

OLTON TO PLAY LITTLEFIELD WILDCATS ON GRIDIRON HERE THIS FRIDAY AFTERNOON

"BUY NOW" CAMPAIGN TO START SOON

LITTLEFIELD TO PARTICIPATE IN NATIONAL PLAN

Program Is Designed to Maintain Increased Employment

An NRA Buy Now Campaign will be underway in the near future to persuade consumers to purchase their needs now and thereby stimulate business, and assist the NRA members to carry out the President's agreement to pay higher wages and employ more help, according to Dr. Ira E. Woods, chairman of the Littlefield NRA committee.

Dr. Woods stated this campaign would not be based so much on an appeal to patriotism, as it would be to good business judgment, as buying now the merchandise needed at this time and in the near future, would save the consumers considerable in view of the rising prices. He stated that merchandise is bound to go higher, and that it is good sound business judgment to buy before any additional increase in prices.

Dr. Woods also said that the NRA Compliance Board has been organized and that anyone wishing to make complaint should do so in writing to the Chairman of that board, and not to him. The board is composed of the following: Veach Payne, Ross Mayew, J. H. Ware, M. M. Brittain, Mrs. Pat Boone and E. A. Bills.

Dr. Woods said that any person making complaint should first make the NRA member was violating the agreement, and that the complaint must be made in writing and duly signed by the party making it.

ENROLLMENT OF LITTLEFIELD SCHOOLS 1,323

Increase Over 1932 of from Eighty to One Hundred Pupils

The monthly school report for the Littlefield Independent School District shows a total enrollment of thirteen hundred twenty three (1323). This enrollment is about 80 to 100 more than the enrollment last year. In the Primary building there are four hundred forty one, (441) in the Grammar school there are five hundred ten (510), and in the high school there are three hundred fifty five, (355).

The cooperation of the parents is reflected in the fact that there have been less than fifty tardies during the last month. It is to be hoped that this same type of promptness will ensue through the entire year. Pupils who get the lesson of promptness in school seldom are late in later life.

The students seem to be taking their work seriously as is shown in the fact that there are only four percent of the pupils in the Primary building failing. Only eight per cent in the Grammar school and about the same percentage in the high school. The parents should check and see whether their children are in the failing group. It is relatively easy to talk with the child whether he is working and enjoying success in school.

There are some twenty eight (28) (Continued on Back Page)

LAST RITES HELD WEDNESDAY FOR J. E. QUILLIAN

Passed Away Tuesday A.M. Following Lengthy Illness

Funeral services were conducted at the grave in the Littlefield Cemetery Wednesday afternoon at two o'clock for J. E. "Bertie" Quillian, aged 49, one of Littlefield's pioneers and most respected citizens.

Services were in charge of the Oddfellow Lodge, of which deceased was a member for a number of years, with Elder Earl Allen, Christian Church, officiating.

Immediately thereafter the body was laid to rest in the Littlefield Cemetery under the direction of Burleson & Co., Inc.

Mr. Quillian passed away Tuesday morning at nine o'clock at his residence following a lengthy illness.

A pulmonary ailment was the cause of his death. He had been ill for the past seven months. He had been confined in a hospital at Wichita Falls for about three years, returning home six weeks ago.

He was born January 14, 1884, at Ardmore, Okla., and reared in that vicinity. Previous to coming to Littlefield with his parents, Mr. and Mrs. W. B. Quillian in 1924, he had lived for twelve years at Devol, Okla. On arrival in Littlefield the family built the Oklahoma Hotel, which has been their place of residence ever since. Deceased's father departed this life in May, 1925.

Deceased is survived by his mother, Mrs. W. B. Quillian, of Littlefield, and sister, Mrs. C. L. Yeager, of Hobbs, N. M.

Mr. and Mrs. Yeager have been staying close to the sick bed since deceased returned from the Wichita Falls hospital six weeks ago.

Other out of town attendants at the funeral were: W. G. Yeager, nephew, and Mrs. Yeager; Haskell Yeager, nephew; and Mr. and Mrs. Bob Cathey, niece and nephew of the deceased, all of Hobbs, N. M.

LITTLEFIELD GETS \$3,044 BALANCE OF APPORTIONMENT

SEVEN OTHER SCHOOLS GET SMALLER AMOUNTS

Lamb County schools have received the balance of their 1932-33 apportionments, according to L. D. Rochelle, county superintendent. The warrants arrived about a week ago and are now being held by banks of the county. The total amount received for the eight schools was \$6,767, with Littlefield drawing nearly half the amount, \$3,044, to complete its state aid in transportation.

Other schools getting the balance on their transportation were: Spade, \$116; Amherst, \$622; Sudan, \$1,005; Olton, \$294; and Spring Lake, \$250. Hart Camp received \$278 as their balance on salary aid, and Fieldton \$258 to complete their per capita apportionment.

The warrants were sent from the office of A. A. Bullock, chief supervisor of rural schools, in Austin.

Continues Drive Against Bootleg Liquor in County

Sheriff Len Irvin announced Wednesday that he will pay a reward of \$50 to any citizen of Lamb County who furnishes information to the sheriff's department leading to the arrest and conviction of party or parties manufacturing liquor in this county.

Mr. Irvin said that this offer will continue in effect as long as he is sheriff of the county.

The sheriff made it clear that this reward will be paid only when it is made possible through the information furnished to seize the still and arrest the operator or operators.

Sheriff Irvin said that the offering of the reward was part of his effort to abolish the manufacture and sale of illegal liquor in the county.

FIELD MAN FOR RED CROSS TO VISIT COUNTY

Will Meet October 12 With County Red Cross Executives

C. Edway Palmer, field representative, American National Red Cross, will be in Littlefield Thursday, October 12, to assist in preparations for this year's roll call, which will be carried out in the near future.

Announcement of the coming visit of Mr. Palmer was contained in a letter received Monday by Rev. Joe F. Grizzle, county roll call chairman.

Mr. Palmer will meet with Lamb county Red Cross executives, and will be at City Hall, Littlefield, from 2 to 5 p. m. to discuss Red Cross matters with all persons who call on him.

A Red Cross regional meeting will be held at Abilene on October 16 and 17. Representatives from Red Cross headquarters in Washington, D. C., will be present at this meeting.

Governor of Farm Credit Admn. to Assist Farmers

Washington, D. C. Oct. 2—A committee representing the National Farmers Holiday Association and the National Farmers Union, accompanied by Senator Lynn J. Frazier of North Dakota, called upon Henry Morgenthau, Jr., Governor of the Farm Credit Administration today. The committee was composed of E. E. Kennedy, Secretary of the National Farmers Union, Kankakee, Illinois; John Bosch, Vice President of the National Farmers Holiday Association, Atwater, Minnesota; Harry C. Parmenter, State President of the Farmers Holiday Association of Nebraska, Yutan, Nebraska; R. S. Norman, of the Farmers Holiday Association of Texas, Plainview, Texas; and C. F. Lytle, of the Farmers Holiday Association of Iowa, Sioux City, Iowa.

The committee represented to Governor Morgenthau that there was a greater number of foreclosure cases being filed by mortgagees for the fall terms of court in midwestern States than at any time since the de-

NEW CREAMERY HERE TO OPEN NEXT MONDAY

Important Step in Expanding Dairy Industry of County

Work will be completed this weekend on the South Plains Creamery plant, according to Jack Wayne, manager and part owner, and will be open for business Monday. Cream routes have already been mapped out and two trucks will start routes early Monday morning.

Establishment of the creamery here fulfills a long felt need. Lamb county rich agriculturally, has in the last few years realized the importance of dairy products, and has continually extended this branch of farming.

Manager Wayne pointed out that even though the creamery will make butter it will be sold on state and foreign markets and not locally. Expansion to pound packaged butter, and other creamery products, will come as the market and consumption demands he said.

As far as employees and hours go Wayne is making a good start toward winning enthusiastic local support. He is using local workmen and working them NRA hours under the national dairy code. The plant will open at 7 o'clock in the morning and close at 6 p. m.

The plant has all new equipment, modern and meeting specifications of the up-to-date creamery. The refrigeration is being offered for the residents of Littlefield.

FIRST VISIT OF OLTON TEAM IN SEVERAL YEARS

Fast, Interesting Game Is Anticipated by Fans

The Littlefield Wildcats last Friday had a hard fought battle against a much stronger team from Lubbock, when they lost by a score of 18 to 6.

This was the first defeat of the season. The boys went down fighting, but the lack of experience had weight on the defeat.

Dow made a nice showing. Elwood being the only experienced man on the team showed it with his end runs, plunges, and with his punting. Dow is playing his third year on the Littlefield squad. He was fighting from start to finish. He showed that by his long run during the closing minutes of the game.

Both teams used the "Warner double wing back" formations, featuring pile drives off tackles and end runs.

Hall, McKnight, Duffy and Dow starred for the locals, playing hard and head-up football. Atchison, Hill, White, Geer, Hupton and Wright starred for the visitors.

Olton comes to Littlefield Friday for the first time since 1929. Coach Barksdale is whipping his men into shape for this tussle. This will be one of the best games of the season. Olton has never beaten Littlefield on the home field. Littlefield has never defeated Olton on the Olton field.

REPORT MUCH IMPROVEMENT IN BUSINESS HERE

Last Saturday's Volume of Business Best in Some Time

Business conditions are improving, according to local merchants, who state that last Saturday's sales showed a decided increase over previous Saturdays.

A large crowd was also in town Monday, when considerable merchandise was sold.

The Littlefield merchants are looking for more activity this fall than for some time, and have large stocks of merchandise, complete in every line, and are prepared to take care of their customers in quantity and assortment, as well as meet all legitimate prices.

The people of this trade territory will find it to their advantage to buy from Littlefield stores.

They Have No Shame; Racketeers Using The NRA

Folks, it beats everything! Rackets! Rackets! Rackets! And more rackets!

The newspapers of the nation are issuing warnings against the operation of rackets too numerous to mention.

Read what the Canyon News says: "Business codes must be in by the first of October, according to announcement of General Johnson. All lines of business will be pleased when these codes are finally adopted. As conditions are now, no one knows exactly just what re-adjustments he must make in his business in order to meet the demands of the code under which he will operate. In the meanwhile, code racketeers are multiplying. They are making the rounds, selling directories, etc., telling business people they will not be loyal to the President if they do not enter into certain agreements which are profitable to the promoters. If such racketeers show up in Canyon, get in touch with the Chamber of Commerce before listening to them. NRA is going to be made to work. The Roosevelt administration realizes that it must work."

COTTON PICKERS SOUGHT
The gathering of cotton is actively underway in the Earth section. Cotton pickers are needed.

SORGHUM SEED TO BE EXHIBITED AT DALLAS FAIR

W. H. Cunningham to Gather and Aid in Preparing Exhibit

The State Department of Agriculture is sponsoring a large exhibit of certified seed at the Dallas Fair, October 7 to 22 inclusive.

In the past there have been a number of exhibits of certified seed, including those of the grain sorghum growers and the cotton seed growers. This year all exhibits are being combined under the direction of the State Department of Agriculture.

W. H. Cunningham, who operates a pure seed farm three miles southwest of Littlefield, and who is secretary of the grain sorghum association, has been delegated to obtain and transport the sorghum seed exhibit to Dallas. He also will assist in the preparation of the exhibit.

The Littlefield section occupies a very prominent place in the production of certified sorghum seed. About 90 per cent of all the state certified sorghum seed produced in Texas this year was grown within 30 miles of Littlefield.

Local Youth Is Arrested Monday

Vernon Childress, 19, who resides three miles northeast of Littlefield, was arrested about 3:30 a. m. Sunday by Sheriff Len Irvin and placed in the Littlefield jail.

Childress has been charged with assault and attempt to murder. His bond was set at \$2,000.

According to the sheriff's department, the charge against Childress is the result of a fight at a party, which Mason Matthews, 17, who resides two miles out of Littlefield on Oklahoma Avenue, sustained 15 stitches about his body. Matthews is a patient in the Simpson sanitarium.

Mrs. Marguerite Parks, who is teaching expression in Hart's Camp school, will present her pupils in recital at the school Friday evening, October 13.

The public is cordially invited.

We Do Our Part

Employment

Increased employment for men in all trades is one of the greatest steps forward in the development of prosperity.

Without employment for workmen at a fair wage there can be no prosperity.

The success or failure of our entire economic structure is based, in large measure, on how many men and women are at work throughout the nation and on how many men and women are idle.

The increased employment of men and women in Littlefield and throughout the county is very evident in the fact that there is more spending. More spending means money in circulation. And money in circulation is everything—our entire existence.

Every time a man or woman is given employment, important assistance has been rendered in bringing back those days which are recalled with pleasant memories.

Farmers and Prosperity

Any thought which is given to those things designed for better economic conditions in this section and throughout the nation is not complete without proper provision for the welfare of our farmers. They are entitled to a fair profit on everything they sell. And when a farmer does not get a fair profit, then there are only three reasons which are worthy of much consideration.

These reasons are:
Over production;
Financial inability of people to buy

those things which the farmer produces;

Manipulation of markets in a manner that forces down prices without the law of supply and demand having a blankety, blank thing to do with it. The first two conditions are very bad; the latter condition is ROTTEN.

EIGHT YEARS AGO IN LITTLEFIELD

(Excerpts from Lamb Co. Leader)

Mr and Mrs. C. A. Joplin of Clevis this week closed a lease for one-half of the Bivins brick, now under construction which, when completed, will be occupied with a nice line of ladies ready to wear. The Joplins are old time friends of J. H. Trimble of the Palace Cafe.

The Amberst City Commission last week left the contract to the Baker-Gantz Construction company of Oklahoma City, Okla., for the construction of a water works system in that town, the contract price of the bidders being \$45,000.00.

The First National Bank of Littlefield had its opening day last Saturday, a large number of people coming in to make initial deposits, talk over future business connections and to meet the new management.

Over \$50,000 was received in deposits the first day's business, according to Cashier E. L. Maxey.

Despite the inclement weather and retarded crops over the Plains, because of the heavy rains, two bales of cotton were ginned here Friday by the Davanay Gin.

The initial bale of the season was brought in by Calvin Patterson, who lives nine miles west of Littlefield. It was a 408 lb. bale and was ginned from 1230 pounds of seed cotton.

W. E. Lacey, who resides three miles southeast of Littlefield, was the owner of the second bale, which weighed 440 pounds, and was ginned from 1520 pounds of seed cotton.

Both bales were bought by R. D. Borough, paying 20¢c for the first bale and 23 cents for the second, the price being in line with other markets in this vicinity.

R. A. Parker has just closed a contract with Mrs. E. A. Treadgill of Taylor, for the erection of a \$10,000 residence in the Whittharral community and construction began this week.

Funeral Services

Conducted Thursday For Mrs. A. B. Higgins

Funeral services were conducted Friday morning, September 29, nine o'clock at the residence eight miles northeast of Littlefield for Mrs. A. B. Higgins, who died Thursday afternoon about 5:30 o'clock. Heart disease was given as the cause of her death.

Rev. P. H. Gates conducted the services, and interment took place immediately thereafter in the Olton

The Flag Goes Up—

This company has subscribed to the National Recovery Act, and accepts the moral and financial responsibilities that are involved.

The Price of Electricity Comes Down—

Beginning September 1st, 1933, the 3 per cent Federal tax on domestic and commercial electric bills is no longer paid by our customers. Hereafter the tax will be paid by the company.

This is a Reduction in Your Cost of Electricity—

. . . But it decreases our earnings from commercial and domestic use by 3 per cent . . . The National Recovery Act also subjects this company to additional operating expenses . . . under the code for the industry which now governs this company, we have arranged personnel and working schedules which result in increased payrolls.

These conditions create new, difficult and costly problems for us, but we approach them willingly, glad to contribute what we can to help the nation to better times.

Use More Electricity—

Everyone knows that living expenses have increased. Food, clothing, shelter and the other living necessities are higher today. The purchasing power of the dollar is less than it was a few months ago.

The cost of electric service to our customers is not only down, BUT IT HAS BEEN REDUCED FASTER than any other commodity. The use of electricity in the modern home makes housekeeping a pleasure, effects economy and gives more time for recreation.

Four Girls From Lamb County Enter College at Denton

Four girls from Lamb county have enrolled in the Texas State College for women (CIA) for the 1933-34 session. Two of this number are from Littlefield.

Miss Mary Ruth Neugent, daughter of Mr. and Mrs. E. J. Neugent, 711 E. 8th Street, and Miss Irene Hobbs, daughter of Mr. and Mrs. D. G. Hobbs are the girls listed from Littlefield.

Miss Juanita Eloise Wiles, daughter of Mr. and Mrs. J. F. Wiles of Olton and Miss Bonnie Belle Lyle, daughter of Mr. and Mrs. W. H. Lyle of Sudan are the other girls from Lamb county.

The training of teachers of vocational agriculture begins with the present semester of Texas Technological College. At a September meeting of the State Board of Education, the Texas Technological College was selected as an institution for the training of teachers of vocational agriculture under the terms of the Smith-Hughes act.

DISTRESS AFTER MEALS Relieved By Black-Draught

"I had sour stomach and gas," writes Mr. Jess Higgins, of Dawsonville, Ga., "and often I would have bilious spells. I read about Theford's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headaches and to keep the system in good order." Get a package at the store. Try it! Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

PERSONALS

A large number from Littlefield attended the funeral services at Lubbock Thursday morning for Joe Dick Wilson, little son of Mr. and Mrs. Barney Wilson, including the grandparents, Mr. and Mrs. Ben A. Wilson, Mr. and Mrs. J. T. Bellomy, and son, Quinton, Mr. and Mrs. Carl Doss and family, Mr. and Mrs. F. O. Boles, Rev. and Mrs. J. F. Grizzle, and daughter, Nora Belle, Mrs. R. T. Badger, Mrs. Pryor Hammons and A. C. Treman.

Miss Dell, are planning on leaving Thursday for Snyder, where they will join Mr. Kincaid, who is connected with the Bryant-Link Store. They will make their home in Snyder.

Lloyd Springer, who is connected with the Douglas Aircraft of Los Angeles, Cal., is expected to arrive next week, to visit his parents, Mr. and Mrs. T. M. Springer of four miles east of town.

Mrs. Tom Edwards and children of Willard, N. M. are visiting in the home of her parents, Mr. and Mrs. C. A. West.

W. W. Taylor, who is in the Lubbock Sanitarium, suffering from a ruptured appendix, is somewhat improved.

Norma Faye Harpool, eight year old daughter of Mr. and Mrs. Joe Harpool of near Whitharral, had her tonsils removed by Dr. J. R. Coen Friday last, and is getting along nicely.

Tilden Wright, student at Texas University, is spending a few days with his mother, Mrs. Vernie Wright.

E. C. Paxton, returned to Littlefield Tuesday of last week after spending the summer in Waxahachie and Mineral Wells. He has taken up his duties as manager of the Doggett Grain Company.

Miss Laura Virginia Bills, who spent the summer with her parents, has returned to her studies at the West Texas State Teachers College.

Mrs. A. C. Bennett and daughter, Alice, of Rotan, are the guests of Mr.

and Mrs. Lee Bennett.

Miss Ervin, who is visiting her sister and brother in law, Mr. and Mrs. Raymond Renfro, and who has been ill for the past few days, is slightly improved.

Mr. and Mrs. Bock of Earth were in Littlefield Saturday on business.

Miss Dahlia Hemphill spent the week end with her parents, Mr. and Mrs. A. G. Hemphill.

Rev. Gus Dunn of Dearborn, Mich., arrived Saturday, and has taken over his duties as pastor of the Church of Christ.

Mr. E. C. Paxton will operate the Blair Grain Elevator in Littlefield this season for the Doggett Grain Co., and in the market now for some good maize heads and sudan. Doggett Grain Co. 26-27

Mrs. Henry Banks left for Lubbock Monday to spend a few days with Mr. and Mrs. C. F. Gale.

Vench Payne, superintendent of the Union Compress & Warehouse Co., left Saturday on a business trip to Pittsburg, Texas. He will return late this week.

Race Measure Is Up in House For Reenactment

The Texas house voted Friday, 84 to 48 in favor of engrossing a bill to reenact the law legalizing the certificate of wagering on horse races as a separate statute. The bill will come up for final passage on the next legislative day.

An amendment was adopted to legalize dog races. It was offered by Representative W. E. Clayton of El Paso and adopted 75 to 52.

The bill would make numerous changes in administrative features of the law and would increase the state's share of the commissions on wagers and provide for license fees for racing meets, jockeys, trainers and owners.

A vigorous assault on the bill and its proponents was made by Representative Harry Graves of Georgetown, chief opponent of the bill at the regular session. Graves charged its authors had resorted to parliamentary trickery to get it passed then.

"They know it was unconstitutional or they wouldn't be back here now trying to reenact it," Graves shouted.

Representative T. H. McGregor of Austin, author of the bill, said legislation by riders was a proper procedure and stressed the revenue raising features.

If you want the races to run for nothing, vote against this bill, but if you want to see the state get some revenue out of racing vote for it," McGregor said.

Graves' amendment to strike out the enacting clause was defeated 80 to 51.

The proposed salary of \$6,000 for the chairman of the racing commission, was cut to \$3,000. Ex-officio salaries of \$1,200 annually for other members of the commission were eliminated.

Expenses of the commission were limited to \$20,000 annually and it was specifically provided that none of the expenses should be paid from the general revenue fund.

Fees for racing meets would be on a graduated basis, ranging from \$100 in or near smaller cities to \$2,000 in or near large cities. Arlington Downs, racing plant between Dallas and Fort Worth, would pay a fee of \$2,000 per meet under the bill.

The bill also would permit wagering on entrants in saddle horse exhibitions.

A bond of not to exceed \$50,000

would be required of operators of racing meets, conditioned that the meet would be legally conducted and the state taxes would be paid.

A portion of the taxes would be used by the state department of agriculture to foster breeding of better livestock.

Santa Fe Offers Special Rate to Dallas Fair

Special reduced rates to the Dallas Fair, which will be in progress October 7 to 22 inclusive, have been announced by the Santa Fe railway.

A complete announcement of the reduced rates is published in an advertisement in this week's issue of the Leader.

A special feature of particular interest to Littlefield and this section is the fact that for the duration of the fair the Santa Fe will have a special week end rate of \$8.50 round trip from Littlefield and \$7.70 round trip from Lubbock.

The Santa Fe offers an overnight service between Lubbock and Dallas.

Price Fixing Is To Be Rejected

Price-fixing in the form of minimum mark-ups for the \$9,000,000 food and grocery industry is slated for definite rejection by the farm adjustment administration.

This was disclosed Friday after the administration ordered a public hearing for October 9, on a master code for the industry including marking up provisions of 2 1/2 percent for wholesalers and 7 1/2 percent for retailers.

In announcing the hearing, some of the principal officials of the administration expressed disapproval of the plan. Soon afterwards it became known that George N. Peek, the farm administrator, had determined that no price-fixing would be authorized for distributors by the farm administration except where codes or marketing agreements dealing with agriculture assured parity prices for farm products.

Leader want-ads get results.

Agricultural Code Is Submitted

A code for agriculture under which fixed prices would be paid farmers based on the cost of producing their commodities was submitted to George N. Peek, farm administrator, Friday by representatives of two Middle Western farm organizations.

The delegation included representatives of the Farmers Union and the Farmers National Holiday Association.

Members of the delegation said they believed agriculture was entitled to prices based on the cost of produc-

tion "as well as industries and public utilities."

They refused to reveal complete details of their proposed code, but said it would provide for farmers themselves determining their cost of production. They said a method of production control would be included in the code so as to prevent fixed prices from resulting in aggravating the farm surplus problem.

Members of the delegation included R. S. Norman, Plainview, Texas, a farmer.

GRAMMAR SCHOOL ECHOES

By Kathryn Jones and Bernice Gattis

The grammar school football team played the High school freshman team last Thursday. The score was six and six. They will play them again in a future date, and will also play Amherst Thursday, October 5.

Six weeks examinations were given Tuesday instead of Wednesday, where the children who were planning to attend the Panhandle South Plains Fair, at Lubbock, would not miss the examinations.

Pupils who fail to bring their lessons prepared or do not get in line when the bell rings, will be required to stay in the Detention Hall, beginning at 12:30 and shall stay as long as the teacher requires.

The Grammar school will no longer get out of school for P. T. A. until 4:00 o'clock.

Children who were going to the Panhandle South Plains Fair were given tickets to be used Wednesday, October 4, only.

Lon's Cafe Was Reopened Monday

After being closed several days for improvements, redecorating, etc., Lon's Cafe opened Monday morning. This cafe, which is owned and operated by Lon Campbell, is now handling 3.2 beer, along with his regular dinners, plate lunches, sandwiches, etc.

Ray Jones, well known in Littlefield and section, is now connected with the cafe.

SOUTH PLAINS CREAMERY

Lamb County's Newest Industry

OPEN FOR BUSINESS

Monday, Oct. 9th

Bring in Your Cream and Help Us Off to a Flying Start

WE PAY TOP MARKET PRICES

We have the utmost confidence in the possibilities of a profitable business for both creamery and farmers in this agricultural county. Our hope is to create such an extensive market for creamery products in this and surrounding territory, that the farmers, as well as ourselves, will greatly benefit.

As you know, agriculture is the backbone of the nation, and dairying is one of the farmer's most profitable side lines. Thus, by creamery and farmer working together prosperity is bound to result.

Our formal opening will be announced later, but come in now and let us meet you.

RUBY H. D. CLUB

The Ruby H. D. club met in regular session Thursday, September 28, at the home of Mrs. C. E. Toney with fourteen members and one visitor present. We did not have our regular lesson because Miss Mashburn was in Plainview judging for the Hale County Fair. We discussed and made definite plans for our fair and then Miss Maude Pepper read the six months report of the work done by Miss Mashburn and Mr. Adams for the first six months of the year. Also gave a report of the work done by the club women of the county for the same length of time.

Our next meeting will be with Mrs. J. F. Gibson, October 17, when she will have ready for inspection her 4-H pantry. She represents our club in the "Farm Food Supply Contest." All members are urged to be present bringing a complete report of all foods canned since the first of the year. Visitors welcome.

After adjournment a lengthy social hour was enjoyed, during which our hostess served sandwiches and iced lemonade.

Then we gave Mrs. Gus Clark, a bride of a year, a miscellaneous shower. She was the recipient of several nice gifts.
