

REGISTRATION FOR MILEAGE RATIONING NOVEMBER 12, 13, 14

Coffee Rationing To Get Underway Nov. 29

One Pound Every Five Weeks Will Be Sold Adults

Sugar Books To Be Used In The Purchase Of Coffee Supply

The government announced Monday that coffee rationing would start Nov. 29.

One pound every five weeks will be allowed for every person who was 15 or older when sugar rationing started last May. This works out to slightly more than one cup a day.

Moreover, it will still be possible to get a cup of coffee in a restaurant regardless of how much is used at home. Details of the rationing for restaurants are still to be announced but it probably will follow that of sugar, restricting commercial users to a certain percentage of their former consumption.

And those who care to substitute tea, cocoa or other beverages for coffee at certain meals can drink all they wish. No rationing of these drinks is being imposed, at least for the present.

Retail sales of coffee will be stopped at midnight Nov. 21 in preparation for the rationing starting at midnight Nov. 28 so that in the interval grocers can stock their shelves for the start of rationing.

The sugar ration book will be used for coffee and no new registration will be necessary. The last 10 stamps in the book will be used for coffee. Because of the position of these stamps, No. 27 will be good for the first coffee ration, No. 28 for the second, No. 25 for the third, No. 26 for the fourth, 23 for the fifth, 24 for the sixth, and so on, working backward to No. 19. The plan will involve no curtailment of sugar rations and new books will be available when the sugar and coffee stamps are exhausted.

The sugar ration books were issued for everyone from babies to grownups. But only books where the age of the user appears as 15 or older can be used to get coffee.

Sponsors Plan Of Transportation To "Cotton Patch"

In cooperation with the Chamber of Commerce, Rev. J. H. Sharp, local Methodist pastor, is sponsoring a system of transportation for the town people to the "cotton patch" each morning.

The plan is for cotton pickers needing transportation to gather at the First Methodist Church here each morning, and farmers needing pickers will come to the Church building for their help in harvesting the cotton crop.

The program was first put into effect Monday morning, and worked out successfully.

All farmers who need pickers are urged to take advantage of this service. The plan, according to Rev. Sharp, will be continued as long as it seems worth while.

Crew Of 30 Men Work New Telephone Line

Construction of a telephone line is being constructed by the Engineering and Construction Company, from Odessa to Texas, a crew of 30 men in Littlefield last week, and work on the project, setting and stringing wire in and building.

The pipe line that has been under construction for sometime from Odessa to Borger is nearing completion. This will supply oil to the rubber plant.

300 Farmers Sign Up Their Trucks

J. F. Chafin, chairman of the Lamb County Farm Transportation Committee, states that only some 300 farmers who own trucks or pick-ups signed up on Oct. 22, 23 and 24. The county transportation committee urges every farmer in the county who owns a truck or pick-up to attend to this matter immediately since the operator of each commercial motor vehicle must have a certificate of war necessity in order to continue operating the vehicle after November 15, 1942.

According to reports received by the County Farm Transportation Committee, it appears that a large number of truck and pick-up owners did not receive their SU-A certificates through the mail in time to sign up last week. In order to accommodate all farmer-owners of trucks and pick-ups who have not signed applications or who did not receive their SU-A certificates through the mail, the county transportation committee has set up an office in the Legion Hall, Amherst, and clerical assistance will be available to handle these additional sign-ups. This office will be open for the next few days.

Chafin pointed out that if the owners of trucks or pick-ups have not received SU-A certificates through the mails, to call at this office and receive forms requesting application for certificate of war necessity. It is very important that this request be mailed to the Field Office of the ODT, Lubbock, Texas.

The County Transportation Committee urges every farmer and trucker hauling farm products who has not received and properly filed with this committee an application for certificate of war necessity to call at the Legion Hall, Amherst, immediately and receive instructions and assistance for procedure necessary to get his application signed up since after Nov. 15 you cannot operate a truck lawfully without a certificate nor can you receive gasoline, tires, repair parts.

Chafin stated that in behalf of the Transportation Committee that the registration on October 22, 23 and 24 was made possible through the cooperation of volunteer workers who so ably rendered clerical assistance without compensation on registration days and the committee wishes to express its appreciation to these workers for this service.

I. B. Holt Reports More Taxes Being Paid Early Here

I. B. Holt, county tax assessor and collector, who was in Littlefield Tuesday and Wednesday, reported that collections to date have been better than they ever have in this vicinity.

A discount is allowed for early payment of 1942 State and County taxes, Mr. Holt said, and he attributed the reasons for more payments at this time of the year to excellent crops around Littlefield, and people are eager to get their tax payments off their minds. He will make an official report next week, he said.

J. W. Keithley Named Chairman Home Service Committee

J. W. Keithley has been appointed chairman of the Home Service Committee for the Lamb County Chapter of the American Red Cross, F. A. Hemphill, county Red Cross chairman announced Wednesday.

Mr. Keithley succeeds J. H. Ware, who resigned recently to become a member of the Lamb County draft board.

"The Home Service work is very significant during wartimes," Mr. Hemphill said. It is through this committee that men in the armed services gain furloughs in case of emergencies at home, he reported. Also, families get special financial aid in emergencies, provided a member of the family is in the armed service.

Mr. Hemphill also announced that it was through this committee that messages were sent to men believed to be prisoners of war, and quite a number of relatives in Lamb county have already contacted the committee and have sent letters to sons, brothers and husbands.

Mother Of Mrs. G. R. Sandidge Passes Away Sunday

Funeral services for Mrs. D. E. Verner, mother of Mrs. G. R. Sandidge of Littlefield, were held Monday afternoon at Rule. Remains were taken to Mineral Wells for interment beside her husband, who passed away about two years ago.

Mrs. Verner passed away at the home of a son at Rule Sunday morning, following an illness of about a year. She is survived by seven sons and the daughter, Mrs. Sandidge.

Mr. and Mrs. Sandidge went to Rule Saturday afternoon, after being notified of the critical condition of Mrs. Verner. Mr. Sandidge will probably return here today (Thursday) while Mrs. Sandidge will visit her brother.

Mr. Sandidge is wholesale distributor for the Continental Oil Company here.

First Frost Of Season Reported Monday Night

The temperatures for the past week, according to West Texas Gas Company reports, were Thursday 53 degrees low, and 60 high; Friday 42 low, and 57 high; Saturday 40 low, and 62 high; Sunday 42 low, and 50 high; Monday 38 low, and 62 high; Tuesday 38 low and 78 high.

The temperature for this season was lowest Monday and Tuesday, and a light frost was noticed Tuesday morning.

School Students Help Pull Cotton

Littlefield school students are "coming to the aid of farmers" in this vicinity this week, as hundreds of them trek to cotton patches in order to assist in the gathering of the cotton crop.

Supt. F. A. Hemphill announced Wednesday that students were enjoying their trips to the cotton patches, but in case of heavy rains in this vicinity this week end, the local schools will re-open next Monday, instead of the following Monday.

Mr. Hemphill also stated that the Littlefield school board had not received an application for the position as high school principal. Elmer J. Moore, who has been principal here the past two years, resigned to enlist in the Army Air Corps.

M. M. Brittain Named Vice-President Of Local Rotary Club

At a meeting of the Board of Directors of the Littlefield Rotary Club Friday night, M. M. (Jimmie) Brittain was elected vice-president, filling the vacancy created by the death of J. C. Elms.

J. W. Keithley was elected a member of the Board of Directors. This meeting was called to discuss Rotary's problems in war, and make plans for Rotary's service in emergency, etc., as announced by F. A. Hemphill, president.

Star Telegram Arrives 10 A. M.

According to Postmaster W. D. T. Storey, the Star Telegram papers are arriving, by special bus, at the Littlefield post office each morning at 10 o'clock. Apparently, the Telegram has made special arrangements to get the paper here early for the benefit of its readers. The Leader is offering special Club Rates for the Telegram and Leader; Telegram Daily and Sunday 1 year with the Leader \$7.95; or the Telegram daily without Sunday and the Leader \$6.75.

Local Schools Close Two Weeks For Cotton Picking

Littlefield schools were dismissed Friday for two weeks, for the purpose of allowing the students to assist in the gathering of the cotton crop. Present plans, according to Supt. F. A. Hemphill, are that school studies be resumed Monday, November 9.

The decision to close for two weeks was arrived at by the school board at a special meeting Thursday night. Supt. Hemphill, in making this announcement, said that it was decided to close for two reasons, namely, on account of the large cotton crop and shortage of help; and due to the absence from school of about 30 per cent of the stu-

Program To Curtail Use Of Gas To Get Underway Nov. 22

Application Blanks To Be Available By November 7

As announced Tuesday by the Lamb County War Price and Rationing Board, registration for mileage rationing in this county will be conducted on November 12, 13 and 14, and actual rationing of gasoline will begin November 22.

The County Board has been advised that Washington expects to have the application blanks available by November 7, and everyone should watch this newspaper for the announcement when these application blanks are available. The Board will try to see that they are distributed at tire inspection stations, where every passenger car owner can obtain an application form conveniently.

The following further instructions for the motorists have been handed to the Leader for publication:

Each motorist should fill out the application form listing the serial number of each tire. Then on one of the registration days the motorist should present this application form at the school house nearest his residence to be issued a basic "A" ration book for gasoline. Any motorist who is away from home in another county should register wherever he is on one of these days, November 12, 13 and 14.

School officials have been requested by the county war price and rationing board to cooperate in the registration as was done in the sugar rationing last May.

Schools will not need to be dismissed during the registration. Those who feel they are entitled to a supplemental ration provided by the "B" or "C" books should obtain another application form for this at the place of registration where the "A" book is issued.

It has been explained that every passenger car owner must sell to the Government before November 12 all tires over five for each vehicle, which means that each car owner is allowed one tire for each running wheel and one spare for the car. A registrar can not issue him a mileage rationing book for that car if he owns tires in excess of that number.

For that reason excess tires should be turned in before November 12 to a local railway express agency which will tag the tire and the seller will receive a check from the Government, or if he chooses the government will pay him war stamps or war bonds for his excess tire or tires.

Commercial vehicles, trucks and farm trucks must obtain a certificate of war necessity from the office of defense transportation before they are registered for mileage rationing with the local war price and rationing board. The ODT has mailed these forms to all owners of commercial vehicles that were registered last December 31.

Persons who have not received these application forms should write immediately to the nearest ODT field office.

In Texas these offices are located in Dallas, San Antonio, Houston, Lubbock and Austin. As soon as this form is received it should be mailed back to the ODT in time for the applicant to receive a certificate of War Necessity by November.

OPA Rolls Back Rents

Rapidly expanding its rent control program in accordance with the President's directive, the OPA has announced its most sweeping move against inflated rents.

Orders reducing and stabilizing rents on November 1 for all living quarters in 97 more defense-rental areas spread across the entire Nation and including Alaska are being issued immediately. Rents are being cut back to the levels prevailing on March 1 of this year in 96 areas and in the other one—Orlando, Fla.—the maximum rent date, or freeze date, is being moved back 5 months from March 1, 1942, to October 1, 1941.

The November 1 action will bring under Federal control the residential rents in every large city in America with the exception of New York.

By the order, Federal control of rents will be in effect in areas in every State in the Union except North Dakota. That state, with no defense-rental areas designated in it previously, was declared a defense-rental area in its entirety October 5.

Tires Must Be Inspected

Details of a Nation-wide program for periodic inspection of the tires on all operating vehicles not only as a means to keep tires in good repair but also as a check against illegal use or sales of passenger car casings has been announced by the OPA as a part of national mileage rationing and rubber conservation.

Under the program, neither private passenger automobiles nor commercial vehicles will be certified for continued operation when their tires need repairs or when mechanical faults are causing unnecessary tire wear. Moreover, if a passenger car owner attempts to keep and use a tire in excess of the five permitted under the gasoline rationing regulations, the violation will be disclosed by the inspection system.

To get the staff of inspectors necessary to perform the periodic examinations called for under the plan, OPA has called upon local War Price and

Rationing Boards to appoint all competent tire men of good repute in their communities.

Original inspection for all passenger cars must be made between December 1 of this year and January 31, 1943. Commercial vehicle inspection starts November 15.

After the initial inspection, passenger car owners who get the minimum ration of gasoline—the basic A book—under the Nation-wide rationing that becomes effective November 22, will be required to get their tires inspected every 4 months at official OPA inspection stations. The same requirement applies to those who hold only the "D" gasoline book for motorcycles. Persons who get gasoline books permitting them to drive greater distances in a given period must get inspection every two months. Commercial vehicle tires must be inspected every two months or every 5,000 miles, whichever comes first.

Pamper Your Old Overshoes

Better take care of those overshoes which have been thrown so carelessly into the closet in the past; they're a part of America's wartime rubber supply. This advice was given by OPA last week.

The Government is counting on consumers to make their old rubbers and galoshes last as long as possible and to replace them with the Victory foot-wear only when absolutely necessary.

The Victory lines of rubbers and overshoes, containing more scrap rubber than before, are made for utility wear. Although they won't last as long as the old types, they will give satisfactory service—especially if they are properly cared for. They'll come in black only, and heels of new rubbers will be no higher than 2 inches. Wherever a substantial rubber saving can be made, waterproof fabric is being used instead. No more zipper closings, either, and no fancy boot or fur-trimmed styles for the duration.

"Swapping" or "trading" is one suggestion made by OPA to extend the usefulness of the present supply of rubbers and galoshes.

1942 Canning Season Greatest In History

Canning in Lamb County has been in full swing for several weeks and continues at a high peak, LaVerne Hayhurst, home management supervisor for the Farm Security Administration, reported yesterday.

"It's the biggest and most important canning season we've ever had," she declared. "It marks an important era in our struggle against wartime food shortages, and our canning goal this year is 50 per cent over last year's all-time high."

Miss Hayhurst said about 200 FSA farm wives began planning their canning budgets early last Spring. They checked their canning equipment and planted foods that would be expensive or hard to get this winter—foods full of vitamins for the health of their families. These women, she said, spent the summer weeding their gardens, and now they are harvesting and canning for home use the greatest stores of food that ever lined their shelves.

Greater than the cash savings—estimated at about four times the cost of production of the food—will be the effect on the health of families, Miss Hayhurst believes. During the winter FSA families will eat wholesome fruits and vegetables because they are canning, on an average for each member of the family the following:

- 120 Quarts of Tomatoes;
- 600 Quarts of Assorted Vegetables;
- 120 Quarts of Fruit, etc.

Each member of the average FSA family will also have two or three bushels of stored food. More vegetables, such as carrots, potatoes, turnips, beets and so forth, will be stored this year, in the opinion of Miss Hayhurst so as to save available jars for the foods which

Muleshoe School Children Visit Cotton Patch

As a patriotic movement, Miss Leona Patterson, of Sudan, teacher of History in the Muleshoe school, and Miss Mary L. Howell of Lubbock, Homemaking Teacher, also of the Muleshoe School, accompanied 41 school students to the cotton patch Tuesday of last week, when the students, supervised by their teachers, picked two bales of cotton in about 4 1/2 hours.

A. E. Lichte Now Sole Owner Farmer's Welding Shop Here

A. E. Lichte announced last week that he had purchased the interest of B. D. Birklebach in the Farmer's Welding Shop, and he is now sole owner of the establishment.

The Farmer's Welding Shop was established two years ago, offering general repair service for automobiles and tractors, and welding service. The business is located on West Third Street, just west of Jeffries Grocery.

need to be canned. Miss Hayhurst predicts a record amount of canning of meat and meat products later on this fall during the butchering season.

Oil Mill Contracts For Processing Of Soy Beans

A new outlet for producers of soy beans in this district will soon be available, with the announcement today that the West Texas Cotton-oil Company of Littlefield has entered into a contract with the Commodity Credit Corporation for the processing of this important commodity.

As soon as grading facilities are arranged for, the mill will be ready to receive the beans. Producers are requested to have beans sacked, and may obtain news sacks, where necessary, from the mill at actual cost. In turn, the mill will buy them back at O.P.A. ceiling prices. Due to the bag shortage it is suggested that producers confer immediately

Clyde Hilbun Buys Wayne Carlisle Home

A deal was consummated Thursday whereby Mr. and Mrs. Wayne Carlisle sold their residence property in the Duggan Addition to Clyde Hilbun, president of the First National Bank here. Mr. and Mrs. Hilbun plan to make this their home. It is understood, however, that inasmuch as Mr. and Mrs. Carlisle's plans are not definitely settled, it

will be some time before Mr. and Mrs. Hilbun move to their newly acquired home. Mr. Carlisle has been thinking seriously of returning to the ranching business, which has occupied most of his life previous to coming to Littlefield.

The house now occupied by Mr. and Mrs. Hilbun, on East 8th St., which was formerly the J. R. Wales home, was sold last week to Mr. and Mrs. Ollie Ratliff, who farm about 6 miles west of town, and will be occupied by them about December 1.

Eagan Family Represented In Army, Navy, WAAC

Mr. and Mrs. J. J. Eagan of Olney and formerly of Littlefield are among those parents in this great United States who have five sons in the armed forces. But they also have a daughter-in-law and a grandson serving their country.

Two other sons and one son-in-law are making preparations to join their brothers and sisters in the Nation's service.

Most recent of the Eagan family to enlist is Owen Hollis Eagan, 41, of Garland, who last week became a radio technician in the Army Air Force, and his wife a member of the Women's Army Auxiliary corps.

The first of this family to enter was Gilmer (Cotton) Eagan, 25, who enlisted in the Navy two years ago and is now seaman second class on the cruiser Indianapolis. He is a graduate of the Littlefield High School and attended Texas Technological college at Lubbock two years.

Second Lt. Buford W. Eagan, 23, graduated from the Olney High School and attended Texas Tech two and one half years when he joined the Army Air Force last November. He received his commission at Brooks Field, San Antonio, last July 3 and is now stationed at Ellington Field, Houston.

Oran Ethridge Eagan, 21, made four attempts to volunteer but failed to pass his physical examination and went to work in a defense plant at Los Angeles, Calif. On his fifth trial he was accepted and is now a private in the infantry stationed at Camp Roberts, Calif.

Guy C. Eagan, 19, who has been in defense work since his graduation from high school at Olney in 1941, enlisted in the Navy last week.

A grandson, J. Don Eagan, 18, son of Mr. and Mrs. Vernon Eagan of Littlefield, walked out of the local high school in May, 1941, with his diploma in one hand and his enlistment papers for the Navy in the other hand. He is now a yeoman seaman on the battleship Mississippi. His parents received a V-letter from Don last week, which was written on October 13, stating that he was

well and happy.

Two other sons, Ethridge W. of Oklahoma City and J. R. of Lubbock, advise that they are on the eligible list and may soon run the score up to seven out of eight sons in Uncle Sam's service.

Vernon reported this week that he was not going to be left behind. Uncle Sam might as well get ready to take him . . . as soon as the cotton crop is gathered, and Mr. Irvin will grant him a leave of absence from office work at the Irvin gin. Vernon would even be glad to postpone a few games of golf, in order to make the Eagan family "unanimous" in the armed forces!

The only son-in-law of Mr. and Mrs. Eagan, L. W. (Cotton) Dobbs who has been a resident of Littlefield many years, is now in training as a civilian air pilot here.

Mrs. Dobbs says when the rest of

the family goes . . . she's on her way too. And the other sister, Miss Nell Eagan, reports that she is thinking seriously about the WAVES when she gets her high school diploma next spring.

The father, J. J. Eagan, was born near Hillsboro 66 years ago, and his father before him was a native Texan. He was married to Miss Mattie Ivey in Hill county and they went to Olney in 1922. Later they moved to Littlefield, where Eagan was connected with the Yellowhouse Land Company ranch. Since returning to Olney a few years ago, he has been engaged in the oil and real estate business.

Forty-Two Party Honors Mr. And Mrs. Mike Brewer

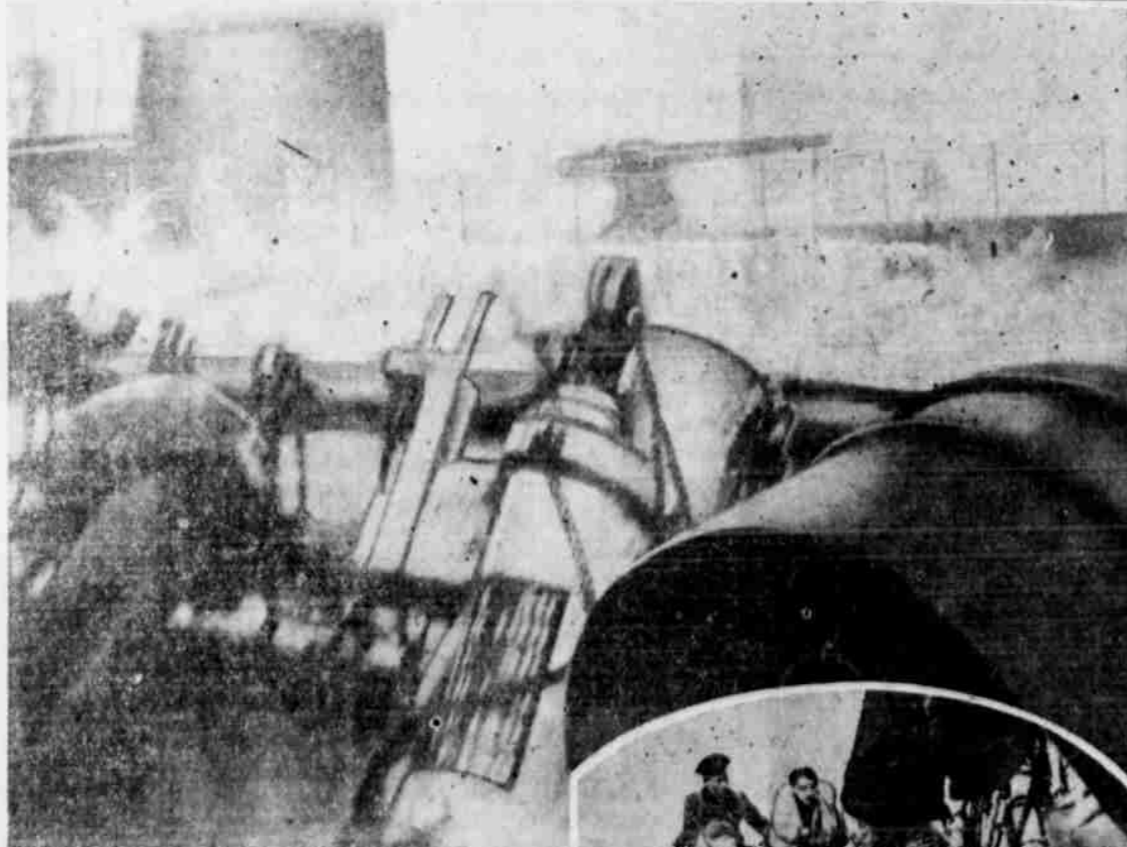

Mr. and Mrs. Mike Brewer were honored Tuesday night, Mr. and Mrs. Lowell Short entertained with a "42" party at home on East Fifth Street.

Beautiful marigolds decorated entertaining rooms, and refreshments were served after games of "42."

Those attending were Mr. Brewer, Mr. and Mrs. Vorheis, Mr. and Mrs. Ab Be and Misses Farrah and Georgia Beckner and Jack Beckner, Miss Susie Houk, and Mr. and Mrs. Short.

OPPORTUNITIES FOR Turn to the Classified Page!

German U-Boat Rammed, Crew Captured By Canadian Destroyer in Fierce Duel

THE top photo, one of the most graphic taken during the present war, shows a German submarine slithering away from the bow of a Canadian destroyer as the destroyer attempted to ram the U-boat. The action during this encounter took place at extremely close range—often with the two vessels no more than a few feet apart. The destroyer just missed ramming the submarine when this photo was taken by a member of the crew, but her aim was more accurate and deadly a little later, and the sub was crashed by the destroyer's bow. The raider stood suspended in the ocean for a moment and then was swallowed up by the waves.

The survivors of the submarine were picked up after their craft was sunk. The lower right photo shows the rescue. The U-boat survivors smoked and chatted as they waited their turn to board the Canadian destroyer.

The daring, courage and clever seamanship exhibited by the crew of the U-boat is typical of the spirit found in the sailors of the Royal Canadian Navy.

A Touch Of Gingham Is Added

Barbara Britton, young Paramount player appearing in "Wake Up and Dream", illustrates how easy it is to dress up a plain white cotton dress with a touch of gingham. The belted braces are red and white checked gingham, enhanced with red felt hearts and ribbons. Her Dutchy cap is red and white checked gingham, with a red brim and can be reversed to show gingham.

Local Flyers Now In Army Air Corps Reserve At Lubbock

L. W. (Cotton) Dobbs and Quin Henry, local flyers, were sworn in to the army air corps reserve Tuesday at Lubbock, and were two of five men in this area selected to attend an instructor's school at Dagley Field, there.

They will attend the school in Lubbock eight weeks, and after completion of the courses there, will be assigned to Kelly Field, San Antonio, for advanced training.

Mr. Dobbs, who has an interest in a plane, and has been flying four months, with 121 hours to his credit, is president of the Littlefield Flying Club. He is owner of "Cotton's" Cafe here, and Mrs. Dobbs will continue the operation of the business for the duration.

ily here several days this week. She visited another son, Irvin, and family at Levelland last week end.

Hall Rowe visited Tuesday and Tuesday night with his parents, Mr. and Mrs. E. S. Rowe, Sr. He and his brother, E. S. Rowe, Jr., are employed in defense work and have been working at San Marcos, but were recently transferred to Pecos. Hall is in the reserve of the U. S. Marines. Mrs. Rowe, Jr., and daughter will join their husband and father at Pecos.

Mrs. L. E. Smith of Slaton underwent major surgery at a Lubbock Hospital Tuesday of last week. She is a sister to Arbie and Ben Joplin, and they with their families have been visiting her in Lubbock at intervals the past week.

**With South Plains Men
 In U. S. Service**

Sgt. Elbert Bell has been promoted from Sgt. to Staff Sergeant. He has been in the Army since January, and likes it fine. He is stationed at Fort Benning, Ga.

Cadet Harry E. Woody, of Ellington Field, Houston, Texas, is home on a ten-day furlough, visiting his parents, Mr. and Mrs. H. L. Woody, of Littlefield. Cadet Woody has just

finished his pre-flight in navigation.

Sgt. Robert Armstrong of Needles, Calif., is home on a ten-day furlough, visiting friends of Littlefield.

C. C. Morgan of Anton received word Monday that his nephew, Lieutenant Billy S. Pennington, of Abilene, was killed in an accidental plane crash Sunday, October 11, somewhere in western Europe. Lieutenant Pennington had been overseas about two months.

Sgt. Paul Sheppard has been transferred from the Lubbock Air Base to an advanced flying school at Pampa, Texas. This is a new base just completed. Mrs. Sheppard accompanied her husband Friday to Pampa, where they will make their home. Mrs. Sheppard is the former Miss Josephine Wells.

Pfc. Tommy Lowe of Fort Leonard Wood, Mo., after completing his two months' regular training at this camp, is now taking special lessons in painting. Pfc. Lowe enlisted in April last, and was stationed at Fort Sill for about a month previous to going to Fort Leonard Wood.

Pfc. Lowe was one of 12 who made the highest grades up to his last exams, and lacked one point in making enough to take officers' training.

David Anderson, who was inducted into the service from Littlefield, is employed in technical work at the Airplane base in Pensacola, Fla.

Mrs. Anderson will stay here for some little time, but will later join her husband.

Mr. Anderson, previous to induction into the service, was employed by the Boeing Airplane Company, Wichita, Kans.

David Owen McLarty, brother of Mrs. Hubert Colbert, who enlisted recently, and who has been at Fort Sill, was last week transferred to the Lubbock Airport, in the Me-

chanics' Division. Mr. McLarty visited his sister and brother-in-law in Littlefield Saturday and Mr. and Mrs. Colbert accompanied him to Vernon, where they visited Mrs. McLarty, mother of Mrs. Colbert and Mr. McLarty, returning to this city Sunday.

Mr. and Mrs. W. W. Brown recently received a letter from their son, Wilburn George Brown, from "somewhere in England" that he liked England; had plenty of good food, and that the country was very modern, just as modern as at home. He also said that the American young folks were teaching the English young people how to dance the "Jitterbug," much to the disgust of some of the older Britishers. He also reported that he had seen some beautiful sights, and a lot of things he would like to tell them about, but could not.

Lloyd Shroeder, who enlisted in the Air Corps October 6, and is stationed at Love Field, Dallas, was promoted to Staff Sergeant the following day.

Sgt. and Mrs. Shroeder left Dallas Friday for the bedside of his mother, Mrs. Paul Shroeder, at Sugarland, Texas. Mrs. Shroeder, Sr., has been in poor health for some time suffering from Diabetes and Brights Disease, and Thursday last suffered a paralytic stroke, while at the home of a daughter at Sugarland. Her home is at Seely, Texas.

Mrs. Lloyd Shroeder was formerly Miss Ruth Wells.

Principal Elmer Moore Given Leave Of Absence For War

Elmer Moore, High School Principal of the Littlefield school, who recently enlisted in the Engineering Corps, left this city Saturday for Belmont, Ariz., where he is now stationed.

Mr. Moore was given a leave of absence by the Littlefield School Board, "for the duration and six months thereafter," with the privilege of returning to the faculty after the war.

Mrs. Moore and children left Monday for Olton, where they will spend some time with her parents, and hope to join Mr. Moore in the near future.

Would Not Trade One Farm In Lamb For All N. Ireland

"I would not trade one farm in Lamb County for all of N. Ireland" writes Pfc. R. P. Wilson of the Medical Detachment from somewhere in North Ireland.

Here is one soldier at least who is sold on his home County, and will make for Good Old West Texas

when the war is over.

Pfc. Wilson, in a letter dated October 1, but which only reached this office Thursday last, said: "Lamb Co. Leader and Staff Dear Friends,

"Before retiring to bed for the night I would like to thank you for sending the paper to me here in N. Ireland, for a soldier who is far away from home does appreciate the news of his home town, the letters

are very nice but they don't contain the news like the papers do. "This country is very beautiful but I would not trade one farm of Lamb Co. for all of N. Ireland."

RESIGNS POSITION WITH LOCAL SCHOOL

Miss Carrie Ivie, who has been teaching music in the intermediate grades of the local school for over

three years, tendered her resignation last week, as she planned to and move to Lubbock to her home.

Miss Ivie came to Littlefield, Amherst, where she had the Amherst schools for years.

Uncle Sam Needs Your

Before the Snow Flies

We've all heard a lot lately about the need for scrap metal. Probably you've already done something about it. But every one of us has got to do more. *Much* more. AND DO IT QUICK!

Here's Why

This war is swallowing steel like a quicksand. We need scrap metal to make steel . . . steel for *more* tanks . . . *more* planes . . . *more* ships . . . *more* guns . . . and *more* shells. It's our job to supply our boys and allies with all these things they *must* have to smash the Axis on land, at sea, and in the air.

Scrap Is Precious

Steel for tanks, planes, ships, etc., is made by melting old scrap metal with pig iron—about half and half. The pig iron is made from iron ore that comes from mines. But that precious scrap—THAT'S got to come from us folks here on the Home Front.

What Is Scrap?

Scrap is ANY old thing, made out of iron or steel, that we don't absolutely need. It is anything from a hairpin to a busted steam boiler . . . from a paper weight to a cracked rail. It is old machinery, pipe, tools, flat-irons, auto parts, screws, nuts, bolts, bathtubs, lawnmowers, stoves, tanks, metal barrels, iron fences—and what have you.

Where Is It?

This old scrap is everywhere. It is in cellars, attics, closets, alleys, auto graveyards, fields, garages, barns, and factories. We've all got SOME, be it little or much. A typical town family is said to have about 70 pounds lying about; a farm family, nearly 750 pounds. In ten months after Pearl Harbor the Santa Fe scraped together 210,716,000 pounds of scrap. A pound here, a ton there. That's how it mounts up.

Scrap Means Steel...Steel Means Victory Sell It or Give It...But Get It In

Steel is the only language those bandits in Tokyo and Berlin understand. Let's give them plenty of talk . . . *in their language.* Every county, city, and town is having a scrap drive. Watch your local newspapers on how to get in it. Sell what you have, or give it away—but *get it in!* And now's the time, before snow flies! Your scrap can save American lives and help shorten this war. Every pound *you* turn in helps.

With South Plains Men In U. S. Service

Bob Armstrong, who is connected with the supplies branch of the Corps, stationed at Blythe, California, arrived in Littlefield Saturday morning on a few days' leave. He visited in the home of his mother, Mrs. T. E. Howard, of Littlefield, and also visited friends in Littlefield. Sgt. Armstrong was reported to be transferred to California. He left Littlefield Wednesday for California.

Abb Turner, brother and sisters of Mrs. F. E. Melton, have returned to their home in San Francisco, California, after visiting relatives here for two weeks.

D. F. James, who has been away working in Portland, Ore., and Clatskanie, Ore., arrived home Saturday to visit his family and parents a few days.

The Cottage Prayer Meeting was held at the S. Tucker home Friday night. Only 15 were present due to so many people pulling cotton bolls. The meeting will be held at the J. W. Garrett home this Friday night. Everyone is invited.

Mr. and Mrs. Scott Gee left Wednesday for their home in Los Angeles, Calif. They visited their sis-

ter, Mrs. F. E. Melton, and other relatives for 10 days.

Mrs. Ernest Case and children are visiting her sister in Fort Worth this week.

Mrs. Bettie Sanderson visited in the J. D. Dyer home Sunday.

Mr. Petree and family, who sold their home here, are moving to their farm five miles west of Enochs today (Thursday). They will be missed by their friends and neighbors.

Jesse J. Smith returned to Camp Bowie after a five days' visit with his parents, Mr. and Mrs. J. L. Spurling, and sister, Mrs. Rex Smith, and brother, Noland Smith.

Mrs. Joe Watson, who formerly lived here but who has been making her home in California, has been ill and returned here to the home of her parents, then moved to the home of a sister at Lubbock. At present she is much improved.

Mrs. W. H. McCarty is visiting her sister, Mrs. Foster Melton, and other relatives and friends. Her home is at Carlsbad, N. M.

Mrs. Gus Gundlach and son, Billie, arrived home Sunday after spending a week at Amarillo visiting Mr. Gundlach.

Mrs. Willie Snow of El Reno, Oklahoma, is here visiting her sister, Mrs. Foster Melton, and her parents, Mr. and Mrs. Gee, and other relatives.

Pvt. Robert C. Todd left Tuesday evening to go back to Rice, Calif., after a 12 day furlough, which he spent here with his wife and son.

Mrs. J. P. Lowe and son, John, have returned home after visiting her daughter, Mrs. E. L. Price, last week. Their home is in Forrest, New Mexico.

Malcolm (Doodle) Lee and (Kid) Richard are leaving Thursday for Fort Sill, Okla., for the training camp.

Pvt. Harold Rice, stationed at a camp in California, is visiting his parents, Mr. and Mrs. Coy Rice.

REUNION HELD
A reunion was held Sunday in the home of Mr. and Mrs. Sherman

Wilson in honor of Pvt. Robert C. Todd, brother of Mrs. Wilson. Pvt. Todd, who is stationed at Rice, California, was home on a 12 day furlough.

Those attending the affair were: his wife and son, Claudie Ray; his mother, Mrs. D. S. Todd; his brothers, Donald C. and Jimmie, and a sister, Bertha Mae, all of O'Donnell, Texas. Other relatives and friends present were: Mr. and Mrs. Peyton Perkins and daughter of Brownfield; Mr. and Mrs. Cletus Cox and son of Lamesa; Mrs. Carlene Ellis of O'Donnell, Texas.

His father and other brothers and sisters were unable to attend.

Brother Of Local Man Injured In S. Pacific

Pfc. Jerry Hoover, 18, of the U. S. Marines, brother of Houston Hoover, local postal clerk, recently wrote his parents, Mr. and Mrs. O. H. Hoover at Post that he had been confined to a Naval hospital the

past six weeks.

He reported that he was in San Francisco now, and that he was all right, but would remain in the hospital several weeks yet. He had been somewhere in the South Pacific since January. He enlisted in the marines in June 1941.

Mr. Hoover reported to the Leader Tuesday that he nor his parents knew when Pfc. Hoover was injured nor where he was at that time.

All America Knows
Budweiser...
but Few Know This

THE STORY OF BREAD

may well be called **The Story of Civilization**

Bread, the most venerable of prepared foods, has helped man, and man in turn has bettered the quality of his staff of life.

YEAST is the life of bread... and the story of yeast is the story of scientific research, uniform quality, mammoth production, modern refrigeration... and daily delivery to bakers in every city, town and village throughout the land... even by boat, by sled and by plane when other transportation is interrupted by floods and blizzards.

Anheuser-Busch is one of America's biggest sources of baker's yeast.

Year after year, we have striven with research and resources to better the methods and facilities for brewing Budweiser. To do this, a laboratory specializing in fermentation and nutrition was necessary. Discoveries made in the laboratory and in the plant have led to the development of products contributing to human necessity and progress. Some of these products would appear to have only a remote relationship to brewing, yet, they are the result of scientific research into many allied fields.

Endless research in making the world's leading beer has led to other products

VITAMINS, B COMPLEX—For manufacturers of pharmaceutical and food products. Our plant is one of the world's largest sources.

VITAMIN D—Anheuser-Busch produces enough of the basic material for Vitamin D to supply the entire American market.

CORN SYRUP—many millions of pounds annually for America's candy industry.

SYRUPS—for food, table and confectionery uses and special syrups for medicinal purposes.

STARCH—for food, textile, paper and other industries—millions of pounds annually.

VITAMINS FOR LIVESTOCK—We are America's biggest supplier of yeast vitamins used to fortify animal feeds.

REFRIGERATING EQUIPMENT—for retailers of frozen foods and ice cream the country over. This division is now working all-out on glider wing and fuselage assemblies for our Armed Forces.

DIESEL ENGINES—Adolphus Busch, founder of Anheuser-Busch, acquired the first rights to manufacture this revolutionary engine in America and thus started our great Diesel industry on its way.

VOTERS TO DECIDE ON FIVE CONSTITUTIONAL AMENDMENTS

When Texas voters go to the polls next Tuesday, November 3 their ballot on five constitutional amendments will lift the general election above the familiar rubber-stamping of Democratic nominees.

At least one of the proposed amendments has aroused some controversy in the state. As summarized on the ballot, this amendment would require "appropriation bills passed by the legislature to be presented to and certified by the comptroller of public accounts as to available funds for payment thereof, limiting appropriations to the total of such available funds, providing the issuance of bonds to pay off state obligations outstanding Sept. 1, 1943, and fixing the duties of the legislature and the comptroller of public accounts with reference thereto."

The amendments, as they appear on the ballot:

For (or against):
"The constitutional amendment authorizing the legislature to pay for building constructed for John Tarleton Agricultural college."

For (or against):
"The constitutional amendment permitting the accounting officers of this state to draw and pay warrants for salaries to officers of the United States Army or Navy who are assigned to duties in state institutions of higher education."

For (or against):
"The amendment to the constitution, providing that the legislature may in certain counties create other courts having either exclusive jurisdiction or current jurisdiction with the county court in civil, criminal or probate matters."

For (or against):
"The amendment to the constitution of the State of Texas authorizing the investment of not more than two million dollars (\$2,000,000), of the permanent school fund in bonds of the State of Texas to be issued for the construction of a state office building or buildings and providing for the repayment of the said sum of money to the permanent school fund."

Listed in this place among the amendments on the ballot is the one relating to appropriations, the substance of which has been given.

National 4-H Achievement Week November 7-14

More than 38,000 Texas 4-H club girls will lay the results of their year's work on the line for inspection during National 4-H Achievement Week, November 7 to 14.

Their aims, says Onah Jacks, state girls' club agent for the A. and M. College Extension Service, was expressed in the Victory Demonstration's pledge, and 25,000 of them tried to live by it.

According to Miss Jacks, the major effort of Texas 4-H Club girls was production of food. They took greater interest in controlling garden insects and as a consequence increased food production in some places by 25 per cent without corresponding outlay for land, seed and water. A total of 1,782,856 quarts of food were put up by 4-H Club girls through September. In some counties they used a type of neighborhood leader plan of their own for helping all of the people of a community in economical production of food.

More than 24,000 club members did field work during the year. They drove tractors, plowed and planted with teams, hauled cotton, grain, fruit, vegetables and other crops to market, and worked in dairies. Nearly 5,000 cared for and repaired farm machinery. Many assumed more house work, care for gardens, chickens and cows to enable older members of families more time for work in the fields. About 29,000 girls took the responsibility for the care and repair of home equipment, clothing and house furnishings.

In scrap collecting Texas club girls turned in 7,913,274 pounds of metal; 1,189,612 pounds of paper, burlap and rags; 1,036,580 pounds of rubber; and bought \$197,193 worth of war bonds and stamps. About 4,500 took first aid and home nursing courses, and more than 13,000 are cooperating in some type of war or defense work.

Churches

FIRST BAPTIST CHURCH
Roy Shahan, Pastor

Did you attend religious services anywhere last Sunday? If not, why not? Littlefield has many Christian Denominations where worship services are held each Lord's Day. A welcome awaits you at any and all of these places. There is no place where we can go that will help as much as to the place of worship. There is no place that will yield as much return on the investment of time, talent, and material possessions as that invested in the Lord's work in building His Kingdom.

To those who are not in attendance elsewhere, we give you a hearty invitation to worship with us each Lord's Day. Prayer service and Bible study each Wednesday, 8:30 p. m.

CHURCH OF CHRIST
Littlefield Drive

You are cordially invited to attend these services:

Bible classes Sunday 9:55 a. m. Preaching 10:50 a. m. Lord's Supper 11:50 a. m. Young People's class 7 p. m. Preaching 7:45 p. m. Communion 8:40 p. m. Ladies Bible class Monday 4 p. m. Wednesday Bible class 8:15 p. m. The sermon topic for Sunday morning will be: "We are verily guilty concerning our brother." The evening topic will be "Divine Emotions."

SALVATION ARMY
Captain Olvy Sheppard
Commanding Officer

Thursday: 8 p. m. Holiness meeting, speaker Patrick Flanigan. Subject, "Power and its Source." Text: Micah 3:8.

Saturday: 1:30 p. m. Boy's Club meeting. 7:30 Open air meeting, Speaker, Cadet Patrick Flanigan. Text: Proverbs 14:2-11. 8 p. m. Praise meeting.

Sunday: 9:45 a. m. Sunday school. 11 a. m. Holiness meeting. Speaker, Captain Sheppard. Subject, "Two Who Saw Jesus." Text: Mark 16:12-13. 6:45 p. m. Young People's meeting. Leader, Edith Jackson. 7:30 p. m. Open air meeting. Speaker, Captain Sheppard. Text: Luke 18:29. 8 p. m. Salvation meeting. Speaker, Cadet Patrick Flanigan. Subject, "Believing Is Work." Text: John 6:29.

EMMANUEL LUTHERAN CHURCH
E. H. Riess, Pastor

Sunday school and Bible classes meet next Sunday at 11 a. m. A service with Holy Communion will be held at 11:45 a. m. The public is cordially invited.

Announcements for Holy Communion will be made on Saturday afternoon and evening, from 1 to 9 p. m. at the parsonage.

The Junior and Senior choirs meet every Friday night at 8:30 and 9:15 p. m. respectively.

The Lutheran Hour broadcast may be heard every Sunday afternoon over KFDA, Amarillo, at 3 p. m.

R. L. King Named Supt. Methodist Church School

R. L. King, instructor of Vocational Agriculture in the Littlefield High School, was elected Superintendent of the Methodist Church School last week, and assumed his new duties Sunday.

Mr. King entered his second year with the local school, coming here from Quitaque, Texas, where he had been an official in the Methodist Church, and served as Superintendent of the Methodist Sunday school.

Baptist Workers Conference Meets At Mueshoe Tuesday

The Workers Conference of West Plains Baptist Association met with the First Baptist Church of Mueshoe Tuesday. The theme of the meeting was "Victory." The themes discussed were "Victory Through Prayer—Faith—Giving—Works."

Two visiting pastors brought the principal messages. Rev. Weaver Lovelace, pastor at Morton, Texas,

brought the message at the 11 o'clock hour. Rev. J. T. Barbee, pastor of First Baptist Church, Clovis, brought the closing message.

The ladies of the Mueshoe Church served lunch at the noon hour. Thirteen of the 20 Churches sent representatives to this meeting.

New pastors in the association are Rev. B. P. Harrison, Amherst; Rev. M. M. Shaw, Mueshoe; Rev. A. F. Agee, Longview; Rev. E. S. Weathers, Rocky Ford; Rev. Alfred Richards, Maple Wilson.

The next monthly meeting will be held at Amherst on Tuesday, November 24.

Those attending from Littlefield Baptist Church were: Mrs. Verna, Mrs. E. Mueller, Mrs. V. F. Rev. W. J. Jackson, W. E. Rev. E. A. Martinez, Rev. Roy han.

Are you entitled to wear "target" lapel buttons? Are if you are investing at least ten percent of your income in War Bonds every day. It's your badge of patriotism.

UNDER NEW MANAGEMENT . . .

We have leased the equipment and furnishings of the Batton Hotel, and will assume the management November 1st.

Our desire is to serve our patrons and friends in the same efficient manner as Mr. and Mrs. R. W. Sherley, former managers.

The Batton Hotel is truly a "Home Away From Home."

larly increase their cash income from other crops by group action in preparing their products for market and in completing the actual marketing job," French explained.

As an indication of the effectiveness of cooperation between growers and distributors, French said economies worked out through group marketing programs were one important factor helping to boost cash returns to Texas growers and shippers 43 per cent to \$6,534,922 last year compared to \$4,582,528 in 1940 on fresh fruits and vegetables sold through the Atlantic Commission Company.

With wartime food supply conditions emphasizing the need for shortening commercial distances between growers and consumers, group marketing programs can aid not only the "Food-for-Freedom" program but also provide a vitally important key to post-war farm prosperity, French declared.

He pointed out that the groundwork for building these programs is already well prepared in Texas, which "group-markets" citrus fruits as well as other fruits and vegetables and livestock, grain, rice, wool and mohair.

WORKERS SHOULD HAVE SOCIAL SECURITY CARDS

In this part of the State there are a great many men and women who spend most of their time working on farms or in domestic service, except for the summer months, when they find employment covered by the Social Security Law, as was stated today by John D. Palmer, manager of the Lubbock field office of the Social Security Board.

Each of these workers should have a social security account number card, Palmer said, because wages earned in such jobs are credited to an account maintained under this social security account number. Upon their death before age 65 or retirement after age 65, they or their survivors may qualify for an old-age and survivors insurance benefit.

Many of these people, Palmer stated, do not believe that this short period of employment from one to three months, could affect their entitlement to an old-age insurance benefit. However, it is just this type of employment that might fulfill their requirements for entitlement at some future date.

Each wage earner, Palmer stated, should have one and only one social security account number, which he should keep at all times.

The office of the Social Security Board located at 1311 Texas Avenue, Lubbock, will furnish a social security account number card to anyone who applies for such a number.

NOV. 1 DEADLINE FOR ARMY AIR FORCES

Nov. 1 is the deadline for men who want to get in under the wire on the Army Air Forces' technical procurement program, Lieut. Warren C. Freeman, South Plains Army Flying School technical procurement officer, has announced.

After Nov. 1 all men entering the air forces probably will be assigned through the regular channels of the selective service system, he said.

Winter Cover Crop Set For Year 1943

Soil-power through winter cover crops is offered Texas farmers under next year's AAA program.

Developed extensively during the last three years, winter cover crops have helped farmers obtain higher yields per acre and this year will replace nitrate fertilizers which have been cut off by the war, B. F. Vance, Administrative Officer of the AAA in Texas, has announced.

The seeds, included in the purchase program, will be handled through joint action of the Commodity Credit Corporation and the Agricultural Adjustment Agency. After the seeds have been transferred to the AAA, county committees will offer them to cooperating farmers and costs later will be deducted from AAA payments.

Varieties of seeds which will be offered and minimum prices, include: Austrian winter peas, 5c per pound; crimson clover, 10c; ryegrass, 5c; rough peavine, 10c and perennial peavine, 10c. Also included are hairy, Willamette, common and Monantha vetch at 10c; 6.5c; 5c and 6.5c per pound, respectively.

Explaining cover crops as a valuable source of nitrogen, Vance pointed out that an estimated 25 pounds of seed will produce enough crops to replace 300 pounds of nitrate of soda, which in turn, contains enough chemical nitrogen to make six 100-pound bombs.

"We need all the soil-power we can get to stay in the production game and winter cover crops will help to do it," the AAA official said.

MORE MILEAGE FOR YOUR TIRES

Hickey's Rubber Rejuvenator

We have just installed NEW EQUIPMENT in our shop, and we believe we can render a More Complete Tire Repairing Service. We appreciate the nice volume of business we have enjoyed in the past, and we hope to continue to serve you.

HERE'S HOW THE RUBBER REJUVENATOR WORKS

- Rejuvenates the rubber; acts as a tonic to the fabric, giving it longer life and greater wear.
- Builds up the side walls, refreshing the entire tire, adding eighty per cent to the life of the tire.
- Puts back that resiliency that's so necessary to tires, especially those that have been in use for some time.
- Prevents unused tires from deteriorating as they do when not in use.
- Strengthens the foundation to hold recapping and retreading jobs.
- Helps to prevent blow-outs by giving strength to fabric.
- Adds at least 5,000 miles to a smooth-faced tire.
- Adds at least 10,000 miles to a tire with any tread showing.
- Adds at least 20,000 miles to a tire with all tread showing.
- Keeps that resiliency in new tires much longer before showing wear.
- Adds additional mileage even when tire is worn down to where cord is visible.
- Prolongs the life of any tire with any service rubber left.

Air Raid Warden of the Southwest

Civilian defense is not new to the Indians of the Southwest. As a protection against hostile attacks of warring tribes and later the Spanish Conquistadores, a system of defense has been part of their communal life for more than five hundred years. Standing atop his Hogan, this young Navajo brave assumes the role of "air raid warden of the Southwest" to demonstrate how the centuries-old organization of his forefathers will function again in case of an enemy bombing.

Navy Day Program To Be Held Today

Navy Day will be observed at the regular luncheon meeting of the Rotarians and members of the Lions Club today (Thursday).

Collier Parris, former sports editor of the Avalanche-Journal, now Naval Recruiting Officer at Lubbock, is expected to attend the luncheon today, as guest speaker, and is expected to bring with him one or more Naval officers, to assist in the program.

Members of the Lions Club were in charge of the program last Thursday. Ernest Cundiff presented some information on results of a governmental survey on prospective business conditions after the war, including demand for various manufactured articles that are now curtailed.

Lieut. J. E. Chisholm, here on leave, gave a talk on his experiences at Army Officers Candidate school and Army life.

Santa Fe Collects Scrap

Santa Fe Railway deserves for its efforts to support the newspaper scrap iron and campaign with its current and advertisement urging all to

get this needed scrap into proper hands "before the snow flies." The Railway has been keenly alive to the nation's need for this metal since Pearl Harbor. In fact, since the Harbor horror the Santa Fe has collected 210,716,000 pounds of the now precious metal for conversion into essential war materials. That is a huge heap for any scrap but it is the kind that will beat the Jap and our other foes. It was col-

lected from right-of-way, round-houses, shops, offices and all company properties. With its own job well in hand the Santa Fe now turns to aiding the nationwide newspaper campaign to dig up every bit of scrap possible to help our Nation and our fighting men. As a member of the newspaper fraternity of the United States, sponsoring this patriotic campaign, we welcome the Santa Fe's help in spurring collection of vital metals, and with the Santa Fe, urge all—to get in the scrap "before the snow flies."

Batton Hotel To Be Under New Management Nov. 1

Mr. and Mrs. J. I. Carrell this week are announcing the leasing of the equipment and furnishings of the Batton Hotel, and will assume the management November 1. Mr. and Mrs. R. W. Sherley, who have been operating the hotel the past several months, are moving to Abilene where Mr. Sherley is employed in defense work, for the duration of the war. The new managers of the hotel have been residents of Littlefield the past 23 years, and the past several months Mrs. Carrell has been operating the Batton Hotel Dining Room.

SON BORN TO SGT. AND MRS. TERRELL

A son was born to Sgt. and Mrs. H. B. Terrell at the Queen City Infirmary, Tullahoma, Tenn., Thursday, October 8, according to a letter received Monday from Mrs. Terrell, who was formerly Miss Jean James. Mrs. Terrell's mother, Mrs. D. J. James, and her sister, Christine, are visiting Mrs. Terrell. Sgt. Terrell is stationed at Camp Forrest, Tenn., to which place he was transferred from Fort Sill, Oklahoma. The baby weighed 7 1-4 pounds at birth, and has been named "James Herman."

INJURES LEFT HAND IN GIN SAW MONDAY

Billy Hamilton, 20, of Goodland was unfortunate enough to suffer severe injury Monday night, when working in a gin in that district. He got his left hand caught in a saw. Mr. Hamilton was taken to the Payne-Shotwell Hospital here, where it was necessary to amputate his thumb, forefinger and half of his middle finger. He is still confined to the hospital, but getting along nicely.

Ginnings Total 1,037 Bales At Whitharral Co-Op Gin

Earl Chester, manager of the Farmer's Co-Op Gin at Whitharral, reported Tuesday morning that the total ginnings to that time were 1,037 bales. He stated that the gin was running day and night, and the farmers in that vicinity were fast gathering the crop during the pretty weather.

COCHRAN COUNTY GINS 3000 BALES

Eight gins in Cochran county are reported to have turned out about 3,000 bales of 1942 cotton. The three gins in Morton ginned 546 bales during last week, bringing in to 1,546 bales the total for the three this season. The staple is coming in more rapidly now every day, ginner say.

Lum's Chapel H. D. Club Meets In Edgar Purvis Home Thurs.

Mrs. Edgar Purvis and Mrs. Percy Carter were joint hostesses to the Lum's Chapel H. D. Club which met Thursday, October 22, with Mrs. Edgar Purvis. The club opened with the members answering roll call with "What I enjoyed most in the club this year," and also repeating the club creed. The first program of the day was on "hand made rugs" in which Miss McCurdy gave an interesting demonstration on hook, tied, and croquette rugs. The second demonstration was on "Living Room Achievement," and Mrs. Purvis gave a discussion of what she had accomplished in making over her living room. In this she demonstrated her couch and chair which she had recovered to match in a plain color. Also an odd chair was done over in a flowered material and her drapes were also of a printed flowered material. She had repapered, using a plain design to go with her new plain colored rug, thus making over the entire living room. After this the club re-elected their officers for the following year. Delicious refreshments were then served to the following members: Mesdames J. V. Tynes, V. B. Pierce, Hershel Barker, O. L. Bais-

Mr. and Mrs. W. H. Kennedy Honored At Farewell Party

Mr. and Mrs. W. H. Kennedy of Muleshoe were honor guests at a farewell party in Progress School auditorium Tuesday evening, which was sponsored by the P.T.A. and Home Demonstration Clubs. A large number were present to honor these outstanding citizens. Mrs. Kennedy is an honorary

member of Delta Kappa Gamma, and prominent in Home Demonstration, and other club work. Mr. Kennedy is prominent in civic matters, and is President of REA in Texas. He is also President of Progress School Board. This couple was presented with a beautiful gift. Among those in attendance Tuesday evening were Mrs. H. W. Wiseman and Mrs. Jack Johnson, both of Littlefield, who are members of the Progress School Faculty.

Local Teachers To Attend Hallowe'en Banquet At Plainview

A number of local teachers are expecting to attend the Hallowe'en party and banquet, which is being given Hallowe'en night by the Gamma Iota Chapter of the Delta Kappa

Gamma, a National Honorary Society for teachers, at the Hilton Hotel, Plainview. The first initiation of the year will be staged. Among the teachers planning to attend from Littlefield are Mrs. H. W. Wiseman, Miss Addie Spikes, and Miss Teague, and Mrs. Slate from Sudan.

ATTENDS CLINIC IN AMARILLO SUNDAY

Dr. Ira Woods and Dr. B. W. Armistead attended a short optometric clinic conducted by Dr. Ralph Barstow of Los Angeles in Amarillo Sunday. The clinic was on "Rehabilitating the color blind."

ATTENTION SOYBEAN PRODUCERS

West Texas Cottonoil Co. at Littlefield has entered into a contract with the Commodity Credit Corporation to process soy beans; and in a short time (as soon as grading facilities can be obtained) will buy soy beans at support prices.

Soy beans must be sacked by the producer. New sacks, if needed, may be bought at actual cost from the oil mill who, in turn will buy them back at O. P. A. ceiling prices.

Each producer should immediately confer with his County Committeeman about the number of bags needed, based on about 100 lbs. per bag.

Mike Brewer And 'Bug' Yeager Honored At Parties Last Week

Mike Brewer, Jr., and O. D. (Bug) Yeager, Jr., were honored with two "42" parties last week. Mr. Yeager reported to Lubbock Friday for assignment for cadet training in the Army Air Corps, and Mr. Brewer left today (Thursday) for the U. S. Army.

Mr. and Mrs. Houk entertained Tuesday night of last week at their home on East Sixth Street. Beautiful flowers decorated the entertaining rooms, and several games of "42" were enjoyed. Refreshments were served to the following persons who attended: Mr. and Mrs. Mike Brewer, Jr., Mr. and Mrs. Bug Yeager, Mr. and Mrs. Andy Houk, Mr. and Mrs. Hank Rogers, Mrs. Otis Baker, and Miss Susie Houk, and the host and hostess, Mr. and Mrs. Max Houk. Another "42" party was staged

last Thursday night at the home of Mr. and Mrs. Hank Rogers in the College Heights Addition. Mrs. Rogers had bouquets in profusion of chrysanthemums and dahlias in the entertaining rooms. Refreshments were served after the games.

Those attending were: Mr. and Mrs. Brewer, Mr. and Mrs. Yeager, Mr. and Mrs. Raymond King, Mr. and Mrs. Hobby Heath, Mr. and Mrs. Andy Houk, Mr. and Mrs. Fred Weatherford, Mr. and Mrs. Geo. Herral, and Misses Susie Houk and Farrah Beckner, and the host and hostess, Mr. and Mrs. Rogers.

District W.M.S. Meeting Friday

The District meeting of the W.M.S. of the West Plains Baptist association met in an all-day meeting at the First Baptist Church Littlefield, Friday, opening at 10 a. m.

Thirty-seven women attended, representing Sudan, Amherst, Mulshoe, Earth and Littlefield churches.

In the absence of Mrs. Pat Boone, President, Mrs. V. S. Cassel, vice-president, presided. Mrs. W. C. Reddell brought the devotional. Mrs. E. T. Lyons, Dallas, State Secretary, W.M.U. work, gave a book on methods of W.M.U. work. Mrs. L. Lumsden of Wilson, District 9 President of W.M.U. work, assisted in the program.

The church was beautifully decorated with fall flowers for the occasion. Luncheon was served in the basement at noon, with Mrs. Acree Barton, refreshment chairman, in charge, assisted by Mrs. F. O. Boles, Mrs. Brantley Weiborn, and Mrs. Alvin Bagwell. Vases of Chrysanthemums and Dahlias made more attractive the long dining table.

Mrs. T. Wade Potter Entertains El Martis Club Women Tuesday

Mrs. T. Wade Potter was hostess to members of the El Martis Club Tuesday afternoon, at the Potter residence on East Ninth Street, when two tables of bridge were enjoyed.

The Hallowe'en motif was featured throughout the party, bowls and cases of beautiful red and yellow Chrysanthemums decorating the entertaining rooms for the occasion.

Following the games defense stamps as prizes were awarded to Mrs. Oscar Wilemon as high, and Mrs. E. S. Rowe, second.

Present were: Mesdames E. S. Rowe, Wayne Carlisle, Otha Key, Allan Hilbun, Oscar Wilemon, J. H. Barnett, L. C. Hewitt, S. J. Farquhar, and the hostess, Mrs. Potter.

Miss Tina Smith of Clovis, Miss Quilla Holderman of Portales, and Miss Merle Lynsky of Amarillo spent the week end in the home of Mr. and Mrs. Bob Smith.

Mrs. Wayne Carlisle Hostess To Members And Guests Of Club

Mrs. Wayne Carlisle was the gracious hostess to members and guests of the Thursday Bridge Club Thursday last.

Garden flowers, including dahlias, made more attractive the spacious entertaining rooms, where two tables of bridge were in play during the afternoon.

Present to enjoy the hospitality of Mrs. Carlisle were: Mesdames E. S. Rowe, S. J. Farquhar, M. M. Brittain, T. Wade Potter, J. M. Stokes, Clyde Hilbun, Allen Hilbun, and L. L. Collins, to whom a salad plate was passed following the games.

Engagement And Approaching Marriage Of Miss Ivie And H. Reid Announced

Announcement was made last Thursday night of the engagement and approaching marriage of Miss Carrie Ivie and Howard Reid, after the regular meeting of the Junior Study Club and a rummy party at the home of Miss Ivie on West Second Street.

Miss Ivie and Miss Sybil Wiginton were hostesses to members of the Study Club and several guests. Miss Daphne Wren reviewed the book, "Rebecca," by Daphne du Maurier, before the group enjoyed several games of rummy and dominos.

On the refreshment plate, served by the hostesses and Miss Ivie's mother, Mrs. M. L. Ivie, were clever announcements, on which they "let the cat out of the bag," as a cat crawling out of a bag was designed on the cover of the announcements. Miss Ivie and Mr. Reid will be united in marriage next Sunday morning.

Those attending the party last Thursday night were: Misses Dora Jo Covington, Lois Kinchen, Lois Wren, Daphne Wren, Olene Robbins, Marion Short, Katie Stith, Clara Jarman, Eloise Hanes, Erna Douglass, Merrill Nystel, and Margaret Bandy, and Mesdames Dick Carl, Edward Betts, Audie Collins, Addie Spikes, and M. L. Ivie, and the hostesses, Miss Ivie and Miss Wiginton.

Ceremony To Be Read Sunday

The marriage of Miss Carrie Ivie and Howard Reid will be solemnized at 9 o'clock Sunday morning, November 1, at the home of the bride's mother, Mrs. M. L. Ivie, 503 West Second Street. Rev. Roy Shahan, Baptist minister, will officiate with the single ring ceremony.

Relatives and close friends will attend.

The bride will be attired in a blue dress with black accessories. For "something old" she will wear her mother's wedding ring. She is a graduate of West Texas State College, Canyon, and has completed several hours post graduate work at Texas Technological College, Lubbock. For the past three years she has taught music in the elementary school here, and prior to that time she taught in the Amherst schools. She has been active in church, civic and club affairs here, and is a very popular and charming young lady.

Mr. Reid, who is a son of Mr. and Mrs. M. P. Reid, long-time residents of Littlefield, attended school here, and for several years was associated with oil companies in Littlefield. For the past several months he has been employed at the Lubbock Army Flying School, and the couple will make their home in Lubbock.

Shower Monday Night Honors Bride-Elect

Miss Ivie was honored Monday night when Mrs. Addie L. Spikes and Miss Sybil Wiginton entertained with a linen shower at the home of Mrs. Spikes.

Beautiful Chrysanthemums decorated the entertaining rooms. After several games of rummy were enjoyed, Miss Ivie was declared winner, and a lovely array of gifts were presented to her.

Refreshments were served to the following who attended: the honoree, Miss Ivie, her mother, Mrs. M. L. Ivie, and Mesdames B. B. Ivie, Dick Carl, Edward Betts, and Audie Collins, and Misses Farrah Beckner, Clara Jarman, Katie Stith, and Daphne Wren, and the hostesses, Miss Wiginton and Mrs. Spikes.

A number of gifts were sent by persons who were unable to attend the shower.

Faithful Workers Class Guests Of Mrs. J. R. Coen

Members of the Faithful Workers Class of the First Baptist Church Sunday school were guests of Mrs. J. R. Coen at the Coen residence on East Eighth Street Thursday, at the group's regular monthly luncheon.

The Coen residence was beautiful with bowls and vases of varied colored garden flowers.

Present were: Mesdames R. T. Badger, George Vaught, Viggo Peterson, Homer Sewell, C. O. Griffin, R. L. Byers, Acree Barton, Floyd Coffman, John Price, H. R. Shelby, Andrew McGehee, V. S. Cassel, and Rev. and Mrs. Roy Shahan, and a visitor, Mrs. Andrew Peterson of Gothenburg, Nebr.

Miss Lee Henegar And Sgt. John T. Burton Wed Friday Evening

Miss Lee Henegar, popular Littlefield girl, became the bride of Sgt. John T. Burton at Lubbock Friday.

The beautiful ring ceremony was read by Rev. H. I. Robinson, First Methodist pastor, at the parsonage, at 10:30 o'clock p. m.

The bride is the daughter of Mrs. W. W. Henegar of this city. She is a graduate of the Levelland High school with the 1937 class; and for the past several months has been employed by the Garlington-Renfro Grocery.

The bride wore a black suit and white blouse, with black accessories, and her corsage was of white gardenias. For something old she wore a locket belonging to Mrs. G. G. Pratt, and for something borrowed she wore a gold bracelet, belonging to Miss Doris Parker.

Mr. and Mrs. G. G. Pratt of Lubbock attended the couple. Mrs. Pratt a sister of the groom, wore a navy dress with brown accessories.

Sgt. Burton is a son of Mr. and Mrs. John T. Burton, Sr., of Big Spring, Texas. He is stationed at Fort Sam Houston, but expects a transfer to another camp.

Mrs. Burton plans to join her husband soon.

Elected One Of 3 Representatives To College Assembly

Miss Evelyn Griffin, daughter of Mr. and Mrs. C. O. Griffin, has recently been elected one of the three junior representatives to the legislative assembly at Mary Hardin-Baylor College, Belton.

Local Youth To Take Part In Campus Stage Production

J. W. Taylor of Littlefield, a freshman of West Texas State College, Canyon, will have a part in the first campus stage production of this term on October 30 and 31.

The play, "Ghost Wanted," will be directed by Dr. Seth Fessenden, head of the department of speech. On the second night of the play, the performance will end at midnight in connection with a full evening.

Mrs. Dodgen Is Worthy Matron of the local Chapter and Mrs. Boone is fraternal correspondent of Grand Chapter of Texas, and gave her report in pageant form Wednesday.

Mrs. Stephens of Amherst, principal of the school at Amherst, and member of the local chapter, also planned to attend Grand Chapter. She had been visiting her husband at Ellington Field, near Houston, and joined Mrs. Dodgen at the Rice Hotel, Houston, where they made their headquarters during the meeting.

Bula H. D. Club Meets With Mrs. Ernest Locker

The Bula Home Demonstration Club met with Mrs. Ernest Locker October 9. The new officers were elected for the coming year. The club is having a "pie supper, box supper and cake walk" at the Bula school October 24.

The club had a "pie supper, They also had a Food and Products Show and exhibits.

DOOF!

Pvt. Bobby McCaskill Greets Our 'First Lady'

West Texans are not bashful in London, England!

A cheery greeting was extended Mrs. Franklin D. Roosevelt, who has become "Eleanor" to American soldiers in England, after her arrival in London Friday, and among those who spoke to our "First Lady" was Pvt. Robert E. McCaskill, Jr., better known as Bobby McCaskill, of the Army Air Corps, who has been stationed in London since last March, according to a news commentator on the radio Sunday afternoon.

Several local citizens heard the news broadcast, and were especially interested in the report about Pvt. McCaskill, who formerly lived here. His parents now reside at Grand Prairie, and his brother, Sam Edd McCaskill, recently returned from England, after being associated with the civilian technical corps there the past year. Sam Edd visited friends here last week.

Mrs. Roosevelt flew to England, accompanied by her secretary, Miss Malvina Thompson, and Mrs. Oveta Culp Hobby, director of the WAAC. Mrs. Roosevelt is the guest of Britain's king and queen, and she expects to stay two or three weeks and inspect every phase of the British war effort she can in that limited time.

She revealed Sunday that the American troops had confided to

her the two things they want most—thicker socks and more letters from home.

It was reported by the news commentator Sunday afternoon that Pvt. McCaskill shook hands with Mrs. Roosevelt in the West Texas manner, and in that West Texas drawl, asked, "How are you, and how is your husband?"

In a lengthy explanation, she was reported to have told Pvt. McCaskill and other soldiers that she was fine and that the President was "holding up remarkably well in these trying times."

"In fact," she continued, "three of Mr. Roosevelt's secretaries have suffered nervous collapses, while he is still going strong!"

In a cafeteria in London Sunday Mrs. Roosevelt addressed the crowd. "I am anxious to see men of every phase of the service, so I can tell the people at home some of the details of your life which you may forget to mention in your letters," she said.

The last words of her informal talk were, "God bless you, wherever you go."

SUDAN SCHOOL DISMISSES

The Sudan schools were dismissed Friday for two weeks, so that school students can assist the farmers in gathering the crops in that vicinity, Joe Hutchinson, superintendent, announced.

May Select Branch Of Service In Army

Now is the time for all young men 18 and 19 years of age, to come to the aid of their country. The time for a young man to enlist in any branch of the Service he wants is drawing to a close.

Here are three things for a young man to think about—and act on—right now. (1) Your country needs you desperately. It needs men your age because you are the first-class fighting men. (2) The sooner you are in the Army, the better prepared you will be—you'll get thorough training and chances for rapid promotion. Also, men of your age may be commissioned. (3) Before you reach the age of 20, you may select any one of the 13 branches of service to serve in—any one of which will give you sound training for a future career.

Talk it over with your family, and go to any of the following Army Recruiting Stations: Amarillo, Plainview, Pampa, Big Spring, Odessa, Sweetwater, El Paso and Fort Bliss. There you may obtain information about the branches of service which interest you—then enlist immediately before it is too late.

Number Enlist From Lamb County

The following Lamb County men have volunteered and been enlisted in the Army of the United States, as Air Corps Specialists:

Bennie Lee James, Littlefield; Jo-

seph Bernard Rietman, Littlefield; Alfred Edmond Hill, Littlefield; Johnnie Robert Nixon, Anton; Gerald Cowen Jaquess, Earth; Alfred Loyd Thomas, Sudan; William Edgar Cooper, Littlefield; Robert Louis Fisher, Olton; Thomas Harrell Boyd, Anson; Joe Pat Hart, Littlefield; Ivin Lefford Wozencraft, Olton; Rueben Eddie Birkelbach, Littlefield; Floyd Travis Dyer, Littlefield; Ray Elmore Swanner, Littlefield; Maynard Tommy McKinnon, Littlefield; Roy Garland Edwards, Olton; Kenneth Edward Kelsay, Littlefield.

Farm Sale Brings Large Crowd And Excellent Prices

Col. Jack Rowan, auctioneer in charge of the D. R. McCarter sale, 6 1/2 miles northeast of Spade, which took place Monday, reports an excellent sale, stating that good prices were obtained for Mr. McCarter's stock and household furniture. A good crowd was present for the sale. Charlie Clark acted as clerk.

Hart Camp School News

EIGHTH GRADE

The eighth grade is planning to give a Halloween play about the last of this month. We have ordered the play "Where's Grandma," and expect to begin practice this week. We will give more information next week.

SEVENTH GRADE

The seventh graders are making biography books of famous men and women. Each one is taking a man or woman and writing about his life.

The girls in the ninth grade who are ahead in typing are typing them. When they all have been typed, they will be bound and made into a book, and put in the library.

THE GREAT TEACHER

Once in a while, in an introspective mood I look myself square in the face and ask the question, "Am I a good teacher?" The mirror, surprised, blinks a time or two and stares back. Recently I have been asked the same question in regard to other teachers. Before that question can accurately be answered, one must consider and weigh the characteristics of a good teacher and then look at the balance.

Educators tell us that we have had one Perfect Teacher, Christ. Then it behooves teachers and parents alike to study his life. Christ was a great teacher because of his example, knowledge, patience, discipline, etc. The same Book also gives a complete set of instructions for attaining and carrying out these characteristics. "Christ like," "the wise man," "patience of Job," "Spare the rod and spoil the child" are more than mere phrases to a good teacher.

Fellow teacher, look in your own mirror and see what every one of your students see. If you don't, you may meet yourself coming around a blind corner.

Charles R. Lawson.

DEFENSE SCHOOL

The attendance and interest has been good during the first half of our school, but you could improve it by joining us. Come on over; we need your company.

It's common sense to be thrifty. If you save you are thrifty. War Bonds help you to save and help to save America. Buy your ten percent every pay day.

Make It A Real American Christmas For The Boys Serving Our Country

Christmas has a double meaning for our boys in the armed forces this year . . . Let's don't let them forget America's most sacred holiday celebration.
