BUDGET AMENDED, ADOPTED

Board Raises Teachers' Pay

Building Postponed One Year

Littlefield School Board in a lengthy agenda Tuesday night raised salary coverage for those certified classroom teachers previously drawing overages of \$126 and \$180, postponed one year the proposed combining of the superintendent's and tax assessor-collector's offices into a new building, amended and adopted budgets and voted for jury decision in a pending property suit.

Returning certified classroom teachers previously drawing \$180 overage were given a raise of \$120, bringing total overage to \$300. Of this, \$100 will be paid Sept. 1, with the remaining \$200 prorated over 12 months.

New certified classroom teachers received a hike in overage of \$74, bringing the total to \$200 per year which will be divided into 12 months. A hurried check, subject to refiguring, made by Supt. Paul I. Jones Wednesday morning shows 18 people eligible for the \$74 raise (previously drawing \$126), giving a total increase in salaries of \$1,332. Returning people who qualify for the \$120 hike total 70, adding up to \$8,400.

Total raise in the salary chart comes to approximately \$9,732. Discussion leading to the salary increase hinged on the need of Littlefield schools to raise overages in line with other schools its size. A board member pointed out the selected amount of raise will bring the school up to other school levels in the county.

Board President Jack Barton asked, "Does the Board believe that in order to get the kind of classroom teachers we want, we will have to increase our overage? If this is our feeling, we're going to have to take steps to provide it."

An excess in the budget was pointed out as providing for raises. Barton said, "We have \$100 for this year, \$100 for next year, and a little cushion for the third year." If the "cushion" continues to grow, he and other members agreed, the goal could become \$200.

A point made was that businessness, whether or not they can see a continued source of necessary funds, must pay higher wages to keep good employees, and that the same principle applies to a school's first year.

telephone. The superintendent's office probably is one of the busiest places in the city right now, with school-opening only two weeks away.

Detailed Knowledge Backbone Of Superintendent's Duties

One of the most exacting jobs in any city is that of the school superintendent. On the average, the amount of "midnight oil" burned by the top school administrator is terrific.

To meet the requirements of his job, he must be a wizard at finances, interpretation of legislation and just about all phases of education. He must be a diplomat and public relationsist deluxe -- while at the same time exercising firmness and courage of conviction.

At times he is everything from architect to disciplinarian. His phone rings constantly as he and his principals are the main source of information for the public, news media, etc. Frequently he works into the wee hours of morning and, after what is more a nap than a night's sleep, he rises ahead of Old Sol and reads extensively, keeping up with changes in state and federal regulations.

But to an experienced and

capable educator like Paul I. Jones, Littlefield's new school superintendent, it's all an interesting part of the job -- of a well-loved profession to which he is notably and admirably dedicated.

And this man, with the know-how and stamina to fill big shoes, approaches his job not only with grit and determination but with a spirit of quiet, unassuming performance of duty.

His work is filled with such planning, arranging, programming and scheduling.

Right now he is busy orientating new people and getting new students established in their respective classrooms. He is communicating with people employed by the system, defining in detail their assignments and answering questions about their professional duties.

He is informing the public about the people who will be teaching their children and urging them to work with the principals and teachers toward a more complete education for their children. All this is done by formal meetings, incidental conversations, form letters and the local news media.

Jones commented, "But we have lots of good help. We have appointed some very able people to work with us this first year."

Kids To See Movie While Mom Shops

It's almost time for students to go back to school, so Littlefield merchants are heralding the arrival of school with suggestions for every youngster's needs.

Throughout today's issue of the Lamb County Leader, particularly in the second section, you will find hints on what both Johnny and Mary will need for school.

In connection with Back-To-School days in Littlefield, Aug. 17-18-19, The Leader-News and other merchants are sponsoring a free movie for the kiddos here Friday.

Mother can let the Palace Theatre do the baby sitting while they do their back-to-school shopping.

The picture is "The Reluctant Astronaut," starring hilarious Don Knotts. Children may see it from 9:30 a.m. to 11:30 a.m. or 1:30 p.m. to 3:30 p.m. Friday.

For more information on this fine, funny movie, see the front of section two and a story about the film on another page in that section.

Also in section two is a story detailing the opening of schools throughout the area.

While you're glancing through the paper, take a look at the ads. You'll see why Littlefield should be your headquarters for Back-To-School shopping.

EVERY LINE of this tiny toy Chihuahua, found lost and near Sunday by two Littlefield women, shows the ravages of hunger and harassment. The apparently lost animal was rescued about four and one-half miles from Littlefield on the Rock Highway.

Punky Chihuahua Hangs On To Life

Anyone who has ever said Chihuahuas are "delicate," could take a good look at the emaciated little canine in picture accompanying story -- and think again. As to what harrowing experiences this starved, neglected, unadorned -- female toy Chihuahua has endured, and for how long, only she knows. But in her larger-bulged, saddened brown eyes it isn't difficult to read an unpleasant story.

Let three things in those eyes dominate over all else -- rage, the will to live and a longing to be loved.

To all appearances, the minidog has been lost for many weeks -- maybe months. She was found Sunday afternoon about four and one-half miles from Littlefield, on U. S. 75, toward Lubbock by Mrs. Keeling of 413 W. 1st, and her mother, Mrs. J. J. Neystel of 2, Littlefield.

Mrs. Neystel first spotted the dog and staggering animal on the side of the highway. Mrs. Keeling, who has raised three foster Chihuahuas, got out her car immediately, stopped the car and called to the dog. Instantly the half-dead animal started to run to her.

"But she was too weak," Mrs. Keeling said. "She fell before she reached me."

Mrs. Keeling took the piteous little victim of unknown circumstances home with her and began the battle to save its life. "Anything that would fight that hard to live," said Mrs. Keeling, pointing out the taut skin stretched tightly over a heartbreakingly prominent bone structure, "deserves the best help and every effort to make it well."

What Mrs. Keeling wants to know is if the small dog is someone's lost pet. "If not, she has a home with me, I assure you."

"My husband is overseas," she explained, "and if the dog belongs to someone else I don't feel I should spend the money to take her to a vet, although giving all the love and care I can. But if the owner doesn't claim her, we will keep her and she gets whatever treatment she may need. Per-

sonally, I think careful feeding and much love is what she needs most."

At the thought that someone might deliberately have abandoned her, she said:

City Schools Expect Enrollment Of 2,007

School facilities, which have been relatively quiet for three months, will spring to life Aug. 31 when an estimated 2,007 students in the Littlefield School District begin classes for the year 1967-68. Anticipated enrollment figure is the same as last year's attendance.

A new superintendent, Paul I. Jones -- though not a new face to returning students -- will be on hand to supervise all school activities.

Principals will be Jim Traugott, Primary School; James Settle, Elementary I; H. Hoover, Elementary II; Forrest Martin, Junior High, and Beryl Harris, Littlefield High School.

In addition to the superintendent and principals, students will reap educational benefits from 105 classroom teachers, giving a total of 111 professional people. To date, only one position remains to be filled -- high school chemistry. Supt. Jones was to leave Wednesday afternoon to talk with possible prospects in other areas of the state.

Also serving the school will be seven secretaries, clerks and/or accountants plus two study hall employees.

All new students, who have not attended Littlefield schools previously, are to register during the week of Aug. 21 in the offices of the respective principals.

Aug. 29 at 9 a.m. to 12 noon, ninth graders will register at the junior high school building and 12th grade students in the high school. From 1 to 4 p.m., eighth graders are to register at junior high and 11th graders in the high school.

Aug. 30, at 8:30 a.m., 10th graders will enroll at the high school. At 9 a.m. to 12 noon, seventh graders will register in the junior high building. General faculty meeting is set at 9 a.m., Aug. 28, in the junior high auditorium. Classes begin at 8:30 a.m. Thursday, Aug. 31, first full day of school. Buses will run.

New library facilities will greet primary students, and the same type facilities are planned to be operative for Elementary II in the near future. Repairing, repainting and replacements of boards, water fountains and other items have been done in the Primary building as well as Elementary II which also received a thorough cleaning.

Supt. Jones said the junior high building has been given "a very thorough cleaning and some painting throughout." Draperies have been replaced in the homemaking department. In the gymnasium, bleachers and floors have been refinished as well as dressing rooms for both boys and girls.

But the biggest item on the improvement list is in the athletic department -- a new track. Constructed this summer, the track is due to be completed Monday. Curbs now are being poured, which is the last phase of construction. Final cost figures are not in as yet, but cost will be less than \$2,500. The project, aimed at further developing an all-round athletic program, will be shared in cost by interested citizens of Littlefield and the school board.

Tracks usually cost from \$9,000 to \$25,000, a citizens spokesman said, and "we feel fortunate to have a decent track at such a low cost."

No Short Cuts
Mail cannot be put directly on trains here, Postmaster T. A. Henson reminded residents this week.

He said that some residents had attempted to put mail on trains here in recent weeks, but that such mail could not and would not be accepted.

"Practically all mail going out of Littlefield now is by truck," the postmaster said. The only way anything can be mailed is through the post office or a postal drop box, he added.

PAINTING IN OILS TECHNIQUES are being demonstrated by Dr. Emilio Caballero, instructor of art at West Texas State University, to Mrs. Vera Griffin in the Daubers Club workshop at the Flame Room of Pioneer Natural Gas Co., Saturday. Members painted four pictures during the session -- fruit, floral, landscape and a ship scene. Daubers Club members plan to exhibit during "We, The Women's" Sidewalk Art Show scheduled here on Phelps Avenue Aug. 25.

SEVERAL HUNDRED persons turned out Saturday for a free money-drawing sponsored by 24 Littlefield merchants, as evidenced by the crowd shown here on Phelps Avenue. Winners were LeRoy Thomas of Rumbach Hotel, \$50; Mrs. Connie Taylor of 815 W. 7th, \$25, and Alvano Diaz of Box 1201, Littlefield, \$5. Another free money drawing is scheduled Saturday at 5 p.m. on Phelps Avenue.

Circle Has Family Picnic

AMHERST -- The Annie Armstrong Circle of the Amherst First Baptist W.M.U. held its annual family picnic Monday night at 7:30 p.m. in the backyard of Mr. and Mrs. J. P. Brantley.

The picnic supper, which was furnished by the members, consisted of fried chicken, baked beans, potato salad, tossed salad, French bread, onions, pickles, orange sherbert, tea and coffee.

Those attending were Rev. and Mrs. Glenn Willson, and Seryl, Mr. and Mrs. T. L. Bennett, Mr. and Mrs. Bill Bradley, Mr. and Mrs. Don Carter, Stephanie and Danny, Mr. and Mrs. James Holland and Paul, Mr. and Mrs. Charles Mixon, and Mr. and Mrs. Vic Reynolds, Mr. and Mrs. J. P. Brantley and Joanie.

First Methodist Church Pastor Also Has Many Other Duties

Rev. Wallace H. Kirby, pastor of First Methodist Church, is a very busy man. Besides his duties as pastor he has been chairman of the Board of Ministerial Training and Qualification of the Northwest Texas Conference of the Methodist Church for four years, and served as vice-chairman for six years prior to being chairman.

He is trustee of McMurry College in Abilene, is secretary of the Board of Hospitals and Homes of Northwest Texas Conference, is assistant secretary of the Northwest Texas Annual Conference, is member of the

Rotary Club and is a 32nd degree Mason.

Rev. Kirby is a graduate of Colorado City High School. He attended McMurry College in Abilene for two years, then entered the Air Force. He served Uncle Sam three years, two of them in the European theater, then went back to McMurry and completed his requirements for a BS degree in pre-med. He then attended Perkins School of Theology of Southern Methodist University and graduated with a B. D. degree.

He was pastor of Union Bower Methodist Church at Irving while at Perkins.

Rev. Kirby said he felt a call to the ministry just after getting out of the service.

He and Doris were married in 1946.

She is a native of Abilene and graduated from Abilene High School and from McMurry College with a BS degree in business administration.

She has taught in all divisions of the Sunday School and is presently assisting with an adult class. She says about her husband's work "It has all been interesting."

Following his graduation from Perkins School of Theology, Rev. Kirby pastored Enochs Methodist Church one and a half years, then went to Pioneer Methodist Church at Lubbock for three years. From there

he went to Seagraves First Methodist Church, one and a half years; First Methodist Church at Stanton for five years; Friona Methodist Church for two years; First Methodist Church at Quanah for four and a half years and came to Littlefield's First Methodist Church in November of 1966.

While pastoring at Enochs, he went to Iowa to participate in an evangelistic crusade and in 1956 he went to Minneapolis, Minn., to the General Conference of the Methodist Church.

His hobbies include golfing and sports of all kinds.

He says he enjoys all phases of his ministry and loves working with people.

Their 18-year-old daughter, Carolyn, is a spring graduate of Littlefield High School and plans to attend McMurry this fall. She has worked in the ASC office this summer and during leisure hours has learned to water ski and enjoys reading.

Pat, their 12-year-old daughter, will be in the seventh grade this year. She enjoys swimming, sports of all kinds, horseback riding, and loves to be outdoors.

Jan, 7, will be a second-grader next year. Her father says, "she just enjoys living," and Jan says she likes to go to the lake and ride horses.

The pastor says "We're enjoying Littlefield -- the people are extremely friendly here."

ATTENDED PLAY

Mr. and Mrs. Ben Lyman Sr., their son and his wife, Dr. and Mrs. Ben Lyman Jr. of Lubbock went to Canyon Saturday to attend the play, "Texas". They were joined by Dr. and Mrs. T. H. Thypton of Lubbock and Mr. and Mrs. Bill Lyman and children of Hereford. Also Mr. and Mrs. J. H. Utterback of Topeka, Kans., mother and father of Mrs. Bill Lyman, were with them.

Shower Fetes Miss Crowell

OLTON -- Miss Mary Crowell of Canadian, bride-elect of Richard Hall, was complimented with a pre-bridal shower Thursday morning Aug. 10 in the home of Mrs. Owen Norfleet.

Mrs. Norfleet greeted the guests and presented them to the honoree, her mother, Mrs. Erbin Crowell of Canadian and Mrs. W. T. Hall Jr., mother of the prospective groom.

Laid with a white linen cloth the serving table was centered with an arrangement of white asters and pink dahlias. Silver and crystal appointments completed the table decor. Punch, coffee and assorted quick breads were served by Miss Tanya Bryant and Miss Susan Norfleet.

Davis-Evans Vows Pledged

Wedding vows were exchanged by Miss Susann Davis and Rev. Richard Phillip Evans in a double ring ceremony Saturday night in First Baptist Church at Earth.

Dr. Ellwood Evans, father of the groom officiated for the ceremony, performed before an altar centered with a large candle tree, flanked by two candelabra and a large white arrangement on the choir rail. Baskets of white gladiolas and white mums featuring two candelabra completed the setting for the ceremony.

The bride is daughter of Mr. and Mrs. Eldon L. Davis of Muleshoe and the groom is son of Dr. and Mrs. J. Ellwood Evans of Dallas. She is granddaughter of Mrs. Ben Davis of 502 E. 15th, Littlefield.

Given in marriage by her father, the bride wore an antique ivory bridal satin and Alencon lace gown. The moulded bodice of lace highlighted with pearls was fashioned with a scalloped Sabrina neckline and short fitted sleeves. The slim A-line skirt created a princess silhouette that was complemented by a Watteau train sweeping to chapel length.

Her matching veil of silk illusion was held by a satin and lace Dior bow. She carried a tapered bouquet of white roses and white stephanotis topped with a corsage of white roses.

Miss Annette Dutton of Fieldton, cousin of the bride, served as maid of honor, with Miss Carolee Chaney of Independence, Mo., serving as bridesmaid. Junior bridesmaid was Miss Jennifer Davis of Muleshoe, sister of the bride. They were attired in twilight pink bombazine floor length A-line gowns fashioned with a scooped neckline and short sleeves. Their fitted bodices were accented with lace. They wore headpieces of matching Dior bows with short illusion veils. Each one carried colonial bouquets of dusk pink pompon mums and English ivy.

Robert Evans of Dallas, brother of the groom, served as best man. John Walvoord of Dallas, cousin of the groom and David Davis of Muleshoe, brother of the bride, were groomsmen.

A reception was held in the community room of the church following the wedding ceremony. The reception table was laid with a white linen curvial cloth, centered with a crystal candelabra with white tapers. Bridesmaids' bouquets were laid at the base of the candel-

abra to complete the centerpiece.

A three-tiered cake topped with white roses was served by Miss Paula Davis of Littlefield and Mrs. Jimmy Baldwin of Springlake served the punch. Mrs. Bobby A. Ford of Lubbock and Miss Debbie Dutton of Fieldton served as hostesses.

Mrs. Glenn Hatla of Dammitt registered the guests.

For their wedding trip to Colorado Springs and Rocky Mountain National Park, the bride chose an A-line gold knit dress with avocado accessories, complemented by a corsage of ivory white roses.

The newlyweds will live in Tonkawa, Okla., where the groom is pastor of Todd Bible Church.

The bride is a graduate West Texas State University with a major in elementary education. She was a member Delta Zeta Sorority. She was employed by Blackwell Public Schools.

The groom attended Texas State University and Dallas Theological Seminary.

The rehearsal dinner was given by the groom's parents the Crescent House in Littlefield Aug. 11. Twenty guests were present.

DE COOK, Mrs. R. L. Stubblefield, has "whipped up" potato cake many times and she is shown here getting ready to make another for her husband and other guests in her home this summer.

Potato Cake Recipe Husband's Favorite

Here is her recipe for Potato Cake.

4 eggs
2 cups sugar
1 cup butter
1/2 cup sweet milk
2 cups flour
3 level tsp. baking powder
1 cup creamed Irish potatoes
1 tsp. nutmeg
1 tsp. cloves
1 tsp. allspice
1/2 cup chocolate
1/2 cup nuts

Cream sugar and butter, add eggs and milk and beat. Mix in dry ingredients.
Bake in layers at 350 degrees until done.

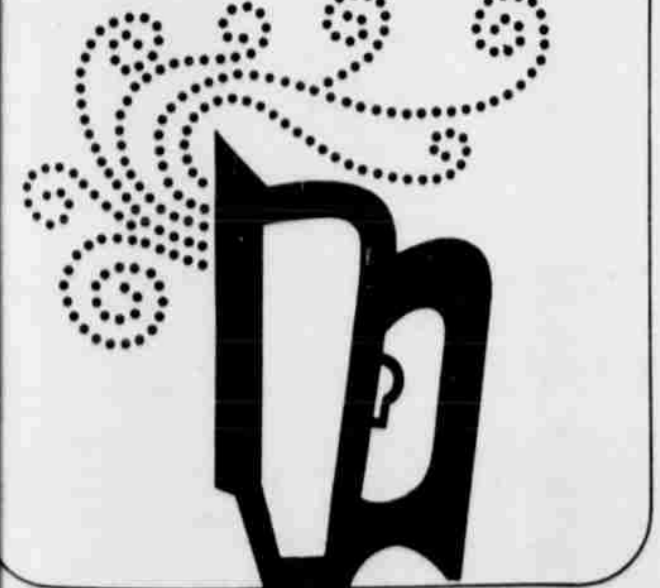

FILLING FOR CAKE
3 egg whites
Boil together 3 cups sugar, 3/4 cup Karo syrup, and 1/2 cup water, until forms a hard ball in cold water. Pour over beaten egg whites and beat. Add 1/2 cup nuts and stir in.

APRICOT ICE
2 cups sugar
1 can (large) apricots
4 lemons
Whites of four eggs
1 1/2 quarts water
2 cups sweet milk

Run apricots through sieve. Cook sugar and a little water until forms syrup. Pour over apricots. Add lemon, water and chill. Then add eggs and milk and freeze in ice cream freezer.

Be-Little Club Has Business Meet

The Be-Little TOPS Club met last Tuesday evening in the dining room of the Medical Arts Hospital.

Hazel Davis, president, called the meeting to order and presided during the business session. Joyce Streety read the minutes of the last meeting and also called the roll of members. Each one present answered the roll call by telling whether she had lost or gained pounds the past week.

The group repeated the TOPS pledge together and then special awards were made. The weekly queen was Alma Anders and the runner-up for queen was Oleta Lott. Allene Dirickson was recognized for eight weeks' perfect attendance and also for having a twenty-five pound loss. The total weight loss for the week was sixteen pounds.

The group made plans for a new contest among the members to last for six weeks. The club divided into two groups with team captains Velda Gage and Ora Streety to lead. At the end of the six weeks period, the team with the most points will be guests at a salad supper given by the other team.

The group also made plans to attend a meeting and luncheon in Plainview on Saturday Aug. 19.

A total of seventeen members were present with the club welcoming one new member.

MRS. RICHARD DEE STANLEY

Hubbard - Stanley Vows Read Saturday

Double ring wedding vows were pledged in Crescent Park Church of Christ Saturday night by Wanda Louise Hubbard and Richard Dee Stanley, with Max Hughes of Levelland, minister of Cactus Drive Church of Christ, officiating.

The bride, given in marriage by her father, wore a white pure silk organza wedding dress designed with appliques of a Lencon lace outlining the scooped portrait neckline and brief sleeves. She wore elbow length mitts and her dress featured a fitted bodice with a crushed cummerbund, terminating at the back with a full chapel sweep. Her veil of white illusion draped from a tiara covered with seed pearls and cut crystal beads. She carried a bouquet of white carnations featuring a white cymbidium orchid accented with streamers and love knot bows atop a white Bible.

The bride's mother wore a deep rose sheath dress accented with beige accessories, complemented by a corsage of white cymbidium orchid with deep rose trim.

The groom's mother wore a deep blue three-piece suit accented with white accessories. Her corsage was a cymbidium orchid accented with light blue trim.

Miss Georgia Bahlan of Bula served as maid of honor and Mrs. Jo Ann Oldfield of Grants, N. M., served her sister as bridesmatron. Miss Cindy Looney of Amarillo was bridesmaid.

They wore pink bonded crepe A-line dresses with pink bell lace sleeves; pink pillbox hats with veils of tulle and matching pink shoes. Bouquets of white nosegays and pink feathered carnations were carried by each attendant.

Miss Kimberly Oldfield, niece of the bride of Grants, N. M., was flower girl and Misses Karen and Sharon Stanley, sisters of the groom, of Levelland, were candlelighters.

AMY'S ADLIBS

Ball Game

By Amy Turner

LAST THURSDAY, we attended a baseball party.

Saturday night, The Publisher and The Son watched football on TV.

Now I am not exactly a sports fan but, like any well-informed female, I have certainly always known what sports season was current.

Alas, no longer can this be true.

Commenting on this subject, a friend of mine pointed out a cartoon which pictured a husband about to turn on the TV. With his hand on the knob, he turned to his wife and asked:

"Do you have anything to say before baseball season starts?"

Well, her complaint was that she had been patiently waiting all through baseball season only to find, to her horror, that it sort of collided with football season.

As a result, she never did have time to have her say and that does seem pretty unfair.

THIS CONFUSION of sports also seems to me to be having a rather bad effect on the little boys in the neighborhood.

I really feel sorry for the little fellows since they just don't know what to play next.

During the height of baseball season, it was a simple matter. There just wasn't any other sport but baseball.

Unfortunately, that season doesn't seem to be over and here comes football.

Of course, the recent tennis tournament here didn't help things any and, then, there's always golf.

The Son may have just been confused about the whole thing because he spent the whole weekend practicing with a golf ball and that was pretty infuriating to me.

Actually, he was supposed to be grounded, a punishment meaning he was to stay in the house and not have any fun at all with his friends. This is designed to make him thoroughly unhappy and, we hope, remorseful for his trespasses.

Instead, he had a grand and glorious time hitting a golf ball down the hall into an old tin can when he knew darn well I meant for him to be miserable as any self-respecting kid ought to be when he's being punished.

Still, I feel sorry for them with all this sports nonsense which is something like the Pavlov treatment. I think I have already detected some neurotic tendencies.

The other day I looked out and saw a group of boys dressed in football suits, playing baseball with tennis rackets.

MY SYMPATHIES also extend to the young girls, who must find this whole thing pretty annoying.

If I remember correctly, it is very important to know the present sports season in order to know what boy to date.

Now this might not be such a problem in a smaller school, where you could conceivably find one good athlete and sail through several seasons.

But what do they do when this isn't possible? After all, it takes a little time to break off one romance and initiate another. I mean, you have to find some REASON to drop a guy.

But I suppose there's always the old standby -- just become angry, suddenly, but more important, obviously.

The main thing here is not to let him ignore it. Some dumb guys figure if they just don't say anything, you'll get over it and all will be well. This absolutely must not happen. He must be made to ask one simple question:

"What are you angry about?"

Then you have it made. You just jump up, toss your head and retort:

"Well, if you don't know, I'm certainly not going to tell you!"

I REMEMBER, in my younger days, going through all of the seasons in proper form. Come fall, I could usually manage to pick out the biggest and dumbest player on the grid.

Then there was basket ball season and 7 feet Romeo, who couldn't get through the door without stooping.

Baseball season would come along and I thought there was nothing quite like hearing the whack of that bat hitting a ball out of the park.

It was bound to happen sooner or later, I guess.

Come one fateful spring, I chanced to catch the eye of another baseball fan, who was pretty good himself at whacking it out of the park.

Call it Spring Fever or whatever you like, but I ended up marrying the guy.

And, believe me, that was the end of the ball game.

THE ABUNDANT LIFE

Fill Your Own Place

MUCH OF THE MISERY, frustration, strife and general disorder are caused by the unwillingness of people to fill their own place.

Many want to occupy a place that they cannot fill.

Others want to displace somebody else, and take their place -- a place to which they have no right.

RELATIVELY SPEAKING, some folk will be rich and some will be poor; and many somewhere between these two levels.

In this respect, each one has his own place to fill. Some people are unusually well endowed, and some very poorly endowed; and many persons are somewhere between these two groups.

Let each one fill his own place, according to his ability, with joy and diligence. There are well-known people and unknown people, and many at some point in between; but each person can fill his own place.

We should remember that there is nothing about our own place that needs any correction or change that we cannot make, if we are willing to study and work.

IT IS GENERALLY AGREED that all of us have a strong desire to feel that we belong; that there is a place in life for us.

It is so strong that the wholesome development of personality and character demands a reasonable satisfaction of this need.

At first, the need is not recognized due to the age of the person; however, it isn't long until a consciousness of this longing develops.

Some people assume the attitude that there is no place for them, but others, with a better insight, realize that life has a place for everybody. Unfortunately, many folk keep trying to fill a role for which they are not qualified.

To a certain extent, if we are willing to study and work, we can prepare ourselves for a more desirable place if there is a desire to do so.

Nevertheless, we are still circumscribed by our limitations.

The Countrywoman

By LIBBY MUDGLITT

SHE gazes over the green fields and a great peace overtakes her.

She wishes that all leaders of all nations were required to meet often together in a green meadow. No cameras, no reporters, no henchmen, no public.

She wonders if there would ever be wars if this could only be so.

SHE visits her city sisters and enjoys the concerts, the art galleries, and the theater.

But she is glad to return home. And she decides that the music of singing crickets and rustling leaves, the vista of blue sky, white clouds, green fields, brown earth, and the drama of growing crops, thundering storms, and changing seasons are better.

Editor's note: The Sandhills Philosopher on his Johnsongrass farm gets into some high finance, his letter this week reveals.

Dear editor: According to a copy of a newspaper I found in the same ditch alongside the road out here near this Johnsongrass farm yesterday with a note on it saying "I'm temporarily out of tin cans and bottles but will try to bring you some more next week," the cost of living index has gone up a few more points.

Talking about this, a neighbor of mine said he just didn't see how he was going to make it, every time he turns around things have gone up.

I agreed with him, to save an argument, but didn't tell him his trouble is he doesn't read the newspapers thoroughly enough.

For example, in the same issue was an article reporting that space suits astronauts will wear when they land on the moon will cost \$60,000 apiece.

I got to thinking about this and decided my neighbor doesn't know how well off he is.

What if he was living on the moon with a wife and two kids? Did you know it would cost him \$240,000 just to outfit his family

BITS AND PIECES

Us Artists...

ALL SIGNS of order and sanity are fast disappearing around our household.

We have taken up oil painting. And I use the term "we" sheepishly, because at first it was just Mom and I gave her a bad time about the inevitable absent-minded-professor side-effects that go along with painting.

Until Saturday afternoon -- when I got hooked.

It all started about a month ago when Mom discovered she can sketch. She almost exploded with excitement.

For days she sketched just about anything that would stand still. Every time I walked in the door, the official greeting was, "Look, I can draw!"

MEANWHILE, the new woman's editor and our very good, long-suffering friend, Joella Lovvorn, taught her some of the fine points of "drawing."

Then Mom decided she wanted to "color" the drawings. She bought some water colors -- the kind like kids use in school.

The decision came on a day when Joella and I had worked late, staggered wearily to our cars and wished for remote control to drive us home.

As I crawled through the front door, I saw Mom at the breakfast table, her happy little head bent over a "drawing."

Upon spotting me, she held up a sketch of a vase and flowers and shouted excitedly,

"Go get Joella -- I want to color this and don't know how!"

SO I CRAWLED back out to the car. On the way to Joella's home-on-wheels, I noticed an ugly black cloud coming up from the south.

I got Jo, and then Dante's ghost started reliving his Inferno. Thunder and lightning began banging up the sky and rain poured in sheets. It was the night Littlefield got three inches of rain in about an hour.

And Mom is terrified of "clouds."

We rushed home like crazy -- but we might as well have gone by way of Muleshoe.

My enraptured Mom was still bent over her drawing. If the Detroit riots had been going on around her she wouldn't have batted an eye. She probably would have sketched them.

So -- Jo and Mom started "coloring" the "drawing."

ABOUT 30 MINUTES later, being completely ignored, I moseyed upstairs. The first thing I saw was Mom's south window wide open and gallons of water drenching her best bedspread.

Never before in Mom's life had she allowed a "cloud" within 30 miles of an open window.

Okay, I fixed it.

Next day I came home for lunch and there was that little head bent over her "coloring" on the table.

She looked up blankly, then exclaimed, "Gracious! You don't mean it's lunch time!" Okay.

THEN MOM DECIDED she didn't like those old water colors and wanted to try oils. So another very good and long-suffering friend, Lucille Stewart, gave her some pointers on oils.

Saturday afternoon, after we put the paper to bed, I went home and naturally I was bushed. There was Mom, bent over her first oil painting. She tossed a vague "hello" my way and kept at it.

Wearily I brewed myself a cup of tea, dumped eight or nine drops of Sucaryl in it, poured in a gob of cream, stirred and took a big swallow.

All heck broke loose in my mouth. Never have I tasted anything like it. I began running in circles, looking for a place to put this stuff besides my mouth. Finally I got rid of it.

"Turpentine!" I shouted "Pure turpentine!"

THEN SHE explained, "Well, that old turpentine kept spilling out of the bottle. I put it in an empty Sucaryl bottle and it worked perfectly!"

"Yeah," I gagged "I see it did."

She added, "Anyway, turpentine is good for you. You should have swallowed it." Okay.

AND THEN Lucille came over and I made the mistake of watching her give Mom a lesson.

Next thing I knew it was nearly midnight and I was sitting at the table, head bent over a canvas, painting like crazy.

I got up, fixed myself a cup of tea, put in REAL Sucaryl, dosed it with cream and picked up a spoon.

Then I carefully stirred the cream pitcher. I give up.

OWNER'S REPORT

By Bill Turner

HOW LONG has it been since you've seen a silver dollar? Or even a fifty-cent piece? Well, there is a reason you haven't seen a silver dollar for a long time.

On July 21 of this year the metal content of a silver dollar was worth about \$1.61.

Of course the Treasury Department has a ban on melting of US coins. The maximum fine is \$10,000 and a prison term of five years.

But at those prices it would be a native who believes that a lot of dollars haven't overheated and been syruiped by accident or otherwise.

So, there is to be a new and less expensive method of turning a profit on silver dollars. They're going to be traded on the New York Mercantile Exchange.

STARTING on August 21 you can come to deliver 1,000 coins in a single money bag.

They may be the so-called Morgan dollars minted from 1878 to 1904, or the Federal Reserve dollars, issued from 1921 to 1936. No dollars have been minted since 1934.

You won't really have to appear with a canvas money bag filled with those cartwheels. Change of ownership will be shown by transfer of depository receipts issued by banks in which the coins are deposited.

The silver shortage which government spokesmen were assuring us would come to pass is now a nightmare for the dealer and merchant. Manufacturers of silver-bearing products, tableware and silverware faced with an increase of more than 100 percent in the cost of silver.

The housewife is faced with Washington's tender reassurance that there will be no coin shortage because there is 8.5 billion of nickel and copper coins in circulation.

Very quickly now somebody is going to start manufacturing a special hammer for the housewife to don when she goes shopping so that she can tote a handbag filled with 19 pounds of nickels and pennies without wrenching her back.

And in theory, the vaults of suburban banks will be piled high with canvas bags containing a tidy 1,000 cartwheels.

MEANTIME, the money managers feverishly trying to work out a new international currency and the US delegate headed for Europe telling all who will hear that what was really needed was "paper gold."

Why not cellophane? It's lighter, more durable, cleaner than paper, and we can see through it anyway.

Oh yes, and the space for the money left that blank. It can be filled in. Big Brother announces the figure each day on the White House hot line.

PAUL HARVEY No Short Cut

NEGROES ARE NOT the first American minority to "emerge," but the others it by evolution, not revolution.

In the nineteenth century the Irish were the deprived, discriminated-against group of the United States.

They earned a place in the sun first through individual excellence in sports.

From public acceptance in sports they moved out of the tenements and up into the worlds of politics and industry.

SUBSEQUENTLY, it was the Jews who "came from behind." They used show business to make their move. It was a long tour on the two blocks from Third Avenue to Fifth, but with persistence, patience and excellence in the arts, sciences and finance they made their beachhead secure.

The Slavs and Italians graduated through superlative athletic effort and music, eventually to become assimilated in the homogeneous society that is America.

There was heat in the "melting pot" each succeeding ethnic group, but it didn't boil over until now.

In the 1940s the American Negro through show business and sports emerged into the limelight.

AS OTHER AMERICANS before them discovered, individual excellence was short-cut to acceptance.

Said another way, "Un-commonness was key to the front door."

With Jackie Robinson and Joe Louis racial interference, Negro athletes infiltrated then dominated -- professional sports.

With Satchmo Armstrong, Nat King Cole, Ella Fitzgerald and Leontyne Price showed the way, legions of Negro entertainers earned fame and fortune.

THE NEXT STEP was more tedious. Scientist Carvers and Julianus and the businessmen Fullers and the statesmen Burrows had to prove that the Negro could, in fact, be a superior human, and they did.

It was not "equality" which these statesmen took advantage of opportunities in this last wonderful land where the mixed men are left FREE TO BE UNEQUAL.

I DO NOT believe future historians will blame the Negro, per se, for seeking to accelerate evolution by violent means.

I am sure that historians will place the blame where it belongs: On the mercenary misleaders among the Negroes and on the vote-soliciting politicians who promised much.

This is what one of their most generous allies, the Attorney General, meant the day when he said, "Rioting creates a barrier between the Negro and his objective. Civil rights, this is a time of adversity."

Senate Judiciary Subcommittee Chairman Sam Ervin says, "Congress was blackballed in passing civil rights legislation at that point. This mindless destruction of our country is the result."

Make no mistake; if the "Negro problem" were to be solved neatly and completely by 10 o'clock tomorrow morning, we would have a Puerto Rican or Mexican or another "whipping boy minority" struggling toward recognition.

But the short-cut -- violence -- is dead end.

dition,
headlights? All operating, properly aimed,

having at least minimum candle power, having
hi and low beams in operation (if so equipped.)
Hi beam indicator; in case you can't tell
whether your headlights are on hi or lo beam,
(this required after '48 models.)
Tail lights -- at least one, with lens
neither cracked or broken.
Stop lights -- at least one, with lens in
good condition. (since '48).
Reflectors? Two -- one on each side
of vehicle rear. These can neither be
faded, cracked or broken.
Trucks have different requirements.
Brakes -- must stop with authority, and in
a straight line, having ample reserve at
pedal. License Plate lite (most of you forget
this one. This is so I can read your license
number if you happen to run over me at
night) -- Must be a white, shielded light.
(No white light shining to the rear of your
vehicle is permitted.) Turn indicators?
Believe it or not are not required unless
the side of your vehicle extends over 24"
to the left of the center of your steering
wheel!
These, of course, are in addition to the
bels, steering, wheels and hubs, already
discussed, and have been in effect for the last
few years.
Commercial vehicles over 80" wide re-
quire clearance lights and, in most cases,
turn indicators. If clearance lights are
required, then reflectors at each end of
vehicle bed are required. These face to
the side, the front being amber while the
one at the rear is red. Truck tractors
must have cab lites.
Each inspecting mechanic is schooled,
examined, and passed by a state official.
So when he is inspecting your vehicle, he
becomes an agent of the state. He does not
make the rules, he only tries to abide by
them.

Since he is licensed by the state and bonded
by the station owner, he is subject to fine,
suspension of license, and may cause the
inspective station to lose its license if he
is caught violating the inspection laws. When
he signs that sticker and affixes to the
windshield of your car, that is his testimony
that he has inspected your vehicle and finds
everything to be in order. If your vehicle is
stopped and checked by a state patrolman
and it is found that proper inspection was NOT
made by the mechanic, then this mechanic
may receive a visit from a state patrolman.

I try to explain this in order that you
might understand the injustice you do an
inspective mechanic when you ask him to over-
look, or bypass faulty equipment on your
vehicle. Another point is, that, if this
mechanic refuses to "pass" your vehicle,
it's useless to try to get the service manager
to compel him to do so! -- He is responsible
to the state.
Then there's the fellow who comes by and
says: "I need a sticker for my truck; it's
at home, but if you make it out, I can put
it on when I get home." or "My truck is
busy, I don't have time to bring it in.
Could you send one of your boys out to
put a sticker on it?" Some of the prime
remarks go like this: "Don't bother about
the lights, I only drive in the daytime." --
"No use spending money to fix the brakes,
we don't drive this truck but about three
months out of the year." -- "What! --
replace a reflector? -- why it passed in-
spection last year!" -- "Why wipers? it
never rains in this country!" and "you -
guys, you gotta aim my headlights every
year!" (evidently, we're a bunch of crooks!)"

If I'm counting my fingers right, you have
seven and 1/2 months to get your '63 Model
sticker -- (How'd that half finger get in
there?)
As you can see, the inspection process
is going to be somewhat slower this year.
My advice would be to get your stickers
early -- especially if you're going to keep
your vehicle another year.
But, I'll betcha a lot of people are going
to be burning shoe-leather next April if
everyone puts this little chore off to the
last minute! Incidentally new stickers be-
come available Aug. 28th.
Okay? -- and thanks for the coffee --
I enjoyed it!

Emmanuel Lutheran Church To Celebrate 50th Anniversary

Rev. Robert W. Hill, son of Rev. and Mrs. E. C. Hill of Littlefield, will be speaker for the 50th Anniversary celebration of Emmanuel Lutheran Church Sunday, Aug. 20.

REV. ROBERT W. HILL

Rev. Hill is pastor of the Parisville parish.

Rev. Hill was ordained a minister and installed as pastor of the Paris and Clarksville parishes in July, 1961. He went to Emmanuel Parochial School and attended Littlefield High School. The church was organized on Aug. 8, 1917 while student-pastor E. H. Wildgrube was serving pastor. The church began with 48 members, presently has 125 and has had more than this in the past, but because of agricultural conditions, many families moved away. Rev. Arthur G. Kuecker was church's first ordained rector, coming in 1917. In the summer of 1921, Rev. C. E. Riederer was called as second student pastor. The church's first newly-erected house of worship was dedicated Nov. 2, 1923 at 417 West 1st and the second building of congregation, was built on same spot. First services were conducted in homes of the parishioners and in 1925 the present parsonage was erected. In 1926 Pastor C. E. Ahlstrom reopened the Christian

Hohle accepted the pastorate through 1963.

The present pastor, Rev. William H. Remmert, came to the church in 1964.

On Jan. 12, 1930, Emmanuel Lutheran Church resolved to join the Lutheran Church, Missouri Synod.

The fifteenth anniversary of the church was celebrated May 25, 1932. Rev. William H. Remmert of Plainview was speaker for the two special services. In the middle of the depression, May 2, 1933, the church voted to become self-sustaining.

In 1935, the church decided to build an addition to the church, part of which was to be used as a school. The building was dedicated Sept. 1, 1935.

The twentieth anniversary of the church was celebrated in 1937, and on July 12, 1942 the twenty-fifth anniversary was celebrated.

In 1949 the church built and dedicated the brick parsonage at 409 West Third.

In 1956 the original church building was moved and on April 22, 1956 the church dedicated the facilities presently serving as the educational wing.

Groundbreaking services for the present sanctuary were held Feb. 11, 1962, cornerstone laying ceremony was held May 13, 1962 and final dedication was held July 15, 1962.

Champions Named In Tourney

SERVING in the Optimist Area Tennis Tournament finals Tuesday night of the Veteran Mens Doubles is Orville Bassett, who along with Floyce Pierce served as tournament directors.

Champions have been named in all divisions of the annual Optimist Area Tennis Tournament, with play winding up Tuesday night. No major upsets occurred along the way.

Tournament co-director Orville Bassett said he was well pleased with the participation, except in the women and girls divisions, which were both cancelled. He thought the event, which spanned little more than a week, was one enjoyed by both participants and fans.

Division champions are:
MENS SINGLES -- Tommy Thrash.
MENS DOUBLES -- Steve Webb and Tommy Thrash.
VETERAN MENS SINGLES -- Henry Cunningham.
VETERAN MENS DOUBLES -- Orville Bassett and Herman Neuenschwander.
BOYS SINGLES -- Pat Minyard.
BOYS DOUBLES -- Bobby Richey and Jack Dow.
MIXED DOUBLES -- Ron Sitton and Pat Maner.

Thrash took measure of Terry Hyatt Monday night, 6-1 and 6-3, in the championship finals of the mens Singles. He had advanced into the finals by taking measure Saturday night of Billy Chester, 6-3 and 6-3. L. D. Harris was named Mens singles consolation bracket winner by defeating Troy Gardner Monday evening 6-3, 6-4.

The combination of Thrash and Webb proved too much Tuesday night for Tidwell and Harris in the Mens Doubles championship finals, when they posted a convincing victory of 6-0, 6-1. Tidwell and Harris had vaulted into the finals via a default from Minyard and Chester.

Mens Doubles consolation bracket was taken by Floyce Pierce and Gardner when they downed Cunningham and Ralph Gage in the finals Tuesday night 7-5, 6-4. This was the last

match of the tourney. Pierce and Gardner had worked their way into the finals by topping the father-son combination of Herman and Jerry Neuenschwander Monday, 6-2, 6-3.

Cunningham snared the Veteran Mens Singles title in a hard-fought battle with Neuenschwander Monday night. He had to bounce back from a 7-9 loss in the first set to take 5-0 and 6-4 decisions. Bassett was named consolation bracket winner in that division when he slammed Bob Hamilton 6-1 and 6-3 Monday night.

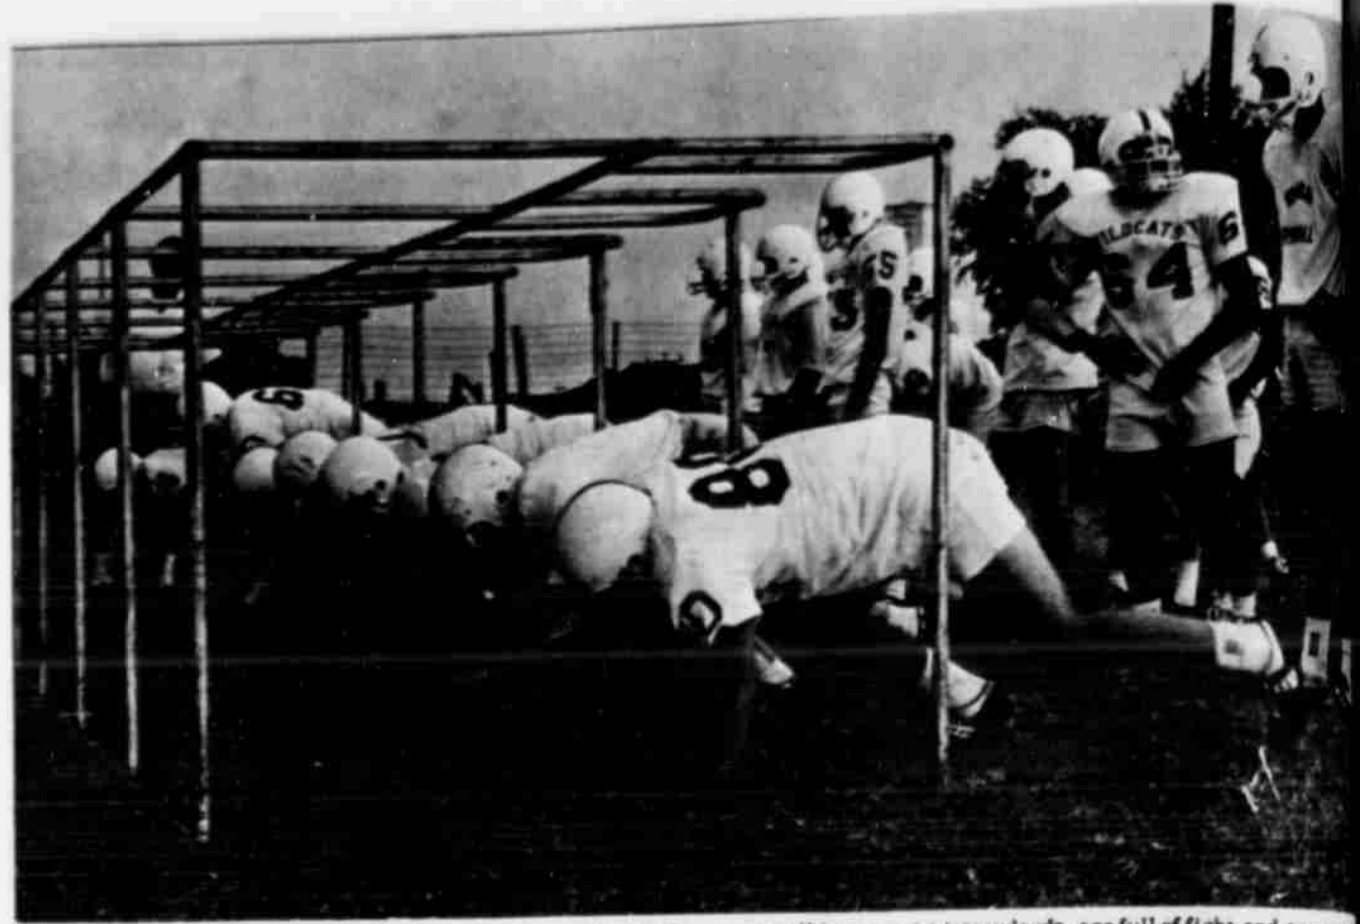

In the only upset of the tournament, Bassett and Neuenschwander unseated defending Veteran Mens Doubles champs Cunningham and Gage for that division's championship title, 3-6, 6-2 and 6-3. Bill Grant and Pete Smith last week had little difficulty in capturing the consolation bracket when they beat Bill Turner and Hamilton 6-3, 6-4.

Minyard was pressed for his Boys Singles crown by Troy Tidwell Tuesday in night's finals, 6-3 and 6-6. Wayne Parish pushed past Steve Roe for the consolation title, 6-3 and 6-1. Minyard had advanced into the finals after taking measure of Jack Dow Monday night 3-6, 6-3 and 6-4.

The combination of Richey and Dow took a hard-won victory over Tidwell and Parish Friday night for the Boys Doubles title, 6-2, 4-7 and 6-1.

Champions in the Mixed Doubles division were named last Thursday night, when Sitton and Maner handed 6-2, 6-4 losses to the combination of Cunningham-Huber.

Bassett said trophies were being engraved and would be available soon at his business for those who wished to pick them up.

HUSTLING WILDCAT linemen are shown undergoing agility drills during Tuesday afternoon workouts. The fighting 'Cats, though

small by most AAA standards, are full of fight and eagerness according to head coach Raymond Birchfield.

Wildcats Long On Hustle, Eagerness

Hustle and eagerness is going to have to overcome lack of size and experience, Wildcat head coach Raymond Birchfield told members of the Booster Club Tuesday night when asked to evaluate his club.

He said "I can't imagine anybody being any smaller and playing AAA football. I've seen very few teams in Class AA any smaller than our boys."

But, on the plus ledger, Birchfield was quick to point out the eagerness and hustle of his charges. He commented on the pleasure a coach derives in working with such enthusiasm.

"They (other teams) may beat us down the line," he told the 30-plus Boosters at the meeting, "but this group of kids is going to have to be shown they can be beaten."

Though 11 Wildcats earned letters on last year's proudest championship club, few of them have actual head-knocking game

type experience. The mentor pointed out he had few who had earned their maroon and white jackets other than on punts and kickoffs.

"I wish we had four or five non-district games early, instead of getting into conference play as soon as we do," he said. The 'Cats have only three pre-conference tilts, Plainview, Muleshoe and Tulia, before launching their drive for another title against Dunbar of Lubbock Oct. 5.

Plainview is the season opener... only three weeks away on Sept. 5.

Valuable experience, however, will be gained in the two preseason scrimmages on tap. The first will be at Morton Friday of next week. Then the Indians of Seminole will be here Sept. 1 for the second.

When asked to give a report on the four practice sessions the Wildcats had turned in Monday and Tuesday, first of the season, Birchfield said the players had made a lot of progress. They had been working exclusively on offense, but no passing.

First full-equipment contact workout will be this evening. Here, again, Birchfield emphasized the players were eager to start.

For games, however. But linemen will continue in the shoes they now wear. "They might not look as classy, but I'd rather suffer the loss of appearance than players," he admitted.

On the basis of the four workouts, Birchfield said his tentative offensive starters would be Kevin Hutson and Donny Hurd at ends, Larry Durham and

Brian Noble at tackles, Thompson and Stan Harrell at guards, Mike Stafford at center, Mike Grissom at halfback, Danny Bryson at back, Roy Burk at quarter and either Joe Ross or Webb at right half.

Birchfield issued a strong invitation to all fans to come any and all practice sessions held by the Wildcats.

PRACTICE, PRACTICE and more practice is required for rate timing in the backfield. Wildcats are working twice as hard now in preparation for the Sept. 8 season opener against Plainview.

School Song Story Told By Originator

(Editor's Note: Several weeks ago, The Leader-News carried a picture of Mr. and Mrs. A. B. Taylor of Thousand Oaks, Calif., regarding their 50th wedding anniversary, along with a letter from the couple. At that time, Gene Bartley of Littlefield wrote Taylor, who was first hand director here, and questioned him concerning the origin of the school song, "Maroon and White." Following is Taylor's letter, dated June 21, to Bartley.)

Guided Missile station here on the Pacific coast for the Government. Has a wonderful job with a excellent salary. I believe his classification is G-14. He told me to give you his very best regards.

I must close now but I wish to thank you again for your generosity.

Yours very affectionately,

\$10 Return On Every \$1

In case you're interested in getting 10 dollars back for every dollar invested, you should try going to college. Investment in a college education offers a 10 to 1 return. So reports, Finance Facts monthly newsletter published by the National Consumer Finance Assn.

The cost of four years for a student away at college is \$7,000 to \$13,000, says Finance Facts, but college graduates earn an average of \$140,000 more in a lifetime than those who settle for a high school education only.

Basic college costs for fees, room and board are \$1,000 a year for each student in a publicly supported college or university and about \$2,100 in private institutions. To this must be added \$800 or more a year for clothing, transportation, textbooks and other expenses.

The cost of college seems high, but as the Institute of Life Insurance observes, the cost of not going to college is even higher in economic terms alone. A college graduate starting to work today can anticipate earning an average of \$444,000 during his career, the high school graduate, \$303,000.

Increasingly, families are making the investment in college education. One out of five American adults today has some college education. By 1975, the proportion is expected to be one out of four.

Thunderbolt, Lawman In Battle

A match under "Texas Death Rules" with a brass knucks trophy at stake highlights the wrestling card at Littlefield Sports Arena Saturday night. Thunderbolt meets The Law-

man in a battle which has written all over it. Thunder must forfeit a \$500 appearance bond if he does not show so it's pretty much a foregone conclusion he'll be there, despite all Lawman says about him.

Women's Bowling League To Meet

A Women's Bowling meeting will be held at 7:30 p.m. Thursday, Aug. 17 at the Bowling Alley. The meeting will be held for the purpose of organizing a fall league. All interested women are urged to attend.

Preceding the big match a battle of the midgets, Little Beaver vs. Fuzzy Cupid. Also on tap is a scuffle between Luis Hernandez and Jerry Kozak.

Matches start at 9 p.m. Sponsoring to Promoter Jim Dick.

Tulsa 9's Win In Pony, Colt

Tulsa, conqueror of Berger in sectional Pony League Tournament play, has defeated Fort Worth, 7-1, in the playoffs and will now play at Tampa, Florida, according to Jimmie Chapman, sectional director of Dimmitt.

The winner of the pony meet at Tampa goes on to the World Series at Springfield, Ill.

In Colt League action, another Tulsa team moved up with a 4-3 win over Spring Branch. The Tulsa Colt team is now in the Colt World Series at Miami, Florida.

First, Mrs. R. E. (Suzi) Boyd, (center) sister of Mrs. Bob Wear of Littlefield, painted the size oil portrait of Tell Taylor, composer of "Down by the Old Mill Stream," which is featured in a recent Findley, Ohio Art Festival. The exhibit also showed numerous photographs of the composer as well as original

song sheets of many of his published songs. Findley is the composer's home town. A monument is to be erected to him there and to his immortal "Mill Stream" ballad. During a current drive for funds for the memorial, Mrs. Boyd's oil portrait will be on display in downtown Findley.

Mr. and Mrs. Murphy Caldwell of Clovis, N. M., visited last Saturday in the home of Caldwell's brother and sister-in-law, Mr. and Mrs. Paschall Caldwell.

Mr. and Mrs. W. A. Tindal have had several relatives visiting in their home recently. Visiting last Wednesday through Sunday were Mrs. Tindal's sisters-in-law, Mrs. Tom Brown of Winsboro and Mrs. Leona Brown of Hamlin. Tindal's niece and family were guests on Saturday and Sunday. They were Mr. and Mrs. Troy Dennis and children from Dallas. Also visiting in the Tindal home from Sunday until Tuesday were his sisters, Mrs. Dick Jackson of Abilene, Mrs. Grover Maynard of Hamlin and Mr. and Mrs. Richard Tyron and family of Dallas. The Don Tindals and

Mr. and Mrs. Charles Park and family of Lubbock also visited in the Tindal home last Sunday.

The Intermediate Girls Auxiliary of the local Baptist Church were happy to recently turn in twenty-seven books of stamps for folding chairs to Girlstown near Whiteface. This was the goal that the girls had hoped to reach, and they wish to express their gratitude to local residents for being so kind and helping them reach this goal.

Ricky Park of Lubbock spent last week visiting in the home of Mr. and Mrs. Don Tindal, Starla and Walt.

Visiting last Sunday and Monday in the home of Mr. and Mrs. R. L. Stubblefield and Doris was the Stubblefield's daughter, Mrs. Jim DeSylva and their son

and grandson, Lee Stubblefield and Tex, all of Denver, Colo. Dinner guests there on Sunday also included Mr. and Mrs. Jack Stubblefield and family, and Mr. and Mrs. Kerwin Oliver.

Linda and Mike Heard visited in Kelton last weekend with their parents, Rev. and Mrs. Dennis Heard and family. Linda and Mike are staying here with their grandparents, the R. L. Stubblefields.

The Women's Missionary Society of the local Baptist Church met at the church Monday afternoon for their monthly Royal Service mission program. The meeting opened with Mrs. J. R. Hodges reading the Call to Prayer. Mrs. Arthur Turner led in prayer for the missionaries listed on the calendar.

Mrs. Jess Emmons was in charge of the program for the day which was entitled "Christian Missions and the Tide of Nationalism; Zambia and Malawi." She introduced the program and discussed the topic, "nationalism." Mrs. Turner then gave the part "Alternatives to Nationalism" and Mrs. Hodges gave "The Nation of Malawi." "The Nation of Zambia" was given by Mrs. A. E.

Brown, and Mrs. Donald Caldwell gave "Nationalism and the Christian Witness." Mrs. Ona Matthews gave "Interpreting the Gospel," and Mrs. Emmons brought the program to a close by asking questions and suggesting ways in which the women could learn more about Africa. The meeting was dismissed in prayer.

Those present for the program included Mrs. Emmons, Mrs. Hodges, Mrs. Caldwell, Kim and Lori, Mrs. Brown, Mrs. Matthews and Mrs. Turner.

Mr. and Mrs. J. R. Inklebarger and their daughter and family, Mrs. J. D. Zahn and children of Lubbock, spent the past weekend vacationing at Red River, N. M. They returned home on Monday.

Mr. and Mrs. G. H. Poteet and Mr. and Mrs. Billy Guy Poteet and family went to Lubbock last Sunday where they attended the annual Poteet family reunion held there in Mackenzie Park. Also attending were Mr. and Mrs. George Goen and Mr. and Mrs. Louis Booth, all of Anton.

OH, I LEFT THIS OUT -- is common terminology to be heard coming from college-bound freshmen. School Board

(Continued from Page 1)

acquiring and keeping good teachers. Proposed construction of a building to combine the offices of the superintendent and the school tax assessor-collector was postponed one year, followed by a discussion of the possibility of combining the school and city tax offices.

Barton said individuals had talked to him about such a combination and that he believed all possibilities should be pursued. Among advantages and disadvantages brought out was the fact the school has a tax roll and a tax man whereas the city has a roll and no tax man. Suggested was that the school might contract with the city for the school tax assessor-collector, Sid Hopping, to serve the city's needs in that area.

When asked his opinion, Hopping said there are complications in such a set-up, pointing out the school's area of taxation is not the same as that of the city. He quoted a conversation with city tax collector from another city where such a contract was made and said the man told him he didn't actually know if any savings were being accomplished or not, adding there was much confusion at times.

Buster Owen commented, "It seems to me when we get to talking about the school's business and the city's business, it gets complicated. But I believe these complications can be solved."

Another board member commented, "We should look at this both as citizens of Littlefield and as a Board if we are to deal with the City." Barton appointed a committee comprised of John D. Smith, Calvin Price, Werner Birkelbach and Pat Downs to represent the School Board in exploration and study of combining the two tax offices to determine what practices in both offices could be combined into a single facility.

A motion passed for the Board

to invite representatives of the City to meet "with our committee to see if there are common grounds on tax assessing and collection."

In discussion leading up to the appointments, Barton stated the original thinking behind constructing a building to combine the two school offices was the inefficiency resulting in the two closely associated offices being far apart. Hopping also is financial secretary and works closely with the superintendent in that capacity.

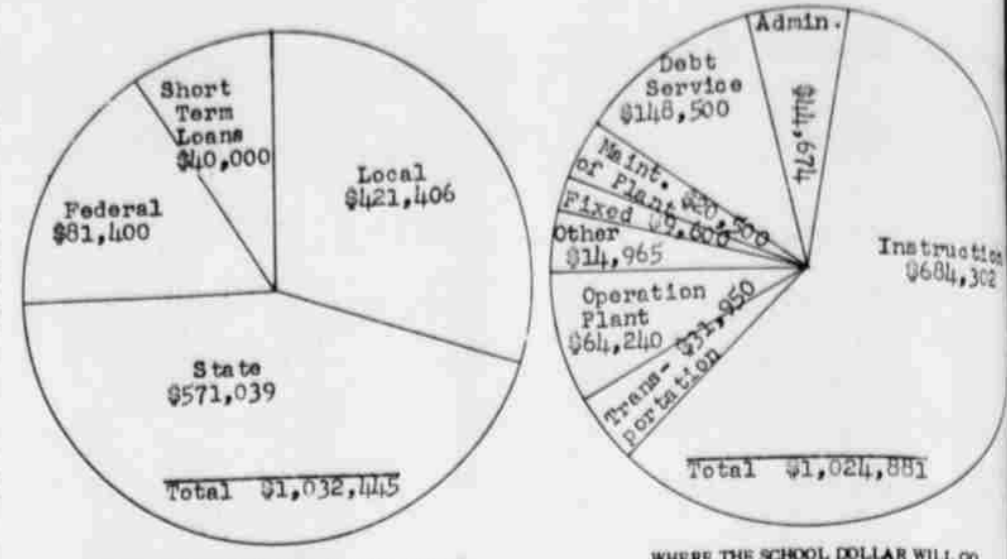

Barton commented, "I still believe two men working together should be within hollering distance of each other. We should get them together. But I realize a rented place could possibly be cheaper than a built one."

A board member commented on the plentiful availability of vacant buildings. Another asked, "But what is that rent going to be?"

Earlier, Barton had rapped Bill Turner, publisher of The Leader-News, for having stated in a column that he did not know the answers to questions people were raising concerning the reasoning behind construction of the proposed building.

Turning to the representative of the press, he said, "You can tell Bill Turner -- and I wish he were here so I could tell him myself -- that if he wants to be against the building and do an editorial on it that's O. K., but he has no business pleading ignorance on the subject because the press has been present at every session when this was discussed and they know as much about it as we do. And I can be quoted on this!"

As to a suggestion made by way of a letter to the editor, which was published in The Leader-News, regarding the small size of the high school auditorium and that it might be remodeled into combined offices with a bigger auditorium planned in the future, members pointed out the auditorium is ample to seat high school students and that people sometimes forget the original purpose of the auditorium, confusing it with a community center. That the stage is too small was agreed

CLEAR CUT avenues of income and outgo of Littlefield School District's funds are shown in above drawing of proposed budget. Also, the local budget total does not, as reported in accompanying story and shown on income graph, include federal

by all, and a member remarked there is no doubt the size of the stage has kept Littlefield from bringing in thousands of band students to perform here. Last year's amended budget, with expenditures a little below expectations, was approved as was the new 1967-68 budget and the athletic budget.

Budgeted receipts for 1967-68 are \$1,032,445 (not including federal funds) and expenditures are \$1,024,881. Expenditures, not showing the increase granted in qualified teachers' salaries, are: administration, \$44,674; instruction, \$684,302; attendance, \$900; health services, \$6,900; pupil transportation, \$31,950; operation of plant, \$64,240; maintenance of plant, \$20,500; fixed charges, \$9,600; student body activities, \$7,075; capital outlay, \$6,150; and debt service, \$146,500.

Receipts list local sources, \$421,406; state sources, \$571,039; and short term loan, \$40,000. Local revenue is based on 96 per cent collection of \$23, 681,000 valuation of \$1.80 per \$100 value, or \$22,733,000. A breakdown of local revenue shows local maintenance tax

(\$1.32), \$300, 085; delinquent debt, \$1,500. The budget is relatively the same as last year.

Athletic budget totaled \$21, 563 expenditure, with a proposed \$400 for telephone bill reduced to \$300 and the extra \$100 placed in miscellaneous.

Teachers hired were Myrtle Sheek, Georgia Faye Perkins, Margaret Marshall, Gertrude Waggoner, grades 1-2; Jean Rae Jackson, grade 3; June Sadorra and Elizabeth Bruce, grade 5; Gayle Jean Miller, grade 6; W. L. Weddle and Alice McDonnell, instruction; Janell Trees and Karylon Russell, grades 1-12; Rachael Green, special and Harriette Wray, remedial reading, Title I, Mrs. Edna Mae Mangum will serve in the principals' offices, replacing Janie Webb.

Resignations were accepted from Mrs. Jim Trauggott and Mrs. Mason.

A regulation was passed that "Each student shall have residence with a responsible adult in Littlefield School District or be a legal transfer."

Regarding a pending law suit, in which H. C. Pickrel is suing all members of the School Board

to recover the school facility at Fieldton, Board members voted for the suit to be decided by jury.

Participation in the State Education Media Center was formally approved.

During the session, Jones informed members of possible increase in "responsibilities," due to a study underway. He said schools are providing a million locally a year and could be increased up to a million yearly by the governing 20-member committee.

Superintendent

of Education, the community's policy-making board elected by the people. It is the responsibility of the superintendent to carry out those policies made by the school board as well as meeting requirements established by the State Education Agency.

A superintendent is answerable both locally and to the state. Rules and regulations handed down by the state agency cover every phase of school administration, from purchase of a new tire for a vehicle to the scholarship award for the honor student of the graduating class, Jones explained.

One of his main concerns is the implementation of all phases of curriculum, including direction of personnel and procedures used in the instructional program. His is the responsibility of selection of material and how it is used. He directs the academic growth and development of pupils which brings in processes of evaluation in terms of specific educational objectives that are both locally and state ruled.

Parallel with these responsibilities is the financial operation of the total school expense which includes such things as maintenance, janitorial services and supplies, instructional equipment and material, construction and maintenance of facilities, salaries of employees, retirement of outstanding indebtedness. All of this is programmed in an annual budget drafted by the superintendent then altered and approved by the Board.

It is the superintendent's duty to relate to the public the policies and procedures of the total educational program to the community. "Which," Jones commented, "is a small task." His remark was typical of the admirable humility and willingness with which he approaches his work.

He must communicate new rules and regulations, which come from the state legislature, to principals, teachers and the school board. His is the job of administering all federal programs including budgeting, employment of personnel and making the required reports. Federal programs in Littlefield Schools are the NDEA Title III and the ESEA Title I, II, III and IV, all of which are on separate funds and must be budgeted and spent according to each item. Each must be reported to the supervisory state-federal offices.

All student activities, contests, events, trips, etc., are the superintendent's responsibility. Much time is spent in continuously probing evaluation of the total school program toward improving all areas, such as what courses will be offered and their sequence, their content of material and the progression of the material from grade one through 12.

He has regular monthly meetings and many called meetings with his principals who in turn conduct such sessions with their staffs.

In other words, Littlefield's superintendent, Paul I. Jones -- or any superintendent anywhere -- is a very busy man.

Art Festival Open To All Individuals

A chance to exhibit work is in store for all area artists and would-be artists at "We, The Women's" Sidewalk Art Festival scheduled here Aug. 25.

At a meeting of "We, The Women" Tuesday, a point stressed is that exhibitors need not be members of art clubs. Anyone who wishes may bring any type of art work, set up an exhibit, show and sell their artistic items.

Announcements of the show have been sent to all news media in a large portion of the high Plains and to art groups. Any individual wishing to enter the show is invited to do so. Following is a copy of notices being sent. It gives all pertinent details:

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same shall hereafter read as follows: "Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature."

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present."

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued, or sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of said Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or draft- ing was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application.

"The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

quirement of any bonds heretofore issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds heretofore issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following: "FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Legal Notice

SHERIFF'S SALE THE STATE OF TEXAS COUNTY OF LAMB

NOTICE IS HEREBY GIVEN That by virtue of a certain order of sale issued out of the Honorable 99th District Court of Lubbock County, Texas, on the 31st day of July, 1967, by J. R. Dever, Clerk of said Court for the sum of Three Hundred Fourteen and No/100 (\$314.00) -- Dollars plus interest at 7% per annum from November 19, 1964, plus \$75.00 attorney's fees and costs of suit, under a judgment, in favor of Municipal Investment Corporation in a certain cause in said Court, No. 54246 and styled MUNICIPAL INVESTMENT CORPORATION vs DESSIE VIOLA MARINER, a widow, and the unknown heirs and legal representatives of J. H. MARINER, Deceased, placed in my hands for service, I, Dick Dyer as Sheriff of Lamb County Texas, did, on the 4th day of August 1967, levy on certain Real Estate, situated in said County, Texas, described as follows, to-wit:

West Half (W/2) of the South 1 acre of Lot One (1), (less the West 50 feet) of Block Three (3), High School Addition to the City of Littlefield, Lamb County, Texas; and levied upon as the property of the said DESSIE VIOLA MARINER, a widow, and the unknown heirs and legal representatives of J. H. MARINER, Deceased and that on the first Tuesday in September 1967, the same being the 5th day of said month, at the Court House door of Lamb County, in the City of Littlefield, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said DESSIE VIOLA MARINER, a widow, and the unknown heirs and legal representatives of J. H. MARINER, Deceased.

And in compliance with law, I give this publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the News and Leader, a newspaper published in Lamb County.

Witness my hand, this 4th day of August 1967.

Journey To The Past

BY EVALYN PARROTT SCOTT

1900--MR. AND MRS. E. P. (JACK) DICKENSON (From the collection of Stella Schriever Cowart).

Jack Dickenson was born in 1900 in Swisher County. His parents were living in Lamb County at this time, having come here in 1895. He married Beatrice Pierce Aug. 19, 1921. Beatrice came from Woodson, Texas. Their children, who were born in Olton, were Daisy, Dorothy, Jack Jr. and Herbert. They moved to New Mexico in 1929. Later three more children were added to their family: E. P., Mary and Jim.

INTERESTING INCIDENT:
In 1905 Jack had just started to school at Burro College, about three or four miles northwest of the home place.

"One day when school turned out there was a big black cloud coming up in the northwest. There was a gate I had to go through, about a mile from home, and I could hear the hail hitting the ground behind me, just before I got to the gate. I

OBITUARIES

Juan A. Garcia

EARTH--Services were held Monday afternoon for Juan A. Garcia, 21, a Petersburg farm laborer killed in California Thursday. The services were in Earth Catholic Church with Parson-Ellis-Singleton Funeral Home of Earth directing. Interment was in Earth Cemetery.

Garcia, a native of Mathis, was killed in a car-train accident near San Jose, Calif. He had been working in California this summer.

Surviving are four brothers, Jose Garcia of Petersburg, Genaro Garcia of Hale Center, Valentine Garcia of Olton and Esa Garcia of Cactus; three sisters, Mrs. Mickey Lis-erio of Fort Worth, Mrs. Lupe Olivarez of Groves and Mrs. Alcarria Garcia of Spring-lake.

C. P. Parish

EARTH--Funeral services for C. P. Parish, 63, a longtime resident of Earth, were conducted Tuesday morning at the First Methodist Church here, with Rev. Walter Driver, pastor, officiating.

Burial was in Earth Cemetery under direc-tion of Parsons-Ellis-Singleton Funeral Home of Earth.

Mr. Parish died Sunday at South Plains Hospital in Amherst after suffering a heart attack.

He was a farmer and cattleman and a member of the Earth Masonic Lodge and the First Methodist Church.

Survivors include his wife, Gladys; a daughter, Mrs. Johnny Cornett of Earth; a son, Denny of Fresno, Calif.; sisters, Mrs. Char-lotte Wilmeth of Plainview, Mrs. Marie Ross of Earth and Mrs. Edwin Warwick of Ingle-wood, Calif.; brothers, Gus, Clyde and Cecil, all of Earth; and one grandson.

Joe Vrabel

Funeral services are set at 2:30 this after-noon for Joe Vrabel, 50, who died at 1 p.m. Tuesday, Aug. 15 at Medical Arts Hospital-Clinic following an apparent heart attack.

He was born June 11, 1917 at Granger and had resided here 20 years. He was a truck driver and was a veteran of World War II.

Jack McCormick will officiate for the ser-vices to be held at Levelland Highway Church of Christ in Littlefield. Military graveside rites will be held in Littlefield Cemetery, un-der direction of Hammors Funeral Home.

Surviving are his wife, Mabel of Littlefield; one daughter, Kathy Jo of the home; one son, Teddy Lynn of the home; one brother, John Vrabel of Spade; two sisters, Miss Millie Vrabel of Rosenberg and Mrs. Rosie Vasek of Littlefield.

Marvin Hoyt Huff

EARTH--Justice of the Peace L. A. Glass-cock, acting as coroner, has ruled the Sunday shooting death of Marvin Hoyt Huff, 47, a Muleshoe resident for three years, acci-dental. Huff farmed near Earth.

According to Deputy Sheriff Leonard White, the City Marshall at Earth received a call about 8:20 p.m. Sunday and Deputies Leonard White and Homer McLaurie investigated.

Deputy White said that Huff's son, Donald, found him in his pickup on his farm in Lamb County, about 3 1/2 miles east of Earth and one mile north, with a gunshot wound above the right ear.

Investigating officers theorize that Huff was trying to get out of the pickup, grabbed the .22 caliber rifle and it went off. Huff had told residents of Earth earlier Sunday that he was going to hunt coyotes on his farm.

Huff had lived in Earth for 27 years prior to moving to Muleshoe. He was a Baptist, a Mason, and a member of the American Leg-ion and the Golden Spread Quarter Horse Association.

Funeral services were held at First Baptist

Church in Earth Tuesday afternoon with Rev. M. B. Baldwin, pastor, officiating.

Burial was in Littlefield Memorial Park with Masonic graveside rites. Burial was directed by Parson-Ellis-Singleton Funeral Home of Earth.

Surviving are his wife, Winnie; the son, Donald of Muleshoe; a brother, Loy S. Huff, of Midland, and two sisters, Mrs. L. S. War-den of Andrews and Mrs. A. E. Wheatley of La Vernia.

Lester LaGrange

AMHERST--Funeral services for Lester L. LaGrange, 76, a longtime resident of Am-herst, who died Sunday at Amherst Hospital, were held at 10 a.m. Tuesday in the First Methodist Church.

Rev. Douglas Gossett, pastor, and Rev. R. H. Campbell, a retired Olton pastor, offi-ciated. Burial was in Amherst Cemetery un-der direction of the Payne Funeral Home.

LaGrange was a retired postal employe and rancher and had lived here since 1923. He served as mayor and was a member of the original hospital board.

He was a member of the Presbyterian Church, the Lions Club and was a board mem-ber of the Lamb County Pioneers. At the time of his death he was city fire marshal here.

His wife serves as a correspondent for Lamb County Leader-News.

He is survived by his wife, Lenore; a daughter, Mrs. Gene B. Louder of New Home; a son, Lester L. LaGrange Jr., of Pelham Manor, N. Y.; a sister, Mrs. Theo Wilson of Vinton, Iowa; and a brother, Arthur LaGrange of Vinton, and one granddaughter.

Mrs. Margaret Cotten

Mrs. Margaret Mae Cotten, 81, a longtime resident of Littlefield, died Saturday morn-ing at the Hospitality House here.

Mrs. Cotten, a native of Cermi, Ill., had lived in the rest home 22 months.

Services were held Monday afternoon in Hammors Funeral Home Chapel with Rev. R. E. Hall, pastor of the First Baptist Church, officiating and burial was in Plains Cemetery at Plains.

Surviving are three daughters, Mrs. Paul I. Jones of Littlefield, Mrs. Robert Mayne of Baltimore and Mrs. Fred Woodard of Corpus Christi; one son, Joel Cotten of Dallas; three sisters, Mrs. Robert Arnold, Mrs. Ada Fulk-erson, and Mrs. Anna Elliott; one brother, Jack Renshaw; nine grandchildren and three great-grandchildren.

Mrs. J. L. Spurling

Funeral services for Mrs. Martha Ann Spurling, 88, who died Aug. 14 at 5:30 p.m. in Littlefield Hospital were held Wednesday afternoon at the Missionary Baptist Church with Rev. Ken Johnson, pastor, and Rev. Glenn Willson, pastor of Amherst Baptist Church, officiating.

Mrs. Spurling was born July 19, 1879 in Alabama and had resided here 37 years, mov-ing here from Rails.

Burial was in Littlefield Memorial Park, under direction of Hammors Funeral Home.

Surviving are her husband, J. L. Spurling of Littlefield; three sons, Johnny Smith of Amherst, Jessie Smith of Cleburne, Nolan Smith of Arlington; four daughters, Mrs. Rosa Johnson of Weatherford, Mrs. Nellie Self of Waco, Mrs. Cordia Russell of Oklahoma City, Okla., Mrs. Evidene Smith of Farmington, N. M.; two sisters, eight brothers and 22 grandchildren.

Pallbearers were John Clayton, Loyd Web-ster, Van Dickson, Bob Cox, Hobe Grant and Darrell Nichols.

Year-end savings are just one reason to buy a Chevy pickup now.

Half-ton Fleetside pickup

Here are four more:

BEST RIDE. Truck engineered independent front suspension with coil springs gives you firm footing on any terrain. And you get exclusive coil springs at both rear wheels (Series C10, C20) for an extra-smooth road-balanced ride that's truck-tough, too!

BEST BUILD. Full double-wall side panels and tailgate on the Chevy Fleetside pickups protect the exterior appearance from unsightly damage. External welded joints on the pickup box have been eliminated to discourage corrosion. Self-washing fender skirts resist buildup of rust.

BEST LOOKS. Years-ahead styling—inside and out. Not just for looks, for workability too. You get superior forward visibility, generous leg and knee room plus a long list of special safety features—such as the GM developed telescoping lower steering shaft.

BEST DEALS. You know what "Year-End Savings" mean! This time of year your dollars have plenty of buying power! The sooner you move in, the sooner you can move out with the Chevy pickup that's just to your liking. Your present truck's trade-in value will never be higher! So come on in for big year-end savings on Chevrolet trucks. Right now!

See your Chevrolet dealer. August is a great month to buy!

The MYF of the Bula Methodist Church sponsored a swimming party Tuesday evening at the Crescent Park Swimming Pool. All young people of the community were invited. A sack supper was enjoyed following a swim. Sponsors for the group were Mr. and Mrs. Buck Medlin and Mr. and Mrs. Tommy Kirk.

Spending Saturday night until Wednesday visiting with the Bradley Robertson's were her brother and family, Mr. and Mrs. Don Short, boys, Marvin, Lee, Kenny and Denny from Phoenix, Ariz.

G. W. Casey and small daughter, Karen, from Crystal City visited with friends in the community Tuesday afternoon. Casey was former superintendent of the Bula schools.

Mr. and Mrs. W. T. Thomas were in Muleshoe Wednesday visiting with friends at the hospital. Mrs. Sue St. Clair and Mr. Steve Sullivan.

Joyce Sowder accompanied her aunt and uncle, Mr. and Mrs. James Farris, to Yuma, Ariz., first of the week to assist them in moving to Clovis to make their home where both Mr. and Mrs. Farris will be employed in the school system there.

"School days" are almost here again. Many of the schools in this area will be starting classes before Labor Day. Many drivers have become accustomed to ignoring school zones and signs during the summer months with the thought, "why bother, school's out anyway." But now the time is rapidly approaching to start paying close attention to signs warning of school zones and buses.

Many parents will attempt to make the forthcoming Labor Day their final vacation outing. "Don't let this outing be fatal," the sergeant stated. Thirty-two lives were lost in traffic over the Labor Day weekend in 1966.

Boys Ranchers To Prepare Rodeo Food

Giant-sized barbecue beef sandwiches, prepared and served by the boys, will be one of the special attractions of the 23rd annual Cal Farley's Boys Ranch Rodeo, Sept. 3-4.

Barbecue beef sandwiches, which will be sold for \$1 with potato chips, iced tea, etc., will serve two purposes. They will allow visitors to come early to the rodeo and picnic, and provide Boys Ranchers who are studying meatcutting and cooking in the Ranch's vocational training program with a practical opportunity to show the skills that they have learned and, at the same time, a chance to build their Ranch home through concession sales.

Performances of the rodeo will begin at 2:30 p.m. on both Sunday and Monday, Sept 3 and 4, and will be the biggest Labor Day event in the Texas Panhandle.

Advance tickets for the two performances are available from the Boys Ranch office, Box 1890, Amarillo. Box seats are \$2.50, general admission tickets are \$1.50, and children and servicemen in uniform will be admitted for 75¢.

Comanche County Reunion Slated

The 18th annual Comanche County Reunion will be held in Mackenzie State Park in Lubbock, the 4th Sunday in August, Aug. 27th.

A basket lunch will be served at 12:30 o'clock and there will be singing in the afternoon. Everybody is invited to attend. "Come all you Comanche County residents and all the ex's too!" says John S. Scitern, vice-president.

VISITS HARWELL HOME

Visiting this week in the Capt. Harwell home are his sister, Mrs. Lorene Meeks of Abilene and her grandchildren, John David Wilson, Linda Wilson and Dianne Wilson of Abilene.

ANTICIPATED ENROLLMENT CHANGES

Schedules, Improvements Area Schools Announce

Approximately 4,000 students begin the new school year in the area schools, with most classes listing Aug. 28 as first day of school. Although Spade schools open Sept. 4 as opening day, most schools open Sept. 5. Exact anticipated enrollment not yet ready to estimate, but expect about the same as last year, both students and teachers.

SPRINGLAKE-EARTH School with 950 students expected for which is about the same as last year, report a new homeing cottage to be completed school opening date, Aug. 28. The new brick structure, located between the high school and the gymnasium, houses both sewing and living facilities as well as offices for teachers.

Forty-seven teachers are scheduled for the school, with no administrative or coaching changes and no new courses. School registration was completed Wednesday. General faculty meeting and workshop for Aug. 22 in the cafeteria from 9 a.m. to 12 noon, followed by buffet luncheon until 1 p.m., and high school faculty meeting at 1-5 p.m. That same day, a lunchroom staffing is set in the superintendent's office.

Aug. 23 lists elementary faculty meeting in the cafeteria from 9 a.m. to 12 noon; buffet luncheon until 1 p.m., and junior high faculty meeting at 2-5 p.m.

Enrollment for first graders set Aug. 24 at 9 a.m., with a acquainted faculty and employee supper set at 8 p.m. in the cafeteria.

Aug. 25 at 9 a.m., grades two through eight will enroll. Buses run at the regular time in morning and should depart at about 11 a.m. Aug. 26 is first day of school.

SPRINGLAKE-EARTH School calendar, past opening day, for Thanksgiving, Nov. 23; Christmas, Dec. 21; Jan. 2; district teachers meeting and day, March 1; Easter, April 5 (classes resume 16th); Friday of school, May 17; Jun. high graduation, May 18; baccalaureate, May 19, and high school commencement, May 20.

BULA SCHOOL, high school students currently are entering, with grade school students to enroll the first day of school, Aug. 28.

About 150 students are expected this year. School spokesmen report considerable work has been done on the grounds, including planting of grass. The building received painting and cleaning and the teacherage has been changed.

Teachers will be Mrs. Willie Miles, first and second; Mrs. Hawkins, third and fourth; W. C. Risinger, fifth and sixth. Seventh and eighth grade students will be under the same teachers as high school, with old Fleming, English; Mike W. Kin, math and grade school high school football coach; C. Risinger, commercial, health education and girls basketball coach; W. T. Hedges, science; Mrs. W. T. Hedges, science; Mrs. Owen Young, national homemaking I and III; J. Sharp, vocation agriculture I and II; Mrs. J. C. Snitremedial reading; Marion McDaniel, administration and bookkeeping.

Thanksgiving holidays will be 23-24; Christmas, Dec. 21-22; teachers convention, Dec. 28; Easter, April 11-17, close of school, May 17.

DIAN expects about 600 students to begin school Aug. 28.

Earth Students

CC Graduates

ARTH -- Two students from Abilene Christian College will be graduated from Abilene Christian College in commencement exercises Aug. 17.

Ronnie Dale Dent is to receive a B. A. degree in government. Ronnie Mack Dent a B. S. degree in general business. Graduates of both are Mr. and Mrs. L. H. Dent of Earth.

Abilene Christian College will award 132 bachelor's degrees in 1967 summer commencement exercises scheduled for Aug. 17.

V. Hardegree, president of Arco-Bell Corp., Temple, will deliver the commencement address in the College Church at 8 p.m. A member of the Abilene Christian's Advisory Board, he is also a national chairman for the school's National Development Council.

with 36 teachers listed. The school reports new equipment in the home economics department including a new dishwasher, refrigerator, freezing unit and washer-dryer. Also school grounds have been improved. Officials say the school lost its band director last week and also lacks a public school music and choir teacher.

Tommy Lacey was named head basketball coach and assistant football coach. Registration is set Aug. 22-23.

for high school students and Aug. 25 for elementary classes. Aug. 22, seniors enroll at 9 a.m. and juniors at 1 p.m. Sophomores register at 9 a.m. Aug. 23 and freshmen at 1 p.m. Faculty meetings are set the morning of Aug. 24.

Aug. 25, at 9 a.m., grades one through eight will register. **WHITHARRAL** expects about 300 students this year and 18 teachers. A new high school principal, Louis McCormick,

will begin duties. Classes begin Aug. 28.

Grounds have been improved, the front of the cafeterium enclosed with a concession stand included in the enclosure, and improvements made in the gym. New science equipment has been added and new machines in the business department. Teachers' lounge and board room have been repainted and carpeted. Teachers will be in In-Service training Aug. 24-25. High school students will re-

gister from 9 a.m. to 12 noon Aug. 25, and grade school students will enroll the first day of school.

About 530 students will enroll at Anton, with juniors and seniors registering the morning of Aug. 21 and freshmen and sophomores that afternoon. Other students will register Aug. 28.

Classrooms have been air-conditioned and new teaching supplies acquired.

Thirty teachers are listed for the year. In-Service training for teachers will be Aug. 24-25.

The school has two new coaches, a new band director, new junior high school science teacher and English teacher.

Thanksgiving holidays are Nov. 23-24; Christmas, Dec. 22-Jan. 2; TSTA Meeting, March 1; Easter, April 15-19; baccalaureate, May 19, and senior commencement, May 24.

APPROXIMATELY 1,200

students are expected in Olton schools, with 61 teachers on the roster. Olton schools report a 20 per cent change in teachers.

Five new coaches and a new band director will fill posts. Students who have moved into Olton school district since the close of last year's school should register before Aug. 24. Senior high school students will pick up schedules and books Aug. 24.

A general meeting of all employees and teachers is set in the school cafeteria Aug. 26 at 9 a.m.

AMHERST will begin classes Sept. 5, with 400 students expected to enroll and 20 teachers on the roster. Registration dates have not been set.

A \$100,000 building project was completed in March. Detailed information was not available at press time from Pep and Spade.

PHOTO SHOWS Schiavon Giuseppe, one of top racing gondoliers of Venice and one of the outstanding stylists among gondoliers. Schiavon accompanied a Venetian team of gondoliers for special performance at the Olympics in Tokyo. Venice offers only two modes of transport; either you walk or go by waterway. Cars are left outside Venice. The gondola, of course, is the classic way by water. In modern times, canals are also used by barges, motorboats—and on the Grand Canal you can travel inexpensively by water bus, called "Vaporetto". Ferry service across canals are provided at numerous gondola stations. Price for a gondola ride is fixed at about \$2 hourly, without regard to number of riders with reason. Ferry service across canal is about a dime. Otherwise, you can take one of some 400 bridges by foot. "Street cleaning service" consists of a box, built to pick up bottles, orange peels, and other refuse floating in canals. Many Venetians object to motorboats and motorized barges because they create waves which are deteriorating foundations throughout the city. The city, incidentally, is slowly sinking.

AUSTIN'S TASTY CREAM

DON KNOTTS inflates his rubber raft and gets into it at the end of a space journey only to discover that he has landed on deck of the recovery aircraft carrier in a rib-tickling sequence in Universal's comedy in Technicolor, "The Reluctant Astronaut," to be shown Friday at 9:30 a.m. and again at 1:30 p.m., sponsored by The Leader-News and other local merchants. Mothers may leave their children to view the film while they do their back-to-school shopping.

FILM TREAT HERE

Nervous Bumbler Emerges As Hero

A nervous bumbler, afraid of heights, who finds himself embarked on a hazardous flight into outer space emerges as the hero of "The Reluctant Astronaut," scheduled at the Littlefield Palace Theatre Friday.

Two free showings will be made, the first at 9:30 a.m. and the second at 1:30 p.m. The Leader-News and other local merchants are sponsoring the showing so mothers may do their back-to-school shopping.

Starring in the comedy is Don Knotts, who used to play the role of the squeaky-voiced Deputy Fife in the Andy Griffin TV series.

"The Reluctant Astronaut" is a hilarious takeoff into orbit by the most unlikely astronaut of them all, Astro Knott emerging as the most unusual astronaut in history.

Don Knotts' talents are given full play and sensational results in unusual comedy is achieved. And while it is the star's antics that do most to tickle the funny-bone in the title role, he gets outstanding support from performers from his co-stars. Leslie Nielsen, a hotshot flier in real life, portrays a famous real-life astronaut in the picture. Joan Freeman and Jeanette Nolan provide the romantic flavoring for the film.

In "The Reluctant Astronaut" Knotts is a timid soul so afraid of heights and flying that he has to muster all his meager courage to retain a job as operator of a space ride at a children's amusement park. Without his knowledge, he is volunteered by his dotting father for training as an astronaut in Uncle Sam's space program. Through a bizarre set of rib-tickling cir-

cumstances he finds himself chosen to man a fully automated capsule rocketed into orbit. His numerous hair-breadth escapes from disaster are presented in Knotts' celluloid style of the galloping jitters, with even greater entertainment than in his former Universal picture, "The Ghost and Mr. Chicken."

Leslie Nielsen is the world-famous astronaut who befriends the little man several times. His sweetheart, played by Joan Freeman, has an important part in unwittingly sending Don into orbit. O'Connell's wife, and Knott's mother, is portrayed by Jeanette Nolan.

THOMAS MONROE AND LOU
 VENA LIGHT KEENAN
 (From the Collection of Stella
 Schrierer Cowart, 1898).

Mrs. Keenan is residing in
 Albuquerque, also.
 (Information by Elna Irene
 Burran, daughter).

CHARLES AND EMILY ANN
 VICKERS KEENAN
 1898

Tom Keenan was born Feb.
 3, 1875, in Cook County, Texas.
 As a boy he worked in the In-
 dian Territory (Oklahoma). At
 that time Geronimo was in cap-
 tivity at Fort Sill. Tom liked
 to tell about trading horses with
 the Proud Chief.

In 1891 he worked six months
 for the Matadores, then began
 working for the Yellow House
 Ranch and "cowboyed" for nine
 years. He filed on land in
 Lamb County in 1898 and trad-
 ed in cattle until 1901.

He married Lou Vena Light
 in 1903 in Tingleville, Texas.
 Their home was a stopping place
 for the cowboys. Sometimes
 it seemed they were running a
 hotel.

One time the Keenan's were
 going someplace in the buggy.
 They looked down and there was
 a rattlesnake lying on the floor
 board. They successfully re-
 moved it without harm, except
 the fact that Mrs. Keenan was
 almost frightened to death.

Keenan was sheriff of Lamb
 County from 1920 to 1924. Mrs.
 Keenan died in 1919.

In 1923 Keenan married Mary
 Wade Johnson. In 1924 he left
 Olton to ranch in New Mexico.
 He spent the remainder of his
 life in New Mexico, Arizona and
 Old Mexico. He died Nov., 1962
 in Albuquerque, N. M., where he
 is buried.

Three children were born to
 Tom and Lou Vena Keenan. Al-
 ton was born in 1903. He now
 lives in Fort Sumner, N. M. Pat,
 born in 1910, now lives in Nueva
 Casas Grande, Chihuahua, Mex-
 ico. He is a rancher. Elna
 Irene (Mrs. W. C. Burran) lives
 in Clovis, N. M. She has two
 sons, Pat and Edward. Her hus-
 band is a lumberman.

One son was born to Tom and
 Mary Keenan. Michael was born
 in 1924. He married Phillis
 Quick of Chicago, Ill. They have
 three children. Michael is the
 president of New Mexico's
 Claim Adjustor's Association.
 His home is in Albuquerque.
