

# COACH FIKES IS SHORT ON FOOTBALL MATERIAL

## But He's Scratching His Head . . . Wondering . . . and Keeping Cheerful and Optimistic

By MORLEY B. DRAKE  
Coach J. S. Fikes has every reason this fall to scratch his head and wonder.  
Last year his Wildcats carried away the regional football crown. The year previous the Cats achieved bi-district honors.  
With only two first-string men and a few others with limited experience, Coach Fikes starts out this year seriously handicapped for outstanding achievement.

But Littlefield's coach is cheerful and optimistic; he doesn't promise much, but it wouldn't surprise us if he trotted out on the field a very creditable first string and a second string that has a fairly smooth operating combination.  
**Hendricks, McCandlies Captains**  
Sabin Hendricks and Eugene McCandlies, with another year of eligibility and members of last season's first string, will be co-captains. Rallying around them to

make up this year's team will be Jackie Shelby, Billy Wayne Sisson, Bobbie Coan, Eugene Carter, Travis Price, Jack Davis, Billy Arend, Joe Peel, Kenneth Farris, Warren Rutledge, and Charles Powell.  
In addition to losing nine of the first string, Coach Fikes has lost three of last season's second string. "Slow" Grissom is going to Tech, but will not play football; Bobbie Ramsey has moved to San Angelo,

and Vernon Wright is attending Tech, but with no reported football ambitions.  
**Playing With Baylor**  
Last season's Littlefield first string players are giving a good account of themselves; in fact, four of them entered Baylor in January, took spring training, and will play the schedule with Baylor this fall. They are Billy Lyman, son of Mr. and Mrs. Ben Lyman; Walter Sewell, son of Mr. and Mrs. Loyd

Sewell; Buster Owens, son of Mr. and Mrs. Buster Owens; and Foy Bell, son of Mr. and Mrs. Luke Bell.  
Junior Graham, son of Mr. and Mrs. O. B. Graham, has entered New Mexico A&M and will play football; Sidney Buell, son of Mrs. Ruth Buell, will try out with the University of Texas; Oscar Arend, son of Mr. and Mrs. J. W. Arend, has entered the Marines and will

go to China; Charlie Ferris, son of Mr. and Mrs. Paul Ferris, will enter Tech, but will not play football; Dal Brandon, son of Mr. and Mrs. Lyle Brandon, will try out with Tech Raiders.  
The boys of the Littlefield High with football ambitions are limbering up for the coming season. Official practices will start September 2.

# ROPING CLUB ORGANIZED; OFFICERS ARE NAMED AT TUESDAY'S MEETING

## NEWTON CASE SET FOR MONDAY, OCTOBER 28

### Trial To Be Held In District Court At Plainview

#### Charge Developed After Shooting Of Late Dr. Roy E. Hunt

Trial of Dr. W. R. Newton, Cameron physician, on a charge of attempt to murder, has been set by Judge C. D. Russell for Monday, October 28, in district court at Plainview.  
Dr. Newton was tried in Lamb County district court, and sentenced to the penitentiary. The court of criminal appeals at Austin reversed the decision of the trial court. Attorneys for the defense obtained a change of venue in a hearing before Judge Russell, and the judge transferred the case to the district court at Plainview. When Dr. Newton was tried in the Plainview court there was a hung jury and, therefore, it was necessary to set the case for trial a third time.  
The charge against Dr. Newton developed following the shooting of the late Dr. Roy E. Hunt, Littlefield physician, on Highway 84, about three miles east of the city.  
Dr. Hunt survived, but he and Mrs. Hunt were later murdered in their home in Littlefield.

### Showers Fall Over Area Tuesday

Showers fell over the South Plains Tuesday to bring cooler weather.  
Littlefield received 22/100th of an inch of moisture early Tuesday morning. Fieldton and Hart's Camp report about two inches. From Farwell to Muleshoe two inches were reported. L. E. White of Bula reported a two-inch rain Monday night. Olton reported one-fourth of an inch, but no rain is said to have fallen at Amherst or Sudan. Anton and area received about two inches Thursday last.  
The temperatures for the past week were as follows, as recorded by the West Texas Gas Company thermometer: Thursday, low 70 and high 98; Friday, low 71 and high 99; Saturday, low 72 and high 102; Sunday, low 75 and high 98; Monday, low 69 and high 88; Tuesday, low 67 and high 89; Wednesday, low 69 and high 83.

### Red Cross Moves To New Building

Improvements have been completed on the community building at the rear of the courthouse, and the Lamb County Red Cross, the State Department of Public Welfare, and the city library moved into their new offices Tuesday.  
This building was donated by the community; moved to Littlefield by the city, which also donated the lots on which the building is located; and remodelled through-out, including redecoration, at the expense of the county.  
Mrs. L. M. Brandon, executive secretary, is in charge of the Red Cross office.  
E. C. Caldwell is in charge of the state welfare office, and Miss Lula Hubbard is librarian.

### Ex-Convict Keeps Loot Less Than Five Hours

Carrying almost \$15,000 in a cardboard box under his arm, the loot in the robbery of the Levelland State Bank at midday Wednesday, Cecil Moran Pierce, 29, was arrested at 5:30 p.m. that day, about five blocks from the bank, as he was calmly walking out of town.  
Pierce had spent the afternoon in a Levelland theater.  
Caught up with by officers, the man made no resistance; in fact, he was unarmed.  
Counting the loot, officers found that the box contained \$14,929.40. Pierce said that he had only spent five cents of the robbery money, and that amount had been expended for a cup of coffee.  
Pierce, a native of Ranger, Texas, had been paroled from California state penitentiary about a year ago, where he had served eight years of two life terms for armed robbery. He had worked in a Levelland laundry up to a month ago.  
Police report that Pierce has signed a confession.  
He will be arraigned in Lubbock this (Thursday) morning on federal charges. State charges also have been filed by Sheriff Hofacket.  
Pierce tripped himself up when he talked too much. This talking consisted of telling Howard Barry, 16, an employee of the laundry, that if he (Pierce) "had a gun he would rob every bank in Levelland and Lubbock." Young Barry remembered those statements, and identified a blue shirt as belonging to Pierce.  
Pierce reported to police that he obtained the shotgun in a Lubbock burglary Tuesday.  
Entering a rear door of the Levelland State Bank at 12:25 noon Wednesday, a lone bandit threatened four employees with a .12-gauge sawed-off shotgun, made them lie down on the floor, scooped up \$15,000 in currency and departed through the same door he made his entrance. Immediately after leaving the bank the bandit shed a blue shirt, which he had been wearing over a white polo shirt.  
Near the back door of the bank and in some weeds the shotgun was found by Sheriff Hofacket. Police were unable to further trace the bandit as he was not seen to enter a car or be joined by any person.  
When the bandit entered the bank he did not wear a mask, but he did employ dark glasses, and it was thought he had a two-day growth of beard. The man is described as about 30 years of age, five feet, nine inches tall, weight 145 pounds, and is said to have been wearing gray trousers and light brown hat, and brown shoes.  
In the bank at the time of the robbery were: Miss Jo Ann Arrwine, assistant cashier; and Mrs. Norma Brassick, Miss Billie Norman, and Gene Lewis, bookkeepers and tellers.  
Other officers and employees of the bank were absent for lunch at the time of the robbery.  
B. E. Collins, president, estimated the loss at \$15,000.  
Immediately following the robbery Sheriff Hofacket had all roads to the Levelland area rope-locked and all South Plains officers were alerted.  
An optimist is a fellow who keeps on going to dull parties for fear he will miss something.  
It wasn't for divorce courts separating some couples, the police would have to.

VOLUME XXIV LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, AUGUST 22, 1946 No. 22

### Who Will be Next Governor of Texas? THAT, AND OTHER RACES WILL BE DECIDED SATURDAY

#### LEADER WILL FURNISH ELECTION RESULTS HERE SATURDAY NIGHT

Results of the second primary Saturday will be posted in front of the Leader office as rapidly as they are received.  
Information as to the results also will be furnished over the telephone.  
There are four state, one district, and two precinct races to be decided, and it is expected the returns from all boxes will be received early.  
Every effort will be made to furnish state totals as frequently as possible.  
The Lamb County Leader is glad to furnish this service, and extends a cordial invitation to everybody to obtain the results of the election through this newspaper's facilities.

#### Masonic Lodge Enjoys Picnic Supper

Members of the Littlefield Masonic Lodge and their wives enjoyed a picnic supper at the Buck Ross farm, two and one-half miles east of town, on Oklahoma Avenue, Friday evening.  
About 100 Masons and their wives carried baskets and gathered at the irrigation tank on the Ross farm. Tables were taken from the Masonic lodge room here, and spread for the meal.  
The committee on arrangements included E. L. Owens, Andy McGehee, Walter Martin, Jack Yarbrough, and Forest Reeves.  
A very enjoyable evening was spent.

#### To Take Part In Swimming Meet

The Scout Council swimming meet will take place at the Council swimming pool, Lubbock, at 6:30 p.m., Monday, August 26.  
All first place winners in the district are eligible to take part.  
Among those from this area who will attend and take part are: Jim Fowler, who won in free style swimming a the district meet; Bobby Harvey, winner in underwater swimming, junior; Norris Onstead, who won in senior events; and Forrest Lindsey of Anton, winner in underwater swimming.  
Several Scouts from Sudan will also take part.

#### Clubs Hold Annual Encampment July 18

On July 18 and 19, the Lamb County 4-H Clubs held their annual encampment in the McKenzie State Park in Lubbock. Approximately 50 boys and 50 girls were present for the occasion.  
Six women sponsors and one man adult sponsor were present as chaperones for the group.  
Many games and handicraft were enjoyed by the group, and the boys were shown through the textile department at Texas Tech which was both worthwhile and interesting.

Lamb County, together with all Texas voters, will go to the polls Saturday in the second primary.  
After that it will be known who will be the next governor of Texas; also, the voters will decide several other races.  
In the meantime, Dr. Homer P. Rainey of Texas University fame, and his opponent, Beauford Jester, railroad commissioner from down Corsicana way, are conducting a vigorous campaign. Lamb County gave a majority for Jester in the first primary, and the votes may swing that way again.  
In the other state races to be decided, Allan Shivers and Boyce House are in the run-off for lieutenant governor; J. E. McDonald and R. E. McDonald are in the final contest for commissioner of agriculture; and Tom L. Beauchamp and Jesse Owens are in the run-off for judge in the Court of Criminal Appeals.  
There is only one district race to be decided. Joe W. Jennings and Judge I. B. (Dock) Holt are in the run-off for state representative. That will be a very interesting race and the results may be close.  
Two county commissioners will be chosen Saturday by the voters. H. A. Hysinger and George C. Brown are in the run-off for commissioner of Precinct 1. B. E. Lee and Fred R. Wilson are in the run-off for commissioner of Precinct 4.  
Voting Saturday will be in the same places as in the first primary.

#### City Discontinues Garbage Service

At a meeting of the City Commission held Wednesday afternoon it was decided to discontinue on October 1 garbage service in both the business and residential sections.  
W. G. Street, city secretary, gave as the city's reason for the discontinuance of this service that residents raised objection to the city making a charge for this service, and numbers of residents had refused to pay the charge levied by the city for the carrying away of the garbage, and that the city did not have the funds to pay for the continuance of the service.  
Mr. Street stated that owners or occupants of all places of business and residences will be obliged to keep their own places clean, or be subject to penalty under an old ordinance in force for many years.

#### Osborne Given 10 Years For Forgery

Herman G. Osborne was indicted by the grand jury in district court here Thursday on a charge of alleged forgery of checks about six weeks ago at Littlefield and Amherst.  
Osborne is reported to have entered a plea of guilty and was sentenced to five years in the state penitentiary on each of the two counts, the sentences to run concurrently. He is now confined in the Lubbock jail.  
It is expected that Lamb County officers will take Osborne to Huntsville penitentiary, and that either Sheriff Sam Hutson or Deputy Sheriff Sid Hopping will accompany Osborne. However, according to Deputy Sheriff Hopping, Osborne is also wanted in Cherokee County on a charge alleging forgery, and officers from that county might come after him. In that case, they would take him into custody.  
Indictment was also returned Thursday by the grand jury against Bill Ball on a charge alleging burglary of Paul Pharris' Service Station in February last.  
Ball was arrested in Kansas on a forgery charge; tried and indicted in that state, and is now serving a year in the Kansas state penitentiary. According to Deputy Sheriff Sid Hopping, as soon as the year is up, Lamb County officers will claim him.  
The district court was in session Saturday for the handling of civil matters.

### Bob Smith To Go To Lubbock Today To Buy Calves

#### Practice Roping To Take Place At Arena Sunday Afternoon

The Littlefield Roping Club was organized at a meeting Tuesday evening at the courthouse, when officers were elected as follows:  
Lon C. Campbell, president; Bob Smith, vice president; T. G. Shaw, secretary-treasurer; and Jack Vann, director, who is to be assisted by Henry Arend, and H. P. (Slim) Cook, who is working out the rules and regulations.  
Mr. Smith is going to Lubbock today to buy the calves for the club, which will be kept at the Jaycees' rodeo arena.  
A. D. Green will be in charge of feeding the stock.  
Charter members of the Roping Club are: C. O. Griffin, W. F. Martin, S. C. Martin, H. P. Cook, Gene Williams, C. W. Bolton, Jack Pope, R. R. Smith, P. H. Smith, L. C. Campbell, T. G. Shaw, Jack Vann, Bob Smith, J. E. Johnson, L. S. Fields, A. D. Green, R. A. Jackson, Bill Roper, H. L. Gage, John D. Smith, and Pete Owens.  
According to Secretary T. G. Shaw, the club is open to membership, and anyone interested in joining may see any of the above members for membership cards, adding that it was not necessary to take part in the roping to be a member, and that anyone holding a membership is entitled to full privileges of the club, according to their by-laws.  
Practice roping will take place Sunday afternoon at the Junior Chamber of Commerce rodeo and arena, when spectators will be welcome.

Lamb Co. Boys Win Honors At Dist. 4-H Encampment

Allan Shivers Runs For Lt. Governor On Qualifications

Senator Allan Shivers, leading candidate for lieutenant governor, is seeking election to that office solely on the basis of his qualifications of wide training and experience.

In every way, Allan Shivers, the legislator, lawyer, farmer and World War II combat veteran, is exceptionally qualified for the No. 2 state office. As a state senator for a number of years, he established an excellent record of public service.

Shivers, a war veteran of two years overseas, during which time he earned five battle stars, did his best to make this a free country for a free people. He will continue that course as lieutenant governor.

He has conducted a dignified campaign, free of mud-slinging and personalities. His platform appeals to every Texan: Better farm-to-market roads, better salaries for school teachers, enlarged public safety facilities, a thorough public health program, redistricting of the state for legislative purposes, greater aid to war veterans, reorganization of the pardon and parole system, a first-class university for the colored, equal responsibility from both labor and management. He is against a sales, state income, or any other form of new taxes.

Allan Shivers will be the lieutenant governor of all the people. In addition to integrity, sincerity and ability, he has a background of training and a record of public service already performed which gives him the right to ask for promotion.

Billy Joe Wright Wins First Place At Lubbock Event

Several Specialists Present and Gave Instructive Talks

Extension Service District 2 held their annual district encampment at Lubbock Army Air Field August 12, 13 and 14. Billy Joe Wright of Fieldton won first place in the rifle shooting of boys under 15 years of age.

There were six 4-H boys from Lamb and Hale counties, as neither county had enough boys for a team. This team won all their games except the final game for district championship. Lynn County boys beat them out for the championship. Lem Weaver and Claude Emmons acted as "rooting" section for the team.

Those attending the camp were: Billy Joe Wright, Buddy Wiseman, Gene Mixon, Jerry Haire, Don and J. P. Nafziger, Mr. Lem Weaver, county agent; and Claude Emmons, assistant county agent. Approximately 200 club boys and adult leaders attended the encampment.

J. W. Potts, 4-H Club specialist from Extension Service, was present for most of the camp. R. E. Callender, wildlife specialist, gave an interesting talk and display on wildlife. Paul Gregg, assistant entomologist, talked on the use of DDT, and A. B. Smith, beef cattle specialist, talked to the boys about feeding and caring for beef cattle.

PEAS INCREASE COTTON

"Ludwick Thompson, tenant farmer, followed 25 acres of winter peas with cotton. In the same field on similar soil he had an additional 53 acres of cotton. Cotton on pea land produced 537 pounds of lint per acre as compared with 267 pounds of lint cotton where no peas had been planted." — J. C. Patterson, County Agent, Waco, Texas.

MOST PROFITABLE

"No one has yet found a more profitable crop for the South than cotton." — D. Howard Doane, St. Louis, Mo.

Rural Crime Increases 85 Per Cent

Criminals are preying upon the rural population of Texas at nearly double the rate of two and a half years ago, Director Homer Garrison of the Department of Public Safety declared this week.

Garrison said rural crime increased 85.27 per cent from the first six

months of 1944 to the first six months of 1946.

Biggest gain was in robbery, up 158 per cent. Another staggering gain was shown in burglary, up 121 per cent. Auto theft jumped 96 per cent; felony theft 61 per cent; murder and homicide 55 per cent; and rape 48 per cent.

During the same period crime increased 42 per cent in the cities. The overall gain for both rural and urban jurisdictions was 54.54 per cent.

Garrison said law enforcement officers are "holding their own against long odds," for arrests have increased in direct proportion to the gain in crime.

Convictions, however, are lagging behind. The penitentiary system received 930 new prisoners in the first half of 1944; 862 in the first half of 1945; and 1221 in the first half of 1946, Garrison said. This represented an increase of 31 per cent from the 1944 to the 1946 period.

John Zimmerman received medical treatment recently. He was admitted Aug. 10 and released two days later.

Mrs. John Stegall of Hart Camp was released Saturday, after receiving medical treatment a few days.

Mrs. A. E. Tidrow was re-admitted Tuesday of last week for treatment for an infected knee, which is causing her considerable pain.

Bob G. Newman, son of Mr. and Mrs. Jack Newman, who was in a car wreck August 13, the automobile in which he was a passenger turning over near Muleshoe, suffered a bruised shoulder and back, and was admitted to the hospital for treatment. He was released Friday much improved.

Mr. and Mrs. George J. Warner are the parents of a son weighing seven pounds, five ounces, born Saturday at the hospital. He has been named Jerry David.

A son was born to Mr. and Mrs. A. L. Leonard of near Spade at the hospital Thursday last. He weighed eight pounds, seven ounces and has been named Johnnie Dale Leonard.

Mr. and Mrs. Roy T. Jones of southeast of Littlefield are the parents of a son, Troy Dale, born Aug. 6, at the hospital, and weighing eight pounds.

Mrs. R. D. Nix, after being a patient for a week for medical treatment, went home Saturday.

Mexican Government To Send Exhibit To Dallas State Fair

That the Mexican government will send a big exhibit to the State Fair of Texas this year, for the first time since 1924, was announced by W. H. Hitzelberger, vice president and general manager of the Fair, this week. Hitzelberger stated that he had received word from the Mexican Tourist Department at San Antonio that the exhibit would arrive at Fair Park about September 15.

More than a thousand articles of Mexican silver, pottery, leather and rare lacquers will be included in the exhibit, as well as a large collection of colorful Mexican regional costumes. The exhibit will occupy some 1500 square feet in the Foods Building.

The exhibit was procured through aid of Fernando de la Garza, San Antonio offices of the Mexican Tourist Department; Gustavo Ortiz Hernan, Mexican consul general; and Alejandro Buelna, head of the Tourist Department, Mexico City.

### Olton Rodeo Opens Friday Morning

The event of the year, the Lions Club 12th annual rodeo will get under way at Olton Friday morning. The big two-day event will open

with a kid-pony show and parade Friday morning. A large rodeo parade will move down the streets of Olton Friday at 1 p.m. The first rodeo performance will start at 2 o'clock Friday afternoon. This performance will be repeated at 8 o'clock Friday night and again

Saturday afternoon and night. On Saturday morning the quarter horse show and parade will be held. Entries for the quarter horse show have been coming in for the past month, and a large number of quarter horses are expected to compete in the show for the \$550 prize money

offered in this division. Quite a number of cowboys have already sent in their entries for the rodeo performances. It is expected that by the deadline for entries, 10 a.m. Aug. 23, the entry list will be filled to capacity. The rodeo and quarter horse shows will be held at the local football field, where the arena and chutes are being set up. One hundred twenty-five head of stock will be used in the show. The rodeo stock is being furnished by Hitson & Simms of Fort Sumner, N. M. There will be concessions on the grounds where cold drinks, sandwiches, candy etc., may be bought.

U. S. MAJOR FREED . . . Maj. George Wood, U. S. army officer, of Philadelphia, Pa., has been released by Yugoslavian army officials. He was seized in Trieste, as was his wife, Evelyn, and their 7-year-old son. Reason for the arrest is still undisclosed.

### REVIVAL UNDERWAY AT SUDAN CHURCH

Evangelist Cecil N. Wright of Abilene is holding a ten-day gospel meeting at the Sudan Church of Christ. The meeting began Thursday night, August 15, and is to continue throughout this week, closing the

night of Aug. 25. Evangelist Wright will be remembered from last year's successful revival. So pleased was the congregation and friends with Brother Wright that the elders engaged him immediately for the meeting being held at this time. Please consider this announcement as a personal invitation to hear the "Gospel Taught in Love." Bring your friends and know that you will receive a warm welcome from the Church of Christ. Services daily at 10 a.m. and 8:30 p.m. Morning services will not begin until Monday.

THE SMOKE of battle has cleared in the past year, but not that of American industry—nor of the atomic bomb. The stacks of factories (right) are pouring forth their cumulus of spent energy as the productivity of American genius is transformed from the uses of war to the ways of peace. And out over the distant tropical atoll of Bikini the atomic cloud (left) has risen, as much a promise of civilization's physical reconstruction as a threat of its future annihilation. (Official U. ### Plans Complete For Opening of Local Schools Sept. 2

Registering To Get Underway Aug. 28; Faculty Is Complete

Plans are complete for the opening of Littlefield schools Monday, September 2, with a full corps of teachers.

Juniors and seniors will register Wednesday, August 28; sophomores, Thursday, Aug. 29; and freshmen, August 30.

Elementary and grade schools will receive their books and register September 2.

According to Supt. Joe Hutchinson, no first grade child will be allowed to register without a birth certificate, or photostatic copy.

Merle Jenkins is the new band and chorus director, and will be assisted by Mrs. McLain, who will teach public school music and chorus in Junior High School.

A meeting of all teachers will be held Saturday morning, August 31.

A list of the members of the faculty of Littlefield schools follow:

High School—J. S. Fikes, coach; Leo Duffy, principal; Mrs. Lucille Betts, Mrs. Floyd Blackwell, Mrs. Frances Carter, Mrs. Dick Edwards, Miss Laverne Hayhurst, Miss Jean Longbotham, Miss Lucille Martin, Mrs. L. L. ### Richard F. Stripe Arrives Home

Richard F. Stripe, son of Mr. and Mrs. R. T. Stripe, arrived home recently from three and a half years in the service, with 13 months spent in the Marianas and Philippines.

Mr. Stripe served as radar operator in the Air Corps, and was awarded a Unit Citation and two battle stars for outstanding service in the air offensive of Japan and the Western Pacific.

He was graduated from the Littlefield High School with the 1941 class, and plans to attend the State University this fall.

### Arrest Negro Girl On Forgery Charge

A colored girl was arrested at Lovington, N.M., Monday on a charge alleging forgery of a postal savings certificate, which is said to have been taken from another colored woman. The offense is said to have been committed in Littlefield in June last.

Deputy Smith of Olton went to Lovington Tuesday to bring the colored girl, said to be 16 or 17 years of age, back to Littlefield.

A colored man, also, has been arrested in connection with the affair.

### Two-Day Institute Held By Red Cross

A two-day institute for Red Cross Workers was held Thursday and Friday of last week at the Hilton Hotel in Lubbock, for the purpose of instructing them in claims work for the veterans.

Charles Harris, field director of the American Red Cross, and Jack Armstrong, head of the adjudication office at the regional Veterans Administration office No. 30-65, at Lubbock, were the chief instructors, with the help of Mrs. Freida Kennedy, general field representative for this district, and Miss Doris Mae Warrington, home service director for Texas and New Mexico, both from the St. Louis, Mo., office of the American Red Cross.

Instruction was given for handling claims for veterans, such as pensions, insurance, headstones, burial allowances, our patient treatment, domiciliary care, hospitalization, vocational, rehabilitation, education, etc.

Cities represented were Plainview, Floydada, Ralls, Lamesa, Midland, Odessa, Levelland, Littlefield and Lubbock.

Mrs. Lyle Brandon, executive secretary of the Lamb County Chapter, and Miss Lula Hubbard attended from Littlefield.

Lamb County office of the American Red Cross stands ready at all times to serve the veteran as well as all individuals connected or who has been connected with the military. Mrs. Brandon is especially interested in all malaria cases right at the present. If you are suffering with malaria and not receiving a pension, you are advised to see her.

The WOW beat Floydada, 6 to 5, but in the second game, which was played Friday night, the WOW went down to defeat by Post, 16 to 15.

Thursday night of last week on the Littlefield diamond, the Woodmen beat Slaton, 10 to 8, and Levelland, 17 to 2.

### Texas Private Flyers Meet

Gunter Hotel in San Antonio will be headquarters for the Texas Private Flyers Association's annual convention Friday and Saturday, August 23 and 24. Roy Arledge, from Stamford, president of the association, announces that the business and entertainment scheduled promise to make this the biggest and best meeting in TPFA history.

Alamo Field will provide free tie-down and hangar service, and free gas will be furnished by the Texaco Company.

Registration will begin at 1 p.m. Friday, August 23, at the Gunter Hotel and a cocktail party from 7 to 8 p.m. Friday will be sponsored by the newly organized San Antonio chapter.

President Roy Arledge will preside at the business meeting at 9:30 a.m. Saturday, at which Asbury W. Meadows will speak on "What the Texas Aeronautics Commission Is Doing to Aid and Promote Aviation in the State of Texas."

Luncheon will be at 12:15 Saturday, with Mayor Gus Mauermann as speaker, followed by the regular business meeting at 2:30 p.m. There will be a cocktail party from 5 to 7 p.m.; 7 p.m. is the time set for the banquet, at which T. E. Braniff will be the principal speaker. The banquet will be followed by a dance.

With its beginning in Stamford,

### Loan Association To Be Awarded Official Citations

The Littlefield National Farm Loan Association was among the 22 associations in Texas to receive official citation from the Treasury Department for "distinguished service rendered in behalf of the war finance program," according to word received by the Federal Land Bank of Houston.

C. O. Stone is secretary-treasurer of the Littlefield association.

### Littlefield High School Development To Be Thesis Topic

J. S. Fikes, coach at Littlefield High, returned to Littlefield late last week after spending the summer at Hardin-Simmons University, Abilene, working toward his master's degree. Mr. Fikes has yet to complete his thesis and one course before receiving his degree.

Coach Fikes has been given permission to write his thesis on the subject, "The Development of the Littlefield High School."

### Sixteen Texas Boys Win Opportunity for Education

FRANK CLELAND Genoa    JOHN HUNT Fort Worth    CARL KING, JR. Dallas    JIMMY MORROW Graford    HAROLD MUELLER Brenham    LANNON STAFFORD San Antonio    JOE MULLINS Carrizo Springs

Sixteen honor graduates of Texas high schools, representing every section of the State, will enter Texas A. & M. College in September as the first winners in a new major scholarships program. The scholarships, known as "Opportunity Awards," are designed to offer outstanding Texas boys who would otherwise be unable to attend college an opportunity to secure an education.

The program is sponsored by the Texas A. & M. College Development Fund, a joint organization established by the College, its former students and its friends. Ten of the awards were underwritten by the Association of Former Students through gifts of A. & M. men, one by A. F. Mitchell of Corsicana, chairman of the Development Fund board, and five, for boys majoring in Agriculture, were financed through a gift from Mr. and Mrs. Jesse H. Jones.

Winners in a statewide competition each year receive scholarships which pay \$200 to \$300 per year throughout their college careers, plus an opportunity to earn additional money at student jobs.

Selected on the basis of scholarship, leadership and character, the first year's winners of Opportunity Awards were: Franklin Cleland of Genoa, John Hunt of Fort Worth, Carl King, Jr., of Dallas, Jimmy Morrow of Graford, Harry Mueller of Brenham, Lannon Stafford of San Antonio, Joe Mullins of Carrizo Springs, Vernon Porter of Italy, Royce McClure of Dallas, John Taylor of Rotan and Joe Zumwalt of Hallettsville.

The Jones Scholarship winners were Humberto Reyes of Berclair, Bobby Bland of Merkel, Robert Williams of Waco, Henry Simpson of Dallas and James Robertson of Plainview.

Highest scholastic average in the group was a four-year grade average of 97.64, lowest was 93.57. All had held responsible class or school offices and had excelled in some extra-curricular activity. All had excellent records of earnings through after-school and summer work.

### South Plains Fair Prizes Increased

LUBBOCK, Aug. 21.—Premiums in the vocational agriculture department of the 29th Annual Panhandle South Plains Fair have been increased

\$5 to \$22.50 all down the line, raising total prizes in the department to \$507.50, over \$225 more than the total offered in 1941, it was announced this week by Fair officials. Dates for the Fair are Oct. 7-12.

Premiums which will be awarded the school exhibits and the amount

of increase on each are as follows: First prize, \$50, an increase of \$20; second, \$45, an increase of \$20; third, \$42.50, an increase of \$22.50; fourth, \$40, an increase of \$20; fifth, \$37.50, an increase of \$22.50; sixth, \$35, an increase of \$20; seventh, \$32.50, an increase of \$17.50; eighth, \$30, an increase of \$15; ninth, \$27.50, an increase of \$12.50; tenth, \$25, an increase of \$10; eleventh, \$22.50, an increase of \$7.50; and twelfth, through seventeenth, \$20, an increase of \$5 to \$10.

Another change in the vocational agriculture rules is that the Fair Association will furnish uniform papering for all backgrounds instead of having individual exhibitors do so.

### DENIM SLACK SUIT

It's time for gardening and red-haired Arleen Whelan, Paramount star, is all set for the day's chores in a cotton denim slack suit designed especially for her. The smooth, flowing lines of the garment make it ideal for active work about the house and the garden.

### L. L. Rucker Gets \$50 Award From Lubbock C. of C.

L. L. Rucker, tenant on the A. M. Pfluger farm, 12 miles east of Lubbock, received a \$50 award from the Lubbock Chamber of Commerce Saturday for the first reported bale of cotton grown and ginned in Lubbock County.

Rucker took the bale to Jones and McCoy Gin Company, Lubbock, where it was ginned at 5:30 p.m., August 15, three weeks earlier than last year's first bale. Rucker has about 90 acres of "dry land" cotton, it was said, and planted about April 9. He lives two miles south of Roosevelt school.

Last year's first bale was taken to Lubbock September 5, by Ernest Exum, from the J. E. Vickers farm, Lubbock, Route 3. Exum received a \$50 award and the bale was sold at auction in Lubbock for 21 cents a pound.

It is expected that Rucker will sell his prize-winning bale this week.

### Local Residents Attend Jehovah Witnesses' Assembly

Mesdames A. E. White, R. N. Par-ton, E. C. Cundiff and B. W. Lindley, accompanied by Mrs. L. E. Key of Hobbs, N.M., returned Wednesday of last week from Cleveland, Ohio, where they attended "The Glad Nations Theocratic Assembly" of Jehovah's Witnesses.

The keynote address, "Fearless Against World Conspiracy," was delivered by N. H. Knott, president of the Watchtower Bible and Tract Society.

On Sunday, August 11, designated as "Universal Peace Day," more than 8,000 persons were present at Cleveland's giant stadium for the public lecture, "The Prince of Peace," also delivered by Mr. Knott.

Thirty-eight nations were represented at this assembly, many coming by commercial planes, as well as chartered planes, trains and buses.

One impressive experience of those assembled was the witnessing of baptismal services for 2602 persons in Lake Erie at Edgewood Park Beach.

### JACK GARLINGTON HOME FOR VACATION

Jack Garlington, who has been attending Columbia University, New York, and taking a special course in creative writing, returned home Monday for a month's vacation.

Mr. and Mrs. J. O. Garlington, who have been living in Lubbock, where they are building a home, accompanied their son to Littlefield Monday, where Jack will remain a month. Mr. and Mrs. Garlington will return to Lubbock in a few days.

Jack will return to New York in September to resume his work.

## Veterans Win Top Awards for Model Cars

THREE AUTO EXPERTS, T. P. Archer, president of the Fisher Body Craftsman's Guild, George Snyder, of General Motors Styling Section, and W. S. McLean, Guild secretary, look over grand national award winners in the model car design competition for hospitalized servicemen. Winning models, with their builders, also are shown right and below.

PVT. GEORGE L. HYNDMAN, above, of Omaha, Neb., won first honors for the army ground and service forces, got his army discharge and a check for \$1,000 the same day. His car is a rear-engine, teardrop design.

WILLIAM E. KENDALL, of Nashville, Tenn., a naval lieutenant and a patient at U. S. Naval Hospital at Bethesda, Md., took the honors for the Navy. Capt. Robert E. Duncan, left, head of the hospital, presents the check as Kendall's pretty wife smiles approvingly.

LEO WASICK of Detroit, a former bombardier, won the top award for the Air Forces.

THE MEN who served with Uncle Sam's armed forces want their automobiles streamlined, the sleeker the better. That's the indication they gave in the special model car design competition sponsored by the Fisher Body Craftsman's Guild for hospitalized servicemen. Three grand national awards of \$1,000 each were presented to the winner in the Army Ground and Service Forces; the Navy, Coast Guard and Marines; and the Army Air Forces. Veterans confined to hospitals in virtually every section of the country participated.

### PERSONALS

Mr. and Mrs. Lon Campbell left Wednesday for Ruidosa, N.M., on a week's vacation.  
Mr. and Mrs. W. T. Jones and children of Coleman returned home Thursday after spending a few days with Mr. and Mrs. Quinton Bellomy and Mr. and Mrs. J. T. Bellomy and other relatives.  
Mrs. Ray Bellomy and daughter, Joyce, arrived last week for a visit in the home of Commander Bellomy's parents, Mr. and Mrs. J. T. Bellomy, and other relatives. Commander Bellomy is stationed in Washington.  
Rev. and Mrs. Joe F. Grizzle spent Tuesday here. They had visited Littlefield en route to Portales, N.M. and, after spending a few days at that city, and on the way back to the Valley, they spent Tuesday here visiting friends. Rev. Grizzle was formerly pastor of the First Baptist Church here, and they have a host of friends in Littlefield and area.  
Mr. and Mrs. Clarence Evans of

Leonard, Texas, left Thursday for their home after spending since the previous Thursday with her parents, Mr. and Mrs. Tom W. Dorman, and also visited in the homes of Mr. and Mrs. C. O. Robbins and Mr. and Mrs. Lloyd Henry. Mr. and Mrs. Evans are in the grocery business in Leonard, Texas.

### MOSTLY STATIC by The Zacharys—

**HOWDY, FOLKS:**  
Some one has said that a man cannot work eight hours a day at his trade and write popular songs as a side line.  
That's funny! We thought that some of the current crop had been written by shepherders.  
And some of the singing commercials must have been written in the booby hatch.  
Nowadays, what isn't worth saying is sung.  
Our neighbor says that contralto is a sort of low music that only ladies sing.  
And we suppose the tune the old cow died on was in beef flat. Wow!  
After that one, we better get down to business. Speaking of business, we certainly want to express our appreciation for the unusual patronage you have given us lately.  
THANKS

**Miss Dugal and James Stokes  
Wed in Candlelight Ceremony**

In a beautiful church candlelight ceremony at the First Baptist Church, Littlefield, Thursday evening, Miss Ruthie Dugal became the bride of James Stokes, before an altar decorated with a lovely arrangement of white gladioli and Ketita palms, flanked by candelabra holding white tapers.

Rev. Lee Hamphill, pastor, officiated with the single-ring ceremony. The bride is the daughter of the late Mr. and Mrs. A. L. Dugal of Baton Rouge, La.

The groom is the son of Mr. and Mrs. J. M. Stokes of this city.

The bride wore a light gray wool dress, trimmed in gold, and brown and gold accessories, and carried a brown orchid, centered in a puff bouquet.

Attending the bride were: Miss Ruth Griffin, maid of honor, who wore a beige crepe dress with brown accessories, and Miss Ranell Chaney, bridesmaid, who was dressed in a dusty rose crepe frock with brown accessories, both of whom carried fan-shaped blue delphinium bouquets.

The groom's attendant was his father; and ushers were the groom's brother, Malcolm Stokes, who lit the candles, and Pryor Hammons Jr., of Littlefield, and Earl Neil and Jason Allen, both of Lubock.

The bride is a graduate of Baton Rouge High School; she attended the University of Louisiana, and received her medical technology degree from the Fort Smith, Ark., Medical Technological School. She has been employed as medical technologist at the Payne-Shotwell Hospital for the past two years.

Mrs. Stokes is an attractive and accomplished young lady, who is exceedingly popular with the younger set.

Mr. Stokes is a member of one of the most prominent and highly regarded families of the South Plains. They are pioneers of this city, Mr. and Mrs. Stokes having owned and operated the Stokes Drug Store for the past 22 years. James has always taken an active interest in the business whenever in the city. He is a young man of sterling character, pleasing personality, and wins friends wherever he is.

The groom is a graduate of Littlefield High School with the class of 1940, and attended Texas Tech College three years, majoring in government. He served three years in the Navy, with two years in the Southwest Pacific. When discharged recently he was serving as captain. He was awarded two bronze stars for outstanding service on Okinawa and Luzon. He was also awarded the American Defense, the Asiatic-Pacific and the Philippines Liberation ribbons.

Mr. Stokes will return to Tech College this fall and complete his work to secure his BA degree, after which he will enroll in the State University and study pharmacy.

Immediately following the ceremony a reception was held at the J. M. Stokes home.

With Mr. and Mrs. Stokes, as host and hostess, in the receiving line were: Mrs. Stokes, Mr. and Mrs. James Stokes and Mrs. Linda Beth Hurt.

Other members of the house party were: Mesdames T. Wade Potter, L. C. Grissom, Minnie Kate Jones, Oscar Wilemon, W. C. Thaxton and W. G. Street.

The bride's table was laid with lace cloth, centered with a three-tiered white wedding cake, topped by miniature bride and groom, on either side of which were candelabra holding white tapers and vases of white gladioli.

Punch and cake were served. Miss Billye Marie Hopping rendered piano music during the reception.

The couple left Thursday evening on a two weeks' wedding trip to scenic points in New Mexico, including Tres Ritos, Taos, etc.

The bride's going-away costume was a black wool suit with black and turquoise accessories.

Mrs. E. A. Tidrow, who has been suffering from a kneecap infection for the past ten weeks, was taken to Dallas by Mr. Tidrow Tuesday, where she will undergo treatment by Dr. Fry of the Medical Arts Hospital. Mr. and Mrs. Tidrow will remain in the home of their son and daughter-in-law, Mr. and Mrs. Leroy Tidrow, while she takes treatment, and until they can get a room in the hospital. Mrs. Tidrow has recently had her knee in a cast for 33 days, and suffers a great deal of pain with it.

Mrs. Robert Parker and two sons, of Alice, Texas, arrived Tuesday of last week for a two weeks' visit with her parents, Mr. and Mrs. Lee Bennett. From here they will go to Floyd, N.M., where they will attend a family reunion of the Parker family.

Mr. and Mrs. Jack Sheldon of Kilgore, Texas, arrived Saturday to visit two weeks with her parents, Mr. and Mrs. E. C. Cundiff.

Mr. and Mrs. I. D. Onstead and daughter, Jean; son, Ronnie; and son and daughter-in-law, Mr. and Mrs. Norris Onstead returned home Saturday from a vacation trip to Kerrville, Texas, and other points. They first went to San Marcos, where Ronnie has been attending school, and were accompanied then from there by him.

Mr. and Mrs. C. C. Tremain of Brownsville, Texas, spent Monday and Tuesday visiting friends here. They were en route home from Denver, Colo., where they had spent three weeks. They were accompanied to Denver by Mr. and Mrs. Rolly Kaufman of Clovis.

Captain L. T. Godfrey of Roswell, N.M., spent the weekend with his sister, Mrs. Kate Gimmell, and niece, Miss LaVerne Hayhurst. Captain Godfrey is coach at New Mexico Military Institute at oswell, N.M.

Ed Fowler is in Dallas taking treatment. Mrs. Fowler and son, went by plane to Dallas Wednesday, to join Mr. Fowler, and they will return home by automobile Sunday.

Mrs. Willis Giddens has been with her mother, Mrs. H. B. Sanford, at Dallas, who has been ill, for the past two weeks. Mr. Willis' mother, Mrs. Joe Giddens, of Lubbock, came to take care of the Giddens household in Mrs. Giddens' absence, and she, too, was taken ill with a kidney ailment.

Mr. and Mrs. Carl Lambert of Redlands, Cal., spent Monday and Tuesday visiting friends here. They were guests in the home of Mr. and Mrs. W. H. Roberts, Mr. and Mrs. Andy McGehee, and Mr. and Mrs. Otis Smith. They had been at Hubbard, Texas, visiting Mr. Lambert's father, P. H. Lambert, and left here Tuesday to visit relatives in Lubbock until Friday, after which they will return home to Redlands. Mr. and Mrs. Lambert, who lived here a number of years, left six years ago. They lived in Muleshoe for two years, and then went to California, where Mr. Lambert worked in government defense, and now has a government job.

Mrs. O. N. Robison and daughter, Miss Lucy Robison, left Sunday on a month's vacation trip. They planned to visit their son and brother, Newton Robison, and wife and family, at Los Angeles, Cal.; another son, Ransom, wife and family, at Eugene, Ore., and Mr. and Mrs. Cecil Robison and family at Spokane, Wash.

### MISS CAROLE CLEAVINGER AND GOLDMAN P. DYER WED MONDAY

In a pretty candlelight ceremony at the Earth Baptist Church Monday evening, Miss Carole Cleavinger, daughter of Mr. and Mrs. Norman Cleavinger, of four miles northwest of Spring Lake, and Goldman P. Dyer, son of Mr. and Mrs. Dyer, of Whitharral, were married.

Rev. H. W. Barnett, pastor of the Methodist Church of Silverton, formerly pastor of Earth Methodist Church, read the double-ring ceremony before an altar decorated with white and pink gladioli and Kepita palms, and flanked by candelabra holding white tapers.

The bride was charming in a white embroidered organza formal dress, long sleeves, and sweetheart neckline. She wore a finger-tip veil, and carried a puff bouquet of stephanotis and white orchids.

Her attendants were Mrs. Gerald Haberer, as matron of honor, who wore a blue dress of sheer material, and carried a colonial bouquet of pink pom-pom asters; and Miss Norma Cleavinger, sister of the bride; Miss Rosamary Dyer, sister of the groom; and Mrs. Russell Haberer, as bridesmaids, who wore formal blue dresses and carried colonial bouquets of pink and white pom-pom asters.

The ring-bearer was the bride's cousin, Judy Cleavinger, daughter of Mr. and Mrs. M. E. Cleavinger Jr., of Stratford, Texas.

The groom was attended by his brother, Wesley Dyer, and James Cleavinger.

Other members of the bridal party were: Miss Hooper of Whitharral, and Miss Lois Cleavinger.

Ushers were: Russell Haberer, Earl Parish, Edwin Dawson and Mr. Harbin.

Mrs. Earl Parish played the wedding music.

During the service Harley Bull gave two vocal numbers, "My Hero" and the "Lord's Prayer."

Immediately following the ceremony a reception was held at the home of the bride's parents.

Mrs. Dyer was graduated from Spring Lake High School with the class of 1941, and received her BS degree from Tech College in 1945, teaching home economics in Whitharral High School last year.

The groom is a graduate of Whitharral High School, and a student of Texas Tech College. He spent three years in the Navy, and plans to return to Tech College this fall and work towards securing his BA degree.

### To Present Pupils In Recital Sunday

Mrs. Ivan Fowler will present Johnnie Muriel Evans in a piano recital Sunday afternoon, Aug. 25, at 5 o'clock, in the First Methodist Church.

Mrs. Fowler will be assisted by Mrs. Peques Houston at the organ, and Walter Still on the accordion. The public are invited.

### To Aid Veterans On Terminal Leave Pay At Red Cross

Former servicemen and women eligible for terminal leave pay provided under recent congressional legislation for World War II veterans of the Army, Navy, Marine Corps, and Coast Guard will be furnished assistance with applications by the Lamb County Chapter of the American Red Cross, Mrs. Lyle Brandon, executive secretary, announced Wednesday. Besides helping the veterans process the application forms to be available soon through post offices, Red Cross chapter workers will notarize the completed forms.

Mrs. Brandon advises the veteran's application must be accompanied by the original discharge certificate or certificate of service or photostatic or certified copies of certificate in lieu of a last discharge certificate.

The bill provides that discharged enlisted personnel will be paid for unused furlough time the daily pay rate of the last grade held, plus 70 cents a day for subsistence and, in case of those in the upper three pay grades with dependents, an additional \$1.25 a day for quarters. Pay-

ment will be made for the number of days of leave due the rate of two and one-half days for each month of service, less the number of days actually taken.

The act provides for payments to discharged personnel in case of bonds for accumulated leave up to 120 days between Sept. 8, 1939, and Sept. 1, 1946. If the amount due a veteran is less than \$50, or if he is discharged before Jan. 1, 1943, payment will be made by Treasury check. For amounts of \$50 and more, payment will be made in multiples of \$25, with a check for the balance. Maturity date of the bonds is five years from the date of separation from service. They are non-negotiable and non-transferable, but they may be used for payment of premiums, loans or conversion on government or national service life insurance.

### Contest To Decide Queen of Rodeo

Good progress is being made by the Littlefield Junior Chamber of Commerce in preparations for the rodeo being sponsored by this organization, and scheduled to be held in Littlefield September 19, 20 and 21.

Hilton and Sims of Fort Sumner, N.M., are to furnish the stock for a complete show, including bareback broncs, calf roping, saddle broncs, trick riding, bull riding and bulldogging.

Monte Regger is to furnish the trick riding acts, and will announce the show. The Littlefield Boy Scouts will present a special snake dance at all performances.

There will be a sponsors' contest with contestants from neighboring towns to determine the queen of the rodeo.

This is to be an annual rodeo, to be held at the new arena recently constructed on the fairgrounds here.

### EVERYBODY GET ALL DRESSED UP FOR THE RODEO

Everybody get all dressed up for the rodeo.

Dig into trunks, chests of drawers, closets . . . any place you might find something cowboy and Western to wear the three days of Littlefield's rodeo, September 19, 20 and 21.

See what you have, buy what you need; but, goshamighty, let's all get dressed up for the rodeo! Boots and spurs, gaudy shirts and big hats will be tops.

And, if you have a horse, or can borrow one that will not set you down flat and rough on the pavement when the bands start to play, then ride in the parade on the opening afternoon.

M. L. Aycock, of the Lavender Motor Co., is in charge of arrangements for the parade, which will form at the courthouse, move through Phelps Avenue to Highway 84, then east to Highway 51, then south to the rodeo grounds.

It used to be that when a man put his hand on his hip you thought he was a foe. Nowadays you know he is a friend.

## REA To Submit Application For Extension of Power Lines

**All Requests Must Be Received Here By August 25**

**This May Be Last Application To Be Made In Some Time**

As announced by J. H. Carl, manager, the Lamb County Cooperative is planning to submit another application for a loan to extend lines in this area.

Mr. Carl stated they were taking applications until August 25 for new lines, and that all applications reaching the required revenue of \$7 per mile would be submitted for loan, adding that in all probability this will be the last application submitted for some time.

He points out that, with the lines now built, and the lines to be built with the money the Cooperative now has on hand, and the applications now being taken, that 90 per cent of the farm homes over the territory will be taken care of.

Mr. Carl urges on anyone wishing electricity who has not already his application in proper shape, to do so at once, before the deadline on August 25.

### EDWARD GASTON DISCHARGED

### Davis Furniture And Upholstery Move Friday Last

The Davis Furniture & Upholstery, of which Eddie Davis is owner and operator, moved Friday last to the building formerly used as a hatchery by the Porcher Produce.

Mr. Davis has been in business in Littlefield since May, 1945. He is factory trained, and has been in the furniture and upholstery business for 23 years. Recently he has been carrying on mostly an upholstery business here, but plans as soon as springs, etc., are available to go into the manufacturing of studio couches.

The Davis Furniture and Upholstery is open and ready for business in the new location.

### Rev. Roy Shahan Writes Leader Interesting Letter

The Leader was indeed pleased to receive this week a nice letter from Rev. Roy Shahan, formerly pastor of the First Baptist Church here, but who left here for Snyder, and is now pastor of the Immanuel Baptist Church at San Angelo.

Rev. Shahan, besides sending us an announcement of the approaching marriage on September 3 of their daughter, Joy Jeann, to Kenneth O. Browning, of Pampa, enclosed a late issue of the Immanuel Messenger, published weekly by him for his church. It is very beautifully gotten up, announces a revival meeting beginning Monday of this week at the Immanuel Baptist Church, with pictures of Rev. E. T. Miller, who is doing the preaching and Carl Nance, who has charge of the music at the meeting, with other illustrations.

Rev. Shahan is a very capable man and one of the most outstanding pastors in Texas. He and his family have a large circle of friends in Littlefield and area, who will be interested in news of the Shahan family.

The letter received by the Leader is as follows:

"Surprised to hear from me? Guess you are. I am taking for granted that you are still there as it has been some time since any of us were out that way.

"I am enclosing the announcement of our daughter's marriage. She finished high school there, and has many friends there. We hope we still have some friends living in Littlefield, so thought you might run this announcement in your paper.

"We are now living in San Angelo; have been here since December, 1945. We like here fine and have a good church.

"Trust both of you are well and going to church. If we are ever out that way again you may rest assured

we will drop by and see you.

"If you run this announcement in the paper, we would like to get a copy. You can come by some time and take in our 'GOOD PREACHING' (?)

"With every good wish,  
"Very sincerely,  
ROY SHAHAN."

### Clifford D. Pierce President of Lions International

Clifford D. Pierce of Memphis, Tenn., is the new president of the International Association of Lions Clubs. He was unanimously advanced from the first vice-presidency to the presidency at the annual convention of the association which closed July 19 in Philadelphia, Pa. Pierce succeeds retiring President Ramiro Colazo of Havana, Cuba.

The Philadelphia convention concluded one of the most successful years in the history of Lions International, according to the report made by the secretary-general, Melvin Jones. He reported the formation of 685 new Lions Clubs and the addition of 60,932 men to the roster of the association in the 12-month period ended June 30, 1946, which raised the total club figure to 5,400 and the membership to 279,116, which is by far the largest in the history of the international association. He also stated that during the year Lions clubs had been established for the first time in three additional countries or territories — Ecuador, Bermuda, and Curacao, NWI.

 Proposing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for a selection and the issuance of proclamation therefor.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas

for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State of Texas to Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of bonds, provided for herein, for a period of eight (8) years from the effective date of this amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may

## Mrs. Nona Lewis And Stanley Masters Marry August 14

Mrs. Nona Lewis of Whitharral and Stanley Masters of Levelland, son of Mrs. Stella Zimmerman of Littlefield, were married Wednesday morning, Aug. 14, in a double-ring ceremony. Brother Meers, pastor of the Missionary Baptist Church, performed the ceremony in the home of Mrs. Zimmerman.

The bride wore a powder blue suit with brown accessories and a white corsage. Only the immediate families of the bride and groom were present. The couple left immediately after the ceremony for Possum Kingdom Dam to spend the weekend, after which they will make their home in Levelland.

The bride has operated her own business, Nona's Confectionery, in Whitharral, for the past few years. Mr. Masters is a graduate of Woodson High School. He received his discharge from the Navy Feb. 15. Since then he has operated the Phillips "66" Service Station in Levelland.

be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, any one of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b, creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any fund in the Treasury of the State not otherwise appropriated to pay the expense of such publication and election.

## Farmers' Income Record Books Are Now Available

COLLEGE STATION. — With the half-way mark in the year's business recently gone by, Tyrus Timm, economist in farm management for the A&M College Extension Service, reminds farmers that the income tax will again be due on January 15, 1947, and that complete farm records should be kept. Like the last pay period, a farmer may elect to make a final return on March 15, 1947, but this last date is for final correction. The main bill still is due on January 15.

More than 95 per cent of Texas farm families file on a cash basis, says Mr. Timm. In this connection, various sections of the Texas Farm Record Book prepared by Texas A&M College will give the facts necessary for income tax returns.

The total amount of money received for crops and livestock raised on the farm should be recorded on pages 10-23 of the Texas Farm Record Book. Cash received for such services as work on other farms, hire of tractor, AAA payments, and the like should be itemized on the same pages in the miscellaneous sales column.

List sales of livestock and other items previously bought on pages 10-23 and purchase price on pages 24-25 under expenses. All cash farm operating expenses (not household) and the purchase price of animals that died during the year also should be put on these pages.

Depreciation on farm buildings and equipment goes on pages 1-7. If you don't have one, full particulars about the Texas Farm Record Book may be obtained from your local county agent.

If you value your property, never store kerosene or gasoline inside a house or barn.

**1,080,000 POUNDS OF BLACKEYED PEAS ARE NEEDED FROM WEST TEXAS EACH DAY BY GILBERT C. WILSON, Laboratories AT Pittsburg, Texas**

We will need 1,800,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

MR. R. W. BADGER, Box 1146, Phone 78, Littlefield, Texas, will handle buying for us in the Levelland and Littlefield territories, setting up receiving points at convenient loading places throughout the territory, to be designated later. He will take care of receiving and will pay for the peas at the time they are received.

We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton. The demand for canned blackeyes appears to be far in excess of what canners can supply this year. We will also buy dried blackeyed peas this year.

**Information For Veterans**

makes a false statement in order to cause allowances to be issued under the act.

Q. Does a veteran who is partially unemployed have a right to readjustment allowances?

A. Yes, a veteran who works less than his normal number of hours and who receives less than \$23 per week should inquire at the nearest employment office of the state unemployment compensation agency as to his eligibility for partial readjustment allowances.

Q. Can a veteran have a loan guaranteed or insured to buy or construct more than a single-family home?

A. Yes, but one veteran cannot get a guaranteed or insured loan to buy or build more than a four-family home. If more than one veteran is buying, then the basic four-family home is allowed for the group and this may be increased by one additional family unit for each veteran participating; thus two veterans can buy or build a six-family home, three veterans a seven-family home, etc.

If you must do your own dry cleaning, for safety sake do it outdoors and with non-inflammable liquids. Avoid cleaning with gasoline or other highly inflammable materials.

**Social Security Official To Be In City August 28**

Elliott W. Adams, manager of the Social Security Administration in Lubbock will be in Littlefield at the U. S. post office at 10:30 a.m., Wednesday, August 28, for the purpose of assisting persons who have questions regarding Social Security, taking claims from persons who seem to be entitled to benefits and taking applications for Social Security account number cards.

Women workers should notify the Social Security Administration when they marry so their names can be changed on the records in Baltimore. If they do this they will make it easier for themselves and the Social Security Administration when the time comes to file claims for old-age and survivors' insurance benefits.

The Administration does not assign her a new number, but issues a new card bearing her present name and the number that was originally issued to her. She thus will have only one Social Security number during her entire lifetime. If she had more than one number or uses more than one name, she may stand to lose here benefits.

**President Signs Bill Reducing Air Mail Postage**

President Truman has signed the bill reducing all mail postage to five cents an ounce. The new rate will go into effect Oct. 1.

Postmaster General Robert E. Hannegan said the five-cent rate will be extended to servicemen stationed abroad as well as to civilians authorized to receive mail through Army or Navy post offices. Air mail letters to servicemen abroad now costs six cents an ounce.

The new five-cent rate will apply to air mail traveling between points in this country and to any U. S. territory. As an example of the saving this will bring, Hannegan pointed out that at present air mail postage between the U. S. and Guam is 35 cents a half ounce. Under the new law it will drop to five cents an ounce.

Some of the letters that newspapers receive are about as hard to read as a doctor's prescription written with a post office pen in the rumble seat of a second-hand car.

**Price Increases Are Granted**

Prices increases, estimated by an OPA official to cost the public "well over \$150,000,000 a year," have been granted on such articles as radios, stoves, washing machines, vacuum cleaners, toasters and irons.

OPA said the increases were required by the new price control law which specifies that profit margins must not be cut below levels of March 31, 1946. Items affected are those on which dealers had been required to absorb part of price increases granted earlier to manufacturers.

The price agency itself announced only that the raises ranged from three to 12 per cent. The \$150,000,000 estimate was given by an official who would not be quoted by name.

The increase takes effect as soon as dealers receive shipments tagged by the manufacturers with the new prices.

The average retail increases on 20 classes of consumer goods are:

On radios and electric phonographs, three per cent; electric stoves, nine per cent; gas stoves, five per cent; small electrical appliances, toasters, electric irons, heaters, shavers, four per cent.

Bicycles, 3.5 per cent; box springs, 12 per cent; ordinary household chinaware, seven per cent; clocks and non-jewel watches, six per cent; coal, oil and woodstoves, five per cent; dry batteries, eight per cent.

Household aluminum cooking utensils, five per cent; metal bed springs, four per cent; metal cots and double-deck beds, three per cent.

Metal office equipment, four per cent; outboard motors, five per cent; photographic equipment, such as cameras, small projectors and light meters, six per cent.

Portable typewriters, five per cent; vacuum cleaners, seven per cent; washing machines, seven per cent; and window shades, ten per cent.

OPA said higher prices for refrigerators will be announced shortly.

The increases were granted under new price control law provisions which prohibit OPA from cutting profit margins of wholesalers and retailers below their margins of last March 31.

Commenting on recent price increases, Administrator Paul Porter said:

"There appears to be some misapprehension in the minds of the public that these increases are being

granted at OPA's discretion; this is not the case. The public should understand that these increases are necessary to comply with the law and that we are required to take these actions within 30 days after the enactment of the law July 25."

Porter said he wanted to emphasize the "OPA has not changed its policy of establishing ceiling prices based only on requirements of law or for bona fide supply reasons."

He added that OPA will follow the standards laid down by Congress "in such a manner as to afford the maximum protection to the buying public that is possible under these standards."

Porter said OPA expects that the increases will be the last in the consumer goods field, except for refrigerators.

**Miss Jo Lentz And Jack Withrow Wed**

Miss Jo Lentz, daughter of Mr. and Mrs. G. E. Lentz, became the bride of Jack Withrow, son of Mr. and Mrs. J. E. Withrow, of Sudan, Wednesday morning, Aug. 14, at 6:30. The ceremony was performed at the First Baptist parsonage by Rev. Lee Hemphill.

The couple left for Carlsbad and Ruidoso immediately after the ceremony for a week or ten days. On their return they plan to make their home near Sudan.

## Approaching Marriage of Miss Shahan and K. O. Browning Is Announced

Rev. and Mrs. Roy Shahan are announcing the engagement and approaching marriage of their daughter, Roy Jeann Shahan, to Kenneth O. Browning. The ceremony will take place Tuesday evening, September 3, at 8 o'clock at the Emmanuel Baptist Church, San Angelo, Texas, with Rev. Shahan, pastor, reading the service.

Rev. Shahan was formerly pastor of the First Baptist Church, Littlefield, leaving here to take over the pastorate of the First Baptist Church, Snyder, Texas, and later going to San Angelo as pastor of the Emmanuel Baptist Church.

The bride-elect is a graduate of Littlefield High School with the class of 1942; and also graduated from Wayland College, Plainview, in 1944. At Wayland College she was a member of the girls' quartet and chorus; served on the staff of the "Jackrabbit", the college paper, and the "Traveler", college year book. She also served as president of Gamma Delta sorority two years.

Miss Shahan was graduated with

the summer class in August of this year from Hardin-Simmons University, Abilene, with a BS degree, majoring in business administration. At Hardin-Simmons she was a member of the chorus, players' club, B.A. Club, and Beta Mu Kappa sorority. She is now employed in the business office of Hardin-Simmons University.

Mr. Browning is the son of Mr. and Mrs. Fred H. Browning of Pampa, Texas. He was graduated from Lefors High School in 1941; and from Wayland Baptist College, Plainview, in 1943. While at college he was a member of the Speech Club, band, Chorus, B.S.U. Council, college quartet, International Relations Club, and served as editor of the college paper, the "Jackrabbit."

He served 30 months with the Army Air Corps, most of which time was spent overseas on Guam and other islands in the South Pacific.

Mr. Browning will enroll in Hardin-Simmons in the fall semester as a junior, majoring in chemical engineering.

Marcia Jean Berg Honoree At Birthday Party Friday Last

Mrs. Dan Berg was hostess to a group of children Friday afternoon at the Berg residence on West Third Street, honoring her little daughter, Marcia Jean, on her sixth birthday.

Assisting Mrs. Berg in the entertaining were: Misses Jessie Boykin, Juanita Hamilton and Bertie Thrash. The home was decorated in true Western style, with lanterns hanging about, and the guests were dressed as cowboys.

The honoree was the recipient of many pretty and much appreciated gifts.

Games were enjoyed by the children, after which refreshments of iced Coca-Cola, ice cream and cake were served.

Plate favors were candy-filled lanterns.

The guest list included the honoree, little Marcia Jean Berg; Sandra Connell, Jodie Giddens, Beverley Yohner, F. E. Yohner Jr., Betty Harsh, Sharron White and Phillip Jones.

## Mr. and Mrs. Vernie Evans In California

The Leader is in receipt of a letter from Mr. and Mrs. Vernie Evans stating they are now living in the San Joaquin Valley in California, and are liking it fine. However, they also add that they like Texas and Littlefield as ever, and want the Lamb County Leader sent them.

Their many friends here will be interested in receiving this news, and for their information the Evans' address is Box 81, Ceres, Cal.

## Raymond Glover Is Home, Discharged

Raymond Glover, son of Mrs. J. C. Glover, who has been in the service over a year, has been discharged and arrived home Tuesday of last week. When released Glover held the rank of seaman first class in the Navy.

He has been stationed at San Diego, and Port Hueneme, Cal.; Treasure Island and other points. He received his discharge at Camp Wallace, Houston.

Mrs. Glover has had five sons in the service, all of whom are now discharged, Raymond being the last one to be released.

The five sons are Bertram, Cephas, B. F., Boyd, and Raymond.

## Sweethearts in Youth to Marry After Years of Separation

Mrs. Parlee Champion and Burt Jones, both of Dallas, were married here Saturday afternoon at the court house, with Justice of the Peace S. J. Farquhar officiating with the singling ceremony.

The bride had been visiting relatives in this area; and immediately following the ceremony the couple left for Dallas.

An unique feature of this marriage is reported. This couple were sweethearts in their youth, but World War I separated them, Mr. Jones enlisting and going into the service. In the meantime the now Mrs. Jones had married. Later, Mr. Jones married also. In the time that elapsed, her husband died, and his wife also passed away. Now, Mr. Jones at 51 and Mrs. Jones at 44 marry, and we wish for them happiness for many years to come.

## Leaves For Dallas On Business Trip

J. H. Carl, manager of the Lamb County Electric Cooperative, accompanied by C. M. Saunders, contractor for H. section of REA lines, left for Dallas Sunday to secure materials for 11 miles of lines in K. section, and construction is scheduled to start as soon as materials are on hand.

In an interview with Mr. Carl Saturday, he stated "We are going to comb the country for materials, but we don't know whether or not we will be successful."

## NEPHEW OF OLTON MAN FATALLY HURT

Byrd Rhodes of near Alvarado, nephew of Bob Starritt, Olton, was fatally injured in a collision of two cars Friday, Aug. 9, one mile south of Alvarado. He was driving one of the two autos in which six other persons were injured.

Mr. and Mrs. Bob Starritt and family left the next day to attend the funeral services, which were held Sunday.

Rhodes was a corporal in the Infantry before being discharged last September. He had been awarded several medals.

### War Assets Sale At Pantex August 26

With the War Assets Administration's site-sale program gathering momentum, the latest such sale toward bringing the program into full swing is one scheduled at the Pantex Ordnance Plant, Amarillo, for August 26 through September 9, 1946.

The sales method is similar to that employed by a manufacturer's representative, in that samples are displayed, with all prospective purchasers thus given the opportunity to inspect prior purchases. But, contrary to the established commercial policy, WAA insists that, in cases where there is more than one item, the least desirable piece be put on display as a sample, assuring the buyer that when he buys in quantity, he will receive merchandise in no worse condition than that shown him.

The merchandise to be sold at Pantex includes textiles, electrical equipment, hardware, paper products, furniture, office equipment and furniture and machinery. The textiles range from mattress covers to asbestos suits. In the electrical line, buyers will find everything from switches to power plants; and, if you're interested in carpenter tool sets, scales, ice chests, manure forks or sandblast cabinets, they can be found among the hardware. There is the usual assortment of furniture and office equipment, and the machinery includes such items as chlorinators, concrete mixers, baling machines and portable conveyors.

As is the custom at site-sales, priority groups will be given the first opportunity to buy. The dates are as follows: Federal agencies, August 26; certified veterans of World War II, August 27, 28, 29, 30 and September 3; RFC buying for small business, September 4; state and local governments and instrumentalities, September 5; eligible non-profit institutions, September 6; and non-priority buyers, September 9.

For the information of veterans, only veterans properly certified by SWPC or WAA on veterans preference certificate Form 63 will be admitted to the sale. Veterans holding oldest certificates will be given priority in purchasing. The property for sale does not include set-aside items. Therefore, purchases made at this sale cannot be made for veterans' personal use. All purchases must be for veterans' own small businesses, professional or agricultural enterprises or for resale.

## Cotton Holds Sharp Gains Chalked Up

Steady to weak price trends, moderate to heavy offerings, and a fair demand featured Southwest farm markets during the second week of August, according to USDA's Production and Marketing Administration.

Cotton held the sharp gains chalked up during the preceding week. Texas reported a strong demand for medium to high white grades, but elsewhere the market was rather dull. Sales at the 10 principal centers fell to only 51,000 bales against 81,600 the first week of August. Additional crop damage is expected to result from the continued hot dry weather with some cotton opening prematurely. Picking is almost completed in the Rio Grande and Coastal Bend areas and is now general in South Central Texas.

Wool demand continued active with prices at ceiling for good qualities and 8 to 10 cents below previous quotations on defective types. Mills took additional weight from Texas country points. Fall clip mohair in Texas brought 58 to 59 cents a pound for adult, 69 cents for yearling, and 78 to 79 cents for kid hair.

High prices and drying pastures combined to send another large supply of livestock to market during the past week. Grass cattle movement expanded seasonally. Demand, except for the very best grades, was slow to only moderately active. Prices were irregular, with best grain-fed steers generally steady to strong, while most other cattle sold weak to lower. Hogs were under considerable pressure, losing \$4 a hundred pounds at Fort Worth and \$1.50 to \$2 at other markets in the Southwest. Sheep and lambs sold fairly steady at San Antonio, but were down anywhere from 50 cents to \$2 a hundred pounds at other terminals.

With more meat available, consumers showed indifferent interest in liberal supplies of poultry, and prices weakened though Southwest markets displayed less easiness than the large eastern and northern consuming centers. Egg prices, on the other hand, continued to strengthen with receipts decreasing seasonally in the face of excellent local and export demand.

Among the companies planning to attend the Woodmen of the World district encampment of the uniform rank for one week, opening Sunday next, at Catalena Lake, Couchdale, near Hot Springs, Ark., will be Company L, 112th Regiment, of Littlefield Camp No. 3871, of which Allan MacDonough is captain, and W. D. Chapman is district manager.

Members of the company who plan to attend and who will leave here Saturday for the gathering will be: Vincent Boring, Granville Perkins, R. N. Kyzer, Eddie Davis, Bud Young, K. J. Montgomery, W. I. Banks, Floyd Brown, H. C. Sisson, Billie Sisson, A. J. Sisson, J. P. Bean, J. D. Dodgen, L. D. Stanaford, John Sisson, Woodrow Altman, Mr. Williams, Troy Howton, W. D. Chapman and Allan MacDonough.

The local camp has the distinction of being the only group this side of Fort Worth attending this encampment, which would indicate that the Littlefield Woodmen are a progressive and wide-awake society.

It is expected that more than 700 men from 11 states will attend. To provide housing for the thirty-nine companies, a tent city will supplement the permanent cabins. Commanding General William C. Braden, for whom the camp has been named, has announced.

Col. J. B. Goodwin, Little Rock, Ark., will be camp commander. Assisting him in directing the week's program of field drills, floor work, parades and recreation are Major Gen. E. E. (Blue) Howell, Col. C. L. Burmaster and Lt. Col. C. M. Richards, all of the general staff from the Omaha national headquarters of the society, and Colonels Claude Hamilton, Dallas, Texas, camp quartermaster; W. A. Tidwell, Little Rock, transportation and public relations officer; James Barton, Kirklint, Ind., special duty; R. L. Forgan, Oklahoma City, commanding the First Provisional regiment; and T. E. Newton Jr., Waxahachie, Texas, commanding the Second Provisional regiment.

Concluding the week of training, prizes will be awarded to companies, battalions, regiments and individuals in competitive drills. In addition to the semi-military training activities, the men will take part in a recreation program of baseball, swimming, boating and other sports each afternoon and evening.

## BUS OPERATORS' SCHOOL WILL BE CONDUCTED

Dr. L. W. Woods, state superintendent of public instruction, has announced plans for school bus operators schools to be conducted under the supervision of county school superintendents.

These training institutes are optional one or two day programs and will include discussion of the authority and responsibility in transportation of students, qualifications of school bus operators, first aid and driving procedures for school bus operators, care and maintenance of school bus and discipline of students on the bus.

These institutes are to be a joint project of the State Department of Education, the Department of Public Safety and the Texas Safety Association.

"No person in our school system has a more responsible position than our school bus drivers," Dr. Woods stated in announcing the program. "The fact that 6,100 school bus drivers transport daily to and from school more than one-third of the school children of Texas and the fact that last year eleven children were killed as a result of school bus accidents offer a serious challenge to us to do everything possible to upgrade the driving ability of each of these drivers," he said.

Similar institutes were attended by 5,500 school bus drivers last year. It is hoped by leaders of the program that the county school superintendents will schedule institutes this year so that one hundred per cent attendance will be had.

Plans call for completion of institutes not later than October 15.

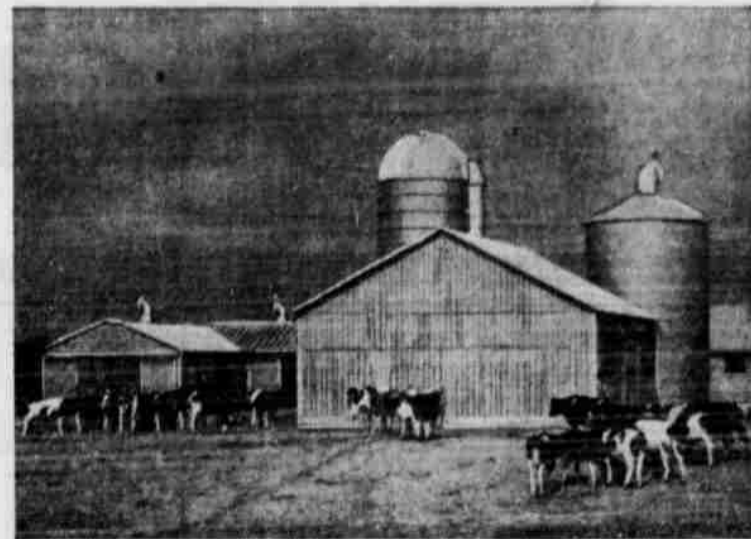

## Tech Graduating Exercises Aug. 28

The 1946 August graduation exercises will be held by Texas Technological College Wednesday, August 28. Degrees will be conferred on 118 students, including ten candidates for master's degrees.

O. B. Ratliff, only former student of Texas Tech to serve on its board of directors, is to be the commencement speaker, the first ex-student to be selected for such an address.

A. H. Leidigh, dean emeritus of agriculture, will deliver the invoca-

## New Type Farm Structures Offer Benefits

Possibility of prolonging the life of dairy cattle through better housing and better management is being studied by steel companies through research projects at farms and at state agricultural colleges, according to the American Iron and Steel Institute.

"The dairy cow in this country goes out of production when she should be in her prime," says Dr. E. E. Haiser, chairman of the Dairy Husbandry Division of Wisconsin's College of Agriculture where an experimental welded-steel dairy farm unit has been erected. "Four years are about her limit."

Complete facts are not yet available, but the American Iron and Steel Institute has announced that various studies of farm structures being conducted by the industry point to the possibility of substan-

tial benefits to the farmer through buildings adaptable to a wider range of farm activities, and buildings permitting closer control of ventilation, temperatures and other factors affecting the health and productivity of dairy cattle, poultry and other livestock.

Some of the steel structures which have shown interesting potentialities for farm use are movable, prefabricated steel hog houses designed to reduce the loss of baby pigs, steel poultry houses, and low steel sheds which are fireproof, weather-resistant and vermin proof, and are adaptable to as many uses as the famed Quonset hut.

Others are steel dairy barns with ventilating systems and insulated roofs, and steel haykeepers in which hay is cured by forced ventilation.

tion and Brown C. Welch, pastor of the Lubbock Cumberland Presbyterian Church and a Tech graduate, the benediction.

The commencement program will be held in the open air on the administration building green, weather permitting. If the weather is inclement exercises will be held in the college gymnasium.

Final examinations are scheduled for Monday and Tuesday, August 26 and 27.

Indian legends of its existence fired Ponce de Leon's imagination. But though he searched patiently, he never found the wonderful fountain. We smile at the old explorer's gullibility... Yet the idea of extended youth and vigor, per se, is no longer considered fantastic or ridiculous. Modern medical science is taking amazing strides towards the postponement of old age... the SAME goal that Ponce de Leon, with 16th century superstitions, sought so hopelessly... And that's another reason why your doctor and we eagerly anticipate science's future developments, and their benefits to you.

### RECEIVES LIBRARY

WACO, Texas.—Baylor University has received the personal library of the late Dr. J. B. Tidwell, long-time head of the Bible department at Baylor, as a gift of Mrs. Tidwell, President Pat M. Neff revealed this week.

The collection consists of more than a thousand volumes, principally in the fields of religion and biog-

raphy, and many thousands of pages of manuscripts of Dr. Tidwell's speeches and books.

The big hotels may have many stories, but there is one story they all have—"No Vacancies!"

### Chrysler Offers Four New Body Styles In Cars

Chrysler's Town and Country line, first introduced in 1941 with such sensational success, has been broadened and improved to such an extent that it now includes a car for virtually every purpose. Formerly confined to four-door sedans of six and nine-passenger capacity, the line now comprises a four-door six-passenger sedan, a luxury brogman and a roadster, on the Windsor chassis, and a convertible coupe and a custom coupe on the "New Yorker" chassis.

President David A. Wallis of the Chrysler Division, who was the first to see the possibilities of transforming a strictly "utility" vehicle into an ultra-smart passenger car, took the success of the First Town and Country model as an indication that this type of vehicle would lend itself to a large variety of body styles.

The complete line of Town and Country cars now offered was conceived and contemplated for the 1945 Chrysler line, which it was not possible to build due to war condition developing. However, the artists' plans and everything else were well developed, together with the plans for manufacture.

In the summer of 1944, when the automobile industry was given authority by the government to do some development work on new designs, Chrysler's pilot models of the Town and Country line were completed. The program later had to be held up, but production plans were developed immediately after "V-J Day."

While this complete line carries the name given to the nine-passenger station wagon that Chrysler previously built, neither the styling nor any of it follows the original design.

All of the cars in the Town and Country line have the common characteristic of bodies built or ornamental wood, left in the natural colors. Body members are of heavy white ash and the panels are of mahogany on plymetal plates. The result of this type of materials and construction is a car that combines distinctive beauty with great structural strength. Being built on a standard chassis, it embodies all of the fine mechanical features of the post-war Chrysler line, including a large number of improvements introduced this year.

The first Chrysler Town and Country was revolutionary in its body lines in that symmetry and grace were substituted for the harsh, square contours of former vehicles of the station wagon type. The beautifully rounded rear end, harmonizing with the flowing lines of the body, made an instant hit with the public. Here was something definitely new in the automobile world, a car that com-

bined all of the station wagon's utility with real smartness.

The front-end of the Town and Country car, from bumper to windshield, is the same as the steel-bodied cars of the Chrysler line. From there back to the rear bumper the use of wood for body members and panels gives it an appearance exclusively its own. The beautiful lines of the front fenders are carried out in the frame of the front door and the mahogany panel, completing the flowing grace of the front-end.

A metal hinge pillar is used to support the frame of the front door, with the wood member attached to it by bolts and screws. The center pillar, front and rear doors and sills and the rear deck frame are of ash. The two panels in each door, separated by an ash cross-member are of mahogany on plymetal, as are the rear quarter panels and rear deck panels.

Wood members are of such substantial size that structural strength is fully as great as in a steel body. The convertible and roadster are provided with an electrically operated top that folds into a well in the rear deck when not in use. The roofs of all save the convertible and roadster are of steel.

Striking combinations of saran and leather and Bedford cord and leather are offered in the Town and Country line. The saran combinations are particularly effective and should be very popular both because of their novelty and their artistry. A choice of 13 paint colors is available.

Salvage Sale At South Plains Army Air Field Aug. 19-22

Col. H. O. Borden, officer of South Plains Army Air Field, has announced that the fourth in a series of salvage sales will be conducted August 19 through September 22, inclusive.

Purpose of the sale is to return to civilian use items of surplus property no longer needed by the Army.

Gates at SPAAF will be open daily from 8 a.m. to 4:30 p.m. during the sale and prospective buyers will be allowed to thoroughly inspect all lots before they submit their bids.

Items for sale include the following: Leather jackets, single lots or larger; sets of tools, desk lamps, bench grinders, drill presses, sewing machines, sheet metal workers' equipments, and other scarce items.

All items will be sold by method of seal bid and awards will be made to the highest bidder. These bids will be opened at 9 a.m. Friday, August 23. Buyer's presence is not necessary but it is permissible for prospective buyers to attend opening of the bids.

Successful bidders will be notified by the salvage officer Monday, August 26, by the fastest means of communication.

For further information concerning the sale, interested parties may contact 1st Lt. E. L. Miller, salvage officer of SPAAF.

NAVY NEEDS WAVES

The Navy has raised the traditional cry of the lonely and/or troubled male whose helpmate has left him to cope single-handedly with a large and busy household. In effect, it said to recently-discharged WAVES in 13 specialists ratings, "Darlings, come home; we need you."

Voicing the all-but-plaintive request through Commanded Fred M. Sloss, USNR, director of the New Orleans office of naval officer procurement, the Navy asked enlisted KAVES veterans who saw active duty during the war return to duty in the rates they held at discharge.

Their peacetime tour of duty will last only until July 1, 1947, it was announced, although hope was held that legislation during the coming year will set up regular Navy status for WAVES and make possible permanent appointments.

Women between the ages of 20 and 36 will be accepted, Cmdr. Sloss said, regardless of the time elapsed since discharge, although applicants may not have dependents under 18 years of age.

Ratings to be accepted include seamen, telegraphers, parachute riggers, aerographers mates, aviation machinists mates, instrument, aviation storekeepers, hospital apprentices, pharmacists mates, specialists, gunnery, specialists teachers, link trainer instructors, specialists, teachers, link celestial navigation trainer; specialists, transport airmen and specialists, control tower operators.

Cmdr. Sloss said that applications from Louisiana, Arkansas and Mississippi should be submitted in writing to the Office of Naval Officer Procurement, Federal Building, New Orleans. Applications from Texas and Oklahoma will be handled by the

Office of Naval Officer Procurement at the Naval Air Station, Dallas, he said.

Again we hear talk of simplifying the income tax report. Next thing you know all we'll have to do will be write down our income, deduct our expenses, and send in the balance.

ROPE AVAILABLE

Approximately 10 millions pounds of sisal, henequen and jute rope which cost the government nearly \$3,000,000 are being made available by the War Assets Administration to agriculture, transportation, marine and industrial users. Some manila rope of a few sizes suitable for marine purposes is included in the offering.

Ranging in sizes from 1/4 to 3 3/4 inches in diameter, the rope is unused and in good condition and of high quality.

HOUSE JOINT RESOLUTION

proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:

"FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-

fourth (1/4) of such net revenue from motor registration fees than the maximum amounts and percentages of such fees shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"AGAINST the Amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction of all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said as required by the Constitution for Amendments thereto. 19-4tc

Substitute For 'Me and Paul'

"Me and Harold and Jim" is substituted for Dizzy Dean's famous "Me and Paul" by Bob Olson, 25, Baylor Journalism major, when he and his brothers plan for their future newspaper business. Meantime, all three brothers are working for the Baylor University Press, Waco.

When the editorial staff's job is done on the Lariat, Baylor's weekly newspaper, the Olsons begin their work with Bob and Harold (Bud) as the linotype men and Jim, as the make-up man.

When they get their own newspaper, Bob expects to handle the editorial department of the paper; Harold, a business major, expects to take care of the financial side, and Jim, a mathematics major, plans to manage the mechanical department.

Bob, now a third-term sophomore, worked for the Baylor Press for two years, when the Lariat was a daily, before going into the Army in Aug-

Texas University will be saluted musically on Tuesday, August 27, by songstress Margaret Whiting, (above) on the Philip Morris "Frolies" over NBC. The favorite popular tunes of the undergraduates, as determined by a poll now being made, and a medley of Texas songs, will be offered by Miss Whiting, Jerry Gray's orchestra and the Tunetoppers quintet.

ust of 1942. Harold worked for the Press for one term before receiving his draft notice on Christmas Eve.

Now both Bob and Harold are back at their old jobs with the Baylor Press, joined by Jim, who was graduated last spring as valedictorian of his high school class.

It was Bob who first started operating a linotype machine for their home-town weekly newspaper, the Sherman County Times, in Loup City, Neb. While he was in high school, he got the idea of learning to operate a linotype machine, thinking he could pay his way through college by working for the Baylor Press.

Attend Family Reunion At Kerrville, Tex.

Mr. and Mrs. Paul McCormick and family, Mr. and Mrs. Jack McCormick and family, and Miss Catherine McCormick left Thursday to attend a reunion of the McCormick family

at Kerrville. They were joined at Kerrville by relatives from Robstown, Kaufman, Spur and Slaton. This is the first time that the McCormick family has held such a gathering. The reunion was held Thursday and Friday last. After the gathering, Mr. and Mrs. Jack McCormick went on to Mason, where Mr. McCormick will conduct a ten-day meeting at the Church of Christ in that city.
