

# BEST HOME FOOTBALL GAME IS SLATED FOR FRIDAY NIGHT; CLOSE CONTEST IS EXPECTED

## LITTLEFIELD-OLTON GRID CLASH WILL BREAK THREE-WAY TIE IN RACE FOR CONFERENCE CROWN

Friday night Coach Bill Sanders' Wildcats and the high school football team will meet to break a three-way tie in the District B-5 championship race, and the last game under the home lights this season. Littlefield, Olton and Levelland are evened up with 1-1 records each in the conference standing.

## BOSS DANCE PARADE AT LEGION MEET

Legionnaires Urged To Attend Called Meeting Monday

Monday night the regular meeting of the local American Legion will be held under the direction of newly elected officers for the coming year. A pleasing number of members were present and the regular routine of business was observed.

The chair appointed a committee to make plans for Armistice Day parade and other festivities to make the day complete. J. W. Cole was appointed as chairman. The parade will be held at 10 o'clock. Mr. Wade Potter, Mr. Jesse Hilliard, C. A. Joplin, Arthur Mueller appointed to the said committee.

For the Halloween Dance and a committee appointed.

ATTENTION TO ALL MEMBERS: A call meeting will be held Monday night, November 4th, at the Legion Hut at 7:45 p. m. This means you Legionnaires take time to come and find out! It will be worth your while. Don't miss the date, November 4th.

## WE THINK

What do you think

BY M. B. D.

WHEN IT'S COTTON TIME IN LITTLEFIELD TEXAS YOU CAN EXPECT THE CITY SLICKERS AND CITY CLOWNS TO BE IN OUR MIDST LOOKING FOR EASY MONEY.

For a number of years these operators have had a wonderful time in Littlefield. When the cotton season wears out their smooth faces and their schemes a special committee was appointed to investigate all propositions with the result that the grafters became fewer in number; they didn't have their pet graft scheme any more.

These smart boys from here, there and everywhere are starting to flock in and it is now time that

(Continued on back page)

## Cooperation Is Sought In Sidewalk Project

Littlefield citizens may have side-walks built if they want them and come to the City Hall and sign up, provided, the project is approved by the WPA, and I don't see any doubt about it," announced W. G. Secretary, Tuesday. Mr. Street added further that the sidewalks are originally drawn up last week and filled by H. N. Roberts, City Engineer, but with an additional stipulation that "such sidewalks would be built up to 187,000 square feet at a total cost of \$1,007.10, as signed up for by the property owners." This document was filed with J.

## LITTLEFIELD HOST TO LARGE CROWD OCT. 26

### Merchants Offering Many Specials On New Merchandise Each Saturday

Each Saturday larger crowds than ever visit Littlefield to attend the Extension Trade Day Program, and participate in the many bargains offered by the Littlefield stores.

The local merchants in every line of business are carrying complete stocks of merchandise to meet the fall and winter needs, at prices that will compete with cities much larger than Littlefield. In addition each week all local merchants are offering specials, which in itself are well worth coming miles to purchase.

The moneys last Saturday were given away at the usual times, 10:30 a. m. and 4:30 p. m. in the block on Phelps Avenue between Stokes-Alexander and Madden's Drug Store. The awards will be made this Saturday between Jeffries Mercantile and Cicero-Smith Lumber Company. Those receiving the moneys last week were: Woodrow Jarnagin, Star Rte. 2, Littlefield, \$10; George T. Kirk, Rt. 1, Littlefield, \$5; Miss Helen Summers, Star Rte. 2, Hale Center, \$40.00; Mrs. L. M. Burnett, Littlefield, \$10; and Mrs. Annie Neely, Littlefield, \$10.

Those qualifying for awards, but who were not present to receive them, were: J. W. Cole, Rt. 1, Littlefield; J. T. Tipton, Littlefield and Harry Ellis, Rt. 1, Littlefield.

## SON BORN TO MR. AND MRS. RAYMOND RENFRO OCT. 23rd

Mr. and Mrs. Raymond Renfro are the proud parents of a fine baby boy born Wednesday morning at the Littlefield hospital. The new arrival weighed 7 1/2 pounds.

Mr. S. J. Etter returned from Corona, Calif. Tuesday, where she had been visiting for the past year. Mr. Etter returned about two weeks ago from Longview and Tulsa, Oklahoma, where he had been several months.

O. Jones, Director, at the District office at Lubbock. Approximately 100 property owners have already signed up for about 30,000 square feet. The price to the property owner per 50 feet for sidewalk paving is \$15.00 under the WPA project. This, according to reliable information, would ordinarily cost \$36.00. The City Commission asks the cooperation of all property owners in the sidewalk project, urging that they take advantage of this opportunity to lay walks in front of their properties, whether improved, or only vacant lots.

### Use Cotton As Highway Base In Mississippi

SCOTT, Miss. . . The first "Cotton Highway", a 14-mile experiment in road construction, is rapidly nearing completion here. The upper picture shows the cotton fabric membrane being rolled out on the highway on a base of mixed clay and gravel. Lower picture shows coat of tar over cotton, this covered with two applications of asphalt mixed with screen gravel.

## FEDERAL HOUSING PROGRAM BOUND TO GO THROUGH, STATES A. C. KYLE

A. C. Kyle, Field Representative, of Fort Worth, and Victor H. Lindsey, Financial Field Representative, Federal Housing Administration, of Lubbock, were in Littlefield, enroute from Levelland to Lubbock Friday in the interest of the housing program here.

Mr. Kyle stated that he had interviewed several of the business men here, and that from all prospects the building program was bound to go through. He stated Mr. Lindsey was stationed in Lubbock, and will keep in touch with the situation here and render every possible assistance and cooperation.

Mr. Kyle also said that one of the Littlefield business men he talked with had stated he planned on a \$3000 loan with which to build a home.

### Attends Worker's Meeting At Anton

Rev. and Mrs. A. A. Brown, Mrs. Vigo Peterson, Mrs. F. O. Boles, Mrs. W. E. Heathman and Mrs. Acree Barton attended the workers conference of the West Plains Baptist association in an all day joint meeting of the District Board of the Tech Bible Chair at Anton Tuesday. The next meeting will be held at Amherst Tuesday, November 26.

J. H. Neiss of Shreveport, La., Land Bank Examiner, is spending this week at the office of the Littlefield National Farm Loan Association.

## Littlefield Masons Attend Meeting At Lubbock Thursday

F. O. Boles, Tom Mathewes and J. T. Reece of Littlefield were among the 175 Masons, from 40 lodges, attending the meeting Friday night at Lubbock, addressed by Wallace Hughston, McKinney, Past Grand Master of Texas Masonry. Mr. Hughston spoke on the "History of the Grand Lodge of Texas."

## May Establish Plant Here for Delinting Seed

Littlefield business men were well represented at the Chamber of Commerce meeting Tuesday, presided over by W. D. T. Storey, Vice president. Following some discussion regarding roads a committee composed of Dr. Ira Woods, T. Wade Potter, F. O. Boles, and J. W. Keithley was appointed to investigate what progress had been made in the East and West highway project. F. O. Boles reported that the application for the ball park improvement had been reworked and re-submitted Monday; and that he believed it would go through. Joe Hale, Secretary Manager, re-

## SEWING PROJECT HERE TO EMPLOY MANY WOMEN

### Twenty-Four Sewing Machines To Be Installed

Mrs. Albert Walker, Director of Women's Work for the WPA, was in Littlefield Thursday making arrangements for the Community Sewing project, which has been approved, and scheduled to open about November 1.

When here Thursday Mrs. Walker announced the sewing department would be opened as soon as funds were available, which she expected would be in the near future.

The purpose of this project is to render work for the unemployed women of the county who can sew, and the furnishing of clothing to citizens on relief.

This work will be carried on by 41 women, including a supervisor, assistant to the supervisor and a time keeper.

Twenty-four sewing machines will be installed according to Mrs. Walker.

The project will be located in the Court Room of the Littlefield City Hall.

Miss Lula Hubbard has been mentioned as one of those who will be in charge of the work.

The other project, that of the Housekeeping, Home Visiting Office, which with the community sewing department, was included in the application to WPA for \$19,000, will not be placed in operation for a short time, announced Mrs. Walker.

### CORN-HOG VOTE

On the Corn-Hog Referendum voted on Saturday last, of the contract signers, 211 voted for continuance of the program and 50 against it; and of the non-signers, 32 voted for the program and 14 against it.

## TEN OTHERS ARE INJURED AS CARS COLLIDE HEAD-ON

### One In Serious Condition; Accident Occurs Near City Early Sunday

As a result of an automobile crash one-half mile west of Littlefield on Highway No. 7 Sunday morning about 1 o'clock, one girl is dead and 10 other persons injured, one of whom is still in a critical condition.

Miss Lillian Bennett, aged 22, daughter of Mr. and Mrs. Homer Bennett of Skellytown, Texas, (near Pampa), driver of a light roadster, in which were four other companions, was instantly killed.

The injured were: Boyd L. Bennett, 19, brother of the dead girl, and employee of a pipe line company, also of Skellytown, a broken hip and serious face and head lacerations.

Miss Catherine Monroe, daughter of Mr. and Mrs. W. H. Monroe of Spade community, broken left arm, serious head and face injuries, in a critical condition.

Jack Greer, 19, son of Mr. and Mrs. F. B. Greer, of Anton, head injuries including gash across face,

(Continued on back page)

## DONALD TURNER PROMOTED TO COUNTY AGENT

### Has Been Assistant County Agent For Past Ten Months

Donald Turner, who has been assistant County Agent of Lamb County for the past ten months, has been promoted to the office of County Agent, and will assume his duties as such November 1. He has been acting agent since D. A. Adam resigned to take over the office of County Agent of Young County about two months ago.

Davis F. Pounds, Texas Tech graduate, son of Mr. and Mrs. Douglas Pounds, Acuff, who has been assistant county agent in cotton adjustment at Levelland, has been promoted to assistant agent at Amherst. He succeeds Mr. Turner.

Mr. Turner was formerly cotton adjustment assistant. He was made assistant county agent when Gerald R. Schuman was promoted to agent of Cochran county at Morton.

Mr. Pounds has been cotton assistant at Levelland since the cotton program was started two years ago. He graduated from Texas Tech, division of agriculture in August, 1931. He taught school at several places in Garza county, after completing his preliminary work at Tech and finished his degree work during the summers, while teaching.

## Merchants Warned To Be On Watch For Graft Schemes

The season for grafters and city slickers is at hand, and a fair example of same was attempted here this week in the form of a placard scheme to sell advertising at the expense of the local business men.

The local post of the American Legion are sounding this warning to all Littlefield merchants to ignore all money making schemes offered to them by strangers using the name of the Legion without the endorsement of the local officers of Richard New Post. By all means contact said officers before contracting for any glaring proposition offered that alludes to the Legion in any way. —American Legion.

**GOODLAND NEWS**

Everybody is busy gathering their crop.

Miss Rosemary Hanow entertained the young people Wednesday night honoring Baker Johnson's birthday. Everybody reported a good time.

Remember next Sunday is preaching day. Everybody come and bring some one with you.

The Goodland Sunshine club met with Mrs. J. P. Tarteton with ten members present. They meet next time with Mrs. L. D. Sanderson.

Mr. and Mrs. Tommy Soval spent Friday night in the A. M. Reed home. They were on their way to make their home below the Cap Rock.

Mr. J. J. Cagle of Cone was in our community over the week end.

**DOCTORS KNOW**

*Mothers read this:*

Why do people come home from a hospital with bowels working like a well-regulated watch?

The answer is simple, and it's the answer to all your bowel worries if you will only realize it: many doctors and hospitals use a liquid laxative.

If you knew what a doctor knows, you would use only the liquid form. A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation.

Ask a doctor about this. Ask your druggist how very popular liquid laxatives have become. They give the right kind of help, and right amount of help. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara — both natural laxatives that can form no habit, even in children. So, try Syrup Pepsin. You just take regulated doses till Nature restores regularity.

**Senate Approves Old Age Pension**

The Senate has approved an old age pension bill, but with restrictions on eligibility of pensioners.

Senators passed the pension bill 21 to 8 after strict qualifications designed to reduce the number of pensioners, and cost had been incorporated. It carried no tax levy.

The house, also debating pensions, defeated a substitute which would have paid pensions to all persons over 65 years old.

Pensioners would receive up to \$15 monthly by the senate bill, which would establish a public welfare division within the board of control to administer the act. The board would appoint a director.

The estimated cost to the state under the bill was \$6,000,000 annually.

Amendments approved by the senate would deny pensions to individuals with an annual income of \$400, and couples with \$600; those who had \$500 cash! habitual crim-

inals, drunkards or inmates of a prison or state supported institution.

**CCC CAMP BRIEFS**

On Monday of last week, 8:30 to 10:30 p. m., the cadre of Co. 3802 and their guests was the recipient of a dinner given by Lt. D. S. Holton in appreciation of the fine work and cooperation given by this group of men to the officers in the establishment of this company. An excellent five course dinner was served the party in the dining room of the Littlefield Hotel to the party of 28. Intermingled with the eating and during the coffee course, short speeches, and toasts were given by practically every one. The speeches were not the usual dinner type of speeches, but were such as were enjoyed by everyone, and 10:30 came rapidly. At this time the party clambered aboard one of our trucks, the bed of which was well covered with mattresses, and a "mattress ride" was on. The singing caravan toured the countryside serenading the stars and concluding the party with hopes for an enjoyable time again sometime in the future.

Twenty five men from the Clovis camp made some rapid changes in the past week. The CCC camp at Clovis is being discontinued and the men transferred to other camps. This company welcomed 25 of these enrollees to our midst and bade them farewell later as orders came to transfer them to Santa Fe, N. M.

Hallowe'en is to be celebrated in fine style by members of Co. 3802 as this is to be the occasion of their first dance. The Recreation Hall, the scene of this gala event

**MEDICAL TOPICS**

**CANCER**

The direct cause of cancer is not known. However, there are a number of things that doctors do know which are of great importance to those who are anxious not to be afflicted with this dreaded disease.

Among the conditions that precede and predispose to cancer are—scaly or irritated places on the skin especially about the face. Tumor-like growths on any part of the body,—most cancers begin with a small tumor.—Sores on the body that do not show a tendency to heal readily. — Certain kinds of warts and moles that seem to be easily irritated. Some persons hesitate in having these conditions removed for fear they will start cancer. There is no ground for this fear if a competent physician is consulted. Thousands of lives would be saved and great suffering avoided each year if these conditions were attended to early.

Plainview, Texas —Adv.

is to be appropriately decorated in keeping with the season. An orchestra, reputed to be one of the best in this vicinity has been secured for the occasion.

Major J. F. Boehm, District Commander, his wife and daughter, and guest, and Lt. J. H. Turner, District Adjutant paid this camp a short visit on Saturday, October 18.

Clothing sufficient for protection against the rigors of the arctic have been issued members of this company during the past week. Each enrollee has been issued the following items: Lumber-jackets, overcoats, windbreaker, heavy sox and underwear, winter caps, and mittens. Each of the items are made of material such as to insure warmth to the wearer in the most severe weather.

Lt. Davenport received telegraphic orders Mon. of last week transferring him to another station. As his orders were to leave as soon as possible, he and his wife started packing for a quick start, and just a few hours before they were to leave, a telegram was received from Headquarters rescinding the move orders for the time being.

The athletic program at this camp is gathering momentum as it goes on. The past two weeks saw the athletic field nearing completion, the boxing ring and basketball courts were lighted and nightly games in the interbarrack competition are being played to determine the camp championship. A running track is being constructed around the entire field. This week, when completed will be one of the finest cinder paths in this section of the country. The width is sufficient for seven lanes, and the schools of the vicinity will be welcome to hold any meets they desire on our field when it is completed.

A school program has begun in

earnest with the arrival FERA teachers, Miss Evans I. D. Coley. Classes are held in informal manner, which is conducive to greater interest on the part of the camp members.

### Ginning Tax From Six To 5 Cents Per Lb.

in the Bankhead cotton tax from six to 5.45 cents per pound of lint cotton, has been passed by AAA.

Bankhead law provides that tax to be collected on all cotton in excess of a national average. The AAA said 10.90 cents per pound of lint cotton had been determined as a representative period.

Bankhead law provides that tax to be 50 per cent of the market price of 7-8 inch cotton on the 10 spot for a representative period. The tax may not be less than 5 cents per pound.

At the same time, the AAA announced a reduction in the sale tax exemption certificate from five to four cents a pound on this reduction, the

farm administration said the special surplus cotton tax exemption certificate pool has been closed and the regular 1935 national pool will be opened soon.

These pools were set up by the AAA to permit a grower who did not produce the full amount of his allotment to sell his tax exemption certificates for the balance.

Producers who grow more than their allotments may buy tax exemption certificates from the pool at a rate lower than the actual tax.

The AAA said the special pool would have closed on Nov. 7, but that sales terminated Saturday and the pool will be liquidated as soon as its operations can be audited.

### Prominent Pep Couple Wed At Lubbock Oct. 21

The marriage of Miss Jean Lupton, daughter of Mr. and Mrs. W. P. Lupton of Shallowater, and James J. Lynch, son of Peter J. Lynch of Grundy Center, Ia, was solemnized at 8:30 o'clock Monday morning, October 21, at St. Joseph's church in Lubbock, Rev. S. A. Gabriel, rector of this church, officiating.

The bride wore a brown suit with accessories to match.

About 30 persons attended the wedding and a breakfast in the home of the bride's parents.

The church was decorated with yellow and brown chrysanthemums and fern.

The bride is a former student of Texas Technological college and West Texas State Teachers college at Canyon. Mr. Lynch is a graduate of Iowa State university.

Mr. and Mrs. Lynch are both members of Pep School Faculty.

The happy couple left immediately following the service for San Antonio and points in Mexico on a wedding trip. On their return they will live in Littlefield.

O. Baldwin, post office inspector, with headquarters at Lubbock, was in Littlefield a few days ago and made a complete survey of the city in connection with the matter of postal carrier service. He has visited Littlefield on other occasions in connection with the same matter, but the survey made a few days ago was of a very complete character.

### Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Oora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

### Lt. Holden Host To Cadre Of Co. At Banquet Mon.

Lt. Holden was host to the cadre of Company 3802 of the Littlefield CCC and their guests at the Littlefield Hotel Monday evening Oct. 21. This cadre was transferred here from a Brownwood camp to establish and organize the local camp.

Lt. Holden served as toast master and started everything moving with a toast to the cadre and their work. He told of his appreciation of the boys, and their hearty cooperation in all work undertaken in making a success of the camp.

He was in turn answered by the boys who expressed their appreciation of their Lt. and his work.

A toast was also given to Lt. Davenport who is being transferred from this camp and to Dr. Wolfe who will succeed him in this position.

A delicious dinner was then served to the cadre, their guests, Lt. Holden, Lt. Davenport and wife, Dr.

Wolfe and wife. A grand time was enjoyed by all present.

### CCC Camp Sponsor Halowe'en Dance

Tonight, (Thursday, Oct. 31) the CCC camp will give a Halowe'en Dance in the Recreation Hall. It is hoped to be a very gala affair, inasmuch as they have engaged an out of town seven piece orchestra, reputed to be the best in this section, to furnish the music. The Hall will be decorated in appropriate colors, carrying out the spirit of the occasion. Punch will be served throughout the evening.

In view of the size of the floor space, and the number of boys who will attend, it will be impossible to make the dance a public one. Each enrollee will be allowed two guests, not over one of these to be a gentleman. The names will be turned in to Headquarters to be passed on by Company Officers before invitations are extended. Enrollees will be held strictly responsible for their behavior. Transportation will be furnished to those guests who do not have means. The dance will be properly chaperoned by the officers, and their wives, of the camp, also local peace officers.

### FALLS OFF TRAILOR

G. E. Sorley of Olton fell off the back of the trailer, hitched to the rear of his car, recently when a bump in the road was encountered, which cut a gash in his head and rendered him unconscious for a time. He is reported getting all right.

### HANDLE NOXLESS GASOLINE, A NEW PRODUCT, IS PLACED ON MARKET BY THE PANHANDLE REFINING COMPANY

In this issue of this paper we found an announcement from the Panhandle Refining Company that, effective October 26, the company announces a change in its products, whereby the former known as Noxless gasoline becomes PANHANDLE NOXLESS gasoline, a New Improved gasoline. It is continued to become very popular with the gasoline-buying public because of the color of new, unalloyed copper.

The announcement states that you will find this new and improved gasoline all you could possibly ask for in a standard NOXLESS gasoline. It has better starting, more power, quicker getaway and longer life.

The new and improved gasoline is sold at all Panhandle service stations which are located throughout West and Northwest Texas, Oklahoma and the northern section of New Mexico.

Panhandle Noxless is especially adapted to winter use when it is hard to start and sluggish starting. It is also especially adapted for high compression engines, giving quicker starting, less wear and tear, and a NOXLESS motor.

Panhandle service stations are equipped to give the motoring public the best possible service, both in the matter of free service and in the purchase of accessories.

formation we are able to obtain, which is about 1,500 feet short of the depth they are supposed to go.

### Mrs. Maude Ripley Passes Away At Vernon Tuesday

Mrs. Maude Ripley of Electra, who has been very active in Eastern Star work, and is well known in the local Chapter, passed away Tuesday morning at 7 o'clock at the Vernon hospital, following an operation for tumor.

This announcement was made by Mrs. J. H. Barnett, Worthy Matron of the local Eastern Star Chapter, who received the message Tuesday morning.

Mrs. Barnett was also a personal friend of Mrs. Ripley.

Mrs. Ripley served on the Grand Examining Board for 5 years, and for the past year has been on the Jurisprudence Committee.

She has been a guest of Mrs. Barnett here at various times, and has also been official visitor of the local Chapter on several occasions.

Mr. and Mrs. Barnett attended the funeral services at 7:30 Tuesday evening at Electra.

Burial took place in Summerville Cemetery Wednesday afternoon.

Billy McCluskey, one of the Sunday morning automobile crash victims, was taken to his home in Kansas City, Mo. by his uncle, Ewing Halsell, Sunday evening.

### 1936 CHEVROLETS TO BE ON DISPLAY AT THE SALES ROOMS OF HEWITT CO. SATURDAY; NEW FINANCING PLAN

The 1936 Chevrolet will go on display this Saturday at the Hewitt Chevrolet Co., Chevrolet dealers for this city and territory.

L. C. Hewitt, manager of the Hewitt Chevrolet Co., announced that the complete line of Chevrolet products for 1936 will be on display. He extends a cordial invitation to everybody to visit the Hewitt Chevrolet Co. sales rooms and to inspect the latest product of Chevrolet.

The new Chevrolets have been announced as complete in every detail; "safe beyond all previous standards of safety," and beautiful beyond belief.

"They are all that has been said about them, and more," declared Mr. Hewitt.

#### New Financing Plan

"A new kind of motor car financing plan which effects a lower cost to the purchaser and enables General Motors dealers to render the service in the simplest, most easily understood form, has been announced by the General Motors Acceptance Corporation," said Mr. Hewitt. "The new plan will be known as the GMAC 6 Per Cent Plan," he added.

Mr. Hewitt said that he and all members of his organization will be glad to explain in detail the new financing plan.

"The new plan is not only the simplest and most effective of its kind, but its lower cost features will bring the purchase of an automobile within the reach of thousands of potential car owners. To the best of my knowledge the GMAC 6 Per Cent Plan represents by far the lowest cost national plan for the purchase of new cars in the United States today.

"In addition to this, the new car purchaser has for the first time in the history of automobile financing, a plan he can figure for himself. It completely eliminates those items known as 'carrying charges,' 'service charges,' etc.

"Actually the GMAC 6 Per Cent Plan is as simple as A, B, C. To figure out his monthly payments, a prospective new car buyer has only to take the unpaid balance due; add to this amount of his insurance and multiply the result by 6 Per Cent. The resultant figure is the entire cost of financing the unpaid balance and insurance for 12 months. For payment periods longer or shorter than 12 months the cost is one-half of one per cent per month. This flat percentage is not interest. It is simply a convenient multiplier by which the cost may be computed and anyone can use and understand. The Plan includes Fire, Theft, and Accidental Damage Insurance written by General Exchange Insurance Corporation."

#### REPORTS CANNING BUDGET COMPLETE

"My canning budget is complete and I am certainly proud of it," says Mrs. A. D. Melton, farm food supply demonstrator of the Sandhill home demonstration club. This food as arranged on the cellar shelves with the fruit on the top shelves, tomatoes next, jams and jellies 3rd, pickles and relishes fourth, vegetables fifth, and the bottom shelf reserved for meats. This arrangement is preferable because the top shelf is in the warmest place and the fruit can stand it best. The coolest place is reserved for the

meat which often spoils in summer because it becomes too hot.

#### G. M. VANN TURNS CAR OVER

G. M. Vann had the misfortune Sunday morning, to turn his car over on Oklahoma Avenue, into the muddy bar ditch, and receive a large knot on his head.

Mr. Vann was returning from taking a number of the Spade residents to the Littlefield hospital to attend to the needs of the car wreck victims, and due to the fog, was driving with his head out the window and his car went off the road, and turned over into the ditch. Mr. Vann fearing fire, broke out the windshield and crawled out.

The car was not otherwise damaged.

#### SERVICES TO BE HELD AT THE PRESBYTERIAN CHURCH NEXT SUNDAY

Rev. James Reaburn of Slaton will occupy the pulpit at the First Presbyterian Church here Sunday. Both morning and evening services will be held.

Everyone are invited to hear this very able preacher.

### Number Undergo Operations For Removal Of Tonsils

Cases admitted to the Littlefield hospital this week were as follows: Edsel Hauk and his sister, Charlyne of Whitharral. Both had their tonsils removed Wednesday, and are getting along nicely.

Margaret Melton, 12 year old daughter of Mr. and Mrs. J. R. Melton of six miles west of town, had an operation Wednesday for removal of her tonsils.

J. C. Davis, son of Mr. and Mrs. J. J. Davis of Amherst also had his tonsils removed here Wednesday.

James A. Hale of Morton was admitted to the Littlefield Hospital Monday suffering from a lung abscess, and underwent an operation that afternoon. He is getting along nicely, but it is expected to be in the hospital several days.

### Additional Clerk May Be Added To Post Office Staff

The Forty hour week has been in full operation in all post offices in the United States since October 1. The Littlefield post office has its schedule successfully fitted so as to care for the patrons of the office in an efficient way, according to Postmaster W. D. T. Storey.

"It is likely that one regular clerk will be appointed from the list of those taking the recent examination." Should a regular clerk be appointed, the forty hour week also will apply to the work of the clerk appointed. Shorter hours for clerks add to their efficiency and has been agreeably accepted by the public," Mr. Storey says.

### COTTON MARKET NEWS SERVICE AT DALLAS

The Bureau of Agricultural Economics of the U. S. Department of Agriculture, has recently opened a Cotton Market News Service office in Dallas, Texas, to serve the States of Texas and Oklahoma.

This service consists of a Cotton Market Review and a Premium Staple basis sheet, including the daily average of the ten designated spot markets, which will be mailed without charge on Saturday of each week to persons interested.

Cotton growers and others desiring the service are invited to address William D. Espy, Division of Cotton Marketing, P. O. Box 1366, Dallas, Texas.

You can subscribe to the Dallas Semi-Weekly Farm News, Fort Worth Star-Telegram, Lubbock Avalanche-Journal or any other daily through the Lamb County Leader at special club rates.

### CO. LEASES 22,000 ACRES IN COCHRAN COUNTY

Oct. 27.—(Special to the Leader)—What is perhaps the largest lease acreage in Cochran County went on record Monday of this week in which Carrie Slaughter leased to the Continental Oil Co. 22,000 acres for the consideration of \$11,000. This land, lies ten miles south of Morton alongside the Ft. railroad in the southeast corner of the county.

It is already a matter of conjecture as to whether there is oil in the county, but it is evident that the major companies are trying to gamble that there is. A number of one of the leading journals of the southwest press an oil field 100 miles square in Cochran County virtually in its center. We give this for what it is—a prediction that may possibly be true.

The best well at Scrapeout is going down and is nearing the 4,000 level according to the best in-

# The DIVORCE COURT MURDER

by MILTON PROPPER

TENTH INSTALLMENT

**SYNOPSIS**—Barbara Keith, wife of a prominent Philadelphia business man, is murdered as she waits in a side room to testify in the divorce case of Rowland vs. Rowland—She was to have testified for the husband, a friend, who was defendant in the action—Detective Tommy Rankin is assigned to the case from police headquarters—His preliminary investigation disclosed that both Mr. and Mrs. Rowland had gathered evidence against the other of infidelity—The will of Mrs. Rowland's first husband directed her lawyer brother, Mr. Willard, to handle the

estate until she remarried when the new husband was to come into control. Detective Rankin finds motives and the evidence of guilt for the murder of Mrs. Keith, leading to the doors of virtually all of the principals involved. These principals

WITH THE STORY.

The detective could not decide whether to believe the story or not. "Do you know whether Mrs. Keith ever visited Allerton, Indiana?" Abruptly Rankin shifted the

The implied accusation brought Campbell forward in his chair, in a swift burst of anger.

are, the two Rowlands, Mr. Willard, Mr. Keith, husband of the murdered woman, Hugh Campbell, paramour of Mrs. Rowland, and his underworld confederates—NOW GO ON

subject. The other shook his head. "Allerton? Certainly not in the four years since we meet; before that, she may have been there. She never mentioned it—Why do you ask?"

I found an empty bottle with an old label from a hospital in that town in her medicine closet. It had contained pyramidon."

Rankin bent toward him to emphasize the importance of his next question.

"Isn't it a fact, Mr. Keith, that in spite of your liberal allowance and income, your wife was always pressed for funds?"

Mortimer Keith looked startled. "How could you guess that, Rankin?" he exclaimed. "It's true she worried about money, and often approached me for more, for charities and clothes. Once I questioned her about it, and she made some vague excuse about losing it in stocks."

"Perhaps this will explain her expenditures," Rankin said, "these check stubs and canceled checks."

As he studied them, Mr. Keith's lips tightened into a formidable line, and his eyes flashed in features darkened by a swift anger.

"Steady payments like this for two years," he cried harshly, at last, "as if she were being blackmailed to prevent me from learning some secret about her!"

"They certainly suggest that," Rankin said, in disappointed tones. "You had no knowledge of them or to whom or for what reason she drew them?"

"No this is my first inkling of them."

"Were you aware, sir, that Mrs. Keith would be a witness in the Rowland divorce suit in Mr. Dawson's office, yesterday?"

Mr. Keith shook his head. "Not until I read where she met her death."

"Had you any idea," Rankin asked, "how she happened to accompany Mr. Rowland, two weeks ago, and be in a position to give evidence for him?"

"I still don't understand how she

## For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. . . Mrs. Ray Mullins, of Lape, Ark., writes: "My husband and I both take Theodor's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

## NEW CHEVROLET TO BE SHOWN HERE SATURDAY

The Chevrolet Motor Company, preparing for the introduction of its 1936 models on November 2, has reopened all its manufacturing plants and its 10 assembly plants, and will have built more than 65,000 units by the end of October.

Schedules for November and December call for a greatly increased production. Hewitt Chevrolet Company are local dealers. The introductory day for the 1936 Master deluxe and Standard

models, Chevrolet officials say, will find every one of the company's 10,000 dealers stocked with display cars and in a position to take orders for immediate deliveries.

It is expected that sales in November and December, months that heretofore have been dull, will be brisk, under the impetus of the new model announcement, and the large automobile shows, formerly held after January 1. The former show dates were not conducive to large selling, coming as they did in the coldest months of the year. This year's shows open with two whole months of pleasant weather remaining, and it is the industry's belief that many motorists will buy new models at once.

Employment is increasing rapidly in Chevrolet plants, as the supply of units and bodies for the new models increases daily. The change over from 1935 models to 1936 models was completed early in October, after a brief shut-down during which plants were re-aligned for increased production.

According to W. E. Holler, vice president and general sales manager, Chevrolet dealers will have the advantage of an ample supply of new models from the very start of the new model year.

"There will be no shortage of models this year," said Mr. Holler. "We have not only got under full swing long in advance of the auto shows, but we have, in addition, the advantage of a 25 per cent increase in our production capacity, both in assembly plants and in our factories making engines, transmissions, axles, and other units."

"The enthusiastic reception accorded our 1936 models by our own field forces, during their convention in Detroit, is now being repeated, in every region and zone territory, by our dealers. They all agree that Chevrolet has done a great job in its new cars, and they all are enthusiastic over the business prospects. We feel that the public will be just as responsive to our 1936 cars when they go on public display November 2."

### THE HELP EACH OTHER CLUB

Mr. J. R. Petty and family are visiting friends and relatives in Wellington, Texas this week.

Mr. and Mrs. H. C. Moore and family visited their parents, Mr. and Mrs. C. E. Moore last week.

Mrs. Luke Rogers has gone to Wellington, Texas for an extended visit with relatives.

Mr. and Mrs. E. O. Tunnell and family spent last week end in Matador, Texas.

Mrs. A. C. Ford is on the sick list this week.

Mrs. Lige Cook who has been in bad health for some time was taken to the Lubbock Sanitarium last Friday.

Edward Jennings who has been visiting Clifton Petty the past two months, returned to his home in Compton, California last Thursday.

We regret to say that Mr. A. J. Jarmon is still in the sick list.

Mrs. Bill Weatherly's sister from Estelina, Texas is visiting her this week.

Mrs. Williams was given a lovely miscellaneous shower Wednesday afternoon at the home of Mrs. Hardy Downs.

Miss Mattie Jones spent the day with Miss Viola Cook Sunday. In the afternoon they went kodaking and reported a grand time.

C. E. Moore and family spent last Saturday in Lubbock.

Miss Lillie Mae Weatherly, who has been working in Plainview, has returned home.

Mr. C. D. Jarmon has been employed at the Pep gin.

Frank Cummings and family visited their parents, Mr. and Mrs. W. E. Cummings last Sunday.

Melva Dean Lance was a guest of Edith Tunnell Sunday.

Miss Lahoma Moore and families of J. H. Dillingham and Austin Collins visited Mr. and Mrs. Roy Gilbert of Olton, Sunday.

Miss Viola Cook and Mattie Jones attended the Methodist Church of Amherst last Sunday.

Mr. and Mrs. C. D. Jarmon went to Lubbock Sunday to see his father who has been in the sanitarium for some time.

Miss Dorothy Balkan is visiting in the home of E. O. Tunnell this week.

Hubert Taylor and family visited in the home of J. J. Cook Sunday.

### NEWS BRIEFS

Increases in Public Works loans and grants announced Thursday by Secretary Ickes included an increase of from \$23,000 to \$24,8000 for water works construction to Morton.

A supreme court ruling voided an attempt of the legislature to speed tax collections by offering discounts for early payment of assessments.

The court held "absolutely unconstitutional and void" a law passed by the 43rd legislature offering a three per cent discount for payment in October, two per cent in November and one per cent in December.

A new ruling on eligibility of students for the NYA program, was received yesterday from the state director, Joseph R. Griggs, county director, announced.

"Students do not have to belong to families on relief rolls as of last May, but only on the rolls at the present time," he said. "Under the previous ruling they had to have been on rolls last May."

In connection with the decennial ceremonies at Texas Tech Saturday, Sunday and Monday, November 9, 10, and 11, Governor Jimmie Allred will visit Lubbock. He will spend Saturday night and Sunday in the Hub city.

### World's Biggest Information Bureau At Washington, D. C.

The world's biggest information bureau is in Washington, D. C., headed by the Superintendent of Documents. Facts about practically every subject on earth have been collected by the United States Government. All of this information has been carefully classified by subjects ranging from Agriculture to Weather. Then it has been further divided and printed in the form of pamphlets.

The Government furnishes these pamphlets, at small cost, to the public on request. You can get a pamphlet containing information about almost any subject that may interest you.

Some of the subjects most likely to be of interest to our readers, and a brief description of the contents of the pamphlets on those subjects, are given in a new book published by the manufacturers of Cardui and Black-Draught. This booklet, entitled "Information," is being sent free to anyone who writes to The Chattanooga Medicine Co., Chattanooga, Tennessee, requesting a copy.

### STATION CHANGES HANDS

H. C. Buck and O. C. Armistead have purchased the Magnolia service station on the "drag" in Olton and are now in full charge.

### A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

### May Establish-

(Continued from page 1)

cotton seed for planting, through which it is claimed, increases the production of the cotton grown.

Mr. Johnson left Littlefield Monday, but is expected to return in about a week.

P. O. Smith, Superintendent of Bula school, and a visitor at the meeting, outlined his experience with delinquent cotton seed, stating that he is going to make about a bale to the acre from cotton delinquent. He stated that if a plant were located here, he believed that 75 per cent of the farmers from Bula territory would have their cotton seed treated.

W. T. Hanes reported that Friday's football game was the last home game of the season and urged 100 per cent attendance to boost the local players.

A. C. Cheshier congratulated the business men on the trades day expansion program, and discussed the acute shortage of residences and apartments in this city, stating that some method should be taken to relieve the situation.

Mr. Gilpin, Superintendent of Circleback Schools, who was also a visitor at the luncheon, made a short address in appreciation of the luncheon.

P. O. Smith announced the new auditorium of the Bula school would be completed in a short time, at which time they planned a celebration, and extended an invitation to the members to attend this affair.

### Crash Kills-

(Continued from page 1)

and rendered unconscious. Gerald Young, 22, son of Mr. and Mrs. Young of Anton, right leg broken above the ankle.

Pierce (Cat) Murrell, 17, son of Mr. and Mrs. T. Murrell of Littlefield, employee of the Mashed O Ranch north of Amherst, both arms broken, scalp and face wounds.

Billy McClaskey, employee of the Mashed O Ranch, whose parents live in Kansas City, Mo., broken finger and face lacerations.

Jack Welch also an employee of the Mashed O Ranch, left arm broken between elbow and shoulder.

Mrs. Jim Wheat of Amherst, broken leg; and Mr. Wheat and an aged man, whose name was not available, minor injuries.

All the above injured were taken to the Littlefield hospital, with the exception of the three last mentioned, who were taken to their home at Amherst, and Mrs. Wheat taken to a Lubbock hospital later Sunday morning.

Gerald Young, after having his broken leg put in cast was released Sunday afternoon; and Billy McClaskey, after having his injuries treated, was able to return to the Mashed O Ranch.

The accident happened when the light roadster, going east, owned by F. B. Greer of Anton, and driven by Miss Lillian Bennett, accompanied by Boyd Bennett, Miss Catherine Monroe, Jack Greer and Gerald Young, in passing a cotton seed truck, about half a mile west of Littlefield, collided head-on with the V-8 Ford sedan, going west, in which Pierce Murrell, Billy McClaskey, Jack Welch, Mr. and Mrs. Jim Wheat, and an aged man, cotton picker, were riding.

Both cars were completely demolished.

The dead girl and her brother had been visiting their grandmother, Mrs. J. A. Bailey, who operates the Bailey Hotel at Anton, for the past two weeks. The Anton group had been to a dance in Littlefield. They had taken a friend, Miss Merle Clark, to her home in Amherst, and were returning to Anton at the time of the accident.

The Amherst group had also attended a dance Saturday night, and were returning home when the crash happened.

The dead girl is survived by her parents, Mr. and Mrs. Homer Bennett, and seven brothers and sisters, Boyd L., Roy and Troy, Evadene, Nadine, Bobbie Joe and Jimmie, all of Skellytown, Texas.

Funeral services were conducted for the crash victim Monday afternoon at 4 o'clock at the First Baptist church, Anton, by Rev. Partin, pastor, assisted by Rev. L. C. Bishop, of Post, and interment in charge of Hammons Funeral Home took place in the Anton cemetery.

All the injured are reported getting along nicely, with the exception of Miss Monroe, who is holding her own, but still in a very critical condition.

### We Think-

(Continued from page 1)

a committee of business men was again appointed.

A chief medium that these opportunists use is some form of what the grafters call advertising, but which is nothing more nor less than a scheme to make from \$50 to \$150 in a very doubtful manner.

We believe that the ways of the

grafters should be discussed by the Chamber of Commerce, and some action taken in the matter.

### WELCOME BACK TO LITTLEFIELD-

Mr. and Mrs. Otha Key will return to Littlefield from Oklahoma to again make their home in this city. Mr. Key has been connected with a lumber concern in the state to the north of us. On his return to Littlefield he will be associated with his father in the furniture business.

### THAT WAS A DIZZY THING TO DO-

From Chattanooga, Tenn., comes word that Dizzy Dean "came and went" without giving Chattanooga baseball fans a glimpse of his pitching skill as scheduled.

Irked because "his public" stayed away from the park yesterday in great numbers, Dizzy said "I can pick up more money playing poker on the train," and walked out on an amateur exhibition game in which

he was slated to appear.

Two hundred fans were in the stands shortly before game time and Dizzy declared "it is not worth the risk of getting hurt to pitch before that small crowd."

Joe Engel, president of the Chattanooga Southern association club, who arranged the game for a charity toy fund, wired protests to promoters of the Dean tour and to Baseball Commissioner K. M. Landis.

We are of the opinion that Dizzy did a dizzy thing when he walked out on the fans. He should remember that "his public" is made up of folks from ocean to ocean, and that only by being for "his public" will "his public" continue to be "his public." Men who could go far sometimes ruin themselves by failing to remember on which side their bread is buttered.

### YOU'RE WRONG, SHERIFF, YOU'RE WRONG-

The Associated Press sends out

the following item from Corpus Christi:

"Sheriff William Shely of Nueces county spent a week in Austin waiting for the legislature to consider setting salaries of county officials under the new amendment abolishing the fee system.

"The legislature failed to act on the matter and the sheriff returned home.

"The Texas legislature," he said, "is a place where people go in and come out all day, but nothing ever happens."

OUR COMMENT: You're wrong, sheriff, you're wrong; we are of the opinion that some times too much happens down in Austin. It would be better if some of the legislation that is ground out had never even been thought about.

### J. Q. NEELY BUYS WADE PROPERTY

J. Q. Neely and family, of Elec-

tra, will move to Littlefield in the near future, and will make their home at the former Wade property on West Seventh street. This is a four-acre property with a five-room house, and was purchased from Mrs. Jess Mitchell by C. O. Griffin of the Griffin-Cheshier Land Co. Mr. Neely traded a farm near Bula for the Littlefield property.

### Junior Study Club To Assist In The Sale Of Poppies

Mrs. W. D. T. Storey, chairman of the Poppy Day Committee, has announced Saturday, November 9, as Poppy Day in Littlefield.

The poppies have arrived, and members of the Junior Study club will assist in the selling of them on the streets.

These poppies are made by disabled soldiers who have no other means

of making a living, a portion proceeds from the sale of them, and the balance to aid in the welfare homes at Littlefield, San Antonio, Texas.

Mrs. Storey, chairman, requests the cooperation of the public in making this Poppy Day an outstanding success.

### Lamb County Gins Handle 6863 Bales Up To October

According to Warren H. Cotton Statistician, the report shows that there were 6863 bales of cotton ginned in Lamb County from the crop of 1934 to October 18, as compared with 7090 bales ginned to October 1934.
