Mrs. Mills had been suffering from high blood pressure, and fire, which destroyed the trailer in which she was living, in the D. C. Following the fire, Mrs. Mills visited her son, W. O. Mills, at Seaside, until February 10, when she returned to Artesia. Mrs. Mills is reported to have been sitting in a chair talking and reading when she suddenly died. Funeral services were conducted at Littlefield at 2:30 o'clock Friday afternoon at the Baptist Church, Artesia, New Mexico, with Rev. **HOME NURSING TO BE  
TAUGHT IN LAMB COUNTY**

Miss Edith Tiffany, Consultant Nurse of American Red Cross, St. Louis Area office, visited the local Chapter last week for the purpose of organizing Lamb County for home nursing classes; and at a meeting held Thursday afternoon at 2 o'clock at the Red Cross offices here, the plan was approved whereby an itinerant nurse from the Area office will hold a series of classes in home nursing over a period of two months in Lamb County this coming summer. Classes are expected to be held in June and July, and will be taught in each town in the county. Representatives were present at Thursday's meeting from Littlefield, Earth, Sudan, and Sunnydale. Mrs. S. H. Russell of Sudan has been appointed Co-Home Nursing Chairman.

Those present at this meeting were: Mrs. L. M. Brandon, Executive Secretary, Lamb County Red Cross; G. M. Shaw, County Chairman of Red Cross, and Mrs. D. C. Lindley, Mrs. E. A. Rowe, Jr., Mrs. C. O. Griffin, Mrs. A. B. Haynes, Mrs. R. A. Brotherton, and Mrs. C. Frank York, all of Littlefield; Mrs. Russell and Joe Salem of Sudan; Mrs. Marshall Kelley and Mrs. L. Z. Anglin, both of Earth; Mrs. A. B. Jordan, Mrs. Levi J. Coble and Mrs. P. S. Hanks, all of Sunnydale. According to the Red Cross Association, the shortage of physicians and nurses, and the possibility of epidemics arising due to the war, have prompted this organization to offer the home nursing classes, so that the public may learn to care for their own sick should the necessity arise. Two classes will be held daily. It is also planned to have a class for the colored. The salary of the nurse conducting the classes will be paid by the Area office at St. Louis, but the Lamb County Chapter will pay her transportation and incidentals while here.

Clark took a special three months course in radio work at Rhode Island State College; also was in training at Camp Crowder, Mo.; and at Vancouver, Wash. **Quota For Lamb  
County \$18,400;  
Littlefield \$6,164**

**G. M. Shaw, County  
Chairman; Drive Starts  
With Rally At Amherst**

Lamb County Red Cross War Fund Drive will get underway Monday, March 20, according to G. M. Shaw, Chairman.

The quota for the County is \$18,400.00, with \$10,000 to remain in Lamb County for use here, and \$8,400 to be remitted to National Headquarters at St. Louis for War Relief work.

The quota for Littlefield, as announced by Mr. Shaw, is \$6,164, with W. J. Chesher as local chairman.

The goal for the nation is \$200,000,000 to be raised during the month of March.

To start the Lamb County drive a rally will be staged at the Amherst Hotel Friday evening, March 10, at 8:30 o'clock, when all chairmen and co-workers of the various communities and cities in the county will be present, and appoint sub-committees to assist with the work, and final plans will be worked out for the drive. A supply of literature, including cards, placards, etc., will also be on hand to distribute to the workers for advertising purposes. It is expected that between 50 and 60 workers will be present.

A special feature of the rally will be a dinner served at the Amherst Hotel Diningroom that evening for all chairmen and their co-workers.

Lieut. Cowling, special service officer of the South Plains Army Airfield, Lubbock, is expected to make a talk on just what the Red Cross means to the men and women in the Armed Forces.

In an interview with Mr. Shaw Friday he stated that to raise this quota each individual should give about three times the amount given last year, adding: "Now that the date of the drive and the quota have been announced, let's all put our shoulders to the wheel and put this drive over in not more than two or three weeks." **First To Receive  
"Mustering Out  
Payment" Here**

Julian Timian, 26, who was honorably discharged from the U. S. Army after 2 1/2 years in the service, believes he is the first in Littlefield to receive his "Mustering Out Pay."

Timian, who remained in the United States during the time of his service, and who is entitled to \$200 under the "Mustering Out Payment Plan," received \$100 last week, and will receive another \$100 next month. Men serving overseas will receive \$300.

Timian, at the time of his discharge from the Army, was stationed at Fort Snelling, Minn., located between St. Paul and Minneapolis, and through an accident on the firing range, had his right eye 90 per cent blinded. He was in Radar with the Signal Corps. Following the accident he was given a medical discharge.

During his training and service, Timian was stationed at Camp Upton, Long Island; Bangor, Maine; Monmouth, N. J., and Fort Bliss, Texas.

Previous to entering the service he was operator at the Palace Theatre here.

Red Cross University

In this war as in no other, the American Red Cross is called upon to play a many-sided role. It must recruit a vast corps of trained nurses for service with the Army and Navy. But in addition to this important service, the Red Cross must train and send out to the field a variety of workers, each equipped to do a specific job for the welfare of men in the service.

Field directors and their assistants, hospital recreation and social workers and their staffs—trained men and women of courage and energy! It is their task to look after the mental, recreational and personal well-being of the men. They are trained at the Red Cross "university" in Washington where some weeks ago the ten thousandth trainee graduated.

Of the ten thousand who have completed the course a man-sized proportion are even now serving on the active battle fronts. Others are at work in Army and Navy hospitals and clubs behind the lines. Yet others are permanently assigned to duty in camps and hospitals here in America. More of them, having completed the course at the school, are now gaining valuable experience in military and naval stations while awaiting assignment over-

In Honor of Soldiers

More than 1,000 black walnuts have been received by South Plains parents to be planted as memorials to their sons and daughters in the armed forces of the Army during recent months.

The walnuts are being furnished by Judge R. E. Sparkman of Italy, Texas, who began the work in 1940 when he offered to mail a walnut to any parent having a son in the armed service. The offer has been accepted by thousands of parents who are growing trees in honor of their sons.

The nuts are from a historic old 85-year-old tree at the Sparkman home at Italy, which has become one of the best known trees in Texas.

Judge Sparkman believes that nothing will so beautify our state or more fittingly honor our soldiers than a living growing tree. Any one wishing to plant one may write the Italy man enclosing a few cents for postage and he will be glad to mail them out. They may be planted up to March 16 on the South Plains with good results.

seas. Uniformed and ready for hard work, they await their call.

The Army and Navy need these workers. The American Red Cross must supply them.

With South Plains Men In U. S. Service

Mr. and Mrs. H. F. Morris, Mr. and Mrs. Herbert Pierce, and Mrs. Floy Morris and two children returned recently after spending ten days at Bend, Ore., where they visited Pvt. Floy Morris, who is stationed at Camp Abbott, Ore., near Bend. Mrs. Morris and children remained at Bend.

Pvt. Morris has been transferred from the Engineering Corps into Mechanical Engineering, and is going to school and taking a course in this work. He expects to be there ten weeks.

Mr. and Mrs. Morris reported that it snowed everyday they were there.

Jimmie Parker, who has been employed as parts man in a garage at Luling, Texas, was inducted into the service from here leaving for Fort Sill February 11. He is now stationed at Fort McClellan, Ala., where he is a mechanic in the regular army.

Mrs. Parker and daughter, Shirley Jean, are making their home with her parents, Mr. and Mrs. Sam Darby, here. Mr. and Mrs. Darby

operate the Batton Hotel.

West enlisted in the Navy, and was only in boot camp a short time when he took ill.

Though he is some better, he is still confined to bed. The service man's trouble dates back to his childhood. When 11 years of age he suffered an attack of Rheumatic Fever, which took two or three years for him to get over it; and his heart condition now is believed to be the result of the Rheumatic Fever.

Pfc. Charlie James of the Marine Air Corps stationed at Miramar Air Base, near San Diego, Calif., left recently after spending a ten day furlough with his wife and other relatives here. He has been in the service since December 3. Mrs. James is making her home with her

parents, Mr. and Mrs. A. A. Hudson, in the absence of her husband.

Nelson Reinsch, son of Mr. and Mrs. C. F. Reinsch of Anton, Route 2, was promoted to petty officer, first class, February 1. For the past year he has been in active duty on a submarine in the Pacific.

Mrs. J. B. Hutchins, who has been in Alaska working in a studio since July last, has returned to Littlefield. She is the former Miss Margaret Wingfield, and daughter of I. C. Wingfield. She was married while in Alaska to Pfc. J. B. Hutchins, the son of Mr. and Mrs. G. H. Hutchins of Morton, who is stationed in Alaska.

He is getting a furlough and was scheduled to arrive here about March 1.

Clayborn E. Tharp, formerly of Sudan, has just arrived at Corsicana Field from the San Antonio Aviation Cadet Center, San Antonio, as a member of Class 44H.

A-C Tharp has been assigned for primary flight training to the 301st A.A.F. Flying Training Detachment, commanded by Captain Leonard S. Dysinger, one of the many Primary Flying Schools in the Army Air Forces Central Flying Training Command.

He is the son of Mr. and Mrs. T. J. Tharp, 2519 Ridge Road, Berkeley, Calif.

Bill Cook of the Navy, is visiting his parents, Mr. and Mrs. W. T. Cook of Spade. He arrived home Friday on a nine day leave. He has been stationed at San Diego, and is being transferred. Cook was graduated with the 1941 class of Spade High School.

When Cpl. Irby W. Davis left for service in October, 1942, their little son, Harry Henry, was only three weeks old. His father only had the privilege of seeing him once after that until he left for overseas service. Now the young man is 16 months old.

Cpl. Davis is now located "somewhere in England." Mrs. Davis and son are making their home with her parents, Mr. and Mrs. Harry Lynch here. Miss Edith Lynch, another daughter, is a member of the Amherst School Faculty, but makes her home with her parents in Littlefield.

provided the Committee. Current information on the number and types of food parcels sent, how they are distributed, how individual parcels may be sent by next-of-kin, and similar information will be regularly provided. It shall then be the duty of the sub-committee to get this information to the general public and especially to the people who are vitally concerned. In this way, the sub-committee may bring to these families and friends the most up-to-date information on prisoners of war.

Under the chairmanship of Mrs. McFarland this sub-committee will supply current information on relief measures taken by the Red Cross in behalf of American nationals held by the enemy, and advise of postal and other regulations governing communication with prisoners.

Stating that about 40,000 Americans are held by Germany and Japan, the American Red Cross at St. Louis has advised that Lamb County prisoner-of-war sub-committee will be provided with lists of prisoners from this area, and it will be the committee's duty to advise their next of kin how they may send mail and gifts to them.

The new sub-committee will function as a part of Lamb County Red Cross Chapter's home service program for servicemen and their families.

Mrs. McFarland as chairman will do her best to provide relatives and friends of prisoners of war with the most recent and accurate developments concerning prison camp conditions, relief measures, and communication regulations.

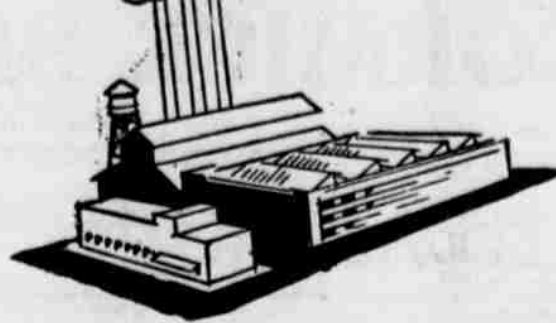

Mrs. McFarland has a son, Pvt. Thomas J. McFarland, a prisoner of war of the Japanese Government at Moulmein, Burma. His parents were so notified by the War Department on December 15, 1943.

In an interview with Mrs. L. M. Brandon, Executive Secretary, Red Cross, Saturday, she stated that next of kin were now allowed to send a cablegram to prisoners of war, confining their message to 25 words, which includes address, identification of prisoner, body of telegram and signature.

TITLES AIR COMMAND Hq. promotion of J. B. Harper, of Texas, to the rank of staff sergeant in the Army Air Forces announced here at Antilles Air Command headquarters. Entering Army October 13, 1942, at Lubbock, Texas, Sgt. Harper was assigned to his present overseas unit afterward and now is stationed

on the island of Trinidad in the British West Indies. He received his corporal's rating in April, 1943, and was promoted to sergeant December 6, 1943. Sgt. Harper was born September 20, 1906, in Claude, Texas, and he resided in Sudan, Texas, with his wife at the time he entered the service. He attended the Sudan High School and was in business for himself as a trucking contractor at the time he joined the Army.

A cablegram received last week end from Lieut. "Chief" Jones of Muleshoe by his wife, the former Miss Hattie Ray Griffiths, stated that he was safe and "OK." "Chief," a former Texas Tech football star, and teacher in the Muleshoe Schools, was with the hard-hitting Fourth Marine Division that chased the Japs off the Marshall Islands last month. It got so tough for the little "monkeys" that most of those surviving jumped in the ocean and tried to swim back to Tojo.

Pvt. Cecil L. Holley, son of Mr. and Mrs. O. Q. Holley of Muleshoe, has been assigned to the AAF Training Command Radio school at Sioux Falls, S. D., it was announced by the Army public relations office this week. Cecil will be at the school about 20 weeks, and will be trained to take his place as a member of a highly skilled bomber crew. Jarold Jones, who is in the Navy V-12 training, and has been in school since July 1 at the Southwestern

Louisiana Institute, has completed his work there, and has now been transferred to Midshipman School at Ashbury Park, N. J., where he expects to be stationed about a month. Enroute to his new location he arrived in Littlefield Friday, and will spend a week here. Cpl. Johnnie Thomason, stationed at Fort Sill, spent the past week end here, and visited Miss Glennita Young.

What happens when  
your hat comes down?

SOMEDAY, a group of grim-faced men will walk stiffly into a room, sit down at a table, sign a piece of paper—and the War will be over.

That'll be quite a day. It doesn't take much imagination to picture the way the hats will be tossed into the air all over America on *that* day.

But what about the day after?

What happens when the tumult and the shouting have died, and all of us turn back to the job of actually making this country the wonderful place we've dreamed it would be "after the War"?

No man knows just what's going to happen then. But we know one thing that must *not* happen:

We must *not* have a postwar America fumbling to restore an out-of-gear economy, staggering under a

burden of idle factories and idle men, wracked with internal dissension and stricken with poverty and want.

We must *not* have breadlines and vacant farms and jobless, tired men in Army overcoats tramping city streets.

*That is why we must buy War Bonds—now.*

For every time you buy a Bond, you not only help finance the War. You help to build up a vast reserve of postwar buying power. Buying power that can mean millions of postwar jobs making billions of dollars' worth of postwar goods and a healthy, prosperous, strong America in which there'll be a richer, happier living for every one of us.

To protect your Country, your family, and your job *after the War—buy War Bonds now!*

Home On Furlough

Lt. Mary Lee Carpenter-Soltys, Lieut. Mary Lee Carpenter-Soltys of the Army Nurses Corps, arrived recently on a furlough to visit her parents, Mr. and Mrs. R. N. Carpenter, and her sister, Mrs. Doss Wayne Maner, who has been ill.

Lieut. Soltys has been stationed at Camp Stoneman, close to San Francisco, since returning from Australia, where she spent two months. She came to the United States as a nurse on a ship laden with wounded soldiers.

The ship on which she went to Australia took 28 days to make the trip, but she came back on a fast ship which only took 15 days to come, according to Lieut. Soltys.

She has spent some time with her brother and sister-in-law, Mr. and Mrs. A. B. Carpenter, at Lamesa, and also visited her brother and sister-in-law, Mr. and Mrs. Claude Carpenter, at Sweetwater.

She returned here to spend the week end, and left Monday for San Francisco. Friends and relatives calling at the R. N. Carpenter home on her arrival here to visit with Lieut. Soltys were: Mr. and Mrs. A. B. Carpenter and three children of Lamesa; Mr. and Mrs. Claud Carpenter of Sweetwater, Mr. and Mrs. Bernie Howton and family of Enochs, Mr. and Mrs. Jack James and daughter;

Miss Paulette Hay On Honor Roll

Miss Paulette Hay of Sudan and daughter of Mr. and Mrs. Simon D. Hay, and a freshman student of Trinity University, has been listed on the Honor Roll for the first semester which included the students of Trinity University who made the highest scholastic averages.

An additional honor came to Miss Hay last week in her election as freshman representative on the Mary Catherine Hall Council, the student governing body of the Woman's dormitory on the Trinity campus.

Officers Elected By Sudan Booster Group

Plans of the Sudan Chamber of Commerce for the coming year will be made at an early meeting of that organization, according to U. H. Mileur, who was recently elected president, succeeding L. E. Slate.

Joe Salem was elected vice-president, and Joe Wilkerson was re-elected secretary-treasurer.

Those elected to the board of directors were Simon D. Hay, Hugh Vincent, Hugh Johnson and Drew Watkins.

Food Administration wanted these 1944 Farm Plan Sheets signed at this time are as follows: 1. Selective Service for war unit purposes; 2. Amount of money that can be earned; 3. Cotton and Grain Sorghum loans; 4. Rationing of protein feeds. He said that Lamb County had been assigned a 250,000 acre grain sorghum goal which is the largest assigned any county in Texas, 136,000 acre cotton goal, 3,000 acre peanut goal, 3,000 acre soybean goal, 3,000 acre dry bean goal, and 100 acre Irish potato goal.

three days." Mr. Shaw has visited the various towns and communities in the county in his organization program, and expresses himself as well pleased over the prospects for raising this fund.

Committees for the various school districts and their quotas are as follows:

Littlefield—\$6,164; Chairman: W. J. (Bill) Chesser; committee: Lester Hewitt, Mrs. C. O. Sotne, Clyde Hilbun and Pat Boone;  
Sudan—\$3,174; Chairman: W. H. Lyle; committee: Mrs. L. E. Slate, Joe Salem and Drew Watkins;

Pleasant Valley—\$275; Chairman: Mrs. Art Haber; committee: Mrs. Fred Determan.

The American National Red Cross is an auxiliary to the United States Armed Forces, and as such is providing indispensable service to the troops throughout the world, as well as to their families at home.

In explanation of the larger quota assigned to Lamb County, Mrs. L. M. Brandon, Executive Secretary, said that the reason for this was that Lamb County is maintaining an office here; that the fact Littlefield has two large modern hospitals here brings many emergency cases to this city; and in that way increases the case load on Lamb county; also due to the fact that no Red Cross office is maintained in the counties of Hale, Bailey or Castro, people from these counties come to Littlefield for service.

The Lamb County Red Cross office here, with Mrs. Brandon as a very capable, efficient and willing

secretary in charge, is doing a wonderful work for both the service men and his family. This service, which is carried out for the service men and his family in the United States and is also extended to him in foreign service, as well as to prisoners of war, is getting more extensive as time goes on.

Jim Thomas, former convict, held in Lubbock since a few days after the double-slaying of Dr. and Mrs. Roy E. Hunt in their Littlefield home last October, Saturday appeared before the Lamb County grand jury investigating the murders.

From District Attorney Harold M. LaFont, of Plainview, came the announcement that the jury had been disassembled after a busy day of work which ended at 7:30 o'clock Saturday night.

Thomas was taken to Olton under a heavy guard of Texas Rangers who were bolstered there by Lamb county officers.

LaFont said C. E. Bley, foreman, would call the body back into session "within the next two to three weeks."

Several witnesses wanted in the Hunt inquiry are still "out of pocket," LaFont stated. About 30 witnesses already have been heard, he said.

## SUDAN NEWS

The Methodist Church is enjoying a season of prosperity. Attendance has increased considerably since the beginning of the new church year.

We were the first in the District to go over the top in the McMurry Campaign.

According to previous records, this is the first time in the history of the church that all finances have been kept up-to-date.

The parsonage was re-papered and repainted throughout before the new preacher and his wife moved in. A new bedroom suite has recently been bought and quite a bit of repairs have been made on the church. Funds are being raised now to re-roof and paint the church.

A special invitation is extended to all of our members and the public to come and worship with us.

## DEDICATION OF BAPTIST CHURCH NEXT SUNDAY

Next Sunday the Baptist people will dedicate their church. It will be a day of great rejoicing for they have been struggling with a church debt for several years.

The Dedication Service will be in the afternoon and the public is invited to attend. Recognition will be given all former pastors, members and local churches.

Their revival begins with this service and will run through the week with services twice daily.

Mrs. A. W. Ormand is visiting this

week with her daughter, Mrs. Ernest Minyard, at Pampa.

## RELIGION: TRUE AND FALSE

By Bill McCown, Minister  
LITTLEFIELD DRIVE CHURCH OF CHRIST

This is another in a series of articles being published by the Littlefield Drive Church of Christ in the interest of apostolic Christianity and the salvation of souls that are lost.

The plea of the Church of Christ is characterized by its simplicity. We contend for nothing for which the Apostles and inspired writers did not contend. We stand upon a "THUS SAITH THE LORD" and feel secure of our position for that reason. For nineteen centuries, the combined host of religious and irreligious people have levied attacks against the Church of Christ, and yet she ante-dates the oldest of denominationalism—the Roman Catholic Church—by at least six centuries.

There are to be found in the world today some 212 separate and distinct religious orders, these being subdivided among themselves until the number is swelled to better than 600. Each of these differ one from the other, and each claim to offer man God's law of pardon.

It does not stand to reason that the God of heaven would authorize 600 WAYS and then permit Jesus to say, "I AM THE WAY, THE TRUTH, AND THE LIFE. NO MAN COMETH UNTO THE FATHER BUT BY ME." (JOHN 14:6). If God did father 600 ways, then Christ was in error in saying "THE WAY" (singular). If God intended that there be over 600 churches and that salvation might be found in either of them, why in reason, then, did Christ say, "UPON THIS ROCK I WILL BUILD MY CHURCH" (SINGULAR). Why did Paul, speaking to the Ephesian elders (Acts 20:28) affirm that the CHURCH NOT CHURCHES was purchased with the blood of Christ, if any church was alright?

The truth of the matter, Friends, is that there is but one church and one system of religion acceptable unto the God of heaven. In making such an assertion, I realize full well the seriousness of such. I have many friends in religious institutions un-named in God's Word, and for them I am deeply sorrowful. Yet, when Christ came into this world and labored among man, only to die on the cross that He might purchase with His blood the precious church and redeem man from sin, He gave one way and not many ways.

WHAT IS THAT ONE WAY? I am sure that all can readily see that not all religious orders and religions can be that one way, for all differ one from another.

It is necessary, therefore, that we shall eliminate all save one, and recognize in that one the church of our Lord.

How shall we decide which one is right. I offer only one method: go to God's word and there read the pattern of the church divine and then examine the churches in the world today to see whether or not they be the church of the New Testament. Time and space do not permit us in this issue to fully develop the idea advanced. Yet, watch subsequent issues of the LEADER for more along this same line.

Hear Christ: "In vain do they worship me, teaching for doctrine the commandments of men." (Matthew 15:9). Many people today are worshipping God in vain because they, like the Jews of old, have set aside the commandments of God and have inserted in their stead the things men have said. That this is so is evidenced by the presence in religious circles of religious creeds, manuals, disciplines, doctrines, etc., all foreign to the teaching of God's Word. The origin of the man-made creeds goes back to the fact that man wanted something other than that which God had given and because he realized the necessity of some proof, he wrote that proof himself in his particular church manual. As man and his ideas progressed, it becomes necessary for his manual to be altered. For that reason, creeds of today sometimes contradict creeds of a hundred years ago, even though they be the creeds of the same religious order. If it is possible, and they have since decided that it was, that they might be wrong then, is it not equally possible that they be wrong now? It most emphatically is. For that reason, take your stand upon the abiding and unchanging word of God, and be safe beyond the shadow of a doubt, reasonable or unreasonable.

There is but one TRUE RELIGION and there is but ONE TRUE CHURCH. In the next of this series we will begin to point you to the apostolic pattern and beg your prayerful consideration of these articles from time to time.

A cordial welcome awaits you at the LITTLEFIELD DRIVE CHURCH OF CHRIST, where your scribe serves as regular minister. We likewise solicit your comments and questions relative to these articles. Address communications to Bill McCown, Minister, Box 974, Littlefield, Texas.

## With Amherst Men In The Armed Forces

Completing his basic flying training at Malden Army Air Field, Malden, Mo., last week, Aviation Cadet Davis C. May, son of Mr. and Mrs. Robert L. May of Amherst, left for advanced flying school, where he will receive further specialized training.
