A TORNADO?—Fallen trees lined West 3rd Street Tuesday giving the scene an appearance of tornado damage. The wind kicked up its heels part of the day, but it never reached the velocity for this sort of damage. For an idea of what really happened, see picture on page 7.

City Council To Consider Plat Request

City councilmen will consider a plat for a new addition just outside the city limits at a regular meeting tonight.

Plat approval is being sought by Bill Briggs, who plans to put in a 10-lot residential section on Sunset Avenue near Highway 84. The lots are on Sunset and Smith Street, with four of them facing Sunset and six facing Smith.

The council also will discuss a recommendation made recently by the City Planning Commission that no city facilities - water, sewer, garbage - be extended outside the city limits.

In other activity, the council will open bids on moving and painting of several water tanks.

The council also will consider a proposal to employ a paving solicitor for a paving program planned this spring.

Dunn finished January with 91 per cent of the county's taxes in the till. Thomson wound up with 92 per cent of the city's taxes, while School Tax Collector Sid Hopping also received 92 per cent.

Jan. 31 was the deadline for residents to pay taxes without penalty.

The county had collected \$437,276 of its tax roll of \$465, 188, the city had \$111,000 of its roll of \$119,000 and the school got \$192,700 of its tax roll of \$205,700.

Citizenship Training Series Begins Tonight

What techniques are used to gain Communist objectives? How do Communism and Socialism differ? How does the Free Enterprise system work? If you're hazy on answers to questions like these, the answers will be provided in a six-week Citizenship Training Program which opens tonight at the Littlefield High School Auditorium.

Dr. Jack Bates, academic dean of Lubbock Christian College, will present the program at 7:30 p.m. The series, sponsored jointly by the Littlefield Rotary Club and the Littlefield School Council, will continue each Thursday night for six weeks, through March 10.

The citizenship training series was developed at LCC in the spring of 1958 to "present factual material concerning Socialism and Communism and to show American citizens that any methods and techniques that are used to gain leftist objectives," says Dr. Bates. Films, slides and

Civic, Ag Awards On Tap For Sudan C-CA Banquet

The name Chamber of Commerce and Agriculture is new to Sudan, because the title was voted in only 10 days ago, replacing the old name, which left off agriculture.

But the man who will head the C-CA in 1960 is not new to his job. Marvin Tollett, the president, will succeed himself as C-CA chief. The rest of the organization's officers were re-elected.

They include: Frank Rous, first vice-president; Wayne Brown, second vice-president; and Edgar Chance, secretary-treasurer.

A new slate of six directors includes Hoyt Robertson, Warren Driver, Hugh Preston, Dalton Wood, Jim Arnold and the Rev. Ellis Todd.

Selection of the town's outstanding man and woman of the year is the first occasion for what is expected to become an annual event. The two outstanding citizens will receive plaques.

Sudan residents themselves made nominations of persons they consider to be deserving of the awards. Final selection, which will not be revealed until the banquet was made by a committee representing various organizations of the community.

Names of the four boys who won the crops contest, which was sponsored by the C-CA, also remain a secret until the banquet.

Thirty-three young contestants who took part in the crops event will be guests at the banquet. Prizes of \$250 each will be awarded to those with the best yields on five acres of irrigated

Final Rush By Candidates Changes Political Picture

Deputies Appointed County OK's Salaries, Departmental Budgets

County commissioners Saturday approved appointments of deputies and budgets in various county departments, leaving the financial picture the same as a year in most cases.

The action came in a regular meeting of the court, in which a set of bids on a new track layout for precinct 2.

After turning down bids of \$16,702 and \$16,511 from West Texas Equipment of Lubbock and Plains Machinery of Lubbock, respectively. The court decided against a purchase of the labor.

The court set county officials' salaries at the same rate: county judge, \$5,000 per year plus \$300 per year for juvenile court; county clerk, \$3,400 per year; district clerk, \$4,600 per year; county attorney, \$5,400 per year; sheriff, \$5,700 per year; tax assessor-collector, \$5,400 per year plus \$300 per year for administration of title certificates; county treasurer, \$5,000 per year; and county commissioners, each \$4,250 per year.

Deputies in all departments were appointed. Budgets for each department were set the same as last year, with these exceptions:

In the extension service office, a raise of \$150 per year was approved for Assistant County Agent Herb Heibig. The county's share in Heibig's salary was raised from \$1,640 per year to \$1,800 per year.

In the county attorney's office, a raise of \$120 per year was set for the secretary, making it \$2,400.

In the tax assessor-collector's department, a hike of one cent per mile was authorized for the tax assessor-collector for travel pay when assessing taxes. The penny increase makes a total of eight cents per mile for this type travel.

Lobos Hand Littlefield 78-61 Loss

Levelland's Lobos made it unanimous here Tuesday night dropping Littlefield's Wildcat cagers, 78-61, in a District 1-AAA contest.

It was Littlefield's fourth straight loss in district play, with the losses coming from each of the other four teams in the district. It made Littlefield 2-19 for the year.

The Wildcats now have four games left, with Dumas on tap next. Littlefield will travel to Dumas for a pair of contests Friday night.

The Lobos broke up a close ball game at the start of the fourth period in winning Tuesday night.

Littlefield fell behind, 17-11, at the end of the first quarter, but managed to hold its own in the second period. It was 36-31, Lobos, at the half.

Levelland took a 54-18 lead at the three-quarter mark, then outscored the Cats 24-13 in the final frame.

Ronnie Rice led the Littlefield attack with 21 points, with Weldon Pace getting 17 and Jerry Koller 12.

Levelland was paced by Roy Sage with 25 and Doug Cannon with 18. The Lobos now have a 1-4 record in 1-AAA.

Levelland won the B-game, 52-23. Lucky Johnson had 10 for Littlefield.

Building Permits Total \$40,100 Here In January

Building permits issued in Littlefield for the month of January totaled only \$40,100 - far off the pace set last year when the city hit a new building record.

Total of permits issued in January of 1959 was \$131,000. Total for the year was more than a million dollars.

Permits issued last month included:

Roberts Lumber Co., business building at 1227 E. 9th, \$12,000.

Vernon Steed, dwelling on E. 19th, \$15,000.

Dillen Lumber Co., remodeling of house on E. 15th, \$4,000.

Dale Fields, house moved in on W. 8th, \$1,000.

3 Found Guilty In Court Trials

Convictions in two liquor law cases were handed down Tuesday night when the court found three people guilty of carrying liquor without a license.

The Collins woman, who withdrew her appeal, was fined \$100 and costs after being found guilty of carrying liquor. She was given 30 days in jail and fined \$500 and costs. Both are free on bond and have 10 days to appeal.

Alvin Dewey Sharp, Sudan man, was fined \$100 and costs after his trial in a DWI case Wednesday morning.

Another man, Herman Frazier, was given 30 days in jail after entering a plea of guilty Tuesday in a misdemeanor case.

LaDuke was convicted in a DWI case and Major James of transporting case. Officers testi-

Dyer Draws Opponent; 4 Run In Precinct 2

A last-minute rush by political candidates Monday gave the county two new contested races, eliminated one contest and brought a new hopeful into a race which was already contested.

Four men filed for commissioner of precinct 2 after Mrs. Clyde Goodwin, the incumbent, withdrew.

Sheriff Dick Dyer drew Loy Dalton of Littlefield as an opponent.

Don Chak, a Littlefield attorney who had announced for county attorney, withdrew, leaving incumbent Curtis Wilkinson unopposed.

The contest for state representative drew another candidate, school teacher Clarence Hamilton of Springlake.

The changes came Monday, shortly before the midnight filing deadline.

At the same time, County Tax Assessor - Collector Herbert Dunn announced that 5,508 poll tax receipts were issued in the county prior to the deadline Saturday night.

Dunn said about 1,500 of these were issued in the last week. The total is "probably a record for this county," he added. About 5,400 receipts were issued in 1959, the last presidential election year.

On the political scene, the county Democratic executive committee will meet Monday to set filing fees for the candidates. These are expected to total about \$10,000 for each office. Candidates must pay the fees by Feb. 13.

Making a four-man race for precinct two are Jarvis Agnew, Henry Lewis, W. W. Powell, and John West. All are farmers.

Mrs. Goodwin, the incumbent, withdrew last Saturday.

Lawyer Chik, in withdrawing from the county attorney's race, said he had decided he would not have the time to make an extensive campaign.

He added that both his parents are ill, and that his time to get out and meet the people in all parts of the county would have been limited.

The entry of Hamilton in the state representative race made it a three-man contest. Already

Law Nabs Man After Five Years

The long arm of the law has caught up with a former Littlefield man who was changed in a felony theft case here five years ago.

Sheriff Dick Dyer Tuesday was in Livingston, Tex., to pick up James Earl Stamper, 40. Stamper was arrested on a DWI charge there and held in Lamb County.

Stamper was charged and indicted in a felony theft case which took place here in 1955. The theft was from Olan Wharton, part-owner of Lamb Wrecking Yard.

Sheriff Dyer returned Stamper to Littlefield Tuesday night.

In other activity for Lamb County officers this week, they called Jack Lee, 43, of Snyder on a charge of forgery and passing. Lee was arrested by Dimmitt officers and held for Lamb County. The Snyder man was indicted for forgery and passing by a county grand jury recently.

City and county officers combined to arrest a Clovis, N.M., Negro on a charge of driving while intoxicated. The man is John Ransom.

Local Boxers Take Titles

Littlefield boxers racked up five individual championships won the high school team title and took the sportsmanship award in Jaycee Golden Gloves action which ended here Saturday night.

Joe Smith of the local team won the 147-pound title Saturday night and later was awarded the tournament's sportsmanship trophy. Smith won his championship with a technical knockout victory over Joe McClung of Kress.

One other local boxer, Joe Galvez, wrapped up the 125-pound division title Saturday night. Galvez whipped James Claxton of Kress.

(MORE PICTURES INSIDE)

The two Saturday night victories gave Littlefield a total of five individual titles. During Friday night action in the second annual Jaycee Golden Gloves action, Jesus Galvez took the 135-pound high school title and Steve Love was uncontested for the 112-pound championship. Elmo Jones was the team coach.

Plainview's team won the open championship of the tournament. Results in bouts Saturday night included:

James Claxton of Kress won by TKO over Paul Keeling of Littlefield in semi-finals of 125-pound division.

Gilbert Garcia of Plainview defeated Larry Valle of Levelland for 70-pound title.

Joe Villa of Plainview won over

SHALL WE DANCE?—Joe Smith of Littlefield, left, is on his toes after taking a blow to the head in his bout with Joe McClung of Kress for the 147-pound title in the Jaycee Golden Gloves tourney. Smith went on to win the championship and also the tournament's sportsmanship trophy.

Congratulations to the staff of the Littlefield Hospital - Clinic

In 1938 we congratulated the first builders of the Littlefield Hospital and we again extend our best wishes to the entire staff on the completion of this new ultra-modern plant.

For many years, we have had the pleasure of working with the members of the Littlefield Hospital... and have enjoyed their personal friendship and good will. We join in your invitation to the open house Sunday afternoon.

Tips On The Flu Bug

The flu bug, who plays no favorites, is making himself known again in this area.

Public health officials have listed a number of tips for combatting the bug. U. S. Public Health Service is strongly advising shots for two groups.

—People with heart or lung diseases, pregnant women, and all people over 55 who have any kind of chronic disease. A flu attack would be an added health hazard for them.

—Those engaged in such essential tasks as caring for the sick, fire protection, law enforcement, transportation and communications.

Public health officials advise individuals to avoid close contact with anyone who obviously has a respiratory infection. If a member of the household comes down with the flu, isolate him as much as possible and wash his dishes carefully.

Anyone developing respiratory symptoms — fever, watery eyes, runny nose and body aches — should go to bed. If the symptoms become severe, particularly if fever develops suddenly, a physician should be contacted.

Ike's Budget Receipts

The budget President Eisenhower sent to Congress is a whopper.

Not only that, it is perhaps the most "iffy" of the eight budgets he has submitted.

The President anticipates receipts of \$84,000,000,000 and expenditures of \$79,800,000,000 for fiscal 1961. This is a good deal larger than the budget he submitted last year. That one called for receipts of \$77,100,000,000 and expenditures of \$77,000,000,000.

The year before the President's budget envisioned receipts of \$74,400,000,000 and expenditures of \$73,900,000,000. Instead of that \$500,000,000 surplus, there was a \$12,400,000,000 deficit that year.

So in two years the President's spending proposals have gone up nearly \$5,000,000,000. His estimates of receipts have gone up \$9,600,000,000.

That's too fast an increase in government spending.

The President also may have over-estimated the increase in federal receipts. The income figure he forecasts depends upon a gain of 6% per cent in the nation's total output. This is considerably larger than the average annual increase.

The President's figures are shaky for other reasons than this extremely optimistic forecast of revenue.

His anticipated \$4,184,000,000 surplus for fiscal 1961 depends also on gasoline and postal rate increases, which Congress may not grant; continuance of all present tax rates; a crackdown on tax cheats, which may not yield as much revenue as he expects; and, perhaps biggest hazard of all, no spending for any purpose beyond the high rates set in his budget.

Numerous members of Congress are staking that proposed budget surplus, which the President says he wants applied to reduction of the debt, like Indians on the warpath.

The President would have been on safer ground to set his figures for both receipts and expenditures more conservatively.

Socialism Goes Into Eclipse

It does seem as if the Congressmen who persist in introducing bills that would further centralize government, increase welfare programs, broaden federal control over business and otherwise trend toward socialism would catch up with the times.

For the fact is that Europe, where the Marxist ideas were hatched and held sway over almost all the countries this side of the "iron curtain," has turned its back on socialism.

The three principal nations of Western Europe are, of course, Britain, France and West Germany.

Britain, which voted Conservative by a narrow majority in 1951, has increased that majority in both subsequent elections. The Conservative government stopped nationalization and took off some controls. The results have been so constructive that most of the Labor candidates in the recent campaign were silent on the question of nationalization of industry.

France, under De Gaulle's "strong" government which took over after decades of coalitions mainly of socialist parties, has made remarkable progress in the past year. Today the French Socialist party has only a fraction of its former membership and socialism is almost a dead issue.

The miracle of recovery achieved in West Germany under the Christian Democrats has so discredited socialism that the Social Democrats have dropped their demand for nationalization of basic industries.

In fact, at the moment the only major free nation whose government or head of state espouses socialism is India.

Of course, India can fly in the face of human experience if she chooses. But we, who achieved greatness under free enterprise and individual liberty, should be smart enough not to follow her out-of-date example.

Fact And Opinion

Secretary of State Herter warns against excessive optimism as to world affairs in these words: "More than ever, in a period of some hope, it is essential to maintain our defenses. Also, if we are to arrive at solutions to world problems, we must realize that these do not come easily—they may well take generations to accomplish."

Discovery of diamonds is fast changing the frozen face of Siberia, the no man's land of the Soviet Union.

Rich diamond mines are being developed in the Yakut area of the Lena River, which is about the same latitude as Dawson City in the Klondike and Fairbanks in Alaska.

A Soviet economic magazine predicts that within a few years production from the fields will be nearly one-half of the present world production. The Soviets intend to use most of the diamond in their stepped up industrial program and place the remainder on the world market...

Settlers are being brought in to work the mines, collective farms are being set up, and new towns are emerging. But massive problems are being encountered. There are no roads in Siberia and very few farms, since the underground never thaws...

FLAVOR-RICH AND PARTY-PRETTY!

CHERRY PIE SUPREME

CHERRY PIE SUPREME

- 1/2 cup PET Evaporated Milk
- 3 Tablesp. cornstarch
- 1/4 cup sugar
- 1-lb. 4-oz. can sour, pitted cherries
- 2 Tablesp. butter or margarine
- 1 Tablesp. lemon juice
- few grains salt
- 1 cup sifted powdered sugar

Have ready a baked 9-in. pastry shell. Chill PET Milk in ice tray until almost frozen around edges. Meanwhile, mix in 1-qt. saucepan the cornstarch and sugar. Drain cherries, saving syrup. If necessary, add water to syrup to make 1 cup. Stir cherry syrup into cornstarch mixture. Cook and stir over medium heat until very thick and clear, about 7 min. Cool thoroughly, then add drained cherries. Take out 18 cherries to decorate pie. Put rest of cherry mixture into pastry shell. Melt butter in small saucepan. Take from heat and mix in until smooth the lemon juice, salt and powdered sugar. Cool thoroughly. Put ice-cold PET Milk into a cold 1-qt. bowl. Using cold beaters, whip with electric mixer at high speed or with rotary hand beater, until stiff. Whip in cooled powdered sugar mixture just until mixed, about 1/4 at a time. Do not overbeat. Arrange around edge of pie. Decorate with the 18 cherries. Chill 1 hour before serving.

Three Suffer Minor Injuries In Accidents

Three persons suffered minor injuries in traffic mishaps here Monday and Tuesday.

Freda Howard, 18, 706 E. 12th, was hospitalized and J. E. Brown of Littlefield received emergency treatment at Littlefield Hospital-Clinic after the Tuesday accident.

Lloyd Jones, about 25, of 837 1/2 2nd, suffered only bruises when he was struck by a car while walking across Westside Avenue about 5 a.m. Monday.

Miss Howard was hospitalized with a swollen knee. Brown received treatment for a cut over his eye.

The mishap in which they were hurt occurred about 9:17 p.m. Tuesday in the 300 block of West 1st. Officers said a pickup driven by Miss Howard struck a parked '52 model A truck owned by Robert Wilson, 329 W. 1st. Both vehicles were described as total losses. Brown was a passenger in the pickup.

Jones was struck by a car driven by Billy Hice of Anton. Officers said Hice was driving on Westside Avenue near the primary school when he lost control while trying to stop. The car slid in gravel into Jones.

About Your Health

The year 1960 sees the beginning of a new law established to add still another safeguard to the health of Texans.

The law, Senate Bill 121, enacted during the regular session of the 56th Legislature, became effective August 1, 1959, but was implemented January 1, 1960. It is called the Texas Hospital Licensing Law.

Basically it provides for licensing of all hospitals in Texas including general and pediatric hospitals. Excluded are state and federal hospitals.

The program is self-financing from fees received for registration. A minimum fee of \$25 and a maximum of \$300 is charged per year, based on a standard fee of one dollar per year per bed.

A nine-member advisory council is now in the process of making recommendations for minimum standards which are then to be reviewed by the State Board of Health for approval.

The rules and regulations must also be approved by the Attorney General as to their legality and then filed with the Secretary of State.

The advisory council is composed of three hospital administrators, three physicians and three members representing the general public. Present council members are:

F. V. Wallace, Amarillo; Jose R. De Leon, Sr., Corpus Christi; J. W. Clements, Stephenville; D. S. Riley, Big Springs; Robert B. Neal Jr., Denton; J. Richard Gates, Gilmer; Dr. Richard L. Stratton, Cuero; Dr. Edwin E. Conner, Houston; and Dr. Van D. Goodall, Clifton.

Royce L. Ashcraft, an experienced hospital administrator formerly of Wichita Falls, has been appointed as director of the State Health Department's newly established Division of Hospital Licensing.

The division will be directly responsible under the law for surveying, registering, and licensing of hospitals. Temporary licenses are being issued pending final approval of rules and control of administrative aspects of hospital physical plant and operation and sanitation.

Yes, Littlefield's population is growing --- the Littlefield Hospital - Clinic is also growing to meet the area's needs

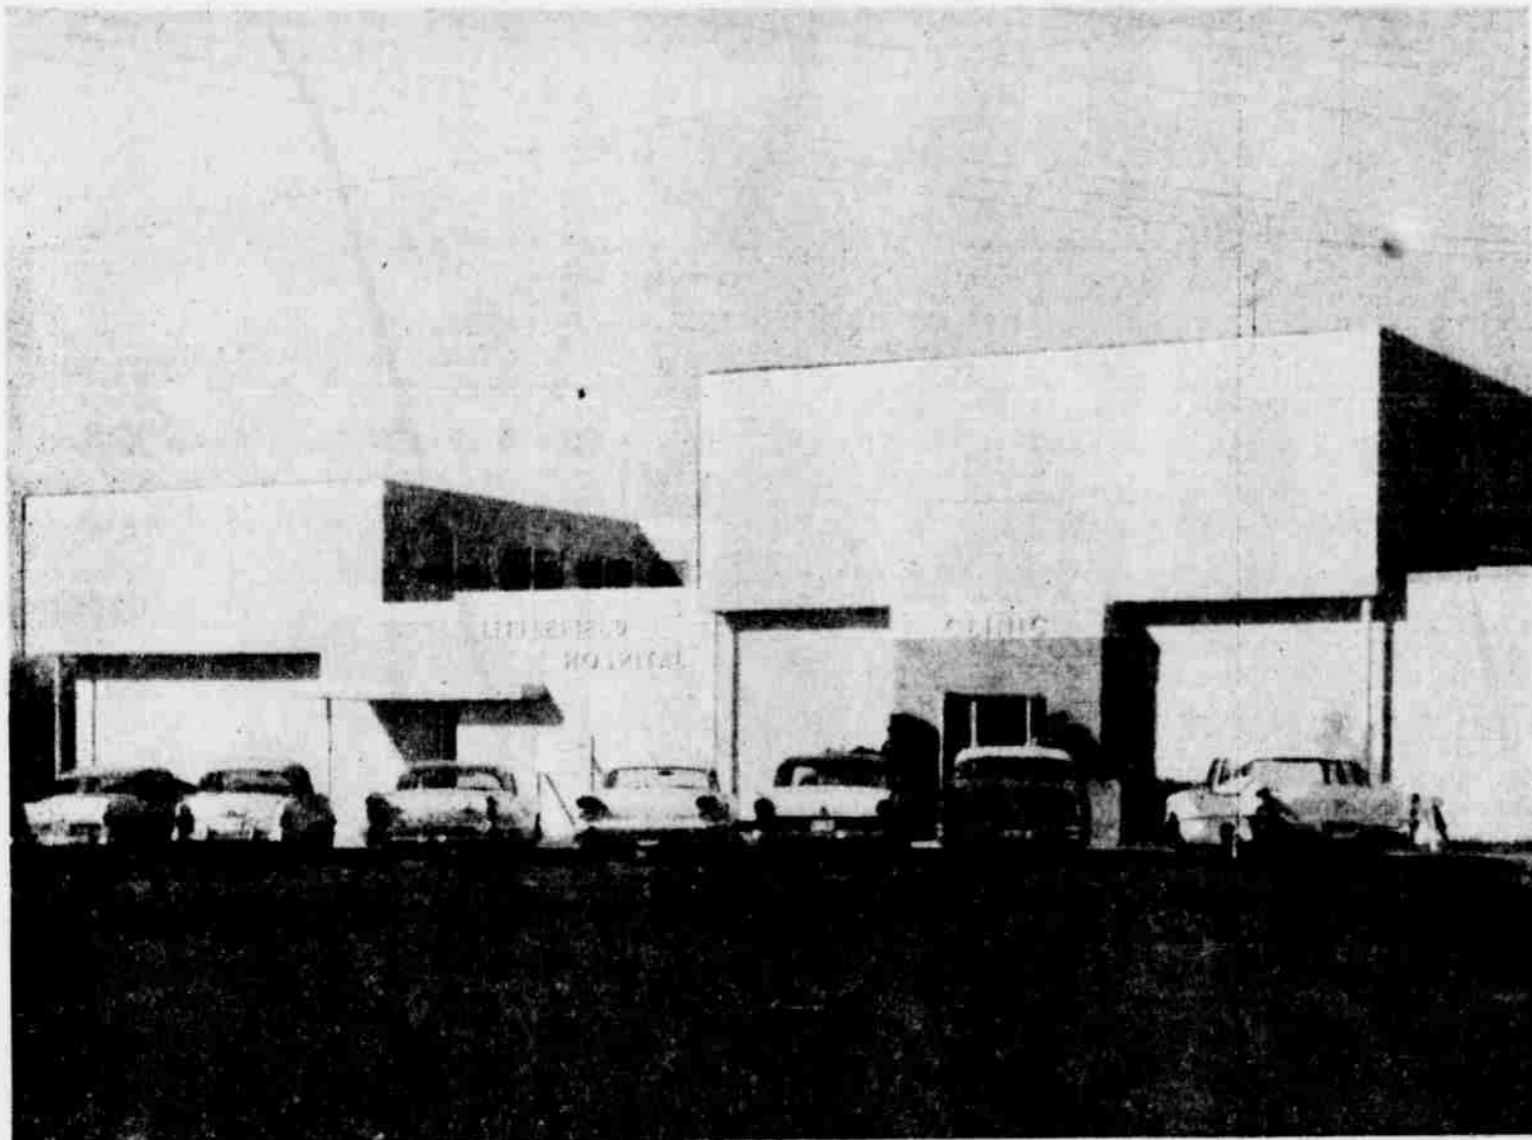

Hospitals are a service institution to the community and must continually advance in size and services to meet the medical needs of a fast growing, progressive area.

We are glad to congratulate the Littlefield Hospital-Clinic on the completion of the modern new building and the addition of many new technical facilities.

401 West 6th, Littlefield, Texas

The public is cordially invited to attend the open house showing of the newly expanded and remodeled Littlefield Hospital-Clinic.

Sunday, February 7

1:30 to 4:30 P. M.

The entire staff of the Littlefield Hospital-Clinic invites you to see this modern new hospital. With the purchase of a new parking lot across the street and the addition of another floor, we feel that we can serve this area of West Texas more fully and efficiently.

This expansion program has increased our capacity to 46 beds. In addition to construction of the entire second floor, the original building has been remodeled. Also, over \$30,000 worth of new equipment has been installed.

Hospital Kitchen Cooks For About 100 Persons

How would you like to cook three meals a day for approximately 107 people and then go home and cook for your family? Mrs. Roscoe Fair, who is in charge of the kitchen at the Littlefield Hospital, has been doing this for five years.

Approximately 60 employees of the hospital eat dinner and supper there and the patients vary in number. When the hospital rooms are full, they have approximately 47 patients.

"Cooking at the hospital is much harder than cooking for a family because of the quantity and responsibility," said Mrs. Fair.

"I plan the meals at night when I get home," she said. "Lots of times several different menus have to be prepared for different diets of the patients."

"I vary the menus here the same as I do at home," Mrs. Fair said.

5th Grade 4-H Meets

The 5th Grade 4-H Club met Jan. 12 with 50 members present. The program was entitled, "Good Manners," with the members learning how to set the table properly, how to sit with good posture and how to use good table manners.

"I order groceries once a week in large quantities and then go to the grocery stores about three times a week," said Mrs. Fair. "I start breakfast at 6 a.m. each morning," she said "and I try to have dinner on the floor by 11:20 a.m. Supper is served at 5 p.m."

Jury Service Not So Novel For Gals Now

DALLAS (AP) — The ladies apparently have decided that the novelty of jury service has worn thin.

C. A. Maxwell, bailiff for the Dallas central jury room, notes that about 60 per cent of the jurors in county and district courts during 1958 were women. That it dropped to 40 per cent last year.

And the decrease in number of female jurors is expected to continue, said Maxwell.

Women began serving on juries in 1955 after an amendment passed by the Legislature in 1954. For the first years after the suffrage act women anxiously responded to jury summonses for the chance to sit in on a trial court.

They waived their exemptions, Maxwell said, to exercise the newly-won right.

But now many women who have already served once are acting like many men. They're avoiding jury service if they reasonably can.

Most women, Maxwell said, are exempted because they have children under the age of 15.

Open House Sunday To Show Hospital Expansion

Opening Is Scheduled From 1:30 To 4:30 P.M.

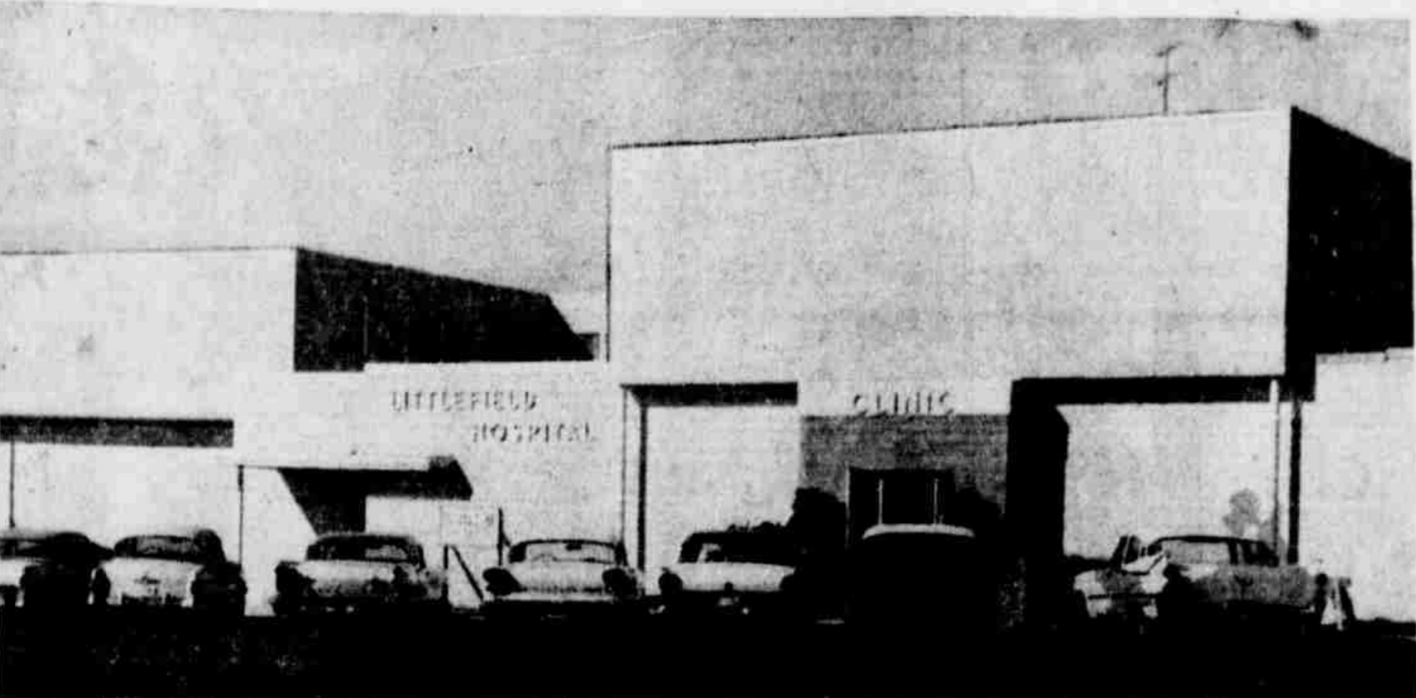

There have been three major additions to the hospital since it was first constructed. In 1956 the emergency room and other facilities were added to the rear of the hospital, in 1957 the clinic was added, and now the second story addition is the third major expansion.

For the convenience of the public the hospital now has a parking lot across 7th Street and a smaller lot just north of the alley behind the hospital.

Partner-owners of the hospital are: Dr. O. W. Still, Dr. W. C. Nowlin, Dr. F. W. Janes, Dr. D. J. Stafford, and Dr. J. R. Fain. Business manager Bob Manley reports that the hospital admitted about 3,000 patients last year and both the hospital and clinic served around 50,000 persons during the year.

Manley also reported the hospital now has a total of 45 rooms and 46 beds.

Before going into designing and actual construction of the expansion plan the staff visited many area hospitals and found many

of the ultra-modern technical facilities and improvements that have gone into the entire plan of expansion and remodeling, according to Manley.

Approximately 200 out-of-town visitors have been invited from area hospitals and medical offices as well as the general public to view the new hospital Sunday.

Remodeling Under Way At Theatres

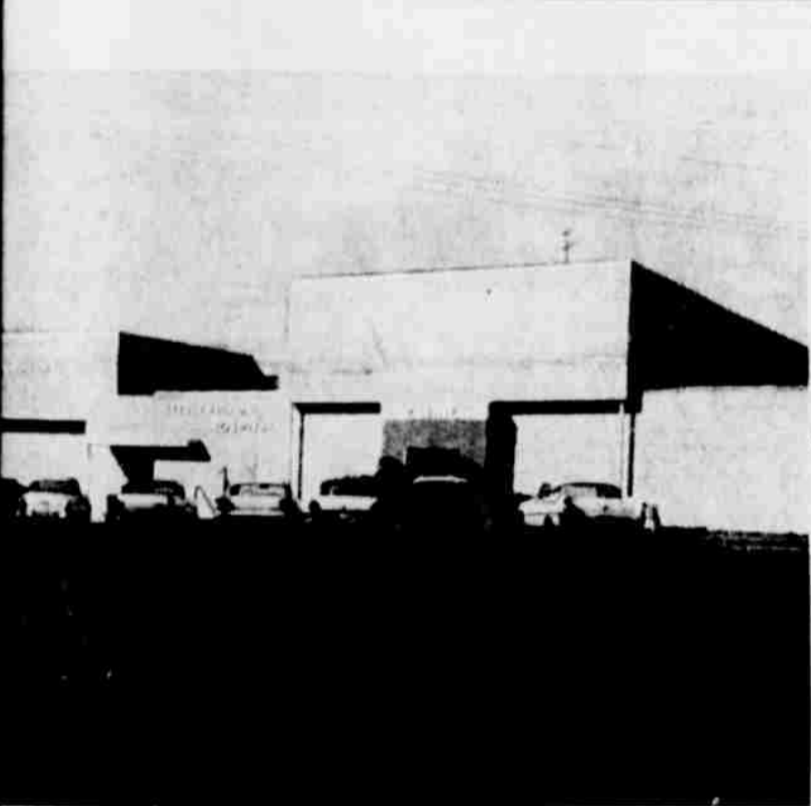

A remodeling program which got under way Monday at the Palace and XIT Drive-In theatres is scheduled to be completed by March 15, Manager O. T. Vinson announced this week.

The Palace will be remodeled completely and the XIT will get a new, wider screen, new marquee, and playground equipment, Vinson said.

The theatres are owned by Wallace Blankenship Theatres of Dallas at the rear of the theatre. Sundown, Inc. They purchased the walls in the lobby will be tiled and the floor will be carpeted. Also scheduled is remodeling of the ladies lounge, men's rest room and the "cry" room, where installation of new seats, indirect lighting, painting of murals on the walls and new carpeting in shortly after the modernization of the theatre itself. In addition a program is completed, Vinson said.

Planned for the Palace will be a new, wider screen, new marquee, and playground equipment, Vinson said.

Ponies Expected at Shetland Pony Show

Twenty-five ponies will be shown at the Shetland Pony Show which will be conducted as part of the Lamb County Junior Fat Stock Show. This announcement came this week after a meeting of the county 4-H Junior Shetland Pony Club, Eloise Terrell of Amherst is president of the group.

Winning entries in the show will receive trophies for first through third places in three classes. Class one includes mares under three years old and less than 46 inches in height. Class two will be mares over three years old and under 42 inches in height. Class three will be mares over three years old, 42 inches in height and less than 46 inches in height.

All Lamb County FFA, 4-H and FHA members and children of school age who are members of the pony club may participate. Members must show their own ponies and be the barfide owner of the ponies entered.

Assisting Miss Terrell as officers of the club are Dale Rogers of Amherst, vice-president; Judy Tapley of Amherst, secretary; Norma Kay Singer of Littlefield, treasurer; Laura Lee Aiken of Olton, reporter and Archie May of Olton, leader.

Next Home Tilt For Raiders Against Baylor

LUBBOCK — Texas Tech's next basketball game in the Coliseum will be against Baylor University Saturday, Feb. 13, at 8 p.m.

In the meantime, the Red Raiders meet Texas A&M in College Station Saturday night and University of Texas in Austin Monday night. Both games will be broadcast by Jack Dale over a network of West Texas and South Texas stations.

Baylor downed the Raiders by a 71-60 count in Waco earlier this season.

Other home games remaining are slated with University of Texas Feb. 20, Texas A&M Feb. 26 and Southern Methodist Feb. 29. Texas Tech rallied from a 13 point deficit at halftime to defeat Texas Christian University 75-66 former Panhandle high school stars — Perryton's Del Ray Mount with 25 and Amarillo's (Palo Duro) Gene Arrington with 25 — paced the Raiders.

Testimony Heard On Satisfactory Freight Service

About 150 witnesses from area cities, including Littlefield, have testified to satisfactory service they now receive from Lang Transit, Hub Motor Lines, Amarillo Truck Terminal and Santa Fe Trails.

The testimony has been given at hearings in Lubbock last week. The hearings will be in session there another week, then will be moved to San Antonio. About 40 persons from Littlefield testified.

Bill Williams of Lang Transit and C. R. Givens, partner in the Lubbock office, were in Littlefield last week to report on the hearings.

They expressed appreciation to Littlefield people who testified to the adequateness of freight service in Littlefield.

Curry Motor Lines had previously conducted hearings in Lubbock, seeking to show the need for additional freight service in the area. Curry proposed to bring its freight line into the area.

Dr. Josiah Bartlett, a physician, was first governor of the state of New Hampshire, taking office in 1792.

Craftsmanship a Creed...Accuracy a Law!

The legend above has been the inspiration—and the taskmaster—of Cadillac craftsmen for more than fifty years.

The men who are guided by this creed are uniquely dedicated to their craft.

More than half of them have served a full decade in the cause of Cadillac quality—and literally hundreds have celebrated their silver anniversary with the "car of cars."

Through every step of the manufacture of each Cadillac—including more than 1400 separate inspections—they lavish on it the fullest measure of care and skill and attention.

The result, of course, is a motor car whose quality

is simply too abundant and too evident to be denied. It can be seen—in the snug, close-fitting look of every body line.

It can be sensed—in the faultless rhythm and harmony of its performance.

Yes, and it can even be heard—heard in the awe-inspiring silence of the car in motion.

We invite your critical appraisal of this 1960 product of Cadillac craftsmanship soon.

Your dealer will be delighted to provide the car and the keys—and to explain how practical Cadillac ownership has now become.

Wayland Sets Activity Day for Baptist Boys

PLAINVIEW — About 200 boys from the West Plains, Hockley, Schran and Tierra Blanca Baptist Associations are expected on the Wayland Baptist College campus, Saturday for the final in a series of three Royal Ambassador Days, according to Walter Assiter, general chairman. After registration at 2:30 p.m., the boys, who range in age from 10 to 15 years, will go on tour of the campus and play games in the gymnasium. A variety program will include special music by "Flip, Flop and Fly", composed of Jim DeWese, Francis Young and E. J. Chafin, and a trampoline act by Dale Harris, Gruver. Dr. J. Ivyly Bishop, chairman Division of Bible and religion, will serve as master of ceremonies and Vernon Norris, Springfield, Ore., will lead the group in singing. Stunt Time will be presented by RA's from Bethel Baptist Church, Plainview, and a duet Gary Bradley and Larry Schovalsa, from Amherst Baptist Church will complete the early afternoon program.

Later in the afternoon, President A. Hope Owen will extend a special welcome to the boys, and as a mission feature, Robert E. Chapman, state secretary of Royal Ambassadors, Dallas, will comment on state RA work. The International Choir Quartet composed of Donnie J. Adams, head of department of fine arts, Don Collins, Edmonson, Norris, and Dor Thompson, Thomaston, Ga., will sing, and a band of International students, James Adjo, Nigeria, Joseph Yim, Hong Kong, and Gonzalo Septin, Philippines, will tell their country customs and explain RA work in their homelands. Moderator for the panel will be Ken Flowers, Lamesa. The boys will be guests of the college for the night meal and the games between the Flying Queens and Nashville Business College and the Pioneers and McMurry College.

Lewis, Boyd Miller, Leon Slape, Ervin Sadler, and Rafe Rodgers.

HAS HIGHER GOALS CLOSTER, N.J. (AP) — Peter Palmer, the husky star of both the stage and screen versions of "Lil Abner," has loftier ambitions than playing a Dogpatch hillbilly. He is a tenor and is studying opera, with a goal of appearing in the Metropolitan Opera in three years. He feels he has distinct advantages: he is short but Palmer is good for heroic opera. Palmer lives here with his wife and four children.

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

- Supple Full Coil suspension**—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.
- Butyl rubber body mounts**—Thicker, newly designed body mounts further insulate you from the road.
- Body by Fisher**—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.
- Foam cushioned seats**—Chevy offers foam cushioned seats in both front and rear in all series but one.
- Safety-Girder frame**—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.
- Hydraulic valve lifters**—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.
- Cushioned steering shaft**—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.
- Precision balanced wheels and tires**—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.
- Easy steering ratio**—Chevy's high ratio Ball Race steering takes the work out of steering for you.
- Superior weight distribution**—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.
- Wide choice of power teams**—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

BY VERN SANFORD
Texas Press Assn.

AUSTIN, Tex. — Completion of the Interstate Highway System, including 3,000 miles of top-standard expressways, may save as many as 300 Texans a year from traffic deaths.

State Highway Engineer De Witt C. Greer says that accident records show that controlled access expressways are three times safer.

Also, he said, they move three to four times as much traffic.

Greer estimates that the Interstate Highway System, when completed, will save one life a year for each 10 miles of road.

Target year for getting Texas highways to desired standards is 1975.

By that time, said the state highway engineer, the state probably will have 70,000 miles in the state highway system compared to the present 60,000. There will be 5,500 miles of multi-lane highways compared to 2,108 today.

MORE SPEED? — Whether speeds in excess of 60 miles per hour should be legalized for some of the state's top-notch highways will be subject of study between now and the next Legislature.

Committees of the Texas Good Roads Assn. are to consider this

and whether gasoline taxes should be upped to gain school funds.

Governor Daniel has suggested the possibility of raising money for school improvement and teacher salaries through a higher gasoline tax. TGRA, made up of people interested in road building, has, in the past, opposed draining taxes paid by road users for non-highway purposes.

Higher speed limits have been proposed before for four-lane highways, but have failed to pass the Legislature.

DEFICIT GROWS — Deficit in the state's general revenue fund has reached \$78,647,301, an all-time high, says State Treasurer Jesse James.

Things should look better after May 1, when corporation franchise taxes will be paid, he adds.

APPOINTEES — Appointed by Governor Daniel to the Texas Commission on Educational Standards are Mrs. W. D. DeGrassi of Amarillo, Horace K. Jackson of Gatesville, Reynaldo Garza of Brownsville, Cullum Greene of Fort Worth, and Mrs. E. P. Lambert of Dallas.

To the Educational Commission, Lt. Gov. Ben Ramsey names Everett Collier of Houston, Joe Anderson of Lufkin, Sens. William Fly of Victoria, Floyd Brad-

shaw of Weatherford, and Roy Roberts of McKinney.

House Speaker Waggoner Car designated Mrs. Harry Patterson of Houston, John McKeen of Dallas, Sens. C. T. Matthews of Dallas, Leon Thurman of Anson and Maurice Pinkin of Brownsville as his aides to the Education Commission.

NEW GAME HEADS — Frank M. Wood of Wichita Falls has been elected chairman of Game and Fish Commission to succeed Herb Frenshley of Houston.

New members of the Commission are Carl L. Dimes of Lufkin, H. A. Walsh of El Paso, J. F. Carley of Houston and W. O. Reed of Dallas.

BIG DELAYS DECISION — "Flug" besides telling Texans by thousands, contributed to a delay in deciding one of the state's most talked about issues, the new Safe Driving Insurance Plan.

With the other two State Insurance Board members, Chairman Penn Jackson said it would be at least several days before the board would announce changes, if any, in the plan.

Board Member Robert W. Strain was in bed with the flu, and Joe P. Biers, other member, was convalescing from a heart attack.

Under the merit plan, the Board set auto insurance premiums lower for drivers with no record of accidents or traffic violations and proportionately higher for those who have accident and violation records.

Gov. Daniel has said that he hoped the Board would make "some changes" in the plan, but declined to elaborate.

Some legislators declare that unless non-accident-causing violations and the three-year retroactive features are taken from the plan it will be so unpopular the Legislature will have to change it if the Board doesn't.

But most Texas insurance men declare that, given a fair chance, the plan will grow in favor with the public. They believe there will be an overall drop in insurance costs as the driving public learns the relationship between bad driving habits and high insurance premiums.

ANTI-NARCOTICS AID PROMISED — Gov. Daniel has promised El Paso every possible help in combatting its problem of being "a major distribution node of an international narcotics ring."

In response to a telegram in which El Paso Judge Woodrow Benn cited the city's "major" problem, the governor conferred with state and federal authorities.

Daniel said he was assured after talking with Col. Homer Garrison Jr., director of the Department of Public Safety, that DPS men were and would continue to work with local law enforcement officials in El Paso in fighting narcotics traffic.

Also, said the governor, he has been told by the Federal Narcotics Commission that eight federal customs agents in El Paso also do anti-narcotics work.

Federal Commissioner H. J. Anslinger promised the governor to survey and consider the request for a special federal narcotics agent in El Paso.

LOWER TRAIN FARES SOUGHT — Railroad Commission has set a hearing Feb. 9 on a request by Texas railroads to reduce passenger fares between Houston and Dallas and Fort Worth.

Railroads want to reduce the round trip fare from Houston to Dallas from \$14.05 to \$9 and the fare from Houston to Fort Worth from \$14.80 to \$10.

A spokesman for the Railroad Commission said that no opposition was expected from rail companies not making these runs.

Trucker Seriously Injured In Pipe Mishap At Earth

EARTH — Hugh Murdock, 40, Lamesa, was seriously injured when approximately one ton of steel pipe fell against his chest and the right side of his head at 11:45 a.m. Monday at the Earth Gin yard.

Murdock, an employee of Thomas Motor Freight, Dallas, and two other truckers were unloading the pipe, which weighs about 18 pounds per foot, when the accident occurred. It had been brought from Houston to be used by the Pioneer Natural Gas Company here.

Dr. F. B. Faust of Earth examined Murdock at the scene of the accident. An ambulance from Parsons' Funeral Home, Olton, was summoned to take the man to Methodist Hospital at Lubbock for neurosurgery.

According to Dr. Faust, Murdock suffered possible fractures of the vertebrae, ribs and skull.

Murdock was in fair condition at Methodist Hospital Monday night.
