MR. AND MRS. J. E. KNIGHT AND GRAND DAUGHTER, DORTHEA KNIGHT— After more than two years effort, little three year old Dortha Knight was brought to Littlefield from Munich, Germany, by her grandpar-

ents, Mr. and Mrs. J. E. Knight of this city. The child's father, the late Billy J. Knight was drowned two years ago, while on a fishing trip to Buffalo Lake, near Amarillo. He had planned to return to Germany, or to bring his

wife and daughter to this country. Since then the child's mother has decided not to come. About a year ago Congress passed a special law under which the little girl might be admitted to this country. Photo by Taylor Studio

### Dr. C. E. Payne To Sever Connection With Payne-Shotwell Foundation

Dr. Clifford E. Payne, who has practiced in Littlefield for the past 18 years, and dean of all Lamb county members of the medical profession, confirmed a report yesterday, in circulation, that he is severing his personal connection with the Payne-Shotwell Foundation, which is the immediate successor to the Payne-Shotwell Hospital, of which he was co-founder with Dr. I. T. Shotwell, jr., was giving up his extensive medical and surgery practice here, and with his family, would move to Lubbock to make their home "in the next two or three weeks."

Dr. Payne amplified his statement with the announcement that he would there become associated

with Dr. R. C. Douglas and Dr. Ivan Mayfield in the Medical Arts Clinic Lubbock, which clinic in turn utilizes the facilities of West Texas Hospital, but added that he would have no connection with the hospital, beyond the usage of its facilities.

Dr. Payne will be missed in Littlefield in many, many ways. Not only has he enjoyed a splendid personal medical practice, but has active in practically every civic enterprise, and has played a major part in the development and growth of his city, and county and of the area. His practice has extended into all of the neighboring

### Sudan Festival Secret Wedding Proves To Be Outstanding Event

One of the most outstanding events of the Sudan Fall Festival was the sundown wedding, which was kept a closely guarded secret for weeks preceding the festival, and which took place Friday night at 6:30 o'clock in the City Park at Sudan.

Hundreds and hundreds of folks were seated in the improvised "church auditorium" in the City Park, awaiting the arrival of the bride and groom.

To the strains of traditional organ music played by Bernie Howell, noted organist of Lubbock, Miss Charline Wiseman on the arm of her father, Charles Wiseman marched down the ribbon and flower decked aisle and took her place beside her groom, Mr. Raymond Lavene Kamp of Sudan.

The ceremony was performed by Brother Pate, minister of the Church of Christ, Friendship, as the wedding party stood in front of an improvised altar, covered in white, set within a background of evergreen trees, with large fans decorated with rainbow colored gaidiloi, flanked by candelabra and tall baskets of rainbow gladioli.

The bride wore a handsome white slipper satin and chantilly lace wedding gown, designed with a long train. The fingertip veil of illusion was held to a tiara of pearls. She carried a bouquet of Hildegard roses on top of a white Bible showered with Hildegard roses.

Miss Rose Nell Wiseman, cousin of the bride was maid of honor. Bridesmaids were Misses Paula Faye Wiseman, sister of the bride, Loretta Wiseman, cousin of the bride.

## FIRST METHODISTS TO OBSERVE PROMOTION-RALLY DAY SUNDAY

First Methodist church, Littlefield, will observe promotion and Rally Day, Sunday, September 23, beginning at 9:45 o'clock, to be held in the church auditorium. The program is being planned by the three superintendents: Mrs. Lyle Brandon, Young People's department; Mrs. Roy Wade, children, and Roy Wade, adult. The program will consist of special musical numbers by the Young People's department; scripture readings by the adult department and a reading from the children's department. Special recognition and promotion certificates will be presented. Primary children who are entering the junior department will be presented Bibles. Approximately 70 children will be promoted from various departments.

## Friendship Night To Be Observed By OES Tonight

Littlefield Chapter Order of the Eastern Star will meet tonight, (Thursday) at 7:30 for a regular monthly meeting, and the annual observance of Friendship night. Chapters invited are Lubbock 76, Truth and Freedom of Lubbock, Olton, Earth, Sudan, Muleshoe, Slaton, Anton and Levelland. Plans are being made by the chapter for the official visit of the Worthy Grand Matron and the Worthy Grand Patron to be held here the last week in October. A definite date will be announced in the near future. Hostesses for the meeting Thursday night will include Mrs. Emma Ruth Bellomy, chairman, Mrs. Viggo Peterson, Mrs. Acrey Barton, Mrs. W. B. Little, Mrs. Rose Wesley and Mrs. Ben Lyman.

## Father of Mrs. E. J. Myer of Pep Passes Away Monday

Mrs. E. J. Myer of Pep Community received word Tuesday morning of the death of her father, B. F. Haynes who passed away Monday, September 17th at 7 o'clock at his home at Wichita Falls. Mrs. Myers accompanied by her husband left immediately after receiving word. Pfc. Erwin D. Myer, a grandson of the deceased man, who is stationed at Craig Air Force Base, Selma, Alabama was granted an emergency furlough to attend the funeral services.

## California Couple Seriously Injured In Accident Sunday

Mr. and Mrs. Roy L. Benedict, Lemon Grove, Calif., are in a serious condition at Green Hospital at Muleshoe, suffering from injuries sustained in an automobile accident that occurred Sunday morning at the intersection of U.S. 79 and Farm Road 303 north of Sudan about 9:10 a.m. Sunday. The 1951 Dodge car in which the California couple were traveling collided with a semi-trailer empty truck said to be driven by Willis Branscum, 48, of north of Earth. He was traveling south on 303, Deputy Sheriff Truman Cotton said. The car was a total wreck. It hit the truck's tractor cab on the right side. Branscum was only shaken up.

## Art Instructors In Local Schools Meet Tuesday

Wm. Brune, co-ordinator of curriculum in Littlefield schools, called a meeting of the art teachers in primary and central school, Tuesday afternoon. Meeting with the group was Mrs. Howard Smith, art teacher in Junior High school, and Howard Smith, manual training instructor in the High school. A report was given from each grade, giving the objectives that they hope to cover in their grades, and also a list of activities that are used in reaching their objectives. Some of the objectives of art are:

1. Creative expression on part of student.
2. Becoming art conscious of beauty and nature.
3. Becoming conscious of home decorations.
4. Becoming conscious of personal appearance.

Mr. Brune said these objectives will be accomplished through study of water colors and tempera colors; building with clay, soap carving, plaster paris, paper cutting and paper mache. Elementary woodwork such as making of door steps, leather craft, bookends, metal work, lettering, block printing, stencilling and finger painting will also be taught.

# POST ANTELOPES ARE HOT TO AVENGE DEFEAT BY WILDCATS

## Cats Will Visit Garza Capital Friday For Return Contest

The Littlefield Wildcats will go south this Friday to tangle with the pass-minded Post Antelopes in the Garza county town with kickoff time set for eight o'clock.

The Antelopes will be seeking revenge for a 42 to 12 licking handed to them by the Cats last year here in Seely Stadium. Most of Post fans still think they could have won that game if their all-district back, Jack Kirkpatrick, had not got put off the field early in the game along with Littlefield's Dickie Hopping for unnecessary roughness. Kirkpatrick is back and so far this season has lead the Antelopes to victories over Crosbyton and Floydada.

### POSSIBLE STARTING LINEUP

Littlefield's starting lineup will be about the same as last week except Don Nichols should be ready to start at the guard position instead of Joe Burros. Nichols was sick with the flu last week and did not see any action against the Andrew Mustangs. Either Bob Hill or Loyd Williams will start at the other guard position. Freddy Howard and Cam Jordan will get the starting nod at the two tackle slots. Bill Brantley and Doyle Gipson or Douglas Perkins will start at ends. If Gipson fails to start he will replace Perkins on defense. Jeff Trautley and Garland Thornton will alternate at the center position. R. L. Rhoten will be the man under in Fikes' winged "T" formation and Jackie Beckner will be starting at the wingback hole. M. C. Northam will be the starting fullback and Co-Capt. Joe Walden will be running in the tailback slot. Changes will be made depending upon who kicks or receives. Joe Burros does the kicking chores for Littlefield while R. L. Rhoten will do most of the punting.

### POST HAS STRONG TEAM

Coach Bing Bingham has 12 returning lettermen and three of them happens to be ends so Mr. Kirkpatrick will have some very good targets to throw at and he happens to be one of the best passers in the state. He made all-district last year unanimously and so far this year has been repeating the same performance as he did last year. They have four other backs that lettered last year returning to help him. They are Darrel Stone, 146, Cordell Claster, 130, J. R. Fotts, 150, and Fullback Fred Long, 180.

They won seven games in 1950 while losing only two and tying one. They run off of the spread and split "T" formations and their only weakness seems to be the lack of reserves. Their main strength is passing and can do all right running with the ball because the defense doesn't know when they are going to pass or run.

Let's all journey to Post Friday and really show those Wildcats that we are behind them all the way.

## Flying Horsemen Get to Races

NEW YORK (AP)—Flying horsemen are no novelty on harness racing's grand circuit this season. A number of top notch reinmen, most of them racing under the names in the East, have made weekly aerial pilgrimages to the midwest to race in major colt stakes.

One of the leading airline pairons is Johnny Simpson, 31-year-old South Carolina driver, who has the biggest stable in the country. Simpson is racing a trip of Grand circuit stars and flies out each week to drive them. They include the season's top 2-year-old trotter, Duke of Lullwater; Kimberly Mine, another good juvenile trotter; and Silent Waters, a 2-year-old pacing filly.

Another of the airlift brigade is Little Joe O'Brien who commutes regularly to handle Golden Broom and Vonian Chief.

Thirty five players who performed in the 1951 Alabama high school all-star football game have enrolled at the University of Alabama, including 19 of the 22 starters.

A commercial fishing boat recently harpooned two giant tuna fish and sighted another in Long Island Sound.

## Olton Loses Close One To Lockney Team

Only one team in District 3-A was defeated last week and that was the team that was highly rated to win the district without any trouble and was supposed to roll to an undefeated season. That was the Olton Mustangs who dropped a close one to the Lockney Longhorns, 6 - 0.

It seemed to have been a case of getting a dose of your own medicine because the Mustangs only the week before had lucked out on the Muleshoe Mules by the very same score when they made a touchdown on a blocked punt.

### BULLDOGS WIN

The Amherst Bulldogs proved that they were going to give the rest of the teams a race for their money and the district title as they romped over the Hale Center Owls, 34 to 6. A. L. Nuttall was the big gun in the Bulldog attack as he made four touchdowns. This makes eight for him in the first two games this year.

The Dimmitt Bobcats, favorites for the district title, buried the Sundown Roughnecks under a 67 to 6 score.

### SPRINGLAKE SUCCESSFUL

The Springlake Wolverines beat the Farwell Steers 26 to 6 at Springlake. The Wolverines are not considered as having much of a chance for the district title because they lack in reserves although their new coach, Johnny Cardinal, may come with a surprise team, but the Bulldogs from Amherst have the role of the "Dark Horse" and may come up with their first winning team in many a year.

## Coach Hester Made Successful Debut When His Freshmen Team Beat Muleshoe

Coach Charles A. Hester made his debut as a Littlefield coach a successful one as his Freshmen team defeated the Muleshoe team to the tune of 28 to 0. The game was played last Thursday in Littlefield.

On the very first play of the game Bill Burks ran 50 yards on a play over right tackle for a touchdown. Milton Vaughn ran the extra point over and Littlefield went ahead 7 to 0.

Littlefield recovered a Muleshoe fumble about one minute later that set up the next Cat score. Milton Vaughn ran 35 yards on the first play for the touchdown and Quarterback Dan Howard ran the extra point over on a quarterback sneak and Littlefield was ahead 14 to 0 with only two minutes gone in the game.

Keith Davis intercepted a Muleshoe pass on Muleshoe's 40 yard line that set up the next touchdown. Quarterback Dan Howard

threw one of his beautiful passes to Davis for 35 yards and the touchdown. Fullback Kenneth Shipley powered over the extra point to make the score 21 to 0.

Littlefield was held scoreless until early in the fourth quarter when Dan Howard passed 15 yards to End Morris Ball for their last touchdown. Shipley again ran the point over and the scoring was over for the day.

The Littlefield Cats showed that they will again have a good freshmen team. They have one of the best passers in freshman football in this part of the state in Dan Howard. Morris Ball and Keith Davis looked good on defense. Several tackles held the middle of the line firm against the Mules onslaught.

The Freshmen Cats will play the O. L. Slaton team of Lubbock here Thursday (today) at 3:30.

## District 7-AA Has Just Two 'Winners' Last Friday Night

Teams in District 7-AA didn't do so well in games played last Friday as only two of them managed to post wins.

Littlefield edged out the Andrew Mustangs of District 5-AA by a 19 to 13 score at Andrews. It was the Wildcats second win of the season. They defeated Lockney two weeks ago, 25 to 13.

The Brownfield Cubs was the only other team winning as they defeated the Crosbyton Chiefs of District 3-A by a lopsided score of 87 to 0. The Cubs tied Lovington, N.M., the week before and is the only team besides Littlefield that is undefeated.

The highly favored Levelland Loboes was beaten by the strong Seminole Indians of District 8-AA to the tune of 12 to 0. Levelland now has one victory and one loss to their record. They defeated the Pecos Eagles 27 to 19 in their opening game on September 7.

The Hereford Whitefaces handed the Muleshoe Mules a 13 to 7 licking and that makes Muleshoe a record of two losses. Olton defeated them 6 to 0 the week before.

Morton journeyed to Ralls and the Jackrabbits beat them to the tune of 27 to 6. Morton was beaten by the Abernathy Antelopes in their first game and now has two losses to their credit.

Games this week will find the Wildcats journeying to Post for a tussle with the undefeated and untitled Antelopes. The Levelland Loboes will take on the Hereford Whitefaces in the Deaf Smith county seat and should be on the rebound to defeat the Hereford team. Brownfield will play host to the Phillips Blackhaws while Muleshoe journeys to Crosbyton to meet the Chiefs. Morton will be trying for their first win against the Whiteface Steers at home.

ply of first rate material and Wilkinson is a proven master at getting the most out of his men.

This will probably be the outstanding game of the nation that week and that's not as silly a forecast as it sounds—even in the day of "upset" football.

At any rate, Kyle Field is due to be packed that night and new Aggie Coach Ray George is going to get his first introduction to the famed "Aggie Spirit". If you've never seen that mass of khaki clad cadets in one mass roar from kickoff to kickoff, you've missed an experience, too.

George is really on the spot, but from all reports the big man from the west coast is quite capable of handling the situation.

He left Southern California when Jeff Cravath was fired, hooked on as line coach at A&M, and became head coach after Harry Stitzler resigned, a few months after hiring George as his line coach.

# Wildcats Win Over Mustangs By Narrow Margin In Peppy Tussle

The Littlefield Wildcats barely edged the Andrew Mustangs Friday night by the score of 19 to 13 in the Andrew county seat with a large home town crowd present to witness the affair.

The Mustangs scored early in the first quarter after recovering a fumble by Littlefield's R. L. Rhoten on the Andrews 25-yard line. After a couple of running plays and penalties moved the ball to the Cats' 12-yard line. Sonny Earle, Andrews quarterback, passed to Bill Green on the 12-yard line and he ran it over through the Wildcats' secondary. Andrews attempted to kick the extra point, but the fast charging Littlefield line came charging in and killed the attempt.

**LITTLEFIELD SCORES**  
After taking a short Mustang punt on their own 45-yard line, Littlefield sent Joe Walden, Cat tailback, around left end on the old pitchout play that went 55 yards for the touchdown. M. C. Northam ran the same play for the extra point and Littlefield went ahead 7 to 6 with only one minute left in the first quarter. Andrews moved the ball to the Littlefield one-yard line after taking Littlefield's kick on their own

29 yard line by power plays with Jobe, Wright and Green carrying the brunt of the drive. The Mustangs drew a 15-yard penalty there and their drive fizzled out when the Cats took over on downs on their own 21-yard stripe.

**CATS CONTINUE SCORING**  
Northam gained 20 yards on the first try and Walden five on the next try. Then Littlefield drew a 15-yard penalty for unnecessary roughness, but M. C. Northam powered over right tackle and went 65 yards for the Cats second touchdown. Joe Walden tried for the extra point but failed to put it over and Littlefield was leading a 13 to 6 score. Andrews took Littlefield's kickoff and started moving the ball downfield and was on the Littlefield 25 yard line when the first half ended and the Cats held a narrow seven point lead over the Mustangs.

Littlefield scored on the fifth play after taking the second half kickoff when M. C. Northam ran 65 yards for the touchdown. Rhoten's attempted pass to Perkins for the extra point was no good. The rest of the third quarter was a slugfest with both Littlefield and Andrews drawing a

number of 15 yard penalties.

The Cats had another chance to score early in the fourth quarter after Jackie Beckner gained 35 yards on a reverse play and was tackled on the one yard line. Two plays later Littlefield lost the ball on a bad pitchout by Rhoten and Andrews recovered on the 16-yard line and that set up the Mustang's next drive. They were forced to punt, but the ball got away from Northam, who had an injured hand, on the mid-stripe and Andrews again recovered. Two Littlefield penalties later and a couple of nice gains by the Mustangs saw Olen Jobe going the last twenty yards for the touchdown. Sonny Earle passed to End Spears for the extra point.

Littlefield tried to launch several more drives but with Northam and Joe Walden both hurt, had little chance to make any more yardage. They got several more 15-yard penalties, but their biggest pain-in-the-neck were the backfield-in-motion penalties that erased a lot of long gains and one touchdown by Joe Walden. Andrews also had one touchdown called back.

The game ended with the Mustangs on the Cats 19-yard line and trying desperately to get the ball

over for the touchdown before the clock ran out.

### WILDCATS YARDAGE

All of the Wildcats yardage was again gained by only four backs and most of it by Joe Walden and M. C. Northam. Walden gained 187 yards in 14 tries for an average of 13½ yards per try. Northam gained the most yardage with 209 yards, but carried the ball 19 times for an average of 11 yards per carry. Jackie Beckner romped only six times, but gained 57 yards for a 9-yard per carry average. R. L. Rhoten gained 6 yards in three tries for an average of 2 yards a try.

## LAMB COUNTY COTTON IS OPENING BOLL PULLERS ARE NEEDED HERE

J. D. Jordan of the Texas Employment Commission here announced Tuesday that he is receiving a few orders for boll pullers from farmers in the Hampton Gin Community, west of Littlefield, and from a few farmers in the Circle Community near Olton. Most farmers are paying \$2.00 per hundred for pulling.

Mr. Jordan said that boll pulling will not get into full swing before October 1st and that he anticipates there will be adequate crews coming into the county to take care of the needs. He said that the peak of boll pulling will not be reached before October 10th.

In 1949, the bumper cotton crop year, picking was still going on around Waco and that vicinity 30 days after pickers were needed in this vicinity. This will not be true this year, Mr. Jordan said. The cotton crop below the caprock is short and it matured early.

Letters have been mailed to more than 100 crew leaders, in the past month by TEC, who have been contacted in the past year.

## County Concert Drive Closes With Small Membership

When the board of directors of Lamb County Mutual Concert Association met last Saturday afternoon to count the tickets sold and to choose the programs to be presented here during the concert season, they were disappointed to find that only 196 adult tickets, 58 student tickets and 29 family tickets had been sold.

Three highly entertaining features will be brought to Littlefield during the season. Dates and programs will be announced next week. Mrs. Wayne Brown, president of the organization announced Monday.

All performances will be held in the new high school auditorium.

## Water Election

the counties of Terry, Hockley, Cochran and Lamb. He, or some other may be elected to serve for the ensuing year as director, in the September 29 election. Four other directors serve the other counties of the district, and will also be re-elected or replaced by the voters.

Any person who has rendered property for taxation, and who live within the district are eligible to vote.

Some uninformed, or underinformed voters have and are asking "why should the district be created?" and "what is the purpose of the act" which this election will determine.

The directors have just issued the following statement which clarifies, and in measure answers both of these questions, as follows:

1. Withdrawal of underground water at such a rate and in such an amount as to cause the intrusion into the reservoir of water not suitable for agricultural, gardening, domestic or stock raising purposes.
2. The flowing or producing of wells from underground reservoirs when water produced is not for a beneficial purpose.

(The act defines "beneficial purpose" as follows: "Use of underground water for agricultural, gar-

dening, domestic, stock raising, municipal or mining purposes; for exploring for or producing, handling, or treating of oil, gas or other mineral; for manufacturing, industrial, commercial, recreational or pleasure purpose, or any other purpose that is useful and beneficial to the owner thereof.")

Why should the district be created? First, to determine the best way to recharge the reservoir through cooperative efforts of landowners of the area.

(It has been determined that 70 inches or nearly a six-foot depth of water will evaporate every year from lakes in this area. Engineers and geologists declare that this water could easily be returned to the underground reservoir for future use. For this recharging program to be most effective, it would be necessary that the work be carried on in the entire district at the same time. It could not be accomplished satisfactorily except by joint action of all landowners of the irrigation area.)

Secondly, to eliminate or to reduce to a great degree as possible the danger of state or federal control of underground water.

(At every session of the Texas legislature for a number of years High Plains farmers have had to combat efforts to enact laws that would have invoked state control.)

(Congressional hearings were scheduled to open Sept. 12th, in Washington for the purpose of framing legislation to enforce the terms of the President's Water Resources Commission. That report declared that the federal government should control all underground water, as well as surface water.)

## Absentee Voting On Water District Possible Now

Lamb county citizens who are eligible to vote in the Sept. 29 election to decide whether High Plains Underground Water Conservation District No. 1 shall be created may now cast absentee ballots at the county clerk's office, according to C. C. Chesher of Littlefield, temporary director for Precinct No. 2 (Lamb, Terry, Hockley and Cochran counties).

Eligible to vote are those who have paid the poll tax, who live in the portion of the county that is within the proposed district, and who have rendered for taxation property in that portion of the county.

All of Lamb County is in the proposed district except an area in the southwest corner. That area extends from the city of Littlefield south and southwest and runs in a narrow strip nearly half way along the west line.

A map and a detailed description of the boundaries of the district are on file at the county clerk's office to enable citizens to determine exactly whether their property and their place of residence are in the area involved.

Three propositions appear on the ballot. They are:

1. For or against confirmation of the district.
2. For or against authorizing the Board of Directors to levy a tax not to exceed five cents per \$100.
3. To elect a director for Precinct No. 2.

## Attend Dealers Meeting at Abilene

L. E. Sullins of the Sullins Farm Supply attended a Paymaster dealers meeting at Abilene Wednesday. Abilene is District Office headquarters for Southwestern Division of Western Cotton Oil Company, and this meeting was held at the Abilene office.

## Dr. C. E. Payne

(Continued from Page 1)

Much of the credit for the founding of the first hospital in Littlefield, which was housed in the building now the Memorial Hospital. A few years later, he, with Dr. Shotwell, bought the Littlefield Hotel, and converted it into a hospital, which was operated for several years, or until the completion of the fine Payne-Shotwell Hospital, costing in the neighborhood of a half million dollars, which was last year converted into the Payne-Shotwell Foundation.

In those 18 years of residence here, Dr. Payne has seen the city and area forge steadily forward. He came here to establish his first practice, after graduation from medical college at SMU, and serving his internship in Texas hospitals.

He is a son of Mr. and Mrs. E. P. Payne, who now live in Littlefield, but formerly lived at Whitarral, where Dr. Payne spent his boyhood.

Dr. Payne stated simply that he enjoyed his practice, and these years spent in Littlefield.

Dr. Payne, his wife, and their son, Chip, age ten will be missed profoundly in all circles in Littlefield. There is and will be keen regret, at the news of their decision to move away from Littlefield, but both scores of patients and friends will rejoice that his moving, takes them no further away than Lubbock. General community good wishes will accompany them to Lubbock—or to any place which they in the future may decide to make their home.

bride, Nadene Quisenberry, and Freddy Lou Gaze. The attendants wore identical ankle length dresses in rainbow shades of organdy, and carried colonial bouquets of rainbow colored gladioli.

Noel Lumpkin, Sudan, vocalist, sang "Always," accompanied by Bernie Howell at the organ.

Calvin Wiseman jr., cousin of the bride, acted as best man.

Little Eddie Chance and Diane Curry were ring bearers. Flower girls were Ola Frances Wiseman and Carol Ann Watkins. The little girls wore identical dresses to those of the bride's attendants, in rainbow colors.

Ushers were Truman Wood, Clifford Johnson and Dean Wiseman. Following the wedding ceremony the couple left on a wedding trip to Colorado Springs, Colorado. They will be at home on a farm north of Sudan.

Mrs. Kamp is a graduate of Sudan high school with the class of '51, and the groom is a graduate of the same school and is a member of the class of '50.

All wedding preparations were made by the merchants of Sudan, who also gave the newly married couple lovely wedding gifts.

Pictures of the wedding were made through the courtesy of Joan Nail Studio, Littlefield. Chisholm Floral furnished the wedding bouquets, flowers and materials and decorated the improvised altar.

## Lamb County Fair

(Continued from Page 1)

fair, Saturday afternoon, at 2 p.m. Bands from surrounding towns as well as Sheriff Poses have been invited, and many have already promised to be on hand.

Many floats are now being planned and decorated, to be entered in the parade, by county business houses. Prizes totaling more than \$100 for the three top floats are divided into three awards, \$50, \$37.50, and \$25, respectively.

Last year for the first time, a free gate was inaugurated for the Lamb County Fair, and it proved so satisfactory, that the free gate will be in effect again this year—no admission to the fair grounds.

There will however, be a nominal admission charge for the afternoon and evening, special events shows, which will offer numerous acts, imported for the occasion. Admission to these events will be 50 cents for adults and 25 cents for children—and fair officials promise that those attending will see real shows—and get their money's worth.

## Survivor

(Continued from Page 1)

Muleshoe and Clovis, N.M. Speights, driving a 1940 Ford was traveling in the northeast lane of traffic toward Muleshoe. He was accompanied by Mrs. Buford, officers said.

The wreck occurred, the high-

way patrolman said, when a 1950 Ford, driven southeastward by Wayne Martin, was in collision with the Speights' car in the north-east lane of traffic. The road was an open straight-away at the point of collision.

Martin's uncle, a passenger in his car, and the two passengers of the other car were pronounced dead on the arrival of ambulances from funeral homes at Muleshoe and Littlefield.

## Funeral Service

The body of Leonard Martin was brought to Hammons Funeral home, where it was prepared for burial and was taken to Odell, a small community near Vernon, Saturday afternoon, where funeral services were conducted Sunday afternoon. Burial was in Odell cemetery. Services were conducted at the First Baptist church.

Survivors include two sons, Clois and Hoyt Martin, both of Wichita Falls; his father, S. C. Martin of Tyler; four brothers, Walter and Arthur Martin, both of Littlefield; G. S. Martin, Sudan; J. F. Martin, Beaumont and three sisters, Mrs. Ed Crownover, of Odell, Mrs. Leslie Barnes of Wichita Falls and Mrs. Gover Tampton, Vernon.

Funeral services for Speights was held at Sanders Funeral home in Lubbock, Sunday afternoon at 2:30 o'clock, with Edwin Morris, a Church of Christ minister officiating. Burial was in Tech Memorial cemetery.

He is survived by his wife, 316 Vernon ave., Lubbock; a daughter, Mrs. Jane Roush, Compton, Calif.,

three sisters, Mrs. W. T. Slaughter, Los Angeles, Mrs. R. L. Webster, and Miss Mae Speights, both of Fontana, Calif.; and a nephew, Charles Speights, 2302 Third, Lubbock.

Services for Mrs. Buford were conducted Sunday afternoon at Myrtle Drive Baptist church. Interment was in the cemetery.

Survivors include Darlene, age 11, a Leona Walker, Littlefield, brother, Robert. Mrs. Buford was been employed in a cleaning establishment.
