

Brumbelow Compares Football To 'Game Of Life' At Annual Banquet

Shirley Carter, Marshall Are Queen And King

By JIMMY HINE

A game of football was compared to "the game of life" at Littlefield high school's annual football banquet Monday night, attended by some 230 people.

Principal speaker was Mike Brumbelow, athletic director and coach at Texas Western college who stressed that "if a football will make it a habit to practice on time then he will be able to be on time in the game of life in an adult." He added:

SAME AS LIFE

The rules of football apply to the rules of making a good life. The banquet was sponsored by the Pep Squad and other honorees included school board members and their wives; the city and members of the football board.

Football Superintendent Ralph Harper introduced Brumbelow. Howard served as banquet master with Wayne Wicker giving the invocation. Milton gave the response to the words of welcome by Shirley Carter, Pep Squad cheer leader.

COACHES GET COATS

Coach Gene Mayfield and Don Blum were presented sport coats by Gene McCanlies, sport coat salesman.

Nearly News

Anybody who didn't know that the Cooper has a perfectly good house in Lubbock would think he moved to Littlefield. Since joining his organization of a little sales force here, he has to be here all the time. He has his community meeting last night was quite successful, but he still has his organization about half completed, and is hustling around trying to get the right people to finish it.

NN— Paul Throckmorton writes this to subscribe and says he has moved to Carter, Oklahoma, since injury forced him off the job. Says he surely misses his neighbors and friends and the city of Littlefield. He insists they are just the best people to find anywhere.

NN— Susan Wilemon was in a car the other day. She was going to attend a forum at Texas Tech today and tomorrow. It isn't until she got her mail she received a letter calling her grand juror for Federal district court at Lubbock. Attorneys say she's the first woman in history of the county to be summoned on a federal grand jury.

Land Accepts Lubbock Post

Thomas C. Land, former manager of Cicero Smith Lumber Co., has been named manager of the new Leland Payne Lumber Co. at Lubbock.

The Lands will occupy the residence at 519 E. 14th st. here until school is out, when they will move to Lubbock.

Rate Increase In Mill For 282 Sudan Phone Users

Another telephone rate increase for a Lamb county community is in the fire with General Telephone Company of the Southwest requesting a 28 per cent overall increase in rates at Sudan.

Earth, Olton Gain In Phones; Littlefield, Amherst Decline

Earth and Olton registered sharp gains in new telephone installations during 1954 while Littlefield and Amherst recorded declines in the number of subscribers, according to a report issued yesterday by Manager Bob Blatz of the Littlefield office of General Telephone Company of the Southwest.

Blatz reported that Earth and Olton—heart of the county's richly irrigated land—had increases of 58 and 45 telephones, respectively. The number of telephones in Earth (which includes Springlake) were 276 on Dec. 31, 1954, compared with 218 the same date in 1953. Olton had 643 phones Dec. 31 compared with 598 the year before.

Blatz said Littlefield's decline amount to about 2 1/2 per cent. 1954 subscribers totalled 2,043 with 1,985 in 1953 as a comparison.

"Our survey showed that moving away and going out of business were the two main reasons for disconnecting service," Blatz said.

Statistics for other area communities follow: Amherst, 269 telephones last year, 289 (1953), drop of 20. Sudan, 282 telephones last year, 285 in 1953, gain of 3; Mulshoe, 938 last year, 847 in 1953, gain of 91; Whittharral, 77 telephones last year, 75 in 1953, gain of 2; Anton, 342 phones last year, 233 in 1953, gain of 9.

Auction Sale For Polio Drive Saturday Afternoon At Depot

Still Urgent Need For More Items For Sale; 1,000 Kids To Get Salk Vaccine In April

Lamb country's march against the child-killing disease of polio will reach a highlight Saturday afternoon with an auction sale at the Santa Fe depot. The sale is the prime revenue source in the Dimes campaign and "there is still much to be done in little time," according to County Drive Chairman Howard Horne of Littlefield.

Bites Held For John Kling, 85, Pioneer Farmer

Funeral services for John Kling, 85, one of the first farmers in Lamb county to introduce cotton as a crop, were held Tuesday at 3 p.m. in the First Methodist church here.

Mr. Kling was born in Sweden on May 30, 1869 and came here in 1912 from Crosbyton. He had been in ill health for the past year. He died at 4:30 p.m. at his home, 416 West 4th st. Burial was in Littlefield cemetery under the direction of Hammons Funeral home.

Surviving are three daughters, Mrs. Guy Willis of Littlefield, Mrs. G. N. Fredrickson of San Angelo and Mrs. C. G. Boyce of Des Moines, Iowa; one son, Frank of Hale Center; one sister, Mrs. Hilda Anderson of Sweden; and two brothers, Gustaf Johnson (Johnson was Mr. Kling's family name in Sweden) of Sweden and Frank Kling of Chicago, eight grandchildren and 15 great grandchildren. A son, Hjalmer (Swede) Kling died on Aug. 15, 1954.

Pallbearers were Lon Campbell, Ernest Owens R.M. (Bob) Smith, Bill Jeffries, Walter Martin and Arthur P. Duggan, Jr.

Sudan Gunshot Victim Still In Critical Condition

Dudley Kent, 63, of Sudan, remained in critical condition at Methodist hospital in Lubbock Wednesday morning after he was admitted at noon Tuesday with a gunshot wound in his forehead.

Deputy Sheriff Homer McClairy said Kent, a farmer, had been in ill health for about two years. Kent was found early Tuesday morning by members of his family in a small building at the rear of the farm residence.

He was given emergency treatment at the South Plains hospital at Amherst and a Payne Funeral home ambulance transported him to Lubbock.

Miss Gladys Price, surgical nurse at Medical Arts - Clinic hospital, left Monday by air for Fayetteville, N. C. to attend the funeral of her father.

Horne made a plea yesterday for county residents to speed up their donations of items which will be offered for sale and urged everyone to attend the auction which begins at 1 p.m.

The auction is under the sponsorship of Littlefield Jaycees and H. Matthews of Anton will be auctioneer. If the weather is bad, the sale will be postponed one week. Jaycees yesterday were conducting a telephone marathon which will be picked up if persons will donate.

Hock Resigns As Music Director; No Successor Named

ERNEST HOCK Leaving Baptist Post

Announcement was made this week by Dr. Lee Hemphill, pastor of Littlefield First Baptist church, that Ernest Hock, educational and music director for the past three years, had submitted his resignation effective Feb. 1. No successor has been named.

Hock said he had no definite plans for the future but that he might go into evangelistic singing or take another church post as education and music director.

He came to Littlefield three years and eight months ago from a similar post at the North Orange, Tex., Baptist church. He is married and has a daughter, 14. The Hocks make their home at 416 East 7th st.

Levelland City Manager Gives Rotary News On Canadian River Water Project

Latest developments on the Canadian River water project (which Littlefield voted down in 1953) were brought to the Rotary club last week when Kenneth Harper, city manager of Levelland, addressed the group. Harper has been active in the project for years and still represents his city on the board of directors.

He told the group that plans and specifications for the project have been drawn and the cost determined to be \$90,132,000. Had lines to Littlefield been included, it would have been another \$1,500,000.

The plan favored by all the cities for raising this money is to issue revenue bonds which would have to be repaid by the water authority out of the money it received from the cities for the water delivered to them. In order to sell the bonds, the cities must agree to take a certain amount of water at 22 cents per thousand gallons during the first five years. After that the directors may reduce both the rate and the quantity of water each city is required to buy, if they can do so without jeopardizing the repayment of the bonds.

Harper said that under this plan the indebtedness would be retired in 32 years and then the cities should be able to buy the water for about seven cents per thousand gallons, or about the average cost they now have for getting it from wells. The dam is expected to serve its purpose for 50 years before silting up.

Harper said he thought that after the first five years the rate for water from the authority would drop to a point where it would average out about 19.6 cents per thousand gallons for the 32 year period. He estimated, if Littlefield were included it would have a quota of about one million gallons per day, which is about the average daily consumption now. He also estimated its part of the initial planning and engineering costs, which must be paid in advance and in addition to water purchases, would be somewhere around \$60,000.

Rotarian Arthur Duggan introduced the speaker and quoted both before and after his speech "taught by pain, man knows not the value of fresh water."

He also introduced Engineer Ralph Douglas who gave some figures by which he estimated that a labor of land in this area will supply a city the size of Littlefield for from three to five years—not counting recharge.

So far as reporters can determine, there is no organized effort underway to get Littlefield citizens to reconsider their decision to stay out of the river authority.

Wildcats Against Hale Center Tonight For Third Season Match

By JIMMY HINE

The Littlefield high school basketball team will meet the Hale Center Ows today at the Wildcat gym. The two teams have met twice this year with the Wildcats losing both affairs. In late December the Wildcats lost a lazily fought contest to Hale Center by a 20 point margin. This game, incidentally, was the first of the season for the Wildcats who had had but four days practice.

The second meeting for these teams was played in Levelland in a New Year's tournament. The Wildcats looked much better and lost by only two points in the game which was forced into an extra three minutes of play by a 55-55 tie. The final score was 59-57. Beginning at 6 p.m. tonight, the Owl-Wildcats "B" teams go into action followed by the two girls' teams. Varsity play gets underway at 8 p.m.

Friday night the Wildcats tangled with the Yellowjackets of Kermit in a game that could very easily decide which team in District 6-AAA will finish in the cellar. Both Littlefield and Kermit will be playing on even terms since neither has much height. Both teams have several letter-

men from last year's teams and are once again even in that respect. Joe Giddens, captain and pivotman for the Wildcats, will be matching his ton scoring honors against Kermit's Glen Pursell.

Kermit does have a few good prospects in two tall sophomores and Coach Harry Teal will be making use of their size. Most of the Yellow Jackets' hopes, however, will ride on the scoring ability of Pursell. Another point of interest in this game is that both Mayfield and Teal are in their first year as basketball coaches at their respective schools.

In the game played Friday night the Wildcats fired 42 attempts in field goals and completed 21. Rabbit Vaughn was the most accurate in making six out of nine attempts. Giddens collected seven out of 15; Howard, four of six; Davis, two of six; and Wicker, two of six.

Services will be held each evening at 7:30 and on Sundays at 10:30 a.m., 6:45 p.m. and 7:30 p.m.

1955 SW Public Service Co. Promotions Aired At Banquet

A preview of what to expect in Southwestern Public Service company promotions for this year was given some 62 Reddy Kilowatt dealers, company officials and newspaper personnel at a banquet meeting at Fishie's cafeteria Tuesday night.

Howard Horne, Littlefield manager who was recently selected "Top Manager in the Plains Division," had charge of the program. Marvin Standifer of Plainview talked on the company's planned program for 1955. Promotions, and particularly a "Wheel of Fortune" sales program which will be carried on this year were discussed by Lewis Hollingsworth, Plainview.

To emphasize the program, Public Service officials dressed as gamblers and performed a short skit.

Standifer discussed a driver campaign which will begin Feb. 1. A talk on home wiring was given by "Bub" Laird of Plainview.

Mulshoe, O'ton, Earth, Sudan and Littlefield were represented at the meeting.

DISTRICT JUDGE A. B. BILLS, seated, administered oaths Monday morning to a jury commission named to select 120 veniremen and 10 grand jurors for the February term of District Court.

School Heads Take Up Textbooks, English Teaching At Spade Session

Each county school will appoint a faculty member to a Textbook Action Committee which will meet January 18 at Littlefield high school to decide on uniformity of textbook usage for all schools. County Superintendent J. A. Lumsden reported this week.

This action was decided on at a school administrator's meeting at Spade Monday night. Lumsden reported that the teaching of English was discussed and that each superintendent will confer with his English teacher and at the next administrator's meeting, an attempt will be made for all county schools to teach literature and grammar at the same time.

Piano music was furnished by Kay Hoelscher during the meal. A trio composed of Glennis Holly, Pat Pointer and Willie Grigg sang three numbers.

P. T. Dunning of Spade school introduced four members of his board that were present. They were W. B. Jones, E. H. Gray, C. C. Byars and Olen B. Crump.

In the absence of President Ralph Schilling and Secretary Glen Reeves, Vice President Dave Tull presided and P. I. Jones acted as secretary. Superintendent Carl Mason of Otton, Superintendent O. E. Lumsden of Springlake, Superintendent V. P. Osborne of Amberst and Lumsden gave short reports on the high points of the administrators meeting held in Austin two weeks ago.

The next meeting will include all teachers in the county to be held in Littlefield Feb. 21. The administrators will have a business meeting at 6 p.m. and the dinner meeting including all teachers at 7 p.m.

Mother of Wayne Brown Passes Sunday At Post

Word has been received here of the death on Sunday night of Mrs. H. B. Brown of the O-O Ranch near Jayton. She was the mother of Wayne Brown, former resident of Littlefield who now lives in Post.

Mrs. Brown had been visiting in the home of her son and had been a patient in the hospital at Post for about two months.

Funeral services were held on Tuesday morning, Feb. 23 to take part in the "Soil Fertility Day" observance at Littlefield.

It is planned to have the youths bring their fathers to the Littlefield meeting as a means of getting increased attendance. Committee members said a percentage have decided to give the students credit for school work while attending the meeting.

.62 Inches Of Moisture Recorded So Far This Month

Saturday's rain and snowfall hit .17 of an inch bringing smiles to farm faces and the month's precipitation total to .62 of an inch, which is giving the county a good start agriculture-wise on the new year.

Vic Bullman, part time weather prognosticator, at Western Cottonseed commented "It looks good because the moisture is all going in." If you're interested in the January precipitation figures for past years, here they are:

1954, only a trace of unmeasurable snow; 1953, .73; 1952, .65, 1951, .31, 1950, .25, and 1948 (the year everyone is still talking about), 3.03 inches.

Seven Year Old Seriously Burned In Home Accident

OLTON — A seven year old boy was seriously burned when his clothing caught fire at his home early Tuesday and his father and mother suffered hand burns when they tried to extinguish his flaming clothing.

Admitted to Olton Memorial hospital was Norman Ray King, son of Mr. and Mrs. Marvin J. King, who live on the Louis B. I. farm about 1 1/2 miles west of Hart Camp. Hospital attendants Tuesday night said the boy was still in serious condition.

Friends of the family reported that the child was warming by a stove when a bathrobe caught fire. His screams attracted the father and mother, who tried to extinguish the blaze but the boy ran into the yard, where he found the flames. It was reported that more than two thirds of the child's body was burned.

Girl Scouting Studied In Thurs. Meet

At the neighborhood Girl Scout meeting held Jan. 13 at the community center, it was learned that out of the eight troops for girls which have been active there are only five now active for lack of a leader. The troop most urgently in need of a leader was believed to be troop of third grade Brownies.

A discussion was held concerning the proper handling of troop funds at the end of the scout year (or school year).

It was decided to ask each leader to deposit the funds belonging to her group with the treasurer for the group. She would be given credit for this amount and could draw it out at the beginning of a new scout year. Mrs. Earl Rodgers is serving in this capacity at present.

The needed repairs to the scout house were discussed and it was decided to have the gas turned on in the building so the troops may start meeting in all but extreme weather.

Mrs. Horace Moore was elected vice president of the group.

Attending the meeting were Mrs. Moore, Mrs. Iris Blackwell, Mrs. Wiley Foley, Mrs. Bob Tatum, Mrs. Robert Bridges, Mrs. O. A. Presslev, Mrs. Leonard McNeese, Mrs. Homer Garrison, Mrs. John Clayton and Mrs. Boyd Roberts.

... to save your children from that deadly, crippling disease known as Polio.

For the first time in history, protecting your children from the dreaded disease may be as simple as writing a check to the March of Dimes fund.

You see, 1955 may well be the "year of decision" in the long, hard fight against polio. Science, after years of unflagging research, appears about to score a stunning triumph over this dread disease.

Funds are urgently needed NOW for the final push to victory. Every dollar contributed speeds the day when the world can at long last be free from this grim destroyer of life and limb.

The opportunity is here . . . the time is now to deliver the "knock out" blow to polio. Give from your heart to the March of Dimes.

Every first and second grader in Lamb County will be offered POLIO VACCINE this year FREE OF CHARGE.

LHS Wins 2 Hoop Tilts From Olton But Girls Lose, 45-28

By Jimmie Hill
The Littlefield Wildcat varsity football team defeated the Olton Mustangs 57-21 Tuesday night at the Wildcat stadium. The "B" team boys defeated the Olton girls 35-23. Littlefield girls lost to Olton, 45-28. Don Howard turned in an excellent performance on both offense and defense in leading the Wildcat to their victory. Howard scored 29 points on nine field goals and two free throws. Several high men for the Wildcats as Team Captain Joe Giddens tallied 15.

Bill Kennemer, who intercepted the Olton passes in the first half of the game for some above par punts, scored six points. Orr 1, Orr 2 and Vaughn 10. The Wildcats led 38-18 at the half and were never in serious doubt and completely controlled the game. The Wildcats received a total of 58 rebounds compared with 18 for the visiting Mustangs. The Wildcats completed 3 field goals out of 68 attempts.

The Wildcat's first three punts were an average 36 per cent complete, a total of 14. The Wildcat showed a sign of their big lead in the early part of the third quarter. The Wildcat impressed the Wildcat's only 15 punts as the Mustangs

out scored the Wildcats in the third, 10 to six.

High scorers for the Mustangs were Muchen with 11 and 68. The Mustangs tallied 14 field goals in 32 attempts, and made six of 24 free throw shots for an average of 25 per cent. The Mustangs committed eight fouls and the Wildcats drew 19.

Other Wildcats action were John Clayton, Bill Fore and Paul Yarborough.

Score by Quarters	Totals
Littlefield 13 25 6 13 57	
Olton 9 9 10 6 34	

"B" Team Wins
The Littlefield Wildcat "B" team took a more closely fought contest in defeating the Mustang "B" team in the first of a triple header by a score of 35-23.

The Wildcats, who led by only three points at the half a time break, out scored visiting "Bees" 20-11 in the second half. Johnny Burleson was the high scorer for the Wildcat with 11 points. High scorer for the Mustang "B" team with 10 points. Mustangs were McAdams, who scored six. Other scorers for the Wildcats were Griffin 6. Gra-

ham 11, Carstenson 2 and McShan 3.

Other Wildcat "B" team boys scoring action were Harris, Hoover, Weaver, Roberts, Parker, Graham, Morris, Love, Jamison, Qualls, Carter, Davis, Hutsen, Ratliff and Hoppe.

The B boys drew 12 fouls, one of which was a technical; scored 10 field goals and made 12 free throws out of 20 tries.

Olton was guilty of 11 fouls; scored eight field goals and completed 11 of 24 free throws.

Score by Quarters	Totals
Littlefield "B" 13 2 9 11 35	
Olton "B" 4 8 7 4 23	

An interesting note is that neither the Olton varsity nor "B" team scored more than 10 points in any single quarter. Another point of interest lies in the program information column for Halie Center's visit tonight is that the Plains famous "Silent Fleece" will perform during the half time of the varsity boys' game P. S. They're worth seeing.

GIRLS LOSE 45-28
The Littlefield high school girls lost to the quick charging and fast shooting Olton girls 45-28.

High scorer of the game was Miss Franks of the Mustangs, who scored 29 points on eight field goals and 13 via the free throw route. High scorer for the Wildcats was Peachy Cowan with 11.

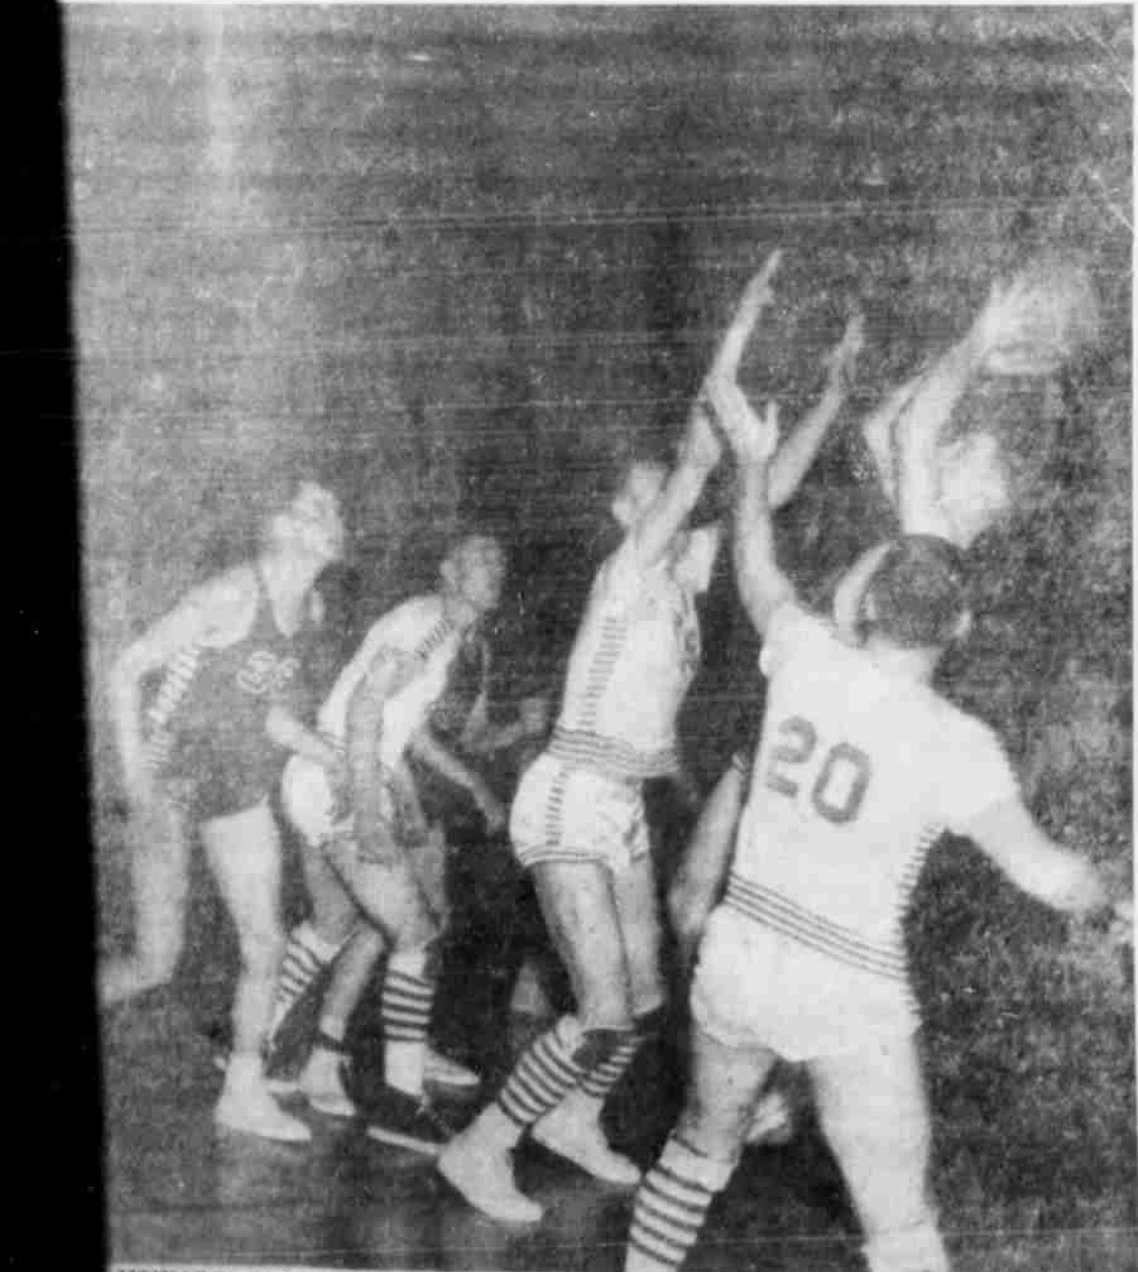

Peachy scored three field goals and seven out of 15 free throw

attempts. Other scorers for the Wildcats were Patsy Pickrel with 11, Jean Pearson two, and Lavillas Rushing two. The Wildcat girls scored 10 field goals and made eight of 25 free throw attempts for an average of 33 per cent completions. The Wildcats had 18 fouls marked against them.

Other scorers for the Mustang girls were Daniel with four, Sides 12. The Mustangs drew 19 fouls, scored 14 field goals and made 17 of 28 free throw attempts. Other Olton girls seeing action were Dodd, Sarley and Kersh.

Littlefield girls playing were Shirley Moore, Lav Vaughn, Vickrey, Yvonne Meadows, Linda Hoover, Peachy Cowan, Patsy Pickrel, Jean Pearson and Lavillas Rushing.

Score by Quarters	Totals
Littlefield 5 8 6 9 28	
Olton 9 9 11 16 45	

HOWARD OF THE WILDCAT team tosses in a two-point shot during the second quarter of the LHS-Olton game Tuesday night here. Furnishing the close opposition are Clyde Rhodes, Don Macon of Olton. With eyes glued on the ball are Bill Kennemer of Littlefield and Don Hill of Olton. LHS won 57-34. (Staff Photo)

Bible Words for Today

JOHN 9: 10—"I am the door: by Me if any man enter in, he shall be saved, and shall go in and out, and find pasture."

Real religion is rhythmical. It is not a question of going in or going out; it is both. On the one hand, it is adoration and worship; on the other it is achievement and service—in other words, a perfect balance.

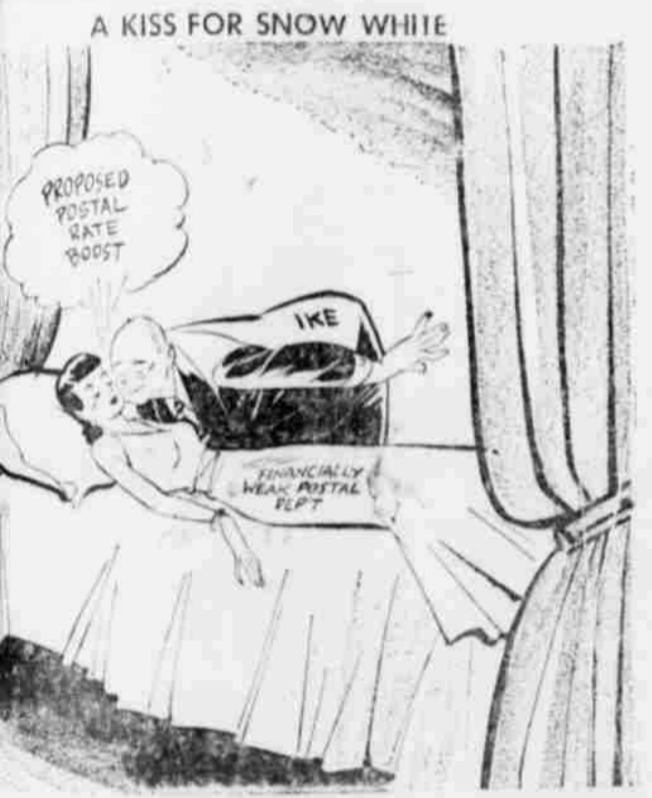

I feel the rhythm of life on all sides of me. The tides ebb and flow, day succeeds the night, winter balances summer and spring is the opposite of fall. In history nations rise and fall. The health of my own body is the result of both exercise and rest. Sadness in my life is balanced by my times of happiness. Life is creative, when it is balanced and rhythmical.

Jesus went out into the wilderness to pray; I shall go into the House of God to worship. My Master came to the market place to heal and teach. I shall go out into life to serve. Give me, O God, the secret of Mary and the service of Martha!

The Rev. M. Rudolph Miller, First Presbyterian Church, East Liverpool, Ohio

4-H IN REVIEW

For a story of 4-H activities this week, let us turn to future or near future activities. First, for those boys or girls who may be interested in poultry demonstrations, the Sears-Roebuck Foundation has once again included Lamb County in its poultry program. This year we can have as many as three boys or girls who can receive the Sears Chicks, one rooster and number of chicks to be given out are White Leghorns, 300 of them; and Rhode Is and Reds, 600 in number.

The Sears Poultry program is very simple and requires no initial capital for purchase of chicks. Three 4-H members selected by interest shown and available facilities, will each receive 300 chicks. There is no initial expense for chicks and only one requirement to be fulfilled later in the demonstration. The sole value of one half of the cockerels will be given back to the Sears Foundation. The remaining birds, all the pullets and the remaining one half of the cockerels become the property of the 4-H members concerned.

This program affords an excellent chance for interested 4-H members. Those who are interested should write a short essay on why they are wanting these chicks; a so including the facilities they have for proper care of the chicks. Send these essays to the County Agricultural Agent's office in Amherst, right away.

Another problem in the near future will be buying feeder calves for this coming year. At the present time we expect about 40 commercial calves to be shown in March at the Littlefield show. It all the boys and girls who show calves at this show will have an idea on the number and breeds of calves wanted for next year's show, we can act much quicker in locating and buying them.

Amherst Pastor To Teach Religion At Wayland College

VIEW.—Because of the rapid increase in enrollment at Wayland College in the spring semester, John Rankin, of Amherst, has been added to the faculty to teach religion on a part-time basis according to a recent vote of the board of trustees.

Rankin, who will teach two classes, "Women's Missionary Union" and "Training Union," has been pastor of First Baptist Church, Amherst, for the past five years and will continue his pastoral duties while teaching at Wayland College.

JOHN RANKIN

Rankin holds the B.A. and M.A. degrees from Texas Technological College and a master in English from the University of Texas at Austin. He also holds the Master of Theology degree from Southwestern Baptist Theological Seminary, Fort Worth, with distinction in practical duties. His three years of college training were at Wayland College, which he was graduated in when it was a junior college. He is serving as pastor at New Deal for five years at Seagraves for eight years and has been pastor at Milam and Bull in New Mexico from 1924-25. He served as pastor in the European Theater from 1942-45. He has 15 years of teaching experience in high school and was superintendent at Gail High School in Lamb County and principal of Gray High School in Lynn County.

Junior Choir Leads Nazarene Singing

All the music for the morning service Sunday at the Church of the Nazarene was led by the Junior Choir, attired in their new choir robes.

This 20 voice choir, composed entirely of young people, is directed by the pastor, Rev. C. H. Mosley.

Hart Camp News...

By Mrs. Junior Muller
The Hart Camp WMU met Monday afternoon at the home of Mrs. Carl Timmins at Fieldton. Mrs. Homer Worley presided at the meeting. The minutes were read by Mrs. L. W. Sullivan and approved. Mrs. Charles Vanlandingham had charge of the Stewardship program.

The opening prayer was led by Mrs. Carl Timmins. Mrs. H. V. Lynch led the group in a song. Mrs. Blanton Martin, Mrs. L. W. Sullivan and Mrs. Homer Worley each reviewed one chapter of the Stewardship book.

The chapter dealt with Abel, David, and Job and their examples of Stewardship. A question and answer period followed and the group was dismissed in prayer by Mrs. M. W. Wheeler.

Present were Mrs. E. P. Oliver, Mrs. H. V. Lynch, Mrs. Carl Timmins, Mrs. C. E. Timmins, Mrs. M. W. Wheeler, Mrs. Blanton Martin, Mrs. Charles Vanlandingham, Mrs. L. W. Sullivan and Mrs. Junior Muller.

Visitors were Mrs. Basil Jeffrey, Mrs. Paul Hukill, Mrs. E. D. Williams of Loop and Mrs. Charles Simmins of Whitharral. Six Sunbeams were also present.

After the meeting cake and coffee were served and gifts presented to Mrs. Carl Timmins for her home, family and new baby boy.

Sending gifts were Mrs. Vern Sunday with Mr. and Mrs. A. L. Tidwell.

Mr. and Mrs. C. S. Stephenson visited her sister and family at Lubbock Sunday night.

FOCUS WEEK

The WMU will observe Focus Week Jan. 16 through 21 with a program during Sunday School assembly Sunday morning and a series of posters depicting the different phases of WMU work on display in the vestibules.

G. A. PARTY

The Intermediate G. A.'s and their guests, attended a party at the home of their counselor, Mrs. C. E. Timmins, assisted by Mrs. Homer Worley with the hostess duties, Saturday night. Games were played and fudge and cakes were served to Barbara Huff, Frances Pressley, Judy Pendleton, Barbara Worley, Clayton and Trevis Vanlandingham, Larry Timmins, Sammy Wheeler, and Eugene Franklin.

Mr. and Mrs. M. A. Bales and children of Lubbock visited in the home of her brother and wife Mr. and Mrs. H. V. Lynch, Sunday.

Mr. and Mrs. G. H. King and sons of near Muleshoe visited in the Blanton Martin home here Sunday and then they all went on to Lubbock to visit Mrs. A. M. Spikes and children. Mrs. Martin, Mrs. King and Mrs. Spikes are sisters.

Visitors in the C. E. Timmins home Sunday included Mr. and Mrs. Charles Timmins and Mr. and Mrs. Albert Dukatnik and children all of Whitharral.

MOVING TO ARIZONA

Mr. and Mrs. Carl Timmins and family are moving to Phoenix, Ariz. Jan. 22. Carl will enter college there for the second semester, Jan. 26. He is training for a religious educational director position.

NEW SON

A son was born to Mr. and Mrs. Carl Timmins Thursday, Jan. 6 at 2:30 in the Littlefield hospital. It is their second child. They have a daughter Carlene, age two. Maternal grand parents are Mr. and Mrs. E. D. Williams of Loop. Paternal grandparents are Mr. and Mrs. C. E. Timmins who also live here. His name is Keith Woodson and he tips the scale at 7 lb. 9 oz.

In the absence of the pastor, Rev. Charles Vanlandingham who preached at Whiteface Sunday, the pulpit of the Hart Camp Baptist Church was supplied by Rev. Harrison from the Baptist Book store in Lubbock.

H. R. Monroe was admitted to the West Plains Hospital at Muleshoe Sunday afternoon for diagnosis.

The W. C. Huff have traded cars. They now have a 1953 Dodge.

Homer Jones, J. C. Muller and Junior Muller were in Tulla Saturday on business.

RENTS FARM

Lambert Kirby, a former resident of Hart Camp has rented the Whitfield farm northeast of Hart Camp and will move here soon.

NEW RESIDENTS
Mr. and Mrs. Jimmy Lee Roberson of Fort Smith, Ark. are new residents of the Hart Camp community. They live on the Virginia Parkey farm north west of Hart Camp and will be associated with his father in farming operations near Fieldton.

Mr. and Mrs. K. W. Mahaffey purchased a farm near Amherst last week. Mr. and Mrs. D. K. Mahaffey and sons will move there soon.

A. L. Bland returned home last week from Spur where he was hospitalized.

Mr. and Mrs. Burselon and Sue recently returned from spending a few days in Mexico.

TAFFY PULL
The YWA and their guests enjoyed a taffy pull and record session at the Community Center Friday night.

The group was sponsored by Mr. and Mrs. M. W. Wheeler. Those present were Betty Franklin, Phyllis Worley, Yvonne Huff, Sue Sullivan, Betty Wheeler, Wayland Hukill, Delbert Timmins, Paul Worley and Billy Kirby.

Yvonne Huff was ill Tuesday. Mr. and Mrs. J. C. Muller, Mr. and Mrs. Don Muller, Mr. and Mrs. Junior Muller and Mark were guests at the H. E. Lacy home Tuesday for a birthday luncheon. The occasion was Mr. Lacy's 72nd birthday.

Farm Tips

Malathion can be used safely on dogs to control fleas. A five-tenth per cent spray or four per cent dust give the longest control. A two and one-half per cent spray or a four per cent dust will get the pests in garages or other infested spots.

Free-choice of phenothiazine may some day help control cattle grubs, but several problems regarding its use must first be solved. Cattle don't like its taste and a practical way to feed the product has not yet been found.

Last year 3,974,451 acres of grassland in Texas were involved in demonstrations supervised by county agricultural agents. A. H. Walker, extension range specialist, estimated that improvements made under the demonstrations added \$1,767,415 to the income of the participating ranch operators.

Creep feeding home grown grain supplemented with a protein-cottonseed meal—has earned a firm place in the farming practices of a veteran Zavala county livestock raiser. W. R. Parsons figures the \$7.50 feed bill per head on 50 calves gave him an additional \$20 per calf at the market.

Jan. 28 is an important date for rice producers. On that day they will vote in a referendum to determine whether or not marketing quotas will be in effect for the 1955 rice crop. All eligible growers are urged to vote.

Styling that's stealing the thunder from the high-priced cars!

It costs no more to form a sheet of steel into a graceful shape than it does an awkward one—so price has nothing to do with styling. Only the talent of its designers determines whether a car is a delight to the eye or it isn't.

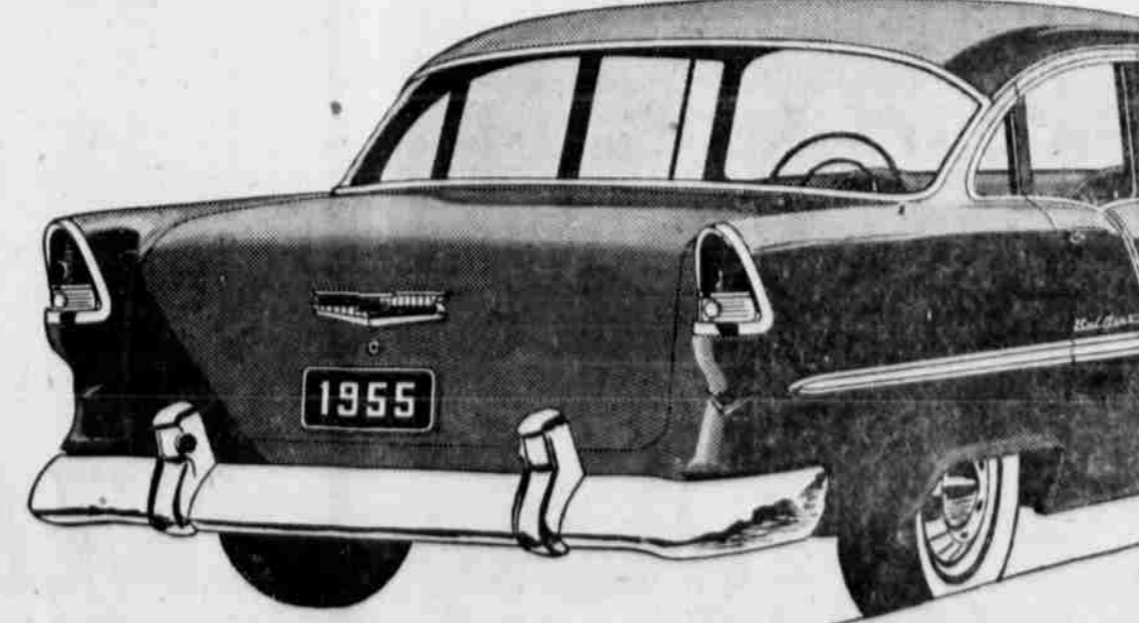

You couldn't find more pointed proof of this than the 1955 Chevrolet—for here is a low-priced car that has snatched the styling spotlight, overshadowing even the highest-priced creations with its subtle sweep of line, the bold rake of its deep-curved windshield.

New V8 and two new 6's
But the Motoramic Chevrolet has advances in engineering that even surpass its styling. There are three ultra-efficient new engines—the 162-h.p. "Turbo-Fire V8" and two "Blue-Flame" 6's. There is a whole new chassis design, with spheri-

cal-joint front suspension that spurns bumps like a swallow skimming a lake, and Anti-Dive braking control to check that sharp "nosing down" of the front end.

There are three new drives—sturdier Synchro-Mesh and, optional at extra cost, a silkier Powerglide automatic transmission or the flexibility of Touch-Down Overdrive . . . plus all the power helpers you could wish. Try a 1955 Chevrolet—now—and find out why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR . . . A NEW CONCEPT OF LOW-COST MOTORING

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

It's a perfect gem to look at!
And it's powered to run rings around the rest!

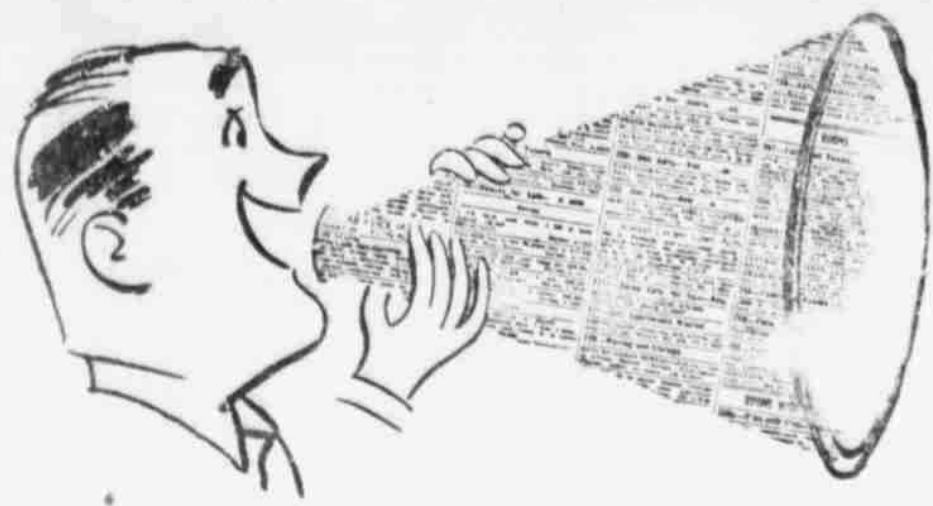

Everything's new in the motoramic CHEVROLET

TESTS FOR PROPER HOME WIRING-----

- A** Is it Safe?
- B** Is it Adequate?

R. R. Murphy, city electrical inspector, Amarillo, Texas, recognizes the growing home need for sufficient electric capacity. Mr. Murphy, who is building his new home, says, "I'm making sure of plenty of electrical capacity...my wiring is safe as it complies with the Amarillo city code. In addition, it's adequate and will be for years to come".

"Here you see 8 circuits with provision for a future 8 more. In addition, there are separate circuits for the electric range and electric dryer. The kitchen, for example, has two appliance circuits for coffee-makers, waffle irons, toasters, etc."

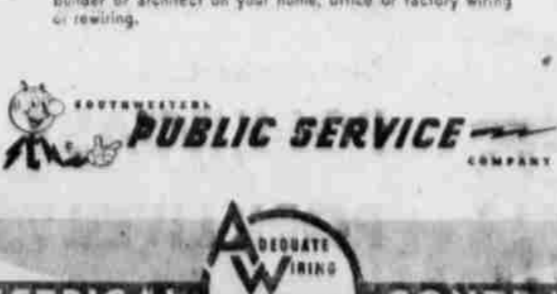

"All I'll have to do here is plug in my electric range. What's more, the wire used is #6 which means that the range will operate at top efficiency. Wire of the right size is an important part of electric appliance operation."

"This is the wiring for the electric dryer as it appears before the three-wire outlet is installed and the walls finished. It's easier to get the right wiring at the time the house is being built. I've planned mine accordingly."

NOT MORE THAN 6 FEET FROM LAMP TO ANY OUTLET

To avoid a tangle of extension cords, outlets should be spaced not more than 12 feet apart. Mr. Murphy here shows Public Service wiring specialist that his complies with this important provision.

Modern living calls for sun-lamps, heat lamps, electric shavers and other uses for bathroom outlets. In both of Mr. Murphy's baths, an electric outlet is placed for maximum convenience.

Public Service maintains an Adequate Wiring department. We will be glad to work with your electrical contractor, builder or architect on your home, office or factory wiring or rewiring.

Legislature Needs To Give Wise Study Of Water---Yarbrough

President Jack Yarbrough of the Lamb County Farm Bureau said this week that "certain proposals are about to be made to the Texas Legislature, which, if accepted . . . and enacted into law, will have serious and far-reaching effects upon the right of the individual farmer to draw water from beneath his soil."

But human nature, being what it is, we wonder if such a relation can exist for long between two persons of equal strength. Doesn't it imply that one individual is subordinated by attuning himself so perfectly to someone else? Undoubtedly, a great sense of release could come from being able to talk unreservedly with someone. But what we lose in "comfort" from not having this boon, we must gain in learning self-control, consideration for another's feelings.

George Elliot once wrote of "the comfort, the inexpressible comfort of feeling safe with a person; having neither to weigh thoughts nor measure words, but to pour them all out, just as they are, chaff and grain together, knowing that a faithful hand will take and sift them, keep what is worth keeping, and then, with the breath of kindness, blow the rest away."

Now wouldn't that be bliss? Never to have to think before we speak. Always be able to say things without glossing over. Never to lie awake wondering what hurt this friend, was misunderstood by that member of the family. Just think of it.

Most of us, at one time or another, have had such an experience briefly. But any prolonged record of it is rare. Girls who are 'best friends,' young lovers, even newlyweds may have such an understanding for a few years. More rarely, a mother and daughter, father and son, sister and brother may understand and love each other this completely for a great many years.

Friendship, to be sound, has to go both ways. And the person who pours out words without measuring them should also be able to listen unselfishly, to know "what is worth keeping, and then with a breath of kindness, blow the rest away."

Springlake Sets Meeting Saturday For Polio Campaign

SPRINGLAKE — The Springlake Farm Bureau will sponsor a meeting here Saturday night at the Community building in the interest of the March of Dimes drive.

According to Frank Bozeman, community Dimes Drive chairman, the community is seeking 50 men who will give \$10 each to the Polio fund. He said the meeting, at which the public is invited, will begin at 7:30 p.m.

Farm Bureau Prepares For Membership Drive

Barbecue Monday To Kick Off Drive

Two ve pairs of Noona boots, donated by county guns, a 12 foot deep freeze, furnished by county International dealers, and a quantity of prizes will be the prizes given at a Victory party, Jan. 31 for the annual Lamb County Farm Bureau membership drive.

The celebration will be held at the Littlefield Community Center at 7 p.m. Homer Garrison of Littlefield and his Plainview Quartet will furnish entertainment for the party.

The one day membership drive will be held Tuesday and a barbecue dinner Monday night at the Community center will officially start the campaign.

Ted Hatcher, membership chairman for the county, reported this week that it looks like the Farm Bureau is well on its way to exceeding the 1,000 membership goal which it reached in last year's drive. The success of last year's campaign resulted in a commendation for the County Farm Bureau.

MISS TAM POINTIER, OF SPADE, Lamb County Farm Bureau queen, admires a 12-foot deep freeze which will be given to some lucky membership worker as part of the prizes in the annual drive.

Texans In Washington

By Tex Easley
WASHINGTON (AP)—Newcomers in the ranks of Texas congressional secretaries have widely varied backgrounds.

Rep. Don B. Carter, an ordained Episcopalian minister for instance is administrative assistant to Rep. Jack Brock of Beaumont. Top man on the staff of Bruce Alger, Dallas Republican Congressman is Frank Crowley, a Notre Dame graduate who has been a salesman in the Dallas area for a number of years and was manager of the Dallas office of the Weathering Center before he came to Washington. He also formerly worked as a supervisor and radio station operator in Midland.

IS COLLEGE PROFESSOR:
A college instructor and a labor economist also are on the staff of Rep. Jim Wright of the New Worth area congressional district.

Chris Rogers, formerly from Grandbury, followed from the Weathering Center before he came to Washington. He taught government and history at the University of Texas at Fort Worth, is a former administrative assistant. He has been engaged in economic analysis in the library of Congress.

Carter, who chose the military career, served in the Marine Corps in World War II and was a lieutenant in the Marine Corps and desk man from 1946 to 1950 when he decided to enter the ministry. He went to the University of the South at Sewanee, Tenn., obtaining a Bachelor of Divinity degree in 1953. He already had a B. S. degree obtained at the University of Texas, where he and Rogers were roommates—they both scouted during the war.

WEIGHS VALUE:
Informing his current members of the decision to give up full-time service as a legislator, Carter in a letter to them said:

"For some months with the guidance of our pastor and Chief Pastor, I have been weighing the value of a satisfactory kind of ministry. This ministry is that of a worker-organizer, whether an elected minister works as a staff job during the week and joins with the fellow Christians for common worship and fellowship."

WRITES HISTORY

A former Amarillo man, Royce L. Thompson is helping set down for posterity a partial history of World War II. He is employed as a civilian by the army, but is doing the same kind of work he did for the U. S. military history section staff.

The actual purpose of compiling such a record is to serve for study and guidance of military leaders in planning for the future. Thompson says by his writing

OPPOSES INCREASE

First signs of opposition to increased taxation have come from Rep. Waggoner Carr of Lubbock. Carr, who may be voicing the opinion of other conservative legislators, says that much of the needed money could come from trimming the present state expenses.

GENERAL FUND LOW

State Comptroller Robert S. Calvert estimates the state's general fund, now slightly more than \$9 million may hit bottom temporarily in February, and put the state on a general fund deficit for a short time.

NEW HOUSE SPEAKER

Rep. Jim T. Lindsey of Texas is the new Speaker of the House. He was elected unanimously the first day of the 1955 session as lawmakers wasted no time getting down to business.

CONSERVATIVE LEADERS

Two conservative, head important House committees in the Texas Legislature. They will have a lot to say about finding and spending \$135 million for state operations.

AUSTIN, Tex.—Cigarettes and gasoline are to be the prime tax targets of the 54th Legislature. In his message to the Legislature at a Joint Senate and House Session, Governor Allan Shivers put his finger on those two items as the answers to Texas' financial problem.

He suggested a two cent per gallon boost in gasoline taxes and a one cent per pack increase in the cigarette tax.

The former would add \$45 million to the highway fund and \$14.5 million to the school fund. The latter would bring in an additional \$16.5 million to the general fund.

Gasoline now carries a state tax of 4c per gallon. Cigarettes are taxed 4c per pack.

Also recommended by the governor was an increase to \$50 in the tuition charge made by state colleges to Texas students. Present fee is \$25 for Texas residents. The \$140 charge assessed out-of-state students would not be changed.

Shivers also asked for better water laws, insurance laws, crime and juvenile delinquency measures, and congressional and judicial redistricting.

MEMBERS OF TEXAS PRISON BOARD

Members of the Texas Prison Board will not ask the Legislature for more building funds although they admit construction is needed.

Chairman French Robertson said that prison population is at an all-time high, that facilities are needed, but that cost would be tremendous.

WOMEN JURORS

A new law providing for women jurors will be presented the Legislature by Rep. DeWitt Hale of Corpus Christi.

Hale would eliminate the qualification that a juror must be a county householder or state freeholder.

He will also ask for exemptions for nurses, expectant mothers and mothers of young children.

Rep. Max C. Smith of San Marcos was re-appointed chairman of the House appropriations committee.

Rep. Statton Stone heads the revenue and taxation committee.

FAIR TRADE BILL

A disguised fair trade bill may be introduced in the Legislature, says a former House member.

It will be asked as a curb to "discount houses" but will basically be a measure to keep merchants from cutting manufacturers' prices.

SHORTS SHORTS

Dan Moody Jr., of Austin, son of former Gov. Dan Moody, has been appointed parliamentary of the Senate by Lt. Gov. Ben Ramsey. Rep. Jerry Sadler of Perilla says he will introduce legislation increasing state junior colleges to 51 and cutting off the first two years of instruction

at the University of Texas. S. District Attorney Charles Herring, whose resignation was refused by the Attorney General of the United States, calls it "a national gateway" for narcotics. Department of Public Safety Narcotics expert W. E. Elor says millions of dollars of narcotics are being transported into the U. S. Mexico, over the Rio Grande. Plans of the Trinity Improvement Association call for large and seven locks on the river, between the Gulf Coast and the Dallas-Ft. Worth area, to make the river into a canal.

The average new car depreciates about \$600.00 a year. You are depreciating too. Don't you think your depreciation is worth \$600.00 a year to you and your family as much as you must put aside on your car?

1844 Grain Sorghum Loans Made For 1954 Crop By Lamb County ASC

AMHERST—The Agricultural Stabilization and Conservation office here has announced the final dates for the repayment of Commodity Credit Corporation loans on 1954-crop grains and related commodities stored in commercial warehouses. Producers desiring to redeem their warehouse receipts must have their funds in the mail or before the final date for repayment as specified below.

Borrowers may repay their loans prior to the dates announced and are urged to do so in instances where current prices are above the loan price plus carrying charges. Warehouse receipts covering loans that are not repaid by the final dates announced will be taken over on those dates by the CCC.

In this event, if the market price of the commodity is in excess of the amount of the loan, plus interest and charges, producers—but only producers—of the commodity under loan will be paid the difference by CCC. Settlement in these cases will be based on the difference between the market value as of the close of the market on the final date for repayment and the amount of the loan plus interest and charges.

Department officials point out that no such settlements will be made on farm-stored commodities, or those supported by purchase agreements. Under purchase agreements, producers must offer the commodity to CCC prior to the maturity date for farm and warehouse-stored loans. However, the producer still may elect to deliver or not when the final delivery instructions are issued for CCC by county Agricultural Stabilization and Conservation Offices.

Here is a list of the following warehouse-stored grains, and the maturity date and final date of repayment for each:

Barley, April 30, 1955, May 2, 1955; grain sorghums, March 31, 1955, March 31, 1955, and wheat, March 31, 1955, March 31, 1955.

A total of 1844 grain-sorghum loans have been made by the Lamb county A.S.C. office for the 1954 crops as of January 11, 1955. Of the above amount of Loans 1786 have been disbursed by banks, which represent \$3,636,780.21 or 1,650,007.95 cwt.

A total of 28 farm stored grain sorghum loans have been made with 24 already disbursed by banks. These 24 loans disbursed represent 50,664.49 cwt. or \$111,930.77.

The loan rate on grain sorghum grading No. 2 or better for the 1954 Crop Year was \$2.21 per cwt less storage.

There were a total of 37 warehouse wheat loans made in Lamb county for the 1954 crop year representing 46,093.81 bushels or \$101,822.93. There was only one farm stored wheat loan in the amount of 250.09 bu. or \$574.71. The loan rate of wheat testing No. 1 for the 1954 crop year was \$2.25 per bu. less storage.

As of this date, the ASC has one farm stored barley loan in the amount of \$363.34 cwt. or \$377.87. The loan rate of barley testing No. 2 or better for the 1954 crop year was \$1.19 per bu. less storage.

Direct purchases have been made on 214,919 pounds of castor beans, 1954 crop in Lamb County. Castor beans had a government support rate of .05 cents per lb. for the 1954 crop year.
