

Chamber Of Commerce Launches Membership Drive

membership committee of the Littlefield Chamber of Commerce got off to a fast start with a luncheon Tuesday, according to committee chairman Dave Kucifer, 1965 can be the biggest year yet for increasing the Chamber membership.

The committee will strive to add 50 new members, and work on preventing dropping and the reinstatement of old members.

The committee heard Chamber president Chic Conway explain the task before the Chamber for 1965, and heard him the budget approved for the current year is about \$2,000 more than the dues of the Chamber membership.

Kucifer said, "In order for the Chamber to have funds for next year's expanded program of

work, this committee has the job of, not only securing new members, but also must work to prevent the current members from falling behind in their dues, and dropping Chamber membership."

The committee chairman went on to state the committee was not looking for donations, but for members interested in the progress of the community, and felt their dues would be beneficial in helping to carry out the program of the Chamber, and by being an active participant in the affairs of the Chamber they would be performing a service for themselves as well as their community.

"1965 could well be the best year yet for the enlisting of Chamber members," Kucifer said, "never in the 50 odd years of Littlefield has the

Chamber and the Community had so much to offer prospective members."

In conjunction with the launching of the membership campaign the Chamber office, Monday afternoon, mailed the recently completed program of work brochure to all current members and a number of prospective members, in an effort to acquaint them with the workings of the Chamber and to inform them of the pending plans.

The drive, this year, will be for the remaining eight months, with report meetings to be held periodically. Getting new members is not a short term job, it is a job that will require considerable time, and the entire Chamber membership working as a committee, Kucifer stated at the close of the meeting.

School Board Vetos Travel

TONIGHT'S THE DEADLINE -- Jeff Frost, four year old son of Mr. and Mrs. Jack Frost, looks like he is having the same trouble as many grownups trying to figure out that Federal In-

Buster Owens New President

Buster Owens was elected president of the Littlefield School Board at their first meeting since the recent school elections.

Owens replaced J.D. Smith as president while Dr. Albert Perkins was elected vice-president for the forthcoming year at the meeting held Monday evening.

The board confirmed the appointment of William R. Anderson as new principal effective July 1 of this year. (See Principal)

The school board voted to eliminate all inter-school travel for seventh grade students. The ruling also does away with organized athletic teams in the 7th grade. Starting with the 1965-66 school year all seventh grade boys will be required to take physical education, beginning their participation in such sports as football, basketball and track in the eighth grade.

The vote also eliminates travel for seventh grade band or choir members. Seventh grade students will still be allowed to take band or choir but will not be allowed to travel with either organization.

In other action the personnel committee submitted four items, all of which were adopted. The first item recommended the employing of a business manager for the Littlefield I.S.D., and one other employee as a staff member of the office of business manager at such time physical arrangements or facilities can be made.

The second item closely connected with the first will change the present administrative organization to show the proposed business manager be responsible for such items as transportation, maintenance and purchasing and report directly to the superintendent.

The revision would also separate the tax assessors office and the financial secretary.

Also approved was the third item which calls for the hiring of two full time (9 1/2 months) secretaries, one as secretary for Elementary I and II and the other for Primary and Junior High to begin with the 1965-66 school year.

The fourth item recommended the Board adopt a resolution to the effect that the Board does not support the Governor's Plan for a teacher's salary increase. This resolution is not to be taken as supporting the \$45 for '65 increase but instead is objecting to the shift of tax burden to the local district of certain phases of the education program that historically has been financed from the state level.

Anderson Named Principal At Littlefield High School

William R. (Bill) Anderson, 34, has been named the new principal of Littlefield High School.

W.R. (Bill) Anderson

Anderson is coming to Littlefield from Albany, Texas where he has been principal of the high school there for the past five years. Prior to going to Albany, he was principal of Tivy High School at Kerrville for one year.

Raised at Cross Plains, Texas, Anderson is a graduate of Texas Tech receiving a BS there and his Masters Degree in Education at Texas A & M. Following graduation he taught agriculture for two years at Lamesa and four years at Albany, before taking the principal's position at Tivy.

Married and the father of a six year old daughter and four year old son, Anderson was selected as the outstanding young man in Albany in 1964.

While at Albany he was president of the Junior Chamber of Commerce, chairman of the March of Dimes and associated with the Boy Scouts. He was president of the Tri-County State Teachers Association in the Albany area and belongs to the National Association of Secondary School Principals. He is also listed in the 1965 edition of Outstanding Young Men of America.

Anderson plans to assume his duties here around July 1.

He was selected from over twenty candidates who submitted applications for the school position.

CAP Squadron Meeting Tonight

Plans will be finalized for the formation of a Civil Air Patrol squadron for the Littlefield area at a meeting scheduled for 8 p.m. tonight in the small council room at city hall.

Officers will be elected and constitution drawn up at the meeting which is open to all interested adults.

At the present time the squadron will consist of only senior members with the possibility of a junior CAP being formed at a later date.

Science Fair Draws Over 100

More than 100 displays were entered in the Science Fair for Littlefield students from the first through the ninth grade held at the Junior High School Saturday.

The displays, ranging from rock collections, ships and posters through homemade radios and rockets, were entered both by individuals and classes at L.F.D. elementary, primary and junior high.

The winners will participate in the district Science Fair to be held in Lubbock later this month. The elementary school entries that will go to Lubbock will be the display of Steven Collins and a display entered as a class project by the students in Mrs. Tullis' room.

The three junior high projects that will be shown at Lubbock are the water purification project built by David Roden, a rocket project with all the results of its firing entered by Richard and Robert Maurer and a soil conservation experiment shown by Jerry Fudge.

Shotput -- Patterson, Springlake; Hardwick, Johnson, Amherst; McDaniel, Bula.

Eight Items On Council Agenda

The City Council will hold their first full regular meeting since the new mayor J.E. Chisholm and councilmen Chester Harvey and Paul McCormick have taken office, tonight in the council room.

Seven items are on tonight's agenda including the electing of a mayor pro-tem to serve during any absences of the mayor. Other agenda items include the appointing of a new City Health Officer. The term of the office coincides with the mayor's term and necessitates the appointing of a doctor to replace the present City Health Officer Dr. W.C. Nowlin.

The council will also discuss the feasibility of extending the irrigation sign-up deadline. The original deadline to sign up for a reduced rate on a minimum of 15,000 gallons was March 15 but many persons have inquired at the City Water Department since that time about the possibility of participating in the program.

The council also hopes to let bids tonight for the new water billing machine. Bids have been submitted by two companies but more time was needed for a thorough investigation before bids were let.

Also on tonight's agenda will be a discussion of the water line to the cemetery for use in the sprinkler system. The purchase of the slurry seal machine by the city will also be discussed.

Sticker Deadline Midnight Tonight

According to figures gathered from the eight Littlefield firms authorized to issue 1965 safety inspection stickers there are still many residents that have not yet gotten that new sticker with the deadline at 12 midnight today.

A total of only 5,362 stickers have been issued since the new ones became available last September while the County tax office reported better than 6,100 new 1965 automobile license plates for passenger cars and trucks have been issued through April 2.

All of the inspection places in the Littlefield area reported a great influx of cars the last few days with one place inspecting over 60 cars on Tuesday alone. Almost all of the inspection stations also reported that as of Wednesday people had to wait for the inspection personnel to get to their cars.

James Cox, Assistant Police Chief, stated that the Littlefield police will begin handing out tickets Friday morning to motorists who do not have the new stickers displayed.

Buchanan Trial Jury To Be Selected Starting Monday

Selection of a jury to hear the case of Bobby Joe Buchanan will start at 10 a.m. Monday April 19 in the 154th Judicial Court Room. The jury will be selected from a special venire of 120 persons.

Buchanan has been charged

with the murder with malice slaying of his father, Charles Wesley Buchanan, on their Lamb County farm last April 16.

The victim was found dead lying face down about 150 feet from the main house on the farm which is located about 4 miles east and 2 miles south of Spade. Investigation brought out that the victim had been hit by about three blasts from a .16 gauge shotgun and five times by .22 calibre bullets.

Bobby Joe admitted the slaying to officers and stated to County Attorney Curtis Wilkinson, "It's something that had to be done", and later added words to the effect that "it was him or me".

At the time of the shooting, officers theorized that the son fired the shotgun three times then ran to his father's pickup and got an automatic .22 rifle. At least five shots were fired from the rifle. The shotgun was found laying on the ground by the pickup and the .22 rifle in the back of another pickup east of the house.

District Attorney Jack Young of Muleshoe will try the case for the state and Billy Hall will be the defense attorney for the trial to be presented before District Judge Pat Boone Jr. Complete list of the prospective jurors will be found on Page 5 of today's Lamb County Leader.

Cotton Sign Up Extended Again

The signup period for the 1965 domestic cotton program has again been extended. L.D. Aten, ASCS manager announced Monday.

The new deadline is Friday, April 16 for farmers wanting to sign-up for the domestic allotment. Under the program farmers have the choice of planting within their domestic allotment, thereby qualifying for a payment of 4.35 cents per pound on the farm's established yield times the acreage planted for harvest in 1965 in addition to the price support of 29 cents per pound basic middling one-inch at average location or planting within their effective allotment.

Effective allotment is total acreage allotted after any release and reapportionment, and farmers electing to plant their effective allotment qualify for the 29 cents price support without the necessity of signing up.

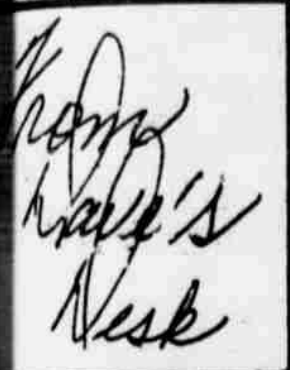

Little League Tryouts Near

Boys who did not sign up for the Little League program Monday night have a final chance to do so today through Saturday.

Boys are eligible to participate if they were born between August 1, 1952 and July 31, 1956 and anyone not signed up can do so at the Littlefield Publishing office between 9 a.m. and 5 p.m. today and Friday and from 9 a.m. to 2 p.m. Saturday. Birth certificates are required.

Tryouts for all boys who have signed up and did not play on a major league team last year will be held Tuesday and Wednesday at 4:30 p.m. at the Little League diamond.

BREAKING A RECORD -- Larry Schovajsa, Littlefield track star qualified for the regionals by winning the 220 yard dash at Snyder in the district meet in the record breaking time of 22.6 seconds.

of course know by now, is the deadline for filing income tax for 1964. It means that Uncle Sam feels middle of April is time for you to send him his money, but does not take into consideration any time limit for refunds that might be due. All 15th brings much to many households, it is a time of frantically searching for missing receipts and checks, a time of confusion for the number of deductions claimed for the year, and short tempers. Not only is tonight the deadline for the State Automobile inspection stickers which the way department requires if you are a resident of the state drive your car on state roads. This Spring season of year seems to be one of the most hectic in our life. It is also the deadline for the State Automobile inspection stickers which the way department requires if you are a resident of the state drive your car on state roads. This Spring season of year seems to be one of the most hectic in our life. It is also the deadline for the State Automobile inspection stickers which the way department requires if you are a resident of the state drive your car on state roads.

is being Easter week it is well that we stop and rest on our lives and our souls. We as a Christian nation have much to live up to much to be thankful for, to be in the course of lives we have a tendency to be too involved in the current events of the world to recall the great sacrifice that was made 1965 years ago, on a cross hill in a far off land.

feel that this season, like Christmas season is one for reflection and thanksgiving and time to be grateful for all blessings, rather than being ambitious for more. All of have, at one time or another, called on to make sacrifices of some nature, yet not one of the concessions we have made was the one that was made that day years ago when for a moment the world stood still. It might be well in this season if once again the world did pause and render up a prayer for all mankind, and a prayer of gratitude for the one who gave His all that we might have an eternal life free of sin, and conflict, care and sorrow.

Again it's happened, we have promised rain, the skies broken, lightning flashes and things happens. In a retail meeting this week, the merchants discussed a dry weather promotion in the hopes the chances were rained out, however, no action was taken. They are trying various tactics to encourage moisture, from having cars washed to watering their lawns, when all it would be for us to decide if we would not let anything interfere with playing a round of golf at a certain time. That would bring it down in buckets, only draw back would be the only place it would fall would be on the golf course. We have thought it will come in, and when it does it will just as welcome.

We would at this time like to tip our hats to the members of the Park-and-Shop project committee who, in the face of what must be a tremendous blow, continue to plan for Littlefield's tomorrow. The spirit exhibited by this group of community minded men holds a lesson for us all. Anything worth undertaking is worth following through. To each of the committee members and to all the others who have and are supporting the project a sincere word of thanks.

LWML Plans Coffee And Bake Sale Next Wednesday

How long has it been since you have had some good old-fashioned home-baked bread, rolls or coffee cake? These items, along with doughnuts, cakes, pies and other baked goods will be sold by members of Lutheran Women's Missionary League next Wednesday at Emmanuel Lutheran Church.

The sale will be held in the educational wing of the church, from 9 a.m. until the food runs out.

The LWML members will also be on hand to serve coffee, home-made doughnuts and rolls during the day and invite the coffee drinkers to come by and have their coffee in the wing of the church next Wednesday.

Proceeds will be used for a mission project. Plans for this coffee and sale were completed Tuesday morning when Mrs. W.W. Birkelbach was hostess to a coffee held in her home.

EVERYONE LOVES A BARGAIN

But, how can you really tell a prescription bargain? You can't have an overstock or a fire sale. Prescription drugs are used only on a physician's order. If old, they must be destroyed.

Some ads may offer a discount. But, how can you tell them from what? And, if you do get a lower price on one, how much extra to make up the loss may you be charged on a new one? Be sensible. Everyone has to make a profit. Choose your personal pharmacy as carefully as you do your physician by its reputation for integrity and dependability. You will get honest value.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Attend Groundbreaking Of Cordoba Mission

Mr. and Mrs. Ralph Nelson, daughter Cathy, and Misses Glenda and Donna Cunningham spent the weekend in Espanola, N.M., as houseguests of Mr. and Mrs. John B. Abbott, missionaries to the Spanish speaking in that area. Accompanying Mr. and Mrs. Nelson was Miss Pricilla Herrera, student at Wayland Baptist College, whose home is Santa Cruz, N.M. Miss Herrera is sponsored at Wayland by the First Baptist Church, Littlefield, and is spending her spring vacation in Santa Cruz.

The purpose of the trip was to attend groundbreaking services of the first evangelical mission in Cordoba, N.M., held Saturday afternoon. Mrs. Nelson turned the first spade of earth as the one responsible for beginning mission services in the little village. In July of 1960 Mrs. Nelson, Young Woman's Auxiliary Director of the First Baptist Church, was instrumental in preparing a group of young people to hold the first Vacation Bible School there. This was the first time concerted evangelistic services were held in the little village which dates back to the days of Coronado, more than 400 years ago. These young people were Jim Nelson, Gary Fulton, Judy Dale, Joyce Thompson, Melva Lynn Ross, Priscilla Ivey, Patricia Locker (now Mrs. Jim Nelson) and Marilyn Wheeler (now Mrs. Roy Engram of Tahoka.)

Each summer since then Mrs. Nelson has prepared other young people from the local church to conduct Bible Schools in Cordoba. These schools have been held in tents, unfinished buildings, or out in the open. The new mission building will be constructed this summer and should be ready for use in August.

Review Of Martin Luther's Life Given

The Rev. William H. Remmert gave the topic at the meeting of the Lutheran Women's Missionary League Friday afternoon. He reviewed Luther's life.

The meeting was opened with a devotional given by Mrs. Roger Sell.

Mrs. W.W. Brikelbach presided during the business meeting. A bake sale, to be held at the church April 21, beginning at 9 a.m., was discussed. Besides home-bake items to be purchased and taken home, coffee and home made doughnuts and rolls will be on sale during the day.

A social for the families of the LWML members was planned for April 30. It will be a pot luck supper and begins at 6:30 p.m.

Mrs. V.J. Hobratsch and Mrs. Alex Kraushar reported on the workshop they attended in Plainview March 21. Attending were Mmes. Birkelbach, Sell, Hobratsch, Kar-

ushar, Curtis Wilkinson, Clarence Friday, Ed Drager, J.E. Wutrich, Herman Gohlke, Carl Reinsch, Arnold Neumann and Rev. and Mrs. Remmert.

During 1963 Dean Chance of the Los Angeles Angels pitched 77 straight innings without allowing a home run.

Armed Forces Day Set For May 8

"Power for Peace" is the rallying motto for this year's Armed Forces Day observance throughout the country. Reese Air Force Base will open its gates to the public May 8 in commemoration of the event, with various exhibits demonstrating the part Reese plays in protecting America's freedom and liberty.

Armed Forces Day is a report to the people on the status of the Nation's defense establishment. This annual observance replaces those previously held by the individual Services and demonstrates the unity, interdependence and close working relationship existing in the Armed Forces, their Reserve Commands and auxiliary organizations at all echelons.

"Power for Peace," the slogan for observance, emphasizes the concept that U.S. freedom and national security depend on the power which comes from teamwork and national unity. This phrase, so descriptive of the national effort, has been retained since the event was first established in 1950.

Littlefield Teachers Attend Convention

The eyes of Texas' Teachers were focused on Dallas this past weekend when more than 1,000 Classroom Teachers from every part of Texas met for their Ninth Annual Convention. Most important subject discussed by those attending the meeting was, of course, the subject of teachers' salaries.

Mrs. Evelyn Kisner and Mrs. Harriet Cummings of the Littlefield Classroom Teachers Association were two of several local teachers participating in the meeting. Mrs. Kisner teaches typing and shorthand at the Littlefield High School where James Pirkey is the principal. Mrs. Cummings teaches fourth grade at the Littlefield Elementary School.

It is interesting to note that Mrs. Kisner has been teaching for 10 years and Mrs. Cummings six years and both are active in many community affairs in addition to being active in professional organizations such as the Classroom Teacher Association work. Teachers like them form the backbone of the Classroom Teacher Organization -- ALL for improved professional standards and better education for Texas Children. These teachers are part of the "Texas Teach" Corps.

school nurse, Mrs. Viva L. Holt at 9:30 for orientation on shots needed and schedule for such. Each child is to bring 30¢ for the noon meal.

Parents will come for the children at 12 o'clock. Miss Barbara Falls is the first grade teacher.

Mr. and Mrs. Claude Hudson, Vickie, Trena and Carla are home from a weekend trip to Carlsbad, N.M.

Mrs. C.B. Keeney entered Methodist Hospital, Lubbock, Monday and will undergo surgery on her leg Wednesday.

Mr. and Mrs. Joe Minter, David, Johnny and Kay leave Thursday for Duncanville to spend the Easter holidays.

Guests for the Easter holidays in the R.L. Heard home will be Rev. and Mrs. Larry Heard and Rickie of Fort Worth and Mr. and Mrs. Barry Heard and Barry Don of Denton.

Mrs. Henry Jones was hostess last Wednesday to the Coffee-Break Club. Bingo was the diversion for the afternoon.

Each person brought a gift for their "adopted" girl, Patricia O'Neal of Girlstown. The gifts were taken to her later in the evening by Mrs. Roberts and Mrs. Helms.

Mrs. M.D. Morgan received the hostess gift.

Refreshments were served to Mmes. A.B. Roberts and Ples Helms of Littlefield, T.D. Northern, Don Ketchum, Coy Grant and Morgan of Levelland; Ralph Wade, Ed Johnson, L.L. Overman, George Wade, Jr., David Mitchell, V.D. Hodges and John

Williams. Mrs. Don Ketchum, 202 Texas, Levelland, will host the May 5 meeting.

Mrs. Norman Theford and Mrs. Billy Theford hosted a birthday dinner at the latter's home Sunday at Anton honoring their mother-in-law, Mrs. D.C. Theford, of Whitharral. Others present were Mr. Theford, Norman Theford, Kathy, David, and Scott of Whitharral; Mr. and Mrs. C.E. Pendergrass, and Billy Theford, Terry and Carry of Anton.

On Monday evening a family party was held in the Theford home here. "84" was enjoyed by the group. Cake, coffee, Cokes and Easter egg candy were served to the honoree and Mr. Theford; Mrs. Bertie Riley and Mr. and Mrs. Jim Lindley and Lesa of Levelland; Mr. and Mrs. Ruben Brock of Littlefield; Mr. and Mrs. C.E. Pendergrass and Mr. and Mrs. Billy Theford, Terry and Carry of Anton; Mr. and Mrs. Norman Theford, Kathy, David and Scott.

All area ladies are invited to attend the Basic-Pattern Fitting at the Lions Club Building here Thursday, April 15, with Mrs. Jewel Robinson in charge. Each person is to bring tape measure, pencil and paper for measurements. A second meeting will be held April 30.

Tuesday, April 20 is set for a gift bazaar of homemade gifts and crafts from 8:30 a.m. to 5 p.m. A salad luncheon will be served at noon. The public is urged to attend. A business meeting is scheduled for the afternoon.

Mrs. Orville Hunter has been a patient in the Levelland Hospital since Friday with a back injury.

Mr. and Mrs. L.C. Lewis have been attending their son, Loy Lewis of Levelland, who under-

went surgery at the Medical Arts Hospital in Littlefield Tuesday on his left arm which he injured in Gage's Gin last fall. Bone grafting was done, bones being taken from the hip for grafting.

Mr. and Mrs. Howard Strickland, Jimmy Strickland and Misses Fae and Marsha spent the weekend with relatives at Weatherford.

Spending the weekend in Wichita Falls with the Norman Hodges were Mr. and Mrs. Jimmy Hisaw, Sharla and Cheri.

Mr. and Mrs. Jerry Burnett, Run and Nancy were here from Lovington, N.M. for the weekend with Mr. and Mrs. John L. Burnett. This was the time for the 17th annual birthday dinner for Jerry Burnett and Mrs. Elva T. Crank which Mrs. Burnett hosts each year. Others present were Mr. and Mrs. Bob Crank of Levelland, Mrs. Orma Burnett and Richard Crank.

Mr. and Mrs. Will Raines and

Mrs. Martin Moore spent Sunday in Olton with Mr. and Mrs. Melvin Raines, Tommy, Peggy and Mark.

Ralph McClure was rushed to the Medical Arts Hospital in Littlefield about 2 o'clock Sunday morning. It was believed at first that he was suffering from indigestion but tests Monday showed him to be suffering from a heart attack.

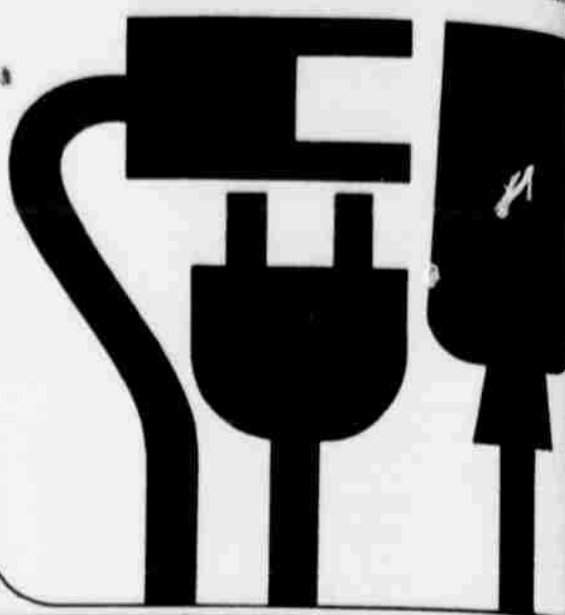

Mr. and Mrs. Manuel Cereuti

of Baytown arrived here on a short visit with their Rev. and Mrs. Raymond ruff, Jana and Jeff.

Mr. and Mrs. Ralph and children were here Sunday to bring their mother, Mrs. P.B. Hatcher, after a two week stay there.

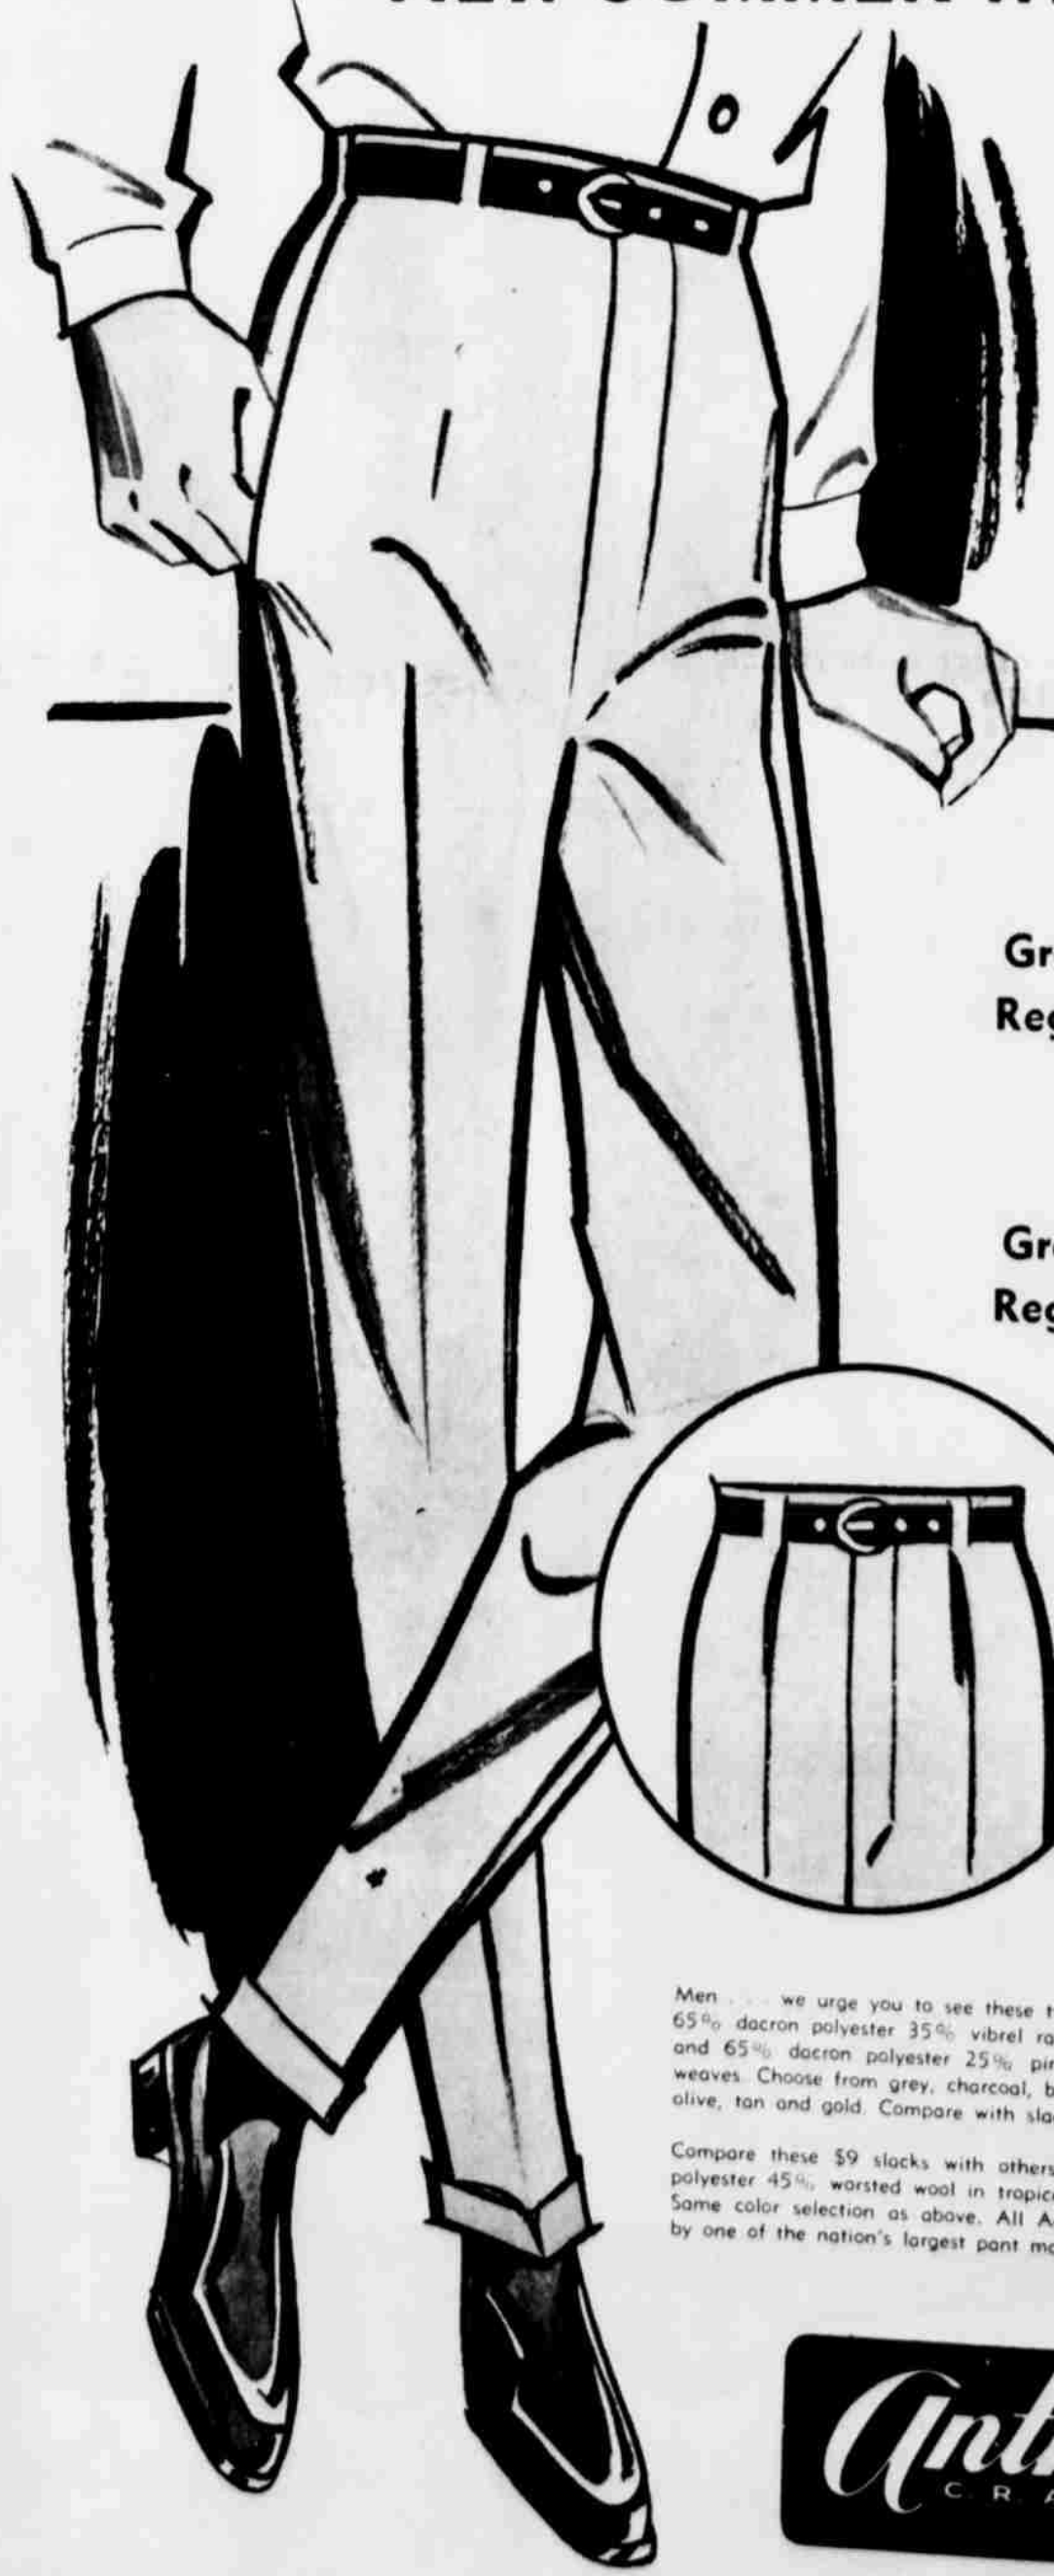

Mr. and Mrs. John left Sunday for Compton for a two weeks stay.

Eddings Rites Held At Sudan

Funeral services for Wendell Oliver Eddings, 68, a resident of Sudan since 1942, were held at 2 p.m. Tuesday in the First Methodist Church of Sudan. The Rev. Jack Riley, pastor, officiated. He was assisted by the Rev. Willie Hazel, pastor of the First Baptist Church, Sudan. Burial was in Sudan Cemetery under direction of Hammons Funeral Home.

Born in Chico, Texas, September 11, 1896, Eddings died Sunday in a local hospital. He was employed as bookkeeper at Brown Implement Company at Sudan.

Survivors include his wife, Bonnie; two sons, Bill, For Worth, and Jim, Crosbyton; three brothers, Joe, Charlie and Will of Estelline; three sisters, Mrs. O.K. Lovejoy, Milnesand, N.M., Mrs. Leon Piland, Lubbock, and Mrs. Leon Phillips of Estelline; and three grandchildren.

Pallbearers were Ralph May, Glen Williams, Gavin Hayes, Wayne Brown, Radney Nichols, Waymon Bellar, Tobe Vereen, and Tom Wood.

Ancient Church Service Set For Good Friday

The public is invited to attend the Tenebrae Services Good Friday at 7:30 p.m. at Emmanuel Lutheran Church. Tenebrae is the Latin word for darkness.

This service was observed by early churches and dates back as far as 1,000 A.D. or perhaps even 800 A.D. This is probably the first time this service has been held in this community. It has been revived and come into prominence in some leading Christian churches in recent years.

The entire Passion story will be presented from the altar by means of lighted candles, and told through Scripture reading and hymns. The extinguishing of the candles one by one signifies the steps of the Lord's Passion. As the darkness in the chancel increases, the death of Christ, which is the climax of His Passion, draws closer.

The sound of the Book after the final lation is to signify the sealing of the tomb, acknowledging that the meaning of the Cross has now been fulfilled.

The removal of the Central Christ candle symbolizes the death of Jesus and His stay in the tomb.

The service will be under the direction of the pastor, Rev. William H. Remmert. He will be assisted by youth of the congregation.

FHA Loans Made To Farmers

Loans made to individual farmers and rural families have been made in Texas under the provisions of the Economic Opportunity Act of 1964. The act provides for the establishment of a national system of rural development banks to provide loans to farmers and rural families.

These loans were made to individual farmers and rural residents in most sections of Texas. The family is a family who is operating a farm or other business and is producing at least a portion of their subsistence crops or livestock. A resident is classified as one in a town of not more than 2,500 population.

Economic Opportunity Loans may be made to improve their farming operations; to acquire more land, livestock, machinery and equipment; to construct needed farm buildings; to pay annual operating expenses for feed, seed, and fertilizer. These loans may be obtained by farm and rural families to finance rural-based, but not agricultural enterprises.

These loans may be used to purchase or construct buildings, buy and install equipment and pay annual operating expenses of a non-agricultural enterprise such as a farm machinery repair shop; TV and radio repair shop; ladders, spray equipment and tools to be used by painters and carpenters; a smith shop; septic tank and sewage disposal system; land preparation; saw and power sharpening shop; and wood cutting equipment; sheep and goat shear equipment; etc.

Economic Opportunity Loans for the purpose of helping low-income rural families improve their income level. Rural families who need a small amount of capital to improve their incomes may borrow up to \$10,000 for 15 years at 4-1/8 percent interest. These loans are secured by a promissory note by the borrower and a loan agreement scheduled in accordance with his ability to repay. Families and single individuals with incomes which are low to cover basic needs, who, with the assistance of the Farmers Home Administration county supervisor, are successful in developing a plan of operation which will provide a reasonable prospect of increasing their earnings through a farming operation or other non-agricultural enterprise, and who are unable to obtain adequate credit on reasonable terms elsewhere, are eligible to receive the loans.

Mr. Cappelman also advises that Economic Opportunity Loans may be made to finance processing, marketing, purchasing and service type cooperatives which directly benefit low-income families living in rural areas. These loans may be repaid over a period of up to 30 years at an interest rate of 4-1/8 percent. The cooperative must pledge as security for the loan a property and pledge of revenue.

AMHERST NEWS by Mrs. Lester LaGrangé

MRS. HOMER HOWARD
**Mrs. Howard
Named Office
Supervisor**

Mrs. Homer L. (Juanita) Howard has assumed duties as business officer supervisor of General Telephone Company of the Southwest's business office in Littlefield, according to the phone firm's western division manager, H.B. Elam of Brownfield.

Mrs. Howard is a native of Megaree, Texas and attended high school at Farwell. She joined General as an operator in 1958, and subsequently served as assistant cashier, then cashier of the Littlefield business office until her recent promotion.

The Howards have three children and reside at 706 East 12th Street. They attend the Baptist church, where Mrs. Howard serves as a Sunday School teacher.

CITY BITS

Mr. and Mrs. John Clayton Jr. and Mr. and Mrs. Dub Berry attended baseball games in the new Astrodome Stadium Saturday in Houston.

Mrs. Lucille Smith attended funeral services for her grandson, Barry Reeve, age 12, conducted Monday in Northport, Long Island, N.Y.

Expected guests from Thursday (today) through Sunday in the home of Rev. and Mrs. William Remmert and Jim are Mr. and Mrs. Ralph Koch, Debbie, Kendall and Krystal, of Denver, Colo. Mrs. Koch is the Remmert's daughter.

Methodist To Begin Revival

The spring revival meeting at the First Methodist Church will begin Sunday, April 18, and continue through the 25th. The evangelist, Rev. Carlton H. Thomson of Abernathy will deliver the sermons and Rev. Jack Riley of Sudan will lead the song services. Rev. E.R. McGregor, pastor, and members urge everyone to attend the services at 10 a.m. and 8 p.m.

Funeral services for Leroy Davidson, 52, of Lubbock, were held at the Forrest Heights Methodist Church there Wednesday. He died of a heart attack at five p.m. Monday at the home of his daughter, Mrs. John Blair, in Richardson, a Dallas suburb.

**Essay Contest
Closes April 18**

Time is running out for high school students planning to enter an essay contest on "The Ideology of Democracy."

With \$100 and \$50 U.S. Savings Bonds, and ten Honorable Mention Medal prizes, the essays, to be judged by an inter-faith panel, must be mailed before Easter Sunday, April 18, directly to the Essay Contest Committee, Texas Knights of Columbus, 1111 Majestic Building, San Antonio, Texas, 78205.

"Students of all races, colors and creeds are invited to enter the competition which last year was won by public school students," said James R. Barger, K. of C. contest chairman.

"The rules are simple in that writers must be bona fide, full-time students of a Texas high school and under 20 years old. The essay cannot exceed 300 words and must be signed by the student with his or her full name, age, school, class, home address, telephone, city and state."

In addition, Barger continued, students should list their parents' full name, address and telephone. Rhetorical structure is left to the student.

Entries will be judged by a panel of representatives of the Protestant, Jewish, and Catholic faiths.

Last year's top winners were Darrell Wayne Phillips of Borger and Janic Schwalk of Perryton with medal winners in Weslaco, Fredericksburg, Corpus Christi, Amarillo, San Antonio and Beaumont.

He was in Dallas for the State Cotton Ginner's Convention. Survivors are his wife, the former Ernestine Blair and three children. Burial was in the City of Lubbock Cemetery, Mr. and Mrs. A.A. Blair, Jr. and Micki attended the funeral.

Patricia Muncy and Marlene Fleming will represent the local Future Homemakers of America as delegate and alternate at the State meeting to be held in Dallas April 23-24. The theme of the meeting will be "Homelife-Foundation for Peace". Registration will be in the Adolphus Hotel and the meetings will be in the Music Hall, State Fair Park. The FHA delegates will be accompanied by Mrs. Rubie Williams, home-making teacher.

Easy And Eggs-iting For Easter!

Which comes first, the chicken or the egg? At Easter-time the answer's easy: the egg! What's more, today you can eat your Easter eggs and have them, too. Just blow the eggs -- using the contents for a delicious variety of pies, cakes, custards and omelets -- and turn the shells into festive favors such as a perky bunny, a ducky duckling or a stately eggshell church.

Follow the following tips from the Paas eggs--perts and you'll discover how easy it is to blow, dye and decorate eggs:

To blow an egg, make a hole in each end of the egg with a sharp-pointed ice pick, skewer or manicure scissors. Hold the egg firmly in one hand. With the instrument of your choice in the other hand, push the instrument slowly, steadily into the egg about 1/2 inch to break the inner membrane of the egg; be sure not to twist the instrument.

Enlarge the holes to the size of a small pea. This will make the blowing of the egg easy. Hold the egg over a bowl and blow through one hole until the egg contents come out the other. Then hold the shell under a faucet letting the shell fill with cold water. Shake the shell well so the water will thoroughly rinse the inside of the shell; blow the water out. Let the shell drain until completely dry.

There are several "mass production" methods of blowing eggs that clubs, church groups, youth organizations and art classes have found practical. For instance, last year members of the Altrusa Club of Memphis, using a dental drill

and air hose, blew 90-dozen eggs in one afternoon -- eggs they dyed and decorated for a charity fund-raising project. Elsewhere, a Scout group used a bicycle pump to blow eggs and a church group used a sterilized vacuum cleaner blower!

For vividly colored and evenly dyed eggshells, spoon the dye bath over each shell, turning the shell at the same time. This is especially important because the shells are so lightweight they float.

The vinegar used in conjunction with pure food dyes causes the dyeing action, so if necessary, use more vinegar than called for in the directions -- even an extra 3 or 4 table-spoonsful. This added vinegar helps cut through mineral deposits and/or the invisible wax-base protective coating on so many of today's eggs.

Although many coloring kits have drying trays, a more even dye job will probably be obtained by letting the dyed shells drip dry from a cake or oven rack. Let shells dry completely before decorating.

From the Paas Company, maker of Paas Easter Egg Pure Food Color Kits, come these specific directions for bunny, duckling and church:

To make eggshell bunny: With white household cement or glue, secure large end of dyed eggshell to brass curtain ring. Let dry. With manicure scissors, cut shell from inside ring for flat base.

Cut ears from cotton powder puff or construction paper; glue bit of pipe stem cleaner lengthwise to center of ears for support; glue ears into place. Fashion facial features from construction paper and sequins; glue into place. Wire together tiny ribbon bow, artificial flower and sprig of greenery and glue into top hole of eggshell. For finishing touch, glue entire bunny head on cotton powder puff or circle of construction paper.

To make eggshell church: Glue large end of dyed eggshell to curtain ring. Let dry. With manicure scissors, cut shell from inside ring.

Form roof and steeple from rectangles of construction paper; form cross from bits of pipe

stem cleaner; through holes made in center of roof and steeple, push cross into hole in top of eggshell; glue all into place.

Draw pointed or arched door-

way on construction paper; cut doors at top and center so they'll swing free; cut entire doorway and glue into place at front of eggshell. For finishing touch, glue curtain ring of church to circle of green construction paper and secure a bit of greenery to circle and roof.

To make eggshell duckling: Cut web feet, wings, tail and double head-piece from construction paper. On double head-piece, glue sequins for eyes; glue bits of pipe stem cleaner to bottom of web feet for support; "fringe" construction paper tail.

Glue double head-piece above hole in small end of eggshell;

glue "fringed" tail in hole at large end of eggshell; glue wings and feet into place.

For finishing touches, glue tiny artificial flower and sprig of greenery in hole at small end of eggshell just under duckling's chin; bend and glue bit of pipe stem cleaner around head-piece for collar.

TEXANS KNOW WHAT THEY WANT...

'65 PLYMOUTH BARRACUDA

This sleek, sporty fastback has won the hearts of sports-car enthusiasts all across the state. Plymouth Barracuda sales for the '65 model prove it. It's easy to see why. Barracuda offers family-car fun with room for five... sports-car feel, with bucket seats up front... plus a 5-year/50,000-mile engine and drive train warranty.* See for yourself! Test drive a Plymouth Barracuda now!

***HERE'S HOW PLYMOUTH'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU:** Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The following maintenance services are required under the warranty--change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Student Of Month Is Announced At Anton

Mike Couch, junior student at Anton High School, has been chosen student of the month of April. The announcement was made by Ray Gregg, president of the National Honor Society. Mike is the son of Mr. and Mrs. Claud Couch and has attended Anton Schools his entire life.

He has lettered in football, basketball, and track for three years. He was captain of the football team last year and

MIKE COUCH

Mrs. Carl Gives Forum Program

Mrs. David Tullis was hostess to the Forum Thursday night when they met in the Reddy Room. Mrs. J.H. Carl gave the program in the absence of Mrs. Lucille Betts, who had prepared the program. The topic was entitled "The Meaning of Appomattox to Texas" and was given in commemoration of the Centennial for Appomattox, April 9.

The Forum made plans to assist in the Cancer Crusade Tuesday night. Members who will work are Mimes, Addie Abernathy, R.M. Rickey, Jack Compton, M.J. Cotter, J.H. Carl, Doug Hillock, Lulu Dickenson and Miss Peggy Ditto.

Attending were Mmes. Carl, Hillock, Cotter, Dickenson, Rickey, Compton, Abernathy, Tullis, and Olene Gibson, Howard Burks, John Breedlove, and Miss Peggy Ditto.

elected all-district defensive end. He was selected to the second team of all-district basketball squad. He is a member of the mile relay team which has won three trophies this year.

Mike participated in the Little League and Pony League baseball programs sponsored by the Anton Lions. He has been a member of FFA two years and served as an officer one year. He was a member of the marching band three years.

Besides school activities, Mike also takes an active part in the youth activities of the Lawrence Street Church of Christ.

In electing Mike to this honor, his teachers have praised him for his willingness to follow guidance and his ability to get along with other students.

Questions & Answers

This column of questions and answers on federal tax matters is provided by the Lubbock office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q -- Rather than mail my tax return in, can I drop it off at the Internal Revenue office here?

A -- Yes you may. If you have a balance due, you should also make payment at the cashier's window when you come in.

Q -- I had a gift tax to pay when I turned some property over to my wife. Is this tax deductible?

A -- No. Gift taxes are not deductible.

Q -- Can I use the state sales tax table you issue as

well as taking a deduction for the gasoline tax I paid?

A -- State and local taxes on gasoline are deductible separately when you itemize. These taxes are in addition to deductions for sales taxes on the table you referred to.

Q -- My husband and I were divorced last year. I had no income of my own but I do receive alimony. Is this taxable and do I have to file a return?

A -- Alimony is considered taxable income. Therefore, a return must be filed if your alimony payments were \$600 or more for the year.

Note that payments specifically designated for child support are not taxable and should not be included in your gross income.

Q -- Is there a special form to use when claiming the medical expenses paid for dependent parents 65 and over?

A -- Use Form 294B, the medical and dental expense statement. It provides an easy method of listing the expenses for

those under 65 and for those older.

Q -- Our son enlisted in the Marine Corps last fall. He had been our dependent up to that time. Can we claim him as a dependent for all of last year or only part of it?

A -- Either you are entitled to a full exemption for him or none at all. Exemptions can't be split up or prorated.

To determine whether you can claim his exemption, add up the military pay and other allowances he received and used for his support last year. If his gross income amounted to less than \$600 and you contributed more than half his support for the year then you may claim his dependency exemption, assuming he is a U.S. citizen and is not filing a joint return if he is married. The \$600 gross income test does not apply if he was under 19 or was a full-time student during each of five calendar months during the year.

Q -- I plan to use the new

income averaging provision year. If I do am I required to keep using it in subsequent years?

A -- No. You may come averaging only when you are qualified to do so. Use is always optional for taxpayer.

Q -- My father has retired. Last year he cashed some Series E savings bonds for a retirement home. He has to pay tax on the interest on these bonds now or can he spread it over several years?

A -- Interest on such bonds reported for the year they were redeemed, and that he had not previously elected to report each year, is taxable. Of course he also look into the income averaging provisions available this year.
