fender.

## Highway Patrol To Intensify Check Of Drivers

Bud Taylor, local Highway pa-  
trolman, reports that only one ac-  
cident with the exception of the  
hit-and-run killing at Olton oc-  
curred the past week.

Wednesday morning two  
trucks were in collision on the  
Spade highway six miles east of  
Littlefield.

Virgil H. Spencer, a salesman  
of Crosbyton, was driving a 1950  
Chevrolet truck and started to  
make a right turn toward Field-  
ton, when a 1955 Chevrolet truck  
driven by Hubert Monroe of Clo-  
vis sideswiped his truck. The  
brakes on the Monroe truck went  
out and he was unable to stop.

Damages to the Spence truck  
were \$150 and \$75 to the Mon-  
roe truck.  
Monroe paid a fine in Justice  
of the Peace court for having  
defective brakes.

Radar was used in Hockley  
County Monday night and tickets  
were issued to 16 violators.  
Taylor warns drivers that the  
partolmen will take extra precau-  
tions during the Christmas and  
New Year holidays. Radar will  
be in constant use, and the check  
of drivers license will continue.

## Two Families Purchase New Homes

Two Littlefield women are de-  
lighted at their Christmas "gifts"  
this year.

Mr. and Mrs. Byron Douglas  
have moved into their new home  
at 1223 Phelps Avenue. The house  
was recently completed by Hamp  
McCary. It has two bedrooms,  
two baths, living room, a beauti-  
ful kitchen, a den and two wood-  
burning fireplaces.

The Douglas have one daughter,  
Marilyn, who is a seventh grade  
student in Littlefield Junior high  
school.

McCarys Will Move in January  
Mr. and Mrs. Rhenard McCary  
will move into their recently pur-  
chased home at 218 E. 12th St.  
It is a large stone residence.

They purchased the home from  
Mr. and Mrs. Ed Fowler. This  
house is situated on three lots,  
and is said to have the most beau-  
tiful yard in Littlefield.

It has three bedrooms, and a  
club room. The club room has a  
kitchenette and private bath  
with a powder room.

Mrs. McCary is looking for-  
ward to making the new drapes,  
and getting settled sometime af-  
ter January 1.

The McCarys have one son,  
Hayden, who is thirteen years old

**POLICE ISSUE WARNING

## Santa To Arrive At 2 P. M. On Xmas Eve In Amherst

Santa Claus is coming to Am-  
herst, via a special train. The Am-  
herst fire truck will meet Santa  
at the depot and take him  
through downtown Amherst.

He will be downtown at 2 p.  
m. Saturday, Christmas Eve.  
While he is in town he wants to  
see all of the children in and  
around Amherst. So kiddies, be  
on hand to give the old fellow a  
big welcome.

## Two Bootleggers Post Bonds

Freddie Reel, who resided in  
the house in College Heights ad-  
dition under which Sheriff's depu-  
ties uncovered an expensive boot-  
legging operation Saturday, con-  
tacted a Littlefield attorney, post-  
ed \$1,000.00 bond and voluntarily  
came to Littlefield from New  
Mexico, according to the Sheriff's  
department.

The compressor, hydraulic  
lift, and liquors taken in the  
raid were stored as evidence.  
The raid occurred after the  
Sheriff's department could not  
find where a trap door in the  
house led to. After digging into  
the cellar under the house from  
the outside, the men uncovered  
a hydraulic lift that operated a  
lift to a floor weighing approxi-  
mately three tons. The floor was  
made of concrete. The deputies  
were unable to find the operation  
valve, but let the floor down to  
the bottom of the cellar when the  
line was taken off the compres-  
sor.

City police picked up Grady  
Thompson for the Sheriff's de-  
partment on a charge of Liquor  
Law Violation. Thompson pled  
not guilty and posted a \$500.00  
bond.

**JOE WALDEN WILL PLAY  
IN SALAD BOWL**  
Joe Walden, son of Mr. and  
Mrs. G. V. Walden, a star foot-  
ball player at West Texas State  
College at Canyon has been in-  
vited to play in the Salad Bowl.  
His wife is the former Miss Gary  
Anzeline, daughter of Mr. and  
Mrs. Frank Anzeline of Little-  
field.

## No Clues In Highway Killing Of Olton Negro

John Henry Douglas, an 82 year old Olton Negro, was  
killed instantly Monday night by a hit-and-run driver. He  
was returning from a visit with his friends in Lubbock.

## Nearly News By MAXINE CLARIDA

Rip Elms brought the Williams  
a most unusual Christmas gift.  
It is a Western Cotton-oil gift  
package. It contains two, three  
pound cans of Mrs. Tucker's  
shortening, a bottle of Salad oil,  
and two pounds of Meadowlake  
margarine. It was boxed in a  
beautiful Christmas box. What  
will they package next? ? ?

We told you about the Merry  
Christmas that should be on the  
new Court house, but "sho nuff"  
some of the sockets, wires or  
something didn't come in, so they  
can't light it up.

The saddest little girl we ever  
saw was our Paula on Sunday  
afternoon. She was playing with  
Pixie, the dog she had saved her  
money to buy, when a hit and run

Needless to say Sam is going  
after another dog, Pixie's sister,  
come Saturday.

We have to take our hat off to  
Bob Haney, Assistant County  
Agent. He is never too busy to  
assist his 4-H club boys with their  
calves and other problems. It  
takes a great deal of patience.

We are still wonder if the Boss'  
present to the crew was a subtle  
hint to leave.

We certainly want to compli-  
ment Arbie Joplin for the job he  
and his men are doing in handling  
the mail.

You never saw the like of  
Christmas cards. Brought to  
mind a real good story about  
cards. Two years ago, we address-  
ed all of our cards, gave them to  
Jed to mail. Two days after  
Christmas we found them intact  
in the car among his samples.  
Were we worried? A day or so  
before New Years we ran into a  
good friend in Lubbock. She said,  
"Oh, we were so glad to get your  
card. We always enjoying hear-  
ing from you on Christmas." Sure  
enough her card was in the box  
that wasn't mailed.

## Mrs. Wood's Niece Dies Of Asphyxiation

Mrs. J. H. Wood and her son,  
W. J. of Wichita Falls, attended  
services for Mrs. Wood's niece,  
Mrs. Bob Glashe in Wauwiki,  
Oklahoma Tuesday.

Mrs. Glashe who was a bank  
teller and her husband had been  
to the bank's Christmas party  
Friday night. When Mrs. Glashe  
did not come to work Saturday  
morning the bank president called  
the newspaper office where  
her husband was employed. He  
found that he had not come to  
work either. Authorities investi-  
gated and found that the couple  
had been asphyxiated in their  
home.

They were taken to the hospital  
and Mrs. Glashe regained con-  
sciousness but died very suddenly  
Sunday afternoon.  
Glashe is still in a critical con-  
dition.

Services were conducted at  
2:00 p. m. in Wauwiki, Oklahoma  
First Methodist Church, Tues-  
day morning with burial in the Sulpher,  
Oklahoma cemetery.

Mrs. Glashe was a graduate of  
the Sulpher State college and  
was valedictorian of her class.

**G. T. CORRY ATTENDS  
UNCLE'S FUNERAL**  
G. T. Corry and his son, Clin-  
ton, attended funeral services in  
Wellington, Texas Monday for an  
uncle, J. H. White.  
White was a pioneer of the Well-  
ington area. He passed away Sat-  
urday.  
He was buried in the Well-  
ington cemetery.

## C Of C Directors Are Elected For Three Year Term

Kenneth Ware, I. D. Onstead,  
Charles A. Duval, and Bill Kelly,  
have been elected as the new di-  
rectors of the Littlefield Chamber  
of Commerce, according to Mrs.  
Bill Berman, secretary. Their  
terms are for a period of three  
years. They will expire January,  
1, 1959.

The Jaycee Safety committee  
that serves with the Chamber of  
Commerce has been appointed by  
Jaycee president, R. B. Chan-  
dler. They are: Chandler, Jud  
Walker, and W. A. Duncan.

## Lamb County Has Ginned 140,000 Bales

A final figure on the number  
of bales of cotton ginned in Lamb  
County this season is not avail-  
able since the final survey has  
not been made.

Assistant County Agent Bob  
Haney states that more than 140-  
000 bales have already been gin-  
ned to date, with gins still work-  
ing. A final figure will be re-  
leased as soon as the agents feel  
that the season's crop is all in.

## Family Worship To Be Held By Methodists

A brief family worship service  
will highlight Christmas Day at  
the First Methodist Church.

The service will begin at 10 a.  
m. and conclude at 11:30 a. m.

Harry Vanderpool, the pastor,  
will bring the meditation mes-  
sage during the service.

Christmas Day, in many re-  
spects should be the holiest day  
in the year for Christians. The  
Christmas service, though brief,  
will be one of the most thrilling  
of the whole year.

## Lt. James Lee Is Visiting His Parents Here

Lt. James Lee arrived in Little-  
field Saturday to spend a ten  
day leave with his parents, Mr.  
and Mrs. J. H. Lee.

James received a promotion to  
First Lieutenant on November 18  
in El Toro, California where he  
is stationed.

Other guests in the Lee home  
this week are the Lee's other  
son, Don, a student at the Univer-  
sity of New Mexico in Albuquer-  
que, and Mrs. Lee's mother, Mrs.  
Edna Thomas of Lueders, Texas.

## Wildcats Lose To Abernathy Here Tuesday Night

The Wildcats dropped a night  
contest to Abernathy last Tues-  
day night 68-44 in favor of Aber-  
nathy.

In the first quarter the Cat  
offense jumped ahead to give  
Littlefield a four point lead.  
Wicker, Orr and Clayton mesh-  
ed baskets for the Cats.

However in the second period  
of play the Antelope quintet, led  
by Manley and Connell, sank  
twenty points to jump ahead at  
the half. Wicker and Clayton a-  
long with Orr tried to stem the  
scoring attack of the Antelopes  
by sinking field goals and add-  
ing free shots. The score at the  
end of the first half stood 28-22,  
the advantage on Abernathy's  
side.

After the half a good Cat de-  
fense held Abernathy scoring  
down. Yarbrough, Orr and Wic-  
ker in the meantime added free  
shots and field goals to the Cat  
tally to shorten the Antelope's  
lead.

Bad passes and fumbled balls  
plagued the Cats during the  
final period. The Abernathy five,  
led by Baumgart, sank thirteen  
baskets to draw away from the  
Wildcats. Clayton put the ball  
through the net twice for the  
home team, while Wicker mesh-  
ed two points. As the clock ran  
out the tally stood 68 to 44 with  
Abernathy the victor.

Individual scores for the Cats  
were:  
Wicker-18  
Orr-13  
Clayton-11  
Yarbrough-4

Post Office has handled a record load of mail this year, but at no time has the mail  
backed up. All mail has been delivered as it arrives. Postmaster Joplin attributes this to the  
operation of the citizens in mailing early and wrapping carefully. (Staff Photo)

## Betty Wheeler And James Taylor Wed At Hart Camp

Miss Betty Pearle Wheeler became the bride of James Sidney Taylor in a double ring ceremony solemnized December 17 in the Hart Camp Baptist church. The Rev. Charles Vanlandingham read the vows before an altar flanked by baskets of orchid and white mums and a wheel of greenery.

The bride is the daughter of Mr. and Mrs. M. W. Wheeler. Mr. Taylor is the son of Mr. Mrs. A. L. Taylor of Fabens.

Mrs. Ivy Thompson played traditional wedding music. Miss Sue Sullivan and Miss Yvonne Huff sang "I Love You Truly," and the "Lord's Prayer."

The bride, given in marriage by her father, wore a white taffeta street length dress, styled in princess lines with a sweetheart neckline and three-quarter length sleeves. She wore a tiny white hat encrusted with rhinestones. She carried an orchid surrounded by white net.

Phyllis Worley, who was maid of honor, wore an orchid dress styled identical to the bride's. She carried a bouquet of miniature white mums.

Cpl. Mack Wheeler of Camp Pendleton, Calif., brother of the bride, served as best man.

For a wedding trip to Carlsbad, N. M., Mrs. Taylor wore a light blue suit with navy and white accessories.

The bride is a 1915 graduate of Olton high school, and of Isabel's School of Beauty, Lubbock. The groom is a 1953 graduate of Fabens high school. He is presently employed by El Paso Natural Gas Co.

Only close friends and relatives attended the wedding ceremony. Guests were registered by Mrs. Junior Muller, cousin of the bride.

## Maudean Tinsley Is Bride Of John Moore

Miss Frankie Maudean Tinsley, daughter of Mr. and Mrs. Alvin Travis Tinsley of Spade, became the bride of John Hershel Moore, son of Mr. and Mrs. John E. Moore, 5120 40th St., Lubbock, in a double-ring ceremony read at 7 o'clock Friday, December 16 in Kingdom Hall.

Donald A. Boyd performed the Service before an altar backed with greenery and flanked by baskets of white gladioli. Mrs. Loyd Lowery and Miss Jackie Stanton played wedding music.

The bride, given in marriage by her father, wore a gown of starlight satin and Chantilly lace designed with a Duchess of Alabamadrift portrait neckline and long petal-point sleeves. Lace inserts decorated the waltz-length skirt. Her fingertip veil of French silk illusion fell from a Juliet cap adorned with seed pearls and rhinestones. She carried a white orchid showered with stephanotis.

**Sister Is Attendant**  
Miss Meredith E. Tinsley of Spade attended her sister as maid of honor. She wore a waltz length dress of wedgewood blue crystalline styled with a fitted bodice and full skirt. She wore a French illusion nose veil and carried a nosegay of pink feathered carnations.

The home of Mr. and Mrs. Harold Long was the scene for the wedding reception. The bridal table was laid with a lace cloth over silver.

The bride chose a brown velvet suit with beige accessories for a wedding trip to New Mexico. The couple will be at home at 1624 16th St. after Dec. 26.

The bride graduated from Spade High School and attended Draughton's Business College. The bridegroom is a graduate of Crosbyton High School and is a building contractor.

Mrs. Hayes Denney gave a reading "A Christmas Rose," followed by Mrs. Ray Denney, who sang "O, Holy Night." Mrs. Coy Grant offered the Christmas prayer.

Club pals were revealed and drawn again for the New Year. Santa Claus delivered the gifts. Lime punch, sandwiches, red frosted cakes, nuts and mints were served to Mesdames Pat Cone and Aubrey Kirby, of Levelland, Jack Nix of Spade, J. C. Hodges of Anton, Fay Holloway of Littlefield, Buddy and Wade Strother.

Mr. and Mrs. John Price are spending the Christmas holidays with their daughter, Mrs. Don Eagan, Mr. Eagan and Donna Joan in San Antonio.

Mrs. Ethel Tucker of Lubbock spent the past weekend with her daughter, Mrs. Tommy Sisson and her son, J. C. Tucker and Mrs. Tucker.

Mr. and Mrs. A. W. Evitt were hosts Saturday night, December 17 to an annual family Christmas party.

The Evitt home was decorated in the Christmas motif. Refreshments of cookies, candy, fruit, and soft drinks were served.

Those attending and exchanging gifts were Mr. and Mrs. L. H. Williams and Bonnie, Mr. and Mrs. M. A. Evitt, Mr. and Mrs. Gene Williams, and Mrs. S. D. Evitt, all of Anton; Mr. and Mrs. Dewey Dunlap of Levelland, Mr. and Mrs. B. E. Reagan, Arleta, Jerry and Laney, Mr. and Mrs. Earl Pierce, and Mr. and Mrs. J. P. Jolley of Littlefield.

**Whitharral Faculty Has Xmas Party**

The Whitharral Home Ec Cottage was the scene of a get-together Thursday evening of the Faculty, board members and other guests of the Whitharral schools.

The Christmas theme was carried out in the decorations, games and refreshments served to Messrs. and Mesdames R. F. Hollings, Chester Borders, Phil Wynn, E. J. Carter, James McMullan, O. T. Ryan, R. L. Heard, Paul Mayes, T. D. Northern, R. E. Watson, Weldon Newsom, Warren Tipton, Alvis Jones, Mr. B. F. Johns, and Mesdames V. C. Commons, Alma Tate, Viola Goad, L. C. Lewis, Aria Walker, R. E. Landers, Hayes Denney, Robert Strickland, Ted Gray, Dora Jones, and hostess.

**Presbyterian Youth Go Caroling**

The Youth of the First Presbyterian church met at 6:30 Sunday night at the church for a vesper service.

Carols were sung by the group. Dugan Crawford sang the solo part for "Silent Night." Jimmie McShan sang "Oh Holy Night."

After the program the group went caroling for shut-ins and those who were ill.

The young people returned to the church for a social hour at which refreshments were served.

Add 1 teaspoon vinegar to water for poaching eggs—to hold them together.

**4- Clubs Have Meet**

Assistant County Home Demonstration agent, Mrs. Ruth Bentley of Hockley county, met with the girls 4-H clubs at Whitharral Friday afternoon.

Twenty-one members of the junior 4-H club answered roll call. In the absence of the president, Doris Tipton, who has moved to Odessa, the vice president, Jackie Stafford, presided.

The demonstration for both groups was a marshmallow roll. The senior group followed the regular 4-H procedure, with the president, Shirley Edwards, in charge. A Christmas show party was voted upon. The show "Country Girl" is to be seen Monday, Dec. 19th in Levelland.

Reporters for the groups were Leticia Hayes and Wynell Gilley, respectively.

**Big Square HD Club Has Xmas Party**

The Big Square Home Demonstration club of Earth enjoyed a Christmas dinner of chicken and dressing and baked ham, and all the trimmings, in the home of Mr. and Mrs. Bob Knight, Dec. 16.

Secret Pals were revealed with the exchange of gifts, and 42 was played.

Those attending were Mr. and Mrs. Irvin Ott and children, Mr. and Mrs. Andy Behrends and Mary, Mr. and Mrs. Forrest Collins and boys, Mr. and Mrs. Paul Chance, Mr. and Mrs. Wes Anthony, Mr. and Mrs. Fred Helf and John, Mr. and Mrs. Lon Boothe, Mr. and Mrs. Floyd Copeland, Mr. and Mrs. Truman Lowe and Kenneth, Mr. and Mrs. Edwin O'Hair, Brenda and Danny, Mrs. C. **Bride Elect Of Jim Taylor Honored**

Miss Betty Wheeler, bride-elect of Jim Taylor, was honored with a bridal shower Thursday afternoon in the home of Mrs. Harlan Field, east of Hart Camp.

Co-hostesses for the occasion were Mrs. Ivy Thompson, Mrs. Edwin Oliver, Mrs. James Ball, Mrs. W. C. Huff, Mrs. C. E. Timmins, Mrs. W. O. Hendricks, Mrs. H. V. Lynch, Mrs. L. W. Sullivan, Mrs. Jack May, Mrs. Roy Hendrick, Mrs. Homer Worley, Mrs. Roy Osthus, Mrs. J. C. Pendleton, Mrs. Bobbie Sageser, Mrs. D. R. Leonard, and Mrs. J. T. Weatherly.

The bride-elect's chosen colors of orchid and pink were carried out in the table decorations.

The table was laid with a lace cloth over orchid. The centerpiece was a bride doll with an orchid ribbon bearing the names "Jim and Betty." Appointments were in china and silver. Pink carnations and orchid candles completed the decorations.

Mrs. Edwin Oliver and Mrs. J. T. Weatherly served the coffee, cocoa and fruit cake.

Miniature rice bags, tied with orchid and white ribbons were plate favors.

Mrs. Duane Field registered the guests and Mrs. S. O. Owens greeted them.

The hostess gift was an eight place setting of china.

**Olton Paper Has Banquet For Employees**

The Olton Enterprise gave a Christmas banquet for their employees in the banquet room of the Ideal Cafe at Olton, Saturday night at 7:30. Troy Martin, owner of the Enterprise, was toastmaster. Mrs. Gordon Thompson editor, gave the welcome. Mrs. Ernest Baker, Springlake correspondent, gave the response. Vernon Nixon gave the invocation, and table grace.

Turkey and all the trimmings were served to 30 people. Troy Martin introduced the guests. Mrs. Troy Martin led the group in singing Christmas carols.

Joe, the little Mexican boy read the Christmas story in Spanish from St. Luke. Mrs. Troy Martin and Leavelle Sludder sang "Winter Wonderland." Gifts were exchanged and Mrs. Harold Dean Carson gave the benediction.

**Christmas Songs**  
Lesson for December 25, 1955

**D**ID the angels sing when Christ was born? Some prosaic and unimaginative people say they didn't. True enough, Luke never says there was music. All he says is that the "multitude of the heavenly host" (he does not even say they were angels) were praising God and "saying, Glory to God in the highest... Surely Christian art and Christian story is not wrong in thinking of this as song, not mere recitation or speech-making. At any rate, if the angels did not sing such words, the church has sung them. All down through the Christian centuries Christmas has been a singing time. You cannot suggest all that Christmas means in simple spoken prose; you have to sing.

Dr. Foreman

**Beauty in a Jangled World**

Luke, who had an ear for such things, put into his gospel not less than four poems connected with the birth of Christ. Of these the "Glory in the highest" is the shortest. The others are the words of Mary (Luke 1:47-55), of Zechariah (1:67-79) and of Simeon (chap. 2:29-32). In the R.S.V. these are printed as poetry, as they really are. (The reader will note other poetic passages, but these are the four most famous ones.) The church has set all these to music many times over, and in some churches they are sung every week. Mary's song like others has been given a Latin name from their first words in the Latin Bible: "Magnificat" for Mary's song, "Benedictus" for Zechariah's, "Gloria in excelsis" for the angels, and "Nunc dimittis" for Simeon's. But modern church-goers do not always realize that each of these poems was called forth in some way by the birth of Jesus. This is as it should be. What poetry is to language and to sound, the coming of Christ is to this world of humanity. In the midst of all the jangling, wrangling, maddening and often meaningless noises of the world, in the midst of all the stupid ordinary soon-forgotten outpouring of talk, talk, talk, a lovely poem comes bringing beauty and meaning, like a rose in a junk-yard. So in the midst of our jangling world Christ comes bringing meaning and joy and peace.

**Some Will Not Listen**

To some—too many—Christmas means nothing. "Silent Night" is a tune to be tired of, nothing more. The angels might as well never have sung, the story never written. Readers of TIME magazine will recall an article last July 18 about a writer who is typical of many men and women in these times. He knows there is such a thing as the way of Love, for every cross on every church proclaims it, and every Christmas carol sings it. But he will not accept it. He chooses the way of defiance and despair. To him, life is a wandering in the dark, with nothing but his own candle which will soon go out.

**But Some Have Heard**

On the other hand there are many, and among them some of mankind's best, who have found in the Christian faith something more than merely a story, a lovely legend, a song for little children, something which it would be pleasant, but impossible, to believe. A good book to get for the new year is one called "This I Believe about Jesus Christ" (edited by J. C. Monsma; Revell & Co., New York). It is a collection of testimonies to Jesus Christ, by an impressive variety of men and women. College presidents, executives of great business firms, scientists, politicians, persons in many walks of life, all write on the same theme, what Christ has meant to them. Any one who thinks that Christianity is a religion only for weak characters ought to read this book. Any one who thinks that Christ is attractive only to children, might well read this book and learn better. The writers by their testimonies show that not alone for ancient and legend-loving times, not only for simple peasants in primitive lands, but for modern men, hard-headed, highly educated, burdened with great responsibilities, Christ brings meaning and beauty as well as power. Strong voices in every land join the heavenly host in praise to God who has given us his Son.

**Littlefield Drops Two Games, Win One In Sudan Tourney**

By CHARLES DUVAL JR.

The varsity squad ventured to Sundown last weekend for their second tourney. In an opening contest on Friday, the Cats were edged 66-44 by Morton, but that night the Cat five defeated a weak Pettit quintet 65-33. The next afternoon the Cats fighting for consolation honors, lost their bid as Olton defeated them in the last minutes of that particular game.

Littlefield's offense got off to a slow start in the Morton contest. Although Wicker and Orr sank baskets for the home team, Kennedy and Gathright managed to pull Morton ahead in the first quarter 11-7. A series of free throws sunk by Morton further increased their lead in the second quarter. Clayton, Wicker, Orr, Durham and Burleson added two points each for the Cat five but Morton had increased their lead to 15 points as the score stood at 33-18 in favor of Morton at the half.

After the half Morton's Gathright sunk free shots along with field goals to increase their lead. Clayton and Wicker began hitting long shots to add to the Cats' tally. Orr, Durham, Yarbrough and Jones meshed free throws. The score at the end of the third period was 49-23 in favor of Morton.

Wicker continued hitting during the last quarter to keep the Littlefield offense going. However, several baskets by the opposing quintet to win the ball game 66-44, the Morton Indians coming out on top.

Later that night the Cats bounced back to defeat a weak Pettit team 66-33. Burleson was the big gun in the first quarter sinking five baskets. Orr and Clayton also added to the tally with two points each. McShan and Hoover contributed to the scoring parade in the second quarter, by popping in four points each. Pettit's small team couldn't weather the Cat scoring storm in the first quarter but managed to sink enough in the second to pull the scores closer together, 26-20 still Littlefield's favor. During the final half, all of the Cat team added points to the scoreboard. The Pettit team failed to catch up and as time ran out the tally stood 65-33 with Littlefield the victor.

Saturday afternoon the Cats started off well as they piled up a lead in the first quarter of their game with Olton. Clayton, Wicker, Burleson and Orr hit the basket to give Littlefield a 11-7 lead over the Mustangs.

Olton tied up the ball game during the second quarter 27-27. Olton's Rhodes, Estes, Edwards, Stewart and Gray sank baskets to tie the score.

Littlefield in the form of Wicker, Orr, Durham and Burleson, sank baskets to try to break the tie, but at the end of the half the score stood 27-27. In the last half Olton pulled ahead for the first time in the ball game. There was

relatively little scoring by either side in the third period, although Durham sank two baskets, and Wicker added a free throw. Olton got several free shots all of which they made to pull them ahead 31 to 32 at the end of the third quarter.

Several times during the fourth quarter the score was tied and untied as the game moved along at a rapid pace. Durham sank three baskets with Burleson, Yarbrough, Orr, Wicker and McShan added a basket each. Olton's Powell sank a series of baskets with Estes and Edwards adding four points each to pull Olton ahead 11-48 as the final buzzer rang.

Individual scorers for Littlefield were:

	Morton	Pettit	Olton
Wicker	16	1	9
Clayton	8	13	2
Burleson	6	16	13
Durham	6	4	13
Orr	6	12	8
McShan	0	7	2
Hoover	0	4	0
Jones	1	2	0
Yarbrough	1	2	2

**Bula Football Team Is Honored**

Monday night, December 5, the Morton Community Center was the site of the annual Football Banquet given by the sophomore girls for the football boys, pep squad and faculty of Bula high school.

The banquet room was decorated with red and black colors, the school colors.

The banquet opened with the invocation given by Junior Austin. After the invocation the welcome was given by Janell Seagler, followed by a response from Curtis Green.

After the response the meal consisting of fried chicken, English peas, salad, creamed potatoes, hot rolls, gravy, iced tea and for dessert a very unusual but tasteful cranberry apple pie topped with ice cream, was served to the group.

A group of freshmen girls, Sandra Angel, Judy Young, Lennell Claunch and Shirley Cox sang "Autumn Leaves." The guest speaker for the evening was Red Phillips from Texas Tech.

The highlight of the evening was the crowning of the football sweetheart, Miss Brenda McCall. The freshman girls sang "Sweetheart of Bula High" afterward co-captains Gerald Neel and Carl Hallford crowned the sweetheart and awarded her with a beautiful bouquet of roses and a small football which has sweetheart on it.

The banquet closed with the showing of a football film between the Texas Tech Red Raiders and Tulsa, Oklahoma team.

Put a teaspoon of salad oil in pan with rice or macaroni when cooking to prevent its boiling over.

**Wildcat Cagers Invited To Tournament**

PORTALES, N. M. (Special)—Members of the basketball squad of Littlefield high school have been invited to attend the Eighth Annual Sunshine basketball tournament at Eastern New Mexico University, Dec. 28-30, according to Al Garten, director of athletics.

With four games being played daily, the high school cagemen will be able to see eight college teams representing eight states in action. Games are played in the afternoon and evening.

Approved by the National Association of Intercollegiate Athletics the tournament will feature the teams of Arkansas State teachers, Conway; Eastern New Mexico University, Portales; Ft. Hays State, Kansas; Southeastern Missouri, Cape Girardeau; Southern Illinois, Carbondale; Southwestern Oklahoma, Weatherford; West Texas State, Canyon; and Western State, Gunnison, Colo.

Ft. Hays Kansas State will be defending the championship it won last year by defeating McKendree College of Illinois, 90-72. Besides Ft. Hays and Eastern, two other teams from last year's tournament are Western State college and Southwestern Oklahoma.

**Dunbar Wins Two Games This Week**

The Dunbar Tigers paced by Hershel McCarty's 17 points and Richard "Dick" Davis' 12 points, laced the Floydada Leopards by a score of 43 to 28. The Floydada team coached by Farris Wilson, former coach of Dunbar had defeated the Tiges last Friday night by a score of 27 to 21.

Coach W. M. Chaney's crew also won over Anton Monday night by a score of 40 to 30. In this game the Tigers were led by George Brockington with 11 point George Gaston and Otis Ashley Jr. poured 18 points through the mashes. Ashley with 8 and Gaston with 10. High point man for Floydada was Whitfield with 8 points and Skillern with 7. Coach Chaney announced that he is very much impressed with the performance of Otis Ashley Jr., elongated 6 foot 11 freshman, who is only 15 years old in the words of Chaney still "growing" The Floydada girls defeated the Dunbar girls 38 to 7.

The Dunbar Tigers are now pointing for the home tournament Jan. 21 here in Littlefield.

**"Do-it-Yourself" Says Internal Revenue Office**

Enthusiastic public acceptance of the "do-it-yourself" taxpayer assistance program has led to its continuance and improvement for the income tax filing period beginning January 1, according to John R. Robinson of the Internal Revenue Service office in Lubbock.

Last filing period the Service made a substantial reduction in the cost of rendering individual taxpayer assistance, by encouraging the public to fill out their own tax forms, using the instruction booklet sent through the mail. Those needing further help were assembled in groups with a tax specialist answering individual questions as each taxpayer filled out his return.

This streamlining increased revenue in the five-state Southwestern region \$28,000,000 in the first four months of 1955, compared with the same period in 1954. The

additional revenue resulted largely from the notable decline in man-hours spent on the taxpayer assistance program. Where in 1954 we spent more than 175,000 hours in the region, in 1955 less than 100,000 hours were devoted to this activity, and we hope to make further reductions in 1956," the officials said.

The majority of taxpayers deserve tremendous credit for accepting the challenge of the "do-it-yourself" approach, he added. Since there are few changes affecting individuals in the tax laws

## Letters To Santa Claus:

DEAR SANTA CLAUS:

Bring me a doll that has a blue evening dress with blue shoes and white socks, and a saxophone that plays pretty music and has a book with it. Please bring me a ferris wheel, a merry go round that has planes hooked on the same old thing. Bring me a little painting set.  
Love,  
Susie

DEAR SANTA:

I am six and a half years old. I try to be a good boy and help my mommie and daddy. I would like a set of Lincoln logs, an air rifle and a Davey Crockett at the Alamo set. And Santa please don't forget the other boys and girls all over the world.  
Merry Christmas,  
Jerry Lynne Hopper

DEAR SANTA CLAUS:

We have been good boys all year, and we would like to have a new tractor with a ditcher and a color book and crayolas, and a football. We live 3 miles north of Spade and 1 mile west.  
Love,  
Danny,  
Raymond,  
Jimmy.

## Sandhills Philosopher—

Note: The Sandhills Philosopher on  
 Johnson grass farm apparently has got  
 Christmas spirit, which must make it  
 amusing.

It doesn't seem like a month since last  
 Christmas but I see by the calendar another  
 almost on us. Unless it's the due date  
 of nothing comes around faster than  
 these days, and while some people  
 think this to the speed we're going at, it  
 applies to me, as I'm going at the same  
 speed I've been going at for years. It's  
 vary your speed when you're sitting  
 under a tree in the summer or in a rocking  
 chair by the fire in the winter reading a  
 paper. Oh, I'll admit I can read your  
 paper faster than I can The  
 Journal, but just because a cow  
 can eat a pound of cottonseed cake faster  
 than she can a bale of Johnson grass hay is  
 she's gonna come out any more  
 quickly nourished, so you can see speed  
 is doing with it.

Never, to tell the truth. I'm not sorry  
 Christmas is here again. I know there are  
 people who claim the day has been made into  
 a holiday, but there's nothing original in their  
 claim. Ole Scrooge claimed the same thing  
 a hundred years ago.

I know the world is about as far from  
 what it was the day Christmas was start-  
 ed, in some parts of it, but not this part  
 of it on this Johnson grass farm. If  
 the world was as peaceful as I  
 would like it to be, there'd be a lot of hydrogen bombs  
 as my tractor and as little used.

At this rate, at this particular season, I  
 am bothered about the foreign situation,  
 but I want to say I have appreciated your  
 letters in 1955, it means a lot  
 to have something to do to take  
 care of plowing, thinking may be hard  
 but I've never failed to choose it when  
 it's a choice of it or plowing, you can't  
 stretch out dozing under a tree. I  
 know some people say they do their best  
 while they're plowing, but it's not  
 my case, nor have I ever done my  
 plowing while I was thinking. Come to  
 think of it, I've never done my best plowing  
 time, and I hope I can get by with  
 the system in 1956.

In the meantime, Merry Christmas.

Yours faithfully,  
 J. A.

## MEANINGS . . . in Nearby Newspapers

Sentiments have been expressed be-  
 fore on this subject, but an editorial in a re-  
 issue of the Lamb County Leader  
 has us to remark again: We believe that  
 newspapers, magazines, and other publica-  
 tions enjoying second class mailing pri-  
 vilege should be expected to "pay their own  
 way." Taxpayers are now required to  
 pay what amounts to a subsidy for these  
 publications because the rates charged for  
 second class mailing are lower than what it  
 costs the Post Office to perform its services.  
 In the case of a weekly newspaper such as  
 this one, the subsidy actually amounts to  
 very little, but the principal involved is  
 the businesses which would be "hurt"  
 if the increase would be large newspapers  
 such as Life, Reader's Digest, and  
 others.

Most newspapers have always supported  
 the cause of non-subsidization. This applies to  
 newspapers of the economy, including week-  
 end papers. Rates have been materially  
 increased in recent years, but we are con-  
 vinced that they are still less than what it  
 costs Uncle Sam to perform services.

## Change On The Land

Fifteen years is a short period of time. Yet,  
 in the past 15 years vast and often revolu-  
 tionary changes have taken place in this  
 country. And nowhere has change been more  
 marked than in agriculture.

In those 15 years, the farm population de-  
 clined by 2,500,000 people. In those same 15  
 years, the country gained 30,000,000 in popu-  
 lation. There are 30,000,000 more mouths to  
 feed—and they are being fed, better than  
 ever before.

How can 2,500,000 fewer farmers take care of  
 the wants of 30,000,000 more people?

The biggest part of the answer to that  
 question can be provided in one word—and  
 the word is mechanization. Agriculture not  
 only has more farm equipment, but it is bet-  
 ter equipment—more productive, more eco-  
 nomical to operate, more trouble-free, more  
 versatile. So every farmer and farm worker  
 can get out more produce—and get it out  
 with less waste and less labor.

The significance of this will deepen as  
 time wears on. Our population continues to  
 soar, and people continue to demand higher  
 living standards. It seems certain that time  
 and tide, if nothing else, will solve our cur-  
 rent farm surplus problems. The machine is  
 the assurance of plenty.

## Just A Few Facts

The taxpaying, business-managed electric  
 companies have long been the favorite whip-  
 ping boys of socialist-minded groups, in and  
 out of government. So a few facts of record  
 should be of general interest.

In 1947, after World War II had prevent-  
 ed normal expansion, the industry had a re-  
 serve capacity of six per cent—that is, it  
 could produce that much more power than  
 actual demand. At the end of 1954, it had  
 a reserve of 21.5 per cent. This resulted from  
 the expenditure of \$148,468,000,000 on new  
 construction during the 1946-54 period.

Last year the industry paid \$1,447,000,000  
 in taxes, to federal, state and local govern-  
 ment. That works out to 23 cents of every  
 dollar received from customers.

The industry expects that the nation's  
 power needs will double by 1965 and quadru-  
 ple by 1975. It is building ahead to meet those  
 projected needs, at a cost of many more bil-  
 lions.

The U. S. produces 41 per cent of all the  
 world's electricity. The second-place nation  
 produces less than 11 per cent—little more  
 than one-fourth as much.

The price of power service is a small frac-  
 tion of what it used to be. For example, seven  
 decades ago residential customers paid 25  
 cents a kilowatt hour. In 1953, the figure was  
 2.74 cents.

The socialists want us to believe this is  
 a bad record. What do you think?

## Automation & Employment

Secretary of Labor Mitchell states that  
 automation is not causing unemployment.  
 He adds that there are more people working  
 than ever before and "automation is increas-  
 ing the demand for skilled technicians."

This should surprise no one. Every techno-  
 logical advance in history has advanced, not  
 undermined, the welfare and interests of  
 working people. Automation is simply one  
 more phase of the beneficent industrial rev-  
 olution that began with the steam engine.

## LIPSTICK LOGIC

By LOUISE C. ALLEN

A Christmas tinsel and bright wrappings,  
 some say, is not a real Christmas. Ideally,  
 that is true. The real Christmas is one of  
 warm fellowship with loved ones, of beautiful  
 religious music that bespeaks peace on earth,  
 good will toward men. It is a season for shar-  
 ing and giving; for happy children unloading  
 their stockings, squealing happily over a  
 sleepy doll or a rocking horse.

But that is ideal. For many, Christmas  
 cannot be that way. A family may have  
 grown up, or gone away. Children may be  
 scattered across several states, or spending  
 the holiday with "in-laws." Many, many per-  
 sons at Christmas time find they must put  
 up a front to seem in the spirit of things at  
 all.

For them, the tinsel and bright wrappings  
 are more than a commercialized theme. They  
 are the setting for a real human drama—in  
 which they will act a part as in a play. The  
 "trimmings" help set the stage for such make-  
 believe.

And just as a bright wrapping often con-  
 ceals a practical and much-needed gift, so  
 busy-ness with candles, and holly, and fruit  
 cake, make the lonely one feel a part of the  
 season whether or not everything is as she  
 would have wished. Soon, that feeling be-  
 comes real, and as she helps others to enjoy  
 the holiday, her make-believe is no longer  
 make-believe.

The Christmas season is one for feeling  
 closer to our fellows, rich and poor. Person-  
 ally, we're thankful for the tinsel and bright  
 wrappings.

## WARREN TAKES LEAD OVER HARRIMAN IN NATIONWIDE TRIAL HEAT ELECTION

By KENNETH FINK, Director  
 Princeton Research Service

How would the nation vote today if Chief  
 Justice Warren were the Republican Presi-  
 dential candidate and Governor Harriman of  
 New York were the Democratic?

Results of the latest United States Poll  
 survey findings indicate that Chief Justice  
 Warren would win over Governor Harriman  
 by a decisive margin. When United States  
 Poll staff reporters asked the following ques-  
 tion of a representative cross-section of the  
 nation's voters:

"Suppose the Presidential election were  
 being held today and Governor Averell Harri-  
 man of New York were the Democratic  
 candidate and Chief Justice Earl Warren  
 were the Republican candidate, which one  
 would you like to see win—the Democrat  
 Harriman or the Republican Warren?"  
 The results:

### Nationwide

Warren	58%
Harriman	38
Undecided	4

With the 4 per cent who said they were  
 undecided eliminated, the vote divides 60  
 per cent for Mr. Warren and 40 per cent for  
 Mr. Harriman.

Of special interest in today's trial heat  
 election is the fact that Independents—those  
 who consider themselves neither Republi-  
 cans nor Democrats and who hold the bal-  
 ance of power in every nationwide election  
 —prefer Warren to Harriman by a margin  
 of better than two to one.

Here's how the nation's Independents voted

in today's trial heat election:

### Independents Only, Nationwide

Warren	66%
Harriman	27
Undecided	7

Of importance, too, is that more than one  
 out of every five Democrats questioned in  
 the survey say they would vote for Warren.

### Democrats Only, Nationwide

Warren	23%
Harriman	72
Undecided	5

As might be expected, Mr. Warren is very  
 popular with GOP voters, Governor Harri-  
 man getting the nod from only 6 out of each  
 100 Republicans questioned in the survey.

### Republicans Only, Nationwide

Warren	92%
Harriman	6
Undecided	2

It must be understood that today's trial  
 heat election reflects only current sentiment  
 and that much can happen between now and  
 next November.

## Letter To The Editor . . .

"A prayer was answered through the  
 workers of the Extension Department  
 of the First Baptist Church."

We are so thankful that we feel we did a  
 "worthy deed as we carried food to some of  
 the Shutins during the "Thanksgiving Sea-  
 son."

One Shutin was found lying helpless, and  
 had prayed for someone to come to his  
 rescue.

This was Mike Stehlik, he was carried  
 to the hospital, where he stayed two weeks,  
 before he passed away December 7.

He had been a member of the Extension  
 Department for several years. He was always  
 happy and enjoyed our visits.

## Two things that make for SAFER driving!

The first and most important thing is you  
 —the driver. As the highway safety or-  
 ganizations and law enforcement agencies  
 point out, the courtesy, care, and common  
 sense you show count more than anything  
 else. You can drive any car safely — or  
 foolishly.

The second thing is the car itself. All  
 cars are safer today. That's shown by the  
 number of accidents in relation to the  
 number of miles passenger cars are  
 driven. The figure's been going down  
 steadily and sharply.

Chevrolet engineers and designers have  
 always made your safety a major consid-  
 eration, introducing many such features  
 as the all-steel top, safety plate glass all  
 around, and windshield-wide defrosters  
 into the low-price field. And this '56 Chev-  
 rolet is the safest one ever built.

Its lively new power means safer pass-  
 ing. Its special Ball-Race steering—the  
 oversize brakes with Anti-Dive control—  
 the Unisteel construction and safety door  
 latches of its Fisher Body—the nailed-to-  
 the-road stability that comes from outrig-  
 ger rear springs, an advanced suspension  
 system and better balance—the sweeping  
 panoramic windshield — all these things  
 add to your safety.

Seat belts with or without shoulder  
 harness? Instrument panel padding? Of  
 course, they're available at extra cost on  
 your new Chevrolet. But the best protec-  
 tion of all is to keep out of accidents in  
 the first place. And that depends mostly  
 on you and the built-in safety of your car.

As your Chevrolet dealer, we'll be glad  
 to show you the many safety features of  
 the '56 Chevrolet.

American Indians do not have red or even copper-colored skins, the National Geographic Society says. Fondness for painting themselves with red ochre or red vegetable paints led the American aborigines to be called Redskins by early explorers. The Indian's skin is brown.

**THINKS ABOUT MEN, TOO**  
 Santa would give dairymen what they really like this year. He would give them higher prices for their products and lower prices for the things they have to buy. He would give them a gift like his gift to me. He doesn't seem to care about the cost-price ratio. He has a gift for all dairymen to give them a gift like mine. He has a gift for all dairymen to give them a gift like mine. He has a gift for all dairymen to give them a gift like mine.

## THE WONDERFUL STORY

 Matthew 23:13: "Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel."  
**Event**  
 Matthew 23:17: "And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn."  
**Gift to the Shepherds**  
 Matthew 23:19: "And the angel said unto them, Fear not: behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord. This shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger."  
**Gift to the Angels**  
 Matthew 23:21: "Glory to God in the highest, and on earth peace, good will toward men."  
**Worship**  
 Matthew 23:23: "... behold, there came wise men from the east to Jerusalem, saying, Where is he that is born of the Jews? for we have seen his star in the east, and are come to worship him."

an opportunity to cooperate with their neighbors in getting the information they need on their herds.

Santa has a package labeled "Official Testing" for all purebred breeders. In the package there is a note from Santa asking this question: "How can you be a breeder without herd records?"

How about all other dairymen. Santa hasn't forgotten them. This time his package is labeled "Private herd records." This is a do-it-yourself kit but, according to Santa, it will provide the same type of information as the other two gifts.

Finally, Santa believes every dairymen will profit from his gift and, in the true spirit of the season, will want to share its benefits with others.

### EGG-FEED PRICE RATIO GIVEN

The current egg-feed ratio is providing poultrymen an opportunity for increased profits over those of a year ago. Agricultural Marketing Service egg figures show that prices are higher and feed prices reduced.

In mid-September the Texas egg-feed price ratio was 11.9 compared to about 10 for the same period a year ago and 9.3 for July 1955. The egg-feed price ratio, a figure which shows the number of pounds of feed that one dozen eggs will buy and represents the farm value of the average cost of laying rations and the average selling price of eggs. The ratio figure is determined by dividing the average price of a dozen eggs by the cost of one pound of the complete feed ration.

A narrowing ratio means reduced profits and spotlights the need for the poultryman to check every management practice and change those which are out of line. This means, not only checking the management practices but also making sure the eggs are properly cared for and sold on the best graded market available in the area.

The higher feed ratio means greater opportunity for profit and should encourage the flock owner to manage his flock so as to take advantage of the favorable situation. Top production at the lowest possible cost is efficient production and will net the greatest financial return to the producer.

In many of the heavy poultry producing areas, the feed price ratios are accepted as a standard management tool and include the feed-price ratios for turkeys, broilers and eggs. The figures are used as a barometer by the alert

poultrymen to indicate whether or not their business is operating in fair or foul conditions and the courses they should follow to provide the best chances for maximum profit.

### HENS NEED 13 HOURS OF LIGHT DAILY

The use of artificial lights to keep hens on the job for 13 hours each day during the short days of fall and winter is a management practice which pays dividends.

The extra hours of light are needed, for stimulating hormone production. Light picked up through the hen's eye stimulates a gland to produce and secrete the hormone. It is the hormone production which determines the amount and length of light exposure needed for top egg production.

Clean 60-watt light bulbs located six feet above the floor and 14 feet apart should produce enough light. A clean 12-inch shallow dome reflector used with each bulb will give good light distribution. The light should be used over the entire house so that all hens will be exposed during the time the lights are on.

Most poultrymen find it convenient to use automatic timing switches for turning the lights on early enough each morning so the combined artificial and sunlight equals 13 hours before normal sunset. Gradual changes must be made in the setting of the time switch to take care of the decrease or increase in the number of daylight hours. Abrupt changes in the daily length of artificial lighting may upset the hens enough to cause them to molt and lay fewer eggs.

We advise keeping the lights on all day when the weather is cloudy or rainy. Many egg producers have seen their hens drop in egg production about a week after a several days period of cloudy weather. And finally, we caution the poultryman not only to check the length of daylight but also the intensity of light during the 13-hour period.

### SUGGESTIONS ON POULTRY CULLING OFFERED

Culling, one of the oldest flock management practices used by poultrymen for maintaining high egg production, is less important today because of changes being made in flock handling methods. Little culling, except to remove the hopelessly sick or unthrifty birds, should now be needed for the first eight to nine months of production. Taking a young hen from the flock just because she fails to lay for a few days is a sure way to cut income. This may seem to contradict

former recommendations about culling but it doesn't. Egg producers who are most successful replace the entire laying flock with pullets at the end of each laying year. Thereby eliminating the job of trying to select the best hens to carry over for the second year of production.

Too, breeding methods have been intensified to the extent that where top quality chicks have been used the resulting flock will lay at a rate for eight or nine months that makes culling of healthy hens unnecessary. If a flock of top bred birds is not laying at a high rate, the poultryman had best do some checking on the care and management his hens have been receiving. When corrections are made, the flock should return to a satisfactory rate of lay.

The poultryman has an investment of from \$1.75 to \$2.25 in a pullet by the time she begins to produce. This cost must be recovered along with the expense of keeping her in production before any profit can be realized. The replacement flock must be well bred to justify these costs.

If a hen is removed by close culling early in the laying year, she is a sure money loser because she didn't have a chance to pay off the investment. Studies are now indicating that a hen may take as long as a two weeks pause and lay a profitable number of eggs before the end of the laying year. If she had been cull early, this couldn't happen.

On the other hand, if the hen goes out of production near the end of the laying year, she should be culled because there isn't sufficient time for her to make a recovery and produce a worthwhile number of eggs.

These studies point up to the need for poultrymen to be very careful about buying only chicks for the laying flock which have

the very best breeding in them. Too, research findings are showing there is a correlation between death losses in chicks and mortality in the flocks produced from the chicks.

Know the records not only from

the standpoint of eggs produced but also the weight of eggs and the mortality record of the flocks from which replacement chicks are purchased. But the ones which are bred to lay.

To sour sweet milk quickly, pour two teaspoons vinegar or lemon juice in a cup; add milk until cup is half full. This may be used with baking soda when recipe calls for sour or butter-milk.

## Robert E. White Returns Aboard USS Raton

Robert E. White, interior communications electrician fireman, USN, son of Mr. and Mrs. Lester E. White of Route 1, Littlefield, and husband of the former Miss Joyce B. Nail of Morton, returned to San Diego, Calif., November 12

aboard the radar picket submarine USS Raton which completed a six-month cruise in the Western Pacific.

While in the Western Pacific, the Raton became the first US submarine to refuel from a tanker while underway during fleet-task force operations.

Designed to give early warning to surface fleet components of approaching enemy air or surface craft, the Raton is built with an extensive fuel capacity and does not normally refuel away

from port.

The Raton visited Formosa, Japan, Hong Kong, and Korea during the tour.

### Red Cross News

By MRS. RALPH DOUGLAS

Through the efforts and generosity of county citizens, working through the Red Cross and other co-operating agencies, at least sixty-three families will be made happy when Christmas morning arrives. Baskets of food for a bountiful Christmas dinner and toys for every child in the family will be provided.

Of the 62 families who had been listed earlier in the week, six were from Olton, five from Sudan, three from Earth and Fortynine from Littlefield.

The five Sudan families will be cared for by Sudan churches. Seventeen have been spoken for by churches and other organizations in Littlefield, leaving 31 other families not yet spoken for. More names are expected to be received in the office before Christmas and they, too, will be cared for by the co-operating agencies.

Persons wishing to contribute money to furnish a basket may
