Council To Discuss Sunset Job

Discussion of plans for repair of Sunset Avenue in west Littlefield will top the agenda at a regular city council meeting tonight.

The session is scheduled at 7:30 p.m. in the city hall courtroom.

City Secretary Joel Thomson said Tuesday he had contacted 39 of 44 property owners along the street, and 32 had said "yes" to a proposal to rebuild the street from Highway 54 to 1st Street. Another four said "maybe," he added.

The council proposed the project at its meeting two weeks ago. Engineer Ralph Douglas said rebuilding of the street and installation of curb and gutter could be done with the property owners paying \$2 per foot for the improvements and the city paying the balance of \$2 per foot, or a total cost to the city of \$6,400.

If this plan gets the go-ahead, property owners would be getting curb and gutter at a saving, Douglas said, because they normally would have to pay about \$4.25 per foot.

Grand Jury Indicts 13, 7 On Forgery

Thirteen indictments were returned Monday by a Lamb County grand jury, including seven for forgery and passing.

Four others were for burglary with one each for driving while intoxicated, second offense, and removal of mortgaged property.

One forgery indictment was returned against Abram Abeyta, Littlefield. Two other men also were indicted, one on four cases and another on two. Their names were withheld, pending their arrest.

Burglary indictments were returned against Alvin Dale Howard, Fort Worth, two cases; Raymond Trevino, Littlefield; and one other unidentified man who was not in custody or out on bond.

The DWI indictment was returned against Robert McBride of Spade. The man indicted for removing mortgaged property was not under arrest or out on bond.

Members of the jury were Sid Hopping, foreman; Tom Hilburn, R. W. Manley, Otha W. Smith, Buster Owens Jr., Tom Grant, Austin E. Haney Jr., all of Littlefield; R. H. Belev of Earth; Willie Barnett and L. K. Anderson, both of Sudan; H. W. Woodward of Amherst; and Eldon Franks of Olton.

From 'B' To 'A'

Some Farmers Switch Plans

Thirty-one Lamb County cotton growers have changed from plan "B" to choice "A" this season after adverse weather destroyed part of their crops, according to Lamar D. Aten, head of the ASC office here.

The "B" plan provides for about a 40 per cent increase in allotments and price supports of 65 per cent of parity, while the "A" program gives growers their "regular" allotments and 80 per cent of parity supports.

Growers who chose the "B" plan earlier are allowed to change to the "A" program if the additional 40 per cent increase in their allotment is completely destroyed by certain types of adverse weather after it is too late to replant and retain prospects of a normal crop.

Aten estimated that the acreage reduction involved in the change of plans totals approximately 1,000 acres. That, of course, is all "B" cotton.

Recurrent rains have put ASC reporters behind in measuring cotton allotments. About 1,800 farms in the county have been measured to date, Aten said. Thirty-three ASC reporters are measuring a total of approximately 110 farms per day when the

Negro Man, Burned Out, Gets Jail

A Littlefield Negro man's house was gutted by fire last Friday afternoon, and he had no place to stay.

So Sheriff Dick Dyer obliged him Saturday—and threw him in jail.

It all developed after firemen found seven cases of whiskey and two cases of vodka inside the fire gutted home of the Negro, R. C. Willard, six miles east of Littlefield on Highway 54.

After stopping the blaze, firemen checked inside the house and found the liquor in a closet. They later reported it to Dyer, and Willard was picked up the next day.

Willard was charged with possession of whiskey and vodka for purpose of sale under the Texas Liquor Control Act.

He pleaded not guilty in county court Saturday and was freed on \$1,000 bond posted by Kenneth Heard and Gerald Allison.

In other activity, county officers jailed a juvenile Saturday night for investigation of car theft.

The arrest was made by city officers after a car was taken from Giles' Used Car Lot on Highway 84. The car was found outside the city, stuck in the mud.

The boy denied the charge and was released to his mother Tuesday morning, pending a hearing in juvenile court.

An Olton Latin American, Domingo Quiroz, 31, was jailed here Monday after his arrest by Olton Police Chief Floyd Cavin.

Quiroz pleaded not guilty in county court and was released on \$1,000 bond.

Trustees Hire Four New Teachers, Approve 1959-60 School Calendar

Littlefield school board members Thursday night employed four new teachers, accepted resignations of two and set the school calendar for 1959-60 in top items at a regular meeting.

The new teachers are John Crosby, freshman English; James Miller, 8th grade math; Harry

Ford, high school math; and Mrs. Harry Ford, 6th grade.

Resignations of Mrs. Volma Mills, high school girls' physical education; and Mrs. Lenton Smith, high school English, were accepted.

The school calendar approved by the board for 1959-60 will carry one major change.

Commencement exercises will be held on a Monday night, May 23, instead of the traditional Friday night. Baccalaureate will be held on the Sunday night prior to commencement.

The rest of the schedule includes: Start of school year, Aug. 31; Thanksgiving holidays, Nov. 26-27; Christmas holidays, Dec. 19 to Jan. 3, 1960; district teachers meeting, March 4, 1960; and Easter holidays, April 15-18. School will be dismissed on May 20.

Crosby, a Littlefield High alumnus who graduated in 1954, has taught a half-year in Tennessee and a half-year at Stinnett. A graduate of Abilene Christian College, Crosby is the son of the late Mrs. Bonnie Crosby, a long-time Littlefield teacher, and Lloyd Crosby of Littlefield.

Miller, the son of a high school principal at Canyon, will complete his work at Texas Tech in August. Mr. and Mrs. Ford have taught in the Olton school system many

years, with Ford specializing in high school math. Mrs. Ford taught high school English there.

Dr. Ralph Schilling, superintendent, said Mrs. A. D. Ward, freshman English teacher last year, will be moved to junior English to replace Mrs. Smith. Crosby will

Right-Of-Way Funds Available For Project

A letter advising that right-of-way funds are available for widening of U.S. Highway 84 in Lamb County was whisked away to the State Highway Department Wednesday after voters approved three road district elections by overwhelming majorities Tuesday.

Voters in Road District 1-A, the Littlefield area, approved a \$239,000 bond issue by an 861-122 count.

A \$65,000 issue in district 4, the Sudan area was okayed, 173-9, while Amherst voters approved their \$39,500 vote by 123-11.

County Judge Pat Boone Jr. said Wednesday morning he would notify the highway department

officially that day in a letter to District Engineer O. L. Crain at Lubbock.

There could be no mistake about "what the folks wanted," Boone said as he reviewed the landslide victories.

"The commissioners' court probably will wait until the money is actually needed before it will make an effort to sell the bonds," Boone said.

"We'll be saving interest on them in the meantime," he said, "and we'll be hoping for a better break with the bond market later."

Next step for the State Highway Department in the road project is to complete the planning for the road.

Coming later will be more appraisals of a street-by-street breakdown of property along the road and the working out of details in the "50-50" right-of-way program, in which the state pays half the costs of all right-of-way procurement. The state also pays all costs of construction.

No definite time schedule can be set up on the widening project at this time, according to highway department officials. District Engineer Crain told civic clubs here last month that the start of actual construction could come anywhere in the next one to six years.

Election officials described the turnout in Tuesday's voting as heavy in all districts.

Almost 1,000 voters turned out in district 1-A, compared to about 800 when the road project was defeated in this district in 1956.

Only two boxes in the entire voting slate went against the project.

In Littlefield, the courthouse box was 648-59 for the project. A 131-12 majority was racked up at the box at the high school library, while a 39-3 margin was recorded.

GOODWILL TOURS are supposed to be happy occasions, but Joy Johnson, left, and Helen Henry, secretaries at the city hall, wouldn't know about that. They won't get to make the trip around the area this Saturday with the CC's public relations committee and other Chamber members. The hats the girls are sporting will be worn by the goodwillers. Set For Saturday

'Howdy Tour' To Hit 11 Area Communities

A "Howdy Tour" will carry Littlefield Chamber of Commerce members to 11 area towns on a good-will jaunt Saturday.

About 50 Littlefield CC members are expected to take part in

a 10-car caravan that will make stops in towns north and west of the city.

The party will be in each town 15 to 25 minutes, except for Dimmitt, where the members will have lunch.

The second tour Saturday, July 25, has this schedule: Leave Littlefield 8:30 a.m.; arrive Anton, 8:50; arrive Whittharal, 9:35; arrive Levelland, 10:05; arrive Whiteface, 10:50; arrive Morton, 11:25; have lunch there; arrive Enochs, 1:15 p.m.; arrive Bula, 1:40; arrive Pep, 2:10; arrive Littlefield 3 p.m.

The goodwillers will be wearing top hats with "Y'all Come To Littlefield" inscribed on them.

The whole thing is designed to develop a stronger friendship between Littlefield and its surrounding communities, says James Lee, chairman of the CC's public relations committee, which is sponsoring the tour.

A second tour Saturday, July 18, will take goodwillers to eight towns to the south of Littlefield. Here's the schedule for Saturday's tour:

BIG DAY AT THE POLLS—A steady stream of voters turned out at the polls Tuesday as voters okayed three U.S. 84 bond elections. Signing up to vote here are Mr. and Mrs. Roy Allen Hutson, at the courthouse box. More than 700 persons voted here, a heavy turnout. (STAFF PHOTO)

Jaycees To Shred Weeds

Vacant lots in Littlefield will get a repeat performance of last year's mowing beginning the middle of this week, as Littlefield Jaycees voted Tuesday night to take on the project.

The Jaycees are teaming up to secure shredders. Other sources had promised tractors to pull the shredders but were unable to get the shredders.

Jaycee president Slick Chandler said the equipment would be gathered Wednesday afternoon and be ready to start mowing late in the afternoons.

The Jaycees will accept donation from owners of the lots that are mowed, although no specific amount will be charged.

Lot owners need not call the organization to have their lots mowed, because lots will be mowed as the crews move across town. However, lots that are laden with trash and dangerous objects will

Methodists Vote New Parsonage

A special, called conference of the First Methodist Church Sunday afternoon voted to build a new parsonage.

The new home may be constructed in Crescent Park, near the site of a planned new church on the west side of the park.

Sevins, as chairman of the building committee is B. D. Garland Jr.

Other members include Buck Oldham, vice - chairman; Rhea Bradley, Mrs. Jerry Lumsden, Mrs. J. T. Shotwell Jr., and J.E. Chisholm. Mrs. Nila Cockrell, wife of the pastor, Rev. Alby Cockrell, served as an ex-officio member.

Levelland Taps Cats, 6-4, In District Legion Meet

A Littlefield rally in the bottom of the ninth fell short, maybe by inches, as Levelland measured the Cats, 6-4, Monday night at the American Legion District 2 Tournament opened at Levelland. Cat Catcher Jerry Koller's blast in the last-ditch rally carried to the fence, missing a homer by inches.

But Koller died sliding into second, the victim of a fine throw, as he tried to go in with a double.

Koller himself thought the ball was out of the park, and he was a surprised young man when he was nipped at second.

The hit came with Larry Pollard, who had doubled, on second. Only one man was out and the Cats were trailing, 6-3.

A few inches higher and Koller's blast would have made it 6-5. As it was, Pollard scored to make it 6-4.

After Koller was tagged out, Littlefield hopes faded completely when Max Ball, next up, grounded out.

The loss threw the Cats into the losers' bracket of the double elimination tourney. They were scheduled to meet the loser of a Tuesday night game between Bell Creek of Lubbock and Nazareth Wednesday night.

The Cats needed a victory Wednesday night to stay in the tourney. A second loss would knock them out.

Manager Jimmie Chapman said the team would take part in a tournament at Lorenzo, starting July 27, if the Cats were unsuccessful in the district meet.

The loss to Levelland was only the Cats' fifth of the year, against 14 wins.

Levelland took the lead early, scoring twice in the top of the first. Singles by Robert Chadwick and Doug Cannon produced the runs.

The Lobos added two more in the top of the fourth, on hits by Mac Marcom and C. Carlisle.

While the Lobos were getting to Littlefield hurler Pollard early, the Cats were having trouble with Levelland's Jimmy Harris.

The Cats finally broke into the scoring column in the bottom of the fight, using four walks and a

Base Stealing Tells Story of Monday Tilt

In a minor league game Monday night at the Little League Park, Bawcom Butane beat VFW 9-6.

VFW went ahead of Bawcom Butane 2-0 in the top of the first inning. Tim Tapley singled, stole second and third, and tallied on a fielder's choice. Lyndell Stansell walked, stole second and third and scored on an error.

Bawcom Butane scored three runs in the bottom of the third inning to make the score 3-2. Key-

in Hutson went to first on a fielder's choice, stole second and third, and scored on a single by Donald Joplin. Joplin stole second, moved to third, and crossed the plate on an error. Radison Smith went to first on an error, stole second, and tallied on a single by Jimmy Smith.

VFW scored three runs in the top of the fourth inning. Loyd Al-

single by Van Ashley to get two runs and make it 4-2.

Levelland got single runs in the top of the eighth and ninth. Cannon's double accounted for the eighth inning marker, and hits by Anderson and Smith did the trick in the ninth.

Then came the Cat rally. Ronnie Rice opened it with a walk. Pollard doubled to score him, and then Koller came up with his long knock.

Pollard pitched 8 and 2-3 innings for the Cats, allowing all six runs and nine hits. Tom Lewis came in to get the last Lobo batter.

Harris limited the Cats to five hits and struck out 13 batters. Littlefield hits were picked up by Ashley, De Pierce, Ball, Pollard and Koller. Pierce played only two innings because of an arm cut he received last Saturday.

George Neely Honored At Party On 77th Birthday

Mr. George D. Neely was honored with a surprise birthday party Saturday at 7:30 p.m. at his home west of town on the Clovis Road. Mr. Neely was 77-years-old Monday.

Hostess was Mrs. Neely who also celebrated her birthday which was Saturday.

The party was entertained with group singing and the opening of gifts. Special surprises of the gift-opening were several "joke" gifts for Mr. Neely.

Miss Mitchel Gives Talk To Yellowhouse HD 4-H Revue Set Saturday

Miss Patricia Mitchel of Spade gave a talk on her trip to a 4-H round-up at Texas A&M for a Share-The Fun Contest at a recent meeting of the Yellowhouse Home Demonstration club.

The meeting was held in the home of Mrs. Kenneth Haire. For the opening exercise, all 11 joined in a game led by Mrs. Mack Tucker.

Roll call was answered by "A Way I Could Help The 4-H Club."

Refreshments of tuna sandwiches, potato chips, sweet pickles, cake and cold drinks were served to Mmes. H. A. Vick, J. D. Lee, Jerry Haire, T. M. Murdock, C. T. Montford, Fred Duffy, W. A. Tindal, Mack Tucker, J. B. Haire and guests, Miss Patricia Mitchel, Mrs. Edward Mitchel, Mrs. Phillip Short and children, Cindy and Quinton, of Plainview and Barbara Haire of Muleshoe.

For the next meeting each member was asked to bring a sack containing a dress, hat, bag and accessories to exchange for modeling.

The meeting will be July 21 at the home of Mrs. Jerry Haire at 801 West 1st Street.

3 Road Districts - Whitharral Looks For School Head

(Continued From Page One)
ed at the box at Lumsden-Perkins Gin.
Voters in the Spade School box turned down the proposal, 48-43. Amherst voters, using only one box, scored a 123-11 margin for the widening plan.
At Sudan City Hall, in road district 4, voters made it 173 for, 6 against the proposal. The only three votes cast at the other district 4 box, at Pleasant Valley, went against the issue.
Probably the big reasons behind the overwhelming votes for the project were because the two-lane road has claimed several lives in traffic accidents since 1956 and because voters were not faced with a big tax hike in approving the elections.
No tax increases will be necessary in road districts 1-A and 4, and only a 7 1/2 per cent increase is expected in road district 3.
The bond schedule for road district 1-A shows figures for 15-year bonds at 4 1/2 per cent interest. Schedules for the Sudan and Amherst districts also figured at 4 1/2 per cent interest, with 12-year bonds in the Sudan district and 13-year bonds in the Amherst district.
Interest of 4 1/2 per cent is the maximum allowed in the proposed bond issues. Interest at the time the bonds are sold could be lower, depending on the status of the bond market at that time.
The widened road will follow its present course across the county except for two planned bypasses, both of which are in road district 1-A, the Littlefield area.
One bypass will go slightly to the south at Bainer Switch, around a gin. The other is the Littlefield bypass, which would leave the present highway east of town, skirt the southern edge of the city and rejoin the present course just west of the city.
The Littlefield bypass starts at a point east of a cafe, formerly Mac's Steak House, follows a course along the city's southern edge, then returns to the present highway at a point west of Littlefield Cemetery.
The appraiser's map shows a distance of 9.2 miles from the Hockley County line to the point where the Littlefield bypass will start. The bypass is 5.75 miles long. From Littlefield west, the route is 23 miles.
Rick Ferrell, director of minor league players for the Detroit Tigers, has been in baseball since 1926. He formerly caught for the Tigers.

Whitharral Looks For School Head

WHITHARRAL - The Whitharral schools are again looking for a superintendent.
Willard Hedges, who had been superintendent at the school since last spring, resigned Monday night. However, he will remain as the school's high school principal.
He announced plans to enter private business, too, and would not have time for the superintendent's job.
Applicants for the superintendent's job may contact Hedges, who lives in Littlefield, or T. C. Wade, president of the Whitharral School Board.

Don Nickson Is New Pharmacist At Staggs Drug

Don Nickson is a new pharmacist for Staggs Drug, announced Dan Staggs, owner of the Littlefield business.
Nickson, 24, and his wife have moved to Littlefield, and will reside at 1504 West 4th St.
He is a May graduate of the school of pharmacy at Southwestern State College at Weatherford, Okla. He received a BA Degree in education from Abilene Christian College in 1956.
Formerly of Crosbyton, Nickson's father, G. C. Nickson, is a pharmacist in Crosbyton.
The Nickson's have two boys, Alan, 2, and Mark, 2 months. They are members of the Church of Christ.

move into the position occupied by Mrs. Ward last year.
Employment of the new teachers leaves two openings at the school system - high girls' P.E. and junior high P.E.
Mrs. Mills has accepted a position in the Lubbock school system, as Mrs. Winnie Stout, high girls' P.E. teacher, a year, did earlier.
Mrs. Smith resigned here in order to spend more time with her home and family, Dr. King said.
In other action, the board renewed its contract with engineering firm of King, Stults and employed G. and Co., Amarillo, as auditors.
The board also selected City State Bank as its depository for school funds for the next year.
Board members will receive copies of a proposed budget for 1959-60 in the next few days. Budget will be discussed at next meeting in August and public hearing on it will be held at that time.

The semi-cleanup project is intended to help in making Littlefield more attractive and to rid the city of weeds that harbor insects.
Persons that have lots with trash may clean them up and then the Jaycees will be glad to shred them, the mowing crews said.

James C. Crume Dies in Portales

Funeral services for James Charles Crume, 74, of Portales, N.M., were held Monday at 2:30 p.m. at Wheeler Mortuary in Portales.
Crume died Saturday at 10:50 p.m. in a Portales hospital. He had been in ill health for a number of years, and for the past two and one-half years had been confined to his home.
He was the father of Lloyd Crume of Littlefield.
Other survivors include his widow, Mrs. Annie Wallace Crume of Portales, three sons, Wallace of Hobbs, Charles of Portales, and Lloyd, three daughters, Mrs. Cornelia King of Modesto, Calif., Mrs. Claudine Neece and Mrs. La Vern Green of Portales; two sisters, Mrs. Pearl Bell and Mrs. Annie Roark of Rusk, and 12 grandchildren.

County To Buy New Equipment

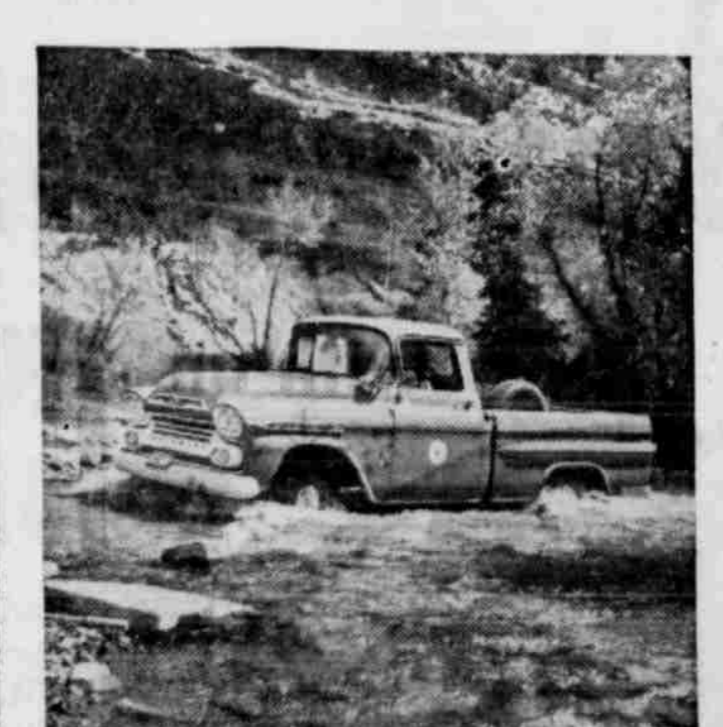

County commissioners Monday authorized taking of bids on two new pieces of equipment, a new motor grader for precinct 3, Littlefield, and a portable rock breaker for precinct 4, Sudan.
The action came at a regular meeting of the court. Bids on the motor grader will be opened at 10 a.m. July 31. The rock breaker bids will be opened at 10 a.m. Aug. 10.
In other action, the court okayed payment of bills, June reports of the extension agents and a quarterly report of the county treasurer.

Spouting Off

(Continued from Page One)
if it was a bunch of Kiwanians.
IF GLENN REEVES ever decides he's had enough of being high school principal, I'll personally recommend him to cook in the cafeteria.
Glenn did the cooking Monday night when Dr. Bill Armistead was host to other school board members, principals and the school's board of equalization for a steak dinner.
Glenn is quite a man at cooking out. The whole group was fat and happy afterwards.
Dr. Armistead paid for the shindig. It was the result of a "bet" he had on with Ralph Schilling.
Earlier in the year, Bill bet Ralph that the legislature would approve a raise for teachers through the Hale-Aikin study.
Ralph said he didn't think the legislature would do it, but he offered to buy the whole board a steak dinner if it did.
Dr. Armistead then said he'd buy the board's dinner if the legislature didn't give the teachers more money.
This week, with hope for teacher pay raises practically nil, Dr. Armistead had to pay off.
I imagine Ralph would have been happier if he had been the one buying the dinner.

Up a steep mud-choked wash—Positraction pays off!

Through a mountain stream—deep in Avintaquin Canyon.

NO MOUNTAIN CAT, MISTER...

That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways of a big western bobcat. Roams through high brush country that would buck the life out of most trucks. Crosses streams without benefit of a bridge. Climbs talus grades where pifion won't even grow. But that's all routine for this Chevy, equipped with Positraction* rear axle. It's hard at it every day for the Utah Fish and Game commission. Figure about 60,000 miles of mountaineering before this Chevy is traded. And yet the district officer who drives it would bet his badge the tie rods won't even need replacing!

Out in that wild, climbing Utah country, Chevy's suspension and frame and brakes, its Positraction* rear axle and Thriftmaster 6 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevrolet's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped 1/2-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. We've got trucks that specialize in getting in and out of any kind of country. Talk to your dealer about your needs. He'll show you what tough trucks are made of.

*Optional at extra cost

No job's too tough for a Chevrolet truck!

Spade Scoops

By Mrs. Joe Prater

Monday supper guests in the home of Mr. and Mrs. Joe Prater in observance of Mr. Prater's birthday were their daughter and three nephews and family. Mr. and Mrs. Bayne McCurry, Roger and Baynetta, and Mr. and Mrs. C. D. Stafford of Amherst, Mr. and Mrs. Kenneth Reast and daughters were also evening guests.

Mr. and Mrs. Roy Hutson, his

father from Lubbock, and her sister from Gene Autry, Okla., returned home late Monday from a vacation in Colorado. They visited their nephew and family. Mr. and Mrs. Kenneth Hutson, of Colorado Springs, Colo., and went sightseeing at Denver, the Royal Gorge and other interesting places. Mrs. Hutson's sister will visit in this area about two weeks.

Mrs. B. D. Stafford has been employed as supervisor of the local school lunch room. She and her husband who recently passed away, are former residents of Spade. He worked at the local gin and she was employed in the school lunch room. She is better known to many as Ruby.

Mrs. Stafford is vacationing in California with her son and family by Mr. and Mrs. Orville Stafford and son of Lubbock. Her other son, David, and family moved from Spade to Littlefield. Both boys attended school here and Orville was a 1950 graduate.

Mr. and Mrs. Merritt Brooks and son of Friona and his mother from Littlefield, visited Mr. and Mrs. John Vrubel and family recently.

Miss Alice Jones came home Monday after completing her finals at Tech for the first summer semester. She plans to return to Tech this fall.

Old Football Injury Hospitalizes Howle

Assistant manager of Foxworth-Galbraith is laid up in the Medical Arts Hospital with an injured knee.

He is Bill Howle, who recently moved to Littlefield from Plainview. Bill was watching a golf tournament in Plainview last week and jumped out of a trailer right into a chug hole and re-injured an old football injury.

Local arrangements for the convention were made by 15 committees, headed by general chairman Lewis Bracy. Bracy estimated that more than 150 citizens served in preparation for the convention.

Jerry have returned from Kansas City, Mo., where they visited their daughter, Miss Pat Ligon, who is working there.

Mr. and Mrs. Melvin Copaus and Marvin Allen of Austin, arrived Monday for a visit with the latter's sister, Mrs. Ralph Wade and family, and other relatives in the area.

Last Rites Today For R. G. Boozer

Funeral services for Richard Glenn Boozer, 89, of Shallowater, will be held at 4 p.m. today at the First Baptist Church. He died Tuesday at 7:45 p.m. at a Lubbock Hospital.

Rev. C. K. Roberts will officiate, assisted by Rev. Allen Adams. Burial will be in Lubbock City Cemetery.

Boozer was a retired farmer, and had lived in Lubbock County since 1928. He was born in Gallion, Ala.

Survivors include four sons, Norman, St. Helen, Ore.; Garland, Shallowater; Joe, Dimmitt; and Eli, Sallis, Calif.; three daughters, Mrs. Varina Putman, Mrs. Julia Vaughan and Mrs. Opal Vaughan, all of Shallowater; a brother, Charles F. Boozer, Dayton, Ala.; a sister, Mrs. Lizzie Dismukes, Mobile, Ala.; 18 grandchildren; and 10 great-grandchildren.

The Rotarians over in Sudan will get their molasses supply replenished this week. Gus Shaw has just returned from a trip to Mississippi and as usual he brought back around six gallons of that good sorghum cane molasses for the club.

After a week's living in a log cabin and cooking on a wood cook stove, my wife would be a good person for a testimonial for either Howard Horne or Charlie Duval's companies. Well, I could testify too. I had t get up and fire the stove up each morning.

There isn't room in this column to tell about all the fish we saw or couldn't catch, but we caught enough trout to eat and we ate well.

The children wanted to go swimming, so we stopped in Santa Fe and learned the directions to the swimming pool. It was a nice enclosed pool, but evidently they expect their children to swim the first time they jump in because the water in the shallowest spot was around five feet deep. We looked all over town and never did find a pool for little tots. Kids had to wait until they got back to Littlefield.

The children and I thought it was a real good vacation, but the wife wants to know when she gets a vacation, said she had to cook and take care of children as usual.

HERE'S A GOOD ONE: A farmer, running for the office of county treasurer, was making a campaign tour around his district.

One afternoon he was addressing a gathering which consisted of farmers.

These sons of the soil were not too sympathetic to his political views, and he was being constantly heckled as he talked. One farmer finally said:

"Hey Jasper! You call yourself a farmer? Let's see the calluses on your hands!"

"My friend," snapped the candidate, "I am a modern farmer. Before I came here this afternoon I spent 6 hours on a binder in a 30 acre field of oats. If you call yourself a farmer, you know that the calluses are not on my hands!"

These little "cotton" showers each night are more general than you think. While driving back from Ardmore, Oklahoma Tuesday night we encountered the showers east of Floydada and it rained right on in to Littlefield. We thought last year was rainy, this one's getting wetter all the time.

It was very gratifying to know that Lamb County folk along Highway 84 are interested in progress. That they are interested in making the highway safer, by voting to make it a four lane at the polls Tuesday.

Many merchants have been concerned with the by-pass south of Littlefield, possibly area shoppers might pass Littlefield up! This week's Kiplinger report cites example after example of cities similar to Littlefield who have been by-passed by four lane highways and in every case business has increased for these towns. All in all the size of the city increases as it grows to meet the new by-pass. Shopping centers spring up. O. L. Crane, district highway engineer from Lubbock has already told us that the present Highway through Littlefield will be improved, making it even easier for folks to come right on in to town and shop.

Our first back-to-school advertising appears in today's Leader. Anthony's have two big advertisements on school clothing. Hall Motor is cleaning up on some irrigation motors at close-out price.

Sister Of Local Men, Mrs. York, Dies Tuesday

Mrs. Katherine Frances York, 73, died at 5 p.m. Tuesday at a Lamesa Hospital. She was a long-time resident of the Gail community.

Funeral services will be today in Gail School auditorium. Burial will be in Gail Cemetery. Born in Williamson County, Mrs. York had been a resident of Borden County for 59 years. She was a member of Dorward Memorial Methodist Church, Gail.

Survivors include the husband, J. N.; three sons, Lee F. Lubbock, J. C., Ft. Sumner, N.M., and N. W., Santa Rosa, N.M.; two brothers, Guy and Clyde Willis, both of Littlefield; and six grandchildren.

Group Attends Ordination Of Rev. Burnett

WHITHARRAL - Rev. Hugh Montgomery, Rev. M. D. Durham, Mesdames Ornie Burnett, John L. Burnett, Elva T. Crank, Misses Anita and Betty Burnett and Jim Burnett were at Plainview Monday evening to attend the ordination service of Rev. Roland Burnett of Lovington, N.M.

The ordination took place at the Seth Ward Baptist Church, Rev. Durham was moderator of the presbytery with Rev. Montgomery delivering the charge to the church. Others participating in the service were Rev. Larry Young, pastor at Seth Ward Church, Professor of Sociology Douglas Clark, Wayland College, Plainview, and Rev. Leon Rice of the Northside Baptist Church, Lovington, N.M.

Burnett, the son of Mr. and Mrs. John L. Burnett of Rt. 2, Levelland, is the assistant pastor at the Northside Baptist Church. He is a senior at Wayland College and with his wife and two sons, Keith and Paul Wayne have moved to Lovington for the summer.

Services Held For Mrs. Brock

Funeral services for Mrs. R.W. Brock, 89, of Lubbock, a former Littlefield resident, were conducted Tuesday at 2:30 p.m. in Bowman Chapel of First Methodist Church in Lubbock.

Mrs. Brock, who died at her home in Lubbock at 3 p.m. Sunday, moved to Lubbock from Littlefield nine years ago.

She was a member of First Methodist Church of Lubbock, Dr. J. Chess Lovern, pastor and Dr. J. O. Haymes, associate minister, officiated.

Burial was in City of Lubbock Cemetery. Pallbearers were Noble Sides, Pat Patton, A. B. Phelps and E. T. Duckworth, all of Lubbock, H. O. Fincher of Seminole and Charlie Kester of Odell.

WOW Team Leaves Friday For Minneapolis Meeting

Twenty members of the local WOW team will leave Friday morning by chartered bus for Minneapolis, Minn., where they will take part in the biennial convention of the national WOW.

The men composed the local camp's national championship degree team. They will perform a ritualistic ceremony on the opening night of the convention Monday night.

The 20 persons making the trip include W. D. Chapman, field representative; J. F. Mynard, past consul; Merle Beard, consul commander; Merle Gamble, adviser; lieutenant; L. D. Stanaford, banker; James R. McKinney, escort; John Alford, team captain; and members of the degree team, James R. Hine, Doyle Dean, Eugene Carter, W. T. Jackson, Mitchell Sisson, Garland Koozts, Marion Williams, Edgar McCanties, Frank Robingson, Jimmie Chapman, Waymon Barker, Floyd Rogers and Claude Oliver.

The local camp won the trip to the national meeting by placing first among all degree teams in the state and nation. The group also performed at the state meeting in Tyler earlier this year.

After taking part in the convention Monday and Tuesday, the group will have a "fun day" Wednesday, with a bus tour of the city with luncheon on Lake Minnetonka, and attendance at an evening

Commencement address for the 25 candidates for degrees at Wayland Baptist College summer exercises, according to President A. Hope Owen.

Ceremonies will be held at 7:30 p.m., Aug. 20, at College Heights Baptist Church and will be followed by the President's Reception in Van Howling Memorial Library.

Candidates for degrees include: Martha Rankin of Amherst, Betty Daniels of Olton, and Vonelle Commons of Whitharral.

New Catalog For Sears Soon To Be Distributed

Local catalog customers of Sears, Roebuck and Co. soon will be receiving the largest catalog published by the company in 41 years, Mrs. Bettye Smith, manager of the Sears catalog sales office in Littlefield, said this week.

Issued for the fall and winter selling season, the new catalog

lists more than 135,000 separate items in its pages, she said.

Almost five weeks will be necessary for complete distribution of the more than 8 million copies of the big five-pound book. It is printed in eleven different editions one for each of Sears eleven mail order houses.

Noting the changes in the catalog over the years, Mrs. Smith said that approximately 48 per cent of Sears anticipated sales volume from the new book will come from products which were not even developed before World War II. Among these products are television receivers, automatic washers and dryers, power lawnmowers, and wash-n-wear clothing and tubeless tires.

Mrs. Cecil H. Tate, is a 1955 graduate of Muleshoe High School. He is a student at Texas Christian University and a member of Sigma Phi Epsilon Fraternity.

They'll leave Minneapolis next Thursday and arrive home July 26.

National Farm Safety Week

OFFICIAL MEMORANDUM

BY

PRICE DANIEL
Governor of Texas

AUSTIN, TEXAS

INGS:

economy of the entire Nation is dependent upon continued well-being and progress of our State's rural population. Accidents from farm work cause suffering, distress and loss of life each year among rural families.

The period of July 19-25, 1959, has been designated as National Farm Safety Week by the President of the United States in cooperation with the National Safety Council. Vigorous farm accident-prevention education program will be conducted during this week by the Texas Bureau of Farm Safety, the Texas Farm and Ranch Bureau, the Texas Agricultural Extension Service, the Texas Safety Association.

directing the attention of our rural residents to farm safety education, such worthwhile programs can greatly reduce farm accidents.

HEREFORE, I, as Governor of Texas, do hereby proclaim the week of July 19-25, 1959, as

FARM SAFETY WEEK

in Texas, and urge all Texas farm families to increase their vigilance against needless accidents and further encourage interested organizations and individuals to participate in this program.

In official recognition whereof, I hereby affix my signature this 22nd day of June, 1959.
(Signed) PRICE DANIEL
Governor of Texas

And Opinion

LY, TEXAS, NEWS-HERALD: "... Too many high school graduates go on to college with not what they want to make of themselves. Some use it as the thing to do; others because they have a few more years of loafing at the expense of their parents. As a result, many of them come out with a degree that has no meaning, yet they expect it to open doors to a high-salaried job."

FFALO, WYOMING, BULLETIN: "If you are an average American motorist, driving your car 10,000 miles a year, your personal transportation bill came to \$1,500 in 1958, an American Automobile Association study. Biggest item—\$565—is depreciation."

ODLETOWN, DELEWARE, TRANSCRIPT: "A man in a fight help the other guy beat him? A ridiculous question, isn't it?"

ed by the Railroad Unemployment Insurance Commission which employees who go on strike draw from funds set up and maintained entirely by the railroad industry. Thus, when the Brotherhoods use their weapon of a strike to force concessions out of management, federal law in effect compels management to hand the unions extra ammunition."

GERSTOWN, MARYLAND, MORNING HERALD: "Somewhere around 15 per cent of all personal income of the nation is paid out now for nonwork. That is, social security payments, life insurance, pensions, dividends, interest and rent, and various other payments under federal, state and local programs. It is working obviously has become big business in the United States. And it seems destined to get bigger."

ST BRANCH, IOWA, TIMES: "Fellows who with one hand are usually headed for a church and with the other will walk down it—others will be carried."

H SQUARE, NORTH CAROLINA, THE NEWS: "Used to be it was a pitiful thing, with a notation of shame and disgrace, for a person upon such evil days that one sought public aid in this day of wholesale government aid to all persons, there is neither shame nor disgrace. It is becoming the accepted, if not popular, thing."

AUSTIN, TEX. — Whatever the outcome of the summer tax battle, when the smoke has all cleared, the fire won't be out.

Like live coals banked in ashes, the tax issue will be ready to flame up again when new fuel is added.

Sources of new fuel are easily foreseeable.

Every member of this Legislature, by his voting record, expressed a tax viewpoint. Many of them will have to face opponents attacking this viewpoint in the 1960 elections. Since a new law moves primaries up by two months, campaigning will begin long before the dogwood is out. . . maybe while the Christmas lights are up.

Many candidates may be wary of lighting into an issue on which it's almost impossible to take an all-around popular stand. But whoever gets elected and comes to Austin in 1961 will find the old tax monster waiting, bigger and fiercer than ever.

This Legislature will likely enact just barely enough new taxes, mostly on "old favorite" sources, to cover the budget. But the 1961 budget will have to be bigger. For some time population growth and other factors have kept budgets going up by about 10 per cent every two years.

Additionally, there will be, as always, demand for new programs, new buildings, new spending. Hale - Aikin school improvement program alone would call for at least a \$100,000,000 tax bill.

Only hope for avoiding an even hotter tax battle in '61 is for 1960 voters to give their elected officials clear instructions on what they want and how they're willing to pay for it.

BATTLE LINES — Show - down fight of the second called session came on a \$90,000,000-a-year tax bill based on about three-fourths selective sales taxes, one-fourth business taxes.

It was in line with expressed sentiments of the Senate, but many House members regarded it as "another insult". All the five Senators and five House members on the conference committee that worked out the bill signed the report and recommended adoption.

It was designed to get revenue from these sources over a 2-year period:

TOBACCO — Cigarettes up 3 cents a pack (for two years-then back to one cent) to raise \$9,000,000. Other tobacco products, except snuff, a 25 per cent tax to raise \$13,500,000.

NATURAL GAS — raise in the production tax from 7 to 8 per cent to bring in \$12,000,000.

CORPORATION FRANCHISES — increase of 75 cents per \$1,000 capital to May, 1960, 50 cent increase thereafter, to raise \$32,000,000.

UTILITIES — a 20 per cent increase in gross receipts tax except for telephone and telegraph for \$3,000,000.

MOTOR VEHICLES — increase

in sales tax from 1.1 to 1.6 per cent, for \$20,400,000.

BEVERAGES — liquor up from \$1.408 to \$1.68 a gallon, wine up 20 per cent, for \$6,000,000.

BOATS, MOTORS, AIRPLANES — a new 1.6 per cent sales tax, for \$3,250,000.

RADIOS, TELEVISION PHONOGRAPHS — a 2.2 per cent sales tax, for \$6,000,000.

CAMERAS — temporary 10 per cent sales tax for \$6,000,000.

Provisions for more vigorous tax collecting would bring an estimated \$4,000,000 more.

NEW INSURANCE BILL — Out of the House-Senate conflict over the State Board of Insurance came a reorganization bill aimed at getting rid of at least some present officials.

Sen. Floyd Bradshaw of Weatherford introduced the bill calling for organization of a new three-member, full-time Board of Insurance.

One member would be designated Commissioner at a \$20,000 salary. One would be the chairman at \$15,000; another, a member at \$15,000. Nothing in the bill says present members could not be appointed.

Board Chairman Penn Jackson said that a merit rating plan, setting lower rates for accident-free drivers, will be made later.

Jockey Eddie Arcaro, 43, has won 24 million dollars in purses since winning his first race on Jan. 14, 1932.

Since 1937 Nebraska has had only one house in its legislature, instead of the usual two of other states.

pointed, but all appointments would be subject to Senate confirmation.

Senators tried to oust present Commissioner William A. Harrison two years ago, were balked by Board Chairman Penn Jackson and an Attorney General's ruling that they lacked this authority.

Since then Senate hostility toward Jackson and Harrison has been open and frank. Senate appropriation bill slashed salaries to one-third time for Board members. House held out for full-time Board.

Senate's counter-offer was the reorganization bill. . . with a full-time Board to please the House and a chance to name new members to please the Senate.

LET NATURE BE — A group of West Texas ranchers won another round in their court fight to force a cloud-seeding firm to leave the weather alone.

Texas Supreme Court upheld an injunction to stop a "weather modifying" program by Southwest Weather Research, Inc.

Weather Research had been hired by a group of Fort Stockton cotton farmers to drop silver iodide pellets into clouds that threatened to bring crop-destroying hail storms.

Water - loving ranchers brought suit. They contended the cloud seeding not only chafed off the hail but moisture of all kinds.

INSURANCE CUT DUE — State Board of Insurance has ordered reductions in auto insurance rates ranging from 10 to 15 per cent in some parts of the state.

Effective date is Aug. 1. Most of the cuts will stem from a reduction in expenses, such as agent commissions, rather than low accident rates. Statewide the cuts will amount to about \$26,000,000, saving some drivers as much as \$20 a year.

In some areas, mostly larger cities, the drop will be smaller and in a few counties the rate will rise.

Board Chairman Penn Jackson said that a merit rating plan, setting lower rates for accident-free drivers, will be made later.

Jockey Eddie Arcaro, 43, has won 24 million dollars in purses since winning his first race on Jan. 14, 1932.

Since 1937 Nebraska has had only one house in its legislature, instead of the usual two of other states.

Whitharral GA's Attend Meeting

WHITHARRAL - Mrs. M. D. Durham and Mrs. Tom Burrus were sponsors for the Junior and Intermediate G.A.'s at the Plains Baptist Assembly near Floydada, Texas, Monday through Wednesday this week. Those attending were Misses Mary Edwards, Lorett, Tipton, Marsha Burrus, Lorraine Hayes, Linda Overman, Carolyn Overman, Martha Slape, Sandra Gage, Judy Wade, and Gayle Burrus.

Rev. M. D. Durham and Buf. Hayes assisted the group in size that us farmers ought to do something about our public relations, do something to change the

Sandhills Philosopher
Public Relations Expert
Not Needed By Farmers

Editor's note: The Sandhills Philosopher on his Johnson grass farm claims he's found a new angle to the farm problem this week.

Dear editor: As a lifetime student of the farm problem, not of what I think it is but what other people think it is, I'll have to admit that this week I have run across a brand new idea on the subject.

According to an article I read in a newspaper day before yesterday-I think it was day before yesterday, when you don't do any more one day than the next, they all run together-the farmer "is suffering today because of bad public relations."

Right now, he continued, the people look on the farmer as (1) a hayseed, or (2) a profiteer responsible for the high cost of living, or (3) the biggest hog at the public trough, depending on the government to take care of him.

Now I don't know which one of these images you city people have when you think of me, but that Number 2 picture is the one I wish was right. For one thing, I'd like to be a profiteer. You could throw Number 1 in, it'd be all right, I wouldn't mind. I wouldn't care if you thought I was a hayseed, just so long as I was profiteering. And as far as the government taking care of me goes, it's a beautiful dream, but I've never been able to swing it.

This man went on to emphasize that us farmers ought to do something about our public relations, do something to change the

Appearing prosperous never did appeal to me. There's millions of those folks in the country now, especially in the towns and cities. Nothing less than the genuine article will ever suit me.

Yours faithfully,
J. A.

County Now Under State Game Laws

Regulatory authority of the Game and Fish Commission has been extended to cover 104 counties in Texas, including Lamb County, for the coming season, according to W. J. Cutbirth, Jr., assistant secretary of the Commission.

All of the upper Panhandle counties now are under the regulatory authority, as well as the counties of the Trans-Pecos area. There is an unbroken chain of counties extending from the Panhandle southeast to include Jefferson County on the southeast corner.

Much of the North Central Texas area also is included in the list.

Hearings are now being held in each of these counties to set up hunting and fishing regulations for
