Rotary Administration

Local Rotary Club will welcome Governor of the 127th District of Rotary International, M. W. Larmour, when he will visit the local Rotary Club, and be the guest at the regular weekly meeting on that day.

M. W. Larmour

Larmour will meet with members of the various committees of the Club on Wednesday, and spend that night in Littlefield, following which he will be the guest at the gathering the next day.

Larmour has been active in civic affairs of his city, and is president of the Chamber of Commerce, a member of the Board of Education, and chairman of the executive committee of the Chamber of Commerce, and chairman of the budget and expenditures committee of the Possom Kingdom Fair.

Active in Boy Scout work for the past 15 years, he has been District Commissioner for three years, and only recently received the Silver Beaver award from the Boy Scouts of America.

At present time he is vice-president of the school board, and is active in Civilian Defense work, as well as director of the club and of the Chamber of Commerce.

Larmour was elected District Governor at the conference of the District held last April in St. Louis, Mo., and was formally elected at the 1943 convention of Rotary in St. Louis, Mo., in which he will visit the Rotary Club and assist President C. O. Secretary C. O. other officers of the club pertaining to club administration and other Rotary service.

Situation Critical

E. C. Cundiff, clerk of the rationing board, the time is very critical, and all users of rationing are asked to cooperate with the Rationing Board in their efforts. One of the frequent abuses of rationing is the hoarding of goods, which is a crime under the law, states Mr. Cundiff. Parents are asked to check their children's rationing books, and to see that they are turning corners, and making sure that their rationing books are checked; some cars are being denied tires when they are not.

Need For Junk Jewelry Is Announced

Mrs. W. D. T. Storey, County Chairman for the drive, a report recently received to the effect that there is a further need for campaign jewelry, and to clear up any confusion, a letter was written to the San Francisco Service Men, which sponsored the drive, and in the following letter was:

"Thank you for your interest in the 'junk' jewelry drive. There is still in great demand for this jewelry. The Army and Navy, in this part of our embarkation, are all we have on hand. We are surprised at the letters we are getting about the drive, and are pleased to know that several tons of jewelry have been sent to the men of the Armed Forces, and has already been shipped to the South Pacific.

"The San Francisco League for Service Men is doing a great job reaching our boys all over the world, and every cent we receive is used to buy articles they cannot get, and our junk jewelry drive is now called 'life saving jewelry,' because it is doing just that.

War Ration Book 4 To Be Issued Through Schools

Everyone In Lamb County On October 21 Must Register

Registration for the new War Ration Book No. 4 will be handled through the schools in Lamb County, as was Book No. 2, and the gas registration; and everyone in Lamb County must register, even those who are not residents of Lamb County, but who are here at the time of registration, which will be held Thursday, Friday and Saturday, October 21, 22 and 23.

All patrons need to bring to the registration site will be their book No. 3.

One member of the family may register for other members of the family.

Members of the Littlefield School Faculty are expected to all be on hand Thursday, October 21, to assist in the issuance of the ration books.

Additional Items For Camp Project

A number of articles have been donated recently for the L'Lano Estacado Chapter Camp & Hospital project, including 65 very pretty ash trays, collected by Mrs. Dick Carl, Junior Red Cross Chairman for Lamb County, and brought in by Primary School children; and a large Edison Victrola, donated through Mrs. G. W. Chesher of Sudan, who is Chairman for that city.

The L'Lano Estacado Chapter started a patriotic movement some time ago to furnish recreational rooms at the Lubbock Army and South Plains Airfields, and a large number of items of furniture and furnishings were obtained for this purpose, which were worked over, redecorated, repaired, etc., and all put to splendid use.

Mrs. Storey took the additional items donated to Lubbock Tuesday when she attended the L'Lano Estacado Chapter meeting at that city. She was accompanied by Mrs. L. M. Brandon, who also attended the meeting.

Three Infantile Paralysis Cases Are Treated Here

One Released; Others Responding Nicely To Treatment Given

Three cases of Infantile Paralysis have been treated at the Payne-Shotwell Hospital the past week.

Laura Mae Redden, three year old daughter of Mr. and Mrs. I. G. Redden of Enochs, was admitted on Tuesday of last week. She quickly responded to the treatment, and was released Saturday.

Frances and Bobbie Green, aged 3 and 10, respectively, children of Mr. and Mrs. D. L. Green of Levelland, were admitted Thursday last. They are both responding nicely to the treatment, according to Dr. C. E. Payne Tuesday, who added that Frances was then sufficiently better to be released, but that she would remain in the hospital until her brother was able to go home also.

Scrap Metal Drive Is Announced

Put your old metal in a victory scrap bank, the Texas Salvage Committee urged Saturday in announcing a new campaign to meet the needs of mounting United Nations' war offensives.

The new drive will continue through Nov. 15, and Texans are being called upon to contribute their share of a national quota of 3,000,000 tons, said E. E. Kirkpatrick, chairman of the State Committee. He urged the 700 local committees to lend every effort to making the new campaign a success.

"Present scrap inventories available to the mills represent only about two months' supply which is not considered a safe margin," Kirkpatrick asserted.

With the Allied armies carrying the fight to the enemy on every front, extra effort on the home front is necessary to meet production needs, he added.

New Regulations To Be Explained

New regulations issued by Order of Defense Transportation regarding the delivery of all kinds of goods including milk, groceries, dry goods, lumber, coal, cleaned clothes, laundry and several other commodities will be explained by Mr. Woods, General Manager of ODT district office, at the Ration Board office in Littlefield Friday, October 15, at 8 p. m.

Anyone making deliveries of any kind is urged to attend this meeting, also any other questions regarding ODT will be taken up at this meeting.

His parents received a letter recently from their son.

Legion Sponsors Cigarette Drive

Richard New Post No. 301 of the American Legion is sponsoring a cigarette drive.

For the past two weeks money boxes have been placed in many of the business houses in Littlefield in connection with a drive that is on for the raising of funds with which to buy the boys in the armed services cigarettes.

Some of the larger tobacco firms are making it possible for the American Legion to purchase these cigarettes at a very special price of 5 cents per pack or 50 cents per carton. The local post has set as a minimum 5000 packs to be sent overseas. By so doing the tobacco company will add another 500 packs free to be sent with the 5000 packs.

During the last two weeks these containers have been out, enough funds were collected to purchase 2000 packs of cigarettes for the boys. The members of the local Legion post are very much elated at the splendid response given this drive by the citizens of Littlefield and surrounding territory. These boxes will remain in the various business houses until some later date and when you are near a box and have some spare change, just let it trickle into one of these containers and you will be doing your bit to help put it over in a big way.

Opening Hour For Schools Changed

The opening hour for the Littlefield schools has been changed.

According to Supt. Purris Williams, the schools Friday last closed for two weeks for the purpose of allowing the children to assist in the gathering of the cotton crop; and on taking up school again the opening hour will be 9:40 instead of 9 o'clock; and the closing hour 4:30, instead of 4 p. m.

"This will mean that the buses will run about 30 minutes later; and school children will need to meet the buses at the designated points that much later," said Mr. Williams.

The Littlefield School Superintendent also announced that heretofore they have had four classes in the morning, and three in the afternoon, and that under the new schedule there will only be three in the morning and four in the afternoon.

To Be Used For Trading By South Seas Service Men

Shipped Monday To San Francisco League For Distribution

"We have just had a wonderful response in the junk jewelry drive," stated Mrs. W. D. T. Storey, Lamb County Chairman, Monday, who reported a total of 90 pounds of costume jewelry had been collected in the county to be sent to the soldiers in the South Sea Islands for trading to natives for various services, including digging fox holes, carrying the wounded and taking messages, etc.

Mrs. Storey stated that Life Magazine, in a recent edition, related that as many as a dozen foxholes had been dug by these natives for a single necklace.

The drive started about three weeks ago, with Mrs. Storey County Chairman; Mrs. J. H. Ware, Littlefield Chairman; and Mrs. Bill Pass representing the Woman's Study Club.

The County Chairman also reported that the above amount did not include either Earth or Olton, which communities were both cooperating and collecting the jewelry, but from whom she had not yet gotten a report.

She stated that everyone cooperated wonderfully, and among the jewelry donated were many beautiful things, pieces of jewelry anyone would be proud to wear and own. Mrs. Storey said that included in the collection were between 50 to 60 beautiful necklaces, a number of watches, beautiful ruby ring, gold wedding ring, etc. She said a local girl gave towards the collection a lovely rhinestone bracelet purchased recently in a Littlefield store; another woman donated a chip diamond locket, a gold bracelet she wore as a girl, and a gold belt. Many other instances were reported by Mrs. Storey, indicating that the women of Lamb County are giving generously to this worthy move.

Mrs. Storey made the announcement concerning the junk jewelry drive. (Continued on Back Page)

Child Suffers Severe Burns In Gasoline Mishap Thurs.

Travis Lee Bryant, 5, son of Mr. and Mrs. E. L. Bryant, of 8 miles south of town, was admitted to the Littlefield Hospital about 3:30 o'clock Thursday suffering from severe burns on his left leg.

According to his mother, the child was burned badly when playing with his older brother, Joe Al Bryant, 7, who poured gasoline on a string stretched on the ground, which he lit with a match, and when the gas in the can sitting at side of string caught fire, he threw the can, and in so doing the flaming gas caught onto the younger brother's clothes.

L. C. Hewitt Is Campaign Head For Littlefield Section

Other Area Chairmen Appointed; County's Quota Is \$9,430

Solicitation of funds to attain Lamb county's quota of \$9,430 in the United War Chest of Texas, is scheduled to get underway this week in Littlefield and throughout the county.

The United War Chest of Texas is the unit of the National War Fund of this state, and has been given the responsibility of raising \$4,885,781 for the work of the USO and 16 other approved war appeals of the National War Fund. The national goal is \$125,000,000.

Dr. C. E. Payne, Lamb County USO Chairman, is county chairman for the United War Chest solicitation.

Local Chairmen Appointed
L. C. Hewitt is chairman for Littlefield. The quota for this city and section has been placed at approximately \$4,500.

Mr. Hewitt said that, in raising the Littlefield and section quota, a solicitation will be carried out in the business and residential sections and in the rural area.

The other chairmen for the county are as follows:

- Bainer and Lum's Chapel—Roy and H. B. Hudson;
- Spade—R. C. Roberts;
- Fieldton—J. W. Buck;
- Hart Camp—W. T. Buck;
- Olton—C. E. Bley;
- Spring Lake—L. H. Dent;
- Earth—Marshall Kelly;
- Sudan—Simon D. Hay;
- Amherst—Rogers Willett;
- T. Wade Potter has been appointed quota chairman; Rev. C. Frank York is in charge of co-operation of the churches in raising the county's quota; W. D. T. Storey is chairman of donations by school children and Hardy Shelby is secretary-treasurer.

Churches Asked To Co-operate
Rev. Mr. York said that letters had been mailed to all ministers of the county, asking them to announce the campaign from their pulpits.

Each of the 17 participating agencies of the National War Fund was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board. (Continued on Back Page)

Cats Will Play Olton Mustangs

The Littlefield Wildcats football team will play the Olton Mustangs at Olton this Friday night.

The members of the Littlefield squad have been working out every day from 3 to 5 p. m., and are expected to provide the Olton boys with a real contest.

The local team played Levelland at Levelland Friday night and were defeated 33 to 7. At the end of the first quarter the score was Levelland 6, Littlefield 0; at the end of the half the score was Levelland 12, Littlefield 0; at the end of the third quarter the score was Levelland 26, Littlefield 0. In the last quarter Homer Peel received a pass from Buster Owens and made a touchdown. An extra point was made when Owens made a pass to Oscar Arn.

We'll All Be Flying

Everyone is talking about the post-war world, but one aircraft company is doing something about it. This company has made certain that its two big plants, its vast assortment of complex machine tools and its highly skilled personnel, will continue in operation after the war.

The company's optimism is backed by a concrete project. As soon as victory is won, this firm's manufacturing facilities and the skill of its trained personnel will be turned to the production of the Family Car of the Air. This will be an aircraft that the average person can buy and fly and use. These three specifications cover the field of what is necessary to make a plane capable of mass acceptance.

Perhaps the first important consideration is that it will be a plane the average person can fly. Actually anyone intellectually and temperamentally fitted to drive an automobile safely can learn to pilot even today's light planes. The Family Car of the Air will be so far advanced over present types of private aircraft that this company's officials feel no hesitation in stating that anyone who can learn to drive an automobile well can learn within a few hours to pilot the plane they have designed.

Forming Post-War Army

In temper with the far-sighted long-range planning of the world of tomorrow, the Army of the United States is now accepting volunteers in a "Post-War Army of Occupation." The men are drawn from soldiers now in service. They are then sent to school to learn military administration and are indoctrinated. Their term of service in the new army is for five years, and it begins after the war ends. America at least is bent on being certain that Hitlerism will be properly eradicated, that the seeds of a new war will not be sown as soon as the old one is finished, that the return of service men to civilian life will not rush us into mass unemployment and economic chaos. The idea for the Post-War Army originated here, with political not military leaders, at least that's the common impression. At the moment it is not conceived of as an Army to police the world. But, if necessary, it can help do that too!

Here's A Good Suggestion

Fascism A Failure

The egg-shell collapse of Italy has more than mere military value. Its greatest contribution to future world peace is the testimony which it provides of the inner inadequacy and bankruptcy of Fascism.

Fascism, it must never be forgotten, never was a constructive force which evolved from the inherent elements of the nation or people. It was imposed from above. Fascism in Italy was a reactionary movement meant to frustrate a people seeking more developed economic forms in place of the outworn and the obsolete.

Mussolini and his cohorts dubbed the ferment which gripped Italy after the first World War as "communism and syndicalism" but what Mussolini really gave to Italy was a form of up-side-down communism aided and abetted by a corny sensationalism which expressed itself in gaudy uniforms, parades and a pompous terminology.

Important lesson to be learned from the collapse of Fascism is that its forms, which are little more than phoney gang-war shibboleths dressed up in fancy words, have not the essential strength to stand up against pressure. Remove the modern trappings and stark naked old-time Despotism is displayed in all its doubtful glory. Mussolini may have made a few trains come in on time—little enough to give in return for bringing havoc upon a people—but there was no contribution to political science sturdy enough to outlast his own tenure in office.

The collapse of Fascism is still further good news in that it proves that Fascism's inroads upon the minds and hearts of the people is highly artificial and superficial. Acceptance of Fascism may have proved the Italian people gullible but it does not prove them to be slaves to the wiles of propaganda, though they were subjected to nineteen consecutive years of it. Italy will bear watching until the will to and the need for democracy become ingrained. But Italy's quick shedding of Fascism is evidence that under proper control she need not be a menace to the world.

Whether German Fascism, which is called Nazism, is of the same cloth as the Italian brand is doubtful. Unlike the Italians, but similar to the Japanese, the Germans suffer a national neurosis which, through the ages, has manifested itself in one form or another of aggression, pillage and conquest.

In the case of Germany, Fascism—which in other times it has dressed up as Pan-Germanism, Imperialism, and even Knighthoodism—must be bred out, slowly, surely, and ineffably.

these young men could learn a little Japanese, too; enough at least to give a sneaking Jap a 100 per cent good cussing.

Crippled Children's Hospitals In Need Of Canned Foods

Tim Wade Potter, Potentate's Aide of Khiva Temple A.A.O.N.M.S. for Lamb County, has just received letters from the Shriner's Hospital for Crippled Children in Shreveport, La., Saint Louis, Mo., and the Texas Scottish Rite Hospital for Crippled Children at Dallas.

They are all in need of canned fruits, vegetables, jellies, and jams. Everyone can have a part in this worthwhile humanitarian enterprise by bringing just one can, jar, or glass from their shelf at home, either home canned or store purchased, to Mr. Potter.

"Let us help and do our part in Lamb County and see that these poor unfortunate children have the things so essential to their health," said Mr. Potter.

This is the first picture received in this country of Gabrielle, the American actress, who has become the rage in Mexico, and that country's No. 1 entertainer.

Local Seed Go To War

One way that prompt marketing of local cottonseed helps the war is indicated by the above U. S. Army Signal Corps picture of a charge of gun cotton going into a 150 mm. gun. Need for cottonseed oil for gun cotton liners for munitions, and cottonseed meal, cake and hulls for livestock feeds should cause cotton growers, ginners and oil millers to make a special effort to move seed to processing plants promptly this year, says A. L. Ward, Educational Director, National Cottonseed Products Association.

"Oil mills are cooperating wholeheartedly with government war agencies," Ward said, "and their efforts can be greatly increased in effectiveness if farmers will see to it that the 1943 cottonseed is available for processing as soon as possible. On the other hand, any delay in marketing seed would directly hamper production of needed war materials."

Wounded In Action; In Army Hospital

Pvt. Walter J. Welborn of the U. S. Infantry, son of Mr. and Mrs. Walter Welborn, and brother of Mrs. Vernon Childress of this city, has been wounded in action in the South Pacific, and landed at Santa Barbara, Calif., Tuesday of last week, and is confined in the Huff Hospital at that city, according to a telegram received by his parents Saturday. This was the first communication received from Pvt. Welborn since September.

Pvt. Welborn also stated in the telegram that he expected to be confined in the hospital a month following which he would get a furlough home.

Welborn is reported as having served in the Solomon Island area. He has been in service 13 months, and overseas ten months.

It has been reported that 500 wounded soldiers and about 2000 others coming to the United States on furloughs have arrived at Santa Barbara recently.

PERSONALS

Dr. J. M. Cox, who has been seriously ill and confined in the Payne-Shotwell Hospital, is showing improvement.

Mr. and Mrs. Travis Jones and son, Dale, of Santa Fe, N. M., arrived Saturday to spend a few days with relatives here, including Mr. Jones' parents, Mr. and Mrs. F. R. Jones; Mr. and Mrs. Otto Jones; and Mr. and Mrs. Arthur Jones.

Connie Claud Gerlach of Leveland was a guest in the home of her aunt and uncle, Mr. and Mrs. Fred Gerlach, from Friday until Saturday night, when her parents, Mr. and Mrs. Ervin Gerlach, visited in the Gerlach home here and took their daughter home with them. Connie Claud came for her cousin's birthday party Saturday afternoon.

Viggo Peterson, Ben Porcher, of Littlefield, and Roy Stovall of Spur left this city Monday on a business trip to Denver, Colo. They were joined at Hereford by S. B. Walker, who also made the trip to Denver.

Mr. Porcher and Mr. Peterson are expected to return to Littlefield today.

Charlie Thompson, Jr., who has been at San Marcos about a month visiting his brother, Pvt. Young B. Thompson, of the Air Corps, arrived home Monday.

Cpl. Susie Houk of Roswell Airfield is expected to arrive home Saturday night on a three day pass. She will return to Roswell Tuesday. Cpl. Houk called her parents by phone Sunday and said she expected to make the trip and to bring a girl friend with whom she is working, with her.

TO PREPARE ENGINES FOR WINTER

Anti-freeze used last winter and saved for re-use this winter should be tested. In time anti-freeze loses its strength and its non-corrosive properties. Nearly all manufacturers of permanent types of anti-freeze have made up acid and rust inhibitors for restoring resistance of used anti-freeze. In adding new material, it is wise, the Office of Defense Transportation says, to use the same brand used in the first place. A free pamphlet entitled "Cooling System; Cleaning, Flushing, Rust Prevention, Anti-Freeze," that tells about the care of water-cooling systems in engines used in automobiles and farm equipment, will be sent to those who request it. SUFFERS BRUISES

Grace Clark, 14 year old daughter of Mr. and Mrs. Charlie Clark, suffered bruises on her right leg Friday about noon, when she was struck by an automobile and a companion, Wanda McWhorter, were crossing the street in front of the Sam Hutson residence. She was examined at the Payne-Shotwell Hospital, and X-Rays were taken but there were no broken bones.

SUFFERS FALL

Charlie Short, suction man at the Bigham Gin, had the misfortune to fall and hurt his chest Monday. He was in the act of getting a trailer of the suction feeder when he missed his footing. He was taken to the Payne-Shotwell Hospital, where it was reported he was only suffering from bruises.

E. Whaley and daughter, Virginia Beck, left Sunday for a trip to Dallas and other points.

Portales 4-H Club Girl To Represent State At Chicago

Miss Laverne Hayhurst, formerly of Littlefield, but now Home Demonstration Agent at Portales, N. M., took her 4-H Club Girls to the New Mexico State Fair, held Sunday, Monday, Tuesday, and Wednesday, September 26, 27, 28 and 29; and Miss Nannie Jean Rush of Arch won the 4-H Sweepstakes prize in the State Review Division. Miss Rush will, therefore, represent the State at the National 4-H Congress in Chicago in November. She is a member of the East Valley View 4-H Club of Portales.

Miss Jean won the Sweepstakes prize in the county exhibition that was held at Portales recently. For this she had the honor of representing Roosevelt county at the State Fair, where she competed against the other county representatives for the opportunity of going to the National Congress in Chicago.

She received her awards on a tailored suit which she made and modelled. The suit is a plaid wool of three shades of grey, and the judges said they had never seen plaid so perfectly matched before. With it she wore a red shirtwaist blouse, a red beanie and purse, and black spectator pumps and gloves. She will take this outfit to Chicago where she will compete for the national prize.

The East Valley View girls all went to Albuquerque with Miss Hayhurst. They were accompanied by Mrs. W. D. Pate, sponsor of the group.

Come on—

Let's Show Adolf
Where He Made

HIS BIGGEST MISTAKE

Maybe you didn't know it, Adolf, but you led with your chin when you and your sneak-thief pals, the Japs, started swinging at Uncle Sam.

You see, Adolf, this is a war of production. Behind our boys in the Armed Forces is another army, millions strong . . . and I mean strong. We call them Soldiers of Production.

And when it comes to turning out tanks, guns, planes and ships, Adolf, they just can't be beat. Why, America invented mass production—didn't you know? That's why already we're passing our goals.

And that's not all. We're not only building planes, tanks, ships and guns

to smash you once and for all—we're paying for them, too—by buying war bonds.

No one makes us do this, Adolf. We're doing it because we know that everything worth living for is at stake here. And we're doing it so that we'll have a nest-egg for the future, because Uncle Sam is going to hand us back (in ten years) \$25.00 for every \$18.75 we invest in war Bonds now. That's the American way—the voluntary way—but you wouldn't know about that. And—get this, Adolf—it isn't just a few of us who are buying bonds to swamp you and your pals with guns and planes and torpedoes. It's millions of us.

HOME ECOS. GIRLS SPONSOR JEWELRY DRIVE; FORTY POUNDS COLLECTED

The costume junk jewelry drive, underway in Lamb County, has been an outstanding success in Amherst, where a total of 40 pounds were collected, and sent to the County Fair, Mrs. W. D. T. Storey, chairman, Monday shipped the jewelry to the various cities and communities in the county to the San Francisco League for service to South Sea service men, who use the jewelry to pay the natives for various services, including digging fox holes, carrying the wounded from the battle fields, carrying ammunition from the jungles, etc. Mrs. C. R. Stevens was appointed chairman for the Amherst drive, but a special campaign was sponsored by the Home Economics Girls, who did an excellent job, and are to be commended.

During the drive they would go each room every morning, and with the jewelry brought by the children and teachers, and the class singing in the most were given a prize. Miss Dorothea Faye Blanton's eighth grade room won the prize for bringing in the most jewelry. All the school rooms responded to the drive wonderfully, and as a class the Home Economics Girls gave watermelon feast.

With Amherst Men In The Armed Forces

Mrs. R. L. Brown received a package last week from her brother, John M. Jones, HA 1-C. The package contained two rugs that he had made himself in his spare time. He is stationed on the Pacific somewhere.

He also sent his sister, Mrs. Brown, the following poem he composed:

SPRING BACK HOME

With quietness springtime comes,
And no one can name the day
When everything starts to blooming
And winter goes away.

Because the winter has been so long
With big drifts of snow,
But here is spring again
For eager hearts to know.

The old Earth will forever turn
And young boys will always roam
But for me its Springtime
With my loved ones back home.

Love,

John M. Jones.

Doyle Dean of the Naval Seabees, who has been located in Guadalcanal, is in Amherst on leave visiting his parents, Mr. and Mrs. Doc Dean.

Pvt. Ellis Stagner is visiting his parents, Mr. and Mrs. E. E. Stagner.

Elbert House, Jr., with the U. S. Navy, stationed at San Diego, Calif., has recently been sent to an electrician school for a period of 16 weeks' training. He has been in the Navy two months.

House is a graduate of the 1943 class of Amherst High School.

Cpl. Lloyd R. Smith, 22, with the Motor Division of the Coast Guard, who has been in the service since August 22, 1942, formerly of Amherst, has been overseas about a month.

Although his relatives do not know, they believe he is in Sicily.

Legion Auxiliary Plan To Stage Spaghetti Dinner

Members of the Amherst American Legion Auxiliary met Saturday, October 9, at the Legion Hall.

The agents in attendance were: Miss Leila Petty, Castro; Miss Dorothy Crossin, Cochran; Miss Helen Edwards, Assistant Agent of Lubbock County; Miss Grace Patterson, Bailey; Miss Fannie Brown Eolon, Hockley; Miss Mary L. Grimstaf, Gaines; Miss Mozelle Reon, Terry; Mrs. Lady Claire Jones, Yoakum; Mrs. Ruth Marshall, Crosby; and Mrs. Mona K. Hildreth of Lamb.

Amherst Schools Change Times Of Opening, Closing

The Amherst School Board have announced that when the school resumes following the closing for cotton picking, that the hours of opening and closing will be changed.

The schools will open at 10 a. m. and close at 4:45 p. m. This will help the children and parents greatly in the mornings, inasmuch as the children will have good daylight to meet buses in the dull mornings.

In a letter recently received he said it was awful awkward for him to drive on the left side of the street; that the nights were cool, and the days warm; that he enjoyed the boat ride across; and he wanted his brother-in-law to send him a knife; that he couldn't buy one where he was. Of course, the brother-in-law is trying to find a knife for the overseas man.

KEEP THEM LAYING—

A good hen deserves good feed, good housing and good care. If you expect your flock to lay eggs they must have access to things which eggs are made of. EVERLAY EGG MASH supplies these with Vitamins, minerals, Proteins and Fats which fed with your home grains and plenty of good clean water will fill the egg basket.

The EVERLAY WAY of feeding hens is very simple and well adapted to feeding in West Texas, as it is made at Lubbock especially to be fed with South Plains grains.

Camp Adair, Ore. Oct. 7.—First Sgt. Rufus R. Noble of Littlefield, Texas, was one of the 46 soldiers of the 274th Infantry of the 70th division at Camp Adair who were awarded with the Good Conduct Medal recently.

The Service Ribbon was established as a reward for those enlisted men who have completed one continuous year of active Federal Military service since Pearl Harbor, who have demonstrated fidelity through faithful and exact performance of duty, and whose behavior has been such as to deserve emulation.

Pfc. John Henry Chapman, 19, son of Mr. and Mrs. W. D. Chapman of Littlefield, who has been in the service about a year, and with the Marines, is believed to be stationed in New Caledonia Island. His parents hear from him quite regularly. Recently he wrote the enclosed letter, which will be of interest to his friends here:

"Somewhere in S. Pacific" "Oct. 3, 1943"
"Dear Mother,
"I will try to recollect myself long enough to write you a letter. I received a letter from you this morning with the pictures in it. I surely was glad to get the pictures and to see how all of you look after being away so long. You don't realize how much enjoyment we get out of just receiving pictures of your loved ones at home.—All the boys in the hut went crazy over the pictures of the Texas girls, and I didn't blame them.

"I received two papers today and read about them having Dr. Newton's trial. Too bad, 'but crime doesn't pay.' I received a letter from Ruth, and two from 'Babe' (Babe Hammons) this morning also.
"I had a big surprise last night as I was coming back from the field to camp. I stopped to pick up some marines and one happened to be Floyd Holberg. It was really nice to meet someone from home away over here who had played football with you and graduated with you. He is stationed close to me and he comes over at night and we tell each other anything we know about home. If you see his folks tell them where he is.
"Mother, I am sorry you had to

wait two weeks for a letter. I write you one every week but you know some always get lost. If maybe you miss one don't start worrying, because maybe I am nowhere I can mail or something.

"There is a Chinaman here who makes pictures and the first time I get off I am going to see him about getting some made to send you.

"How is everyone at home, and everything.
"Well, I must close now, but I'm looking forward to the day when we can all be together again. I sure do miss the milk route.

"Your Loving Son,
"JOHN HENRY.

"Here is a little poem one of the boys wrote for our camp paper.

A TROPICAL PARADISE
"Somewhere in the Pacific
Where the sun is like a curse
And each long day is followed
By another slightly worse
Where the coral dust blows thicker
Than the shifty desert sands
And the white man dreams and wishes
For the greener, fairer lands.

"Somewhere in the Pacific
Where a girl is never seen
Where the sky is never cloudy
And the grass is always green,
Where the rats nightly howlings
Robs a man of blessed sleep
Where there isn't any whiskey
And the beer is never cheap.

"Somewhere in the Pacific
Where the nights were made for love,
Where the moon is like a searchlight
And the Southern Cross above
Sparkles like a diamond
In a balmy tropic night,
It's a shameless waste of beauty
Where there's not a girl in sight.

"Somewhere in the Pacific
Where the mail is always late,
And a Christmas card in April
Is considered up to date,
Where we never have a pay day
And we never get a cent,
But we never miss the money
'Cause we'd never get it spent.

"Somewhere in the Pacific
Where the ants and lizards play,
And a hundred fresh mosquitoes
Replace each one you slay,
Oh take me back to Frisco,
Let me hear that Mission bell,
For this God-Forsaken out-post
Is a substitute for HELL!"

Mr. and Mrs. W. E. Heathman returned home Monday night from a week end trip to Chickasha, Okla., to visit their son, Charles, who has just completed his pre-flight training at San Antonio, and been transferred to Chickasha, where he is in primary training.

Mr. and Mrs. Heathman left here Saturday night, returning Monday night.

Sixty North Texas students are members of the Navy V-12 unit training at Southern Methodist University at Dallas, Lieutenant Oscar W. Gamel, commanding officer, has announced.

SMU is one of the selected colleges where apprentice seamen in the V-12 program are studying curricula designed to train future Navy and Marine Corps officers.

There are three major objectives of the program. First comes educa-

tion; second, a sound physical training program designed to fit the students for the rigorous demands of war; and third, military training. The latter is subordinated to the former.

Among the students is B. D. Garland, Jr., of Littlefield.

Clinton, Miss.—Apprentice Seaman John Lee Smith, USNR, son of Mr. and Mrs. Roy L. Smith of Bledsoe, Texas, is now stationed at the Naval

V-12 unit at Mississippi College here. A-S Smith is enrolled in the basic academic course. He attended Smyer High school and Texas Technological college.

Cpl. and Mrs. Edward Betts left Tuesday to return to Brigham, Utah, after spending about 10 days with Mrs. Betts' parents, Mr. and Mrs. Homer Hall.

Cpl. Betts is in the Medical Corps and stationed at Brigham. He was

on a 15 day furlough.

John Hanks, formerly of Sunnydale, who is stationed in Troop Carrier Command (Glider Division) of the Air Forces, and has been in service nine months, has recently been promoted from Sergeant to Staff Sergeant.

S-Sgt. Hanks is stationed at Goddard Army Airfield, Mo. He was home on a furlough the latter part of August.

Sure, I'll take a Texan's Share

Your County War Fund is another "Victory weapon."

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$4,885,781.00 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a Texan's share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front. Remember, President Roosevelt has said that a share in the National War Fund is a share in winning the war. Use this "Victory weapon." Give to your County War Fund.

KICA Personality Girls will be presented on the Palace Theatre stage Friday night. Sue K. and Betty with Melva at the piano will appear in person for the many listeners of their programs—presenting a reproduction of a radio program with the entire program to be put on just exactly as they do it in the studios in Clovis every Sunday afternoon on the Littlefield program. In addition to their splendid song and piano numbers there is another feature they can't do on the radio and that's a bevy of dance numbers with all three girls doing their best. Grady Maples is master of ceremonies; the program promises to be the tops in entertainment.

OLTON MUSTANGS WIN AGAINST LOCKNEY TEAM

Coach Louis Hair's Mustangs turned back Lockney 13 to 7 last Friday night, October 3, in a very close game. Co-Capt. Franks accounted for both Mustang touchdowns, the first on a 5-yard line plunge in the first quarter, and the second on a nice 45-yard run over tackle. Arthur Hedges made the extra point after the first touchdown but failed on the second. Lockney made their touchdown from the 3-yard line after a 30-yard pass was completed to set it up. The kick for extra point was good.

Complete Checks Go To War Bonds

Jarold Jones, son of Mr. and Mrs. Otto Jones, who is taking a V-12 Officers Training Course at the Southwestern Institute, Lafayette, La., and who was confined in an Army hospital for a week suffering infection in one of his feet, has fully recovered, and is back at his studies and training.

Jarold carries on his usual college work, such as English, history and physics, along with his naval training.

Buying war bonds comes "first" with Jarold Jones. Each month his complete check is sent home with the instructions to "buy bonds with it." Of course, his parents return him a small amount for his incidentals, but in-as-much as Jarold does not smoke cigarettes, his needs are small according to his parents.

With South Plains Men In The Armed Forces

Mrs. Jack L. Gardner of 4 1/2 miles north of Littlefield returned Thursday from spending a week with her husband, Jack L. Gardner, FC 3-C, of the Navy, at New York City.

Gardner is in convoy duty; has been in service 1 1/2 years, and in overseas duty over a year. He is a grandson of L. C. Gregg.

Mrs. John Royal of Hollis, Okla., spent last week with her son and daughter-in-law, Mr. and Mrs. A. A. Royal, at Sudan. She left for her home Friday.

100 OCTANE GASOLINE
Adds 5th engine to every 4-engine bomber

ROUND-THE-CLOCK AIR RAIDS over Germany and South Pacific... Every time you read this headline in your newspaper, remember that United Nations war planes are vastly improved war weapons because their tanks are filled with 100 octane gasoline from the United States.
To say that this super-fuel is equivalent to a fifth engine in every four-engine bomber is actually understating the facts! Compared with German aviation fuel of 87 octane, it improves performance more than 25 per cent.
Long peacetime research for new and better things from petroleum gases, as well as from petroleum, prepared Phillips for an important role in wartime production. Phillips Petroleum Company was among the first to take 100 octane gasoline... as well as butadiene for synthetic rubber... out of the laboratory and into mass production.
Twenty-four hours a day, our best efforts are devoted to the production of these and other synthetic chemicals which will bring closer that great day when once again you can say "Fill 'er up"... and the service man will crank into your tank a new and improved Phillips gasoline.
Until then, every time you see the Phillips 66 Shield, let it remind you that Phillips refineries in addition to producing gasolines, lubricants, fuel oils, are also gigantic chemical plants pouring out weapons for victory.

With South Plains Men In The Armed Forces

John Doyle Dean, Second Class Machinist Mate, with the Navy, who has been in the Guadalcanal area for about a year, arrived home Friday. He has spent sometime in New Caledonia Island. He went by plane from Guadalcanal to New Caledonia, and from there by boat to San Francisco. He was met in Amarillo Friday by his parents, Mr. and Mrs. Dock Dean, Mrs. Otis Baker, and Miss Syble Byers.

His parents live near Amherst.

He has been in the Service about 15 months, and overseas as a Seabee a year.

He returned to the United States to enter officers Training School, and reports back to San Diego on October 20th.

Mr. and Mrs. W. L. White of two miles south of Amherst have two sons in the Service.

Sgt. Walter A. White, who was in the Service three years on Wednesday of this week, is with the Marines. He enlisted on October 13, 1940, and left for Iceland in June, 1941, where he remained for nine months, and then returned to the United States on March 30, 1942. He spent Easter Sunday that year and a few days following at home on leave. He was assigned to Camp Elliott, Calif., where he remained until last fall, when he was sent into foreign service. He is now believed by his parents to be in New Guinea. At one time he was thought to be in South Africa. In a recent letter he advised his parents he was O.K.

Cpl. Harold Pollard, 22, son of Mr. and Mrs. L. E. Pollard of Star Route, Enochs, Texas, has been in the service a year last August. He is connected with the Anti-Aircraft Coast Artillery, as a Battery Clerk. His parents received a letter October 1, dated September 21, stating he had arrived in England.

Cpl. Pollard obtained most of his training at Camp Stewart, Ga., but he spent a couple of months at Camp Forrest, Nashville, Tenn. He was home in June on a four days' furlough, and left for New York about September 1.

Letters from Cpl. Pollard to his parents at Enochs, contained the following:

"How are you getting along by now? I am fine. I got your cards yesterday. Sure was glad to hear from you again. I guess you were surprised to learn I was overseas, but you can still rest assured that I am safe and all is O.K.

"As the English say, 'I say Ole Chap,' have you had much cool weather yet? It's about time for a few cold snaps I reckon. Yesterday a lot of mail came in, but I only received a letter and two cards. I don't know whether you have been writing or not. Just because you hadn't heard from me was no reason to not write. I have written about as often as possible. I have an idea maybe they are still on the road, and I'll receive them in a day or two."

In another letter, Cpl. Pollard said:

"How is everything back at home by now? Everything is OK here. I am somewhere in England. Please do not worry about me. I am safe and everything is well. I sure did get sea sick on the trip across. I said at one time that if I ever got across I would stay, but of course that was an exaggeration, for I had rather be at home than at any other place anytime.

"I guess it is fall back there now isn't it? Write and let me know how things are going. I am very much interested in happenings back home. You can send me the Lamb County Leader and stuff to read. Also you can send candy if it not too unhandy. We have got all our money changed to English money. I have just about learned to count it now. It also is very funny to see the automobiles driving on the wrong side of the road.

"I guess you have been getting my allotment money haven't you? I have now made out an eighteen dollar and seventy-five cent bond, which you will probably start getting before long. That will still leave me plenty of money to spend if I happen to want to spend it, as you know we get twenty per cent more for overseas pay which will come in handy.

"We had a ball game this afternoon, playing headquarters battery, and losing 9-5. By the way, I don't believe that I have told you to write the mail you want to reach me quick as possible V-Mail as that is the best way to send it. That probably is the reason that I have not heard from you since leaving. Air mail also would be OK I guess, but I don't know whether it would be as good as V-Mail or not. Well, that's all I'll have time to write. Will try to write most everyday from now on.

"As Ever,
"HAROLD."

When a Jap aerial torpedo caught a troop transport, in mid-August, Lieut. (jg) Rupert A. Triplett, 25, son of Mrs. J. W. Triplett of Meadow, happened not to be aboard. He had been ordered ashore, somewhere in the Pacific, but was putting back to the vessel. He was in charge of the rescue boat that fished the ship's captain out of the water, relatives said they had learned. Lt. Triplett has been in several campaigns, including the original landing in Northwest Africa. He has been in the Navy two years. "Now is the first time in two years I have had any semblance of regular hours," he wrote. His last station was New Caledonia. Another son of

he was trying for submarine

training. A piece of bone had broken
off under the knee cap. He was
offered a discharge, but refused as
he wanted to do his bit.

In a letter received by his mother
recently Auburn told her there
were 30 Marines who were burned
in a recent forest fire being treated
in the next ward to him.

Mrs. George Hull and son, David,
of Lubbock, were guests in the
home of Mr. and Mrs. Dennis Jones
the past week end. They are making
their home in Lubbock in the
absence of Mr. Hull who is in the
Navy, and a Seabee, stationed at
Hawaii.

Hull was formerly employed in
Soil Conservation work here, but
the family left here between three
and four years ago. He has been
overseas about a year, and is re-
ported as getting along fine.

Mr. and Mrs. J. L. Hicks and
daughter of Spring Lake spent a
recent week end in the home of
Mr. and Mrs. E. B. Luce.

Pfc. Pryor Hammons, who is with
a Paratroop regiment of the Ma-

ines, has been in New Caledonia
Island, but is believed moved. When
his parents, Mr. and Mrs. Pryor
Hammons, heard from him about
three weeks ago, he was O.K.

Another son of Mr. and Mrs.
Pryor Hammons is Robert W.
(Babe) Hammons, also of the Ma-
rines, who is attending aerial gun-
nery school. He finishes his course
this week, following which he is ex-
pected to take operational training
as a radio gunner.

Sgt. Allen C. Kendrick, son of
Mr. and Mrs. J. C. Kendricks, of
the Signal Corps in the U. S. Army,
has been in service a year, and
overseas about six months. He had
taken radio two years, and was em-
ployed by an electric company a
year, previous to enlisting.

Sgt. Kendrick had been in New
Guinea sometime, but his parents
believe he is now moved from there.
In his last letter written September
16 and received October 2, he said
he was O.K., that it was so hot
where he was that he had his head
shaved. Kendricks has been with a
Hukil boy from Fieldion ever since
he has been over there, and speaks
of him all the time in his letters.

Among the men of the Roswell
Army Air Field, Roswell, N. M.,
who was recently authorized to wear
the silver wings of an Air crew
member is Sgt. H. W. Bradley, hav-
ing qualified as an aerial engineer.
He is the son of Mrs. H. W. Brad-
ley, Littlefield. Before joining the
Army October 2, 1939, he worked
in a drug store in Littlefield.

J. D. Wynn, 20, Petty Officer in
the Coast Guard, who has been sta-
tioned at Long Beach, Calif., was
recently transferred to Duluth, Minn.

Wynn, on his first furlough, ar-
rived in Littlefield Friday afternoon
to visit his sister, and brother-in-
law, Mr. and Mrs. Phil Adkins. Mrs.
Wynn arrived Thursday to visit in
the Adkins home, and also to spend
sometime with her parents, Mr. and
Mrs. George Neely. She was the
former Miss Ola Belle Neely.

Wynn is the son of Mr. and Mrs.
J. L. Wynn, formerly of this area,
but now of Long Beach, Calif. He is
also a brother of Mrs. Phil Adkins.

Mr. and Mrs. R. L. Drake of
Spring Lake received a letter about
ten days ago from their son, Sgt.
Waldo Drake, saying he was in a
hospital. Wednesday of last week
another letter arrived in which he
said he was O.K. now, but didn't
know how long he would have to
stay in the hospital. He said they
had a show there "the night before."
It wasn't very good, but they en-
joyed it." He said also that he had
received the Lamb County Leader,
and how much he enjoyed it. In a
former letter Sgt. Drake had men-
tioned he was in North Africa.

Aviation Cadet Walter L. Dyer,
of Littlefield, Texas, has arrived at
Frederick Army Air Field, Okla.,
where he will receive his final phase
of training as a bomber pilot. Upon
successful completion of the nine-
week course at this newest advanced
school of the Central Flying
Training Command, Cadet Dyer will
be awarded his silver wings and
commission as second lieutenant or
flight officer.

He will then be ready to take
transition into actual bombers, and
tactical training in preparation to
joining the victory parade of U. S.
aircraft over Axis lands.

Seaman First Class Thomas Rol-
lins has visited his parents, Mr. and
Mrs. T. J. Rollins, the past week.
He is stationed with the 11th Naval
District Headquarters at San Diego
since his completion of boot camp

July 5th. He was a Junior student
of Texas Tech before entering the
Navy May 5.

Lieut. and Mrs. M. O. Dunnagin
left Monday morning after spend-
ing eight days with his parents, Mr.
and Mrs. A. M. Dunnagin.

Lieut. Dunnagin has been station-
ed at Brooksville Field, Fla., but
has been transferred to Salt Lake
City, Utah. Mrs. Dunnagin, who has
been with her husband in Florida,
will go with him to Salt Lake City.

Lieut. Dunnagin has been at the
Brooksville Field since July.

Roy Byers, Jr., First Class Sea-
man, and son of Mr. and Mrs. R.
L. Byers of Littlefield, will leave
Saturday for Camp Parks, Calif.,
where he will await assignment.

Seaman Byers, who has been sta-
tioned in the Aleutians, has been
home since September 21 on a 30
day leave. He has spent over a year
overseas, and has seen service in
the Kodiack Island, Alaska, and
Dutch Harbor.

D. H. Allen, Jr., son of Mr. and
Mrs. D. H. Allen of Spade, who has
been a Seabee in the Navy since
August, 1942, and overseas since
November 1, last, is stationed in
the Aleutians. His parents received
a letter from him Monday. He says
he has good food to eat, likes his
work fine; that he has long hours,
but easy work, and a good boss, but
it isn't like being home. He also
says he gets the Leader regularly,
and "sure enjoys it."

Allen is a Second Class Petty Of-
ficer.

Ralph Nelson, who has been sta-
tioned at Kingman Army Air Field,

at Kingman, Ariz., was graduated
last week as an aerial gunner in-
structor, and promoted to Sergeant.
Mrs. Nelson is the former Miss
Elizabeth Luce. She has been visit-
ing her parents, Mr. and Mrs. E. B.
Luce, here, and left Thursday to
join her husband. He expects to
continue at the Kingman Field as
an instructor, and he and Mrs. Nel-
son will live at Kingman.

Sylvester Brock, 19, son of Mr.
and Mrs. C. A. Brock, of Whithar-
ral, who has been in the U. S.
Navy since March 23 of this year,
is stationed at San Diego, as a First
Class Cook. He is also taking train-
ing as a Baker, and will complete
this course October 25. He likes his
work fine.

Randall Jackson, son of Mrs. Joe
Bailey of Meadow, Texas, in Service
since December, 1941, and a Seabee
in the Navy, has been overseas
since March, 1943. He is stationed
"somewhere in Hawaii," and says
it is the prettiest country he has
ever seen. He says he has gained
considerable weight, and now weighs
61 pounds more than when he left
this country.

He is a son-in-law of Mr. and
Mrs. C. A. Brock of Whitharal.

Stanley R. White, 21, mechanic
in the Air Corps, stationed at Mat-
ther Field, near Sacramento, Calif.,
volunteered in March, 1941; was
stationed at Randolph Field, San An-
tonio, until August, 1941, when he
was transferred to Mather Field,
where he has been since. He was
home on a 15 day furlough last
July. He says he likes his work fine.

Thirty-One Counties In Area Get Quotas

At least 31 of the 45 counties in Lubbock-Amarillo region of the Dallas federal reserve district have exceeded their quotas in the Third War Loan drive.

This information was announced Saturday by George E. Benson of Lubbock, region co-chairman of the Treasury's war finance committee, as having been received from C. M. Smith of Plainview, region manager.

The records for counties in Lubbock territory, as of Oct. 2, follow:

COUNTY	QUOTA	SALES
Bailey	\$ 309,500	\$ 253,190
Briscoe	211,900	154,015
Castro	146,800	169,857
Cochran	189,200	211,481
Cottle-King	439,100	192,790
Crosby	573,100	444,555
Dawson	1,135,000	531,891
Dickens-Kent	410,500	420,056
Floyd	383,400	418,664
Gaines	164,900	221,426
Garza	362,300	379,235
Hale	1,191,100	1,385,664
Hockley	522,400	376,500
Lamb	999,400	1,015,350
Lubbock	4,618,900	5,894,903
Lynn	966,500	715,081
Motley	253,800	266,374
Parmer	316,500	324,223
Swisher	344,000	353,249
Terry	672,100	483,783
Yoakum	45,200	68,093

The compilations were through Saturday, October 2, the latest available, and showed that total sales in Lubbock County were \$5,894,903.25. This exceeded the quota of \$4,618,900 by \$1,276,003.25, or slightly more than 27 per cent.

The record revealed that Lubbock was ahead of its quota by a larger amount than any of the 45 counties in the region; and that its excess was the second largest in percentage.

The largest percentage belonged to Yoakum county, which had the smallest quota, \$45,200, in the region. Sales there through October 2 totaled \$68,093 and exceeded the quota by 52 per cent.

In the Lubbock territory, at least 14 of the 23 counties were over their quotas on October 2.

These counties were, in addition to Lubbock, Castro, Cochran, Dickens, Kent, Floyd, Gaines, Garza, Hale, Lamb, Motley, Parmer, Terry and Yoakum.

Counties which had failed to reach their quotas on that date were Bailey, Briscoe, Cottle-King, Crosby, Dawson, Hockley, Lynn and Terry.

Drives in Dickens and Kent and in Cottle and King counties have been combined.

It is strongly possible, Benson said, that some of the counties still short of their quotas on October 2 have passed them since then. He expressed the belief that almost every county, if not every county, in the entire region will exceed its quota before the campaign ends.

The quota of \$30,471,800 for the region was shown in the October 2 report to have been exceeded. Sales to that time totaled \$30,878,625.50. The region's excess over quota is sure to be increased substantially when final reports are made, Benson predicted.

Largest quota of any county in the region was assigned to Potter, of which Amarillo is the county seat, with \$6,632,600. Sales there through October 2 were \$6,980,600.

The Lubbock county quota was the second largest in the region.

Number Residents Change Locations

A number of residences have changed hands recently.

Sheriff Sam Hutson sold his residence in the west part of town, the former P. W. Walker home, to Elton Hauk, who plans to occupy it in the near future.

Mr. Hutson, in turn purchased the residence across the street from the old RC Laundry building, belonging to Jess Elms and Clyde Hibun, which is occupied by the Rice and Henry families. After this has been redecorated Mr. and Mrs. Hutson will move there.

Elton Hauk has been living in a duplex on Phelps Avenue.

Mr. and Mrs. Oscar Wilemon have purchased the Hoover home in the Duggan Addition, recently occupied by Mr. and Mrs. Newt Harkey, and have moved to their newly-acquired home.

Mr. and Mrs. Harkey have moved to Mrs. Ulyss Dalmont property, a brick residence in the north part of town, and Mrs. Fleida Dobbs and two sons are moving to the duplex vacated by Mr. and Mrs. Wilemon.

Much Interest Shown In Nursing Course

Much interest is being shown in the Red Cross Nursing course being given in the Valleyview Community House Tuesdays and Fridays. The lesson Tuesday of last week was relative to different kinds of diseases, and how to prevent them. The instructor, Mrs. Bushhead, was assisted by Mrs. Kemp, Hockley County Nurse.

The lesson Friday was on "How to Determine Diseases." A good attendance at each session is reported.

Olton Wins Victory Over Muleshoe

Touchdown runs of 49 and 60 yards by Franks, quarterback, gave Coach Laus Hair's Olton High School Mustangs a 13-0 victory over the Muleshoe Yellowjackets in the opening conference game for both teams at Olton Friday night. Both runs were made from scrimmage.

NELLIE JO COLLINS INJURED IN FALL THROUGH BARN LOFT

Nellie Jo Collins, 11, daughter of Mr. and Mrs. Joe Collins of Valleyview Community suffered serious injuries in a fall through the loft of the barn at the Collins home recently.

Nellie Jo was trying to catch pigeons, and fell through the loft of the barn to the floor beneath, and remained unconscious for about an hour afterwards. She was alone at the time of the accident and was discovered a while later by her young sister, "Bill."

The child was rushed to the Littlefield Hospital where it required several stitches to close a deep gash in her neck. After treatment she was taken to her home, where she is believed to be getting along alright.

Nellie Jo takes considerable interest in Club work, and has turned in more goals in 4-H Club Work than any other girl in her first year's work in the County.

She had been pulling cotton when she got hurt, and had been pulling

It's Never Too Hot for... VEEDOL MOTOR OIL

Your Motor's Best Defense Against HEAT and WEAR

Thousands of fiery explosions every minute make your car engine mighty hot... but not too hot for VEEDOL. This oil is made from the world's toughest, most heat-and-wear-resistant crude — 100% Bradford-Pennsylvania. Its famous "film of protection" cools the hot, moving parts of your engine; cushions them against excessive wear. Proper lubrication is the first essential of wartime car conservation. Let us service your car regularly with genuine VEEDOL.
