, he accompanied Sir Hubert Wilkins on his first Arctic Expedition, making several exploratory flights over the Arctic Ocean.

In 1923, he led a flight of land planes from Kelley Field, Texas, to Puerto Rico and back to Washington, D. C. This was the first time land planes had flown over water for any great distance.

He resigned from the Army in 1928 to aid in the organization of the first transcontinental passenger airline. Later he was president of two corporations which built small planes.

Immediately following Pearl Harbor, Lanphier re-entered the Army as a major, and was assigned to the general staff as chief of air intelligence under General Marshall.

He was made a colonel in the general staff corps in June, 1943. Early in 1946, at his own request, he was placed on inactive duty. His appointment by General Bradley to the Veterans Administration followed. Lanphier's two sons, Tom Jr. and Charles, served in the Pacific. Tom, an Army Corps Pilot, credited with destroying 17 Jap planes including the transport bearing Jap Admiral Yamaoto, was awarded the Navy Cross and the Silver Star. Charles, a first lieutenant in the Marines, after twice being decorated for heroic action, was captured and later died in a Japanese prison camp.

PARENTS ARE REMINDED OF ACCIDENT HAZARDS

The Texas Safety Association asks parents to let the school bells remind them of this fact: Accidents rank as the leading cause of death among young people. In 1945 accidents claimed four times as many lives in the 5 to 14 age group as pneumonia, the second leading cause. Let the school bells remind you to devote time and thought to training your children for life—LONG life. Teach them that they can have fun without undue risks. Teach them especially to cross streets only at corners and only with the green light and to be constantly watchful and careful every time they cross. Remember: Your good example is their best lesson.

WEEKLY SURPLUS WAA NEWS

World War II veterans of this county who hold WAA certificate for the purchase of typewriters and office machines will now be able to obtain these long-sought items from the Fort Worth WAA office. A sale exclusively to certified veterans opened this week and will continue until October 11. Typewriters which have completed their service in the armed forces have been declared surplus at Camp Wolters, Camp Berkeley, Dalhart AAF, Pampa AAF, Camp Bowie, San Angelo AAF and a large number in WAA warehouses in Fort Worth, all awaiting inspection and purchase orders by veterans holding certificates.

Hospitals, universities and colleges of North and West Texas will be able to share in an offering of 13,000 new hospital and laboratory type auto-claves and sterilizers to be made available by the War Assets Administration for one month, starting October 15. Some 56 types of items are included. The Fort Worth regional WAA office will furnish detailed particulars and accept orders.

Nearly 50,000 shelter half tents, both new and used, recently declared surplus to the needs of the Army, are being offered for sale by the Fort Worth WAA office to commercial dealers. The tents range in price from \$2.70 to wholesalers buying a minimum of 90, to \$3.34 to small retailers who may buy as few as 30.

Office furniture, including 166 desks, 461 chairs, 546 tables, 401 filing cabinets and 298 typewriter stands, declared surplus to the needs of the military, is now on sale exclusively to veterans of World War II. Local veterans needing any of this office equipment may be certified to purchase it through the Fort Worth WAA office, T&P Building. Orders may be submitted by mail for the purchase of office furniture, either for personal use or for use in a small business or professional enterprise until October 11.

Schools and colleges of North and West Texas seeking to buy surplus property for classroom and laboratory work, will have much more rapid access to such property under WAA regulations which went into effect this week. Educational institutions are now granted top priority in securing surplus real property and third priority, preceded only by federal agencies and World War veterans, in securing personal property for their needs.

A total of 43 sales of all types are scheduled by the Fort War Assets Administration office during the month of October. Veterans will enjoy priority buying rights at all of these sales and in many instances will have property offered to them exclusively. To buy surplus property, a World War II veteran may obtain necessary certification from the Fort Worth WAA office by submitting an honorable discharge and indicating his need for the property in small business, professional or agricultural enterprise. A large number of surplus items may be purchased by veterans for their personal use from the War "set-aside" list.

Named 4-H Club Girl in Clothing Achievement

Wanda Weems, freshman student at Texas Technological College from Pampa, has been named the outstanding 4-H Club girl in the state of Texas for the work done in clothing achievement last year, according to word reported by Dean Margaret W. CIRCULAR BRUSH SAW USED

A three-foot circular brush saw is being used in an experiment on ridding pasture land of mesquite growth on the Texas Technological College farm, near Lubbock, according to A. W. Young, plant industry department head.

Sawing the trees and subsequent poisoning of sprouts has an advantage over pulling up roots with a bulldozer in that it does not tear up the pasture land, it was pointed out.

Where to Go For Surplus Property

FORT SAM HOUSTON, Texas.—The Army has been receiving a great many inquiries from prospective purchasers of surplus property, most of which it has been unable to answer because it actually handles very little surplus property itself, according to Col. William Spence, Fourth Army G-4 (supply officer). He feels that the public needs to know more about where to go for accurate information, and who actually handles surplus property.

At the end of the war, Colonel Spence states, the United States Government had billions of dollars of surplus property, ranging from junk to highly developed radio and radar equipment; from bicycles to jeeps and trucks; from kites and pigeons to long-range bombers.

Disposal of this property presented a problem to all military units storing it, for not only was it expensive to maintain, but also it took large numbers of personnel both highly trained and needed in other vital jobs to service and protect it. In addition, the millions of inquiries which poured in daily by letter, wire and telephone presented the problem of information dissemination.

For this important job of disposal, the War Assets Administration was established with present offices in the Railroad Retirement Building, Washington 25, D. C.

So great was the job of disposal that a central office was not sufficient, and to aid the speed of sale, regional offices were set up. Within the Fourth Army area eight regional offices were established to service whomever desires to purchase surplus property.

They are located in the Fourth Army area by states as follows:

WAA Regional Office 9, 728 15th Street, Denver, Colorado; WAA Regional Office 26, Cotton Exchange Bldg., Oklahoma City, Okla.; WAA Regional Office 20, Richards Bldg., 837 Gravier Blvd., New Orleans, La.; WAA Regional Office 7, T&P Bldg., Ft. Worth 1, Texas; WAA Regional Office 26, 2001 McKinney Ave., Dallas, Texas; WAA Regional Office 28, Transit Tower Bldg., San Antonio, Texas; WAA Regional Office 27, 1020 McKinney Ave., Houston, Texas; WAA Regional Office 23, Wallace Bldg., Little Rock, Ark.

While War Assets regional and branch offices handle most types of surplus property, some commodities are handled by other agencies.

Surplus marine property is sold by U. S. Maritime Commission, Riggs Bank Bldg., 14th and Park Road NW, Washington 25, D. C.

Orders and inquiries may be directed to any one of the local offices of the U. S. Maritime Commission, Maritime Settlements Sections, which are as follows:

Local Offices—Chicago, Ill., 310 South Michigan Ave.; New Orleans, La., 348 Baronne St.; New York, N. Y., 349 Broadway; Oakland, Calif., 14th and Franklin Sts.; Philadelphia, Pa., 1015 Chestnut St.

Shipyards, port facilities and marine industrial real property are disposed of by the Office of Real Property Disposal, WAA, Washington 25, D. C.

Agricultural Commodities
Surplus agricultural commodities are sold by:

Agriculture Department, Production and Marketing Administration, South Bldg., Washington 25, D. C.

Information: All offerings, except to priority holders—government agencies and state and local governments—are included in an official publication, USDA Food Sales List-

ings, issued simultaneously each Monday and Thursday by Production and Marketing Administration area offices and by the Washington office (see list below). This publication is available upon request. Each offering in each issue of USDA Food Listings gives the name of the disposal officer, his address and telephone number, and the expiration date of the offering.

Other disposal publications are Priority Announcement, for priority holders only, and Announcement, for the benefit of commercial outlets. These two listings are synchronized with the issuance of the USDA Food Sales Listings. For the benefit of persons seeking information on completed sales, a Sales Report is issued periodically from Washington.

Sales Offices—USDA Production and Marketing Administration:

Atlanta, Ga., Western Union Bldg.; Chicago, Ill., 5 S. Wabash Ave.; Dallas, Texas, 425 Wilson Bldg.; New York, N. Y., 150 Broadway; San Francisco, Calif., 821 Market St.

Surplus sales of agricultural commodities are not to be confused with the commodities bought and sold by the Agriculture Department to support farm prices or to manage commodity programs.

Industrial Plants and Real Property

Surplus real property is divided into 14 major classifications and is sold by different agencies under priorities.

Industrial Plans and Sites

Approximately 1500 government-owned properties located in various parts of the United States are surplus or will probably be declared surplus by December 31, 1946.

Buy Be Bought Or Leased

When purchasing industrial properties, buyers may arrange for reasonable credit term if desired. When plants are leased, graduated rentals, based on annual production or sales by the lessee, may be arranged.

Local communities have a second priority after federal government agencies for the acquisition of industrial properties. The War Assets Administration solicits the aid and cooperation of local civic and municipal organizations in the sale or lease of industrial properties in their communities.

Information: Any WAA regional office will supply information on surplus industrial properties.

Full descriptions are available on hundreds of industrial properties that remain to be sold or leased by WAA. Special engineering reports may be studied in the regional offices concerned.

Houses and Housing Facilities

Sold by: National Housing Agency, Federal Housing Authority, 1201 Connecticut Ave., Washington 25, D. C., and its field offices listed below.

Temporary housing disposed of to educational institutions and local public bodies for housing veterans and servicemen's families, or to others who will rent or sell to veterans and servicemen's families.

Permanent housing including demountable housing to be used where it stands, is offered. First, to local housing authorities for low-rental use; second, to occupants; third, to prospective occupants, with veterans having preference; fourth, to the general public.

New construction materials may be utilized by FPMA in connection with its veterans housing activities. If not, they are sold by WAA regional offices as surplus capital and producer goods.

Reusable building materials may also be used by FPMA in the veterans housing program. If not, they are sold by district offices of the U. S. Army, Corps of Engineers. Civilian Administration and Office of Price

Administration regulations apply. Field offices of the Federal Public Housing Authority: Atlanta 3, Ga., Peachtree and Broad Sts.; Boston 8, Mass., 24 School St.; Chicago 6, Ill., 201 N. Wells St.; Cleveland 16, Ohio, 2073 E. Ninth St.; Fort Worth 2, Texas, 1411 Electric Bldg.; New York 7, N. Y., 270 Broadway; San Francisco 2, Calif., 760 Market St.; Seattle 1, Wash., 9th Ave and Union Sts.

All inquiries regarding surplus property in regard to installations near the regional offices as listed should be directed to the regional office concerned there or nearest your home.

Decide what you want and make your inquiries specific, using customary trade specifications.

After declaring the property as surplus to the War Assets Administration, the Army has no more jurisdiction over the materials other than a maintenance responsibility for property located on an Army post. There is, however, one exception to this policy. The exception consists of very small lots of property which has value only as salvage. In this case, they are turned over to the salvage officer of the Army post on which located for disposal. All inquiries for such material must be directed to the salvage officer of a specific Army installation; there is no centralized list available of such property, or of Army installations declared surplus.

A booklet, Your Guide to Surplus Property, is available on inquiry to any War Assets regional office.

This would be a safer world for pedestrians if auto manufacturers could improve the drivers as much as they have the automobiles.

Timbermen and Texas Forest Festival Officials Watch Governor Stevenson Proclaim Texas Forestry Week

GOVERNOR COKE STEVENSON, on Sept. 11, proclaimed the week of October 6, Texas Forestry Week, which coincides with the Texas Forest Festival October 7-12 in Lufkin, Texas, and in so doing, brought to the attention of the people of Texas the valuable part played by the timber industry during the war emergency and in the post-war era. The Governor called on the people to protect its 35,000,000 acres of timber.

With the Governor in Austin are, left to right, Major Elmore R. Torn, East Texas Chamber of Commerce, Longview; Al E. Cudlipp, Secretary, Texas Lumber Manufacturers' Association and Affiliated Industries, Lufkin; Clyde Thompson, Angelina County Chamber of Commerce Forestry Committee, Diboll; R. M. Eagle, Carmona, President, Texas Lumber Manufacturers' Association; N. D. Canterbury, Houston, President Texas Forestry Association; Glenn Burgess, manager, Texas Forest Festival, Lufkin; W. E. White, Director, Texas Forest Service, College Station; Dave Thompson, vice-president, Texas Lumber Manufacturers Association, Keltys; Paul Y. Vincent, U. S. Forest Service, Houston; W. R. Beaumier, member, executive committee, Texas Forest Festival, Lufkin; Jack Frost, Texas Forest Service.

E. BELLAR GROWS FIRST BALE COTTON GINNED AT MULESHOE

D. E. (Jenks) Bellar, residing four miles north of Muleshoe, grew the first bale of cotton ginned at Muleshoe this season. The bale was turned out at Edwards Gin Tuesday of last week.

Merchants of Muleshoe raised a premium for this first bale of cotton. Edwards Gin bought the bale at 39 cents a pound and ginned it cotton free.

Mr. Bellar had 1960 pounds of cotton which produced a bale weighing 43 pounds and the seed weighed 800 pounds. His bale brought \$138.90, and seed \$24 which, added to the premium, netted Mr. Bellar \$281.40.

He has 40 to 50 acres of pretty good cotton. R. N. Edwards of the Edwards Gin said there is quite a bit of good cotton in the irrigated district, but he took issue with an estimate of 3,000 bales for Bailey County this year attributed to K. N. Clapp, Muleshoe cotton man.

Mr. Edwards said he believes 1,500 bales would be a liberal estimate for this year's crop. There are several other crops around Needmore, notably those of Messrs. Arnold, Davenport, and others. Last year the county ginned 954 bales.

Funeral Rites Held for A. P. REESE

Funeral rites for A. P. Reese, 66, who was fatally hurt in an auto accident on the Killgore highway Wednesday morning, Sept. 18, were conducted at the First Baptist Church of Lubbock Sunday afternoon, Sept. 22, at 2 o'clock. Rev. T. P. Lott, Baptist minister officiated.

Surviving Mr. Reese are his wife and four daughters, Mrs. Jessie Reese, Mrs. Betrick Gentry, Mrs. Gary Henderson, Mrs. Alma Henderson, Olton; four sons, Troy, Henderson, Pat, Los Angeles; Travis, Truett, Miami, Fla.; and three others, Harley, Arkansas; Hugh, Mexico; and Starling. Also, one daughter, Mrs. Annie Bradley, of Amarillo survives.

Interment was in the Lakewood Memorial Cemetery.

Friday, Oct. 11 'Littlefield Day'

Friday, Oct. 11, has been designated "Littlefield Day" at the Panhandle South Plains Fair.

In connection with "Littlefield Day," the Panhandle South Plains Fair Association sent the Leader the following letter:

"All the publicity possible will be given your town in connection with this designation—and we hope to see a large attendance of your citizens on the fairgrounds that day—as well as the other five days of the exposition.

"If you have a band, be sure to bring it along. Arrangements will be made for it to play at the band stand or any other location it may desire. Free tickets of admission will be given each member of your band, if they will come by our offices in the city hall upon their arrival.

"We can give your group and town more publicity if you let us know in advance that you are coming to the fair—on the special day set out as above, or any other day that is convenient. Also, if your band is coming, please be sure to advise us of this in advance. If your band will be here and you will furnish us with a picture right away, we will very much appreciate having it for publicity purposes."

Food Crop Prospects Good, Says John Hubbard of Bula

"If we get 15 or 20 days of sunshine, we will make a good feed crop,

and lots of bundles," state John Hubbard, of four miles west and one mile north of Bula, on a visit to the Leader office Friday last.

Mr. Hubbard stated that from Aug. 27 until last Friday they had received in the Bula area five inches or more of moisture; that everyone was

feeling better out that way, and that prospects were good. He added that the country roads had been pretty muddy and hard to get over, but that they were now again in fair shape.

SUDAN WOMAN ATTENDS FUNERAL OF FATHER, 88

Mrs. Lee Robinson returned to Sudan recently from Collins, Mo., where she attended the funeral of her father, the late Albert Lochner. The Robinsons were called when her 88-year-old father took ill Aug. 30. Robinson had to return a week later, but Mrs. Robinson stayed until after the death and funeral. Lochner died following a stroke which occurred Sept. 13. The E. E. Primm Funeral Home, Humantia, Mo., was in charge of funeral arrangements, and interment was in Holsapple cemetery, at Collins.

At The Littlefield Hospital

Mrs. L. W. Jarnagin of Littlefield was admitted to the hospital Saturday, Sept. 21, suffering from pneumonia. Her condition much improved, she was released and went home Wednesday following, Sept. 25. Betty Sue Wyatt, 7-year-old daughter of Mr. and Mrs. Lonnie Wyatt, was a patient in the hospital from Saturday until Monday. She was suffering from asthma. Mrs. Roy Rhoten of north of Littlefield was released Wednesday of last week after being a patient in the hospital two days, taking treatment for asthma. Linda Brewer, daughter of Mr. and Mrs. Fred Brewer, of Olton, had

her tonsils removed Tuesday of last week, and was released the next day.

D. M. Ruff of Hart was admitted September 24 for medical treatment. He is suffering from an infection of his face. Although still in the hospital, he is showing improvement.

W. T. Gooch of Earth was admitted September 24 for minor surgery, and spent several days there.

R. L. Schlottman of Pep, suffering from an abscessed ear, was admitted for medical attention Thursday. He expected to be released the first of this week.

Two children of Mr. and Mrs. Hernandez were admitted Saturday for medical treatment.

W. C. Fry of Littlefield was admitted Friday to the hospital, and underwent an appendicitis operation Saturday.

F. V. Williams was admitted to the hospital Friday for medical care, and released Saturday, improved.

Mrs. Irma D. Purdy was admitted for medical attention Friday last, suffering from stomach trouble. She was dismissed Saturday, improved.

H. T. Bartley of Western Auto Parts, was admitted to the hospital Saturday, suffering a slight attack of pneumonia.

Mr. and Mrs. J. H. Grigg, of near Whitharral are the parents of a daughter, Barbara Jean, born September 21, at the hospital.

When our cook asked an old maid friend of ours how she would like to have her rice, she said she would prefer to have it thrown at her.

Information For Veterans

Q. Since taking out a guaranteed loan, my business has become so successful, I find I can pay off this loan before it comes due. Will I be permitted to do this?

A. Yes; the regulations give the veteran that privilege.

Q. I am a veteran of World War I. Am I eligible for a loan under the "GI Bill"?

A. No. The act's benefits are for World War II veterans only.

Q. If I take out a government guaranteed loan for farming purposes, must I live on the farm?

A. No; but the act requires that you actually conduct the farming operations.

Q. May a loan to buy an automobile or truck be guaranteed or insured under the GI loan setup?

A. Yes, but only if the automobile or truck is necessary to conduct the veteran's own business or farming operations, or conditions of his employment require that he have such a vehicle to carry out his work. He may not obtain a guaranteed loan if the vehicle is merely for transportation.

Q. What will happen if I fail to make the payments on my government guaranteed loan?

A. That will depend upon the terms of the loan, the attitude of the lender and the laws of the state where you are living.
