OFFICIAL NEWSPAPER OF LAMB COUNTY

## LAMB COUNTY LEADER

## Huge Delegation Sought For Code Talks In Amarillo

Proposals to launch a broad educational program on use and conservation of underground water resources were heard at a general membership meeting of the Littlefield-Lamb County Chamber of Commerce Monday night.

Arthur Duggan Littlefield, an attorney for the High Plains Water Conservation and Users Association, appeared before the businessmen to bring them up to date on legislation and proposed legislation affecting the use of underground water.

Lamb County businessmen and farmers were urged to attend a Water Code Committee hearing in Amarillo March 20, turning out in large numbers to support the law protecting underground water rights. It is hoped that from 200 to 400 will attend.

Underground water, Duggan pointed out, is used to irrigate 200,000 acres of farmland in Lamb County. The farmers' prosperity depends on availability of the water, and the community's prosperity depends on the farmers, mainstay of South Plains economy.

A struggle is going on, Duggan told the Chamber men, to take individual control of underground water from the hands of landowners and give it to the state. A law which has been in operation less than a year protects the individual ownership of underground water and provides for its conservation.

Should the state gain control of underground water, its use probably would be regulated the same as surface water, which is prorated on a priority basis to (1) municipalities, (2) industries and (3) irrigators.

The present law—protecting individual control—is under attack on two scores. Opponents argue that "water is water, and the same laws which apply to surface water should apply to underground water."

Further, they say that the law on the books is unworkable in that the conservancy provisions can't be carried out. Here they cite the failure of Pecos in attempts to organize a conservancy district. One reason the Pecos organization failed, ed, proponents point out, is that they skipped the first step provided by law—a hearing by the Board of Water Engineers to decide boundaries of the district.

Principal attacks against the present underground water law have been made before the Texas Water Code Committee, set up to study present water laws and make recommendations in a report to the legislature.

The committee has announced a hearing for March 20 in Amarillo, and the High Plains Water Conservation and Users Association, together with the Lamb County Water Conservation Association, Castro and Bailey county groups and other Plains water users are expected to attend the hearing.

A big representation from Lamb County is sought for two reasons, Duggan said. The main reason is to show support for the present law, and at the same time to give a broad education on the problem to those attending.

It is hoped, he added, that about 500 persons will attend the hearing including a big delegation from Lamb County.

## Red Cross Workers Attend Institute On Disaster Relief

Mrs. D. C. Lindley, superintendent of nurses at Payne-Shotwell Foundation and county vice-chairman of the Red Cross disaster relief committee, and Mrs. L. M. Brandon, Red Cross executive secretary, attended a disaster nursing institute Monday at the Hilton Hotel in Lubbock.

Miss Rebecca Pond, a national field representative from St. Louis midwestern area office, was in charge.

The study was based on plans for organization for disaster nursing, duties of personnel in case of disaster and proper procedure for allocation of duties. Slides on disasters and their effects, proper plans of organization and duties and the keeping of records were also taken up.

## Two Men Fined Here On DWI Charges, One Held On \$1,500 Bond

Two persons who plead guilty to charges of driving while intoxicated were fined this week, and one other is held in lieu of \$1500 bond on charges of second offense of driving while intoxicated.

A. F. Smith, Sudan, was arrested Saturday night. His fine was \$50 and costs. LaVerne Wall, Levelland, was also arrested Saturday and paid the same fine.

Benny Dunn, Sudan Negro, was charged with second offense of driving while intoxicated. He is in the county jail pending posting of a \$1500 bond set by Justice of the Peace Sam Farquhar. He was arrested Sunday night.

## Band Hall Break-In Being Investigated

Sheriff's deputies are continuing their investigation of a break-in Monday night at the high school band hall, Deputy Dick Dyer said.

Persons who gained entry by breaking a window apparently overlooked a money box in the band hall. Director Don Hays could not immediately discern what items had been taken.

## 108-Man Special Venire Drawn For Jury In Been Murder Trial

A special venire of 108 men, from whom will be chosen a jury to hear the murder trial of Zeroid Been, Spade farmer, on March 13, was drawn in the district judge's office.

Observers said the large venire was chosen because some difficulty is expected in getting a jury. Several reasons were given, among them the fact that there has been a lot of discussion about the murder case.

Been is charged in connection with the death of Harvey Buchanan, at Spade last summer. Buchanan was found dying in his home after a fight.

Judge E. A. Ellis, judge of the 64th judicial district, will exchange benches with Judge G. V. Pardue of Lubbock for the Been trial. Judge Bills, formerly an attorney for the defendant, is disqualified from hearing the case.

Veniremen chosen are Ray May, Sudan; Travis Carruth, Olton; Jeff Perkins, Littlefield; F. D. Harper, Springlake; Bill New, Sudan; J. M. Sprygle, Littlefield; E. J. Stone, Sudan; Clark Carter, Littlefield; Elmer Cates, Earth; A. L. Robinson, Sudan; A. W. Bryant, Sudan; L. B. (Continued on Back Page)

## Workers Expect To Exceed \$3400 Quota This Week

### Several Towns Near Goals As Campaign Starts In County

Nearly \$2,000 was collected Wednesday in Littlefield toward a \$3,225 goal in the annual Red Cross fund campaign, officials announced.

Fieldton was the first town in Lamb county to "go over the top" in the drive, which started officially Wednesday morning. Fieldton's goal was \$104.50, and they raised \$107.

Kick-Off Breakfast Solicitations started here early Wednesday and signs saying "We Gave 100 Per Cent" appeared in several windows by noon. Wolfe Shaw, county chapter chairman, and M. O. Mitchell, drive chairman, announced following a kick-off breakfast in Hays Coffee Shop that workers expect to raise the local quota within three or four days.

Twenty-three persons attended the kick-off breakfast, at which membership cards and other fund drive equipment were distributed.

## Preston Hawks, Sudan Newsmen, Named County Census Supervisor

PRESTON HAWKS

Appointment of Preston A. Hawks, publisher of the Sudan News, as county supervisor for census enumeration in Lamb county, was announced today by L. D. Whiteley, district supervisor of the Bureau of the Census, Lubbock.

Hawks will be in charge of all census work pertaining to Lamb county and will recruit, hire, train and supervise all enumerators or field workers.

He will start to work March 8, reporting to the Lubbock district office for a short training course. He will return home March 10 qualified to receive applications for the enumerators jobs.

There will be no need, Whiteley said, to apply sooner than March 10 for enumerators jobs, as the supervisor will not know the districts in his county and, therefore, will not know how many to hire in each locale.

Enumerators will start their training course March 28 and the actual work will start April 1.

Hawks is a veteran of Coast Guard service in World War II, and is a graduate of Cumberland University.

## Rural Phone Co-op Bill Given Shivers For Final Approval

A bill authorizing creation of federally-financed rural telephone cooperatives is on Governor Allan Shivers' desk after rapid-fire passage by both the Senate and House near the close of the special legislative session.

The Senate passed the bill 27-0 Monday, and the House accepted 10 Senate amendments by a 120-2 vote, thus sending the bill to Governor Shivers.

In effect the bill enables rural telephone associations to obtain Texas charters and become non-profit corporations. Funds from the federal government could then be obtained to finance setting up rural telephone systems.

## Heart Fund Drive Collections End

National Heart Month, and the fund campaign of the National Heart Association, closed Tuesday, and indications were that Littlefield had met its \$200 goal.

Heart-shaped plastic containers were collected Wednesday by Dr. F. B. Faust and Vernon Hofacket, co-chairmen, who promised an announcement next week of the drive total.

Sixty containers have been prominently displayed on store counters and other public places for the past 12 days.

Hofacket expressed the appreciation of the co-chairmen for the generous support given the Heart drive in its first year here, and thanked newspaper and radio workers for their cooperation.

## Livestock Judging Contest To Be Feature Of Show

A livestock judging contest for F.F.A. and 4-H Club boys will be a new feature of the 1950 Amarillo Fat Stock Show. Last year a boy's Grass Judging Contest attracted much interest and it will be held again this year. The show will operate on its usual "free gate" system, the dates being March 6, 7, 8, 9 and 10.

The Amarillo Show is recognized as one of the outstanding livestock shows for 4-H and F.F.A. exhibitors of beef calves, fat swine, and lambs for boys from Texas, Oklahoma, Kansas, Colorado and New Mexico. The new livestock building will add to the housing (Continued on Back Page)

## Big Livestock Show Shaping Up For 4-H And FFA Boys April 3

About 45 boys will show approximately 75 animals, calves and swine, at the 4-H and F.F.A. Boys Livestock Show in Littlefield April 3, James G. Simmons, assistant county agent and general superintendent of the show, estimated Tuesday.

With naming of judges for the livestock show, plans for the affair are nearing completion, Simmons said.

Fort Worth Judges Walter Rice, of the Fort Worth stock yards, will judge the calves. Mr. Boswell, of Cassidy Commission Company, Fort Worth, will judge the swine.

The boys are to take their animals to the fairgrounds Sunday afternoon, April 2, and leave them there overnight. Judging will start at 8:30 a. m. the following day.

Free Trips Offered Boys whose calves are judged to be in the first or second market class and those whose hogs are rated in the first class will have an expense-free trip to the Ft. Worth stock market, where they may offer the animals for sale, April 3.

The affair is being sponsored by the Littlefield-Lamb County Chamber of Commerce.

While in Fort Worth, the boys will visit the stock yards, packing plants, markets and see television shows.

Upon their return they will be honor guests at a banquet.

## Bill's Horse

This is the fifth in a series of original stories by Faith Helen Faust, talented 12-year-old daughter of Dr. and Mrs. F. B. Faust of Littlefield. Illustrations are also by Miss Faust. The stories are carried in Thursday's issue of the Lamb County Leader each week.

By FAITH HELEN FAUST On Mr. Brown's farm there was much commotion. Today was Bill

Brown's birthday and he wanted a horse. A little brown pony was on sale in town and Bill was sure his father would buy it for him. But the horse wasn't in the barnyard or the barn, it wasn't anywhere. In fact, there wasn't a pony, but he got a shiny new saddle and bridle and saddle blanket.

Bill then opened a long skinny package. It had a B. B. gun in it. Bill's sister, Ellen, was exclaiming (Continued on Back Page)

## Man Hopping Fly To Coast Indicted For Forgery

Attorney Bob Kirk and hopping returned Tuesday to Bakersfield, where they picked up Askew, who was indicted August on charges of passing.

Two charges of forging checks were indicted by the district judge in a preliminary trial date is set, and Askew is held in lieu of \$1,500 bond.

Askew reported a check for \$100 marked by one inch of blue ink between Phoenix, which necessitates repairs to the plane. Askew was arrested Friday evening.

## Cotton Allotment Measure Affect Lamb County Quotas

Passage by the Senate of a bill liberalizing cotton, wheat and potato allotments under the price support program will not have much effect on Lamb County Cotton producers, John McQueen, administrator of the county Production Marketing Administration office, said Tuesday.

The Senate voted Monday to permit the planting of more cotton and wheat under government price protection and to set rigid quotas if Irish potatoes are supported next year.

An additional 600,000 to 790,000 acres of land may be planted to cotton, over and above the 21,000,000 acres permitted by the 1949 farm law, under the Senate bill, which was sent back to the House for conference and adjustment of several differences.

The House voted for an expansion of 1,400,000 to 2,000,000 acres in cotton planting.

The Senate - approved measure provides that cotton allotments must not be cut below 60 per cent of any farm's 1946-47-48 acreage.

McQueen said that it is not known here whether the Senate kept a provision that the cotton acreage could not exceed 40 per cent of cultivated land.

This provision is deemed unfavorable here because it puts the cotton acreage on the man who has always had it and limits those engaged in diversified farming.

The feeling is that the 40 per cent provision would leave the county with a slightly lower allotment, overall.

## BULL LAKE PHILOSOPHER WANTS A "FISH SUPPORT" PROGRAM WHICH WILL GUARANTEE A GOOD CATCH

Editor's Note: The Philosopher on his Johnson grass farm on Bull Lake has a preposterous idea this week, as you'll see from reading his letter.

Dear Editor:

From time to time, as I read about it, I been writin down on my kitchen wall the various enterprises which have a guaranteed price, and up to now I got the followin list, each one of which is guaranteed by the government to get a minimum price?

Cotton, corn, rice, tooth paste, talcum powder, maize, wheat, tobacco, throat gargle, eggs, chickens, cows, hogs, face powder, sewing machines, all kinds of clothes which the government allows the manufacturer to price-fix, and a lot of other items down near the floor where it was hard to write and the wall paper was torn anyway, and on top of that labor is guaranteed a minimum wage, manufacturers are protected by tariffs, etc.

In fact, it looks to me like about everything is guaranteed, except fishing.

You take the ordinary fisherman, he can spend a whole afternoon usin every kind of bait and lure he can lay his hands on, and what guarantee has he got he'll catch anything? Might spend a whole week and have nothin to show for it.

This seems to be a field of endeavor which the government is overlookin and I'm callin on you now to use your influence to get Washington interested in it. It's not right for a man to risk spendin a whole day sittin in a boat or leanin against a tree on a bank fightin insects and watchin his

hook or tanglin up his reel which I never use myself and riskin comin home with nothin.

The Federal government ought to guarantee a man would catch at least four pounds of fish on any two days out of any week he fishes. Don't know how this could be worked out, but I believe it could be done, with maybe a system of coupons in lieu of fish, as naturally it wouldn't be practical for the government to keep men on every creek bank and fishin resort standin by to hand out fish. Fish won't keep that long, and this program has got to be practical if it's gonna succeed. A coupon good for 4 pounds worth of fish at the nearest market would be all right, although there ought to be some additional pay to offset the lack of a thrill in pullin in the fish. Imagine though any number of people in Washington could work out a system of compensation-in-lieu-of-a-disappearin-hook, with naturally more pay if you was after black bass than say a gaspergou, although I personally ain't got nothin against any kind of fish.

Will appreciate you gettin to awork on this right away. I fished all day yesterday and didn't catch a thing.  
Yours faithfully,  
J. A.

### COMMISSIONERS MEET

The Lamb County commissioners court held a regular meeting Tuesday in the courthouse, and transacted only routine business. Judge Otha F. Dent, presiding officer, said only bills and claims came before the commissioners for consideration.

A team of Nigerian soccer players, most of whom play barefoot, now is meeting leading amateur teams in Britain.

# Week's Building Permits Here Total \$53,000

LAMB COUNTY LEADER, THURSDAY, MARCH 2, 1950

**Company's Modeling Costs at \$26,000**  
**Church of Christ Plans Building on Hall Avenue**

\$26,000. Joe Telford is contractor for the 1,600-square-foot structure, on which brick and tile will be used.

The Church of Christ was issued a \$6,000 permit for a building on Hall avenue. Pumice stone will be used for the 40 by 60 foot building, which will have a wood floor and shingled roof.

Permits for houses and additions made up the remainder of the \$53,000 figure.

Clarence Peek got a permit to build a three-room and bath dwelling on East Ninth Street, using frame and stucco materials. Estimated cost was \$1,000.

C. B. McWilliams obtained a permit for a four room and stucco dwelling at 821 1/2 West Third. The building, 28 feet square, will cost \$3,000.

Joe Walters plans a \$3,000 addition to his dwelling on West Fifth street. A 12 by 20 foot garage and a 12 by 22 foot addition to the house was specified.

Lon Smith, as contractor, got a permit for Luther Brawley to build a \$6,500 frame and stucco house on East Fifteenth street. The house will have five rooms and a bath.

Wesley Whitson plans a \$6,000 frame dwelling on West Ninth street. The house will be 28 by 34 feet, with four rooms and bath.

James C. Price obtained a permit to build a \$500 "mercantile" structure on West Tenth street. Frame and siding building materials were specified for the 12 by 16 foot building.

## Littlefield Girls Win Shallowater Debate

Littlefield High School's girl's debating team, who won a debate last week in Shallowater, hope to meet a Lubbock team next week.

Connie Huckaby and Barbara Duin argued affirmatively on the state debate question, "Resolved: That the President of the United States should be elected by a direct vote of the people."

Mrs. David Keithly, sponsor, and the boys' debate team, Bill Gray and Robert Rutledge, accompanied the girls to Shallowater.

## District 9 Baptist Convention Held in Hereford; Church Officers Speak

Messages by Dr. J. W. Marshall, president of Wayland College, Dr. E. D. Head of Southwestern Seminary and Rev. Franklin E. Swanner, district missionary, highlighted the District 9 Baptist convention held Tuesday and Wednesday in Hereford.

The Rev. Lee Hemphill, pastor of the Littlefield First Baptist Church, with about 20 local church members, attended the convention.

Mrs. R. E. L. Pattillo of Lubbock, W. M. U. president, presided over

the Women's Missionary Union session which opened the convention Tuesday afternoon.

Addressing the women were the Rev. Melvin Ratheal, whose topic was "We Are Ambassadors for Christ;" Mrs. T. H. Knighton, who spoke on "Young People Advance With Christ;" and Dr. Head, whose topic was "Evangelism through the W.M.U.," Mrs. Pattillo outlined the society's mission and evangelism program, and special music was given by Mrs. J. C. Mountz. A board meeting followed.

Special messages by Dr. Marshall, Rev. Mr. Swanner and Dr. Head featured a Brotherhood Session held Tuesday night. The Wayland International Choir, under direction of Shelby Collier, presented a concert and special music arranged by Carl E. Nance, district music director, was heard.

A training union session was held Wednesday morning, with the Rev. Cecil Ray giving the annual sermon. Dr. Head spoke on "Advancing with Christ in Training Union."

The closing session Wednesday afternoon was devoted to Sunday School work. Addresses were by Andrew Allen, Lattimore Ewing, Rev. J. Henry Cox, Bob Lawrence and C. Wade Freeman, and special music directed by Carl Nance.

Hill Rogers of Hill Rogers Furniture and Appliances and John Ritchie of the Panhandle Supply left Sunday for Fort Worth on business. They returned home late Monday.

## Many Attend Opening Of Cestine's Beauty Salon Saturday

Cestine's Beauty Salon observed its formal opening Saturday in its new building across from the Payne-Shotwell Hospital, and large numbers called to extend greetings and view the beautiful new equipment and furnishings.

Mrs. Cestine Carpenter, formerly with Haile's Beauty Shop, is the owner and operator of the beauty Salon.

The color scheme is carried out in coral and green; two Padair booth units have been installed, with Heckman Chrome equipment, including chairs which are upholstered in coral, and a Padair desk, which completes the well equipped and very prettily decorated beauty shop.

A large number attended the formal opening Saturday.

## Anton F. F. A. Run Lines For Irrigation; Dig Ditches, Terraces, Help Locate Wells

The Future Farmers Chapter at Anton was chartered Dec. 5, 1935.

In the 15 years that the chapter has been in effect, it has averaged almost one lone star farmer per year. The chapter has produced one American Farmer — Marion Mayes, in 1942.

Banners on display in the Vocational Agriculture department show that the chapter has been active in various area contests. Among the most important ever won by the chapter was the area cotton judging contest at Texas Tech, in which team members Leonard Blier, Richard Motl and Loyall Wooten won first place.

One of the outstanding achievements of the Anton chapter is the percentage of boys taking agriculture that are active members. Usually better than 95 per cent of those eligible each year pay their dues.

Also remarkable is the very small number of boys who graduate from Anton schools without taking at least one agriculture course.

The Anton department is responsible for the locating of many irrigation wells in the area and has run lines for irrigation ditches and terraces.

The chapter has also produced some of the leading farmers in the community.

The first teacher to fill the job of Vocational Agriculture teacher for a complete year was Harlan Black. He held the job until 1937 at which time Mr. Drinkard took over. Drinkard was followed by Mr. Green, who served from 1939 to 1941. Leo White was the next teacher. White stayed until Mr. Hayes took over in 1942. He was followed by J. S. Bridges and H. B. Preston. In 1948, the present teacher, O. J. Rosenbaum, the present

## Two Year Old Child Accidentally Shot

Mrs. O. S. Sullivan left Littlefield Saturday morning for Childress to attend the funeral services Sunday afternoon or a great nephew, aged 2 years, who was accidentally killed Friday at the home of Mr. and Mrs. S. L. Cheateam, at Childress.

According to reports received at the Leader office Mrs. Cheateam was taken to the Childress hospital to undergo an Appendicitis operation, and was absent from her home at the time of the shooting accident.

Accidentally Shot  
 Larkin Cheateam, aged 18, is said to have been hunting, and returning home put his loaded .22 rifle in the house, where his six year old brother, Harold Cheateam and his nephew aged 2, who was the son of Mr. and Mrs. Lester, daughter and son-in-law of Mr. and Mrs. S. L. Cheateam, got playing with the gun, and it accidentally went off, the shot going into the child's chest.

Taken To Hospital  
 The child was rushed to the Childress hospital, but died enroute.

This is the second child in the same family to have been killed accidentally. About three years ago a son was killed when an automobile ran over him.

Return From Vacation  
 Mr. and Mrs. W. B. Little returned Friday from a three weeks' vacation trip to points in South Texas.

They visited Corpus Christi, Houston, San Antonio and points in the "Valley."

FFA advisor, took over the department.

The department has had a variety of colors represented by its teachers. They include black, white and green.

## Music Lovers Invited To Hear Tech Dean Of Women In Sudan

Music lovers of this area, both men and women, are invited to hear a musical program by Margarette Wible Walker, dean of women at Texas Technological College, at 8 p. m. Monday, March 6, in the First Baptist Church, Sudan. "Music the American Way" is the title of Dean Walker's talk. Mrs. Ray Ganaway, wife of the librarian at Tech, will accompany Dean Walker in a group of songs by American composers. "This Day Is Mine" by Harriet Ware; "My Friend" by Malotte; "When I Have Sung My Song" by Charles; and "Three Loves" from "The Song of Norway" are included. Mrs. Ganaway will also play selections from McDowell's "Woodland Sketches." Special invitations to attend this program have already been received

by women's clubs of surrounding communities, and members of the music department of Littlefield Women's Study Club and the Mule-shoe club have notified Sudan that they plan to be present. Mrs. E. E. Chance, incoming president of the 1935 Study Club of Sudan, will act as program director. Mrs. Walker is a graduate of Willamette University, Salem, Ore., and has degrees in music from the University of Southern California at Los Angeles. She has taught in public schools in Oregon and California and for several years maintained a private studio for voice. At the present time she is active as a speaker on music topics and in singing engagements, in addition to her duties at Tech.

## Miss Charlotte Ann Hall And Wayne Vanlandingham Wed

Miss Charlotte Ann Hall, daughter of Mr. and Mrs. Dan Hall of Enochs, Texas, became the bride of Wayne Vanlandingham, son of Mr. and Mrs. C. W. Vanlandingham also of Enochs, in a simple ceremony at El Paso Friday, February 24.

### Dr. Ford Officiates

The ceremony was performed by Dr. W. H. Ford, Baptist pastor of El Paso, in his study at the Church, at 4:20 p. m.

### Married In Brown

Mrs. Vanlandingham chose as her wedding attire an off brown tailored suit, cocoa brown slippers, hat and bag, with a beige blouse. Her corsage was of red carnations.

### Mrs. Gaston Attendant

Mrs. Glenn Gaston served as matron of honor. She wore a rust dress with green and gold accessories, and a corsage of yellow carnations.

### Glenn Gaston Best Man

Glenn Gaston attended the groom.

The happy couple spent their honeymoon in El Paso and Ruidoso, N. M.

Mrs. Vanlandingham was salutatorian of the 1949 senior class of Bula High school. She was employed for a short time in the telephone office at Morton.

The groom is a graduate of the 1947 class of Bula High school. He is engaged in farming northwest of Enochs, where the couple will be at home following their return from their wedding trip.

## Square Dance Course To Open Monday At Local Country Club

Fifteen couples have signed up to take square dancing lessons at Littlefield Country Club, Mrs. J. M. Farmer reports.

When one more couple signs up, four squares will be completed.

The course starts March 6 under direction of Audie Dunn of Lubbock, who gave square dance lessons at the Country Club last fall.

Country Club members are urged to sign up for the course before March 6, as no more learners will be admitted after the course starts Mrs. Farmer said.

## Amherst Study Club Entertains Scouts At Patriotic Party

Mrs. Lee Payne was hostess at a party given by the Amherst Senior Study Club for Girl Scouts, whom they sponsor. A George Washington theme was carried out at the party, held Monday night, February 20.

About 40 Study Club members and Girl Scouts attended the party. Mrs. C. R. Stevens and Mrs. Walter Peachy were co-hostesses.

Mrs. George Harmon and Mrs. Prentice Holland were among the speakers. A highlight of the evening was presentation of ivy pins to the Girl Scouts.

## Girlstown Founder Speaks Tonight At Presbyterian Church

Miss Amelia Anthony, founder and director of Girlstown, U.S.A., near Whiteface, Tex., will be guest speaker of the Littlefield Women's Club at 8 p. m. tonight (Thursday).

The meeting will be in the First Presbyterian Church, and anyone interested is invited to attend. Study Clubs of Loveland, Anton, Amherst and Sudan will be represented.

Miss Anthony was scheduled to speak here at an earlier date, but cancelled the engagement in order to appear on "We The People" broadcast in New York.

The Woman's Club will be hostess group at an informal reception downstairs, where guests will be invited to meet Miss Anthony.

## Margrethe Sorensen's Marriage To Bill Taylor, Jr. Announced

Mr. and Mrs. K. Sorensen of Spade are announcing the marriage of their daughter, Miss Margrethe Sorensen of Littlefield, to Bill Taylor Jr., son of Mr. and Mrs. Bill Taylor of Amherst.

The wedding was in the First Baptist Church at Clovis on February 4. Rev. Maddox officiated. The bride wore a dusty rose suit with a powder blue blouse and navy accessories.

Mr. and Mrs. Taylor visited Clovis, Canyon and Amarillo on their honeymoon.

The bride has been employed for the past six months in County Clerk Joel Thompson's office. She was graduated from Spade High School and attended Draughon's Business School in Lubbock. She plans to continue working temporarily.

Taylor was graduated from Amherst High School and served in the U. S. Navy from 1943 to 1947. After one semester at Texas Tech College in Lubbock, he transferred to West Texas State College, Canyon, and is now a junior student in business administration.

Mr. and Mrs. Taylor will live in Canyon until his graduation. Mrs. Taylor plans to join him there in the near future.

## Local Eastern Star Chapter Honors Worthy Matron

About 75 members and guests attended the Eastern Star program Thursday evening in the Masonic Hall honoring the Worthy Matron, Mrs. Quinton Bellomy.

The George Washington theme was carried out in the decorations and table appointments.

A program was given in the Chapter room, and refreshments of chicken salad sandwiches, spiced tea and angel food cake served in the dining room.

Mrs. Dewey Hulise presided at the piano during the evening.

Mrs. Bellomy was presented with 17 silver dollars in appreciation of her service.

## Harrell-Climer Rites In Clovis Announced

The marriage of her daughter, Doris Harrell, to Staff Sgt. Royce Climer of Spade, was announced by Mrs. Ruby McDuffy of Denison, mother of the bride.

The wedding was in Clovis, N. M., Feb. 15. Sgt. Climer is the son of Mr. and Mrs. A. D. Short of Spade. He is now stationed at Reese Air Base in Lubbock.

After a honeymoon in Carlsbad, the couple are at home at 2034 39th Street, Lubbock.

## Miss Swindell Becomes Bride Of Troy Byers In Carlsbad Rite

Miss Frances Swindell, daughter of Mrs. Idelle Tucker of Denver City, Texas, and Troy Byers, son of Mr. and Mrs. R. L. Byers of Littlefield, were married in Carlsbad, N. M., Wednesday afternoon.

The couple planned a honeymoon in Carlsbad, White's City, El Paso and Ruidoso before returning to Littlefield, where they will be at home next week at 521 West First Street.

For her wedding, the bride chose a navy blue suit with tan accessories.

The bride attended schools in Colgate, Oklahoma, and Denver City, and took a business course at the Junior College in Big Spring, Texas. She has been employed the past few weeks at the It Cafe.

Mr. Byers is associated in business with his father, who owns the It Cafe and Byers Grain and Feed. He was graduated from Littlefield High School and attended Texas Technological College for three years.

The group will meet the first Tuesday of each month in the Girl Scout house.

## Former Amherst Girl Married In Lubbock

Of interest in Amherst is announcement of the wedding of Miss Ethel Clair Raney and Robert Bruce Burleson Jr., at the First Methodist Church in Lubbock on February 22.

Miss Raney lived in Amherst several years ago when her father was pastor of the Methodist Church there. Her mother teaches in Spade schools.

## Crippled Children Mentally Active I. Q. Tests At Warm Springs Show

GONZALES, Texas—If anybody still believes the old wives' tale about crippled children being mentally crippled, as well, Mrs. Ruth Ragsdale of the Gonzales Warm Springs Foundation can set him straight.

Mrs. Ragsdale, who heads up a teaching staff of four at the Gonzales institution's unique fully-accredited school, knows that the tale is pure fabrication. And what's more, she can prove it.

Recently, with the aid of three technicians and a psychologist—a person who measures the relationship of mental states and processes—from the University of Texas, Mrs. Ragsdale administered standard intelligence quotient or I. Q. tests to her pupils, who range through the scholastic scale from the first grade to the twelfth. The results, she feels, ought effectively to scotch the old rumor.

Total mental I.Q.s for the group of polio victims ranged from 84 to 123—a superior rating—which was achieved by a high school boy. "Only one child—a junior in high school—placed in the inferior group," declares the teacher.

"And I doubt if this was a fair test for her, since her hands are affected, making it difficult for her to write. In school she does very good work in bookkeeping, American history and English."

Mrs. Ragsdale, who taught in an

East Texas school system for 19 years prior to joining the Gonzales staff, asserts that: "Our group compares rather favorably with the percentages given for the typical population," but an examination of her figures indicates that she speaks somewhat modestly.

Only 12 percent of typical large population groups score "superior"; the Warm Springs percentage was 21 percent. The "high average" for typical groups amounts to 35 percent; the Warm Springs percentage was 10 percent. In the next lowest bracket—"low average"—typical groups measure 35 percent and the polio victims measured 63 percent. Only one member of the Warm Springs group placed in the inferior group. The typical population group's percentage in the lowest category is about 15 percent.

## Emmanuel Lutheran Church News

The one effective weapon against Communism portrayed last Sunday night in the excellent movie, "The Sickle Or the Cross," shown at the High School auditorium. What legislation, rules, and other man-made methods could never carry out, the simple testimony of a Sunday School child who spoke the Word of God accomplished, changing the heart of a destructive, hate-filled communist to that of constructive, love-filled child of God. The evil which threatens to engulf America will be hindered and conquered alone through the effective use of the Word of Life and the lip and life testimony of those who know and believe the Christ of the Scriptures.

The picture, produced by the Lutheran Laymen's League of the Lutheran Church-Missouri Synod, of which Emmanuel Lutheran at 417 West Third in Littlefield is a part, was filmed on the Hal Roach Lot. The actors were all professional as were also the mechanics of the picture such as the sound and photography. The reaction to the picture was excellent. Preceding and during the pictures shown, special music helped to add much to the evening's program. A comedy and travelogue and beautiful Yosemite in California made the evening more enjoyable.

Emmanuel Lutheran's Waltham League, the group that sponsored the picture of the "Sickle or the Cross" in Littlefield, have plans to bring a professional production on the life of Christ. Also a picture dealing with youth and a solution to their problems, especially as they exist in the city, will be brought to Littlefield.

Believing that Lent is a wonderful opportunity in which the child of God may be drawn closer to His Lord through a prayerful meditation on the events of Savior's suffering and death, Emmanuel Lutheran Church, 417 West Third, in its first Lenten service, March 5, at 7:30 p. m. will challenge the listening audience with the passion question: "Whom Do Ye Seek?" Special music will probably precede the service. All who wish to consider a bit more intimately the frightful cost of their redemption of sin are cordially invited to be present. Regular morning services at Emmanuel Lutheran are at 11 a. m. with Sunday School and Bible class at 10 a. m.

In an effort to weld the family closer together and to make the Word of God a more frequently used book, Emmanuel Lutheran's Men's Club has arranged an evening in the interest of "The Family Altar." This special evening open to all who might wish to attend is planned for this Friday night, March 3, beginning at 7:45 p. m., at Emmanuel Lutheran Church, 417 West Third Street, according to the pastor, Rev. H. A. Heckmann.

The program will portray actual situations of families holding a short devotion. Approximately six different suggestions or ways will be presented Friday night, that is ways in which these devotions might be carried out. Concrete suggestions will be made as to how any family might set up such a family altar within their own home. Devotional books will be on display for the inspection and selection of those in attendance.

A very light snack and a few moments of fellowship will end the evening.

Tobacco shops in Scotland have moved to establish a minimum wage scale.

The Bolivian Congress has moved to curb "harmful union activities."

## Hazel Schmitt Weds Charles C. Logan In Ceremony At Clovis

Mr. and Mrs. Charles C. Logan are residing on Worth Street, Sudan, following their marriage at Clovis, N. M., February 10. Judge P. B. Hartley performed the double ring ceremony at noon on that date.

The bride, the former Hazel Weaver Schmitt, daughter of Mr. and Mrs. Vern Weaver of Bula, was attired in a navy blue dress with black accessories.

Harold May accompanied the couple.

The new Mrs. Logan is a graduate of Bula High School and was formerly employed as bookkeeper and office manager at McVean and Roberts Pipeline Company, Odessa. For the past year she has been at home.

Mr. Logan, son of Mrs. Lena Logan of Littlefield, has had an automotive repair shop in Sudan for about 3 years, formerly in partnership with his brother, Ed.

He is a graduate of West Denver High School, Denver, Colo., and a World War II veteran, having served with an armored tank division of the Army. He spent three years in Europe, during which time he participated in the invasion of Normandy.

CARE TO BET YOUR LIFE?

Would you gamble your health and happiness—your very life—on the senseless turn of a card? Foolish question? Perhaps. Yet when you postpone your regular visit to your doctor for a thorough physical examination, you are doing just that . . . needlessly gambling for the highest stakes. Because all too often, a serious illness in its early stages, masquerades behind the facade of a slight, but continuing, indisposition—and only the skill and knowledge of a doctor can find it out. His regular check-up will serve to re-assure you—or by catching incipient trouble early, he can more effectively prescribe for it.

## LAFF OF THE WEEK

## Canadian Project Hearing Expected To Be On April 15

The Senate subcommittee of interior and insular affairs is expected to set April 15 as the date for hearings on the 1000 Canadian river waterment project, two days after a week-long report.

Jones, members of the organization's legislative committee, are optimistic about Congressional approval of the project this year. The bill was approved by the House last year. The Canadian promotion group is trying to persuade the Senate subcommittee to set an early hearing on the measure. A favorable report by the subcommittee probably would be followed by reference of the bill to the committee as a whole, and a favorable report there would clear the way for consideration of the measure by the Senate.

### The Private Flying Forum By "Ernie" Bode

Well, we have certainly had a time trying to get 'ole mother nature to rain a little, and it looks as if it will now. We have a big warm moist air mass in the South that is moving northward right smack into a cold front—a beautiful set-up for rain. Better get your rain coats and rubbers out because it is supposed to be a real gully washer "a coming."

If it isn't—I'm going to quit predicting the weather. Jack Brooke, our meteorology ground instructor tells me that it always is a good chance for rain when warm, moist air collides with a cold front—so I'm feeling pretty safe—any takers?

Flying at the local port has been steadily improving—and now I would like to ask for some improvement of our field. We really need the cooperation of all you folks who feel the urge to fly, but not (evidently) in a plane. I have noticed an increasing number of "take-offs" with cars on the runways. Shucks, I'll be more than glad to teach you to fly if you'll please stop driving your cars on the runways. Anyway, it's a lot more fun to actually free yourself from the bounds of ole dusty Earth and "make like a bird!"

Fellow flyers who have enjoyed buzzing in the blue last week are as follows: Mr. Hobgood, who flew the Fairchild, Herb Owens, Jr., and Bob Dillard, who went to Ft. Sumner in the Fairchild, Kenny Hamilton, whose wife beat me out of a steak dinner by matching my two-headed quarter—tsk! and Jack Johnston, who checked out in one of our Aerobics. Dr. Nolan flew Joe Walters' Cessna and Herb Owens stopped polishing his Escoupe long enough to lead a formation over town. There were two echelons of the airplanes—six all total. I think that it was a pretty good job of formation flying from the comment we heard from observers on the ground.

We are about to have another pilot added to our roster—E. A. ("Ace") Adair is about to solo his Luscombe.

I would like to take this opportunity to put a plug in for our flying service. There is a new offer being made available—You can learn to fly for \$50.00! Come out and see about it. The G. I. flight is still going strong—we have three new students enrolling now so you had better investigate the possibility of using flying in your business and receive your training via G. I. Bill of Rights.

So long for now, and happy landings—

"ERNIE"

### Huge Delegation—

(Continued from Page One) should go to the Water Code hearing in Amarillo," he urged.

In the next few months, meetings will be held throughout the county to acquaint the people with provisions of the present water law in regard to use and conservation of water. Suggestions and criticisms on conservancy measures will be invited.

"We may have to organize a water conservation district in order to prove that it can be done," Duggan said, pointing out that the move would strengthen support of the law considerably.

Organization would enable the district to conserve water if necessary, to put more water underground and it would unite water users so they can more effectively fight attacks on the present law.

Such a district, Duggan emphasized, would have no power to prorate or allocate water.

Gus Parrish, president of the Lamb County Water Conservation Association, introduced Duggan.

One other item of business, a report from the City Beautification Committee, came before the Chamber of Commerce membership.

J. E. Chisholm, Jr., chairman, reported that there is a good stand of grass on the east one-third of city park. Some grass covers the rest of the park except for the west side, Chisholm said.

The City Beautification Committee is asking each civic club in town to give \$25 to their petty cash fund to help defray park expenses, he added.

facilities which have been very crowded, according to Art Bralley, Secretary.

The sale of Hereford breeding cattle for Wednesday, March 8 will be one of the highlights of the show. March 9 will be "Quarter Horse Day" and this will attract people from throughout the nation to the Quarter Horse Association meeting in Amarillo during the Show. Jack Roach, President, Amarillo Fat Stock Show, expects the 1950 event to be one of the best in the long and colorful history of the Amarillo Show.

### KIWANIS SPEAKER

Wolfe Shaw, Littlefield businessman, will be guest speaker at a Kiwanis club meeting in Plainview at noon Thursday.

### Three Area Boys Sign College Pledge Cards

Littlefield, Olton and Enochs boys were among 154 students of Texas Technological college listed as spring semester pledges. Preference cards were signed last week after a ten-day rushing period.

E. W. Walden of Olton signed the Centaur Club pledge list; Billie G. Perkins of Littlefield was among College Club pledges and Byron M. Gunter of Enochs was on the Los Camaradas list.

### Workers Expect—

(Continued from page one)

The fund campaign is well underway in the county, with several towns near their quotas after starting solicitations Tuesday.

#### Sudan Starts

Sudan's drive opened Wednesday under the chairmanship of the Rev. U. S. Sherrill, Methodist minister. The town always goes "over the top" in the first day of the drive.

Mrs. Elsie Bock started fund collections Tuesday in the Earth-Springlake district, and Mrs. R. A. Reed, chairman for Fieldton, got started the same day.

Mrs. Herman Haberer is handling the drive in Pleasant Valley. Mrs. I. E. Ball has been asked to take charge in Hart Camp, but the appointment is not confirmed. Amherst and Olton chairmen are not appointed yet.

#### Visit Earth Lions

Gus Shaw, Norman Renfro and Mrs. Lyle Brandon, chapter executive secretary, with Mrs. Haberer and Mrs. Bock, visited the Earth Lions club Tuesday night and spoke on behalf of the drive.

Workers attending the kick-off were Mrs. C. E. Payne, Mrs. Fay Nichols, Mrs. June Chesher, Mrs. Grace Findley, Mrs. Maud Street, Mrs. Hattie Harkey, Mrs. J. R. Kuykendall of Spade, Mrs. Lyle Brandon, M. O. Mitchell, J. O. Jordan, Dan Berg, Gus Shaw, Pat Mann, Charlie Byers, Spade, Archie Brown of Spade, Ewing Thaxton, Guy Brown, Pryor Hammons, J. D. McShann, Jimmy Brittain, Ben Lyman, Harold Clements and Wolfe Shaw.

Edna and Alice, Texas, are named for daughters of a French Count who surveyed the first highway to Mexico.

### Bill's Horse—

(Continued From Page One)

how nice a red shirt was. His mother was saying that the game of Monopoly was the nicest gift of all while Father was showing Bill where to oil the gun.

Bill was very happy. He had forgotten the horse.

That afternoon Bill was having a birthday party. He had a lot of fun and his presents were all very nice. He got everything imaginable.

The week after that brought home a spotted yellow mare and Bill was very happy. The thing he did was and ride down the road came back he had a face. His mother the matter was. Bill said, "I can't name it. What is a good name? Just then Father came house. "What shall we pony?" asked Bill together. "Oh," laughed Father to tell you his name. Paint was very him and Bill and Father of fun riding together.
