WITH 3 MONTHS STILL TO GO

## City Building Record Set

Littlefield's building boom, which reached a peak for the year in August, set a new all-time high figure during September.

The total in new construction investment, as reflected by building permit figures in the city manager's office, zoomed to \$1,430,200 at the end of September.

With three months remaining, the building figures have already surpassed last year's record of \$1,320,381. The September total was only \$130,900--far off the July and August figures, but it was enough to break the all-time high in nine months. The September, 1962, total was about the same--\$135,900.

Six new residential starts accounted for the major portion of the September figure. A boom on new homes, along with some sizeable commercial starts, helped break the record.

August was the peak month in construction this year with a total of \$294,700 recorded. Eight new homes and three commercial buildings spearheaded the peak month's building.

Last year at this time, a total of \$1,096,517 had been recorded as the city headed for a record total. The million-dollar mark was also reached in 1960 when a total of \$1,155,194 was registered.

Leading the healthy building figures this year were the months of July and August. The two months together accounted for \$542,375 of this year's total. The schools started a new field house and some remodeling projects in July to give a \$130,000 boost to the figures.

The major portion of the school improvements program--construction of a new high school--is still to come. Target date for letting a contract is in November. If this is added to the 1963 total, the year's building permits may set a record that will be hard to surpass.

The building permits for September included: Roberts-Loflin Lumber Co., brick veneer residence in Crescent Park, \$12,900; Dillon Lumber Co., two brick veneer residences, 301 E. 20th and 316 E. 22nd, \$16,000 and \$12,500; Bob Rodden, brick veneer residence on E. 12th, \$27,000; W. O. Barnett, brick veneer home in Crescent Park, \$25,000; Jack Taylor, brick veneer home on 23rd, \$17,500;

W. G. Ervin, 1501 Weidel, house move in, \$4,000; Southside Garage, 816 E. 9th, addition to house, \$2,500; Frances Johnson, 314 Elms, addition to cafe, \$2,000; Max Brown, 815 W. 12th, addition to house, \$1,500; Bessie Jackson, 516 W. 6th, addition, \$1,000; Ralph Nelson, 408 E. 13th, brick garage, \$1,000; Samuel Baker, Jr., Weidel, house move in, \$1,000; James Reast, 604 E. 17th carport, \$500; Elwin Gilley, 415 Sunset, addition, \$500.

## Olton Man Charged In Spade Robbery

A 28-year-old Olton man has been denied bond following the armed robbery of a Spade groceryman Saturday night.

Quick work by Lamb County deputies resulted in the arrest of Raymundo T. Delgado early Sunday morning in Olton, the suspect being apprehended just four and one-half hours after the armed robbery of John Boyles of Spade. Delgado was also

charged with car theft, two counts.

Boyles told deputies he and his family had just finished eating Saturday night about 8:45 p.m. when a Latin American man forced his way into the Boyles' home, located about a half mile north of Spade.

He placed a gun to Boyles' forehead and demanded all his money. Boyles said he handed over about \$890 which he had brought home from his grocery store in Spade. The man then forced Boyles, at gunpoint, to go outside and start his 1957 Chevrolet for him.

Boyles said the man headed north on Hwy. 168 toward Olton, then he notified the sheriff's office of the robbery. Deputy V. L. Smith and the Olton police chief stopped Delgado at Olton, but the suspect bolted from the car and ran east on foot.

Law officials started a search in Olton, and deputies Leonard White and E. D. McNeese apprehended the suspect about 1:30 a.m. Sunday in the south part of town. They recovered the Boyles car, but none of the money was found on the suspect.

Deputies found some car keys in Delgado's possession, and discovered that he had stolen another car belonging to P.H. Pierce of Benjamin, who was

## Winner Tabs 22 of 25

Bessie L. Smith of 1305 W. 3rd St. missed only three games in the Littlefield Press football contest last week, proving that female intuition is sometimes good as male football savvy.

Miss Smith claimed first prize of \$7.50 by being the only entrant to pick 22 out of the 25 winners. Seven entrants missed 5 games in the contest, and the tie-breaker score determined the other two cash winners.

F. A. Fitzgerald, city Police Chief, won second prize of \$5 by guessing 35 points on the tie-breaker. Total points of that tilt, the Texas-Texas Tech game, were 56.

Don Hevern of Amherst claimed third place and the \$2.50 cash by guessing 34 points on the tie-breaker. Also missing 5 games were Erma Fields, Brad Fields, and Ronnie Smith of Littlefield, Lamar Kelly of Amherst and Mrs. T. P. Wingo of Sudan.

Miss Smith's winning entry correctly picked several upsets, but she missed the Levelland win over Denver City. Only two entrants picked that upset, but they were way down the line due to other incorrect guesses.

Pick up some contest pages from Sunday's County Wide News and enter this week's game... you could be a cash winner. Just follow the easy rules and get your entries in by 5 p.m. Friday.

QUEEN CANDIDATES-- Littlefield High School's "Homecoming Queen" is shown above, with one of the girls to be crowned in special halftime ceremonies at the Littlefield-Denver City football game Friday night. These three were the top vote getters in a school election. The girls, from bottom are Maisie Naylor, Darla Neuenschwander and Janelle Jensen.

## Homecoming Here Friday

pep rally, football game, dance will be highlights of Homecoming festivities for Littlefield High School exes Friday night.

It was announced Wednesday by Ernest Mills, president of the Exes Assn.

The football battle between Wildcats and Denver City is set for 7 p.m. Friday will be the main attraction. Mills and Kenneth Jackson, vice president of

the exes' group, will crown a Homecoming Queen at halftime of the game.

Three lovely senior girls at LHS have been selected to participate in the coronation. One of them will be revealed as the queen Friday night, and the other two will be attendants.

Selected as the top three in a vote of the student body were Janelle Jensen, Maisie Naylor and Darla Neuenschwander. Ot-

her candidates were Diane Cook, Pam Davis, Barbara Huffman, Hilda Jones, and Bonnie Richey.

A pep rally at 3:30 p.m. Friday at the school will kick off Homecoming activities. Mills urged all exes to attend the pep rally. There will not be a bonfire and rally tonight, as originally announced. Two other grid games are on the schedule here tonight, so the bonfire was can-

celled. Students will have a bonfire later in the season, probably prior to the Levelland game.

Registration for LHS exes will be held in the school library immediately after the game. Jackson announced that the registration fee would be only 50 cents. A dance follows registration, and it will be held at the VFW Hall.

## Transmission Is Vital Link In Water Supply

The second part of the Littlefield water system covered in the recent McMorries report is that of transmission, the getting of water from its production source into the city's distribution system, which was covered in the latest article of this series.

But, while the distribution system needs will be the same whatever the water source, the

transmission system will depend on the source of city water. For this reason, engineer Bill McMorries provided several alternate plans.

For example, getting water from the present well field in greater quantity calls for one plan. McMorries' proposal for this includes getting water from three new wells he recommends drilling in the present well field,

for which the city has just applied for drilling permits.

Enlargements of this plan would cover reaching out to two water tracts the city owns near the present water field, and moving water from wells on these tracts to a gathering system on the well field.

Then a third and larger plan would include going on to the large water supply acreage the

city owns in the sandhills about 10 1/2 miles on north of the present well field. The laying of a recommended 21-inch pipeline to the sandhills would call for a plan substantially increased in size.

As the present water supply exists, transmission is a villain. Regardless of how much water could be produced in the present city water field, only 3.5-million gallons a day could be moved to the city distribution system under best circumstances.

The city requires more water than this on peak days. So, in any improvement plan, transmission capacity must be boosted.

Transmission, in the engineering plan, includes also the ground storage tanks that hold water to be pumped or "high lifted" to the city's in-town elevated tanks, which give the water supply its pressure.

Since this has been all the field has been producing, the 3 1/2-million limit has not been glaring. But when new wells are added, the transmission lines will have to be enlarged, es-

pecially the 14-inch section leading into Davis station.

McMorries recommends paralleling the present lines from the field to Davis station with a new 16-inch pipe, with one small change. Where the 14-inch line runs to an angle and turns, he would cut across a field to take out this elbow.

The present 14 and 8-inch lines from the booster station into town will carry 5-million gallons daily, under booster pressure, McMorries said.

To look first at the present system, water now is pumped from nine wells through feeder lines into a 16-inch main leading from the city well field to the Davis booster station, about a mile above town. The 16-inch line runs for 9,000 feet toward the booster station, then narrows to 14 inches for 3,500 feet.

This, in effect, limits the flow of water to 14-inch main capacity. There is a 200,000-gallon ground storage tank at the Davis station, and from there two lines run into town, one 14-inch and one 8-inch.

This pipeline arrangement creates a back pressure on the pumping wells which is blamed for restricting their production. The maximum flow through the

## First Bale At Spade Produced

The first bale of cotton in the Spade community was gained last weekend when A. D. and Bobby Short brought in the cotton at Spade Co-Op Gin. Manager Howard Baker also reported that Neil Wood had a bale ready.

Don Eagan, Paymaster Gin manager, reported that Buster Gilliam had brought in some cotton earlier but the first bale had not been ginned there yet. Hampton Gin had produced several bales for out-of-county farmers.

## Has 1st Bale At Fieldton

The Fieldton community ginned its first bale of cotton last week, produced by Jack Singer on his farm west of Fieldton. The bale weighed 555 pounds and was ginned at the Fieldton Co-Op Gin. Singer received 50 cents a pound for the lint and \$100 for the seed.

## Shoplifters Caught Here

City police arrested two men Saturday night on shoplifting charges, and the pair were laying out a fine for drunkenness in city jail Wednesday.

Upon release from city jail, the two will face charges in county court for theft under \$50. The charges stemmed from a complaint filed by the Anthony store manager Saturday night.

The men, Edgar O'Mary of Littlefield and Bennie Bass of Ft. Worth, are also wanted in Muleshoe on shoplifting charges, Police Chief F. A. Fitzgerald reported.

City police logged one accident, occurring Sunday at 2:19 p.m. on US-84 near Sunset. Two cars, driven by Billy D. Bell, Rt. 2, Muleshoe and Mary B. Cornelson, Muleshoe, collided.

Police said that both cars were traveling the same direction and slowed down being a combine when the collision occurred. Damage was estimated at \$185 to the vehicles.

## DODGERS TOP YANKS

The underdog Los Angeles Dodgers, behind the record-breaking strikeout performance of Sandy Koufax, won the opening game of the World Series Wednesday with a 5-2 decision over the New York Yankees.

Koufax, the Dodgers' brilliant left-handed pitcher, whiffed 15 Yanks to set a Series strikeout record. The second game of the series is scheduled at 11 a.m. today in Yankee Stadium.

Two more southpaws are slated to toe the mound today--Johnny Podres going for the Dodgers and Al Downing for the Yanks.

PEPPERS, RED AND GREEN and by the acre are in continuing harvest at the farm of truck farmer Johnny Gallini, on the Spade highway east of Littlefield. These two pictures, made this week, are of the regular harvest of green peppers, a major produce item for Gallini, who daily loads out trucks for major Texas markets including Lubbock, Dallas, Houston, Ft. Worth and San Antonio. Green peppers are a good part of the crop, and big shippings are made of Fresno peppers, a hotter variety that turns a bright red when ripe. Gallini's truck acreage produces peas, tomatoes and other produce items, all of them offered in a vegetable stand operated at the farm. Men exhibiting full baskets of bell peppers are Agimido Alvarado and Kike Alvarado.

## DIRECTORS CUT BUDGET

## United Fund Goal Of \$27,321 Is Approved

A goal of \$27,321 for the Littlefield United Fund campaign for 1963-64 was approved by directors during a breakfast meeting Monday at the Crescent House.

The goal is \$1,869 below last year's budget. One reason for the decrease, according to UF President H. A. Mitchell, is that directors hope to reach the goal and pay participating agencies 100 percent of their requested budget this year.

Agencies received about 85 percent of their request last year, when contributions failed to reach the \$29,190 goal. This year's campaign gets underway Oct. 28 with the advanced gifts kickoff. The general drive opens Nov. 4.

Of the 7 participating agencies, 3 had their share cut from last year's proposed amount: 3 remained the same and 1 drew a slight increase. The Littlefield Baseball Assn. share was decreased by \$1,118.48; the Salvation Army was

slipped by \$500, and the Girl Scouts' share was cut by \$250. If the goal is reached this year, however, all will actually receive more than last year.

The Boy Scouts had the only increase, a \$500 raise in their share. Operating expenses for the UF, which amounted to less than 4 percent of the budget last year, were decreased by \$500.

After approving the report submitted by the budget and admissions committee, directors also voted to grant these actions by participating agencies: (1) to allow the Girl Scouts to hold a capital improvement fund drive, provided it is held after the UF drive; (2) to allow the Boy Scouts to have a sustaining membership drive, provided it is held after the UF drive, and held for Boy Scouts parents only; and (3) to allow the Salvation Army to sell "War Cry" in the commercial section of town, but only in businesses where special per-

mission is given by the management.

The participating agencies and amount budgeted:

GIRL SCOUTS, \$3,250. Agency reserves right to small sales, selling Girl Scout cookies, etc.

BOY SCOUTS, \$4,500. Reserves right to have small sales of flags, cards, etc.

BASEBALL FUND, \$5571.52. Reserves right to pass hat at games, have concession stand and hold drive for out-of-town tournament.

SALVATION ARMY, \$4,500. Reserves right to have Christmas kettle on street during Christmas season.

RED CROSS, \$4,500. Reserves right to hold an emergency drive in case of national or local disaster.

TEXAS UNITED FUND, \$500; GONZALES FOUNDATION, \$500; Emergency Fund, \$2,500; Secretary's salary and office supplies, etc., \$1,500.

## Smiths Return From Vacation

Mr. and Mrs. Bob Smith returned Monday night from a three weeks vacation spent sightseeing and visiting friends and relatives.

## Study Club Reviews Past

The Anton Study Club met Tuesday night, September 24, in the home of Mrs. Al Herrin. Mrs. Claud Couch was the program leader.

"Twenty-five years in Anton" was given by Mrs. Ed Hart and Mrs. Elmer Houston. They also reviewed the club's history since the organizational meeting which was held in October, 1938.

Mrs. Hart read some newspaper clippings and showed pictures from an early club scrap book.

Excerpts from the club minutes of 1938 were read by Mrs. Houston. She commented on some of the early activities of the club.

Three active members of the club were charter members. They are Mrs. E. E. Fisher, Mrs. Ed Hart and Mrs. Elmer Houston.

Mrs. Bill Watson was a visitor Tuesday night and Mrs. John Cotton was welcomed as a new member.

Mrs. Claud Couch will be hostess for the next meeting which will be October 1 at 7:30 p.m.

## Rocky Ford HD Holds Meeting

The Rocky Ford Home Demonstration Club met Thursday in the home of Mrs. David Harmon at 2 p.m.

Mrs. V. M. Peterman passed out material which she obtained while attending the state convention in San Antonio.

The annual Thanksgiving supper was discussed.

Refreshments were served to those attending.

Present were Mrs. Peterman, Mrs. Lloyd Sturgis, Mrs. Reno Toehelle, Mrs. Mary Davis and the hostess.

The next meeting will be October 10 in the home of Mrs. Mary Davis in Amherst.

In Dumas they visited with their son and family, Mr. and Mrs. Granville Smith. In Des Moines, Iowa they stayed several days with a school friend, Mrs. Helen Boyce, who is the sister of Mrs. Guy Willis, of Littlefield.

About two weeks were spent with a daughter, Mr. and Mrs. Ralph Lund and family of Minneapolis. While there they took a drive along the Canadian Border and Lake Superior, and report the scenery this time of the year is just beautiful. They also did some sightseeing in Duluth, where they saw several freighters come in and go out.

The Smiths came back by way of Dallas and visited their daughter and family, Mr. and Mrs. Frank Mobley, and with another daughter and family, Mr. and Mrs. Odell Ray and son of Arlington.

## Sunnydale HD Club Has Meet

The Sunnydale Home Demonstration Club met Friday in the home of Mrs. Don Pierce with Mrs. W. O. Hampton presiding.

Mrs. Nora Gaston was in charge of recreation.

Mrs. Hampton read a poem about flags in observance of Citizenship Day.

Mrs. Phillips, home demonstration agent presented a program on foods and nutrition.

Refreshments were served to the following who attended: Mrs. E. D. Brooks, Mrs. Fred Grisham, Mrs. B. D. Birkelbach, Mrs. Stewart, Mrs. Louise Bryce, Mrs. Virgil Bitner, Mrs. I. J. Rice, Mrs. W. O. Hampton, Mrs. E. L. Wheeler, Mrs. Nora Gaston, Mrs. Don Pierce, Mrs. A. L. Aldridge, and Mrs. Phillips.

The next meeting will be October 11, in the home of Mrs. Nora Gaston at 2 p.m.

## WHITHARRAL

Mrs. Jim Pyburn is visiting her parents at Lake Buchanan. The Pyburns moved here from Morton early in September. Pyburn is the minister of the Southside Church of Christ and attends Lubbock Christian College.

# News of Women

MARTHA MORTON

## Officers and Sweetheart of FFA Chosen

Davis Webb was named president of the Anton FFA Chapter and members selected Martha Morton as sweetheart when the club held its first meeting of the year recently.

Other officers elected: Mike Couch, vice president; Kirk Williams, secretary; Gary Bishop, treasurer; Jerry Fisher, reporter; and Bob Conkin, sentinel.

Miss Morton will compete for the district FFA sweetheart title in December at Lubbock. The winner there is eligible for area honors at the Amarillo convention in April, and the area champ goes to the state meet.

The club voted to have a hayride and invite FHA girls, pending approval from school officials and the home economics department. After a business session, members were served cake and soft drinks.

## Art Club Has Meet Friday

A meeting of the Art Club was held Friday, beginning at 10 a.m. in the Reddy Room, with Mrs. G. B. Stewart as hostess.

Those attending worked in oils and water colors.

A covered dish luncheon was served at noon.

Present were Mrs. J. C. Nichols, Mrs. Ray Keeling, Mrs. G. A. Mercer, Mrs. C. O. Stone,

Mrs. Ben Lyman, Mrs. Wm. N. Orr, Mrs. O. I. Bennett, Sr., Mrs. Jack Wicker, Mrs. Les Hewitt, Mrs. James Lee, Mrs. E. J. Bussanmus, Mrs. Paul Pharris, Mrs. G. B. Stewart, and one visitor, Mrs. Anita Prendergast.

The next meeting will be October 11 at 10 a.m. in the Reddy Room with Mrs. C. O. Stone as hostess.

## CITY BITS

Sunday dinner guests of Mr. and Mrs. J. H. Parkman and son were Mr. and Mrs. N. H. Humphries and Mrs. Zoe Nell Maples of Dimmitt. Also Mr. and Mrs. Mack Humphries and Teresa and Mr. and Mrs. J. A. Jackson all of Littlefield. Mr. and Mrs. Kenneth Jackson and sons visited in the afternoon.

Mr. and Mrs. David Thomas and Chris of Louisville, Ky. have been visiting her parents, Mr. and Mrs. W. H. McCown. They are now visiting his parents. They will return here Sunday and Mrs. Thomas and Chris will remain with her parents while David undergoes basic training in Indianapolis, Ind. He will be a 2nd lieutenant in the Quartermaster Corps.

Mr. and Mrs. Arthur Jones visited in Oklahoma City last week with their daughter and family, Mr. and Mrs. Bill Moore, Kelly and Scott.

Doss Maner flew Mr. and Mrs. Beryle Lovelace and family to Greenville to attend the funeral of her uncle, Arvin Roberts, Monday at 3 p.m. Mr. Roberts died Sunday.

Visiting in the home of Dr. and Mrs. D. J. Stafford and family are her parents, Mr. and Mrs. J. B. Morris, of Texas City. Mrs. Morris has been here about a week, and Mr. Morris arrived Sunday night.

Dr. and Mrs. Ben Lyman of Lubbock spent the weekend with his parents, Mr. and Mrs. Ben Lyman, Sr.

Mr. and Mrs. Joe Krizek returned Saturday from a week's vacation spent at Estes Park, Colo. Accompanying them were Mrs. Krizek's sisters and their husbands, Mr. and Mrs. Charles McLean and Mr. and Mrs. Tom Hanks, all of Houston.

Mr. and Mrs. Jedd Blessing and children visited Mr. and Mrs. Larry Holly and family, of Brownfield, Sunday.

Bob Black spent the weekend with his parents, Mr. and Mrs. Jim Black. Bob is a freshman at Lubbock Christian Col-

lege. He spent last winter in baseball school in Arizona, and the summer playing ball with the Houston Colts.

Mr. and Mrs. Emery Throneberry visited Mr. and Mrs. Odell Throneberry, of Eunice, N.M. Saturday and Sunday.

Mr. and Mrs. Bobby Rogers flew to Austin over the weekend and attended the football game between Tech and Texas University. They returned home with Mr. and Mrs. Jack Young

Kind of leaves the high-priced cars some explaining to do, wouldn't you say?

Long and luxurious—with a fresh-christened look that almost makes you feel somebody should be breaking a champagne bottle on its prow.

Richer roomy interiors with subtle new blending of colors and fabrics.

Like the ultra-soft vinyl upholstery in the new Impala Super Sport Series.

And the foam-cushioned front and rear seats and door-to-door carpeting, now standard in all models, including the modest-priced Biscaynes.

A choice of seven engines, no less, with output all the way up (say when!) to 425 hp.\*

And a choice of four smooth transmissions—from automatic\* to 4-speed Synchro-Mesh\*—to go with them.

And underlying it all, the opulent feel of Chevrolet's Jet-smooth ride—something some of the expensive makes would dearly love to claim for themselves.

## Junior High MYF Has Party

The Junior High MYF of the First Methodist Church had a party Saturday night at 7 o'clock. The program consisted of bowling, refreshments at a local drive-in, and games of ping pong and plain chat at the church. The party ended at 10 p.m. when parents of the children met them at the church.

Attending were: Ann Minyard, Janice Oldham, Kathy Barton, Martha Steed, Debbie Dutton, Dillene Spencer, Charlene Brown, Darlene Miller, Edna Jones and Jimmy Williams. Garth Grizzle, David Roden, Norman Klsner, Gary Pirky, Bill Nelson, Bill Elliott, Rev. and Mrs. Jack Ellzey and John, Mr. and Mrs. Billy Williams, Mike and Joe, and sponsors, Mr. and Mrs. Jedd Blessing.

tion and support of the Institute. "We urge everyone to support these important new programs of the March of Dimes," concluded Mrs. Abernathy. At the same time, we cannot forget the many thousands of disabled polio victims who still look to us for help. Your contributions will enable them to look to the future with hope.

Besides being president of the Lamb County Chapter of the National Foundation, Mrs. Abernathy is active in the Epsilon Delta Chapter of Delta Kappa Gamma and the Forum Club. Mrs. Coen is chairman of the Women's activities in the March of Dimes for Lamb County and is also an active member of the Woman's Club. They represent these organizations in the National Foundation.

Abernathy, president of the Lamb County Chapter.

"March of Dimes leadership in the fight against crippling birth defects and arthritis has been achieved in less than six years after the organization first turned its attention to them," she stated. She noted that experience gained in the successful fight against polio enabled the March of Dimes to move promptly ahead in treatment and research.

"Now," she declared, "there are nearly 70 March of Dimes sponsored Clinical Study and Special Treatment Centers in operation across the nation providing improved treatment for victims of birth defects and arthritis."

Until recently such uniformly good care was difficult to obtain. Today, March of Dimes centers are closing the gap that exists between research findings in the laboratory and the application of new knowledge at the bedside of the patient.

Mrs. Abernathy emphasized that the March of Dimes is also providing the highest level of support for outstanding scientists in the leading laboratories of the United States and other nations. This year, for example, nearly \$7,500,000 will be devoted to a research program seeking to eliminate birth defects which strike more than 250,000 babies each year; and arthritis, which numbers its victims in the millions.

"One aspect of this research program of particular interest to March of Dimes contributors," said Mrs. Abernathy, "is the Salk Institute for Biological Studies." There, Dr. Jonas Salk and a team of world renowned scientists will soon begin studies of the most basic biological questions. The March of Dimes is aiding in the construc-

RECIPE OF THE WEEK -- Mrs. A. B. Brown, Spade, contributed a recipe for pepper jelly this week. She is pictured holding a fall arrangement, which was taken at a meeting of the Woman's Club, which is one of her favorite activities.

## Mrs. Brown Submits Unusual Jelly Recipe

Mrs. A. B. Brown, a former teacher, has given an unusual jelly recipe for this week's feature story. It is for pepper jelly, which makes a good accompaniment with meat dishes.

Mrs. Brown and her husband live in the Spade community where they have farming interests.

Mrs. Brown taught school for a number of years, several of which included school counseling and administrative work. She is a graduate of North Texas University, Denton, and has done graduate work at Texas Tech.

When asked about her activities she said her church work was her first love. She teaches an adult women's class in the First Baptist Church and also works with the Extension Department.

Mrs. Brown is an active member of the Woman's Club, Spade Garden Club, and Delta Kappa Gamma.

Her hobbies include reading and gardening.

Mrs. Brown's recipe follows:

## Miss Bradley Honored With Bridal Shower

Miss Judy Bradley of Spade, bride-elect of Jimmy Nix, was honored with a bridal shower in Mrs. Vernon Stagner's home Saturday afternoon.

Guests called between three and five o'clock.

DeAnne Brock registered the callers, in the bride's book.

Mrs. Reagan Cox of Lubbock presided at the refreshment table, which was laid with a white linen cloth and featured a bride-doll under an arch, covered with blue daisies for decoration.

Blue candles in crystal holders flanked the arrangement. Refreshments of pineapple float, salted nuts and white cake squares embossed with blue wed-

ding bells were served.

The many gifts on display included several pieces of stainless steel and corning ware utensils from the hostesses. The hostesses were Mes. Stagner, Ernest Black, George Harmon, Lee Payne, Jack Durham, Victor Reynolds, Sam Harmon, N. B. Embry, Bill Bradley, D. C. Ewing, Wallace Gosdin, Victor Oxford, Alvin Messamore, Allan White.

Also Ben Greener, Leroy Maxfield, Doc Shavor, Bennie Harmon, Mike Duffy, Tom Dairs, Laverne Nicholson, D. D. Yantis, Delvin Batson, Horace Woodward, and Aubrey Jones.

Among those from out of town

were the bride-elect's mother, Mrs. John Ramage and Vicki, Mrs. H. Ramage, and Brenda Freeman of Spade. Also Mrs. Ross Brock, Melody and DeAnne of Earth, Mrs. Joe Burt Markham and Jackie, Mrs. Matt Nix, Jr. and Debbie, Mrs. H. O. Carson, Mrs. Bob Carson and Mrs. R. D. Nix of Sudan, Mrs. Reagan Cox, Lubbock, Mrs. Ed Ross and Mrs. Paul D. Bennett, Littlefield.

The wedding will be solemnized at 3 p.m., Sunday October 6 in the First Methodist Church in Littlefield with the pastor, Rev. Jack Ellzey officiating.

Friends of the couple are invited to attend.

## Hall Services Held Tuesday

Funeral services for R. C. (Tige) Hall, 61, retired farmer-rancher of the Slaton area and a brother to four Littlefield residents, were held at 2:30 p.m. Tuesday in the Slaton First Baptist Church.

Mr. Hall died Sunday night in a Slaton hospital after suffering a heart attack Sunday morning. He was born and reared in Cottle County and came to the Slaton area in 1922.

Last rites were officiated by the Rev. W. S. Ferguson, former pastor of the Slaton church. Burial was in Englewood Cemetery under direction of Williams

Funeral Home. Survivors include his wife, Pearl; two sons, R. C. Jr. of Slaton and John T. of Albuquerque, N.M.; one daughter, Mrs. Jackie Phillips of Lubbock; three brothers, Jake, Billy and Cecil Hall, all of Littlefield; and one sister, Mrs. Edward Betts of Littlefield.

## Classes On Civil Defence Start Here

A course in "Personal and Family Preparedness for Survival", sponsored by the Texas Education Agency and the Littlefield Schools got underway Tuesday in the high school library.

Purpose of the course, offered to all interested adults, is to provide information necessary for survival in case of a disaster or an enemy attack on this country.

Classes will be held from 6 p.m. again today, with the remaining classes set Oct. 15-17. The course consists of two 30-minute discussions each meeting along with a 1-hour telecast.

The free course, taught by certified civil defense instructors, provides a free and other related materials a certificate to all who complete the course.

**SENIOR-SENIOR HIGH PTA**--A large group of parents turned out for the first meeting of the Littlefield Junior-Senior High PTA which was held Monday night in the school cafeteria. They heard principals, James Pirkey and Forrest Martin speak, as well as Counselor Tullis and teachers from various departments in the schools.

**BACK TO SCHOOL**--Olen Mahaffey, left, president of Littlefield Junior-Senior High PTA is talking with Mrs. Melvin Dutton, Mrs. R. E. Maurer and Mrs. B. W. Armistead, who were among the parents attending the first PTA meeting of the school year Monday night.

### Back to School is Held By Junior-Senior High Monday

Approximately 275 parents and teachers were given a bird's-eye view of the curriculum of the Littlefield Junior and Senior High Schools Monday night. Your child's opportunity at school was the topic of the first Junior-Senior High PTA meeting at 7:30 in the school cafeteria.

Olen Mahaffey, president, was in charge of the brief business meeting. Officers and chairmen were introduced. The year's programs were reviewed and the budget for the year was adopted.

Delegates elected to the state convention in San Antonio Nov. 22 are Olen Mahaffey and Forrest Martin. The president will also appoint others to go.

Principals of Junior and Senior High, Forrest Martin and James Pirkey, briefed parents on the curriculum of each school and the requirements for graduation.

They briefly told what is expected of the child in the way of attendance and also scholastically.

Teachers were introduced by departments and a teacher from each department gave some of the plans for study during the year.

Dave Tullis, counselor, spoke of his counseling program with the students.

An informal coffee was held before the meeting, with members of the hospitality committee, Mrs. Larry G. Shipp and Mrs. Arnold Neuman, in charge of refreshments.

This year's officers are: Olen Mahaffey, president; Mrs. C. B. McWilliams, vice president; Mrs. A. P. Duggan, secretary; and Mrs. Bob Kirk, treasurer.

The next meeting will be Nov. 4 when a safety talk will be given and slides shown by Patrolman Dempsey of Lubbock.

### County Clerk Jones Pays 1st Poll Tax

County Clerk Charles Jones and Mrs. Jones paid the first two poll taxes in Lamb County Tuesday, October 1, first day that payment could be made.

A total of 10 persons paid their poll taxes Tuesday, the office of tax collector Herbert Dunn reported.

October 1 was the opening date for payment of poll taxes and county and state ad valorem taxes. The county tax office had receipts of \$4,742.64 for the first day in ad valorem taxes.

Poll tax payments are expected to run much slower for the first six weeks of the 1963 tax payment period--pending a November 9 statewide vote that could abolish the \$1.75 annual tax as a requirement for voting for Texas persons under 60 years of age.

After that, they could almost stop altogether. The tax will remain in effect, but will not be required for voting. Of the \$1.75, Texas schools receive \$1 for a total of about \$2-million annually.

Abolishment of the poll tax is expected to become a sharp state issue as the November 9 vote nears. Gov. John Connally is outspoken in support of its abolishment, urging that keeping it will create "chaos at the polls" in future elections, after federal legislation makes it possible to vote for federal candidates in Texas--U. S. Senators, Congressmen and the President.

An amendment to the U.S. constitution now in process of being ratified by the states lacks only approval of two more states, and this is expected early in 1963. Presumably, Texas residents can vote in U.S. races in 1964 with or without the 1963 poll tax receipt.

This would probably mean two separate ballots at the polls, a situation that Gov. Connally thinks would be chaotic.

But poll tax payment would still be required for elections on a state, county, city and school district level, if the tax is not abolished.

### Agent Submits Fall Recipes

Mrs. Lady Clare Phillips, home demonstration agent, submitted two recipes which readers may be interested in having at this time of the year.

**TOMATO CATSUP**  
 1 gallon ripe tomatoes, peeled and chopped  
 2 medium-sized onions, chopped  
 1 cup chopped, sweet red pepper  
 2 cups vinegar  
 3/4 cup sugar  
 1 teaspoon salt  
 1 teaspoon celery seed  
 3 sticks cinnamon  
 1 clove of garlic, chopped

Combine chopped vegetables, then simmer for 30 to 40 minutes. Press vegetables through a sieve. Tie spices in a cloth, add to the vinegar, and simmer for 30 minutes. Boil sieved tomatoes rapidly until they have cooked to half the original amount. Add spiced vinegar, sugar and salt to the mixture. While stirring constantly, boil the mixture for about 10 minutes, or until slightly thickened. Pour into hot, sterilized jars or bottles; seal or cap and store.

**CHOW-CHOW**  
 1 quart chopped cabbage  
 2 cups chopped green tomatoes  
 3 chopped onions  
 1 1/2 chopped sweet green peppers  
 1 1/2 chopped sweet red peppers

Mix well and put into enameled pan or stone jar. Put in layer of vegetables and sprinkle well with salt, continuing until all the vegetables are used. Sprinkle the last layer with salt. Let stand overnight and drain well the following morning. In a separate vessel put:  
 1 quart vinegar  
 2 cups sugar  
 2 tablespoons ground mustard  
 3/4 tablespoon celery seed  
 1 1/2 tablespoon white mustard seed  
 1 teaspoon cloves (tied in a bag)

Heat to boiling, add the well-drained vegetables and cook slowly until tender (about 1/2 hour). Pack into sterilized jars and seal. Process in water bath 10 minutes at simmering temperature.

Of America's Two Finest And Most Beautiful Automobiles

1964 Oldsmobile      1964 Cadillac

Friday      October 4th

### Oldsmobile Showing To Be Held Friday

Oldsmobile's entry in the low-price field, the totally new F-85 for 1964 will be displayed at Jones Motor Company in Littlefield, beginning October 4, it was announced by Jarold Jones.

In describing the new F-85, Jones cited Oldsmobile's general manager and a vice president of General Motors, Jack F. Wolfram: "The F-85 is a brand new automobile, styled for more beauty, designed with greater interior measurements for maximum utility, and powered by a brand new engine for more performance.

"The F-85," he added, "is of greater value than ever before, with more leg-room, head-room and entrance room.

"It is styled to present a clean, sharp image," Wolfram said, "with the immediately recognizable 'action' look of Oldsmobile from every angle.

"In engineering design too," he added, "the F-85 is a completely new car, with its own new chassis and power train and independent body-frame construction.

"The F-85's new Jetfire Rocket engine," Wolfram said, "gives exceptional performance to this car. The engine, a lightweight cast-iron V-6, uses the most advanced four-cylinder techniques and is produced in Oldsmobile's Rocket engine plant.

"Developed by Oldsmobile engineers," he continued, "the Jetfire Rocket engine combines ruggedness and durability with exceptional smoothness and quietness."

Wolfram said the new 330 cubic inch engine for F-85 models delivers 230 horsepower and uses regular grade gasolines. The Cutlass Sports coupe and Cutlass convertible, along with the newly introduced Cutlass Holiday coupe, are powered by an ultra-high compression, 290 h.p. Cutlass engine, equipped with a four-barrel carburetor and designed for use with premium fuels.

"For those buyers," he said, "who are primarily interested in fuel economy and low price, Oldsmobile offers a new 155-horsepower V-6 engine. With our V-6, Oldsmobile engineers, long noted for their skills in the reduction of noise and vibration, have achieved new standards of smoothness and quietness.

"Another important component of the new F-85 power train," Wolfram stated, "is the Jetaway automatic transmission. CITATION BY PUBLICATION  
THE STATE OF TEXAS

To: All persons interested in, claiming, or asserting an interest in the property described in Plaintiff's Original Petition in this cause, Defendants, Greeting:

You and each of you are hereby commanded to be and appear before the District Court of Lamb County, Texas, at the courthouse of said county in the city of Littlefield by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of 42 days from the date of issuance hereof: that is to say, on or before 10 o'clock a.m. on Monday, the 4th day of November, 1963, to Plaintiff's Original Petition filed in said Court on the 20th day of September, 1963, in this cause numbered 5425 on the docket of said Court and styled the State of Texas v.

Lamb County Electric Cooperative, Inc., Et Al, wherein the State of Texas is Plaintiff and all persons interested in, claiming, or asserting an interest in the property described in Plaintiff's Original Petition in this cause, and Lamb County Electric Cooperative, Incorporated; Farmers Cooperative Association of Springlake, Texas; Olton Coop Gln; Farmers Cooperative Association of Sudan; and Hart Camp Cooperative Gln are Defendants. A brief statement of the nature of this suit is as follows: A suit to escheat the personal property described in said petition to the State of Texas under Articles 3272 and 3272a, Title 53, Revised Civil Statutes of Texas, said property being described as follows: \$109.58 in cash held by Lamb County Electric Cooperative, Inc.; \$418.65 in cash representing patron dividends held by Farmers Cooperative Association of Springlake, Texas; \$778.55 in cash representing dividend checks held by Olton Coop Gln; \$140.87 in cash held by The Farmers Cooperative Association of Sudan; \$1309.98 in cash representing dividend checks held by Hart Camp Cooperative Gln.

For the purpose of more fully describing said property and the respective interests therein of the last known owners, reference is made in said petition to the sworn report

of said property made by the Defendant(s), herein listed above, as holder(s) thereof, to the Treasurer of Texas, which report is annexed to and made a part of said petition. Said property is alleged to have been reported to the State Treasurer by the holder thereof as abandoned personal property subject to escheat, to have been advertised, to have remained unclaimed for 120 days, and more, from the date said report was received by said Treasurer, and to have been so certified by said Treasurer to the Attorney General of Texas, all in compliance with Articles 3272 and 3272a, R.C.S. The prayer in said petition is "that citation be issued to all Defendants in accordance with Article 3272a, R.C.S., and that upon trial hereof, the property described herein be declared to be abandoned, escheated to, and the title thereto vested in, the State of Texas; that said Defendant who is the holder of said property be directed by the Court to deliver said property immediately to the Treasurer of the State of Texas; and Plaintiff further prays for such other and further relief, special and general, in law or in equity, to which it may be justly entitled." The persons last known to have claimed said property (and who are, therefore, made Defendants in said suit), and their respective interests therein, in dollars and cents, are as follows:

NEW CADILLAC HERE FRIDAY -- The distinctive elegance of the 1964 Cadillac Fleetwood Sixty Special Sedan is reflected in its clean body sides, stately roof and luxurious interiors. The new Cadillac models go on display here Friday at Jones Motor Co.

## New Cadillacs Due Friday

New standards of performance, comfort and convenience are coupled with unmistakable Cadillac styling in the 11 models which go on display at Jones Motor Co. in Littlefield Friday.

Jarold Jones announces the performance gains result from a new engine and a new transmission, while the comfort and convenience story for 1964 is highlighted by the first fully automatic year-around conditioning system ever offered in an automobile.

Along with the Cadillacs, Jones will also display new Oldsmobiles Friday. The 11 Cadillac models -- one less than last year -- are realigned into three series: three models are in the Sixty-Two series; four, including the convertible, are in the de Ville series, and four models in the Fleetwood series.

The night-shirted Spencer family is beaming evidence of Warner Bros. glowing romantic drama, "Spencer's Mountain," selected Father's Day Picture of the Year by the National Day Committee. Grouped around their screen parents (Henry and Maureen O'Hara) are Veronica Cartwright, Susan Young, Michele Daves, Miss Karath, Ricky Young, and co-star James Gary Young, Kim Karath, Ricky Young, and co-star James Arthur. Five of the nine children are named Young and are brothers and sisters for whom life became slightly complicated when producer-director Delmer Daves signed their mother to the wife of one of Fonda's screen brothers. Mrs. Young then her children's aunt, Donald Crisp and Wally Cox are also in "Spencer's Mountain," which tenderly details the troubled triumphs of the Spencer clan. Opens Sunday at the Palace.

### Planning Meet Held By WMS

Plans for the new club year were made when the Whitharral Women's Missionary Society met Monday at 10 a.m. in the Whitharral First Baptist Church.

Mrs. B. B. Hisaw, president, was in charge of a meditation period based on the society's new watchword. Rev. Wayne R. Williams brought a message on "What the Women's Missionary Union Has Meant and Can Mean to Our Church."

Several members told what WMU has meant to them personally, and officers and chairmen announced plans for the new year. A salad lunch was served.

The WMS will sponsor a tea Monday at 2 p.m. for all women of the church, and guest speaker will be Mrs. E. G. Brunson of Littlefield, who recently completed a trip around the world.

Attending the planning session Monday were Mrs. Hisaw, Mrs. Fred Newsom, Mrs. Coy Howard, Mrs. Driscoll Bryant, Mrs. Warren Tipton, Mrs. Jimmy Hisaw, Mrs. Bufford Hayes, Mrs. Charles Lamb and Rev. and Mrs. Williams.

**Over-65 Hospital Insurance Now Available**

Lamb County residents over 65 years of age and who do not have hospitalization insurance may buy not without medical examination under a plan established this year by the Texas legislature.  
 More than 40 insurance companies have joined a pool to offer the over-65 policy. Insurance people term the coverage "limited" while pointing out the advantage of having it available to everyone.  
 Many persons over 65 are not eligible for regular hospitalization coverage.  
 The new Texas plan offers coverage for up to 31 days in the hospital, and for other care that could run to a maximum of \$766 for one hospitalization period.  
 It is for sale at \$9 per person. An auxiliary coverage for major medical expenses also is available to the same group, at \$10 a month. Either policy may be purchased separately.  
 Insurance agents expect that some of the policies will be purchased by children of older parents. Any eligible person may be enrolled under the policy by any other person. The new plan provides that the policy may not be cancelled by the companies involved, but can be cancelled by the enrollee.  
 The enrollment period for the new insurance is October 1 to October 31 only. Insurance is effective November 1.

# Denver City Is Foe In Homecoming Game

## SPEEDY'S SCOREBOOK

By Speedy Nieman

A number of local football games this week were bemoaning the fact that Levelland upset Denver City last week. Their taking is that the Mustangs will be fired up for Littlefield Friday night.

There could be some truth in this theory--the Mustangs are real "high" for their game. On the other hand, the seldom-beaten Ponies might realize they can't always win--which could be the case again Friday night.

Regardless of what happened last week, the game Friday night is up as a doozy. Coach John Howle and his Wildcat gridgers think they can beat the Mustangs, and a number of the gridgers would like to avenge last week's 21-6 licking.

Howle apparently thinks his team can move the ball on Denver City, but he's worried about stopping the Mustangs' big gun--Hubbard. Local fans and betting exes who return for homecoming will see the results tomorrow night.

Speaking of homecoming, fans are hoping the event will be as successful as last year when Levelland trounced a previously beaten Perryton team by 33-0. Aaron Stokes reigned as queen for the homecoming game.

Our grid predictions now stand at a 70 percent mark after hitting 18 of 24 last week. We go again.

In the big game, as far as local fans are concerned, we look for a close battle with Littlefield claiming the edge--about 5-7.

In other areas games of interest: Hereford to top Muleshoe,umas by Carlsbad, Dalhart over Perryton, Phillips to top Canyon, Andrews over Levelland, Borger over Plainview, Brownfield to beat Seminole, Dalou to edge Springlake, Olton over Lockney in a close one, Odan to edge Plains, Amherst over Lazbuddie, Anton to top Hart, Cooper by Whitharral, Loydada by Post, Friona over Morton to top Sundown.

On the college scene: Texas Tech to beat A&M, Texas over Oklahoma State, TCU to down

## Death Match Slated In Local Arena

Luis Martinez returns this week to meet Tokyo Tom in a "Texas death match" at Littlefield Sports Arena.

In Texas, a "death match" means that falls don't count, and the wrestler who is able to enter the ring last wins the match. There is no time limit and no count of falls is made.

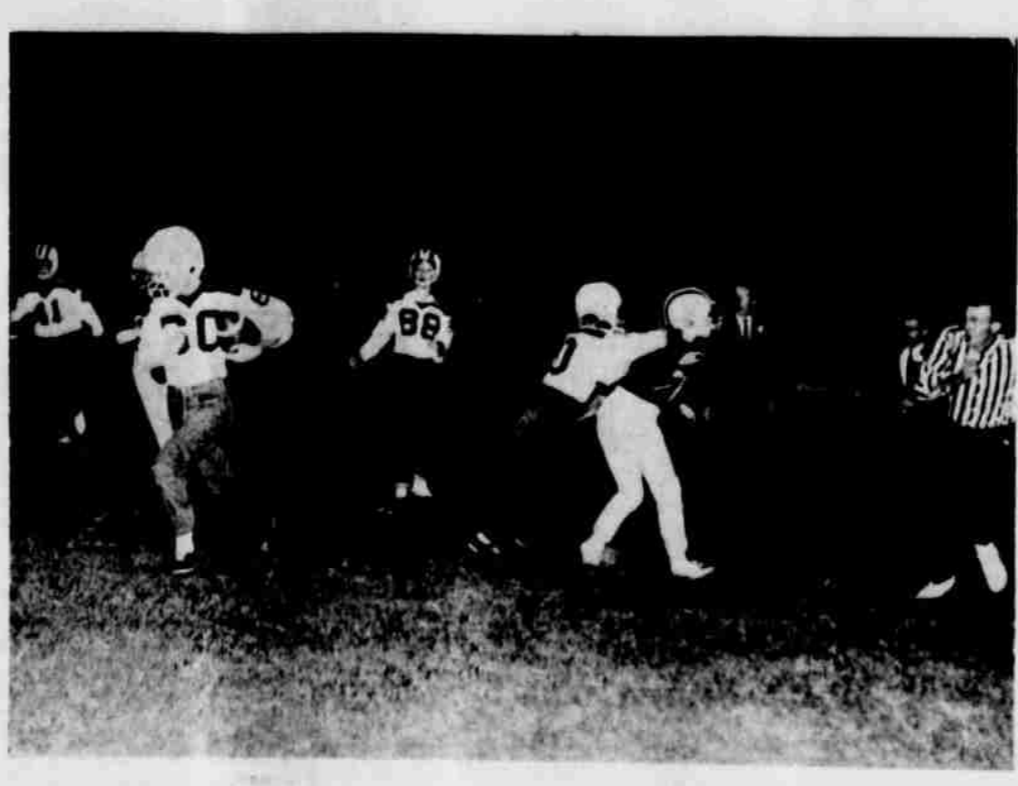

Martinez requested this kind of match, claiming he would not wrestle Tom in a regulation match after last week's bout. The loser will leave Littlefield.

Matches start at the new time of 8:30 p.m. Saturday.

The first main event will be a tag team match with Alex Perez and Rudy Kay joining forces to clash with Joe Grump and Treach Phillips. It will be a 2-out-of-3 fall match with an hour's time limit.

Grump, the big Canadian made a successful debut here last week, grabbing a victory over Dale Lewis. The opener this week pits new comer Rudy Kay against Grump in a 1-fall 20-minute time limit match.

GAIN FOR JUNIORS--Betty Taylor (60) takes off on a big gain for the junior girls in the Powder Puff game Friday night. Juniors Janis

Koller (41) and Karen Thaxton (88) follow the play while two unidentified girls clash at right. The senior fems took a 36-14 victory. (Photo by Doug Yarbrough)

## Cheerleader Hurt In Game

Marsha Kesey, a senior and head cheerleader at Littlefield High School, was the only casualty of the Powder Puff football game Friday night.

Marsha was admitted to Medical Arts Hospital Saturday after her daughter, Mrs. Earl Hobbs.

Mr. and Mrs. Landon Grison and Mr. and Mrs. Neil Wood attended the Texas-Tech-University football game over the weekend.

## Two Games Here Tonight

Two games are on tap at Wildcat Stadium tonight, the LHS Freshmen hosting the Levelland Frosh at 6:30 p.m., and the Wildcat Juniors Varsity tangle with the Lobo B-team at 8 p.m.

While the two high school teams are in action here, Littlefield's junior high gridgers will be playing at Levelland. The 7th grade game starts at 5 p.m., and the 8th grade battle follows.

Both the junior varsity and freshmen have 1-1 season records and will be shooting for their second wins tonight.

The Littlefield 8th graders will be out to keep an undefeated mark after two straight victories. The 7th graders have won 1 and tied 1.

## Wildcats Seek Third Victory Of Season

The state's No. 1 AA team--Denver City--will provide the opposition when the Littlefield Wildcats attempt to please "Homecoming" exes with a victory Friday night at Wildcat Stadium.

Kickoff time is 8 p.m. for the non-district contest. The Wildcats had an open date last week, while the Mustangs were being upset by Levelland, 20-14.

The "Big Red" Ponies were still rated No. 1 in the Class AA ranks this week, and Coach Don Orr's crew will be trying to tromp the Wildcats and get back on the winning trail.

The loss to Levelland was Denver City's first regular season setback since 1958 and was only the Mustangs' fourth defeat in their last 57 games. Denver City downed the Wildcats by 21-6 last year in a controversial contest at Denver City.

Coach John Howle expects to have about the same starting lineups as used in the Cats' first three games this season. Tackle Ricky Phillips is due to return to action after missing the Seminole game. Guard Steve Lowe banged up a knee in the last outing, but is expected to be ready Friday.

Howle's main problem in preparing for the Mustangs is concerned with stopping the Mustangs' great all-around back Pat Hubbard. The triple-threat played halfback, fullback and quarterback last year, and he and guard Larry Rawls are seeking their fourth letters this season.

The pair lettered as freshmen when Denver City won the state AA crown in 1960. The Mustangs have 13 lettermen back from a team which posted a 13-1 record last season. The Mustangs were downed by Winters, 21-12, in the quarterfinals.

Returning regulars include Hubbard (170), Rawls (170), tackles Thurman Williamson (210) and Justin Dewbre (201), and quarterback Mike Martin (160).

The Mustangs opened up with a 41-0 victory over Seminole this season, then downed Pecos (36-14) and Lovington (20-0) before bowing to Levelland. Littlefield is 2-1 for the season with victories over Muleshoe (26-8) and Seminole (14-0), and a loss to Brownfield (35-15).

The Littlefield offensive lineup is expected to be: ends Larry Wood and Jerry Cox, tackles Ricky Phillips and Robert Bolton, guards Steve Lowe and David Dusek, center Tim Chambers, quarterback Ray McKinney, wingback Ronald Sitton, fullback John Dick Carl, and running back Grover Pigrum.

Steve Lewis and Junior Hodge will probably start as defensive halfbacks, Larry Wood at safety, Larry Coffman at one end, and Dickie Montgomery at a tackle.

Another near capacity crowd is expected for the contest, the third home game of the season for the Wildcats. It's "Homecoming" for LHS exes, another factor which should help attendance.

One of three senior girls will be crowned as "Homecoming Queen" in special halftime ceremonies. The three candidates, as selected in a vote of students, are Janelle Jensen, Maisie Naylor and Darla Neuschwander.

*Comet Caliente*

This is the beginning of a new kind of Comet. Hot, husky, handsome--top series in Comet's '64 lineup. Engines range up to a 4-barrel Cyclone 289 cu. in. V-8 in all Comets.

"Caliente" means hot...

In Spanish. And this new Comet speaks the language. It looks hot. And it is! Your choice of four engines provides the punch. The topper is a big Cyclone 289 V-8--most responsive in Comet's field. More choice.

**New Comet offers 3 series...**

the top-of-the-line Caliente, and the economical 202 and 404 series. Ten models... all bold and racy. A wide transmission choice, too, including a smooth, silent, new Multi-Drive Merc-O-Matic--unmatched at the price.

**Elegance at a compact price**

Prime example of Comet's new elegance is the Caliente, with the warm look of walnut on the interior trim... plus lavish biscuit-pattern upholstery.

**Power steering... power brakes...**

## WATER

(Continued from Page One)  
 transmission line, at present, is 3 1/2-million gallons of water in a 24-hour period.

He would also add a 750,000-gallon ground storage tank at the well field and low life booster pumps to accelerate the water. In doing this, he would abandon the present Davis booster and the storage tank there. This would carry a double advantage. The Davis station tank is concrete and has developed large cracks, to which the State Department of Health objected in an inspection for the purpose of approving the city water supply. The tank is about the only remaining correction needed to bring the system up to approval standards, City Manager J. W. Harrison said recently.

The primary plan outlined would also install a 750,000-gallon tank at the city's edge, where there presently are two tanks of 250,000 and 150,000 gallons capacity. Water is "high lifted" from these two tanks to the two elevated storage tanks in the city.

The present ground storage of 610,000 gallons is 61 percent deficient of the amount needed for Littlefield's present population, the engineer's report pointed out.

The storage and production capacity are combined to reach a maximum water supply for the city for a 10-hour calamity period, which would mean a spreading 10-hour fire.

If the city went into a fire with all storage full it could meet its fire fighting needs of 3,075 gallons a minute for only eight hours and 12 minutes, at the present, McMorries said, then supply would drop to 2,242 GPM.

The engineer based the calamity need on a formula developed by the National Board of Fire Underwriters, applied to the population of Littlefield.

Cost of these primary plan improvements in the present transmission system is estimated at \$140,000, in the report.

The costs go up when lines are extended to a nearby 80-acre tract, go up more should they go over to another 177-acre tract, both owned by the city for possible water sources.

These extensions would depend on a city decision on whether they will utilize these two new sources for a long-range water supply.

If the two tracts are included, the city can add another \$292,000 estimated cost for a gathering system to handle them, McMorries said. Or, the city may decide to go directly to the sandhills, by-

## HARVEST MOON SHINES

# Grain Crop 75-80% In

The 1963 Lamb County grain harvest--termed by grain men the best in recent years--is looking into its windup phase this week after 12 full days of high blue skies, sunshine and a traditional harvest moon.

Estimates are that the harvest is from 75 to 80 percent complete, and a percent or so is being clipped off each day as

grain trucks roll steadily from fields to elevators.

Estimates are that the harvest will total \$15-million, possibly a record, including some \$3-million in feed grain program payments.

About half of the feed grain payments have been made to county producers in the federal program, the Lamb County ASC office said Wednesday. Payments are being issued daily as they are prepared.

Price on the grain has held steady, at \$1.70 to \$1.80 on open market, the best price in years. In Littlefield, most grain buyers are paying \$1.75 per hundred pounds while the \$1.70 price is general over the

county except at Sudan where \$1.80 is being paid for feed lot use, for low moisture content grain.

Grain is running pretty dry, buyers report, a result of the clear skies that have resulted from a high pressure cold front moving through the north, leaving most of Texas clear and dry.

The cold weather had one other result. Unofficial temperature readings in Littlefield early Monday put the mercury at a low 40 degrees, coldest of the fall.

## State Fair Opens Oct. 5, Runs 16 Fun-Filled Days

DALLAS -- The 1963 State Fair of Texas, a star-spangled "Exposition of Our American Heritage," will open Saturday, October 5, and run 16 fun-filled days through Sunday, October 20.

Gov. John Connally will officially open the Fair in ceremonies Saturday morning following the opening day parade through downtown Dallas, led by the 4th United States Army Band.

"How to Succeed in Business Without Really Trying," the award-winning Broadway musical comedy, and the State Fair Horse shows both will open Friday night, October 4.

Opening day is also Rural Youth Day, and some 100,000 4-H clubbers, Future Farmers and Future Homemakers from all over Texas will be on hand.

Keyed to the Americana theme of the Fair, there will be a colorful "Parade of the Stars and Stripes" around the fairgrounds each evening at 6:45 p.m.

Exhibits from around the world will be on display in the Texas International Trade Fair in the World Exhibits Building. Spanning a wide range of interests, other special features include the "Faces of Freedom"

## Historical Group In Meet

Members of the Lamb County Historical Survey Committee will hear talks by Lt. Gov. Preston Smith and state Historical Survey Committee members during a regional meeting at the West Texas Museum in Lubbock Sunday at 2:30 p.m.

Smith will discuss new historical legislation to the members of 38 county historical survey groups. Presiding will be Mrs. L. E. Dudley of Abilene, regional meet chairman and member of the Texas State Historical Survey Committee.

Other members are J. T. Gibson, Mrs. J. E. Er and Mrs. Paul Brown, LaGrange of Ambergris and Mrs. L. E. State of Earth, Mrs. Bonnie Muleshoe; and Mrs. R. A. of Fieldton.

Members will also hear W. C. Holden, director of West Texas Museum, report on its work in marking Civil War Centennial Observances, general committees included in budgets, and other planning for preservation and marking.

Littlefield members of county committee are H. Anderson, George L. Mrs. Roy McQuatters, A. Joplin, T. L. Matthews, Archie Brown, G. T. Mrs. W. D. T. Story, C. O. Stone, Mrs. E. G. son.

Other members are J. T. Gibson, Mrs. J. E. Er and Mrs. Paul Brown, LaGrange of Ambergris and Mrs. L. E. State of Earth, Mrs. Bonnie Muleshoe; and Mrs. R. A. of Fieldton.

## County Column

T. Wade Potter, of Ft. Worth, who retired recently from his law practice of many years in Littlefield, was a visitor with friends here last Friday and Saturday.

In the stands for the opening of the World Series in New York Wednesday were Mr. and Mrs. Mancil Hall, who went east for the event last week. They made an auto tour of New England before coming into the Series.

Joe Walden, Littlefield, joined the sales staff of Hall Motor Co. this week. Walden is a former LHS Wildcat standout, and a grid star at West Texas State. He and his family returned to Littlefield recently.

All Korean war veterans are asked to send their name and address to C. L. Walker, County Veterans Service officer, at the courthouse. Walker would like to explain some benefits to the veterans. Some widows of World War II and Korean vets are eligible for pensions, even though the death of their husbands was not service connected.

Mr. and Mrs. Pat Boone, Jr., returned Sunday night from Brownsville where he attended the Judicial Conference of the Texas State Bar Association.

# the price is medium... the action maximum... the car is Mercury

PARK LANE WITH RACY MARAUDER STYLING

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field--demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard, a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space--11 suitcases big (17.1 cu. ft.). And a far greater styling choice: racy Marauder styling (above) or unique Breezeway Design (right), with the only rear window that opens for ventilation, stays clearer in rain or snow. # Everybody out of the rut ...the '64 Buicks are here!

New Wildcat, widest, sportiest yet. Three belt engine choices (up to 360 hp). Hot new Formula V wheels (optional at extra cost).

Buick Special. New longer wheelbase. Safety box frame. Summer body. Still low priced.

Buick Skylark: A very personal car with a flair for action. Now in 3 models.

Buick LeSabre: Stunning new looks, new gas-saving engine. Probably 1964's best full-size value.

Buick Wildcat. Most luxurious Buick. Speedy, contemporary in taste and performance.

Our happiest problem for '64 was: how to beat a winner? According to thousands of owners, the 1963 models just about had it made in all departments. But—when your name is Buick—you just don't rest on your laurels. You keep pushing to make a great car greater. So... the '64 Buicks are new—but new. New engines, V-6 or V-8 (you'll like their new gas economy), new, smoother, extra-cost option, Super Turbine Transmissions (and who, but Buick, would build in an altitude compensator?). Youngest looking Fisher Bodies in town! Visit a show-room, sit in any one of the new Buicks, and practice this short easy line: "My Buick." Sounds good, doesn't it?

...above all, they're BUICKS!

## Rambler Line for 1964 Introduced

The 1964 Rambler Classic and Ambassador lines feature fresh new styling and more luxurious interiors. Shown is the Classic station wagon, the most popular model in the Rambler line. Horsepower ranges from 127 to 198 on Classics and 250 to 270 on Ambassadors. Rambler's noted long-life features continue as standard equipment. The new models will go on display October 3.

## Keeling Shows New 1964 Ramblers Today

American Motors this week announced new and broadened 1964 Rambler Classic and Ambassador lines. The new cars will be on display today at Ray Keeling Buick-Rambler Co. in Littlefield.

Styling refinements, new hardtop models and new convenience options are prominent among the advances in both American Motors' top-selling Classic line and the Ambassador luxury line.

With the company's lowest-priced Rambler—the drastically changed 1964 American that was announced last week, the company has now introduced three distinct lines of 1964 compact cars that completely span the market for this popular car

type. Thomas A. Coupe, vice president of automotive sales, announced: "The extension and broadening of compact appeal for 1964 confirms the rising popularity of these cars. We expect their sales volume to be boosted by the newest Ramblers as well as by the growing influence of the compact idea throughout the industry."

"The 1964 Ambassador 990-H hardtop is the most luxurious car ever offered by American Motors and will take a top position among the fine cars of America, with luxury second to none," Coupe stated. "Its smart, sports-type styling will appeal to all age groups, and its performance is comparable

to the best." The company's top-selling Classic line boasts a new luxury two-door hardtop in the popular 770 series, available as a Six or V-8. The new hardtops feature a "fastback" roof which flows at a rakish angle into the body.

The Ambassador line is concentrated in 990 four-door sedans, five-door two-seat station wagons, two-door hardtops and the 990-H two-door hardtop. An optional third seat is available for the station wagons.

Similar body styles are available as a 550, 660, or 770. The new two-door Classic hardtop is available only as a 770.

The standard Ambassador engine on all models except the 270-horsepower 990-H hardtop is a 250-horsepower V-8. The 270-horsepower engine is optional on other Ambassador models.

The standard Classic six-cylinder engine develops 127-horsepower engine is optional on other Ambassador models. The standard Classic six-cylinder engine develops 127-horsepower, with a 138-horsepower option available. The cast iron block is standard with an aluminum block engine optional.

New American features include a new body of advanced single-unit construction; curved glass side windows; a seven-fold increase in galvanized metal for greater rust resistance; new front suspension; 33,000 mile of three year lubrication intervals; new Power-Guard "24" battery with inter-cell construction for quicker starting and longer life, and many other features to improve operating convenience, durability and comfort.

The 1964 Americans are also on sale today.

## Attend Industrial Conference

Gene Garrison, C of C manager, and David Penn, representing the Board of City Development, attended the annual Texas Industrial Conference at Bryan Thursday and Friday.

Primary topic of the conference was industrial financing. Discussions were held on private investment groups that make loans for industrial de-

velopment, and on government agencies which make such loans. Millard Shivers, Texas Farm Bureau official discussed agribusiness and pointed out the important contributions made by ag industries to the state's economic growth.

A U.S. Department of Labor official presented a talk on unemployment problems, and H. E. Danner, West Texas C of C president and General Telephone president was a featured speaker.

The conference was sponsored by the Texas Industrial Commission, Texas Industrial Development Council, and Texas A&M College.

## WHITHARRAL

### CHUCK ROAST WITH MUSHROOM GRAVY

4- to 4 1/2-lb chuck roast 1/2 teaspoon salt  
2 tablespoons flour 2 cans (8-oz size) mushrooms or 1/2 lb fresh  
2 cups water

start your oven at 325° or slow. Put meat in a roasting pan and bake 2 1/2 hours or until tender. Transfer roast to serving platter and keep warm.

To make MUSHROOM GRAVY: Leave 2 tablespoons of fat in roasting pan and discard any excess. Stir flour into fat smoothly and cook over a low heat for a minute or two. Add water (if you use canned mushrooms drain off liquid and add enough water to make 2 cups) and salt. Continue cooking, stirring constantly, until gravy is smooth and bubbly. Now toss in sliced fresh mushrooms or the canned variety, reduce heat and cook several minutes longer. Serve the Mushroom Gravy over roast to 6 or 8.

## UF Months Set By Governor

September, October and November have been proclaimed United Community Campaign Months in Texas by Governor John Connally, who urges all Texans "to participate generously in the campaigns which are carried on in their local communities."

In Littlefield, the United Fund drive starts with the advanced gifts division on Oct. 28. The general drive begins Nov. 4 and

is scheduled to be completed in two weeks time.

The official proclamation was issued as United Funds and Community Chests all over the state prepared for their drives. United Campaigns in Texas last fall raised over 26 million dollars to aid health, welfare and character-building agencies.

In his proclamation issued in Austin, Governor Connally said: "The United community cam-

paigns, frequently called Fund drives, deserve the support of everyone. Many activities benefit from the unified approach, and the donor has the added satisfaction of knowing that whatever she gives will be used to the greatest possible effect. Coordinated efforts to generating funds for local educational health, welfare and character-building agencies fund-raising more effectively."
