

Commission Approves Oil Wells Within City Limits

Commission, at a special Wednesday morning, unapproved and enacted ordinance, which permits the oil wells within the city restricts drilling operations well for each 20 acres, and that approximately would be the maximum be drilled, as the city rises some 2100 acres, or one-third square miles drilling blocks.

cally by C. J. Duggan, to drill an exploratory well, if necessary acreage could be leased, and the city was willing to enact the spacing ordinance, which has now been passed. This in turn opens the possibility that a well or wells will be drilled here in the immediate future. Murchison posted a \$15,000 forfeit bond with First National Bank, guaranteeing to start the well in 120 days if the acreage can be obtained. However, enactment of the ordinance will open the door to any other operator, who wishes to

make the test, and can secure leases. The wording of the ordinance follows the general pattern enacted and in effect in many other Texas cities. The Littlefield City Commission also placed some additional safe-guarding provisions in the new ordinance. Numerous surveys have been made by geologists in and around Littlefield, and many of their reports have been said to be favorable. Murchison, if he starts drilling of a test well here, will sink it to a depth of 7700 feet, if necessary, he has stipulated.

Moisture Sunday Puts Land In Excellent Condition For Spring

It dripped and drizzled rain over Littlefield and this area Sunday, but the best that Vic Bullman, who keeps watch over the moisture gauge at the oil mill here, could do, as the rain ceased was to report moisture totaling only one-fifth of an inch. Bullman said however, that this

brings the total for 1953 to date as 1.61 inches, which includes .65 in March, .23 in February and .73 in January. Land tracts throughout the county are mostly in excellent, plowed condition to take advantage of every drop of moisture that falls. (Continued on Back Page)

Six Candidates for Commission

Six men have filed for places on the Littlefield city commission. The deadline for filing was March 7, and the election will be held Tuesday, April 7. Those who filed in the last few days of the limit were A. C. Chesher, for re-election as mayor; Lon C. Campbell, for re-election as a commissioner, and Hamp McCary,

real estate man and farmer, for election to the commission. Those who filed previously were L. C. Hewitt, city commissioner, for election as mayor; Pat Boone, attorney, for election as commissioner, and Nelson Naylor, a ware merchant, for election to the commission.

Last Rites For Jerry Roberson Held Monday

Jerry M. Roberson, 85, passed away at his home near Littlefield, Sunday afternoon at 1:30 o'clock. Funeral services were conducted from the First Methodist church, Monday afternoon at 3 p. m. with Rev. Darris Egger, pastor of the First Methodist church at Amherst, assisted by Rev. Elmer Crabtree, of Slaton, officiating. Interment was in Littlefield cemetery, with Hammons Funeral Home in charge of arrangements.

Survivors include his wife, four daughters, Mrs. R. A. Wall, Littlefield; Mrs. C. C. Self, Sterling, Kansas; Mrs. J. P. Wormeringer, Great Bend, Kansas; Mrs. Charles Casey, Haisington, Kansas; four sons, Paul Roberson, Lyons, Kansas; Don Roberson, Cleveland, Ohio; Herb Roberson, Great Bend, Kansas; Richard Roberson, Norton, Kansas, and a nephew, Roy Roberson of Littlefield, who lived with the deceased. Also 22 grand children and 13 great grand children. One sister, Miss Renna Roberson of Cropwell, Alabama, also survive. All of the children were present for the last rites.

Pall bearers included Herman Bussanmas, Ervin Bussanmas, Carl Pillion, Lueck, Eddy, and Walter Schroeder. Deceased was born August 17, 1867 in Alabama. He had been a resident of Littlefield since 1937. He was a retired farmer.

Olton Scouts To Have Special Birthday Party

Olton Girl Scout leaders are entertaining with a party for Girl Scouts Friday afternoon, March 13, 3:00 p. m. in the Olton high school auditorium. The party is given in celebration of the founding of Girl Scouts 41 years ago, on March 12, 1912, in (Continued on Back Page)

Parents Requested To Register Pre-School Children

All parents with pre-school children, who will enroll in the local schools for the first time September 1, are requested to register their child with principal Paul E. Jones, on Monday, March 30. Mr. Jones will be in his office in the primary school building on that date, for the registration. Parents are also requested by the local school board to have their child vaccinated for smallpox before the beginning of school next fall, it has been announced.

LOCAL WOW CAMP TO BE WELL REPRESENTED AT STATE MEETING

Merle Beard, L. D. Stanaford, Sam Hutson, W. D. Chapman, and Robert Kirk, will attend the state convention of the Woodmen of the World Life Insurance Society, March 19 to 21, in Hotel Beaumont at Beaumont. Mr. Chapman, accompanied by Mrs. Chapman, will leave Littlefield Sunday, and enroute will visit their son, Sgt. Chapman, at Houston, while at Beaumont will visit in the home of their son and

daughter-in-law, M-Sgt. and Mrs. Loyd Chapman. The remaining of the Littlefield party will leave Littlefield Tuesday for Beaumont. More than 800 delegates and visitors representing some 72,000 Texas Woodmen will attend. Among the speakers will be W. C. Braden, national secretary, of Omaha, Nebraska; National Director Charles A. Hines, Greensboro, North Carolina; R. N. Dossmann, (Continued on Back Page)

Last Rites For Harry Kline Held Wednesday At Houston

Junior High P-TA Officers Elected

Mrs. O. P. Wilemon was elected president of junior high school Parent-Teachers Association for the ensuing year, at a meeting of the organization held in the junior high school Tuesday afternoon. Other officers elected were Mrs. L. H. Reams, vice president, Mrs. Ralph Douglas, secretary, and Mrs. Gaston Shaw, treasurer. The newly elected officers will be installed at the last meeting of the year in May, when Mrs. L. L. Massengill will act as installing officer at a joint installation of both the junior high and elementary P-T. A.

Funeral services for Harry Kline, 52, who passed away early Friday morning in a Berkeley, California hospital were held from the Lewis Funeral Home in Houston, Wednesday morning, March 11, at 10 a. m. Interment was in a Houston cemetery.

Mr. Kline had gone to Berkeley early in February to attend a pump dealers convention, and suffered a first heart attack on February 6. He had suffered several heart attacks since the first, but was believed to be considerably better, and had been dismissed from the hospital. He was convalescing at the home of friends in Berkeley, when he suffered the last and fatal attack last Friday. He was rushed to a hospital, where he passed away in a few hours.

Mrs. Kline was with him at the time of his death. She accompanied him to California to attend the convention. Mr. and Mrs. Alvin Bagwell also accompanied the Klines to California, and remained for several days after he was stricken. However, they returned home about two weeks ago. Survivors include his wife, Sally Kline and his mother and stepfather who reside at Albuquerque, New Mexico. (Continued on Back Page)

Shows Complete For Lamb County and FFA Livestock Show

Seminaries are over, the complete and the stage opening of the Lamb and FFA livestock show held at the fair grounds field Saturday of this

show, as head of the Chamber of Commerce, and the FFA and 4-H sponsors say that there will not only be more entries than ever, but that they will be of better quality. The show opens at 9 a. m., and entries must be in before that hour. The grounds will be open for the receipt of entries Friday afternoon. The recently completed hog barn at the fair grounds, will be in use for the first time next

Saturday, displaying Lamb county's top hogs. There will be no auction of the show animals, but most of the boys will offer their entries for sale. Not only commercial buyers, but frozen locker owners are offered opportunity to secure some choice meats, by making individual deals with youthful exhibitors. Judging has been set to start at 10 a. m. Judges appointed are Rob-

A safety program was presented at the meeting Tuesday, when Sgt. Stroud, with the Texas State Highway Safety Patrol of Lubbock, making a talk on safety, and also showing a film, entitled, "A Day in Court." Three numbers were presented by members of the 7th grade chorus, under the direction of Mrs. (Continued on Back Page)

Leader Publisher Awards First Prize in Big Circulation Contest

WERE AWARDED Friday in the Lamb County circulation contest, closed Friday noon.

At the left, Morley B. Drake, publisher of the Leader, is shown handing the keys of the Dodge Cornet coupe to Mrs. Jack Win-

go, first prize winner. Mrs. Tracy Perkins, Littlefield, third prize winner, looks on. Others grouped around the smart Dodge coupe

are, left to right, Albert Lynch, Sudan, second prize winner; Mrs. Sabin Hendrickson, fourth prize winner, and B. D. Garland, Jr.,

owner of the Garland Motor Co., Dodge and Plymouth dealers, Littlefield, and from whom the Leader purchased the first prize. —Photo by Taylor

Littlefield Has Chance To Get Deep Test Oil Well Drilled Within City Limits

On March 11, 1953, at 10:30 o'clock a. m., (hereafter to be known as a memorable day for progress in Littlefield) the City Commission, composed of the Honorable Art C. Chesher, Mayor, Les C. Hewitt and Lon Campbell, Commissioners, at a special called session of the Commission, passed unanimously an Ordinance which opens the way for drilling a deep test oil well inside the Littlefield City limits.

What the Ordinance Is ---

The Ordinance is a long instrument dealing with technical phrases which the average laymen may not understand, but it is based on Ordinances of other oil towns throughout the United States, and has special provisions for our local needs. Briefly, to you, Mr. Property Owner, it means that the City Commission of Littlefield has control of all drilling in the City limits, receiving a fee of \$500.00 for each permit to drill, with an additional 2 cents per barrel tax on all oil produced herein. With 109 drilling blocks, of about 20 acres each, it means, when all blocks are drilled, that the City will receive \$54,500.00 cash alone, plus the extra tax on oil, which could amount to several thousand dollars annual income to the City. Protective measures are provided in the Ordinance against fire hazards, and drilling restrictions are included to protect you and your property.

Your Option As Property Owner ---

You have three choices of handling your property — 1. You do not have to lease at all, but if you do not, you will receive nothing until after the well is completely paid for out of oil produced. 2. You may pay your prorata share of drilling and production expenses, putting up your prorata share of the bond required by operators, and then you may draw your 8/8th interest. Or 3. You may lease to responsible operator and sit back and get your 1/8th interest, and possibly more, without cost to you, and at the same time show your cooperation with those who are willing to spend their money to develop the area.

Responsible Oil Operator Is Ready to Drill Test Well ---

John W. Murchison, responsible oil operator, is putting \$15,000.00 cash in the First National Bank of Littlefield, along with escrow agreement that leases will be attached to, and agrees to drill to 7700 feet, if oil or gas in paying quantities is not found at lesser depth, and to start operations within 120 days from date of escrow agreement, when at least 700 acres of leases are acquired in City limits. If he does not perform as agreed, the \$15,000.00 will be forfeited to the City. We will prepare the leases and take your acknowledgments at our expense and pay for supplemental abstracts and perfect titles if necessary.

CAUTION ---

John W. Murchison is able and willing to start drilling as soon as necessary leases have been signed and delivered in escrow to the bank. Lease to him through C. J. Duggan, his representative. If you lease to a speculator who has no interest in your property except to make all out of it he can, you are handicapping yourself, for if you do not lease to one who is ready to drill now, and let him get controlling interest in your

drilling block, you will not get the block drilled as quickly as otherwise it would be drilled, as operator holding greater interest in each block has priority for drilling permit in that block.

Enthusiastic Community Interest Already in Evidence ---

Mr. Hamp McCary has offered the use of his splendid offices to us for getting leases, without charge to us, and the following real estate men and citizens of Littlefield are offering their services in helping round up the leases in addition to Hamp, are Rhenard McCary, Charlie Clark, Van Clark, Arthur Jones, Bill Kelly, Roy and S. M. McCary, Ernest Gaston, R. W. Wood, and others whom we have not contacted. These men, in the oil venicular, will be known as lease hounds.

The following local attorneys have already given their time in getting legal details ironed out with Ordinance and escrow agreement: Arthur P. Duggan, Jr., T. Wade Potter, Willard G. (Bill) Street, Jr., Pat Boone, Jr., (we are sure others will when needed) and to cooperate and work together getting abstracts examined and titles perfected when the time comes for that work.

Organize Drilling Block Clubs ---

Let's all work together, and now. Phone our office, 1095, 30, or come in person to find what drilling block you are in, and begin to organize drilling block clubs at once, so you can get all property owners, your neighbors, to lease 100% to the man who is ready to drill the first well. If you are unable to come to the office, so advise, and lease hounds will come to your house with the lease for you to execute.

What You Will Get Out of It ---

In lieu of paying cash for your leases, we are giving you back a 1/16th over-ride royalty or minerals in addition to your regular 1/8th, in case you own all minerals, and this may be worth many times the amount of the small cash payment anyone could pay for the lease. It can be sold now or when activities begin or after well is brought in, or you may retain it along with the 1/8th and receive that much more mineral payments when well is producing in your block.

Be a Booster for Oil Development In Littlefield ---

Who will be the first to sign up a lease? Do not wait for your neighbor to sign, but bring him along with you and all sign together. We have only a short time to get the required lease acreage, according to the escrow agreement. Bring your property legal description to the office and the lease will be prepared for execution in a few minutes.

Let's all boost for oil development for Littlefield. C. J. Duggan or Hamp McCary will be in the office at all times — Regular business hours, noon hour or at night, with secretaries to take care of you when you come in. Call C. J. Duggan, 1095 or Hamp McCary, 30, for any information pertaining to the proposition, or for your drilling block number. Address: Hamp McCary & Son Real Estate, 334 Phelps Avenue, Littlefield.

Let's Get An Oil Well Drilled In Littlefield

TODAY MARKS 41ST BIRTHDAY OF GIRL SCOUTS OF THE U. S. A.

By Nelson Naylor
President Lamb County Council
Girl Scouts

Today marks the 41st birthday of the Girl Scouts of the U. S. A. Starting with a handful of girls in Savannah, Ga., back in the era before World War I, the Girl Scout movement has grown in scope and service until today it proudly claims almost two million active members. Lamb County boasts of 150 active members.

The girls learn cooperation, friendship, community responsibility, special skills, hobbies, and interests—from conservation to cookery to dramatics, which will serve the girls in later years. Millions of women who were Girl Scouts are outstanding leaders in the arts, in politics, in community activities, in education, in welfare — too, the wives and mothers whose first training in homemaking was acquired in connection with the familiar brown or green uniform. The Homemaking Badge in the most popular of the 100 badges offered in the eleven activities fields by the Girl Scouts. Nearly 57,000 of these badges were awarded to girls who must complete the requirements and demonstrate more than average proficiency in the field.

Time has broadened the interests of Girl Scouts. Still giving part of her attention to woodcraft, nature study, and outdoor life, today's Girl Scout is more and more a participant in the civic and welfare activities which make her town a better place to live in. But the Girl Scout of today is not merely a citizen of her community and her country — she is a citizen of the world. Stretching out the hand of friendship across the seas and the lands, she shares her interests and her experiences with her sisters in 31 countries of the globe.

Almost a million and a half girls in the 7-through-17 age group, meeting in 88,000 troops from coast to coast, open every Scout gathering with a reaffirmation of the Girl Scouts promise — "On my honor, I will try to do my duty to God and my country, to help people, to obey the Girl Scout laws."

Additional adult leadership is needed to meet the call of thousands of girls who are ready for Scouting. Here, as in town everywhere the Girl Scouts are calling for volunteers to meet the growing demands for girls. Any woman who is interested in working with girls will find that Scouting can mean a renewal of her own girlhood, a chance for closer friendship with her own daughters and their friends and a rewarding contribution to the training of tomorrow's citizens.

As America fulfills her responsibilities of leadership among the free nations of the world, the Girl Scouts will be needed to increase their contribution to national and internal understanding. So, on their 41st birthday, we salute the Girl Scouts of the U. S. A. and their friends. May they long continue to grow in strength, in service and in numbers.

Sunday School Officers Meeting Set for Tonight

"A Study of the Life of the Apostle Paul," will be the main feature of attraction at the regular meeting of the Sunday school teachers and officers this Thursday night, March 12, beginning at 7:30 p. m. in the school room at 417 West 3rd. Others who are not connected with the Sunday school have expressed the desire to begin this study, also. The lessons will run over a period of several months. Also at the meeting Thursday night, secretary of the Sunday school, James Siems will give a report on attendance.

After Easter, members and friends of Emmanuel Lutheran, 417 West 3rd, will study this same subject, the life of the Apostle Paul, with the pictorial account as it has been worked out by Cathedral Films. This Sunday night, study is open to anyone.

Miss Williams To Undergo Surgery At Rochester, Minn.

Miss Dorothy Williams, accompanied by her mother, Mrs. N. W. Williams, and also her sister and husband, Mr. and Mrs. E. V. Shirley, will leave Saturday for Rochester, Minn., where Miss Williams will enter a Mayo Brothers Hospital, for surgery. She will be hospitalized for from three months to six months.

Her mother and sister and brother-in-law plan to return home in about three weeks.

Sunday Night Lenten Service Announced

"Behold Your Suffering Savior—By Lamp and Fire Light," is the thought which will occupy the attention of worshippers at Emmanuel Lutheran's Lenten services this Sunday night, March 15, beginning at 7:30 p. m. in the church sanctuary at 417 West 3rd. The early morning meeting of Israel's officials made lamp light necessary, while the soldiers and others on the outside needed a little fire to keep warm. You are welcome to behold Him, too.

Major Olen Ross Completes Thirty Korean Missions

Major Olen Ross, son of Mrs. George Ross, has completed thirty missions in Korea, and has been retired to staff duty, according to his mother here.

Mrs. Ross stated that her son would remain in Korea. She reported that while she was spending Sunday night recently with her daughter-in-law, at Lubbock that they both talked with Maj. Ross in Korea.

Gospel Meeting Started Sunday At Bula Church

A gospel meeting began Sunday, at Bula Church of Christ with Jesse Brookshire of Morton, doing the preaching.

The minister comes highly recommended to the church and interest is being taken in all of the services, it has been announced.

Norman Warren is minister of the church, and he is working toward a Master's degree at Eastern New Mexico University.

V. L. Leonard Remains In Critical Condition

V. L. (Shorty) Leonard, patient at Littlefield Hospital, still remains in a very critical condition. He became ill about three weeks ago, and underwent surgery at Baylor Hospital, Dallas. He was removed here last week.

Drys Swamp Wets In Cochran Voting

MORTON. — In its first "wet or dry" vote in 13 years, Cochran county voters overwhelmingly affirmed their 1940 decision to become dry by a 965 to 121 count Saturday.

Total vote ran to 1,086 and was divided as to precincts as follows: Prec. 1, 511 dry, 69 wet; Prec. 2 (Lehman and Whiteface), 223 dry, 36 wet; Prec. 3 (Bledsoe and White's Gin), 99 dry, 7 wet; and Prec. 4, 111 dry, 7 wet. Absent ballots tallied 21 drys and two wets.

In 1940 the county went dry by 552 to 419 margin after having voted itself wet by a narrow margin in 1939. The 1939 vote was 231 wet and 227 dry.

The local liquor option question popped up again in 1947, but was squelched when a commission ruled the election petition illegal.

Bailey Farm Bureau Will Aid in Rogers Memorial Roundup

MULESHOE. — The Bailey county Farm Bureau directors have voted to cooperate in the Will Rogers Memorial Roundup for 1953. They appropriated \$50 to help with the expenses of the steering committee.

Mesdames W. T. Millen, D. O. Burismith, R. E. Ethridge, Baker Johnson and DeWitt Tiller, have been named on a committee to assist with the work that will be needed to get the float and a queen ready for the parade in the roundup.

Monday night, March 30, was set for the annual Bailey county Farm Bureau convention. A well known speaker will address the gathering and officers for the ensuing year will be elected.

Mrs. Max Wood of Perryton, arrived Friday for a visit with her mother, Mrs. Catherine Jones and brother, William Rumbach and family. Dr. Wood is expected to come to Littlefield and accompany his wife home.

BILLY GAGE IS SIGNED BY ABILENE; STARTED BALL CAREER HERE

Billy Gage, 19-year-old Littlefield ball player, has been signed by the Abilene club of the West Texas-New Mexico league.

Gage will report about April 1 and will leave with the club for spring training in Florida.

A pitcher, the young man started his ball playing career with the local American Legion in 1951 under Vernon Hofacket, who was manager of the local nine that season.

Gage was signed last year by the Lubbock Hubbers, but played only in the latter part of the season on account of an injury received in a car wreck soon after spring training.

L. B. Farmer, Littlefield man, is managing the Abilene team this year. Farmer was manager of the Hubbers last year.

WOW Officers Are Installed

Officers for Camp No. 3871 of the Woodmen of the World for 1953 were installed at an open house meeting held in the Youth Center Thursday night, March 5.

George W. Hine, Sr., state manager of North Texas from Abilene was installing officer and James L. Hine was installing escort.

The meeting was open to all members and their families.

Some two hundred were present from Amarillo, Plainview, Hereford, Dimmitt, Earth, Shallowater, Slaton, Welch, Muleshoe, and Lubbock.

Mr. W. A. Tidwell, state manager of Northeast Texas was principal speaker, talking on fraternalism with and toward youth.

Those elected to office were Merle S. Beard, consul commander, Sam Hutson, past consul commander, Bob Kirk, Adm. lieutenant and secretary, L. D. Stanford, banker, H. C. Sisson, escort, Loy Dalton, watchman, F. B. Dillard secretary, camp physician, Dr. F. B. Faust, Johnny Alford, team captain, and J. D. Dodgen, Mitchell Sisson, Bill Gage, auditors.

After the meeting adjourned, supper was served, consisting of ham, pineapple, Mexican beans, potatoes, combination salad, cake, coffee.

Due to the state convention being held in Beaumont, there will be no lodge meeting Thursday, March 19.

Wins Third Place In Tournament

Littlefield Outsiders won the consolation at Dawson school at Welch, Texas, Saturday night, in an invitational tournament. Playing from Littlefield were: Don Streety, Keith Streety, Frank Fry, Wayland Fields, Bobbie Edwards and Royce Jennings.

Littlefield won third place.

50 Boys Report for Track at High School; Locals to Enter Two Meets

Coach Charles Hester issued the call for all boys in high school, interested in participating in track to be at the football field house Monday, March 2. About 50 boys reported interest in track. Most of the boys are young, but are showing a good interest in all track events.

Services for Mrs. Nellie Borden Held Wednesday

Funeral services for Mrs. Nellie G. Borden, 86, who died at the home of her daughter, Mrs. Stella Griffin, 699 W. 7th street, Monday afternoon, was held from the First Methodist church Wednesday afternoon. Rev. L. N. Lipscomb of Lubbock, officiated. Burial was in Littlefield cemetery. Hammons Funeral Home was in charge of arrangements.

Deceased had been a resident of Littlefield since 1949. She was born November 19, 1866 in Robertson, Texas.

Survivors include the above mentioned daughter and one son, C. M. Borden of Canoga Park, California, and two brothers, J. H. Cochran of Fresno, Calif., and B. B. Cochran of Knox City. A large number of grandchildren, great grand children and great-great grand children also survive.

Red Cross Funds Total \$76,000

Lamb County Red Cross fund campaign is progressing nicely, with a total of \$7,600 turned in by communities throughout the county to date.

Three communities have gone over the top. They are Earth, Pleasant Valley and Hart Camp.

Mrs. J. H. Barnett, Littlefield, campaign chairman, resigned her position Monday, due to the very serious illness of her husband. Mrs. L. B. Stong was named to succeed her, for the remainder of the drive.

Sundown Teacher Is Indicted

A grand jury returned a murder with malice indictment Tuesday night, against Jack Killingsworth, 29, Sundown High school teacher accused of killing a friend whom he claimed made love to his wife.

The victim was Richard McChristal, 37, who was called out of the school faculty murder play rehearsal, February 27, and shot 11 times.

Junior High School Operetta Nets \$154

Approximately \$154 was netted from the junior high school operetta presented by members of the chorus and speech department, last Friday night.

The proceeds will be used for purchasing music for the chorus, make-up supplies, play books etc.

Miss Betty Torrence is head of the speech department, and Mrs. Don Hunt is chorus director. Both were in charge of directing the operetta.

Local Couple Shower Honorees

Honoring Curtis Wilkinson and his fiancée, Miss Betty Timian, who are to be married Sunday afternoon at 3 o'clock in the Emmanuel Lutheran church, a group of eight hostesses entertained with a party and gift shower, Tuesday afternoon at 3 o'clock, in the home of Mr. and Mrs. E. J. Jones at Olton.

Co-hostesses were Mesdames V. M. Granbery, H. J. Walker, L. E. Silcott, Paul Burrus, G. H. Bley, G. H. Huckenau, Cap Ogletree and A. D. Melton, all of Olton.

The program consisted of piano selections by Mrs. Bill Yates; vocal trio "Till the End of Time," by Mesdames Delmer Givins, Leo Rosa Bryant and Owen Norfleet, and reading by Mrs. Jean Hall.

The beautiful array of gifts were presented in a unique manner by

Mrs. Ogletree. She read a summons, followed by the presentation of the gifts by a "sheriff." (Mr. Wilkinson is Lamb county attorney.)

Following the opening of the gifts by the honored couple, refreshments were served, from a table centered with an arrangement of snapdragons.

Miss Timian was presented with a corsage and Mr. Wilkinson was presented with a boutonniere from the hostesses. The hostess gift was a beautiful Bates "Martha Washington" bedspread.

Shower Here Wednesday

A group of eight hostesses entertained with a miscellaneous pre-nuptial bridal shower last Wednesday night, at the home of Mr. and Mrs. J. J. Cook of near Little-

MISS BETTS TIMIAN

field, honoring Miss Betty Timian, bride-elect of Curtis Wilkinson.

Co-hostesses were Miss Peggy Cook, Mrs. Martha Markham, Miss Shirley Faver, Miss Angella Cook, Mrs. Joel Thomson, Miss Martha Neuenschwander and Miss Mary Lou Measels.

Hours for entertaining were from 7:30 to 9:30 o'clock.

Refreshments were served from a table decorated with a color scheme of orchid and yellow. The centerpiece consisted of an arch of yellow and orchid chrysanthemums, with a miniature bride doll standing beneath the arch. White and yellow tapers in crystal candelabra flanked the centerpiece.

Miss Measels and Mrs. Markham served the punch and cakes, and Miss Aver presided at the bride's book.

Lovely gifts were attractively displayed, and were viewed by the guests. The hostess gift was an electric mixer.

The date for the wedding has been set for Sunday afternoon, March 15.

Cleanliness is the big PLUS value in electric cooking.
The reason that—when all costs are taken into consideration—
it is electric cooking that is really economical.

SOUTHWESTERN PUBLIC SERVICE COMPANY
20 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Fourteen Year Old Boy Rancher Of Amarillo Wins Battle Over Death

The power of prayer and a stout fighting spirit have combined to save the life of one of the young cowhands of the famous America's First Boys' Ranch near Amarillo. Ronnie Mullins, a 14 year old Rancher from Amarillo, was stricken recently with severe internal bleeding of an unknown cause and for a while little hope was given for his recovery. A number of blood transfusions were necessary to keep Ronnie alive and his buddies at the Ranch unselfishly gave of their blood to save his life. They also instilled in Ronnie the will to fight and win over his affliction. But the boys gave far more than material things. They gave their faith in God when every Rancher attended a spontaneous and unscheduled midnight prayer for the recovery of young Mullins. It took place this way. Several of the older boys, returning to the Ranch after giving blood to the blood bank and visiting Ronald at the hospital, awakened the Ranch chaplain and asked permission to go to the non-denominational chapel to pray. Chaplain Dwayne Engholm readily consented and went with the boys.

In the meantime, some of the boys had awakened the superintendent while others went to the dormitory to ask their chums to join them. When the superintendent and chaplain arrived at the chapel, they found all of the boys present, together with the staff. For more than an hour the boys and their chaplain prayed for the recovery of their companion. More than 40 of the boys individually spoke brief prayers. The next day some of the boys came to Amarillo and instead of going to movies, buying magazines or candy as they usually do, the boys pooled their money to send flowers to their friend. Less than 24 hours after the boys had prayed for him, Ronnie began to show signs of recovery and although he is still under a doctor's care, there is no doubt that he will be completely well in time. When asked what he thought of young Mullins' turn for the better, one of the Boys' Ranchers said, "We all said some prayers even after we left the chapel that night so we knew that everything was going to be all right."

Panhandle Plains Dairy Show April 11-17

Plainview is getting set to serve as host to the 26th annual Panhandle-Plains Dairy Show. The dates are April 11-17 inclusive. Entries began coming in to Wayne Smith, Chamber of Commerce manager and manager of the Dairy Show, more than a week ago and at last week end more than 20 head of cattle were listed for exhibition. Smith said indications now are that this year's entry list may be lighter than in several shows. Last year 470 head were exhibited in the five divisions and entries have

Best Friend a

Here is the perfect expression of the Pontiac idea—the finest, most beautiful, best performing car that created to sell at a price just above the lowest.
Notice how big it is—with its longer, 122-inch wheelbase. Notice, too, its distinctive Dual-Streak beauty through its performance paces. Consider its unblemished reputation for dependability and long-range.
Yes—measure this great 1953 Pontiac any way and we're sure you'll find that Pontiac is the best new car dollar ever had. Come in soon and see for

Those attending were Barbara and Sandra Willis, Charlotte James, Diana and Larry Morgan, Vicki Hill, Norma Kay Singer, Coy Von and Burney Goyno, Craig Brestrup and Mike and Linda Nelson.

Several Lamb County Boys to Enter Stock In South Plains Junior Show March 16-18

Hobbs Couple Are Slightly Injured In Auto Wreck

Several boys from Lamb county are among the several hundred FFA and 4-H lads to enter stock in the 1953 South Plains Junior Fat Stock Show which will be held in Lubbock March 16, 17 and 18. Entry blanks have been filed for 6 barrows and 2 calves from Lamb county. These are among the 825 animals entered from throughout West Texas and Eastern New Mexico.

Mr. and Mrs. Lawrence McFardin of Hobbs, New Mexico, suffered minor injuries when their pickup truck overturned on U. S. Highway 51 about 7:30 p. m. Sunday, four miles south of Littlefield.

Mrs. McFardin, 34, suffered only minor cuts and abrasions. Her husband, 41, received a slight concussion. Both were treated at Payne-Shotwell Foundation, and were released Tuesday.

Police stated that the pickup went off the slippery highway while returning to the proper traffic lane after trying to pass another vehicle. It went out of control and overturned.

CARD OF THANKS

We want to thank you our friends for all your loving kindness during the illness and passing of our loved one.

For your loving words of sympathy, the beautiful flowers and for the food prepared and served. May God bless each of you is our prayer.

Mrs. A. R. Weaver, Littlefield
Mr. and Mrs. Gene Blevins, Ft. Worth
Mr. and Mrs. Van Underwood, Petersburg
Mr. and Mrs. Bill Weaver, Amherst
Mr. and Mrs. Bill Jeffries, Littlefield
Mr. and Mrs. Pat Tooley, Odell
Mr. and Mrs. Jack Weaver, Littlefield
Mr. and Mrs. J. E. Weaver, Lubbock

Littlefield FFA Chapter members to show barrows are: Walter Hill and Max Barnett, both of Littlefield, and Johnny Baker, Rt. 1, Littlefield.

Two calves will be entered by Eugene Watts, Rt. 1, Anton, for the Littlefield FFA Chapter.

Again this year, the show allows only boys between the ages of 9 and 20 inclusive, who are members of 4-H clubs or FFA chapters, to enter animals.

Young ladies of the area, however, will also have a major part in the program. Two Princesses will be selected, one representing FFA chapters and one representing 4-H clubs. These young ladies will reign over all of the show activities. They will be chosen Saturday at a program in the Lubbock Chamber of Commerce Building. Each club or chapter entering livestock in the show was eligible to enter a Princess candidate.

ATTEND FRIGIDAIRE SALES MEETING

Melvin Best, operator of Best's Appliances, Frigidaire dealers, and Ivan Bryant, salesman, attended a Frigidaire sales meeting at Lubbock Monday.

Don Strickland, service manager for Best's, also is attending a week's Frigidaire service school at Fort Worth.

Mrs. Edwin Brown was admitted to the Lubbock Memorial Hospital Friday for examination and treatment. She is somewhat improved.

Pains, distress of "those days" stopped or amazingly relieved

in 3 out of 4 cases in doctors' tests!
Here's wonderful news for women and girls who — each month — suffer the tortures of "bad days" of functionally-caused menstrual cramps and pain — headaches, backaches, and those "no-good," dragged-out feelings.
It's news about a medicine famous for relieving such suffering!

Here is the exciting news. Lydia E. Pinkham's Vegetable Compound — gave complete or striking relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

How Lydia Pinkham's works. It has a "calming" and soothing effect on the uterus... quieting the contractions (see the chart) that so often cause menstrual pain, cramps, other distress.

Scientifically Modern Action
Yes! Lydia Pinkham's has been proved to be scientifically modern in action!

the nervousness and tension, weakness, irritability — and pain—so often associated with "those days"!

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

Remember Lydia Pinkham's, too — if you're suffering the "hot flashes" and other functionally-caused distress of "change of life."

And it should encourage you (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs... to see if you, too, don't avoid

Get Lydia Pinkham's Compound or new, improved Tablets with added iron (trial size only 59¢). Start taking Lydia Pinkham's today!

Pyote Air Force Base Employees Are Fatally Injured In Traffic Mishap

BULLETIN

Vernon J. Schulte, 35, passed away at 5 p. m. Tuesday at Payne-Shotwell Foundation. The body was shipped from Hereford, Wednesday afternoon, to St. Louis, Missouri. Funeral services are pending. He is survived by his wife and a daughter.

Vernon J. Schulte, 35, of Pyote, injured in a wreck Friday that took the life of another Pyote man, remains in a critical condition at Payne-Shotwell Foundation.

In the same accident, Edward P. Holland, 39, was killed instantly, when their car collided with a truck at the intersection of U. S. Highway 70 and Texas Highway 51 in the heart of Springlake about 5:15 p. m. Friday.

Clifford M. Jennings 32, of Oklahoma City, driver of the truck, was uninjured.

Hospital attendants said Schulte suffered a skull fracture.

Holland's body was shipped to Equality, Illinois, his birthplace, for burial Sunday afternoon. Hammons Funeral Home was in charge of arrangements. Funeral services were to have been conducted Tuesday or Wednesday afternoon.

Investigating officers said Holland either "did not see or ignored" a red blinker stop light and a stop sign as he drove north on State Highway 51. The car struck the rear of the east bound truck, throwing both men underneath the truck.

Holland was stationed at Pyote Air Force Base during the war, and returned to Pyote after the war's end. He and Schulte were both Civil Service employees, at the Pyote AFB.

J. H. Barnett Is Admitted to A Dallas Hospital

J. H. Barnett was flown to Dallas at noon yesterday, and was admitted to Gaston Hospital there, for observation, and possible operation, for a stomach obstruction.

He was admitted to Payne-Shotwell Foundation Saturday night, where he remained until he went to Dallas. The transfer to the Dallas hospital, was made at the suggestion of his local physician, Dr. R. E. Maurer.

He was accompanied by Mrs. Barnett.

Moisture—

(Continued from Page 1)

with cotton planting season a short two months away. Irrigation wells throughout the area are also working steadily to supplement the deficient supply of natural moisture for the past several months.

Temperatures for the past week, as released by the West Texas Gas Company are as follows:

	High	Low
Thursday	72	36
Friday	79	39
Saturday	68	46
Sunday	55	48
Monday	70	42
Tuesday	78	50
Wednesday	80	51

No School Friday; Faculty to Go To Lubbock for Teachers Meeting

There will be no school Friday. All of the schools in Lamb county will be closed to enable teachers to attend the annual West Texas Teachers Association to be held at Lubbock March 12, 13.

Attending the House of Delegates banquet, tonight, from Littlefield, will be the local delegates, Joe C. Hutchinson, Paul I. Jones and William Brune from Littlefield. Mrs. Roy McQuatters, Sr., of Spade is a delegate from that school.

The first general session is scheduled for Friday morning at 10 o'clock at the First Baptist church. The afternoon session will start at 2 p. m. at the same place. The third session will be held Friday afternoon, in the Lubbock Senior High school.

The administrators luncheon is scheduled for Friday noon, at the Caprock Hotel ballroom, and members of the Classroom Teachers Association, will have their luncheon in the Lubbock Senior High school cafeteria.

Forty-Five—

(Continued from Page 1)

a commission check of \$198.60.

Other workers in the contest, and who received nice commission checks, were: Mrs. Sid Wade of Whitharral; Mrs. Dee Forrester of Olton; Mrs. R. A. Reed of Fieldton; and Miss Dorothy Foity of Littlefield.

Candidates Choose Judges
The candidates chose their own judges, and those who were kind enough to serve in this capacity were:
Mrs. Earl Rodgers, on behalf of Mrs. Hendrickson; George Vaught of Lubbock for Mrs. Wingo; Jim Douglass on behalf of Mrs. Perkins, and Joe Saem of Sudan checked the records for Albert Lynch.

Big Increase in Circulation
This contest was the most successful campaign ever staged by the Leader, and in addition to the large number who renewed their subscriptions to the Leader, it brought to this newspaper more than 1800 new subscribers. Besides clearly indicating the popularity of this newspaper as a reading medium, it is also an indication of the growth of this trade area.

The Leader can now boast of circulation second to none on the South Plains area, and provides an outstanding advertising medium for Littlefield and the South Plains.

This newspaper extends many, many thanks to the candidates for their untiring work. They worked early and late to entirely cover Littlefield and the trade area.

The Leader also thanks the judges, who took time from their duties to completely check all subscriptions and votes. This was indeed appreciated by both the candidates and the Leader.

Also this newspaper is very appreciative and extends a million thanks to the people of this entire area for their response to this drive, and for the many courtesies extended the candidates as well as this newspaper. It was, indeed, very gratifying.

Last, but not the least, does the publisher of this newspaper extend Mrs. Taintor many, many thanks for her fine work as a campaign

Plans Complete—

San Antonio, state manager of Southwest Texas and a national director, and J. R. Sims, Omaha, national field manager and director.

Delegates will report on the society's fraternal and community service activities in Texas. These include hundreds of community services by the local Woodmen Camps of the state. Among such services are presenting flags to schools, furnishing equipment for hospitals, schools, playgrounds, awarding medals to youths for proficiency in American history, placing historic markers, welcoming newly naturalized citizens, honoring local citizens for their civic and humanitarian service, and aiding other civic and charitable projects.

The report of President Farrar Newberry on the society's progress and achievements in the past two years will be presented.

A flag and flagpole will be presented to some public institution in Beaumont during the three-day convention. Robert Kirk, National Service Committeeman of Littlefield, will make the presentation. Delegates to the society's national convention to be held in Washington, D. C. in July will be elected.

Littlefield Teachers Offered New Contracts

Enrollment and attendance figures for both the Littlefield High school and the junior high, are certain to surge upwards next year, as compared with the present school year, was reported to a regular meeting of the Littlefield school board at a regular meeting Monday night, with the implications that more teachers will be desired and needed next year.

The report stated that there are 266 memberships in high school now, and the expected attendance next year is 310 for an increase of nearly fifty.

The same holds true in junior high school. Present class memberships is 427; a total of 470 is expected next year, or an increase of 43.

This year in high school there are 112 sophomores; 77 Juniors and 77 members of the graduating class. Junior high rolls list 140 in the 7th grade; 158 in the 8th grade, and 129 in the 9th grade.

The board also got a report on enrollment and attendance. For the first six months of this year, enrollment in the schools has varied between 1697 at the start of the term, and reaching 1750 in November. Attendance figures by months are as follows: September, 1661; October, 1682; November, 1641; December, 1598; January, 1605, and February, 1572.

The board heard a report on the survey recently conducted among all Texas school boards, on the proposed minimum pay raise for teachers. This report showed 403 boards favoring the minimum pay raise to \$3,000; 75 boards favored a less amount; 17 boards were opposed to the increase.

Approximately 140 school children were reported as having to cross Highway 84 in getting to school. The matter has been brought to the attention of city officials, and they in turn have asked the State Highway Department to provide safeguards, and crossing markers.

The school board decided to ask the city of Littlefield to install additional traffic lights adjacent to the schools, south and east of the new high school building.

The board heard, a variety of other matters, all more or less of routine nature.

The matter of re-contracting or renewing contracts for the entire teaching staff of the three schools

Last Rites—

(Continued From Page 1)

Mr. and Mrs. Kline moved to Littlefield from Houston in 1946, when he joined the Hufstедler firm as a partner. He was formerly district manager for the Bull-Stewart Co. of Dallas.

Kline was active in civic work in Littlefield, and was a member of the board of directors of Littlefield Chamber of Commerce; he was past chairman of the agriculture committee, and was interested in boys and assisted with all Lamb county 4-H and F. F. A. livestock shows and accompanied groups on educational tours.

Attending the funeral services from here included Mr. and Mrs. James Crump, Mr. and Mrs. Alvin Bagwell and L. B. Stone.

Senior Class Present Pay

Of all the mystery plays that can be staged (and many have been), "The Incident" is probably the best possible to know who the minimal is until the final scene.

This play is from the "The Circular Staircase" dramatization was made by Robert Rinehart and the late R. Wood.

County Fair Set For Sept. 18-21

Dates for the 1953 Lamb County Fair have definitely been set for September 18, 19, 20, and 21.

The fair association held its Tuesday night, all preliminary of the association were held. They include V. M. president, and F. E. B. president, elected for the successive term, and R. E. secretary-treasurer.

Among those participating in the meeting, in addition to the named officers were: Thurlow Brumley, Smith, W. H. Cunningham, Eaton, Lonnie Cole, and well.

There were four exceptions, ever, due to the fact that teachers have tendered resignations. They are: Mrs. Taylor, grade school teacher; Mrs. Taylor, grade school teacher; Mrs. Taylor, grade school teacher; Mrs. Taylor, grade school teacher.

There are also several cancellations in the teaching staff. There will also be a visit to the Dunbar school, as Johnston has offered resignation. Some of the teachers employed, do not hold degrees, and their resignation was brought out, it was approved by the Board of Education.

In addition to the fullment of teachers who offered new contracts, two-year period had been approved for Johnson, superintendent; Schilling, principal; Douglas, principal junior high; Lindley, principal; Paul I. Jones, principal; Maurice Powell, principal; Don Hayes, band director; Flakes, head athletic coach.

MORTON SOLDIER SPENDS FIVE DAYS ON REST LEAVE

WITH THE 2ND INFANTRY DIVISION IN KOREA — Pvt. Jimmie L. Howton, son of Mr. and Mrs. O. V. Howton, Route 2, Morton, Texas, recently spent five days in Kokura, Japan, on a rest and recuperation leave from the 2nd Infantry Division in Korea.

Lamb County Boys First to Enter Animals in South Plains Stock Show

Several Lamb county boys were among the first to enter animals in the 1953 South Plains Junior Fat Stock Show which will be held in Lubbock March 16, 17 and 18.

Mrs. McQuatters Speaks at Rotary Club Meeting

Mrs. Roy McQuatters, Sr., was guest speaker at a luncheon meeting of Littlefield Rotary club held Thursday noon, at the First Methodist church. She told of her trip last summer to Alaska on the Alcan highway.

W. B. Little and W. H. McCown were taken into club membership, and were introduced as new members at the meeting.

Guests who registered included W. L. Lyles, Sudan; C. J. Duggan, Opelika, Alabama, guest of A. P. Duggan; Malcolm Stokes, guest of J. M. Stokes; J. H. Ware, of Kerrville; Junior Rotarians were Jack Price, guest of Bob Armstrong; Lynn Russell, guest of Pat Boone, and James Renfro, guest of Dr. B. W. Armistead.

zone. Luxurious "R and R" hotels are located throughout Japan to accommodate the veterans.

Private Howton, an artillery repairman, entered the Army in November 1951 and joined the 2nd following July.

Show officials announced the receipt this week of entries from Olton and Springlake for the barrow and steer divisions.

C. W. Stafford, vocational agriculture teacher at Olton High school, filed entry blanks for three calves which will be shown by J. P. Nafzger and Don Nafzger, both of ex 309, Olton.

From Springlake, entries have been received for several barrows to be shown by Dale Crawford. The entry blanks were filed by Travis Scott, vocational agriculture teacher at Springlake.

Again this year, the show allows only boys between the ages of 9 and 20, inclusive, who are members of 4-H clubs or FFA chapters, to enter animals. The three divisions of the show are: fat steer, fat lamb and fat barrow.

As a special feature for girls of the area, two Princesses will be selected to reign over all show activities. One of the young ladies will represent the 4-H clubs and one Princess will represent the FFA chapters. Each club or chapter entering livestock in the show is eligible to enter a candidate in the Princess Contest. The two Princesses will be selected March 14 at judging in the Lubbock Chamber of Commerce Building. They will be selected on beauty and appearance alone. Deadline for entries is March 10.

SPECIAL DELIVERY

AP Newsfeatures MAIL GOES THROUGH—Sometimes a description is as good as an address to the U. S. Post Office. When an admirer sent a letter to Norma Doggett, singer-dancer in the Broadway musical, "Wish You Were Here," he just put her name and description on the envelope above. Delivery was prompt to Miss Doggett.

Great Growth of West Texas is Reflected in Increase in Sales

Growth of population and impressive advances of industry in Texas, particularly in West Texas, are reflected in reports summarizing the increases in sales of electricity by 12 major private utility companies, and of natural gas by the private companies that serve the 132 counties served by the West Texas Chamber of Commerce, according to a report published (Continued on Back Page)

BETWEEN 500 AND 600 DELEGATES TO ATTEND

Lodges to Compete in Drill Work For Loving Cup

An advanced meeting of the South Plains Association of I. O. O. F. and Rebekahs, was held at the local I. O. O. F. hall Wednesday night, when approximately 75 were present, representing lodges from Plainview, Lubbock, Muleshoe, Morton, Needmore, Levelland, Sundown, Abernathy and Littlefield.

Plans were made to hold the annual South Plains Association meeting here Friday, April 17, when sessions will be held throughout the day and evening. Approximately between 500 and 600 I. O. O. F. and Rebekah members are expected to attend.

A highlight of the meeting will be the competitive drills put on by the different lodges, competing for the loving cup, given as a prize.

In charge of arrangements locally will include Mrs. J. F. Minyard, Noble Grand and Mrs. R. E. Morgan, Vice Grand of the Rebekah lodge and Peter Yohner, Noble Grand and Floyd Royce, Vice Grand of the I. O. O. F.

Merle Beard is vice president of the South Plains Association of Odd Fellows and Rebekahs.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A

'53 Pontiac

A GENERAL MOTORS MASTERPIECE

Best Friend a Dollar Ever Had!

Here is the perfect expression of the Pontiac idea—to build the finest, most beautiful, best performing car that can be created to sell at a price just above the lowest.

Notice how big it is—with its longer, 122-inch wheelbase. Notice, too, its distinctive Dual-Streak beauty. Put it through its performance paces. Consider its unsurpassed reputation for dependability and long-range economy.

Yes—measure this great 1953 Pontiac any way you like and we're sure you'll find that Pontiac is the best friend a new car dollar ever had. Come in soon and see for yourself.

HIGHLIGHTS OF PONTIAC QUALITY AND VALUE!

- Long 122-inch Wheelbase
- Exclusive Dual-Range Power Train* for Superb Performance
- Beautiful, Roomy, Luxurious Bodies by Fisher
- General Motors Lowest Priced Eight Powerful High-Compression Engine
- Established Economy, Long Life and High Resale Value
- Exceptional Steering and Parking Ease

*Optional at extra cost.

902-910 E. DELANO

LITTLEFIELD, TEXAS

Clean Cooking... OF COURSE IT'S ELECTRIC!

ELECTRIC COOKING FOR JUST 7 CENTS A DAY!!!

THE SYMBOL OF QUALITY

For only electric cooking is matchless and flameless. Thus, only electric cooking makes it possible to wipe off your range with a damp cloth after cooking—and bring the cloth away clean. Cleanliness is the big PLUS value in electric cooking. The reason that—when all costs are taken into consideration—it is electric cooking that is really economical.

SOUTHWESTERN PUBLIC SERVICE COMPANY
25 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

F. F. A. Birthday

This is the 25th year of the Future Farmers of America, the nationwide organization for boys who are students of vocational agriculture in high schools.

The FFA boys in their bright blue jackets with yellow trim have become familiar sights in the East quarter of a century as their better farming activities have taken them to shows and fairs over the nation.

Texas is a big FFA state. Forty thousand Texas boys are members of this organization, making up one-eighth of the total membership. These Texas boys are being taught continuously that the farmer is the operator of a highly technical business which requires training and skill of a high degree. And they have proved that farming is big business. They have \$14 million invested in their livestock

and other projects.

This training in agriculture will be of great value to the entire nation as these young men complete their schooling and take their places on the farms of America.

They are learning to farm right. They know that they can't mine the soil and stay in business. They learn to treat their land as their capital and not to let the topsoil run down the rivers and creeks.

Congratulations are due to this organization on its silver anniversary. The results of its years of training already are apparent on the farms and ranches of America. Former FFA boys are doing an outstanding job of producing food and fiber for America and the world.

Health Talks

Prepared by the State Medical Association of Texas

Persons entering a hospital are funneling through the admission, but from there, pathways split until hardly any two patients will follow the same route. One may need extensive medical tests, another may take a surgical route still another may give birth—and so it goes.

If the patient is too ill to register, someone must furnish certain information about him to the hospital, including his name, address, occupation, and next of kin. Also, the hospital usually will wish arrangements made to pay the bill through hospitalization insurance, cash, or installment payments; most institutions can provide medical care for the patient who is able to pay little or nothing.

In an emergency much of the routine questioning is delayed un-

til the patient's immediate needs are met. However, the doctor may need to question him closely to find out exactly what the trouble is before giving treatment. From the emergency room, the patient may be allowed to go home, sent directly to the operating room, laboratory, or x-ray department, or admitted to the hospital.

If assigned a bed, his history is taken and he is given a physical examination; also, routine laboratory studies of the blood and urine are done. If his doctor doesn't know he has been admitted, the hospital notifies him; at the patient's request a minister of the patient's religious faith also may be notified.

Laboratory tests tell the doctor much about the patient; depending upon their results plus his own

observations, he may decide that additional laboratory work or possibly x-ray examination is necessary.

For some laboratory and x-ray tests special preparation of the patient is necessary. Breakfast may be held or enemas or medicines may be given. In making x-ray pictures the patient and the person handling the equipment are protected by the use of special screens and filters.

For a patient going to surgery or the delivery room, the anesthetist and surgeon or obstetrician decide the best anesthetic, plus, perhaps additional medication to make putting the patient to sleep easy. When the patient is given pre-operative medication, he is further prepared while still in his room. Any valuable jewelry or dentures are removed and either given to a relative or put in a safe place. A woman is asked to remove her make-up, and a towel may be placed around her head to protect the hair and keep it out of her face. The patient may be dressed in a hospital gown or provided with other forms of draped, depending upon the type of operation.

Friends and relatives of the patient are excluded from the operating or delivery room as a rule, one being that every effort is made to maintain sterile conditions during surgery or birth. After surgery or delivery, the patient is lifted onto a stretcher, covered with blankets, and removed quickly to his room. After leaving the operating room, the anesthetist and surgeon check on the patient's condition and leave orders for medicine to relieve pain and care of his other needs.

When the patient is ready to leave the hospital, his doctor notifies the hospital staff several hours in advance so that the office can plan how to accommodate new patients who are expected, final arrangements can be made to take care of the bill, the diet kitchen can be notified to stop the patient's meals, necessary drugs and equipment to take home can be secured from the pharmacy, and the patient or a relative can be taught how to take care of him. If he is unable to walk, a member of the staff takes him in a wheelchair to the car or calls an ambulance. After he leaves, his chart is completed and sent to the hospital record room to be filed for future reference.

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

LEGISLATIVE IMMUNITY TO LIBEL ACTIONS EXPLAINED
Does the law provide redress for persons whose character and reputations are wrongfully assailed? Lawyers say that it does, but with exceptions.

Occasionally the public is agitated by charges brought on the floor of Congress against various individuals—scientists, actors and highly placed government employees. In some cases, where the falsity of those charges has been established, we have become interested in what remedy is available to a person wrongfully accused, either orally or in print. This situation has given new emphasis and importance to the laws governing libel and slander.

What are libel and slander? Generally speaking, libel is a malicious or false publication, in print or in writing, about the character or reputation of a person, made without justification or excuse. This need not be something printed in a newspaper or magazine article—it may be a private letter in which something false or malicious is stated.

Slander is a defamation of a person of a character, without legal excuse, made by the spoken word. This need not necessarily be a radio or television address but may be an oral statement which is which is not mechanically broadcast and which may be heard only by a few rather than by a great number.

Our system of jurisprudence, originating in the common law of England, has always recognized the right of the individual to be safe from an unjust or wrongful attack upon his character and reputation. The relief provided by our laws includes both penal action and civil action for damages. But these remedies do not exist without qualifications and exceptions.

Certain public officials such as members of Congress and members of legislatures, in the course of exercising their duties, have immunity from libel and slander laws. On the surface this may appear to be somewhat unfair in that a congressman or state legislator may say things which are untrue about a person and that person has no right to bring suit for damages against him. But there is a reason for it.

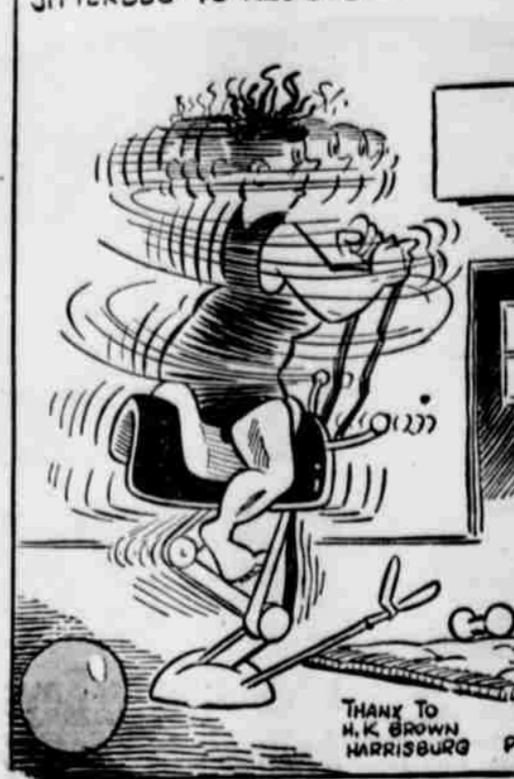

Although the rights of the individual are very dear and highly respected by our Constitution and laws, there are times when some of those rights must be suspended if the functions of government are to be realized. If a congressman or legislator stands in fear of being sued because of what he says while advocating or opposing legislation, the function of Congress and the legislature would come to a standstill. For that reason the law gives them immunity.

However, recently some congressmen have been accused of abusing this privilege. There has been talk about our law amended to give injured parties redress against them for false and libelous statements. Would such be desirable? That is a matter of considerable controversy. Although we may sympathize with any person whose personal character and integrity is assailed even by a member of Congress, many feel that the legislative function is so important that we should be cautious in making any changes that might impede or impede the elected representatives of the people in the execution of their law-making duty.

(This column, based on Federal and Texas law, is written to inform—not advise. No person should ever apply or interpret any law

Faster getaway by far—on far less gas

Now Chevrolet brings you an entirely new Powerglide automatic transmission* with new power, new performance, new gasoline economy.

New automatic starting range—lets you flash smoothly away from a standing start with faster, more positive acceleration.

New automatic passing range for city driving—releases a great burst of pent-up power at the touch of a toe.

Teamed with this new Powerglide is Chevrolet's new 115-h.p. "Blue-Flame" high-compression engine*—the most powerful engine in the low-price field. This great new power team brings you MORE MILES PER GALLON OF GAS . . . the most important gain in gasoline economy in Chevrolet's history.

Why not see us for a demonstration? *Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional in "Two-Ten" and Bel Air models at extra cost. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR

PRINCIPALS IN SUNDOWN SLAYING—Jack Killingsworth, left, 29-year-old Sundown High School teacher, charged with Friday night's fatal shooting of a fellow teacher, Richard McChristial, 37, sits in his cell at Levelland beside some of the candy, fruit and nuts given him by some of the 200 people that visited him Saturday. In the picture above, Hockley County Sheriff Weir Clem, left, and Constable Woody Sullivan of Sundown, are shown as they examined the murder weapon and some of the bullets from the two rifles used in the Sundown shooting. At right, Mrs. Killingsworth hurries past newsmen after visiting her husband Saturday afternoon. The shooting occurred near the Sundown school after Killingsworth interrupted a faculty rehearsal of a murder play.

Three Local Boys Enter Service

Three local boys, Jerry Dunn, son of Mr. and Mrs. Herbert Dunn, Wayne Evitt, son of Mr. and Mrs. A. W. Evitt and Lyndel Evans, son of Reda Evans left Tuesday for San Diego, California, to receive basic training in the United States Navy.

The trio joined the navy about January 1st, and have been awaiting call.

All are Littlefield High School graduates, and are members of the class of '51.

Evitt has been employed at Britain Pharmacy, Dunn has worked at Cameron Lumber Company, and Evans, has been working for his father, who is owner and manager of Evans Laundry.

Mr. and Mrs. Charles Byler of Elk City, Oklahoma are visiting in the home of the Seviere family, and also other relatives and friends here.

RECORD-BREAKING COTTON CROP FORECAST BY AREA FARMERS

They made of the entire area recently, reveals requests for reduced acreages and low level of moisture will not deter farmers from planting record crop in 1953.

forecast for the 20-county area by K. N. Clapp, district manager of Anderson, Clayton Cotton Co., and close observer of area crops for 28 years.

Clapp's forecast expects a 1953 acreage of 3,867,000, an increase of 157,000 more than the 3,710,000 last year and 2,580,000 in 1951.

To Disregard Benson
Requests for an 18 per cent voluntary acreage reduction asked secretary of agriculture, apparent secretary of agriculture, apparently will not be regarded by area farmers who will be seeking one more good harvest before planting controls may be returned.

Some farmers are reported to be of the opinion that since light moisture in the past two years drastically reduced the yields from this major producing area, that a

"reduction" for this area has already been made.

Many farmers will plant additional acres in what they consider "protective" measures against the time when lower prices may prompt renewal of planting controls. Several of the observers commented on the popular idea in this area for the Department of Agriculture to announce before planting time that 1953 acreages would not be used in determining any future allotments.

All observers admitted that ground moisture is near an all-time low, but each emphasized that the traditional "moist" period in the spring would signal full planting schedules.

That critical rainfall—for March and April—averages over a 41-year period 2.32 inches with 1.42 inches falling in the latter month. The mathematical average rarely has occurred in any year, ranging from .07 in 1928 to 5.97 in 1941.

Even in 1952, when 2.34, the nearest amount to average, fell,

crops were devastated later as May and June rainfalls were approximately half of normal.

1,000 New Wells Added
Without any additional moisture, a crop of a million bales is possible, Clapp said. He explains that in 1952, 80 per cent of the crop of 177,000,000 bales was produced on irrigated land representing only 38 per cent of the acreage.

Approximately 1,000 additional wells will be added to the area's irrigation facilities this year after the most active period of "wildcatting" ever seen here. In Lubbock county alone, County Agent Dave Sherrill figures that almost 300 new wells will be working this year.

Many notable increases in wells have been made in dryland areas in Dawson, Cochran and Bailey counties, areas particularly hard hit by light moisture the last two years. Additional drilling has continued throughout the area.

The following shows the county estimates for 1953 and 1952 com-

pared by Clapp. The 1953 figures represent the latest forecast, dated March 1. The 1952 forecast was for intended planting on June 1, 1952. Clapp said the difference from June 1 to March 1 of last year would be slight and in a few extreme cases not more than 3 per cent. (All figures are expressed in thousands, with the last three zeros omitted.)

Local Man Exchanges His Pumps For Pulpit; Surrenders to Conscience

By T. W. BRIDGES

Avalanche-Journal Staff Writer W. H. (Dub) Berry, Jr., is now exchanging pumps for a pulpit, and he is leaving his lucrative job with the B. & C. Pump Machine Co., of which he is part owner, and at 35 is embarking on a schooling project to last at least seven years — in preparation for the ministry.

He fought it. He tried to run away from it and barred it from his heart. Then last December he decided to surrender.

Dub Berry is going to school, Mrs. Berry's going to school, and so are the two Berry children.

"I've had my way long enough," he says. "Now I'll do what the Lord wants me to do."

Berry, the son of Mr. and Mrs. W. H. Berry of Amherst, was born in O'Donnell. He received most of his formal education at Amherst but lasted only to the sixth grade.

"I thought that I knew more than the teachers," he says now, with marked disgust at himself. "My folks tried to change my mind for me, but I was stubborn."

He worked on his father's farm until he was 17. Then he was married to the former Miss Rachel Wilson of Amherst. That was in 1935.

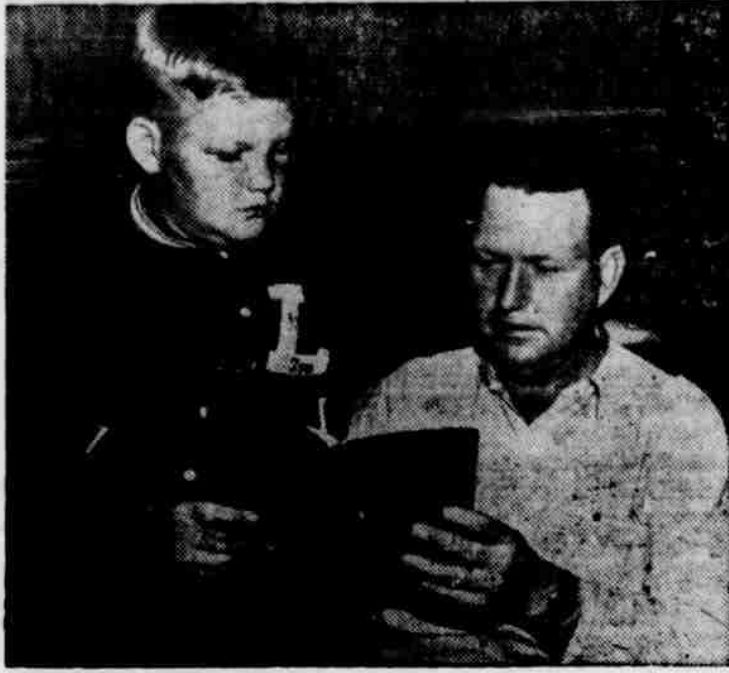

"I told Rachel about wanting to be a preacher before our first child was born," Berry relates. "Now he's 13, and a husky one. Billy Wayne. He's in the seventh grade."

But neither seriously considered doing anything about Berry's promptings of conscience.

Tried to "Run Away"

"I tried to run away from preaching," the stocky young father relates. "I went to Phoenix and worked on a truck garden and then as a trucker. Then I served in the Navy from January, 1945, until May, 1946."

After his discharge from military service, Berry brought his family to Littlefield — his wife, his son and his daughter, Marilyn Kay, now 10 and in the fourth grade of school. He and his brother-in-law, John Clayton, opened a machine

FROM PUMPS TO PULPIT — For 14 years W. H. (Dub) Berry, Jr., fought with himself over entering the ministry. Now, at 35, he's giving up his work in a pump repair and machine shop at Littlefield to go school in preparation for becoming a Baptist preacher. Shown with him here is his 13-year-old son, Billy Wayne. He and Mrs. Berry also have a daughter, Marilyn Kay, 10. All four in the family will enter school in Decatur within the next few days.

Berry was licensed last Dec. 21.

"I am happier than I've ever been before," he says, "because at last I'm doing what I think I should have done long ago. I thank everyone who has given me encouragement in this big step."

Berry is leaving his part of his business in the care of Clayton. He has moved the family belongings to 712 S. Trinity St., Decatur, and on Monday he will take Mrs. Berry and the children to their new home.

"We'll be three blocks from the grammar school the children will attend and five blocks from Decatur Baptist College, where Rachel and I will register on March 9," he says.

To Give Farewell Sermon
Decatur Baptist College is a junior college. Berry doesn't know

at what level he will begin work. He's leaving that to the college officials. He feels that he will be ready for seminary training in from three to four years then seminary will require another three to four.

Fellow church members have given the Berry family warm support. One night three score of them serenaded the household, and last week they presented the couple handsome luggage. Mrs. Berry has been showered with gifts—a bedspread, pillow cases, "ever so many nice things."

Last Sunday morning Berry preached at the Parkview Baptist church here. His sermon was his farewell to his friends and neighbors and his salute to a new and challenging life.

"When I've finished school, I hope to serve a small church. I've been brought up in them. But I shouldn't be saying what kind of work I'd like to do. Now it's up to the Lord. The next decision will be His."

OLTON NEWS

POTATO PLANTING UNDERWAY

Potato planters rolled across the Olton area Tuesday as potato growers began seeding the 1953 crop. Olton's biggest potato crop yet.

Aubrey Shelley said planting was started on the E. W. Mitchell place, north of Olton last week.

Planting was scheduled to begin in earnest Wednesday morning. Mr. Shelley said a potato planter will seed some 15 acres a day.

Present at the Mitchell place six Mexican women were cutting seed potatoes. The women averaged 75 sacks a day. However, one woman could cut 90 sacks a day.

Mr. Shelley was very much impressed with the operation. He said the six women kept two men busy removing the seed and supplying them with more potatoes.

Mr. Shelley said four car loads of seed potatoes were unloaded at Plainview Monday of last week. There were 10 more cars on the track and an additional six cars were slated to arrive.

Potato growers expect the potato planting at Olton to be completed in about 10 days.

OVER HALF INCH RAIN

Olton got .61 of an inch of moisture in the last rain, according to the U. S. Weather Bureau gauge at The Enterprise.

This, in addition to .22 of an inch of precipitation in snow Monday brought total moisture for the week to .83 of an inch.

SON BORN

Mr. and Mrs. Troy Martin are the proud parents of a son, James Post Martin, born at 11:35 Thursday, February 26 at the Olton Memorial Hospital. He weighed 8 pounds, two and one-half ounces.

Grandparents are Mr. and Mrs. C. P. Martin of Childress and Rev. and Mrs. J. D. Horton of Amarillo.

Both mother and son are doing nicely.

THREE TEACHERS RESIGN

Resignations of three Olton teachers have been accepted to become effective when their contracts expire.

The three are Mrs. E. J. Keith, C. W. Stafford and Herbert Covert.

RECEIVES DIPLOMA

Mrs. Ann Blythe, owner-manager of Ann's Flower & What-Not Shop in Olton, has received her diploma in landscaping and floristry.

Mrs. Blythe has been taking a correspondence course with the National Landscape Institute of Los Angeles, California, for the past several months, and has received her certificate of "satisfactory completion of the course in flower arrangement and floristry."

With completion of the course, Mrs. Blythe also received membership in the National Floral Association.

SCHOOL ELECTION

An Olton school board election has been set for April 4 for election of two members of the board.

Board members whose terms expire this year are Jack Allcorn, board president, and George Redinger.

Deadline for filing is at 5 o'clock the afternoon of March 24. Filing will be done at the office of B. A. Dodson, school tax assessor-collector.

Amherst Couple—

(Continued from Page 5)

man achieved success. "I give my father credit for a lot of my success in life," he says. "He never did make a lot of money, but he always encouraged me in all my undertakings."

Has Extensive Land Holdings
"My mother wanted me to do things, too, but she did not have confidence in me like my father did. She seemed to be afraid that I would get hurt or killed."

At present, Bozeman owns farmlands near Muleshoe, Earth, Brownfield, Pecos and near Arch, N. M. In addition he has 109 acres of producing oil royalty and more than 400 acres of non-producing royalty.

"Had I not been such a rolling stone, I might have gathered more moss," he says. "But I like being a rolling stone. A setting hen loses all her feathers—and I never have had much use for setting hens."

Bozeman likes to stress that he and his wife did not make their will ACC public for "publicity's sake." "eW did it in hopes that it might be a source of encourage-

ment for others," he says. Of himself, Bozeman supposed all crippled people to put forth effort to see what they want than men . . . The only two things I . . . out too much effort on my car and sleeping."

With his own theories for oBzeman declares that "my business and farming . . . along better and save more when I am in debt . . . I always put forth a special to meet my obligations."

"I recommend this to any person . . . But don't go for pleasure purposes. Credit to the fullest for business purposes and only a profit."

He advises young people to continue their shooting "if school. If not, I would school at once, get a job, of your father's pocketbook."

Bozeman's relatives include sisters and two brothers, children. The sisters are Mrs. V. Seymour of Earth and Mrs. Brockman of Quezadoc and thers are Frank F. Bozeman Springlake and Kenneth of Lubbock.

From where I sit ... by Joe Martin

A Difficult "Situation"

Did you see that "Classified Ad" last week? The one that wanted a farmhand who had to be "an expert agriculturist, sheep herder, tractor driver, bridge player, plus being "an authority on chemistry and mathematics"?

Slim Thomas, who ran that ad more or less as a joke, called and said, "I got 23 answers and almost every one claimed they could meet all those qualifications! That means I want to keep the man I have—Handy Peters."

"He was thinking of quitting but now I've got to talk him into

staying. Handy never used to be an expert, he's just an all-around hired hand."

From where I sit, Slim's to be wary of people who themselves to be all-around parts." Some folks will "on anything—from the die man should wear to vodka ought to drink beer or milk. Personally I don't "classify" myself as knowing the right answers.

Amherst Couple Leave \$400,000 To A. C. C.

MISS LAWANDA TERRELL, 18 year old daughter of Mr. and Mrs. Weldon Terrell of Fieldton community will graduate from Amherst High school with the class of '53.

LaWanda is outstanding in many activities of the school—and now she is taking Vocational Nursing at the South Plains Hospital.

She started school at Amherst when she was in the 7th grade. She formerly attended school at Portales, New Mexico.

LaWanda has been outstanding in basketball, and played forward on the team for the past four years, and has "lettered" each

While Mr. and Mrs. Joe Boze- man of Amherst attended the annual Abilene Christian College lecturership held at Abilene last week, they made public the willing of their entire \$400,000 estate to Abilene Christian College.

The Bozeman, who have exten- sive land holdings in West Tex- as and New Mexico as well as 526 acres in oil royalty, named the college as the beneficiary of their estate.

"We hope and trust that this will be the means of giving a host of boys and girls an education," they said. "In this way, perhaps our efforts in life will live on after we have gone."

College President Don H. Mor- ris said the will was "one of the most magnanimous things that has happened to the school."

With the signing of the will, the 60-year-old Bozeman wrote the crowning chapter in a life story wrought with hardships and seemingly insurmountable odds.

"I remember my parents asking an old doctor what kind of vaca- tion would be best for me," says Bozeman. "And I remember he said that there wasn't much to worry about because I would never live to be grown."

"I didn't let that bother me too much, though."

Has Licked Handicaps

But Bozeman has surprised just about everyone—with the possible exception of his father—by licking his handicaps and emerging a wealthy man. For, although he is a spastic, he is, as ACC Board of Trustees President B. Sherrod of Lubbock said, "endowed with mental capacities that far exceed those of the average person."

Born in Coleman County in 1891, Bozeman spent his youth in Texas, Oklahoma and New Mexico. In 1924, he bought land near Brown- field but lost it "and just about everything I had" during the de- pression.

In 1933, he moved near Level-

land, but soon moved away again. In 1936, he married and, in 1941, he moved back to Levelland and bought some land. He moved near Lazbuddie two years later, then took his wife to Texico, N. M.

Kept All Mineral Rights

Finally, in 1946, he moved back to Levelland, suffered a crop fail- ure and sold the farm, moving to a farm four miles north of Earth. He kept all the mineral rights un- der the land at Levelland however, and the next year his first oil well was developed there.

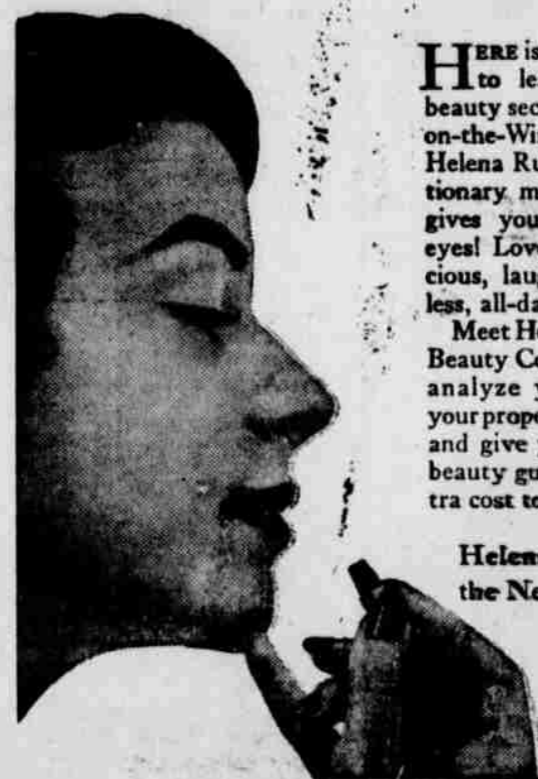

Bozeman's life is filled with stories such as that of his boyhood days when he and his family would sit up at night shucking and shel- ling corn until there was enough to take 45 miles to market and sell for 15 cents a bushel.

But, despite his handicaps, Boze-

Attend Last Rites Held in Lubbock Saturday For Mrs. Gimmell and Son

Those from Amherst who attend- ed funeral services for Mrs. Kate Gimmell and her son, James Gim- mell, held at McDonald Funeral Home in Lubbock last Friday morning included, Mr. and Mrs. Joseph McWilliams, Mr. and Mrs. L. F. Cargile, Mrs. Billy Graham, Mrs. J. A. Martens, and also Dur- wood Thomas, a former technician in the South Plains Hospital, who now works at Tulsa.

Mr. Gimmell was the fiancé of Miss Jane Day, a registered nurse at the South Plains Hospital, who was in the accident that fatally injured Mrs. Gimmell and her son last Saturday morning, February 28, near Allantown, Pa. Miss Day was critically injured, but is im- proving. The couple were to have married at the home of her par- ents at Walpole, Mass., the past week.

Congratulations To ---

The following parents whose babies were born at South Plains Hospital-Clinic, the past week:

A son, Ronald Gene was born March 1, to Mr. and Mrs. Raymond Jackson. He weighed 6 pounds and 2 ounces.

Mr. and Mrs. Doyle Black are parents of a daughter, Seheila D'Aun, born March 2, weighing 9 pounds and 4 ounces.

Study Clubs Meet Jointly For Texas Day Program

Amherst Senior and Junior Study Clubs met jointly recently in the dining room of the First Baptist church for a Texas Day program, "Women Important in Texas."

Talks were given by represent- atives of both clubs. On the pro- gram were Mesdames Doyle Tap- ley, J. F. McWilliams, J. V. Ad- cox, Horace Holt, Veta Grimes, Emory Blum, C. C. Craig and C. M. Goffar.

Two large silk flags, one of Tex- as and one of the United States, formed a backdrop for the serving table, which was laid with a linen outwork cloth.

Hostesses were Mrs. James Hol- land and Mrs. T. M. Simmons of the Senior Club and Mrs. Bus- tace Conwoop and Mrs. J. V. Ad- cox of the Junior Club.

Lutheran Building Committee Visits South Plains Churches

The building committee of Em- manuel Lutheran Church spent last Friday viewing the architect of several church on the South Plains, getting ideas that might be used when planning the new local Em- manuel Lutheran Church.

Freshman Class Of Amherst High School Enjoy Class Party

Members of the Freshman class of Amherst High school enjoyed a class party at the American Leg- ation Hut last Friday night.

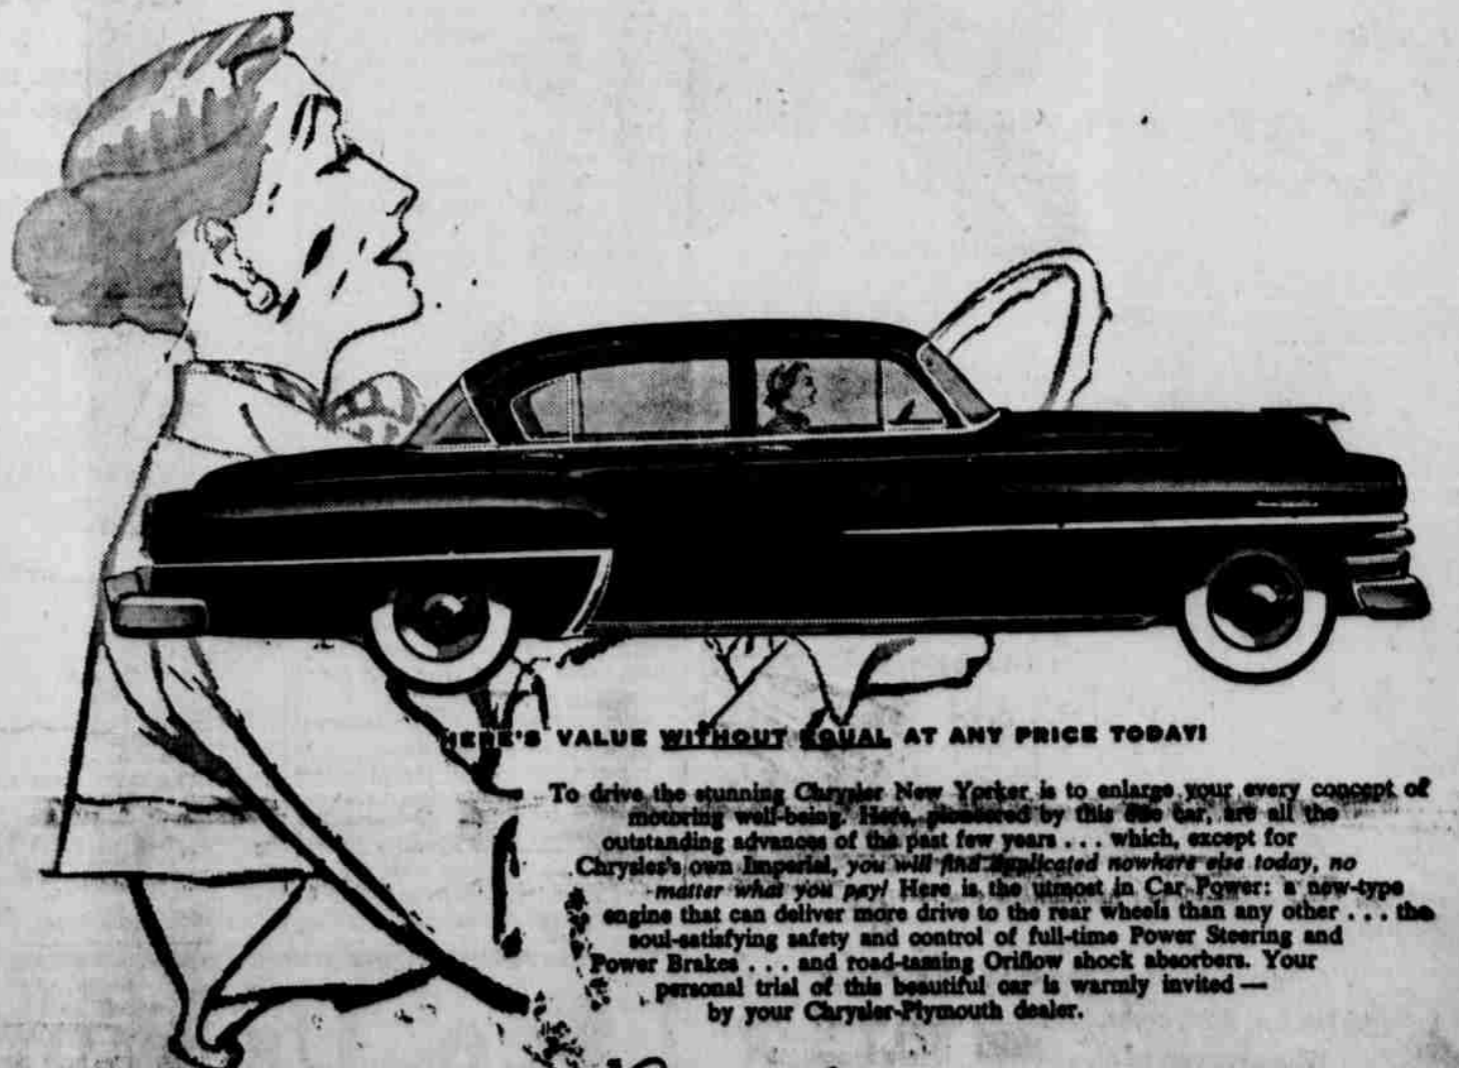

The group played a series of games, after which refreshments of sandwiches and bottled drinks were served the group.

Class sponsors are Mrs. Albert Cowen and K. A. Marshall. They both met with the group.

and Mrs. Fred Roberts of Bovina, and four grand-children.

Members of the Amherst Church of Christ presented the couple with a large mirror. Mr. Daugherty is minister of the church.

The tea table was laid with a lace cloth and was centered with a tiered wedding cake and yellow chrysanthemums. Napkins were let- tered Jim and Pearl and the date of their wedding.

HERE'S VALUE WITHOUT EQUAL AT ANY PRICE TODAY!

To drive the stunning Chrysler New Yorker is to enlarge your every concept of motoring well-being. Here, pioneered by this one car, are all the outstanding advances of the past few years... which, except for Chrysler's own Imperial, you will find duplicated nowhere else today, no matter what you pay! Here is the utmost in Car-Power: a new-type engine that can deliver more drive to the rear wheels than any other... the soul-satisfying safety and control of full-time Power Steering and Power Brakes... and road-taming Oriflow shock absorbers. Your personal trial of this beautiful car is warmly invited — by your Chrysler-Plymouth dealer.

Window Box Planting Can Start Early

By **RUSSELL STANTON**
Rutgers University, College of Agriculture
Written for AP Newsfeatures

NEW BRUNSWICK, N. J.—Starting in a window box is a good way to get relief from itching green thumbs.

ROWS can be marked off two inches apart in window box.

RETURNS HOME

Mrs. Pearl Chapman is home from Stephensville, where she spent two weeks with her daughter, Mrs. Edgar Purvis, who had undergone an operation.

MOVE TO BLACKWELL

Mr. and Mrs. O. L. Bundick, and son, Eddie, and Mr. and Mrs. Johnnie Bundick were here part of last week. They were moving from Crain, where they have lived for the past year, to Blackwell Okla.

VISIT IN LAWTON

Mr. and Mrs. Donald Adams and baby daughter, and Mrs. Buddie Barnes, returned Sunday from Lawton, Okla., where they visited with Mrs. Barnes' husband, who is in the army and stationed at Fort Sill. He expects to be moved to another camp soon.

VISIT IN REED HOME

Mrs. Jean Onstott and Vanean of Odessa spent the week end with her parents, Mr. and Mrs. R. A. Reed, and with her sisters at Littlefield, Mrs. Gene Williams and Mrs. Dock Lasiter.

MOVE HERE

Mr. and Mrs. Edd Shamblin and small son have recently moved here from Morton. They had as visitors last week her sister, Miss Sue Rose from Morton, and his

Fieldton Facts

brother, Doyle Shamblin, who had just returned home from occupational duty in Germany.

GO TO HEREFORD

Mr. and Mrs. Claud McCain spent Sunday at Hereford, where they attended a golden wedding anniversary for his brother and his wife. They were accompanied by another brother and wife from California, who visited them last week.

TO UNDERGO MEDICAL TREATMENT

Mr. and Mrs. Harold Robison went to Rochester, Minn., last week, where he expected to undergo medical treatment at the Mayo Clinic. They were accompanied by Miss Laverne Robison, Mr. and Mrs. Harvey Jones and Clifton Robison.

MOVE TO FIELDTON

Mr. and Mrs. Florida and four children have recently moved here from Hale Center.

RETURN HOME

Mrs. R. W. Stanfield returned

home Sunday from a visit to Fort Sumner and Albuquerque, N. M., with her children.

VISIT HERE SUNDAY

Mrs. Clifton Robison and baby from New Home and her mother, Mrs. Floyd McCain, visited here Sunday with Mrs. Beulah Robison and Mrs. Ada Cooner.

VISIT GRAND PARENTS

Iva Dell Goyno of Olton spent the week end here with her grand parents, Mr. and Mrs. J. E. Elliott.

SPEND SUNDAY HERE

Mr. and Mrs. Buddie Hall and Billy Jo from Post spent Sunday here with her sister and family. Mr. and Mrs. Don Brestrub and son, Steve Brestrub went home with them for a visit.

VISIT MOTHER

Mr. and Mrs. A. H. Scivally spent Saturday night and Sunday here with her mother, Mrs. Ellis Sullivan. They expect to move to Lubbock soon.

FAREWELL PARTY

A farewell party and shower was given last Tuesday night at the school for Mr. and Mrs. L. V. McGuire and children, who have moved to Littlefield.

Refreshments of cookies and

bottled drinks were served.

Those present and sending gifts were: Mr. and Mrs. Dan Puckett, F. A. Reed, Corkey Brooks, Freddie Howard, Bud Thomas, Don Brestrub and sons, C. W. Hunt and children, Sherman Taylor, Tom Voorheis and sons, Archie Howard, Paul Hukill, Homer Hukill, R. W. Stanfield, Buster Evans and children, Noland Hukill and son, Marvin Qualls and Tom Moore.

VISIT ARCHER CITY

Mr. and Mrs. H. C. Pickrell visited last Thursday at Archer City with a nephew of Mrs. Pickrell's, Mr. and Mrs. Troy Wells, whom she had not seen in seven years.

VISIT AT SUDAN

Mr. and Mrs. Vernon Qualls visited Sunday at Sudan with his mother, Mrs. H. W. Qualls.

TAKING MEDICAL TREATMENT

H. C. Pickrell and his daughter-in-law, Mrs. Ferrol Pickrell, are taking medical treatment at the Amherst Hospital.

VISIT IN ALDRIDGE HOME

Mrs. J. C. Wright of Plainview visited last Wednesday here with her sister, Mrs. W. J. Aldridge.

R. J. Dunson Accepts Position at Brittain Pharmacy

R. J. Dunson has accepted position at Brittain Pharmacy, placing Wayne Evert, who joined the U. S. Navy, in his duties last Thursday.

He and his wife recently here from Wellington. Mrs. Dunson is employed as teller, First National Bank.

VISIT AT HART
Mr. and Mrs. H. C. Pickrell Monday near Hart with the J. M. Pickrell and family.

LIQUID OR TABLETS—SAME EFFECT

The Service of "Mr. 4%" is reflected in Jefferson Standard's 46th Annual Report

MORE PROTECTION FOR MORE PEOPLE. Jefferson Standard during the past year continued to grow in stature and in usefulness to the insuring public. New life insurance placed by the company's fieldmen in 1952 exceeded \$153 million, a 20% increase over 1951. Insurance in force reached a new high of \$1,136,600,000, a gain of \$97 Million for the year.

Today Jefferson Standard is providing a measure of financial security for more than 350,000 policyholders in 29 states, the District of Columbia, and Puerto Rico.

Payments to policyholders and beneficiaries during the year just closed amounted to \$13,500,000, bringing total payments since organization of the company to \$226 Million.

Assets of the company increased by more than \$28 Million to a year-end total of \$324,852,407. Investment earnings were maintained at a high level throughout the year, and Jefferson Standard for the sixteenth year leads all major life insurance companies in rate of interest earned on investments.

"WHO IS MR. 4%?"

Mr. 4% represents the Jefferson Standard

Jefferson Standard, now guaranteeing 2 1/2% on policies currently issued, has never paid less than 4% on policy proceeds left on deposit to provide income. *Four per cent is the highest rate of interest paid by any major life insurance company in America!*

Mr. 4%, a welcome visitor in the homes and offices of thousands of policyholders, is pointing the way to *extra income* through 4%. His friendly counsel is helping policyholders and beneficiaries use life insurance more effectively—the Jefferson Standard way.

For Example

On a \$10,000 life insurance policy, interest income at 2 1/2% amounts to only \$250 per year . . . at 4% it amounts to \$400 per year—\$3,000 more income over a 20-year period!

Jefferson Standard's investment record is outstanding in the life insurance industry. The company's excellent earnings rate makes it possible to provide extra income dollars to the policyholder or beneficiary. For 46 years Jefferson Standard policies have never paid less than 4% interest on proceeds left with the company to provide income.

Let Mr. 4% Serve You

Small wonder, then, that more and more people are turning to their local Jefferson Standard Mr. 4%. *Jefferson Standard policy dollars are larger.* Keep in touch with your Mr. 4%—he's a good man to know.

Amor on the Honeymoon

BETTY CLARKE
Features Beauty Editor
 knows no season. Girls are "Do" at this time of the year. People assume that June and July are the only months for a wedding. But 'taint so at all. This will take the ring any day a boy agrees to a wedding. Honeymoons are just as romantic in winter as in summer. And southern vacations are simpler to assemble a winter honeymoon today than it was 50 years ago. Manufacturers now get things for cold weather of the past few years. Some things to remember for the honeymoon: the clothes you'll need for the climate you plan to visit. A few warm things like sweaters, suits and light

topcoat if you are going from a cold to warm climate. Warm weather clothes should be packed too. Don't be tempted to turn into a shopping venture. Take along all the pretty play clothes you can muster up.
 2. Don't start the honeymoon off by stringing laundry all over the bathroom. If possible take quick-drying washables than need no ironing.
 3. The fragrances you decide to take on your trip should be tested beforehand. Let the groom-to-be get some whiffs of your favorite perfume and colognes weeks before the wedding, at least. Wear it frequently and he'll be sure to come through with some pro or con comments.
 4. If you have a new permanent wave try to have it at the "loose" stage by your wedding day. Keep it casual on the honeymoon so that curlers and hairpins are not cluttering up your scalp on this ro-

mantle occasion.
 If he likes your choice of fragrance get the same scent in all your toiletries—dusting powder, bath oil, hand lotion, perfume, cologne, soap. Why challenge fate at this point?
 5. It is a good idea to put your complexion in such excellent shape before the wedding day that you will not need masks and night creams on your honeymoon. If a cream is needed because the skin seems too oily or too dry, use it while you are taking your bath.
 6. Take a minimum amount of luggage. You should have the essential clothes and sundry articles needed, but skip the extras you might be tempted to cart along. There is no reason probably to take 5 swim suits on a ten-day honeymoon.
 7. Pack carefully—shoes in shoe-bags, jackets folded neatly, lingerie in their own cases. Perfume bottles travel safely if a bit of sealing wax is melted over the stopper. To keep dusting powder from spilling put tissue between powder and puff, with tissue edges extending beyond the sides of the box. Jam cover on tightly. Choose stick colognes and perfumes to save space in your suitcase and protect your clothes in the event of bottle breakage.

WINTER BRIDE . . . She packs fragrances with her finery for a sensible honeymoon.

Tragedy Of Refugees Has Berlin Worried
 By **RICHARD KASISCHKE**
AP Newfeatures
 BONN—What is a political refugee from Communism? Who is entitled to demand food and shelter from his fellow man living in freedom?
 Free Berlin's Mayor Ernest Reuter, who has seen hundreds of thousands of them crowd into his city from surrounding Communist-ruled East Germany, has a simple answer:
 "A man who can't stand it any longer."
 The sad-eyed Reuter gave this definition at a news conference here in which he described the current flood of refugees into West Germany.
"Was a nervous wreck from agonizing pain until I found Pazo!"
 says Mrs. A. W., San Antonio, Texas
 Speed amazing relief from miseries of simple piles, with soothing Pazo! Acts to relieve pain, itching instantly—soothes inflamed tissues—lubricates dry, hardened parts—helps prevent cracking, soreness—reduce swelling. You get real comforting help. Don't suffer needless torture from simple piles. Get Pazo for fast, wonderful relief. Ask your doctor about it. Suppository form—also tubes with perforated pile pipe for easy application.
 Pazo Ointment and Suppositories

Berlin as a "colossal peace-time tragedy whose ultimate proportions no one can foretell."
 The huge refugee flow, which has reached a rate of 30,000 a month, may be sharply curtailed by new Russian regulations. The east zone has been losing many able-bodied workers, especially farmers. On the other hand, the Communists also have been getting rid of many dissidents and older people and packing a huge economic strain on free West Germany.
 Reuter estimated that the first six months of the new accelerated exodus would cost West Germany 119 million dollars for transport, housing and food.
 When Reuter uttered this figure many tax-conscious German correspondents groaned, for the Federal Republic through economically prosperous is already crowded with refugees and expellees seeking to make a new start in life.
 One of the correspondents arose to ask: "But Mayor Reuter, are all those people running away from the East really political refugees? Is everything possible being done to persuade them to stay in East Germany if they can?"
 Reuter, a man who saw much misery during the Soviet blockade of Berlin and is seeing lots more now, looked even sadder as he replied:
 "What is a political refugee? You can't apply the old standards of persecution and inquisition any more. What we are witnessing is a mass movement of people from East Germany under Communist pressure.
 "They are people who have decided they just can't stand any more. What can you do if the Communists, in order to squeeze you out of business, hit you with a confiscatory tax bill? If you are a farmer what can you do if they levy an impossible crop delivery quota? You lose your business or you lose your farm and if you protest you go to jail.
 We repeatedly tell the East German people that all we can give them in Berlin is rude shelter with enough heat and food to keep them alive. We tell them that if they get to the west there is little immediate relief for them, and they may never gain an independent livelihood.
 "And yet they come by the thousands. They come to us virtually naked of personal possessions. We put them up as best we can in what we call camps—really vacant factory of store space.
 "What else can we do?" Reuter continued. "Should we build a wall around Berlin to keep them out? Should we send them back—perhaps to jail? I'll never do that and, I believe, neither would you."
 Reuter said that recently the "over sixties" among the refugees were running only two or three per cent. This means that the Russian zone was losing much able-bodied manpower. Also more and more families were coming over intact.
 "This manpower loss may persuade the Russians to cut off the flow," Reuter said, "but who knows what lies in the Kremlin minds?"
 "We hope for more foreign help"

"We hope for more foreign help," Reuter said, "but we Germans must first show the world that we are doing our best to help ourselves."
Former Local Man Is Named Director Of Texas Tech College
 W. D. Watkins, an Abilene cotton oil company executive and a former manager of Littlefield Western Cottonoil company was recently appointed a director of Texas Technological college, Lubbock. The appointment was made by Governor Allan Shivers. His term is for three years, to expire February 19, 1959.

"REMARKS BY THE COUNTY AGENT"

By DAVID C. EATON

Last year Mrs. Johnnie West, who was president of the Pleasant Valley Social club, had a dream for improving the Pleasant Valley community. She thought it would be nice if the roads in the community were named, as streets are in our towns. Instead of house numbers as they have in town, she thought it would be better to have the names of the people and the directions to the farm at each crossroad.

Thursday, I saw her dream come true, as the entire community was hard at work erecting the signs. The Pleasant Valley community should certainly be proud of Mrs. West for she is certainly an asset to any community.

If any of the farmers in the county are driving around some day, drive up to the Pleasant Valley community. It starts 6 miles west of Earth on the Muleshoe highway, and look at the directors on each road leading north. All communities in the county can follow the idea that Mrs. Johnnie West had. It is an excellent one.

C-A-C
Saturday, March 14, at the Lamb county fair grounds at Littlefield, beginning at 9 a. m., the boys and girls of Lamb county will exhibit their fat steers and barrows in the Lamb county 4-H and F. F. A. Junior Livestock show.

The Lamb county is a commercial show. The boys and girls buy their animals at market price, feed home grown feeds, and sell the animals at market price. We are trying to feed out the animals as a sound farming practice.

Last year Tommy Davis, of the Rocky Ford community, fed two calves for the first time. He showed the grand champion of the show. This year Tommy is back with another calf for this year.

J. B. Davis, Tommy's dad, has fixed a permanent pasture and Tommy has bought a couple of cows, and plans to buy a bull with what he makes from the sale of his calf this year. This is the result we hoped to get from this type of show, that is to increase the feeding of cattle on the production of cattle on a small scale on our farms. There is a definite

place for livestock production in the farming operations of Lamb county.

How about dropping down Saturday, March 14, and see what our boys and girls are doing.

C-A-C
"More food and fun from the garden in '53," that's the motto for home gardens — The time will soon run out for the planting of English peas, Irish potatoes, carrots, mustard and head lettuce in many parts of the state. These vegetables prefer a cool growing season and must mature before the hot weather of late spring and early summer sets in. In the southern part of the state it is already a little late to plant most of these cool-season crops.

ENGLISH PEAS — This crop especially requires early planting because as the weather warms up they are more susceptible to attacks from powdery mildew and aphids. Laxton's Progress, Little Marvel and Bliss Everbearing are recommended varieties. It takes about one pound of seed to plant 100 feet of row. These varieties will have mature peas ready for use in 60 to 75 days.

IRISH POTATOES — Standard varieties for Texas are Bliss Triumph, Irish Cobbler and Kata-din. Plant only certified seed — cut blocky seed pieces that range from two and a half to two ounces in weight. It takes 8 to 10 pounds to plant 100 feet of row. They are ready for use in 75 to 100 days.

CARROTS — Danver's Half Long and Red Core Chantensy are two well adapted home garden varieties. It takes one half ounce of seed to plant 100 feet of row and the carrots are ready for the table in 70 to 75 days.

MUSTARD — Tendergreen is a quick maturing variety particularly suited to Texas conditions. It has a very good flavor and has resistance to hot, dry weather. It will be ready for use in 25 to 30 days after planting. Florida Broad-leaf is another adapted variety. It is a large vigorous grower that matures in 45 to 50 days. It takes about one fourth ounce to plant 100 feet of row.

HEAD LETTUCE — The Great Lakes variety is well adapted to our conditions. About one-half

Corned Beef for Old Time Flavor

BAKED CORNED BEEF . . . Old favorite.

By CECILY BROWNSTONE
Associated Press Food Editor
Old-fashioned corned beef for dinner is just as good as it ever was, and there are so many delicious ways you can use what's left over.

BAKED CORNED BEEF
Simmer corned beef until tender. Place fat-side up on a rack in an open pan. Sift a little brown sugar over the top. Score the fat slightly

and stick the center of each diamond with a whole clove. Bake in a hot (400F) oven about 15 minutes or until well browned.

CORNED BEEF HASH
Use equal parts of shredded cooked corned beef and diced cooked potatoes. Add minced onion to taste. Pan-fry or bake until hot and browned. Serve with poached eggs and chili sauce.

CORNED BEEF AND NOODLES
Ingredients: 2 to 3 cups chopped cooked corned beef, 8 ounces noodles, 2 cups milk, 1 cup grated yellow cheese, ½ cup buttered bread crumbs.
Method: Cook the noodles in a large amount of boiling water just until tender; drain. Mix with the corned beef. Turn into a buttered baking dish. Pour on the milk. Sprinkle cheese on top. Cover with buttered crumbs. Bake in a moderate (375F) oven about 30 minutes.

Note: Use sifted dry bread crumbs for the topping. To "butter" them, melt 2½ to 3 tablespoons butter or margarine in a skillet and add the crumbs. Stir constantly until the crumbs are golden color.

When all danger of frost is over we can plant the following warm season vegetable crops.

TOMATOES — Transplants of standard varieties, such as the Rutgers, Stokesdale, Marglobe and Pritchard, should be set in the garden within 7 to 10 days after the average frost free date. If the grower can give these transplants protection by the use of hotcaps, large tin cans, etc., or if he has enough plants to gamble with a few, he can crowd the frost free date a little closer. These varieties will produce good sized fruit of good quality until the weather starts to get hot and dry.

To insure fresh tomatoes through the hot dry summer after the standard varieties have stopped bearing, the Porter, Summer Prolific and Red Cloud varieties may be used. Summer Prolific and Porter have heavier foliage than Red Cloud which needs some protection to prevent sunburn of the fruit. These varieties have "heat resistant" blossoms and will produce under adverse conditions. They should be seeded directly into the garden about 60 to 75 days before the standard varieties usually stop production. This will be from about April 15 to May 15 in most sections of the state. The fruit of these summer varieties is not as large as the standard spring varieties but the quality is good. This point should be stressed — although the summer varieties will bear under adverse conditions of temperature and humidity, they are not drought resistant. By combining the use of one adapted variety of the standard type with one or two of the summer varieties, the home gardener can have fresh tomatoes from late spring and early summer until frost.

BACKACHE?
If you are bothered by Backache, Getting Up Nights (too frequent, burning or stinging urination), Pressure over Bladder, or strong cloudy urine, due to minor temporary Kidney and Bladder Irritation, for palliative relief ask your druggist about CYSTEX. Popular 25 years. 20 million packages used. Satisfaction or money back guaranteed. Ask druggist about CYSTEX today.

Good cultural practices in regards to cultivation and irrigation are necessary for successful production.

GREEN BEANS — Topcrop, Tendergreen and Logan are bush varieties that produce large crops of good quality green beans. Wade is a new variety that looks promising. About one pound of seed will plant 100 feet of row and they are ready for use in 48 to 55 days. If a succession of plantings is used with this crop, it will help insure higher quality fresh beans for a longer period of time.

BLUE LAKE, STRINGLESS BLUE LAKE AND KENTUCKY WONDER are good varieties of pole green beans. About one-half pound per 100 feet of row is required and the beans are ready for the table in 60 to 65 days.

SWEET CORN — Some good home garden varieties are Ioans, Aristogold and Aristogold Bantam Evergreen. About one-fourth pound will plant 100 feet of row. The corn will be ready in 85 to 90 days. Use a succession of plantings for high quality corn over a longer period of time.

CUCUMBERS — The A and C and Burpee's Hybrid are recommended varieties of slicing type cucumbers. The Earliest of All and the Magnolia are good pickling varieties. The cucumbers will be ready to use in 60 to 65 days after planting. A trellis can often be used to advantage in growing cucumbers.

SQUASH — The Early Prolific Straightneck is as the name implies — early and a heavy bearer. It is a bush type summer squash that produces high quality yellow fruit. This squash stays tender and succulent longer than the Yellow Crookneck and can be used at a larger size than the fruit of the Yellow Crookneck. About 8 to 12 plants will furnish the average size family with plenty of squash. They will be ready for the table in 45 to 50 days after planting.

Great Growth—

(Continued from Page 1)

published in its magazine, West Texas Today.

A recent report made for the 12 major utility companies shows they sold nearly 13 billion kilowatt-hours in the year ending last July 31, as compared with 5.5 billion in 1946.

By the end of 1953, the same 12 firms will have augmented their generating capacity by another 650,000 kilowatts.

Natural gas distributing companies that operate in West Texas sold 147 billion cubic feet of gas in 1951, as compared with 122 billion cubic feet in 1949, according to annual reports of the Gas

Utilities Division of the Texas Railroad Commission.

These included 1,235,231 rural customers and 243,000 commercial customers. They had a total of 760,500 customers.

The private utilities industry to 75 rural cooperative REA systems used 3.3 per cent of the companies' total

Electric company payrolls increased from \$11,087,650 in 1938 to \$43,911,469 in the year ended last July 31.

An interesting fact developed in the report on business of the electric utility companies is that the price per kilowatt hour declined from 18.8 mills in 1945 to 17.4 mills in the year 1951.

In the same period, taxes increased from \$8,422,500 to \$62,128,458, running \$18,000,000 a year higher than the payroll total. Gross revenues rose from \$62,500,000 in 1938 to \$233,367,971 this year.

As of last July 31, the dozen firms served 1,706,594 customers.

LAMB COUNTY LEADER, THURSDAY, MARCH 12, 1953

Pep Paragraphs

and Mrs. J. R. Tucker Among First Settlers of Anton Area

MR. AND MRS. J. R. TUCKER

It has been said that Anton was founded by people from Hall county, Oklahoma, but I find in the Pep paragraphs with these old timers that the folks from Georgia, Kansas that blazed the trail, does that sound for a tree country like this?

J. R. Tuckers were among the first to come here on Dec. 7, twenty-eight years before Harbor Day and Mrs. Tucker came to stay. They have once considered leaving Anton any family who did not come between the years of '29 and '30 were determined and courageous those were the times that men's souls and the years that Mrs. Tucker says she does not want to live them over. Tuckers hailed from Arkansas, too. But I am beginning not to believe all those stories about Arkansawyers. I looked carefully through hundreds of nice photographs, thinking I could sneak out one that was true to type — but no sir, every one of them had shoes on! And very fine looking people they were! So I guess Arkansawyers are like Texans — When you get to know them they are just plain folks, after all, and are not half as bad as their reputation.

All of the Tucker children were born here. Eight are still living and married.

The George Tucker family lives on the old home place originally settled by his parents, the J. R. Tuckers having built a lovely home in Anton.

TO OUR BOYS in THE SERVICE

The letter from the Buddies of Sergeant Alford L. Holden to his parents is a classic of heroism and loyalty.

Along with several pictures and other letters this family values this letter above anything else they possess. The mother has kept it with her constantly. Two days ago I was in the home and Mrs. Holman had taken it with her to Seymour. Today I met them as they came in from church and she handed it to me out of her bag. It has been a great solace and comfort to them to know that he did not suffer, that his buddies loved and cared for him and that he remembered to ask them to write in case anything happened to him. No doubt, some of these boys will visit the family when they return.

This letter will be read by many of our boys as these pages go to them. These articles are being written with our service boys in mind. We want them to know what goes on in their little home town while they are away. . . . We want them to know that we appreciate and care for them.

P. T. A. Meeting Held Thursday

The P. T. A. meeting at the school building Thursday was a great success with about one hundred and fifteen parents present.

The highlight of the program was a very instructive talk by E. R. Williams, president of our school board. The P. T. A. has some 420,000 members in Texas alone and is a powerful organization for good. Its five objects as brought out by Mr. Williams are:

1. To promote the welfare of children and youth in home, school, church, and community.
2. To raise the standards of home life.
3. To secure adequate laws for the care and protection of children and youth.
4. To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.
5. To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

Number 3 was especially stressed and Mr. Williams explained to the interested group what we are up against. His talk was based largely on facts given out by Charles H. Tennyson, an executive of the Texas State Teachers Association and showed that we pay less for our children's education per hour than for baby sitters — to be exact 21 cents per child.

Inadequate salaries are the main reason schools cannot find teachers for the classrooms being built for increasing enrollments, said Charles H. Tennyson, secretary-treasurer of the Texas State Teachers Association.

Tennyson said Texans should be shocked by the fact that the state may have fewer teachers in 1960 than in 1952 even though the scholastic population is expected to increase 325,000 over its present level by 1959-60.

More than 5,000 teachers left the profession last year, while population growth created the need for an extra 1,000 teachers. This meant a total of 5,000 new teachers was needed. Only 4,000 college graduates were certified to teach in Texas in 1952, and approximately half of those were lured away from the profession, primarily by higher salaries offered by industry, Tennyson reported.

He questioned whether the average 1951-52 teacher salary of \$2,860 was adequate to hold men and women in the important profession of educating Texas' boys and girls. Income tax and retirement deductions cut that average to \$2,279 in take-home pay, and this had a purchasing power of \$1,150 dollars in terms of the 1935-39 dollar, Tennyson observed.

"Who will teach Texas children in 1960 if the teaching profession is able to attract only 2,000 qualified college graduates each year and continues to lose 5,000 teachers annually?" Tennyson asked.

This, he said, is a major question to which the legislature should give serious consideration.

After Mr. Williams' talk the parents were taken through the classes just as the children are each day but in a brief way.

Bess Atkinson
February 24,
Korea

Dear Mr. and Mrs. Holden:

My name is Bob Murstein and I am the medic of the 279th Tank Co., usually known as Doc by all the fellows, especially Leon, "Tex" as we all called him.

He asked me to write you both if anything should ever happen to him. I can't let a swell fellow like Tex down. I'll try my best for his sake.

It all started on the night of Feb. 20 about 10 p. m. We were all out on the tanks ready to move out and just waiting for the 179th Tank Co., to come and relieve us. As soon as the 179th tanks were in position, everything let loose. The first round hit. I was only about five yards away from Tex when it happened. Everyone went for cover and the same for myself. I just started down the hatch when someone yelled Doc! I got to him within a few seconds. It was already too late. Tex died quickly and without pain or suffering.

Two of Tex's good buddies heard the call for me and came out to see if there was anything they could do. Just as they arrived to help, the second round hit and knocked us down. We did get Tex in a bunk where it was safer.

Tex was thought an awful lot of by the whole company, always. He was a real fine guy. We deeply regret that we couldn't get him out alive. Believe me, if anything really hurts a medic, it's when a swell buddy like Tex gets hit and when I arrive, there is nothing you can do or say. It really makes a medic feel helpless.

Tex's platoon also asked me

day. They are from Littlefield and Mrs. Sadler is Mrs. Couch's brother.

FRIENDS OF MANY YEARS
Mr. and Mrs. Rob Scott of Sylvester were guests in the Ashley Cox home Friday. They have been friends of many years but have only been able to visit once in thirty-six years.

to write this letter for them. Mainly being that I was the one who was there when he died. We all hope that in some small way, this letter will bring some comfort to you both.

Speaking for the platoon and myself Tex is and always will be remembered in our hearts as one of the nicest and finest fellows we ever knew.

On page 3 you will find the signature of every member of the Second Platoon of the 279th Tank Co., 45th Inf. Div.

Yours very sincerely,
Bob

EARTH NEWS

ELECT OFFICERS

The Earth Roping club elected new officers on Thursday, February 26. Price Hamilton was elected as the new president, Dewey Green, arena director, and W. H. Jones, secretary.

Dates for the big 1953 Earth rodeo are set for July 23-24-25, which will fall on Thursday, Friday and Saturday. The club voted to discontinue all Sunday performances.

SINGING CONVENTION

The Lamb County Singing convention was held at the First Methodist church in Earth last Sunday afternoon.

PRESENTED IN RECITAL

Students of Gommerray J. Allen and Mrs. Leon Sanders were presented in a piano and voice recital at the First Baptist church in Earth recently.

CANASTA PARTY

Mr. and Mrs. Norman Cleavinger of Dimmitt were hosts to a group of Earth friends with a canasta party at their new home in Dimmitt Friday, February 27.

Refreshment plates of coffee, dainty sandwiches and strawberry cream meringues were served by Mrs. Cleavinger and Mrs. Goldman Dyer.

Guests included Mr. and Mrs. Sam Cearley, Mr. and Mrs. Milt Ott, Mr. and Mrs. J. L. Hinson, Mr. and Mrs. Ray Axtell, Mr. and Mrs. V. D. Coker, Mr. and Mrs. H. C. White, Mr. and Mrs. Crill Bulls, Mr. and Mrs. C. L. Roberts, Mr. and Mrs. Hilbert Wislan, and Mr. and Mrs. Roy Neal, all of Earth, and Mr. and Mrs. P. L. Cunningham of Dimmitt.

BUY DINING ROOM SUITE

A mahogany dining room suite has recently been added to the furnishing in the Springlake Home Ec department.

The suite, was selected by the third year Home Ec class. The chairs are eighteen century and the table is Duncan Phyfe. The proceeds of the F. H. A. play were used to purchase the furniture.

PINK AND BLUE SHOWER

Friends are invited to a pink and blue shower honoring Mrs. Ronald Cleavinger Thursday, March 12, at 3 p. m. at the home of Mrs. J. L. Hinson.

LUNCHEON AND WORKSHOP

Local women attending the luncheon and workshop for District 7, Texas Federated Women's

LIONS NEWS

About twenty members and two guests Eddie Hart and F. L. Newton were present at the regular meeting of the Lions club Monday night.

It was announced that E. R. Williams is the man of the year, and that this district had sent \$18,000 to the crippled children's home in Kerrville, Anton ranking fifth in this contribution.

Next Monday night will be ladies night and Cragg Darden, Chester Jones and Joe Ashburn are the committee to arrange the tables.

REVIVAL MEETING

Beginning March 15 through March 22 at the Fellowship Baptist church, Anton.

Evangelist M. F. Downing of Lamesa, Texas will conduct the services. Hear him at 7:15 a. m. over KEPT, Lamesa. He will be assisted by B. R. Teague as song leader. Mr. Teague is from Clovis.

The public is cordially invited. Morning services, 10 and evening services, 8.

TO OKLAHOMA CITY

G. C. Chandler made a business trip to Oklahoma City this week.

IMPROVING

NEWS OF ANTON—"The Town With A Purpose"

Effort Being Made By Anton Business Men to Construct Clinic Building

According to Ed Hart and Chester Jones they would like to get it over to the public that the Lions are not sponsoring a clinic, but that in the absence of a Chamber of Commerce they are getting together some facts to present to the public. Mr. Hart is one of the committee, others are John Laurence, Harlan Black and Cragg Darden.

The general idea is a building of about 1000 square feet floor space at a cost of approximately \$12,000, located on the lot in front of the Primitive Baptist church, but facing west.

One doctor, according to Mr. Hart, has offered to equip the building.

These are just the facts as they were presented to me. If you would like further information contact

one of this committee. You will be offered an opportunity to buy a share or shares as is shown below:

"THE STATE OF TEXAS
COUNTY OF HOCKLEY

"Know all men by these presents, that we, the undersigned citizens of the State of Texas, desirous of forming a corporation under the laws of the State of Texas for the purpose of constructing a building suitable for a Medical Clinic in the City of Anton, Texas, do hereby subscribe the amount of money set opposite our names for the purchase of capital stock in said corporation, when organized, at \$100 per value per share.

"It is understood and agreed by each of us that the capital stock of said corporation shall be not less than \$10,000 nor more than \$15,000, and we, and each of us, hereby agree to pay the amount of money hereby subscribed to Harlan Black, trustee, immediately upon being advised by N. C. Darden, Jr., Ed M. Hart or John Laurence that a minimum of \$10,000 has been subscribed, with the understanding that the said Harlan Black, trustee, shall deposit said money in the Citizens State Bank of Anton, Texas, and immediately cause to be filed an application with the Secretary of State for a charter, duly incorporating said corporation, and when charter has been granted, there shall be issued to each of us certificates of stock in the amount herein subscribed by each of us."

Anton Study Club
Guests of Mrs.
Donald Love

The bi-monthly meeting of the Anton Study club was held in the home of Mrs. Donald Love. Several instructive talks were given. Beautiful gardens were the subject chosen by Mrs. Love. Mrs. Claude Campbell discussed "Ground Covers are the Answer," and Mrs. Clifton Grundy told of the Nations newest show place.

Coffee and marshmallow salad were served to Mesdames Al Herin, Elmer Houston, Joe Ashburn, Alma Tate, Orville Bailey, K. W. Wells, Harlan Black, Ashley Cox, V. L. Bridges, R. L. Burdette, Claude Campbell, H. M. Christian, Alvin Crews, Claude Couch, Clifton Grundy and Kenneth Alexander.

Mrs Donald Love
Honored at Coffee

On the morning of March 4, Mrs. Donald Love was honored on her birthday, in the home of Mrs. Claude Couch. The hostesses were Mesdames Vernon Bridges, Alvin Crews, Carl Harrington and Mrs. Claude Couch.

The honoree received a lovely array of Miscellaneous gifts. Coffee and coffee cake were served to seventeen guests.

TO SNYDER

The J. H. Densons visited the Glen Porterfields in Snyder this week end. Mrs. Porterfield was a resident of Anton about twenty-two years ago.

A Good Place To Trade . . .

We have in our town many such places and I am taking two of these firms each week in my writing and getting their good qualities over to you. If I have not gotten around to your place it may be coming up next. But right now I am writing about Pat Byrums Service Station and of the Pat Byrums.

Pat has been in our community since 1932 . . . twenty-one years. He is of a highly respected family and is a man we can trust. I know that Pat's word is just as good as his bond. He has been in the service station business in Anton since 1946.

In 1947 Pat and Miss Nell Neeley of MeAdoo were married. Pat and Nell are always ready and willing to help those in trouble. These two have had the sad experience of losing three babies and only have the one son, Mike, living.

Folks who have had so much trouble can readily understand how others feel when sickness and death strikes.

Just a few weeks ago I went to their home after the loss of their little son, Timothy and dreaded to go, but I found them brave with a smile. They had learned to face death, and were holding up for each other and the baby that was left to them.

These young people have set a fine example in our community and we are thankful for them.

Mrs. Zade Hooper
Hostess to Busy
Fingers Club

The Busy Fingers club met in the home of Mrs. Zade Hooper Wednesday afternoon. Ceramic painting was discussed.

Five members and one guest, Mrs. Orville Denson, were served punch and cake.

BROTHER OF LOCAL
MAN PASSES AWAY

Mr. Lloyd Steele, a half brother of Howard Denson passed away last week in Reno, Nevada. Mr. Steele had many friends in Anton.

GRANDSON IMPROVING

The seven-year-old grandson of the R. C. Hagans, who has been seriously ill in a hospital in California has been allowed to return home and is slightly improved, but will be forced to remain in bed for many weeks. He has rheumatic fever.

NEW GRANDSON

Mr. and Mrs. V. J. Schiller are the proud grandparents of a son born to the Marion Fites of Hereford Tuesday. Mrs. Schiller is spending several days with her daughter. Mrs. Fite is a sister to Mrs. Nari Wood of Anton.

ILL THIS WEEK

Mrs. Fieldon Spradley is ill this week.

TO NEW MEXICO

Curtis and Don Jones visited in Artesia, N. M., over the week end. This is their former home.

The cry of "FIRE" brings an instant picture to your mind — your own home going up in flames and everything in it destroyed. If that happens, Fire Insurance provides the only certain indemnity you'll receive to help you rebuild. Be sure that your insurance is adequate in the light of today's prices!

News of Women

Carol Sawyer and Sedell Black Married In Church Service Saturday

Wedding vows for Miss Carol Ray Sawyer of Amherst and Sedell Black of Spade were read at the First Baptist church in Amherst, Saturday, March 7, with Rev. John S. Rankin, pastor, performing the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Hubert Sawyer of Amherst and the bridegroom is the son of Mr. and Mrs. R. T. Black of Spade.

Traditional wedding music was furnished by Miss Betty Britt, who also accompanied Mrs. Truman Wood, when she sang several numbers.

For her wedding the bride wore a powder blue wool jersey dress, with neckline outlined with pearls and rhinestones, which were repeated on the bodice. She wore a small matching felt hat and carried a white Bible topped with pink roses and streamers.

Serving as matron of honor was Mrs. Royce Latimer of Lockney, who wore a pink linen with navy accessories and wore a corsage of white carnations.

Royce Latimer was best man. Ushers were Murrell Sawyer, brother of the bride and Don Muller of Spade.

After the wedding a reception was given in the church parlors. When the couple left for a trip

Attending were Messers and Mesdames J. C. Moreland, Randall Crawford, Donald Priddy, Winston Cummings, Charles Jones, Charlie Hill, Lonnie Bass and Mrs. Hazel Hickman, and Miss Carol Sawyer, Mrs. Sedell Black, Mrs. Veta Grimes, Bill Tadlock and Margie Garner.

MRS. SEDELL BLACK

the bride wore her wedding suit, and a corsage, fashioned from her bridal bouquet. A white stole and white accessories completed her going-away ensemble.

The bride is a graduate of Amherst High school and is employed by the Lamb County Production and Marketing Administration.

The bridegroom graduated from Amherst high school and is engaged in farming near Spade. The couple will be at home in Littlefield.

Mrs. Hoover Hostess To Wesleyan Guild

The Wesleyan Guild of the First Methodist church met Tuesday night in the home of Mrs. Huston Hoover, with Mrs. Bob Crowell presiding in the absence of the president, Mrs. Dick Carl.

Mrs. Crowell gave the devotional, and Mrs. Marshall Howard brought the lesson taken from the Book of Jeremiah.

Refreshments of coffee and cake were served to Mesdames Alvin Webb, Harry Vanderpool, Buster Owens, Jr., Ed Mote, Albert Miller, Leon Jennings, Salon Huff, Marshall Howard, Tom Hilburn, Stacy Hart, Bob Crowell, Wayne Brown, Bob Barnett, and Misses Louise Chisholm and Viola Retman.

W. S. C. S. Hold Monthly Business Session

Members of the Woman's Society of Christian Service met Monday morning, March 2, in the church parlors for regular meeting and monthly business session, with Mrs. W. C. Cannon, president, presiding.

Mrs. H. J. Allen gave a report on the annual conference of W. S. C. S. she attended in Amarillo the last week in February. She was a delegate from the local W. S. C. S.

Mrs. Dick Edwards gave the devotional, and closed the meeting with a special prayer.

Approximately 18 ladies were present.

Yellowhouse H. D. Club Meets With Mrs. Sam Tindal

Mrs. Sam Tindal was hostess to members of the Yellowhouse Home Demonstration club, which met at her home Tuesday afternoon, March 3 at 2 p. m.

For recreation, games were played, led by Mrs. J. B. Haire.

Mrs. Lloyd Haire and Miss A. T. Wedel gave demonstrations on "Reading and Writing Center."

Lime punch, open-faced sandwiches and angel food cake and nuts were served to Mesdames Lloyd Haire, Claud Jones, W. B. Jones, Fred Duffy, J. B. Haire, J. D. Lee, Tom Ham, A. F. Wedel, H. A. Vich, Sam Tindal and two visitors, Mrs. Charles Park and Mrs. Viola Brown.

The next meeting will be in the home of Mrs. Buri Rogers, Tuesday, March 17, at 2 p. m.

Mrs. Faust Reviews Book at Family Night Church Observance

Mrs. F. B. Faust reviewed the book, "African on Safari," by Sayre, at a service at the Presbyterian church held each Sunday night, in observance of annual family night.

Preceding the service, sandwiches, pie and coffee were served in the dining room of the church, with Mrs. C. A. Joplin in charge of arrangements. Assisting on the committee were Mrs. Henry Haupt and Mrs. M. M. Brittain.

An African theme was carried out in table decorations.

INTERESTING REVIEW OF EVENTS

News From Spade Section

Spade Schools Observe Public School Week With Special Activities

The school here observed Public School Week this past week, climaxing it with a special program Friday and the livestock show Saturday. The Methodist minister, Bro. McMasters, opened the Friday program at 1:15 p. m. with a scripture reading and a prayer. Fourteen home economics girls presented a style show, modeling dresses they had made. Mrs. Virgil Hardin, a student, was narrator. Girls participating in the style show were: Willie J. Griffin, Talmadge Pointer, Colene Bundick, Maudine Tinsley, Margie Anderson, Christine Bundick, Ann Adams, Glennis Holly, Barbara Mouser, Mary Lois Tate, Ruth Cox, Charlene Cox and Maxine Lawrence.

The first and second grade rhythm bands presented several numbers, led by Linda Lockwood.

A sophomore girls quartet consisting of Talmadge Pointer, Patsy Hardin, Willie J. Griffin and Maudine Tinsley sang a song. The five senior boys, Neal Trull, Lester Mouser, Doyal White, Leldon Williams and Keith Elkins sang a song. Three freshmen girls, Glennis Holly, Ann Adams, Mary Lois Tate, and Mrs. Roy McQuatters, Sr., sang a number. Glennis Holly then sang, "The End of a Perfect Day."

The school nurse, Mrs. Coble, gave an interesting talk to the students and parents, explaining her interest in the health of all pupils.

Miss Pat Pointer, personated an Al Jolson number. Three junior girls, Lavonne Snow, Christine Bundick and Gwendolyn Reed sang a number. Doyle White played a harmonica solo. A quartet of senior girls, Joyce Young, Joy Emmons, Jerry White and La Verne Gregson sang a song. Miss Barbara Mouser, a freshman student, accompanied each number at the piano. The last part of the program was a play, "Wildcat Willie Gets Brain Fever," by the sixth grade. The program ended about 2:45 with about forty-five families represented.

First Baptist Revival Starts March 11

A revival meeting will open Wednesday, March 11, continuing through March 22 at the First Baptist Church. Bro. Joe Denton of Whitharral Baptist Church will do the preaching and Travis Bundick, choir director of the church, will direct the singing. Everyone is invited. If you are new in our community, we extend a special invitation to you. Come out and hear some good preaching.

THANK YOU, FOLKS!

I wish to express my appreciation and to the countless hundreds of Lamb county and trade area residents who in anyway helped me win my new Dodge car, in the recent Will Subscription Contest of the Lamb County Leader.

To those who gave me their subscriptions to those who used their influence in getting me to subscribe, and to those who gave me words of encouragement, I am indeed most grateful.

Your kindness and your loyalty shall not be forgotten.

Mrs. Jack Wingo
