Wildcats To Go Into Levelland Game Handicapped, But Formidable As Ever

Olton Mustangs Defeat Sudan In District 2-A Encounter 24-13

SUDAN—The law of averages, the Olton Mustangs and R. V. Allcorn caught up with the Sudan Hornets here Friday night in Masten Stadium before an overflow crowd—Olton winning the District 2-A encounter, 24-13.

The Hornets have been pulling 'em out of the fire all season and sat atop the conference going into this fray, but they couldn't do it Friday night. Allcorn and company wouldn't let them.

Olton's fair-haired boy, this Allcorn was great. He runs, he passes, he punts, he kicks off, he blocks, he intercepts passes, he kicks extra points, he tackles. Or what have you on a gridiron, he does it.

Friday night he was the offensive spearhead as the Mustangs hooved the Hornets plenty. He tabbed two TD's, letting a mate count the other two. On one, he intercepted a pass and frolicked 20 yards for a tally. On another, he ran like a Democrat going to vote in the general election—95 yards all the way.

The first quarter was scoreless. Olton kicked off to the Hornets and the home boys couldn't go. They punted. Olton couldn't go either and punted. Sudan notched a first down and had a drive underway but Back Lonnie Stephens of the Mustangs intercepted a pass halting the advance. Sudan repaid

the compliment with Back Orville Hill intercepting a Mustang aerial. Early in the second quarter, Olton broke it open. Back Archie Souther bumped over from a couple of steps out. He touchdown drive was 79 yards. A 32-yard pass from Allcorn to Stephens ate up 32 yards of it. Allcorn's placekick for extra point was blocked.

Olton had another score in less than a minute. The Hornets brought back the pellet to the 11-yard line. From that point, they tried a daring pass. Allcorn came out of nowhere and gobbled it up about the 20-yard marker. He ran over, twisting and plugging the entire 20 steps. His placekick for extra point again was blocked.

The Hornets scored just before the half. In fact, time ran out as they were trying for extra points and the allowed try was good. Back Joe Kent, a fine little stepper, made the touchdown with a hand-off dart of two yards. The Sudan drive for this score carried 75 yards. Bruising plunges by Fullback Bobbie Crouch and a couple of passes from Kent to Sub Back Charles Lynch aided the cause. Crouch's line bump for extra point was over. It was Olton 12, Sudan 7 at the half.

The second half kickoff from (Continued on Back Page)

Whitharral Bounces Lorenzo 33-14

WHITHARRAL—Whitharral gathered three quick touchdowns here Friday night and coasted the rest of the way for a 33-14 victory over Lorenzo in a District 4-B encounter.

The Panthers counted again in the second and third periods before, Lorenzo came to life and pushed over two touchdowns in the final period.

Roger White, Loy Lewis and James Davis broke into the scoring column for Whitharral while Coy Hargrove scored all 14 points for the outmanned Lorenzo eleven.

Whitharral now has a 6-1 record in district play. Lorenzo has no wins and six losses.

White opened the scoring for Whitharral on a 4-yard plunge in the first period and followed with a 7-yard dash minutes later. Lewis plunged for the extra point after the second touchdown.

Halfback Jimmy Davis dove over from one yard out in the second period and then plunged for the extra point to give the Panthers a 19 to 0 lead.

Loy Lewis accounted for Whitharral's remaining two touchdowns going for 12 yards in the first quarter and 35 yards on a well-executed play in the third period. Davis plunged for the extra point after the second of Lewis' touchdowns.

Hargrove averted a shutout for Lorenzo with two runs of 35 and 30 yards, respectively, in the fourth period and added the extra points after both touchdowns.

Whitharral is host to Wilson and Lorenzo journeys to Meadows in district tilts next week.

With two players—Bob Hoover and John Terry—out of the game on account of injuries sustained in scrimmage, Littlefield will go to Levelland for the game Friday night handicapped, but formidable, as always.

Hoover and Terry are tackles, and are recovering from bruised knees.

Levelland has a heavier team than Littlefield, and this will increase the hard going for the Cats.

Littlefield has not had as good a season as usual this year. They have won three games, lost one, and tied one.

Levelland has lost three games, won two and tied one.

The lineups for the teams for Friday night's game are as follows:

LEVELLAND		
Name	Pos.	Wt.
Kenley Fortner	qb	147
Dean McCasland	wb	158
Bobby O'Dell	e	147
R. Leatherman	tb	167

Indians Upset Powerful Eagles In a 34-13 Victory

Pecos Eagles were out of the unbeaten streak Friday night as the Seminole Indians defeated them 34-13.

Hargrove went over from the one. Wilson tossed in the flat to Sparks who went 56 yards. Sparks went 28 around end and the Indians had three quick touchdowns.

Jackie Earl had helped in two of them, by intercepting Gutierrez passes.

Pecos ended the game on the three-yard line. Big reason for Seminole being so effective on offense was the return of John Wilson at quarterback. He was out last week when Littlefield tied the Indians, 7-7, with a broken hand.

Only Andrews, Kermit and Monahan stand in the way of the Indians for a district title.

A parents night crowd of some 4,500 saw the rugged contest. Seminole showed its superiority in all departments, but passing, outgaining the heavier Eagles on the ground and getting 29 first downs to 16 for the losers.

It was the Seminole defense that did it. Jackie Gothard, Jackie Gargill, Danny Phillips and Harold Karr were the sparks.

Eisenwine kicked one conversion for the losers and Langham one. Brad Crawford made four for the winners.

Wilson tossed in the flat to Sparks who went 56 yards. Sparks went 28 around end and the Indians had three quick touchdowns.

Wilson tossed in the flat to Sparks who went 56 yards. Sparks went 28 around end and the Indians had three quick touchdowns.

Petersburg Trounces Anton Bulldogs In District 3-B Game 19-6 Friday Night

PETERSBURG—Pete Blassingame ran, passed and kicked his team to an upset 19 to 6 victory over Anton in a District 3-B game here Friday night.

The 165 pound halfback possibly played his best game of the year as he completed passes on crucial plays and his runs came when it looked like the Anton forward wall had stopped certain drives. His kicking helped out as he got off three 40 yard punts that were turned into fumbles by "sleeping" Anton safetymen.

Anton took the opening kickoff and went to its own 41, mostly on the running of Fullback Ken Hice. The Petersburg line, led by Center George Patterson, held and Blassingame returned the punt to the middle field stripe.

A dropped pass stopped this drive, but the second time it got the ball, Petersburg was not to be denied. Halfback Gerald Bright, set up the score with a 23-yard gallop, aided by a 15 yard penalty which put the ball on the five, where Bright went over on the second play.

That was all the scoring in the first period, but in the second quarter Petersburg increased its lead to 13 points. Anton Safetymen John Harper fumbled a punt and Mickey Meadow, recovered for Petersburg. Blassingame completed three passes for 25 yards to place the ball on the Anton eight where three plays later, Bright went over from the three. Blassingame added the extra point.

Anton scored in the second period (Continued on Back Page)

Anton scored in the second period (Continued on Back Page)

Olton Mustangs Rest This Week

The Olton High Mustangs step aside this week and let the girl's take over.

The Mustangs will rest this week, that is all except six, who will coach the annual football game between the Senior Sizlers and the Junior Colts, local girl's teams, who play Tuesday night at 7:30 o'clock.

Coaching the Senior's are three senior football players, Kenneth Gullett, Don Nafzger and Danny Bledsoe. The captains of the squad are Wanda Workman, Betty Russell and Gwen Price. Members of the squad are secret.

On the Junior Colts coaching staff are R. V. Allcorn, Lonnie Stephens and Archie Souther. The captains of this squad are Gayle Silcott, Dorothy Barnett, Billy Gene LaDuke, Norma Smith and

Bula Slaughters New Home 56-24

NEW HOME—A visiting Bula six-man football team put a damper on Homecoming activities here Friday night when they slaughtered New Home, 56-24, in a 2-B six-man district game.

Leading the Bula scoring parade was Richard Skinner who tallied five touchdowns. Jake Bogart and DeWayne Nell each added a pair of six-pointers for the winners. For New Home, Darrell Fletcher crossed the double stripe three times and Willie Nieman scored once.

Bula now has a season's record of four wins and one loss while New Home claims three wins and two losses.

Muleshoe Races To Last Half Victory

MULESHOE—Quarterback Ronald Johnson scored three touchdowns and passed for another in the last half here Friday night to lead the Muleshoe Mules to a 25-7 victory over the visiting Springlake Wolverines.

Springlake scored in the first

Brownfield Cubs Defeat Electra Tigers 28-6 In Non-Conference Tilt Friday

ELECTRA—The Brownfield Cubs broke wide open in the final quarter here Friday night to defeat the Electra Tigers 28 to 6 in a non-conference tilt.

Brownfield's first touchdown was set up in the first quarter when Left End Jerry Bailey recovered an Electra fumble on the Tiger 26.

quarter and held a 7-0 lead at half time. Johnson passed to End Bill Willis for the Mules' first tally early in the third period, and later in the quarter scored from 10 yards out to put the home team ahead 12-7. Johnson scored twice more in the fourth, on runs of 25 and 65 yards, the latter a keeper play through the middle. Willis converted after the third touchdown.

Outstanding on defense for Coach T. J. Bailey's Mules were Linebacker Dewayne Burkhead and Right End Wayne Moore. It was the third straight win for Muleshoe, which has lost four games this year.

Right Halfback Joe Swan picked up 19 yards in two plays, then Fullback Billy Thomason scampered for the score. Quarterback Jerry Don Brown plunged for the point.

The Tigers' lone scoring drive started on their own 16. It was highlighted by drives by Glen Hixon and passes from Butch Price to Robert Foster. It was a pass from Price to Foster—good for 16 yards—that gave them the score.

In the third Brown passed for 29 yards to End Jackie Stockton who gathered the ball in on the 35 and went all the way.

Swan ran the extra point. Moments later Stockton intercepted a Tiger pass on the Electra 37. Swan and Right Halfback Jerry Anderson pushed the ball to the six on two series of plays. Swan carried it over. The final Cub score came when a half dozen Brownfield men blocked an Electra punt and Left Tackle Adrian Hinson fell on the ball in the end zone, Swan ran the extra point.

RETURNS PUNT—Carl... game in Houston, Tex., for 15 yards, before he was tackled by Glib Dawson, leaning over), Texas back. Gino Blazotti (49), Rice back, is at the left. Texas won 20-7. —AP Wirephoto

Orderly Cotton Marketing

A marketing problem may develop in Texas this fall which should attract the attention of every crop producer.

The commodity to watch, primarily is cotton but all crops can be similarly affected when unexpected surpluses develop. At present, there is no big surplus in cotton, but here is the situation:

Cotton prices declined slightly following the United States Department of Agriculture's production report in early October. The report showed an increase of 524,000 bales above the previously expected total.

Growers of cotton immediately expressed the fear that this decline would continue if the true facts of the cotton situation were not clearly understood.

There should be no alarm at all about this modest increase in 1952 prospects. This added production will be needed. The higher figure is still well below the 1952 production goal and is just about the same as the expected domestic and export demand for cotton during the marketing year.

Since this is the case, the farmer would do well to hold a part of his cotton for this year in anticipation of a good market a few months from now. Every

grower knows prices drop when the market is flooded too quickly.

If the present indications for production and disappearance are borne out, we will hold our own in the cotton situation and possibly add a few hundred thousand bales to the comparatively low carryover reserves of the last two years.

Cotton producers themselves can do a great deal to avoid the danger of temporary declines in prices by spreading out their marketing in an orderly way. Gathering has been proceeding rapidly. If the crop is dumped immediately after the harvest, prices might dip temporarily below levels justified by the over-all situation.

Farmers are urged to market in an orderly manner, taking advantage of the price-support loan program to make this possible. By following this course, they can protect the values of the 1952 crop as they have done in previous years.

If the crop is marketed properly, there will be no apparent reason for any material drop in prices—even for the period right after harvest.

Time To Get The Cattle Grubs

Extra feed is required for cattle infested with cattle grubs and there is no profit in feeding these parasites, says U. D. Thompson, assistant animal husbandman for the Texas Agricultural Extension Service.

The losses caused by cattle grubs are borne by the livestock producer and he can do something about it, adds Thompson. These parasites annually cause damages to hides and high priced meat cuts that amount to millions of dollars to say nothing about lowered milk production in the dairy herds. This loss could be added to the income of cattle producers and dairymen if the parasites were controlled.

Thompson recommends the use of a power sprayer—with a pressure of 200 to 400 pounds. Lower pressures decrease the effectiveness of the treatment, he says. The animals should be held no further than four inches from the backs of the animals. It is best, says the specialist, to use a full gallon of spray on each animal and from 10 to 15 seconds are required for doing a thorough spraying job.

The spray material should consist of 7½ pounds of 5 per cent rotenone dust for each 100 gallons of water. Mix it thoroughly, says Thompson.

The first application should be made as soon as the grubs appear in the animals backs and repeated at intervals of three weeks as long as needed. Three or four treatments are usually sufficient to get good control.

A good control job should result in weight gains for cattle of up to 20 per cent and materially increase the value of the hides and cattle when they are marketed. The dairyman with a grub free herd can expect a good increase in the herd's milk production and, adds Thompson, a good job done now means there will be few or no heel flies next spring. Animals tormented by these parasites lose weight rapidly and a coupled with milk losses for the dairy herd. Controlling the cattle grub breaks the life cycle of the parasite and thus stops the damage from grubs and the multiplication of the heel fly.

Right now feed is about the most important item being considered by livestock producers and Thompson says, the animals cannot fully utilize their feed if they are heavily infested with grubs.

Thompson adds that local county agricultural agents will be glad to supply additional information on controlling this livestock profit robber.

LET'S TALK LIVESTOCK

By Ted Gouldy

FORT WORTH—Most heartening news to livestock producers in weeks was the rally of cow prices at Fort Worth late last week and which carried over into Monday's trade. Cows sold Monday \$1 to \$2 above the low time last week. There was a better feel to the trade, though stocker demand remained very dull and some signs of improving stocker demand at northern points were encouraging.

Lighter runs of sheep around the market circle set off a little rally in the sheep yards at Fort Worth Monday. Some lambs and some ewes sold 50 cents higher.

Hogs opened the week with a 25 cents higher to 25 cents lower market to top at \$18.50 to \$19 at Fort Worth. It was notable that hogs closed at the day's low points here and at other major markets. Sows drew \$14 to \$17.

The stronger tone to the market at Fort Worth and at other points around the market circle was particularly good news since October's twin goblins, deteriorating ranges and heavy receipts, plumped calves and sheep to the lowest levels for the current crop and to the lowest point since OPA controls were removed in October, 1946, just a week ago.

Good and choice slaughter steers and yearlings sold for \$23 to \$31, and common to medium sorts sold for \$13 to \$21, with cutter grades at \$10 to \$13. Fat cows sold for \$12.50 to \$15.50 and some heiferettes topped at \$18. Canners and cutters sold for \$8 to \$13, few under \$8. Bulls drew mostly \$10 to \$17, a few best to \$18 and above.

Good and choice slaughter calves sold mostly at \$16 to \$22 and a few fancy heavies of 500 to 600 pounds drew \$22 to \$26 and better in the baby beef class. Common and med-

ium slaughter calves drew \$12 to \$16 and culls sold for \$10 to \$12. Choice stocker steer calves and steer yearlings sold at \$22 down, sparingly, mostly \$21 down. A few cows went back to the country at \$12 to \$16.

Slaughter ewes sold from \$3.50 to \$5.25 at the close, with old wethers from \$7 down. Yearlings cashed at \$6.50 to \$16, and fat lambs sold from \$23 downward. Feeder and stocker lambs sold from \$8 to \$17, with cull slaughter lambs from \$6.50 to \$8. Old Bucks sold from \$3.50 to \$4.50.

J. O. Garlington Announces New Laundry For Girls Town

Construction of a new laundry building for Gristown, USA, located near Whiteface has been completed, and was turned over to the girls debt free, Tuesday night, J. O. Garlington, of Lubbock and a well-

known former Littlefield business man, is building committee chairman.

The new laundry, a 30-by-60 masonry building with concrete floor, was built with donations of money, materials and labor, Garlington said. He added that the laundry needs of the 56 girls now at the home will be amply cared for by

the new building. Another structure, a kitchen and dining room, project on the building, Mr. Garlington said. Tin, a critical metal in War II, is being replaced by plastics and synthetics.

Health Talks

Prepared by the State Medical Association of Texas

Benjamin Franklin, famed in American history, is remembered for his discovery of the principle of electricity. Few Americans realize, however, that it was he who invented bifocal spectacles.

Why are bifocals worn anyway? Usually, the normal eye reaches its peak of efficiency at about the age of 8 years. At that time a person has the greatest power of accommodation, meaning that his ability to change from seeing objects in the distance to those up near is at its best. From then on, he begins to lose accommodation. Ordinarily, however, its loss is so slow and gradual that he doesn't have any trouble until about 40 or 45, when he first begins to notice that his arms don't seem long enough to read the evening newspaper and that looking up numbers in the telephone directory is becoming increasingly hard.

If his distance vision has been good and he hasn't been wearing glasses, he may be able to manage with a pair of single-vision reading glasses, but to avoid the annoyance of having to pull off his glasses to see across the room, he might want bifocals. These glasses are a combination of lenses: the smaller ones

at the bottom being for close vision and the ones at the top for distance. Another kind of lens which will allow him to see at different distances is called a trifocal lens. In it there are three layers: the one at the top for far off, the one at the bottom for reading, and the one in the middle for a distance in between the other two, usually focused for about arm's length.

Some people object to wearing the usual glasses perched on their nose, either because of their appearance or because such spectacles interfere with their work. They may find contact lenses to be the answer. A contact lens is a curved plastic shell on which is ground the patient's optical prescription. It fits over either the cornea, the central part of the front of the eyeball, or the entire front of the eye, including the sclera, the white of the eye. The scleral type of contact lens has to be filled with a fluid that is similar to the tears of the individual patient.

Contact lenses are not an un-mixed blessing. First, they are costly. Next, they cannot be worn indefinitely, as can ordinary glasses. The time for which they are comfortable varies from about two to

eight hours, depending on the individual patient, after which he sees colored halos around lights and his vision becomes hazy. Removing the lens for a half hour or so gets rid of the symptoms.

Contact lenses are prescribed for patients suffering from eye diseases such as a pronounced bulging of the cornea (keratoconus); absence of the eye's lens after a cataract operation (aphakia); and extreme nearsightedness, farsightedness, and astigmatism. They also are recommended for certain occupations in which the wearing of ordinary spectacles is dangerous. Athletes in rough sports and factory workers who are exposed to possible eye injury from broken spectacles are examples. Another "occupational" indication is for actors and opera singers, persons who need good vision but who would appear out of character for the role they portray if they wore spectacles.

Even though contact lenses may be worn for cosmetic reasons, for the average patient the physician probably would recommend ordinary spectacles for their relative inexpensiveness and ease of wearing.

Ordinary glasses may be colored or tinted for several reasons. One is to protect against excessive glare from the sunlight such as in driving, boating, and snow sports. In addition to color, other qualities of the lens may screen out harmful or annoying light rays. Sun-glasses should be worn only when there is discomfort from the intensity of the light and only outdoors. Many people are not uncomfortable without them even when the sunlight is very bright. However, even with sunglasses it is unwise to gaze directly at the sun. Much denser filters are needed, for example, during a solar eclipse.

A light pink tint in glasses makes the edges of rimless lenses less noticeable. Still other spectacles are colored for industrial, military, or other specialized purposes. A joint committee of two national medical associations have condemned the

Celebrating the 80th anniversary of Waples-Platter Company the company officers participate in cutting this huge birthday cake. These officials have for many years directed the company's canning operations and distribution of White Swan brand foods. They are, left to right, J. Clyde Jones, president; J. W. Shugart, vice president and general manager; W. L. Peterson, chairman of the board; Lee Brown, assistant treasurer; Hugh H. Hoover, assistant secretary, and D. A. Fielder, senior salesman, who is representing the company employees. Mr. Fielder has been with Waples-Platter for 55 years. The company's secretary-treasurer, Edward W. McKee is not shown.

Prices In Climb To Peak in 1951

STATION, October 30 prices in Texas peaked in 1951.

Average jumped from \$1.00 to \$1.15 in 1951, the Agriculture Experiment Station at Texas A&M college noted that Texas voters approved a constitutional amendment to furnish a revolving fund of \$100 million to buy farms at low interest rates.

The program started in 1950 with \$50 million.

Additional funds should be available at a rate equivalent to the first \$25 million, the program would become a factor in the land market, if not in the whole. The consequences are inflationary in a land market already booming.

Land prices in 1951 were attributed to the high price of cotton, together with the pre-season removal of acreage allotments and greatly expanded activity in oil and gas leasing and development.

Prices went up in all but two of the state's 17 major type-of-farming areas. In the Grand Prairie the average price dropped 13 percent and in the High Plains and Trans-Pecos grazing area a decrease of 22 percent occurred.

The report said drought conditions probably influenced prices in both areas.

Prices went up the most in the north-central grazing area, with an increase of 65 percent. The coast prairie registered a 61 percent increase; the Edward's Plateau and central basin, 46 percent, and the Rio Grande Plain, 31 percent.

SECOND LT. FLOREDA DUKE

Sergeant H. S. Range has announced today that 2nd Lt. Floreda Duke has been assigned Woman Officer Procurement Officer for the Southern Recruiting Area.

The USMC has invited all women college graduates who are looking for an interesting worthwhile job to investigate the opportunities offered by service in the corps.

A special officer candidate class for college graduates starts January 12. Application must be made before December 20.

Anton P-TA Carnival Tonight

The Anton Parent Teachers Association will have a carnival at the school house tonight, Thursday, October 30 beginning at 7:30 it has been announced.

Everyone is urged to come.

All PTA members and mothers who will be asked to bring a cake for the cake walk.

The Queen contest will be held that night also. There will be lots of fun for every body.

Buddy Wilkins Of Olton With Navy Is Home On Leave

Buddy Wilkins, son of Rev. and Mrs. B. C. Wilkins, of Olton, is home on leave. He is in the U. S. Navy and has been on the Aircraft Carrier "Boxer" which has been operating in Korean coastal waters.

The "Boxer" is the carrier from which the "Guided Craft" were launched recently.

Rev. Wilkins is pastor of Hope-well Baptist church.

Amherst Schools Have Driver Training Car

The Amherst High school has received a drivers training car. It was secured through the American Automobile association and courtesy of the Crow Chevrolet company of Sudan.

This car is used from two to four periods a day at school for students taking driver training courses for which Supt. W. D. Kay is the instructor.

No student is allowed to drive on public roads or highways until he has a drivers license.

The car is a green Chevrolet and has proper signs or decals written on it for identification and was secured Oct. 16. It is equipped with dual controls so that the instructor may have complete control of the car at all times.

There are 20 students enrolled in the class and when the course is completed they will receive one half credit toward graduation.

The basic aim of the course is the development of correct attitudes as well as learning skills required for efficient operation of a motor vehicle.

Records, charts, pamphlets, etc., are used in addition to the text so that pertinent points of information may be secured.

Leroy Sawyer Of Amherst Is Promoted To Higher Rank

LeRoy Sawyer, son of Mr. and Mrs. H. Sawyer, of Amherst, has been promoted to Machinist Mate 3rd class in the U. S. Navy.

He is stationed aboard the USS Warrick, an attack cargo ship. He has been aboard this ship for a year and has made five trips to Japan in the last five months.

At present he is in Oakland, Cal., but did not have sufficient time to make a visit home.

Lt. Kenneth Hite and Family Visit His Mother At Earth

Lieut. and Mrs. Kenneth F. Hite and baby daughter of Las Vegas, Nevada, arrived in Amarillo via airline Sunday afternoon and were met by Kenneth's mother, Mrs. Lena Hite, of Earth, whom they visited this week.

The Hite's will also fly to Pittsburgh, Pa., during their 18-day vacation, for a stay with her parents.

The Lieutenant is to leave shortly for Korean service where he will pilot F-86 jet fighters.

Olton City Lots To Be Sold For Taxes

Judgment on some 1000 tax delinquent Olton city lots was due October 27 in district court at Littlefield, according to George S. Bond, Lubbock tax attorney for the city, school, state, and county.

Mayor Lefty Hollingsworth said taxes have been delinquent on some of the lots since 1930.

The lots are located in various parts of Olton.

It will be up to Judge Dent to set a date for sale of the lots, Mayor Hollingsworth said.

If the lots are sold the action is expected to open up several sites for construction, some of them in the down-town area.

Sam Redwine Is Reported Improved

Sam T. Redwine, formerly of Littlefield, is reported to be "improving" in the Veterans Hospital at McKinney from a heart attack suffered Sept. 20 in Midland.

Redwine, who was a cotton buyer in Littlefield and Lubbock, had been serving as manager of the Ranch Lodge in Midland when he was stricken. He was kept in the hospital at Midland three weeks, and was then moved by ambulance to McKinney a week ago.

Ten Lamb County 4-H Boys Attend Feeder Short Course

A total of 148 4-H boys and adult leaders, including 12 county agents, were present for the annual Feeder Short Course for 4-H boys at Texas Tech Saturday. There were 14 counties represented.

Aim of the program is to give better training in feeding, fitting, management and showing of live stock. The course is sponsored each year by the Texas Tech agriculture division in co-operation with the Extension service.

Group Discussions Held

The meeting opened at 10 a. m. in the Aggie Memorial Auditorium, followed by a tour of the campus and farm in trucks and on trailers.

During the afternoon, the group was split into four sections, according to particular interest. Sec-

tions were sheep, dairy cattle, beef cattle, and swine.

Each section was given pointers in choosing and feeding animals, preparing them for shows, and the actual showing of the stock.

Jones Director Of Meet

The entire meeting was under the direction of Welton H. Jones, District Extension agent. Dean W. L. Stangel managed the beef cattle section, assisted by Nathan Allan Jr., Tech instructor.

Other managers were Roy Neely, assisted by Dr. N. C. Fine, assistant dean of the division, who handled the dairy cattle section; Raymond C. Mowery, in charge of the sheep division, and Stanley Anderson, in charge of the swine section of the course.

Seymour Sets Heat Record

SEYMOUR, Texas, October 25—(AP)—What's it like to live in a town which sets state heat records year after year?

"We just don't pay it any mind," person after person says. The answers are so identical it seems like a stock answer merode by everyone in town.

And it isn't bravado, ray courage, stamina, foolishness or a Chamber of Commerce spiel. It's a fact. The heat seems to slow down no one here.

Business goes on without a pause with the thermometer at 110 plus. Sports are carried on in the blazing sun. Kids play on the sidewalk.

With the heat a blazing 111 in the shade this year, the local golf course was crowded for a tournament. Rodeos are held at the height of the summer, dovehunters last week were out in droves. No one stopped fishing at nearby Lake Kemp.

There are plenty of high-powered and high-priced automobiles in this prosperous community, but you can't find an air conditioned job.

This year's high was 114 degrees, but that was six degrees lower than Seymour's—and the state's—all-time high of 120 recorder August 12, 1936.

And the weather bureau has taken action that could make the record fall a few days ago. H. Franklin of the Houston bureau arrived to move the thermometers from a shady orchard to a garden where bean plants were bleached to a light straw color by the blazing sun.

Incidentally, Seymour has registered 14 degrees below zero, second only in Texas, it is believed, to a minus 17 in the Panhandle.

Still, when one of those searing days come along, residents agree that it's hot—just like residents of Houston, Dallas, Fort Worth, Lubbock and all the other towns and cities throughout Texas agree about the weather in mid-summer.

Counties represented were Borden, Scurry, Mitchell, Dawson, Terry, Gaines, Cochran, Hockley, Lynn, Garza, Floyd, Hale, Lubbock and Lamb.

Never A Dull Vegetable

No need to worry about the cost of meat when vegetables are in such verdant profusion on the market. Now's your chance to pinch a penny while you fill your family with the vitamins and minerals so valuable to their health. Serve a whole meal of vegetables, serve 'em in pairs, treat them all to a good shake from the "third shaker"—and there won't be a dull one in the bunch!

The third shaker's Ac'cent (pure monosodium glutamate), the wonder seasoning that heightens, holds and blends natural flavors in all foods. It's particularly good in vegetables because it actually restores the "natural glutamate" they lost in traveling, standing, processing or storing—puts all the fresh wonderful flavor of the garden back in them where it belongs. The third shaker is your assurance of taste perfection at the table. Try this vegetable dinner and taste for yourself.

CAULIFLOWER POLONAISE: Place cooked cauliflower seasoned with salt and Ac'cent in one half of divided serving dish; sprinkle with chopped hard-cooked eggs and minced parsley, and cover all with bread crumbs browned in butter. Fill other half of dish with VIENNESE CARROTS: Add raw sliced carrots to heavy saucepan containing melted butter (about 1/4 cup) and 1 finely chopped onion; season with Ac'cent, salt and pepper, and simmer over low heat 30 minutes.

In a second divided dish place CABBAGE IN CHEESE SAUCE: shredded cooked cabbage seasoned with salt and Ac'cent, and combined with your own favorite cheese sauce; and FRENCH PEAS: shelled green peas cooked with lettuce leaves in 1/2 cup boiling water with one teaspoon sugar and 1/2 teaspoon Ac'cent added. Discard lettuce after cooking; season peas with salt, pepper and butter or margarine.

For the last third of this "Serve 'em in Pairs" dinner prepare ORANGE BEETS and ASPARAGUS AU GRATIN: Over cooked beets from which skins have been removed, pour 1/4 cup butter mixed with two tablespoons grated orange peel, 1/4 cup orange juice, 1 teaspoon salt and 1/4 teaspoon Ac'cent. Heat. Garnish for serving with unpeeled orange wedges. Place cooked asparagus seasoned with salt, pepper and Ac'cent and covered with Parmesan cheese, in broiler (about 4 inches below heat) broil until cheese browns lightly. Couple, for serving, with beets. And there is your vegetable dinner. See if it doesn't suit you—For Taste.

Dr. C. M. Randal, Jr., city health officer, and other residents point to one excellent record: not a single prostration or death attributable to the heat this season.

This is in sharp contrast to some cities, where heat deaths are frequent and heat prostrations routine events.

There possibly are other points in Texas which are as hot or hotter, but not all communities have official weather observers. Seymour is grouped with Bridgeport and Henrietta as the hottest spots in Texas, but the record goes to Seymour.

Residents do surrender to the heat in one respect. Practically every home has one or more large evaporative coolers. They run to a standard size of about four feet square.

Because of Seymour's relatively dry air, the evaporative coolers work perfectly. One of them can make a five or six-room house chilly when the outside air is above 110. The dry atmosphere, of course, probably is the secret of the relative comfort everywhere in town.

If the humidity were high, the weather would be unbearable. Washington, D. C., for instance, practically closed shop in pre-air conditioning days when summer temperatures reached a spot many degrees lower than those Seymour registers.

Keeper of this town's weather records for the last 27 years is Mrs. Claude Daugherty, a petite, pleasant, youngish looking lady with chic, stylishly cut grey hair.

Mrs. Daugherty takes an abstract and scientific approach to her job as official United States weather observer.

Her instruments consist of two thermometers a little more than a foot long. One thermometer registers the day's high—and like a doctor's fever thermometer, the mercury will not fall when the temperature declines.

The other registers the day's low and will go no higher when the temperature rises.

Both must, in effect, be "shaken down" daily just as the doctor shakes down the mercury in his thermometer. They are in a house about three feet square with air vents on each side except the top.

A third thermometer is used to register very low temperatures in the winter. Only other instrument is a rain gauge.

This year's prolonged heat wave over much of Texas was no more length in Seymour than in other points. The town had 35 days of over 100 temperatures with a one-day break. Once the town had a period of more than 50 days of over-100 maximums.

A typical stretch during this season's prolonged hot spell, including the year's maximum and the one day break reads: 104, 109, 114, 112, 102, 98, 106, 112, 105, 108, 110.

Mrs. Daugherty says people still are talking about that 120 day.

Eight or 10 of the Donbiny Thomases visited her home to look at the instruments. The thermometer registers only 120 and if the mercury had gone any higher, the reading would have been only an estimate. Mrs. Daugherty received scores of telephone calls during the day from people who wanted to check first-hand the reports circu-

Mrs. Jim Sloan Of Earth Passes Away Following Long Illness

Mrs. Jim Sloan, 64, died at her home at Earth early Thursday morning following six weeks illness. Mrs. Sloan was born at Springville, Alabama; married in 1905 at Cooper, Texas, and the Sloan family moved here 13 years ago from Cooper.

Funeral services were held in the First Methodist church Friday at 3:30 p. m. with Rev. J. R. Wood, pastor, officiating and assisted by E. M. Borden, Jr., Earth Church of Christ minister.

Pall bearers were Lee Bollinger,

Hershel Patterson, John V. Murrell, Wayne Perry Martin, and a number of other pall bearers. Interment in Earth cemetery under direction of Lenous Funeral Home.

Surviving are the late three sons, Lawrence Earth, E. C. Sloan of brother, T. R. Cleary, two sisters, Mrs. Estelle Kenosha, Wisconsin, Mrs. James of Celeste, Texas grandchildren.

Obituary is a word in meaning high speed of the written word.

Farmers Are Holding on Due To Price Break

ains farmers are not cotton because of the in the market and of much of the cotton government loan, K. veteran Lubbock cotton Saturday.

thirds of the current main unsold. Clapp said crop letter to his com- son, Clayton & Co., at

Clapp's latest estimate of this year's total crop, issued Oct. 1 was 1,460,000. He said last night he would issue another estimate next Saturday, adding conditions of October probably would reduce the Oct. 1 estimate by "five per cent or more." This still would leave the area with one of its largest crops in history.

Condition of the crop continues as fair for irrigated cotton and poor

for dryland cotton. Open weather has been favorable to drying mushy bolls, hit by the recent early freeze.

Main damage from the early freeze is in lowered grades due to spotting, Clapp said. Production damage may amount to 20 per cent loss in some of the late watered areas, Clapp said, but he doubted if average loss will much exceed 5 per cent.

Progress of the crop has been good the past week with a few sections completely defoliated and ready for stripping.

Labor Considered Adequate

Complaints of pullers gathering half-cracked green bolls and lowering grade continue.

Labor for gathering the crop is fairly adequate, he said. Shortage is mainly in dryland areas with yields not attractive to pullers. A little stripping is being done before complete defoliation, chiefly in fields planted to non-stormproof varieties.

Grade are middling and better, 26 per cent; strict spots, 27 per cent; middling spots, 30 per cent; and strict low, 15 per cent. Staples

Furniture Fashions

New furniture styles for every room in the house will be shown in stores from coast to coast during Home Fashion Time, Sept. 18-27. To meet the architectural trend toward smaller homes and apartments most of the new units are styled along trim, tailored lines. Metal legs for rich, wood table tops are employed cleverly to achieve the light look so important to small rooms yet without sacrificing the strength and durability of more massive furniture. The Modern tables shown above are mahogany in a light blond finish that emphasizes the natural grain of this fine cabinet wood. The hairpin legs are of black wrought iron. The end table has an unusual look-through glass top section. In the coffee table there's a handy drawer-tray for reading matter you want at your finger-tip, but out of sight. The thick glass top slides so you may easily reach either of the two deep sections. The keynote of all new furniture designs—regardless of the style or period—is functional practicality.

Father Of Mrs. Lewis Owen Of Pep Is Taken By Death

Funeral services for Walter P. Lupton of Shallowater, were held Sunday afternoon at 4:30 p.m., from a Lubbock Funeral home, and burial was made in Tech Memorial Park, Sunday evening.

Mr. Lupton died Saturday afternoon, at his home, when he suffered a heart attack. He was a retired farmer and had lived on the South Plains since 1897. He was a native of Colorado.

His wife predeceased him in death early this year.

Survivors include two sons, Walter Lupton of Shallowater and Richard Lupton, Tulsa; five daughters, Mrs. Lewis Owen of Pep, Mrs. R. M. Snyder of Reserve, N.M., Mrs. James J. Lynch of Berkeley, California; Mrs. R. B. Crockett of Lewisville and Mrs. J. H. Kimes Jr., of Lufkin and a brother, C. H. Lupton of Fort Worth.

The total available energy in coal and oil is many times greater than that in the unstable atoms of uranium and thorium, according to scientist Robert E. Millikan.

An iconoscope is a TV camera tube.

Anton Youth Center Re-Opens At Legion Hall Saturday

The Anton Youth Center opened again at 8:00 Saturday night at the American Legion Hall.

There will be refreshments and also more games and activities.

The response for the opening night was very good.

Olton to Stage Annual P-TA Carnival Friday

Olton schools will stage a Halloween carnival Friday night, Oct. 31, in the school lunchroom and gymnasium.

School officials said booths will be sponsored by various classes and groups. Entertainment will be provided for all.

Proceeds will be used to provide audio visual aids for the school.

The P-TA novelty doll display will be in the school lunchroom. It will feature dolls of all types, character dolls, foreign dolls, story-book dolls, China dolls, corn cob dolls, most loved dolls, hand-made and novelty dolls.

Eight dolls or more may be placed in an individual display. All dolls must be in by Wednesday.

JOHN H. COBB WITH NAVY GROUP

WITH THE FIRST MARINE AIRCRAFT WING IN KOREA— Serving here with the Navy's Construction Battalion Unit No. 1, is John H. Cobb, steelworker constructionman, USN, son of Mr. and Mrs. S. A. Cobb of Route 1, Littlefield.

The unit is keeping up the World War II record of the "SeeBees" at "Doing the impossible" while building and rebuilding fighter-bomber strips throughout South Korea.

Since the unit arrived in Oct., 1951, they have built three strips, erected 100 buildings, five bridges and over 50 miles of roads.

The display will open at noon Friday, Oct. 31.

The primary grades, 1st, 2nd, and 3rd will sponsor the fishing pond booth and will also sell popcorn balls.

There will be many other booths of varied types.

Monahans Defeats Andrews 45-6

ANDREWS—Monahans handed Andrews its second District 8-AA loss of the season here Friday night, 46-6. The win was the first of the year in conference play for the Lobos.

Monahans scored on passes. Andrews' fumbles, seven in fact, added to its downfall. Yeatts and Cramer were the offensive weapons for the Lobos.

Carl Hallowell, Andrews fullback, ran 15 yards to climax a 80 yard drive for the locals' only tally.

Andrews penetrated the Monahans 20 yard line four other times but fumbled. In all, the losers made 280 yards rushing.

Petersburg —

(Continued from Page 1)

on a 25 yard run by Quarterback Scottie Woodfin, but it was called back because of backfield in motion penalty.

The third quarter was mostly a defensive game with neither team threatening.

Both teams scored in the fourth period. Blasingame got off a 45 yard quick kick, but Harper fumbled on the Anton 40. A 15 yard penalty set Petersburg back, but Bright broke loose for 17 yards on the first play. Blasingame faded back to pass, found no one open and then ran with the ball. He picked up blocking and rambled 38 yards for the score.

Anton scored in the final minute of the game. Harper caught a pass from Woodfin for 40 yards to place the ball on the five where, on the next play, he scored on another pass from Woodfin.

The game was rough and long due to the excessive amount of penalties. There were seven 15 yard penalties and six five yard penalties called on both sides. Two players, Sam Mayo and Bright, both of Petersburg, were thrown out of the game.

Meadows, Patterson and Jack Williams played outstanding defensive ball for the winners while Hice, James Burdette and Donald Love stood out for Anton.

Burdette, usually the offensive weapon for Anton, did not run with the ball but twice. He was not expected to play at all due to a leg injury. He played almost all of the second half of defense.

COTTON QUIZ

HOW MANY USES ARE THERE FOR COTTON AND ITS PRODUCTS?

ANSWER: LATEST STATISTICS SHOW THERE ARE MORE THAN 10,000 USES FOR COTTON!

About a million persons are engaged in the mining, selling and delivery of coal in the United States, including railroaders whose jobs are directly dependent upon the movement of coal.

Olton Mustangs—

(Continued from Page 1)

Sudan to Olton was a wobbling, crazy-bouncing thing. It bounced on down to the Mustang five-yard line where Old Number 88 Allcorn, who was right on time all night, picked it up. He tucked it in, set sail for the east sidelines and went all the way on a long journey of 95 "miles." He got a key block along about the middle from Clifford Curry, an end, and then stretched out to put the overalls in Mrs. Murphy's (Sudan's) chowder. This

time, the gasping Allcorn tried to pass for point and failed.

Never-say-die Sudan pulled up closer in a couple of minutes still in the third stanza. Their touchdown was a freakish thing but good as gold. Not being able to percolate with the next kickoff, the Hornets punted. The piggle boomed high and long down to the Olton 10-yard line. Right here, Allcorn was a "goat" but he will never be indicted by Olton fans. He fumbled the ball and it squirted over the goal-line. Charles Perry, Sudan Hornet guard, came thundering along and camped on the ball for a TD. Crouch plunged for extra point but met a barrier. Olton didn't like this. The Mus-

tangs scored the next time they got the ball. Souther made it. He creased through the line for four yards and got pay. The drive for score carried 68 yards. Allcorn helped a time or two but mostly Souther did it this time with driving plunges. Trying for extra point, Allcorn and company fumbled.

With Big Boy Crouch in the van, the still-trying Hornets made two deep penetrations in Olton territory in the fourth quarter but couldn't cash. Once, when Crouch ripped off 46 yards, almost getting away, a drive carried to the Olton 10-yard marker. Another time, the Buzzers got down to the Olton 23 before losing the ball on downs.

Sundown—

(Continued from Page 1)

six-points with a 15-yard tackle. Morton's lone tally came same quarter when Harney climaxed a 50-yard drive with a seven-yard touchdown tackle.

Paul Cox and Lamar Decker and safety, respectively. Morton, were outstanding. Sundown's 185-pound Gary Carpenter, stopped a dian attempts to circle the

Wuthrich and Fred E. Wed In Sunday Service

Mrs. J. E. Wuthrich are the marriage of their Virginia Ruth to Fred Ed. Wuthrich, son of E. E. Grisham, took place at 5 p.m. in Emmanuel Lutheran church, with the pastor, Fred Heckman performing the wedding ceremony.

Miss Faye Gohlke, organist, accompanied Misses Minnie and Misses Theford, who sang "Dreams in One United," "O Lord," sacred adaptation "Liebestraum" and "O Me."

After giving the bride away to her brother, Fred Wuthrich, the bride wore a lovely wedding gown of tulle and satin designed with a shoulder yoke and lace ruffle trimmed with

were matching bandeaus of flowers covered by small veils. They wore stoles in matching colors. Eleanor Wuthrich, sister of the bride was flower girl.

Bob Solesbee served as best man. Ushers and groomsmen were Jimmy Ratliff, J. B. Lackey, Dean Elms, Robert Hill and Eldon Gohlke all of Littlefield.

Candlelighters were Norman Wuthrich and Clinton Harris. Gary Michael King of Lubbock, nephew of the groom served as ring bearer.

Reception At Youth Center

Following the ceremony a wedding reception was given in Littlefield Youth Center. The table was laid with a white satin cloth, centered with the bridesmaids' bouquets. After the bride and groom had cut the first slice of cake, according to tradition, Mrs. E. Paul King, served the guests. She was

News of Women

Mr. and Mrs. G. C. Pass Quietly Observe 55th Anniversary

Mr. and Mrs. G. C. Pass, 701 Littlefield Drive quietly observed their 55th wedding anniversary, Friday at their home, (two days early), when they had their children in for noon day dinner.

Mr. and Mrs. Pass, one of Littlefield's most beloved and respected couple, have been residents of the city for a number of years, having moved here from Rails in the early '30's. Mr. Pass enjoys excellent health and goes to his office each day. Mrs. Pass though not in very good health does most of her own housework, and looks after her family.

Miss Minnie Travis and G. Clifford Pass were married October 26, 1897 at Rogers, Texas, in Bell county. Both are natives of Rogers. She was born August 29, 1881 and Mr. Pass was born November 3, 1871.

Mrs. Pass is a musician, and for a number of years taught piano. She also served as pianist in the First Christian church, when they lived at Rails and at Rogers.

Mr. Pass has been in the cotton buying business here for a number of years.

Those attending the dinner last Friday included their daughter and

son-in-law Mr. and Mrs. Sid Hoppling, and their son Glenn Pass, and their daughter-in-law, Mrs. Bill Pass and son Gary, all of Littlefield.

Mr. and Mrs. Pass have four grandchildren and one great-grand child. They are Mrs. Bob Watson, Lt. Don Pass, stationed at Lackland Airforce Base, San Antonio, Clifford Hoppling, in the U.S. Navy, Gary Pass, senior in Littlefield High school, and the great-granddaughter, Janet Loraine Watson, daughter of Lt. and Mrs. Bob Watson.

Seven Candidates Receive Degrees At Meeting of Earth Rebekah Lodge

Mrs. C. R. Stockstill, Noble Grand of Earth Rebekah Lodge had the distinct honor and pleasure of presiding during the initiation ceremony of her husband, and her two daughters, Mrs. Claudene Bales of Littlefield and Mrs. Selma Hammons of Hereford, when the lodge met in regular session in the I. O. O. F. Hall at Earth last Thursday night. Other candidates receiving the degrees of the lodge were Henry Gilmore and his daughter, Mrs. Helen Hulcey and James Mullins all of Earth.

MRS. C. R. STOCKSTILL
—PHOTO BY TAYLOR

Mrs. Bales was a candidate for Littlefield and Mrs. Hammons for Hereford Rebekah Lodges.

Officers during the initiation were filled by members from both Littlefield and Hereford.

Approximately twenty members of Littlefield Lodge were in attendance, and more than one hundred members from the three lodges were in attendance.

Refreshments of pumpkin pie, sandwiches and coffee were served following the meeting. A Halloween theme was used in decorat-

ing the refreshment table. The hall was decorated with autumn cut flowers.

Talk On United Nations Given By Troy Armes

Troy Armes, former principal of Amherst schools, and Littlefield schools, who attended the United Nations Institute in New York last spring, was guest speaker at a meeting of Amherst Study club held last Monday night in the home of Mrs. John Foust at Amherst.

Co-hostesses were Mrs. W. P. Holland and Mrs. Horace Holt.

The program was given in observance of United Nations Day.

Mr. Armes was introduced by Mrs. C. R. Stevens, president of Amherst Senior club.

He stated that his group was among the first to go through the assembly building where the meetings are now being held. To begin with Armes gave the entire preamble to the charter of the United Nations by memory. He stated that if all 60 nations who signed the charter were living up to their agreement world conditions would be different today. "If Russia were out of the United Nations there would be a workable peace among other 59 nations," he said.

Russia has 200,000,000 population. They speak many different languages. He said that they are an exceedingly healthy people, especially the women. Armes said his group talked to a Russian Colonial who escaped from the Russian occupation of Germany, realizing the futility of Communism. All youth in Russia are taught communism, it is their religion.

Production in Russia goes to the military. They have 5,000,000 under arms today. They did not demobilize after World War II.

Armes said his group had dinner with the delegates from India. They were asked to define democracy. The man from India thought that it should be the "Golden Rule, Do unto Others as You Would Have Them Do Unto You."

"We have given American Dollars but many nations need help otherwise. They need trained rep-

resentatives to come from our country to help them raise their standard of living, to teach them modern methods of agriculture, industry, etc.

He found that most nations do not hold United States in very high regard.

Nearly all of the delegates came to the United Nations by plane, none exceeding 30 hours, perhaps.

Armes thinks that if we can avoid war and create "one world" government and citizenship, peace can be insured. We must return to morality, christianity and educate the youth with a universal language and establish an international court of law, then world problems would be solved.

A question and answer period was held following Armes' talk. He was presented a gift from the Amherst Senior club.

Mrs. J. W. Tomes, president, expressed appreciation for the inspiring talk and the invitation of the Senior club.

Refreshments of apple pie, topped with whipped cream, nuts, and coffee were served to those attending who were Mesdames Ray Blessing, Davis L. Egger, Joseph F. McWilliams, C. M. Coffey, Emery Blume, Lester LaGrange, A. T. Hedgpeth, Carl Vickery, Lee Payne, Paul D. Bennett, J. Manry Brantley, T. M. Slemmons, Geo. Harmon, Mal Wynn, Charles Hinds, Veta Grimes, Dale Lassiter, Randall Crawford, J. V. Adcox, J. W. Toner, Donald Priddy, Winsten Cummings, Mary Lenore LaGrange and two visitors, Mrs. Don Butler of Warrensburg, Mo., and Mrs. Hal Beck of Coleman.

Amherst F. H. A. Install Newly Elected Officers

Future Homemaking officers of Amherst High school were installed in a formal service held at the school administration building at 7:30 last Thursday night.

Amherst P-TA Hold Interesting Meeting

A regular meeting of Amherst Parent-Teacher Association was held last Thursday in the school auditorium with Mrs. Carl Vickery program leader.

Mrs. George Harmon spoke on Texas Congress of Parent-Teachers birthday. She told of goals attained since the Texas Congress was organized in Dallas by Mrs. Ella Caruthers Porter in 1909.

Credit is given the work done in the local unit to make such growth and accomplishments possible.

Mrs. Weldon Terrell, president, was elected the delegate to the state convention. Other delegates elected to attend the convention in Wichita Falls Nov. 20 were Mesdames John Nix, George Harmon, Doyle Tapley and John Humphreys.

Because of the convention date the November meeting will be held Tuesday, November 18 instead of the 20th as listed in the year book.

Mrs. Laverne Bryant was hostess chairman and enjoyable refreshments were served in the home-making cottage following the meeting.

Miss Shirley Purdy was installing officer and presided during a most impressive ceremony.

New officers installed were Joan Priddy, president; Joy Harmon, vice-president; Lawanda Terrell, secretary; Joyce Holland, treasurer; Mary Lou Cowen, reporter; Virgie Pickrell, parliamentarian; Rose Marie Bush, historian; Juanice Atkinson, song leader, and Beverly Brown, sergeant at arms. Mrs. Blenn O. Renter is homemaking teacher.

Following the installation, a tea was given in the home making cottage, where orange float and dainty tea cakes were served from a lace covered table. Miss Donna Atkinson presided at the punch bowl. Freshman FHA girls prepared the refreshments.

Nedra Hawks and Ray Barnes Marry In Clovis Ceremony

Mr. and Mrs. W. C. (Buster) Hawks of Whitarral are announcing the marriage of their daughter, Nedra to Ray Barnes, son of Mr. and Mrs. W. C. (Buster) Barnes of Austin, which took place at the First Baptist Church parsonage, at Clovis, New Mexico, Saturday night, October 18.

The bride was attired in an informal white dress trimmed with rhinestones, and wore navy blue accessories. She carried out the traditional something old, new, borrowed and blue and placed a penny and nickel in her shoe.

Those attending the couple were Mr. and Mrs. Dan Heard, Jr., of Dimmitt and Mr. and Mrs. Earl Thompson of Enochs.

Those attending the couple were The bride is a graduate of Whitarral High school, with the class of '51 and attended Draughons

Business College in Lubbock.

Mr. Barnes is farming at Dimmitt where the couple are at home.

Mr. and Mrs. Barnes went to Austin for a brief visit with his parents, following their wedding ceremony.

Olton Couple Are Parents of Daughter

Mr. and Mrs. A. D. Mitchell are the parents of a baby girl born October 13.

Her name is Teresa Dean, and she weighed 8 pounds, 7 ounces at birth. The grandparents are Mr. and Mrs. E. E. Burrows and Mr. and Mrs. W. S. Mitchell, all of Olton.

MRS. FRED E. GRISHAM

band. The fitted bodice designed with long sleeves finished with lace ruffles and the skirt, shirred at the waistline, slipped into a train. The fingerless veil was joined to a lace embroidered with rows of pearls. She carried a white orchid topped with a white orchid and with pompom chrysanthemum and stephanotis tied with ribbon.

As maid of honor was Thelma Evans, a former classmate and Miss Elizabeth O'Neill and Miss Betty Brandt. Mrs. Mary Hill Gohlke of Littlefield was bridesmaid. They wore identical dresses in shades of blue, turquoise and green net. Hats, designed with portrait photos, fitted bodices and voluminous skirts. Their headresses

assisted by Mrs. Eldon Hill and Mrs. Herman Gohlke. Guests were registered by Mrs. H. E. Heckman.

When the couple left on a wedding trip to Colorado the bride wore a navy blue suit styled on classic lines and wore matching shoes and bag. Her hat and gloves were white.

The bride is a graduate of Littlefield High school with the class of '47, and from West Texas Hospital School of Nursing in Lubbock. Since her graduation she has been supervisor of the medical and surgical division at West Texas Hospital.

Mr. Grisham is a graduate of Littlefield High School, and attended Texas Tech for one semester. He served in the army during World War II, and is now engaged in farming near Littlefield.

Maud Street Hostess To Helpful Workers S. S. Class

Newly elected officers of the helpful Workers Sunday School of the First Baptist church installed in a most impressive ceremony, when the group met at home of Mrs. Maude Street, 14th Street, Friday evening.

Following the installation, a delicious covered dish supper was served in buffet style. Mrs. Pryor presided during the invocation.

Ralph Nelson was installing officer and used as her theme, The Shepherd, and the 23rd Psalm, as her scripture.

Earth Rainbow Chapter Hold Initiation Ceremony Monday

Earth Chapter, Order of Rainbow met in regular meeting Monday evening, at Earth Masonic hall, when the degrees of the Order were conferred on Shirley Chaney.

Frances Kellar, worthy advisor, presided during the meeting.

The altar was decorated with a trellis entwined with white roses, with an orchid background, lettered in white, bearing the inscription, "Prayer."

Mrs. Sam Cearley, Mother Advisor; Janabeth Laing, Grand Religion; and Mrs. John Laing, Grand Visitor were seated in the East.

A brief inspirational message was given by Mrs. Laing and Miss Kellar was presented a gift by her sponsors, Mrs. Jerry Kelley and Mrs. C. E. Sanders.

A Halloween theme was carried out in refreshments and decorations.

Punch and cookies were served to a large number, including guests from Muleshoe and Olton.

Teaches Bible Class At Clovis Tuesday Evening

Dr. Weldon B. Meers, pastor of the Littlefield Missionary Baptist Church, taught a Bible Class at Memorial Chapel in Clovis, New Mexico on Tuesday evening.

Fashion Goes Horsey

LAMB COUNTY LEADER, THURSDAY, OCTOBER 30, 1952

Elliott-Brandon Wedding Vows Read In Quiet Home Service

In an informal double ring ceremony performed in the home of Mr. and Mrs. L. A. Smith of Hart, aunt and uncle of the bride, vows were exchanged by Erma Ray Elliott of Friona and 2nd Lt. Dalbert C. Brandon, at 4 o'clock, Sunday afternoon, October 26.

Approximately 50 relatives and close friends were present for the ceremony, performed by Rev. J. Henry Cox, pastor of the First Baptist Church at Olton.

The bride is the daughter of Mr. and Mrs. W. P. Elliott of Friona, formerly of Littlefield. The groom is the son of Mr. and Mrs. Lyle Brandon, 131 E. 14th, Littlefield.

The ceremony was performed in front of a picture window, with tiered candelabra holding white tapers, and baskets of white chrysanthemums forming a background.

The bride given in marriage by her father, wore a powder blue wool dress trimmed in white. Her hat and gloves were white and her shoes were blue. She carried a bridal bouquet of white roses.

Miss Loretta Davis of Lubbock was maid of honor, and she wore a wine colored wool suit, with pink accessories. Her corsage was of pink carnations.

Mary Bess Smith of Hart, served as flower girl.

Auburn C. Stowers, brother of the groom acted as bestman. Candelighters were Pat and Ruby Bush of Lubbock.

Mrs. Doyle Elliott of Lubbock, sister-in-law, of the bride sang "Because."

Mrs. Elliott, mother of the bride wore a navy blue dress with navy

accessories, and corsage of pink carnations, for her daughter's wedding. The groom's mother chose a mauve colored suit, with black accessories, and her corsage was of white carnations, tied with orchid ribbon.

Following the ceremony Mrs. Smith was hostess at a reception for the wedding party and guests. The table laid with a white linen cloth was centered with an arrangement of pom-pom chrysanthemums. The three tiered white wedding cake, was decorated with tiny white rosebuds. After the first slice had been cut by the bride and groom, Miss DeLois McAdams of Lubbock served the cake. Mrs. Orville Neville of Littlefield presided at the guest register.

Immediately after the reception the couple left on a wedding trip to visit points of interest in Colorado, the Grand Canyon and other western places.

Mrs. Brandon is a graduate of Littlefield High school and of Texas Tech. She taught school in the Lubbock school system the past year.

2nd Lt. Brandon is also a graduate of Littlefield High school, and was a pre-medical student at Texas Tech, lacking seven hours of credit, necessary to receiving his degree when he joined the Air Force in April, 1951. He received his "wings," and lieutenant rating from Reese Air Force Base, Lubbock, last Saturday.

When the couple return from their wedding trip, he will report to Reese Air Force Base, for orders. He has been granted a two weeks leave.

The Art Department of the Woman's Club, sponsors of the Art, Antique, and Hobby Show, to be held Wednesday, November 5, at Lamb County Youth Center, in observance of American Art Week, is asking the cooperation of everyone in the area, in making this exhibit an outstanding success.

"We need your exhibits in all phases of this show," says Mrs. C. O. Stone, vice chairman of the department. Pictures will not necessarily have

or anything that will make an in-partment. "There will be room for your pictures, your china, your antiques and your hobbies," Mrs. Stone added.

Art Exhibits
Pictures in any medium (oils, water-colors, pastels, charcoal and ink), done by persons of all ages will be accepted, it was announced. This department is especially inviting children to bring their work.

will also include any kind of art to be framed, but they must be mounted for display. Those exhibits for this division please see or call the following, Mesdames Raymond Erwin, phone 478-J; David Easton, phone 884-RX; Ned Faribairn, phone 921-R-1.

Antiques
Any type of antiques will be accepted such as clothes, furniture, china, glass, silverware, novelties

classification. interesting exhibit. For these contact or call Mesdames E. J. Bussanmass, phone 525-R, or Wm. N. Orr, phone 28.

Hobbies
There will also be a place for hobbies. Anyone who has a collection of any type contact or call, Mesdames Paul Pharris, phone 311-J; C. R. Cox, phone 320 or Carl Arnold, phone 184-R. This display

and crafts of school children, boy, girl and Brownie Scouts invited and urged to enter a hobby in art and craft division, of this show, your attention is needed and it will be appreciated, the committee nounced. There will be judges and will be given in first, second and third places in each division.

Mrs. Elder Hostess To Yellowhouse H. D. Club Meeting

Yellowhouse Home Demonstration Club members met Tuesday afternoon, October 21, in the home of Mrs. C. D. Elder.

Roll call was answered with "my achievement this year."

Mrs. A. F. Wedel gave a report of the Lamb County Council meeting held recently.

Mrs. Claude Jones was elected council delegate, replacing Mrs. Mack Tucker who has resigned. Mrs. Hazel Hickman, H. D. agent gave a talk on new ideas and plans for the year.

Refreshments of sandwiches, doughnuts and punch were served to Mesdames Claude Jones, Sam Tindal, Burl Rogers, Tom Ham, Bill Jones, Lloyd Haire, J. B. Haire, Mack Tucker, A. F. Wedell, Fred Duffy, J. D. Lee, Roy Hutson, Roy Rhoten, C. E. Lewis, C. D. Elder, H. A. Vick, Hazel Hickman, and five visitors, Mrs. Murdock, Mrs. Brock, Mrs. Short, June Wedel and Alice Gayle Jones.

The next meeting will be held in the home of Mrs. Tom Ham, Tuesday, November 4, at 2 p.m. A program on making of cottage cheese will be demonstrated.

Anton Homemaking Girls To Give Tea Friday Afternoon

The Anton Homemaking girls are planning to give a tea for all the ex-students on Friday, October 31, from 3 to 5 at the Homemaking cottage.

The Anton FHA girls gave their annual Hallowe'en play Tuesday night, Oct. 28, at 8 o'clock. The play was The Secret in the Old Attic.

Bill Nelson Party Honoree on Third Birthday Anniversary

Bill Nelson celebrated his third birthday anniversary last Friday, October 24, when his mother Mrs. Ralph Nelson, entertained with a party at her home, 408 E. 13th street.

A Hallowe'en Motif was featured in decorations. On the dining room table were two lighted jack o' lanterns, placed on either side of a clown holding a happy birthday greeting.

The huge birthday cake was made in the shape of a pumpkin, and decorated with three orange colored candles, that was served along with hot fudge sundaes.

After the children had opened the gifts, Mrs. Nelson showed movies of Bill made since he was a month old.

Those attending included Suzanne Brown, Gary Crume, Linda Lance, Charles Miller, Marshall Perkins, Carol Tubbs, Nelda Walker, Sunny McCormick, Jim and Bill Nelson.

Mothers present included Mrs. C. M. Lance, Mrs. Alvis Tubbs and Mrs. Loyd Crume, and Mrs. E. B. Luce, grandmother of the honoree.

W. S. C. S. Meets In Study in Church Parlors Monday

Mrs. Dick Edwards was in charge of the lesson at a meeting of the WSCS held Monday morning at the First Methodist church, when she reviewed the third chapter of the book, "African on Safara." Mrs. Van Clark gave an interesting local angle in regard to the study.

The meeting was concluded by a prayer by Mrs. Vanderpool.

The following were present, Mesdames Paul Pharris, Belle Dow, Huston Hoover, Bob Crowell, Ben Joplin, Van Clark, Harry Vanderpool, W. A. Dysart, G. S. Glenn, Dick Edwards, W. C. Cannon, W. C. Thaxton, J. Ernest Jones, Leonard McNeese, Joel Thomson, L. M. Fowler, M. P. Reid, W. B. Kirk, H. J. Allen, Jack Wingo, Mattie Blewitt, Ethel Giddens, H. W. Johnson, Carl Arnold, S. H. Blum, Roy Wade.

Mrs. T. A. Henson, Sr., To Entertain Lois S. S. Class Monday

Members of the Lois Sunday School class of the First Baptist church will meet at the home of Mrs. T. A. Henson, Sr., E. 8th Street, Monday night, November 3, for a covered dish supper and installation of officers.

Mrs. Ralph Nelson will serve as installing officer.

Mrs. Robinson is class teacher.

Sudan Tuesday Club Takes First Place In Peace Formula Contest

The Tuesday Study Club of Sudan took first place honors Saturday in the world peace formula contest sponsored by the Sudan Fall Festival committee, headed by Joe Salem, of Sudan.

Other winners included the Texas Federation of Women's Clubs, second; the 1935 Study Club of Sudan third; the Tipton Delphian Club of Tipton, Okla., fourth; and the L'Allegro Study Club of Morton, fifth.

The winning formula proposed student exchange, protection of basic freedoms, United Nations disarmament rules, economic stability, return to religion, and co-operation of all nations toward peace.

Mrs. J. W. Miller is president of the Sudan Club. Entries in the contest were received from Texas, Oklahoma, New Mexico and Colorado. The Yugoslav-American mission also sent its formula, saying "we can not accept the idea of peace at any price. It would not be worthwhile to sacrifice our independence, our existence as a nation, in order to preserve peace. The best way to assure peace is to strengthen the United Nations."

The next meeting will be held November 14, in the home of Mrs. W. W. Boren, and the second meeting in November will be held the third Friday, instead of the fourth to avoid conflicting with Thanksgiving holidays.

Mrs. Wheeler assisted by Mrs. S. A. Davis, served canapes, cake, coffee and cocoa to the following members: Mesdames J. F. Minyard, Bill Zahn, J. R. Lackey, Edd Mote, R. C. Jennings, Walter Schroeder, W. W. Boren, A. I. Aldridge, J. G. Perkins, B. D. Birkelback, Paul Lewis, Hazel Hickman, and Miss June Lackey and one visitor, Mrs. Lee.

Mr. and Mrs. Little Return From Abroad

Mr. and Mrs. W. B. Little who have spent the past two months abroad, visiting places of interest in the British Isles, Europe and the Holy Lands, are expected to arrive home today (Thursday).

Brownie Troop 16 Meet Monday

By TENA BROWN, Reporter
Brownie Troop 22 met Monday afternoon at the Girl Scout Hut, with 16 members present. Mrs. Cloise Foust and Mrs. M. O. Dungan leaders met with the girls.

Several members were unable to attend due to the fact they had to practise for the Hallowe'en Carnival.

Games were played, and cokes were served.

During a business session, the group discussed making cookies to sell—but decided they would make ceramics instead.

Bluebonnet H. D. Club Meets With Mrs. Gaston

The Blue Bonnet Home Demonstration club met Friday afternoon in the home of Mrs. Earnest Gaston with nine members present.

The Lamb County Agent, Mrs. Hazel Hickman, discussed "Outstanding Achievement This Year" and Mrs. A. A. Royal was elected secretary-treasurer to take the place of Mrs. Leeman Elms who has resigned.

The next meeting will be held in the home of Mrs. G. V. Smith, in Sudan.
