REPUBLICANS GAIN IN CONGRESS; DEMOCRATS WIN COUNTY, STATE

(By The Associated Press) Democrats retained control of both houses of Congress in the off-year national elections Tuesday, although Republicans cut into the Democratic majorities in both. In Texas the entire Democratic ticket headed by Gov. Allan Shivers was swept into office by the usual majorities. Ben Guill, of Amarillo, the lone Texas Republican in congress, was defeated by his Democratic opponent, Walter Rogers, in the 18th district. In Lamb county all Democratic county candidates were swept into office without opposition. Three nationally known Democratic senators lost their seats in Congress to Republicans, including Senate Majority Leader Scott Lucas of Illinois and Chester Bowles, former OPA chief, of Connecticut. Sen. Robert A. Taft, Republican leader, defeated a concentrated labor drive to unseat him in the Ohio vote. The Democrats gained a grain of comfort in the defeat of Republican Sen. Forrest Donnell in Missouri, the President's home state. (Continued on Sport Page)

District, State Title Hopes Ride On Game

Littlefield's state championship Wildcats today were prepared to face their toughest assignment of the year—the game tomorrow night against Levelland in the Lobo stadium. Victory in this all-important game will mean the undisputed championship for 1950 in District 4A and the opportunity to go in quest of a second straight state title. Defeat not only will mean an end to the Wildcats' imposing victory string of 23 straight conquests but also will throw the district leadership into a probable three-way tie involving Littlefield, Levelland and Post. Each of the last two teams has lost only one conference game.

Boy Scout Drive Starts Nov. 27

The Boy Scouts of the Yellow-house District, which includes Littlefield, Amherst, Anton, Sudan, Muleshoe, Earth and Olton, will start their annual finance drive November 27. U. D. Walker has been named drive chairman for Littlefield. Chairman for other communities in the district are expected to be named next week. No money goal has been set for the drive, it being the desire of Scout officials to obtain contributions for 10 per cent of the citizens in each community in order to increase interest in Scouting activities. About 200 boys now are in the scouting program in Littlefield, at an average cost of about \$12 per year per boy.

Tomorrow night's game has aroused both Littlefield and Levelland to a fever pitch of anticipation and enthusiasm. Tickets Go Fast Here More than 2000 fans from this city are expected to make the trip to the Lobo lair to witness the decisive contest which starts at 8 o'clock. One thousand tickets sent to Littlefield from the Levelland athletic authorities were gone in less than three hours after they had been put on sale here at the high school, Brittain Pharmacy and Stokes Drug Store. "Beat Levelland!" was the watchword throughout the week at the school and with many of the Littlefield business houses. At a called meeting Monday morning the student council decided to hold a "Wildcat Week" on the school grounds for the purpose of building up school spirit for the Friday night encounter. "Beat Lobos!" Resounds The word "hello" was banned as a greeting and "Beat Levelland!" substituted in its stead. Over the doors of various classrooms signs bearing the same motif appeared, in language to suit the subject taught therein. Above the entrance to the algebra classroom was the legend: "W equals Wildcats. S equals Spirit. W plus X equals Victory!" Over the shorthand room, in shorthand, appeared the symbols "Beat Levelland!" The science department, possibly anticipating Lobo cadaver, contended itself merely with "Dissect the Lobos." The co-operative Home Economics girls had the motto "Boil the Lobos," which inspired one way to observe the two departments should get together to see which operation should take precedence. Bonfire Rally Tonight The sewing room was all for the theme "Sew Up Levelland" while the history classes fell back on a good old Confucius saying: "Beat Levelland!" A mammoth bonfire and pep rally was scheduled at the school for 6 o'clock tonight and another rally was set for tomorrow in the school auditorium at 1:30 o'clock to speed Coach Jay Fikes and the team members on their way into the enemy's territory. The team was to leave immediately after the auditorium rally. Most of the student body and the hundreds of Littlefield spectators were not expected to start for the scene of battle until late afternoon and early evening. Barred Gates at Drill Coach Fikes drilled the Wildcats hard the first two practice sessions of the week but tapered off to light drill for Wednesday and this afternoon. The drills were held behind barred gates at the Wildcat stadium as the coaching staff prepared its charges for what Fikes admitted would be the hardest game of the year. "The traditional rivalry between the two schools and the stakes involved in this game make it the greatest hurdle we have faced." (Continued on Sport Page)

to Littlefield to manage the Yellowhouse Land Company. He supervised the sale of the Yellowhouse Ranch lands, and he and Mrs. Badger made their home here until all this land was disposed of, and Mr. Badger retired in 1943, when they returned to live in Austin.

All Children Living
Mr. and Mrs. Badger are the parents of five children, all of whom are living. They are: Bertrand Badger of Big Spring, who is connected with the State Department of Agriculture; Robert W. Badger, who operates a real estate office here; Marion H. Badger of San Angelo, County Agent of Tom Green County; Maurice Badger, Department manager of Bullock's, Los Angeles, Cal.; and Mrs. C. S. Duncan of Littlefield.

When this fine couple left Littlefield they were greatly missed by their large circle of friends over the South Plains. Mrs. Badger was especially active in church and club work, and her charming personality won for her many friends as she went about in her everyday life.
The Leader joins the many friends of the Badger family in extending greetings to Mr. and Mrs. Badger on their anniversary, and wishing for them many more happy years together.

W. H. S. FACES MULES HORNET FIELD TONIGHT

Last home game of the Sudan Wildcats will be the Muleshoe Class A team at 8 o'clock. The game was originally for Friday but was moved up to tonight. The team will wind up the season on Friday night, Nov. 17.

Francis Smith's Sudan warriors suffered their first loss of the season last week when they were defeated by the Dimmitt team, playing a home crowd at Dimmitt, by the narrow margin of 12-10.

Wednesday.
By Levelland has been mighty, and to beat. The Loboes are a fighting aggregation and fight even harder with

a chance to knock Littlefield off the unbeaten list and to gain a tie for the district title."

Flu Hits Wildcat Team
The Wildcats probably will go into the game without the services of Bill Brantley, first string defensive end, and Robert Rutledge, first reserve guard, and Cam Jordan, first reserve tackle. The three are victims of the flu and none is expected to be in shape to play Friday night.

"If anything happens to either of our starting guards or tackles, we'll be in bad shape for a replacement," Fikes said.

The game will be broadcast over radio station KVOW starting at 8 o'clock.

The play-by-play broadcast will be by Lloyd Sencer of the Levelland and American of Levelland.

The Loboes main threat will be Pery Heard, 155-pound senior, who has sparked the Levelland offense this year. A strong line and two fair passers should make the Loboes a serious threat, but Littlefield has power-driving Gene Renfro and Halfback M. C. Northam, 158-pound sophomore sensation.

Levelland will have at least one player on the sideline for Friday's contest. J. B. Lauderdale 140 pound junior and third string quarterback is out for the season with a broken collar bone. Donald Pigg 150-pound senior end, may not see action because of a broken arm received several weeks ago. However, Pigg has played third string this year.

Bula Girls Ready For Basketball Season's Opener

With the experience gained in five practice games the Bula girls basketball team now is looking forward to the start of the regular schedule.

In the games played thus far Bula has won three and lost two. Threeway won the first of two encounters between the two girl teams but Bula took the return meeting in Threeway with a four-point edge.

Bula's last game with Lazbuddie was won by a 36 to 17 score. Ruby Tidwell, Jayce Nall and Pat Blackman scored eight points each. Patsy York and Wanda Hall registered five points each.

This was the first game in which Wanda Hall failed to score more than 20 points. In the first four games of the season she averaged 25 points a game. Bula students are content to call that good and let anybody argue the question who wants to.

Bula is entered in our tournament this year—at Lazbuddie, Muleshoe, Whiteface and Loop.

The girls' team lineup for the 1950-51 season:

Forwards: Wanda Hall, 5' 11"; Ruby Tidwell, 5' 4"; Joyce Nall, 5' 3"; Pat Blackman, 5' 2"; Pat York, 5' 3"; Shirley Green, 5' 7"; and Lois Pierce, 5' 1".
Guards: Joyce Sanders, 5' 7"; Cherry Sanders, 5' 6"; Faye Clevenger, 5' 7"; Nadene Bryan, 5' 4"; Janet Vestal, 5' 7", and Wilma Emerso, 5' 2".

Bleacher Fund Gets \$150 From Amherst Show

More than \$150 was netted for the Amherst high school athletic field bleachers fund through a school talent variety show staged last week in the high school auditorium.

Students from all grades in the schools participated in the pleasing program which attracted a capacity crowd of approximately 600.

"The show was a huge success from the standpoint of interest

and entertainment as well as financially," Supt. of Schools W. D. Kay said Wednesday.

"On behalf of school officials, I wish to express the appreciation felt to the student body, the parents and friends in the community who contributed to making this entertainment an outstanding success."

state. Donnell was a bitter critic of the Truman policies.

The only exception among Lamb county officials, elected in an extremely light vote, was in Amherst, where Constable W. H. Roberson was defeated by Raymond Cantrell in a write-in vote. The totals were 123 to 36.

A write-in vote for Dick Dyer carried the Fieldton precinct against Sid Hopping for sheriff 16 to 10. Dyer received about a half dozen other write-in votes throughout the county. Hopping was returned to office.

AMHERST HIGH SCHOOL NOW TURNS EYES ON BASKETBALL

Its football season concluded, Amherst high school athletics interest now is centered on the start of the 1950 basketball season.

The football finale played last Friday at Ft. Sumner, N. M., resulted in a 20-6 victory for the New Mexico eleven in a game in which the proverbial breaks played a highly important part.

Coach A. D. Shaver's eleven played on even terms with the victors throughout the contest but were the victims of a couple of breaks which the Ft. Sumner team was quick to capitalize upon.

The Amherst boys began basketball practice this week preparatory to the opening encounter of the court season against Lazbuddie at Lazbuddie the night of November 21.

The girls' team, coached by V. P. Osborne, already has played several practice games and will open its regular schedule Thursday night, Nov. 17, against Springlake at Springlake.

Coach Osborne has a squad of about 15 girls from whom he will select his starting team. About nine of the 15 saw action in last year's games.

The squad includes: Sally Birdsong, Carol Sawyer, Gwendolyn Price, Sylvia Gore,

Bonabette Davis, Jean Young, Clo-ta Hardwick, Betty Brandstatt, Nell Enloe, Lou Berry, Nelda Dunn, Nelloyd Harmon, Lawanda Terrell, Jaunice Atkinson and Maty Jo Roberson.

OLD SARGE SEZ

By

T-Sgt. Gerald F. Cutshall

Folks, for the scrap of the year, don't fail to see the Wildcats and Lobos tangle in the Lobo stadium tomorrow. Jay Fikes' Cats are predicted to be in the best shape they have been this year. The Lobos are being fed red meat and have blood in their eyes. Boy what a battle this is going to be!

Went out to Seely Stadium the other day to watch the Cats practice. Jay had guards all around the entrances and the guards were instructed to allow no one to watch his boys go through their stuff. Wasn't the only one that had to do the about face. U. D. Walker and Clarence Lewis, two ardent Cat fans, also had to do the reverse act.

Jimmy Richardson, LFD's magician a la carte, will start his local talent shows, starting a week from this Saturday, at the High school auditorium. Jimmy says these shows will run once a week for six weeks. He also says that there will be some well known recording artists here to make it more interesting. Jimmy seems to have his foot in everything that is in the entertaining field. Can see your point, Jimmy, I too would be looking to the livelier side if I were in your shoes.

Bob Crowell, manager of the C. of C., made the trip to Austin last Saturday to see Texas do the unpredicted win over SMU. Anyone who thinks that Texas does not have a great fighting team should see Bob and try to argue that point out.

Joe Hutchinson informed me that there will be a Bonfire Rally at the High school grounds tonight. Yes, Old Sarge and the Jeep plus the P. A. system will be

there. Sure like bonfires these chilly evenings. Come on out, folks, and let's keep the bonfire burning.

The local Legionnaires are going to have their annual Armistice Day breakfast Saturday morning, just four hours after midnight. I thought the only place a person eats an early breakfast is in the army. Well, I guess I will be pretty well ready for it after the Wildcats lick the Lobos Friday night.

Here it is again, cotton picking time. I've had so many offers of loans of cotton picking sacks for my personal use that I wish to announce here that I decline in any part of the cotton picking business, unless Pete Peterson can be enticed to start smoking his cotton pick'n seegers again.

Was invited to the Lions luncheon Wednesday. LFD certainly has a nice bunch of Lions. Don't they have at least one outstanding know that I should say this, but they have at least one outstanding Lion in Paul Pharis. Paul is gifted with a voice of an honest to goodness Lion, plus kitted with its tail caught in a mouse trap. Don't know what that has to do with Gulf gas, though. Can you explain Paul.

FRAGMENT OF GUNTHER-SAGA, a vivid epic of Homeric rookyn, circa the fall of Troy and the of the Dodgers:

Now, when it would be cucumber pickling time at Gunther-house, Gunther-wife had dolorous trouble keeping Gunther from sprawling in the big earthen jars used for salting down the dills. For he was always pickled, albeit he was not a cucumber. Nothing pleased Gunther more than making like a recumbent cucumber in the cool earthen crocks and betimes sleeping one off.

In Gunther-land were evil men, sorely trying to a great warrior able to empty a flagon in a trice. But they soothed their gripe until the hero would drop from his sinewy thigh great Gunther-axe and pass the warm hours of short shadows in the shade of the big wine cask, letting fall his heavy eyelids after imbibing deeply of the liquid lullaby.

But he would always spring up, battle cry upon lips, in bounteous time to back and hew with great Gunther-axe and lay the cowards alongside their dismembered arms and legs.

Again, at times of dull making they would see auspices fair to find Gunther asleep in the briny deep of the pickle crock. One ill-fated day, they crept close behind Gunther-benhouse, awaiting Gunther's rest among the warty vegetables.

But they underestimated the power of Gunther-woman, did not reckon with the eagle eye of Gunther-child, watch behind Gunther-pigsty. This youth of strong heart espied the cravens and fled to mama. Gunther-wife had a butcher knife with new edge anent pickling time and anent Gunther-philandering.

She met the bloody onslaught, matching blade against spear and shield, and the struggle filled the air with great din and divers noises and ears. The subsiding battle left the pickle jars full of chopped cucumbers chopped Gunther-foe and chopped Gunther. Few dills graced Gunther-table that winter, but a chow-chow relish was de-

Now for a sales story. Once upon a time, somewhere in Lamb county, a young man about 20 years old was confronted with the decision of being drafted or volunteering in the Army or Air Force. This lad stopped in at 110 West 5th here in LFD and talked it over with Old Sarge. This young man is now in the U. S. Air Force going to a Radio Mechanics School at Scott Field, Ill., a 26 weeks course. Smart lad, this boy. No more worries about sweating-out the draft for him. Mr. and Mrs. Storey Enjoy St. Louis Trip

Postmaster and Mrs. W. D. T. Storey returned Tuesday of last week from a two weeks' trip to St. Louis, Mo., where they attended the National Association of Postmasters of the United States, which convened from Sunday, October 22, through Thursday, October 26.

Enroute to St. Louis, Postmaster and Mrs. Storey visited at Stillwater, Oklahoma, where Mr. Storey was graduated from the A. and M. College 26 years ago, and this was the first time in about 23 years that he had the opportunity to visit his old college buddies, which he enjoyed very much.

At St. Louis they made their headquarters at the Jefferson Hotel, and visited friends, Mr. and Mrs. A. H. McFadden.

Enroute home they visited friends at Little Rock and Magnolia, Arkansas, and Mr. Storey's brothers and sisters at Clarksville, Texas.

They report that the weather was ideal and that they had a very enjoyable trip.

Littlefield business houses will be open November 11—Armistice Day.

Dan Berg, chairman of the retail merchants committee of the Littlefield Chamber of Commerce said Monday that inasmuch as the holiday fell on Saturday the merchants would be unable to close their establishments.

"The next holiday that will be observed by the merchants in Littlefield by closing their stores will

be Thanksgiving Day," he said.

"The merchants felt a Saturday closing would work a hardship on the community and deprive many persons of an opportunity to do necessary weekend shopping."

The annual American Legion Armistice Day breakfast was slated to be held as usual. Time and place were to be set at regular meeting of the post in the Legion Hall in City Park.

Mrs. Beulah Robison visited in Lubbock Saturday afternoon with her daughter, Mrs. Jerrold Smith.

IN AMHERST HOSPITAL

Arnoldette Waldo was a patient several days last week in the Amherst hospital.

MOVE TO LITTLEFIELD

Mr. and Mrs. Paul Blackwell and two sons have moved to Little-

parents in 1915.

Surviving deceased are: his widow and two children, Mrs. Max Stipe of Hereford, and Weldon of Muleshoe; his parents, Mr. and Mrs. C. W. Toews of Windon, Kans., three sisters and two brothers.

Mr. Toews served as manager of the local Piggly Wiggly Grocery and Market for a number of years, and until April 1, 1948, when he resigned the management of the local store to accompany his wife to California in an effort to regain her health. Mrs. Toews had been in ill health for some time, and on advice of her physician a change of climate was decided on.

Goes to Muleshoe in 1949

After four or five months residence in California they returned to Littlefield, and about March, 1949 Mr. Toews took over the management of the Piggly Wiggly store at Muleshoe, which position he held until about five months ago when he became ill.

He was admitted to the Payne-Shotwell Foundation here at that time where it developed he was suffering from a very serious and insurable ailment of the intestines. After being a patient about three weeks, and apparently somewhat improved, he was released. He was reported to have seemed much better and to have gained so rapid at his home in Muleshoe that he was contemplating returning to his work when he became very ill and was brought back to the local hospital about ten days previous to his death.

Last Rites Sunday For Nick Toews

Funeral services were conducted Sunday at 3 p. m. at the First Baptist Church, Littlefield, for Nick Toews, 46, beloved resident of Littlefield and Muleshoe, who passed away Friday at 6:25 a. m. at a local hospital, following an illness of several months. An intestinal ailment was given as the cause of death.

Rev. Lee Hemphill, pastor of the First Baptist Church, officiated, assisted by Rev. A. W. Blaine, pastor of the First Baptist Church of Muleshoe.

Burial Here

Interment, in charge of Hammons, took place in the Littlefield Cemetery.

(Continued on Back Page)

Active pallbearers were: Clifford T. William, Winfred W. Stout, Gene Yeager, Elgin Black, Bob Harvey and Loy Dalton.

Honorary pallbearers were: Ross Hanna, D. B. Hoyt, Aliver Oden, Bob Spears, Bob Findley, Hack Lassiter, Edwin Sowell, Al-tison Gainey, Bob Hendry, Pat Patterson, Paul Jones, C. W. Conway, Mack Godwin, Troy Bostick, Clyde Godwin, P. T. Glazner, Harold Humphries, and Alton Peak.

Funeral Attendance Large

The large attendance at the services and the elaborate floral offering bespeaks the very high regard held for the deceased by Littlefield and the entire area.

Mr. Toews was always regarded as a very valuable employee by the owners and operators of the Piggly Wiggly Stores.

Here Since 1915

Mr. Toews was born August 13, 1904, at Langdon, North Dakota. He moved to Littlefield with his

ing to be sent to the Indians in Farmington, N. M.

Hostesses for the afternoon were Mrs. James Evans and Mrs. Houston Hoover.

Next Monday W. S. C. S. will meet at the regular time, 4:00 o'clock in the parlor of the church.
