

Needed Badly Dressing Room

R.A. Brotherton, local chairman of the Surgical Dressing project, said Wednesday that the new quota for the October-November drive had arrived, but that the quota had not been completely met and they were badly in need of more at the Red Cross room.

Brotherton stated that they had three workers at the room and no helpers at all Wednesday morning; and she asked the appeal to all women who possibly do so, to help in this matter that should any woman be able to give even an hour or day, or at any time, will be appreciated at the Surgical Dressing room.

October-November quota consists of 20,000 2x2 sponges and 900 sponges.

Labor Office In City Hall

The labor office has been moved to the Justice of Peace office in the City Hall in Littlefield, Texas, to V. F. Jones, County agent.

M. W. Etter, representative of the U. S. Employment Service, will maintain headquarters at this office. Sam Farquhar will serve as secretary and will assist Mr. Etter in the labor placement. Farmers who are asked to file orders in the office and every effort will be made to get the needed labor. The labor may also be left at the county agent's office at Amherst.

Boy Awarded Scholarship

Boyd C. Glover of Littlefield is one of the 10 freshman scholarships awarded at Technological College by Reebuck and Company this year. The scholarships were based on scholarship, leadership and business ability.

Assigned To Specialized Training At A&M College

Boyd C. Glover, son of Mrs. Glover, has been assigned to specialized training at Texas A. & M. College. He has just completed his basic training at Camp Texas, in the Infantry. After completing the course of some 18 months he expects to be commissioned as an officer and likely on duty as food inspector in the Army. Boyd was called into service last spring with other students who were enlisted in the reserve. He has a splendid record as a student of the Littlefield school, as a student of Tech in the Army. He expects to receive his degree both in Agriculture and Poultry at the end of the training period. Glover was graduated from Littlefield High School with the class. He enrolled in the A. & M. College for an Army specialized training course on Sept. 19.

Expression of Appreciation The People of Lamb County

Again the people of Lamb County have oversubscribed their War Bond Drives. As Chairman of the War Finance Committee of Lamb County, I want to express my appreciation to all of those who purchased bonds. Especially do I thank Mr. C.O. Stone, Assistant County Chairman, and all Community Chairmen with their workers for the splendid way they conducted the Third War Loan Campaign. The many rallies in the various communities brought to us both entertainment and information, and they aroused our patriotic fervor. I am also grateful for the fine way in which the issuing agents sold the sales of bonds, in spite of the fact that this is a very busy season of the year. I want to thank the Rotary Club of Littlefield for having our men from the different communities, and Mr. Smith, our District Chairman as their guests on the day that we had our initial meeting to plan our campaign. The ladies of our County under the direction of Mrs. Barnett did a most efficient work. I also want to thank them for their service and willing cooperation in making a canvass of the County. I appreciate the courtesy and kindness of the newspapers of the County in publishing all items of interest and in giving the needed publicity in this part of the war effort. It required the combined efforts of all to accomplish the task, and I feel sure that everybody feels a great deal of satisfaction in knowing that the people of Lamb County responded magnanimously to the call.

Sincerely,
PAT BOONE
Chairman War Finance Committee

LAMB COUNTY GOES OVER TOP IN THIRD WAR LOAN CAMPAIGN

Bonds Bought In
Total Amount Of
\$1,009,205.25

Individuals Urged To
Continue Purchase Of
E. (Individual) Bonds

Lamb County as usual went over the top in its quota for the purchase of War Bonds in the Third War Loan Campaign.

C. O. Stone, Chairman for Lamb County's Third War Loan Drive, announced Monday that Bonds in the aggregate amount of \$1,009,205.25 had been purchased in Lamb County up to Saturday night in the present drive. Since the County's quota was \$999,400.00, residents oversubscribed to the amount of \$9,805.25. The above total was made up as follows:

Littlefield and surrounding communities of Bainer, Lum's Chapel, Sunnydale, Spade, Fieldton, and Hart Camp	\$ 506,909.25
Amherst and surrounding territory	172,612.00
Olton	101,650.50
Spring Lake and Earth	48,462.50
Sudan	169,571.00
Total	\$1,009,205.25

Mr. Stone stated Tuesday that inasmuch as the Nation as a whole is short on the purchase of E. (individual) bonds, the time has been extended.

David Storey To Take Army Specialized Training Course

A message was received Monday night by Postmaster and Mrs. W. D. T. Storey from their son, Pvt. David C. Storey, to the effect that he is being transferred to Bethlehem, Pa., where he will enter the Lehigh University, an Army Specialized Training point.

David will study Civil Engineering and expects to receive a degree from that institution after a period of from 18 to 21 months of training. At the end of this training he likely will be commissioned an officer and be reassigned. He has just completed three months training in the Light Field Artillery at Fort Sill, Okla. For the past month he has been stationed at Stillwater, at the Oklahoma A & M College waiting for the assignment which he received.

He left Stillwater Wednesday for Bethlehem, Pa.

David was graduated from the Littlefield High School with the 1939 class at the age of 16. He attended Tech College, Lubbock, four years, and was graduated with a degree in Agricultural Economics in May, 1943. He enlisted in the Army Reserve in the fall of 1942, and was called to active duty on April 23, 1943.

David has always been an outstanding student, and in the General Army Test at Fort Sill, made the extra high grade of 136, a grading of 135 or above with certain

other requirements entitles the soldier to the privilege of applying for enrollment in West Point, but David did not choose to apply for this, but put in application for specialized training at the Lehigh University. A soldier must make a grade of 115 in General Army Test before he is considered for this special training.

Last Rites Sunday For Thelma Cook

Thelma Cook, 16, daughter of Mr. and Mrs. W. T. Cook of Spade Community, passed away Friday afternoon about 5 o'clock at the South Plains Cooperative Hospital, as a result of Diabetes, from which she had only been ill since the Saturday previous.

However, she had not been feeling well for sometime, but had been going about as usual, and it was only when she was admitted to the hospital Sunday that her case was diagnosed as diabetes, and her condition serious. She drifted into a state of coma Monday, from which she did not regain consciousness.

She was born September 2, 1927.

She was a junior in Spade High School, and had attended classes last week, and in addition to going to school, had recently taken great pains in the painting of the woodwork in her room at home.

She was also a member of the intermediate class of the Spade Methodist Sunday school.

Funeral services were conducted Sunday afternoon at the Spade Methodist Church at 3 o'clock, with Rev. C. E. Fike, pastor, officiating, assisted by Rev. W. T. Howell, former Spade pastor, and interment took place in the Littlefield Cemetery under the direction of Hammons Funeral Home.

Deceased was survived by her parents, Mr. and Mrs. W. T. Cook; four brothers and three sisters. The brothers are: S-Sgt. Floyd Cook, (Continued on Back Page)

Thomas Alair Wins First In 4-H Sears Gilt Show

The Lamb County FFA and 4-H Fall Sears-Roebuck Gilt Show was held here Saturday with some good gilts displayed, all of which would be a credit to almost any farm breeding herd.

The show was made up of four FFA gilts, and four 4-H gilts, six of which were shown.

Howard Preston, Vocational Agricultural teacher of Whitharral, was the Judge.

The boys and advisors are appreciative, and have asked the Leader to thank Mr. Preston for taking the responsibility and doing a fine job of judging the show.

The placings were as follows:
First—Thomas Alair, Spring Lake FFA.
Second—W. B. Dickinson, Olton FFA.
Third—Howard Lee Crosby, Sudan FFA.
Fourth—Raymond Enloe, Amherst 4-H Club.
Other boys showing were: Artie Davis, Amherst 4-H, and Bobby Webb, Olton 4-H Club.

Meeting Held Here Wednesday Night To Discuss, Make Plans

Lamb County's Quota
Of United War Chest
Set At \$9,430.00

Organization of Littlefield and Lamb county for the raising of money for the United War Chest of Texas, agency of the National War Fund in this state, was launched at a meeting of civic and patriotic workers Wednesday night in the offices of the Littlefield National Farm Loan Association, called by Dr. C. E. Payne, Lamb County USO chairman.

At the meeting Wednesday night, the chairmen for the various cities and communities were selected, and they will be announced in the Leader next week.

Ways and means of raising the quota for Lamb County, which is \$9,430.00, were discussed by the group.

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$4,885,781 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front.

The United War Chest of Texas will open its campaign with a state-wide radio program out of Austin Sunday night, October 10, from 8:30 to 9.

Treasury Dept. Praise Newspapers

Included in a letter of appreciation to the Lamb County Leader from the Treasury Department, Washington, for the advertising published in the Leader advertising the Third War Loan Drive, Don U. Bridge, Special Consultant for the War Finance Division, said:

"Newspapers turned in another superb performance for the Third War Loan in September. The sale of War Bonds must continue in October and every month. Consistent schedules of newspaper advertising are essential. The solution is a schedule of a page or more of War Bond advertising to appear each week for a year or for the duration, with concentrated campaigns during War Loan months. An amazing total of newspapers, large and small, has sold schedules of this magnitude."

Navy Expands Rapidly

The phenomenal expansion of United States Navy shipbuilding is unequalled in history. No naval construction program of comparable size and speed has ever been accomplished by any other nation. This ability to build is one of the foundation stones of American military strategy and a basic advantage which the American Navy holds over fleets of all other nations. It underlies amphibious attacks. It protects supply routes. Most important, it makes feasible a strategy of attack.

In the 36 months between July 1, 1940, and July 1, 1943, the Navy completed 15,376 new ships of all types. This fleet—standing apart from the U. S. Navy in existence on July 1, 1940—would be one of the largest naval forces in the world. It comprises:

333 combatant vessels aggregating 1,117,054 displacement tons and costing more than three billion dollars.

1,274 mine craft and patrol craft of 199,755 tons costing \$20 million dollars.

151 auxiliaries and 654 yard and district craft. 12,964 landing craft aggregating 610,781 tons and costing more than one billion dollars.

Although the largest tonnage increases are in the combatant subdivision of the program, the steepest rate of increase has been in landing craft. In the first six months of 1942, completions moved up to 10,000 tons or 50 per cent more than the total of the preceding year and a half. In the last half of 1942, more than 20 times the total for the preceding six months was completed.

Speed has not been achieved by an extravagant expenditure of labor. Substantial reduction in man hours has been made in many yards.

Production of Navy planes, as well as ships, has shown great gains. Between January 1, 1942, and July 1, 1943, it quadrupled. Between July 1, 1940, and July 1, 1943, the Navy completed 15,567 planes of all types. Their combined airframe weight is almost 64 million pounds.

To replace the Navy planes lost at Midway would have required half a year at the 1940 rate of production. By June, 1942, when the battle was fought, the losses could have been made up in two weeks. Now they could be restored in less than four days.

Giant strides in Naval ordnance production have been necessary also. New Navy fighter planes fire in one minute five times the weight of projectiles that their 1940 predecessors fired. A modern battleship's anti-aircraft firepower is 100 times what it was three years ago.

To meet these demands more than 2,500 million dollars of naval guns and mounts, ammunition, torpedoes, mines, depth charges, bombs, and fire control devices have been produced since July, 1940. Rate of production has increased 24-fold.

At the end of three years the United States has the mightiest surface fleet in world history. Against the 1,076 vessels of three years ago the Navy now has 14,072. Their combined tonnage is almost 5 million tons against 1,875,000 tons for the fleet of mid-1940.

Despite losses, the new fleet has 613 warships compared with 383 three years ago. Their tonnage—2,217,982 tons—exceeds that of the 1940 fighting ships by 70 per cent.

The United States also has the most powerful Naval air force in the world. Where there were 1,744 naval planes three years ago, on July 31, 1943, there were 18,269—a 10-fold net increase.

ODT Certificates May Be Suspended

The Office of Defense Transportation has announced the policies and procedures to be used in the suspension or revocation of gasoline allotments for commercial motor vehicles.

Under the new policies, ODT certificates of War Necessity may be suspended, recalled, cancelled or revoked for "good cause." This includes:

1. Wilful or negligent failure to comply with applicable ODT orders and regulations.
2. Fraud or wilful misrepresentation in obtaining a certificate.
3. Wilful falsification of records or reports required by the ODT.
4. Abandonment of the operations for which the certificate was issued.
5. Prohibition by the ODT of the operations certified.
6. Erroneous issuance of a certificate.

It is to provide a uniform basis for the suspension, recall, cancellation or revocation of a certificate of war necessity, that the ODT has now formalized both its policies and procedure in orders covering the subject, the ODT said.

No general recalling of certificates is expected, however, for each certificate must be handled separately and its recall must be based on individually documented good cause.

Under this procedure, the truck, bus or taxicab operator whose certificate is under consideration for suspension or recall must be notified of this fact by registered mail. This notification must be accompanied by the reason for the proposed action set forth in detail.

Such action will in all cases be initiated by the ODT Motor Transport District office which has jurisdiction over the certificate.

When an operator is notified to show cause why his certificate should not be suspended, recalled, cancelled, or revoked, he has the right to present evidence in his behalf and may obtain an oral hearing. In the event of an adverse decision by a district manager, an appeal may be taken to the regional director of the ODT.

If the operator is not satisfied by the regional director's decision, a final appeal may be made to the director of the Office of Defense Transportation.

When an appeal is made or oral hearings are requested the order for recall, suspension, revocation or cancellation of the operator's certificate will be stayed pending the outcome of the appeal or hearing.

Wherever possible, hearings will be held at places convenient to the certificate holder and the witnesses. Every opportunity will be given the certificate holder to present his case and he will have the right to appear in person or be represented by counsel, present evidence, cross-examine witnesses and to obtain a transcript of the testimony, the ODT said.

The policies and procedure announced by the ODT were contained in two orders, Amendment 9 to General Order 21 and Administrative Order ODT 5.

At the same time, the ODT issued Administrative Order 8, which formalizes present procedures covering review of motor fuel and mileage allotments for commercial motor vehicles.

The three orders became effective October 1.

AGRICULTURE PREPARING FOR 1944

Easing of the rationing restrictions on farm machinery, increased production of new farm machinery, and a campaign among farmers to "Keep Your War Equipment Fit and Fighting" are indication of plans now being laid by the War Food Administration to meet increased production goals for 1944. Suggestions for expanded wartime production have been sent for consideration to State Agricultural War Boards and other farm representatives. State boards have been asked to set 1944 goals. The national program calls for a record-breaking 380 million acres in crops. Problems relating to labor, machinery, supplies, conservation practices, and

prices will be considered at 48 meetings of state groups with representatives of WFA during October.

NEW TIRE RULINGS

Eligibility for new passenger (grade 1) has been restricted "C" book drivers with a mileage 601 miles or more per month. "B" drivers and some "C" holders will now be eligible for used and recapped tires. Number of new passenger tires available for rationing in the October quota will be reduced by fifth, the OPA recently announced. Quota for farm tractor and implement tires for October is 59,800 compared with 73,600 in September.

GERMANY FAR FROM "COLLAPSE"

The German Army has nearly three times as many combat divisions in the field today as there were when the attack on Poland began four years ago, Major General Geo. V. Strong, Assistant Chief of Staff G-2 (Military Intelligence) declared recently. Discounting any likelihood of an early collapse of either Germany or Japan, General Strong disclosed that the Germans had replaced the 20 divisions lost at Stalingrad last winter, and that the German Luftwaffe was larger now than

in 1939. He said also that the weapons the Germans are making use in some cases better than any which the United Nations have.

CORN PRICE PROGRAM

Farmers in Illinois, Iowa, Eastern Nebraska, Eastern South Dakota, and Southern Minnesota who sell and deliver corn to country elevators from September 28 through October 31, 1943, will be paid any increase that may be made in the ceiling price between the date of sale and November 30, according to the War Food Administration.

POTATO PRICES

Specific ceilings for white potatoes of the late 1943 crop have been set by months for October, 1943, through June, 1944. These prices continue the general price level set for the spring crop of potatoes at the country shipper and intermediate seller levels with allowances for graduated monthly increases to take care of storage charges. Because of the large crop this year, it is expected that potatoes generally will sell substantially below the retail ceilings.

Mr. And Mrs. Oscar Walters Honored At Farewell Dinner And Shower Mon.

Mr. and Mrs. Oscar Walters were honored at a farewell dinner party and shower Monday evening at the home of Mr. and Mrs. Barto Ramsey.

Mr. and Mrs. Walters were guests at the Ramsey home for dinner, following which they were agreeably surprised when a large group of friends gathered at the Ramsey home to honor the couple with many beautiful and useful gifts as a token of the great love, admiration and appreciation felt for this couple, and their work in the Ninth Street Church of Christ, of which they are members of long standing, and which rendered invaluable service.

Mr. and Mrs. Walters have purchased a home in Ballinger, and will move soon to their new location. They have been residents of Littlefield for many years, and will be missed by their large circle of friends here.

During the evening songs were sung, including "In the Garden," by Mary and Margie Gregg; and "Silent Night," in Spanish by Elma and Thelma Peacock of Olton, 9 year twins. Present for the gathering were: honor guests, Mr. and Mrs. Oscar Walters; and Mr. and Mrs. Edward Peacock and daughters, Elma and Thelma; Mr. and Mrs. W.

R. Kirkpatrick and Jannie Sue, Welton and Robert, all of Olton; Mr. and Mrs. L. L. Brawley and son; Mr. and Mrs. E. J. Foust; Mr. and Mrs. J. S. Redman; Mr. and Mrs. J. W. T-5 William Eudy Honored At Dinner At Sinclair Home

Mrs. L. D. Sinclair entertained with a surprise dinner party Tuesday evening of last week honoring T-5 William (Bill) Eudy.

Those attending were: Mr. and Mrs. Roscoe Wood and family, Mr. and Mrs. A. B. Roberts and family; Less Sinclair, Grandma Parsons, Reba and Mrs. Lou Sinclair, Mary Holland and daughter, Mrs. Montgomery, Mr. and Mrs. L. D. Sinclair and family, Lula Mae Eudy and son, Billy Don, and the honoree, T-5 William W. Eudy.

Eudy was stationed at Fort Knox for six months. He was moved to Camp Campbell, Ky., last month. He was home on furlough for 11 days. His wife and son live in Littlefield.

T-5 Eudy has been in Service since February 17, 1943, and is a tank mechanic.

Mrs. Otha Key Hostess Twentieth Century Club

Mrs. Otha Key was hostess to members of the 20th Century Club Wednesday of last week at a bridge-luncheon.

Luncheon was served at the Littlefield Hotel, where an arrangement of garden flowers formed the centerpiece for the dining table.

Following the luncheon, bridge was enjoyed by the group. Scoring high were: Mrs. Bob Lewis, high; Mrs. W. D. Watkins, second high, and Mrs. Art Chesher, third, to whom defense stamps as prizes were awarded.

Enjoying this social affair were: Mesdames Art Chesher, W. J. Chesher, Bob Lewis, W. D. Watkins, C. E. Payne, Edwin Fowler, A. R. Hendricks, Wade Potter, J. D. Hagler, Charles Signor, L. C. Hewitt, Hardy Shelby, and Mrs. C. E. Cooper and her sister, Mrs. Morris.

Alma Joyce Short Honoree At Birthday Party Saturday Last

Mrs. Lowell Short entertained a group of children Saturday afternoon honoring the eighth birthday

of her daughter, Alma Joyce. Games were enjoyed by the children, and a lovely array of much appreciated gifts presented to the honoree.

The beautiful white birthday cake with pink and green decorations, and bearing eight candies, was cut and served with pink ice cream to the following guests: Burns and William Ann Hamilton; Kay Hendricks, Polly Lou Potter, Rosa Lee Hemphill, Peggy and Linda McCormick, Leland Stone, Phyllis Jeffries, Elois White, Charlyne Weigle, Bob Hoover, Connie Ray Loyd, Barbara Sue Cushman, James Renfro, Sue Watkins, Carol Sue Haynes, Shirley Ann Weatherford, Oretha Rodgers and Ronnie Vorheis.

Miss Joyce Beisel And Flight Officer Robert H. Copple Wed

Miss Joyce Beisel, daughter of Mr. and Mrs. R. D. Beisel, became the bride of Flight Officer Robert Copple Friday, September 10, at Long Beach, Calif.

The beautiful single ring ceremony was performed by Rev. L. V. Cas, Chaplain of the Air Corps, at 8 o'clock in the evening at the Chappel, Long Beach.

The bride was attractive in a red and white printed silk Jersey dress with matching accessories. Miss Gertrude Shipton of Long Beach was maid of honor, while Lieut. Dale Roberts attended the groom.

Other members of the wedding party were: Lieut. and Mrs. S. S. Lawrence; Lieut. and Mrs. J. O. Eddy, and Lieut. and Mrs. Gene Schaff.

Since her father, Sgt. Beisel, has been in the Service, Mrs. Copple and her mother have been making their home in Lubbock, where she graduated from the Lubbock High School with the 1942 class, where she was living at the time of her marriage. Previous to that she had obtained her entire

schooling in Littlefield.

Sgt. Beisel is connected with the 8th Air Command, stationed "somewhere in England," and has been overseas about four months.

The groom is the son of Mr. and Mrs. Copple of Santa Monica, Calif. He was commissioned and received his wings at the Lubbock Army Airfield in January, 1943. Later he was transferred to Long Beach, which is his "home base."

Flight Officer and Mrs. Copple have been making their home at Los Angeles due to crowded conditions at Long Beach.

Miss Geraldine Robinson Is Honoree At Dinner Party

Miss Geraldine Robinson, who has enlisted in the Waves, and left Monday night for training, was honored at a dinner party Sunday at the home of her grandparents, Mr. and Mrs. J. M. Blessing, three miles east of town.

A delicious dinner, including fried chicken, were served, following which Zed Robinson played the piano and sang several numbers, much enjoyed by the group.

Present were: the honoree, Miss Robinson; Mrs. Mary Edith Yantis, Mrs. Jess Dow of three miles southwest of town; Mr. and Mrs. Zed Robinson of Enochs; Mrs. W. W. Turner of Fort Worth; Mr. and Mrs. Roy Blessing and two sons, James Earl and Jerry; and Mr. and Mrs. J. M. Blessing.

Miss Robinson was graduated from the local High School with the 1935 class; and majored in physical education with a minor in history, during her 3 1/2 years college work at Tech College. She received her BS Degree in Physical Education on August 20 last. When she enlisted in the Waves she signed up for physical education and recreational work. She left for Dallas Monday night, where she was scheduled to join a group of Waves, and travel with them to New York, where she will report at Hunter College today (Thursday).

Stop by and enjoy one of those delicious steaks or plate lunches at the Home Cafe. 28-1tc

Miss Wilma Blaylock And Lt. W. L. Holloway Wed At Farwell, Texas

Mr. and Mrs. W. L. Blaylock of Maple are announcing the marriage of their daughter, Wilma, to Lieut. Wilburn L. Holloway, son of Mr. and Mrs. M. W. Holloway of 2203 Twenty-fourth St., Lubbock, which took place recently in Farwell at the home of the officiating minister.

The bride wore a gold alpaca dress with black accessories and for something old she chose a gold locket belonging to Miss Ruth Clark.

Attendants were Lieut. and Mrs. William B. Jackson of Lubbock and Miss Clark of Muleshoe.

The bride is to continue her teaching duties in the Muleshoe schools. She is a former student at West Texas State Teachers College, Canyon, where she was active in campus fine arts activities.

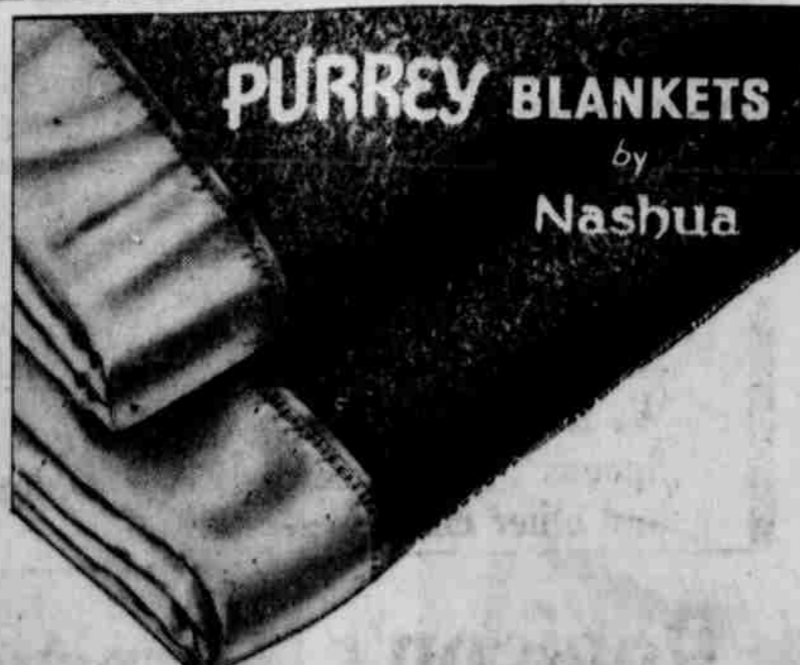

Lieut. Holloway enlisted in the Army Air Forces in December, 1941. He spent most of his enlisted service as sergeant major at post operations at Mobile, Ala., and went from there to OCS at Miami Beach, Fla., where he received his commission last April. He was graduated from Army Air Forces School of Applied Tactics at Orlando, Fla., in July and since that time he has been with the Second Intercept Command at Seattle, Wash. He is now to be stationed at Maxwell Field, Ala., for pilot training.

Now Good Time To Plant Vegetables For Winter Season

Now is the time to consider planting the winter vegetables—green leafy vegetables, yellow vegetables, vitamin-rich vegetables. No garden should be idle during the fall and early winter and from gardens should be green all the winter long, says Mrs. Mona K. Hildreth, County Home Demonstration Agent, Extension Service. Vacant garden space is slacker space.

Cabbage, collards, spinach, carrots, and onions are the most cold resistant of the fall vegetables. If cold resistant vegetables are planted in September or early October when the weather has cooled, they will have an opportunity to make some growth and become toughened before the beginning of cold weather.

Spinach likes a limy soil, and a firm seed bed. After seed are planted, walk on top of the row or tramp with a hoe. Bloomsdale Savoy is a good variety for dry climate.

Special soil preparation is needed for carrots. Spade the soil 8 to 10 inches deep, mixing in well rotted manure or compost to prevent packing. When carrots come in contact with hard layers of subsoil they become misshaped, and for this reason a deep, specially prepared seed bed is essential. Danver's Half Long, Chantenay and Nantes are good varieties.

Small onions left from the spring garden may be planted in the place of sets to produce green onions by Thanksgiving. During December, January and February onion plants are available at seed stores. These will produce mature onions for harvest and storage during late spring and summer. Bermuda is the most common variety used.

Root vegetables which are maturing when cool weather begins will store well in cellars and storage mounds. Carrots, beets, and turnips for storage should be topped as soon after harvesting as possible. Leave about one inch of stems. Squash, such as pumpkins should be stemmed similarly. Where late tomatoes are threatened by frost, the entire plant may be pulled up and hung in the cellar. Tomatoes harvested as they approach maturity will ripen into fruit of excellent quality.

For more detailed information, Bulletin No. 111, Storage Structures and the Home Storage of Vegetables and Fruits, may be obtained free from your county extension agents.

HIGGINBOTHAM BARTLETT CO. LITTLEFIELD

Sophia

Mrs. Kimball and Mrs. Worthington, dressed soberly and wearing their best black gloves, walked along the stony country road back toward Sophia Hardy's farm, to pay their visit of condolence.

"How do you reckon she'll be bearing up?" Mrs. Kimball asked Mrs. Worthington. Both ladies wore their most solemn, funereal expressions.

"A mighty severe blow," Mrs. Worthington said. "Mighty severe. To lose your only son, the mainstay of your declining years. And such a dreadful death, too—to go down with a ship. Mercy!"

"The first of our boys from Hand County to go, too," Mrs. Kimball said, mournfully. "I wouldn't blame Sophia Hardy for feeling right bitter."

They stood on the simple stone doorstep, with downcast eyes, getting themselves into the proper commiserative mood.

"Come in!" The voice was brisk and cordial. They looked up in surprise. Sophia herself had come to the door. As they followed her into the parlor they exchanged glances, with eyebrows lifted. Sophia was not even in mourning. The parlor shades were not even drawn.

"It's nice of you to come," Sophia said. "Do sit down."

"We came," Mrs. Kimball said almost reprovingly. "to tell you that our hearts are bleeding for you in your great loss."

"We know how lonely you must be out here," Mrs. Worthington said. "With nothing to take your mind off . . . off . . ." She sniffed and reached in her purse for a handkerchief.

"Oh, I keep busy," Sophia said. "I've just finished applying for the Government insurance on Tom's life."

The visiting ladies could not resist a shocked glance at one another.

"I want to get it right away," Sophia said. "So I can put it into War Bonds. My boy hasn't finished fighting yet, not by a long shot."

The ladies were so occupied with feeling horrified, so titillated by this callous behaviour in a bereaved mother—that neither of them noticed Sophia's hands. Under the folds of her clean print dress, against the seat of her chair, they were tightly clenched.

4-H CLUB STOCK SALES

Stock produced and sold under the auspices of 4-H Clubs is rated by the meat rationing regulations the same as other livestock, according to OPA. This means that only persons who may obtain a slaughtered meat point free from livestock producers. However, permits such recognized boys' farm organizations as 4-H to sell their livestock at a exhibition, or an animal show premium prices, as money from sales usually helps provide educational funds for Club members.

VITAMINS FOUND IN SWEET BELL PEPPERS

An abundance of vitamins have been found to be stored in sweet bell peppers says Mrs. Mona K. Hildreth, County Home Demonstration Agent, Extension Service. If the peppers are served fresh, mothers you will be serving vitamins A, B1, or Thiamin, and C, to your families. Peppers will still contain A and some B1 if they are canned. So a wise trick for mothers to do, if they have more sweet bell peppers on hand than they can use, is to can them or brine them.

The following recipes are recommended:

Canned Bell Peppers
Can the sweet bell pepper with the skin on. Remove the seed-pod. Boil five minutes, flatten and pack tight in hot jars, add 1 level teaspoon salt to each quart, fill with cooking water and process for 45 minutes in a hot-water bath or for 15 minutes in a steam pressure cooker at 12 pounds. Remove from canner and seal immediately.

Brine Sweet Bell Peppers
Select fresh peppers free from blemishes and of good shape and size. Leave about 1-8 of the stem on the peppers when picking them and brine in the same way as cucumbers. Start with a 40-degree brine, increasing to a 60-degree brine. It will take between six to seven weeks to brine them.

With South Plains Men In The Armed Forces

Sgt. Jack Norman of the Marines, who has been confined in a hospital at Camp Pendleton, Oceanside, Cal., was released September 15, and has been assigned to Camp Pendleton as an instructor of personnel. Sgt. Norman's work is of a post graduate nature. He told his parents he was feeling fine.

James Norman, brother of Sgt. Jack Norman, is in civil service, and is employed in the engineering department at the South Plains Army Airfield.

S-Sgt. Louis Cook, son of Mr. and Mrs. W. T. Cook of Spade, who is in the Supply department of the Air Corps, stationed at Azo, Ariz., arrived Sunday on a 15 day leave due to the death of his sister, Thelma Cook, who passed away Friday, and funeral services were held Sunday.

S-Sgt. Floyd Cook, brother of S-Sgt. Louis Cook, who is stationed at Douglas Airfield as a Flight Chief, arrived Wednesday of last week on a 15 days' leave.

Bill Cook, brother of S-Sgt. Floyd Cook and S-Sgt. Louis Cook, who is with the Navy, and stationed at San Diego, arrived here Friday morning on an 11 day leave. He is due to leave today, unless his time should be extended.

Winston Roundtree, 18, Pharmacist Third Mate, and son of Mr. and Mrs. Jess Roundtree of Hale Center, left Sunday for his base at Portsmouth, Va., after a 15 day leave, and visit with his parents and friends. He has been in the service since January, 1943.

TRADES FARM AND MOVES TO CITY

A deal was made this week whereby Mr. and Mrs. W. E. Callis traded their farm five miles northwest of Littlefield to O. C. Burns. Mr. and Mrs. Burns moved to their newly-acquired place Monday, and Mr. and Mrs. Callis moved to the residence on West Seventh Street received in the trade from Mr. Burns.

Junior Study Club Meet And Reorganize

The few members of the Junior Study Club who had not moved away during the summer vacation, met with Mrs. Addie Spikes Tuesday night of last week and partially reorganized. Most of the officers who had been elected for the coming year are out of town, either permanently or for the duration. In the absence of the president, Mrs. Edward Betts, Mrs. Dick Carl will serve temporarily. It was decided to meet on the regular meeting nights, the first and third Thursday nights of each month. After the business meeting, refreshments were served to Misses June Wren, Katie Stith, Olene Robbins, Mrs. Dick Carl and the hostess, Mrs. Addie Spikes.

ELECTED CLASS OFFICERS

Misses Lucille and Audrey Melton of Olton were elected to class offices at Texas Tech recently. Class meetings were held following the first convocation of the year, at which President Clifford B. Jones gave his annual report on college activities.

Lucille, junior vocational home economics student, was elected Association of Women Students representative for the junior class.

Audrey, sophomore in the same department, was named home economics representative to the student council for the sophomore class. Both are daughters of Mr. and Mrs. A. D. Melton.

With Amherst Men In The Armed Forces

Pfc. Eli Barrett of Biggs Field, El Paso, visited Mr. and Mrs. Odie Dunn Sunday and Monday.

Cpl. Bill Bolden from the LAAF visited friends in Amherst this week.

Cpl. Joe Thompson was shipped back from Orlando, Fla., to Rapid City, South Dakota.

Pvt. W. R. Montgomery, son of Mr. and Mrs. W. R. Montgomery, of Amherst, who has been in the service nine months, with an ordnance division, and arrived home on a 13 day leave Tuesday of last week, will leave today for Camp at Auburndale, Mass.

Pvt. Montgomery has just taken a six weeks' course at Tank School at Center Line, Mich., and previous to that was stationed at Auburndale.

Mr. and Mrs. Montgomery have another son in the service, Cpl. Roger V. Montgomery, in service four years, and is in the Coast Artillery. He has been overseas for the past 20 months, and is stationed "somewhere in the Aleutian Islands." On October 1, he was in the Army four years, and has not been home in that time. His mother received a

letter from his last week, the first in two months.

In his letter he stated he was alright, and that he had received the watch she sent him.

Amherst Personals

Mrs. Archie White and son of Los Animas, Colo., returned home Monday after visiting in Amherst two weeks.

Mesdames Gertie Kelly and C. M. Colton were shopping in Lubbock Tuesday.

Miss Marie Propes and Elizabeth Stanley visited in Littlefield Tuesday.

Mr. and Mrs. J. R. Nichols are the parents of a son born September 28 at the Amherst Hospital.

A daughter was born to Mr. and Mrs. H. E. Henderson of Earth Saturday at the Amherst Hospital.

A son was born to Mrs. Redena Mosley of Sudan at the Amherst Hospital Sunday last.

Miss Bennie Lou Davis And Melvin B. Dutton Are Wed

Miss Bennie Lou Davis, daughter of Mr. and Mrs. Ben Davis of near Amherst, and Melvyn Dutton, son of Mr. and Mrs. A. L. Dutton of near Sudan, were united in marriage Saturday, September 25, at 6:15 p. m., at the Amherst Methodist Parsonage, with Rev. R. H. Campbell, pastor, officiating, in a double ring ceremony.

Attending the couple were: Misses Mozelle Usiton, Mary Lois Black and Margaret Pennington.

The bride is a graduate of the Amherst High School with the 42-43 Senior Class. She attended West Texas State College at Canyon this past summer.

The groom is a graduate of the Knox City High School with the 1939-40 class. He volunteered for the Navy September 4, 1942. He has been home on leave.

The couple have a host of friends in this area who wish them much happiness and success.

They left for California Saturday, where they will make their home as long as the groom is in the United States.

James W. Blue, a son of W. E. Blue of Bula, Texas, has arrived at the Army Air Forces Training Command Post, Scott Field, Ill., where he will receive an intensive course in radio operating and mechanics to fit him for duty as a member of a fighting bomber crew.

During his training period there, Pfc. Blue will be tested by experts as to aptitudes for special types of work, and when his course is finished he will be sent to more advanced training centers which are part of the vast network of Training Command schools. Upon graduation he will be well qualified for duty as an expert radio operator or technician wherever his services are required by the Army Air Forces.

Scott Field is located six miles from Belleville, Ill., in the "Looking Glass country," immortalized by Charles Dickens. Formerly a train-

ing ground for aviators in World War I, it is now devoted exclusively to the production of radio operators and mechanics.

J. W. Johnson has been advanced in rate to Aviation Machinist's Mate, third class, according to word received locally today from Johnson's commanding officer at the Naval Air Station, Alameda, Calif., where he is now stationed.

Johnson is the son of Mr. and Mrs. James W. Johnson of Route 1, Littlefield.

He enlisted in the Navy November 23, 1942, at Santa Fe, N. M.

Aviation Cadet Orville H. Nance, husband of Mrs. Ople Anne Nance, Littlefield, arrived this week at the Aviation Cadet Pre-Technical School of the Army Air Forces Eastern Technical Training Command at Seymour Field, North Carolina.

He will be stationed here for Officer Basic Training, after which he will be sent to advanced technical school for specialized courses. He entered the service on June 9, 1942.

Sidney E. Lucas, son of Mr. and Mrs. J. H. Lucas, connected with Civilian Defense, is now overseas, according to a cablegram received here last week.

Lucas is a graduate of Littlefield High School, and has many friends here.

William Carlton Cowan, Second Class Petty Officer and Carpenter's Mate, who has been overseas for about a year, and stationed at Kodiak Island, in the Aleutians, arrived home on a 15 day furlough. He is the son of Mr. and Mrs. J. W. Cowan, formerly of Littlefield,

but now of Petersburg, Texas. He was allowed a furlough due to the illness of his mother. He and his family were visiting relatives and friends in the Littlefield area over the past week end.

Flight Commander Edgar Walters, connected with the Aviation School, at Brady, Texas, arrived home Sunday to spend until Tuesday with his parents, Mr. and Mrs. Oscar Walters, and other relatives here.

Walters is also a member of the enlisted Reserve.

Cpl. Everett Bell, 20, son of Mr. and Mrs. W. W. Bell, connected with a tank division, is now overseas, according to a communication received by them last week.

Cpl. Elbert Bell, another son of Mr. and Mrs. W. W. Bell, recently landed overseas, and was in North Africa when he wrote his parents,

which letter was received Monday. He said he was getting along fine, and liked the country.

Pfc. Gerald Jacques, stationed at Dodge City, Kans., and brother of Mrs. L. M. Brandon of this city, returned to his airbase Tuesday after spending since Saturday with his parents, Mr. and Mrs. L. W. Jacques, at Earth, and other relatives, including Mr. and Mrs. Brandon. Pfc. Jacques is in advanced Army

training, and expects to be transferred to cadet training.

Pfc. Jess Wright, stationed at Marianna, Fla., as a link instructor in the Air Corps, is expected to return about October 25, and receives same, he and Mrs. Wright, who has been living near his parents, will come to Littlefield for a visit with her parents, Mr. and Mrs. Ferguson, and other relatives.

Recruit Women From Sept. 27-Dec. 7 For Texas Company
 In accordance with a state-wide proclamation made Wednesday, September 29, by Governor Coke R. Stevenson, the West Texas Recruiting District has adopted the All-States Plan whereby it will enlist members for the Women's Army Corps. This plan, promoted by the War Department through the state governors, will establish State WAC companies, and any women in Texas who enlist in the Corps between September 27 and December 7 will become a member of a Texas company and will remain in that group through her basic training. The first Texas company will be sworn in by Governor Stevenson in Austin on October 18.
 The All-States campaign has been launched to call for WAC recruits to make up a portion of the total battle casualties in this war to date.

In the Eight Service Command, according to Major General Richard L. Donovan, there must be 7,224 new recruits for the WAC in order to fulfill the percentage of battle casualties from this Service Command. The headquarters for the West Texas Recruiting and Induction District is in Lubbock, Texas, and the sub-stations are located in El Paso, Odessa, Big Spring, Sweetwater, Pampa, Childress, and Amarillo. WAC officers are on duty in each of these stations and are ready to furnish information concerning the Women's Army Corps.
EASIER TO GET PRESSURE CANNERS
 Pressure canners may be bought for individual home use under liberalized regulations now followed by the Agricultural War Boards. Many Ways To Save Food Says H. D. Agent

One way to increase U. S. food supplies is to stop waste in production as well as in preparation of food says Mrs. Mona K. Hildreth, County Home Demonstration Agent, Extension Service.
 Last year 88 of every 200 pigs died before they reached sufficient size for slaughter, the pork supply for family dining tables reduced by about two-fifths.
 The loss of food from the field to the table is equally appalling when you consider vegetables. Four of every dozen tomatoes grown goes into the garbage can. Of a dozen apples or peaches or pears, about three are wasted. A fourth of every head of cabbage is lost because of damage to the outer leaves. When you peel a pound of potatoes you throw about one-fourth of that amount into the garbage can. The waste in peeling usually varies from one-sixth to one-fourth the bulk. And this amount could be saved by cooking the spuds with their jackets on!
 Now for a look at the dairy products. Three out of every 100 cans of milk delivered to Texas cheese factories are returned to farmers—unfit for human consumption. That's a loss of 39 carloads of cheese—even though acres of land and days of labor were used to grow feed. Even though the feed was harvested, stored, and put in the feed troughs. And the cows were milked, the milk handled and delivered.
 Every year in Texas about 15,000 cans of cream are dumped because of spoilage. That represents a loss of 16 carloads of butter. In other words the cream and milk condemned in this state every year represents the yearly production of 3,249 average cows.
 Let's do our part and stop this waste!

A Yank flyer who pilots an American bomber over Germany!
A young woman doctor serving in the Red Army Medical Corps! These are the central characters—characters who have thousands of real-life prototypes today—in "Bomber's Moon," the spectacularly thrilling new 20th Century-Fox hit which opens at the Ritz Theatre Saturday midnight, continuing through Sunday and Monday.
With its collective eyes always closely on the news headlines, 20th Century-Fox saw in the real life adventures of such heroic figures, whose exploits have captured the imagination of the United Nations, a thrilling, action-packed motion picture—and forthwith set out to produce it with George Montgomery and Annabella starred in the leading roles.
Leading a bomber mission over Germany, George's plane is shot down—but not before he has seen his young brother brutally machine-gunned to death as he parachutes to earth.
In a Nazi internment camp, George meets Annabella, a captured Red Army doctor who ministers to the camp's prisoners. During an air raid the two manage separate escapes—and meet outside the prison. Joining forces, they begin the dangerous journey across Germany to Holland, from where they hope to escape to England.

and Mrs. Hollis Hancock of Beaumont.
Members of the Junior class of Spade High School and Intermediate group of the Methodist Sunday School of that community, of which deceased was a member, acted as flower bearers.
Pallbearers were: Miller Syrgley, Harry Woody, James Duke, D. H. Allen, Raymond Kuykendall, and Homer Miller.
All her brothers and sister were present for the last rites, except her sister, Mrs. Cecil Case of Amarillo, who is ill, and was unable to come.

He urges, therefore, the necessity of continuing the purchase of these bonds by individuals.
Lamb County's quota on E. Bonds was \$371,000, but only \$340,000 in this denomination were purchased.
Pat Boone, County Chairman of War Bond Committee, and C. O. Stone, County Chairman of Third War Loan Drive, asked the Leader to thank all Lamb County residents, and especially the Committees and their workers in the various cities and communities for their wonderful cooperation and work in putting over this Third War Loan campaign.

Receives Beautiful Gifts from Son in Foreign Service

Mr. and Mrs. W. R. Wilson, who have not heard from their son, Cpl. Robert P. Wilson, since July 18, when he was in North Africa, were last week to receive a letter and a package containing several beautiful gifts, and a number of coins.

Wilson has been in the service since February, 1941, and in service the past 16 months. He is believed to have been in service in North Africa, Sicily and also in Salerno.

The gifts received by Mr. and Mrs. Wilson include a beautiful colored bedspread, hand painted pastel shades, with a ten-inch fringe, which was made in North Africa; embroidered Italian lace centerpiece in Ireland, and paper weight.

in the form of a Cathedral mounted on a natural marble base. In raised lettering on the paperweight are the words, "Roma Basilica Vaticana," meaning a Roman Cathedral; and the following rare coins: Etat Francias 20 Centimes (France) (Centime is 100th part of a Franc) Bon Pour (French) 2 Francs (a silver coin originally of France, equal to 19 1/2 cents); Pevpublqe Francias 50 Centimes (France); Two Canadian pennies; Libertie Egalite Fraternite, 10 Cmes (Latin); One Franc (Switzerland); 2 Centimes (Tunisia); One Shilling (Great Britain); Lira Au Italian Coin; one French Franc (19 1/2 cents); Li a Chinese Copper Coin (in American money it equals one tenth of a cent).

Mr. and Mrs. Wilson have been residents of Littlefield for 18 years, with the exception of about three years spent at Eldorado, Texas. Cpl. Robert P. Wilson was reared here, and attended the Littlefield schools, but was graduated from Eldorado High School. He will be 24 years old on October 28, and his parents sent him Birthday greetings by cablegram September 2.

There was no address on his last letter, only the date, but he told his parents he was doing fine, and working with a dentist, and that he had travelled over 18,000 miles over land and sea since he had left American shores about 15 months ago.

Don't Just Buy War Bonds... Keep Them!

DON'T CASH IN A War Bond or Stamp after you acquire it. That defeats the whole purpose of the bond: the loaning of money to our Government to carry on the war.

If you have a War Bond, and you should have, but need cash, keep the bond and call on us. We can make you a loan, which can be repaid at whatever time is agreed upon. Keep your bond until after the war when you may need it.

Olton Trims Lockney In Football Tilt Friday Night Last

Quarterback Franks personally took care of the winning margin in Olton's 13 to 7 decisioning of the Lockney High School football team Friday night under the Olton maddas.

In the first period after the ball had been pushed down to the Lockney 5 by a series of running plays, he found a hole in the line and squeezed through to score. Hedges, fullback, plunged line for the extra point.

Mitchell, a speedy little halfback, went over line from the Olton 3 in the second quarter, and bucked across the extra point, to account for Lockney's only scoring.

Franks, 158 pounds and touted as one of the best backs in the 5-A circuit, broke over tackle in the fourth, evaded the secondary, picked up an escort and dashed 45 yards for Olton. Hedges' attempt through the line failed in a try for the added point.

Lieut. Mary Lee Carpenter Soltys Is Now Overseas

Must Be Established Prisoner To Receive Mail

Since receiving the postcard notifying them that their son, Thomas J. McFarland, was a prisoner of war at a Japanese Prison Camp, at Moulmein, in Burma, Mr. and Mrs. A. H. McFarland have been making every effort to correspond with him through the American Red Cross.

Inasmuch as his name is not listed on the War Department's files as being a prisoner of war, this fact must be established before any mail will be forwarded through the Red Cross.

The postcard was received here September 21, and in reply to a wire sent the American Red Cross by the local Secretary's office, The American Red Cross at Washington wrote the following letter received here Monday:

"In reply to your wire of September 22, Private Thomas J. McFarland is not listed in our files as prisoner of war.

"It is, therefore, essential that either the card or a photostatic copy be sent immediately to the Prisoners of War Information Bureau, Office of the Provost Marshal General, War Department, Washington, D. C. If the information contained therein is sufficient, then it can be used as a basis for establishing Private McFarland as a prisoner of war and full name, in official records. We cannot over emphasize the importance of taking immediate action in this connection.

"At any time that packages can be sent to a prisoner official labels will be issued without request to the next of kin. Of course, no mail or packages can be sent until the soldier is identified in official records and therefore we would urge the family to take action in this connection.

"If we can be of further service please let us know."

A photostatic copy of the card was forwarded as above to Washington by airmail Monday, and it is hoped will bring the desired result, so that Mr. and Mrs. McFarland may correspond with their son.

Jerry Fred Trapp Drowned Near Yuba City, Calif., Sept. 22

Jerry Fred Trapp, 8, son of Mr. and Mrs. Robert Trapp, who make their home south of Littlefield until March last, was drowned in the Feather River, near Yuba City, California, at 12:10 p. m. Wednesday, September 22.

His body was found six hours later a quarter of a mile downstream by Sheriff A. W. Kimerer, Coroner Burwell Ullery and Deputy Coroner Bert Vedrey, who dragged the waters from a boat.

Thirty men from the migrant Camp formed a human chain, and waded down stream in an effort to locate the body.

Jerry, with six young companions, all residents of the Migrant Camp, decided to "cool off" in the river. None of them could swim, and Jerry and Elton Daniels, wading along, stepped into a hole. Elton grasped a willow branch, and managed to get out, but Jerry could not help himself.

Other boys on the ill-fated jaunt were: Bobby Trapp, brother of Jerry, Donald and A. C. Perrin, James Holden and Glynn Daniels, brother of Elton.

Funeral services were held for Jerry in the Ullery Chapel, Yuba City, Calif., Saturday, September 25, at 10 a. m., with burial in the Sutter City Cemetery.

Surviving the child, besides his parents, and his brother, Bobby, are two sisters, Betty Jo at home, and Mrs. Nora Eilers of Merced, Calif.

and two brothers, Louis Trapp in the Service, and Amos Trapp of near Littlefield. The child was born in Sudan, Texas.

Harley Sadler Presents Picture Show Tomorrow

HARLEY SADLER

"Ravaged Earth," the expose of the ruin, riot and rape of China, opens at the Sadler Tent Theatre for a limited engagement tomorrow, Friday. The picture will be presented continuously . . . and is for adult consumption only.

This is the picture that has been so widely acclaimed by the press, public and pulpit.

Mrs. Eleanor Roosevelt has said, "It is appalling, but should be seen by every dult American." Mae Tinee in the Chicago Review of the picture says, "Audiences at 'Ravaged Earth' are very quiet, and they come out fighting mad." Without exception, all who have seen it are of the opinion that every red-blooded American, who really wants to know the truth about the bestial barbarians of the Pacific, Hirohito's Sons of . . . Heaven, should see it.

It will be on view at the Sadler Tent Theatre for one night only, Friday, October 8.

Mrs. Willis Gets Encouraging News

When Mrs. Sophie Willis of Littlefield had not heard from her son for a year, or since he had left for overseas service, she appealed to the American Red Cross, through the local Secretary's office, and after considerable preliminary, the local Red Cross received a letter Monday written by J. A. Ulio, Maj. Gen., The Adjutant General, Washington, and addressed to Congressman Geo. Mahon, which was forwarded by Mr. Mahon here, and which in part is as follows:

"It is easy to understand the anxiety of Mrs. Willis regarding her son, but for the purpose of his security, and the safeguarding of troops, no definite information can be given as to the actual location of military unit or individuals. However, information has been received that his organization has arrived safely at its destination, and mail for him should be addressed as follows: 'x x x c-o Postmaster, New York City.'

"This soldier's Commanding Officer has been directed to advise Cpl. Willis to write his mother."

Nursing School Organized In Valleyview Community

A nursing school has been established in Valleyview, which is being conducted in the Community House by Mrs. Bushyhead of Levelland.

Mrs. Bushyhead is teaching a number of classes, including Anton and Levelland.

Classes are held Tuesdays and Fridays from 1 to 3 p. m.

At the recent organization meeting, Miss Irene Thompson, of the American Red Cross, consultant of the headquarters at St. Louis, attended, and gave a very interesting pep talk. Mrs. Cliff Brown, County Nurse of Levelland, attended the Friday meeting.

The class got underway about two weeks ago when 25 women enrolled, and reports indicate that the attendance at the meetings has been between 18 and 20.

Enrolling in this nursing class are: Mesdames R. R. Dyer, F. C. Bishop, Noah Gilley, George Gilley, Opal Gilley, Naomi Blair, G. E. Lyle,

Fannie Stephen, Dorothy Green, A. Gray, Walter Weige, Roxie derson, Edgar Brenigar, John Miller, Esther Stewart, Pauline ry, Bertha Milligan, Mildred Martin Farmer, A. L. Morris, and Whitharral.

Mrs. Neal A. Douglass visited her niece and nephew, Mr. and Mrs. J. A. Stegall, at Olton Friday. Mrs. Stegall teaches music in the Olton schools, and Mr. Stegall is also a member of the school faculty.

R. T. Cundiff of San Diego, Calif., spent from Thursday until Saturday with his son and daughter-in-law, Mr. and Mrs. E. C. Cundiff. Each year, Mr. Cundiff, Sr., visits all his children, and he is now making the tour to spend a short time with each of them.

Mr. and Mrs. David Gracy left Friday to return to Austin after removing Mrs. A. P. Duggan's furniture and personal effects from the Duggan residence. After the residence is redecorated, Mr. and Mrs. W. G. Street will occupy it.

John Cheatham of Amarillo, student of the A. & M. College, was a guest in the home of Mr. and Mrs. C. O. Stone Sunday. He had enlisted in the Service, and was returned to the A & M. College to take a special course in mechanical engineering.

ditch near Las Vegas, Nevada, suffering very severe burns.

He was alone at the time, piloting a twin motor plane, when one of the motors went dead, causing him to make a forced landing. At first he was not expected to live, but now he is reported to be recovering nicely at the Las Vegas, Nev., hospital, where he has since been confined, and where it is expected he will be obliged to remain about a month.

All members of Flight Officer Copple's family were called to Las Vegas at the time of the plane mishap. His parents joined Mrs. Copple, Jr., at Los Angeles and accompanied her to Los Vegas, Nev. Also his two brothers in the Service were called to his bedside.

It is expected that he will recover fully from his burns, according to Mrs. Copple's mother, Mrs. R. D. Beisel, of Lubbock, who re-

ported the above to the Leader office.

Workers in a Michigan refinery fixed up a very low, false door leading to the pay office. On it is inscribed, "You will learn to duck lower if you don't Buy a Bond."

Report on Voluntary Conservation Program for Electric Utilities

"TO ELECTRIC UTILITIES AND THEIR CUSTOMERS:

The War Production Board has proclaimed that maximum war production requires the greatest possible conservation of manpower, transportation, fuel, equipment and critical material such as copper, steel, tungsten and many others—much greater than has been heretofore accomplished. It believes that this greater conservation can be accomplished by the voluntary cooperation of all citizens of our country in the effort. It has called for the institution of a program to effect savings on all home fronts by the Office of Defense Transportation, the Petroleum Administration for War, the Solid Fuel Administration for War, the Office of War Utilities, and other governmental agencies. These agencies have been developing the details of the conservation program.

"Each principal industry and agency is organizing to carry the objective of the War Production Board to its members and they, in turn, to their customers so that the fullest conservation may be obtained. This is a definite challenge to each operating unit and each individual in the electric utility industry to do his

or her share in backing up our fighting forces. We cannot exert maximum force against our enemies if waste on the home front is tolerated.

"In the electric utility industry, the installed generating capacity, together with capacity now under construction, is ample to meet all foreseeable electric needs. But, it is essential to save the use of electricity wherever possible to do so, directly or indirectly, the demands for materials, fuel, transportation and manpower.

"The Office of War Utilities, in consultation with representatives of the Electric Utility Industry, both public and private, has developed a comprehensive program to achieve the objectives of the War Production Board within that industry.

"The desired result will be obtained through the full cooperation of millions of people in the conservation program. With everyone contributing, the effect will be tremendous in hastening the day of Victory."

Prepared and reprinted at the request and under the sponsorship of the Office of War Utilities, War Production Board.

Adopted by Special Task Group, July 13, 1943. Approved by informal Electric Advisory Committee, July 14, 1943.
