Two Die In Auto Accident

Lamb County recorded its first traffic deaths of 1966 when the bodies of two Spade women were found in the wreckage of a 1964 Chevrolet discovered Wednesday morning in an excavation about 120 feet off the road 4.3 miles east of Littlefield on the Spade Highway.

According to investigations, the two women, Mary Alice Mouser, 63, and Mary A. Greer, 79, had been dead approximately 24 hours when the car was discovered.

The investigation revealed that the two women had left Spade at approximately 10 a.m. Tuesday morning for Littlefield to purchase medicine and a gift.

The car was found by Johnny Gallini and Lindell Holly who were searching for the pair after it had been discovered early Wednesday morning that the two women had not returned from their shopping trip. The vehicle was barely visible from the road as the excavation in which it was found is almost twenty feet deep.

Texas Department of Safety Patrolmen Bill Angel and Weldon Parsons, who investigated the accident, stated that the apparent cause of the accident was a blow-out. The car, which was headed west on the highway, traveled 112 feet before going into the excavation then apparently sailed another 56 feet before hitting the north side of the embankment.

Mrs. Mouser, who was the owner and driver of the car was pinned under the steering wheel in the crash while Mrs. Greer's body was found just outside the vehicle.

The deaths were the fourth and fifth auto fatalities in Lamb County within the last 34 days.

Funeral services are pending at Hammons Funeral Home for Mrs. Mary Alice Greer, 79, and Mrs. Mary Alice Mouser, 63.

Mrs. Greer, a native of East Texas, has lived in Spade since 1931. Her husband, J.A. Greer, is a retired blacksmith. Other survivors include three sons, Perry, Abilene; Audis, Hereford; and Joe D. Lubbock; four daughters, Mrs. Loy Mouser, Spade; Mrs. Owen Turner, Lakeside, Ore.; Mrs. John Mullins, and Mrs. Harvey Bruce, Vancouver, Wash.; one brother, Tom Webb, Anton; and one sister, Mrs. Nettie Tidwell, Gunter, Tex.

Mrs. Mary Mouser, 68, moved to the Spade community in February, 1930 from Clinton, Okla. where she and her husband settled on the farm southwest of Spade where she was still residing. Her husband, B.D. Mouser, a retired farmer, preceded her in death in March, 1964.

Survivors include five sons, Neal and Enslie, Irving, Tex.; Leonard, Midland; Lester, Lubbock; and Donald, Odessa; three daughters, Mrs. Elaine Troc, Chicago, Ill.; Mrs. Edith Coomer and Mrs. Elsie Poindexter, both of Dallas; two sisters and a brother; a number of grandchildren and great-grandchildren.

Snow Causes Light Failure

Many persons reporting late for work Wednesday morning could make good use of the excuse that their clocks had stopped as the electricity to Littlefield, Amherst, Sudan and other areas was disrupted for approximately 25 minutes early Wednesday morning.

E.G. Alexander, District Superintendent for Southwestern Public Service stated the cause of the blackout was a pole catching fire about a mile and a half west of Littlefield causing a cracked insulator and that the line was the only one in use Wednesday morning as the feeder lines coming in from the east were in the process of being repaired.

"If the lines from the east had been in commission the blackout would have lasted only a second or two", stated Alexander, "but when the line from the west went out we had to put the feeder lines from the east back in commission which accounted for the 25 minute interruption."

"The fire on the pole was in all probability caused by the snow on the cross arms and wires and the exact cause will be known later today when we take down the pole," Alexander stated Wednesday.

CRASH SCENE -- Two Spade residents, Mrs. Mary Alice Mouser and Mrs. Mary A. Greer were killed Tuesday when their car went off the Spade Highway and into the excavation as shown above. Due to the depth of the excavation the car was not discovered until Wednesday morning. In the inset Texas Highway Department of Safety officers are shown measuring the distance of 58 feet which the car traveled across the excavation.

FINAL COUNT

Cotton Reaches 194,675 Bales

The South Plains cotton harvest was over 95 per cent complete on Saturday, according to W.C. Falmer, in charge of the Lubbock Cotton Classing Office of the USDA.

The harvest reached the scrapping stage in the northern part of the area but continued going strong in the Brownfield and Lamesa areas.

Sample receipts at the Lubbock Office declined daily during the week from 19,000 on Monday to 5,000 on Friday, but receipts continued at a seasonal high at Brownfield and Lamesa.

The three South Plains U.S.D.A. Classing Offices classed 197,000 samples during the week ending Friday, January 14th, bringing the season's total to 1,960,000. At this date last year the three offices had classed 1,822,000 samples.

Grades of the cotton classed at Lubbock were down from the previous week. Spotted and Tinged cotton increased as more cotton was being picked up by ground salvage machines. Light Spotted, Spotted and Tinged cotton made up 65 per cent of all cotton classed at the Lubbock Office last week.

Strict Low Middling Light Spotted was the predominant grade with 36 per cent of all cotton classed. Strict Low Middling made up 26 per cent, Middling Light Spotted 10 per cent, Low Middling Light Spotted 5 per cent, Strict Low Middling Spotted 8 per cent and the Tinged grades 2 per cent.

Average staple length was

continued to range from \$45 to \$55 per ton.

Post Office Receipts Decline

Postal receipts at the Littlefield Post Office were down about two percent from the year before according to figures released Tuesday by T.A. Henson head of the local office.

The receipts for 1965 totaled \$107,256 compared to almost \$110,000 the previous year. Henson stated that the decline was caused by a large decline in receipts through the months of July through October especially in registered mail which was down approximately fifty percent for the year. Henson said the big reason for the decline was the big reduction of farm workers in the area who in former years had accounted for a big portion of registered letters in former years.

Though the year's total was down, the receipts for December 1965 showed an increase to \$12,340 from \$11,692 for the same period during 1964.

The pieces of mail handled by the Post Office during December also increased as 192,342 pieces were handled from December 4 through December 31 compared to 187,775 for the same period of 1964.

Conspiracy Suit Against Police Is Withdrawn

The civil suit in which Police Chief F.A. Fitzgerald, Assistant Chief James Cox and Police Sergeant Jerry Collins were charged with conspiracy was withdrawn by the plaintiff Tuesday.

District Judge Pat Boone Jr. dismissed the suit without prejudice in a non-suit action following a written request for the action by the lawyers for the plaintiff.

The plaintiff, Joseph Condren, Plainview, has filed the suit on behalf of his son, Tommy Condren. The suit alleged that the son was arrested without warrant on or about July 3, 1965 on order of the three defendants and that the arrest was not lawfully made under provisions of city ordinances or state law or statute.

The suit had asked for a judgment of \$2,500 for humiliation, pain suffering and ridicule and \$25,000 in punitive damages from each or all of the defendants.

Condren declined to make a statement for his reason for dropping the suit when contacted Wednesday morning. "I do not desire to make any statement now, I still have an attorney hired and have no comment on reasons for dropping the suit at this time," said Condren.

Football Banquet Ticket Sales Pick Up

Tickets to the annual football banquet appear to be selling at a good pace, according to Jim Mangum, president of the Littlefield Quarterback club, who is heading up the sales for the big affair. Speaker for the banquet will be Chuck Curtis, assistant at S.M.U., and who while in the high school coaching ranks was one of the most successful in the state.

The tickets are now on sale at Roden Drug and Piggly Wiggly, or can be purchased from any member of the Littlefield Quarterback club, for \$2.50 per plate.

Mangum said if the football jackets arrive they would be presented by the school at the banquet, but complete program plans are not complete. "We are," he said, "not permitted to make any type of awards due to the ruling by Texas Interscholastic League policy, which does not allow any booster group or person to give the players any type of award, which could remove their amateur classification." The club hopes the jackets and letters can be presented, but will not know until shortly before the banquet.

Deadline for the purchasing of the tickets is Wednesday, January 26th.

NEW DIRECTORS AT WORK -- Dr. William Roden that he should purchase tickets to the annual Chamber banquet set for 7:30 p.m. January 27 in the High School Cafeteria.

Chamber Announces Banquet Ticket Sales Deadline

The deadline for ticket sales for the annual Chamber of Commerce banquet has been set for Monday, January 23, Alan Waldrop ticket campaign manager stated Wednesday.

"We plan to cut off the sales of tickets Monday evening so that final seating arrangements can be set up for the banquet scheduled Thursday evening,

Nipak Manager Graves Named

James "Jim" Graves has been named Western Regional Marketing manager, for Nipak Incorporated succeeding Arnold Neumann who resigned from the position in December.

A native of Italy, Texas, Graves is a graduate of Avalon High School, and was with John Deere Chemical since 1959

prior to their being purchased by Nipak in 1963.

Graves is well acquainted with the area having worked in Plainview from 1959 to 1963 while with John Deere. Previous to his employment with Deere, Graves had spent nine years with Armour Agricultural Chemical Company in their Dallas office.

Graves who will administer marketing activities of the Nipak western division which includes the western half of Texas, New Mexico and west, has been with the Nipak Tulsa office since 1963.

Graves stated that his wife Betty and their three children, Kyra, age 16, Jim Jr., age 13 and Cindy age 9 will join him here in the very near future.

Cagers Drop Decision To Lakeview Chiefs

The Wildcat cagers were as cold as the weather Tuesday night as they dropped a 66 to 50 decision to the Lakeview Chiefs in District play on the losers home court.

The Cats were able to garner only seven field goals in the first three periods of play before make a late rally that netted them 23 points in the final eight minutes.

Phillip Pace led the late rally as he got eight of his night's total of 15 points in the final period before fouling out with four minutes left. Wilmar Williams added 14 and Steve Lewis 9 to lead the losers' attack.

After a basket by Jim Hamilton gave the visitors a 2-0 lead Lewis and Pace hit buckets to give the Cats their only lead of the night at 4-2, with 4:37 left in the opening quarter. The visitor then scored 10 straight points while the Cats were unable to find the hoop to build up a 12 to 4 lead, and led 14 to 9 at the end of the first period.

A basket by Rocky Woods made it 16-9 before four straight free throws by Williams cut it

to 16-13 but the Cats were unable to get any closer. With 4:18 left in the half the winners went on another scoring spree as they picked up nine straight points to run their narrow 20-17 lead to 46-27 at the end of three periods as the Cats were able to garner only two field goals during the eight minutes.

With Pace showing the way, the Cats cut the margin to ten points at 52-42 with four minutes left but Pace then fouled out and the Cats were unable to get any closer.

The Cats hit 17 field goals and 16 out of 25 from the free throw lane while the winners collected 26 from the field but only 14 of 26 free throws.

The Junior Varsity came from behind to down the Chiefs' "B" squad by a 43-28 score. The winners trailed through the first three periods as they were down 11-6 at the end of the first eight minutes, 25-21 at the half and 32-30 at the end of three quarters.

Nevill Manning with 15 and Melvin Crayton with 12 led the Cats with Paul Mills getting 11 to lead the losers.

Monday night we had a most enjoyable visit with our friends in Muleshoe Country, and were treated to a fine meal and an outstanding program by Dr. Kenneth McFarland, who addressed close to 600 at the annual Chamber of Commerce banquet.

We will, Sunday try to go into the text of Dr. McFarland's speech, but would like to say now, for us he painted responsibilities of the Chamber in a different light, that if each member of the community would see there never be any reason to wonder what the Chamber of Commerce does for its people, and that the people do for them through the Chamber.

Well winter is here again, this time it appears to be most welcome as the farmers of the area were beginning to get worried about the prospects of winter moisture, or the lack of it. We measured about two inches of snow out in front Wednesday morning, but understand more may have fallen in other parts of the area. Being from the northern part of the state we still like a kid when it snows, and wish there was some way to keep the stuff from melting and getting tracked up. But we are sure it would become a dream after awhile, and we would be wishing for some more of that June in January weather. You know some people are never satisfied and the grass always looks greener somewhere else. But again we wonder how life is, we never stop to think of the many wonderful things we have when we have them, but wish for them when we don't.

Word of warning to all of our Aggie friends, we were using the book racks of the Avenue drugstore the morning and were amused to see a little paper back containing 101 Aggie jokes, we have heard and others are sure we will hear because it's all over. We knew jokes were numerous but no idea anyone would consider printing a book about any jokes. Some people will go to any length to make a buck.

Next Thursday is the Chamber of Commerce banquet, have you got your tickets yet? The deadline is only a few days away and if you miss this one you will be missing a real treat. The speaker, Dr. Charles Jarvis, is one of the best of his type we have heard, and the addition of the meeting gives us an opportunity to visit with other members of the Chamber of Commerce. Call the Chamber now for your tickets.

Open House To Honor R.C. Morrrows Sunday

Mr. and Mrs. R.C. Morrow, 616 East 7th Street, will observe their golden wedding anniversary Sunday with open house from 2 to 4 p.m.

Mrs. Ray Keeling Has Art Exhibit In Muleshoe

Upon the invitation of the Muleshoe Art Association, Mrs. Ray Keeling, local artist, presently has her paintings on exhibit in Muleshoe.

The 25 works of Mrs. Keeling exhibited are original art, including portraiture, still life and landscapes. They range in size from miniatures to 30 x 40 feet and from \$5 to \$95 in price.

The Muleshoe Art Association sponsors an area artist each month at Paul's Cafe on Highway 84. Artists featured have been from Muleshoe, Sudan, Earth, Lubbock, and Littlefield. The exhibit is open seven days a week.

Mrs. Keeling, who signs her paintings Dorothy Crouch Keeling, has studied art at Unive-

sity of Texas, Texas Women's University, and University of New Mexico, and privately in Fort Worth and Austin. She has had pictures exhibited at University of New Mexico Student Exhibit, in Lubbock, Muleshoe and Littlefield art shows, and at The Loft in Muleshoe.

She has been awarded best portrait sketch at University of New Mexico, favorite of the show locally, and fourth place in the 1964 Religious Art Exhibit in Littlefield.

Although Mrs. Keeling prefers oils, she has sold pencil and charcoal works and water colors as well.

Mrs. Keeling has also been asked to exhibit at the Littlefield Junior High School Library after the Muleshoe Exhibit.

WHITHARRAL -- Miss Faye Strickland of Lubbock, formerly of Whitharral, and bride-elect of Archie B. Ruggles, Jr. was feted Saturday afternoon with a bridal shower in the home of Mrs. Nora Bryant, Levelland. Co-hostesses were Mrs. Yvonne Bryant, Mrs. Ozie Polasek and Mrs. Houston Huntcutt.

Alternating at the refreshment table, laid in white linen and centered with a floral arrangement were Misses Danna Blodgett, Kathy and Debbie Huntcutt and Katherine and Jo Ellen Brock. Punch, cookies, nuts and mints were served.

The hostess gifts were linens. Forty called or sent gifts. Miss Strickland and Ruggles will be married Saturday, January 22.

Look - we aren't kidding. For a few dollars a month more, you could be driving a Chrysler:

Make	Wheelbase Length	Overall Length	V-8 Engine Cubic Inch Displacement	Base Monthly Payments	Difference Per Month
CHRYSLER NEWPORT	124"	219.0"	383	\$65.80	—
FORD GALAXIE 500	119"	210.0"	289	\$58.32	\$7.48
CHEVROLET IMPALA	119"	213.2"	283	\$58.45	\$7.35

BASIS OF COMPARISON - All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 16 down and 56 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

The hard facts are all in the chart. You can practically pay the price of a Chrysler and get a lot less car all the way around. Or, you can come in and move up to the Chrysler class for far less money than most people suspect. Confidently, which choice makes the most sense to you, a little car or a full-size Chrysler?

CHRYSLER'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, without charge for required parts and labor, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Get 1/3 More!

NIPAK 45 gives you 1/3 more nitrogen per pound than any other form of solid nitrogen fertilizer

Get better wheat crops and earn bigger profits. Topdress your wheat with NIPAK 45 right now — for greater yield and higher protein. NIPAK 45 gives you one third more nitrogen per pound than any other form of solid nitrogen fertilizer — which enables you to handle less fertilizer and cover more ground in less time. NIPAK 45 is uniformly prilled, too. It flows easily, won't

cake, clog — or corrode your equipment. NIPAK also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power ask your local NIPAK dealer about NIPAK 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service. NIPAK—THE BEST 5-LETTER WORD FOR FERTILIZER.

ST. MARTIN LUTHERAN

Visitors at St. Martin's Sunday include Miss Darlene Strune of Olton and Joe Vasek of Stamford. A potluck dinner was held following the service, attended by the majority of the congregation. The semi-annual church business meeting followed.

Tonight the Sunday School Teachers will meet in the educational building at 7:30 p.m. Catechism class will meet at 10:00 a.m. Saturday. Next Sunday is Evangelism Sunday. The sermon topic will be, "Which Way." At 2:00 p.m. Sunday the Luther League will assist members of other churches in the city in the canvas of homes of people not belonging now to any church to be conducted by the Ministerial Alliance of Littlefield. Leaguers are to meet at the church at 1:45. At 3:45 Leaguers are to meet at the church of leave for Slaton to attend the January Conference Luther League social. The film, "Question 7" will be shown. Refreshments and other entertainment is planned. The meeting will be held at Grace Lutheran Church in Slaton.

Next week Pastor Engel will be at Texas Lutheran College in Seguin, Texas to attend the Annual Pastor's Theology Conference of the Southern District of the American Lutheran Church. All of the pastors of ALC churches in Louisiana, Texas, and New Mexico will be attending. He will leave Sunday night and return Friday night.

Springlake-Earth To Receive School Building

General Services Administration, Dallas, Texas, has announced that four wood frame houses at the Exell Helium Plant, Masterson, Moore County, Texas are being assigned to the Department of Health, Education, and Welfare for conveyance to educational institutions.

Springlake-Earth Independent School District, Earth, Texas; Hartly High School, Hartly, Texas; Miami Independent School District, Miami, Texas; and Balco Public School, Balco, Oklahoma will each receive one of the houses which are identical structures having five rooms with bath. Overall area of the house, including a service porch, is 1,092 square feet.

The houses are to be removed from the sites and upon their removal to new locations, will be used by the schools for educational purposes.

young people from St. Martin Lutheran went to Lubbock to attend the 1966 Evangelism Workshop held at Shepherd King Lutheran Church.

Tonight at 7:30 p.m. the Sunday School Teachers will meet in the educational building. The teacher training course will continue under the direction of Pastor Engel.

Sunday is Evangelism Sunday in every congregation in the Lutheran Church. Bring a friend to visit. Also, Sunday the Luther League will travel to Slaton for the Conference January Luther League social.

Members are asked to pick up their contribution receipts from the Narthax.

ASSEMBLY OF GOD
The regular monthly meeting of the teachers and workers of the Sunday School will be today, (Thursday). All teachers, workers and others interested in furthering the Sunday School are urged to be present.

The WMC Sectional Rally will be January 31 in Levelland.

FIRST METHODIST
A "Move a Wall" Chile supper sponsored by the Senior High MYF will be January 26 from 5:30 to 7:30 p.m. at the church.

Tickets are available now. The youth have undertaken the project of raising money to be used for removing one of the walls between two classrooms and replacing it with accordion type doors, thus making available a larger area for meetings, games, small banquets, etc.

The annual Laymen's Banquet of the Brownfield District will be at the First Church, Seminole, today at 7:30 p.m.

EMMANUEL LUTHERAN
The auditing committee composed of Hary Synatschik, Ivan Ogerly, and Walter Timian will meet tonight to review the financial records of the congregation and bring up suggestions for improvement.

The members of the Walter League and other members of the church will meet at 2 p.m. Sunday at the First Baptist Church to join other church teams in conducting a religious survey of the city.

Mrs. W.W. Birkelbach has been appointed by Rev. Remmert to bring the list of membership of the congregation up to date.

The voters of the church will meet immediately after services Sunday to select a delegate to attend the District Convention of Lutheran Churches, Texas District, at Fort Worth the week after Easter.

FIRST BAPTIST
The youth who attended the Glorieta Retreat during the holidays presented the evening service last Sunday night. Afterward, at a round table discussion plans for the retreat next year were discussed. The young people suggested some changes in the programs.

The new rehearsal time for the instrumental ensemble is at 8:30 p.m. the first, third, and fifth Sunday of each month. Enrollment is open during this month.

EMMANUEL LUTHERAN
At the meeting of the Voter's Assembly last Sunday afternoon, Rev. Remmert reported on the spiritual condition of the parish. The Board of Elders supported the pastor in striving to bring about a better spiritual relation in the congregation. The boards were instructed to elect or appoint a chairman of the boards. The group voted to make repairs on the parsonage. The new chairman of the congregation, V.J. Hobradsch, presided at the meeting.

CRESCENT PARK CHURCH OF CHRIST
The 1966 Lectureship at Lubbock Christian College will be January 30-February 3.

SUNSET AVENUE BAPTIST
Neal Powell of Tulsa has accepted the position as pastor of the Sunset Avenue Baptist Church. He has conducted services here for three weeks.

Rev. Powell, his wife and six children, will not move here until school is out this spring. Powell was reared at Spade and attended school there.

Services are as follows: Sunday School, 10 a.m., morning service at 11 a.m., Training Union, 6:30 p.m., and evening worship, 7:30 p.m., midweek services at 7 p.m. Wednesday.

MISSIONARY BAPTIST
The area Independent Baptist Churches will hold their monthly youth fellowship Friday at 7:30 p.m. in the Butler Heights Baptist Church, Lubbock.

FIRST CHURCH OF THE NAZARENE
Rev. Hillis Herren attended a Home Mission Conference in Lubbock Tuesday night and Wednesday.

Marlene Cole will lead the Nazarene Teen fellowship Sunday evening with "Miracles of

Prayer". The young people are planned to attend a Youth Fellowship January 24 at Plainview. A film entitled, "Through Gates of Splendor" will be shown. The film is the story of five missionaries who

gave their lives in trying to reach the Auaruna Indians of Ecuador with the Gospel.

SPADE BAPTIST
The Woman's Missionary Society of the Local Baptist Church met recently, Mrs. J.R. Hodges,

president, called the meeting to order and several announcements were made. Mrs. Arthur Turner read the calendar of prayer and led in prayer for the missionaries listed on the calendar. Mrs. Ted Hutchins led

the group in singing "Send the Light," Mrs. Jim Matthews gave the meditation using Psalm 43 as a theme. Mrs. Doc Vann, who was in charge of the program entitled, "Indians of New Mexico" then introduced the

program. She led a responsive reading of the Lord's Prayer and paraphrase. The introduction was "The Answers-Answers-Answers."

Whiter than Snow...

"Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow." The Psalmist desired to be pure and white as snow, and knew that this could come only from God. Complete joy, and gladness of a pure heart can be yours too, when you walk close with the Lord. Attend Church Sunday and worship in the Lord's House.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Turner Rites
held Wednesday

Funeral services for Harold Lowry (Pete) Turner, 58, of Las Vegas, Nev., a former Olton resident, were conducted in Olton First Baptist Church 2:30 p.m. Wednesday. The pastor, Rev. John E. Lewis, officiated. Burial was in Olton Cemetery under direction of Parsons Funeral Home. Turner, who was visiting his mother, Mrs. C.B. Turner of Olton, died Sunday night in the home of a friend in Littlefield after becoming suddenly ill. Turner was a native of Elida, N.M., and had resided in Las Vegas for the past two years. He was employed as a butcher. Other survivors include three brothers, Curtis G. Olton; John, Denver, Colo., and Bonnie, Crimmett; one sister, Mrs. Marie Hutcherson, Denver, Colo. Pallbearers were Roy Aiken, Bill Eby, Paul Burrus, M. Granbery, Jack Straw and Gowdy.

Unemployment
Down During
Last Year

Increases in nonfarm opportunities combined with a significant reduction in Texas' unemployment rate to make 1965 a year of economic growth and expansion, the Texas Employment Commission's "Texas Labor Market Report" revealed last week. Total unemployment during the first eleven months of 1965 averaged 144,000 which is nearly 17,000 less than during the corresponding months of 1964. On a weekly basis, only 3.7% of the labor force was unemployed during 1965, which is the lowest since 1956. The jobless rate began to trend downward early in 1965, and the improvement continued steadily throughout the year, a report explains. The percentage of some 2 million employees covered by unemployment insurance who were employed in mid-November stood at 1.3%, representing a reduction of 9,931 in insured unemployed under mid-November 1964. The national unemployment rate stood at 4.2% in mid-November. In 1965, insured unemployment averaged 28,467 or a 14% decrease under when the average rate was 32,700. The number of workers receiving benefits ranged from 53,445 in mid-February to 27,568 in mid-October. Male workers accounted for 75% of claimants compared to 25% in 1964.

Sheriff's Posse Elects Queen At Recent Meeting

Lamb County Sheriff's Posse recently held its annual meeting of the year. Gay Nicholas was elected queen of the Lamb County Sheriff's Posse. She will represent the posse in all events which will be held

later this year in Dallas. Gay is the daughter of Mr. and Mrs. R.M. Nicholas. Special guests were Dick Conlee, president of District I of the American Association of Sheriff's Poses and Riding Clubs; Bill McCasland, vice president of District I and W.D.

Clark, vice president of the Aull Riding Club in Lubbock. Conlee spoke to the group about requirements of joining the National Association. McCasland discussed Play Days and how to conduct them. He also invited the local members to participate in the Aull Play Day.

Clark discussed how the national queen is selected. Clark's daughter, Schrenis of Brownfield, is this year's national queen.

General Westmoreland Is First Eagle Scout Named "Man Of The Year"

Gen. William C. Westmoreland, in being named "Man of the Year" by TIME magazine, is the first Eagle Scout so honored, according to Bill Pitstick, Advancement Chairman of the South Plains Council, Boy Scouts of America. "This outstanding American" said Pitstick, "was not only an exemplary Boy Scout, but has always found time in his busy career to work with youth through Scouting, especially when he was commandant at West Point."

General Westmoreland attended the Third World Jamboree in 1929 in England as a Boy Scout from North Carolina. He achieved the Eagle Scout rank and later the Silver Palm. In his troop he was a patrol leader, senior patrol leader and junior assistant Scoutmaster. As an adult, he was a committeeman and Scoutmaster, a member of regional and national committees, and frequently spoke to and participated in Scout events.

Mr. Pitstick added that other Eagle Scouts have made news recently, including Astronaut

Laundry Adds New Equipment

Several thousand dollars worth of new laundry equipment has been added to the SPEED WASH, popular coin-operated self service laundry, located at 8th and Farwell. Cal Harvey, owner, announced that a new Speed Queen Dry Cleaner had been installed, along with new steam press, as well as a complete new row of large 12 pound Speed Queen Washers. Harvey pointed out that the new dry cleaner offers tremendous savings in the dry cleaning of pants, coats, jackets, skirts, etc. And the fluid used is completely odorless and will not burn. The new automatic steam press will enable housewives to press dry cleaning as well as wash and wear within a matter of min-

utes. This includes, pants, coats, skirts, shirts, sheets, etc. The SPEED WASH laundry features 36 washers and 12 dryers, plus two professional coin operated hair dryers for the convenience of customers. Twenty-four hour service is available, and the doors are open Sundays also. To introduce the new dry cleaning equipment to the housewives of this area, Mr. Harvey announced that 250 Gunn Bros. stamps will be given with each load of dry cleaning this coming week between 8 a.m. and 6 p.m. An attendant will be on duty to give the simple instructions necessary to operate the new equipment.

Doctors Give Lions Program On Cancer

SPADE - The Spade Lions Club met Thursday night in the school auditorium. Lion Boss Aubrey Neinast conducted the meeting and introduced Dr. Pool of Lubbock. Dr. Pool presented Neinast a banner from the Lubbock Lions.

He then spoke briefly and presented a film showing the effects of smoking. Following the film, Dr. Malcolm Thomas, chest surgeon and specialist, also of Lubbock answered questions from the group and gave startling facts concerning smoking in connection with cancer. He also told the importance of regular check-ups and early danger signs. Several Lubbock Lions were guests.

Nurse Positions Are Available

Good paying jobs for registered nurses are immediately available at the Veterans Administration Hospital in Dallas, Texas. Dr. James B. Chandler, Director, said today.

Following the Lions meeting the group heard a program on herbicides. Archie Martin and Dennis Hurst, representatives of Treflan, presented a film on weed control, followed by a question and answer period. Carl Reed, Spade farmer, showed a film of a farm test plot using several new combinations of products.

A drawing was held for door prizes. Winning coffee pots were Jack Stubblefield, Gayle McCoy and Aubrey Neinast.

Variety Of Night Classes Offered At Wayland College

A variety of studies from Spanish Conversation to the History of Soviet Russia and Old Testament will be offered at night during the spring semester at Wayland Baptist College.

Wayland's academic dean, Robert G. Collmer.

For teachers lacking certification and other area people the college is offering State and Local Government at night and Essentials of Geography on the afternoon schedule. In addition, two education courses are scheduled for night, as well as two sections of Reading Improvement.

Completing the night schedule is Debate Workshop, which will meet at 7 p.m. on Tuesdays. Other courses have been scheduled in the afternoon for the benefit of area persons who might not be able to take a morning course. Essentials of Geography, another course needed for teacher certification, is set for Monday-Wednesday-Friday at 2:30. A course in Ceramics will be taught on Tuesdays and Thursdays, 1:30-3:40.

Two 30-minute sessions twice a week are planned for students taking Reading Improvement. The first section will meet at 7 p.m. each Tuesday and Thursday and the second section will meet at 7:30 p.m. each Tuesday and Thursday.

Introduction to Parapsychology will be offered at 11:45 on Tuesdays and Thursdays. A non-credit course in shorthand will be taught 7-9 p.m. on Monday-Tuesday-Thursday. Mrs. Johnny Gantt says the course will be Advanced Shorthand with an 80-word-per-minute speed required by students entering the course. Cost of this non-credit course is \$40. Registration for the spring semester begins Jan. 26 at 8 a.m.

Comparative Economic Systems will be offered on Monday evenings from 7-10. Evaluation and Measurements in Public School Education meets at the same time, while Reading and Language Arts in the Elementary School meets on Tuesdays, 7-10.

CONTRIBUTE TO CONSERVATION -- More than 1,200 youths made contributions to soil and water conservation activities in their communities across the nation during the past summer under the Economic Opportunity Act. They were employed in work-training and work-study projects sponsored by local groups with technical assistance from the USDA.

The political science of State and Local Government, which is required for teacher certification in Texas, will be taught on Monday evenings, 7-10 Old Testament History is set for the same time.

Spanish Conversation is a two hour class on Tuesdays, 7-9 p.m. This course is a perennial favorite and generally attracts Plainviewans interested in acquiring a knowledge of spoken Spanish, according to

Club Meets In Brantley Home

AMHERST -- Mrs. Maurice Brantley was hostess for the meeting of the Amherst Garden Club at her home Friday.

Mrs. Bill Workman and Mrs. W.P. Holland, Plans for a workshop to be held here in the spring were discussed.

The president, Mrs. Oby Blanchard, presided. Roll call was answered with "A way I would improve our roadsides."

Refreshments were served to Mmes. Blanchard, Jim Nix, Victor Reynolds, Melton Welch, E.L. Black, Henry Meyer, Arthur Moncrief, A.O. Dickson, C. A. Thomas, Workman, Holland and Maurice Brantley.

Be Extra Careful Driving At Night

Night driving calls for that "something extra" both in car handling skills and in observance of safety precautions.

extra careful when driving at night, the Association advises. Make sure your lights and turn signals are in proper working order, and don't fail to use your dimming switch to lessen the glare for approaching motorists.

The words of caution come from the American Insurance Association, which points out that the death rate per million miles driven is about three times greater at night than during daylight hours.

Buildings in Disneyland are five-eighths normal size.

Don't bet your life against these statistics by failing to be

WHO WILL PAY YOUR LAST DEBT?

The last thing you'll do on earth is create a debt for someone else to pay. Could your family afford the doctor and hospital bills, funeral expenses, attorney's fees, court costs and current bills? Or would the money have to come from the insurance you had figured would pay off the mortgage? Or from the kids' education fund? A Woodmen of the World "Cleanup Fund" is a far better answer, a life insurance plan for the special purpose of paying your final expenses. Call today. Olton School Board Votes To Close Bohner School

The Olton School Board last week voted to disband Bohner

High School beginning with the 1966-67 school term.

Club Meets At Helms Home

WEDNESDAY -- The Whitham Coffee-Break Club held its first meeting of the year at the home of Mrs. Helms east of Littlefield.

As a result of the ruling all Olton students of high school standing - white and negro - will attend Olton High School next fall.

The board in explaining their action stated that Bohner is operating a six teacher, 12 grade school this year with special approval from the Texas Education Agency. State regulations call for at least seven teachers in such an operation, and enrollment at Bohner qualifies for only six.

Trustees voted to continue grades 1-8 at Bohner next year with all students free to attend the school of their choice.

There are at present 35 negro pupils in grade 8 through 11 at Bohner and this increase will raise the Olton High School enrollment to over 300 starting next year.

Officers, cake, cookies and refreshments were served with canapes. Mrs. Morgan, Brady Helms, Kanthum and Coy Grant of Olton, A.B. Roberts and the

SOUVENIRS OF VENEZUELA -- Leonard and Lois Black, who recently returned from visiting their son and family in Venezuela, are pictured above with some of the articles brought back by them. Leonard is holding some coral, a gift to the Blacks for their 35th wedding anniversary, which they observed in Venezuela.

Coral is the traditional symbol of 35th anniversaries. Lois is holding their jet plane tickets, sent to them by their son for a Christmas gift. On the couch are hand made wooden bowls and a metal lunchpail with three containers, the kind used by almost all Venezuelans.

Leonard Blacks Visit Son And Family In Venezuela

"We are getting tired of spending Christmas by ourselves" read the letter received by Mr. and Mrs. Leonard Black from their son, Joe Black and family who live in Los Murochous, Venezuela. In order to make sure his parents would visit them during the holidays the Joe Blacks sent round-trip plane tickets as a Christmas gift to them.

Leonard and Lois Black say it was really a once-in-a-lifetime Christmas and they certainly enjoyed it, even though this was the first air trip for either of them.

They left Lubbock December 14 and landed in Maracaibo, Venezuela, which is about 50 miles from Los Murochous early on the morning of the next day, which was Lois' birthday. They were gone nearly three weeks. In this time they celebrated, not only her birthday and Christmas, but also their 35th wedding anniversary and New Years Day with Joe and his family.

Joe, his wife, the former Peggy Cousotte of Muleshoe and ten year old son Bruce, have lived in Venezuela nearly two years. He is employed with Otis Engineering, an oil firm. He was with this company in the states seven years before asking for foreign employment. They expect to come to the states for a 60-day vacation in May, when his contract expires. He then hopes to be sent to some other foreign country.

Venezuela is one of the richest countries in oil. Maracaibo Lake, which the Blacks describe as being "huge", is "practically

covered with oil wells". Leonard says this scene is very beautiful at sunrise. Not only did Leonard enjoy the setting at the lake, but he also related the "fishing was the best I've ever seen."

Some things that impressed the Blacks were the open markets in Old Maracaibo, where almost everything is sold, the loud music, the siestas that begin at 1 and last until 4 p.m., and especially the reckless driving. There are no traffic laws, and thus there are many accidents. Everyone drives "like crazy" and signs along the highways read "Drive like everyone is crazy". Leonard was much more nervous riding in this traffic than he was on the jet plane. Concrete (or sometimes wood or tin) markers in the shape of a church, are placed along the highways where persons are killed. These are very numerous, sometimes six or eight in one place.

No license is required to open a business and one doesn't even have to buy a lot. Anywhere a plot of land is unoccupied, a lean-to may be built, a sign hung and a business is open, such as barber shops, open markets or a doctor's office.

Mostly Italians, Spaniards and Venezuelans live in Venezuela. The Spanish language is used. Joe and his wife attended school to learn to converse in Spanish. Bruce attends an American school which goes through the eighth grade. He also attended a Spanish school until recently.

The climate is tropical, with the temperature ranging from 70

to 100 degrees while the Blacks were there. Air conditioners are used the year-round, night and day.

Although Leonard and Lois enjoyed their vacation very much, they stated they wouldn't give a dime to return just for the sight-seeing, and certainly wouldn't want to live there.

The Blacks are longtime residents of the Littlefield area. He farms east of town. She is employed at Ware's. They live at 302 East 22nd.

Debris-Cluttered Backyards Are Fire Hazards

A backyard cluttered with leaves and other debris is a dangerous fire hazard, the American Insurance Association reports.

The Association offers the following suggestions to homeowners:

Be especially careful not to let dry leaves accumulate near the house or in roof gutters. Never burn rubbish outdoors unless it is permissible under local regulations.

If outdoor fires are permitted, never start one on a windy day.

Burn trash and leaves in a covered metal container.

As a precaution, keep your garden hose hooked up and ready for use.

Riley Completes Training Course

Airman Third Class Michael B. Riley, son of Mr. and Mrs. Bartow H. Riley of Olton, has been graduated at Amarillo AFB, Tex., from the training course for U. S. Air Force administrative specialists.

Airman Riley, a graduate of Olton High School, is being assigned to one of the more than 250 installations world wide where Air Force combat and support units are based.

The airman attended North Texas State University.

Misuse Of Electricity Causes Many Fires

One out of five fires is caused by misuse of electricity, the American Insurance Association reports.

To prevent fires of electrical origin, the Association makes the following recommendations:

When installing appliances that draw heavy current, you may need different wiring. Check lamp, appliance and extension cords periodically for signs of wear.

Don't run wires under rugs, over hooks or nails, or in any exposed place where they may be subject of wear or damage.

Buy electric appliances and cores approved by Underwriters' Laboratories, Inc., a non-profit organization which tests thousands of products for safe performance.
