

951 Farm Labor Needs Set At 15,000 For Lamb

OFFICIAL NEWSPAPER OF LAMB COUNTY

LAMB COUNTY LEADER

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, DECEMBER 14, 1950

NO. 84

A. Keithley Is Elected President Of Chamber

A. Keithley, insurance and secretary-manager of Littlefield Federal Savings Association, was elected president of the Littlefield Chamber of Commerce for 1951 at a meeting of the board of directors at the Littlefield Coffee Shop Tuesday.

Officers elected were Nelson, vice-president; J. H. Crowell, secretary-treasurer; and J. H. Crowell, re-elected manager.

At the directors meeting, Dr. Armistead, Mr. Keithley, Allen Hodges, U. D. Walker, F. Harry Kline, W. B. Cannon, Ernest Crowell.

Chief executive of the organization first elected in 1929. He is a graduate of Littlefield high school and Tech, graduating from Texas Tech as a business administrator in 1938.

He served as an Air Corps officer. He has served in the service overseas in the 33 combat missions in Europe with a theater group. He holds a commission with four clusters.

Service Station Robbed

Water 'Steal' Scored By Users At Code Hearing

Users of underground water for irrigation purposes and spokesmen for larger West Texas cities clashed at the hearings in Austin this week on the proposed Texas Water Code.

Chief fire of the farmers and other agricultural land owners who depend on irrigation was centered on a proposal which, they contend, would take away the established rights of the land owners to the water beneath their lands and give priority to its use to municipalities.

Honor D. Grant of Lubbock, a Chamber of Commerce spokesman, advocated provisions in the code to strengthen a proposal to set aside vested rights of irrigation land owners and establish priority for municipalities to water and to recover without condemnation proceedings.

Called "Legislative Steal" This broad municipal power advocated by some West Texas cities was branded by Rep. Douglas E. Bergman of Dallas, a committee member, as a proposed "legislative steal" compared with the "government's grab of the tidelands."

A state bar water committee report presented earlier by R. Richard Roberts of Houston had opposed the broad municipal power. (Continued on Furr Food Page)

SIGN RIVER PACT — Berkeley Johnson, U. S. Geological Survey district engineer, signs the tri-state Canadian river pact at Santa Fe, N. M. Behind him are (left to right) compact commissioner Col. E. V. Spence of Texas, John Bliss of New Mexico and Clarence Burch of Oklahoma. (AP Wirephoto)

Automatic Heart Saves Plains Girl's Life

An Amarillo young woman, a cousin of Mrs. Clemmie Dubose of Littlefield and a niece of Mr. and Mrs. M. M. Dubose, who reside two and one-half miles northwest of this city, today faces a future of normal living after she gambled on one in a thousand chance against death—and won.

One chance in a thousand of surviving an extremely delicate heart operation was all the hope physicians would hold out to Mrs. Eunice Ivey, 28-year-old wife of C. S. Ivey of Amarillo.

But unless she took the chance, short though it was, she at most could enjoy only a few weeks more of life, her physician had told her.

First To Test Heart Mrs. Ivey had been under the constant care of heart specialists for nearly four years.

The operation involved the use of a new automatic heart to maintain circulation of the blood while her own heart was taken completely from its cavity and a correctional operation performed.

It was the first time the automatic heart was to be put in use. Mrs. Ivey's choice was not too difficult for her. Without the operation death was certain. With it there was a chance, however slight, for normal life.

But she was not thinking of herself alone when she agreed to the one in a thousand chance.

Thought Also of Others She was thinking also of others who someday might be faced with a similar choice.

She said later, her sacrifice, if such should have been, would have been more than justified by the knowledge that would have been gained by medical science.

And at the worst, she had only a few weeks of life to lose.

The operations were successful even beyond the hopes of the surgeons and she is recuperating at her home, Mrs. Clemmie Dubose said at Esta Mae's store Wednesday.

Mrs. Ivey was born with a heart condition and since 1946 has spent most of her time in hospitals and under the care of heart specialists. Cardiac surgeons from Mayo Clinic, Boston and Fort Worth were present to observe the operation and assist Dr. Robert Glover of Philadelphia, who performed it. An incision was made in the heart and the mitral valve, which had nearly closed, was opened. Also with Mrs. Ivey in Philadelphia in addition to her husband was her mother, Mrs. L. O. McCormack of Clovis.

Mr. Ivey, a student at the Baptist Seminary in Fort Worth, plans to resume her studies there after his wife's recovery.

Huge Crop To Increase Need For Field Hands

Littlefield Stores To Remain Open Late Next Week

Littlefield stores will be open next Thursday and Friday December 21 and 22, from 9 a.m. until 8 p.m. Dan Berg, chairman of the Retail Merchants Committee of the Chamber of Commerce, announced Wednesday.

Open House Set At New Telephone Building Tonight

The Southwestern Associated Telephone Co. will be host to its subscribers and other residents of Littlefield and the area in a "open house" today and tomorrow at the newly remodelled and enlarged Littlefield Telephone Exchange.

Open house hours at the telephone building as 601 East Fourth St. in Littlefield will be from 6 to 9:30 p.m. both days, Guy D. Shelley, district manager, announced.

The new building and the new equipment of the telephone offices here provides for enlarged and improved service for the communities served in this district, of which the Littlefield office is the hub.

Pleasant Employee Lounge

The building is of Roman brick exterior with the interior of asphalt tile floors and acoustical ceilings designed to give the company's employees the most comfortable and pleasant working conditions. Fluorescent lights reduce eye fatigue to the minimum.

The building contains a pleasant lounge for employees and a spacious business office where subscribers are assured of a pleasant welcome.

Mr. Shelley called particular attention to the improved telephone facilities at Littlefield which have been incorporated into the exchange.

Installations Done Quickly

Littlefield has the distinction of being one of the few towns in the United States where everyone who has applied for telephone service has been served or will be served in the very near future. Also, toll lines have been increased, particularly to Lubbock, so that long distance service now moves very much faster.

"The telephone company hopes that everyone will visit with us on Thursday and Friday nights, December 14 and 15, so that they may see for themselves the improvements which have been made" said Mr. Shelley, "and we also want everyone to understand more about their telephone company and especially to meet many of the fine people who make this company click."

Expected 300,000 Acreage Boosts Figures for Hands

Fifteen thousand farm laborers will be needed to harvest the record cotton crop anticipated in Lamb county in 1951, according to preliminary estimates on next year's labor outlook compiled this week by J. D. Jordan of the Littlefield office of the Texas Employment Commission.

The estimate is based on proposed planting figures announced by County Agent Dave Eaton for the 1951 cotton production in the county. The county's cotton acreage in 1951 is expected to rise to the highest peak in history, with 330,000 acres devoted to the crop.

Look To 300,000 Acres If weather conditions are all favorable in the growing season, 300,000 of these acres should mature for harvesting, Mr. Jordan said.

On this basis it would take 15,000 hands ten weeks to pull the cotton if the great majority of the crop is harvested by hand, he said.

The preliminary first of the year estimates on labor needs in the county through the entire year are, of course, subject to revision as the season advances. If unfavorable weather reduces the anticipated crop the labor need estimates will be lowered.

Figures Go To Capital

The estimate for the labor requirements for the county will be sent first to Amarillo regional offices of the commission for review, and then forwarded to the commission headquarters in Austin. A copy will be sent from there to the Bureau of Employment Security, Department of Labor, in Washington, where an overall chart for the entire country is drawn.

New estimates revised to suit conditions as they exist at that time will be compiled at the Littlefield office next June, and supplemental figures will be sent in from then until harvest time, Mr. Jordan said.

Three Enlist From Littlefield For Air Corps

Three men signed for the Air Corps by Sgt G. P. Cutshall of the Littlefield Army-Air Corps recruiting office left here Monday for Amarillo for their examinations preparatory to entering the service.

The three are Donald Wayne Bryant, son of Mr. and Mrs. Charles W. Bryant, of 402 West Third St., Littlefield; Elmer J. Harrison Jr., a friend of Bryant who enlisted at the same time in order that the two might serve together, and Jerry J. Richardson, son of Mr. and Mrs. Hanel Clay Richardson of Rt. No. 2, Littlefield.

Harrison's home is in Orange, Texas, but his address in Littlefield is the same as that of his friend. He is the son of Mr. and Mrs. E. J. Harrison Sr. of the East Texas city.

After the three pass their examinations at Amarillo they will be sent to the Lackland Air Base at San Antonio. Sergeant Cutshall said.

Attend Presentation Of Messiah At Amarillo Sunday

Judge and Mrs. E. A. Bills left Sunday for Amarillo, where they planned to attend the presentation of the Messiah presented Sunday at that city by the various churches of the city, in which Mr. and Mrs. Paul Timmins were taking part.

Judge and Mrs. Bills went from Amarillo to Plainview Monday, where Mr. Bills was scheduled to try cases in District Court. They expected to return to Littlefield the middle of this week.

Mr. and Mrs. A. W. McClendon Are Grand Parents Twice in Two Days

Made Grandpa and Grandman two days in succession, that's the record of Mr. and Mrs. A. W. McClendon of Pettit, whose twin daughters, Mrs. Alfred Vick of 604 East 8th St., Littlefield, and Mrs. Eugene Odom of Levelland both gave birth to daughters last week.

A daughter was born to Mr. and Mrs. Odom at the Phillips-Dupre Hospital, Levelland, Friday afternoon, which weighed 6 lbs, 3 oz., and has been named Rhonda Diane. A daughter was also born to Mrs. Odom's twin sister, Mrs. Vick, at the Payne-Shotwell Hospital Saturday morning, weighing 7 lbs., 12 oz. and named Laneta Jo.

These are the first and only children born to Mr. and Mrs. Odom, Levelland, Friday afternoon.

INTO MAID OF COTTON FINALS—Miss Ruth Brunson, South Plains entry in the national Maid of Cotton contest, has been selected by the National Cotton Council as one of the 21 finalists for the 1951 title. A brown-haired, blue-eyed West Texas beauty, Miss Brunson, 20, is a student at Texas Tech. She is the daughter of Mr. and Mrs. Roy Brunson of Claude.

RECIPE OF THE WEEK

By Mary Lee Taylor

Barbecued Ham Balls

¼ lb. lean, ground smoked ham
3 tablespoons corn meal
½ teaspoon dry mustard
few grains pepper
½ cup Pet Milk
4 teaspoons flour
¼ teaspoon paprika
1 tablespoon fat
½ cup water
½ cup catsup
4 teaspoons vinegar
1 tablespoon Worcestershire sauce
1 tablespoon sugar
3 tablespoons finely cut onion

Mix ham with corn meal, mustard, pepper and milk. Shape into 8 balls. Roll, one at a time, in mixture of flour and paprika. Brown on all sides in hot fat. Drain off all fat. Mix rest of ingredients and pour over ham balls. Cook over low heat 30 min., turning balls now and then in the sauce. Makes 4 servings.

You Will Need:
Pet Milk, Smoked Ham, Corn Meal, All-Purpose Flour, Catsup, Vinegar, Onions and Dry Mustard.

SHALLOWATER VISITORS
Mr. and Mrs. Audis Greer of Shallowater spent Sunday visiting with Mr. and Mrs. J. R. Greer.

HAVE SUNDAY GUESTS
Mr. and Mrs. Buck Richards and family of Littlefield spent Sunday visiting with Mrs. Werla Richards and children.

County Agent Busy Running Terrace Lines

County Agent Dave Eaton and Assistant Agent Rodgers are busy this month running terrace lines for the farmers of Lamb county, and expect to be kept busy at this work until well into January.

Most of the calls to the county agent's office from farmers in the county are from those near surface lakes, who wish through terracing to prevent quick drain off of water into these natural reservoirs.

The farms, surveyed for terracing to date have been near Spade, Sudan, Fieldton and Amherst, Mr. Eaton said Wednesday.

It takes about a day to run terrace lines on a farm and about 14 farmers now have applications on hand, he said.

Some lead carbonate crystals have the brilliance of diamonds but are not hard enough to be used in jewelry.

Santa Delayed On Scheduled Visit to Sudan

Santa Claus and his reindeer encountered difficulties somewhere east of Sudan Tuesday morning and so the merry old saint missed out on the reception prepared for him in that city.

The friend of childhood, however, did not forget about the children who had assembled to greet him, for he sent a message through the Sudan merchants that it would never, never happen again and he would be in Sudan sure Saturday afternoon. His appearance Saturday will be sponsored by the Sudan News and V. G. Wood.

In the meantime, when it became apparent Santa could not make his scheduled appearance to

parade through the business section behind the Sudan high school band, Santa's helpers distributed bags of fruit, candy and nuts that had been prepared for the children and announced over a public address system Santa's regrets.

The city had prepared an elaborate welcome for the old saint and hundreds were assembled near the city park at the time of his scheduled appearance at 10:30.

School classes had been suspended for the morning from that hour in order that the pupils might take part in the reception.

At 11:30, following the loud speaker announcement, the waiting children received their gift packages and returned home, their disappointment tempered by the knowledge Santa had not forgotten them even if circumstances had prevented him from visiting them Tuesday.

They know he'll be sure to visit Sudan Christmas.

Youth Center Policy Meeting Is Set For Next Monday Night

A general policy for the operation of the new Youth Center in City Park will be established at a meeting Monday night at 7:30 o'clock in the district court room in the Lamb county courthouse.

In calling the Monday night meeting, Mancil Hall, president of Lamb County Youth, Inc., builders of the new recreational and civic center at the northeast corner of the park, urged that all persons in this community interested in the youth movement, and particularly those who made financial contributions to the building of the center, be sure to attend.

The building will be opened formally Friday night with a Christmas party for all teenagers in the

Littlefield district sponsored by the Woman's Study Club, which will be responsible for the actual operation of the center within the policies established at Monday night's meeting.

The corporation officers will report on what has been done to date and what more can be done to add to the building's utility and attractiveness as a center for the county's youth.

One of the points to be settled is whether to make the building available on a rental basis to clubs and other groups wishing to meet or hold functions there on nights when it is not in use by the young people of the community, Mr. Hall said.

Water 'Steal'

(Continued from Page 1)

"This is the provision of a 1931 act which would permit a city to simply take over the water duty appropriated to someone else, on the strength of which appropriation he may have invested \$1,000,000 or more in distribution works and appurtenances. This is a wholly untenable and actually vicious law," Roberts said.

Another criticism of the proposal came from Harbert Davenport of Brownsville.

Davenport wrote that speculators "called appropriators" would take over Texas water resources under the committee's proposed laws.

Tax Plan Scored

A proposed plan of financing water conservation projects drew fire from the lower Rio Grande valley. Some valley spokesmen said at a hearing before the state water code committee they opposed the plan's "scheme of financing."

The plan calls for a charge of 10 cents per acre per year on irrigated lands, 5 mills per acre foot for water used for hydro-electric power and other non-consumptive and non-diversionary uses, and 10 cents per acre foot for water used for all diversionary uses other than irrigation.

"We don't think the irrigators should be singled out to finance a project that is for the benefit of the whole state and would bring competition to crops raised on irrigated land," A. L. Cramer of Elasa, representing Hidalgo county water improvement district No. 6, said.

McClendon

(Continued from Page 1)

Vick and Mr. and Mrs. Odom.

Before Mrs. Odom and Mrs. Vick were married they were members of a band sponsored by the Pettit Community, which presented hill billy music and sang hill billy songs over KVOW under the name of the Pettit Ramblers. Besides Mrs. Odom and Mrs. Vick included in the group were their father, A. W. McClendon, and another sister and brother-in-law, Mr. and Mrs. Chester Hartis of Levelland.

Previous to their marriages,

Mrs. Odom and Mrs. Vick were Betty and Billy McClendon.

SURPRISE THE FAMILY!

Make a Ginger Bread House Just Like the One on the Cover of McCall's.

CLIP THE RECIPE AND VISIT OUR GINGER BREAD HOUSE DISPLAY FOR ALL YOUR NEEDS.

McCALL'S GINGER BREAD HOUSE

A McCall's Magazine Fail-Proof Recipe

Two packages Ginger Bread Mix or equivalent amount of very stiff dough.

- 1 lb nougat
- 2 lbs. (2 boxes) lime or lemon slices
- 3 red and white candy canes
- 40 peppermint rounds
- 2 green candy sticks
- 1/4 lb cinnamon drops
- 4 red jelly hearts
- 1/4 lb small green gum drops
- 1/4 lb large green gum drops
- 1/4 lb assorted large sprinkles

To make, just obtain McCall's Pattern 1590 or put your imagination to work—all you do is make a house of cardboard, blackening the windows with ink. Before assembling, use the walls as patterns for cutting gingerbread dough (rolled to 1/4" thickness after chilling overnight in refrigerator) which you later mount with thick icing to the cardboard. The roof, too, is cardboard and to it with icing you mount the lime slices. The trees like the house are of gingerbread, which by varying the baking time can be made in a variety of shades. Nougats are used to form the chimney and the other candies to complete the scene.

Wildcats Defeat Springlake Five; LFD Girls Lose

Littlefield and Springlake split a basketball series in the Wildcat gym Tuesday night, the Varsity boys edging out the visiting five in a thrilling contest, 49 to 47, and the girls' team dropping an equally close to Springlake, 27 to 30.

A sharp-shooting Springlake forward named Ronnie Smith almost upset the Wildcats single handed in the night's finale, scoring 29 points for the visitors — eleven more than all the rest of his teammates put together.

The one-man attack, however, fell one basket short of victory as Edwards and Howard of the Littlefield five combined to top Smith's total.

Bobb'e Edwards dumped a total of 17 counts through the laced loop while Freddie Howard tallied 14.

In the first game between the girls' teams of the two schools Loretta Owens of Littlefield set the pace in scoring with 16 points.

For the winning Springlake sextet Crawford scored 15 points and Howell 13.

Levelland's Title Hopes Ended By Kermit in 33 to 0 Victory

The state high school football championship now held by Littlefield will pass to another district this fall as a result of Kermit's sweeping 33 to 0 victory over Levelland in Odessa Saturday.

A 175-pound halfback named Spinks was the chief cause of this district's representative's downfall in the quarter-finals in the state title playoffs.

Kermit Line Strong

Opening behind a line which would not give an inch, and which blocked with the determination of iron-men, Spinks tallied three touchdowns and kicked two extra points to push the Kermit Yellowjackets into the State Class A semi-finals against Arlington.

It was a different Levelland ball club than has been playing such great football the past weeks. Today they couldn't make a right move. Their tackling not sure. It wasn't until seven minutes had elapsed in the second half that they even made a first down.

Only twice did the Lobos manage to penetrate the Kermit 20-yard line, that late in the fourth period against a bevy of substitutes.

Kermit Takes To Air

Don K. Brown, defensive end, and tackles Ken Ives and Keith Clark headed the magnificent Kermit line this afternoon. They held the fleet Lobo backs to a net of only 21 yards in the contest, while their blocking aided Kermit to a net of 126 yards.

Kermit, a team which has not been heralded as a passing team put on a show in the air Saturday. Twice Quarterback Sammy Woods connected for touchdowns, one to Spinks for 34 yards, and the second to Ed Jack Smith for 13 yards. And Fullback Wayne Culvahouse, taking a direct snap, hit a 34-yard heave to Spinks for another tally.

On defense pass the Kermit team was again invincible. They intercepted four of the Lobo passes, and kept this department from being a threat to their goal line.

Over 11,000 sun-baked fans sat in amazement as Kermit opened strong and kept on until the final gun. Following a bit of stage-fright in the opening minutes, the Yellowjackets played great ball. If they were a "physically and mentally" tired team as Coach Neal Dillman said earlier in the week, they certainly didn't show it. But, when it was all over, it boiled down to the forward wall. It was terrific.

The game was calmly played, with only four penalties called during the contest. These were for illegal formation of off-sides. In the final minutes of the game, tempers became ruffled, but in general, sportsmanship predominated.

Four unbeaten teams tangle in Class A high school football's semi-finals this week and it's a revenge meeting for two — New Braunfels and Wharton.

Arlington and Kermit meet in the northern bracket semi-final game. Both are undefeated and untied.

Wharton and New Braunfels played a scoreless tie early this season and that's the only blemish on their records.

Last week powerful Kermit from far West Texas smashed Levelland, 33-0, while Arlington nosed out Mt. Vernon, 21-20.

New Braunfels knocked off the division's highest scoring team, Lavega, 18-6, and Wharton clipped Pearsall in a scoring orgy, 48-20.

Sites and dates for all schoolboy football games have been set. They are:

Dimmitt Loses Bid for Title

Dimmitt, this district's representative in the Class B state football championship race, was eliminated from the running by Happy Friday afternoon.

Happy defeated the District 3-B representative in the playoffs by a score of 13 to 0.

For the television snack tray serve pale dry ginger ale mixed either with pineapple juice or with canned apricot nectar; use half ginger ale and half fruit juice and pour over ice cubes.

HELLO EVERYBODY...

AT THE

SOUTHWESTERN ASSOCIATED TELEPHONE COMPANY

Hearty congratulations on your new building in Littlefield and on the extensive program you have carried out in expanding and improving the telephone service in Littlefield and throughout the county. You have done an exceedingly good job.

Your progressive program is another example of why Littlefield and Lamb County continue to grow and prosper.

Cage Tourney To Open Today At New Deal

NEW DEAL—Shallowater and Abernathy loom as favorites in the boys division of the New Deal Invitational basketball tournament, which will be held in the high school gym here Thursday, Friday and Saturday.
Shallowater, fresh from a 37-23 victory over New Deal in an exhibition game Thursday, boast a one-man offense in Jerry Brock. The Shallowater flash, rapidly getting into mid-season form, was largely responsible for his team's victory over New Deal, for he dumped 20 of the 37 points through the hoop.
Abernathy dropped a 43-28 decision to Sudan in a game played Saturday, but still pose as one of the leading candidates for the tournament title.

Other teams entered in the boys division are Cooper, Muleshoe, New Deal, Post, Idalou and Hale Center.
Topping the list of girls teams entered in the meet is the host New Deal sextet, which has been running rampant through all comers. No one has checked the tide of the New Deal crew, but Muleshoe and Hale Center will be definite threats in the tourney.
Other girls teams competing will be from Idalou, Post, Abernathy, Cooper and Shallowater.
The meet gets under way at 1 p.m. Thursday, when Hale Center and Post get together in a girls game. Other contests in the girls division Thursday match Idalou with Muleshoe at 3 p.m., Shallowater and Cooper at 6 p.m., and Abernathy with New Deal at 8 p.m.

Post and Abernathy lift the lid in the boys division at 2 p.m. Thursday. Other first-round boys games Thursday send Muleshoe against Idalou, Hale Center against New Deal, and matches Shallowater with Cooper.
Eight games will be played Thursday and Friday, with six games on tap Saturday. The championship of the boys division will be determined in a 9 p.m. game Saturday night, while an 8 p.m. contest will settle the championship of the girls division.

Bremen, Germany, was known in ancient times as the "Rome of the North" because it was a Catholic religious center.

Amherst Teams Defeat Anton

ANTON (Special)—Anton's new gymnasium didn't help them any Tuesday night, as Amherst girls beat out a 43-31 triumph over the host team.
In the boys game, the battle was not decided until the final second of play, Amherst winning the close game. The final score was 26-23.
The halftime score was 9-8, with Amherst leading. But Anton never let the visitors pull away in the second half, and the lead changed hands five times.
Bond led the Amherst scoring with 10 points, and Watson racked up the same number for Anton.
Amherst was paced by Young and Davis in the 43-31 win in the girls game. Young tallied 18 points, and Davis scored 19 for the winners. Anton's Burk had 11, and Hodges racked up 10 points to top their team's scoring.

Thursday, three games will be played here. The first tilt, scheduled for 7 o'clock, pits Wayand college of Plainview against Midwestern of Amarillo. It will be followed by games between a boys game between Anton and Levelland, and a girls game between the same two high schools.

Farwell Invitation Cage Tourney Set

FARWELL (Special)—The Farwell Invitational basketball tournament for boys and girls begins Thursday and will continue through Saturday.
Seven boys teams and eight girls sextets have entered. All are located in the northwest section of the South Plains.
Opening the tournament at 6:30 Thursday night is a contest between girls teams from Sudan and Firona. Another girls game will be played at 9 o'clock Thursday, matching Bovina with Texico. Only one boys tilt is carded on opening day. That will be between Firona and Sudan at 7:45.
Girls teams from Ranchvale, Farwell, Vega and Springlake swia ginto action Friday, as do boys teams from Bovina, Adrian, Springlake and Farwell.
Springlake is a heavy favorite to cop the girls title, while Sudan looks like the team to beat among the boys.

All registered retrievers today are direct descendants of dogs from the kennels of the 2d and 3d Earls of Malmesbury.

Grid Dinner Set In Olton Dec. 19

Members of the Olton football team, their dads, mothers and friends will be entertained Tuesday night, December 19, in an annual banquet sponsored by the Olton Quarterback club, Eldon Franks, president, has announced.
Franks says that the general public is invited, but registration and plate reservations must be made prior to the time of the banquet.
The school lunchroom force will serve the banquet in the school cafeteria and charges for the meal will be \$1. The Quarterback club will pay for meals of boys on team, while all others will be expected to pay the \$1. it was said.
Reservations may be made through Monday of next week. Cafeteria capacity makes it necessary to limit attendance to 300 persons.

Moves to New Home
Mrs. W. R. Alexander and daughter, Polly Lou, are moving this week from her farm home, 7 miles northeast of Littlefield to her new six room home just recently constructed at 204 East 9th St. Her new home is beautifully finished in the interior and is the last word in modern construction.

Caravans crossing Tibet generally travel only in the morning to avoid cold gales that rocks get to avoid cold gales which arise about noon.

AMHERST AND SPRINGLAKE WIN CAGE TOURNAMENT

The Amherst high school boys team and the Springlake girls sextet emerged victorious in the annual invitational basketball tournament sponsored by the Amherst schools.

Amherst defeated Morton in the final game Saturday night for the boys' title while the Springlake girls won a thriller from Sudan in a see-saw battle that had the spectators clinging to the edge of their seats.
The scores in the finals were Amherst 45, Morton 37 and Springlake 41 against Sudan's 45.

High Class Competition
The tournament was one of the smoothest and most successful staged in the spacious Amherst gym and the type of competition of the best.
W. D. Kay, Amherst superintendent of schools, expressed his appreciation to the various coaches, the members of the entering teams, officials and fans for their contribution to the tournament's success.

In the consolation finals for third place Idalou defeated Spade in the boys division, 25 to 27, and the Morton girls defeated Levelland, 38 to 17.
First, second and third place teams were awarded trophies at the conclusion of the tournament Saturday night.

Bob Greer of Plainview and W. R. McBrayer of Lubbock officiated the games.

All-Stars Chosen
At the end of the play all-star teams were chosen by the officials and coaches for both divisions and gold basketball charms given those receiving the honor and also one boy and one girl voted the sportsmanship awards.
All-stars in the boys division were Hill, Morton; Jackson, Idalou; Nelast, Spade; Nutall, Amherst and Bond, Amherst.
In the girls' division the all-stars selected were Clarkso, Levelland; Maxey, Springlake, and Williams, Sudan, forwards, and Howell, Springlake; Chisholm, Sudan, and Ramsey, Morton guards.

Winners of the sportsmanship awards were Burns of Morton in the boys' division and Billings of Anton in the girls group.
Nuttall of Amherst was high scorer for the winners in the boys' championship game Saturday night with 13 points; while Hill scored 14 for the losers. In the girls game Cleaveiger led the Sudan scoring with 24 points while Williams starred for the winners with 19 tallies.

Amherst Wins Thriller
In the boys' division Amherst advanced to the finals by defeating Springlake in the opening round, 35 to 29 and Spade in the semi-finals, 33 to 31. Spade had bested Muleshoe in the opener, 40 to 38.
Morton won its first round game from Anton, 36-30, and its semi-

Sheriff Seizes Holiday 'Cheer'

The sheriff's department Tuesday night put a blotter on Christmas conviviality in seizing 128 half-pints of whiskey and eight cases of beer in the motor car of R. J. Allison of Amarillo.

The seizure was made in the Jats north of town. Allison was charged with transporting liquor in a dry area and held for hearing.

The liquor will be turned over to the state liquor control board for sale in wet territory, Sheriff Hopping said.

Typewriter Taken From City Hall

A thief or thieves gained access to the Littlefield City Hall offices Monday night through a window and carried away a Royal typewriter costing \$121.

The typewriter was the only thing taken, W. G. Street, city secretary, reported. He said he was of the opinion whoever took the typewriter was frightened

Time Extended On Spring Show Barrow Entries

Deadline on entries in the fat barrow division of the Lamb County 4-H and FFA Spring Livestock Show has been extended to January 1, Assistant County Agent Bill Rodgers said Wednesday.

In extending the deadline Mr. Rodgers, general superintendent of the livestock show, acted upon recommendations of the stock show committee, members of which felt that the former November 16 deadline was too early.

The spring show will be held in Littlefield at a date to be decided later, Mr. Rodgers said. Entries in the fat calves division closed November 15.

Variety Show Slated Dec. 15 At Amherst High

Members of the Amherst high school faculty will be featured in the "All Faculty Hill-Billy Show" to be presented in the school auditorium at 7:15 the night of December 15 as a benefit for the school's football bleachers fund.

All contributions at the door will go into the fund for the new athletic field seats, Supt. W. D. Kay said Wednesday.

Several variety numbers will be offered by the faculty cast in addition to a one-act hill-billy comedy, "Comin' Round the Mountain."

The cast in the playlet consists of Maw Judkins, a typical mountain woman, played by Mrs. Weddle; Pop Judkins, Mr. Osborne; Daisy Judkins, their daughter, Mrs. McDaniel; Zeke Bemis, Daisy's suitor, Mr. Ingram; Dynamite Ann, the sheriff of Fish-hook county, Mrs. May; Mrs. Hortense Belmont, a society matron, Miss King; Millicent Lovell, her niece, Mrs. Green; Gary Newbold, a young Northerner, Mr. Hester; prompter, Mrs. Adams.

The scene is the interior of the Judkins' cabin in the Ozarks, at noon in August.

The variety acts will include violin and guitar numbers by Kay &

LAMB COUNTY LEADER, THURSDAY DECEMBER 14, 1950

Wynne; comedy skit, Hedgpeth & Willford; black-face skit, Shaver & Adams; vocal duet, Kay & Wynne; comedy skit, Blessing, Beason & Lair, and a dance routine, Hedgpeth.

Sheriff's Posse Enjoy Family Night Monday

The Lamb County Sheriff's Posse observed "Family Night" at the Country Club Monday night, when a banquet was enjoyed.

On the arrangements committee were: Mr. and Mrs. C. O. Griffin, Sheriff and Mrs. Sid Hopping and Mr. and Mrs. Alvin Bagwell.

Receives Letter From Wounded Son

Mrs. Eunice Jones Monday received a letter from her son, Pfc. Sherman Jones, who is a patient in the Holding Detachment Headquarters Hospital at Tokyo, Japan, in which he stated that he was getting better every day, and that he was getting where he could eat solid foods.

Pfc. Jones was wounded in Korea, and according to reports, was injured on the right side of his face and right foot.

Church Ladies to Meet Thursday

The regular meeting of the Ladies of the Littlefield Missionary Baptist Church will be held Thursday, Dec. 14, at the home of Rev. and Mrs. Weldon B. Meers, 617 East 15th Street. The morning will be devoted to visitation and a Christmas tree and exchange of gifts will be held in the afternoon. A covered dish luncheon will be served at noon. Mrs. E. Wallace will be in charge of the meeting. Mrs. Meers will be the hostess.

HONESTY PAYS DIVIDENDS

BAKERSFIELD, Calif. — (AP) — The judge suspended hunter Pete Olivetti's 90-day jail sentence for shooting an illegal spike buck "in view of your honesty." Olivetti turned himself in to game wardens and pleaded guilty. His excuse: "The deer turned its head in such a way that the spikes formed a fork. I thought it was a legal animal."

Slats of lead and cooper sometimes form crystals 20 inches across and brilliant gems but too soft for jewelry use.

Two Cars, Truck In LFD Collision

No charges had been offered Wednesday in a three-way traffic accident in front of the Lamb county courthouse at 5:30 o'clock Sunday afternoon involving a truck and two motor cars.

No one was injured in the crash. Mark Kniffen of the State Highway Patrol, who investigated, reported Wednesday.

A Dodge truck driven by Hershell N. Tapley and a 1949 Chevrolet coach driven by L. C. Jordan collided in front of the highway patrol office and the Jordan car, out of control, then careened into a 1950 Plymouth coupe driven by Fred Wyatt.

Both passenger cars were badly damaged, but the truck escaped with minor damages, the officer reported.

Frank McCarter Sells Farm in Spade Area; To Move to Roswell

Frank McCarter has sold his farm in the Spade district, and is moving soon to Roswell, N. M., where he will operate a trailer court and apartment house.

The farm, which is located four miles east and two and one-half miles north of Spade, has been sold to O. L. Foster.

Mr. and Mrs. McCarter have lived in the Spade area since 1942. They have four children all living in Roswell, and so will be near their family after moving to that city.

Crystals of copper silicate sometimes appear like giant emeralds but are too soft to be used as gems.

Sudan Elevator Installing Tank

The Reinhardt Grain Company this week was completing the construction of a 22-foot steel tank on their premises which will expedite the handling of sorghum grains by their company.

The Reinhardt Company, one of the four leading grain companies in Sudan, each year handles a large volume of sorghum grains. This addition to their plant is another step forward in the progressive building of Sudan.
