Board Hikes School Payroll

Salary increases for practically all Littlefield School teachers and personnel were voted by the school board during a regular meeting Monday night, an action which will up the payroll about \$12,000.

The sweeping approval of increases, ranging from \$600 a year for the superintendent to \$54 a year for some teachers, was the first step in setting up a salary schedule for the system and putting its pay scale on a more competitive basis with other schools.

A prime consideration in the salary increases was to hike the above-state-schedule pay of local teachers. The present "overage" is \$72 per year, compared to state average of \$225 for schools of comparable size.

The new salary schedule will mean an additional \$108 next year for all teachers and certified personnel now drawing the minimum \$72 coverage. This will come in the form of \$54 "bonus" on the first day of school and the remainder paid over the 12-month period.

For teachers already being paid a base coverage of more than \$72, the new schedule provides for only the \$54 incentive payment on the first day of school. Their base coverage will remain the same. Principals also receive the \$54 payment.

New teachers to the system will be employed at a base above-state schedule of \$126 next year, rather than the present \$72 base.

The \$600 annual increase for Supt. Glenn Reeves marks his first pay raise since taking the chief administrator's post here in 1960. Sid Hopping, tax assessor-collector and business manager, also received a \$600 raise. These pay hikes are effective with the men's contract months of June and July; the other are effective Sept. 1.

Salary increases of \$25 per month were voted to many non-certified personnel. These included the cafeteria supervisor and two assistants, maintenance supervisor, bus foreman, tax office assistants, superintendent's secretary, and building custodians.

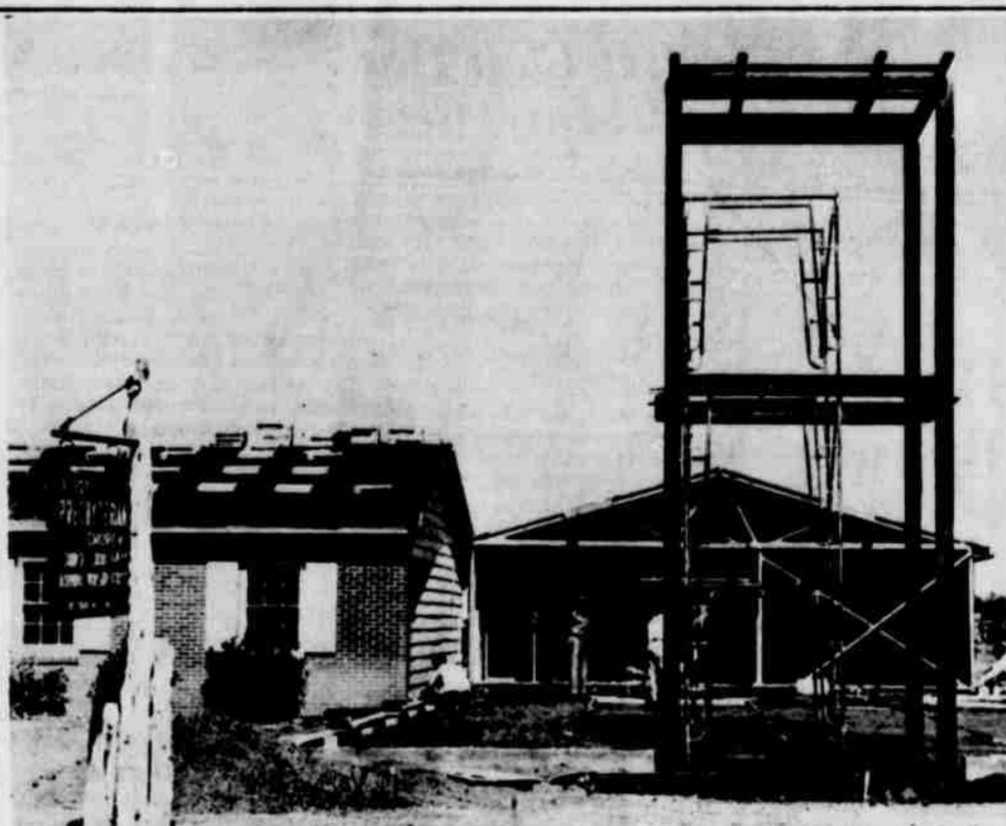

In other business, Reeves discussed teaching assignments for next year; the board accepted the resignation of Anna Lee Neal, 1st grade teacher, and approved employment of Joy Beth Young, junior high; Mrs. Patricia Thompson, 1st grade; Mrs. Edith Weed, 1st grade; Mrs. Sandra M. Steffey, junior high P.E.; and Mrs. Anita Longshore, 6th grade.

The board also set July 13 as the date to open bids on the sale of a used bus chassis, discussed moving the FFA hog pens to a different part of the lot northeast of town, and postponed discussion of a school attendance officer.

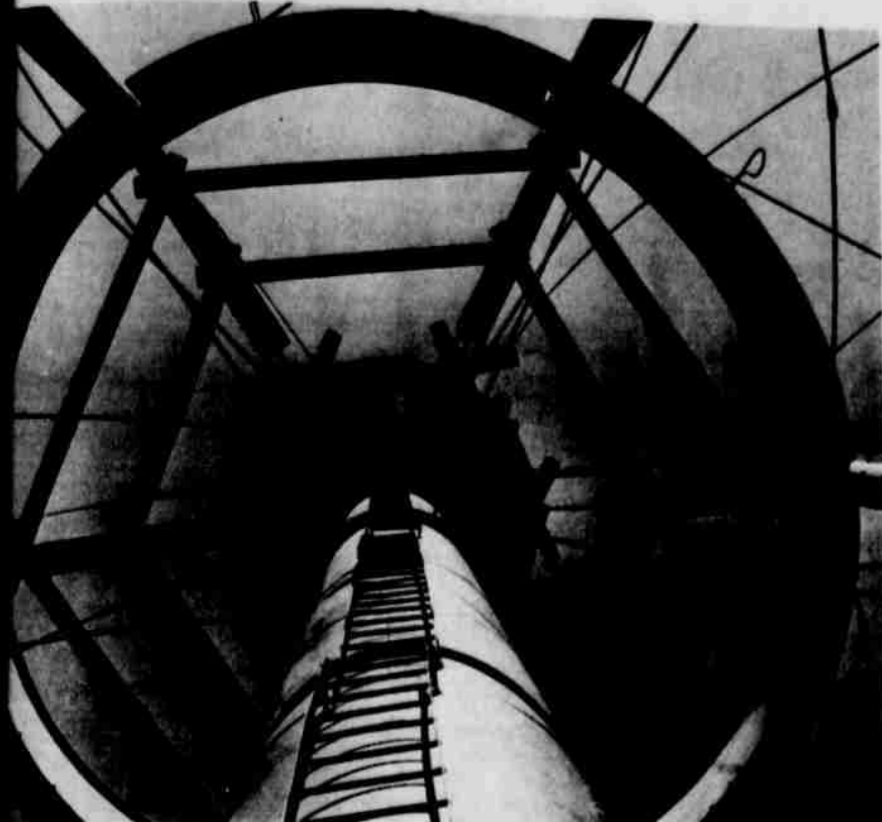

Prior to approving salary increases, the board heard Supt. Reeves discuss a proposed salary schedule to be initiated in the system. He proposed raising the base coverage (See BOARD on Page 4)

C-C Directors Meet Tonight

The board of directors of the Littlefield Chamber of Commerce will meet tonight in the council room, according to an announcement from Manager Jim Shannon. The meeting is to start at 7:30 p.m., and Shannon reported a full agenda was set for directors.

CHURCH ADDITION RISING -- A new sanctuary and additional educational facilities are included in a new addition now under construction at Littlefield's Presbyterian Church. LOOKING UP -- Construction is going on in Littlefield, including a new 500,000-gallon water tower in the southwest part of town. Here's a view looking up from the center stand pipe of the new tower, which is located on S. Sunset.

WATER RATES, DRY APRIL

Water-Sewer Funds Up

Dry April coupled with higher water rates for residents moved forward these services up during March and the first two months of 1964. Rates established last year in the city voted \$988,000 for water and sewer bonds.

Water-sewer subscribers, who increased from 2,418 a year ago to 2,516 on April billings. Bulk of it, however, came from the boosted rates and high consumption for April.

Water billings for April of 1964 were \$17,022.51, compared with \$12,571.60 for April of 1963. For the same months sewer billings went from \$2,018.50 in April, 1963, to \$3,209.85 in April, 1964, reports City Manager J. W. Harrison.

In March, the 1964 billings were \$12,551.20 compared with \$10,855.20 a year ago.

Most subscribers experienced a raise of 50 cents monthly in their sewer rate, from \$1.00 to \$1.50 for residences. Water rates were increased on a scale according to use under the new schedule.

The garbage pickup rate was not raised and income there

grew only with new subscribers, from \$4,191.05 in April a year ago to \$4,389.10 this April.

April water use was up sharply over a year ago, a situation credited largely to general lawn sprinkling as residents combat a dry April. Daily water pumpings have continued to increase during May, Harrison said.

For March, first month of the new rates, the city's income from water, sewer and garbage services was up enough to meet projected needs for its new bonded debt with \$178 above the anticipated needs, Harrison said. The new revenue bonds will be paid off from these departments and rates were set to meet the bond needs.

The possibility of a surplus is good for April, with the stepped-up use of water because of dry weather.

Irrigation

Rate Slated

Irrigation water rate applied by the Littlefield City last week is effective. City Mgr. J. W. Harrison emphasized this week. Contracts will be sent to all water users with May bills, and persons are to take advantage of the rate. Irrigation rate must sign contracts and return them to the city.

City has had an irrigation contract for the past on a 12-month basis but the new one is a 5-year arrangement. The rate is a minimum \$7.50 for 5,000 gallons. The rate applies above that.

County Appoints New Librarian

Lamb County Commissioner Monday appointed a new librarian and purchased a new motor grader to highlight their first regular meeting of the month.

Mrs. Jack Hicks was named as the new county librarian, replacing Lula Hubbard. Mrs. Hicks' appointment was effective May 1 at a salary of \$100 per month. Commissioners set the library hours from 1:30 to 5:30 p.m. Monday through Friday, except holidays.

Miss Hubbard, a librarian in Littlefield since 1925, retired last week. She had taken charge of the old Littlefield Library in 1925 when the Woman's Club sponsored the program. She continued as librarian when the county took charge several years ago.

Three bids were received on a motor grader for Precinct 4 and West Texas Equipment won

the contract for a difference of \$12,936. Other bidders were Service Machinery, \$13,360; Plains Machinery, \$13,500.

Commissioners also bought a used Hough front-end loader from Plains Machinery on the lone bid submitted. Purchase price was \$7,731.28.

After discussion county hospitalization and accident insurance, the court decided to retain coverage under Blue Cross-Blue Shield. In other business, the court approved bills, approved Extension Service reports, entered into contractual agreement with Southwestern Public Service on right-of-way utility adjustments.

Commissioners also met to form a board of equalization and take oaths of office. They will meet again between now and June 25, the date when evaluation engineers meet with the board.

Peace Officers Convene Here

If the call had gone out for a posse in Littlefield Wednesday, plenty of lawmen would have been available since about 200 were on hand for the spring meeting of the Texas South Plains and Eastern New Mexico Peace Officers Assn.

The meeting opened at 10 a.m. in the Littlefield Sports Arena with Sheriff Dan Saunders of Stanton presiding. Mayor B.W. Armistead welcomed the association to Littlefield.

The spring convention was hosted by local peace officers and the Littlefield Chamber of Commerce. Police Chief F.A. Fitzgerald was in charge of arrangements.

Four outstanding speakers were on the day's program. Lt. Col. Wilson E. Speir, Austin DPS, and C.L. Kay, Lubbock Christian College vice president, gave morning addresses.

Inspector A.P. Winston, New Mexico State Police, and Rep. Billy Clayton of Springlake were afternoon speakers.

The meeting was scheduled to conclude with a business session from 3:30 to 4 p.m. Selection of a New Mexico city for the fall meeting was slated,

City Recreation Program Set

Plans for Littlefield's city summer recreation program will be made during a meeting Friday afternoon in City Mgr. J.W. Harrison's office.

The program was conducted last year for youngsters in the first through sixth grades of Littlefield schools. Activities and age groups to be included this year will be discussed at the 2 p.m. meeting, Harrison said.

The program sign-up is expected to start soon in all schools in the city.

'Work Party' in Pony Park

Pony League supporters are urged to rally around the park Saturday from 8:30 to 10:30 a.m. for a work party, league officials announced Wednesday.

Volunteers are asked to report with hoes, rakes, lawn mowers, paint brushes, and paper sacks. All supporters of the Pony baseball program are invited to participate.

PASS 8 RESOLUTIONS

Republicans Name State Delegates

Lamb County Republicans selected delegates to the state convention and passed eight resolutions during a county convention Saturday, according to GOP county Chairman Bill Carter.

Included among the resolutions was one calling for a change in Texas Election Laws so that the loyalty pledge would be omitted from primary voting ballots.

Named as delegates to the state convention were the following 12 persons (the county is entitled to six votes): Buddy Hedges, Ray Keeling, Robert Meinecke, Bill Carter, H.H. Potter, E.L. Yarbrough, John Wess, Sam Barden, Billy Braden, A.B. Brown, Dan Staggs, K.W. Mahaffey.

Alternates are Pat Meinecke,

Alton Wilson, Mrs. Alton Wilson, Edward Wuerlein, E.L. Ray, J.D. Barden, Bob Manley, Calvin Price, Jay Winders, Harvey Miller, Ann Hedges, Mrs. Ray Keeling.

The resolutions passed:

(1) That Congress and Senate put to the people an amendment to our Constitution that would leave no doubt to the Supreme Court that God may be recognized anywhere in this country at any time.

(2) That the laws be changed and put the Social Security system on an actuarially sound financial basis and to make it on voluntary basis, especially to professional and self-employed persons.

(3) That we recommend Mrs. Katherine McDaniel to the National platform committee.

(4) That Texas Election Laws be amended to omit the loyalty pledge from the primary voting ballots.

(5) That Texas delegates back Barry Goldwater 100 percent all the way for nomination to that great office, President of the United States.

(6) That delegates be sent to convention unopposed other than stated in specific resolutions.

(7) That an attempt be made to secure a full slate of local candidates in the primaries.

(8) That this convention go on record as being in favor of withdrawing from United Nations under the present conditions, unless all the nations pay their share of the cost of the United Nations.

A grass fire burned about 2,000 acres of pasture land on the Halsell Ranch Sunday. The fire was east of U. S. 385 about 14 miles northeast of Amherst.

Mike Sanders, winner of an area Optimist oratorical contest, was guest speaker for the Lubbock Downtown Optimist Club Tuesday. Accompanying him to Lubbock were local Optimists Curtis Wilkinson, Werner Birkelbach, L. E. Sullins and Harold Phillips. Mike will compete in a state contest at Dallas this weekend.

Glenn Batson was in Austin early this week attending a meeting of the state democratic Executive Committee. Batson heads the state committee on convention sites. Enroute to Austin he visited a ranch he has just purchased between Jacksboro and Fort Worth.

County Records Light Shower

Rain finally came to Lamb County Sunday, but it was not enough and not widespread.

Reports of as much as one-half inch came from the Fieldton area, but the moisture was restricted to a small strip of land.

The 5-day forecast offered little hope of a general rain. Temperatures are expected to average 2 to 5 degrees above normal with a warming trend today and Friday. Normal highs are tabbed from 76 to 86 and lows from 48 to 62 in Northwest Texas. Little hope or no precipitation is forecast.

LHS Honor Grads Named

Ten Littlefield High School seniors have been named honor graduates for the class of 1964, according to an announcement from Principal James Pirkey.

The students are: Brenda Perkins, Vivian Lowery, Barbara Huffman, Richard Funk, Diane Phillips, Bob Badger, Bonnie Richey, Linda Hodge, Rose Gomez, and Molly Abeyta.

Although no valedictorian or salutatorian are named as such, Vivian Lowery and Brenda Perkins tied for top honors. They will give honor addresses in commencement exercises June 1 in the LHS Auditorium. Pirkey announced that about 70 seniors are candidates for

graduation this year. Baccalaureate services have been set May 31 at high school with the Rev. J. B. Cagle, Missionary Baptist Church pastor, as guest speaker.

The 10 honor graduates recorded many achievements during their high school careers, being active in activities other than scholastics. Their names were also mentioned frequently in the school's annual Honor Festival held recently.

Brenda Perkins won a sweater award as top English student, was named tops in the choir department, won the DAR citizenship award; Vivian Lowery won the Junior-Senior High

PTA scholarship, was on the court of honor the first semester, and won a sweater award in physics.

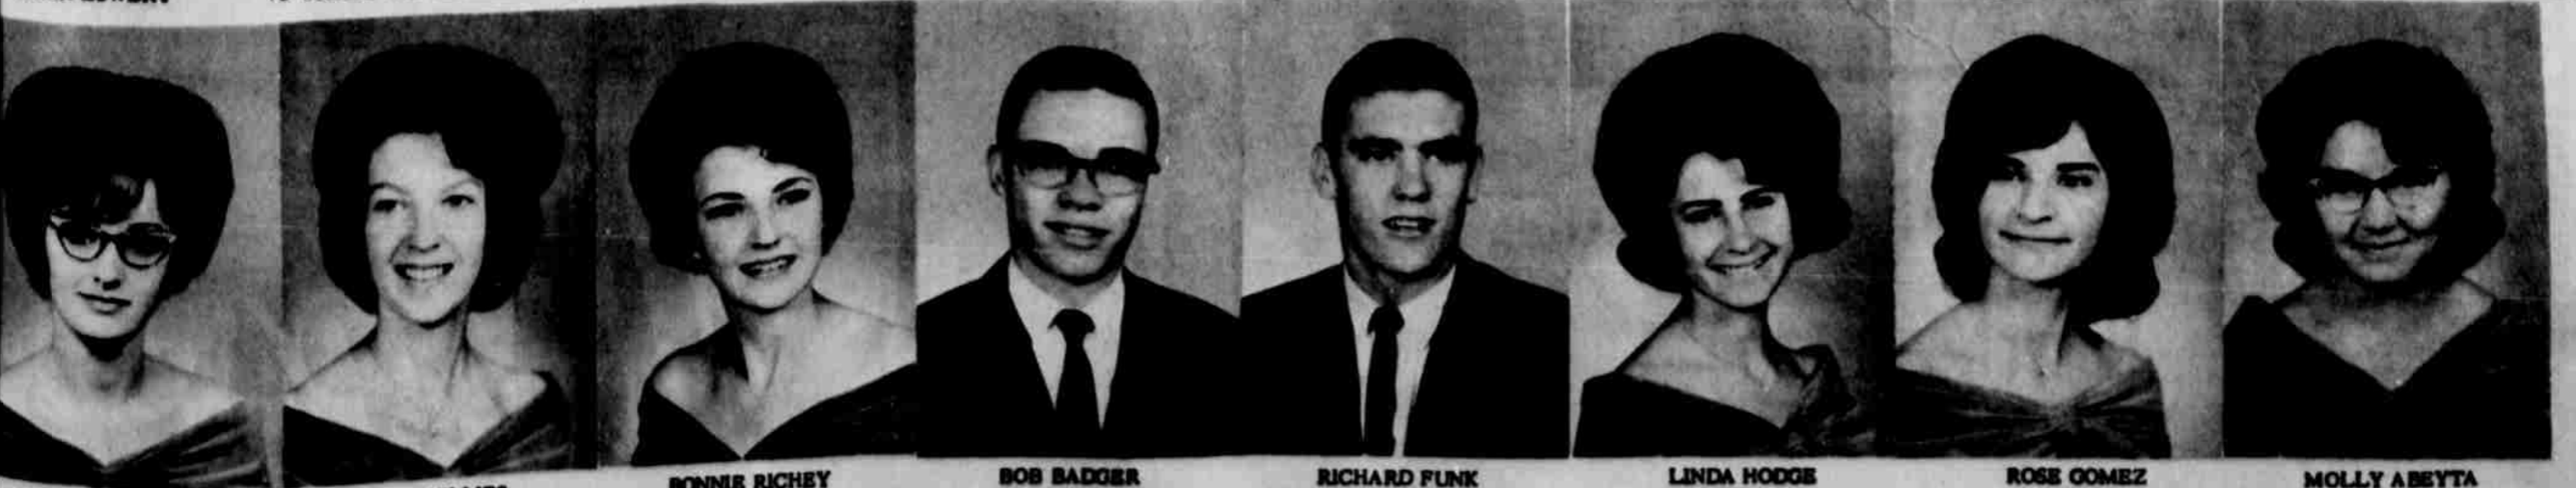

Barbara Huffman was on the court of honor the first semester, making all A's. Richard Funk won the Rotary Club scholarship, won a sweater award in government, won the WOW history award, and as a football and track letterman was the only athlete in the honor group.

Diane Phillips won the Beta Sigma Phi scholarship, won a sweater award in government, was a WOW history award winner, was on the court of honor the first semester, and won a

scholarship to Oklahoma State University.

Bob Badger was named outstanding boy student by the faculty, was a double scholarship winner with one from the Choir Parents and one from the Texas Tech Band, on the court of honor, won the Wildcat Band's John Phillips Sousa award, was a sweater winner in English, and was president of the National Honor Society.

Bonnie Richey was named outstanding student in the home-making department, while Linda Hodge won a sweater award in algebra. Rose Gomez was the Ivan Fowler scholarship,

We drove 3,243 miles to make a point about our Super Turbine transmission

You can do it on the way to the grocery store

Would we drive a Buick with a Super Turbine transmission* all the way from Pasadena to New York City just to win Class C in the Mobil Economy Run?

Of course, and just in case anyone failed to get the message, we did it twice again. And won Class D and Class G. In all, Buick entered 4 classes, and won 3--more than any other make of car. (Remember when people used to think Buicks used a lot of gas?) Did we make our point about the Super Buick Motor Division

Turbine transmission? You bet. Obviously you aren't planning to drive 3,243 miles to prove your new Buick is economical. And you can't expect to get as many miles per gallon as the experts in the Economy Run. Still, it is nice to know you can win the economy run around town. And the good looks prize at the same time. See your Buick dealer about it. No doubt he'll think of a number of other reasons to drive a Buick.

BIRTHDAY -- Mrs. O.D. Brown was honored on her birthday Monday with a salad luncheon by her Sunday school class in the annex of the Spade Methodist Church. She has taught Sunday school 16 years.

Luncheon Honors Mrs. O. D. Brown

The Sunday School Class of Mrs. O.D. Brown honored her Monday with a salad luncheon held in the annex of the Spade Methodist Church. The occasion was to honor her on her birthday and also for her work in the Sunday school class. She also served as assistant previous to that.

Also honored was Mrs. Roy McQuatters Sr., the assistant teacher. They were both presented red and white corsages.

Mrs. T.S. Tyler led in prayer. A birthday cake decorated in red and white was served along with the meal.

Mrs. McQuatters spoke of the things she and Mrs. Brown had shared, including their Sunday school work; WSCS work, locally and in the district (they have both held district offices); their interest in the Garden Club, of which they are members; and trips they have taken together. She told of Mrs.

Brown's love of elderly people and also praised her for her faithful work in the church.

Mrs. Tyler spoke on the work that Mrs. McQuatters has done in her many years of church work and her willingness to do any job she is called upon to do.

Friends and neighbors who attended the luncheon were Meses, R.N. Nichols, Harry Wood, M.D. Hall and Albert Lockwood of Littlefield; also Meses, Luther Wood, Blackney, Jess Watts, D.H. Allen, Leon Leonard, James Steffy, P.C. Caldwell, Robert Ramage, J.H. Ramage, John Forbes, T.S. Tyler, N.E. Hall, Willard Loman, A.B. Brown, Olan Crump, R.T. Black, Forrest Durham, John Vrubel, Roy McQuatters, and the honoree.

NATIONAL COTTON WEEK MAY 11 - 16

District C-C Executives To Convene Here

Chamber of Commerce managers from about a 15-county area will gather in Littlefield Friday for a District 2 West Texas C of C Executives Assn. meeting.

Jim Shannon, executive vice president of the Littlefield chamber, will host the meeting. Bill Thompson of Hereford, will moderate the morning session, beginning at 10 a.m., and Charley Young of Plainview will moderate the afternoon session.

The meeting is scheduled to end at 3 p.m. Purpose of the session is to give managers an opportunity to get together on an informal basis to exchange management ideas and techniques.

Shannon said a representative of the West Texas C of C from Abilene is expected to sit in on the meeting. About 15 chamber managers are expected to attend the meeting here.

The district stretches to Lamesa and Seminole on the south, Crosbyton on the east, Tulla and Dimmitt to the north, and the New Mexico border on the west.

Lockwood On Tech's Champ Judging Team

Larry Lockwood of Littlefield was a member of the Texas Tech soil judging team which won first place in the National Collegiate Soil Judging Contests Saturday at the University of Wisconsin.

Lockwood, son of Mr. and Mrs. Albert Lockwood of 206 E. 21st St., was sixth high individual in the contest. A graduate of Spade High School, he is a senior agronomy major at Tech.

The Littlefield student has previously placed first on an individual basis when Tech won the regional contest in Kansas.

Tech's Bill R. Smith of Tahoka was first in the national contest, and Joe Duncan of Roscoe was second. Perdue University was second in the soil judging. Dr. B.L. Young, assistant professor of agronomy, is the Tech coach.

NATIONAL HOSPITAL WEEK

They're Everybody's Business

You have often heard the saying, "Hospitals are everybody's business," but are you really concerned as to why this phrase may have come about? Is it any wonder--with so many of us using the hospital services?

One out of 7.1 persons was hospitalized in 1961. Somebody becomes a hospital patient every 1.2 seconds, almost 75 individuals each minute, 24 hours each day, 365 days a year! Every eight seconds a baby is born in the United States and most of these newborn find their birthplace in the hospital.

The nation's 7028 hospitals employ some 1,762,957 people full-time. Their annual payroll exceeds 6.7 billion dollars and their total expenses run well over 10 billion dollars.

Yes, hospitals are "everybody's business". They purchase sheets by the carload and replace more than 6 million of these every year. Some 3 billion pounds of ice are used each year by the nation's hospitals and they consume over 3 billion kilowatt hours of electricity and 63 billion gallons of hot water in a 12 month period. Hospitals are considered among one of the biggest in the field of "industry" because in terms of investment and assets, their value is above the 19 billion dollar mark.

The big difference in their "product", human lives, gives us the answer to the meaning of the saying, "Hospitals are everybody's business".

Each citizen has a stake in

his community hospital. He has a responsibility to support his hospitals and to know and understand his hospital, what it does, how it does it, what its problems are, and how he can help meet those problems. He needs to consider his community hospital from the standpoint of all it does, the patients it cares for, the people who work there, what it buys, the drama that goes on within its walls.

He needs to understand that hospitals, where human lives are at stake, must provide only the best, and costs must become a secondary consideration.

It is the job of the unpaid board who govern the hospitals to see that their hospitals provide the best possible care at the lowest possible cost to the people they serve. It is the job of every individual to sup-

port the members of the hospital in all their efforts to make their hospitals "the best" American way of life with responsibility among us with no one carrying the load.

Yes! "Hospitals are everybody's business," for as the minds and hearts of American people remain open our hospital doors will close.

RAY DIMMITT HERE TONIGHT

Legion Team To Lift Lid On Baseball Season

Littlefield's Caprock Fertilizer American Legion team will lift the curtain on the 1964 baseball season here tonight, when the Dimmitt Legion plays in a non-district contest, the "play ball" signal is set for 7 p.m. in Legion Park.

Littlefield Coach Bob Falk, in his fourth season at the helm of the Legion team, will have two starters back from last year's club but he is optimistic about his young prospects.

Ray McKinney, a standout hurler last year, and Ricky Phillips, third baseman, are the returnees. McKinney is scheduled to toe the mound tonight, and Coach Falk also plans to put Willie Johnson and Pept Hodge on the firing line.

Falk emphasized that starting jobs have not been nailed down in many positions, but other likely starters tonight include Doug Yarborough or Tommy Thompson behind the plate, Lomar Pollard at First; Junior Hodge at second, Gary Pigg at shortstop, Corley Baker in centerfield, Steve Hall or Bob Badger in left, and Mike Smith or Lewis Williams in right.

Richard Funk is another outfielder and John Dick Carl, another team member, hurt a knee and is sidelined.

The Littlefield coach indicated that any area boys interested in playing on the Legion team can still report for tryouts. Age limits are 16 up to those who will be 19 after Sept. 1.

On the present team roster, Baker and Smith are from Sudan; Pigg is from Amherst, and

the others are local boys.

Coach of the visiting Dimmitt team is Jimmy Chapman, former Littlefield resident and Legion coach here. Chapman was instrumental in getting Legion baseball started in Littlefield.

Ray McKinney is assisting

Falk with the Caprock Fertilizer team again this year, and "Pistol Pete" is also helping in the workouts. The team has been practicing for about three weeks.

Falk is lining up some more non-district games, and the district Legion schedule is expected to be announced soon.

STATE MEET

HS Mile Relay Team Wins 2nd

Littlefield's Wildcat mile relay team finished second in the track meet at Austin Saturday, and Grover Pigrum added fourth place in the broad jump to give the LIS crew endpoints for fourth in the AAAA field.

Brownwood, runner-up to Littlefield in team points, edged Littlefield in the mile relay. Winners had 3:18.8 time. Littlefield came around 39.3. The two teams duelled the way, leaving the rest of the field behind.

Harry Schovajsa opened for Littlefield with a 51.4 quarter, then Grover Pigrum breezed the lap a great 48.8 timing to put Littlefield up front with Brownwood. Wood turned in a 49.6 but Brownwood's anchor

man overtook Grover Pigrum to win the event.

Pigrum opened up a 10-15 yard lead on the first 220 of his lap but used up too much energy and couldn't keep the lead. He would up with a 50.1 anchor lap.

Coach Ernie Davis reported he was "very pleased" with his foursome in the state meet and of the great effort by all his track team members this season.

Pigrum jumped 21-10 1/2 to capture fourth place in the broad jump.

Kermit won the Class 3A title with 69 1/2 points to 62 for Brownwood.

New Prometryne herbicide works wonders for Texas cotton

Prometryne® 80W brings a new dimension to cottonweed control in the South Plains. It offers a one-herbicide program that will take care of most weeds from planting to picking. Apply Prometryne preemergence or post-emergence or at layby, or at all three times if weed conditions so dictate.

Gets tough weeds...including carelessweed
 Three years of research by State and Federal researchers in Texas proved the effectiveness of Prometryne in controlling most annual broadleaf weeds and grasses in cotton. It does an outstanding job, for example, in handling carelessweed (pigweed).

Versatility of application
 Prometryne is extremely versatile. You can use it as preemergence spray at planting. You can use it as a directed postemergence spray after both weeds and cotton are up. You can spray it at layby to control weeds through the rest of the season. Use it once, twice, three times...whatever weed conditions dictate.

How Prometryne works
 Applied preemergence, Prometryne is carried into the soil by rainfall or overhead irrigation. It is absorbed by germinating weed roots and soon after weeds break ground, they die. No need to work Prometryne into soil. Applied after weeds are up, Prometryne kills by direct action on weed foliage and through roots.

Safe to use
 Prometryne is safe to cotton when used according to label directions. It leaves no residues in cotton seed. It is safe to handle and non-irritating to humans and animals. A fall seeded crop should not be planted in the same year following the application of Prometryne 80W.

Available this spring
 Since this is the introductory year for Prometryne, only limited quantities are available. Plan to make a preemergence application to at least a portion of your acreage at planting. Then follow through with postemergence and/or layby treatments if necessary. See what outstanding, economical weed control you can have.

To order Prometryne, or for more information, contact your supplier, or: Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Saw Mill River Road, Ardsley, N.Y.

HOSPITAL
WEEK

What is A Hospital?

A hospital is a mercy mission. It always has the doors open and unlocked. It offers hope and refuge to the ill, injured, infirm and mothers to be.

A hospital is a highly trained workshop. It's personnel are specialists. Each is an expert in some phase of patient care.

A hospital is a storehouse of scientific vision, medical know how, expensive equipment and surgical know how.

A hospital is a city. Regardless of political views, or part lines, its inhabitants team together for the same merciful purpose. It's communal spirit is the closest thing on earth to brotherhood and charity.

A hospital is a hot bed of revolution. Research within its walls is unending. Progress in patient care, relief of pain, surgical and post-operative techniques are continuous.

A hospital is a daring adventure. It takes courageous, strong and dedicated souls to engage in its activities. It cannot accept on its staff a physician or surgeon who isn't willing to question the unknown.

A hospital is a court of final appeal. Its doctors and nurses never give up. No patient is forsaken as hopeless.

A hospital is founded on faith and sustained by hope and charity. Its a haven to the world's hurt. A hospital is a chapel. Its works are a constant prayer watched over by a merciful and indulgent God.
