## ON CALLED \$50,000 CITY LAND PAVING

Calling for an election of \$10,000 bonds for paving and \$50,000 for erecting a City Hall in Littlefield is being published in the Leader this week. All citizens are urged to carefully read these

understand the \$10,000 is to be used for paving that will act as a retaining wall and to obtain funds for this kind. The \$50,000 is for a Municipal building to be located on the corner of the public park square and the end of Main street. Plans are being made for erecting a City Hall, basement and two stories high, for mayor, city clerk, assessor and collector, city engineer, police department, etc. There is to be a large room for public use, section set apart for the police department and a four story building will contain a modern in every respect of seating 2,000 people.

## CHES RAIN SOUTH PLAINS DURING MAY

Friday of last week, 2.10 inches, which with the week previous brings the total for the month of 6.60 inches. This on account of the heavy rain, was in a bad way, and in most instances will result in a normal crop. Farmers say the season is all that could be expected perhaps better at this time before in the history of the state.

had planted previous to this will be compelled to re-plant. There is plenty of time for all spring crops to bring normal periods.

of last week was general West Texas, heavier in plains country, and grading off in the North Panhandle.

good crops of last year and excellent prospects for this year are outlook for the South is indeed optimistic.

## IZE BAND FRIDAY

Littlefield Chamber of Commerce, Monte Bowron, director, organized at a meeting at the usual place of practice, Christian church, Friday afternoon, beginning promptly at 8 o'clock.

Mr. Bowron, who has been employed by the Chamber of Commerce for many years experience in all the old and experienced who are not now playing, members of the present band to become members to be organized is to be held Friday night, at which time arrangements is to be completed.

## MUSIC RECITAL

Shaw, Lubbock, who has been in Littlefield, prepared in a recital Tuesday afternoon in the High school auditorium consisting of piano solos, vocal numbers.

## ension Chief

Earl D. Church was re-appointed Commissioner of the United States by Herbert Hoover.

## SET DATE FOR W. T. C. C.

The annual meeting of West Texas Chamber of Commerce deferred from a date in May has now been set to be held in El Paso, July 2, 3 and 4, according to decision of the executive committee last week.

It is understood that President Gil of Mexico, will either come to El Paso or be at Juarez, on the border during the meeting, and it is hoped to have President Herbert Hoover present at that time.

## BLED SOE PLANS A BIG BARBECUE AND PICNIC JULY 12-13

Bledsoe, May 21.—Plans are being made for a big two-day picnic and barbecue to be held here on July 12 and 13. This is to be a celebration of the fourth anniversary of the founding of the town. Bledsoe town-site having been opened July 12, 1925. Several ranchmen have already offered to donate beefs for the occasion. Invitations are extended to all towns and communities of West Texas and Eastern New Mexico to meet here with us on the above dates. Plans are being made for securing prominent speakers, good music, big-time bronco-riding, steer riding and roping in true western style, plenty of good chuck for everybody, and dancing at night. Many people believe that all the real cowboys are gone, and the spirit of the old West is dead. When they come to Bledsoe they will see how wrong they are. There are hundreds of real cowboys in the border counties of Texas and Eastern New Mexico, not the drug-store nor movie variety, but the real thing.

Bledsoe is 75 miles due west of Lubbock at the terminus of the Bledsoe Branch of the Santa Fe, and on a highway that is almost an airline from Lubbock. It is about 45 miles south of Littlefield.

## LFD. SCHOOLS GET FULL AFFILIATION WITH STATE DEPT'

Littlefield public schools, with her present curriculum, now has complete affiliation with the State Department of Education, according to a letter just received by Superintendent B. M. Harrison, of the local schools.

This letter states the granting of one more credit in English, the fourth unit, and is signed by A. M. Blackman chief supervisor of high schools.

This gives the Littlefield schools a total of 30 credits of affiliation, 14 1/2 of which have been received in the past three years and during the superintendency of Superintendent Harrison.

"Littlefield has always been proud of her public schools," remarked Arthur P. Duggan, of the School Board, "and with this record of complete affiliation we have exceedingly greater reason for our pride." Mr. Duggan states that the general condition of the school and of the district is better than at any time in its past history, and the future will be yet better as the town and community continues its rapid development.

## BELLOMY ESTABLISHES NEW GRINDER ACROSS RY. TRACK

Last Saturday J. T. Bellomy threw the switch into a new feed grinding business established across the Santa Fe tracks on land formerly occupied by the Porcher lumber yard.

In a new building 32x48 feet, has been established a large J. B. Grinder hammer action, with a capacity of four tons of feed per hour. The business will be in charge of Mr. Bellomy's son, Quinton Bellomy.

## BAND CONCERT SUNDAY

Sunday, the 26th, on the front steps of the Baptist church, Conrad R. Lam, director, and the Littlefield Band, will give a concert to which all are invited attendance.

This will be Mr. Lam's last appearance as director of this band, as he is leaving about the first of next month for New Haven, Conn., where he will resume his studies in the medical department of Yale University.

Some men waste a lot of time wishing it were tomorrow.

## School Closing Dates Begin With Next Sun.

The Commencement exercises of the High school graduating class of the Littlefield High School will be Tuesday night May 28th at the high school auditorium. The following program will be given:

Invocation, Rev. Roy A. Kemp. Salutatory, Eric Dell Adams. Piano Solo, Geraldine Kirkpatrick. Valedictory, Rose Scheuer. Class Song. Class Address, Dean J. M. Gordon, of Tech. Presentation of Diplomas and Scholarships, Supt. B. M. Harrison. Benediction, Rev. Geo. E. Turrentine. Rev. Jack Lewis, Presbyterian minister, of Lubbock, will deliver the baccalaureate sermon, Sunday morning, May 26th. Special music is being prepared for this sermon.

## 666,000 BOYS AND GIRLS ENROLLED IN 4-H CLUBS

Boys and girls in 4-H clubs in Texas for 1928 numbered 47,000 more than the year previous, according to County Agent D. A. Adam.

In 1927 there were 619,712 boys and girls enrolled in club work in agriculture and home economics, and 399,107 of these completed the projects which they undertook. The advance figures for 1928 indicate an enrollment of more than 666,000, with 447,000 completing their work.

This substantial increase in enrollment, said Mr. Adam, is in line with the increases that have been made in club enrollment during the last several years due to the increasing interest manifest.

Club boys in Lamb county are now doing good work, said Mr. Adam, and he expects to be able to organize more 4-H clubs in the near future.

## MRS. ARNETT ENTERTAINS

The Luncheon club was entertained Saturday with Mrs. John H. Arnett as hostess. The rooms looked pretty with their decorations of roses and honeysuckle.

A three course luncheon consisting of fruit cocktail, mushrooms, veal loaf, Pittsburg potatoes, ginger ale salad, buttered asparagus, sweet dill pickles, hot rolls, iced tea, strawberries topped with whipped cream and angel food cake was served to the following members and guests: Mesdames P. W. Walker, Wm. J. Harris, Everett Whicker, Otha Key, Dick Johnson, J. W. Porcher, Jr., Chas. L. Harless and J. C. Hilburn.

Bridge was played during the afternoon. The three highest scores being made by Mesdames P. W. Walker, Dick Johnson and J. C. Hilburn.

## MEETING CALLED TO TALK ORGANIZATION BASEBALL

A meeting has been called, to be held in the Chamber of Commerce office, Friday evening, beginning at 8:00 o'clock to discuss the organization of a baseball league in this vicinity, to be known as the "Automobile League."

Towns interested in the organization are Ralls, Lubbock, Littlefield, Plainview and Hale Center. Everybody interested in baseball is invited to attend.

It is planned to conduct the circuit at a very minimum expense, playing two games each week in each of the four towns.

Meetings will be held in each of the other three towns this week, after which a meeting of all four towns will be called for final decision in the matter.

## AMICABLE LIFE CO. REPRESENTATIVES HAVE EYES OPENED

Officials of the Amicable Life Insurance Co., Waco, were in Littlefield Thursday of last week on an inspection tour of the South Plains country. Comprising the party were A. R. Wilson, president of the company; Dr. Lovelace, medical director; N. B. Williams, director; and Peeler Williams, manager of the loan and land department for this district.

For several of the party it was their first trip into this section of the state for several years past, and they were greatly surprised at the development which had taken place in this area during the past few years. "It far exceeds our expectations," said Dr. Lovelace, "and the spirit of enterprise that is manifest is astounding. Seems like every citizen is a booster for this section. I haven't heard a single knock since I have been in Lamb county."

The Amicable Co., have loans already placed in Lamb county totaling more than a quarter of a million dollars, the most of this business having been placed through their local agent, A. G. Hemphill. While here they made investigations of several new applications, and discussed the matter of increased valuations.

## WHEAT PROSPECTS GOOD

While the acreage planted to wheat in the Littlefield territory is not so great as that of last year, yet the recent rains have been a real boon to this growing crop, many farmers declaring they will have good returns this year.

## ROGERS vs. AMHERST

Rogers, New Mexico and Amherst played baseball at Amherst, Sunday. Rogers won by a score of 1-2.

## State Fair, at Dallas Set for October 12-27

Dates for the 43rd annual State Fair of Texas, held at Dallas, have been set for October 12 to 27, inclusive. The premium, one of the best ever offered, will soon be off the press for distribution.

Numerous new features will be in vogue this year. A \$10,000 band contest to be participated in by 150 bands will be held. Hagenbeck-Wallace circus and wild animal show will be there. W. T. Johnson, millionaire cattleman, will have charge of the rodeo. There will be a horse and style show, numerous auditorium attractions, the Morris and Castle shows, Lindy Loop and Dungeon Railroad—two entirely new features, and other interesting entertaining events.

A new livestock coliseum, with 100x168 feet show ring, and seating capacity for 6,000 spectators is now under construction, and there will be other new buildings added and several enlarged. Agricultural displays are expected from nearly 200 counties in the state.

## AGENTS AND BOYS MEET IN LUBBOCK, MAY 27-28

Between 125 and 150 farm boys from 12 South Plains counties are expected to be in Lubbock on Monday and Tuesday, May 27 and 28, in attendance at the annual spring training meet of 4-H clubs, which is held under the supervision of the United States extension service.

There will be 15 or 20 boys from each county, the county agents and counsellors being given as follows:

W. W. Evans, Dawson county; E. L. Tanner, Dickens; R. F. McFartridge, Gaines; Knox Parr, Garza; R. M. Milhollin, Hale; W. T. Magee, Hockley; D. A. Adam, Lamb; D. F. Eaton, Lubbock; R. E. Shaver, Lynn; C. B. Martin, Swisher, R. B. Davis, Terry, and W. O. Logan, Scurry.

## TOWN IN COUNTY OWES ONLY 16c IN DELINQUENT TAXES

Whitharral, which is in Hockley County about twelve miles north of Levelland, and which was designated as a town in 1926, has a record which we dare say cannot be duplicated in the State.

The Sheriff's office has just finished the work of tabulating the delinquent taxes for the entire County, and has discovered that for the three years it has been a townsite, it owes a total of only 16 cents in delinquent taxes. This speaks volumes for Hockley County as a prosperous county in general and for the public spirited citizenship of Whitharral in particular. —Levelland Herald.

It doesn't pay a man to be honest if he is honest only for pay.

## LFD. TEAM WINS AGAIN FROM THE HUBBERS, 11-8

The Littlefield Cats journeyed to Lubbock last Sunday afternoon to face the real Hubber team, composed of the best Lubbock has to offer in semi-professional base ball players.

With the addition of Herb. Mueller, Watson, Dick, Ratliff and Embert Mueller, the local team was greatly strengthened, and proved too much for the Hubbers, for the second time this year.

By hitting when hits meant runs, the Cats got to "Terrible Terry" in the first inning for four scores. Embert Mueller led off with a double to left, and scored when Mick Ratliff drove one through Waller at third for two bases. Dick Ratliff grounded to Jackson, who threw to Waller at third to get Mick. The throw got away and Ratliff scored. Hanks drew a walk, Al Mueller hit through Jackson, scoring Dick Ratliff, Mueller counted as Stone grounded to second, Herb. Mueller skied out to Marshall in left field, Art Mueller fanned.

The Hubbers came back in their half and counted three times. Halmark singled to right, Lineberger followed with a hit to right, Jackson hit to Mick Ratliff, who threw low to third, allowing the bases to be filled. Marshall hit to short and Halmark scored. DeWitt walked, forcing Luenberger across. Gaither struck out, and Waller forced DeWitt at second, Jackson scoring on the play. Hill struck out for the third out.

Littlefield failed to tally in the second, while Lubbock scored one to tie the count. Jackson doubled with Halmark on base.

Littlefield scored again in the third when a double by Al Mueller, a walk two-hit batsman and two singles registered four tallies. Lubbock's big inning came in the seventh when two hits, two free passes accounted for four scores. The score stood 9-8 after this round.

The Cats opened up again in the ninth, when Dick Ratliff flied out to center. Hanks got a base on balls, Al Mueller was safe on an error, Stone singled to left, scoring Hanks, and H. Mueller flied out to left. Art Mueller singled to center, scoring Al Mueller and Watson grounded out, ending the inning. The Hubbers were held scoreless in their half.

Embert Mueller led the hitting for the locals with three doubles, while Al Mueller got two. Dick Ratliff hit one over left field in the sixth with no one on the bases at the time.

Lubbock got six scattered hits from Al Mueller in the nine innings, while Littlefield connected with 12 safeties. The feature of the game was the heavy stick work of the Cats and hits when hits meant runs.

## Score by Innings

Lubbock ----- 310000400-8  
Littlefield ----- 404001002-11  
Ralls plays Littlefield here next Sunday. They boast of seven straight wins and no defeats. Everyone is urged to see this game. It will sure be snappy!

## THIRD GRADERS IN PLAY

"The Spring Festival," a play written by the pupils was given last Thursday afternoon in the High school auditorium by members of the third grade, public school, Mrs. W. G. Street, instructor.

Refreshments were served by the parents to those present, following the play.

## Coxey's Daughter

General Jacob S. Coxey, head of the famous "Coxey's Army" of the unemployed, with his daughter Patricia at New York theatrical offices where she signed a contract to appear in a Ziegfeld production. The noted "glorifier" noticed Patricia while the latter was backstage visiting a girl friend.

## FARM BUREAU NAME OFFICERS FOR THE NEXT YEAR IN MEET

All officials and department heads of the Texas Farm Bureau Cotton Association were unanimously re-elected for another year by the Board of Directors of the Association at their first meeting, held in Dallas last week, following the annual membership meeting. These elections include Lynn Stokes of Ballinger as president, O. F. Hartman, Tivoli, as vice president; Harry Williams of Dallas, secretary-treasurer and general manager; E. H. Linsteadler, assistant secretary and treasurer; L. O. Hosek, Homer Starke and Miss Birdie Meyer, as assistant secretaries; J. D. Coghlan, Ennis, director of field service; O. M. Lowry, director of publicity, and C. K. Bullard as attorney.

The selection of sales manager and assistant sales manager of the organization was left to the general manager as was done last year. Mr. Williams announced the re-appointment of W. W. Samson of Houston as sales manager and Jas. C. Cammock, of Dallas, as assistant sales manager.

The only change made in the officials of the organization was in the naming of an executive committee of five, which during the ensuing year will be composed of Lynn Stokes, Ed Brewster, Jr., Temple; C. A. Barron, Lamesa; Richard Wischkaemper, Shamrock, and R. E. Overstreet, of Lubbock. Mr. Barron and Mr. Wischkaemper are new members of the committee, and succeed M. S. Hudson of Hale Center and J. E. Montgomery, of Tynan.

In addition to the transaction of routine matters of the association and the formation of plans and policies for the ensuing year, which closely follow those of the past season, the Board discussed matters relative to the improvement of the quality of Texas cotton, terracing and soil erosion. W. W. Pitts of Wills Point, member of the board and former legislative representative of that body, discussed Farm Relief legislation. Regular meeting dates of the board decided upon as the second Tuesday in each month.

A number of member visitors were present during the meeting and expressed themselves as highly pleased and gratified over the progress and accomplishment of the cotton co-operative marketing program and stated

that the outlook for further substantial growth in their sections of the state was evident.

R. E. Overstreet, Lubbock, was retained as manager of district 18, and M. S. Hudson, Hale Center, manager of district 19. W. L. Hammock, Sudan, will continue to be manager of the Bureau in Lamb county, and J. T. Elms will have charge of the Lamb County Bureau for another year.

That the Texas Farm Bureau Cotton Association is stronger in the state than ever before is the statement of J. W. Hammock, Sudan, manager of the association for Lamb county. His statement is based upon results of the annual meeting held at Dallas last week.

"Since the organization was started," said Mr. Hammock, the members have delivered 1,372,164 bales of cotton and the association has returned to the members for this cotton \$133,754,866.14, and in my own judgment, co-operative marketing today is in the soundest position since its introduction into the South nine years ago. It is not hard for one to conceive what the price of cotton on the streets would be if the association was not in existence.

## GUMP WEDDING GIVEN HERE BY FACULTY AND STUDENTS

"The Zander-Gump Wedding," a play given by members of the faculty high school, grammar school and primary school Monday night, was a scream from start to finish, each character of the play representing a member of the comic section.

The members of the band were seated on the stage and furnished music as the characters came forward from the back of the auditorium.

Miss Avis Dow, as "Ella Cinders," broadcast the program over radio station LFD, as it was given. After all were seated on the stage, except the bride and groom, and "Andy" and "Min," Coach John R. Tucker, as Major Whoopie, the justice of the peace, made a talk and then had the roll call, each coming to the front of the stage, bowing and answering with groom, Wilow Zander (Elsie Mitchell) a verse of poetry. As the bride and Uncle Bim (Supt. B. M. Harrison) entered, Tom Carr, the broken hearted lover, wept tears of sorrow. While the justice of peace was reading the vows each should take, the widow Zander almost fainted, and Andy and Min were both scared, for fear they would not inherit Uncle Bim's estate after he was married. But Major Whoopie bound them in the holy bonds of "matri-money," and Andy picked up his cigar that he had dropped during the wedding.

A large crowd attended the wedding and enjoyed every minute of the play.

## NOTICE OF STREET IMPROVEMENT BOND ELECTION

THE STATE OF TEXAS  
CITY OF LITTLEFIELD  
COUNTY OF LAMB  
NOTICE IS HEREBY GIVEN that an election will be held on the 25th day of June, A. D. 1929, within the City of Littlefield, Texas, at the City Hall in said City, for the purpose of submitting to the qualified voters of the City of Littlefield, Texas, who are property taxpayers therein, the proposition for the issuance of the bonds of said City for the construction of street improvements in and for said City as described in an order of the City Commission of said City, passed and adopted on the 20th day of May, A. D. 1929, and which said order is as follows:

**ELECTION ORDER**  
WHEREAS, the City Commission of the City of Littlefield, Texas, deems it advisable to issue the bonds of the said City for the purpose hereinafter mentioned:

THEREFORE, BE IT ORDERED by the City Commission of the City of Littlefield, Texas, that an election be held on the 25th day of June, A. D. 1929, at which election the following proposition shall be submitted:

"Shall the City Commission of the City of Littlefield, Texas, be authorized to issue the bonds of the City of Littlefield, Texas, in the sum of Ten Thousand, (\$10,000.00) Dollars, payable serially or otherwise within forty (40) years from the date thereof, bearing interest at the rate of six per cent (6%) per annum, payable semi-annually, and to levy taxes sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the bonds at maturity, for the purpose of the construction of street improvements in and for the City of Littlefield, Texas, as authorized by the Constitution and General Laws of the State of Texas, particularly Chapters 1 and 7, Title 22, Revised Statutes, 1925?"

THE SAID ELECTION shall be held in the City Hall of the City of Littlefield, Texas, and the following named persons are hereby appointed managers of said election, to-wit:

Chas. L. Harless, Presiding Judge,  
Pat Boone, Judge,  
Carl Arnold, Judge,  
Ray B. Jones, Clerk,  
Sid Hopping, Clerk.

THE SAID ELECTION shall be held under the provisions of Chapters 1 and 7, Title 22, Revised Statutes of 1925, and the Constitution and Laws of the State of Texas, and only qualified voters who are property taxpayers of said City shall be allowed to vote.

ALL VOTERS who favor the proposition to issue the bonds shall have written or printed upon their ballots the words:

"FOR THE ISSUANCE OF STREET IMPROVEMENT BONDS."

And those opposed shall have written or printed upon their ballots the words:

"AGAINST THE ISSUANCE OF STREET IMPROVEMENT BONDS."

THE MANNER of holding said election shall be governed by the laws of the State regulating general elections. A COPY of this order, signed by the Mayor of the City of Littlefield, Texas, attested by the City Clerk of said City, shall serve as a proper notice of said election.

THE MAYOR is authorized and directed to cause said notice of the said election to be posted up at the City Hall (the place designated for holding said election), and at two other public places in the City of Littlefield, Texas, all of said notices to be posted for at least thirty (30) full days prior to the date of election.

THE MAYOR is further authorized and directed to have said notice of election published in THE LAMB COUNTY LEADER, a newspaper of general circulation, published in said City, and which notice shall be published once each week for five (5) weeks, the date of the first publication not to be less than thirty (30) full days prior to the date of the election.

UNANIMOUSLY PASSED AND APPROVED, on this the 20th day of May, A. D. 1929.

OTTO JONES, Mayor, City of Littlefield, Texas.  
ATTEST:  
W. G. STREET, City Clerk, City of Littlefield, Texas.  
(SEAL)  
May 23, 30, June 6, 13, 20, 1929.

**ROTARIANS PLAN A BIG DELEGATION ON DALLAS TRIP**  
The Littlefield Rotary club met last Thursday with 25 members present. President R. E. McCaskill read several letters from Rotary International, and one from District Governor Rue Parcells, requesting a large delegation from Littlefield to attend the International convention at Dallas, May 27 to 31.

Max L. McClure was called on for a verbal report of his trip East, and made a very interesting talk on various clubs he visited, among them being club No. 1, Chicago, the club at New York City and also the club at Rochester, New York. He stated that he was royally received and welcomed at all of these clubs he visited and that he came back thinking a great deal more of Rotary, if possible, than when he left.

A. P. Duggan was called on and responded with a short talk which is always interesting. It looks as though there will be a large delegation from this club to the International convention at Dallas. It was decided there would be no regular meeting Thursday, May 30, and those members not able to go to Dallas on that day, may keep up their attendance record by calling at the Sadler drug store on May 30th and registering.

You can't retire at your first piece of good fortune; for the rain that makes the crops grow brings up the weeds, too.

## W. M. U. CIRCLES

Mrs. Lena Howard, Mrs. J. E. Brannen and Mrs. J. H. Lucas were hostesses to the members of Circle J. of the Baptist Missionary society, Tuesday afternoon, at the home of Mrs. J. H. Lucas.

Following roll call from letter 'F', there was a song, "Bringing in the Sheaves," prayer, yed by Mrs. Howard, and business. Mrs. T. L. Matthews was elected the new secretary. The mission study was on Industrial work. Light refreshments were served the following: Mesdames Riser, Matthews, George, Berryman, Kemp, Connell, Howard, Brannen and Lucas.

The W. M. U. will meet in a body next Tuesday at three o'clock p. m., at the church.

Circle 2 met with Mrs. Shirley, observing Industrial day, by working on their project.

Circle 3 met with Mrs. Lloyd for mission study, the lesson being taught by Mrs. R. E. McCaskill. Those present were Mesdames Snowden, Humphries, Barnes, McCaskill, Griffin, and Lloyd.

## PRESBYTERIAN AUXILIARY

The ladies of the Presbyterian auxiliary were entertained Tuesday by Mrs. E. A. Bills at her home.

The meeting was called to order by the President and the usual business routine followed.

The devotional was given by Mrs. M. V. Cobb, and the lesson was well presented by Mrs. Annie Cater on "Home Missions in West Indies."

The hostess served hot tea and cake to the following members:

Mesdames Chas. Barber, J. S. Hilliard, T. P. Wright, Harry Wiseman, N. A. Douglas, Annie Cater, M. V. Cobb, Joe Ratekin, W. G. Street, Sid Hopping, S. G. Underwood, W. H. Dyer, Joe Chitwood, Ray Jones, Miss Jimmie White, and one visitor, Mrs. J. H. White, Jr.

## How to Help Your Husband Earn More.

Men know that personal appearances count in business. Employers are slow to promote shabby employees.

—Yet, many men are careless about having their clothes pressed. They "forget," and the "forgetting" prevents them from earning the money they are really worth.

Help your husband to look well-dressed, and earn more money. Send his clothes here to be pressed. Our modern method of cleaning and pressing makes clothing look like new.

### NOTICE OF CITY HALL BOND ELECTION

THE STATE OF TEXAS  
CITY OF LITTLEFIELD  
COUNTY OF LAMB  
NOTICE IS HEREBY GIVEN that an election will be held on the 25th day of June, A. D. 1929, within the City of Littlefield, Texas, at the City Hall in said City, for the purpose of submitting to the qualified voters of the City of Littlefield, Texas, who are property taxpayers therein, the proposition for the issuance of the bonds of said City for the construction of a City Hall in and for said City, as described in an order of the City Commission of said City, passed and adopted on the 20th day of May, A. D. 1929, and which said order is as follows:

**ELECTION ORDER**  
WHEREAS, the City Commission of the City of Littlefield, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned:

THEREFORE, BE IT ORDERED by the City Commission of the City of Littlefield, Texas, that an election be held on the 25th day of June, A. D. 1929, at which election the following proposition shall be submitted:

"Shall the City Commission of the City of Littlefield, Texas, be authorized to issue the bonds of the City of Littlefield, Texas, in the sum of FIFTY THOUSAND (\$50,000.00) DOLLARS, payable serially or otherwise within forty years from the date thereof, bearing interest at the rate of six per cent (6%) per annum, payable semi-annually, and to levy taxes sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the bonds at maturity, for the purpose of constructing a CITY HALL in and for said City of Littlefield, Texas, as authorized by the Constitution and General Laws of the State of Texas, particularly Chapters 1 and 7, Title 22, Revised Statutes, 1925?"

The said election shall be held in the City Hall of the City of Littlefield, Texas, and the following named persons are hereby appointed managers of said election, to-wit:

Chas. L. Harless, Presiding Judge,  
Pat Boone, Judge,  
Carl Arnold, Judge,  
Ray B. Jones, Clerk,  
Sid Hopping, Clerk.

THE SAID ELECTION shall be held under the provisions of Chapters 1 and 7, Title 22, Revised Statutes of 1925, and the Constitution and Laws of the State of Texas, and only qualified voters who are property taxpayers of said City shall be allowed to vote.

ALL VOTERS who favor the proposition to issue the bonds shall have written or printed upon their ballots the words:

"FOR THE ISSUANCE OF CITY HALL BONDS."

And those opposed shall have written or printed upon their ballots the words:

"AGAINST THE ISSUANCE OF CITY HALL BONDS."

THE MANNER of holding said

election shall be governed by the laws of the state regulating general elections.

A COPY of this order, signed by the Mayor of the City of Littlefield, Texas, attested by the City Clerk of said City, shall serve as a proper notice of said election.

THE MAYOR is authorized and directed to cause said notice to be posted to be posted up at the City Hall (the place designated for holding said election), and at two other public places in the City of Littlefield, Texas, all of said notices to be posted for at least thirty (30) full days prior to the date of election.

THE MAYOR is further authorized and directed to have said notice of election published in THE LAMB COUNTY LEADER, a newspaper of general circulation, published in said City, and which notice shall be published once each week for five (5) weeks, the date of the first publication to be not less than thirty (30) full days prior to the date of the election.

UNANIMOUSLY PASSED AND APPROVED, on this the 20th day of May, A. D. 1929.

OTTO JONES, Mayor, City of Littlefield, Texas.

ATTEST:  
W. G. STREET, City Clerk,

## COLLEGE NEWS

This week marks the close of school so far as regular class work is concerned, except that Monday morning of next week will be given to class work. Final examinations begin Monday afternoon and continue until Thursday afternoon. Friday of next week will be given to general school exercises. Three school programs will be given at night during the coming week as is announced elsewhere in this paper. These programs are for everyone, so you are invited to attend them and receive your share of the good things in store for you.

R. O. Connor is here this week attending to some matters of interest to the school.

Since R. W. Jones, former secretary, has moved to town, Dotson G. Lewis has been making preparations to move into the house that Mr. Jones did occupy. Mr. Lewis has been doing some papering in the house and possibly making some minor changes otherwise. Having put the house in order to his liking, Mr. Lewis and family moved into it the latter part of last week.

D. L. Shelton's family arrived here from Dallas last week, and they immediately moved into the house on the campus that Mr. Lewis had moved from.

Isaac M. Jones, wife, and wife's mother, visited Mr. Jones' parents, Mr. and Mrs. R. W. Jones, here last weekend. Isaac Jones has been mak-

ing his home near Goose Creek, Texas.

At a recent meeting of the Chamber of Commerce, a committee of 10 persons with D. L. Shelton, as chairman, was appointed for the purpose of forwarding general education, music and art in this section of the country. Any locality can to a great extent be judged as to its progressiveness by the interest it manifests in educational lines. By this test one can see that Littlefield is really pushing ahead. This was shown in the strong pull she made for the college as well as in the other big things she has done, educationally, both before and after that time. Congratulations to Littlefield for her educational activities! The people of the college appreciate these moves that the Littlefield vicinity is making, the honor that has been conferred on us by Mr. Shelton's being appointed chairman of the educational committee.

It is far better to fail in a good cause than to succeed in a bad one.

Stricken

Mrs. Polly Lauder Tunney, wife of Gene Tunney, was stricken by a strange malady at Brioni Island in the Adriatic Sea, thereby mar- ring honeymoon of Gene and his bride. She was successfully operated on.

THAT TIME IS  
NOW HERE!

Your son or daughter has been looking forward to this day for many years, and it is a time that will never be forgotten.

Now, to show your appreciation for this achievement, add to their joy by presenting them with some suitable gift.

We can supply you with a nice gift for that girl or boy—let us show you!

Editor and Publisher

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Littlefield Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

## CROSSING CROSSINGS

In a recent conversation with a railroad man he told us that it requires a fast train only seven seconds to pass over a railroad crossing. Slower trains, of course, require more time, but even then it can still be figured in seconds instead of minutes. When we gave his figures second thought we were able to understand why more than 7,000 people were killed at railroad crossings in the U. S. in 1928.

Seven seconds do not carry the auto very far, even if it is being operated at more than ordinary speed. Time lost in stopping the car at a crossing to allow an oncoming train to pass can easily be made up on a straight stretch of road on ahead. In view of this, can you help wondering why 7,000 motorists could not see the wisdom of stopping at the crossings last year instead of trying to beat the train across?

Scores of motorists around Littlefield are now planning out trips for a little later on in the season. Wonder how many of them are going out determined to give the train the right-of-way at every crossing they encounter? Wonder how many will ignore this rule of safety and be foolhardy enough to "try to beat it"? It might help some if you would ask yourself those questions, for that would set you to thinking—and a thoughtful motorist is always a careful motorist. There will be grade crossing accidents this year the same as there were last year. But no one in this community will be numbered among the victims if they will "Stop, Look and Listen" and not try to beat the train across.

The farm-relievers' problem is to fix it so a bumper crop won't bump the farmer.

## ONE PROBLEM SOLVED

The fact that Uncle Sam has quit worrying about how to solve the farm-employment proposition, and that we seldom hear the old "Back-to-

the-farm" cry any more, indicates that a change of some kind has come in this country. The farmer wants all the aid he can get, and he needs more than he has been getting. But finding means of harvesting his crops doesn't seem to be much of a problem with him anymore.

Uncle Sam says improved machinery has made it possible for any man to do the work of from three to five men working by hand, and the auto has provided a way for the laborer to get to the farms of the country without having to travel for days at a stretch. Today the city, with its unemployed, furnishes all the farm help needed, and at a moment's notice. Distance doesn't mean anything any more. The same thing applies to harvesting fruit that applies to corn and wheat and cotton and tobacco.

We are living in a machine age. Look around Littlefield and compare the methods in use now with those in use fifteen or twenty-five years ago. We have machines that actually pick corn, dig potatoes and hoe weeds. Rural life has speeded up, and the entire nation has profited in proportion. We may have picked up a few new worries as we progressed, but the fact that we've solved the old "Back-to-the-farm" bugaboo more than often offsets them.

Skirts may be a bit short, but you'll have to admit they no longer look as though they had been put on with the aid of a shoe-horn.

## PAPER BRICK

Already we have paper water buckets and paper car wheels and now it appears that we may yet live in paper houses.

A Serbian has invented an economical building brick made of paper and seven other ingredients, kept secret by the discoverer. Fire and water-proof, the material is said to be undamaged by nailing and to be suitable for use in one-story and two-story buildings.

In its astonishing use for buckets, paper is coiled into rope and pressed into shape. A coating of paint completes the bucket. Car wheels are

pressed from a kind of paper known as calendared rye-straw board under a terrific force of five hundred tons. Circular sheets are made into wheels by being smeared with flour paste and pressed together into solid blocks. Steel tires and iron hubs are added.

We may be the most wasteful nation on earth. We don't suppose there is a man in Littlefield who would argue to the contrary. But at the same time we are pleading guilty to that you'll also have to give us credit for being the most thrifty, and in finding ways to use up much of that we have for so long been wasting.

Why is it that a young widow can get a man so hypnotized that he will actually believe her if she says she has never kissed a man before.

## KILLING THE GOOSE

We want good roads—we know they are a necessity. But if the road equipment and road material interests of this country are not careful millions of motorists are going to rebel.

It isn't at all impossible for the paving brick and concrete and stone men, along with the men who make road-building machinery, to kill the goose that is laying them their egg of gold.

Tinkering with legislatures in several states and getting gas taxes boosted every time these legislatures meet may be fine for their pocket-

books now, but there'll be a different song if the motorists become disgruntled with such tactics.

Any motorist is willing to pay a fair gas tax. He knows it is the best way yet invented for keeping our roads up to standard. But that doesn't mean that he is forever going to be satisfied with "being the goat."

We don't want to preach, and we have no inclination to predict. But a word of this kind to the wise ought to be sufficient, both now and in the future.

There is no man so dumb as the farm-hand who hasn't learned that a "Farm Bureau" isn't a piece of furniture.

## ANOTHER EDISON?

Governors of many states are co-operating with Thomas A. Edison to help him find his successor. The great inventor, after half a century of work in which he revolutionized modern life, is seeking a youth of unusual capabilities who may perhaps be able to continue the work he has so well started.

To the high school boy who gives the best answers to one of his questionnaires, Edison offers a free college scholarship. One boy from each state, the one considered the possessor of the highest ability in scientific subjects, will be given a free trip in August to Mr. Edison's Orange, N. J.,

laboratories, where the questionnaire will be presented to him. Each of these boys will be entertained and made a gift of an Edison radio-phonograph.

We doubt that another Edison will be found. This miracle worker is unique. Yet we have no doubt much rare talent will be discovered in the search, and several promising youths will be given an impetus that may result in new benefits to humanity.

Therefore this enterprise is more than commendable, it is a particularly lovely gesture of a man much beloved and admired—"another" of whom, however, we fear cannot be found so easily.

## Here's Feed for Chicks!

WALK in and let's talk over what to give your chicks to keep them alive and growing. Let us show you a way to raise your chicks to early maturity at a lower cost per chick.

Chicks need cod-liver oil to protect them against leg weakness. They need butter-milk, alfalfa leaf meal, granulated meat, bone meal, wheat germ and other ingredients to make bone, flesh and feathers.

We have all of these ingredients carefully chosen, tested, balanced, uniformly mixed and ready to feed. Purina Chick Startena is the name of the feed. You'll know it by the checkerboard on the bag. The new feeding discoveries that come to you in this year's Startena will give 15 to 20 per cent greater growth than ever before. More than 2,500 hatcheries say, "Feed Startena." So do we. **Burglary Charge**  
 Hugh Miller was taken into custody last Thursday at Plainview, and turned over to Sheriff Irvin on a charge of burglary, it being alleged he broke into a filling station at Olton.  
 Irvin states he has discovered about \$150 worth of tubes, casings, tools and cigarette taken from the station. Miller claims his home to be in Kansas.

**Forgery Charge**  
 Earl Morris, 16, was arrested Saturday by Constable J. O. Connell, in a local variety store on a charge of forgery, it being alleged he had forged the name of local citizens to checks that were cashed in Littlefield.  
 He was taken to jail at Olton by Sheriff Len Irvin.

**BAPTIST CHURCH**  
 We had a glorious good day last Sunday. God was there, a soul was saved and joined for baptism—two worlds were made happy. Now we turn our hearts to next Sunday, May 26. We have, for that day, a soul feast lesson—the reign of Christ on earth with His saints. Come! We will not have any morning service, but joyous psalms and hymns and a baccalaureate sermon. Preaching services at church Sunday evening at 8:30. We understand the pastor of Rock Ford will use our baptistry to administer baptism to his church's candidates Sunday at 3:30 p. m.

## NEWS FROM OTHER TOWNS NEAR HERE

### MORTON

C. C. Slaughter, Jr., owner of 17,000 acre tract of land adjoining Morton, that is soon to be put on the market, was a visitor at the Cochran county seat last week. He was very optimistic over prospect sales. Luther Blanton, near Ralls, has purchased 2,200 acres of land, com-

prising the south half of League 167, of G. W. Lemmon, of Dexter, New Mexico, and will soon improve and occupy it.

Baileyboro and Morton in their last game here played 12 innings to a tie of 4-4.

Bledsoe is planning for a big picnic and celebration, July 12.

The Plateau Singing convention will be held in Morton sometime during July, exact date and program to be announced later.

Plans are being made by the Texas Utilities Co., to run a high line into Morton for electric lights and power.

Cochran county citizens are rejoicing over the recent fine rains which totaled more than three inches.

### LEVELLAND

Hockley county has a scholastic population of 2,433, according to the recent census. Last year the number was 1,983.

J. C. George and brother, formerly of Littlefield, have started erection of a 16 room apartment house, modern in every respect. It will be of two stories, with basement, costing approximately \$12,500.

A movement has been started to have free delivery of mail in Level-land.

### MULESHOE

Everyone in and around Muleshoe is rejoicing over the fine rains recently.

Muleshoe's second Trades Day event was even a greater success than the first.

The home of Elmer Sterling, in the Longview community, was badly wrecked as a result of the storm in this vicinity.

A large acreage of tomatoes is being planted in this vicinity, one concern alone putting in 40 acres.

A. R. Beardsley has purchased the Muleshoe bakery, formerly owned by H. T. Kennedy, and has taken charge. He is an experienced baker.

Rev. H. B. Strickland delivered the commencement sermon last Sunday night. Dr. Leroy Patton, of Tech., celcece, Lubbock, will deliver the address next Friday night.

## Whitharral News

Everybody is rejoicing over the fine rains we've had this week. They will be anxious for it to dry now, so they can get to planting.

Hodges ball team came over and played with our boys Monday evening. Whitharral came out winner.

W. T. Hanes is assessing the school taxes this week.

Edd Lankford and family returned home Tuesday from Monague county, where they visited relatives. They reported a very muddy trip.

We are sorry to report Mrs. Royals very sick. Dr. Grice from Littlefield was called to see her Thursday.

Morris McPeters has been attending school at the Tech., the last two weeks.

Mrs. J. W. Henderson visited Mrs. Chas. Houk, Monday evening.

Mrs. E. V. Duke and brother, Morris McPeters, left for Titus county, Friday morning to visit their parents, before entering school at Commerce this summer.

Mrs. Clarence Davis visited Mrs. Chas. Houk, Tuesday evening.

Mrs. Criss Lightfoot visited Mrs. Elton Houk, Thursday.

Our Sunday school and church services were rained out last Sunday morning, but had services Sunday

night with a small crowd. Next Sunday Rev. Roberson will preach. Everybody is invited to attend both Sunday school and church. You know we lose interest if we don't attend regular.

Some from our community attended the pie supper at Lum's chapel Thursday night. They made about \$35, which will be used to help pay for their piano. On account of so much rain they are getting along slow on their new church.

### WHITES TO SELL 6,000 FINE TURKEYS THIS YEAR

"Happy Hill" farm located north-west of Littlefield, Mr. and Mrs. J. H. White and Wm. J. Harris, owners, is expanding into one of the largest establishments of its kind to be found on the South Plains.

Last month they hatched 1,000 turkeys, a 92 per cent hatch, and now have 2,500 in the process of hatching. Their birds are all of the highest type Giant Bronze, copper strain, winning first, second, third and grand championship prizes at the South Plains fair, Lubbock, last fall, also, third prize at the All World's Turkey Show, at Dallas. They expect to raise and sell between five and six thousand birds this year.

Much of the success of this turkey farm is attributed to the feeding of Purina feeds, according to S. H. Mitchell, traveling representative of Purina Mills.

### METHODIST CHURCH

The Sunday school will meet as usual, and we will go from the church to the High school to hear the baccalaureate sermon. The evening sermon on "Our Kingdom of Opportunity," is intended largely for the youth of the church. Let us fill the church again Sunday evening. There are several candidates for church membership to be received Sunday night.

—Geo. E. TURRENTINE, Pastor.

### SHERIFF'S SALE

STATE OF TEXAS  
COUNTY OF LAMB

By virtue of an Alias Execution issued out of the Honorable County Court of Potter County, Texas, on the 25th day of April, 1929, by the Clerk thereof, in the case of McDonald Auto Supply Co. versus H. D. Burris, Number 4337, and to me as Sheriff directed and delivered, I will proceed to sell within the hours prescribed by law for Sheriff's sales, on the first Tuesday in June, A. D. 1929, it being the 4th day of said month, before the Court House door of Lamb County, in the City of Olton, Texas, the following described real property, to-wit:

Lot Number One (1) in Block Number Five (5), and Lots Numbers Four (4), Five (5) and Six (6) in Block Number Four (4), all in the Cole Addition to the town of Littlefield, in Lamb County, Texas; levied on this 30 day of April, 1929 as the property of H. D. Burris to satisfy a judgment amounting to Six Hundred Eighteen and 57/100 dollars (\$618.57) in favor of McDonald Auto Supply Co. Inc. and costs of suit.

GIVEN UNDER MY HAND this 30 day of April, 1929.

LEN IRVIN, Sheriff, Lamb County, Texas.

By Gaston Patterson, Deputy.  
May 16, 23, 30, 1929.

# CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain the choicest tobaccos grown . . . expertly blended for matchless taste and fragrance.

They have a welcome mellowness and mildness that you will find in no other cigarette. Smoke them as often as you like, Camels never tire your taste.

The quality of Camels is never permitted to vary.

Only a superior cigarette could have won and held world leadership for all these years as Camel has done.

## Got Up In The Morning Feeling DIZZY

"I BEGAN to suffer with headache and biliousness," says Mr. John C. Malone, of Buena Vista, Ohio. "I had a hurting through the middle part of my body which seemed to come from indigestion. I would get constipated, and then feel all out of sorts. I would get up in the morning feeling dizzy, and everything I ate would disagree with me. "Someone asked me why I did not try Black-Draught. I found it to be just the medicine I needed. "When I feel a spell coming on, I begin by taking a dose of Black-Draught, dry, at night. I continue to take it for several days, and in a short while I am feeling fine. It is all the medicine I need." Costs only 1 cent a dose.

**TAKER OF W. T. C. PREDICTS A BIG DEVELOPMENT**

Texas citizens last year purchased \$5,000,000.00 worth of dairy products more than was raised in the state, was the startling statement of Whitaker, at the Tuesday meeting of the Chamber of Commerce. Whitaker is agricultural representative of West Texas Chamber of Commerce, and is well acquainted with the conditions throughout the state. He told of the skepticism in the Eastern states a few years ago when he began taking exhibits of West Texas products. During the past nine years there has been with this great regional body he has handled 60 agricultural exhibits, and he says folks back East now know something of what a great country this is.

**LFD. WILL AGAIN EXTEND THE GLAD HAND FIRST MONY**

Tradea Day, to be held in Littlefield, Monday, June 3rd, promises to be even a greater event than the last one, when a crowd of visitors, numbering nearly 6000 came to the city last month, many of them from a distance of 50 miles or more. For Monday, June 3rd a more extensive program of entertainment is being planned and a still larger crowd is expected. Preparations are being made for amusement for the young and old, and every person visiting Littlefield on this occasion will be assured a good time. Littlefield is fast gaining the distinction of the South Plains for being the friendly city where all may come for a meeting place with their friends. No city is more interested in the welfare of the rural community than is Littlefield, where its interests are the interest of the surrounding community. Next Tradea day Littlefield opens wide its gates of welcome to all, inviting them to come and enjoy a real treat. Col. J. W. Horn, marshall of the day, promises entertainment for all. These festivities are being sponsored by the Littlefield Chamber of Commerce, which urges every customer at Littlefield stores to secure sale day tickets when making purchases. **Final Plans for \$250,000 Memorial to Major George W. Littlefield Are to Be Considered by the State University Com.**

Austin, Texas, May 21.—Final plans for the \$250,000 memorial gateway to the campus of the University of Texas will be considered by the committee in charge, consisting of H. A. Wroe of Austin, President H. Y. Benedict and Dr. W. J. Battle, on June 3, when Pompeo Coppini, Italian sculptor who has designed the statuary for the monument visits Austin. Coppini will be accompanied by a member of the firm of Walker & Morrison, of Chicago, architects in whose hands the execution of the masonry designs has been placed. The fund by which the monument is to be constructed was left to the University by the late Major George W. Littlefield, of Austin, former University regent. General plans for the statuary were given Coppini some eight years ago. Major Littlefield was former owner of the LFD ranch, and laid out the town of Littlefield, which was named for him. Heroic figures of ten Southern patriots have already been completed by Coppini and now stand in the State Capitol, awaiting the completion of the other details of the monument.

**FEWER DOGS**

Richmond, Va.—Richmond ten years ago had 5,000 dogs; now there are only 2,000 in the city. The goat population at the same time has gone down from several hundreds to none. Bring on your old hard times; we're ready to go to bat!

**THE POOR MAN'S COW**

The goat may never entirely supplant the cow as a source of milk, but it might well be used more widely by families which want a small quantity of milk and do not have room enough, or can not afford, to keep a cow, says the U. S. Department of Agriculture. The milk-goat industry in this country is handicapped by a comparatively small proportion of superior milk goats and is only in its infancy, but in Europe, where the goat is often called the "poor man's cow," it forms a flourishing branch of the livestock industry. Farming on paper is the most successful method of farming yet devised as it is not affected by droughts, insects, or exchanges.

### A STRAIGHT LINE MARK OF SUCCESS

Notice the clothing of the most successful man you know!

You'll see that the crease of his trousers runs in an unbroken straight line from his waist to his instep. There's no bagginess at the knees of the trousers of successful men!

If you want to be successful, you must look successful. Careless, wrinkled clothes, baggy knees, keep you from getting the money you are really worth.

We can help you look successful. With our modern cleaning and pressing equipment, we can make your clothing fit and look like new—give your trousers a lasting "straight-line" crease. Phone us today; we'll send for your suit at once.

### Two Girls Live on Hot Water and Rice

Due to stomach trouble, Miss A. H. and sister lived on hot water and rice. Now they eat anything and feel fine, they say, since taking Adlerika.

Even the FIRST spoonful of Adlerika relieves gas on the stomach and removes astonishing amounts of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.

Fentra Hale, of Enochs, who recently got three of his toes cut off by a feed mill, was in town Saturday to see a local physician.

J. H. Kiker, of the Bula community was in Littlefield Monday looking for cotton seed to plant over 300 acres recently wiped out by the heavy rain.

### There's always something NEW under the sun!

The old adage to the contrary, Littlefield is always turning out something new. It's just that kind of town—never satisfied with the old things.

This week it is J. T. Bellomy who has erected a sheet iron domestic twin rails, formerly occupied by the Porcher lumber yard, and installed in it an overgrown J B feed grinder that thoroughly masticates about four tons of home grown feed every 60 minutes of turning around. And, you ought to see that baby mastodon turn around—fact is, you jes' can't see even with a microscope nor a telescope nor a stethoscope nor any other kind of scope—it travels too darn fast for finite eyes to lamp it.

Every day it is whirling around now, turning out feed for the new crops of pigs, calves and baby chicks growing into increased bank accounts for their owners, who now mix their feed in proper proportions for the quickest growth and development.

QUINTON, competent son of J. T. B., is the chief officiating functionary of the new manufactory, and extends a cordial invitation to all feeders to visit the new establishment.
