VOLUME XXVI.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, OCTOBER 27, 1949.

NUMBER 32.

Bob Kirk Is Chairman Of Campaign Quota For City Has Been Set At \$14,000

With the opening of the annual Community Fund drive now a little less than three weeks away, and the opening kick-off breakfast set for Tuesday morning, Nov. 15, committees are redoubling their planning efforts, to insure the success of the drive, which this year asks for \$14,000, and emphasis made on the fact that every cent of it is needed—has been apportioned—and that the quota this year must be made.

The place and hour for holding the breakfast has not yet been decided, but this is only a minor formality.

Bob Kirk heads the drive this year, succeeding J. E. Chisholm, who served last year, and remains as a member of the directorate.

This Chest Drive is strictly a local affair and there is no affiliation with any state or national organization, which means that every dollar collected will be utilized and used for relief in Lamb county, and for the furtherance of such organizations and community projects as the Salvation Army, Boy and Girl Scout, Youth Recreation, Park Improvement, Library, Cemetery, and a substantial emergency fund.

DANGER STALKS THE RODEO

Number 77 has a close call as his foot catches in a stirrup when he is thrown during a recent performance of the Texas Prison Rodeo now being held every Sunday in October at Prison Stadium in Huntsville. Proceeds of each performance are deposited in the prisoner's Education and Recreation Fund.

Amarillo, and formerly pastor of this church immediately preceding the present pastor, will preach. In the afternoon beginning at 1:45 p. m. there will be a Home-Coming Fellowship meeting. An organ recital of sacred hymns will be followed by a period of congregational singing—singing the songs and hymns you love. After the song service there will be the "I Recall" meeting in which everyone will be given the privilege of telling the experience he "recalls" while connected with this church.

At noon an old fashioned basket dinner will be served in the church annex. All present members of the local Methodist church are invited to bring well-filled baskets of food. Mrs. A. K. Boyd and Mrs. C. M. Fulneaux are the food committee, and Mrs. Joe Salem is chairman of the entertainment. If you'd like to have a visiting member in your home on Saturday night and Sunday, she will be glad to help you out.

According to the pastor, Rev. Sherirl, the general public is invited to attend.

Features of the program are a drama and a pep rally on Friday night and a barbecue and a football game Saturday. The grid contest pits the Southwest Texas Bobcats against their arch rivals the East Texas Lions. Game time is 2:30.

Following the game is the Homecoming dance where the College favorites are to be presented.

GEMS OF THOUGHT

CHRISTIAN BROTHERHOOD
Our doctrine of equality and liberty and humanity comes our belief in the brotherhood of man, through the fatherhood of God.

—Calvin Coolidge.

The brotherhood of man is an integral part of Christianity no less than the Fatherhood of God; and to deny the one is no less infidel than to deny the other.

—Lyman Abbott.

The only hope of avoiding war is to accept Christianity as a way of life, not only in our private affairs, but in all public and international contacts.

—Hebrews 2:11

The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done.

For both he that sanctifieth and they who are sanctified are all of one; for which cause he (Jesus) is not ashamed to call them brethren.

—Canon Sheppard

The crest and crowning of all good, Life's final star, is Brotherhood.

—Edwin Markham.

Local Scouts Attend South Plains Council Meeting Friday, Saturday

Approximately 40 local boys from the two troops, attended the South Plains Council meeting of Scouts held on the Texas Tech campus at Lubbock, Friday night and Saturday. The group made the trip to and from Lubbock in the bus, owned by the local troops. Scout masters and officials who accompanied the boys were R. L. Cox, Jimmy Wommack, Carter McKemy and Wayne Brown.

W. A. Postma, council scout executive of the South Plains, was general manager and leader over the more than 1,000 boys who attended over the area.

Friday evening the group had a "sack" supper—each boy bringing with him his own meal. On Saturday, breakfast and dinner was served from a chuck wagon.

The highlights of the meeting, was the Arizona-Texas Tech football game, played in Tech stadium Saturday afternoon. The boys were given complimentary tickets, and the other important feature of the program was the first council-wide fire, ever to be staged on the South Plains. Ritualistic work was carried out at this time.

Timely Tips

Extension Foods and Nutrition Specialist, Texas A & M College

- Spicy applesauce cake was one of the favorite recipes of grand mother's day and it is still a simple, inexpensive cake for family desserts at apple season.
- Apple are plentiful—eat them raw, out of hand, in salads and in fruitcup. Scallop them alone or with sweet potatoes. Fry them with bacon, sausage or ham. Glaze apple rings as a fine garnish for spareribs and pork chops. Serve tart and chilled applesauce or apple butter for breakfast along with crisp toast or hot breads—For dessert, serve deep dish apple pie, apple crisp, apple dumplings or applesauce cake. For variation, serve apple sauce hot on gingerbread or crisp cookies.
- Vary the flavor with lemon juice or spices, such as cinnamon, nutmeg or cloves. Use spices in moderation. A pinch of salt brings out flavor. Do not let applesauce stand with nutmeg in it. That turns it bitter.

A Big Boost For Smitty!

Stepped into Smith's Department Store the other noon and saw the strangest thing. "Sis" Davis was coming up the stairs from the basement with a bundle of wash.

"Is Smitty taking in washing these days?" I asked. "Not quite," she says. "He's just put in a new automatic washing machine, so the girls who work here can get their laundry done while they're eating lunch. Means more time to relax at night and on weekends."

I thought what a swell boss Smitty must be. Human relations between the boss and employees

have certainly taken a big step forward during my lifetime.

From where I sit, people seem to be doing a better job of seeing our neighbor's viewpoint these days. Though his ideas and tastes may not be ours, we can understand his preference for a certain breakfast cereal, a favorite movie star, or for a temperate glass of beer or ale. That's the way it should be in a free country.

MULESHOE SCHOOL CARNIVAL TO BE STAGED FRIDAY NIGHT, OCTOBER 28

A chuck wagon supper that will satisfy the most exacting gourmet is promised as a feature of the annual Muleshoe School Carnival, sponsored by the PTA to raise money for the many activities of the student body.

The carnival will be held Friday evening, October 28, and the chuck wagon supper is scheduled to begin about 6 p. m. It will be served in the open on the football field. All carnival activities will be at the athletic stadium unless the weather forbids, Mrs. R. E. Herrington, PTA president, said.

This year there will be no solicitation of the citizens by the children as in former years. The PTA expects to raise money needed at the carnival, through sale of tickets to the supper, and through sales at the various booths and

exhibits on the carnival grounds. There will, however, be a solicitation for sales of supper tickets, which will be sold for \$1.00. Committees will be assigned a definite portion or zone of the town and an effort will be made to avoid duplication of effort, so the citizen will not be importuned by several to buy the tickets.

Mrs. Herrington said, however, that the PTA will accept donations from business people or from farmers for the food to be used in the supper.

Barbecued beef and the trimmings will be served. Therefore, the PTA will accept contributions of meat, beans, potatoes, tomatoes, eggs, cream, sugar, etc.

In former years much of this food has been contributed which

leaves the PTA more money for its school fund.

Everyone in the community is invited to attend this carnival and enjoy themselves and at the same time help their school.

The PTA yearly contributes big sums for the band, pep squad, or other school activity not financed by district tax funds.

That Nagging Backache
May Warn of Disordered Kidney Action
Modern life with its hurry and worry, irregular habits, improper eating and drinking—its lack of exercise and indigestion—brings heavy strains on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.
You may suffer nagging backache; headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

BULL LAKE PHILOSOPHER WORRIED OVER ACREAGE CUT ABOUT LIKE HE WOULD BE OVER A CUT IN HIS TAXES

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake is expressing his own lazy views and not necessarily those of anybody else in his letter this week.

Dear editor:

From what I been readin and hearin out here lately, farmers all over the state are worryin about the government's program to restrict cotton acreage next year.

One farmer I know who hasn't gotten through worryin about the high price of pickin this year and the scarcity of hands is already worryin over the fact he may not get to plant as much of the stuff next year as he did this year.

Says he planted 60 acres this year and they may cut him to 48 next year. Doesn't make sense to me. Just as soon worry over the prospect of havin fewer in-laws visit me next year. Just as soon worry over havin to fish more next year than this year. Just as soon worry over the fact somebody was tryin to cut my taxes. As far as I'm concerned, they

can restrict the cotton acreage all they please and you won't hear much squawk out of me. It's when somebody starts talkin about increasin my allotment that gets me.

In fact, over-expansion is the trouble with lots of folks. If a man makes a little profit on ten acres, he figures he could make twice as much on twenty, four times as much on forty, and so forth. If a man is doin well with a small store, he figures he'll do twice as well with a big one, but it don't always work out that way.

You can get busted from gettin too big as well as from bein too little. I know a farmer who figured if one tractor would make him a livin, four tractors would make him rich, and maybe it would, only today all four tractors are motgaged and he ain't no nearer to bein rich than I am. Also, I know a groceryman who figured if one store would pay, he ought to get him a store in towns all up and down the road and clean up, but all it amounted to was a increase in worryin but not in profits. Some folks can expand, but others just explode.

Personally, I never could see any sense in me takin on more land when I ain't workin what I got like

Must File Claims For Social Security Payments Due

Social security benefits to 65 year old workers and to the families of workers who die are not paid automatically. Mr. John G. Hutson, manager of the Lubbock social security office, cautioned.

In every case where payments are due a claim must be filed with the social security office to start the ball rolling. The law places a limit on the number of back payments that can be made when a claim is not filed promptly and no more than three months' back benefits can be paid.

When a 65 year old worker stops work, he should get in touch with the social security office, without delay. When a worker dies, someone in the family should make it a point to inquire about possible benefits to the survivors. In either case if action is delayed more than three months after death or retirement, one or more monthly payments might be lost.

Inquiries should be addressed to the Social Security Administration Field office, Box 1401, Lubbock, Texas.

A Quarter Horse Type Conference will be held on the campus of Texas A & M college, October 28-29.

To save time and unnecessary re-reading, mark times and temperatures in recipes with a red pencil.

it ought to be.

I'm in favor of everybody workin as much as they want to, and maybe I ought to be worried too about restrictin cotton or anything else involvin work, but it just don't strike me that way. In fact, I'm head and shoulders above the government. Been restrictin my farm in otu here for years.

Yours faithfully,
J. A.

Plains Oil Industry Going at Fast Pace

LUBBOCK, Oct. 26. South Plains farmers are in the midst of harvest of the largest cotton crop in the area's history, one which will pour from 200 to 250 million dollars into their pockets.

But there is another "cash crop" gathered from beneath the South Plains soil that has reached such proportions that few realize it is one of the major industries of the area.

That crop is oil—production of which last year totaled 76,804,795 barrels in eleven counties in the area for a total worth of approximately \$182,000,000.

Of course, oil men point out, all of this money doesn't go directly to the land owners as in the case of a cotton crop, but there are so many channels in the oil industry that it eventually benefits indirectly all phases of the area's economic life.

As "Oil Progress Week" is being observed throughout the nation this week, it is well that we take a look at the South Plains oil industry, which is still a mere infant, but growing lustily day by day.

First discovery of any sort of oil well in the area was in 1923 in Scurry county, which is again in the spotlight as a booming oil field after a lull of nearly twenty years.

Garza county, which saw its first discovery in 1926, has experienced a similar period of activity as Scurry and during the past several years production has risen rapidly with the opening of new fields and drilling deeper tests.

But the bulk of the oil development on the South Plains has been since 1936 when discoveries were made in Yoakum, Gaines and Cochran counties.

Since that time, two of the counties, Yoakum and Hockley, which had its discovery well in 1937, have produced a total of 100,000,000 barrels of oil. Gaines county

isn't far behind with a total of 81,623,974 barrels to date.

Three of the counties, Gaines, Hockley and Yoakum, produced more than the million barrels of oil last year and Yoakum county ranks seventh in the state in production with a total of 25,221,881 barrels during 1948.

Since opening their discovery fields the eleven oil-producing counties in this area, Cochran, Dawson, Gaines, Garza, Hale, Hockley, Lamb, Lubbock, Scurry, Terry and Yoakum, have produced a total of 305,198,792 barrels of oil—Lubbock Avatanche.

COUNTY	Year Of Discovery	1948 Production	Total Production To Jan. 1, 1949

Springlake Ends Winning Streak Of Hale Center

Springlake's Wolverines ended the four-game winning streak of the Hale Center Owls at Hale Center Friday night when they overran them, 39-6, in a District 3-B conference game before about 500 fans.

The Wolverines used their eight-pound weight edge in the first quarter to drive from midfield to the Owl 18-yard line. But a five-yard penalty lost them their first scoring opportunity and allowed Hale Center, defending champions, to struggle back to their own 43 as the quarter closed.

The second quarter saw the Wolverines get a lucky break when, on the fourth down and with 25 yards to go, they punted nine yards downfield. Hale Center fumbled the ball and Springlake recovered. Wolverine joy was shortlived, however, as the next play resulted in a Wolverine fumble that left the Owls in possession of the ball.

Aided by a 15-yard penalty against Springlake for clipping, the Owls began their goal drive from the Wolverine 18. Several plays later, Quarterback Jerry Johnson handed off to Fullback Ed Weil who went over center from the four to score the lone Hale Center tally. The try for the extra point failed.

The Owls kicked off and Springlake ran the ball back to their own 38. The next play Wolverine Quarterback J. J. Barlow tore off guard and traveled 62 yards for a touchdown. The pass for the extra point failed.

As the half neared, the Wolverines cut loose again, sparked by fast stepping Back Junior Smith. The 52-yard drive ended when Smith scored through center from the Owl two on a line plunge. Barlow kicked the extra point. Minutes into the third quarter, point.

The Wolverines roared down field again, climaxing their 59-yard drive when Barlow pitched out to Smith, who scored from the nine. The try for extra point was not successful.

Hale Center fought back, pushing to the Wolverines ten-yard line where they lost the ball to Springlake on downs.

The final frame found the desperate Owls taking to the air to try and bridge the long touchdown difference. Hale Center again clawed deep into Wolverine territory to lose the ball on the Springlake 15.

The Wolverines drove back to midfield before they were forced to kick. The Owls lost the ball on a fumble on their own 32-yard, two plays later to set up the Wolverines for another touchdown. Barlow went the remaining distance around end on the next play to score. The try for the extra point failed.

The Owls resumed their pass barrage until Smith again intercepted, going this time to the Owl 19. Fullback Bill McClement plowed through center to score the final Wolverine touchdown three plays later. Barlow kicked the extra point.

Fast Olton Team Wins At Farwell

The Farwell Steers were smashed 40-6 by the speedy Olton Mustangs in a District 3-B conference tilt at Farwell Friday night.

Sparked by a strong passing and running game, the Olton eleven forged ahead early in the game and stayed out front from there on in.

First score for the Mustangs was made in the first quarter by Huck Nichols with a gallop around right end for 19 yards. The Farwell eleven took its six points in the third quarter with a pass.

Outstanding players on Coach T. M. Cox's Mustangs' team were Jackie Lee, Garland Rose, Huck Nichols, Jimmy Millsap, and Gerald Alcorn.

On the Farwell Steers, coached by Louis Purvis, notable gridders were Pete Huges, Bobby Dollar, John Christian and Melvin Terry.

Whitharral Loses 18-6 To Friona

A fighting Friona football team downed an underdog, the Whitharral eleven, 18-6, at Whitharral Friday night before nearly 500 fans. This was a district 3-B game.

Neither team is in the running for the district title. Friona drew first blood when they racked up 12 points in the second quarter. Back Tommy Loevell went around left end for the score when a sustained ground attack had put Friona on the Panther 14-yard line. His try for the extra point was not successful.

Minutes later Friona scored again when Loevell passed to end John Parker for nine yards and a score. The conversion attempt failed.

Friona came back strong to make its final touchdown minutes before the final game. It came when Back Roy Jones plunged over center from the Whitharral four-yard line.

Outstanding for the Chiefs were Glen Hughes and Dan Throckmorr. The attempted conversion failed.

LOCALS TO GO INTO TILT DETERMINED TO AVENGE LAST YEAR'S DEFEAT; GAME TO BE WARMUP FOR SUDAN ENCOUNTER

Littlefield's Wildcats, after a week's rest, will take on the Sundown Roughnecks Friday night at Seely stadium. Game time is set at 8 o'clock.

Pickin' 'em

By JIMMIE CHAPMAN

Last week was another one of those "good" weeks we got all nine of our picks right. That brought out total to 50 right out of 55 picks which is a good standing in anybody's league.

This week there are no hard ones but let's not be fooled by that.

LITTLEFIELD over SUNDOWN.—Should be a one-sided score if Fikes leaves his first team in there. We hope he doesn't unless he has to. Those second string boys will need the experience next year when they take over the positions left vacant by graduations.

LEVELLAND over POST.—This is about the hardest one this week. Both are "fair" teams, but we believe we will stick with the North Half Lobos.

OLTON over ANTON.—Mustangs will get a tough test, but should come through it with another win. It's their home-coming game and they want to put on a good show for the home folks.

SPRINGLAKE over SPADE.—In one word: "SLAUGHTER."

HALE CENTER over WHITHARRAL.—The Panthers are too weak for the Owls. The Owls should win easily.

FARWELL over AMHERST.—The Steers have a good team, but the Bulldogs are improving with every game.

SLATON over O'DONNELL.—The Tigers will pull into a two-way tie for first place with Post as the Antelopes play out of conference competition.

DENVER CITY over TAKOHA.—Both are weak so this game will be no surprise whichever way it goes. The Mustangs have a better record.

GAMES Scheduled For THIS WEEK

- Sundown at Littlefield.
- Levelland at Post.
- Anton at Olton.
- Springlake at Spade.
- Whitharral at Hale Center.
- Farwell at Amherst.
- Dimmitt at Friona.
- O'Donnell at Slaton.
- Tahoka at Denver City.

The Cats will enter the game heavy favorites and in top physical condition. All players will be ready to play Friday night including Charles Askew who has been out with a sprained ankle.

Coach Jay Fikes' crew will be out for revenge from a 6 to 0 defeat handed them last year by the Roughnecks. The game was heavily discussed afterwards because of the fact that the Wildcats had two touchdowns called back. The result of the game caused the North Half to end in a three-way tie after the Cats defeated Levelland later 7 to 6.

This year's game should produce more scoring because Coach Fikes will use it as a warmup affair for the important Sudan game the following Friday.

Olton's Mustangs galloped nearer the District 3-B football championship last week by routing Farwell, 40-6, for their sixth consecutive conference victory.

With only three district games to play, Olton now appears to be a "shoo-in" for at least a share of the title.

Hale Center, which has been Olton's No. 1 challenger for top honors, was rudely bounced from the unbeaten list last week as Springlake roared to a 39-6 win over the Owls. It was the first setback after four straight district triumphs for Hale Center, defending district titlist.

Dimmitt edges Anton. Dimmitt, loser only to Olton, preserved its fading chances in the first-place scramble by edging out Anton, 18-12. The victory kept Dimmitt in second place in the official standings.

Olton faces a tough assignment this week against Anton, which is dangerous despite its two conference reverses.

Dimmitt journeys to Friona, while Hale Center is at home against weak Whitharral. Improving Springlake is at Spade, while Farwell travels to Amherst.

LOCAL GRIDSTERS TAKE THREE OUT OF FOUR GAMES IN WEEKEND TILTS

Last Friday the Wildcats were idle, but they were about the only team in Littlefield that was inactive.

Friday afternoon, Coach Patterson sent his Seventh grade and Freshman teams to Abernathy for a pair of games with the Antelopes.

The Seventh grade lost their game by a score of 42-0. They had to play the Abernathy Eighth grade and were outweighed as well as out-experienced.

The Freshman team scored a 38-2 victory over the Abernathy "Frosh" team behind the good quarterbacking of C. R. Rhoten and the hard running of Fullback Jackie Beckner. The Freshmen have a very good team this year and so far are undefeated.

Friday night, at Seely stadium, the Eighth graders took on the Eighth grade team from Ralls and handed them a 19 to 0 defeat.

Donny Walker scored all three of his team's touchdowns. He was given able assistance by a hard running, fast charging line.

Another game followed this one. It being the Wildcat "B" team against the Ralls Jackrabbit "B" team.

Coach Martin's "B" team took an early lead and never was threatened in this encounter.

M. C. Morham ran 70 yards to score in the second period. Billy Cowan ran for two and Joe Walder made one to give the Wildcats a 27 to 0 victory over Ralls "B" team.

Roughnecks Lose To Mules In Sundown Field Dedication Game

The Muleshoe Mules defeated the Sundown eleven, at Sundown Friday night in a District 4-A (N) football game, by a 38-13 score before a crowd of 1,000 persons who turned out for the dedication of the new football stadium.

Neither team had turned in any wins in conference play to date.

Bob Goss of Muleshoe spared their winners by personally scoring three touchdowns and making three extra points. Goss, who played halfback, went 30 yards around right end and 10 and 12 yards through the center for his touchdowns. The other Muleshoe scores were made by Ed Nichols and Billy King.

For the Roughnecks from Sundown, Quarterback Neil Peary scored both touchdowns. For the first six points midway in the first period he took a kickoff fol-

lowing a Muleshoe touchdown and raced back 80 yards for the score.

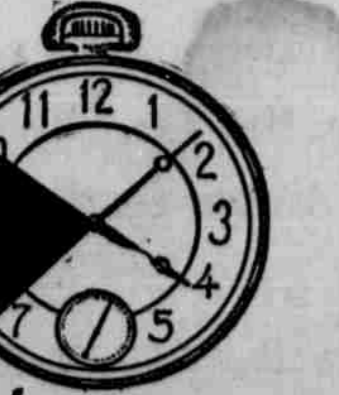

The second touchdown by Peary came on a 15-yard off-tackle slant late in the third period. The extra point was kicked by R. E. Hensley.

Muleshoe gained 294 yards on the ground, while Sundown only made 166. In the first down department, the victors had 14 to the Roughnecks eight.

Outstanding in the Sundown line were Dick Smith and Bruce Duckworth.

LAST WEEK'S RESULTS

- Sudan 32, Morton 13.
- Muleshoe 38, Sundown 13.

Whiteface Girl Wins 4-H Trip

Mary Helen Keith, 17, daughter of Mr. and Mrs. G. C. Keith, Whiteface, Cochran county, is the 1949 winner of the Texas 4-H Girls' Record Contest. The announcement was made by Floyd Lynch, state 4-H club leader of the Texas A.&M. College Extension service. Her award will be an all-expense trip to National 4-H Club congress, in Chicago.

She is a member of the Opportunity 4-H club and is completing her sixth year of work. She is a senior in high school, a Gold Star girl, a State fair honor award winner and the holder of many other medals and ribbons won in county and district competitions. She has completed demonstrations in clothing, food preparation, bedroom improvement, poultry, gardening, beef cattle, and landscaping.

Her leadership record shows that she has been president of her local club three times; is now president of the county 4-H council, secretary of the district two girls organization and is junior leader of the Whiteface Grade School 4-H club. Mrs. Cecil Masten is leader of the senior group and Miss Mabel Ann Manley, Cochran county home demonstration agent, has supervised Mary Helen's demonstrations.

4-H work has long been a family affair with the Keiths. An older brother and sister have both won trips to National Club congress and it was just natural for Mary Helen to follow in their steps. From her garden have come the fresh vegetables for the family and enough were canned to take care of a big part of the winter needs for the family.

Here are a few of her achievements: canned 587 containers of food; clothing, she made 170 garments for herself and other members of the family; raised 512 chickens; improved her bedroom; fed out and sold five beef calves and has found time to help with a lot of other work in the home and on the farm. She has attended county and district camps and is a recognized recreation leader. Dress revues are nothing new — there's been several and she has her share of the prizes. In 1948 her entry in the Chicken-of-Tomorrow contest placed ninth and she's found time to make clothing

for the girls of Girlstown, U.S.A.

She says, "My 4-H experiences have been educational and I have derived much pleasure from them. I have profited in many ways. I have no plans whatsoever of quitting 4-H work. In fact, I would like very much to continue as long as I can, as a member, and then help other girls as their leader."

The Girls' record contest is sponsored by Montgomery Ward, Chicago. This company also furnishes the medal of honor for the county winner, the trip to Club congress for the state winner and six \$300 college scholarships for the national winners. Mary Helen's record will be entered in the national contest.
