

June 28 Has Been Proclaimed American-Made Rubber Day

Texas will be saluted throughout the nation for its part in solving the rubber problem through the medium of a broadcast over 160 Mutual network stations on June 28, it was learned today.

The broadcast will originate in Houston as part of the ceremonies there in connection with the opening of the government-owned synthetic rubber plant, to be operated by The General Tire and Rubber Company.

One of the foremost bands in the country will be brought to Houston for the half hour broadcast, during which the story of the vital part of Texas in the all important rubber program will be lauded.

Present for the broadcast will be high state officials and representatives of the synthetic rubber industry, headed by William O'Neil, president of The General Tire and Rubber Company.

Governor Coke R. Stevenson, who has proclaimed June 28 as American-Made Rubber Day, is to be present at the broadcast. Although the program over the air will be limited to a half hour, it will be preceded by a half-hour program for a Houston audience at the Colosseum, and will be followed by several hours of dancing to the music of the big name band.

Among the industrialists who will be present at Houston and Baytown for the June 28 ceremonies will be H. Stuart Hotchkiss, chairman of the board of the General Latex and Chemical Corporation—which company is associated with General Tire in operation of the Baytown plant; Warren MacPherson, director, and H. J. Elwel, president, of General Latex; L. A. McQueen and T. Spencer Shore, vice presidents of General Tire.

The Texas delegation in Congress have been invited to take part.

Because Jess H. Jones, Secretary of Commerce and one of Texas' most prominent men, began the synthetic rubber program, he is scheduled to take prominent part in the ceremonies. William M. Jeffers, who picked up where Jones left off and is pushing the rubber program to completion, also plans to be present at the celebration.

Morning ceremonies will be conducted at Baytown and Goose Creek, they will be followed by a small luncheon in Houston, an afternoon reception, and the broadcast party at night.

All editors in Texas have been asked to attend the celebration.

Arrangements are in the hands of a

committee headed by Thornton Hall of San Antonio, president of the Newspaper Publishers' Association and Deskins Wells, manager of the Texas Press Association.

Knows His Germans

While warning that Germany is still militarily strong and that hard fighting is ahead, President Eduard Benes, of Czechoslovakia, predicts that Germany will collapse suddenly, just as her army did in Tunisia.

Mr. Benes is not romancing. He is a hard-headed realist but he knows his Germans.

To predict that the Germans will collapse, suddenly, is not to forecast a short war or an early victory. How soon the collapse will come depends upon how the blows are directed upon the Nazis.

The quicker and the heavier our assault upon Occupied Europe, the sooner the Nazis will give up hope and, when that occurs, the end will be at hand, so far as Germany is concerned.

Nazis Out In A Hurry

Dispatches from Tunisia describe the disorganization and demoralization of German troops under Allied pressure.

The soldiers of the Axis who were so impressive when the odds were with them in Poland, France and Greece, surrendered wholesale. Many of them had ample supplies of food and ammunition.

The Tunisian victory demonstrates again that the Germans are not "last ditch" fighters. When the tide of battle turns against them, they have no stomach for a battle against great odds. They quit fighting and they quit in a hurry.

The behavior of German soldiers in Tunisia indicates what will happen in Germany when the people are convinced, beyond doubt, that further fighting is hopeless. It is our prediction that the Germans, as in 1918, will fold up fast when hope expires.

When you rush through your work too fast, you may get through in time to do it all over again.

TIME OUT TO PICK A FLOWER

Released by Keystone Features, Inc.

for 15 high school teachers of this area who are at present or who expect to be teaching Pre-Flight Aeronautics to high school students not later than the fall school term of 1943-44. Teachers in excess of this number may enroll for the course by paying the regular college tuition fee. However, only one class section will be conducted and the total enrollment for the course will be held to 30 students.

A prerequisite of 6 semester hours of college mathematics or 6 semester hours of college science has been established for the course. This has been done to present the highest possible standard of instruction, and to prevent an excessive loss of time covering fundamentals. The maximum amount of time is to be devoted to the aeronautical subjects themselves, thereby giving greater understanding of the subjects covered.

Enrollment will be on the basis of first come, first served, provided the above mentioned prerequisite is met and provided a letter is presented from the high school superintendent stating that the teacher is at present or is expected to be teaching Pre-Flight Aeronautics to high school students not later than the Fall term 1943-44.

Superintendents of high schools who are interested in having a teacher from his school enroll for this course should contact Robert L. Mason, Liaison officer for the course, Room E-107 of the Engineering Building at the Texas Technological College, either in person or by letter and arrange for the enrollment of this teacher.

TUITION FREE COURSE IN AERONAUTICS IS OFFERED TO TEACHERS

A government sponsored tuition-free course in Pre-Flight Aeronautics will be offered to a limited number of high school teachers at Texas Technological College during the month of June this summer.

This course is to be conducted according to an outline prepared by the Civil Aeronautics Administration especially for teachers of Pre-Flight Aeronautics in high schools. Subjects in which instruction will be given include Practical Air Navigation, Meteorology, Civil Air Regulations, Aircraft Engines, Theory of Flight and General Servicing and Operation of Aircraft. A total of 64 classroom hours of instruction in the subjects will be given from June 3 to June 30.

The government has arranged to pay the tuition fee to this course

Amherst Girl Is Awarded Diploma

Twelve year old Norma Edwards, daughter of Mr. and Mrs. R. O. Edwards of near Amherst, has been awarded a diploma for having attended school five years without once being tardy or absent.

Mrs. C. P. Parrish underwent a major operation Monday of last week at the Amherst Hospital. She is reported to be doing nicely.

Pvt. W. R. Montgomery Expects Furlough Soon

Pvt. W. R. Montgomery, Jr., 19, son of Mrs. Birdie Montgomery of Amherst, stationed at Auburndale, Mass., in the 32nd Ordnance Corps, who has been in service since January last, expects to get a furlough the latter part of June, and come home.

Pvt. Montgomery has suffered from Rheumatic Fever while in the Army, and is still bothered with rheumatism in his left leg. He was confined to a hospital from January until March, but is doing better now.

Pvt. Montgomery reports that he is taking basic training now at New Lisbon, N. J., and that he expects to go on maneuvers in June.

Mrs. Montgomery has another son in the service, Sgt. Roger Montgomery. He enlisted in October, 1939.

Sgt. Montgomery is in the Coast

Artillery, and is stationed somewhere in the Aleutian Islands. He has been overseas since March 1, 1942. He writes that he "is o. k.—nothing to complain about."

Mr. and Mrs. H. W. Qualls of Amherst received a letter this week from their son, Pvt. Billie Qualls, who is serving in the Engineering Corps of the U. S. Army in New Guinea. He says that he is getting along fine, and that Pvt. R. W. Standfield, Jr., son of Mr. and Mrs. R. W. Standfield, and Pvt. D. C. Vaughter, son of Mr. and Mrs. N. A. Vaughter, both of Amherst, are still with him and have been since they left the States. D. C. Vaughter is with the Air Corps and R. W. Standfield, Jr., is also in the Engineering Corps of the Army.

Lieut. Robert H. Dodge, who is stationed at Barx Field, near Shreveport, La., and who has been on a 15-day furlough, accompanied by Mrs. Dodge, has been visiting in the home of her parents, Mr. and Mrs. Allan White.

Lieut. Dodge is Assistant Base operation officer at Barx Field. He and Mrs. Dodge left Amherst Saturday to return to his base, accompanied by Allan White, Jr., and Bouncer White, who will spend a week or two in Shreveport, La.

Mrs. C. R. Stephens left for Houston last week to be with her husband, who is in the service, and stationed near that city.

Mrs. Helen Hunton, member of the Amherst School Faculty, left recently for Chicago, where she will spend the summer with her husband, who is in the service.

Revival In Progress At Assembly Of God

A Revival and Daily Vacation Bible School is now in progress at the Assembly of God Church with Rev. Donald Walker of Lamesa as the night speaker, according to Rev. Scott F. Mitchell, Pastor of the Church.

Rev. Mitchell also adds that the Bible School has more than doubled the attendance of the first morning and that many interesting features are offered for the children and he cordially invites the public to the meetings.

Bible School opens at 9 o'clock in the mornings and closes at 11:30 a. m. Evening services begin at 9 p. m.

Mr. and Mrs. Van Clark returned Wednesday from a business trip to Austin and San Antonio. They left Monday, and Mrs. Clark visited friends in San Antonio while Mr. Clark attended to business.

Spring Lake News

Mrs. Pete Parrish underwent an operation for appendicitis at the Amherst Hospital Tuesday. However, she is very much improved and expects to be taken home probably Friday.

Pvt. Elton Parrish, formerly of Spring Lake, and who is stationed with the Armed Forces in San Diego, Calif., and his wife are visiting with their parents, Mr. and Mrs. Crill Bull and Mr. and Mrs. Koon Parrish of Spring Lake.

A lovely buffet supper was given in the home of Mr. and Mrs. J. L. Hinson Wednesday, showering Mr. and Mrs. H. L. Minor, Supt. of Spring Lake Schools for the past five years, and who are going to Oklahoma City.

Mr. and Mrs. Minor were presented with a linen cutwork tablecloth and napkins as a going away gift from the group.

Those present for the occasion were: Mr. and Mrs. A. C. Barton and family, Mr. and Mrs. R. G. Wil-

son and family, Mr. and Mrs. H. R. Haberer and family, Mr. and Mrs. M. E. Kelley and family, Mr. and Mrs. N. F. Cleavenger and family, Mr. and Mrs. H. L. Hicks and family, Rev. Barnett and daughters, and Mr. and Mrs. R. L. Drake.

Little Maxtell Nelson, daughter of Mrs. J. S. Henderson, hung her foot in a tractor last week and the foot was broken in three places. She has been confined since in the Littlefield Hospital.

The Congregational Church of Spring Lake was hostess to the District Superintendent of the Congregational Churches from Oklahoma City last Sunday when he gave an educational lecture to the group. Dinner was served at the church.

Mr. and Mrs. R. L. Drake and Mr. and Mrs. A. C. Barton attended the Memorial Day services held in Littlefield Sunday.

Mrs. R. L. Drake and Mrs. Clayton from Spring Lake were business callers at the Lamb County Leader office Wednesday.

Aux. Leavorn Thurman At Battle Creek, Mich.

Auxiliary Leavorn Thurman, formerly of Littlefield, joined WAACS April 9 at Lubbock, where she received her basic training. She has been transferred to Battle Creek, Mich. Enroute Michigan she saw some of the waters but the biggest thrill and she received was when she crossed the Great Lakes and Mississippi River. Aux. Leavorn says this is a wonderful place. The thing wrong is being too far from home.

Edgar Graham made a trip to Lubbock on business Tuesday.

LITTLEFIELD FUNDAMENTAL MISSIONARY BAPTIST CHURCH
L. J. Power, Pastor
It is with much hope that we are looking forward to having 200 in Sunday School by our second anniversary August 1. The Sunday School is now advancing in a fine way, and each department is growing in number. If you are in the City and are not attending Sunday School anywhere we cordially invite you to attend ours. And if you are here and believe in teaching the Bible for the Sunday School, visit us for I am sure you will be well pleased. We use nothing but the Bible for all our classes.
Then our Church is growing. Last Sunday we had another addition by letter. The entire Church is at work and it looks as though we are going to have to begin another revival meeting.

The pastor will be with the Bethel Baptist Church in San Angelo, Texas, for a revival meeting June 7-20. During this time the pulpit will be occupied by his brother, Rev. R. N. Power of Floydada, Texas, and pastor of the South Side Baptist Church there.

Sunday School, 10 a. m.
Preaching, 11 a. m.
Evening Services, 8:30 p. m.
Starts with good old fashioned singing, a full 30 minutes; also special numbers.

FOURSQUARE CHURCH

Sunday night: Crusaders at 7:45, preaching service at 9; the pastor will be speaking on "Righteous Forgiveness."

We invite the public to attend all of these meetings.

Rev. Lee Hemphill Attends Church Meeting At Fort Worth

Rev. Lee Hemphill, pastor of the First Baptist Church, has just returned from the Annual Evangelistic Conference which was held at the Southwestern Baptist Theological Seminary at Fort Worth from Monday, May 31, through Wednesday night.

This meeting is considered one of the most vital meetings held by the Texas Baptists; and among the principal speakers were Dr. George W. Truett, pastor of the First Baptist Church, Dallas; Dr. Charles E. Madry, Executive Secretary of Foreign Mission Board, Memphis, Tenn.; and W. W. Melton, executive secretary of Baptist General Convention, Memphis.

Attending the session with Rev. Hemphill were Rev. Frank Thomas of Enochs, Rev. Hillard Cordor of Goodland, and Rev. R. W. Harris of Watson.

ANN'S NEW VOCATION

Telegraphy is now being studied by Ann Shirley, picture star, who is taking lessons under the supervision of Frank Melville, communications expert. When Ann leaves New York for California after completing her course, she intends to report to National Headquarters of AWVS, San Francisco, with a view to becoming a full-fledged radio operator and plane director for the West Coast.

Two Army Officers Killed In Plane Crash Near Here

Names of two Army officers who were killed in the crash of a light

trainer plane from the South Plains Army Airfield in the Spade Community about 8:55 Friday morning were announced Saturday by the base public relations office after the next of kin had been notified.

Victims were Lieut. Howard D. Rogers of Altus, Okla., who with his wife had maintained residence at Lubbock; and S-Sgt. William C. Frederick of Detroit, Mich.

An official Army Board of inquiry is reported to be investigating the accident, but no details were announced.

Funeral services were conducted for Lieut. Rogers, and burial took place at Altus, Okla., Monday afternoon.

The funeral service and burial for Sgt. Frederick were scheduled to take place at Detroit but no details were available as to time.

The light trainer plane, which crashed in a field across the road from Willie Coffey's farm house in Spade Community, is said to have been occupied by an instructor and a student, and was one of four such planes out on a cross country flight. The pilot in one of the other planes, on seeing the plane crash, endeavored to land, but striking the soft plowed dirt, the plane turned over on its side. He was treated at Payne-Shotwell Hospital for a cut over one of his eyes.

On learning of the crash Dr. C. E. Payne and Dr. I. T. Shotwell went to the scene of the accident, and also Hammons ambulance was sent out. They reported the plane badly mashed, and the bodies beyond recognition.

Mrs. J. D. Dodgen, member of the Spade Faculty, and driver of a school bus, stated she had just left the bus shed when she saw the plane crash in the field, and also the second plane landing. She was the second to arrive at the scene, and asked the pilot from the second plane if she could do something and is told her to notify the South Plains Army Airfield, which she did. The first one to get to the accident was a farmer operating a tractor in the next field.

JOHN STANDIFER, JAMES FOUST BUY PLANE; TO SPEND VACATION IN SAME

James Foust, Director of Military Training of Plainview High School, and assistant coach of that school, and John Standifer, manager of the Littlefield Cooperative Cold Storage Plant here, recently purchased under a partnership arrangement, a Taylorcraft airplane, from Harmon White of Hale Center, and took possession last week.

In an interview with Mr. Standifer he stated there would be many others buy planes if there were more space in the hangar at the Duggan Field for them, but that the planes now at the field took up absolutely all the space. He added, "We want more hangar space, and hope the City and County will help us out on that."

Mr. Standifer is one of the pioneers in the operation of planes in this area, and has been soloing for

some time. Mr. Foust has been spending sometime in Civil Pilot Training at Canyon. These young men plan on spending their summer vacation in the plane—as Mr. Standifer put it—"We are going on a trip—we don't know where—but we are going to fly there."

With South Plains Men In U. S. Service

Victor Cuba visited Mrs. Victoria and son, Joseph Cuba; Mrs. M. E. Ondres and Mr. and Mrs. A. F. and family.

Walters last week witnessed graduation at the Lubbock Army field of Lieut. Ralph L. Blake. Miss Frances Clark of Oregon planned the silver wings of Air Forces Flying Officer on Blake while Mr. Walters on, just after Lieut. Blake received the wings and commission exercises at Lubbock. Mr. Walters was his instructor in Pri-

mary school at Ballinger.

Aviation Cadet Walter L. Dyer, son of Mr. and Mrs. Floyd Dyer of Route 1, Littlefield, has just arrived at Corsicana Field from the Aviation Cadet Center, San Antonio, Texas, and a member of Class 43-K.

Cadet Dyer has been assigned for primary flight training to the Air Force Training Detachment, commanded by Captain Dysinger, one of the many Primary Flying Schools in the Army Air Forces Gulf Coast training Center.

Wayne Madden, cadet of the Naval Air Corps, left Friday for Del Monte, Calif., to continue his training. He completed training at the air field in Fort Worth about six weeks ago, and had been with his parents, Mr. and Mrs. W. H. Madden, until he received his call for further training.

Pfc. Roy Lee Grisham returned to Pampa Airbase Sunday after spending a ten day furlough with his father, E. E. Grisham, and other relatives.

Aviation Cadet Merrill Park Briggance, of Olton, was one of a class of 326 Texas young men graduating at San Antonio Aviation Cadet Center into advanced training at primary fields recently.

The class of potential combat pilots was inspected by Under Secretary of War Robert P. Patterson and Cong. R. E. Thomason of Texas, and Senator Burnet Maybank of South Carolina, a member of the Senate Military Affairs Committee.

Among the score of Anton boys to join the Navy is Jack Mullins, son of Mrs. Nettie Mullins, and graduate of Anton High School. He is Second Class Petty Officer, and is a radio instructor at the Naval Aviation Technical Training Center, Memphis, Tenn. He also attended Texas Tech and the A. & M. College.

Ivan L. Wozencraft, son of Mr.

and Mrs. J. C. Wozencraft of Olton, has graduated from an intensive course in airplane mechanics at this field, located near Wichita Falls, Texas.

Young Wozencraft had been trained, before entering the air mechanics school here, in one of the basic training centers of the Army Air Forces Technical Training Command.

Mr. and Mrs. Ben Lyman hear every day from their son, Ben, Jr., who is in the Coast Artillery, stationed at San Diego. Ben reports that the group of students numbering 18, with whom he went from Tech, to San Diego, are still in the one group; training together; that he is crazy about his work; that the climate is nice and cool, and he is enjoying his work a lot.

Lieut. Samuel Edwin Blessing, son of Roy Blessing, who has been stationed in Denver, passed through Littlefield enroute somewhere on the East coast Monday last week.

J. M. Blessing, grandfather of Lieut. Blessing, whose farm is three miles southeast of Littlefield, and Roy Blessing, his father, who owns and operates a farm three miles northeast of this city, were both working with a tractor on the J. M. Blessing farm when a plane circled the field about 3 o'clock in the afternoon; and then went to the Roy Blessing farm, returned to where the men were working in the field, dipped down towards the tractor, and then went on its way. Needless to say the Blessing family experienced a thrill, and are satisfied it was Lieut. Blessing operating the single-seated plane.

Joe Douglass of the Air Corps, stationed and going to school at the State University, Oklahoma City, had the great pleasure Mother's Day of enjoying dinner in the home of a brother of Mrs. H. R. Bilderback at Oklahoma City, and of attending on that day service at the largest church he had ever had the privilege to attend.

Mrs. Bilderback, on learning that Joe was stationed at Oklahoma City, wrote her brother, Otto Stephens, to get in touch with the local boy, which he did, and on Mother's Day Joe was a guest in the Stephens home for dinner, and attended services with the Stephens family at the St. Luke's Methodist Church, which Joe reported home was the largest church he had ever had the privilege of attending services in.

Joe is the son of Mr. and Mrs. Jim Douglass of this city; and this courtesy by Mrs. Bilderback and her brother and his family is much appreciated by the boy's parents, as well as the entire Douglass family.

David Storey, son of Postmaster and Mrs. W. D. T. Storey, who is taking his basic training in the Artillery school at Fort Sill, Okla., writes his parents that he is happy and likes his work a lot. His basic training in the field artillery will last 13 weeks.

Postmaster and Mrs. Storey attended the graduation exercises at Tech College Monday night and received David's diploma in lieu of his absence in the Service. At Tech College David majored in Agricultural Economics.

Bernis Camp, son of Mr. and Mrs. D. C. Camp of Route 1, Sudan, won his wings and commission as second lieutenant in the Air Forces at a recent graduation at the La Junta, Colo., Advanced Flying School. He received his primary flight training at the King City Primary Training School, King City, Calif., and basic training at the Chico, Calif., Army Flying School. In civilian life, Lieut. Camp was a supervisor for the agricultural adjustment administration of Lamb

Lieut. Vernon R. Turner West Point Graduate

Among the Cadets graduating from the United States Military Academy at West Point, N. Y., on June 1, was Lieut. Vernon R. Turner, son of Mr. and Mrs. A. H. Turner of Littlefield.

A graduate of the Levelland, Texas, high school, Turner attended the Texas Technological College, Lubbock for two years, and the West Point Preparatory School, Fort Sam Houston, San Antonio, for one year, prior to receiving his appointment to West Point from Rep. George Mahon of the 19th Texas

District. During his first class year at West Point he was a Cadet Sergeant. He turned out for hockey and wrestling, and was a member of the Lecture Committee and the Debating Society. He received his commission in the Air Force upon being graduated.

The graduating class numbered 514 cadets and was the largest class ever to graduate from the Military Academy, and is graduating one

year ahead of schedule. Upon the graduation of the above class, and of the approximately 9,667 living graduates of West Point, 8,337 are in active service on all fronts.

Just received a large shipment of office supplies at the Leader Office.

This Week We Begin Our Fifth Year

SUPPLYING ELECTRIC SERVICE TO FARMERS AND OTHER RURAL MEMBERS OF THIS AREA.

We view with pride the progress that has been made by the Lamb County Electric Co-Operative, in helping to modernize the many rural homes in this section.

The system had only 351 members at the end of its first month of operation, after the lines were energized on May 19, 1939.

Now—the cooperative furnishes electric service to 989 consumers along 442 miles of distribution lines in Lamb, Hockley, Bailey, Hale and Cochran counties.

Our Part in the War Effort--

We realize that use of electricity on the farm enables the member to produce for Victory more conveniently and economically. The Cooperative encourages its members to make the best possible use of existing electrical equipment.

Due to War Conditions, we are not able to advance as rapidly as we would like to, supplying every farm home in this entire area with electricity—But... when this war is won, we hope to be able to serve many new members.

"Air Force" To Be Featured At Palace This Week End

Millions of Americans who read immediately after Pearl Harbor of the arrival there of a number of Flying Fortresses in the midst of the Jap Attack have been wanting details of that incident, of what the Fortresses did and what became of them. As near as possible Warner Bros. brings it to the screen as "Air Force," the motion picture that is an inspiration to all Americans and thrills of hopeless plight you'll never forget. Heading a cast of hundreds is John Garfield, Gig Young, Harry Carry and George Tobias.

NOTICE and WARNING TO THE WATER USERS OF LITTLEFIELD

The people of this city have been using an immense lot of water, and on Wednesday night of last week it became necessary for the CITY TO SHUT OFF THE CITY WATER FOR TWO HOURS FROM THE WATER MAINS TO ALLOW THE BIG TANKS, WHICH WERE ALMOST EMPTY TO REFILL.

The City Commission would not be doing its duty if it continued to permit the big water tanks to be emptied as they were on the above date, as this instantly creates a DANGEROUS FIRE HAZARD.

The capacity of the pumping station is about 600,000 gallons each 24 hours. It is impossible for more water to be pumped. The only alternative is to reduce consumption.

The City urges each water user to cooperate by using no more water than is absolutely necessary, and ALSO GIVES NOTICE—That

EFFECTIVE AT ONCE, when the water tanks lower to the DANGER POINT, hereafter, the pumping station has been given orders to CUT OFF ALL WATER TO CONSUMERS, until the tanks have water in reserve for FIRE FIGHTING and PREVENTION. Six short blasts (until different notice) of the fire siren will notify that water is to be cut off.

With the cooperation of the citizens of this city and care in the usage of this water, such cut-offs will be unnecessary.

LET'S ALL COOPERATE—LET'S CONSERVE—LET'S ELIMINATE UNESSENTIAL USE OF WATER—FOR SAFETY'S SAKE FROM FIRE—SO THAT ALL THE VICTORY GARDENS SO NECESSARY WILL NOT SUFFER.

Col. Joplin's Transport Plane Featured In The Denver Post

In the Rotogravure section of the Memorial Day edition of the Denver Post, dated May 30, appears a picture of the camouflaged personal American transport plane of Col. Julian Joplin, brother of Arbie Joplin and Ben Joplin of this city, as it appears both in operation and on the ground, somewhere in the borderland wilds of eastern India.

Underneath the picture appears the following: "Sharp eyes are needed to see this American transport ship through its camouflage, even on the ground, and Japs can't spot it from the air. It's the personal ship of Col. Julian Joplin, head of the American transport command, in the borderland wilds of eastern

India. His twenty-two young American pilots fly for the India-China ferry command. This ship has already knocked down at least two Jap Zeros."

An entire page of the Rotogravure section of the Denver Post is given over to pictures concerning Col. Joplin and the 22 young American pilots under his command, including the "Hump Happy Tavern," typical India bungalow, living quarters for the 22 pilots.

Col. Joplin returned from India to the United States in March last. After spending considerable time at Washington, he visited his relatives here, and was at Las Vegas, N. M., as officer commanding at the air-

base in that city for a short period, following which he was called back to Washington, from where he returned to foreign service April 6.

Col. Joplin has been decorated three times for distinguished foreign service. About a year ago he took part in the evacuation of 5,000 Chinese soldiers and natives from Burma, who left there only 30 minutes before the Japs landed.

For his participation in the many hazardous trips made during the evacuation Col. Joplin, then a Major in the Air Corps, was awarded the Silver Star. Previous to that he was decorated twice for bravery, including once by the Chinese Government for distinguished service in China.

17,000 feet between the Irrawaddy and Brahmaputra Rivers. The planes were loaded down with doubled or trebled passenger loads for each trip, and despite extremely adverse flying conditions the entire operation was accomplished without the loss of a single American plane or a single patient.

"The mountain range was constantly swept by storms which necessitated almost continuous flying. The thick storm clouds, however, were used to advantage by the Americans in evading Japanese combat planes which sought repeatedly to shoot down the unarmed transports. On sighting enemy aircraft, the transport pilots would climb quickly into the mountain storm clouds where Japanese fliers did not follow.

"The evacuation area was under almost constant observation by the Japanese, who resorted to bombard-

ment and ground-strafting in unsuccessful attempts to foil the operation. Despite enemy action and dangerous weather conditions, 15 to 25 flights were made daily from the area during a 10-day period when the operation was at its height. . . .

"The transport planes operated with crews of three and four, with personnel other than pilot and copilot taking over the job of preventing panicky rushing for places on the ships. Many of the wounded soldiers were moved directly from hospital trains to the transports.

"Civilian refugees for the most part were very young, aged, infirm or otherwise unfitted to undertake the long trek through the jungle and mountain terrain on foot. The evacuation continued until the enemy had moved so near the area that capture of the air field was a matter of hours."

Col. Joplin has been in the Serv-

ice since 1925, and was three years in foreign service before the war, being stationed at Panama for some time.

As a Cadet he received his Wings at Randolph Field a number of years ago.

BEN JOPLIN SUFFERS INJURY TO LEFT FOOT; HAS TOE AMPUTATED

Ben Joplin, farmer of north of Littlefield, suffered injury to his left foot Saturday morning when he caught the large toe on that foot in the tractor which he was working. He was taken to the Littlefield Hospital, where it was found necessary to amputate the toe.

He will be confined in the hospital several days.

"They helped evacuate nearly 5,000 wounded United Nations soldiers and refugees by transport planes from the enemy-harassed upper Irrawaddy Valley.

Rutledge Home Is Scene Of Dinner Party Thursday Night

Mrs. Warren Rutledge and Miss Margaret Bandy entertained a group of their friends with a dinner party Thursday night at the home of Mrs. Rutledge on West Second Street.

The party was staged as a "get-together" before the school teachers left for their summer vacations. However, as a complete surprise to Miss Bandy, who left Saturday for her home in Seagraves, the group presented her with many lovely handkerchiefs and other gifts.

The entertaining rooms were made more inviting with beautiful bou-

quets of flowers, and the four-some tables were centered with rosebuds. The patriotic motif was carried out in decorations.

After the dinner several games of bingo were enjoyed.

Those attending were: Mesdames C. W. Woodworth, Edward Betts, Sibyl Moorehead and Kate Gimmel, and Misses Elizabeth Hardgrove, Thelma Killough, Sybil Wiginton, Merrel Nystel, Ida Moore, Erna Douglass, Lois and Dorothy Kinchen, Marion Short and Olene Robbins, and the hostesses, Mrs. Rutledge and Miss Bandy.

Victory H. D. Club Sponsor Clinic

The Victory Home Demonstration Club met for an all-day meeting Friday, May 21. The members brought covered dishes and a good dinner was enjoyed.

The County Agent reupholstered a chair for Mrs. Williams where the meeting held. This demonstration was very valuable.

The Club voted to hold a cooker clinic in the Whitharral Home Economics room beginning at 10 a. m. June 18. Everbody is invited to have their cooker tested.

Mr. And Mrs. Ondres Entertain Group Of Friends Recently

Mr. and Mrs. M. E. Ondres of Spade Community entertained a group of friends and relatives Wednesday, May 20, at a party at the Ondres home.

Those attending were: Pvt. Victor Cuba of Camp House; Mrs. Victor Cuba, Mrs. Victor Cuba and son of Littlefield; Mr. Joseph Cuba, Mrs. W. H. Lynch and daughter, Mr. Joe Ondres, Mr. and Mrs. M. J. Cuba and family of Levelland, Mr. and Mrs. A. F. Sladek and family, Arnold, Andrew and Dorothy Ondres.

Miss Bandy Honored With Breakfast Friday Morning

Mrs. C. W. Woodworth entertained with a breakfast Friday morning at her home on West Seventh Street, complimenting Miss Margaret Bandy.

Miss Bandy left Saturday afternoon for her home at Seagraves, where she will be employed by the Ration Board.

Attending the breakfast were: the honoree, Miss Bandy, and Mesdames W. W. Brown, Elmer Lewis and Sam Hutson, and Misses Anna Neale, Eunice Stanfield, and Elizabeth Hardgrove, and the hostess, Mrs. Woodworth.

Miss Marjorie Claire Joplin Honored At Birthday Party

Miss Marjorie Claire Joplin was the honoree at a delightful birthday party Wednesday night of last week, when her grand-mother, Mrs. Alice Douglass, and her aunt, Mrs. Warren Rutledge, were hostesses at the Rutledge home on West Second Street.

The occasion was Miss Joplin's sixteenth birthday.

Garden flowers were in profusion including Snapdragon, Roses and Perennial Sweetpeas, made more inviting the Rutledge home for the occasion.

Games were enjoyed, following which refreshments were served to the following: the honoree, Marjorie Claire Joplin, and Misses Rorverta Sullivan, Ernestine Short, Georgia Faye Beckner, Connie Wilson, Ann York, Regina Evans, and James Gimmel, Bill Jim Evans, Herbert Martin, J. W. Taylor, Carol Wilson and Waymon Taylor.

Expect To Enjoy Family Reunion Over Week End

A family reunion will be enjoyed at the home of Mr. and Mrs. Dock King this week end.

Members of the King family expected to visit in the King home are:

Sgt. James King of the Signal Corps, stationed at Buffalo, N. Y., who has been in service two years, on a 15 day furlough, accompanied by Mrs. King;

Mrs. Cloyd Chisholm and daughter, Shirley Ann, of Phoenix, Ariz.; and

Mrs. Tommy Youngblood and three children of Dallas;

Mrs. King stated she did not know whether S-Sgt. Tom King of Amarillo, who was seriously injured in an automobile accident sometime ago, and has since had his body in a cast for a back injury, would be able to get to Littlefield while the other members of the family were here or not, but that he expected to be relieved of the cast this week.

Auxiliary S. A. Houk Completes Six Weeks WAAC Training

Daytona Beach, Fla., June 1.—Auxiliary Suzanna A. Houk of 410 West First St., Littlefield, was graduated May 22 from the Administrative school of the 2nd WAAC Training Center at the completion of a six weeks course offered to WAACS selected for their business background, education and aptitude.

The school's purpose is to train WAACS for army office work in order to relieve men for active service. Reports from the field indicate that the girl soldiers are doing a splendid job.

The course is divided into two main sections: Three weeks of explanatory lectures and simple, practical problems and three weeks of Command Post Exercises, commonly known as CPX. During the last three weeks students maintain all records and administrative detail concerning an organization as it operates in the field. They prepare

Miss Vivian Barnaby And Walter E. McCoy Wed Thursday Night

Miss Vivian Barnaby of Spade became the bride of Walter Earl McCoy, also of that community, in a beautiful single ring ceremony at the home of the groom's grandparents, Mr. and Mrs. Walter McCoy, at Spade Thursday evening.

The ceremony was performed by Rev. A. B. Haynes, local Presbyterian Pastor, at about 11 p. m.

The bride was charming in a light blue dress with white accessories. She is the niece of and made her home with Mr. and Mrs. Dodson of Spade.

The groom is the son of Mr. and Mrs. L. M. McCoy, formerly of Spade, but now of Sandy, Ore.

The couple were married following the graduation exercises at Spade Thursday night, at which Mr. McCoy received his diploma.

Mr. McCoy had been a resident of Spade for the past five years. The happy couple left Monday for Portland, Ore., where Mr. McCoy expected to work in the shipyards, and where they will make their home.

Attend Summer Assembly At McMurray College

A number of the members of the local Methodist Youth Fellowship League are attending Methodist Summer Assembly at McMurray College, Abilene, this week.

Those attending are: Misses Regina Evans, Marjorie Claire Joplin, Larue Clark, and Jimmy Brotherton, accompanied by their sponsor, Mrs. Houston Hoover.

Rev. C. Frank York, pastor of the local Methodist Church, took the group to Lubbock, where they boarded a bus at 7 o'clock Monday morning for Abilene. The Assembly is in session from Tuesday until Saturday.

Attend Market In Dallas This Week

Mr. and Mrs. J. H. Ware and son, Kenneth, left Thursday morning for Oklahoma City for a few days' visit with their son and brother, James Ware, who is in training in the Army Air Forces.

They went to Dallas Monday where they were joined by Mrs. J. C. Elms and Mrs. E. J. Newgent, and they are all attending market there this week.

Mrs. Elms went to Waco Thursday night for a visit with relatives before going to Dallas.

Miss Patty Carpenter And Doss Maner Wed At Clovis, N. M.

The marriage of Miss Patty Carpenter, daughter of Mr. and Mrs. R. N. Carpenter of six miles northwest of Littlefield, and Doss Maner, Jr., son of Mr. and Mrs. Doss Maner, of six miles south of town, took place at Clovis Thursday morning.

The ceremony was performed by Rev. Charles Walker, pastor of the Methodist Church, Clovis, at the parsonage, at 11:30 a. m.

The bride was attractive in a blue dress with white accessories. She was a junior in high school, and was

born and reared in Lamb County. Her parents have been residents of this area for the past 18 years, during which period they have lived northwest of Littlefield.

Mr. Maner was graduated with the 1943 class of Whitharral High School.

The Carpenter and Maner families are both prominent in the communities in which they live, for whom the highest regard is held.

The happy couple left Monday for Beaumont, where Mr. Maner is employed in the shipyards.

Olton Girl Is Recognized At Tech College

Miss Helen Walker of Olton was one of 153 women students honored at the 12th Annual Women's Recognition Service at Texas Technological College, May 11. She is the daughter of Mr. and Mrs. H. G. Walker and was recognized for her presidency of Phi Upsilon Omicron, with 35 activity points, 2.19 average.

Awards are based on excellence in scholarship, leadership and citizenship.

School Teachers Honored Friday Morning With Breakfast

Mrs. Addie Spikes and Mrs. Edward Betts entertained with a breakfast Friday morning honoring several school teachers who left last week end for summer vacations, at the home of Mrs. Spikes on LFD Drive.

Those attending were: Mrs. J. H. Carl and Mrs. Sibyl Moorehead, and Misses Marion Short, Lois Kinchen, Sybil Wiginton, Olene Robbins, and Merrell Nystel.

About 1000 Attend Memorial Service

Approximately 1,000 citizens and service men in uniform attended the memorial service honoring the soldier dead Sunday afternoon in the Littlefield Cemetery which was sponsored by the American Legion Auxiliary and Boy Scouts.

J. D. Evins, Post Chaplain, was in charge of the service which opened with the singing of "America" led by Charles Signor. Rev. Lee Hemphill followed with a scripture reading, and Charles Signor rendered "My Buddy" as a solo. Rev. C. Frank York, local Methodist Pastor, led the congregation in prayer, and Rev. A. B. Haynes, pastor of the First Methodist Church, spoke on the "Value of Dying for a Cause."

At the close of the service local aviators in five planes including J. D. Smith, Paul Pharris, Leonard McCormick, Johnny McCormick, W. W. Watkins, "Red" Merrill, J. W. McGuire, Sid Hopkins, E. G. Alexander and Virgil Teague flew low over the cemetery dropping rose petals which were donated by the citizens of Littlefield on the graves of the departed, following which various Boy Scout units placed

scent, and fruit hasn't as much flavor as at home. Suppose it's the lack of sunshine. There are lovely flowers growing here though, growing outdoors as large as our hot-house flowers. Damp here most of the time.

"Some officer reported in from the States the other day with the statement that horse meat is being sold as such for human consumption. Is that true? If so, you become a vegetarian immediately.

"Dark comes late now, and daylight early. Not yet dark at 10:15 p. m. People say later on there's only three or four hours of darkness. We are seven hours ahead of Littlefield time. News from Africa sounds encouraging. Am in perfect health.

"Love,
"TILDEN."

Pvt. Martindale King of Plainview who is stationed at Winona, Miss., is going to school and taking cooking. His course will last four or five months.

According to information received here Lieut. Crawford Bates, who suffered from a Tropical Fever sometime ago, which left complications of a foot ailment, has recently underwent an operation at a hospital in Australia, which is reported to be "successful," believed to be on the foot that had been giving trouble.
