## Lamb County Leader

THURSDAY AND SUNDAY  
VOLUME XXVIII LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JANUARY 10, 1952 No. 91

### Max Hurt, National WOW Officer, To Be Guest In Littlefield January 17

Max B. Hurt, of Omaha, Nebr., Treasurer of the Woodmen of the World Life Insurance Society, will be the guest of the Littlefield Camp Thursday evening, January 17, when installation of the new officers for 1952 will take place.  
Officers to be installed are: Merle Beard, Consul Commander; Sam Hutson, Past Consul Commander; Bob Kirk, Advisor Lieutenant; L. D. Stanaford, Banker; H. C. Sisson, Escort; Gib Fowler, Sentry; W. D. Chapman, Watchman; J. D. Dodgen, Mitchell Sisson and R. L. Repass, Auditors.  
**HONORED AT BANQUET**  
Preceding the business meeting Mr. Hurt will be the guest of honor at a banquet at Dyer's Cafeteria, and will address the gathering.  
He will also be guest speaker at the Rotary Club's weekly luncheon meeting at noon Thursday, January 17.  
Mr. Hurt is no stranger in Littlefield. He has visited here on several occasions and has made many friends in this city.

MAX B. HURT  
WOODMAN SINCE 1929  
He has been a Woodman since

1929, when he affiliated with Camp No. 170 at Kirksey, Ky.  
He has served as Escort of Camp No. 170, Head Adviser and Head Consul of the Jurisdiction of Kentucky and represented the Kentucky Jurisdiction at four national conventions. He attracted nation wide attention in Woodcraft circles in 1935 when he was one of the principal speakers at the Mother's Day program held at the Woodmen Hospital. In 1941 he delivered the nominating address at the national convention in San Francisco which produced unanimous reelection of all the national officers. He was appointed National Sentry by President Newberry on March 22, 1943, and later became National Watchman. He was promoted to National Auditor January 1, 1945, and appointed National Treasurer on July 30, 1946. He moved to Omaha, Nebr., in October, 1949.  
**WAR I VETERAN**  
A veteran of World War I, he takes an active part in American (Continued on Page 7)

### Joe Walden Gets Honorable Mention On Two Teams

JOE WALDEN  
Pictured above is Joe Walden, son of Mr. and Mrs. G. V. Walden of 411 East Eight, Littlefield, who was notified last Saturday that he received honorable mention on the Texas Sports Writers Association All State Class AA football team. He was also mentioned on the Fort Worth Star-Telegram All State eleven. Walden will graduate with the 1952 Senior class and at present is undecided on what college he will go to. Joe is currently a Co-Captain on the Wildcat basketball team and was also a standout on last year's Junior American Legion baseball team at third base. During his three years of football for the Wildcats, Joe played both Quarterback and Tailback.

**VISITS PARENTS**  
Cpl. Haskell Pool of the Marine Corps, who recently returned from Korea, is at Anton visiting his parents, Mr. and Mrs. E. G. Pool. He is to report for duty in North Carolina Jan. 21.

### Harold LaFont Is Candidate For State Senator

Harold M. LaFont of the law firm of LaFont and Tudor, Plainview, who now represents this district in the State Legislature, has announced his candidacy for State Senator from the new 30th Senatorial District of the State, consisting of Bailey, Lamb, Hale, Floyd, Motley, Childress, Hall, Briscoe, Swisher, Castro, Farmer, Deaf Smith, Armstrong, Donley and Collingsworth Counties.  
Mr. LaFont authorized the Leader to make this announcement in a personal letter to Morley B. Drake, Publisher, received Wednesday.  
His formal announcement will be published at a later date.

### Forty Local FFA Members To Go To Fat Stock Show January 25

Littlefield FFA chapter has chartered a special bus to transport their approximately half of their membership, about forty boys, to Fort Worth and the annual Fat Stock Show which opens Friday, January 25.  
About half of the group have already signed to make the trip, and W. W. Hall, sponsor, stated he ex-

pected that the number would be swelled to at least 40, before departure date, Thursday evening, Jan. 24.  
In addition to the FFA members, and W. W. Hall, and Herschel Potts, assistant, Wanda Harrell, FFA Sweetheart, Helen Harrell, plowgirl, and a lady escort yet to be named, will also make the trip.  
The ladies will stay at the Hickman Hotel, while the boys will sleep and make their headquarters at Poly-Tech gymnasium, as guests of the Fat Stock Show.  
The bus will leave Littlefield at

5 p.m. Thursday afternoon, and return Sunday, according to present plans.  
Bus fare, roundtrip will be \$5.50. The FFA treasury will supply \$100 toward the trip, and individual members making the trip will supply the balance of their expense money.  
All who desire to do so, may attend the Stock Show Rodeo, and a book of tickets has already been received here, and are being sold to the boys, at approximately \$4.50 or \$5.00 including tax.

### Two Stolen Cars Recovered; Youth Is Being Held

A 16-year old Plainview youth, was picked up by law enforcement officers early Tuesday morning at Muleshoe, when officers noticed that he turned off his car headlights when driving through that town in the pre-dawn hours of the morning, and decided to investigate.  
The investigation made on suspicion of law violation for a minor driving offense, turned into something very much different and very much bigger and more serious.  
After questioning the youth, and (Continued on Back Page)

**Olton Filling Station Is Burglarized**  
Lamb County and area law enforcement officials are searching for a 25 to 27 year old man suspected of burglarizing the Shamrock service station at Olton Sunday night or Monday morning of approximately \$330 in cash, \$450 in checks and two tires.  
Joe Blythe, owner, said entrance to the station was gained by breaking a glass in the front door and turning the night latch. Among the loot was 70 silver dollars. Most of the money was taken from the safe, on which the combination was "worked," Blythe said.

Thomas gets it without a slip between paw and lip. First the paw is delicately dunked, then lifted to pussy's mouth.

## Tripled Polio Toll Over Last Four Years Spurs March Of Dimes Drive

America's average number of polio cases in the past four years has more than tripled the previously-accepted "normal" toll, it was disclosed today by George White, County campaign director for the 1952 March of Dimes.  
The nationwide appeal, which opened last week and continues to the end of the month, must "gain unprecedented support to assure every polio patient the care he must have," Mr. White declared.  
He noted that in the first ten years of March of Dimes exper-

ience, beginning in 1938, the average yearly polio case total ranged from 10 to 12 thousand. From 1948 through 1951, on the other hand that average surpassed 30,000 new cases.  
"In addition to this," Mr. White said, "tens of thousands of victims from previous years remained on the rolls needing continued financial help. There were 45,000 of them during 1951. This is another reason why the March of Dimes ended each of the past four years in debt and why we found it necessary to

double the period of the 1952 appeal."  
In 1948, there were 27,902 new polio cases across the nation, the worst year since the previous record-setter of 1916 when there were 27,363 cases.  
"What was worse than the increased total," Mr. White explained, "was the fact that the pattern of polio seemed to be changing. There were cases in more places than ever before, spread across the country rather than (Continued on back page)

### Twenty-eight Lamb County Men Go To Amarillo Wednesday For Examination

Twenty-eight boys from Lamb, Bailey and Cochran county, assembled at the tri-county Selective Service offices at Muleshoe, at 6:30 Wednesday morning, and shortly afterward left by bus for Amarillo, where they were given physical examinations.

None of these men will be called into service this month, and the six from this section to be called into service this month, to supply the January quota, have been previously called and given examinations. (Continued on back page)

## Applications For Cotton Insurance Must Be Filed By Jan. 31

Cotton Crop Insurance for 1952.  
Premium rates and coverages are as follows: Dry land cotton premium rates will not be more than \$2.50 per acre. Complete losses sustained in the first stage will pay \$5.04 per acre with 50% deducted for premium. Complete losses sustained in the second stage will pay \$7.54 per acre less the premium. Complete losses in the third stage will pay \$14.84 per acre less the premium and losses in the fourth stage will pay \$19.69 per acre less the premium and less 10% of the fourth stage coverage or \$1.96 per

acre. This is because 10% of the fourth stage coverage must be harvested before the stages change from the third to the fourth.  
For irrigated cotton the premium rate will not be more than \$1.96 per acre and the coverages by stages are: 1st stage—\$7.28 per acre; 2nd stage—\$11.76 per acre; 3rd stage—\$21.84 per acre and 4th stage—\$29.12 per acre. Coverages in all stages will be less the premium and stages for irrigated land are arrived at exactly the same as the dry-land stages.  
Approximately \$190,000 was paid out to Lamb County farmers in

1951 on this insurance.  
Federal All-Risk Cotton Crop Insurance does not attempt to insure the potential value of the crop but it does attempt to insure your investment in that crop.  
You can obtain a collateral assignment on the insurance for security on loans from your banker and you can also obtain hail insurance from any commercial company and this insurance will not be devalued in any way.  
For details call at the Lamb County PMA office and ask to have the insurance explained to you.

### Woodmen Of The World To Present Flag And Pole To Local Schools

A flag and flag pole will be presented to the Littlefield Schools, Thursday afternoon, January 17 at the new high school building by the local WOW Camp.  
The presentation will be made by Max B. Hurt, National Treasurer, of Omaha, Nebraska, who will

be a guest of the local WOW Camp.  
The flag and pole will be received on behalf of the Littlefield School System by Supt. Joe Hutchinson.  
At the last meeting of the local WOW Camp a Committee was appointed to take care of the flag presentation, which included Bob

Kirk, L. D. Stanaford, Merle Beard and W. D. Chapman.  
Mr. Hurt will address the group on Americanism following the presentation of the flag and pole.

# Outpost Scores Victory Over Cancer

## One County's Clinic Shows Big Benefits

By HOWARD W. BLAKESLEE  
Associated Press Science Editor

KINGSTON, N. Y.—One reason so many die of cancer is that so many have no place for treatment. This fact is one of the first lessons from the new Ulster County Tumor Clinic, established here two years ago in a small, new building equipped for cancer.

This is the first small community in the United States to set up its own complete cancer service. Kingston is within three easy hours' travel of the great New York city cancer clinics. Presumably anyone that close can get whatever is needed for cancer.

But in the first 22 months of the clinic, the number of cancer cases in the county increased 44 per cent. That did not mean a real increase. It meant simply that many persons, who feared they had cancer, could not or would not go to New York because it was too far or too expensive.

In the 22 months 849 persons visited the clinic. Only six per cent were from outside the county. Of the total 827 had cancer. Included were 29 child visitors and two of them had cancer.

In the clinic's second year, the number of visitors who feared cancer nearly doubled over the first year's rate. What benefit did the cancer patients get?

"I firmly believe," says the director, Dr. Milton M. Grover, Jr., who trained in New York's Memorial Hospital cancer center, "that by far the greater majority of the cancer cases have been helped either in relief or alleviation of symptoms, or improvement in general well being. It is impossible to determine how many lives have been saved. Five years is the minimal survival period for a cancer case to be considered arrested. However, I am certain that many lives have been prolonged."

Two-thirds of those who had no cancer had other troubles which were treated with the clinic's x-rays.

The clinic cost \$750,000. Of this \$300,000 was contributed by Ulster taxpayers. The rest was from the federal Hill-Burton Act for hospital aid. The upkeep comes from gifts and fees.

When this clinic was built the county authorities had the choice between the clinic and a new county building which was badly needed.

The personnel of the clinic are the radiologist-director, a surgical consultant from New York who spends one day a week at the clinic, and three registered nurses. And a number of Kingston physicians who take part. The hospitals here take cancer cases as the physicians and patients wish. And New York is available for those who desire and have the money or other means of going there.

## New 1952 Chevrolet To Be On Display January 19 At Hewitt Chevrolet

New model Chevrolet passenger cars and trucks will go on display at dealer showrooms nationally, Saturday, January 19.

The new and improved 1952 Chevrolets will be on display Saturday, January 19, at the Hewitt Chevrolet Company, Littlefield.

The disclosure by W. E. Fish, general sales manager, accompanied an announcement that in 1951 Chevrolet led all other automotive manufacturers in retail sales for the twelfth consecutive peacetime year.

"Last year's new car deliveries," said Fish, "brought the number of Chevrolets in service to over 12,000,000. No other make in automotive history ever accumulated so imposing a total."

The 1952 models, said Fish, will be new mechanically and in appearance, "fulfilling in every respect the quality and beauty that the public has come to expect from Chevrolet."

"In accordance with our long standing custom," the sales executive continued, "the models will be publicly shown first at Chevrolet dealerships virtually all of whom are planning special events on the

date of the show...

## HOMES FOR AMERICANS

AP Newsfeatures  
A nine-foot overhang shelters the broad windows and glass doors of this housethat exploits the blending of indoor and outdoor living. Clerestory windows under the flat roof provide for rapid ventilation in warm wea-

ther. California modern in style, this house H-131B was designed by the Homograf Planner Corp., 11711 East Eight Mile Road, East Detroit, Mich. The house covers approximately 1,500 square feet and requires no basement.

## Royce Vernon and Floyd Burrus Now Own Enterprise

The Olton Enterprise has new owners as of Saturday, December 29.

On that date Owen Norfleet, former owner sold all equipment to Floyd Burrus and Royce Vernon. Norfleet purchased the equipment from Bill Smith about 2 years ago and has been leasing it since that time.

Vernon, editor of The Enterprise since last June will take over complete management of the plant. Burrus, who owns and operates the Olton Hatchery, will not be active in the newspaper.

Robert Gentry, who has been acting as publisher since last July after he and Vernon leased the paper from Norfleet, will be employed as of next Monday by the Hale Center American, owned and operated by Tom Rambow. He will work in the mechanical department of that paper.

Don't overcook cauliflower! When the vegetable is separated into cauliflowersets eight to ten minutes of gentle boiling will usually be plenty; if the whole head is cooked it will need twenty minutes or a little longer.

## Whitharral Phone Project To Start In Near Future

Construction is expected to start in about three weeks on Whitharral's telephone project, according to G. D. Shelley of Lubbock, district manager of the Southwestern Associated Telephone company.

Telephone service for the town has been approved and construction is awaiting only the arrival of equipment, Shelley said. The lines will be built out of the company's Littlefield exchange.

The district manager also announced that 55 telephones were installed in Smyer recently.

## Eight Hockley County Officials Announce: Three From Cochran

Eight county officials of Hockley county announced the past week, they would seek re-election: They include LaVern McCann, county judge; Harold Clingan, county clerk; E. W. (Bill) Boedeker, county attorney; Murry Stewart, tax assessor-collector; Charlie Bullock, sheriff; Harper Brown, district clerk; Mary Meek, county treasurer; Bryan Hulse, county commissioner, Precinct 4; and Jim Gotcher, justice of the peace, Precinct 1.

Three candidates for county offices in Cochran county announced their political intentions the past week. Sheriff W. M. Harryman has announced his candidacy for re-election to the office of sheriff, tax assessor-collector.

H. D. (Herman) Crockett, a former sheriff of the county, has also announced his candidacy for that office.

Gen. W. Thompson, a former Cochran county judge and commissioner, has announced candidacy for the office of county judge.

## TOMMIE R. FARRELL ENLISTS IN NAVY

According to a Navy release from Clovis, N.M. Tommie Ray Farrell,

17, of Littlefield, enlisted in the U.S. Navy through the recruiting station at Clovis, N.M., on Thursday, January 3.

He will take his training at the Naval Training Center, San Diego, Cal.

## What A Difference!

There's a decided difference between Property Damage Insurance and Collision Insurance. The former covers your legal liability for any damage your car may do to the property of others. The latter covers the damage done to your own car. You need both policies! Get them here.

# January Is The Month Farmers To File Income Tax

Since agriculture is different from other types of business operations, farmers are faced with a series of special problems, as tax forms and legal deductions become common problems for farmers over the state, this month, as dates for filing declarations and returns draw near.

Under the tax law, a farmer is a person whose gross income is at least two-thirds from farming or ranching. For many who operate a small farm and hold outside jobs, this will be a means of measuring their taxable occupation.

All farmers, whether married or single, who made a gross income of \$600 or more during 1951, must file a return. This final return is due on or before March 15.

Many folks living in town and not on a salary have to file declarations. This also applies to farmers since their income is not on a salary basis.

Farmers have until Jan. 15 to file their declaration for the year 1951. The declaration is an estimate of 1951 tax.

However, in cases where a farmer is able to have complete figures together by Jan. 31, he can at that time file a final return instead of the declaration.

But he must pay all of his 1951 tax bill at the time regardless of whether he makes a declaration or a final return. Of course, if an earlier declaration has been made, the latter is just an amended one. In this case previous payments are subtracted and the difference is paid.

These declarations and returns must be made on special forms provided by the commissioner of internal revenue at Washington, Austin or Dallas.

All farmers must send at least two forms to the collector of internal revenue. One is farm schedule 1040-F, for reporting farm business incomes and expenses. The other is form 1040, which is the personal income tax form on which the number of dependents, church contributions and other personal items are recorded.

In addition, if dairy, breeding, and work stock were sold during the year, and the farmer wants to consider this as a capital gain or loss, he should use form schedule D. For 1040-F and schedule D are supporting schedules on which reportable profit is computed. As a safety measure it is advisable to get several copies of each form.

Personal exemptions often make a tax return look somewhat less gloomy. The farmer receives an exemption of \$600 for himself and an equal sum for his wife and each dependent. A dependent is described as one who receives more than half his or her support from the taxpayer. Also the dependent's gross income must not exceed \$600 and must be close relation to the taxpayer.

In some cases where a hired man is paid as much as \$600, the farmer must file an information return on form 1099.

To the farmer, taxable income includes amounts received from sales of crops, livestock, livestock products. Also amounts received from uses of farm resources such as pasture leases, storing feed for others, breeding fees, and similar items are taxable. All government payments received should be included. The value of farm products which are produced by the farmer and used by his family does not represent taxable income.

Several farm business expenses are deductible. The cost, or depreciated cost if depreciation is taken, of livestock bought may be deducted when animals are sold. Depreciation may be taken on livestock

## Information For Veterans

### QUESTIONS AND ANSWERS

Q. I got a GI home loan three years ago, when the top VA guarantee was \$4,000. I understand that a law passed since then has raised the maximum guarantee to \$7,500, and that I'm entitled to another GI home loan guarantee of \$3,500—the difference between the old and new guarantees. May I use this new GI loan to build an addition

to my house?  
A. No. Under the GI home loan may be purchase or build and not to improve one.

Q. I have just been available to new government life insurance. I am entitled to get A. Several types available to newly-able veterans. The ordinary life, 20-year life, and endowment ever, totally disabled not be issued either.

Q. I was disabled while traveling from my draft station. What for applying for the government life insurance?  
A. You must apply within one year you suffered your

Taxes must be paid if due after legal deductions are made and income of the child can not be included in the parent's return.

These are only a few of the questions facing Texas farmers and ranchmen this month as they prepare their tax returns.

Each operator has a different problem and should consult local or state authorities whenever a problem exists that might lead to a mistake in the return.

County agricultural agents and other agencies have available literature explaining in more detail the specific problems encountered by individual farmers.

## Today's Birthdays

**John Russell**, born Jan. 10, 1903, in North Sydney, Nova Scotia. Known to millions of Americans as the handless veteran, who won recognition in the film, "The Best Years of Our Lives." He was formerly National Commander of the American Veterans of World War II. He became known as a

**Paul Andrew Dever**, born Jan. 15, 1903, in Boston, is Governor of Massachusetts. Dever, whose father died when he was eight, worked his way through college and practiced law in Boston. He served as attorney general of Massachusetts from 1935 to 1941. He is a Democrat and is known politically as a champion of "the little fellow." He is a music lover and attends the Berkshire Music Festival regularly.

**Dizzy (Jay Hanna) Dean**, born Jan. 16, 1911, in Lucas, Ark., was one of America's most famous baseball pitchers in the decade before World War II, known for his fast ball. He pitched in the National League for 10 years, much of the time with the St. Louis Cardinals. After his retirement he began broadcasting baseball games. Last year he telecasted New York Yankee games.

**Robert M. Hutchins**, born Jan. 17, 1899, in Brooklyn, N. Y., is one of the country's most distinguished

educators. As the dynamic young president of the University of Chicago, and later as its chancellor, he launched many educational changes. He maintained "college should teach students to think for themselves." He is now associate director of Ford Foundation in New York.

**Myron C. Taylor**, born Jan. 18, 1874, at Lyons, N. Y., chalked up fame both as an industrialist and diplomat. At 53 he became chairman of the finance committee of United States Steel Corporation and was later chairman of its board. President Roosevelt named Taylor as his personal representative to Pope Plus XII, with the rank of ambassador and he continued in the post 10 years, serving also under President Truman.

**Oveta Culp Hobby**, born Jan. 19, 1905, in Killeen, Texas, was first

## Conoco Plans Refinery Work

CONOCO CITY, Okla.—Continental Oil Company will spend approximately \$7,500,000 on an expansion program at its refinery here, largest of the company's eight plants, President L. F. McCollum has announced.

Construction of the new facilities, which will include advanced design refining equipment, a lubricating oil additives plant and electric power plant equipment, will be started in the late spring. The job will require about eighteen months.

"The Ponca City project is one

## Jaycees And Lions Club To Sponsor "Pay Your Poll Tax"

Littlefield Jaycee's and Littlefield Lions club are sponsoring a poll tax campaign, in the interest of "Pay Your Poll Tax," during the month of January. Both organizations feel that the best way to guard your liberty and share in democracy is to make your vote count—and to be prepared to vote in all elections.

It was announced Friday that the two organizations will have booths erected in downtown locations later in the month, for the convenience of those wishing to buy a poll tax. Due to the fact that this is national election year, as well as county—citizens are being urged to buy poll taxes to enable them to vote in the coming elections.

Hugo Beyers was named chairman of the Jaycee's poll tax campaign, and assisting him will be Granville Smith and Neal Webb. John A. Smith is president of the organization, while Skipper Smith is regional vice president.

Lions club citizenship committee is headed by E. G. Alexander, and Rev. Elvin Ingram, Amos Ward and Don Maness.

director of Uncle Sam's first women's military service group—the Women's Army Auxiliary Corps, created in World War II. After the war she returned to Houston, Tex., where she is executive vice president of the Houston Post, published by her husband, W. C. Hobby. Mrs. Hobby, who is the mother of two, studied law and, for a time, served as parliamentarian of the Texas legislature.

more step in Continental's long-range program of growth," McCollum said. "We have plans for greater expansion of many phases of company's operations, involving the investment of many more millions of dollars and affecting favorably areas in which Continental Oil is active." The new project, second major construction job at the Ponca City plant since 1948, brings to more than \$15,000,000 the investment Continental has made in expansion and improvement of the refinery.

"We recommend Conoco Super to our customers"—Buick Dealer J. B. Hayes, Hobbs, New Mexico.

"I use Conoco Super in my demonstrators," reports Walter James, Buick Dealer, Fairview, Oklahoma.

"'50,000 Miles—No Wear' is more than a phrase"—D. W. Flint, Ford Dealer, Arvada, Colorado.

"Cars using Conoco Super show less wear"—C. W. Smith, Chrysler-Plymouth Dealer, Miles City, Montana.

New Car Dealers say:  
"I got the story on  
**'50,000 Miles—No Wear'**  
and changed to New Conoco Super Motor Oil"

"For top performance use Conoco Super"—P. Dobson, Kaiser-Frazier, Alliance, Nebr.

"Best oil we ever used"—G. M. James, Mgr., Metro Motors, Ford Distributor, Murray, Utah.

"We back Conoco Super with a 60,000-mile new-car guarantee"—E. B. Baxter, Cedar Rapids.

"I recommend Conoco Super to new car buyers"—G. B. Cook, Chevrolet Dealer, Newark, Ill.

**"50,000 Miles—No Wear!"**  
Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! Proof that Conoco Super, with its OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

### Yellowhouse Dist. Boy Scouts Of South Plains Council Meet

Dr. William N. Orz is calling a meeting of the Yellowhouse district of Boy Scout Council to be held tonight (Thursday), January 10 at Dyers Cafeteria, for the purpose of reorganizing.

Representatives expected to be present will be from Earth, Amherst, Sudan, Mushrook and Littlefield.

### AIR FORCE ENLISTMENT QUOTA FILLED FOR NEXT TWO MONTHS

Air Force enlistment quota for this area, which includes the Amarillo area, is filled up for the rest of January and part of February, according to M. Sgt. Gerald F. Cutshall local Army and Air Force recruiter here in Littlefield.

There is a possibility that a backlog of air force applicants will materialize to such an extent that applicants in the near future will have to wait several months before they can be accepted for enlistment," Sgt. Cutshall said.

### Levelland Takes Three Games From Locals

The Littlefield Wildcats lost their first conference game this year Tuesday night when the Levelland Lobos handed them a 65-21 defeat in the conference opener for both teams at Levelland.

Levelland coasted to its varsity victory, with reserves playing the entire fourth quarter. The Lobos built up a 16-2 lead at the end of the first quarter and had a comfortable 29-0 padding at the half. The third quarter ended with Levelland ahead, 47-13.

Keith Streety was the only Wildcat who had success with the basket. He had five field goals in the first three quarters and wound up with 12 points. James Pierce had the same number to top the Lobos scorers.

### Dancing Classes To Begin Monday At Country Club

Bill Lock of Lovettmore Studios in Lubbock will be in Littlefield Monday night, at the Country Club, to instruct in ball room dances. He will teach the latest steps in fox-trot, waltz, jitterbug and rumba.

Classes for children will begin at 7 o'clock, and adult classes will start at 8 p.m. All who are interested are urged to attend the first meeting, Monday night.

These classes are for Country Club members and their children, only. Mrs. J. M. Farmer, announced.

service for the men in this area, seems to be filling up faster than usual because of the small quota authorized for the Amarillo area, and the large number of men who have taken their production physical, who are still authorized to volunteer up to March 31, being placed on the Air Force waiting list."

Sgt. Cutshall advises those that are interested in volunteering in the air force to not delay in getting in contact with him, if they wish to be an airman. The recruiting station is located at 110 W. 5th street here in Littlefield.

## Studebaker's 1952 Cars To Go On Display Today At Brown & Miller Motors

Studebaker's 1952 passenger cars, re-designed both outside and inside in keeping with the company's reputation for "styled ahead" leadership, will go on display at Brown and Miller Motor Company, local dealers, Littlefield Drive and Ninth Street, today (Thursday).

Added to the wide range of Studebaker body styles this year is the new "Starliner," a five-passenger, hardtop convertible. It is available in both the Champion and Commander lines in eleven different two-tone color combinations and two standard upholstery options. Styled for smartness and unlimited visibility, the new model combines the advantages of the convertible with those of the steel-topped sedan. The "Starliner" typifies the striking new design and appointments of the company's entire series of new models.

"Externally, the '52 Studebakers reveal entirely new front-end treatment and substantial restyling in the rear," says Mr. Guy Brown of Brown and Miller. "All models look much longer and wider than before. Hoods are longer and lower, with new emblems and ornaments. Grilles embody wrap-around styling and stand out as the most distinctive front-end features of the new models. The massive wrap-around bumpers are equipped with four vertical guards; two located under the headlamps, to protect the car from the customary day-to-day bumps, and two smaller guards to protect the license plate from damage. Headlamp rims are of new design and the parking lights, also new, are larger."

The most significant changes in the rear are found in the tail lights and trunk lid handles. The tail lights, which appear to be integral parts of the rear fenders rather than "added-on" assemblies, give the effect of extending the sweep of the fenders and thus a corresponding increase in body length. Their design, however, does not sacrifice any of the increased area of illumination which proved so popular on the '51 models. Trunk lid handles incorporate new styling on all but the lowest price Champion model.

Surer, yet softer and easier brake action has been achieved by changes in the brake pedal linkage and the adoption of floating rear shoes in all brakes. Both front and rear shoes in all brakes are now completely self-adjusting.

Other innovations include instrument panel push-button starting on all models equipped with automatic with those of the steel-topped sedan. The "Starliner" typifies the striking new design and appointments of the company's entire series of new models.

Heat-resisting, glare-reducing glass for windshields, side and rear windows is optional on all models at extra cost. Rear view visibility on convertibles has been greatly increased by enlarging the rear window areas by nearly 266 square inches.

Upholstery and trim suggest drawing room elegance. Seats are particularly outstanding in comfort, design, materials and color. Button-tufted seat cushions are standard on the State Commander and Land Cruiser; also on the "Starliner" and convertible when nylon trim is specified. Bolstered seat backs, featured in Studebaker's postwar cars for the first time, are standard in the Regal Champion, State Commander, and Land Cruiser. Sidewalls and door trim match the richness and attractiveness of upholstery and appointments.

Eleven solid color choices are available for the '52 models with the exception of the "Starliner" which is offered in any of eleven different two-tone color combinations. Four new hues are included among the solid colors: Cuban red, Nocturne blue, Tahoe green, and Piedmont gray.

In performance, safety, comfort and appearance, these 1952 Studebaker Champions and Commanders are truly outstanding," says Mr. Brown. "I know the public is going to be enthusiastic about them."

Legion activities and for several years was Service Officer of Post No. 73, Murray, Ky. In Murray he was active in civic and fraternal circles being a Rotarian and a member of the Young Business Men's Club. He is an active Mason, a Shriner and has served as Historian of the Grand Lodge of Kentucky. He has served as a member of the Executive Board of the Murray Red Cross, a director of the Blue Cross Community Hospital Service, a commissioner of the Boy Scouts, Incorporated. He was chairman of the board of Stewards of the First Methodist Church at Murray for a number of years and was a teacher of the Young Adult Bible Class in that church. He has always been interested in farming. He owns one of the large farms in Calloway County, is a member of the Calloway County Farm Bureau and was for years a director of the Calloway County Fair Association. He has been awarded an honorary life membership in the Future Farmers of America. He was secretary of the Board of Directors of the Bank of Murray for 17 years and is at present a member of the Board. During the war he served as Chairman of Civilian Defense and as General Chairman of the Calloway County War Fund under the auspices of the National War Fund.

## January "Hand Signal Month" In Texas

This is "hand signal month" in Texas and you, Mr. and Mrs. and Miss Automobile Driver, are urged to apply the "signs of life," not only in January but the rest of your days. In fact, you will be a law violator if you fail, but if you comply, you might save a life.

Traffic safety exponents are convinced that death and injury on streets and highways can be lowered greatly if motorists practice the "common courtesy of applying hand signals." That's why January has been designated as "hand signal month" in the Lone Star State.

"Participation in this traffic safety educational program requires only minimum effort on the part of drivers," said A. W. Breehnd of Dallas, President of the Texas Safety Association, Inc., which is sponsoring the campaign. "All a driver needs to do is learn, then apply the signals. It is easy if you remember the slogan: Right turn—hand up. Left turn—hand out. Slow or stop—hand down. A hand signal could be the means of averting a death dealing accident."

Breehnd stated that need for courtesy in driving is accentuated by the fact that the traffic death list for Texas in 1951 will show in excess of 2,500 persons when final figures are compiled.

"That's an unprecedented highway death rate for our state," he said. "Traffic safety education is a fine thing, but we must have the cooperation of motorists if needless slaughter is to be averted. More drivers must practice the precepts of traffic safety education. Applying hand signals lends that opportunity. We remind drivers that failure to give hand signals is a violation of law, by obeying the law you might save a life—and that life could be your own."

The state-wide hand signal campaign was begun on January 3 when Governor Allan Shivers issued an official memorandum calling on all motorists to "learn proper hand signals and apply them as a means of lowering the death and injury toll on our streets and highways." The project, promoted by press and radio facilities of the State, is directed by J. O. Musick, General Manager of the Texas Safety Association, and Weldon Hart, formerly of Governor Shivers' press staff, both of Austin, and Bruce Cunningham of Dallas, representing the Dallas Civic League Club and the Citizens Traffic Commission of Dallas.

## LET'S GO BACK FIFTEEN YEARS

Lets go back 15 years ago and see what was happening in Littlefield. The following items were taken from the Lamb County Leader files as of January 14, 1937:

The first severe portion of the season swept down on the South Plains. A thin layer of snow covered the ground in some sections and streets and paved highway made footing for pedestrians uncertain.

C. C. Tremain, A. G. Hemphill and D. G. Hobbs returned Thursday night from a week's fishing trip to Old Mexico. In three nights they caught 300 pounds of cat fish and bass. Three weighed 35 lbs. each.

In the society columns parties

TEXAS SAFETY ASSOCIATION

## Korea GI's Aid Dimes Campaign

In war or peace—and in every part of the world where American fighting men and their families are stationed—the March of Dimes follows. George L. White, Lamb County campaign director, declared today.

When polio strikes Americans anywhere, Mr. White said, the National Foundation is ready and circumstances will permit. Iron lungs, hot pack machines, rocking beds and other life-saving devices at the disposal of the March of Dimes organization move by plane, ship or truck on an instant's notice to trouble spots, he explained.

"This year," he said, "the close teamwork between the Armed Forces and the March of Dimes is symbolized by the selection of a

service man's son as the campaign poster child, Larry Jim Gross, whose picture is seen everywhere this month, is the seven-year-old son of Chief Warrant Officer Jim Wheeler Gross, attached to the 2105th Air Weather Group, U.S. Air Force stationed at Wiesbaden, Germany. We are all proud of Larry Jim's fight against polio—and proud of the job his father and other Americans are doing for the nation."

Mr. White also revealed an epic of the Korean war treasured by the March of Dimes organization. The fighting leathernecks, flyers, sea-fighters and ground troops in Korea last January found time to conduct their own March of Dimes campaign, even though no one had proposed it to them.

"They raised many thousands of dollars" said the campaign director, "simply because the date reminded them that the March of Dimes was going on back home. Among the units mentioned in the Far East Command for their generous donations to the March of Dimes were the First Marine Division, First Cavalry Division, 14th Engineer Combat Battalion, Battery A, 82nd AA, 1st Air Force, 214th Air Division, Far East Materiel Command, Headquarters of the Far East Air Force.

"The ships whose officers and crews joined the March of Dimes are all famous fighters—the Missouri (our beloved Big Mo), the Philippine Sea, the Valley Forge and the Focheteler—I mention our outfits in Korea because they proved once more that Americans never forget the many things they fight for—in war or peace."

To pep up tomato juice chop some onion fine and add it to the juice along with a generous squeeze of lemon; chill and strain before serving.

In 1949 there were 296 homicides in New York City.

Stephen (I Like Ike) West, 11-year-old Dallas, Tex., Eisenhower fan, shows his "Ike" button to Cpl. Kenneth J. Bell, of Old Hickory, Tenn., outside CHAPE headquarters near Paris, France. The boy was still waiting to see his

hero but had not received an appointment. It appeared that he and his mother, Mrs. E. A. Adams, may have to leave for home Dec. 7 without seeing General Eisenhower. —AP Photo

## Wave Recruiter To Visit Clovis

Mary E. Vaughn PNI (W), USN, will be in Clovis, New Mexico, Friday, January 11 from 10 a.m. to 4 p.m., and will have her office located in the basement of the post office building, room 8.

 rry Shipkey of the  
 Steelers.

to team of 22 players  
 e repeaters of 1950—

Walker, Barwegan, Connor, Wein-  
 meister and Bednarik. The selec-  
 tion of Barwegan marks his fourth  
 straight year on the team. Before  
 playing with the Bears in 1950 he  
 was with the Baltimore Colts.

Weinmeister, great Giant tackle  
 and former Yankee, has made the  
 team three straight seasons while  
 Graham, Cleveland's tricky T quar-  
 terback, has been selected four of  
 the last five campaigns.

The best vote getter on the team  
 was the 27-year-old end Hirsch from  
 Berea, O., a fellow who saw service  
 as a halfback at Michigan and Wis-  
 consin and also for the defunct  
 Chicago Rockets.

Hirsch drew a vote from every  
 city in the league, and with good  
 reason. He was both the top re-  
 ceiver of forward passes and the  
 leading scorer in the National Foot-  
 ball League with 102 points. While  
 scoring 17 touchdowns he gained  
 1,495 yards on 66 passes, to beat  
 Don Hutson's 1942 record by 284  
 yards.

Graham, the best vote getter as  
 field leader, was pressed by the  
 Ram's sensational passer and punt-

er Bob Waterfield. Graham had one  
 of his great seasons, passing to 2-  
 205 yards and 17 touchdowns, being  
 second only to Detroit's Bobby  
 Layne in these two categories.

Walker, sophomore sensation of  
 1950 when he led the league with  
 120 points, tallied 97 points.

Jones scored 12 touchdowns for  
 72 points and was one of the  
 league's 10 leading ground gainers.  
 His outstanding feat came against  
 the once mighty Chicago Bears in  
 Cleveland late in November when  
 he scored six touchdowns in a 42-  
 21 victory. It matched the record  
 set in 1929 by Ernie Nevers.

Price, 190-pound fullback from  
 Tulane, not only led the league's  
 ground gainers with 965 yards but  
 his 272 ball-carrying efforts broke  
 by nine carries Steve Van Buren's  
 mark made in 1949.

The team, picked after all games  
 were played, was selected by AP  
 sports writers in each city where  
 the pros played.

Add dried mint flakes to a  
 French dressing to make a change  
 in flavor.

## Morton Goes Into Class A For 1952

### Groat Holds 10 Cage Marks

By ROBERT MOORE

**AP Newsfeatures**  
 DURHAM, N. C.—If Richard  
 Morrow Groat, Duke University's  
 great guard, breaks any basketball  
 records this season, chances are  
 he'll shatter marks he established  
 last year as a junior.

For Groat—Dick the Great, they  
 call him—set 10 new records and  
 tied another. Some of them were  
 nation, some Southern Conference  
 and others Duke University marks.  
 Groat's achievements a year  
 ago—

1. He set a national single season scoring record—831 points, bettering the 740 points set by William and Mary's Chet Giermak in 1949.
2. A nation record for most free throws in a season—261.
3. A new Southern Conference regular season scoring record of 509 points.
4. Broke the Big Five (Duke, North Carolina, North Carolina State, Wake Forest and Davidson) regular season scoring record with

DICK GROAT  
 Swissvale's Blue Devil

831 points. This record previously  
 was held by North Carolina State's  
 Sam Ranzino, who made 624 points  
 in 1949-1950.

5. Broke the Duke University  
 single season scoring record set by  
 Ed Koffenberger in 1947.

6. Broke the Duke four-year ca-  
 reer record in a year and one-half  
 of play, with 1,106 points.

7. Set the Duke single game  
 scoring record with 37 points  
 against Davidson.

8. Set Duke free throw record  
 against Davidson January 29 by  
 shooting 17 of 17 free throws. He  
 also made 14 of 15 against Wash-  
 ington and Lee.

9. Set a new Southern Confer-  
 ence tournament record for most  
 points in entire tourney by scoring  
 85 points in three games against  
 Virginia Tech, William and Mary  
 and North Carolina State.

10. He is the only man in Duke  
 basketball history ever to score  
 more than 30 points in a single

## Lamb County Leader

game and he accomplished this  
 feat nine times last year. In rolling  
 up his record of 831 points for the  
 season, Groat scored 25 or more  
 points 18 times and scored 20 or  
 more 28 times. He failed to accom-  
 plish the latter feat only five times.

In addition, Groat tied the South-  
 ern Conference tournament record  
 for most points scored in a regula-  
 tion game with 31 points in each  
 of Duke's games with William and  
 Mary and North Carolina State.

Groat, only six feet tall, is the  
 pride of Swissvale, Pa., a commu-  
 nity a mile from Pittsburgh. He  
 weighs 182 pounds, is 21 years old  
 and is majoring in history.

Praise galore has poured in about  
 Groat, who has had major league

clubs tormenting him to sign a con-  
 tract as a shortstop. As a diamond  
 star last year, Dick hit .386 and  
 made only eight errors in 179  
 chances.

Coaches and opposing players  
 alike have hailed Groat as one of  
 the basketball greats of all time.  
 Gus Tebell, who coached the Uni-  
 versity of Virginia cagers and was  
 an official for years, labeled Groat  
 as "the finest basketball player I  
 have ever seen in the South in my  
 27 years' coaching."

Navy Coach Ben Carnevale said  
 that "Groat is one of the greatest  
 basketball players I have seen. He  
 is definitely All-America material  
 and one of the best all-round play-  
 ers today."

Littlefield will not have one of  
 their oldest rivals of the gridiron  
 on their schedule this year when  
 they open the 1952 football season  
 in September. The Morton Indians  
 have dropped into Class A and will  
 not be playing the Wildcats for the  
 first time in over ten years.

The Indians will be playing in the  
 same district that Denver City Sea-  
 graves and O'Donnel is in.

Littlefield and Morton have had  
 some close games in the past but  
 the Indians have never scored a vic-  
 tory over the Wildcats. The game  
 each year on the Wildcat schedule  
 has been one of the cleanest  
 fought games of the season and it  
 is with regret that the locals will  
 miss playing the Morton team in  
 1952.

With Morton's dropping out of  
 District 7-AA for this year, will find  
 only four teams still in the district.  
 Levelland, Brownfield, Muleshoe  
 and Littlefield will be the only  
 teams left in the district. This will  
 mean the Wildcats will have seven  
 non-conference games on their 1952  
 schedule.

The complete schedule will be re-  
 leased as soon as arrangements of  
 dates for the non-conference games  
 has been made.

Orange sections, sliced pears,  
 and seedless grapes combine well  
 in a fruit cup; pour ginger ale over  
 the fruit and serve in sherbet  
 glasses as a first course for a holi-  
 day meal or as dessert.

# Inez Corene Culpepper and Cpl. J. W. Swicegood Married Sunday

## Officers Installed At Meeting Of Presbyterian Auxiliary

A regular meeting of Presbyterian Ladies Auxiliary was held at the First Presbyterian church at noon, Monday, when the group met for a luncheon and business session.

Delicious barbecued pork chops were featured on the luncheon menu.

During the business session, new officers were installed for the ensuing year. Mrs. E. A. Bills was installed as president of the group, with Mrs. J. B. McShan being installed as chairman of group I, and Mrs. B. W. Armistead, chairman of group II. Mrs. Ira E. Woods was installing officer.

Attending the meeting were included Mesdames Ira E. Woods, H. W. Armistead, Hallie Bevins, Neal Douglass, J. D. Hagler, M. M. Brittain, Manell Hall, O. P. Wilemon, Allen Hodges, Earl Rodgers, Sallie Thomas, Fred Underwood, J. R. McShan, Mackey Greer, F. A. Faust, George White, E. A. Bills, Lloyd Neeley, and Misses Erna Douglass and Lula Hubbard and two visitors, Mrs. R. E. Maurer and F. C. Hayes.

Miss Inez Corene Culpepper, daughter of Mr. and Mrs. J. E. Culpepper of Morton, and Cpl. Daniel R. Swicegood, son of Cpl. Daniel R. Swicegood, son of Mrs. J. W. Swicegood of Summerville, S. C. were united in marriage at Clovis, New Mexico Sunday, January 6, at 6 o'clock in the Clovis Air Force base chapel with the chaplain performing the double ring ceremony.

The bride was given in marriage by her brother, E. D. Culpepper. She wore a pretty costume suit of sky blue velveteen fashioned with three quarter length sleeves with cuff. The jacket buttoned at the center front with small covered buttons was designed with a V neckline framed with a large stand up collar. Her white lace hat was lined with blue velvet and she carried a white Bible topped with a white orchid. The dress was made by the bridegroom.

Serving as the maid of honor was the bride's sister, Miss Evelyn Culpepper.

After a wedding trip to Mexico City, the couple will be at home at 316 East Seventh in Clovis. Cpl. Swicegood is stationed at the Clovis Air Force base.

Mrs. Swicegood was complimented with several parties during the holiday season.

## Ladies Meeting Of Littlefield Country Club January 23

The next regular Woman's meeting of Littlefield Country club will be held at the club house, on Wednesday, January 23, when the members will meet for a covered dish luncheon at 12:30 o'clock, with the 1951 board members acting as hostesses.

They include Mesdames J. M. Farmer, president and Mrs. U. D. Walker, Tommy F. Fullbright, Oscar P. Wilemon, Art Chesher, Harry Kline and Lon Campbell.

Following the luncheon officers will be elected for the new year.

Games of bridge and canasta will be enjoyed during the afternoon.

## Yellowhouse H. D. Club Meet With Mrs. Duffy

Members of the Yellowhouse Home Demonstration club enjoyed meeting in the home of Mrs. Fred Duffy the past week.

An interesting demonstration of "applied design" was given by Mrs. J. B. Haire and Mrs. H. A. Vick.

Following the meeting the hostesses served refreshments to Mesdames Roy Rhoten, Roy Hutson, A. F. Wedel, J. B. Haire, Tom Ham, and H. A. Vick.

The next meeting will be held in the home of Mrs. C. D. Elder, Tuesday, January 15, at 2 o'clock in the afternoon.

## Ernest Sell Family Visit In Temple And San Angelo During Xmas

Mr. and Mrs. Ernest Sell, and daughters, Carolyn and Mr. and Mrs. on Sides spent Christmas day in San Angelo with Mrs. Sell's parents and sisters. They also spent a part of the holidays in Temple visiting with Mr. Sell's mother and other relatives. While they were in Temple they attended funeral services for an uncle of Mrs. Sell, who passed away on Christmas day.

## Jerry T. Haire Spends Holidays At Parent's Home

Jerry T. Haire, student of Parks Aeronautical Technology College at East St. Louis, Mo., after spending the Christmas holidays with his parents, Mr. and Mrs. J. B. Haire of Yellowhouse Switch Community, left by plane Sunday to return to his studies.

Mr. Haire arrived home December 22. He is the youngest son of Mr. and Mrs. Haire, and has been attending this college since last September.

## don't DO that!

GOSSIP FEST . . . It's rude to whisper with a pal when others are present.

# News of Women

## Small Things

By CYNTHIA LOWRY  
AP Newsfeatures Writer

With a brand new year stretching out in front of us, its pages invitingly blank and to be filled in slowly, all of us are filled with hopes, fears and ambitions for coming events.

Our fingers are crossed, and we dream of a new year in which peace will come, in which the dollar will return to 100 cents. In which both taxes and the cost of living will drop, in which the scoundrels will be chased out of government, in which there will be plenty for all people.

In these large scope matters the individual voice is pretty small. But each of us could play a small part in improving conditions in the small area we inhabit.

For instance, it would improve things considerably if none of us ever encountered friend or acquaintance with a remark—no matter how warranted—like, "Helen, what ever have you been doing? You look so tired. Aren't you feeling well?"

Helen or Henry might have been feeling just fine up to that point, but it's a pinch they are done in for the next 24 hours, will start worrying about their health and are beset by all manner of unpleasant—albeit imaginary—symptoms.

On the other hand, considerable joy can be broadcast by utilizing a simple device in greeting people. In hailing any friends on the plump side, merely look them over with a discerning eye and query: "Why Helen, haven't you taken off some weight?" This also works with male acquaintances, particularly those over 40 and accustomed to three-course luncheons.

It might be more difficult, but another good work would involve determined refusal to pass on to others any gossip, no matter how fascinating and sensational. A good test in evaluating gossip would be to ask whether repeating it would hurt the central figure. If its harmless, anecdotal in character and comic in character, go ahead and repeat. But never embroider just to make it a good story when you're naming names.

Return borrowed tools, books or anything else out on loan. Lenders hate to request things back, even when they have every right in the world to ask for them.

Resist the temptation to proffer advice—particularly if no one asks for it. Most people resent having outsiders jump gratuitously into their affairs. If advice is asked for, approach the subject gingerly and be prepared to sit back and be a good listener for chances are the asker is looking for an audience, not a sage.

Watch your telephone manners. If you're an important type with a secretary, don't have her get the person you want to speak to on the wire and keep him hanging on until she switches the call to you.

Never under any circumstances bustle up to an acquaintance with some such remark as "Remember me?" It's embarrassing, because lots of people aren't good at names. And it's apt to embarrass you when the acquaintance doesn't remember you. Give the acquaintance a chance—by identifying yourself right away—to say, "Why certainly, Helen Smith, how are you?"

Try to be on time for appointments—nothing is more distressing than waiting around in strange places for an unreliable date. Keep your promises—or don't make them at all.

In driving a car, don't be a show-off, a road-hog or a horn-nag. Give the pedestrian a break at cross walks, and don't take it upon yourself to try to teach other drivers your version of the rules of the road.

And finally, count ten before giving a sharp answer, and sleep on a bitter letter before you mail it.

## Earth Couple Wed At Pep Catholic Church Saturday

Miss Betty Valencia and Mike Gomez were united in marriage Saturday morning, January 5, at the Catholic church at Pep.

The bride is the daughter of Mr. and Mrs. A. S. Valencia, of Earth, and the groom is the son of Mr. and Mrs. A. Gomez also of near Earth.

Following the wedding a reception was given for the newly married couple, held in the Monterey Cafe at Earth at 3 o'clock in the afternoon, followed by a miscellaneous bridal shower.

MR. and MRS. JIMMY IRWIN who were united in marriage last Thursday afternoon at 3 o'clock in the First Baptist church, at Fieldton. The pastor, Rev. Fred Smith, father of the

bride, performed the double ring ceremony. After Mrs. Irwin completes first semester work at Littlefield High school, the couple will move to Knott, Texas where the groom is engaged in farming.

## About People You Know

### Mr. and Mrs. Fred Beisel Enjoy Trip To Los Angeles

Mr. and Mrs. Fred Beisel, 1015 E. 7th street, Littlefield, recently returned from Los Angeles, California, where they spent Christmas with her brother and family, and the Beisel's son Bob and his wife.

Enroute to California they stopped at Roswell, N. M. for a brief visit with Mrs. Beisel's daughter, Lorene Cantrell, and at Carlsbad, N. M. where they visited her brother Roy Edwards and family, and where they left Mrs. Beisel's mother, while they visited in California.

In El Paso they visited a son Joe Beisel and family, and spent a few hours in Jurez.

Christmas day was spent with their son Bob Beisel and family, where they enjoyed a lovely turkey dinner, and Christmas night, they were dinner guests in the home of her brother Jack Bird, who is manager of the Mayo Motel in Los Angeles.

The following day Mr. and Mrs. Beisel accompanied by her brother Jack enjoyed a trip to Catalina Island. They also enjoyed Hollywood—especially the Christmas decorations.

Other places of interest visited were Long Beach, Calif., where they enjoyed a ferry boat trip to a small island. They also attended Catholic church services on Christmas day.

### SCOTCH BAG FROM SANTA

A gay Christmas present with a Scottish accent wins a smile of pleasure from this winsome lass. In a Christmas bright red Scotch plaid cotton, her gift is a pretty and practical handbag. Called a Swag Bag, Jr., the cotton plaid bag has room enough—and some to spare—for all feminine paraphernalia.

### Mrs. G. G. Wilson, formerly of Littlefield, but now of Mountain Grove, Mo., was visiting relatives and friends in this city Monday and Tuesday of this week.

She was enroute home after taking her daughter, Doretta, back to Abilene following the holidays where she is a student of Hardin-Simmons. Miss Wilson is majoring in elementary education. Mrs. Wilson planned on going from here to Matador, to visit her sister, Mrs. C. M. Thompson, a couple of days before going on home.

Mrs. Frank Selsor of Truth or Consequences, N.M. mother of Mrs. T. Hays, suffered a heart attack recently and Mrs. Hays was called to her mother's bedside. She returned home Monday after over a week's absence and reports her mother some better.

Steve Arnn, 11 year old son of Mr. and Mrs. E. S. Arnn of Dallas, returned home Sunday night, after having spent the past ten days visiting his cousin Bill Wade, in the home of his parents, Mr. and Mrs. Roy Wade, Westside Avenue.

Mr. and Mrs. Jack Foust and little daughter Judy spent last Sunday in the home of his brother James Foust and family at Plainview.

Gene Blackwell, returned to Memphis, Tennessee last Saturday, where he is a student at the School of Optometry. He spent the Christmas holidays here with his parents, Mr. and Mrs. Floyd Blackwell.

Mr. and Mrs. D. W. Bawcom and children David and Linda Lou spent the weekend with her parents, Mr. and Mrs. Charles H. Moore of near Clayton, N. M.

Mrs. Annie Hogan of Fort Worth is visiting friends here. She is the mother of Mrs. Herbert Martin of Amarillo, and she formerly lived here, when Mr. and Mrs. Martin were local residents.

Mr. and Mrs. Claude McDougal spent a part of their Christmas vacation with relatives at Holbrook, Arizona. Both are members of the high school faculty here. He is principal of the junior high school.

Tom McFarland of Hereford was in Littlefield Saturday, attending to business, in connection with the election of directors of the High Plains Water Conservation District No. 1, which was held here Tuesday. He was accompanied by F. H. King, also of Hereford.

### DAUGHTER BORN

A daughter was born Wednesday, January 2 to Mr. and Mrs. L. S. Fields of Sudan at Payne-Shotwell Foundation. She has been named Deborah Jean and she weighed six pounds and four ounces. The father is a farmer in the Sudan vicinity.

## Mrs. Buford Nichols, Missionary, Addresses Church Women

Mrs. Buford Nichols, foreign missionary, who is here this week, conducting a Sunday School study course at the First Baptist Church, was guest speaker, at a meeting of the Woman's Missionary Society, held in the church parlors, Monday afternoon at 4 o'clock.

Mrs. Nichols, who with her husband and family are temporarily making their home at Waco, returned from China about 18 months ago, when they were ordered out by the Communists. She told of her experiences in China, and the work she and her husband have been carrying on. They have been working in the part of China, where Miss Lottie Moon, a famous missionary lived and worked years ago. Mrs. Nichols and her family plan to return to China as soon as conditions will permit.

Approximately twenty-five attended the meeting.

Next Monday afternoon the group will meet in circle meetings, for Bible study.

## Volunteers Wanted To Help Paint Interior Of Girl Scout House

At a meeting of the Girl Scout Leader's Club, held Tuesday morning in the Scout House, the group voted to paint the inside of the Scout House, with work to begin Wednesday, January 16. Members voted to do the work themselves, with the assistance of anyone who will volunteer to work with them. Workers are asked to bring their own paint brush and an empty can for paint.

There will be another meeting of the workers to be held Monday night, January 21, when the husbands of the leaders will assist in the painting.

The club is anxious to complete work on the house, and to get it in readiness for the district meeting of Girl Scout Leaders and Council executives, which will be held here March 11.

Mrs. Leonard McNeese, president of the Girl Scout Leader's club presided at the meeting Tuesday morning.

## Earth Couple Entertain With Dinner Party

Mr. and Mrs. Jack Hinson of Earth entertained with an informal New Year's dinner party held at their home, last Tuesday evening.

Decorations for the occasion featured poinsettias placed at vantage points in the entertaining room.

Following the dinner, games of canasta were enjoyed during the evening.

Attending the party were included Mr. and Mrs. Ray Axtell, Mr. and Mrs. Pody Welch, Mr. and Mrs. Bill Stockard, Mr. and Mrs. Sam Cearley, Mr. and Mrs. Earl Parish, Mr. and Mrs. Rubert Spann, Mr. and Mrs. Bill Thorne, Mr. and Mrs. Tom Fowler, Mr. and Mrs. Ray Riley, Mr. and Mrs. Ed Dawson, Miss Patricia Mann, Norman Sulser and the host and hostess.

Apples may absorb odors so store them away from potatoes or onions.

## Younger-looking

## Health Talks

Prepared by the State Medical Association of Texas

The chances are that those resolutions you are trying so hard to carry out were all aimed at making your life and the lives of those around you a bit more pleasant during the coming year. You may have resolved not to worry so much, not to yell at the children, to really stay within a budget, to try to find more things to laugh at, to do little helpful things for people—in some way or other your resolutions are designed to make life a song instead of an offkey existence. A song is made up of seven tones, those old familiar do, re, mi fa, so, lo, ti's. Whatever key you live in, you still use those do-re-mi's for a trip to Kentucky, where they spent the Christmas holidays.

**D. O. ALDRIDGE HERE FROM EAST TEXAS**  
A guest in the home of Mr. and Mrs. W. J. Aldridge the past week, included his brother D. O. Aldridge of East Texas.

A proper diet is not a cure all. It is the first essential in helping you to help yourself, however, mentally and physically. And the first resolution you should go to work on this year is the establishment of a proper diet: your other resolutions might fall into place automatically if you're feeding yourself the instruments which enable your body to tune up in key.

Those seven basic foods fit right into those seven basic tones that make up music. Anything else you add to your diet may offer variation in your song of life, but you have to start with the basic seven.

First, you have "do", the musical equivalent of bread and cereals which are the first requirement in a diet. You need dough, whole grain cereals, in some quantity every day no matter whether you're drastically overweight or not. If for some reason of health these "do" ingredients must be eliminated from your diet, your doctor will substitute a food which contains the same substances in a manner in which your body can use properly.

The next note of the scale is "re", which might be translated into food as the fruits, tomatoes or raw cabbage that belong in your daily diet. All fruits are included in this bracket and since there is always some fruit on the market, it shouldn't be a hard spot to fill. When you get tired of fruits, you can always switch to tomatoes or an occasional serving of cole slaw or some other raw cabbage dish; but you need some of this "re" group everyday, and it wouldn't hurt to include two servings of "re".

Milk could be the "mi" in the musical scale of living and potatoes might fit into "fa". All of these notes have to be sung daily, just like a singer will run through the scales to exercise her voice before she starts into her song. These seven basic foods start your body functioning properly, exercising all the parts of your body, and you can then go into your song and dance with the additions of other foods which you may cherish.

It's not too late to make a resolutions to eat a portion of each of these foods every day. It's a safe bet that they will make you feel better, act better, and look better as you go about trying to fulfill those other resolutions you have made.

Next time you bake sweet potatoes remove the pulp from the shells and mash well with butter or margarine, cream or milk, a little molasses and a dash of nutmeg.

**Local Jaycees Receive Invitation To Fat Stock Show**

Littlefield Jaycees have been extended an invitation to attend Southwestern Exposition and Fat Stock Show at Fort Worth, on Junior of Chamber of Commerce Day, on Wednesday, January 30, by President Lloyd J. Weaver of the Fort Worth Club. Members from all over Texas are expected to attend.

Richard Dalton, arrangements chairman, is at work on plans filled with the enthusiasm and color characteristic of Jaycees. A similar occasion last year attracted several hundred members and was one of the highlights of the entire exposition. Fort Worth stock show dates are January 25 to February 3.

Dip your kitchen scissors in water when you are cutting foods such as dates and marshmallows with it. A kitchen scissors is also useful with which to cut parsley fine.

The five finalists in the 1952 "Maid of Cotton" contest put on their best smiles before moving into the final round of judging in Memphis, Tenn., to see which lucky one will represent the cotton industry on a tour of this country and abroad. Left to right, they are: Catherine Bailey, Anniston, Ala.; Betty Goosman, Bells, Tenn.; Lucianne Knight, Austin, Texas; Patricia Ann Mullarkey, Dallas, Texas, the winner of the contest, and Allyn Smith, Los Angeles, Calif. —AP Photo

Chopped dates dried apricots or prunes, raisins or nuts, are delicious added to a standard recipe for muffins. Flavor tapioca cream with orange rind, then serve with orange sections and a fluff of sweetened whipped cream.

**From where I sit... by Joe Marsh**

**It's Slim's For An "Honest" Meal**

Most people thought Slim Benson would probably go broke when he first started his system of letting customers figure out their own checks over at his big diner on the highway.

Slim trusts them to pay for as much as they eat—you simply tell Sally, his cashier, the amount of your bill. It works, too. Take the other day when Buck Harlow told Sally his bill was 35¢.

Now I was right there with Buck and I knew all he had was coffee and pie which comes to a quarter. "How come thirty-five cents?" I asked Buck. "Had an extra cup of java the other day, Joe, and forgot all about it—til now," he says.

From where I sit, most people are basically honest—and that goes for their opinions, too, even though they may be different than our own. I like a glass of beer with my dinner; you may prefer something else... but we all ought to be allowed to "figure it out" ourselves.

*Joe Marsh*

**Enjoy-SLEEPING COMFORT**

...sleep under an electric blanket. Sleep soundly, sleep restfully, sleep safely — on the best night — under ONE electric blanket.

Ordinary blankets — piles of ordinary blankets — wear you out with their weight make you feel like you hadn't slept at all. And then, if that pile slips off — and that happens when blankets are piled on — Brrrrrrr.

Don't be overcome with blanket weight, be overcome with blanket joy. Use electric blankets — single or double bed models — for your home. Automatically controlled, they keep you warm all night long — with a single setting — no matter how the room temperature or the outside temperature change. ONE blanket — of course, it's electric. — will keep you warm on any winter night. See your appliance dealer now.

## MINIMUM ENLISTMENT PERIOD REDUCED IN EXPERIMENTAL PROGRAM

In order to make the Aviation Cadet Program more attractive to prospective applicants who have two or more years of college credit, the enlistment period has been reduced from 4 to 2 years.

This is an experimental program, which became effective November 23, 1951, and now permits airmen in the active military service to apply for Aviation Cadet training providing they have completed high school, according to information reaching M. Sgt. Gerald E. Cutshall, local recruiter for the U. S. Army and U. S. Air Force, this week, who will give anyone interested full information.

Those applicants who are found qualified for appointment before January 15, 1952 will be considered for assignment to Class 53-C, which starts in April, and Class 53-D, beginning in May, in pilot training; and the Aircraft Observer Class

51-21C, which will begin April 23, 1952.

Only male civilians who possess a letter or telegram of selection for a specific class or a letter or telegram advising them of their qualification for appointment as Aviation Cadets are eligible to enlist for the minimum of 2 years.

Applicants with only a high school diploma should know that this program is experimental in nature and that passing the qualifying tests will not necessarily insure their selection, since selections will be made on a competitive basis to admit the most highly qualified airmen to flying training. No airman will be assigned to an overseas shipment while he has an application pending for this training. Airmen with pending Air Force OCS attendance are eligible to apply for A. C. training.

ELIZABETH SCHOVAJSKA

## Awarded \$300 Home Economics Scholarship

Miss Elizabeth Schovajska, Texas Tech senior from Amherst, and a graduate of Littlefield High school, received the \$300 Borden Home Economics 1951 scholarship award Tuesday night in the Home Economics club meeting in the home economics club building at the college.

The award given by the Forden Company foundation annually to the senior with the highest grade point average for three years, was presented by Miss Margaret W. Weeks, dean of the division.

Miss Schovajska, daughter of Mr. and Mrs. E. L. Schovajska, made a grade point average of 2.61 in her freshman, sophomore and junior years. The highest possible average is three grade points.

She is secretary of the student council; vice president of Phi Upsilon Omicron, home economics honor society and member of the Home Economics club. In her freshman year she was a member of Alpha Lambda Delta, scholarship organization for freshmen, and in her junior year was a member of the junior council.

The award is the seventh annual given by the foundation.

## Water Election Results Not Yet Available

Scattered reports from the several counties of the area, who comprise the High Plains Underground Water District, after elections were held in all of those counties Tuesday, for the purpose of electing directors and county committeemen, indicate that only a small number of persons, in comparison with the number eligible took the time to cast a ballot.

In Lamb county, reports had come in from Otton, Sudan, Springlake, Spade as well as from Littlefield, in sealed envelopes, but cannot be opened until the official canvass next week, and the results, therefore will not be made known until that time.

Unofficially, it was reported at the one voting place in Littlefield, a total of 24 votes were cast, with Les Watson of Springlake receiving 16, and George Broome of Anton, receiving eight. There was no competition for the director positions, and locally, Fred Meeks of Sudan, Gus Parrish of Springlake, and A. B. Brown of Spade, received an affirmative vote from each of the 24 casting ballots.

## Dimmitt Woman Treated For Injury Sustained In Fall Monday

Mrs. M. H. Fowkles of Dimmitt was treated at Payne-Shotwell Foundation for a knee and leg injury, sustained in a fall on icy steps, Monday morning.

## Poll Tax

(Continued from Page 1)

The 5000 figure mentioned above. Those who arrived at their 60th birthday prior to January 1, 1951, are automatically entitled to vote in this county, without first obtaining an exemption certificate.

Boys and girls who celebrated their 21st birthday prior to January 1, 1951 are entitled to an exemption, but must call at the Tax Collector's office and secure an exemption certificate.

## Two Stolen Cars

(Continued from Page 1)

checking with officers at Littlefield, the car was discovered or reported to be one stolen from the Jones Motor Company Used Car lot in Littlefield some time during Monday night or early Tuesday morning.

Further investigation revealed that a Mercury also reported stolen at Plainview, was the one discovered parked near Baker's Drive-Inn cafe in Littlefield, probably abandoned after motor trouble developed.

Officers are leaning to the theory that the youth first stole the Mercury in Plainview, drove it to Littlefield, where car trouble developed, and that a second car, a 1950 Oldsmobile was then taken from the Jones Used Car lot.

The youth was turned over to Lamb county officials, by Muleshoe officials, and is being held in the Lamb county jail, while a further investigation is conducted, which may lead to juvenile court charges.

## March Of Dimes

(Continued from Page 1)

concentrated in specific localities only. Then 1949 set an all time high with 42,366 cases. And in 1950 there were 33,351 cases. In 1951, polio swept the country again with some 28,500 cases—the third worst year on record.

In the past four years, he said, the March of Dimes spent \$79,000,000 for patient care alone. In the previous ten years combined, this bill was \$41,000,000.

"This heavy jump," Mr. White explained, "is due not only to the great number of new polio cases, but the ever-increasing number of those still needing assistance from past years and the greatly increased cost of hospital care."

## W. H. McCown

(Continued from Page 1)

from Hillsboro, and with his wife and two children, have since made their home here. Mrs. McCown is listed as a substitute teacher in the local schools.

Plainview Production Credit Association, has served this area, specifically in Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Farmer and Swisher counties, making both livestock and crop loans.

Their most recent financial statement, cites more than 1,000 stockholders, holding nearly a half million dollars of stock, Class "A" and Class "B" in the association.

Current loans and interest are shown on the statement as totaling \$2,075,280.55, and total assets of \$2,075,280.55.

No announcement has been forthcoming as yet from Security State Bank, as to whom will be appointed as cashier at the local bank, succeeding Mr. McCown.

## Tea Honoring Mrs. B. Nichols To Be Held At First Baptist Church

The Mary Frances Nichols Missionary Society of the W.M.U. of the First Baptist church will entertain with an informal tea Friday afternoon in the church parlors from 4 to 5 o'clock, honoring Mrs. Burford Nichols. All ladies of the church are cordially invited and urged to attend. Mrs. Preston Hagans, president of the organization, announced.

Mrs. Nichols is a foreign missionary, and has recently returned from China, where she has been serving with her husband. The circle that is honoring Mrs. Nichols Friday was named for her.

On Nov. 28, 1942 491 persons were killed in a fire in Boston's Coconut Grove night club.

## Special School In Lubbock For Leaders And Extension Agents

## Lamb County Fair Association To Hold Meeting Monday

The Lamb County Fair Association will hold their first general membership meeting of 1952, next Monday night, January 14, to be held in the Lamb County Court Room, at 7:30 o'clock.

The meeting is being called by V. M. Peterman, president of the organization.

Extension agents in the a three day school to be held 24 in the new building. The purpose is to train the agents in their own work, and to attend County will assist Lamb B. Davis of Amherst of Otton.

## Tax Collector To Visit Various Cities In Collection Of Taxes

Clarence Davis, Lamb County Tax Assessor and Collector, has announced that for the convenience of the taxpayers, he will be at the following places for the purpose of collecting 1951 State and County Taxes:

Amherst—Tuesday, January 15, at City Hall.

Sudan—Wednesday, January 16, at Sudan City Hall.

Earth—Friday, January 18, at Miller and Kelley Hardware.

Otton—Tuesday and Wednesday, January 22 and 23, at the Otton City Hall.

## Midterm Exams In High School Scheduled Soon

Troy Armes, principal of Littlefield high school announced Tuesday, that mid-term examinations in the high school are scheduled to begin Wednesday morning, January 16 and continue through Thursday, January 17.

The schedule is as follows: 1st, 3rd and 5th period classes will have examinations from 9 to 10:30 o'clock (1st period classes), 10:30 to 12 (3rd period classes), and 12:45 to 2:15 (5th period classes).

The same schedule will be carried out for 2nd, 4th and 6th period classes on Thursday. All students are requested to take examinations. Honor roll students will not be exempt.

The study hall will be open both days, for students, who wish to study, when not taking examinations.

Students will return to school on Friday, January 18, to go over test papers, and to register for the second semester of school which begins Monday morning, January 21.

## Install Officers For Morton IOOF Lodge

Officers of the Littlefield IOOF Lodge journeyed to Morton Tuesday night, and installed officers for the Morton group.

Officiating at Morton were; O. M. Edwards, Noble Grand of the local Lodge; and Tracy Perkins, Vice-Grand.

Following the installation refreshments were served.

Local visitors report a very enjoyable evening.

## Board Of Directors Of C of C To Meet Tuesday Morning

A Board of Directors of Littlefield Chamber of Commerce will meet at Dyer's Cafeteria Tuesday morning, January 15, at 7:30 o'clock in the morning. Nelson Naylor is president of the organization.

Several important matters are expected to be discussed and action taken.

## Visitor From San Antonio Taken By Death Friday

Mrs. Francisca Garza age 68, a native of Old Mexico, and a resident of San Antonio, passed away last Friday, January 4, at the home of her grandson, Charley Rodriguez, located on the Darrel Bostwick farm, one and one-half miles northeast of Roundup. Cause of death was said to have been a heart attack. Mrs. Garza has been visiting in the home of her grandson and his family about a week, when she passed away.

Other survivors include her husband and a number of other relatives all living in San Antonio.

The body was shipped by rail to San Antonio Friday evening.

Mr. and Mrs. Rodriguez attended the funeral services which were held during the weekend. They have made their home in the vicinity for the past ten years.

## Baptist Building Fund Totals \$30,286.18

Sunday is Building Fund Day at the First Baptist church, and all offering unless otherwise designated will go into the building fund. Total amount in the fund to date is \$30,286.18.

Work on erecting a new auditorium will begin as soon as the \$50,000 mark is reached, \$3,572 was added to the fund at services held last Sunday.

## Country Club Elects Officers For Ensuing Year

L. C. Hewitt was elected President of Littlefield Country Club, succeeding C. O. Griffin, and will serve for the ensuing year, at a membership meeting held at the club, Monday night.

Others elected were: Arvin Webb, vice president, and Frank Rogers as a new director.

Other hold-over directors are C. O. Griffin, J. H. Lee, W. C. Cannon and A. C. Chesher.

F. L. Newton will continue to serve as secretary-treasurer for at least another month, or until his successor is named, probably at the February meeting.

Mrs. F. M. Farmer, president of the ladies group will also continue in office until after a meeting of that group to be held on January 23.

## Too Late to Classify

## First Fire In 1952 At Jones Duplex On East Seventh

Littlefield fire Department was called to the scene of the first fire in 1952, Sunday afternoon about 2 p.m., when a small blaze started in the ceiling of a duplex apartment on East Seventh street, owned by Volos Jones.

The fire was said to have started from defective wiring. Damage was small—and caused mostly by water, used to extinguish the blaze.

## Students From FFA Chapters To Be Guests Of Rotary

Littlefield chapters, both junior and senior groups have been invited to attend and present a program at a regular meeting of Littlefield Rotary club on Thursday, February 7.

Students will be selected from the two groups to demonstrate how to open and close a chapter meeting, and they will also demonstrate the initiation of "green-hands." The sponsors, W. W. Hall of the senior group, and Hershel Potts, junior group sponsor will also attend the luncheon meeting.

## Twenty - Eight

(Continued from Page 1)

This group of six inductees is scheduled to be drafted into military service on January 15.

The group of 28 taking physical examinations yesterday, will, if passed, be available for February or later draft calls. The February call has not been announced.

The group of 28 taking examinations Wednesday was composed of the following:

Lamb County boys included, Jack Russell Griffin, Littlefield; Oscar Daniel Brown, rural route, Anton; Francis L. Evans, route one, Sudan; Orville Bassett, Littlefield; James Elmo Rowland, Otton; Herman Rhose, Otton; Nariyada T. Cristan, Littlefield; David Lee Bernethy, Sudan; Cletis Gerald Cline, Amherst; William Keith Glover, Littlefield; Billy Ted Borum, Earth; Thomas Bodkin, Otton; Pantallon Salava Tenuque, Littlefield; Donald Joe Cox, Sudan; Eleterio Terez Gauna, Earth; Loyd Skinner, Littlefield (transfer); David E. Dartley, Littlefield, also a transfer.

Others in the area include, Jack K. Russell, Morton; Billy Gene Vest, Whiteface; Ohlen Earl Ray, Morton; H. L. Brandon, Muleshoe; Johnny Eugene Pope, Muleshoe; Jack Junior Wright, Morton; Albert Frank Richards, Whiteface; Oscar Hernandez, Morton; Johnny Odell Scoggins, Morton; Olley Youngblood, Baileyboro, and Billy Gene Woodson, a transfer.
