## Lamb Has Highest Number of Cooperatives in State

A Cooperative Gin Clinic for managers and board members of Cooperative Gins in Lamb county was held Tuesday in an all day session at the Littlefield Cooperative Gin.

M. C. Jaynes, Cooperative Marketing Specialist of A&M College, and David Eaton, Lamb county agent, were joint leaders of the discussion on management problems and operation of problems of cooperative gins.

Others present and taking part in the round table discussion were: Warren LeBourveau, Cooperative Specialist of College Station; Edwin Merriman, Auditor of Lubbock; Roy Davis, manager of Cooperative Oil Mill, Lubbock, and L. O. Buchanan with Cotton Classing Office, Lubbock.

According to Mr. Eaton there were 48 board members and managers present, representing all 11 cooperative gins in the county, and each speaker covered his field briefly.

The afternoon session was given over to questions and answers. Anyone having questions to ask did so, and these were answered in a round table session.

Mr. Eaton also reported that Lamb county has the highest concentration of cooperatives of any county in the state. It has a gain from 1938, when organized with 995 members, to 2256 members at the present time.

The investment involved in these gins averaged in 1938 \$39,000 while at the present time the average is \$743,000.

1949 is reported to be the last year that complete figures are available. In that year the records show that a total business of \$2,721,000 was done by the gins.

The gins handled \$8,231,000 worth of crops, including cotton and grain sorghums.

The records also show that the cooperatives in 1949 paid the following taxes: miscellaneous, \$4,399; school, \$2,886; city, \$4,775; and county and state, \$3,300. Cooperatives pay no income tax.

## Mrs. Dillon Reunites With Sister Not Seen in 48 Years

### Manager of Local Department Store

Joe V. Turner, new manager of Martin's Department store, succeeds D. V. Derrington. Mr. Turner is a former manager of the Martin's Department store

at Stamford, and prior to that was connected with the Economy store and Levine's, both of Lubbock. He has had wide experience in the department store field. His family, composed of his wife and six year old son, Joe Vernon, will move here as soon as suitable living quarters can be obtained. —Photo by Taylor

Mr. and Mrs. Joe Dillon accompanied Mr. Dillon's mother, Mrs. Laura Dillon of Lubbock, to Sherman Friday, to visit her sister, Mrs. Bill Cole whom she had not seen in 48 years. Each of them thought the other one had passed away.

In an unusual manner Mrs. Dillon learned that her sister was living. Her daughter, Mrs. Effie Enoch of Lawton, Okla. was visiting at Durant, Okla. and noticed the name of her aunt in the city directory, and in this way Mrs. Cole was traced down.

Mr. and Mrs. Joe Dillon and Mrs. Dillon, sr., returned to Littlefield Sunday night.

## Plan to Bring Arctic Reindeer Here Christmas

With the thermometer hovering around 85 degrees at noon Tuesday, when Bob Crowell, manager of Littlefield Chamber of Commerce was giving us the low down on what the chamber is doing—and of all things—he mentioned plans are being made to bring arctic reindeer to Littlefield, when Santa Claus makes his official visit in December. The retail trades committee of the Chamber of Commerce is in charge of arrangements. Bob says, "It isn't too early to be thinking about Christmas. The reindeer appeared at various places in the area last year, but did not stop off at Littlefield. However, it is believed they will make Littlefield exclusively this year. Mr. Crowell said.

## LITTLEFIELD SCHOOLS OPEN WITH ENROLLMENT OF 1771 PUPILS

At the end of the first week of school, Superintendent Joe Hutchinson announced that a total of 1771 pupils have been registered. The division of students was announced as: junior high school, 431; primary school, 608; central school (grades 5-6-7) 300; senior

high school 245; Dunbar (colored) 187. Enrollment is slightly higher than last year.

Classrooms in the high school building have been somewhat congested, and school opened in that department under handicap, as registration of students for the opening of school, was set up for the new high school building.

Mr. Hutchinson said Wednesday that the new building is gradually reaching completion, and that he is almost certain that it will be ready for occupancy in two more weeks. He said the building is completed with the exception of minor cleanup jobs to be done by painters, and plasterers.

Mrs. Hutchinson said that this year Littlefield public school children are given an opportunity to

## Irwin Gins Bale, \$150 Premium Goes to Farmer

Lamb county's first bale of cotton for the 1951 season was ginned Monday afternoon, September 10th, at Irwin Gin, and was produced by Emery Blume, prominent Lamb county farmer living 14 miles west of Littlefield in the Beck community.

For ginning the first bale in the county, a premium totaling \$150.00 was given Mr. Blume by the Littlefield Chamber of Commerce. Making up the purse were the chamber, the Jaycees, Lions, Western Cotton Oil Mill, T. Compress and others.

The 465 pound bale was ginned, tied and bagged free of charge and Mr. Blume was paid 40 cents per pound for the bale, by the ginner.

The bale included 1670 pounds of seed cotton, 465 pounds lint and 750 pounds seed.

Mr. Blume farms 177.2 acres and has 130 acres planted to dry land storm-proof cotton. To gather the bale he said he went over 20 to 25 acres, and he thinks he has three or four more bales open. The cotton was planted on the 23rd and 24th of May. Heavy rains and rain hit on both sides of his cotton acreage. Light rains fell at the right time to produce the first bale.

Blume predicts that he will make about one-third bale to the acre. He moved to his present farm ten years ago. Prior to that time he farmed north of Littlefield in the Springlake area.

be served their noon day meal at the fine new school cafeteria. The cafeteria is decorated in pastel colors, has new furnishings and new equipment for the kitchen, which adds up to make a pleasant, sanitary place for children to eat their lunch.

Balanced meals are served daily for 25c for children in the first four grades and 30c for children in the other grades through the 12th. This is a close price as the cafeteria is operated on a non-profit basis, for the benefit of the children, Mrs. Hutchinson said. He also added that every school child should take advantage of the food offered them daily at this unbelievably low price.

Menu's served daily consist of a meat or meat substitute, two vegetables, a salad, desert, bread and milk. Mrs. Forrest Martin is lunch room supervisor.

## Ray Cutshall Plays Quarterback At Price College

Ray Cutshall, 16-year-old son of M/Sgt. Gerald F. Cutshall, local recruiter for the U.S. Army and U.S. Air Force here in Littlefield, now going to school at Price College in Amarillo, has been elected president of his sophomore class for this year.

Ray is one of coach Hap Rogers' two returning football lettermen

of Price College this season. Ray is captain of the team, plays in the backfield, and weighs 160 pounds. The Price College Cardinals were beaten by the powerful Sudan Hornets last Friday by a score of 19-13 at Sudan. Ray was the only player in the Cardinal lineup that played every minute of the game.

In addition to being an outstanding athlete, Ray Cutshall is an "A" student in his class.

Ray spent the weekend after the Sudan game with Sgt. and Mrs. Cutshall here in Littlefield.

# CATS TO PLAY AT ANDREWS

Seeking their second win of the infant football season, the Littlefield high school Wildcats journey to Andrews tomorrow night to engage the Mustangs in a non-conference tilt. This marks the second game of the season for both elevens. Littlefield victor over Lockney last week, 25-13 and Andrews loser to Dalhart, 21-20.

## Youth Center Program Is Announced

Recreation leader, meet the youth, Donald W. Maness, who arrived in Littlefield last Saturday, to take over duties as director of the Youth Center.

Mr. Maness was accompanied here by his wife, Thelma, and they are making their home on West Second street. Both Mr. and Mrs. Maness are graduates of Bonham high school. He is a member of the class of '45, while she graduated in 1949. Following graduation from high school, Mr. Maness joined the armed forces and was in the infantry, later transferring to the Ordnance Department. He received

Board members of Lamb county Youth Center met Friday evening at 5 o'clock at the center to outline plans for the year. Mrs. L. L. Massengill, president of the Woman's Club, presided.

The group agreed that there will be no registration of students as they enter or leave the center. There will be no membership fees. The center will be open to boys

and girls through 20 or 21 years of age.

Plans were discussed for improvement and completion of the building and of buying furnishings.

Don Maness, youth leader presented the board with a written report of the furnishings and materials wanted and needed.

"Support the Youth Center" drive for funds will be launched in the near future.

# AN OPEN LETTER

**. . . . To the furniture buying customers of Littlefield and it's trade territory:**

Dear Customer:

We would like to take this opportunity to give an answer and accounting to a position that we have been placed in. There has been some activity in West Texas in our type of business that have gone to the extent of advertising the practice of offering **WHOLESALE FURNITURE** to the retail trade. This casts a bad reflection on the legitimate home-owned stores in two ways:

1. Misrepresenting the difference in prices in both extremities as to what wholesale and retail prices actually are.
2. Does not show a true picture as to the gross profit actually realized by the legitimate businesses.

We offer this open letter for the sole purpose of expressing our positions in this matter. We meet and accept honest competition because it helps keep prices in line and builds better public relations and business institutions for all concerned.

We earnestly ask that when you are in the market for home furnishings that you compare any of our prices and quality with the lowest prices and quality that the so-called **WHOLESALE** outlets offer.

When you do business with home-owned and operated institutions, that stay open for business the year around, not just in the fall, you are buying from businesses that help support your schools, banks, civic programs, and all worthwhile programs.

As before we continue to offer to our friends and customers:

- |                                            |                                        |

| Liberal Credit and Budget Terms            | Free Delivery                          |

### Trades Day Drawings Sudan Discontinues

Members of the Sudan Chamber of Commerce in a called meeting at the City Cafe Tuesday night voted to discontinue the Sudan Trades Day drawings.

The members voted to continue sponsoring the free movies in Sudan every Saturday afternoon at the Texan theater.

The chamber also discussed the controversial issue of non-members voting on certain civic projects and decided that in the future that

only paid-up members of the chamber would be eligible to cast a vote.

To encourage regular attendance, it was decided that any member absent from a regular meeting without a reasonable excuse would be assessed a small fine.

The regular meeting date of the Sudan chamber is the second Tuesday night of each month.

The Motion Picture Association of America estimates 60,000,000 admissions are paid into American movie theaters each week.

## WINTER LEGUME PRACTICE DETAILS RECEIVED AT COUNTY PMA OFFICE

Lamb county farmers are advised that the winter Legume practice details have been received in the Lamb county PMA office.

Approved legumes and payment rates per pound are: Crimson Clover, 18c per pound; Austrian Winter Peas and Dixie Wonder Peas, 5c; Hairy Vetch, 12c; Common, Wiliamette and Purple Vetch, 7c; Singletary, Caley, or Wild Winter Peas, 6c.

Specifications for the practice are: winter legume seed must be properly inoculated with fresh inoculants and seeded not later than October 15, 1951. Phosphate must be applied at a rate of not less than the equivalent of 200 pounds of 20 percent superphosphate per acre, except on land where there has been an application of phosphate still available. Potash must be applied in any area where there is a known deficiency of this element. The crop must not be harvested for hay. The crop must not be grazed to an extent that will prevent the maintenance of a good protective cover at all times. No acreage from which Austrian Winter pea, or Dixie Wonder pea seed is harvested in 1951 will qualify. Seed may be harvested from the other eligible crops.

The farmer must secure written prior approval from the County PMA Committee before seeding the legume and he must report performance, using the form on which the practice was approved, after a good cover is established and not later than the date for reporting established by the county committee. Submit sales receipts or other supporting evidence for seed purchased unless it was obtained as CMS.

Prior approvals for the practice are now being issued at the county PMA office in Amherst.

Minimum seeding rates per acre for the legumes have been established and information concerning

## County Agent Reports Boll Worm Damage

David Eaton, county agent, reports that the bollworm has caused an estimated 3 to 5% damage in the past two weeks, lowering the estimated cotton production from 110,000 to 105,500 bales.

In an interview with Mr. Eaton, he said: "It is doubtful whether it would be economical to try to control them in feed, because the worm is working in the head, and it is nearly impossible to get poison down to where the work is. If farmers want to control, I would advise use of Toxaphene at the rate of from 2 to 3 pounds per acre, provided that the crop will not be ready for harvest within the 25 day period."

## Foreign Missionary To Speak At Sunday Services ME Church

Rev. Frank Beauchamp, pastor of the First Methodist church, announced this week, that Dr. Ernest Thompson, many years a missionary in Japan, and who was present at Nagasaki when the first atom bomb was exploded, will fill the pulpit at the regular morning worship hour, Sunday morning, September 16th.

Dr. Thompson is now at home from the foreign field for work on the Mission Board.

They may be obtained at the Lamb county PMA office.

## Sudan-Price College Game

By M/Sgt. G. F. Cutshall  
Coach Francis Smith's Sudan Hornets proved too much for the Price College Cardinals of Amarillo last Friday. The Hornets scored almost at will. When the dust had settled after the game, the Hornets had stung the Cardinals to the tune of 39-13.

Bob Crouch, Sudan's 165-pound back, was the outstanding star of the game. Bob scored three TDs during the first half. Starting the third quarter, Glenn Chester, 160-pound back, crossed the Cardinal's goal for another TD for Sudan.

The last quarter saw some high scoring. Don Stump of Price's scored twice. Jim Reese and Laron Lowe carried the ball over for two more TDs for Sudan.

The game was one-sided throughout. The Hornets had control of the ball at least two-thirds of the game. The Hornets made 18 first downs to the Cardinals 5. They did not punt once.

Coach Hap Rogers of Price's had only two of last year's lettermen in the lineup. Ray Cutshall, 160-pound back, captain, and Ignacio Gonzales, 195-pound guard. Cutshall played the entire game and was the only player that wasn't replaced during the game.

The Hornets are scheduled to play the Boys Ranch tomorrow night. The Hornets should not have much trouble in winning this game.

## Tickets On Sale To Lamb County Concert Series

Lamb county Mutual Concert "kick-off" dinner was well attended Monday night, with representatives here from Anton, Olton, Amherst, Sudan and Littlefield present. The meal was served in the new school cafeteria by the Catholic Ladies Altar Society.

Following the dinner, Mrs. Wayne Brown, president of the organization introduced the new 1951 officers of the association.

Bob Gaus, field representative of Mutual Concert Association from Council Bluffs, Iowa outlined the programs available this year, ranging in number from 3 to 8 depending on size of membership for the year.

Concerts will be presented in the new high school auditorium.

Immediately following the meeting Monday night, workers began selling membership tickets.

Tickets are moving briskly it was announced. The goal for the year has been set at only 1000. No tickets will be available after Saturday noon. No tickets will be sold to only one performance—and no tickets will be sold at the door.

## Wildcats Win Season's Opener

With a 1-0 won-lost record to their credit, the Littlefield Wildcats journey to Andrews tomorrow night seeking victory No. 2.

While the Wildcats made the usual first-game miscues in their 25-13 win over Lockney last Friday night—they gave evidence of having put in some hard workouts and on some plays had their blocking down to mid-season form. Never having to call upon their passing attack, the Wildcats sent their work horses, M. C. Northam and Joe Walden through, over and around the Longhorn defenders to score in every quarter and present a threat everytime they had the ball.

Running behind a starting line that averages just 153 pounds, Northam and then Walden were constantly breaking into the Lockney secondary for gain after gain. Even after the Longhorn defenses tightened in the second quarter—gains were made by sending Walden around the ends on pitch-outs.

Just as important as the fast-breaking offensive the Wildcats displayed, was their stubborn defensive eleven, which although outweighed 14 pounds to the man-held Lockney to but 13 points and three first down. Even the Longhorns last-ditch air attack was rendered useless by the Wildcat defenders.

If you can't hold 'em—outscore 'em... and the Littlefield Wildcats did both in their first game.

## District 2-A Football Heads Meet To Make Plans for Football Season

District 2-A football heads met at Springlake Wednesday, August 29.

District 2-A is composed of Amherst, Springlake, Otton Dimmitt, and Sudan.

In organization of District 2-A W. D. Key was elected chairman and V. P. Osborne, secretary.

The purpose of the meeting was to set conference prices on football games and regulate the number of players, and pep squad members to be admitted free of charge.

It was decided that for all district games an adult ticket would cost one dollar, students, fifty cents.

It was also decided that all members of a football team and not more than two managers be admitted. Pep squad members would be admitted when in uniform and in a group.

The following Bulldog schedule has been released:

Sept. 14 Hale Center	Here
Sept. 21 Anton	Here
Sept. 28 Sprnglake	Here
Oct. 5 O'Donnel	There
Oct. 19 Dimmitt	Here
Oct. 26 Otton	There
Nov. 2 Kress	There
Nov. 9	Open

Coach A. D. Shavor announces that assistant coach Dean Wright of West Texas State is on the job.

Some 30 boys have reported for football practice. They include Connie Baird, Pat Blessing, Jed Blessing, Mickey Pickrell, Buck Twilly, Dick Brantley, Billy Gee, Dorman Johnson, Harvey Grigsby, A. L.

## Whitharral Wins Over Whiteface

The Class B Whitharral Panthers ran over the Class A Whiteface Antelopes, 40 to 7, at Whiteface Friday night, in a game witnessed by 900 fans.

The winners took an early lead that stood 14-0 at the half.

Coach Harvey Tubbs' Panthers used a good ground game and outstanding line play to pound out the win over Coach L. S. Salsler's home team.

Two touchdowns by Jerry Gage, including a dramatic 65-yard run in the final four minutes of the game, three tallies by Roger White and another by Bobby Grant accounted for the Whitharral scores, with Gage kicking two points and running for two others.

The lone Whiteface tally came in the fourth quarter on a 10-yard run by quarterback Johnny Barrington after fullback Clyde Tippet carried for 21 yards in three tries to put the Antelopes in scoring position.

## Bulldogs to Play Hale Center Friday

Amherst Bulldogs will play the first home game of the football season at Amherst Friday night when they meet Hale Center and members of the Amherst Lions Club are making every effort to have the new bleachers completed and ready for use by game time.

Members of the Lion's Club say that it is still necessary to raise some money to complete paying for the new bleachers and that if you cannot put in some work on them, that they will accept donations to help defray the expense and that in return for every \$2.50 or more contributed toward the expense the donor will be given a free reserved seat to the games.

Nuttall, Porter Nutall, Martin Hardwick, Tack Purdy, Edwin Edwards, James Anderson, Lewis McDaniel, Stephen Rankin, Jimmy Blair, Pat Willingham, Gerald Walser, Bob Purdy, Joe MacBush, Barry Bearden, Benny Harmon, Duaine Phillips, Matt Wilson, Jerry Tucker, Gary Don Reedy, Jerry Shirley, and Harvey Patterson.

## Lamb County Chapter of Red Cross Meets To Set Goal for Annual Drive

Board members of the Lamb county chapter of the Red Cross met in the secretary's office, Friday night for a regular monthly business session.

J. Henry Cox, president of the organization, presided. The group discussed the budget and set the goal for the annual drive to be held next March.

Mrs. Lyle Brandon, executive secretary, gave a report on an instructor's course in first aid, and accident prevention which she took at T.S.C.W. at Denton last month. She

announced that she had 45 hours instruction in first aid work, and 12 hours in accident prevention, during the 10 day course, which was taught by an instructor out of the national Red Cross office at St. Louis. She said there were 13 states represented, with a total of 75 students.

Mrs. Brandon announced that she would like to teach a class of potential instructors in first aid work—teaching the standard and advanced first aid courses, which includes 30 hours. An instructor from the St. Louis office would then come here and teach the instructors course including 15 hours of class work. The course is in cooperation with civil defense.

## Father Of Roy Wade Stricken With Heart Attack

Roy Wade received a message Sunday night about nine thirty, advising him that his father, C. E. Wade, 73, of Olo, Arkansas had suffered a severe heart attack, and was in a serious condition.

Mr. Wade, a rural mail carrier left Monday morning, shortly after completing his mail route, for his father's bedside and was accompanied by his father's sister, Mrs. Margaret Jackson of Brownfield.

Mr. Wade had been in excellent health. He is a retired farmer.

## Child Slightly Injured In Fall From Automobile

Little Carol Marion Berger, three year old daughter of Mr. and Mrs. Don Berger of Bartlesville, who with her mother and little brother are visiting in the home of Mrs. Berger's parents, Mr. and Mrs. W. G. Street, fell out of the car in which she was riding last Saturday afternoon, and miraculously escaped serious injury.

In some way the child opened the car door and tumbled to the ground, lighting on the shoulder of the road instead of the pavement. The accident happened at Round-up, when Mrs. Berger and her brother, Bill Street and little girl were returning home from Lubbock.

The child was rushed to Payne-Shotwell Foundation where she was given emergency treatment, for a deep gash on her head, two small concussions, and numerous bruises and scratches. She was x-rayed, but no bones were broken.

## Mrs. T. A. Henson Receives Fractured Kneecap In Fall

Mrs. T. A. Henson sr., received a bad fall in which she broke a kneecap last Friday at the home of her mother, Mrs. H. H. Landsaw at Throckmorton.

The accident happened while Mrs. Henson was hanging a curtain. Her daughters, Mrs. Norma Henry and Mrs. Ila Sewell were notified here immediately and rushed to Throckmorton, and had their mother taken to West Texas Hospital at Lubbock last Friday night in an ambulance.

Mrs. Sewel said yesterday that her mother was improved and would probably be able to be removed to Littlefield Hospital in a few days.

Mrs. Henson has spent the greater part of the summer with her mother, who is past 90 years of age and who has been an invalid for more than three years, following the fracture of her hip.

**Two Muleshoe Brothers Recently Stage Reunion**

Two Muleshoe brothers recently held a reunion at a Marine Corps camp, somewhere in Korea, shortly after the younger of the two arrived in the fighting zone.

The brothers are T/Sgt. Robert E. Simmons, 22 and Pfc. James C. Simmons, 18. Both are sons of Mr. and Mrs. M. M. Simmons of Route 2, Muleshoe.

Robert has been in the Marines since enlisting in Oklahoma in January 1946. He went overseas with the First Marine Division June 1950. In June of this year word was received that he had been awarded the Commendation ribbon with 'Combat "V" for service with a supply company "in Korea from Sept. 25, 1950 to Jan. 24, 1951."

The younger brother landed at Pohang, Korea, on Aug. 2 after receiving training at Marine Corps centers in San Diego and Camp Pendleton, Calif. He was enlisted through the Lubbock recruiting station as a member of the North Texas recruit platoon last January.

A third brother, Pfc. Emmett R. Simmons, 21, is stationed at Camp Pendleton. He is the husband of the former Florence Smith. Following his enlistment Feb. 23, he took training at San Diego.

To complete the family service record, a sister is working at the Army recruiting station in Amarillo.

**Cpl. Gee Playing Important Role In Japanese Peace Treaty in California**

A Littlefield soldier, Cpl. Hollis E. Gee, son of Mrs. E. S. Gee, 616 West 6th street, is playing an important role in the Japanese peace treaty now being held in San Francisco.

With other men of the 701st military police battalion, Cpl. Gee is a member of a special security force charged with part of the responsibility of protecting President Truman, members of the American delegation headed by Secretary of State Dean Acheson, and the many classified documents pertaining to the conference. The battalion is working closely with other security agencies in guarding the San Francisco Opera House, site of the conference, and Cpl. Gee has been carefully trained in carrying out the duties to which he has been assigned.

A veteran of nine years service, Cpl. Gee is usually stationed at Fort MacArthur, Calif., but is on duty with the rest of the battalion in San Francisco for the conference.

During World War II, he spent 18 months in Puerto Rico and one year in Europe, serving with the 910th Anti-Aircraft Artillery Battalion, Seventh Army. He wears the ATO ribbon, ETO ribbon with two battle stars, Good Conduct ribbon, Victory ribbon and the ETO Occupation ribbon.

**Two Lamb County Men Charged With Drunken Driving**

Two Lamb county men were charged in Hale county court at Plainview Monday with driving while intoxicated.

Jesse L. Jones, 30, of Springlake pleaded guilty to the charge and paid a \$100 fine and court costs of \$22.95. Jimmy P. Duncan, 34, Olton, pleaded not guilty and was released on \$500 bond.

Officers said the automobile owned by Jones, was driven by both men at different times as it approached Plainview from Olton on Highway 70 Sunday afternoon.

Highway Patrolman Dan Saunders of Plainview said as he drove his patrol car down the highway he met Jones' car. Duncan was driving, Saunders said. Both men were charged with driving while intoxicated.

The officer said he turned the patrol car around. When he overtook the car, the other man was driving, Saunders said. Both men were charged with driving while intoxicated.

Gee, lives at 546 West 32nd street in San Pedro, Calif.

**Hail Damage In Sudan Section Saturday Night**

A strip two miles wide and twenty miles long was badly damaged by hail in the Sudan area, Saturday night. The storm shredded cotton and maize crops. George Reinhardt, operator of a grain company announced Monday. The damage was not reported until Monday, due to the fact that the areas are not covered by weather stations.

Storm damage extended in a southwest to northeast direction from Enochs to a point east of Circleback, then on up to an area west of Sudan cemetery and from there west of the F. O. Masten farm and on into Sand hills.

Mr. Reinhardt said that crops hit by the hail were completely wiped out, and that some of the cotton looked like it would have made a bale to the acre.

No estimates were available on total damage.

The Cape Johnson Deep, off the Philippine Islands, was discovered by the U.S. naval transport Cape Johnson in 1945.

**"In Service Training" Is Set Up Here For Teachers**

Wm. Brune, co-ordinator of curriculum in Littlefield public schools, announced Wednesday morning that an "In Service Training," is being set up in the Littlefield school system this year.

The first was a meeting of the junior and senior English teachers, held Wednesday afternoon and plans were made to coordinate the English program throughout the two schools.

This afternoon a meeting of all primary and elementary teachers will be held, with art being the main topic for discussion. The program will be organized through the 6th grade. Mr. Brune said the art program will be taught in grades one through six, for basic training. In this way students entering the higher grades will be prepared for elective art courses.

Mr. Brune said similar meetings will be called for each subject taught in the junior and senior high school. Grade school teachers will have meetings periodically for the purpose of co-ordinating grade school.

Texans are showing a greater degree of cooperation in forwarding dove bands to the game department.
