## MRS. P.W. WALKER

# Pioneer Resident Killed In Accident

## Two Injured In Other Accidents

Mrs. P.W. (Lucille) Walker, longtime Littlefield resident, was killed in a one-car accident at 12:05 p.m. Wednesday afternoon on Highway 84 about two and a half miles west of the Littlefield city limits.

Department of Public Safety officers Weldon Parson and Bill Angel reported that Mrs. Walker was headed west on Highway 84 when she apparently lost control of her vehicle on the slippery pavement and it went across the highway and slammed sideways into a large tree near the highway.

Mrs. Walker was pinned in the car, a 1961 Cadillac, and a wrecker had to be used to pull the vehicle from the tree so Mrs. Walker could be freed from the car. She was pronounced dead on arrival at Medical Arts Hospital.

The victim, the widow of the late P.W. Walker, was born July 12, 1901 in Fannin County. She taught school here a number of years and was married to Phelps White Walker in 1920. He preceded her in death May 13 of this year.

Her husband was associated with his uncle, the late James Phelps White, in ranching business and later was owner and operator of a grain elevator here for many years.

Both Mr. and Mrs. Walker were longtime residents of the First Presbyterian Church.

Funeral services are being held at Hammons Funeral Home.

She is survived by one daughter, Virginia McCarty and a grandson, Phelps Walker McCarty, both of Littlefield.

Three other accidents within the city limits of Littlefield the past week caused approximately \$1,400 damages to the six automobiles involved and injuries to five year old Letecia Gonzales and two year old Eva Gonzales, the daughters of Mr. and Mrs. Balente Gonzales, Sudan.

Eva suffered head injuries in the collision and is reported in fair condition at Medical Arts Hospital while her five year old sister received a leg injury and is reported to be in good condition at the same hospital. They were passengers in their father's vehicle which had slowed down to make a turn off of West Delano when a car driven by Sammy Smith, Littlefield struck it from behind. Smith was also headed west on Delano and had just moved into the right lane of traffic.

The third accident within a month at the intersection of Highway 84 by-pass and Highway 54, Monday caused approximately \$500 damage to the cars involved but no injuries were suffered by the cars' occupants.

A 1962 Cadillac driven by Maude Gibbs, Brownfield which was going south on the by-pass was struck in the left side by a car driven by Clossie Gainer, Littlefield, Gainer who was headed west on Highway 54 was cited by the police for failure to stop at the stop sign.

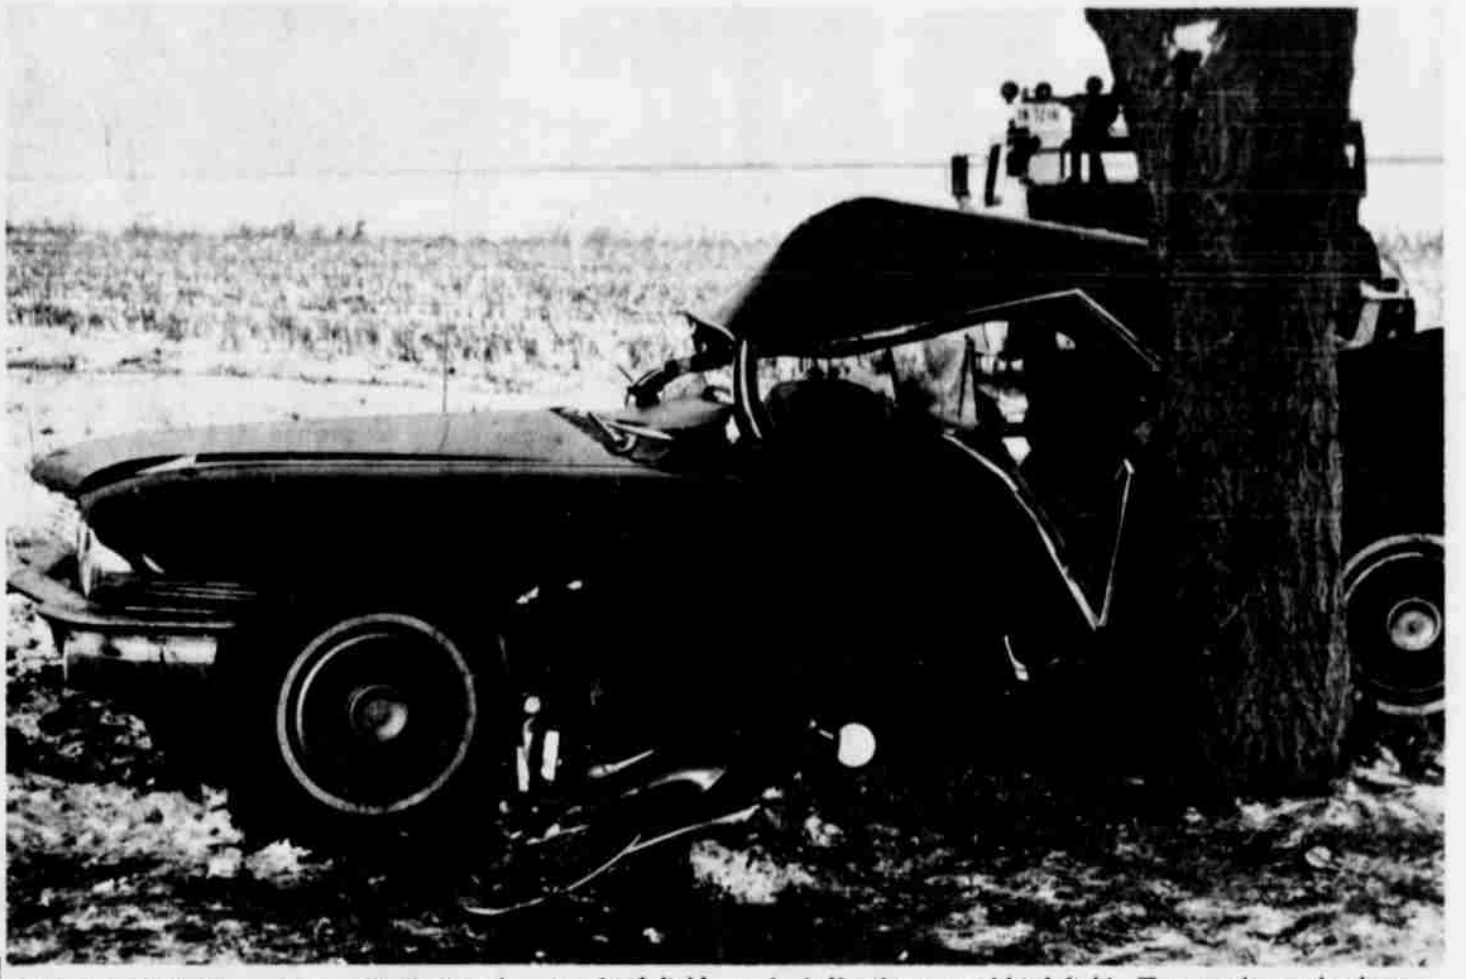

The collision caused \$300 damage to the Gibbs vehicle and \$190 to the Gainer car.

An accident at 8 a.m. Tuesday morning at the intersection of Littlefield Drive and Delano resulted in \$156 damages to cars driven by William Glover, and John Jones both of Littlefield.

Glover, headed east on Delano slowed down to make a right turn and his 1966 Mustang was struck in the rear by the vehicle driven by Jones. Jones applied his brakes in an attempt to stop, but lost control of his vehicle when it skidded on wet pavement.

The left front fender of the Jones vehicle hit the right rear of the Glover car and then slid into a light pole.

In other police activities two persons were charged with drunk in public and one person charged with simple assault on a female. All were assessed fines and released.

FATAL ACCIDENT -- Mrs. P.W. Walker, longtime Littlefield resident was killed at noon Wednesday when she lost control of her automobile, while headed west on Highway 84 about two and a half miles west of Littlefield. The car slammed sideways into the tree. Mrs. Walker was pronounced dead on arrival at Medical Arts Hospital.

## Draft Board To Induct Ten

Texas Local Draft Board 4, which includes Lamb County, will induct 10 men into the armed forces on January 5 while another 80 will report for their physicals on that date.

They will be part of the 1,475 men to be inducted into the armed forces throughout the state during January. Colonel Morris S. Schwartz, State Selective Service Director stated, "The January quota of 1,475 is the Texas share of a national call for 38,280 men, 29,300 for the Army and 8,980 for the Marine Corps."

Colonel Schwartz also announced that 9,575 men will be forwarded to examining and entrance stations during January to undergo the draft physical and mental examination.

Local board quotas for both induction and examination are scheduled to be placed in the mail to the boards Friday.

The January quota for induction will be filled with single and childless married men, 19 through 25 years old, and volunteers who have not attained the age of 26.

No married men with children, or an expected child, will be selected to fill the January call.

"Draft boards must have the information about children, of course," Colonel Schwartz said, "and an unborn child must be certified by a physician. Otherwise, a young husband and father may find himself selected."

## Wildcats Down Morton For Third Win Here

The Wildcat team continued to remain unbeaten at home as they downed the Morton Indians 50 to 39 to make it three straight wins at home and bring their season record to five and five.

Led by Steve Lewis with 14 baskets and Wilmar Williams with 13, the Wildcats hit 22 from the field and nine out of 17 from the charity lane while the Indians were able to get only 14 baskets and 11 of 17 free throws. Jumping Jimmy Joyce kept the Indians within hailing distance as he hit for 19 points.

The Wildcats jumped off to a 9 to 0 lead in the first four minutes and were never headed as the losers were able to tally only one field goal in the entire first quarter. Lewis and Kevin Hutson accounted for the winners' first 12 points as Lewis got five points and Hutson hit for all his seven points during the first eight minutes, as the Wildcats held a 13-5 lead at the end of the quarter.

The losers outscored their hosts in the second period as they got 11 points including four straight free throws by Freddy Thomas to pull to a 23 to 16 deficit at half time.

Williams and Lewis led the Wildcats' third period attack as they combined for 13 of the 17 points as the Wildcats pulled out to a 40 to 26 lead after three quarters as they gotten straight points.

Joyce led the losers attack in

the final quarter as he garnered ten of the 12 points made by the Indians but the Wildcats were never threatened as free throws by Randy Hutson and Williams kept the Wildcats safely on top.

In addition to the top three scorers, Phillip Pace, Randy Hutson and Buster Smith each added six points to the Wildcat total while Byron Willis got nine for the losers.

Tuesday was the Wildcats last home game until after the first of the year when they will open their District schedule by meeting Brownfield here January 4. They will compete in the Tullis tournament this weekend and will travel to Muleshoe next Tuesday for a return engagement with the Mules.

The Junior Varsity also won Tuesday night, downing the Morton 'B' team 44 to 38 behind the 23 point point outburst of Nevill Manning. The winners erased a 12 point deficit early in the second half on their way to their victory.

## Twenty Homes Entered In Home Lighting Contest

Twenty entries were received in this year's Home Lightin Decoration contest sponsored by the Littlefield Chamber of Commerce.

## Court Purchases Motor Grader

The Lamb County Commissioners' Court approved the purchase of a new motor grader for Precinct 1 as they held a regular meeting Monday.

The contract was awarded to the Plains Machinery firm of Lubbock on a bid of \$14,186. The other bidders were West Texas Equipment Co. of Lubbock who submitted a bid of \$14,500 and Ribble Machinery firm of Amarillo who submitted a bid of \$13,783 for a smaller grader and a bid of \$16,250 for a larger type motor grader.

In other business the Commissioners passed an order to pay Lamb County Electric Cooperative a total of \$2,475.43 for two projects of removing and re-locating electrical pole line facilities.

The Commissioners' Court also approved the monthly reports submitted by County Agent W.R. Kimbrough, assistant county agent Ronny McNutt and Lady Clare Phillips, County Home Demonstration Agent.

## TEXTBOOK COMMITTEE School Board Approves Hiring Of Two Teachers

The school board approved the hiring of two new teachers in the Littlefield school system at their December meeting Monday evening, and also the application for retirement by Mrs. Ellie Vincent.

Mrs. Sharlot Rouquette was hired to replace Mrs. Vincent who is retiring at the end of the mid term this year. Mrs. Vincent has been a teacher in the school system here for the past six years. Mrs. Rouquette, a graduate of Texas A & I is presently residing in Lubbock with her husband who is attending Texas Tech.

The other new teacher hired was Miss Gwyn James, who will also start teaching in the school system following mid term. She will teach art replacing Jay Bridwell who has previously submitted his resignation to the board.

A textbook committee was appointed by the board to investigate and select books to recommend for adoption in the Littlefield schools. Appointed by the board were Superintendent Paul Manning as chairman and Lucille Betts, Wilmoth Carmickle, Rowena Dilworth, Iona Donnelly, Lou Driskill, H.C. Hoover and David Tullis.

Also appointed to the committee were Thelma Duval, Jessica Fincher, Pat Goodwin, Iris Hamm, Beryl Harris, Marguerite Heathman and Irene Lynn.

The textbook committee will study approximately 140 books which have been adopted by the State Board of Education for possible use in the Littlefield schools.

Among the books to be studied by the committee are many on basal reading through the third grade and supplementary reading also through the third grade. Most of the textbooks on basal reading will be adopted.

Other books to be considered will be Spanish books for grades three through six with the committee to select one or two of the five textbooks submitted to it.

Other books to be selected will be trigonometry, chemistry, economics, mathematics, Spanish and English composition all on the high school level.

In other action the board re-appointed David Tullis as school census trustee.

The board then continued their review of written policies and made several changes which will become effective in the 1966-67 school year.

## RESPONSE GROWS "SHOES" Drive Strives For Goal Of \$400.00

The drive to raise funds, to purchase shoes for needy school children, through "SHOES" is progressing at a rapid pace as the first three days of the appeal has seen close to \$100 of the \$400 goal come in to the Littlefield Publishing Company's office.

The need for shoes, for about 80 school children, is one of the most critical in the community. School personnel say there are about that number now attending school who do not have adequate shoes. There are also a number of children not enrolled in school because they have no shoes.

Because of the importance of fit, in footwear, the best way to furnish the right type of shoe is through the purchase of new ones which brought about the organization "SHOES".

Since the drive was started, Sunday, the people of the community have responded in wonderful fashion. Den Seven of the Cub Scouts brought in a donation Monday afternoon, saying in the past they had purchased Christmas gifts for each other but this year they wanted to help provide for others, so in the spirit of the season these young men gave their gift to provide shoes for those who have none.

It is hoped enough money can be raised during this season to start accepting applications for new shoes the first part of 1966. The organization has made arrangements with the Littlefield merchants to purchase the shoes for about \$5.00 per pair which would mean the \$400 goal would furnish at least one pair of shoes for each deserving, needy child. If the goal is to be reached, your help is needed. Make your checks out to "SHOES", and mail it to P.O. Box 72, Littlefield.

A complete list of those contributing to the drive, through Wednesday morning, includes:

Mr. and Mrs. Buck Howard	\$5.00
Anonymous	25.00
Anonymous	15.00
M.M. Brittain	10.00
Den 7, Cub Pack 666	2.50
Art Club of Lfd.	25.00
Total to Date	\$82.50

## Schools To Start Holiday

Students in the Littlefield School system will start their Christmas vacations earlier than students attending schools in the area.

The Littlefield schools will close at 2 p.m. Friday, December 17 and classes will resume on January 3. Busses will run at the close of school Friday.

Other schools throughout the area will continue classes through a portion of next week. Sudan, Amherst, Spade and Anton schools will all dismiss following classes on Wednesday, December 22, while the Whitarral school will close at the conclusion of classes on Thursday, December 23, with all schools reopening for classes on January 3.

The reason for the longer vacation for the Littlefield students is that they started classes approximately one week earlier last fall than the surrounding schools.

## ONLY 8 SHOPPING DAYS TILL CHRISTMAS

## THURSDAY IS Family Night Last Chance To See Santa

Out Mom, here they say. Our school officials have urged our children and are urging them to our care for the week period. We know one should where the routine is to be upset for the full weeks and bet there are some where the kids will be a fine time during the vacation, highlighted, of course, by Christmas Day and that it brings.

Hearts were warmed this week as we kicked off the drive to purchase shoes for the needy children of the community, by the presence of seven members of the Cub Pack 666, with their men to be congratulated for the attitude and conduct they have demonstrated. These less fortunate than we think is the true spirit of Christmas and are urged when our children are in this manner.

LWML OFFICERS -- Mrs. Roger Sell, right, will serve as new president of the Lutheran Women's Missionary League of Emmanuel Lutheran Church during the year of 1966. Serving with her are, left to right, Mrs. Curtis Wilkinson, secretary; Mrs. Alex Kraushar, treasurer; Mrs. Clarence Hobratsch, reporter; and Mrs. Gene Bartley, Christian Growth chairman. The picture was taken at the Christmas party held by members and their husbands Sunday night.

## Events Of LWML Planned At Final Meeting Of Year

The LWML of Emmanuel Lutheran Church met Friday afternoon at the church for the final business meeting of the year.

Mrs. V.J. Hobratsch gave the devotion taken from Matthew and a Christmas carol was sung to open the meeting. Mrs. Roger Sell read the Christmas story from Luke.

A Christmas supper for the members and their husbands was planned for Sunday evening. Also a family Christmas party was set for Friday, Dec. 17 at 6:30 p.m. Gifts will be exchanged and secret pals revealed. Those attending are asked to bring sandwiches, cookies and fruit.

The group voted to send the birthday fund money to Terra

Bella, Calif.

New officers for the year are Mrs. Roger Sell, president; Mrs. Curtis Wilkinson, secretary; Mrs. Alex Kraushar, treasurer; Mrs. Clarence Hobratsch, reporter and Mrs. Gene Bartley, Christian Growth chairman.

Refreshments of Christmas coffee cake, brownies and coffee were served to four guests, Rev. William Remmert, Mrs. Florence Synatsch, Mrs. Martin Hobratsch, Mrs. Hubert Gohke, and members: Mmes. V.J. Hobratsch, Roger Sell, Clarence Hobratsch, J.E. Wuthrich, Ed Drager, W.W. Birkelbach, Curtis Wilkinson, John Stockinger, James Siems, Alex Kraushar, Gene Bartley, Arnold Neumann, William Rem-

mert, Carl Reinsch, and H.E. Gohke.

The next meeting will be January 14 at 2:30 p.m.

## Organizations Assist With Library Improvement Project

According to Mrs. R.B. McQuatters, chairman of the Library Improvement Project, much has been accomplished lately toward improving the County Library by the Commissioner's Court and various clubs and organizations who are cooperating in this project.

Since the enlarging of the library and the addition of new metal bookshelves and the new work area for the librarians recently completed by the Commissioner's Court, it was decided to paint the walls in the other section to match those of the new addition.

A new adult reading center complete with a reading table and a new large International Dictionary and stand has been established by the Woman's Club.

A kindergarten table is being constructed for the children's reading center and Beta Sigma Phi Sorority has ordered kindergarten chairs and has secured a record player. They will also sponsor the Children's Story Hour beginning about the first of the year.

The Littlefield Art Club has made a survey of the space appropriate for art exhibits and plan to exhibit some of their work soon in the library.

About 350 books were secured by the Lions Club and 100 recently published books have been ordered by the Library Board. A number of other books were donated by individual citizens and various organizations.

Mrs. McQuatters states that more money is needed for the

purchase of a new metal filing cabinet and to help pay for the new shelving. She solicits the cooperation of every citizen and organization in the promotion of this Community Improvement Project. Anyone wishing to contribute may contact Mrs. McQuatters, chairman of the project, or Mrs. C.O. Stone, chairman of the Library Board, or Mrs. Jack Hicks, the county librarian.

## Miss Thaxton Given Honors

Mrs. Jessie Jones, Mrs. Bessie Ford, Littlefield; and Mrs. Roy Young of Bula entertained with a breakfast and kitchen shower in the Q. T. Bellomy home Sunday morning honoring Miss Karen Thaxton, bride-elect of William Lee Bankston.

The table centerpiece featured blue flowers surrounded by white angels.

Sausage, eggs, hot rolls, coffee and orange juice were served.

Attending were the honoree, her mother, Mrs. Ewing Thaxton, her grandmother, Mrs. Katie Greene, Melaine Cantrell, Sandra Smith, Elaine Bridges, Diana Walker, Bobbi Kirk, Betty Taylor and Lana Burkett and Sandi McCool of Tech. The hostess gift was an electric percolator.

## Miss Wilson To Have Private Piano Recital

Miss Sharon Wilson, daughter of Mr. and Mrs. B.M. Wilson of Sudan, will be presented in a private piano recital in the Sudan High School Auditorium, Saturday, Dec. 18th at 7 p.m., by her teacher, Mrs. Judy Hunter, with whom she has studied the past two and one-half years.

Miss Cynthia Wiseman, daughter of Mr. and Mrs. Buddy Wiseman of Sudan will be guest on the program and play several numbers.

Sharon, an eighth grader in the Sudan school will play the following selections: Two-Part Invention in A minor by J.S. Bach; Cuban Holiday by Donald Phillips; Sonata #6 by Muzio Clementi; German Dance by Ludwig van Beethoven; Baby Elephant Walk by Henry Mancini; Hurgary by Carl Koelling; Blue Moon by Hart & Rogers (arr. Roger Williams); Rome Adventure by Max Steiner; Love Is a Many Splendored Thing by Fain & Webster (arr. Roger Williams); Warrior's Song by Stephen Heller;

12th St. Rag by Euday Bowman (arr. Liberace); Vocal Selections: Tonight by Sondheim & Bernstein; Tammy by Livingston & Evans; Wouldn't It Be Lovely by Lerner & Loewe; Get Me To The Church On Time by Lerner & Loewe; Are My Ears On Straight by Mel Leven; Silver Bells by Livingston and Evans.

Guests will be greeted by Mr. and Mrs. Wilson assisted by Kathy Rice, Connie Lance, and Cynthia Wiseman.

The public is invited to attend.

GARDEN CLUB PARTY - Mrs. Martin Reddy Room, Mrs. Parmer, left, was hostess and Mrs. Corry presided during the business meeting. The angel centerpiece was made by Mrs. Bill Nicholas.

### Holiday Dinner Given By Classroom Teachers

Approximately 60 persons attended the annual Christmas dinner Tuesday night at the Crescent House Restaurant, given by the Classroom Teachers Association honoring the school administrators.

Following the ham and turkey dinner, ten members of the High School A Capella Choir sang Christmas selections, directed by Dwayne Hood, choir director.

Superintendent and Mrs. Paul Manning were presented fireplace accessories by the teachers and the administrators. Making the presentation were Mrs. Frank Cummings, president of the Classroom Teachers and Paul I. Jones.

Christmas carols were sung by the group and Edwin Hall dismissed the meeting with prayer.

### Miscellaneous Shower Honors Bride-Elect In King Home

OLTON -- Miss Jana Hay, of Earth, bride-elect of Larry Fancher, was honored Saturday afternoon with a miscellaneous bridal shower in the home of Mrs. Virgil King, Olton.

Miss Hay was presented a corsage of white carnations tied with blue ribbon. Her mother, Mrs. Cullen Hay, and Mrs. Cloys Fancher, mother of the prospective grooms, each received white carnation corsages.

Hostesses rotated in greeting the guests. Miss Lynn McGill registered the gifts and the guests.

The serving table was laid with a white lace cloth over blue and centered with a white and blue floral arrangement. Blue satin streamers inscribed in gold letters bore the printed names of 'Jana and Larry.' Crystal and silver appointments completed the table decor. Miss Doris Jefferies and Miss Neida Tanner presided, serving fruit punch and white iced cake squares.

The hostess gift was a set of snack trays, mixer, ironing board, pole lamp, electric skillet and a pitcher of her chosen china.

Co-hostesses were Mmes. Vernon Gosdin, Duane Eby, Raymond Carson, Vernon Jefferies, Robert Hipp, Clifton Hines, Lloyd Graham, Wilton Bodkin, Ott Patterson, Mack Keating, Clarence Mason, Eugene Mitchell, Fred Hicks, Elmer Houston, Ancel Miller, J. Roy Carder, Hurshell Curtis, Bob Worley, Elmer Houston, Paul Burrus, Hershell Carson, Leo Ross Bryant, Martin Phillips, Jim Kemp, Everett Loveless, Buster Tanner and C. B. Hines.

The couple will marry at 7:30 p.m. Dec. 17 in the home of Mr. and Mrs. Perry Martin, Earth.

Out-of-town guests were from Canyon, Lubbock, Friona and Earth.

### Eastern Star To Have Program

The regular stated meeting of the Order of Eastern Star #742 will be tonight (Thursday) at 7:30 p.m. in the Masonic Hall. Initiation will be conducted followed by a Christmas program.

All members are urged to attend and bring a white gift for a needy family and a contribution for the new Masonic Hall.

### Going-Away Party Honors Hubers

WHITHARRAL -- A money tree was presented to Mr. and Mrs. Charles Huber and Sam at the Lions Club Saturday evening as a 'going-away gift'. The Hubers moved earlier in the week to Lubbock where he will continue his work at the Sunset Church of Christ. He has been minister of the congregation of the Southside Church of Christ here for the past several months.

Forty-two was enjoyed by the group and refreshments were served to the Hubers; Mr. and Mrs. Rafe Rodgers and Brodie; Mr. and Mrs. Robert Av-

ery, Rex, Reta and Johnny; Mr. and Mrs. Louis McCormack and Kerry; Mr. and Mrs. A. L. Polk; Mr. and Mrs. Kenney and Kathy; Mr. Kenneth Kiser, Tammy and Robbie and Mr. Don Avery, Donna, Jimmy.

### Amherst Garden Club Has Meeting

AMHERST -- The Christmas meeting of the Amherst Garden Club was held in Mrs. Melton Welch's home in Earth, Friday. Mrs. Victor Reynolds was co-hostess.

Christmas arrangements were placed at vantage places throughout the house.

Mrs. Oby Blanchard, president, presided in a short business session in which the Christmas lighting contest, sponsored by the club, was discussed.

For the program, Mrs. Donnie Gene Bowman gave a Christmas story and illustrated her talk.

Refreshments were served to members, Mmes. E. L. Black, Oby Blanchard, Maurice Brantley, A. O. Dickson, George Harmon, W. P. Holland, Arthur Moncrief, J. D. Nix, C. A. Thomas, Don Turner, Bill Workman, Reynolds and Welch and to guests, Mmes. Ross Brock, George McCraw, Ruby Shelton, W. H.

Braten, J. A. Middleton and Bobby Free all of Earth and Mrs. Bowman and Mrs. Ray Blessing of Amherst.

### Amherst PTA Plans Meeting

AMHERST -- The December meeting of the Amherst PTA will be held this afternoon (Thursday) at 2:45 in the school auditorium.

The third grade pupils of Mrs. V. C. Commons and Mrs. Karlyn Bowman will present a playlet, 'Fantasyland', pertaining to the Christmas season.

Mrs. Ray Blessing will speak on the subject, 'Together We Help a Child by Working With Youth Development Organizations.'

### Club Baking For Christmas

The Be-Little TOPS Club members are taking orders for baked products from persons who desire to have their Christmas baking done. Orders for pies, cakes, and cookies will be taken until December 18 and may be picked up until Christmas Eve.

To order baked goods call Marvene Jones, 385-5960 or in Spade, Mrs. Lindell Holly, 233-2323 or contact any member of the club.

 In Lubbock  
 eral services for a  
 Littlefield resident, Roy  
 Cary, 64, Lubbock, were  
 held at 3 p.m. Monday in  
 the First Baptist Church, Lit-  
 tlefield.  
 Rev. P.D. Fullingim,  
 pastor of Plains Baptist Church,  
 officiated. Burial was  
 in Littlefield Memorial Park  
 under the direction of Hammons  
 Funeral Home.  
 Mr. Cary died at his home in  
 Littlefield at 3:30 a.m. Sunday.  
 He was born in Cliff, Okla., he  
 moved to Littlefield from Du-  
 ring 1939 and lived here a  
 number of years before mov-  
 ing to Muleshoe, Floydada and  
 Littlefield.  
 Survivors include his wife,  
 Mrs. Mary Cary; two daughters,

ta Fe Orders  
 ambo Hoppers

ta Fe Railway has ordered  
 200 covered hoppers with  
 a 100-ton capacity  
 from the General American  
 Transportation Corp. at a cost  
 of \$7.5 million according  
 to S. Marsh, president  
 of the railroad.  
 The hoppers, which  
 will be used for handling grain,  
 and other bulk commodi-  
 ties, are scheduled for delivery  
 in May, 1966. When the  
 hoppers are delivered,  
 the railroad's fleet of covered  
 hoppers will total 10,200 in-  
 cluding 5,600 of the modern lar-  
 ge covered hoppers, 2,500  
 which will have been deliv-  
 ered in 1965. The carrying cap-  
 acity of these 5,600 cars is eq-  
 uivalent to that of over 11,000  
 conventional box cars.  
 The latest order of 500 cars  
 is in addition to Santa Fe's pre-  
 viously announced 1966 freight  
 program which included  
 the purchase of 4,300 cars at a cost  
 of \$4 million.  
 The program for 1966,  
 which will cost less than four  
 times as much through purchases  
 of 18,000 cars costing in  
 all \$300 million since the  
 beginning of 1963, Marsh said.  
 Marsh said that the magnitude  
 of this program is essential to  
 Santa Fe's long-range ability  
 to keep abreast of  
 changes in the territory we  
 serve, he noted.

HE  
 FAMILY  
 LAWYER

And Nothing But  
 the Truth

The famous phrase has a round,  
 rhythmic ring: "the truth, the  
 whole truth, and nothing but  
 the truth." But does the witness,  
 having sworn the words, obey their  
 meaning?  
 It is an old, old problem. Almost  
 2,000 years ago Euripides said:  
 "The tongue hath sworn, but the  
 heart is unsworn."  
 How can we persuade a man's  
 tongue to deliver what his heart  
 has promised? In an earlier day,  
 the witness relied mainly on the  
 threat of immediate divine retribu-  
 tion. But few people nowadays are  
 honest by the fear of a heav-  
 y thunderbolt.  
 Accordingly, the law now seeks  
 to harness the power of the witness'  
 conscience. To that end, the  
 form of the oath may vary some-  
 what to fit the particular creed of  
 the individual.  
 Thus a Christian may swear on  
 the New Testament, a Jew on the  
 Old Testament, and a Mohammedan  
 on the Koran. And a Quaker to  
 whom swearing is abhorrent may  
 simply "affirm" that he will tell the  
 truth.  
 On occasion, courts have even  
 allowed such exotic procedures as  
 lighting out a candle ("If I do not  
 tell the truth, may I be snuffed out  
 as the candle.")  
 The modern oath has a further  
 twist, beyond engaging the con-  
 science of the witness. It also serves  
 to convert a lie into a crime. Lying  
 under oath is the crime of perjury.  
 It is not often that a witness is  
 convicted of perjury. The require-  
 ments for such a conviction are  
 strict. For the law fears that, if the  
 witness of perjury is welded too freely,  
 he would frighten even an honest wit-  
 ness into silence.  
 Thus, it is not perjury to give  
 testimony without realizing its  
 consequences—even if there is a degree  
 of negligence on the part of the  
 witness.  
 But if there is sufficient evidence  
 to show a deliberate lie, told with evil  
 intent, the courts take a serious  
 view of the matter.  
 For the witness who commits per-  
 jury not only offends his own con-  
 science. And he not only breaks his  
 oath. He also, in the words of  
 the Federal court, "pollutes the stream  
 of justice at its source."  
 It is best not to try to wash  
 away the stain of perjury as the  
 glass yarns may break under the strain.

### Cartwright's Cancer Chairman

Cartwright rode into Texas to begin battle against the biggest 'bad hombre' -- cancer, the second largest killer. (Dan Blocker in off-duty role) has accepted the post of 1966 Texas Crusade chairman. In this post he'll inspire more than 100,000 volunteers participating in the 'Tell Your Neighbor' campaign of the American Cancer Society.

keeps people from seeing their doctors in time. You folks in my home state have been good to me during my career, and I feel this is one way I can return the 'good-neighbor' helpfulness. If I can get kids and their parents both to understand that what the American Cancer Society says is the life-saving truth -- that early diagnosis saves lives -- then maybe some of my friends and neighbors will get in that annual check-up habit.

Hoss announced that the goal of the Texas Crusade this year is \$1,760,000. 'That looks like a lot from down here where we're standing -- at the beginning of the drive,' Hoss said, 'but when folks open their doors to their neighbors, read about cancer's seven danger signals, and give money to support more cancer research -- well, by gosh, I think we'll make that goal, and more!'

'I've been learning myself,' Hoss went on, 'how much money is needed for cancer research. Right here in Texas, the American Cancer Society spends more than three-quarters of a million dollars on research on causes and cure of cancer. Maybe, someday, the answer will come out of a Texas laboratory!'

Greeting Hoss on his arrival in Austin were Dr. A.B. Goldston of Amarillo, President of the Texas Division ACS, and Lefty Ross of Quanah, Vice-Chairman of Crusade for 1966. This is the first in a series of visits to Texas that Hoss plans for the year. 'If my shoot-schedule in Hollywood permits,' he said, 'I'll be back to Lubbock in January to visit with Society volunteers from my home counties in West Texas. I'm also aimin' to be in Dallas, Houston, and San Antonio to meet as many Texas Crusaders as I can before the drive starts in April.'

'It's a big job we've got ahead of us,' Hoss said, 'big as all of Texas. We're going to get our message out to the state, and we're going to make this the biggest year for cancer fighting that's ever been seen in this state.'

## Much 'Low Mike' Cotton Showing Up In Harvest

Ginners and farmers across the High Plains are more than a little concerned over the big percentage of 'low mike' cotton showing up in this year's crop.

The first High Plains Cotton Quality Report, published every two weeks by Plains Cotton Growers, Inc., gave average micronaire of the season's first ginnings at 4.1 with almost 90 percent above the tenderable limit of 3.5.

Two weeks later, on the crop through November 12, cotton harvested miked an average of 4.0 with about 85 percent above 3.5.

In the latest report, covering the season through November 26, micronaire average dropped to 3.5. Only 69 percent was above 3.5.

Beating out the accuracy of the micronaire decline shown of PCG reports are reports from USDA, individual farmers, and ginners.

Anxiety over excessive low-mike cotton this year is enhanced by two things. With a record-setting late freeze it was generally expected that the 1965 crop would be well matured and therefore be a high instead of a low micronaire crop. And, this is the first year that micronaire premiums and discounts have been included in the government loan price schedule.

Beginning October 31, 1965 cotton which carries a micronaire reading below 3.5, will be discounted. Cotton miking from

3.0 through 3.2 will be discounted 60 points, from 2.7 through 2.9 will carry a discount of 165 points and all below that level will lose 300 points.

As of the third PCG quality report, probably about 23 percent of the High Plains crop for the season had fallen into these discount ranges.

But cotton ginned and classed during the last two week period, from November 12 through November 26, is more likely to indicate what can be expected during that time, 1.1 percent of the crop was miked at 2.6 and below, 6.6 percent miked from 2.7 through 2.9 and about 20 percent came in the 3.0 through 3.2 range -- a total of almost 28 percent in the discount range.

Levon Ray, Agronomist at the South Plains Research and Extension Center, Lubbock, says a variety of factors have probably worked together to cause the low micronaire readings in spite of the late freeze.

Surprisingly enough, one of those factors is the late freeze itself. He explains that the late freeze allowed many small, immature bolls to open which would have been killed and not harvested had the cotton plants been killed by a freeze in early November. And it has been noted by other observers that virtually all of the bolls which have opened in the past three weeks contain immature, wasty fiber.

Not to be overlooked is the fact that the late freeze, while helping to lower micronaire, will also increase total yield. Ray also feels that an increase in the amount of verticillium wilt has adversely affected micronaire this season. This is especially true in the northern tier of counties on the Plains.

It is generally felt, too, that rain and cold nights in the month of September this year may have each been a factor. The rains which fell on some cotton caused increased late fruiting and a greater than normal number of late, immature bolls. And it is known that cool weather hinders the deposition of fiber and results in immaturity, which causes low micronaire.

Additional investigation of the poor micronaire situation which has developed this year on the Plains substantiates the theory that September rains and warm Fall weather -- in some instances on top of late August irrigation -- cause plants to develop an abnormally large and immature top crop.

On Monday of this week Paymaster Seed Farms ran separate 'mike' tests on bolls from the top and lower half of plants of two different varieties planted on May 6 and May 21. In the four tests, cotton from the top half miked an average of 2.4 while cotton from the lower half of the stalk miked 4.2.

Dr. Harold Loden, director of the seed farms in convinced that this is the most logical explanation for the high percentage of low micronaire cotton.

Some 30 cotton leaders from over Texas met in Dallas December 8 for a 'Cotton Weather Conference' sponsored by the Texas Cottonseed Crushers Association.

Bill Harris of the Cotton Economic Research Committee, Austin, explained the development of weather data based on statistical records for the past 31 years and centered around 'probability of occurrence.' These records, he said, when used in conjunction with cotton production research findings can lead to increased yields, quality and profits for producers.

The weather data is presented in charts showing average, maximum and minimum temperatures and precipitation for each week in the year. In addition the probability of occurrence of precipitation during the week, the 31-year average accumulated total precipitation for the year and the probability of occurrence of certain minimum and maximum temperatures are shown. Separate charts are compiled for each weather station in Texas.

The object of all such temperature and precipitation information is of course to determine optimum planting date, taking advantage of the best available weather for the various stages of cotton growth.

Oliver Newton, Agricultural Meteorologist with the Specialized Agricultural Weather Service in Lubbock, says 'we are just kidding ourselves when we rely on weather predictions made months in advance. Using these probability of occurrence figures in planning is simply a matter of playing the odds -- the best we can do for the present.'

Newton went on to say that this weather data, properly used, can certainly be a valuable production tool.

Use of these weather charts in planning cotton operations was given a test this year in Jones County on the Rolling Plains with highly satisfactory results. All but about 30 acres of that county's 100,000 acre cotton allotment was planted within a few days after May 24, which was determined to be the optimum planting date for that area.

Meetings were held in 10 Jones County communities beginning on April 15 to sell farmers on the idea, and some farmers who had already planted plowed up their cotton and started over.

Under the uniform optimum planting date system, Jones County produced over 50,000 bales in 1965 as compared to 42,000 in 1964. And some ob-

servers state that, generally, 1964 was a better cotton year than 1965.

Also, this is reported to be the least costly crop produced in the county in years, with costs for insect control, weed control and other factors down. Further, while there are no quality records kept in the county, observers believe this to be the best quality crop ever produced there.

located at Lamesa, Lubbock, Seminole.

Roland Kelly of Stamford Cotton Oil Company said he believed producers in Jones County had saved about \$1 million in costs and increased the value of their crop by another \$1.5 million through use of the optimum planting date.

Blooms were recorded in some fields only 42 days after planting, bolls showed up after 60 days and some crops were completely made in 120 days according to reports.

Complete weather data for any of the four weather stations on the Plains is available on request from the office of Plains Cotton Growers, Inc., 1720 Avenue M, Lubbock. Stations are

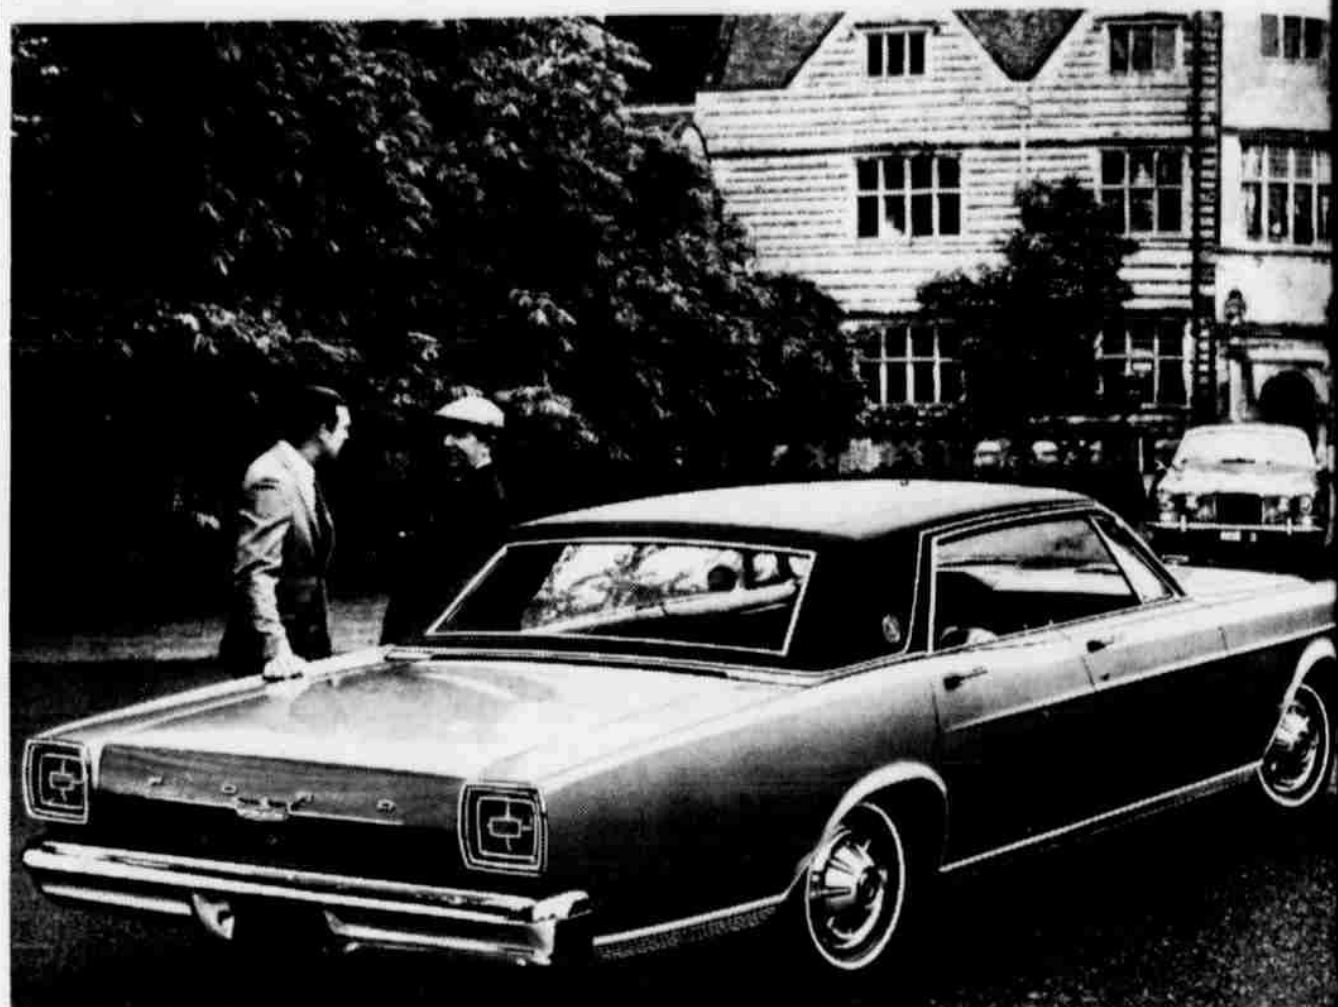

located at Lamesa, Lubbock, Seminole. Donald A. Johnson, Executive Vice President of Plains Cotton Growers said that such information might be applied on the Plains as it was in Jones County nevertheless would be information to any producer would use it.

**"1966 Ford quieter than my Jaguar Not jolly likely!" said Rob Walker ... then he drove the Ford.**

British automotive sportsman R. R. C. Walker knows cars, but one thing he didn't know was how quiet the '66 Ford is.

Ford's Quiet Man, who recently demonstrated the 1966 Ford to owners of some of the world's most expensive cars, here discusses the '66 Ford LTD with Rob Walker at his family's estate in Wiltshire, England.

"Astonishing... I believe this Ford of yours really is quieter!" exclaimed Rob Walker, famed British automotive sportsman.

Ford's quiet ride is the result of built-in quality and overall engineering excellence. Other examples of this engineering magic from Ford are: ■ New Stereo Tape Player option with easy-loading cartridges. ■ New Magic Doorgate on wagons—swings out like a door for people and down like a tailgate for cargo. ■ Silent-Flo Ventilation, standard on Ford 4-door hardtops, gives open-window freshness with all windows closed. ■ Quiet-test a '66 Ford, at your Ford Dealer's.

## Get In Step For Christmas

Make Christmas a 'misletoe time'—rather than a 'mashed toe' time—by shopping in well-fitted shoes, suggests Fannie Brown Eaton, Texas A&M University Extension specialist in clothing.

You can breeze through to Christmas Eve without a whimper if you choose proper fitting footwear, she adds.

This season's shoe styles will happily fall in with your plans for pain-free shopping sessions, spokesmen for Leather Industries of America have emphasized. There are smart lightweight leather boots, booties, pumps, ghillies and other styles to put both fashion and comfort on busy feet.

Leather's unmatched moldability assures shoppers a shoe custom-formed to the foot's contours. Since it is an animal covering, leather has pores which permit continuous intake of fresh air and expiration of moisture.

Fashionwise, the American woman is happily in bondage to the boot. While new styles and leathers put chic in her shopping, shearing linings take the shivers out. Leather boots braving the battle of the buyers include youthful below-calf "Courreges" boots—in white and colors; slim knee-high boots in suede or smooth leathers, and dashing booties in a variety of leather textures ornamented with cuffs, fringe, buttons or lacing.

A new grained leather provides a special stain-resistant finish to boots as an extra measure of easy care. Mud marks can be wiped away with a damp cloth.

The latest in leather walking shoes are well-equipped to weather the shopping wars. Ideas fresh from the designer's desk are found in lovely pumps of handstitched or antiqued leather, mid-heeled T-strappers, two-textured slip-ons and gay ghillies and other tie-types.

So, if you don't have a pair of comfortable walking shoes, make the shoe store your first stop as you shop. With your mind off your feet, your gift buying will become a more pleasant task. Miss Eaton emphasizes.

## WHO WILL PAY YOUR LAST DEBT?

The last thing you'll do on earth is create a debt for someone else to pay. Could your family afford the doctor and hospital bills, funeral expenses, attorney's fees, court costs and current bills? Or would the money have to come from the insurance you had figured would pay off the mortgage? Or from the kids' education fund? A Woodmen of the World "Clean-up Fund" is a far better answer; a life insurance plan for the special purpose of paying your final expenses. Call today. ATURDAY AFTERNOON -- The sun was shining and streets were crowded in the downtown area last Saturday

## Managerial Skills Are Put To Test During Holidays

Christmas time -- with plans to get out and put up, select and wrap and holly to prepare. During the season, managerial skills are really put to the test, says Mrs. Gwen Clyatt, consumer marketing director at Texas A&M University.

## Freshman Girls Serve Dinner

THARRAL -- The Home Cottage was gayly decorated in Christmas green for the annual dinner for the school board and trustees Monday evening. Mrs. Betty Claborn, economics sponsor, planned and directed the freshman Sharon and Shari Throckmorton and Claudia Wade, Sue Tipperon Johnson, Sharron Kathy White and Lillie Ann in serving the dinner.

Christmas records furnished background music. Presenters Mr. and Mrs. Archie and Mrs. Joe Minner, and Mrs. Lowell Herabag -- hold a dependable place in local stores. Other good choices are cabbage, squash, celery, Brussels sprouts, broccoli and cauliflower. Citrus tops the list of fruits. Apples, grapes and pecans are other good buys.

afternoon as many residents of the Littlefield trade area got their Christmas shopping underway.

## C Of C Invited To Stock Show

The Littlefield Chamber of Commerce has been invited to participate in the 'Special Day' program of the 1966 Southwestern Exposition and Fat Stock Show, January 28 through February 6.

Local residents attending the Stock Show Rodeo as part of the 'Special Day' delegation will be recognized through a spotlighted introduction.

Included in the Stock Show's invitation is a block reservation of rodeo seats to insure the delegation will be sitting together for the spotlighted introduction. A cowgirl sweetheart can be selected to ride in the Grand Entry and be introduced at the 'Special Day' Rodeo performance.

Gates open on the 1966 Southwestern and Exposition and Fat Stock Show at 4 p.m., Friday, January 28. Entries for cattle, horses, sheep and swine close December 15, 1965. Poultry, rabbit and pigeon entries close January 15, 1965.

W. R. Watt, Fort Worth Stock Show president and manager,

reports the emphasis will be on 'action' at the 1966 edition of the Fort Worth Rodeo, the world's original indoor Rodeo. There'll be plenty of rodeo action under the leadership of rodeo producer Tommy Stiener and Associates. In addition to the fast-paced Rodeo action, an outstanding group of specialty acts have been signed for 1966. Watt said, "With increased attention to rodeo excitement and a variety of entertainment features, we plan to have 'the Southwest's Greatest Indoor Spectacle'."

## Award Received At Boy Scout Council Meeting Tuesday

At the annual business meeting of the 20-county South Plains Council of Boy Scouts of America Tuesday night at the Holiday Inn of Lubbock, Dr. Aaron J. Williams, Littlefield, received the attendance trophy on behalf of the George White Boy Scout District.

The president, Oscar Crain, was re-elected for another year. Dr. Williams and Tom A. Hillman were chosen as members of

the Executive Board from Littlefield. Bob Roden became a member-at-large of the Council and Robert Martin of Levelland was installed as District Chairman to succeed Dr. Williams, who has completed a two-year term as chairman of the four-county George White District,

which covers an area of 4,000 square miles and is made up of Lamb, Bailey, Hockley and Cochran counties.

### EATING IN RESTAURANTS

"I never know what I want in a restaurant!"  
"I always get too much or too little in a cafeteria."  
"There isn't enough choice on the menu."  
"Everybody else eats a meal while I play with a salad."  
"Restaurant meals are all the same!"

Is that the way you feel about eating in a restaurant? I don't mean going out to a good restaurant for a nice dinner with friends or family. That's a party! I mean trying to eat all or most of your meals in a restaurant because you have no time to cook at home, or have no home to cook in?

### Nutrition At A Price

How can you be sure of getting a nutritious diet at a price you can afford to pay? It may take a little doing, but it can be done. To begin with, learn to distinguish between good restaurants and poor ones. The good ones are clean, attractive, with varied menus and friendly service. It's a pleasure to eat there, especially as you become acquainted with the personnel. If you can find a pleasant person, or a number of persons, to eat with you some time, it helps to break the monotony, and tends

toward better and more leisurely eating.

### Same principles apply

The main difference between home and restaurant eating is that when you eat out you select your food ready cooked instead of in the raw at the supermarket. The same principles apply. You can, and should, get your quota of each of the four food groups, just as you do at home -- meats, fish and poultry or cheese, or eggs; the dairy group of milk and its products; the vegetable and fruit groups; and the enriched-flour-cereal-and bakery-goods group.

### More Variety Than Home

The restaurant gives you a wider variety than you can have at home, and also allows every member of the party to have his own preferred foods, which he can't do at home. And there are no dishes to wash.

If you eat regularly in restaurants try different ones from time to time, since restaurant chefs are just like home cooks -- they tend to cook along the same lines more or less.

If you're a homemaker, cooking three meals a day, you should welcome the invitation when somebody says, "Let's eat out."

## Patrol Investigate Nine Accidents

The Texas Highway Patrol investigated 9 accidents on rural highways in Lamb County during the month of November, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These wrecks accounted for five persons injured and an estimated property damage of \$5,650.00.

The rural traffic accident summary for this county from January through November of 1965 shows a total of 109 crashes. As a result of these crashes there were 2 persons killed and 42 persons injured. The estimated property damage amounted to \$98,425.00.

### The Patrol Supervisor offered these suggestions to emphasize holiday traffic safety:

restrain impatience, haste, inconsiderateness and preoccupation that may creep into the holiday attitudes. Know the safe winter driving techniques and use them. Obey the regulations and signs. And when you are the pedestrian, don't take chances with the traffic by jaywalking, rushing, obscuring vision with packages, or failing to allow extra alertness for dusk and hazardous weather conditions.

## Annual Program Set At Spade

SPADE -- The first four grades of the Spade School will present the annual Christmas program, Tuesday, Dec. 21 at 7:30 p.m. in the school auditorium.

'Billy's Present' directed by Mrs. Bailey and Miss Jaunene Hogan. The third and fourth grades under the leadership of Mrs. C. K. Tate and Mrs. Robert Wheeler will present 'A Gift of Joy'. No admission will be charged and the public is invited to attend.
