

Wildcats, Loboes Featured In "Dog Game" Friday

Littlefield Wildcats will play the powerful Levelland Loboes Friday night in the "Dog Game" which will see the Loboes get their last chance for the first place in the district in their final game of the season and if they defeat the Wildcats and the Cats defeat the Brownfield Cubs next week, the District will again end in a tie as it did last year and 1948. The Loboes and the Cats are both in good condition except for minor injuries. Joe Walden was out for the first two days this week with the flu but reported Wednesday for practice and is expected to be ready to go by Friday. Fullback M. C. Northam, who was out part of the Morton game with a virus infection, is in good shape and the Wildcats hopes for victory this Friday will rest on Northam and Walden's shoulders and they hope the Loboes front wall will be able to stop the Lobo ground game that features the running of Langford Sneed and LaVon McAuley and the passing of Harold Phelan. This is the "Dog Game" as far as Coach Fikes and Truitt Ratton of the Loboes are concerned. Since Rattan came to Levelland in 1947, he has defeated the Cats twice while they have done the same to him. Fikes and Ratton are both graduates of Hardin-Simmons University and this game will mean a lot to both of them as far as prestige is concerned. The Cats have dropped one game this season while winning seven. The Loboes have the same amount of victories but have two losses to their credit. Littlefield and Levelland both lost to Seminole. The Indians beat the Loboes 12 to 0 while they managed to edge the Cats out to the tune of 26 to 24. Brownfield is the other team that defeated the Loboes.

LAMB COUNTY LEADER

VOLUME XXVIII LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 8, 1951 No. 73

Saturday Is Poppy Day In Littlefield

Pep Rally Is Scheduled For Friday Afternoon

A big pep rally is being planned for Friday afternoon beginning at 1:15 o'clock, in the high school auditorium, for townspeople and students. "Beat The Lobes" has been the slogan for the week at the High school. The big tilt between the Littlefield Wildcats and Levelland Loboes will be played here at Seeley Stadium Friday night. Game time is 8 p. m.

The Levelland Loboes will start the four men on the left in the backfield tomorrow night (Friday) when they come to Seeley stadium for an important game with the Wildcats. From left to right in the front it is Ronnie Leatherman, Halfback, Langford Sneed, tailback, and Harold Phelan, quarterback. Standing up holding the ball is Lavon McAuley, fullback.

The Levelland line will be the seven men below. From left to right they are: Frank Burnett, end; Baker Hallford, tackle; Don Suits, guard; Harvey Campbell, center; Keith Couch, guard; Charles Watson, tackle and James Pierce, end. It will be one of the heaviest and toughest lines that the Wildcats have faced this year and they will really get their test this week.

MRS. DOUGLASS TO HEAD COMMITTEE FOR AUXILIARY

1,000 Poppies To Be Offered For Sale by Members

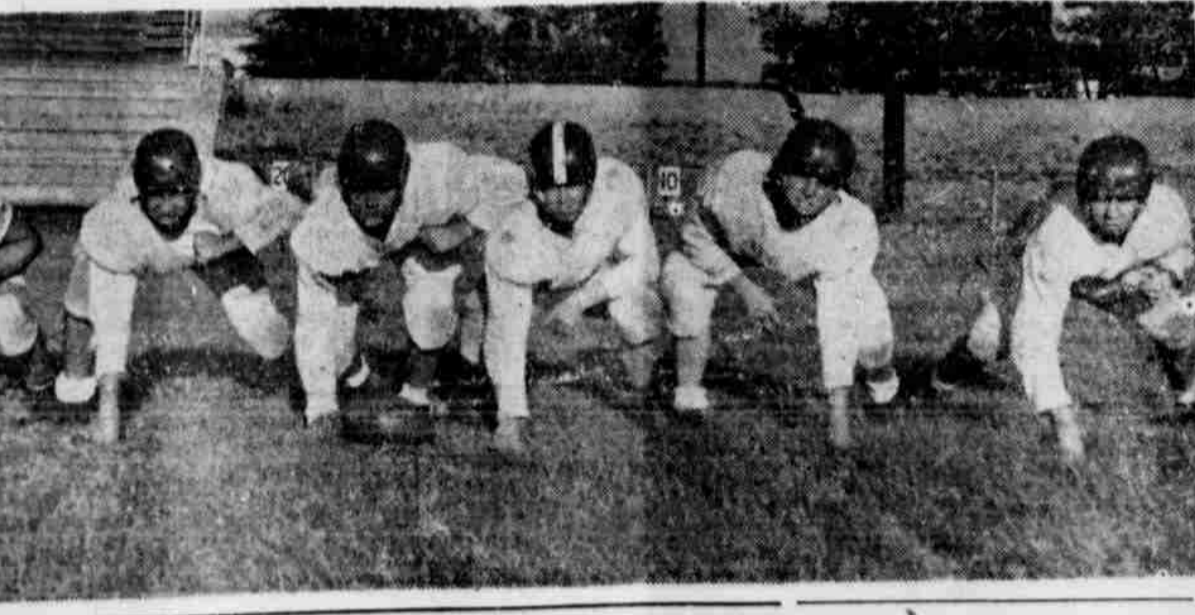

Saturday is Poppy Day in Littlefield, when 1000 poppies will be offered for sale on the business streets by members of the American Legion Auxiliary, assisted by Girl Scouts. Selling will begin at 8 a. m. Heading the committee this year is Mrs. Neal Douglass, 81 years of age, and the oldest member but one of the most active members of the local auxiliary. Others on the committee are Mrs. Mary Jane Davis, and Mrs. W. D. Chapman. All members of the association in Littlefield and other supporting cities will be admitted to the concert. The dancer is scheduled to present a program in Hereford on Nov. 10th, under the auspices of the association.

New Vocational Ag Facilities For Boys

Youth Center Drive For \$7,000

Open Here Monday, November 12

The formal opening of the new Littlefield high school is now only 10 days away, and several thousands of folks are going to view the interior of the fine new building on that opening day or evening—and it's going to be very much worthwhile. But one highly important segment of the new school—highly important feature of the school's curriculum is going to be missed by large numbers of those visitors unless they are guided to and through it—because it is comparatively "tucked" away in a separate new building, located just at the rear of the school cafeteria.

The new Vocational Ag. building, equipment and set-up is a sort of "paradise" for the boy who likes to build things, and for the boy who wants to learn to build things, or learn to like to build things. (Continued on Back Page)

While the Youth Center is in operation, the building is still uncompleted, and lacks furnishings badly needed. A fulltime director has recently been employed and placed on a salary basis. There is also some outstanding debts against the building. The drive seeks to raise sufficient funds to accomplish the clearing of the debt, buying necessary furnishings, completing the building, and leave enough on hand to operate the Center for the coming year. Those asked to contribute, may make their contribution in a lump sum, or make the same in twelve monthly installments. The Center is located in Littlefield City park, adjacent to the swimming pool and boy scout hut.

Pretty Church Ceremony Unites Barbara Bryan and Daryl Le Boeuf

The marriage of Miss Barbara Bryan, daughter of Mr. and Mrs. James D. Bryan and Daryl LeBoeuf, son of Mr. and Mrs. C. LeBoeuf, took place at 3 o'clock Sunday afternoon in the auditorium of the Educational Building of the First Baptist church.

Rev. Elvin Ingram, pastor of the Parkview Baptist church performed the double ring ceremony, before an altar decorated with a background of tropical foliage and candelabra. The couple stood in front of an arch of pink roses and greenery flanked by baskets of white mums.

Dr. C. Roy Johnson, pianist furnished pre-nuptial music, played the traditional wedding marches and accompanied John Zimmerman of Lubbock, when he sang, "Because," "For You Alone" and "The Lord's Prayer."

Mrs. Billy Wayne Sisson was matron of honor, and wore a formal dress of pink illusion over pink bridal satin, styled with a full skirt, fitted bodice, bolero jacket, with push up sleeves. She wore pink satin opera pumps, matching hat, with illusion, trimmed with stephenotis. She carried a pink muff with an arrangement of white orchids.

Given in marriage by her father, the bride wore a white chantilly lace over white bridal satin wedding gown, of ballerina length. The dress was fashioned with a gathered six gored skirt, joined to a fitted bodice. The lace jacket was designed with a Queen Elizabeth standing collar and fitted sleeves, which buttoned at the wrists with tiny self covered buttons. Her hat was made of lace and satin, of the same material as the dress, with an arrangement of tiny rosebuds across the front. For something old she wore a baby pin, that belonged to her paternal grandmother, Mrs. Etta Bryan of Plainview. For "something borrowed and something blue" was a garter, and her dress was "something new." She carried a muff, encircled with an arrangement of white orchids.

Monty LeBoeuf, brother of the groom acted as best man.

Ushers were Orville Bassett, and Hugh Moseley of Friona, who is a student at Texas Technological college, Lubbock.

Following the wedding a reception was given in the church parlors.

Receiving the guests were the bride's parents, and the groom's parents, and the bride and groom.

The table was laid with a white organdy cloth. The bride's bouquet was the only decoration on the table. The three tiered wedding cake, decorated with pink bells and pink roses, was served by Mrs. John Zimmerman. Mrs. Orville Bassett presided at the silver coffee service. Assisting with dining room courtesies were Mesdames Sid Hopping, Viggo Peterson, Hugo Kinkler and Miss Betty Clements.

Mrs. Billy Perkins of Lubbock presided at the bride's book, where

There is much overlap in different classifications of phobias, they can be grouped into three categories: fear of oneself; lack of confidence in one's fellow man; and adjustment to situations in the world. These three are broadly set up in terms of neurosis, psychoses, and psychosis.

That failure to adjust is not "insanity" in conception because the person is aware of his condition and is also aware that he is not like him. The person usually punishes himself because he has no bone others.

Four general types of phobias may be called the phobia state, the state, and the compulsion. All four of these are directed inwardly and are states of mind which people experience which are quite exaggerated neurotic.

Phobias anxiety when they are directed inwardly. Anxiety is a normal reaction to some external object when fear, worry, or concern is aroused constantly and when there is a fear, anxiety, or phobia. And the anxious person is from that exaggeration of his.

A general feeling of fear. When a person narrows down to one certain situation, it is a phobia. The neurotic does everything he can to avoid contact with his phobia. His fear is foolish.

Enlistment Program Set-up For Married Men

Officers in charge of the Marine Corps recruiting office in Lubbock have announced a special enlistment program for married men and men with dependents.

Under the plan, the men can sign for two years of active duty, followed by three years in the "ready reserves" and three years in the "standby reserves." While in the "ready reserves" they will attend a two-week summer training camp each year.

The program has been set up under the eight-year obligated service plan and corresponds to the division of service employed by Selective Service. Men drafted will spend the same amount of time in active and reserve duty.

...because he is guilty about wanting to be dirty, he must overdo the good, the washing away of the dirt. The housewife who must constantly clean the house, the business man who must have his mail brought in in exactly the same manner every day, the person who must follow a set ritual in any act or thought would fall into the compulsive category. Many compulsions are superstitions, such as knocking on wood. They may be quite minor compulsions, such as the normal childish compulsion not to step on the cracks of the sidewalk.

As in any lack of mental health, the neuroses are made up of quite normal attitudes which have gotten out of hand. The things that make up the neurotic person's life; the difference is in the ability to control thoughts and actions, which the normal person usually can do and the neurotic person knows on some subjects he can't.

Carol Bench Crowned Queen Of Amherst School Carnival October 31

Carol Bench was crowned queen of the Amherst school carnival Wednesday night of last week in the school auditorium. She is the daughter of Mr. and Mrs. J. D. Bench and represented the primary department.

Dickey Clayton, son of Mr. and Mrs. Jack Clayton was the queen escort. The winner for the high school division and runner-up for queen was Princess Jean Patterson she was escorted by Prince Winfred Crosby. The winner for the junior high division and runner-up for queen was Princess Laverne Tollett escorted by Prince Jerry Palvido. Others in the regal party were: Princess Mary Lou Cowen escorted by Prince Gary Dean Reedy, Princess Jo Ann Nix escorted by Prince Barry Bearden, Princess Sue Cowen escorted by Prince Gerald Walser. The flower girls were Judith Ann Atkinson and Jan Jones, train bearers were Leslie Nuttall and Patricia Cantrell. Ricky Holland served as crown bearer. The ushers were Dick McDaniel and David Sager.

The stage setting was very appropriately decorated for the royal scene. Members of the royal

party came up the steps at the center of the stage, through an archway of fall flowers and greenery. The king and queen sat on a throne back of the arch. Large containers of fall flowers across the front of the stage completed the decorations.

Helen Davis was announcer of the coronation ceremony and program, which was presented for the royal couple. Harold Terrell played a harmonica solo, and a dance was rendered by Claudia Emmons, James Clayton, Nelda McQueen, James Cox. A vocal solo was done by Norma Rae Hufstetter and Carol Woody gave a Halowe'en poem. A tap number by Virgie Bell Pickrell completed the program.

The total amount raised in the queen's contest was \$229.68. This money will go to buy additional equipment for the stage.

Before the coronation of the queen the carnival proper was held in which there were many interesting booths and prizes awarded.

The members of the Amherst P-TA who were responsible for the success of the carnival are to be congratulated on such a big success.

Drive For Much Needed Library Funds Will Be Held

Littlefield will have a "Tag Day" next Saturday, Nov. 17, and funds derived from the sale of the tags, will go to aid a very worthy cause—the City Library, located in the Red Cross building at the rear of the Court House grounds—a city library which is badly in need of additional funds now, with cash balance in the treasury as of this date amounting to \$11.27.

The purpose of the drive is to supplement and enhance the meager balance in the treasury. This in turn will result in an improved library, with the addition of new books, and an especial need and goal, is the addition of new books suitable and adapted to children.

The library is sponsored by Littlefield Woman's Club, which has contributed generously to its support through the years. City of Littlefield makes a monthly contribution to the library, as does likewise the Littlefield Rotary organization, but these are the only regular contributors.

The library now contains 5513 volumes; 183 books have been added the past year; 125 other books have been donated; receipts from memberships and subscriptions totaled \$121 the past year from the Community Chest, but will not have access to funds from that source this year.

Citizens are asked to buy and wear a tag next Saturday and aid the Library—it deserves the support of everyone.

The library committee of the Woman's Club is composed of Mrs. R. W. Badger, chairman, Mrs. Wm. Brune, Mrs. Matthew Browne, Mrs. Hubert Henry, Mrs. A. B. Brown, Mrs. W. G. Street, and Mrs. W. G. Morris. They will be charge of the Tag Day activity.

Mr. and Mrs. Joe Prutty and baby of Wichita Falls, were guests in the home of Mrs. Fannie Billings Sunday. Mr. Prutty is in the Air Force and stationed at Wichita Falls. They were residents of Spade community before he joined the service.

Mrs. Haberer Sells Lamb County Champion Aberdeen - Angus Heifer

Mrs. Bonnie Haberer, owner of the Bonnie Blackgold farms located between Earth and Muleshoe, announced this week that she had sold her Lamb county champion Aberdeen-Angus heifer, Blackcap Carmen of Four Hills, following the showing at the Clovis, N.M. Angus show last week. The prize-winning heifer, which took a ribbon at the Clovis show, went to the president of the Aberdeen-Angus association of New Mexico.

Mrs. Haberer also said she had purchased two Eurica heifers at the show, both of whom had been bred to the Oklahoma A&M prize bull, Prince Evacus.

Mrs. Haberer, widow of the late Herman Haberer, raises Angus cattle as a hobby, and now has 18 head, counting the two new heifers. In addition, she farms the large holdings in the Earth-Muleshoe area, 340 acres planted in cotton, some grain, and 100 acres of natural pasture.

Spade School Lose Level; Urge That It Be Returned

Cecil Dykes, vocational agriculture teacher of the Spade schools, asks that the person who borrowed the Boston-Brady Farm Level from the school last summer please return it. The farm level is urgently needed for classwork.

Capt. and Mrs. Harrel Arrive Here From Japan Wednesday

Capt. and Mrs. Hershell Harrel arrived at San Francisco, Calif., from Japan Tuesday morning, and in Littlefield Wednesday night on a 30 day furlough here.

They were met at Amarillo, where they came by plane, by Mrs. Harrel's sister and brother-in-law, Mr. and Mrs. O. K. Yantis, and by Mr. Harrel's brother and sister-in-law, Mr. and Mrs. Pete Harrel, who accompanied Capt. and Mrs. Harrel to Littlefield.

Capt. Harrel is a pilot in the Air Corps, and has been in Japan for over three years, and has recently been stationed at Tahikawa, 60 miles from Tokyo. Mrs. Harrel

has been in Japan two years.

Capt. Harrel, who is a son of Mr. and Mrs. Peyton Harrel of Littlefield, served in World War II, and was discharged, but re-enlisted over three years ago.

Mrs. Harrel, previous to her marriage, was Jerry Robinson.

He expects to be stationed in Oregon following his furlough.

Here's Helena Rubinstein's new long-lasting nail polish to match Stay-Long lipstick!

AMAZING NEW NAIL POLISH HAS BUILT-IN BASE COAT

Helena Rubinstein's Stay-Long lipstick is the first really creamy indelible lipstick used by millions of women. It actually protects lips against dryness, lasts all day after blotting, and won't smear on anything!

What makes it so creamy and moist—and still indelible? Indelibase—an ingredient which combines super-lasting qualities with lubricating emollients.

Now Helena Rubinstein introduces nail polish with the same amazing Indelibase. It lasts much longer than ordinary polish, protects the nails themselves, and requires no undercoat (the base coat is built right in)!

There are 14 magnificent colors—12 matched to Stay-Long lipstick, plus 2 neutral tones.

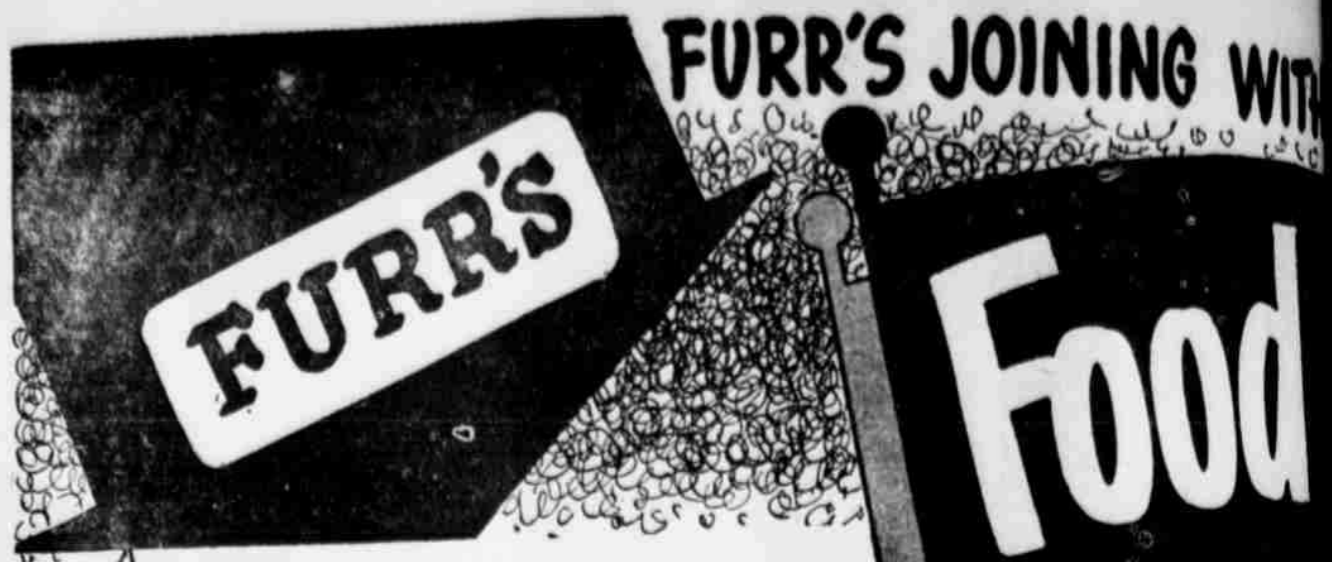

You'll find Helena Rubinstein's remarkable new nail polish and famous Stay-Long lipstick here today.

Postal Receipts
For October Up

Postal receipts at the local post office, which have been showing consistent increase for the past months and years, are continuing their climb, and their comparative climb with figures for the preceding year, showing a 9.7 per cent increase in October 1951, compared with 1950.

Actual figures released by Postmaster Storey, show receipts for October of this year as \$5,131.26, compared with \$4,676.66 in 1950—a gain of \$454.60, and a gain which local postal officials point toward with pride.

With increased postal rates now going into effect in many categories, including the 2-cent post card, additional increases are certain to continue, if not accelerate.

It might be noted also, that parcel post rates were raised between the comparative October months of 1950 and 1951 exemplified above, which in some measure might account for at least a portion of the increase.

But beyond those facts, and in addition to them, business continues to increase at the local post office. Likewise expenditures, and a substantial salary increase has just been approved, effective last July 1, which will add several thousands yearly to the local postal pay roll.

Sudan Students Buy Heifers For
FFA Project Programs At Amarillo

Several of the Sudan Vocational Agriculture students, accompanied by E. E. Chance, teacher, spent Thursday of last week in Amarillo buying heifers and steers to be used in their project programs. Five Hereford heifers and five Hereford steers were bought by Donald Patterson, Stanley Otwell, Bill Wiseman, Carroll Wiseman, Leon Hill, and Billie Clayton.

Funeral For Claude
Kester Held At
Sudan Tuesday

Funeral services for Claude Kester, 45, was held at First Baptist church, Sudan, Tuesday afternoon at 3 p.m. with the pastor, Rev. Wayne Perry officiating. Burial was in Sudan Cemetery. M. L. Payne Funeral Home Amherst, was in charge of arrangements.

Deceased passed away Saturday night, at his home in Bethany, Oklahoma. Cause of death was said to be a heart attack.

Survivors include his wife and one brother.

A County Wide Teachers meeting will be held here next Monday night, November 12th. A banquet will be served the group at 7:30 o'clock in the school cafeteria.

Troy Armes, president of the organization will preside, during the business session.

W. D. Kay, superintendent of Amherst schools, vice-president of the organization, is program chairman.

Thanksgiving
To Be Observed
Here November 22

Thanksgiving Day will be observed in Littlefield and throughout the nation on Thursday, November 22.

In view of the fact that banks, post office, and other institutions will be closed on that day, the retail trades committee of the Littlefield Chamber of Commerce recommend that Littlefield stores observe the national holiday by closing their places of business.

For the past several years there have been two Thanksgivings observed, the nation observing November 22 and Texas selecting November 29.

Christmas Lighting

Preparing for the Christmas season, the committee plans to have the Christmas lights turned on November 29. The parade, with Santa Claus and his reindeers, is scheduled for 3:30 p.m., Wednesday, December 12.

Miss Martha Neunschwander, Chamber of Commerce secretary to manager Bob Crowell, took an annual weeks vacation from here duties last week.

Prize Winners in Foxworth-Galbraith
Anniversary Celebration Announced

Prize winners were announced Saturday night in the Foxworth-Galbraith's Giant 50th Anniversary Celebration, in which \$5,800 worth of free prizes were awarded.

The announcement as to winners was made over Stations KGNC Amarillo and KFYO Lubbock.

Nineteen yards in the South Plains and Panhandle participated in the event, and two prizes, a radio and silverware set were awarded by each yard.

V. L. McGuire of Star Route 2, Littlefield, won the RCA radio given by the local Foxworth-Galbraith yard, and Mrs. G. W. Steffey, Sr., was awarded the 1847 Roger Bros. 52 piece silverware set.

Mrs. C. F. McCormick represented Littlefield in the awarding of the grand prize, the Buick 4 door Sedan, which was won by Mrs. J.

L. Franz of Spearman, Texas.

A banquet was given at the Hilton Hotel, Lubbock, by the Foxworth-Galbraith organization, at which the managers of the various Foxworth-Galbraith yards in this district, and their wives and friends were present to receive the announcement of the winners.

Included in those present at the Lubbock banquet was Jack Foxworth of Dallas, vice-president of the company; and J. C. Galbraith, El Paso, Texas, president of Foxworth-Galbraith, attended a like banquet held at the Herring Hotel, Amarillo.

Ed. Seely, manager of the Littlefield branch of Foxworth-Galbraith Lumber Company, attended the Lubbock banquet, accompanied by Mrs. Seely. Guests of Mr. and Mrs. Seely were Judge and Mrs. E. A. Bills of this city.

It has a Way with Women

SOMETIMES we think that too little attention is given to the fair sex in automobile advertising.

After all, it's the woman of the house who has to do most of the shopping, which involves getting into tight places at the curb. And it's surprising what tight spots a Buick can fit into at a turn of the wheel.

It's the woman who likes complete freedom from things that it takes an engineer to operate—and a complete and utter freedom from mechanical complications is exactly what makes Dynaflo Drive* such a joy.

It's the woman who has an eye for style and fine fabrics—and a nose for economy. On both counts, a Buick is tops.

But we suspect something else. We suspect that a woman gets just as great a lift as a man from commanding this great-powered and trigger-quick bundle of vitality to bow to her will.

Here's a car to win any woman's heart—by its level-gaited stride—its willing response to her hand on the wheel—its smart

style and its smart performance—its spaciousness and comfort—and its thrift.

How about taking time off, some afternoon, to boss around a Buick? It's a date that's bound to thrill you.

—NO OTHER CAR PROVIDES ALL THIS—

Veteran South Plains Cotton Observer Estimates Area Yield Up 40,000 Bales

"I believe cotton production will be little affected by the freeze as it was only two days ahead of the average frost date of November 4th", K. N. Clapp, Lubbock representative of Anderson, Clayton and Company and veteran South Plains cotton observer, said.

He said he doubts if the killing frost will harm production, but it may affect the grade. Affects on the grade will be determined by subsequent weather.

His estimate of production is 40,000 bales above his October 1 prediction. He believes the South Plains will gin 1,395,000 bales of cotton. "The increase is due to four weeks of excellent maturing weather," Clapp said. "Increase would have been greater had not more bollworm damage than previously estimated become apparent with ginning."

His acreage estimate of 1,000,000 irrigated and 1,800,000 dryland remains unchanged. He believes irrigated cotton will produce 435,000 bales and dryland cotton will produce 540,000.

Progress of the crop during the last week was poor, but for the month of October, Clapp characterizes progress as "excellent."

Classings for the last week numbered 45,000 bales and for the season the number is 296,000.

Clapp estimates 70 percent of the crop is open.

Three light frosts in October began defoliating cotton in low places. The heavy freeze, what Clapp calls a "No argument killer," of Friday morning probably nipped all the leaves. Within 10 to 14 days all the leaves should be gone, leaving the stalks bare for machine strippers.

Last Friday's freeze will result in a surplus of labor, Clapp believes, because fields will be ready for the machines.

In his monthly report Clapp included a prediction on 1952 cotton acreage.

Consensus of opinion in every county," Clapp said, "is a repeat next year of the record acreage this year."

He said his county by county check indicates 3,500,000 acres will be planted next year, compared to 3,580,000 acres this year.

Clapp's county by county production estimates follow:

County	Nov. 1st	Oct. 1st
Bailey	40,000	40,000
Bishop	12,000	10,000
Cochran	80,000	75,000

Legion To Urge Vote Favoring Land Benefits To Veterans

A last-minute appeal for a break in the veteran's land program for veterans of the Korean War will be asked by more than 200 Legionnaires of the 19th Congressional District when they hold their annual fall district convention at Brownfield Saturday and Sunday, November 10 and 11.

Robert L. Kirk of Littlefield, the Legion's 19th District Commander, predicted that the convention, represented by 6,540 Legionnaires, would ask voters to go to the polls on November 13 and cast an overwhelming vote in favor of the proposed amendment to the state constitution which would make Korean War veterans eligible to share in the land program benefits.

Ballots are being printed immediately and will at once be mailed out to all qualified county voters. More than half of the balloting is expected to be done through the mail, for which provision has been made. Farmers are reminded, however, that mail ballots must be cast and mailed several days prior to the election date. For those who wish to cast their votes in person announcement is made of the following voting places in each of the precincts.

Earth and Springlake; Coop Gin, Earth.

Olton; Coop Gin, Olton.

Fieldton and Hart Camp; Coop Gin, Hart Camp.

Amherst; PMA office, Amherst.

Sudan; Coop gin, Sudan.

Beck Community; Hampton Gin office.

Littlefield; Lamb County Cooperative Gin office.

Spade; Spade Coop Gin.
Following the election, the new committeemen elected, will meet at Amherst on Nov. 29th, and at that time and session they will select the new 1952 PMA county committee members. The present committee, whose terms automatically expire, is composed of: H. G. Walker, Ray Hulse and Henry Gilbert, with John McQuen as secretary, an appointive office.

fund from which veterans of World War II and veterans with service subsequent to 1945 may make loans to buy farms and ranches. No distinction is made in the amendment between veterans with service overseas or at home.

"In seeking the approval of voters, the Legion is not asking for a bonus or a handout of any kind," Kirk said. "The land program is self-sustaining and without cost to the taxpayer. It is a fine program for GI's who dream of owning and farming their own land."

If the amendment is approved, the state will be authorized to issue bonds and allow World War II and Korean War veterans to buy land up to \$15,000 with a 5 per cent down payment. The loans would be paid back to the state over a maximum of 40 years. More than 4,000 veterans of World War II participated in the original program and have increased the security value of their farms by nearly two million dollars, according to Land Commissioner Bascom Giles, Kirk said.

State Commander Charlie Gibson of Amarillo will probably drive over from Plainview to appear on the Sunday program, Kirk said. Gibson will give an Armistice Day address in Plainview on that date. Eighteenth District Commander Rhea Smith, also of Amarillo, will be present.

Vocational Ag

(Continued from Page 1)

Equipped with tools of all descriptions, electric saw, shavers, buffers, drills, and numerous other equipments, as well as welding equipment, sanding equipment, finishing equipment, and countless other things, which do not escape the eye to an inquiring reporter, but which nevertheless are beyond our being able to word-describe them.

74 Boys Enrolled
But, most important of all is the fact that a total of 74 boys are now enrolled in Vocational Ag. classes, and that represents an increase of 20 over last year.

This building and these classes are dedicated to one main purpose—and that is teaching these boys at least the rudiments of doing the minor building at least, and general repair work that is a requisite on the average West Texas farm. Other goals, are teaching of better citizenship, and building better boys, in minds, in spirit, and in body—teaching them to work alone, to mingle and fraternize together—in other words teaching them the steps leading toward good rural citizenship and better farms and farming methods.

Variety of Project

Not all of them will become farmers, but that is of small import, because the skills they learn, can be and are easily adapted to other vocations. Learning to use hand tools, as well as machine tools, is an asset, and an adjunct to any and every phase of activity, which a boy may choose for a vocation or life work.

For instance, these boys, some of them have made some beautiful and clever book shelves for the class rooms and tool cabinets for the shop.

New hog feeders were just being completed by three or four boys, among them, Dickie Cobb, Frank Briscoe, Doyle Gibson, Bill Brantley and Lynn Russell.

Another boy, Clinton Young, was just completing construction of a new cotton trailer, which will see service in harvesting this year's cotton crop.

And the school's acetylene welding outfit was ensconced in a new trailer, which the boys had just built, to be attached to the new FFA Ford truck, to make visitations to various Lamb county farms to do a bit of work in welding "here and there," as part of their class activity.

And the array of tools themselves, are encased, neatly, in tool racks and shelves, which have been made by the boys in regular class room work.

Don't forget to visit this new Vocational Ag. building when you visit the new school. It's strictly modern, clean as a pin, and heated with a big fan-blower. The walls are tinted green, and contains probably something more than 2500 feet of floor space.

New work benches, chairs, etc., are being and will be constructed by the boys, and, best of all, they are not only doing a good job off—but seemingly, certainly enjoying their work—and show honest pride in the things they build, learn, and accomplish.
