by Wendell Tooley

WORD "Prayer" the last word in the man's message to the people Tuesday as he outlined the things he would take up against Communist aggression which has been spreading all over the world.

MANY of us wait things get pretty serious before we think about it. . . believe the Lord come nearer hearing us when we do get in a jam.

PRESIDENT has a declaration of independence and he could only do this by his words with the mobilization.

## Grand Jury Returns Eight Indictments

Eight indictments were returned by a grand jury Monday morning under the direction of Judge E.A. Bills.

While the majority of the cases heard were for forgery and passing, also included was an assault with intent to murder charge and a DWI charge.

Rex Edwards was indicted by the grand jury on two counts of forgery and passing. Also charged with forgery and passing in single indictments were Opie Luther Farris, Johnnie Lewis, John Ward, and Glen Earl Langford.

Doyle Collins was indicted by the jury on an assault with intent to murder charge. Talmadge Haney Noles was indicted on a DWI allegation.

The cases are expected to be heard sometime within the next two or three weeks, according to a spokesman at the County Courthouse.

## Sugar Beet Outlook Dim, Says Mahon

Rep. George Mahon, in a letter to the Littlefield Press, painted a gloomy picture of the sugar beet situation in this area.

"There is not more than a 50-50 chance that additional hearings on sugar beet legislation will be held by the House Committee on Agriculture this year," Mahon said, adding "there seems to be no chance that a bill will actually be approved by the committee and presented to the House for action."

"This is a very disappointing situation."

Mahon went on to say that he and several interested parties from this area appeared before the Committee in May to plead for legislation that would provide West Texas with an opportunity to produce sugar beets, but to no avail.

According to the letter, Rep. Walter Rogers of the Amarillo-Pampa district introduced a resolution providing for an investigation of the sugar situation by a special committee

## Democrat Kirby Comments On Republicans

When asked for comment by a Littlefield Press Reporter about the recent Lamb County Republican Club organization, Littlefield attorney and Democrat made the following statement:

"It was a great source of pleasure to me to hear that the group of so called conservatives have finally decided to give up their Democratic ghosts and join the Republican party. This is true for several reasons:

"First; I am sick and tired of those so called Democrats running the Democratic party up to election day and then coming up with the same old hackneyed idea that conscience prohibits them from supporting the party nominee this time. They have been Republicans for a long time, and I do not

# County Conservatives Enlist In GOP Movement

NEW REPUBLICAN CLUB OFFICERS were elected at the Republican rally in Littlefield Monday night. Pictured left to right they are: Jack Barton, Chairman; Buddy Hedges, vice-chairman and Mrs. J. R. Fain, secretary-treasurer.

Approximately 100 Republicans and past Democrats met in Littlefield Monday night and organized the Lamb County Republican Club.

Jack Barton, local egg producer was elected chairman of the group. Buddy Hedges of Olton was elected vice-chairman and Mrs. J.R. Fain secretary-treasurer.

FORECAST -- Generally fair and warmer with a high temperature of 92. TEMPERATURES--Sunday high 80, low 65; Monday high 85, low 60; Tuesday high 85, low 71; Wednesday low 65 and high 77 at 11:15 a.m. MOISTURE--0 for the week, 3 inches for the month, 14.41 for this time last year.

Howard Horne, district manager of the Southwestern Public Service Co. of Littlefield opened the meeting by explaining that several conservatives had got together about a week ago and had discussed the possibilities of organizing through either the Republican or Democratic party and had decided to go with the Lamb County Republican party and actively work to organize precinct chairmen and to work within the framework of the party to secure and obtain conservative platforms and candidates in all levels from precinct to President.

A by-laws committee of Horne, Bob Manley and Hedges was also appointed by new chairman Barton. The theme of the meeting was "a declaration of independence from the socialistic principals endorsed by the Democratic party."

They discussed the possibility of forming or joining a third party, Horne said, but rejected it because "we would lose valuable time" and the Republican party has demonstrated it is "predominantly conservative."

The group's declaration also resolved that "we will resist vigorously the un-Christian philosophy that the general government is responsible for our parents, our children's education and welfare, our local economy and ourselves."

"The U.S. Constitution was based on opposition to excessive centralized government but that the Democratic party has moved farther and farther away from the constitutional principles on which this nation was founded."

The statement branded the John F. Kennedy administration as one setting "a new record of fiscal irresponsibility and centralized governmental control."

"To keep silent while the present administration continues to beguile the public by pretending to give them something for nothing would be contributing to the complete and final destruction of America," the statement continued.

## Sunnydale Reunion Set For August 6

The annual Sunnydale reunion has been set for Sunday, August 6th at the Community Center in Littlefield at 10 a.m. Basket dinner will be served at 1 o'clock.

All those who lived in the Sunnydale Community are invited, or anyone who took part in the community affairs. After lunch there will be a "Don't You Remember" program, characters from some of the old time literary programs they used to have.

There will also be a short memorial program and a business meeting for election of officers for the

coming year. Those living near enough are asked to bring a basket lunch for your family and some to spare for those who live away from here.

Officers for 1961 are Dale Pepper of Lubbock, President; Lyle Brandon, Vice-president; Mrs. Bill Cape, Secretary; and Roy (Buck) Taack of Hart, Chester Toney and Mrs. Clifford Jaquess, Planning Committee, and Mrs. Lyle Brandon, Program Chairman.

Everyone is urged to come and eat good food, see old time friends

## Rotary Governor In Littlefield Today

Littlefield Rotary Club will host to L.E. Patterson, governor of the 573rd district of Rotary International, who is making his annual official visit to each of the forty-three Rotary Clubs in northwest Texas.

Patterson will address the local club Thursday noon and confer with president Marshall Howard, secretary Calvin Price and committee chairmen on Rotary administration and service activities Wednesday night.

Patterson is an independent petroleum geologist in Midland and is a member and past president of the Midland Rotary Club. He is president of the Morrison-Smith Lumber Company of Graham, Texas, and is a director of Ciscero Smith Lumber Company. He was elected as a district governor of Rotary International for 1961-62 at Rotary's 52d annual convention in Tokyo, Japan, last May.

# Farm Bill Passage Seen As Senate Opens Debate

Senate Democratic leader Mike Mansfield of Montana says he expects the Senate to pass the rewritten omnibus farm bill without major changes or controversy.

Debate opened yesterday.

The bill was altered by the Senate Agriculture Committee, which slashed many of the controversial requests of Secretary of Agriculture Orville Freeman.

A companion measure has cleared the House Agriculture Committee and

is slated for early House action.

Sen. George Aiken, R-Vt., said, "They are enough alike so we should be able to get a conference agreement without too much bloodshed."

Both committees knocked out Freeman's key request that the secretary and representative farm groups be authorized to draft their own federal programs subject to congressional veto.

Both the Senate and House bills would authorize

an emergency wheat production for the next crop, requiring a 10 per cent reduction in planting to qualify for slightly higher government price supports.

Other common features of the bills include:

A one-year extension of the emergency corn and feed grains program now operating, under which farmers must cut acreage 20 per cent to qualify for price supports.

A three-year extension of the National Wool Act and its incentive payments

to increase domestic production.

A three-year extension and an additional \$4.5 billion authorization for the seven year old program of overseas sales gift and barter of U.S. farm surplus. Some sponsors call this the "food for peace program."

Extension of the Great Plains conservation program until 1971.

A liberalization and expansion of loans and credit under the Farmers Home

## Baseball Round-up

## All-Stars Meet Borger In Playoffs

Summer baseball for the Levelland Little Leaguers ended Saturday night and continued for Littlefield's Little League All Stars as they enter regional play in Plainview tonight.

The Littlefield all stars take on Borger at 7:30 tonight in Little League park in West Plainview.

While Littlefield plays Borger Thursday night, Pampa and Plainview all stars will be playing in another Plainview ball park at the same time.

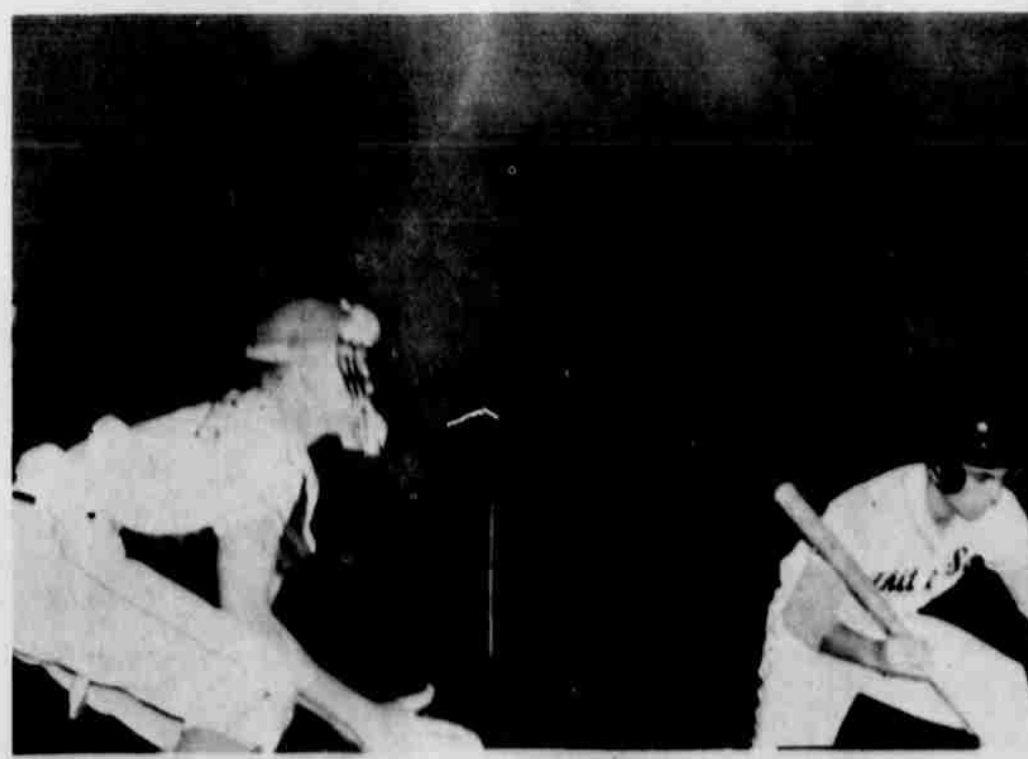

Winners of these two games will play on Friday night to determine which team advances to sectional play at Big Springs.

Littlefield's 3-2 win over Levelland Saturday night was a thriller from start to finish. As Littlefield led in the bottom of the

sixth 3-2, first batter up, pitcher Max Thoms blasted a would-be homer into center field. Center fielder Bobby Ward saved the game with a mighty leap and pulled it in for the out.

Littlefield rapped one safety in the first, a single by Bill Nowlin, before the side was retired. Levelland could do no better as Phil Pharies grounded out to third. Mike Warren singled but was later cut down on a snappy double play. Max Thoms lashed another drive to third base which was fired to second to get Warren and relayed in time to nip Thoms at the bag for final out.

Littlefield rallied for their first run in the second. (Continued on Page Six)

## Pony All Stars Advance To Pampa

With two victories over Hereford, the Littlefield Pony All Stars advance to district play against Pampa at 8:15 Friday night. The All Stars completely subdued the Hereford players with a 9-4 win on Monday night and 8-4 win Tuesday night.

Final Game

In the Tuesday night win over Hereford, Littlefield's Jerry Cox took credit as winning pitcher. He took over in the first after Wilmer Williams had walked three Hereford batsmen and couldn't seem to get his curve ball to work.

Littlefield was the winner most of the way but it was nip and tuck for the first four innings. Littlefield batters were a constant threat, Hereford players displayed an amaz-

ing knack for catching Littlefield runners off base and tagging them out.

In the first inning Hereford went ahead when Steve Hodges and S.D. Baize scored. Littlefield came right back in the same inning with scores by Steve Lewis, Lamar Pollard and James Black to take the lead of 3-2.

Hereford tied the score 3-3 when Lyn Warren scored in the second, but Steve Lewis scored for Littlefield in the same inning bringing Littlefield into the lead 4-3 at the end of the second inning.

Hereford tied the score again in the third as Jimmie Gutierrez scored. Littlefield was taken on a double play and strike out to end the third inning.

### Former Priest To Speak On Aid To Education

A former Franciscan priest and noted author and lecturer, Emmett McLoughlin, will speak on the subject "Federal Aid to Education" at 8 p.m. Saturday, July 29, in the Lubbock Municipal Auditorium, sponsored by the Citizens for Separation of Church and State.

Superintendent of Memorial Hospital in Phoenix, Ariz., McLoughlin is the author of "People's Padre," which is in its 14th printing for a total of 175,000 copies, and a current best seller "American Culture and Catholic Schools."

A native Californian and dedicated to lifetime service to the Roman Catholic Church, McLoughlin was a priest for 14 years in Phoenix. At early maturity he sensed he was losing his American freedoms. McLoughlin's story of rediscovering Religious Liberty the American Way has become a captive saga of the Southwest.

McLoughlin is now in great demand as a speaker on American freedoms and separation of church and state.

As superintendent of Memorial Hospital in Phoenix, McLoughlin has directed the hospital's growth from 120 beds on the opening day in 1944 to a multi-million dollar plant housing 270 hospital beds and complete facilities. Memorial Hospital is one of the cancer research hospitals in the United States, offering every known treatment for cancer.

The public is invited, free of charge, to hear McLoughlin lecture.

Mrs. Eunice Oliver led in the opening prayer. After a short business session, Mrs. N.C. Horn introduced the program entitled "To Millions Dying In Their Sin." Mrs. P.H. Howell gave the devotional thoughts and Mrs. Reed Yandell sang the vocal parts which were Rescue

### Preston Pointers Observe Silver Wedding Anniversary

SPADE--Mr. and Mrs. Preston Pointer were honored Sunday, July 23 with a reception given in honor of them on their Silver Wedding Anniversary.

The reception was held from 3 to 5 p.m. in the fellowship hall of the Spade Baptist Church. Their daughters and their families Mr. and Mrs. Charles McKeown and Tamme and Mr. and Mrs. Pat Moberly and daughter all of Lubbock were hosts for the reception.

As the guests arrived they were registered by Mrs. Loy Mouser, Mrs. McKeown and Mrs. Moberly served the anniversary cake topped with white bells and the pink fruit punch from the serving table which was covered with a white lace cutwork cloth. Two large candles in crystal holders centered the table with "25"

written in silver. Silver and crystal gifts completed the table. Miss Mouser and Mrs. Caldwell provided ground music and during the reception large bouquets of small dahlias were placed on the piano.

The Pointers presented with many gifts, and the table also covered with lace table cloth. Fifty and sixty guests during the reception. Out of town guests present from Big Lake, Levelland, Grandfalls, Plainfield, and Farwell.

The Pointers were married on July 21, 1936, in Rule, Texas and the Spade ceremony was held in 1951.

### Mrs. Penn Goes To Convention

### Democrat

see how their admission of a long standing truth should make news.

"Second: I think one of the most vital needs of our Democracy is a strong participation in politics by everyone, and it makes no difference whether they are participating as Republicans or Democrats so long as they are participating. Apathy toward politics in a political society is sinful.

"Third: I was glad to hear that the Republicans are going to work hard for economy in government. Of course this fight starts at home. If those folks practice what they preach by trying to get the City of Littlefield to operate on a sound financial basis, they will have some basis for jumping on the Federal Government.

"Those people think that they have cornered the market on traditional conservative notions. Apparently they consider themselves conservative because it is fashionable to be conservative. I note that most of those "conservatives" are the biggest spendthrifts that Littlefield has. Any time there is a project from pipe lines to the sand hills to television commercials, those same

# LETTERS to EDITOR

Lamb County Leader  
Littlefield, Texas

Dear Editor,  
You are to be commended for the editorial position you have demonstrated by quoting the Levelland Sun News on the recent Texas Tech integration.

Such a position is implicit to both the Christian faith and American democracy.

Thank you for your forthright stand.

Sincerely,  
Robert M. Platt

Littlefield County Wide News  
Statement by Tad Smith  
Republican State Chairman, and Mrs. G.N. McDaniel, State GOP Chair-

"We are elated to learn of the action on Monday, July 24, of 120 leading conservative Democrats in Littlefield, Texas, and Lamb County in moving as a group into the Republican party on a permanent basis. Many similar conservative groups will be following suit during the next few months. We are especially gratified at the number of Democratic office-holders and previous Democratic candidates who have made interesting and extremely significant enquiries about the possibility of running on our (Republican) ticket in 1962.

We have sent the following telegram to R.W. (Bob) Manley, leader of the group:

It is a pleasure to extend to you and other Lamb County Conservatives who have joined the Republican crusade a warm welcome into the growing, dynamic Republican party of Texas. All of you are assured that you will be an important, vital part of your local and state Republican programs, and that your participation in Republican activities is highly valued.

Republicanism, and the great Conservative principles which it represents, are on the march. We are delighted to have you with us and look forward to meeting with you on August 7. All Texas Conservative Democrats and Independents are invited to join the Republican Party in Texas. They can be assured of the same welcome, the same voice, and the same participation in party affairs.

The action of Littlefield and Lamb County Conservative Democrats is symptomatic of the fact that unprecedented numbers of Conservative Democrats and Independents all over Texas have been joining the Republican party this year. We are reminded again of the Terry County Texans for Nixon Conservative group who, immediately after the election in November 1960, joined the Republican fold as a body and now serve as the Terry County Republican organization. More recently, 150 Conservative Democrats in Harlingen, Texas, including many present and former officials of the county Democratic organization and Democratic office holders, bolted the Democratic party to join the Republican party of Cameron County and of Texas. In less dramatic but no less

effective fashion, the Republican ranks have been tremendously swelled this spring by countless thousands of other conservatives disillusioned by the ultra-liberal Democratic party who now realize that the Republican party is the only effective vehicle for the Conservative principles which made America great.

We predict that many more Conservative Democrats and Independents will be joining the Republican party during 1961 and 1962. Republican State Headquarters.

cond when Kevin Hutson walked, advanced on a ground ball to the infield, and scored on Bobby Ward's single.

Randy Jennings and Ronni Fite popped up to make it two away for Levelland in the second before Kenneth Claborn singled. Claborn died on base when Mike Stephens was out third to first.

In the third Lindy Stansell drew an opening walk before Nowlin batted his second consecutive single. Stansell was cut off at the plate on a good play by catcher Randy Jennings but Nowlin crossed the plate with another run after advancing on a fielder's choice.

The Levelland All Stars came roaring back to knot the score in their half of the third. Lynn Creel fanned to lead off the frame but Steve Boulter stepped to the plate and crashed a home run over the left field wall.

Phil Pharies drew a free pass but was out at the plate on a fielder's choice that let Warren on base. Warren came across with the tying run on Thom's drive through the infield.

Kenny Carr boomed a double to start the fourth for Littlefield by an alter Levelland defense to kill the threat.

Levelland went down in order in the fourth as Fite grounded out to first unassisted. Claborn struck out, and Stephens rolled one to the pitcher for the final out.

The fifth was unevenful for both teams as neither team could garner a hit. Littlefield's game winning run came in the final sixth. The trouble started for Levelland when Johnny Horne singled with one away and came across the plate with the run that gave Littlefield the area championship when Kenny Carr crashed a double.

With two away in the bottom of the Levelland sixth, second sacker Ronnie Fite swung on a 0-1 pitch. The ball struck him on the finger and he had to leave the game. Lloyd Summers came in to replace him in a tough 0-2 situation. He took a ball and then watched another strike over to end the game.

Administration, an agency which aids low income farmers or victims of drought and disaster.

A limited expansion of the federal marketing order and agreements programs.

Broader authority for farmer cooperatives to merge and expand processing and distribution operations.

## Conservatives

"Whereas the Republican party has a strong conservative element that could return the nation to constitutional government, be it therefore firmly resolved that the undersigned (pledge) to be members of the Republican party in Lamb County. . . to regain control and preserve local self-government and states rights as guaranteed by the Constitution. . ."

The resolution was read by Manley. The Lamb County movement into the Republican fold is a grass roots development after Tower was elected U.S. Senator, according to Manley.

"The philosophy of Sens. Goldwater and Tower has wide support in our area," Manley said. "And we feel we cannot help them by continuing to call ourselves Democrats when the Democratic Party is against everything these two outstanding Americans stand for."

Residents from Olton, Springlake, Earth, Amherst, Pleasant Valley, Sudan, Spade and Littlefield attended the meeting.

The group has scheduled an area-wide organizational meeting in Littlefield August 7. They have invited Jack Porter of Houston, former national committeeman from the Republican Party in Texas.

In addition to former Democrats who gathered in the Community Building, several Republicans of long standing observed the happenings.

Mrs. G.N. McDaniel of Borger, vice-chairman of the state Republican Party, attended with her husband. Also present were Mrs. Curtis Traewek of Hereford, Republican committeewoman for the 30th Senatorial District.

Bill Rhodes, personnel director of Southwestern Public Service Company of Amarillo made a short introductory talk and showed slides of suggested methods of organizing precinct and precinct workers.

Lamb County Republican chairman L.J. Swanson was Pite's finger was X-rayed at a Littlefield hospital and found to be broken above the first joint.

Littlefield's Larry Reese started the game pitching--but was relieved by Lindy Stansell in the third.

tables on Hereford in the top of the fourth taking them out with a double play and strike out.

When Littlefield went to bat in the bottom of the fourth Lamar Pollard and Steve Lowe scored to put Littlefield on top 6-4.

Hereford was unable to make further scores, Littlefield added two more scores with Steve Lowe and Ronald Sitton in the bottom of the sixth.

Frank Cain was the beginning Hereford pitcher, Mike Ramsport relieved him in the fourth.

## First Game

Littlefield jumped on the visiting Hereford PONY All-Stars Monday night in the first game of the tournament, blasting out a 9-4 win.

Littlefield hurler, Billy Henderson, allowed only four hits in racking up the victory. Henderson's teammates managed only five hits off two Hereford pitchers, but took advantage of loose playing afield by the losers to grab the victory.

The teams traded runs in the second, both pushing home a pair of tallies. Wendell Brent gave Littlefield a 1-0 lead by blasting a home run with the bases empty after two were out. Junior Hodge followed with a free pass, stole second and scored on an error.

Hereford came back to get its two runs on two hits, a wild pitch and an error by the locals. The locals jumped into a 6-2 lead in the fourth as they scored four times. Paul Roberts began the inning with a walk, followed by a single off the bat of Brent. Junior Hodge was safe on an error and Ronald Sitton walked. All four men scored to give Littlefield its lead.

Hereford came up with a lone run in the fourth, but Littlefield padded its lead by scoring three runs on two hits. Gary Pigg walked and went to second on James Black's ground ball. Roberts hit a single, scoring Pigg and Brent then collected his third hit of the evening, a single that scored Black. Roberts

## Barton Receives Telegrams From U.S. Senators

Jack Barton, new chairman of the Lamb County Republican Club received telegrams from two U.S. Senators Wednesday, congratulating him on the organization.

U.S. Republican Senator Barry Goldwater's telegram said, "I have just been advised by Senator Tower that 120 conservative Democrats in your community have now switched their registration to the Republican party. May I express my congratulations and welcome you into the fold. I am sure these former conservative Democrats will find in the Republican party that principle which caused them to be Democrats in the first place, namely respect for the freedom of the individual."

The telegram from U.S. Senator John G. Tower said, "Congratulations to you and your group for decisive and significant action. Best wishes and regards."

# Olton's New Superintendent Holds Two Degrees, Working Toward PhD

Olton's new school superintendent is Johnny Clark.

The Clark's and their three children, Johnny 11 years old, Jimmy nine years old, and Joy seven years old, moved to Olton July 1 from Wilson.

Clark was graduated from Magnolia High School in 1946. He received his B. A. Degree from Hardin College, Searcy, Ark. in 1949. He received his M. A. Degree from Sul Ross at Alpine, in 1951. He is now working on his Ph. D. Degree at Texas Tech, Lubbock.

He has had twelve years experience in the teaching and school administration field.

He is a member of the Lions Club, Masonic Lodge and attended church at the Church of Christ.

After graduation from College Clark, served as a teacher and elementary school principal at Lagry for two years.

He then moved to Ozona, where he was junior high principal four years.

Clark then stepped up to the superintendent's job at App Ackerley.

In 1958, Clark was employed as superintendent of Wilson Schools.

Mrs. Clark is a graduate of Del Rio High School and has attended Harding College for two years.

Mrs. Clayton Graef of Friona visited friends in Olton Tuesday.

Mr. and Mrs. Ray Montgomery of Lubbock visited in the homes of Mr. and Mrs. John Lambright, Mr. and Mrs. Ancil Miller and Mr. and Mrs. Elbert Hyman Wednesday and Thursday.

Johnny and Jimmy Clark, sons of Mr. and Mrs. Johnny Clark, are visiting in the home of their grandparents Mr. and Mrs. Newman Billings, at Del Rio.

Miss Bell, local school nurse, visited relatives in San Angelo last week.

The teacherage, where Mr. and Mrs. Johnny Clark live, has been redecorated on the inside. The outside will be redecorated this week.

Mrs. Jada Polk, Mrs. Ruth Price, Mrs. Gene Phillips and Mrs. Ken

## Lester Cappleman New FHA Director

Lester Cappleman of Ladonia, has been appointed State Director for the Farmers Home Administration in Texas. His headquarters are in Dallas. He assumed his duties July 18.

Cappleman has returned to the position he held with the agency for approximately eight years prior to April in 1954. Since that time he has been managing his farm near Ladonia producing livestock, cotton and alfalfa.

Born in Oklahoma in 1902 when it was known as Indian Territory, Cappleman attended public schools at Honey Grove, Tex. and the Texas A & M College where he majored in agronomy and animal husbandry.

From 1924 to 1934 he farmed in Fannin County. From 1934 forward, in-

cluding his eight years as Farmers Home Administration's State Director, Cappleman worked in the field of supervised credit and related services for family-type farmers. He joined the Resettlement Administration at Amarillo after a year with the Federal Emergency Relief Administration at Sherman, Texas. From Amarillo, his work took him to Dallas in 1936 where he served first as loan officer in Resettlement Administration and later as Assistant Regional Director for that agency's successor, the Farm Security Administration.

In 1941 he transferred to Surplus Marketing Administration as Regional Director, then was in similar positions with Agricultural Marketing, Food

## To Pay Taxes

A.M. Meekma, extension dairy specialist, says most dairy herds would produce enough additional income to pay the farm taxes if every cow produced a calf every year. Breeding problems prevent most herds from reaching this goal, however, and the resulting loss amounts to millions of dollars annually. If your cows require three or more services per conception, you've got trouble. Consult your veterinarian before you lose more money.

Distribution, and War Food Administration, all at Dallas. He became State Director for Farmers Home Administration in 1946.

As State Director, he will have charge of the agency's agricultural credit and farm management program serving farmers in all areas of the State through 126 county offices.

Jack Rylant, Sr. has announced that for the remainder of the summer the Explorer Post would meet on the 2nd and 4th Tuesday nights of the month at the regular time.

Den 4 met at the swimming pool Monday, July 17, for an afternoon of swimming. 3 members and Den Chief, Arboth Rylant were present and several visitors. Refreshments were served by Mrs. Jim Morgette and Mrs. James Lackey.

Den 3 also met Monday afternoon at the swimming pool and later for a wiener roast at the Spring-lake park. 8 members and several visitors enjoyed the outing. Following the wiener roast Samul Lewis, Rickey Welch, Kent Parish and Kirby Kelley gave book reports. The meeting was adjourned with the group participating in the Living Circle with the Cub Scout promise led by the Den Chief, Lynn Hamilton. Den 3 will have its next meeting on August 14.

Honored with a layette shower from 2:30 until 5:30 p.m. Tuesday in the home of Mrs. Junior Lewis was Robert Allen Gover, infant son of the J. Allen Govers.

Approximately 20 guests were registered by Miss Joan Gover at a table laid with a white, cut work cloth and accented with a floating arrangement of deep pink, double hollyhaws in a milk glass bowl which also held three tall, blue tapers in the background.

The refreshment table also laid with a white, cut-work cloth, featured an umbrella centerpiece. Frilled with blue net, the umbrella opened over an array of tiny gift wrapped packages on a base of styrafoam decorated with white net and ribbon.

Miss Helen Gover presided at the crystal punch service.

Out of town guests were Mrs. Alvin Upchurch and Mrs. Foster, Littlefield.

Assisting Mrs. Lewis with hostess duties were Mrs. Kenneth Cowley, Mrs. Marvin Brown, Mrs. Robert O'Hair and Mrs. Lewis Faver.

A program on rescue missions was enjoyed by the WMU of the First Baptist Church of Earth at their 2:30 p.m. meeting Tuesday at the church. Mrs. Guy F. Kelley was in charge of the program which was in the form of an interview conducted by Mrs. George Laing who took the role of a reporter.

Interviewed were Mrs. Casey Jones representing Hubert A. Neeley, director of the Baptist Center for Men, Memphis, Tenn.; Mrs. Gerald Inglis who represented Dr. Clovis A. Brantley, Director of Southern Baptist Rescue Missions Work and a member of the Home Mission Board, Nashville, Tenn.; also Mrs. Guy F. Kelley who represented J.T. McGill, Superintendent of Rescue Missions in East St. Louis, Ill.

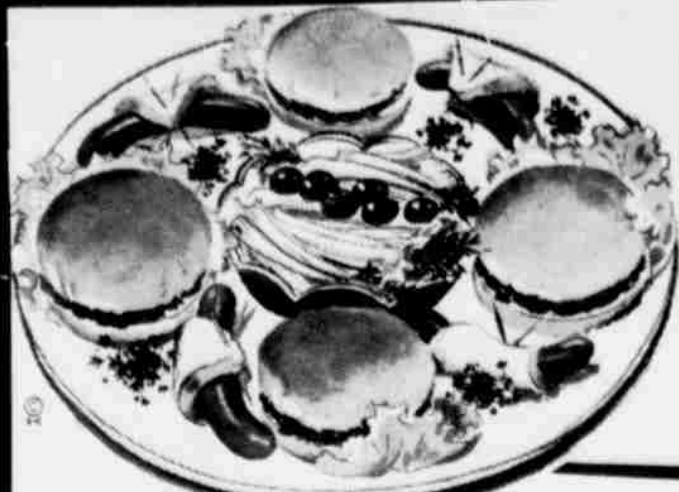

Also included was a talk on the Good Samaritan Home in New Orleans, La. given by Mrs. Alfred Dutton.

Preceding the program a devotional was conducted in which Mrs. Elton Schaefer, accompanied by Mrs. George Laing, pianist, led the group in singing "Where Cross the Crowded Ways of Life" and "Somebody Needs Your Love." An opening prayer was led by Mrs. Price Hamilton with Mrs. Rae-man Cole leading the dismissal prayer.

Also present besides those appearing on the program or devotional were Mrs. Roy Taylor and Mrs. Lillie Wuerflein.

Mrs. Minnie Price spent the week in Tatum, N.M. with her daughter, Mrs. Ed Britt.

Philosopher Blasts Federal Idea Of Nationwide Zoning

Editor's note: The Sandhills Philosopher on his Johnson grass farm probably is misconstruing the matter he's discussing this week. It's not the first time.

Dear editor:  
 Whenever a city gets a certain size, say big enough to have uniformed policemen and one-way streets, the next step naturally is what's called zoning, which, as I understand it, gives the city the right to decide what sort of building can be put up in any given area. This idea started out I think to keep livery stables from going up next door to ice cream parlors and saloons next to churches, and is used now to keep supermarkets from invading residential sections, junk yards away from city parks, etc.

What brought this up was an article I read in a newspaper clipping somebody sent me through the mail, reporting a government official in Washington has demanded that what this country now needs is a nationwide zoning system to prevent further losses of America's agriculturally productive lands.  
 According to him, about a million acres of productive land are being taken for such things as highways, airports and housing projects every year, and he thinks all the land ought to be zoned so this thing can be headed off.  
 At first I thought this was a good idea, anybody can figure that a million acres a year, if kept up very long, would eliminate farming and therefore eating, although you can say this for

it, it certainly would solve the farm problem.  
 But if Washington gets the right to decide which land can be used for a housing project, which land has to stay in cultivation, it wouldn't be far to the point where it could decide not only which land has to stay in cultivation, but how it should be cultivated, or even worse, how often. This is where I draw the line.  
 If city people want to give their city government

the right to decide whether you can open up a T.V. repair shop in your garage of a beauty shop in your spare room, that's entirely their business, but the last thing I want is Washington zoning this Johnson grass

farm and telling me I can't graze cows in my front yard or that my propped up fences and sagging gates don't meet the nationwide zoning standards.  
 Yours faithfully,  
 J.A.

Hi-Plains Tests Skip-Row Cotton And Oats

Cotton planted skip-row with barley got off to a flying start in comparison with cotton planted elsewhere at the High Plains Research Foundation. The plants exceeded the others in vigor and height, due to the wind protection afforded by the barley.  
 When the barley was harvested, the stubble was disked. Soybeans were planted in some four-row plots and grain sorghum in others for further study of the skip-row system of farming. The barley is the Cordova variety and the four-row strips of cotton are Paymaster 8890.

Visiting farmers have shown considerable interest in the skip-row planting.

Oats Variety Test  
 The Cimarron variety of oats was the earliest to mature and was followed closely by New Nortex and

Winter Excel in a test of eleven varieties of oats at the High Plains Research Foundation, Halfway, Texas. These three varieties were harvested May 30 to June 2, 1961. The other seven were harvested June 26, 1961. All varieties were planted on October 10, 1960. They were irrigated and received fertilizer in the pre-plant in the amount of 300 pounds of 10-30-10 in October with a top-dress of 40 pounds of nitrogen in March, 1961.  
 The Fulwin variety was the last to mature. The Cimarron variety led in yield with 20 bushels more than the next highest yielding variety, Bronco. The yield in the oats variety tests were: Cimarron, 173.1 bushels; Bronco, 153.7 bushels; Winter Excel, 134.0 bushels; Mustang, 132.5 bushels; 59 D-1550 (a hybrid), 132.0 bush-

Stroebel Infant Buried At Olton

OLTON--Graveside funeral services for Julie Ann Stroebel, infant daughter of Mr. and Mrs. Andrew Stroebel, were conducted Thursday afternoon at 3 p.m. in the Olton Cemetery.

Rev. Herbert Rasp, minister of Lutheran Church of Plainview, officiated. Burial was under the direction of Parsons Funeral Home.

Julie Ann was born July 17 at Methodist Hospital in Lubbock. She passed away at 10:30 a.m. Wednesday, July 19. She weighed five pounds.

She is survived by her parents and one brother Mark, who is three years old. Grandparents, Mr. and Mrs. Earl Dodd, Cotton Center and H.A. Stroebel, Friona.

els; New Nortex, 129.4 bushels; Bronco crossed with Garry, 128.8 bushels; Frazier, 115.9 bushels; Fulwin, 109.5 bushels; and Wintok, 105.7 bushels.

Delbert Langford, Associate Agronomist at the Foundation, conducted the test in co-operation with Dr. I.M. Atkins of Texas A. & M.

**ENDRIN**

KILL BOLLWORMS, CABBAGE LOOPERS, LEAFWORMS, FLEAHOPPERS, LYGUS BUGS and many other pests of boll, leaf and square. Endrin or Endrin combined with other insecticides will do the job for you. Endrin combinations give you quick knock-down and fast kill with less overlapping of control. You use less and can allow longer intervals between treatments because of longer lasting action. That means you save money and still get top protection per acre. It makes a lot of good sense... and cotton!

**\$1 gets you \$6**

Texas experts say you'll get an average \$6 return on every dollar you spend now on insect control.

So don't delay... get Endrin today!

The mood is Thunderbird...the economy is Falcon...

...it's the new Falcon Futura by Ford

COMPACT COUSIN OF THE THUNDERBIRD

And, it's the nicest thing that ever happened to America's best-loved compact! Now... step aboard! Relax in the foam-padded comfort of individually contoured twin front seats (styled by the men who designed the Thunderbird!) Rest your lucky feet on the thick wall-to-wall carpeting. Look down beside you: there's a handy console between the front seats for your personal effects.  
 Be sure to check the back seat, too—plenty of room there for 3 people. And, in Futura everyone's luggage goes in the vacation-size trunk—where it belongs. Futura gives you true compact gas economy, too. Finally, when it's time to check the price sticker—surprise! Because—for all its luxury, all its economy—

Futura's actually America's lowest-priced\* luxury compact!  
**A Falcon Makes Economy Run History!** A 1961 Falcon with standard transmission got 32.6 mpg under the cross-country test conditions of this year's Mobilgas Economy Run... the best gas mileage ever recorded by a "6" or "8" in the Run's 25-year history! Even more impressive... was the competition... a group of expert drivers really out to win. But Falcon topped them all!  
**More good news!** Ford sales are booming! One reason: Falcon, America's best-selling compact has increased its 1961 lead over its nearest competitor to nearly 50,000 cars!

K-Series Cutters are avail-  
able in 2 row cutting widths, and  
in both Pull and Lift type models  
and may be converted easily from  
one type to the other by use  
of conversion kits.

The Model 140 cuts a full 140"  
swath, 4 row. Ideal for use in  
the wheat growing areas and  
where operations require large  
cutting and shredding capacity.  
Cuts without skips because of  
the generous overlap of the cut-  
ting blades. The cutting blades  
are reversible for double life.  
A hydraulic jack is provided to  
lift the hitch of the cutter to the  
drawbar height. The hitch is  
provided with a levelling mech-

# Mrs. Dennis Hoelcher Given Bridal Shower

Mrs. Dennis Hoelcher, formerly Donna Powers of California, was the honoree at a bridal shower in the parish hall on July 19. Mrs. Gaubert Demel and Mrs. Ralph Demel served the pink punch, party sandwiches, and cookies from a table covered with lace over pink and centered with a white basket of pink glad-toli.

Hostesses for the shower were Mmes. Gaubert Demel, Franklin Green, James Glumpler, Paul Albus, Frank Simnacher, Ralph Demel, Syd Diersing, J.W. Walker, Charles Burt, and Leonard Albus. The hostess gift was an electric portable mixer.

Mr. and Mrs. Fred Albus are the proud parents of a daughter, Jennifer Ann, born on July 14.

Mr. and Mrs. Max Demel are also the proud parents of a daughter, Josephine Carol, born on July 12.

Sam and Ross Feagley of Three Way were weekend visitors in the J.W. Walker home.

Weekend visitors in the Frank Simnacher home were Mr. and Mrs. John Hercek, Mr. and Mrs. Robert Simnacher and children of Beeville, and Mrs. Helen Simnacher and Kathy of Robstown.

Mrs. Clarence Albus and children and Mrs. Leonard Albus and children attended the twenty-fifth wedding anniversary celebration of their brother and wife, Mr. and Mrs. Albert Fetsch, in Rhineland on Saturday. Brother and family of Mrs. Fetsch, Mr. and Mrs. Henry Franklin and Mrs. A.A. Duesterhaus also attended the celebration. All visited with relatives in Rhineland over the weekend.

Mr. and Mrs. Anton Krabula of Duncan, Okla. visited with relatives, Mr. and Mrs. Fred Albus, Mr. and Mrs. Clarence, and Mr. and Mrs. Leonard Albus, this week.

Loretta and Elaine Simnacher and Ronnie Kuhler completed the first semester of summer school at Texas Tech and are now home for the summer. Billy Hogue and Albert Simnacher returned for the second semester.

Mr. and Mrs. Anton Krabula of Duncan, Okla., and Mr. and Mrs. Paul Albus and family were dinner guests in the Fred Albus home on Sunday.

Bobby Decker was chosen as an all-star player of the Babe Ruth League in Morton. The all-star team consists of players from Morton, Sun-

down and Whitetace teams and is known as the Frontiers. They downed Canyon, 3-0, in their first game on Tuesday.

Mr. Philip Simnacher and Loretta, Mr. and Mrs. Maloy Simnacher and daughter, and Mr. and Mrs. Frank Simnacher and family attended the Simnacher Reunion held in the Clovis Park, in Clovis, N.M., on Sunday.

Mr. and Mrs. Tony Cahill and family of Brownfield, Mr. and Mrs. Marvin Kuhler and children and Mr. and Mrs. Jude Kuhler and son of Bomerton were Sunday guests in the Ed Kuhler home.

Wayne Green, son of Mr. and Mrs. Franklin Green, was chosen as an all-star player for the Morton all-star team.

Instead of the regular monthly meeting, the Pep 4-H Club went to Level-land and toured the fire department, on July 17. They were interested in safety and were told various safety measures taken by the department. Afterwards they entertained themselves in the park.

Mrs. Victoria Albus and Georgene of Littlefield, visited in the Leonard Albus home over the weekend.

## Glen Walser In Training

FORT EUSTIS, VA. -- Army Pvt. Glenn E. Walser, whose wife, Alice, lives on Route 1, Anton, Tex., is receiving the final phase of six months active military training under the Reserve Forces Act program at Fort Eustis, Va. The training is scheduled to be concluded in mid-October.

Walser is being trained in the duties of a steam locomotive repairman in the Transportation Corps.

After completing this specialized training he is scheduled to spend the remainder of his military service with the 100th Engineer's Division, an Army Reserve unit in Amarillo, Tex.

The 23-year-old soldier, son of Mr. and Mrs. William C. Walser, Briscoe Route, Canadian, is a 1955 graduate of Canadian High School and a 1960 graduate of Texas Technological College. Before going on active duty, he was employed by Southwestern Public Service, Plainview.

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

# LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer. THAT'S WHY THEY TASTE SO GREAT.
