OTHER SIGN OF SCHOOL—School is just around the corner when PTA officials begin planning. Shown at a meeting of the executive committee for the Littlefield Primary-Elementary PTA this week were, left to right:

Primary Principal Paul L. Jones, District 14 PTA President Mrs. J.M. Farmer, local PTA Treasurer Mrs. Fred Grisham, local PTA President Mrs. Joe Walden and Elementary Principal Beryl Harris. (Leader Staff Photo).

## Five Boys Get 1-Year Probation

Deciding to give them a chance, County Judge J.B. Davis Tuesday released five Littlefield boys from county jail and placed them under a rigid probation period for one year.

The five youths, admitting a series of thefts and break-ins in Littlefield and Lamb County over the past year, had spent seven days in jail awaiting Judge Davis' final decision. Total amount of the stolen and damaged property involved in the crime spree was set at \$1,168.20. Each youth was assessed a portion of that amount and full restitution was made before the youths could be released Tuesday.

The youths and their parents appeared before Judge Davis Tuesday morning when he announced his decision and outlined rules and regulation for the probation period. A deputy sheriff complimented the boys for their conduct and behavior while in jail and told the court he didn't see "how boys like these could get into trouble."

Probation rules set for each of the five youths are as follows:

Drivers' licenses are revoked for a period of three months; for the first three months each boy shall not be out at night unless accompanied by parent or teacher (in case of school activities, he has to be accompanied by parent or teacher); parents must provide transportation to and from schools, the boys will not be permitted to be in a vehicle with other boys and girls; each must report to the Littlefield chief of police in person once each month for the next three months; each must not associate with any persons of questionable character; each must absolutely not drink intoxicating liquors or any type, each must permit the chief of police or sheriff or any of their subordinates to visit at any time or place; when school starts, each must attend regularly; and it will be expected that each will apply himself and making passing grades in school.

Judge Davis said, "It is not required in the probation, but the Court believes it would be advisable if the parents saw to it that the boys attended church services each Sunday."

At the end of the initial three months of the probation, Judge Davis said each boy's case will be reviewed "and if he has abided by the probation rules, the Court will be more lenient with him the last nine months of probation."

The judge cautioned each youth that "should he ever be caught violating the law, such as he has done in the past, it will be the Court's duty to send him to Gatesville State School for Boys, if he is found guilty."

## 102 Farm Workers Needed In Area

Some 102 farm workers, an increase of 35 over last week, are needed in the Littlefield area, according to this week's farm labor bulletin issued by the Texas Employment Commission.

The list of workers wanted in this area includes 96 irrigators at a wage rate of 70 cents per hour and six general farm hands at a wage rate of \$40 to \$50 weekly.

BAND LEADERS meet for a preliminary planning session for the coming school year. Marching drills start Monday morning at 8 a.m. Pictured discussing plans are (standing) Prof. Don Hayes, director; Judy Foley, lib-

rarian; Betty Taylor, secretary; Glenda McWilliams, head majorette; Judy Penn, assistant drum major; Randy Smith, president; (kneeling) Bob Ross, drum major; and Jimmy Mac Farmer, vice-president.

## Wildcat Band Starts Drills Next Tuesday

Don Hayes, Wildcat band director at LHS, has announced the date for beginning the annual band practice sessions as August 25. Practice will be held from 8-12 a.m. each morning and at Tuesday and Thursday nights from 7-8:30 p.m.

The two weeks of preliminary work will consist of morning practice, squad drills, and also inside work on music.

Sessions will be held the first few days in the former high school band hall due to the completion of the new building. As soon as possible, the 125 piece Wildcat band will set up headquarters in a brand-spanking new band hall with larger facilities, new instruments and equipment.

Hayes calls attention to the fact that for the first time in the history of LHS, there will be no freshmen in the Wildcat band due to the split between the high school and junior high.

The 125 musicians include 61 sophomores, 33 juniors, and 31 seniors; comprising the largest band around Littlefield in quite some time. Prof. Hayes expresses plans to enlarge the marching band from 80 to 96 members later in the grid season.

## FBI Agent to Speak at Local Optimist Club

Special FBI Agent J. Gordon Shanklin of Dallas will be guest speaker at today's (Thursday) luncheon meeting of the Littlefield Optimist Club. Shanklin, in charge of FBI work for this area, has at one time or another been in charge of FBI offices in Honolulu, El Paso, Mobile and Pittsburgh.

Optimist members are urged to bring guests to the Thursday luncheon. The meeting will be held in the Crescent House Restaurant, starting at noon.

## County Crop Scene Still 'Looks Good'

Lamb County's cotton and feed grain crops continue to shine with healthy prospects on the overall scene. County Agent W.R. Kimbrough reported to the Leader Wednesday.

The scattered showers of Tuesday skipped most of the county, although estimates from one-quarter to one-half inch of rainfall were reported for rural sections west of Littlefield. "And that was where rain was really needed," Kimbrough said.

Only a trace of moisture was received in Littlefield.

Kimbrough said the county's irrigated cotton "is looking real good and the dry weather has been pushing it right along. In fact, the dry weather has been helping the irrigated cotton."

It was another story, however, for the dryland cotton. Farm officials voice the opinion that the dryland crop is already too far gone to make good yields this season.

Some of the county's best-looking cotton is considered to be in the area beginning in the Fieldton section and continuing north.

Ginners vary in their opinions as to the start of cotton harvesting. Some expect first bales to arrive the early part of September, but that extensive harvesting will not get underway until late September or mid-October.

Cotton farmers are being reminded of the water cutoff dates for their irrigated fields, as recommended by the South Plains Research and Extension Center. About August 25 is regarded as the best water cutoff date for Lamb County fields.

Kimbrough said the county's 206,000-acre feed grain crop is likewise in a healthy look, although the overall yield is expected to drop below last year due to weather conditions. He estimated that irrigation feed grain will be off 10 to 15 percent from last year. Full activity on the feed grain harvest is expected to get underway next month.

## Salary Talk For Council On Agenda

Formal presentation of proposed salary schedules for city employees will be one of the key items on the agenda for the Thursday night meeting of the Littlefield city council. The meeting, a regular session, will be held in the city hall starting at 7:30 p.m.

The agenda is expected to contain eight to 10 items for council consideration, including maintenance plans for the city cemetery and further discussion of the city's street paving program.

## Things Going On in Littlefield--

TONIGHT  
7:30 p.m. -- City Council at City Hall.

## Weather

Clear to partly cloudy. Warm temperatures. Scattered showers.

## County Gets Set to Hear Budget Plans

Tax facts and other figures are being correlated by county officials in preparation for an airing of the prospective 1965 county budget. County commissioners are expected to review the proposed budget at their Sept. 14 meeting.

County Tax Assessor-Collector Herbert Dunn said he expects to have the county's valuation total completed in advance of the Sept. 14 meeting. The county valuation for this year was estimated at \$27,135,955, based on 25 percent of actual value. This year's budget called for \$783,531 in expenditures and was based on a countywide tax rate of 95 cents per \$100 valuation. The same tax levy has been in effect for the past five years.

Dunn said there has been no mass re-evaluation of taxable properties in the county this year.

## Uncle Link Sez:

"Those who complain about the way the ball bounces are often the ones who dropped it."

## Chamber-Commerce Sets Members' Meet

One of the brightest spots in the Littlefield Chamber of Commerce's year was announced this week by Charlie Duval, chairman of the Membership committee. Duval in reporting on the results of the recent membership drive said, since March this year, 29 new members had been added to the roles of the chamber.

In making his announcement Duval said that his committee has scheduled a general membership meeting of the chamber, for 7:30, Thursday August 27, in the Lfd. Community Center building. The meeting, designed to acquaint the new members with the functions of the C of C and the work it is doing, Duval said that in addition to introducing the chamber to the new members, the meeting will be geared to reacquaint the old members with Chamber work.

Ralph Duncan, Manager of the Community Services Department of the West Texas Chamber of Commerce will be the guest speaker for the event.

Duncan, well known in chamber work will address the group on the role the Chamber plays in the development of the community. In addition to the talk by Duncan, Duval said a film will be shown. The film, a 42 slide presentation recently purchased from the U.S. Chamber, goes into the chamber's role and gives vivid illustrations as to the importance of participation by everyone in the community.

Duval stated that while the membership drive did not reach its goal of 40 new members his committee of David Penn, Betty Smith, Vergie Hale, Paul McCormick, Dr. James Showwell, Nelson Naylor, Alton Garner, Kenneth Reasat, Bob Manley and Edwin Hall would continue to work on all prospects until the field had been covered. Duval thanked the committee for the work they had done in the campaign and said that with the type of cooperation that he received from them he felt sure the other 11 new members could be added by the end of the year.

## Thinking Things Over

By BERT C. WEST

One thing is certain, Littlefield is a mighty busy place these days.

Check the things that are going on or will be humming in the next week; there's drainage project along Highway 84, the city is getting the "in" shape for street-paved football practice is under-band practice starts Tuesday, the Chamber membership meeting is next Thursday, a tour of the adjacent farm area city folk will be Aug. 28, and their associated activities are making plans for multi-million dollar cotton grain harvest, the county is buying a new budget, the school district is rushing to get new high school ready for Sept. 7 starting bell.

Right in the middle of it parents are trying to find time (and money) to get youngsters tested, shined and clothed for the new school year.

... The telephone produced a call the other from a woman who identified herself as a "loyal Democrat" a funny story. We won't print it, but it contained an invitation to LBJ to hunt, only he couldn't use of losing his gun.

The "loyal Democrat" woman was going to win. That's what she said.

The telephone also brought a call from a feller who must have had a coffee wagger going, seemed in quite a hurry to be said, "Say, who was quarterback for Baylor last year?"

... He didn't argue when we reported "Don Trull". Maybe we had caused a second of confusion by saying, "Duke Dale".

... AMPERED PETS ... The Street Journal this week reported that Americans spent more than \$500-million for pet food last year, much more than spent for baby food.

The article mentioned that Alaska is truly going to the limit, what with the record-breaking increase in dog-buying, not to mention cats, birds, fish. It stated that one man in Alaska paid \$60 for a dog chased via mail order, then \$120 in freight to have the dog shipped to him.

## City Jails 26 In One Saturday

Another busy weekend was reported by Littlefield city police with the city jail population increased by 26 since Saturday morning.

Police Chief F.A. Fitzgerald said a majority of the arrests were for drunkenness. Sixteen of the arrests were made on Saturday.

City police are investigating a "piggy bank" theft. J.T. Brown notified authorities that a piggy bank containing approximately \$4.60 in dimes, was stolen from his home at 620 West First sometime last Saturday morning.

## WILDCATS READY

## Coaches Pleased By First Drills

"We're real happy about the shape the boys reported in and pleased with results from the opening workouts."

That's the statement from Coach John Howle as the Littlefield Wildcats rambled through their initial three days of Fall pigskin practice. Howle described the eager Wildcats, 53 in number, as being further advanced in their conditioning than at the same time a year ago.

Two injuries, however, popped up in the opening testflights. Senior letterman halfback Larry Coffman suffered a sprained ankle in the initial drills Monday but Coach Howle said the ankle had responded well to treatment and Coffman was back working at full steam Wednesday. Coffman is the leading total offense leader among the lettermen returning from last year's varsity.

The second injury will take a little longer to overcome. David Tullis, a senior advancing from last year's junior varsity and being tested at split end, suffered a broken collarbone in the Tuesday workouts. Tullis is expected to be sidelined for about six weeks.

All 13 lettermen from the 1963 squad are in training camp, with practice sessions being conducted at 7 a.m. and 4 p.m. The list includes returning starters Coffman, Charlie Powell, John Dick Carl, Steve Lowe, Ronald Sitton, David Dusek and Steve Lewis.

## Whitharral to Vote on School Merger Plan

Voters of the Whitharral school district will go to the polls Saturday to cast their verdict on a proposed merger with the Levelland school district.

Voting is open to all qualified voters of the Whitharral district with ballots to be cast in the Whitharral high school building.

## State Lets Pact on Historic Marker for Major Littlefield

The state contract for making the Confederate Memorial Information Marker for Major George W. Littlefield in Lamb County has been let by the State Building Commission. This announcement was made by the Texas State Historical Survey Committee and the State Building Commission, which are jointly responsible for its erection.

The marker is made of cast aluminum with Swedish steel effect for durability and appearance. There are four sizes of these markers erected by the State Building Commission with research and inscriptions prepared by the Texas State Historical Survey Committee. The official Texas Historical Marker appears at the top with the inscription below. Lamb County will have one of these types.

Members of the State Building Commission are Governor John Connally; Attorney-General Wagnon Carr; and Charles S. Costes, Chairman of the State Board of Control.

The Confederate Memorial Information Marker for Major George W. Littlefield is 18" x 28" in size and will be erected at the northwest city limits of Littlefield on U.S. Highway 84.

The following information appears in the inscription:

"George Littlefield (1842-1920) came to Texas in 1850. In the Civil War with Terry's Texas Rangers he fought at Shiloh, Chickamauga, Lookout Mountain, and other sanguinary battles. He helped open the South Plains, the Panhandle, and

New Mexico to ranching. His "LIT" and "LFD" herds were famed throughout the West and in Canada.

"He became an Austin banker and devoted friend and benefactor to the University of Texas. He financed studies, donated property and established the Littlefield Grant for Southern History. He also founded the town of Littlefield."

The erection of Confederate Memorial Information Markers is part of the Civil War Centennial Commemoration in Texas. The markers are designed to interpret and commemorate the role of prominent Texas Confederates, battles, frontier outposts, coastal fortifications, manufacturing plants, and military supply centers.

This marking program is part

of a comprehensive five-year plan of the Texas State Historical Survey Committee to record, preserve, mark, preserve, and survey Texas history.

"RAMPERS", as the plan is called, seeks to place 5,000 historical markers over the state in this five-year period. These markers are to be sponsored through joint efforts of the state, counties, cities, civic groups, and individuals.

The Civil War in Texas is a part of the vast program to mark historical sites in Texas as from archeological finds to modern industries and statesmen. Since the beginning of the program, 509 Texas Confederate Memorial Information Markers have been submitted for erection.

# Doris Webster, Pat Pritchard, Jr. Repeat Double Ring Vows Friday

Miss Doris Webster and Pat Pritchard Jr., were united in a double ring ceremony in the First Baptist Church August 14, with the Rev. Robert D. Longshore officiating.

The bride is the daughter of Mr. and Mrs. M.R. Webster of Littlefield and the groom is the son of Mr. and Mrs. Pat Pritchard Sr. of Wingate.

Two baskets of white mums and an archway of candles were used as decorations for the altar. Miss Jan Holland provided the music and Miss Janie Young soloist sang "The Lord's Prayer" and "Whither Thou Goest."

The bride, given in marriage by her father, was attired in a white chiffon floor length gown with chantilly lace, trimmed tiers and long petal point sleeves with a scalloped neckline, trimmed with sequins and pearls. Her elbow length veil of French illusion cascaded from a crown of pearls and rhinestone. She carried a bouquet of white stephanotis and white feathered carnations atop a white Bible.

Following the tradition she wore something new and blue, the bride's blue garter, something old, a pearl necklace of her great aunt's, something borrowed, the bridal gown.

Tonya Webster, niece of the bride was flower girl, who wore a white chiffon floor length gown with chantilly lace trimming.

Mrs. Billy Jolley, sister of the bride, was matron of honor, and wore a dress of burnt orange satin with a chiffon over skirt.

Bridesmaids were Mrs. Johnnie Blair, Miss Glenda Simpkins and Miss Kathy Davis, who wore dresses of burnt orange satin.

Miss Davida Jolley, niece of the bride, was junior bridesmaid, and wore a dress of burnt orange satin with a chiffon over skirt.

The matron of honor and junior bridesmaid carried nosegays of white asters and the bridesmaids carried long stemmed white mums.

Kenneth Adams of Wingate was best man and serving as groomsmen were Ronnie Webster, brother of the bride, Burl McCormick of Amherst and Dwayne Williams of Littlefield.

Miss Rhonda Webster and Miss Martha Pritchard, niece

MR. AND MRS. PAT PRITCHARD, JR.

of the bride and groom, each wore dresses of burnt orange satin.

David Jolley, nephew of the bride and Joe Pritchard, brother of the groom lit the candles.

Ushers were Ronnie Webster, brother of the bride, Bobby Cowan and Jay Elms of Amherst.

The bride's mother wore a beige brocade French crepe dress with brown accessories and a corsage of white feathered carnations.

The groom's mother wore a light blue eyelet dress with white accessories and a corsage of white feathered carnations.

For the reception following

the ceremony in the parlor of the church, the bride's colors of white and burnt orange were carried out. Miss Poni Phillips of Amherst, Miss Linda Douglas and Mrs. Johnny Edgings, both of Littlefield, presided at the serving table.

Guests were registered by Miss Pritchard, sister of the groom.

For traveling, Mrs. Pritchard chose a two piece suit of burnt orange silk accented with burnt orange and white accessories and the corsage from her wedding bouquet.

After a short wedding trip, the couple will make their home in Wingate where the groom is engaged in farming.

# News of Women

## Ice Cream Supper Honors Billy Ed Blackwell Friday

On Friday evening, Billy Ed Blackwell, who will be married to Jan Ellzey on August 29, was honored with an ice cream supper on the back patio of the Ralph Nelson home.

On the honoree's table was a "symblance" of a young man dressed in chef's cap and apron with barbecue tongs in his hand, presiding over a grill on which were savory hamburger patties and a tiny burning fork. Near the miniature grill were two tiny patio chairs with a lovely blond young woman, dressed in attractive blouse and jeans, reposing in one. This was the preview of the gift presented to Mr. Blackwell . . . a barbecue grill and eight piece barbecue tool set.

Homemade ice cream and cake were served and the evening was spent in visiting and playing "42."

Present were Misses Cheryl Elliot, Lynn Kirby, Vanita Mous-

ser, Kathy Bailey, and Cathy Nelson; James Blackwell, John Ellzey, Keith King, Buzz Goertz, all of Littlefield. Out-of-town guests were Miss Judy Tapp, Mr. T.C. Gattis, and Kim Blackwell, all of Lubbock; and Mr. and Mrs. N.J. Dillard of Beaumont.

The parents of Blackwell and Miss Ellzey were also present; Mr. and Mrs. Ed Blackwell and Rev. and Mrs. Jack Ellzey.

Unable to attend, but having a part in the gift were Miss Joyce Thompson and Bill Nelson of Littlefield; Miss Melva Lynn Ross, James Davis, and Mr. and Mrs. Mike Steffy, all of Lubbock; David Schmidley of Levelland; and Mr. and Mrs. Robert Neeley of Plainview. Co-hostesses with Mr. and Mrs. Nelson were Mr. and Mrs. Doss Maner, Mr. and Mrs. Neal Walker, Mr. and Mrs. Jim Nelson, and Mr. and Mrs. Jesse Steffy.

## Youth Enjoy Hayride, Picnic

A South Plains Zone Walther League weiner roast and hayride was held Sunday night at Wilson and was attended by members of Missouri Synod Churches and their guests.

Attending from Emmanuel Lutheran Church were Nancy Neumann, Hubert Lingnau, Ralph and Mary Hobrathsch, Francis Mauk, Eleanor Wuthrich, Leon and Harry Synatsch, David Bartley, Keith Neumann, Kenny Birkelbach, also Maiste Naylor, Leonard Kruger, Sharon Mills.

The group gathered at the church at Wilson. They went to Tahoka Lake on trailers pulled by tractors, where they roasted weiners and then returned to Wilson.

## Sunday School Holds Meet

WHITHARRAL — Mrs. C. B. Keeney was hostess Saturday evening for the business meeting of the Dorcas Sunday School Class. Mrs. Elva Crank presided for the business. Officers for the new year beginning October were elected as follows: president, Mrs. John Waters; vice - president, Mrs. Crank; secretary, Mrs. Martin Moore; assistant - secretary, Mrs. J.D. Waters.

Mrs. H.G. Walden led the group in prayer. Mrs. Keeney gave a devotional on Romans 2:1-10 with Mrs. Aubrey Hudson leading in prayer. The poem "The Lamplighter" by Mary Stockwell was read by Mrs. Crank. Mrs. Keeney directed Bible questions.

Secret pal gifts were exchanged. A snack tray with cookies and punch was served to Mmes. Hudson, Walden, Crank, John Waters, Alma Kilgore, J.D. Waters, Martin Moore, Vick Matthews, Will Raines, J.M. Mixon, and T.E. Howard.

Mrs. Walden will host the September meeting on the 19th.

## 40 Attend Gift Coffee For Mrs. Phil Bishop

ANTON — Mrs. Phil Bishop (the former Jerry Sue Eaton) was honoree at a gift coffee Friday morning in the home of Mrs. Cecil Overstreet.

In the receiving line with the honoree were her mother and mother-in-law, Mrs. W.L. Eaton and Mrs. Ralph Bishop.

## Baptist Youth Go to Lubbock

WHITHARRAL — The High School Group of Young People of the Whitharral Baptist Church had a picnic supper in Mackenzie Park, Lubbock, Saturday evening.

They played miniature golf and visited the Tiny Texans before returning to the home of Mr. and Mrs. Jack Gage for homemade ice cream and Cokes.

Present were Judy Wade and Gerald Minyard, Shannon Wornack and Johnny Tipton, Sandra Gage and Steve Schmiedley and Mrs. Raymond Woodruff.

## Becky Cook has Birthday Party

Becky Cook, daughter of Mr. and Mrs. R.J. Cook, was entertained with a birthday-slumber party on her ninth birthday, August 7 at the home of her grandparents, Mr. and Mrs. Claud Cook on the Earth highway.

Hamburgers were prepared and served outside with all the trimmings. The birthday cake was in the shape of a ukulele.

Becky's guests were Stephanie Carter, Tange Carpenter and Melonia Roberts.

## CITY BIT

Those from Littlefield attending the Robertson family reunion at Wichita Falls August 16 were Mr. and Mrs. John Robertson, Johnny, Terry, Mike, and Novelice; Mr. and Mrs. Roy Robertson and Roy Lynn, Mr. and Mrs. Donnie Bolton and Keith. Approximately 50 relatives attended.

## Dauber's Club Paints in Oils

The Tuesday Dauber's Club's regular meeting was held at the Reddy Room where a covered dish luncheon was enjoyed by the members and their guests for the day.

Oil painting was done on canvas and burlap boards. Plans were made for a series of lessons beginning with their next club meeting.

Present were Mrs. Hattie Street, Mrs. Pearl Rountree, Mrs. Owen Tucker and Mrs. Thelma Parrott. Guests were Mrs. Hattie Bussanmus, and Mrs. Katherine Nicholas.

## Pep Bridal Shower Held For Linda Smith Thursday

PEP — Miss Linda Smith of Littlefield, bride-elect of Ralph Sinnacher, was honored with a bridal shower August 13 in the Parish Hall in Pep.

The bride's chosen colors of pink and white were used in the decorations. The serving table, laid with a lace cloth over pink, was centered with an arrangement of flowers. Also, six pink bows were used as decorations around the table. Refreshments of pink punch, white cake with pink icing, nuts and mints were served.

The honoree and her mother, Mrs. Hollis Smith of Littlefield, the future groom's mother, Mrs. Frank Sinnacher and the hostesses each wore a pink bow centered with a tablespoon of the bride-elect's stainless steel ware set.

The hostess gift was a set of stainless steel cookware. Hostesses were Mmes. John Shannon, Franklin Green, John Fiegley and sons, Sam and Ross of Three Way; Toby Smith of Littlefield, A.H. Jungman, Billy Gerik, Emil Marek, Billy Witt

# Junior Homemaker Shares Recipes for French Meal

Featured this week is another young homemaker, Linda Williams, daughter of Dr. and Mrs. Owen Williams.

Linda has been cooking since she was in the sixth grade. Her large collection of cookbooks was selected then also when she was presented her with her first.

One of Linda's favorite cookbooks is one which contains foreign dishes and also the complete foreign foods. From this she gives us recipes for "Toucan à la Maitre" and the "Croustade" which is the French hot & French toast.

A Junior in this county year is LSS, Linda is an active member of the Littlefield Band and sings solo, which represents her to the Student Council, a member of the church of home and she was selected to represent the school in general science and biology. She is interested in foreign languages and has taken the study of Spanish and plans to take Latin for the next two years. Linda is a member of the First Baptist Church and active in YWCA.

The Williams family moved to Littlefield from Norman, Texas, in 1956. The family also includes Linda's brother and sister, Mike and Nancy Dale.

Linda's French dinner recipes follow.

- "TOUCAN A LA MAITRE"**
1. Take 4 quarts, minced
  2. 1 lb. mince, seal, cut in bite size pieces
  3. 1/2 cup
  4. 1/2 cup
  5. 1/2 cup
  6. 1/2 cup
  7. 1/2 cup
  8. 1/2 cup
  9. 1/2 cup
  10. 1/2 cup

Stalk garlic in the water in heavy saucepan. Remove garlic and bring water to the boil. Sprinkle with salt and pepper. Cook for 10 minutes. Drain and add butter. Stir in cream. Heat through. Serve hot over hot buttered bread.

**"CROUSTADE"**

1/2 cup water

1/2 cup butter

**JUNIOR COOK** — Linda Williams, part LSS junior, displays her large collection of cookbooks which she keeps in the sixth grade. She shares two French recipes with the readers this week. She is the daughter of Dr. and Mrs. Owen Williams. Linda's favorite recipe, "Toucan à la Maitre," is right in the middle of things as it is served in a hot position. (See Leader photograph.)

## Year's best savings on a best-selling wagon

Rambler's Year-End Selling Spree is on now. Even during the regular selling season you could save \$240 or more\* over a top-size Ford or Chevrolet. Now you may save even more because Rambler dealers are really dealing to clear the decks for the '65s. You get smart, sporty looks and more V-8 power than the standard V-8 in a Ford or Chevrolet wagon. With Rambler, too, you get Double-Safety Brakes, Deep-Dip Rustproofing, and other advantages you can't get on the other two best-selling wagons.

Live a little—with your savings, choose from sporty options like reclining bucket seats, console, floor shift (manual or automatic), power steering, power brakes, power windows... and lots more. Drive a Rambler Classic V-8 wagon to see how much car you've been missing.

\*Comparison based on manufacturer's suggested retail price for top-line 4-door wagons with engine, base and front seat belts. Prices may vary with dealer's individual pricing policy.

## NOTICE OF ELECTION

WHITHARRAL-LEVELLAND SCHOOL DISTRICT CONSOLIDATION VOTE  
August 22 (Saturday)  
Whitharral High School Building

We are proud of our school. Our enrollment is up. We have the new facilities and are in excellent financial condition. Our present rate of taxes is not higher than the average school in our area, yet we have just finished our new buildings and are at our best. We see no further need for a tax increase for several years. The rate of schools vary and are complicated. Many times the rate is up, value down, or vice versa. Our consolidation board is composed of our friends and neighbors who own land and appropriate the rate fairly and equally, sharing in our support of our schools. If we have a complaint, we can meet the consolidation board on neighborly terms. When we have a problem that we need to discuss, we know our school board personally and feel free to approach them, the school administration, and teachers with our problems. Our schools have the average number of pupils recommended by the state, the perfect condition and our schools are trying to reach. We are giving our children a first-rate education. Approved is reportedly overvalued and in need of new buildings. Their bonded indebtedness is over \$100 million. They are thousand dollars (\$1,056,000,000). Their present tax rate will be adequate for the next several years. Whitharral's will be. Whitharral anticipates 300 students for the fall term. Our children are proud of their school and do not want to be lost in anonymity. Submit the PTA on August 22.

No. 109

OFFICIAL BALLOT

Scratch or mark out one statement so that the one remaining shall indicate the way you wish to vote.

~~FOR the consolidation of the Whitharral Consolidated Independent School District and the Levelland Independent School District.~~

**AGAINST** the consolidation of the Whitharral Consolidated Independent School District and the Levelland Independent School District.

## LETTERS TO THE EDITOR

arral, a small com- in Hockley County on highway 385 between Lit- and Levelland, is one remaining communities lects community pride civic activities and which center around school. Now even their threatened. An elec- been set for August 22 whether or not to con- with the Levelland

controversy started when dents decided to build a mchroom - auditorium tion, a new agriculture and completely re- be high school building, tion was held and the used and the improve- were made. Some of the district residents who n against the bond and e majority and trans- their children out of the school district. Of lies transferring their only approximately rd are landowners who are the brunt of the tax e. Some of these were on the tax roll for first time to be to vote on the bond is- declaring practically as vehicles or equip- Some of these children ver attended the Whit- Schools, living on the y and attending area r years.

Whitharral school board ealed to the state com- of education both last nd this year. Last sum- r, Edgar, the state com- r, ruled against the school board; this year ed in favor of the county board, in both cases al- the children to transfer the Whitharral district n, Littlefield, and Lev- n the hearings held in the parents gave reas- the transfers ranging ne mother's testimony e had never been elect- an office nor had never ular when she attend- Whitharral schools, and d not want her children g this school. Other said they thought their n received a better ed- in the larger schools, nty-five children inv- the transfers are ose living on the outer ose of the district. ose signing the petition e election, less than ve children in school same percentage is re- to property owners, nsurable value of the aral school is one-half dollars. There are 27 rs and personnel em- by the school, and the budget for the school e \$170,000. According to chie Simms, superinten-

dent of Whitharral Schools. "We are caught at our height, as our buildings and facilities will be adequate for several years. We are in fine financial condition and at present can foresee no immediate tax increase."

The average daily attendance for 1962 and 1963 was up, even after the transfers out of the district. The ADA for last year was 265, and Whitharral gained two teacher units. Three hundred students are anticipated to enroll this fall. All state aid due to date has been received.

Should the vote to consolidate pass, Levelland, reportedly crowded, would have to vote to accept the \$236,000 indebtedness in addition to their own of \$2,056,000.00. The Pettit schools will also vote on consolidation on August 22, and their indebtedness would also have to be absorbed. Should both schools enter the Levelland district, approximately 500 students would be thrown upon the Levelland schools, an increase which would be difficult to absorb, with Levelland's present facilities. It is felt that redistricting would be done and the fine facilities at Whitharral would be used for a grade school, but all future decisions would be under the jurisdiction of the Levelland school board if the consolidation issue passes.

The Whitharral board in its appeal to the state commission of education does not view getting the children back who have transferred out as a panacea, but are setting precedent in not allowing every person with a personal whim to transfer out of the district, not only in this school, but other small schools who are having this problem.

Meantime, Whitharral, which has been a closely knit community until the school rift, continues with an eye to the future. A new water system for the town has been subscribed to by families, the school, gas, cemetery and businesses. The churches are active and are pushing for new membership. The Lion's Club, with its new community building, is making new plans for the coming year. The PTA has just finished paying for a new concession stand and restrooms at the football field and added many books to the library, but is busy planning a new project for the coming year. All teachers for another school year have been hired and football practice has started.

Dr. J. W. Edgar, Commissioner of Education of Texas said, "I had a two-hour tour of the Whitharral school last year and it seems to me they had a pretty good school system."

The vote on Saturday will spell the future for Whitharral.

Sincerely,  
Citizens for Whitharral School

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1964. HOUSE JOINT RESOLUTION NO. 8 proposing an amendment to Section 59 of Article XVI of the Constitution of the State of Texas establishing certain requirements relative to the enactment of laws affecting particular conservation and reclamation districts; providing for an election and the issuance of a proclamation therefor.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1964, at which election all lots shall have printed thereon the following: "FOR the Constitutional Amendment establishing certain requirements relative to the enactment of laws affecting particular conservation and reclamation districts." "AGAINST the Constitutional Amendment establishing certain requirements relative to the enactment of laws affecting particular conservation and reclamation districts."

## 21 Grid Games On Home Front

By BERT C. WELT

There are several long distance games for Littlefield football fans this fall, such as San Angelo, Berger and Berger, but there is a heavy menu coming up right at home.

Schedules for all five teams to be detailed by Littlefield schools listed elsewhere in this page, contain a total of 49 games, with 21 of them on the Wildcat turf.

The home season starts Sept. 21 a home three games from last Thursday, when the junior varsity played its action against the Mustangs. Lambert and it will continue through Nov. 27 when the varsity Wildcats play down the regular season schedule against Littlefield.

The treatment will be the most frequent recipients of the local program, playing out of their 21 outings at home. The junior varsity and the senior program will be the recipients of the group, each playing only seven home ties.

**WRIGHT WRESTLING**... Littlefield wrestling team is expected to have a weight class need of the success achieved by the Class AAA Phelan-John (John Phelan) team. They have provided proof that weight is not the key to success.

In the past few years, the Phelan team has won the state championship and has been in state finals to make it there in a row this time around. Now for some starting facts. The 1964 offensive starting line for the Bears averaged 210 pounds and the backfield 133.5 pounds. Over more starting is the fact that the defensive regulars averaged 210 pounds per man, with the players in the 133-pound bracket.

Against this lightweight defense, opponents of the Bears scored a total of 14 points in games.

**HEART SWIFT**... Andrew, the team Littlefield will be competing on Aug. 23 is called as one of the top 10 Triple-A powers nationwide this year. Among other things, Andrew is competing in 24 returning athletes.

While attending the recent Texas Coaching Convention in Fort Worth, former Coach Gene Wapstead stayed at the Texas Hotel and had the same suite as occupied by President Kennedy the night before he was killed.

Springdale is heavy favorite to win the 5-A match this time around, with Sulphur the third choice. Springdale is figuring on led from 21 September while Sulphur has W. Springdale's John Peterson is billed as one of the top interior linemen graduating in Class X.

**COLLEGE TV**... The college season for TV fans will get underway down weeks from last Saturday with the UCLA at Pittsburgh game.

Four games involving Southwest Conference teams will be on the screen this year, but for the traditional Turkey Day battle between Texas and the Aggies. This year's Turkey Day game will be between Auburn and Alabama.

TV dates for 1964 seem to be Sept. 27-28 at Florida; Oct. 1 at Arkansas at TCU; Oct. 25 Oklahoma vs. Texas; and Oct. 26 Texas Tech at Rice.

**WILL STRIKE**... Corcoran last year's Triple-A state champion will start the new school year with a 10-0 record.

Nov. 9-Clara City, 4 p.m.  
Nov. 16-Plattview, home, 4 p.m.

### CITY BIT

Miss. Lynn Webster of Littlefield and her son, Ben, Joe and family of 11 from Littlefield, were present visitors to Littlefield's Veterans National Day.

# Fire Injures Joe Jezisek, Destroys Pickup

Joe Jezisek received burns in his right arm and face Saturday when he was cleaning the motor of a pickup with a gas can. The pickup belonging to R.D. Hall, was totally destroyed by the fire. A closed tank nearby, also caught fire and exploded. Mr. Jezisek was admitted to Littlefield Hospital and was discharged Sunday. The Littlefield Fire Department was called to extinguish the fire. Mr. Jezisek is employed by R.D. Hall.

William Carl of Center Center was an overnight guest of Joe Woodman Saturday.

Mr. and Mrs. Bill Thompson and family and Mr. and Mrs. Carl Christian, attended the make at Woodmen Saturday night. Mr. and Mrs. John W. W. and family visited Mr. and Mrs. Carl Key and boys of Littlefield Saturday night.

The Spade Lions met Monday night in the school lunch room. Lion Ben Joe Bailey was in charge of the meeting. Ben Frank Perry led in the opening prayer. C. C. Brown led in singing and John W. W. led in the pledge of allegiance. Light bulbs were issued to the members and will be sold this week. Anyone wanting to buy some bulbs, contact some member of the Lions this week. Sale closed Monday. A screen sale is planned for September 21. The meeting was attended by about 15 members and two visitors from Littlefield, Woodmen and Littlefield.

Bernice Brown will be joined with a double wedding next Thursday (August 27) at 2 p.m. in the church of the Spade Methodist Church. All friends and relatives of the couple are invited to attend. Local invitations were being mailed. Invitations are a Friday's jewelry store. Mrs. Brown will marry Jerry Thomas of Littlefield September 11. Mrs. Brown and Sandy Carlisle attended the wedding of Kathryn Lee Lewis and Ted Lee at Littlefield Saturday night. The bride is the daughter of Dr. and Mrs. Dewey Geary. Dr. Geary is the superintendent of Littlefield Chapter of Methodist churches. Both the bride

and bridegroom were classmates of Woodman and Sandy at Littlefield. Woodman served as a best man in the wedding.

Saturday night guests of Mr. and Mrs. Claude Gray and family were Mrs. Gray's brother and family, Mr. and Mrs. Bobby Edwards and children, John, Mrs. Howard Baker and Mrs. Claude Gray attended an executive committee meeting of the Littlefield 50-County PTA Council Tuesday in Woodmen.

Mrs. A. Harvey presented the Home Service Program Thursday for the Spade V.M.C. The program was entitled "The English Language Church Open House." Attending were Mrs. J. A. Hollinger, Mrs. Tom J. A. Hollinger, Donald Caldwell, Arthur Turner, Arthur Turner, Ernest Savage and A. Harvey. Guests of Mr. and Mrs. J. J. Anderson and family Sunday attending the Home Service at Woodmen over the weekend were Mr. and Mrs. Jim Farnage, Gary Farnage, Mrs. H. Farnage, Mr. and Mrs. John Farnage, Walter and Gary Hamilton and Mrs. Pat Brown, Susan and Pa-

## When Your Teenager Starts to Drive . . .

Only fifteen years ago, the teen-ager's use of the family auto was somewhat limited. If the boy or girl lived a long distance from school, or lived in an area with inclement weather he was allowed use of the family car for school transportation. But most teen-agers

used shoe-leather for their means of transportation. The automobile was an adult means of transportation. Few teen-agers actually owned their own cars.

But in the last few years the young adult has acquired with his own fashions, his own mus-

ic and his own literature, his own car. If there is any doubt of this, look around. You'll find many sports cars parked by the old high school and jammed into what was once the school tennis-court.

Not only have the new models been designed for the teen-ager, but auto ads have been edited with a teen-age vocabulary. You will find words such as "sportscar buffs, foreign jobs, swinger, no hedge, stripped down and hottest" in recently issued sports-car ads. All these words are associated with the adolescent vocabulary, for the adolescent is a major market.

With this in mind, parents should make their best efforts to drive home the need for safe driving.

Parents should also emphasize that a good safe driver must have a safe automobile. A safety check of an auto is a necessity and should include checking to see that the brakes, steering, tires, shock absorbers, transmission, power plant, exhaust system, light, horn and windshield wipers respond adequately to every demand.

Parents must not assume that their children qualify as safe drivers without full knowledge of the car's performance limitations in critical situations.

Today many teen-agers own their own cars and must, in every respect, qualify as safe drivers. Parents are obligated to help them in every respect. Today, care and competence in operating an automobile is a necessity.

## District Optimists Gather in Lubbock

The Optimist International District Conference of Zone C, Northern District of Texas, under the leadership of Optimist Jack Douglas Lt. Governor of this zone, was hosted Saturday by the Hillcrest Optimist Club

### 9 Rural Traffic Accidents Listed

The Highway Patrol investigated nine rural traffic accidents in Lamb county during the month of July, according to Sergeant D.S. Lawson, Patrol Supervisor of this area.

These wrecks accounted for one person dead, four persons injured, and an estimated property damage of \$7,760.00.

The rural traffic accident summary for Lamb county from January through July shows a total of 71 crashes resulting in seven persons killed, 25 persons injured, and an estimated property damage of \$67,635.00.

Commenting on the upcoming Labor Day week-end facing Texas motorists, the veteran patrol supervisor said, "Many Texas families will be taking advantage of this last long summer week-end to take trips prior to the opening of school. Many of these families will be trying to cover too many miles. As a result, the possibilities of traffic crashes will be increased."

Because this holiday is mostly a family affair, more persons will be occupying cars. Thus, any traffic accident might result in several casualties. This has been evidenced several times on Texas Highways in recent weeks. During the 72 hour Labor Day week-end last year, 31 crashes claimed the lives of 44 persons.

of Lubbock. Members of all clubs in this district, Downtown, Sunrise, Monterey, Mackenzie, Southwest, Optimist Clubs of Lubbock were joined with Brownfield, Littlefield, and Plainview Optimist Clubs to honor their distinguished guests, District Governor Joseph A. Devany and Secretary Treasurer Lester Sockwell of Optimist International, Zone C-Northern District of Texas.

The keynote address was given by Governor Devany of Dallas. Governor Devany has practiced law since 1953. He holds a B.S. degree from N.Y.U. and a L.L.B. degree from S.M.U. He is a charter member of White Rock Optimist Club of Dallas since 1954 with perfect attendance for the full 10 years. He has also held office as District boys work Chairman, Oratorical Chairman, past Lt. Governor and past president of the White Rock Club.

Secretary-Treasurer Lester Sockwell spoke to the assembly on his field of Optimist responsibility. Sockwell has seven years of Optimist. A graduate of Baylor University with a B.A. degree and B.B.A. degree. He served 10 years in Diplomatic service with the state department as vice consul to Cuba and several South American countries.

## Car Maintenance Tips for Mom, The Family Chauffeur

The best time to give your car a pre-winter check-up is after the Labor Day holiday. Since Dad is still busy with lawn and garden chores, the car's responsibility will no doubt fall on mother's shoulders, particularly since she is probably part of a car-pool carting school-age youngsters to and from various activities—to say nothing of marketing chores, etc.

Let's start with the trunk. Remove all remnants of summer fun gear—pack away until next summer. Next replace them with these precautionary winter weather aids: a small bucket of gravel or sand for traction on icy winter roads. Add a pair of gardener's

gloves, a small shovel, heavy boots and now you're ready to face the worst of cold weather emergencies, when alone. Those garden gloves fit easily over your driving gloves for spreading gravel or removing ice and snow from your tires when you're driving without your husband.

Midas, renowned manufacturers of mufflers, suggest you remove summer paraphernalia such as sun-glasses from under the front seat, replace them with ice scraper, snow brush, winter driving gloves, graphite gun (for thawing frozen locks, etc.) extra head-scarf, and a plastic squeeze bottle of water—the liquid detergent size. The bottle of water is insurance against the time your windshield washers go dry or get stuck by ice. A little glycerin added will keep it soluble. This is only an emergency measure as properly working wipers have no substitute.

Check the seat-belts. If they are the loose hanging type, they may be frayed at the door-line, weakened by closing doors, and weather exposure. Since your life may depend on

them, check them often, place them with the retractable type belts. Seat retraction units may be purchased. For trouble-free winter driving heed these tips.

Have mechanic add antifreeze where region demands. This is also a good time to radiator hoses inspected, belt shows wear, replace. Have muffler checked for leaks, tailpipe for rust wear. Winter driving closed windows and a exhaust system can be Don't risk poisonous monoxide fumes inside car.

Avoid tragic accidents defective brakes. Faulty brake system can cause undue efficiency. Have the mechanic inspect the linings, shoes, springs and drums. Rotate your car wheels. Have tires rotated every 3,000 miles. Get an engine tune-up. A family chariot is now ready for peak performance during winter months for you and school-age passengers.

AMHERST NEWS by Mrs. Lester LaGrange

## Former Missionary Visits Parents

Rev. and Mrs. Dan Gleckler of Baltimore, Md. were weekend guests of her parents, Mr. and Mrs. V.A. Hinds and other relatives.

### get eyes ready for schooltime

About four million young Americans will be entering school for the first time this year. The child with impaired vision may have learning difficulties as a result of classroom failures.

The Better Vision Institute has recommended a professional eye examination for all pre-school children, even as young as three. And The BVI points out that a defect in vision which could have been easily remedied in an early test may develop into a serious problem handicapping for years.

By observing the child's eyes, noting suspicious things in his behaviour and watching his developmental activities closely, an alert parent may be able to detect eye trouble that can be corrected long before the child must learn to read.

Signs of trouble that merit further investigation include red, encrusted or swollen eyelids with recurring sties; inflamed and watery eyes.

Frowning and squinting when looking at distant objects, should be taken by parents as trouble signs.

Give freshly baked homemade breads the special service they deserve. Take them from the oven and pop immediately into a napkin-lined basket or heated serving bowl. Serving and close friends.

Gleckner as Marcia Joyce Hinds, served as a Methodist missionary to Angola, Africa. Home for the weekend with her parents was Sue Hinds of Amarillo.

Mr. and Mrs. Bill McGee of Calallen spent several days with her cousin, Mrs. Homer Harper and Mr. Harper. Miss Chloe Harris of Jacksonville spent a week with the Harpers. She returned home Saturday. Last week Mrs. Harper and the guests made a tour in northern New Mexico stopping at several places of interest.

Judy Brantley is spending a week with her aunt in Albuquerque.

The four children of Mr. and Mrs. Homer Peel suffered a great loss when their quarter-horse Baby Doll died of a rattlesnake bite Tuesday. The four year old animal was bitten between the eyes while stabled in the Guy Hufstader barn the Friday before. A veterinarian was unable to save the valuable animal's life.

Mr. and Mrs. George Koumialas and family moved to Hobbs during the weekend. Missouri Valley Construction Co. has a project underway near there. He is an employee of the company.

Dave C. Vaughter of Exeter, N.H. and Boston visited Amherst and Littlefield friends during the weekend. He was the houseguest of Mr. and Mrs. Paul D. Bennett, Littlefield. His sister, Mrs. Eldon Smith and Mr. Smith of Carlsbad were other guests in the Bennett home. Smith is Mrs. Bennett's brother.

Mr. and Mrs. Wallace Goddin and grandson, Mike DeLoach spent a week in Colorado.

Partibob Payne of Shallowater joined her cousins Susie and Gina Marie Tadlock of

Ruidoso for the weekend with their grandparents, Mr. and Mrs. Lee Payne.

Mr. and Mrs. Dick McDaniel and family of Littlefield moved to the farm east of town. Mrs. T.K. Bennett was in Dallas last weekend and attended funeral services for her aunt, Mrs. Birdie Badgett. Her sister and niece, Mrs. Gerald Sayle and Geraldine of Amarillo accompanied her and returned home Thursday.

Rev. and Mrs. Gene B. Lounder returned to Rochester Thursday after spending a few days with her parents, Mr. and Mrs. Lester LaGrange.

Mrs. Tommie Carpenter of Littlefield visited her daughter, Mrs. Audrey Nuttall Thursday. She was severely burned in a butane explosion more than two months ago and that was the first outing she's had since her release from the hospital. Mrs. Gene Kindard and Deb-

bie returned to Atlanta, Ga. Friday after a visit with her parents, Mr. and Mrs. Allan White.

Mr. and Mrs. C.A. Duffy Jr. and family are vacationing in Colorado.

Mr. and Mrs. W.P. Davis, Pete, Bill and Gene and family from Portales spent a few days at Lake Brownwood last week.

Visitors in the home of his brother Frank Ray last week were Mr. and Mrs. C.C. Ray of Columbus, Ga.

are here from Casa Grande, Ariz. for a visit with relatives.

Mrs. Dwayne Key is a patient in the Muleshoe hospital. Her parents, Rev. and Mrs. Hugh Blaylock of Dammitt have the two children while their mother is ill.

Arch Gammons of WestCamp was here to see his grandfather, W.L. Key and other relatives Monday as he was enroute to Atlanta, Ga. where he is stationed in the service.

Mrs. Bess Sherman of Temple was a recent guest of her mother, Mrs. Graham Lair. Mrs. Ruby Lowe and children of Lubbock visited her parents, Mr. and Mrs. W.N. Hum-

phreys and other relatives last week.

Mrs. Bill Seabrook and son returned home to Jackson, Miss. after spending two weeks with her parents, Mr. and Mrs. Purdy Braker.

Mr. and Mrs. Delvin Batson, their granddaughter Terri Jo Cowan and his mother, Mrs. Irene Batson spent the weekend in Ruidoso.

Mr. and Mrs. Ed Nicholson, Mr. and Mrs. Laverne Nicholson and children, Mr. and Mrs. John Humphries and Kevin spent the weekend in Ruidoso. Mrs. Otis Holliday of Pampa visited her brother, Gene Campbell and family Thursday. She was in Olton with her parents, Rev. and Mrs. R.H. Campbell, for a few days.

## The Library A Respected Old Friend

When the lordly senior leaves high school and begins his college year, he finds that his whole academic life has changed.

Courses have unfamiliar names, professors lecture him from their notes with a deceptively casual air, expecting him to get the information all down, digest it and "return" it at exam time. Then he discovers with a sigh of relief that the college library, except for being larger, possibly with a larger staff, has changed little. It is still "old reliable".

The library's main service to the high school is of course supplying reference books to supplement course - lectures, to provide background materials, and for sheer enjoyment; to search for things that count - and help the student keep his marks high.

It is also a retreat where one can read or just rest or perhaps chat quietly with his fellows. In thus enriching his life, the library sustains and nourishes the student in his quest for education and in savoring the experiences of life.

## FIELDTON NEWS

### Rev. Arquez Honored

A social and shower were held Sunday evening after church services at the church parlor of the local Baptist Church.

The honor guest was the new minister from the Latin American Mission, Rev. Samuel Arquez. About 40 were present. His fiancée, Miss Irene E. Devila, was among those present. Miss Devila, her mother and brother from Gonzales are visiting here with Rev. Arquez.

Mr. and Mrs. Jake Armstrong and Roxey returned home Wednesday from a visit with friends in Fort Wayne, Indiana.

Mr. and Mrs. Gerald Ray Qualls and baby son, Fort Worth, are visiting here with his parents. Mr. and Mrs. Marvin Qualls, Other visitors Sunday were their daughter and family, Mr. and Mrs. Rodney Balko, Earth, Ricky, Danny and Kelly.

Mr. and Mrs. Richard Altman and sons left Monday for their home in California after a two weeks visit here with her

Attach name tapes to every item in a child's wardrobe. For youngsters who will live away from home during the school months, be sure to mark all linen and belongings they will take along.

father, John Muller and other relatives.

Mrs. Alma George, Amarillo, visited here last week with her daughter and husband, Mr. and Mrs. Horace Thorp and their two granddaughters.

Miss Jean Pearson left Monday for Denver, Colo. after a week's visit here with her parents, Mr. and Mrs. Alva Pearson and a sister, Mrs. Jan Clevenger and daughter, Mr. and Mrs. C.C. Slaughter

are announcing the birth of a grandson. The baby, Shad Cameron Bevel, was born August 11 to Mr. and Mrs. Leslie Bevel at the base hospital at Ft. Monroe. Mr. and Mrs. Bevel reside at Hampton, Va. and he is stationed at the U.S. Army base

near there.

Mr. and Mrs. Jim Ryan and his sister, Mrs. Lenora Green, Clovis, N.M., visited here Friday night and Saturday with her mother, Mrs. E.M. Sullivan and her sister and husband, Mr. and Mrs. A.H. Scivally.

Mr. and Mrs. R.L. Mayfield, Lamesa, visited Sunday with Mr. and Mrs. Glen Blackmon and Janey.

Mrs. Peggy Woods and Trish and a friend, Clovis, N.M., visited Sunday with her mother, Mrs. R.W. Stanfield. Trish remained for a longer visit with her grandmother.

Mrs. Glenn Blackmon spent Saturday with her mother, Mrs. Katy Brown, Shallowater.

Mrs. George Harlan returned

home last week from Atlanta, Ga. after attending the wedding of her son Kenneth and Miss Jane Torrance.

Norma Kay Singer, Hart, visited here over the weekend with friends and was a visitor at the Fieldton Baptist Church at the morning service. Her parents, Mr. and Mrs. Norman Singer and Randy, Hart, had been called to Brownwood to be with his father, Bill Singer, who had had surgery. The Singers are former Fieldton residents.

Mr. and Mrs. Alton Lawson, Levelland, visited here Thursday with their daughter and family, Mr. and Mrs. Joe Harrell and two sons.

Mr. and Mrs. Glen Blackmon made a business trip to Lamesa, Monday.

Mr. and Mrs. J.C. Muller, their daughter, Mrs. Gerry Langford and Kathy left Saturday for Temple. Mrs. Muller was to have a checkup at the Scott-White Clinic for surgery she had undergone there. They were to take Kathy to visit Six

Flags Over Texas.

Supper guests recently and Mrs. Bud Thomas and brother and wife, Mr. and Mrs. Frank Pannell, Herdler, Mr. and Mrs. Joel Thomas County Line.

# Webb Families Attend Reunion in Idalou

Mrs. T.L. Webb and D. Webb attended the reunion that was held in the Clubhouse Sunday, Aug. 16. Thirty five attendees from Post, Tuscola, Friona, Amarillo, Lubbock, and Idalou.

Mrs. Ida Moore, Lubbock, visited recently in the home of her sister, Mr. and Mrs. Tom Ham.

Rev. and Mrs. Darvey Lavender, Terri and Darvey D. returned home Sunday from a two weeks vacation spent at Rockport, Corpus Christi and San Antonio. On their return home they visited relatives at Tahoka.

Mrs. Dora Riddle returned home Sunday after spending several weeks visiting relatives at Muleshoe.

Mr. and Mrs. Bob Riddle and Sharon, Hobbs, N.M. spent the weekend with Mrs. O.J. Thornley.

Mrs. D.A. Ivy was able to return home Saturday after spending a week in the hospital at Muleshoe.

Mr. and Mrs. Ray Terrell, Muleshoe, spent the weekend with her aunt and uncle, Mr. and Mrs. M.M. McReynolds.

Mrs. Eva Dee Wright had as her guest Sunday her cousins, Mrs. Lois Cox and Mrs. Jorga George, both of Lubbock.

Mrs. Jim Parker and six of her children and their families met at the home of the Bob Parkers at Halfway Sunday for a reunion. Children present were Mr. and Mrs. Arthur Parker, Muleshoe; Mr. and Mrs. Roy Sheppard, Snyder; Mr. and Mrs. Orval Hughlett and son, Floyd, N.M.; Mr. and Mrs. Calvin Phillips and Merel, Welch; Mr. and Mrs. Monroe Parker and Timmy, Anton.

Others present were Robert Parker, Odessa and Mr. and Mrs. Frank Parker and children, Muleshoe.

Mr. and Mrs. Jimmy Parker, Brenda and Craig, Des Moines, Iowa visited his grandmother, Mrs. Jim Parker last week.

Mr. and Mrs. Milton Stapp

and son and daughter, formerly of Haskell, have moved to Anton to make their home. He is employed as night watchman at Anton.

Mr. and Mrs. T.C. Talkington went to Fort Worth Tuesday after receiving word his father had suffered a heart attack. Mr. Talkington returned home Friday. Mrs. Talkington remained for a few days.

Mrs. A.L. Bell and Fredda Margaret spent several days in Lubbock this week with her aunt, Mrs. E.B. Speck who had eye surgery in West Texas Hospital.

J.M. Cox, Levelland, and Johnnie Cox, Monahans, visited in the Jackson and Belcher homes Wednesday.

Rev. and Mrs. Joe Pendleton and Jerry Wayne Parker are attending the Baptist National Encampment at Laphen Springs near Waco this week. Visiting with Mr. and Mrs. F.E. Bourlan and Mrs. O.A. Matthews this week were Mrs. Al-

bins Saffell, New Branches, Mr. and Mrs. A.A. Frisnel, Odessa and Mrs. Hilda Grausunder, Brownfield.

Mr. and Mrs. J.T. Weatherly visited her sister, Mrs. C.E. Canwell at Lawton, Okla. this weekend. Mrs. Canwell is critically ill.

Mr. and Mrs. J.P. Parker returned home Wednesday after visiting several days with her sister and brother-in-law, Mr. and Mrs. W.T. Anders at Pine Bluff, Ark. They also visited their son and family, Mr. and Mrs. Merle Parker and children in Mineola.

Monte Dennis visited his daughter in Charleston, Ark. this week.

Mrs. Eva Dee Wright, her daughter and family, Mr. and Mrs. Charles Hawkes, Tommy and Charles Dee, Arlington, and her son and family, Mr. and Mrs. Jess Wright and Elaine, Lubbock, returned home Wednesday from a week vacation at Red River.

# Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

AUSTIN—A blister could well be called the modern version of the mythical Achilles heel.

Much as Achilles—the Greek ideal of youth, strength, beauty, and valor was fatally wounded by an arrow piercing his vulnerable heel, a tiny blister can spoil a game of golf or tennis or even a whole vacation.

The blister merits closer attention than we usually grant it. And the admonitions which apply to our athletes also are sound tips for the millions of weekend and vacation athletes.

A blister is caused by pressure and friction on a localized area of the skin. Fluid collects between the inner and outer layers of skin. If pressure is continued, it hurts. Even if no infection follows, the pain can cause a limp that isn't much fun for the golfer or hiker, and it can upset the customary grip on a tennis racket, golf club, oar or canoe paddle.

The best approach to blisters, as to disease, is prevention.

Proper fitting shoes are fundamental. There should be room beyond the big toe, room across the top, fitting of the ball of the foot into the widest part of the shoe with no slipping of the heel.

Wearing two pairs of socks, a lightweight pair under sweat socks, is recommended for athletics. Hands can be protected by taping or by special sports gloves.

A decision on whether or not to puncture a blister is based on location, size, and inflammation. If there are signs of inflammation or irritation, medical attention is indicated. Sometimes it is advisable to puncture a blister before it breaks from friction. Wash the area with soap and water and sterilize with alcohol. The puncture is made with a sharp needle held in a forceps (small pliers) and sterilized in a flame. The puncture is made at the side of the blister and the outer skin layer is left in

# Southwest Barrow Show at Lubbock

The annual Southwestern Barrow Show will be held at the Panhandle South Plains Fair Grounds, Lubbock, Aug. 20-22. The Lubbock Chamber of Commerce will co-sponsor the show with the Southwest Barrow Show Association. Animals will be shown to the public on August 21, with the sale scheduled for Saturday, August 22, at 10 a.m. Awards, in the form of engraved silver plaques and ribbons, will be made by J. D. Hustedler, Chairman of the Chamber Agriculture Committee to winners in the barrow, carcass barrow and breeding swine divisions.

Attention to cleanliness in dealing with blisters cannot be overstressed. Infected blisters require prompt medical attention, as do the occasional blisters from severe sunburn or other burn cases.

But with proper prevention and forethought you can keep your "Achilles heel" from spoiling your fun or vacation. (A weekly feature from the Office of Public Health Education, Texas State Department of Health.)

## Changes Will Mark Bula School Year

On Monday, August 31, Bula School will open with a community-wide program, following a scheduled community vacation period from August 23 - 30. Buses will run, lunches will be served and school will hold until 4 p.m.

At 7 p.m., the Muleshoe Chamber of Commerce will sponsor a school board, teacher appreciation dinner in the school cafeteria to which wives will be invited. About 54 people are expected.

Change will be the mark of the Bula School program this year. Marion J. McDaniel, superintendent at Pep the past eight years, succeeded former superintendent Guinn W. Casey.

McDaniel, who holds a B.A. from Howard Payne University, an M.A. from Hardin-Simmons University, and who has taken post-graduate courses at Hardin-Simmons and South Plains College, taught English at Bula from 1951 to 1955. He has five children and will have two in South Plains College this fall.

Miss Lavy Chambers, a transfer from Cisco Junior College, graduated from Texas Tech in May with a major in elementary education. Miss Chambers, who hails from a long line of Texas teachers, will begin work on her master's degree at Tech. She will teach 1st and 2nd.

Mrs. Brownie Ballard, a widow and mother of five, will teach for the first time since graduating from Tech in 1950. She will head the high school math department.

Major changes have been made in scheduling to promote interest in the academic program. Tax collection will be moved from the county office to the school to insure a good collection program.

Members of the faculty are Mrs. Willie Lee Nettles, who will teach 3rd and 4th; Zoy Risinger, 5th and 6th; W.C. Risinger, 7th; Terry Blake, who received his M.A. from Eastern New Mexico this summer; English; Charlie Fincher, science; Ruby Reid, social science; and Marion J. McDaniel,

MARION J. McDANIEL

half-time teacher and head of the commercial department.

J.F. Lands, Jr., and Jeanette Young will work again in the Bula - Pep Cooperative vocational programs.

Bula will continue as a pilot school in the Texas Small Schools Program. Team teaching, team learning, programmed learning, and multiple classes are some phases of the Project. The school aide, who will relieve teachers of trifling routine matters so that they can teach in the classroom, and the teacher in-service training program in curriculum guides are major phases of the Project.

Legal holidays will be November 26 and 27 at Thanksgiving, March 5 for T.S.T.A. Convention, and March 26 through 29 at Easter. School will dismiss after classes on Wednesday, December 23, and resume on Monday, January 4 for Christmas and New Year's. Baccalaureate will be May 16 and commencement May 21.

Charlie Fincher will lead his 8 man football team on the field for practice on Monday, August 17. W.C. Risinger will coach girls' athletics and serve as head teacher.

## Change Proposed In Beef Grades

COLLEGE STATION—A revision of U. S. quality standards for beef has been proposed by the U. S. Department of Agriculture in line with recent recommendations of the National Advisory Committee on cattle and several state and national cattlemen's organizations.

De-emphasis of maturity as a grading factor in young beef is the major proposed change, says Frank A. Orts, Extension specialist at Texas A & M University.

This revision would result in some reduction of marbling requirements for prime, choice, good and standard grades and would reduce the number of maturity classifications in these grades from three to two, Orts points out. It would also eliminate the two marbling degrees in excess of that now classified as "abundant" in determining quality grade.

The other revision, he said, is that all carcasses must be ribbed to be graded; that is, the hindquarter and forequarter must be separated between the 12th and 13th rib so the ribeye is visible to the grader.

Although beef palatability tends to increase with age, increased marbling tends to enhance palatability. Thus, says Orts, grade standards require increasing amounts of marbling to compensate for increasing maturity.

Recent research has indicated that additional marbling required to offset increased maturity in cattle under 30 months of age has been over-emphasized, the specialist says. The new proposal would reduce by one degree the marbling required in choice grade beef carcasses from animals 28 to 30 months old.

The USDA states the revision will simplify application of grading standards and grading of only ribbed carcasses would make the nationwide grading service more accurate and uniform.

Interested persons are invited to submit written comments and views on the proposal to the Hearing Clerk, USDA, Washington, D. C., says Orts.

## A GIFTED CHILD NEEDS SPECIAL OPPORTUNITIES

Too often the gifted child is taken for granted — allowed to make out on his own, and frequently dissipate his unusual capabilities. They are more often than not limited to a school program which is geared to the average child.

With over-crowding being the rule in today's classroom, and with economic factors preventing our giving the gifted youngster his academic due, the burden is increasingly on his parents. It is up to parents, therefore, to create the climate, intellectual, spiritual and otherwise, in which he can flourish.

Frightening? Don't let it be. You'll find it one of the most rewarding things you have ever done.

If you are not "gifted" naturally, you can develop the qualities to bring out the best in your child. (Doting aunts and uncles, fond friends, foster-parents — all are invited to check these pointers):

Do you know when to draw the line on "encouraging" so that it does not become distorted into "pushing"?

Do you talk to your child, and not at him, or down to him? (Often we grown-ups tend to show our uneasiness this way, especially with a precocious child).

Are you clever about directing his activities?

Are you honest with him, particularly in regard to his work? Do you avoid being over-critical — and the other extreme, too matter-of-fact?

Do you encourage him to

make friends, even by the trial-and-error method?

Do you respond to the challenge of being his parent (or guardian) and let him know it, by your enthusiasm?

Are you willing to take the time, the energy, as well as the money, to provide him with creative materials, the right tools, etc.?

Do you encourage your child to pace his own energies productively, to be a self-starter, to learn to depend on his own resources?

Do you require discipline from him, consideration for others' needs and wants?

Do you temper any impulse to expect too much of him?

Do you always remember he needs love, understanding, fun and all the other things as much, if not more than, his contemporaries?

Are you particularly careful in setting a good example for him?

Do you trust him to evaluate experiences of life, even his young life, without trying to influence him one way or another?

Do you try to stretch your own intellectual horizons, to keep up with him as he develops?

Do you give him as many reasons to love him as you possibly can?

Do you protect him from your desire to "show him off"?

Do you teach him to respect the abilities and the points-of-view of others?

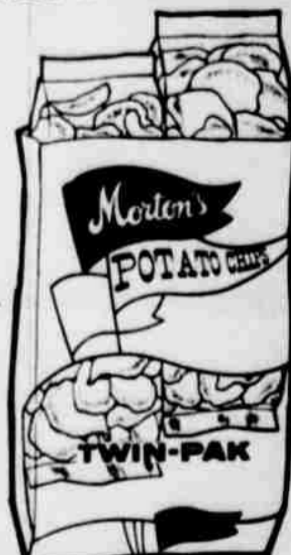

Do you see that he has enough privacy, a place to think things out, to loaf, to dream, to work?

## Major Causes of Nation's Flunk-outs and Drop-outs

How can you estimate that your child will successfully graduate from the 12th grade without dropping out or flunking out? If recent drop-out and flunk-out studies are any indication, a student in the 5th grade has only 2 out of 3 chances to get to high school and get his diploma. A harsh reality is the fact that children are leaving school at an appalling rate of one million per year, thereby cutting off their chance for a better job, cutting their lifetime income potential severely and increasing the threat of unemployment. Because of these facts every attention should be given to a stronger drop-out prevention program.

As compared to a drop-out's typical flunk-out student's causes are varied and complex; his academic failure can be turned into a pattern that is frequent and apparent. Though a flunk-out student's ability to succeed is rated as higher, more and more flunk-out students fail to survive because of immaturity, family pressure and social distractions. But simple cases of flunk-outs due to a physical or financial failure are few. For in time, as he realizes a need for greater successful achievement, the flunk-out student will return to school with confidence and subsequent desire to continue on the path to eventual academic success and personal fulfillment.

There are "warning signals" a parent should be alert to, from early grades on up. A typical drop-out student is retarded in his reading and math studies. He is so far behind in these two subjects, no matter how hard he may try, he can't keep up with high school assignments. He might also be failing one or more subjects. Therefore, by the time he reaches the age of 16, his academic problems mount, and he sees no easy escape from this constant failure but to drop-out of school.

His basic problem didn't develop just at the high school level. It should have been apparent in his 2nd or 3rd grades. If reading or arithmetic difficulties occur, the sooner you get help for him, the less chance of his dropping out of school later. A drop-out isn't inclined toward athletics or extra-curricular affairs. Socially, too, he feels inadequate. He lacks the interest which so readily ties young people to their school and class-mates with loyalty and enthusiasm. Thus dwindle the chances of earning success and status for himself. There's much parents can do to develop youngsters' social fitness and athletic skills, encourage hobbies and other interests while he is still

in elementary school. A dad who passes a football to his son for backyard fun and a mom who greets his friends with a cheerful smile and cookies and milk, are already smoothing the path into high school completion.

A drop-out has no real goal or purpose in life. He sees no connection between his future life and what he's doing in school. He has no real idea of what he wants out of life except perhaps a car and pocket money. There is much a parent can do to help his child look toward the future, without falling into the trap of dictating his future. From the 1st grade on, parents should encourage by pointing his achievements

at school and how they can affect his future success. A drop-out's parents, as a rule, don't fully realize the value of an education, for a large majority failed to complete high school themselves; many go only as far as the 6th grade. Typically, a child's attendance at school or what he accomplishes there is frequently considered unimportant.

There is much you, as a responsible parent, can do to help your youngster understand the value of an education. Send him off fresh and neat-looking every morning so he can feel at ease with his contemporaries. Encourage him to talk about his school day; participate in school-parent groups; treat his

accomplishments and his problems with attentiveness. Discuss types of jobs and how he should best prepare for them; insist that his home work be done before watching TV or engaging in other recreation.

## 2 Play in Childress Grid Game

George Jones, son of Mr. and Owen Jones, played in the belt football game at Childress Saturday. George was named a trophy for playing ending back for the East Clyde Galloway, son of Mr. and Mrs. Cecil Galloway in the same game on the team. About thirty Olton-attended this game.

Mr. and Mrs. Earl Smith Lubbock were honored on the 22 wedding anniversary a dinner in the home of parents, Mr. and Mrs. Jack H. Sunday. Others attending the dinner were Mr. and Bill Irby and daughter of Clovis, N.M., Mr. and D.M. Granbery of Kress, Mr. and Mrs. Roy Granbery, and Mrs. Witt Laceywell vacationing at Lake City.

Mr. and Mrs. Jack Thomas returned last weekend from a vacation at Lake City, Colo. Mr. and Mrs. Eull Gunter and children, Mr. and Mrs. Wayne Carson, and Mrs. Gerald Allcorn attended the funeral for a cousin, Jim Gollahan at Shawnee, Okla., Thursday.

Mrs. Don Shepard and two children of Odessa visited in the home of her parents, Mr. and Mrs. Harry Ford, last week.

Mrs. C. J. Dorris and daughter Cheri visited relatives in Houston last week.

Mr. and Mrs. Dee Wilks, Lubbock, D'lyle, Teresa and Nann, children of Mr. and Mrs. Dewyne Wilks vacationed at Carlsbad and Ruidosa, N.M. last week.

Mrs. Ruby Smith and grandson of Portales visited relatives in Dallas, last week.

Mr. and Mrs. George Smith of Sanger visited in the homes of Mr. and Mrs. Jess Parker, Mr. and Mrs. Tom Smith and Mr. and Mrs. W. B. Smith, Jr. Wednesday and Thursday.

Mrs. H. B. Maxey, Sr., returned home Wednesday from the Plainview Hospital and Clinic, where she underwent back surgery.

Mr. and Mrs. Bill Dickenson, Sr. vacationed last week at Coles, N.M.

Mr. and Mrs. W. T. Hall Sr. attended funeral services at Davis, Okla., recently for her brother-in-law, M. J. James.

Mrs. Harvey Castleberry is undergoing tests in Rotan Hospital.

Mr. and Mrs. Douglas Owen and children of Pantex visited in the home of her parents, Mr. and Mrs. C. M. Owen, last week end.

Mr. and Mrs. Ed Hestand have moved to Prairie Grove, Ark. to make their home.

Mr. and Mrs. Frank Struve and Mr. and Mrs. Tom Smith attended the Fuchs family reunion at Plainview Park Sunday. There were approximately 105 present from Oklahoma, New

Mexico, and points in Texas. The young ladies of the MYF group of the First Methodist Church honored Miss Judy Thomas with a lingerie shower Monday evening in the home of Mrs. Frank Struve.

Mr. and Mrs. Tommy Wilson announce the arrival of an 8 pound son, Douglas Eugene who was born last week in Community Hospital and Clinic, Olton.

Mrs. Faye Granbery, Mr. and Mrs. Bonnie J. Bardett of Austin and Mrs. H. K. Rogers, Jr. and sons Bart and Bonnie of Dover, Del. were guests in the Jim Fuller and J. T. Gibson homes a few days last week.

Mrs. Cecil Staines of Rapid City, South Dakota visited in the home of her sister and brother-in-law, Mr. and Mrs. H. B. Maxey, Jr., two days last week. Topper Maxey returned home with his aunt.

Rev. and Mrs. Cecil Hardaway and daughters returned home last week from a two

weeks vacation in Arkansas and Georgia.

The machinery from Jim Williams potato shed has been moved to Seminole to harvest the potato crop there.

Mr. and Mrs. J. L. Snider and children visited relatives in Amarillo Sunday.

Trust Sides and son, Danny and Jimmy Williams left Wednesday for a fishing trip to Lake Texoma.

L. S. Kennedy of Lubbock celebrated his 90 birthday at the home of his daughter and son-in-law, Mr. and Mrs. Bill Yates Wednesday.

Mrs. J. Roy Carder visited relatives in Portales, N.M. Sunday.

Mrs. Church Edgins, mother of Mrs. Alpha Walling, is receiving treatment for a heart condition at Olton Community Hospital.

David heard a woman scream as he was walking home. Upon investigation he found Pete PUNCHER beating a woman. The woman, who was Pete's wife, was bleeding badly.

David immediately separated the parties, wrestled Pete to the ground, and held him there while a friend called the police. In the struggle David's clothes were badly torn.

Later David sued Pete for the damage to his clothes which were torn in the struggle.

"Who does he think he is?" asked Pete. "This guy comes in and starts fighting me while I'm having a discussion with my wife, and now he has the gall to sue me for his clothes that got torn. He had no business butting into our family discussion."

"It looked to me as if he was going to kill that woman," said David. "All I did was try to stop a fight. Besides I didn't hurt him. I just held him until the police got there."

Does David have the right to make Pete pay for his clothing in this case?

Yes, said a New York court in a recent decision. The court, quoting Justice Cardozo, stated that danger invites rescue. The cry of distress is the summons to relief. The law does not ignore these reactions of the mind in tracing conduct to its consequences. It recognizes them as normal. The wrong that imperils life is not only a wrong to the imperiled victim, it is also a wrong to his rescuer. The risk of rescue, if only it

be not wanton, is born of the occasion.

In this case David committed no crime. His actions were nothing more than could be expected from a reasonable person under the circumstances. No public interest can be served by a rule which would deter one person from coming to the aid of a fellow citizen who is in imminent danger of personal injury at the hands of assailants.

David won the case. (Based upon a recent New York court decision.)

(This newsfeature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

# Reeds Move to Lubbock

Mr. and Mrs. Ronald Reed have moved to Lubbock to make their home. Mrs. Reed will be a member of the Lubbock faculty.

## School Savings Teach Thrift

Each year, at least 5,654,220 Americans place a total of over \$209,206,140 in savings accounts. Although the figures in themselves are not particularly news worthy, what is of interest is the fact that these depositors are all students of public and parochial schools. They are part of the school savings banking programs conducted by over 800 banks throughout the country, in cooperation with educators, aimed at teaching the importance of thrift to boys and girls.

Often these school savings accounts are converted into regular savings when balances reach a certain total — recently, \$27,386,233 in school savings were transferred to regular savings accounts in one year.

Most banks do not earn a profit on these savings but consider them an important part of their community relations, for in a few years, the youngsters who have school savings accounts will be adults and customers for regular banking services.

Always wear glasses when driving if you need them. Be sure that your car mirror or mirrors give you as full rear view vision as possible. If the mirrors are inadequate for this purpose, replace them.

Plaids and pleats are taking classroom honors with school belles this fall. Smart team-mates are abbreviated tops and matching skirts in easy care fabrics.

ty and Reed will attend Texas Tech and do part-time teaching at Lubbock Christian College. Reed has been a member of the Whitharral faculty for the past four years and Mrs. Reed the past year.

Mrs. John Dukatnik and children are home from a month's visit in Philadelphia, Pa. with her father and other relatives. They visited Niagara Falls, points in Canada and Maine.

Mr. and Mrs. Mervyn Peifrey and children of Norman, Okla., have moved to the farm house east of R.E. Watson's.

Mrs. John L. Burnett and Mrs. Oma Burnett and their guests, Mrs. Ira Warren and Butch of Tucson, Ariz. spent Wednesday with Mr. and Mrs. John Paul Jones and Allen at Bovina. The Warrens left Thursday for Tucson.

Mr. and Mrs. Roger Hagan and children of Falls have moved to the W.J. Collier house west of town. Hagan has leased the Doshier garage here.

Mr. and Mrs. Bob Ward and Donna of Abilene spent the past week here with her parents, Mr. and Mrs. Tom Burris and Gayle and other relatives.

Johnny Tipton has returned from Huntsville where he was one of the nine Hockley County youths who attended a training conference on American Heritage and the communist threat at Sam Houston State College.

Mr. and Mrs. Hunter and children of Three Way have moved into the house recently vacated by the Adams' who moved to Wylie. Hunter is one of the school custodians.

Mr. and Mrs. Noble Moore of Odessa spent the weekend here with his mother, Mrs. Martin Moore. Mr. and Mrs. Dewey Harrington of Elmore City, Okla. visited in the Moore home Sunday. Mrs. Moore accompanied

them to Blanding, Utah for a week's visit.

Mr. and Mrs. Hub Spraberry attended the Spraberry reunion at Mackenzie Park in Lubbock Sunday. The Spraberrys returned recently from a three weeks stay with their son, Capt. and Mrs. Hubert Spraberry, Sylvia Suzanne and James at Minot, N.D. They visited points in Canada while they were away.

Mrs. Oma Burnett and Mrs. John L. Burnett attended the 25th wedding anniversary of Mr. and Mrs. W.J. Presley of Lovington, N.M. at the home of their son, Mr. and Mrs. Ronnie Presley in Muleshoe. Mrs. W.J. Presley is the foster daughter of Mrs. Oma Burnett.

Mr. and Mrs. E.E. Hayes, Karen, James and Gary and Mrs. Elva T. Crank and Richard Crank visited Mr. and Mrs. B.J. Thomson, Ronny and Randy at Shallowater Sunday afternoon. Thomson is new high school principal there. The Cranks went on to Lubbock and visited Mrs. Crank's stepmother, Mrs. Mary L. Thompson there.

Mrs. Aubrey Webb, Brent, Roger and Nancy of Anton visited her sister, Mrs. Jack Gage, Sandra, Terry and Scott here Monday.

Mr. and Mrs. Homer Theford of Tulsa, Okla. spent Monday night with his cousin, Mr. and Mrs. D.C. Theford and C.E. They had attended the Theford reunion at Gatesville and were enroute to Denver, Colo.

Mr. and Mrs. Henry Womack, Shannon, Kelly, Noralee and Rae are visiting at Matador this week.

Mr. and Mrs. V.D. Hodges attended the funeral of a cousin in Plainview Tuesday afternoon.

Family night was observed Friday evening at the Lions Club Building by the Whitharral Demonstration Club. "42" was enjoyed. Homemade ice cream and cake were served to Mr. and Mrs. John Waters, Mr. and Mrs. D.C. Theford and C.E. and Mmes. L.C. Lewis, Alma Kilgore and Eula Fyke.

# Safety, like Charity, Begins at Home

With the advent of school, parents should re-evaluate safety and health habits in the home. Though they are rightfully stressed in school, these very important subjects should not be the concern of the classroom, alone.

A few extra minutes spent in advising children in a casual, non-alarming manner at home may lead to the prevention of innumerable accidents and sicknesses. By acquainting children with the ordinary, common-sense aspects of fire prevention, safety in sports, and first aid, parents not only can instill awareness of problems, but develop intelligent attitudes and practices concerning these subjects, to use for a lifetime.

There are many occasions throughout the year that call attention dramatically to realistic fire safety problems . . . Hallowe'en hazards, Christmas trees, and fireworks. A screaming fire engine siren or a destructive fire in the neighborhood can lead the parent and child to an examination of fire prevention problems on a personal level.

Though many accidents involve fire, parents should go to considerable effort in teaching their children safety in sports. Teaching them to swim properly may take only a few weeks, but it is also a matter of life and death. It is one thing every parent should insist on his child learning. A swimming pool is one of the most dangerous places a child can be.

A direct or immediate approach should be considered not only in teaching safety in sports, but in teaching children safety in the home. Children should be shown combustible materials and warned of their flammable nature. Simple home safety rules should be given too, such as "Use flashlights to find gas leaks, disconnect appliances not in use, never run wiring under rugs, and don't use worn electric cords". Emphasize the danger of standing on chairs, running out in the street without first looking, care with barbed wire and innumerable other ordinary domestic situations. A list of rules for the home can be hung in an accessible place. Maybe a bulletin board organized by the children and exhibited in their room could help to make the family safety conscious.

And, of course, parents should be constantly aware of leaving poisonous or dangerous articles within a child's reach. In rural areas, especially, death lurks in old, discarded ice-boxes.

With the opening of the school year, health and safety should be major factors in family life. Carelessness in duty, unawareness of potential dangers can cause a multitude of problems. Parents must realize that tragedy doesn't always happen in some other family. "It can happen here". By developing healthy attitudes and practices, parents can contribute greatly to their children's well-being.

# How To Handle Your Emotions As A Maturing Young Adult

Emotions can be good, powerful and beautiful, or they can be destructive. Learning how to direct and control them is a continuing process.

With free, self-motivated human beings there will always be contests between doing what we feel like doing and what our reason judges as best.

Emotional control helps us enjoy our rights with pleasure, and prevents us from distorting our freedom. The misuse of freedom causes misery in ourselves and others.

Since, in many cases, emotions are the result of conscious thoughts, it is good common sense to direct and control our thinking.

You might try approaching your mind as a kind of marvelous picture screen. Through your will power you can put any idea or picture there you choose when you have strong control.

For example, suppose you are attempting to study but find your imagination is working overtime with distractions. By winning the battle of control, you strengthen your will and make yourself stronger for bigger achievements ahead. If the screen won't follow your orders, don't become hysterical

and give up. Pick yourself up and keep trying. Persistence is one of the great factors in all success. And remember, you are responsible only for what you deliberately will to be in your mind.

Setting goals for yourself is helpful. Imagine yourself as getting your homework done in first class form. Making a daily sacrifice by accomplishing something you are not required to do, or denying yourself some right, can strengthen and mature you. Then when a challenge comes at home, school, work or socially, you have greater motivational and brake power to control and direct yourself.

By treating your wonderful mind something like a computer with will power for its energy, you will gain new maturity. Seek to feed your intellect truth. Program the good, the strong, and the beautiful into it. As the year progresses you will find new adult control in yourself. Your life will be happier and more meaningful because of your sincere efforts.

# It's A Man's Job To School Fido Ways Of Safety

It's hard for your pet to understand why you must desert him every morning to go to school in the bus or car, sometimes to school. It's up to you to Fido that chasing cars is a dangerous habit.

According to Bob Manager of the Fido Search Center, vehicles are the greatest cause of dog and injuries. Seeing his off causes Fido to run down a busy highway. You value your pet, one way to keep him from vehicles is to confine him.

Here are three more ways keeping him alive longer.

1. Teach him the basics of his home; correct his strays.
2. (Requires cash but save Fido). Either fence your yard or build a fenced-in area.
3. Keep him as a house pet and walk with him on a leash.

## LOAFERS that took a tip on FASHION

These from the beginning were designed to be loafers, but they took a tip from fashion and acquired an outstanding refinement — hand stitched front seams. Now these loafers need to be put in their place. That's in your Shoe Collection.

# IF WE HAD NO TEACHERS

## IF WE HAD NO TEACHERS

*Our children could not learn to read or write..... they could not benefit from history...the experience of mankind through centuries.*

## IF WE HAD NO TEACHERS

*Our children would live in a world of ignorance and misunderstanding. The people of the world would exist in intellectual darkness... a darkness shrouding the present.... preventing a brighter tomorrow.*

## IF WE HAD NO TEACHERS

*Our children would not enjoy the great literature of the world's writers...the music of the composers... the art forms created by it's artist.*

## IF WE HAD NO TEACHERS

*Our children would not enjoy the thousands of scientific and medical discoveries that have brought civilization to its highest point of perfection.*

## FOR ALL THAT MAN HAS ACCOMPLISHED

IN THE YEARS SINCE THE BEGINNING OF TIME. . . HE HAS ACCOMPLISHED THROUGH THE BASIC OF KNOWLEDGE PROVIDED BY OTHERS... THE TEACHERS OF THE PAST AND PRESENT.
