

THE SKAT

OFFICIAL
LHS NEWSPAPER

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, MAY 24, 1962

FINAL EDITION

Celebrity Shows Out

In the past we have had the better known celebrities on our campus. Yogi Berra, Duke, and others. Due to this being our last issue of the Skat, we happily offer this space to a few of his impressions of the campus.

Keith, I'm overly happy and you're impressions of better than average mind. We noticed in the past the likeness of most of the on this campus to Rock. They act as if he were here and they are planning to model their life after this. This is particularly noticeable when the boys refuse to date with the girls on this campus and vice-versa. Since I'm single and refuse to date girls we guess that is true. H. S. seniors also.

It's remarkable that the seniors also, have not tried to do this situation since all are trying to look like famous personalities of Liz Taylor, Jackie Kennedy, Charles Laughton, I'm sure which one of these celebrities is the most appealing. Jackie Kennedy fans are to be leading, so proudest vigil!

Jackie, I understand that Jack has made it hard for the journalism fraternity's fair story on his admiration, and at the last conference, he refused to give L.F.J., because he has bought an Ivy League suit to Bobby's yet.

Must be returning to Jelly now, so, as Snagglepuss say, "Exit, hastily, Stage

First Spring Training For Basketball

The Wildcat Basketball team held spring drills with an squad game last Friday. The entire squad was divided into two teams. Coach Green said all the boys showed improvement from the season.

This was the first time Littlefield has ever held spring training for basketball. He hoped all improve the team for the year's season.

Seniors Are Invited To Breakfast

Parents will entertain a party and midnight Mass at the Community Center following graduation exercises Monday night. Seniors and their dates are invited to attend.

A blinding streak of lightning, followed by a sharp thunderpeal, was a sinner to pause and

Business explains more faith than ignorance but the situation is catastrophic.

The week may inherit the but, in the meantime, nobody has got to keep it going.

This is the time of the year the graduates solve the world's problems; they deserve commendation for trying, any-

Senior English Themes Over Broad Categories

Approximately 1488 pieces of work, at least 310 books, magazines and other references, countless number of notes, along with weeks of handwriting and worrying, a touch of determination and "engagement" for Mrs. Lynn resulted in 62 Senior English research themes covering every subject from termites to

The themes turned in on May 17, can be classified in six main categories - Medicine, World War II, Religion, and States, subjects of local interest and miscellaneous

Early treatments and cures were explained in the theme on Medicine, and even Dr. are could increase his medicine on Cancer, Mental Illness, Rheumatic Fever, and

Themes on battles of World

BIG JUMP -- These seniors are taking the big jump and that doesn't mean toward graduation, but toward the ground. Shown above in the act of jumping off of LHS are just a few of the seniors that will be taking final test to see if they graduate. These seem doubtful. From left to right are Jim Nelson, Janey Blackmon, Pat Roberts, Boots Barker, and James Stanford. The ones that have already jumped are Lena Naylor and Keith King.

Seniors Reveal Future Plans As School Closes

SHARON HECKARD - After I finish school I want to become an Airline Hostess this summer. I plan on vacationing in California then working. I think L. H. S. is a wonderful school and I'm glad I went here. The event I enjoyed most was the F. H. A. convention to Dallas.

J. E. BROWN -- I plan to go to the wheat harvest and travel, and this fall I plan to go to Tarleton State College. Littlefield high school is one of the best in the state, and I have many memorable experiences.

BOOTS BARKER - I am going to farm this summer and go to Red River once or twice this summer. I am going to enter West Texas State College next fall. The FFA trip to Fort Worth and Sr. day was the most exciting thing of the year.

DON ALLISON -- I plan to work at Farm Equipment Co. this summer. I plan to enter Texas Tech next fall. My ambition is to be a lawyer. The most exciting thing that

happened to me in school this year was the F. F. A. trip to Fort Worth.

HERBERT KING - I plan to farm this summer. My ambition is to be a cotton classifier, F. F. A. trip to Fort Worth was the most exciting thing that happened to me this year.

RANDY AMMONS -- I don't really know what I am going to do this summer. My ambition is to be photographer or lab technician. I enjoyed every day of my Senior year, especially Senior Day.

BILL BLACKWELL -- I will work this summer. I'll go to Tech next fall. The highlight of High School is my entire Senior year.

THAD MINYARD - I plan to farm this summer and also go to Red River once or twice. I am going to Texas Tech next fall. The most exciting thing in school this year to me was F. F. A. trip to Fort Worth and Sr. Day.

OTHANA DUTTON - This summer I plan to keep house. In the future I plan to have a

family and keep house. My ambition is to be a good housewife and mother. The best impressions of LHS are fellow students, teachers, and Mr. Pirkey and all the good times I have had in LHS.

PATSY ROBERTS -- This summer I plan to earn some money to go to college, and in the future, I plan to attend South Plains Junior college, and then transfer to West Texas State. I am planning to major in Secretarial Science. My impression of LHS is very favorable, and I have enjoyed my four years. The highlights of my four years were playing in the band and on the volleyball teams. I have also had fun on the band trips and all the parties and banquets.

MELVA LYNN ROSS -- This summer I plan to work and get ready for college, at Texas Tech next fall. My ambition is to do the best I can in college and in whatever lies ahead. These four years in LHS have been the happiest I have ever spent. I think it a privilege to have attended LHS.

Many things have taken place the past four years, which I consider highlights, but the greatest highlight will take place May 28.

CHRISTI SMITH - This summer I plan to go to Pittsburg, Pa. for a month, and then go to Sweetwater, Texas for a week. I also plan to get things ready for college.

In the near future I plan to go to college and major in either Secretarial Administration or Elementary Administration or maybe a little bit of both.

To me Littlefield has been a wonderful place from my freshman year, through my senior year. I think the thing that has really made me proudest of LHS in addition to our music and sports department, has been the determination of the senior class to put on the senior play and make a go of it.

BILL ROPER - My plans for the summer is to farm and drive a truck. Later in the summer I plan to go to Red River for a vacation. My future plans are to go to North Texas State next fall. The highlights of L. H. S. was the F. F. A. trips to Fort Worth.

DWIGHT ALLEN - I plan to work this summer at Nixon

Oliver Co. I am not sure about my plans for next fall I think LHS is great, the teachers are O. K. and I hope I graduate. My ambition is to get married, farm and be happy and get my hitch in the service over with. The most exciting thing that happened to me this year was when I was voted "Smile King."

ANN CUNNINGHAM -- After graduation, I plan to work this summer and also this fall. I think L. H. S. is a very good high school and I'm proud to say I attended L. H. S.

The highlights of my high school days was my trip to Galveston as a D. E. delegate my junior year, and my trip to Austin as a delegate my senior year.

JERRY CONNELL - I am going to work hard this summer. I am going to school this fall. I have a good impression of high school. The teachers try their best to help you. The spirit could be improved but all in all I have enjoyed my high school years. My highlights of high school include the Sr. Play, Jr. Play and Speech Play. I entered Poetry reading contest, and the greatest was being in a fine organization such as the Wildcat Band of Littlefield High School.

WILMA JO BLANKENSHIP - I plan to work at the ASC office this summer. I am still a little unsettled about this fall. I have enjoyed my few years in Littlefield High School. The biggest highlight of high school will be May 28 - graduation. Of course, there were many little memories I shall always cherish.

WYNONA GROTE -- I plan to go to college to study to be a teacher after I finish high school. This summer I plan to swim, and help at home. I plan to attend Texas - Lutheran College, Seguin, Texas. I like Littlefield High School. I like the floating periods and think some of the teachers are very nice. I think the thing I like most in High School was going to the State Library Convention.

BOBBY GRONWALL - After I finish school I plan to attend A & M College this summer, and I plan to work. I think Littlefield High School is

the best school in this area. I have really enjoyed being a senior.

KAY DOLLE - I plan to attend school this summer at Ft. Worth as far as my future is concerned I want to smile and be happy. My greatest memory will be my fellow students.

WELDON FINDLEY -- This summer I plan to work and this fall attend Texas Tech, perhaps my greatest memory will be that of being Valedictorian.

JOHN FOLEY - I plan to attend school at Ft. Worth this summer, as for my future, get to the moon first! My last memory will be Scags, Scags and more Scags.

DIANE DUNAGIN - This summer I plan to work and then get married in the future. My memory will be Mr. Pirkey and the teachers.

GLEN HARVEY - This summer starting July 14th, I will be attending summer school at Wayland Baptist College in Plainview where I will be going next fall.

Right after graduation up to the 10th of July I will be on a long camping trip.

For the next five years I

will be working toward a degree in Business Administration.

My outstanding event in High School happened this year, when I participated in the choir show by playing Bartender in the Cowboy scene.

Littlefield High School has been very dear to me these past five years, it is to me, my proudest and most exciting moments of my life. This school has offered an exciting and difficult challenge which I am very proud to say, I have faced and overcome this challenge. The moral standards of this school of the students, and of the teachers are very high.

TWILA PICKRELL -- Twila's plan for this summer is to work at Ray Keeling Buick Company. She is going to college at either Texas Women's University or at West Texas State next fall. The teachers and the fine standard of education are the things that impress her most about LHS. Her pet peeve is "People who will not understand the feelings of others." Her greatest ambition is to make others happy

(See SENIORS on Page 2)

Seniors Have "Long" Trip To Lubbock

Tired, sunburned, and wind-blown, our senior class arrived back at L. H. S. about 3:40 p.m. Friday after their trip to Lubbock.

The group left Friday morning and arrived at Lubbock about 9:45. Half of them went to the Mackenzie Park Swimming Pool and the others went ice skating. At noon both groups met at Underwood's and enjoyed a delicious barbecue dinner. At 1 they left for Twin Lakes to play Miniature golf. About 2:30 every one piled into the "yellow" dragons" to return home.

Sponsors for the trip were: Miss Minton, Mrs. Lewis, Mr. Lyman and Mr. Gilstrap.

FTA Installs New Officers

The Future Teachers of America held their annual breakfast at Thornton's Cafeteria, Wednesday, May 16. The theme "Looking Ahead," was carried out in table decoration by use of a crystal ball surrounded by red roses with mystic vapor floating upward from the base of the ball.

The Rev. Longshore spoke on several aspects of meeting the future, such as determination, anticipation, etc.. After his speech the sponsors, Mrs. A. D. Ward and Mrs. Kenneth Houk, were presented with sponsor pins. As a finale, newly elected officers were installed.

The officers for 1962 - 63 are: Marilyn Richey - president, Donice Reast - vice-president, Joyce Green - secretary, Bonnie Richey - treasurer, Bob Badger - reporter, Pam Manley - historian and Watzell Kennedy - parliamentarian.

Independence is the search for truth and courage, in stating the facts will do much to keep a democracy operation.

Teena does Buzz think you look good in pink?

Well, Carol it won't be long now.

Is there anything left in Lubbock, Ruth, Kaye, Othanna, Carol, Linda, Linda?

"Smoke Gets In Your Eyes" seems to be the problem of Sr. girls.

Twila did you really think it was an air raid?

Congratulations, Majorettes! Frank, you really arrived high style at Annette's house.

Jimmy maybe it would be a good idea if you told your friends about your engagement!

Carol whose name have you been looking up in the telephone directory?

Speaking of names, Linda Kay, what Jerry are you thinking about??

Twila, how is the old heart? Shows, pizza, ranches and water just don't mix!!!

Buddy, what are you doing with a charm bracelet and head scarves?

SPEECH CLASS PLAY -- "No Television Tonight" was the title of one of two plays given by the speech class last week. Pictured above from left to right are Kathy Steed, Joyce Zybura, Paula Fields, John Foley and Vernon Timian.

SENIORS

(Continued from Page 1)
and to be useful. She admires Mrs. Lynn most because of her wonderful job of teaching, and "also her energy to finish this school year even though she wasn't feeling well."
JIM NELSON - Jim's plan for the summer is to work although he doesn't know where. He plans to attend Texas Tech next fall, and hopes to be a lawyer or a politician twenty years from now.

As for his impressions of LHS, Jim says, "I am unfavorably impressed by the 'I don't care attitude of the Senior class and by the attitude of some of the faculty that some members of the class can do no wrong while others can do no right. A person should be judged by what he says and does, rather than by a one-sided picture of what another does."
Jim's pet peeve is people, including teachers, who form their opinions and act upon it before hearing both sides of a story. His greatest ambition is to be the only beach bum to be elected President of the United States. He most admires Kim Novack (whenever he gets a chance).

LENA NAYLOR -- Lena plans to get married this summer and attend West Texas State next fall. Her plans for twenty years from now are to be teaching Math in some school and have two children. Her impression of LHS is that it has very friendly, mostly well-rounded people attending it. Some highlights of her four years in high school are her experiences in Student Council, band, and choir, and in getting All Wildcat Girl and Homecoming Queen. Her exciting experiences included a trip to Dallas with the band when she was a sophomore. Her pet peeve is people who act immature at times when seriousness is called for. And her personal motto is "Try to do the best you can in everything you do." Her greatest ambition is to be a good wife and someday a good teacher. Mrs. Lynn is the person she most admires.

EVA MAE DAVIS - I intend to keep books for my father this summer while relaxing and enjoying life.
At present I plan to attend Waylone Baptist College in Plainview. I hope to get a Ph.D. in foreign languages with a major in Russian.

I would like to have a government job at an embassy.
I like LHS very much. I have thoroughly enjoyed the 4 years that I have spent here.

ROBERT REAMS - I plan to work for two months this summer, then in August I plan to go to the World's Fair in Seattle, Washington.

I had planned to go to college this summer, but now I am considering going to California from Seattle and starting a course in art there this fall.

Some day I would like to be rich but I really just want to be happy. I would someday like to get married and have a family.

I think LHS is a wonderful school. The teachers will go out of their way to help a person if he will help himself. The students were a great bunch of kids and I hate to leave them.

SHIRLEY HOLLIS - I plan to get married this summer and next fall I will be getting the hang of being an army wife. I may enroll in some college. I am looking forward to doing some traveling while "in the army."
My ambition is to go to Hawaii.

While in LHS I have been impressed by the lack of school-community cooperation. However I feel we have an excellent English department.

SHIRLEY MINOR -- I plan to work this summer, and to make preparations for college. I plan to attend college at Texas Women's University.

I have enjoyed going to LHS and I will always have a warm spot in my heart for LHS. There are many little things that have happened to me that I will always cherish.

DONNA MASSEY - My summer plans are to work and take time off to enjoy the summer and be glad to be out of school. In the fall I plan to start to beauty school at Lubbock, and maybe in the future go to college.

I have enjoyed my four years in high school more than I can possibly say. It has been an experience that I will never forget and I am sure it will help me in my future life.

It has been a pleasure to associate with the teachers. I have met some outstanding personalities. There will never be anything to take the place of these four years.

JUDY LIGHTSEY - Judy likes the teachers and seems to think they are friendly. She thinks it to be harder than most schools and is glad of it. Judy will work this summer, and learn to play tennis. She will attend college at West Texas State this fall.

JOYCE THOMPSON -- Her impression of LHS is "There are some things I don't like about Littlefield but the good points outnumber the bad. Even though I'll be glad to leave,

I'll surely miss the school and the people here. I think LHS is the greatest. Joyce can't choose any particular part of school as being the most exciting, except for her Senior year as a whole. She plans to go to Ridgecrest, North Carolina, in June. After that she will stay at home and get ready for college at North Texas University in Denton, unless, of course she changes her mind again.

ROY TERRY - He thinks LHS is a fine high school and has enjoyed going to school here very much. He says LHS has a lot of good qualities, but it also has some faults. One part of high school is not any more exciting than another. This summer he plans to con-

tinue working at the Coca-Cola to pay for his car and to save all his money for "certain reasons." This fall he plans to go to California and from there to the World's Fair in Washington. He plans on traveling until they find a place where they want to "put down roots."

GARY SQUIRES -- Gary thinks there could be some improvements on the teacher's part. His Senior year was the most exciting part of school for him. This summer he plans to work and in the fall go to college.

DAVID JONES - This summer I plan to work with my dad on our farm. Toward the end of the summer I plan to get married.

Next fall I'm going to Tech and study engineering.

The thing I liked best about LHS is my association with the students and teachers especially in band. I enjoyed high school very much. The highlight of my high school life was the band and choir contests.

LINDA JENNINGS - I plan to work this summer and save my money. Toward the latter part of the summer I plan to get married.

The thing I liked best about LHS was the trip to Dallas to the State FHA Convention. I will always remember the friends I have made in my four years in high school and hope that they will remember the Class of '62.

PHILLIP HUGHES -- I plan

to attend South Plains College next September, and major in architectural designing. I have a farming job this summer to work 340 acres. This money will be used for my education. I will live at Spade until college starts next fall.

BARBARA JENKINS - My present plans are to graduate. This summer I plan to work at Lubbock. For the future, I want to live the best life I can and try to do something for everyone around me.

I think LHS is a very wonderful school and I have enjoyed going here. It needs improvements, what doesn't. Highlights are Jr.-Sr., Banquet and working in Sr. play.

PATRICIA LOCKER -- Patricia is going to Ridgecrest,

N. Carol. for two weeks and will then visit California for a week. She will attend Texas Tech this fall. Patricia said, "I have really enjoyed my four years in LHS and I personally believe that if there is a high school that can beat LHS it would have to be very outstanding." She said she would have many memories from LHS especially her work in the student council.

CASSIE ERVIN -- This summer I plan to work during the first part of the summer and during the later part I plan to take a vacation before going to college. I have not fully decided where to attend college. I am considering Draughon's Business College for an executive secretarial course.

My ambition is to obtain a career in the business field. I have enjoyed attending LHS. To me it is a great privilege to be a graduate from such a swell school.

MARGARET ESQUIVEL - During my last 4 years of high school this year has been the best and most exciting of all. Since the beginning of my Senior year I have looked forward to graduation, and now that it is here I am very happy to have reached this goal and be a graduate of Littlefield High School.

My future plans are to become an operator trainee and continue building up my training from there hoping some day to become a good housewife. My impression of L. H. S. is one which I must give -- for

it is a great and wonderful school. Even though I don't seem hard, I'm sure there will be no regrets later.

MIKE STEFFEY -- Mike thinks the school is pretty good but he's glad to be getting out because he doesn't seem to think too much of some of the teachers. He also seems to think graduating to be the most exciting part of high school. This summer Mike will work until fall when he will attend Texas Tech.

REBECCA VILLA -- During my last 4 years of high school I looked forward most to football games and trips. Most of all to be a senior. I finally accomplished it. My future plans are to

Planting Dates Are Major Farm Decision

One of the major decisions a farmer makes every year is the date to plant his crops. Research by Delbert Langford, Association Agronomist at the High Plains Research Foundation, on the date of planting grain sorghum, suggests that certain dates are more favorable than others. The test included four different planting dates: (1) April 20th; (2) May 15th; (3) June 1st, and (4) June 25th. At each date of planting two varieties of an

early maturing, medium maturing and late maturing grain sorghum were planted. The report prepared by Langford indicates that the average time from planting to bloom was 24 days longer for the April planting than for the June 25th planting. From this standpoint the early planting was less favorable because more water was required to grow the crop to maturity. The April planting required 18.5 inches of water where as the June 25th planting required only 11.3 inches

Sandhills Philosopher

Philosopher Explains How Candidates Spend More For Office Than Office Pays

Editor's note: The Sandhills Philosopher on his Johnson grass farm, explains the financial end of politics this week, how accurately, we can't say.
Dear editor:
I was talking with a neighbor of mine the other day and he said there was a problem puzzling him.

He said he's been reading some figures on how much candidates spend in a big campaign and what he wanted to know was, how can a man afford to spend four or five times as much running for an office as the office pays?
"You take when a man runs for some big office, Governor or Senator, say, why some times

he'll spend more getting elected than the office will pay in fifteen or twenty terms, and nobody has ever held on that long. This doesn't make sense to me," he said.
Now I'll admit it doesn't seem to make sense, to spend more getting a job than the job pays out on the other hand farmers do it all the time. Frequently, farming is like running a post office. It's a public service to make a profit at it.
But the difference between a farmer spending more on a crop than he makes and a politician spending more on an office than it pays, is that for some strange reason most successful politicians wind up in better financial shape than farmers. Some of them wind up in better shape

as a counselor for this special group that goes to Philmont to receive training to take to their units back home.
There will be approximately 300 College Age men on the staff of this 127,000 acre ranch where Scouts age 14 to 18 come. While in Littlefield Gayle was assistant scoutmaster for Troop 641 sponsored by the Littlefield Lions Club.
Larson, Edward Mitchell,

plain their knack for spending more to get a job than the job pays, by emphasizing that their friend put up the money, without, they always say, anything attached.
I don't know about this. But if there aren't any strings attached they sure get hold of plenty of it from some place, to string us along with.
Yours faithfully,
J. A.

of water. Langford stated that the height of plant and its standability is important. The hybrids in this test planted in April averaged 12 inches shorter in height than the same hybrids planted June 25th. The May 15th and June 1st plantings produced the best yields last year. There was no advantage in the April planting with respect to early harvest. Little difference was noticed in the moisture content of the grain from the April and May planting which were harvested on the same date. Additional information can be obtained in High Plains Research Foundation report No. 29. The date of planting test will be conducted again in 1962.

Reams Leaves Friday For Scout Ranch

Gayle Reams, Route 1 Littlefield, will leave Friday for Philmont Scout Ranch where he will spend 13 weeks working on the staff. This will be his fifth summer as a staff member. The first two summers were spent as a Ranger. The next summer Gayle was Assistant - Director of Carson-Maxwell Base Camp. The following summer he was Camp Director of Rayado trail Camp. This summer he will serve as a Junior Leader training Scoutmaster. He will be serving

Four Attend Watershed Meet Tuesday

Four County SCS officials attended a meeting Tuesday night in Plainview involving the Runningwater Draw watershed project. The meeting was the first which has offered to explain to the public the feasibility of the project, according to Paul Larson, SCS work unit supervisor for Lamb County. Larson, Edward Mitchell,

chairman of the Soil Conservation District, Bill Kimbrough and Bill McDonnell attended the meeting. Speakers at the meeting in Estacado Junior High School included Leland Barnes, hydrologist with the State Soil Conservation Service; J. M. (Bud) Norton, engineer for the state Soil Conservation Board; and Roland Willis, area conservationist for the Soil Conservation Service. The Runningwater Draw watershed project would coordinate a soil and water conservation program from Plainview to New Mexico in addition to preventing flooding conditions along its course.

Rural Life Announced By Local Church

The Rev. John W. G. Hill, pastor of the First Presbyterian Church announced a special service to be held May 27 at the morning hour of worship, in observance of Rural Life Sunday.

"Rural Life Sunday, the fifth after Easter which has its roots in Rogation Days, is a day set apart for emphasizing the meaning of Christianity for rural life; for the invocation of God's blessings upon the seed the fruits of the soil, and the cultivators of the earth; for the consideration of justice for agriculture and the spiritual values of rural life. It was first observed in 1929, at the suggestion of the International Association of Agricultural Missions, and according to plans adopted by the Home Missions Council and the Federal Council of the Churches of Christ in America, and by religious bodies."

AT SUDAN
Visiting Sunday in the home of Mr. and Mrs. W. G. DeLoach was their daughter and family, Mr. and Mrs. Arlis Coward of Lubbock. Also visiting during the evening in the DeLoach home were Mr. and Mrs. W. O. Parrish.

(Continued from Page 2)

married, if not to go to college and major in business. To me Littlefield High School has been one of my favorite schools. Even though it is harder but I learned a lot. Students and teachers have been very helpful and friendly when you need them most.

GLORIA MARTINEZ -- My trip to San Angelo is an event which I will never forget. I will also remember the volleyball tournaments, especially the one at Levelland.

My future plans after graduation are to have at least 2 years of helpful training in some field.

My ambition in life is to help my parents. I also want to be a good housewife and mother when I do marry.

My impression of L. H. S. is one that I can not express very well in words because it is one that is unforgettable as it will be to all my fellow classmates.

ISABEL ALEMAN - During my last 4 years of high school I looked forward to my trip to San Angelo with the D. E. Class. My future plans after graduation are to go to Merriman's Business College in Lubbock.

My ambition in life is to remain single and be a successful career girl. If and when I do get married in 3 or 4 more years I hope to be a good housewife and mother.

I am glad to have attended such a great and wonderful school. However, I don't want to go into detail and name some of the improvements it needs -- the school along with the teachers and the students.

JANEY BLACKMAN - I plan to go to Ridgecrest, North Carolina, for two weeks in June. The rest of the summer will be just enjoying it.

This fall I plan to attend Texas Tech. I want to be happy in whatever I choose in life.

I consider it a privilege to be able to graduate from a high school such as Littlefield.

The highlight of my school years will be on May 28th when I receive my diploma.

KEITH KING - This summer I plan to work in one of our local apothecary shops and save up money to attend Abilene Christian College where I hope to major in Afghanistan basket-weaving or pre-law. In the years after I get out of college, I want to write a best selling novel, direct an academy award winning picture, travel Europe and the Pacific in a PT boat and become governor of the state of Rhode Island because I have an inferiority complex.

I am impressed by the "group" tendencies of the students of L. H. S. and the seeming battle against individualism. I do enjoy the bright and happy atmosphere of most of the students.

JEAN BURROWS - This summer I plan to take a short vacation and then start working. This fall I am planning to continue working plus having plenty of recreation. I think Lfd. High School has a very good student body and some great teachers. My highlights of my four years in high school are the senior trip, the choral department, and all the activities I had throughout all four years of attending Lfd. High School.

CAROL BLACK - It gives me a feeling of sadness and happiness at the same time, as I look back over the school years. At times, I got depressed, but in reviewing the past I wouldn't trade one minute for anything. I have enjoyed knowing and meeting new students and teachers, and getting better acquainted with everyone else.

My plans for the future are to get married and live happily ever after.

There have been many highlights of my high school years. In fact, every day held something new. The most important day still is yet to come -- graduation!

TEENA SMITH -- She plans to attend Draughon's in July and finish sometime around March. Teena says she has enjoyed going to LHS and is proud to be able to say she graduated from this high school.

SHEILA MARTIN -- Sheila's impression of LHS is the enjoyment it because of the people associated with it, but she will be glad to leave. She especially wants to remember all the wonderful friends she has known. This summer will be full for her. She will go to the first semester of summer school at Tech and in later July she will go to Alberta, Canada with her family. Fall plans are to attend Abilene Christian College.

SYLVIA TRIMMER GOLDSTON - Sylvia's plans are to be a good housewife and home manager. Her senior high light was getting married.

"I like LHS very much but there will always be room for improvement."

Her favorite color is black - food, salads, class - homemaking, hobby - sewing.

JOYCE ZYBURA - To work for a couple of years and to attend Jessie Lee's Hair Design Institute at Lubbock are Joyce's future plans. She says she will make plans to settle down later.

When asked of her impression (See SENIORS on Page 5)

Chamber Office
 Gene Garrison
 attitude being expressed
 currently by many of our
 members is very encourag-
 ing.
 A new attitude is being
 expressed on the part of some
 members of long standing.
 Renewed interest and
 participation had to come if any
 while accomplishments
 come to pass.
 Must realize that in com-
 munity development, good
 doesn't just happen -- peo-
 ple make it happen. Further
 must be acutely aware
 of lack of participation will
 bring success, regardless
 of interest.
 It appears to be a
 growing awareness of the need
 to be actively involved on
 part of many of our mem-
 bers.
 In many cases there is a new
 attitude in committee activity,
 just sitting and ap-
 proving. There is more partici-
 pation in discussion -- more
 people are coming up with
 ideas. This indicates a change
 from a negative to a positive
 attitude. This change could be
 the key to Littlefield's future
 success. Certainly, a posi-
 tive attitude is the basic in-
 gredient of success.
 A large number of our 27 new
 members have attended inform-
 ation meetings at the Chamber
 office. Also, several members

of long standing, who have not
 been active in committee work
 have attended these meetings to
 familiarize themselves with
 what is going on. If this atti-
 tude sustains itself and grows it
 could be the best thing that could
 happen in Littlefield.
 The Chamber provides the
 organization where we can work
 together to accomplish worth-
 while objectives no one of us
 could do alone.
 These things won't just hap-
 pen, they depend exclusively on
 the interest and participation of
 the members.
 Proper interest and partici-
 pation has been slow in coming.
 It is a long way from being the
 order of the day now, it is ex-
 tremely encouraging to see
 the signs of the times pointing
 in that direction.

**Davidson Is
 Named To Post
 With TSCRA**

Leo Weider of Victoria, pre-
 sident of the Texas and South-
 western Cattle Raisers As-
 sociation, has announced that
 Jim Davidson of Sudan will
 serve on the Association's
 cattle feeders committee dur-
 ing the coming year.
 Discussions on a number of
 important factors related to
 the cattle business are sched-
 uled at the upcoming quar-
 terly TSCRA director's meeting
 in Waco, June 22-23, according
 to Joe Fletcher, TSCRA secre-
 tary-general manager.

LOCAL PROCLAMATION FOR HIGHWAY WEEK
 Whereas, one of the best-known and well-regarded qua-
 lities of the State of Texas is its soundly built and care-
 fully maintained highway system; and
 Whereas, as a consistent program of highway construction
 of more than 25 per cent in the fatality rate on all
 Federal and State highways in Texas; but
 Whereas, heavy increase in traffic endanger these ad-
 vances in highway safety, since the state's population has
 increased by one-fourth since 1950, the state now has more
 than five million registered motor vehicles, and the miles
 traveled by these vehicles now totals 43 billion miles a
 year; and
 Whereas, due to this flood of traffic some 22,000 miles
 of the state's 25,000 mile system of U. S. and State - num-
 bered highways are already obsolete for the loads of traffic
 they carry;
 Therefore, Be It Resolved, as the Nation at large observes
 National Highway Week during the period May 20-26, 1962,
 that the Texas Highway Department be commended for its ach-
 ievements in building today's fine highway system in the face of
 mounting traffic problems; and
 Be it further resolved that the citizens of Texas be urged
 to view with concern the adverse economic effects and
 the cost in human lives that will result if highway traffic over-
 whelms the capacity of our roads, and to support a sustained
 program of highway improvement and to keep Texas growing.
 Therefore, I E. J. Foust, Mayor, do hereby designate the pe-
 riod May 20-26, 1962, as HIGHWAY WEEK and urge that special
 attention be directed to the needs of our highway system.

The TSCRA is the largest
 cattleman's organization of its
 kind in the world. It was es-
 tablished in 1877 by cattlemen
 who pledged to work together
 for the good and common in-
 terests of all stock raisers.

AT SUDAN

Mrs. Noel Lumpkin visited
 during the weekend with her
 grandmother, Mrs. H. W. Suits
 in O'Donnell.
 Roy Day who had been con-
 fined to a hospital in Muleshoe
 has returned home.

SENIORS

(Continued from Page 4)
 sion of LHS she replied, "I
 feel as though some changes
 need to be made, but it is im-
 proving each year, I have en-
 joyed attending LHS.
 She seemed to enjoy every day
 this year but her favorite times
 were the weekends.
 Her favorite color is pink,
 she loves all food, and her top
 class is P. E. Joyce's hobbies
 are drawing house plans, sew-
 ing, and cooking.

BOBBY WILLIAMS - Becom-
 ing wealthy is his plan. Before
 he does this he plans to at-
 tend West Texas State Col-
 lege.

His opinion of LHS is that it
 had everything desired.

JERRY YOUNG - Jerry's fu-
 ture plans are to farm. His most

The trek of the statesmen of
 the world to Washington can be
 explained by one word, "cash."

lasting impression was the Ag
 trips. His favorite color is red,
 class, Latin, Hobby - cars.

CONNIE DINGES - Together
 Mrs. degree in June and be a
 good wife are her future plans.
 Her impression of LHS is
 it is a very fine school and I
 am proud to graduate from
 here.

Taking part in the senior
 play was her senior highlight.
 Her motto is "What Will Be
 Will Be."

Her favorite class is short-
 hand, color is blue, food is
 steak, hobby is reading.
 She admires her mother more
 than any other person.

BUDDY PRICE -- Buddy
 plans to work this summer and
 attend West Texas State this
 fall and study to be either a
 coach or an agriculture in-
 structor. He likes the friendly
 atmosphere around LHS. High-
 lights of his high school car-
 eer included all the ban-
 quets and the Damas football

game. His most exciting experi-
 ence was the FFA State con-
 test. People who pretend they
 are something they aren't, is
 his pet peeve. For a personal
 motto Buddy uses "Win a few
 and lose a few". He most ad-
 mires people who think for
 themselves.

TERESA NIX - Teresa plans
 to work at the Crescent Park
 Swimming Pool this summer
 and attend Texas Tech this
 fall. She was most impressed
 with the way new students are
 accepted in a short time at
 LHS. Her highlights included
 the band and national honor
 society and her most exciting

experience was receiving the
 national honor society scholar-
 ship. Her pet peeve are peo-
 ple who won't try. Her great-
 est ambition is to graduate
 from Tech and receive a degree
 in medical technology.

RUTH NICKELSON -- Ruth
 plans to work this summer and
 go to Tech this fall. She was
 most impressed with the crazy
 kids at LHS. Her pet peeve
 is people who do not try to get
 along with others and narrow-
 minded people. Her per-
 sonal motto is "If you are nice
 to people they will be nice to
 you." Her ambition is to live
 a good, happy life.

SKINS LIVE SNAKE -- An unidentified peace officer is shown skinning a live rattle snake. The picture was taken by a Press photographer who attended a snake hunt recently. The hunt was sponsored by the Texas Department of Public Safety. The peace officer caught the snake, which measured over eight feet and then skinned the reptile alive. (Staff Photo)

Smith Will Campaign Aggressively

State Senator Preston Smith of Lubbock, Democratic runoff candidate for Lieutenant Governor, said today he will campaign "personally and aggressively" in every section of Texas during the next three weeks. Senator Smith ran first in 103 counties in the First Primary, more than any other candidate.

"I will continue to stress the same points I stressed in the First Primary," the candidate said.

These points included: simplification of the sales tax; correction of the auto insurance merit plan; providing better schools; correction of inequities in the legal rights of Texas women; a vigorous soil and water conservation program; proper small loan regulation; an adequate welfare program; and the assurance of economical government operation.

Attaway Rites Set

Littlefield (Special)—Funeral services will be held at 3 p.m. today for Mrs. Rosa L. Attaway, 83, who died Thursday in a Littlefield rest home. The Rev. G. W. Fine, a Baptist minister will officiate at Hammons Chapel.

Burial will be in Littlefield Cemetery.

Mrs. Attaway had lived in Littlefield for 12 years.

Survivors are two sisters, Mrs. Janey B. Green, Bula, and Mrs. C. A. Aldrich, Littlefield; and three brothers, Pink, Temple, Pete, Waterloo, Iowa, and Lige, Wichita Falls.

Funeral bearers were Ralph Attaway, Vaughn Attaway, Alton Green, Earl Breen, Martin Edwards, and B. C. Sevier.

How to pay for a Cadillac—and not get one!

There are several ways that a man can pay the price of a new Cadillac car—and find himself in possession of an automobile of far less stature.

Because there are many motorists currently considering the purchase of their next car, we would like to enumerate these ways of going astray.

1. Assume that the purchase price of a new Cadillac car is higher than it actually is. (There are eleven models of other makes that this year cost more than the lowest-priced Cadillac model.)
2. Fail to appreciate that the basic price of a new Cadillac includes many important things that are extra on other cars. (Including automatic transmission, power steering and power braking.)
3. Neglect to find out from a Cadillac dealer what your present car is worth in trade. (He is especially anxious this spring to welcome new owners.)

And if you take one of these detours, think of all the unique pleasures you could be missing.

There is Cadillac's styling—so majestic that it attracts attention wherever it goes.

There is Cadillac's comfort—so wonderful that every journey becomes a brief vacation.

And there is Cadillac's performance—so great that it is without rival on the world's highways.

So we suggest that you play it safe—and get all the facts from your dealer soon.

You might be closer to a Cadillac than you think.

SUDAN NEWS by Evelyn Scott

WCS Holds Installation Service Monday

Mrs. E. C. Minyard was installed as president of the WCS at installation services held Monday morning.

Rev. Frank Weir was installing officer when those assuming duties lighted colored candles from a large white candle.

To serve with Mrs. Minyard are vice president, Mrs. Tray Gaston; recording secretary, Mrs. Frank Lane, treasurer, Mrs. Weldon Shaffer. Named secretaries were Childrens Work, Mrs. Joe BurtMarkham; Christian Social Relations, Mrs. Jay House; Literature and Publications, Mrs. Bruce Newman; Promotions, Mrs. A. A. Pinkerton; Spiritual Life, Mrs. Doyle Terrell; Student Work, Mrs. Frank Weir, Youth Work, Mrs. Matt Nix, Jr..

Following the installation a Pledge Service was conducted with Mrs. Weldon Shaffer in charge. Mrs. Matt Nix, Jr. gave scripture reading.

Refreshments were served with Mrs. Bruce Newman, outgoing president, presiding at the coffee service.

Present for the meeting were Mrs. Newman, Minyard, Shaffer, Markham, House, Radny Nichols, Nix, Tray Gaston, Joe Salem, L. R. Burcke, W. V. Terry, J. S. Smith, Terrell, Rev. and Mrs. Weir, and a guest Mrs. Ruth Jones of Amarillo.

Mrs. Joe Salem and Mrs. W. V. Terry visited Monday afternoon with D. C. Lumpkin and other hospital patients in Muleshoe.

Mrs. Ruth Jones of Amarillo visited this week in the home of her daughter and family, Rev. and Mrs. Frank Weir.

Mr. and Mrs. Jack Van Ness visited Sunday with relatives in Odessa.

Mr. and Mrs. C. W. Rosson spent Mothers Day with a number of their children in Hereford.

Luncheon guests Sunday in the home of Mr. and Mrs. Don Dykes were their parents, Mr. and Mrs. Hubert Dykes, and Mr. and Mrs. Howard Horne of Littlefield.

Mrs. Susie Lynch, Max and Sue were guests Sunday in the home of Mr. and Mrs. Don Hevern in Amherst. Other visitors in the Hevern home were Mr. and Mrs. Bob Lynch and baby of Lubbock, Charlie Lynch and Kay Woody, Lubbock.

Mrs. W. H. Lyle and Mrs. C. E. Dean of Lubbock were Oklahoma visitors during the weekend and were in Wichita Falls Sunday where they met Mrs. Lewis Aten of Lawton for a visit.

Mr. and Mrs. Aclie Daniell visited Sunday with his mother Mrs. L. L. Daniell, and with Mr. and Mrs. John O'Neal in Lubbock.

Mrs. Mary Bowman and Miss

Bertha Vereen were Lubbock visitors Sunday.

V. T. Gooch was able to return to his home Friday. He was a surgical patient at the Odessa Hospital last week.

Visiting Sunday in the home of Dr. and Mrs. Nelson Nichols, Lubbock was his mother, Mrs. J. S. Smith, and Mr. and Mrs. Eldon Nichols, Mr. and Mrs. Charles Nichols.

Mr. and Mrs. Raymond Arnold have returned to their home in Combs after visiting a number of days with her mother Mrs. L. F. Cole.

Mr. and Mrs. Eddie Scott Lovington were here during the weekend to visit her parents, the W. T. Vereens, and get their children who had been visiting here. Accompanying them here were Travis, Bob and Carla Crouch.

Mrs. George Harley and her sons of Midland have been visiting in the home of her parents, Mr. and Mrs. Hugh Vance. The group was in Roscoe Sunday to visit in the home of Mr. and Mrs. Bob Downs.

Mrs. Tom O'Brien and grandson, Tommy of Fort Worth are visiting in the home of his sister, Mrs. C. M. Furman.

AMHERST NEWS by Mrs. Lester LaGrange

Lottie Moon Circle Meets Monday At Local Church

The Lottie Moon Circle of the Baptist WMU met at the church Monday afternoon for Bible study. Mrs. Mary Camp led the discussion from the book, "Women of Destiny in the Old Testament." Ten members attended.

Among those attending funeral services in Midland for Dale Wheeler Thursday morning were Mr. and Mrs. C. V. Harmon, Mr. and Mrs. Bill Weaver, Mr. and Mrs. Ivan Dale Weaver, Mr. and Mrs. W. T. Weaver, Mr. and Mrs. Alvin Messamore, Harvie Messamore, Mr. and Mrs. Leroy Maxfield, Mr. and Mrs. Prentice Holland, Mr. and Mrs. Jeff Brantley, Mr. and Mrs. David Harmon, Mrs. Harvey Patterson, Mr. and Mrs. George Harmon, Mr. and Mrs. Vernon Stagner, Mr. and Mrs. Jack Durham, Mrs. Sam Harmon, Jomeryl and Bennie Harmon, and Rev. E. R. McGregor.

Mr. and Mrs. Sterle Harmon had been with their daughter, Mrs. Dale Wheeler since the tragic accident May 12 near Lamesa. She had recovered sufficiently from the accident to attend the services.

Mrs. Sandra Wheeler who was confined to a hospital.

Guest of her sister, Mrs. Oby Blanchard, this week was Mrs. Edna Arnold, Shallowater.

Recent guests in the home of her sister, Mrs. J. M. Clayton were Mr. and Mrs. E. T. Carothers of Terrell. While here their grandson, Ronnie Parkerson of Terrell, who attends Texas Tech, came for a visit also.

Mother's Day guests in the J. M. Clayton home were their sons, Wendell and Rex, Earth, John, Littlefield, and families, and Bob and family.

Mrs. Audilee Green of Jacksonville, Tex. is visiting her sister and husband, Mr. and Mrs. Ben Fisher. After her visit here she plans to visit her son in Calgary, Alberta, Canada.

Mrs. Eva Attaway has been a patient in the local hospital several days.

Mrs. Blanche Howard, Henryetta, Okla., is the guest of her daughter, Mrs. Bill Bradley and family.

Mrs. Mutt Hufstедler and daughter Mrs. Norma Phillips were in Lamesa Monday to visit

AT AMHERST

Mrs. Effie Tapley celebrated her eighty fifth birthday Tuesday. She continues to improve from a recent illness.

220 WEST DELANO LITTLEFIELD, TEXAS

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

Big news from the State Capitol is that the state finally got out of the red.

Jesse James announced the good news. Deficit had existed since September 25, 1958, was wiped out by income from annual income taxes and corporation franchise taxes, plus revenue from new sales tax.

At 1 p.m. May 18, there was a cash balance in the state's main checking account -- general revenue fund -- of \$3,106.

There will be back in the red from time to time, because everything gets squared up. However, about a year ago now a steady surplus had been on hand.

BUSINESSMEN LOSE MILLIONS -- Texas businessmen are throwing away more than \$100,000 a year, according to Comptroller Robert S. Calvert. This is because they're making advantage of the present plan under the new sales tax.

Small and big businesses usually pay their bills in 10 days to earn a two percent discount. Calvert can't understand why they waste \$10,000 a year by failing to take this same discount from their bills.

Under the sales tax law's payment plan, a business can increase his allowable discount from one to three percent. He can do so by rendering the tax for each quarter by the middle of the quarter to be paid. In other words, he can pay the tax in advance on his estimate.

Payment was conceived by the legislature, Calvert said, as an incentive, with some connection to the business that is needed to collect and report the tax. But to date prepayment has been the most neglected item of the sales tax law.

TEXTBOOK LISTS WILL BE PUBLIC -- When the House Textbook Investigating Committee was holding open hearings on books recommended by the State Textbook Commission of the Board of Education, one of the most frequent complaints registered by those who protested selections was that they couldn't get copies of the texts in time to study the content.

The newly appointed textbook committee for 1962 has set up a system for adoption that will give every possible protestant as much time as possible over this year's offerings as the committee itself had before July 1, publishers must file a statement listing all books offered by title, subject, copyright and authors. A compilation of this information will then be forwarded to all school districts, as well as interested parents and individuals who request the list from the Texas Education Agency.

Textbook publishers also have been instructed to make all considered texts available for purchase by the public from their various depositories.

Final date to file intent to protest any book offered for adoption will be August 1.

OUTSTANDING YOUTHS TO BE REWARDED -- If you'd like to nominate a youngster for a distinguished service award, or for bravery, write to Governor Price Daniel. He is seeking recommendations for Young American Medals for Bravery and Service awards for 1961. He asks that nominations of boys and girls under age 19, who have performed acts of extraordinary courage or achieved outstanding records of service, be submitted to him by August 15.

Act of bravery or record of achievement just have been performed during 1961. Two medals may be awarded for each category by the Young American Medals Committee of the U. S. Department of Justice, after final approval by Attorney General Robert Kennedy.

Governor Daniel will forward his recommendations to the Justice Department after he receives nominations which include facts about each youngster's achievement with supporting statements by witnesses; authenticated evidence of the time and place of the candidate's birth; a biographical sketch and photograph.

RAMPS ALONGSIDE HIGHWAYS -- Fishermen and other boat owners soon will be cheering lustily for the State Highway Department.

D. C. Greer, department head, has just announced that 40 boat launching ramps soon will be built from surplus funds in the Highway Department.

State boat registration law provides that any income remaining after the enforcement of the boat registration act shall be spent building public launching ramps for boats. High department has handled registrations and the funds since enactment of the law two years ago.

"Additional ramps will be built as money becomes available," Greer stated. "These will be located according to need accessibility to highways, and availability of private launching facilities."

R. W. Townsley, director of the Motor Vehicle Division, reported that as of November 30, 1961, licenses had been issued for 173,300 Texas motorboats.

"We still hope for some remedial legislation to strengthen the water - safety, boat-registration act," said Townsley.

After representatives of major oil companies gave gloomy testimony as to the demand for Texas oil, State Railroad Commission ordered another eight day allowable for June. The 22 day shutdown

means a slight production increase over May on an average calendar day basis.

Governor Daniel named Daniel Boone of Abilene, and C. Herbert Cowell of Houston to the State Board of Architectural Examiners.

Miss Mildred Blair of Cisco was reappointed to the Texas State Board of Tuberculosis Nurse Examiners and C. D. McKnight of San Antonio to the State Board of Barber Examiners.

AT FIELDTON Mr. and Mrs. Vernon Quails visited Sunday at the Amherst hospital with his mother who was a patient at the South Plains Hospital, with a broken arm.

They also visited at Springlake, with her brother and wife, Mr. and Mrs. L. H. Pickrell and a niece and husband, Mr. and Mrs. Gerald James.

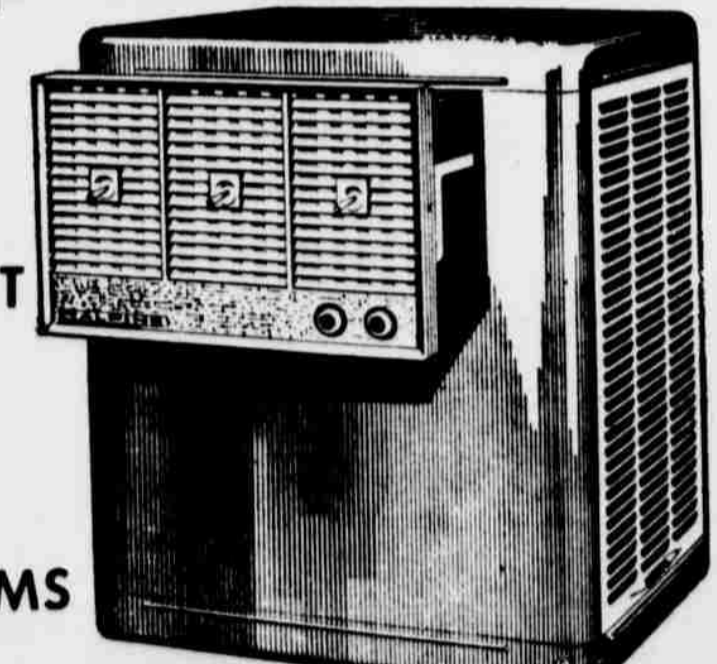

Mr. and Mrs. J. K. Elliott, Littlefield, spent Saturday here with his brother and family, Mr. and Mrs. J. E. Elliott and Paul.

CONNALLY SPEAKS TO LITTLEFIELD AND AREA FOLK . . . Governor candidate John Connally is pictured as he spoke to a crowd of 300 in Littlefield Tuesday morning. At right is local attorney Jerry Kirby, who was head of the welcoming committee. To Connally's right are Loyd White, Maud Massengale and one of Connally's press personnel.

WILLIAM E. STREET

Former Principal Writes Book On Engineering

A new book that presents an integrated approach to Engineering drawing and descriptive geometry has been authored by William E. Street of Texas A & M College and Carl Lars Swensen of Austin. Titled "Engineering Graphics" it is the result of some seven years of work by Dr. Street who is professor and head of the Texas A & M Engineering Graphics Department; and Swensen, a consulting engineer in Austin.

A native of Dickens, Texas, A & M professor earned bachelor and master degrees at Texas Tech and holds a doctorate in engineering education from Harding College. He taught at Tech for 13 years before joining the Texas A&M faculty. Street formerly was principal

of the Littlefield grammar school. In 1961 he received the \$1,200 Convar Award for excellence in engineering, teaching at Texas A & M. That same year he was presented the Distinguished Service Award of the Graphics Division, American Society of Engineering Education.

Fire Strikes Halsell Ranch

A huge brush fire, believed to have been caused by lightning was reported about 4:30 p. m. Saturday on the Halsell Ranch, south of the Phillips 66 booster plant. Fire departments from Earth, Olton, Springlake and Littlefield joined in extinguishing the blaze.

A second blaze started after the fire companies left the ranch employees and others succeeded in putting out the second blaze about 9:30 p. m. of the residents of the Phillips Camp prepared to leave the area by loading cars with household articles, it was reported.

Johnny Murrell, ranch foreman reports that approximately 200 acres and 130 posts were burned.

How To Get Children To Drink Milk

Are you one of those young mothers who has to constantly coax her small children to drink milk?

Then try this little game. County Home Demonstration Agent, Lady Clare Phillips suggests.

Cut out a small photo from a magazine or newspaper, wet it with water and stick it face up to the outside bottom of the glass. Then pour in the milk to hide the picture.

Youngsters will drain the glass in a hurry to find the "surprise" at the bottom of their glass.

If there are several preschool children in the family, they can all play the game -- sticking pictures to each other's glasses.

If you agree with everything the editor writes you have no more sense than the editor.
